Seventh Year

ROADS ASSURED COMPLETION FOR LEFT BEAVER

Chandler, Justice Promise Completion of Grade and Drain Within Year

CLAIM WORK WILL NOT BE STOPPED

Floyd Officials Say Force Ac- count Construction Will Be Unsatisfactory

Floyd county officials and citizens attending the Zach Justice birthday dinner at Pikeville Saturday evening were assured not only by Mr. Justice but also by Governor A. B. Chandler that grade and drain of the Left Beaver Creek road will be completed this year.

Advertisement asking bids on this work will be published sometime during the coming month, it was said, thus removing any doubt of whether the construction would be for all the route or only a part of it. County Judge E. P. Hill and County Attorney Forrest D. Short told both Mr. Justice and the Governor that beginning the work under force account would not be satisfactory, since this type of project may be suspended at any time—immediately after an election, for instance. That there is no intention of stopping the work until the route is completed as to grade and drain was emphasized by both Governor and Highway Commissioner.

Speaking for a group of Left Beaver Creek miners and other citizens, McGlothen, Drift, said this year, that mere grade and drain would not avail Left Beaver much, but that the people of the county, since unsurfaced roads are a nuisance in the late fall and winter months. "The grade and drain must be finished not only for the benefit of the county but also for the benefit of Left Beaver." (Continued on last page)

This Town-- That World

(By JAMES GOBLE)

(The entire TIMES staff "covered" the basketball tournament here, even the crime and society editors doing their bit in addition to the sports writer).

Below is the society editor's report (a la Brady Black) of the game:

On Saturday, March 12th, nineteen hundred and thirty-eight, the Pikeville High School Panthers and the Frenchburg High School basketball team gathered at the beautiful high school gymnasium here for a game of basketball. Coach William Messer was the gracious and charming host.

The Panthers were attractively attired in a maroon ensemble while the Frenchburg team used a motif of black and gold.

Students to the team were attired in the gorgeous uniforms of the respective schools; Mr. McNabb, who refereed a lovely game; Mr. Edgar Taylor who kindly introduced him; Mr. Dick Allen, who scored a delightful score; and Mr. Harshbarger, who graciously gave the game a timekeeper.

Coaches were attired in felt business suits as befitted the occasion. Lovely music was furnished by Mr. Curtis Clark, who graciously loaned his loud-speaking system for this most auspicious occasion.

The game was filled with leading plays of the Big Sandy valley, all of which were attired in the latest fashions.

In the game Mr. Wiggins of Frenchburg made a lovely dash from the floor to the other to score. He made a second dash to the board and added to the score. Just before Mr. Wiggins (Continued on last page)

COURT APPROVES 7 ROAD PROJECTS

Ruth Burchett Hired and Approved as Floyd Cer- tifying Agent

Realizing the need of farm-to-market roads in the county, the Floyd fiscal court, at its last meeting, approved seven for construction in cooperation with the W. P. A., which if also approved by the W. P. A., will give employment to many. The court also approved a project for the improvement of Betsy Layne streets, hired a certifying agent, and approved two claims for payment.

Ruth Burchett, Prestonsburg, the certifying agent, was hired at a monthly salary of \$110 by unanimous vote. She was also approved by the district W. P. A. office at Paintsville. Farm-to-market roads, for which W. P. A. approval will be sought, are:

McDowell vicinity:

Beginning at a point in the present county road near the consolidated school and running as near as practicable up the present county road through (Bristle Buck) and up the Bill Hall branch to intervene with the Big Mud Creek road. The project also includes the improvement of the front and back streets of McDowell.

Stone Coal and Turkey Creeks:

Beginning at Highway 80 at the mouth of Stone Coal, thence up the present county road to the top of the hill on Stone Coal, then down Turkey Creek to Highway 80 near Maytown, a distance of six miles.

Prater Creek:

Beginning at the bridge over the Big Sandy river near Banner, then up Prater Creek to its head, across the hill and down the Sammy Clark branch to intersect with the Little Mud project.

Jack's Creek:

Beginning at the mouth of the creek at the intersection of the state highway on Left Beaver, then following the course of the old road, as near as practicable, to the Knott county line.

Branham's Creek:

Beginning at, or near, the mouth of the creek, then up the creek a distance of six miles.

Goose Creek:

Beginning at the intersection of Goose Creek with Highway 80 near Northern, then up the creek to intersect with the Stone Coal road, a distance of two miles, to give Garrett and Northern sections an outlet.

Garrett vicinity:

Betsy Layne streets:

Beginning at the George Service Station, following the street leading to the consolidated school, then following the street leading to the Dick Layne property to intersect with U. S. Highway 23. The streets in the Cecil addition were also approved for improvement.

The fiscal court agreed to sponsor the above projects and furnish all rights-of-way.

A 50-barrel oil well on the May Layne lease, Tram, was seen Tuesday morning as heavy oil "pay" had been struck in the Big Lime, with 25 more feet of the formation yet to be penetrated.

The Tram oil and gas field, though productive mostly from lesser depths, is one of the richest in this section. A strong oil-producer was drilled three months ago by D. C. and C. P. Stephens in that vicinity.

Stockholders in the latest strike are A. B. Meade, B. L. Sturgill, G. C. Spradlin, Russell Hagewood, Richard Spurlock, F. C. Hall, Penn Fitzpatrick, J. J. Hatcher, Mrs. W. L. Stumbo, J. W. Elliott, Mrs. T. T. Webb, Carl H. Fraim, Ben J. Spradlin.

Debaters Get Bid to Nat'l Meet; County Sked Given

The Prestonsburg debating teams and their coach Mrs. Jane R. Combs, have been invited to the National District Tournament to be held at Bristol, Va., April 1 and 2. All visiting teams will be entertained as guests of the Virginia Intermont College.

The invitation to the local team was extended by the National Forensic League, the honorary high school debating fraternity, on receipt of their application for a charter. A local benefactor has already agreed to contribute funds for car expenses should the team be able to go.

Saturday all the Floyd county debating teams meet in Prestonsburg at the high school for a county tournament. The first round line-up is as follows:

Wayland affirmative vs. Betsy Layne negative.

Martin affirmative vs. Prestonsburg negative.

Prestonsburg affirmative vs. Wayland negative.

Betsy Layne affirmative vs. Martin negative.

The teams will gradually be eliminated until the winners stand undisputed. The Wayland and Prestonsburg teams have had more debates this year than Martin and Betsy Layne. However, the latter two schools have some splendid material,

Culminating with the birthday dinner, the entire program was a gesture of appreciation for the public service rendered by Mr. Justice throughout his tenure of public office.

RATLIFF'S DEATH, ACCIDENTAL, SAID

Hall, Boyhood Chum, Re- leased Under \$1,000 Bond Pending Investigation

Charged with the accidental slaying of his boyhood chum, John Ratliff, 20, on Mud Creek last week, Harry Hall waived examining trial Monday and was released under \$1,000 bond pending action of the April grand jury.

Sheriff Dial Salisbury said that young Hall, who was arrested by Deputy Sheriff Lackey Salisbury and Joe Akers Sunday night, told him that the shooting was accidental and that it occurred when Ratliff handed him a defective revolver to shoot at a ground squirrel. As Hall raised the gun it discharged a .38-calibre bullet through Ratliff's head. Ratliff died immediately.

Ratliff's father, who was present in the county court Monday when Hall's bail was set, corroborated the report told the sheriff, and asked that his son's slayer not be prosecuted.

Entered as second class matter June 18, 1927, at the postoffice at Prestonsburg, Ky., under the Act of March 3, 1879.

THE TIMES ENDORSES:

1. Floyd county for Floyd countians.
2. Immediate completion of the Left Beaver and Johns Creek road.
3. Completion of all Farm-to-Market roads, by W. P. A. labor if possible, maintenance of these routes by the state rural road fund.
4. A trade-at-home policy followed by merchants and customers alike.

6. Continuance of the Floyd county health department and county agricultural agent work.

O. K.—BUT . . .

Forestalling a hot campaign for trustee in the various school sub-districts of Floyd county, the Board of Education has, after all, acted wisely by abolishing the sub-district and the elective method of choosing a trustee. The action came at a good time: in time to halt ill feeling and bitter hatred that flares at every Floyd trustee election.

At a time when it had just become known that additional hatred was being engendered in one sub-district where, already, eight of the 24 registered voters were planning to run for the office. Of the other 16 in the district, three would have been inside the polling place as election officers.

Again would feeling have run high over a school election, the outcome of which has been headlined in past years by disdainful, almost sneering, daily newspapers with their streamers: "Hillbillies Kill Each Other in School Election."

Not only is the board's action deemed wise by thinking Floyd countians, but by others throughout the state. Others who help to pay school taxes; others, who, like Floyd countians, remember all too plainly the "Bloody Battle of Prater Creek," in 1933 when kinsmen slew each other in a gun-battle to determine who would teach their children.

And since these Prater Creek children are being taught today amid grim reminders of that battle, can it not be thought that the older of them also thank the Board for its action?

As for the contention that the action gives the Board too much power, the answer to that is the fact that the Board already had almost absolute power over teacher selections. Only a few months ago, the Attorney General's office held that a Board of Education may refuse to hire a teacher recommended by the trustee, if any reasonable objection to his or her qualifications or ability may be found.

But THE TIMES still insists that, since so much power is to be vested in the headquarters of the educational system, naming the head of the system—the Superintendent—should at least be left within the power of the people by their direct vote.

The trustee is dead insofar as the vote of the people goes. Why not let the Board of Education and all those other implausible, impractical theories also pass?

A CENTURY ago the Railroad Era was born. The young giant,

America, began to stir in earnest, dimly foreseeing its future. Men of vision demanded "More canals. More turnpikes. And railroads—if practical." By 1838 great plans of internal improvement were afoot in what is now Virginia, West Virginia, Kentucky, Ohio, and Indiana. A then small part of this activity was the building of "The Louisa Railroad," later to become the Chesapeake and Ohio.

Q Conceived originally as a spur line to serve a small territory northwest of Richmond, Virginia, that road ran its first "brigade of cars" in December of 1838. It had not quite twenty-three miles of track—a distance it then could cover in somewhat less than three hours!

Q Those were the days when die-hards resisted railroad improvement, and even friends of progress expressed such opinions as, "Nothing can do more harm to the adoption of railroads than the promulgation of such nonsense as that we shall see locomotives travelling at the rate of twelve miles per hour."

Q A hundred years ago this railroad helped to raise the curtain of the future on the territory it now serves. With pioneering days long past, the mountains tunneled and the rivers bridged, the day of Service is here. And it is on this key-note of service that the Chesapeake and Ohio continues the work it began a century ago.

Shooting and Fishing

By J. C. (Of Nimrod) WARD

Despite the cold, somewhat blustery weather Sunday, the Floyd County Game and Fish Club coon and fox chase at Abbott Mountain Heights was a complete success. Some very fine dogs displayed their wares in exceedingly close chases. Although some complained that the chase lacked color due to the absence of Pete Collins' "Marshall Law," one race was very nearly won by a nondescript white pooch, which had not been entered.

His master had evidently just purchased him, and had the dog tied with a piece of string. However, the excitement of the chase had permeated his blood and he was lustily turning backward somersaults in a frantic effort to escape and join in the pursuit. The dogs had just been released when an especially wild feat of gymnastics won him his freedom, and leaving his master sitting on the ground he flew after the coon with the string standing straight out behind, and the joker is, that he was one of the first dogs to tree.

Many sportsmen from all sections of Floyd and Johnson were present, and it is to be hoped that this diverting sport which provides so much fun for men and dogs, and which does not destroy the quarry, will continue to grow.

On Saturday night at 7:30, March 19, the Game and Fish Club will hold a Dutch lunch and meeting at the Allen warehouse of the Warfield Gas Company. Those attending will donate 25 or 30 cents as they enter, and the eats and drinks will be free. We are going to try to increase the club membership this year to 400. Representatives of the Pike County and Johnson county clubs are expected to attend, and a complete course of action mapped out for the coming season. So let's all turn out and turn to.

LOB CASTS

The Shikepoke of Beaver was master of ceremonies at the coon chase, a Jobuck jamboree on the back of his head, and a suspicious bulge under his coat tails—but it was cold down there—so cold that while Bob Demron was whistling "Coming Round the Mountain" the bars froze up and he didn't get home till 4 o'clock the next morning. Jim Nunery is mad because somebody stole his dog, and knocked him out of first prize in the fox chase. Looks like a good year for the fishermen, lots of water for the big ones to come up in. Seems like we have better fishing after big waters. Told my wife last fall to throw an old casting rod

away; I've had to go over the bank and bring it back three times this winter. Dave Stephens and Dick Davis will be at the meeting the 19th. We're going to eat. S. M. Martin, of Estill, is buying a new Winchester .52 with a heavy barrel; he'll be hard on chickens then. Jude Williamson, of Pikeville, district game and fish warden, tells me he has 22 volunteer wardens in Floyd county. Who was the man coming off the hill above the Stumbo hospital with a shotgun Tuesday morning? This is the time of year that squirrels should not be molested, if we want any next fall. Farmers are urged not to burn over any more land than they absolutely have to. It not only destroys fertility of the land, but destroys the food and cover for the birds. They say the creek bank looked like a plowed field where Jobuck rassed with that catfish; reminds me of the one I caught that time—had to build a fence around it while Norman Allen turned the course of the creek the other way. See you at the meeting Saturday the 19th.—Adios.

MRS. FINLAYSON IS CLAIMED BY DEATH

Member of Well-Known Floyd Family Succumbs At Age Of 77

Mrs. Katherine May Finlayson, one of Floyd county's most revered women, died early last week after a protracted illness caused by the infirmities of age, at the home of Mrs. Margaret Woods, of Emma.

A daughter of A. J. and Mrs. Nancy Hagans May, pioneer residents of Floyd county, Mrs. Finlayson was born and reared at Maytown. Her husband, Capt. John Finlayson, preceded her in death. Surviving are two sons and a daughter: John Finlayson, Huntington, W. Va.; Jack Finlayson, Martin; Mrs. Bess Stapleton, Huntington; also three brothers, H. F., Sam and George May, all of Maytown.

The body was prepared for burial at the Arnold Funeral Home here and was taken Wednesday afternoon to the home of George May. Funeral rites were conducted Thursday afternoon from the Maytown M. E. Church, South, of which she had been a devout member for many years, and burial was made in the May cemetery.

WOMAN'S CLUB ENJOYS MUSICAL PROGRAM AT MEET LAST THURSDAY

The musical program on which Mr. Ernest Werner, Mrs. Edith Fitzpatrick James, Mrs. O. P. Bond and others appeared, featured the meeting of the Women's Club last week at the home of Mrs. A. J. Davidson. Co-hostesses were Mrs. Dick Roberts, Mrs. Charles Hughes, Mrs. Bertha Walls and Miss Ella Noel White.

Mrs. J. D. Mayo was in charge of the program, using as her theme, "Kentucky Statesmen." She added that an appointed committee selected as Kentucky representatives, Henry Clay and Dr. Ephraim McDowell, the statutes being dedicated in March, 1939.

Mrs. O. T. Stephens, a distant cousin of Henry Clay, gave an interesting account of the life of her great kinsman, and Mrs. C. H. Smith, former health nurse, told of the life of Dr. Ephraim McDowell.

A musical program in charge of Mrs. Edith Fitzpatrick James, whose recent program of Gregorian chants brought national recognition to her and Floyd county, was enjoyed by all.

Six-year-old Martha Keeling, accompanied by her teacher, Mrs. K. J. Whaley, played a violin solo, "Lazy Jake."

Mr. Ernest Werner, local florist, sang two selections in German, "Asleep in the Deep," and "Dreaming Into the Distance."

Mrs. W. P. Mayo, Mrs. B. F. Combs and Mrs. W. C. Rimmer were appointed to assist Mrs. J. D. Thomas, who is county chairman for the drive to raise funds for Kentucky's crippled children.

Mrs. Dick Roberts reported that the Girl Reserves had added approximately 1,000 names to the Safety Pledge, on which the girls have been working for the past two months as their part of the state-wide safety campaign.

Delicious refreshments were served to:

Mesdames A. C. Harlowe, E. P. Arnold, E. P. Hill, J. D. Mayo, William Hubbard, W. C. Rimmer, Ruth Sowards, A. B. Combs, C. H. Smith, L. C. Keeling, S. C. Ballinger Sally Humphreys, Edith James, J. D. Thomas, K. J. Whaley, George Cohn, Dick Davis, and Miss Ella Noel White. Guests were Mrs. Oscar P. Bond, Miss Florence Gorton and Miss Harriet Orrick, who was approved as a new member.

\$5,000 IN ACP CHECKS RECEIVED IN COUNTY

Checks for Floyd county farmers and tenant-farmers co-operating with the 1937 Agricultural Conservation Program to the amount of approximately \$5,000 were received during three days last week at the office of County Agent S. L. Isbell.

This represents payments on only about one-third of the total paid Floyd county farmers, it was said. In order to arrange for prompt delivery of checks and to prevent farmers for whom checks have not yet arrived coming to Prestonsburg in the belief that payments are here for them, Mr. Isbell's office is mailing letters to farmers whose checks have not arrived. When payments are received for others, they will be likewise notified, it was said.

NOTICE

There will be a meeting of the Floyd County Game and Fish Protective Association, Saturday night, March 19, at the Warfield Gas Company warehouse, Allen, Ky., meeting starting at 8 p. m.

Sandwiches and coffee will be served after the meeting. All sportsmen interested in our small game and fish in Floyd county are urged to attend this meeting. There will be several interesting matters to come before this meeting. Let's all attend. (For men only).

An invitation to part of the law in or near Prestonsburg, especially the ones who drive fast cars:

It is well understood that the admission will be 25 cents to all at this meeting, except the deputy sheriffs. There will not be any charges to them at all. We are asking you all to come as a sportsman and we want you to be a sport. As we need no protection at all, you can leave your hardware or your firearms at home. We, about 400 members of the Floyd County Game and Fish Protective Association, as just stated above, will not charge you to get in and we give you our honor that we will not take \$16.50 to let you out.

(Signed) L. C. KEELING.

P'BURG, P'VILLE DEBATERS IN TIE

Teams' Excellent Arguments Put Judges "To Wits End" For Decision

Paintsville, March 10—The Paintsville high school debate team met the Prestonsburg high school debate team here Monday afternoon in a debate on the subject: "Resolved, That the Several States Should Enact the Unicameral System of Legislation."

Both teams put up excellent arguments and the three judges were put "to their wits ends" when time came to render a decision as was evidenced by the tie vote. One judge gave the decision to the Paintsville team, one gave it to the Prestonsburg team and the third judge when he had totaled the number of points given to each team discovered that each team had scored the same number of points. He refused to reconsider or regrade the debate and the tie remained.

Oscar Trigg Dorton and Marvin Jones did the debating for the Paintsville team. Miss Margaret Stephens and Robert Rannels debated for the Prestonsburg team.

The Paintsville team will meet the Jenkins team here on Thursday af-

ternoon for two debates, and the Betsy Layne team here at night for two debates on the same day.

SENATOR BARKLEY TO VISIT AT PIKEVILLE

United States Senator Alben W. Barkley will be in Pikeville Saturday, March 19, in the interest of his candidacy for re-nomination, his friends announced this week.

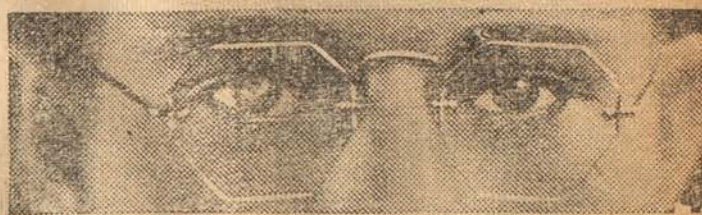

His initial visit to the mountain region will not be a part of the regular campaign, it has been announced, but will be merely an informal visit with his friends and supporters in this section.

Delegations from throughout this part of the state will be there on that day to discuss the forthcoming campaign.

THEATRE PARTY

A theatre party was given March 6 by Franklin Ellis May, son of Mr. and Mrs. Colonel May, in celebration of his ninth birthday. After the theatre party they returned to the home of the little host where games and refreshments were enjoyed by the guests, Pete Collins Ben Jr., and Charles Ferguson, Charles Graham Porter, Woodford Howard and Paul Dudley May.

We are wondering if our "Happy Hollow Hot Shots" are really getting too hot. Some say they leave smoke and blazes behind them.

Our club gave a miscellaneous shower Friday afternoon honoring our new principal, Mr. James Green. A large crowd was present and many useful gifts were received.

The "Hot Shots" entertained the Kiwanis Club Friday evening. They will also enter in a program sponsored by the Kiwanis Club March 15.

Tourney Grosses \$888.40; Tri-State Tour Planned

The Floyd county district basketball tournament held at Wayland March 3, 4 and 5 was a financial success. The total gate receipts were \$888.40. The expenses have not been compiled. However, the manager, Boone Hall, reports that they will run around \$350. This will leave a profit of about \$500.

DEBATES SCHEDULED

The debating team of the local school will invade the Tri-State region the week-end of March 11 and 12. Debates have been scheduled with Ashland, Catlettsburg, Russell, and Jeredo-Kenova, W. Va. Thus far, the Wayland team has won 12 debates and lost three. This appears to be the best record of any team in this section of the state.

HIPPO SAILORS GET LEAVE OF ABSENCE

Many friends of Clarence and Samuel Hicks greeted them on their arrival here Sunday morning from the U. S. Navy. The youths enlisted three months ago, and have since been taking training at the United States Naval Training Station, Norfolk, Va. They have been granted a 10-day leave, and are expected to return about March 18.

After returning to Norfolk, the graduates will be transferred to some United States battleship, they at present know not where. Already Sam has a brother, Frank, who is a recent graduate of the naval station at Great Lakes, Ill., stationed on board the U. S. S. Mexico, off the coast of California.

A large crowd, exceeding the previous one, attended the Regular Baptist Church Sunday. Despite the muddy roads and swollen streams, many, as usual, came from far and remote localities. Several ministers officiated.

The church added another new member to the already great number they already have. The new member is one of our prominent citizens, Claude Ousley, son of Rev. Hager Ousley, of Spurlock. He was baptized Saturday afternoon.

The newly-weds, Mr. and Mrs. Orville Hicks, were Saturday night guests of Mrs. Hicks' mother here.

Misses Jewel Martin and Dawsie Hicks, Ellis C. Bailey, Oscar and Gardner Hicks, the Davis brothers, Frank Bailey, and a number of oth-

er youths of this place, including Brownie Hicks, were Saturday night guests of Mr. and Mrs. Edgbert Hicks and mother.

Brownie Hicks, an outstanding youth of this community, is expected to enter Caney Junior College as a freshman this coming summer term. Young Hicks graduates from Garrett consolidated high school this semester.

Jobie Hughes and Miss Lula Hale were Saturday night guests of Mr. and Mrs. Marion Hughes.

Mrs. Adam Hughes and family, and her sister, Lula, were Saturday night guests of Mr. and Mrs. Estill Hughes.

DRIFT P-T. A. PLAY PRESENTED WEDNESDAY

The play, "Pepping Up the P-T. A.," sponsored by the Parent-Teachers Association, will be presented Wednesday evening. All characters in the play are members of the P-T. A. The plot of the play consists of a plan to get the men to attend meetings of the P-T. A., and this is really one of the aims of the members. There will also be a comedy number, "Pa Has a Fit." Music and singing will be added attractions.

The Boy Scout executive from Pikeville will also be present at this time to talk on the importance and benefit of the scout organization.

TUTTLE SUCCUMBS

James L. Tuttle, a former citizen of Sizemore Branch, died from a heart attack Wednesday. Mr. Tuttle had been in the Gearheart hospital at Martin for some time. After leaving the hospital, he was visiting some of his children on Sizemore before returning to his home in Ohio. Burial was made in the cemetery here on Friday.

John Ratcliff, an employe of the Beaver Coal and Mining Company, was killed as he was crossing the hill on his way to his home at Spurlock Thursday afternoon. His companion, Harry Hall, accidentally discharged his revolver, the bullet passing thru Ratcliff's head, killing him instantly.

Mrs. Mary Turner, one of the oldest citizens in this part of the county, died at her home last week. Mrs. Turner had been an invalid for several years. She is survived by one son and one daughter, William Turner, and Mrs. Pete Patton.

Several Drift citizens attended the banquet which Governor Chandler graced with his presence at Pikeville Saturday.

Mrs. Clark, of Martin, was visiting her daughter, Mrs. Dick Showers, and family here this week.

The following officers were elected: Ray Campbell, president; John Slover, vice-president; Mrs. W. H. Keplar, secretary; Mrs. E. B. Tubridy, treasurer. The following committees and committee members were appointed: Program committee—Mr. Charles Stephens, Mr. Robert Shupe, and Miss Stella Hamilton; Membership committee—Mrs. John Woody, Mrs. Roy Akers and Mrs. Shirley Kelly.

WEEKSBURY NEGRO IS HELD TO GRAND JURY

Unable to fill \$1,000 bond, McKinley Hallum, Weeksbury negro, was jailed Monday on a charge of shooting and wounding his common-law wife, Rosella Harmon, after he had waived examining trial before County Judge Edward P. Hill.

The shooting occurred last December, at which time Hallum was jailed, but he was released upon the failure of his wife to appear to testify against him.

Hallum admitted the shooting, saying it was done while he was intoxicated. He was held for the action of the April grand jury.

THRILL THIEF NABBED BY GARRETT OFFICER

Garrett—Policeman Tracy Salisbury said here Friday that Junior Yates, 16, of this place, was arrested Monday of last week for a theft which indicates that the youth steals the "thrill" of the thing. Young Yates stole approximately worth of garden seeds off the O. platform here a few days ago, and when he employed other boys of the vicinity to sell them for him, he was trapped. He was taken to Prestonsburg, where he executed

\$500 bond, Salisbury said.

STEEL TRAP MEASURE PASSE DBY ASSEMBLY

The legislature passed with an amendment a bill to outlaw traps in Kentucky that do not take their

prey uninjured or kill it instantly.

The amendment, which would make effective date of the bill January 1, 1940, must have the concurrence of the Senate, which already has passed the bill. The amendment was offered at the suggestion of the sponsor of the bill, Miss Lucy Furman, Lexington. Representative Charles Farnsley, who piloted the measure to passage, said.

The steel trap measure was about the only bill considered in the House that drew any debate. Representative Claude Hammons, Barbourville

and E. T. Tyra, Wolfe county, opposed it.

SET OUT PRINCIPLES OF NEW FARM PROGRAM

Discussing the new farm act, Secretary of Agriculture Wallace says it supplies the basis for the following six-point program designed to provide farmers with adequate facilities and with the stability of income needed to enable them to go on producing abundantly and to maintain ample reserves of farm commodities for use of the nation.

1. Continuance of the AAA soil conservation program and establishment of its objectives as a part of permanent farm policy represents a national investment in soil fertility and insurance for the nation of future abundance of food and fiber.

2. National acreage allotments are established at levels designed to give production ample for domestic consumption, exports, and reserve supplies, and payments are made to encourage farmers to produce up to these national allotments.

3. Loan provisions in the law encourage systematic storage of surpluses of big crop years for use in years of shortage. The government is authorized to advance money as loans to enable farmers to hold surpluses until needed.

4. Marketing quotas backed by penalties on sales in excess of the quotas can be used, subject to approval of a two-thirds vote of the producers voting, to secure general participation of farmers in a program designed to hold surplus supplies off the market until they are needed.

5. Release of corn supplies from storage under marketing quotas is provided to meet any shortage that develops either on the farm, in the county, or in the case of national need.

6. Crop insurance for wheat, starting with the 1939 crop, will give the wheat producers and the bread supplies of the nation better protection against drought. Gradual accumulations of wheat paid in by farmers as insurance premiums will contribute a major part of the normal supplies for wheat.

CCC CAMPS ARE REDUCED IN KY.

Paintsville, Morehead, Fort Knox, GooseRock, Hartford, Closed

Robert Fechner, Civilian Conservation Corps director, ordered last week a 291-camp reduction by July 1 to make the program fit 1938-1939 budgetary restrictions. The camp at Paintsville is one of those abolished.

The reduction, Fechner said, would leave 1,210 camps, 10 of which would be closed before October 31. The order also involves dismissal of approximately 3,000 camp and civilian officials.

Camps, designated by the nearest postoffice, which will be permanently shut down include:

Kentucky: Morehead, Paintsville, GooseRock, Hartford, Fort Knox.
Indiana: Kurtz, Martinsville, Medaryville, Monon, South Bend, Lexington, Ft. Benjamin Harrison.

Fechner said the shutdown would not affect the enlisted personnel, which would be shifted to other camps.

Actual camp abandonment, the director added, probably would begin about May 31.

The operating program for the final quarter of the current fiscal year, ending June 30, provided for the maintenance of an enrolled strength of 260,000 young men and war veterans and approximately 10,000 Indians and residents of Alaska, Porto Rico, the Virgin Islands and Hawaii.

In order to maintain this strength, Fechner said it would be necessary to enroll approximately 55,000 young men and war veterans between April 1 and April 20. More than 170,000 applications are on file.

Fechner said it also was planned to shift, on March 31, approximately 100 camps to other locations for the summer.

Frenchburg Cops Regional Crown

(Continued from page one) afternoon, the Floyd countians holding the lead until the final minutes of play. McDowell was paced by its flashy forward, G. Stumbo, with 10 points. Wells again led the attack for the Frenchburg quintet with 12 points.

Tournament Highlights

The hugging of members of the Frenchburg team after the final game by delirious, happy fans... The speed of Wiggins, Pikeville forward, who almost gained the Pike countians a state tournament berth singlehandedly... The truckin' of Pikeville's cheerleaders... The freak fieldgoal which was made by McKinney of Pikeville against the Louisa quintet in the semi-finals, when a shot by his team-mate, Wiggins, glanced off his shoulder to tally two points... The remark of Edwards, Louisa forward, to Pikeville's Wiggins, when the Lawrence countians were faced with certain defeat, "Hi, there, all-state boy!"

Frenchburg led at the half, 12-9, the McDowell team knotting the count at 13-13 early in the third quarter. The greatest lead held by either team was that by McDowell in the fourth quarter, 18-13. As Stewart left the game with a badly bitten tongue and Vance was ejected for four personal fouls, Frenchburg rallied to cop the game in the closing minutes.

Boxscore: Frenchburg, 21 Pcs. McDowell, 19 Becraft, 2 F. Ward, 2 Wells, 12 F. Akers, 3 Swimm, 7 C. C. Stumbo, 4 Faulkner, G. Vance Ingram, G. G. Stumbo, 10 Substitutes: Frenchburg: Mann, McDowell: Hall, Vanderpool, Stewart.

In the second game of the semi-

finals Pikeville, paced by Wiggins and McKinney, hopelessly outclassed a fighting Louisa team, which had been doped to reach the finals, 29-14. Pikeville led at the half, 10-5.

Lowe was best for the Lawrence countians, amassing nine points. The speed of Wiggins and marksmanship of McKinney featured the Pikeville attack. Ferguson, Louisa guard, was Lowe's only teammate to crash the hoop for fieldgoals, scoring four points, with the exception of Stone, a substitute, who gleaned a single tally with a foul shot.

Boxscore: Pikeville, 29 Pos. Louisa, 14 Wiggins, 9 F. Edwards McKinney, 11 F. Lowe, 9 Damron, 2 C. Hayes Norris, 6 G. Wooten Clark, G. Ferguson, 4 Substitutes: Pikeville: Blankenship, Cook. (Wiggins ejected for personal fouls). Louisa: Stone, 1; Conley, Bradley, Cox.

First Round, Thursday Night McDowell vs. Salyersville— Battling on even terms throughout the game the McDowell quintet downed a stubborn, fighting Salyersville team, 19-16, in a game which never saw the Floyd countians more

Frenchburg, Pikeville Hold All-Tourney Edge

Ten players of the teams playing in the tournament were named on the All-Tournament team here Saturday night. The 10 boys were not placed according to position, but are merely the 10 outstanding players: Wiggins, McKinney, Pikeville. Wells, Swimm, Becraft, Frenchburg. Preece, Inez, Conley, Garrett. C. Stumbo, G. Stumbo, McDowell. Lowe, Louisa. Emblems were awarded each of the players selected.

Wells of Frenchburg was chosen the most valuable player; Salyersville was awarded a cup for sportsmanship; and Frenchburg and Pikeville received trophies as winners and runner-up.

than four points in the lead. Prater, carrot-thatched guard for Salyersville, with five points, was outstanding for Salyersville. Ward, G. Stumbo and C. Stumbo led the attack for McDowell.

Boxscore: McDowell, 19 Pos. Salyersville, 16 Ward, 6 F. H. G. Patrick, 1 Akers, 2 F. H. Patrick, 2 G. Stumbo, 6 C. Gillum, 5 C. Stumbo, 4 G. Ramey, 3 Vance, 1 G. Prater, 5 Substitutes: McDowell: Hall, Stewart. (Ward and G. Stumbo ejected for personal fouls).

Frenchburg vs. Inez—

A rangy Frenchburg quintet piled up a nine-point lead on a smaller Inez team in the first half, then barely held off Inez's rally as the smoother working team rallied in the last half. The final score was, Frenchburg 32, Inez 29.

The game was featured by the point-making of Swime and Wells, of Frenchburg, and the speed of the Inez team, which in the second half outplayed the Frenchburg quintet, but was unable to overcome the lead piled up by the Menifee lads.

Boxscore: Frenchburg, 32 Pos. Inez, 29 B. Craft, 2 F. Preece, 11 Wells, 12 F. Harman, 3 Swime, 16 C. Hardin, 8 Foulker, G. Horn Ingram, 2 G. West Substitutes: Frenchburg: Mann, Buchanan. Inez: R. Goble, 2; B. Goble, 4; Cassidy 1. Score at half: Frenchburg 19, Inez 8. (Wells ejected for personal fouls).

First Round, Friday Night Louisa vs. Garrett— Although outscored in the second half, Louisa's basketball machine edged out the Garrett Black Devils, 53rd district champs, 29-25, never relinquishing the lead at any time in the game.

The Louisa team piled up in the first half a 22-12 lead, sufficient to withstand Garrett's revived attack throughout the last stanzas, during which, Louisa scored only seven points while Garrett amassed 13.

Garrett's Conley, all-district forward, was the sparkplug of the Garrett team, scoring eight points to become the individual high scorer of the game. Edwards, with seven points, was high point man for the Lawrence countians. He was closely followed by Hayes and Wooten, who scored six each, and Stone, a substitute, who hit the basket for five, as did Lowe.

Boxscore: Louisa, 29 Pos. Garrett, 25 Edwards, 7 F. Conley, 8 Lowe, 5 F. Darwin Caudill, 6 Hayes, 6 C. Fitzpatrick, 3 Wooten, 6 G. Campbell, 5 Ferguson, G. Delmis Caudill, 3 Substitutes: Louisa: Stone, 5; Conley.

Pikeville vs. Elkhorn City— Pikeville high school's basketball team, paced by Wiggins and Norris, easily defeated Cumberland high school of Elkhorn City, 29-16, the Elkhorn lads never threatening.

Powell was best for Elkhorn with five points. Wiggins, diminutive Pikeville forward, was the outstanding man on the floor.

Boxscore: Pikeville, 29 Pos. Elkhorn City, 16 Wiggins, 8 F. Smith, 2 McKinney, F. Clevinger Damron, 6 C. Potter, 2 Norris, 8 G. Powell, 5 Clark, 7 G. Owens, 3 Substitutes: Pikeville: Cook, Blankenship. Elkhorn: May, 2; Crum, 2. (Potter ejected for personal fouls).

PNEUMONIA TAKES CANEY CREEK MAN

Students of the Caney Creek Community Center, Pippappass, Knott county, were saddened last Friday when they learned of the death of Nick D. Slone, a worker on the campus for more than 20 years. Funeral rites were held March 13.

Educated in the Caney system of schools, he lived near the campus, glad to become one of Knott county's first printers, serving the school in that capacity until his death, caused by a brief illness of pneumonia.

He is survived by his widow, several children, most of whom are Caney students; by one brother, Isaac, and other relatives whose names are unavailable.

This Town-- That World

(Continued from page one)

made his score, he made a delightful catch of the ball tossed by Mr. McKinney.

Mr. Wells, one of the Frenchburg players, made several beautiful dashes for his team, and at one time, knocked Mr. Wiggins to the floor, but Mr. Wiggins arose and, the ever-gracious gentleman, did not seem offended.

After the game, scores were tabulated and it was found that Frenchburg's handsome team had won, 26 to 23. Lovely trophies at that time were awarded by the genial host, Mr. Messer.

A delightful time was enjoyed by all.

The crime reporter's story: According to official records, Pikeville and Frenchburg high schools' alleged basketball teams met here Saturday night in a thrilling battle of what was said to be an exhibition of basketball. It was reported that Frenchburg won, 26 to 23.

Dick Dickerson, student manager, admitted that there was a large crowd present. His admission was corroborated by Coach William Messer.

Questioned after the game, the officials said that Wiggins and Wells were the best players but that an investigation had been launched which was, within 24 hours, expected to reveal others almost as good.

Although cheerleaders wept when it was revealed that Pikeville had been defeated, they intimated that no appeal or return engagement would be sought.

Police officers at the scene said that no arrests had been made, and coaches reported that there had been no casualties on either team.
