## ALL-CONFERENCE PLAYERS SELECTED IN MEETING HERE

### Prestonsburg Places Eight On Honor Team; Post Season Game Continued

### PRESIDENT CHOSEN

Representatives from the schools comprising the Big Sandy conference met at 7:30 o'clock Thursday night in the High School building here for a two hour session and selected an all conference football team from the best of Big Sandy's football players.

Pairville was the only school not represented. Belfry telephoned their selections and were represented by Jess Hawkins, principal of Van Lear schools.

Aside from picking the honor team, coaches selected Wiley Jones, coach at Maytown high school and prominent in school sports in this section as president of the Big Sandy Conference. The meet also voted to have a next season game between the all conference team from BSC and the pick up of the Eastern Kentucky Conference and make it an annual affair.

Champion High School team was not recognized at this meeting. But a gathering of coaches is scheduled for Dec. 18 for the purpose of brooding this honor. It lies between Prestonsburg and Pikeville, who played to a scoreless tie, although the locals outgained the Pike eleven. As a matter of record, Pikeville played Paintsville at Pikeville, winning 6-0, while Prestonsburg defeated Pairsville, 26-0.

Without question it seems, the local team deserves the crown.

The all conference, with Prestonsburg placing more players, a total of eight, on the first and second teams than ever before, is given as follows:

- First Team Selections—
- End—Vinters, Pikeville.
- Tackle—Gillespie, Pikeville.
- Guard—Collins, Van Lear.
- Center—Edcomb, Prestonsburg.
- Guard—Norris, Pikeville.
- Tackle—Young, Van Lear.
- End—Allen, Prestonsburg.
- Q. B.—Mayo, Prestonsburg.
- L. H.—J. Jones, Postonsburg.
- R. H.—Wiggins, Pikeville.
- F. B.—Fields, Belfry.

## D. A. R. MEETS

John Graham Chapter, D. A. R., met Tuesday evening, Dec. 8 at the home of Mrs. A. C. Harlowe. Mrs. Ruth Sowards presided in the absence of Mrs. Osa Lichten, chapter regent. At the close of the business session the topic of the evening, "Women in the Revolution," was presented by Mrs. Joe Hobson, program chairman in charge. Interesting papers were read by Mrs. C. W. May, Mrs. Sally Humphreys and Mrs. Joe Hobson. Miss Oval Bingham presented a violin solo, "In the Cathedral" accompanied at the piano by Mrs. Elizabeth Wells. Miss Kathryn Stumbo, assisted by a group of high school students rendered Christmas carols from without the house in a most impressive manner. At the close of the program a delicious desert course was served to the following members and guests:

- Mesdames Harry Sandige, Gwynne Ford, Joe Hobson, Elizabeth Wells, H. D. Fitzpatrick, H. L. Mayo, Charles Humphreys, S. L. Spradlin, E. P. Arnold, Ruth Sowards, C. W. May, O. T. Stephens, Gordon Francis, Josie Harkins and guests, Mrs. Green Allen and Miss Oval Bingham.

## RED CROSS GOAL ALMOST REACHED

Prestonsburg, in the annual roll call of the American Red Cross, stood, this week just past, 30 memberships short of its goal of 300 members. It is felt that the one tenth of the quota still lacking can be reached very soon. Those in charge of the local drive state that people of Prestonsburg are cooperating splendidly in aiding a worthy cause.

Latest reports show that Wayland, with a membership goal of 200, has enrolled so far only 29 members. This information is gathered from reports received since the last issue of The Times.

Members added to the Prestonsburg roster since then are Haden Howell, Wilson Stepp, Zebulon Lodge, \$5 and Kroger Grocery, \$5.

### Returns Home

Mrs. W. H. Jones and daughter, Miss Francis Jones returned this week from Hot Springs, Ark., where they spent the past two months.

## PNEUMONIA CLAIMS SAFETY EXPERT CONGRESSMAN CARY SCHEDULED FOR APPEARANCE HERE

### Prominent Legislator Dies in Cincinnati Hospital Saturday, December 5

Representative Glover H. Cary, of the Second Kentucky District, died Saturday evening in the Bethesda hospital, Cincinnati, Ohio, from complications of pneumonia contracted last winter.

Mr. Cary, who was 51 years old, was born at Calhoun, Ky., and attended public schools at Calhoun and Owensboro. He attended Centre College at Danville, Ky., and was admitted to the bar in 1909. Elected to the Kentucky Legislature in 1913, he served for four years and after holding several State positions was elected to the seventy second Congress in 1930. He was elected to each succeeding Congress and would have served in the new Congress beginning next month.

Senators Alben W. Barkley and M. M. Logan and Representatives A. J. May, Preston Thomas, Rufus Spence, Fort Thomas, Virgil Chapman, Paris, Fred M. Vinson, Ashland, and John M. Robison of Barbourville were named on a Congressional committee to attend the funeral at Owensboro, Ky., Tuesday afternoon at 2 o'clock.

Mr. Cary was an uncle of Mrs. C. V. Watson, who formerly lived here where Mr. Watson taught in the Prestonsburg High School and served as coach.

Congressman and Mrs. A. J. May left Monday to attend the funeral rites at Owensboro.

## STATE INSPECTOR MESHAP VICTIM

### Caught Beneath Concrete Mixer Scoop On Road Job Wednesday

C. Everett Mink, well known man on Beaver Creek and resident of Alpharetta, above Martin, was seriously injured at 11 o'clock Wednesday morning. Mr. Mink, State highway department inspector on the Allen Lackey road paving, was doing some measuring near the concrete mixer and the operator, it is said, did not see Mink as the bucket scoop descended and caught him. The injured man was taken from the scene of the mishap, about one mile below Martin, near Arkansas, to the Gearheart Clinic in Martin.

According to reports, Mr. Mink was suffering from a fracture of the first lumbar vertebrae and a laceration of the scalp. A report from the hospital says Mr. Mink will recover, and was resting satisfactorily Friday morning.

Paving of this road is being done by the Codell Construction Company.

Christmas Seals help pay for the nation wide campaign against tuberculosis. They make possible such things as clinics, nursing service, preventors, rehabilitation, education, medical and social work, tuberculin testing of children, X-rays and many other activities that help discover cases EARLY when cure is easier.

Jeff Harris, who has been very ill for the past several months, is now able to be out.

## Payne to Make Recommendations Toward Eliminating Traffic Hazards

At the invitation of the Prestonsburg Woman's Club Major W. H. Harren, supervisor of the Safety Campaign in connection with the state highway patrol, has scheduled Lieutenant S. C. Payne to come to Prestonsburg to make recommendations for the elimination of traffic hazards, improvement of local handling of traffic offenders and ways and means of reducing high way accidents.

Mayor Carter has pledged his hearty support of the campaign and with all civic forces and the schools enlisted, a marked reduction in accidents is sure to follow.

Extensive plans are being made by the local committee to have pledge cards on hand for every driver of a car when he purchases his new license the first of the year.

Safety bill boards will be erected in conspicuous spots about the town instructing drivers and pedestrians how to avoid accidents.

## FIRECRACKERS TABOO

The city council has passed an ordinance to the effect that it will be a \$10 fine or 10 days in jail or both, for anyone to shoot fireworks of any kind within the corporate limits of Prestonsburg.

## SCHOOL BOARD LETS CONTRACT

### Project Involves \$45,000 bid; PWA Approval Must Be Secured

The Floyd county board of education, in its meeting last Saturday, awarded construction of a brick and tile school building to Stewart Construction Co. The Stewart bid was \$45,000.

The building, according to information received from reliable sources, will consist of 12 class rooms and an auditorium, 60x100 feet. Although the contract has already been let, it is yet to receive PWA approval and financial cooperation is being sought from the fiscal court by the county board.

After being delayed for a year and barring further complications that might prevent the procedure of this work it will probably be started sometime near April 1. The job will employ approximately 15 men during the course of construction and is to be finished by July 1, it is said.

## CHILD INJURED

Franklin, 7 year old son of Mr. and Mrs. Colonel May, was severely injured Monday afternoon when he ran from behind a parked automobile on Graham street and was struck by a passing car driven by Alex Stephens, of Buck's Branch.

The child was rushed to the Beaver Valley hospital, Martin, where he remained unconscious for several hours. He was at first believed fatally injured, but was able to be returned to his home in Prestonsburg. Latest report are that he is slowly improving.

## MEN ENJOY TURKEY AT MEN'S NITE MEETING OF WOMAN'S CLUB

The annual Men's Night meeting of the Prestonsburg Woman's Club Friday evening at the Auxier Hotel was celebrated by a banquet consisting of a splendid turkey dinner and a most entertaining program with Miss Virgie McCombs as toastmaster. After introduction of guests by the president Miss Ella Noel White, Rev. R. A. Potter asked the invocation. Miss Minnie Grace Harris gave the address of welcome, which was very humorously responded to by Rev. H. F. King.

Franklin Mockett contributed the beautiful song, "Trees," in memory of Schuman Heink whose singing of the song made it very popular. The remaining numbers of the group of songs sung by Mr. Moore were: "I Think of You With Every Breath I Take," "The Way You Look Tonight" and "Gift."

The famous "Whiteman Warblers" consisting of A. C. Harlowe, Rev. H. F. King, J. B. Clarke and Charles Milby produced the hilarity of the program. They not only sang songs of a classical nature, but gave us all the local gossip in the form of original jingles. It was prophesied that this group would not go.

## J. E. BALL BUYS MAYO GROCERY

The Mayo Cash Grocery, operated for the past six years by J. D. Mayo, located in the Bailey building near the corner of Third avenue and Graham street, was sold Monday to J. E. Ball. The deal included sale of stock, fixtures and the complete store.

Mr. Ball, a member of the city council, is well known in local merchandising circles, having been in the grocery business for a number of years. The new firm will be known as the Community Grocery Company.

Business will be carried on at the same location while extensive interior alterations are being made.

Mayor A. C. Carter spent several days in Louisville last week attending the convention of Kentucky mayors.

## Local Merchants Prepare to Welcome Xmas Shoppers

Merchants of Prestonsburg in spite of no existing organization for furtherance of our city as a shopping center, are demonstrating a decidedly fine effort to receive shoppers during this Christmas season, and give them what they want at prices they may wish to pay.

Window decorations and displays, special signs, street decorations and interior arrangements to welcome the buyer in the spirit of the season are being shown. An extensive variety of merchandise is being displayed that includes anything from toys, candies and cards to radios, home appliances and automobiles.

Previous to this season, as the result of inquiries made in reliable quarters, and a little "price chopping" here and in adjacent places, as well as a large neighborhood, revealed that some

## FISCAL COURT IN MEET THURSDAY; FUNDS DISCUSSED

### \$42,000 Available in Tax Fund, Court Told; Disbursement Problem

### MEETING NEXT WEEK

A meeting of the county's magistrates and county judge was held at the courthouse here Thursday, Dec. 10. The sales tax account refunded to the county was presented to the magistrates, a ghost in the form of a disbursement problem of the now dead sales tax measure.

George P. Archer, county treasurer, informed the fiscal court that approximately \$42,000 in the sales tax fund had been refunded to the county. Mr. Archer stated, "This is the people's money, paid by them, and should be put into circulation to benefit the people instead of remaining idle." Just what to do with this money seems to have been a perplexing problem to the magistrates, as to the legal manner in which to disburse the fund or transfer it under the state budget plan to replenish one of the active, but lacking, funds that needed it.

Under the budget plan, Mr. Meade, county clerk, held the court in explaining how fiscal affairs are supposed to be carried on under this budget law in properly handling funds that there were certain designated purposes for this money.

Legal subject of the transfer was given by County Attorney Forrest D. Short: "It can be used to pay interest or maturities on voted or refunding bonds issued by the county," said Mr. Short in advising the fiscal meeting, after an investigation and a consultation with the Attorney General in Frankfort. Mr. Short was in receipt of the numerical list of the legal uses of money. Regardless of how urgent the need of the tax sum in the general fund for other funds, the amount can be, by law, spent in the designated manner.

Another issue discussed was the financial cooperation and a deed for the property to build the Garrett school building requested by the county board of education. It is understood that

## Fireside Dreams vs. Cold Reality --- Xmas?

The Yuletide decorations cushioned ideas is the fact that grace streets and store interiors of Prestonsburg sits that it so much finer to have one down to himself to dream of the comfort of the home up with the sudden realization of a changing picture: a fire place with its flames dancing upon the live coals while the bustle of kitchen activity and the drift of pleasant aromas promise the season's culinary delicacies. Screams of delight were from youngsters possessing a train, was some mechanical toy or a talking doll that Santa has brought. Such pleasantness so much joy and cheer, and so many beaming faces all of which sets Christmas apart from any other holiday. Some ethereal bond prevails that seems to bind mankind much closer. There are no four walls of any man's home that keeps the spirit of Christmas to one's self.

It's fine to be happy and enjoy the unboundedness of

**SITTING TILL BEDTIME**

A good old custom now seldom used was the habit of sitting up till bedtime. It took the place of clubs and other social entertainments. It was a species of neighborhood newspaper, for everybody's business and every body's news. Sometimes it was an affair of young people who would go in large groups, not for a party, but just to spend the time from supper till bedtime in harmless chatter. Popcorn in season, or molasses candy, or music on the Jew's harp or fiddle or banjo would always be in place. Whether there was an organ or not, there was sure to be singing of church hymns and sentimental songs. My first knowledge of breakdowns was gained from hearing the boys play on such occasions. Two of our neighbor boys, one of them still living, could make the fiddle and guitar say everything from "Downfall of Paris" to "Pop Goes the Weasel." We used to gather at some farmhouse late in the fall and make molasses candy. I always started out in good order, but long before the candy was ready to make into plaits and lay out on greased plates, I had got the stuff all over my grimy paws, and had eaten my share, largely by the old fashioned method of licking fingers.

of sitting till bedtime included the whole family. The smaller children played "club fist," "William Tumble toe" and "Hull Gull," and put on a first class imitation of a protracted meeting. The older ones repeated stories of the Civil War that all of us knew by heart but wanted to hear again. Before the evening was over, ghost tales were started, and we children, who were usually worn out with our own devices by this time and were an open mouthed audience for the yarn spinners, were afraid to move. I have often drawn my feet up into my chair and sat on them to keep invisible things from biting them off. I once knew a grown man who got so scared at the yarns spun that he was afraid to go home alone, so that some of the big boys had to "go a piece of the way home with him." The discussions I have heard about religion and politics of some of these after supper forums would make theologians green with envy. Usually these topics were left, by tacit consent, to the group of men sitting around the stove at the country store or to the group gathered at some home on Sunday afternoons. Several things have contributed to the passing of the custom of sitting up till bedtime. First came the rural telephone, with numerous boxes on the party line. It

was easier to stay at home and talk to all the neighborhood than to go to one certain place. Members of a party line were ex officio members of a news club; it was hard to tell whose conversation it was, anyway for the whole neighborhood joined in. If your ring did not get central some kind neighbor would ring for you, assuming that your batteries might be weak. I recall having carried on an after supper flirtation with a girl on the party line for many weeks; of course, the whole neighborhood listened in, as a matter of custom. She would play sentimental tunes on the organ for me, I would play my French harp; but the odd thing is I have never seen her to this day, although she lived across the creek bottom.

Now there are clubs galore and the local High School to occupy attention of the whole neighborhood. Only a few shut ins now know the value of this old custom of gathering after supper to sit till bedtime.

**THE NEW PICTURES**

Opinions are based upon the reports of P. S. Harrison, noted New York critic, whose reviews serve as confidential guides to their men all over the country.

"REUNION" (20th Century Fox) with Dionne Quintuplets and Jean Hersholt.

This is a sequel to "The Country Doctor," but is not as good as that picture. Jean Hersholt has again the role of a simple country doctor and John Qualen, father of the Quins, furnishes the comedy by suffering each time a neighbor's wife gives birth to a child, fearing that she will break his record. J. Edward Bromberg is head of the Chamber of Commerce in the town. Alan Dinehart has the role of Governor, Esther Ralston is a moving picture actress. Tom Moore is an eminent surgeon and Helen Vinson is his wife. Robert Kent and Rochelle Hudson are the romantic leads. Slim Summerville, Dorothy Peterson and Sara Haden are also in the cast.

Suitable for all.

"THE GARDEN OF AL-LAH" (United Artists) with Marlene Dietrich and Charles Boyer.

This is artistically an out-

standing picture. The production and acting are superb. Charles Boyer has the role of the Trappist monk and Miss Dietrich is the cultured young woman who has gone to the desert to get away from everyone. Basil Rathbone has an important part and C. Aubrey Smith, Lilly Lesch, and Joseph Schildkraut are also included in the cast.

The picture was adopted from the novel by Robert Hichens.

It is morally suitable for the whole family but is mainly an adult picture.

"HIDE AWAY GIRL" (Paramount) with Shirley Poss, Martha Raye and Robert Cummings.

This would be rather dull without Miss Raye's clowning but she provokes much laughter by her wise cracks and knows how to put a song over.

Cummings has the part of a wealthy playboy, Miss Ross

is presumably running away from the police. Morroe Owsley is a notorious jewel thief and Elizabeth Russell is Cummings' fiancee.

Suitable for all.

"MAKE WAY FOR A LADY" (RKO) with Herbert Marshall and Anne Shirley.

The plot of this picture was adopted from the novel, "Daddy and I," by Elizabeth Jordan. Herbert Marshall, Anne Shirley, as his daughter and Gertrude Michael have the leading roles.

Suitable for all.

"ROSE BOWL" (Paramount) with Eleanor Whitney, Tom Brown and Larry Crabbe.

This is a college football story with Tom Brown and Larry Crabbe as Rivals for the love of Eleanor Whitney.

The plot was adopted from the story of Francis Wallace and included in the cast are Benny Baner, Wm. Frawley and Nidia Westman.

"NORTH OF NORME" (Columbia) with Evelyn Venable and Jack Holt.

Against the background of the Alaskan seal country, Jack Holt has the role of a seal poacher; Quin Williams is the villain and Roger Imhoff, John Miljan, Dorothy Appleby and Paul Hirst are in the cast.

Suitable for all.

**Mrs. Mayo, County Chairman**  
 Mrs. W. P. Mayo, Prestons-

burg, has been appointed chairman for Floyd county for the art survey being conducted under the auspices of Women's Clubs and the department of Women's Club Service, University of Kentucky department of Extension, for the purpose of publishing a catalog of Kentucky Art. This catalog, which will be published by the University of Kentucky department of Extension, is being edited by Mrs. W. T. Lacey, secretary of Woman's Club Service at the University.

County chairmen selected from all over the State are the leading women of the Commonwealth, and they are asking the people of each community, who own art treasures, to communicate with them in order that they may catalog those treasures.

The board of directors of the Kentucky Federation of Women's Clubs decided to open the campaign in November, and since that time they have been carrying on an intensive survey, hoping to make a final report at the mid winter meeting of the board, January 6. This work will be supplemented by information obtained through the schools. This interesting the school children in Kentucky art.

Art lovers of Kentucky, realizing the wealth of art material in the State, especially in the fields of portraiture and miniature, have striven for years to acquire a reliable list of Kentucky art treasures which could be published and made available for general use.

**MINE WORKERS SUPPORT SCHOOL**

A box supper and dance was given Dec. 5 in the gymnasium under the auspices of the United Mine Workers, local 5836, Auxier, Ky. Approximately 300 people attended.

The entire proceeds, \$90.00, were donated to the school for the purpose of paying for laboratory equipment and books. The United Mine Workers spent much time and effort to make this party the biggest and most profitable of any ever held here. The total receipts are indisputable proof of the great success of their undertaking.

The fine spirit of cooperation among the United Mine Workers of Auxier members was very convincingly demonstrated by their combined effort to do something "big" for the Auxier school.

The committee, who deserve great credit for their fine work, was composed of C. M. Castle, E. B. Daniels, Jeff Wells, Alec Patton, Bob Evans and Ed Moore.

The very best square dance music ever provided in Auxier was furnished by Sam Wells, Lee Ramey, Ed Moore, Dan Stephens and Willie DeLong, of Auxier; Mr. and Mrs. Edgar Preston and Todd Preston, Thealka, Carl and Leonard Dent, Russell, Ky.

The dance was called exceptionally well by A. B. Rice, of Paintsville, John

Butler, of Prestonsburg, and Bill Ford, of Auxier.

The boxes were auctioned by E. B. Castle, Jeff Wells, C. M. Castle and Bill Ford.

Food and music were good, everybody was good, and it goes without saying that all had a good time.

A very interesting feature of the evening was the presentation of a large American flag to the school by the United Mine Workers. W. R. Ford presented the flag in behalf of the local. It was received by Alice Mae Daniels and Dorothy Mae Adkins, of the Auxier school.

Teachers and pupils of the Auxier consolidated school are very grateful to the United Mine Workers for their loyal support.

Mr. Hale, High School principal, has organized a science club, with practically 100 percent of the High School students having joined. Miss Sara Music was elected president of the club.

Plans for a Christmas program are under way in both the high school and grade rooms.

Miss Marie Spradlin, of Prestonsburg, spent Thanksgiving with her mother in Bonanza.

Mr. and Mrs. Wilson Stepp, Mr. and Mrs. H. R. Burke and children, and County Attorney Forrest D. Shor, of Prestonsburg, spent Thanksgiving with their parents, Mr. and Mrs. James Short.

Beecher Scutchfield, of the University of Kentucky, spent a part of the Thanksgiving vacation visiting friends here. Profs. Hale and Leslie and Henry Hale were the dinner guests of Mr. and Mrs. Butler Stone Thursday.

Miss Naomi Spradlin, of my Hale and Tom Hill, teachers of Mud Creek and Need more, spent the week end with homefolks here.

The house being constructed for Mr. and Mrs. Gale Music is almost completed, and Mr. and Mrs. Music will move in to their new residence some time during the week.

Another addition to residences of the community is that of Mr. and Mrs. Scott Hill.

Miss Mary Elizabeth Spradlin spent Wednesday night visiting her sister, Miss Marie Spradlin, of Prestonsburg.

Mr. and Mrs. Grover Pruitt and baby were guests of Mrs. Pruitt's parents, Mr. and Mrs. Greeley Hackworth Sunday.

Jimmie Poe, who has been ill for some time, is improving.

James Hill spent Saturday evening in Paintsville attending the cattle market.

Mr. and Mrs. Henry Baird ridge had as guests Saturday evening Misses Mildred Hill, Lucile Conley, Ruth and Beatrice Merritt, Flossie Patton, Erkie Prater, Synthia Mae Music and Mrs. Bill Merritt.

Mrs. Tom Hill, of Myrtle, visited her son, Tommy Hill, and family here Sunday.

Miss Dorcus Montgomery spent last week with Miss Lucile Conley.

**MCDOWELL**

The McDowell High School

basketball team defeated the High School team from Oil Springs Friday night by a score of 39 to 18. Glidden Stumbo was high point man for the Cardinals. On the same afternoon Drift University was defeated by Clark's Sweepers, 10 to 5. Schlitz Moore was high point man for the Sweepers.

Mr. and Mrs. Evert Hall spent the week end with Mr. and Mrs. Ottis Vanderpool at Drift.

Supt. Town Hall was in McDowell this week inspecting work on the gymnasium.

Lloyd Stumbo, Moses Hall, Eugene Hopkins and Noah Hamilton, students at Caney Junior College, were visiting Homefolks over the week end.

Miss Stella Hamilton, of Dona, spent the week end with Miss Chloe Meade.

Roads in this section are almost impassible for cars, due to the recent rains.

Tousser Hall has been confined to his home for the past week with flu.

**IF YOU CAN'T BE THERE — Telephone!**

A gift that you know will be welcome, is a long distance telephone call to those friends and relatives in other cities whom you cannot visit in person during the holidays.

Such a gift, you will find, really rewards the giver with as much pleasure as it does the one who receives.

If you want to make certain the party you wish to reach will be at the telephone, notify them in advance of the day and hour of your call, and use the lower cost Station-to-Station service.

Express your holiday greetings in your own voice. You will find a "long distance" telephone call is quick, personal, low in cost. Ask the operator for rates to anywhere.

## UNCLE GEORGE SALYERS DIES

George Salyers, 76 years old of Eureka, died Friday Dec. 5, a victim of cancer. He had been a sufferer with the dread disease for several years.

"Uncle" George, as he was well and favorably known, was born in Lawrence county and moved to Floyd at an early age. He was married to Miss Louise Dillon, who preceded him in death. To this union five children were born, all of whom survive. He was later married to Miss Virgie Shepherd, who, with one son, George Salyers, Jr. survive him. He is also survived by the following sons and daughters by his first marriage: Charlie Salyers, Tampa, Fla.; Jay and Woodrow Salyers, of Prestonsburg; Mrs. Henry Beavers, of Prestonsburg, and Mrs. Bertha Shyler, of Chicago, Ill.

Funeral services were held Sunday from the schoolhouse at Eureka with Rev. Arnold T. Malmberg, assisted by Rev. Robert A. Potter, in charge. Burial was made in the Mayo cemetery under the direction of E. P. Arnold.

### Excerpts from H-TIMES (High School publication)

#### Mrs. Roberts' Room Has Highest Attendance

Mrs. Roberts' home room of freshmen got a vacation Monday afternoon and all went to the movies. Why? Because during the past month they have come to school more regularly and had less tardies than any other room in the building.

Mr. Stephens announced about a month ago that the room each month having the highest rate of attendance would be awarded a free afternoon during which they can do anything they wish.

This month when Mrs. Roberts' room won the award, they decided to go to the movies so they saw Robert Taylor and Janet Gaynor in "Small Town Girl."

This system has caused quite a lot of interest in regular attendance.

Next month any room still

### Girl Reserves Plan Christmas Party

The Prestonsburg Girl Reserves plan a Christmas party with all the trimmings. There is to be a program followed by a social hour when Santa will make his season's debut. Exact date has not been decided upon but it will be with in the next two weeks.

### Inez Defeats 'Cats

The season opened Friday night when the 'Cats took on their hardest foe—Inez—and were defeated, 47 to 22. Although the 'Cats fought hard throughout the game, they were not able to overtake

their foes. In the first half the scores were always close together, hardly ever varying 4 points. In the second half Inez steadily increased their lead to leave the 'Cats behind. Carter was high point man for the 'Cats, marking up 6 points.

### Blackcats Vs. Hellier Hellcats

Saturday night the 'Cats came back with a more equal team and defeated them, 32 to 21. This team was the Hellier High School Hellcats. Although the battled hard every minute of play, Hellier was not able to complete with the Cats. From the beginning to the end of the game the 'Cats climbed ahead to keep in the scoring lead. Craft was high point man, making 10 points.

### New York City Milestones.

The first New York City milestones were erected in 1769, starting from the second City Hall at Wall and Nassau Streets and running along the Bowery Road to Kingsbridge. In 1801 a second series was set from the second City Hall to Middle Road. The third series was erected in 1822 from the present City Hall along the Bowery and Third Avenue. All the stones were of uniform size, being sixty-six inches high, four inches wide and six inches thick.

**People, Birds, Animals Feel Approaching Storm**

There are many people who can feel when a thunderstorm is coming. They are upset, even physically ill, when it breaks.

They know, too, something else that Science cannot explain—that birds and animals are warned by some mysterious instinct when thunder is at hand. Their behaviour shows it, relates a writer in Pearson's Weekly.

Does atmospheric electricity act on our nervous system or on the tiny electric charges that make up the atoms of which our bodies are composed? Presumably it is the extra electricity in the air that turns milk sour or meat bad, during a thunderstorm. Perhaps human beings are also "turned sour" by it!

Many phases of the weather influence our systems though we do not yet know how and why. Some people are affected by the east wind more than others. The east wind—there's another evil monster of mythology—makes some people positively ill.

**Baseball From Old Time Sport Known as Townball**

Baseball undoubtedly originated in the United States. The game was an evolution from an older game called townball that also developed in the United States from the old English game of rounders.

Townball was played on a square field at the corners of which were four foot posts which served as bases. In scoring one run, the player ran around these posts, and if hit by a thrown ball while running, he was "out." The side first securing 100 runs was the winner.

In 1839, with others, according to the Literary Digest, the twenty-year-old Abner Doubleday, who later served as major-general of volunteers in the Civil war in command of the defenses of Washington, drew up the first set of baseball rules. But it was not until 1845 that the Knickerbocker Baseball Club of New York, the first organized club, modified the game by substituting bags for bases, limiting the number of players to nine on a side, and setting the game at nine innings.

## COMPLETE NEW LINE OF FORD TRUCKS AND COMMERCIAL CARS

The Ford Motor Company appear this year with the most complete line of trucks and commercial cars in its history. They are available in both the improved 85-horsepower engine and the new 60-horsepower V-8 engine.

Economy was the watch word of Ford engineers in the designing of the 1937 models, and for that reason the sensational new "little brother Sixty" was introduced not only in all commercial type cars, but in the 131-inch chassis as well. The 131-inch truck is the only model not available in the 60-horsepower engine.

Certain types of light city delivery firms and farmers especially will profit by the use of the new 60-horsepower motor. It is said that operating expenses in many cases will be reduced as much as 25 per cent.

Ford in 1937 has paved the way for the most inexpensive operation of commercial vehicles in the history of the automobile business. Taking the case of the farmer as an instance, tremendous transportation savings can be made by using the Ford V-8 with its handy, economical "60" motor. Most farmers have very little need for heavy hauling. Usually a small truck may easily suffice to carry produce to marketing centers and to handling centers and to handle various trucking chores. For these farmers the new 112-inch 60-horsepower stake truck is ideal.

For rapid urban delivery, where heavy hauling is unnecessary, the "60" sets a new standard for economy.

The improved 85-horsepower engine is available through the entire Ford commercial car and truck line, from commercial cars to 157-inch dump and stake trucks. Substantially the same as refinements of design and advanced features of mechanics introduced. For their power

and ability to "take it" the 1937 Ford V-8 "85" has no equal on the market.

## HIPPO

Kelly Hicks has been appointed deputy sheriff, or maybe deputy constable. Any way, he's the new "law" of this place.

Only a small crowd attended Brush Creek church Sunday, due to practically an all day drizzle of rain. The church is regularly every first Saturday and Sunday of each month.

Oscar Spurgill, F. D. Hicks and Samuel Hicks, young men of this place, were vacationing in Wayland Saturday night.

Although it has been too dry till recently to harvest corn, old farmers of Hippos can now go to work, for it is plenty wet. They'll probably be wishing for "dry" weather next.

Mrs. James Prater, of this place, is expecting to go to the Stumbo Memorial Hospital for an operation.

Estill Hughes, formerly of this place, was guest of relatives here Saturday. He at present resides in Elliott county and is field superintendent of a gas company.

Inland Gas Corporation's well No. 7 has been completely plugged and abandoned, due to lost and unfinished string of tools. Rig is being "skidded," though, and a new well is being sunk.

Henry Ousley has moved from the Spurlock Fork of Middle Creek and resides on

Brush Creek. Dan Prater and Mrs. Julia Hicks, of Brush Creek, have been chosen district chairmen of this voting district. Hippos' merchants J. Hughes and E. C. Moore are hurriedly stocking Xmas goods to supply "Lil Buddy to Ole Dad."

Stamm and seal collectors will find the 1936 Christmas Seal interesting. Incidentally, the fastest growing branch of philately is Christmas Seal collecting.

### DAN HEFNER, Jeweler

here and there small round candies. Bake in a moderate oven.

**Rocks**  
2 cups pitted dates, cut up  
2 1/2 cups nuts, chopped  
1 cup butter  
2 eggs  
1 teaspoon soda dissolved in 2 tablespoon water  
1 teaspoon allspice  
1 teaspoon cinnamon  
1 teaspoon nutmeg  
3 cups flour  
Cream butter and sugar, add egg, beat well. Dredge dates with some of the flour. Add flour, spices, nuts and dates. Beat well. Add soda which has been dissolved in water. Drop by spoonfuls on a greased cooking sheet. Bake in an oven 350 degrees until done.

**Almond Cakes**  
Cream 1/2 cup of shortening and gradually add 1/2 cup sugar, then 5 well beaten egg yolks and 3 whites, 1/2 pound flour, pinch each of cinnamon and ground ginger, 3 ground cloves and 10 ounces of sweet almonds. Mix well and place in tiny heaps on a greased cookie sheet and bake to a golden brown in a quick oven.

**Christmas Bars**  
1/2 cup corn flakes  
1/4 cup candied cherries  
1 egg yolk  
1/4 cup sugar  
1/4 cup nuts, chopped  
2 tablespoon melted coconut  
1/2 teaspoon orange color  
Add the salt to the egg white and beat until stiff. Add the dry mixture, beating and add the sugar gradually. Fold in the corn flakes mixed

with the cherries, nuts and coconut. Add the flavoring and stir until all the ingredients are thoroughly blended. Divide the mixture into 12 portions and shape into bars with wet fingers. Place on a greased cookie sheet and bake in an oven 375 degrees for 10 minutes.

**Mincemat Cookies**  
3/4 cup butter  
2 cups sugar  
2 eggs  
1 cup chopped nut meats  
1 package mincemeat  
1 teaspoon soda  
2 1/3 cups flour  
1 teaspoon cream of tartar  
Cream butter and sugar, add well beaten eggs, mincemeat (which has been separated) and nuts. Sift flour with cream of tartar and soda. Add to the mixture. The dough will be very stiff. Amount of flour depends on size of eggs used. Shape in a roll and wrap in waxed paper and let stand in refrigerator overnight. Slice and bake in oven 350 deg. until golden brown.

**Macaroons**  
Beat 2 egg whites very stiff. Add 1 cup brown sugar and 2 cups chopped nuts. Drop by spoonfuls on a greased cookie sheet. Bake 1 hour in an oven 300 deg.

### Fireside Dreams

Continued from page one  
The Red Cross is determined to present as many of these such disappointments as possible. This year, as an appeal is being made this week to those who would like to make some unfortunate youngsters happy, to bring old toys to the Red Cross or The Times office to be distributed to needy families. Toys, old or broken, will be turned over to the NYA boys to be repaired under the direction of Mrs. E. P. Hill, Jr. If you have any toys to donate, please call phone 128 or Number 2.

## Electric REFRIGERATION PRESERVES FOOD SAFELY

THE old idea of no need for controlled refrigeration in winter has been generally abandoned. Enlightened modern home makers know that all the year round refrigeration shows substantial savings. Even in winter, we have many ups and downs in temperature which are conducive to germ development in food.

Milk, meats and perishable fruits and vegetables are all preserved safely the year around with Electric Refrigeration. Leftovers can be converted into palatable meals instead of being thrown into the garbage can. The government has estimated that \$4.50 a month is saved in this way by the average sized family.

Install your Electric Refrigerator today and begin saving now on food.
