

\$114,000 DEBT SETTLEMENT IS PLANNED

COUNCIL APPROVES BOND ISSUE OF \$78,000

Prestonsburg's \$114,000 indebtedness, some of which dates back to the beginning of the century, was in process of amortization this week as the City Council voted the issuance of \$78,000 worth of funding bonds which, judgment creditors have agreed, will suffice to wipe out the entire debt.

Before the bonds can be issued, however, City Attorney J. D. Harkins, Jr., said, a "friendly" suit filed by a taxpayer must pass through the courts to test the validity of the bonds.

The bonds, which will bear 4 per cent interest instead of the 6 per cent now accumulating on old judgments and outstanding warrants, will be for \$1,000 each, the first becoming due June 1, 1943, and the last scheduled for retirement in 1963.

The Council voted unanimously in favor of the debt-retirement plan.

Mayor E. P. Arnold said Prestonsburg had the choice of taking this action, or of levying an additional \$5 tax on each \$100 worth of taxable property—or of going into receivership. Holders of judgments against the town had suits pending in both the circuit court here and the U.S. district court, and drastic action was being sought.

In the ordinance authorizing the bond issue (which is published elsewhere in this issue of THE TIMES this week), it is set forth that:

Of the approximately \$114,000 indebtedness of the town, \$82,000 is due judgment creditors and \$32,000 is due warrant-holders.

The judgment creditors will accept the \$78,000 as settlement in full of all indebtedness, depositing in escrow in the State Trust Company, Maysville, \$22,000 to settle outstanding warrants and claims at

W. C. CAUDILL APPOINTED

BY JUDGE HILL TO SUCCEED BURKE

County Judge Edward P. Hill Wednesday morning announced the appointment of W. Claude Caudill, Prestonsburg, son of the late Judge John W. Caudill, as County Attorney, to fill the vacancy created by the resignation of Harry R. Burke.

Mr. Burke, appointed five weeks ago to the office to fill the vacancy caused by the death of his brother-in-law, Forrest D. Short, resigned to become a candidate for the Republican nomination for County Attorney.

Mr. Caudill's term of office will expire January 1.

Twenty-five years old, the new County Attorney received his high school education at Caney Creek. He received his A. B. degree from the University of Kentucky in 1936, and two years later was graduated from the University's law school. Since that time, he has practiced law here.

NOTICE

It has been rumored that I am tied up with Dr. W. L. Stumbo, and perhaps other candidates. This is to advise and assure all persons that I am not "tied up" with Dr. W. L. Stumbo, or with any other candidate, and that I will not be hereafter. I am running my own race. (Pol. adv.) EDWARD P. HILL

First Annual Floyd Field Day For Farmers Scheduled

Jas. Stephens Farm At Cliff Selected As Event Site

Floyd county's first annual farm field day will be held at the James Stephens farm at Cliff, near here, on Tuesday, July 15, it was announced this week by County Agent S. L. Isbell.

The event will begin at 10 a. m., and continue throughout the day. Several hundreds of farm folk and others interested in their welfare are expected to attend this innovation to Floyd farm activities. Every farmer in the county is expected to bring his family and attend, Mr. Isbell said. A basket picnic lunch will be enjoyed at noon.

picnic lunch will be enjoyed at noon.

"Making the Farm Feed the Family" will be the theme of the program, during which farmers will be shown the way to achieve this end through better gardens for the family and the growing of alfalfa, grasses and vetch to provide feed for livestock. The theme is to be stressed as a prelude to Floyd county farmers' effort to co-operate in the national defense program, so that America's farm products from other sections may be liberated to the nation's armed forces and to England.

Among those attending the funeral of John Gilbert at Auxier Tuesday were Mrs. P. O. Burial was made in the Richmond cemetery here, Wednesday, under the direction of the Arnold Funeral Home.

Mr. and Mrs. Thomas Hereford and son are vacationing in Florida.

THOUSANDS CELEBRATE 4TH HERE IN ALL-DAY DOWNPOUR

The rain poured down. All day long. But the spirits of several thousands who came here to celebrate the Fourth were not damped.

The footing was slippery in spots for some of the contests, it was a bad day for photographing the ugliest man or the largest family; the youngsters who slugged it out in the "squared circle" found their gloves skidding off opponents' chins, it was too wet for bathing beauties who took mother's advice not to venture near the water—yet everybody took the whole thing in stride, apparently enjoying every minute of the downpour.

Members of the Prestonsburg Co-operative Business Association, sponsoring the day's get-together of Floyd folk, held that the weather was against them, but were assured by the sportsmanlike folk who were Prestonsburg's visitors that they did not hold the vicissitudes of the weather against them.

Plainsong Chanters To Appear on WHAS

"From the Kentucky Mountains," the new WHAS weekly radio presentation, will feature Edith Fitzpatrick James and her Plain-Song Chanters on July 19 at 2:30 p. m., EST, it was announced this week. The group's ancient hymns and chants will be broadcast over the Mutual Broadcasting System.

The program, which is designed to present the Appalachian foothill section of Kentucky in its true light, emphasizing its old traditions and culture, and the true character of the mountaineer and his surroundings, is being hailed as one of the station's finest. The Floyd county group was chosen because of the authenticity of its repertoire of hymns and chants as well as for the excellence of its renditions.

TYPHOID WARNING

Voiced by Ransdell As Drouth Broken In Floyd County

Following the heavy rains of the last week the Floyd County Health Department warned residents of the county against the threat of typhoid.

Dr. Marvyn Ransdell, director of the health department, pointed out the danger of surface water contaminating wells and springs after the filth of early summer's dry weather had been pent up. He advised testing of all water supplies affected—either that or boiling and chlorinating of water.

An ample supply of lime is available, Dr. Ransdell said, to purify all wells. One typhoid case was reported in this county this week, Dr. Ransdell said.

To the Democratic Voters Of Floyd County

After consulting with a host of my friends in dear, old Floyd county, I became a candidate seeking the nomination for Jailer of Floyd county. Being a poor man and having a strong ambition to serve the people of Floyd county as a public officer, I ran two years ago for Circuit Court Clerk and lost by a small margin. I feel by so many of my friends requesting me to be a candidate this year if I can win in the August primary I can win in November.

So, kind friends, while you journey through dangers of life and its unseen future, I hope and sincerely trust that a kind providence may always smile upon you. None of us know when nor where we may need assistance. But if fortune has been more kind to you than to me, please help me all you can to cast a ray of sunshine on my sad and gloomy pathway. Your aid will be thankfully received and wisely used so that I will be self-supporting and not a burden on my fellowman. So when you come out on August 2 to vote, please let your good conscience direct you how you should vote.

Your friend in need,
BILL SHEPHERD for Jailer

FOR JAILER
We are authorized to announce **UNCLE GEORGE MEADE** of Amba, Ky., as a candidate for **JAILER OF FLOYD COUNTY** subject to the action of the Democratic party at the August, 1941 primary.

A man who has braved the battles of life for his friends, and Democracy, and who has never asked for public favor.

I now ask my relatives and many friends to support me in this race for jailer of Floyd county. A man who is just and deserving. I am taking this opportunity to thank you for the many past favors, and for your vote on August 2, which I am sure you will contribute.

FOR TAX COMMISSIONER
We are authorized to announce **JACK SELLARDS** of Banner, Ky., (Member of Local Union No. 5899, Wheelwright, Ky.) as a candidate for **TAX COMMISSIONER** subject to the action of the Democratic party at the August, 1941 primary.

I have served as your Tax Commissioner and devoted those years to hard work in an effort to serve the people as I thought they deserved official service. How well I succeeded, you people of this county know best. If elected again, I promise you exactly the same kind of honest, efficient, sympathetic service in behalf of you taxpayers.

I will not only visit your home or place of business and take your list, but I will also work conscientiously with the board of supervisors in making the assessment adjustments.

FOR JAILER
We are authorized to announce **DAY HALL** of Prestonsburg, Ky., for **JAILER** subject to the action of the Republican party at the August primary.

We will always have the poor, the crippled and the blind with us. I am willing, if elected, to give one-fourth of my salary to their support. Have any other candidates for the office have the same spirit?
MY PLEDGE
If elected County Attorney, I promise four years of devoted work for building more rural roads and securing and delivering commodities to the needy in greater amounts.
Faithfully yours,
JOE P. TACKETT

FOR COUNTY ATTORNEY
Since the untimely death of Forrest Short I have become a candidate for County Attorney of Floyd county. I have been actively engaged in the general practice of law in this county for the past seven years and have never asked for public office. Elect me to this office and you will have an honest, faithful and efficient administration.
WOODROW BURCHETT

During the World War I served my country as a soldier in France have mined coal for five years, and during the past three and one-half years I have worked for the present Sheriff as deputy. During this time there have been a great many homicides in Floyd county, and so far we have caught, or assisted in catching, every man wanted on a warrant for the killing of his fellow man. My record is open for your inspection.
Nominate me and I will win in November. Your vote and influence will be appreciated. A fair deal to every one is my promise to the people.
LACKEY SALISBURY

I make the voters three promises: I will not carry a pistol.
I will execute only the civil processes of the Magistrate's court.
And you'll have to be mighty darned drunk before I'll arrest you.

FOR MAGISTRATE
In becoming a candidate for the Republican nomination for Magistrate in District No. 3, I am not doing so from force of habit—I am a candidate because friends and good citizens from all parts of the district have persisted in urging me to make the race.

OWNERSHIP AND OPERATION?
HARDLY a day goes by when your Motor Club does not receive several queries from automobile owners as to various phases of car operation and prospective operation under the condition created by the large-scale preparedness program undertaken by the government.

To what extent will production of new cars be curtailed in the 1942 schedule? With more old cars in use, what about the outlook for servicing? What form will the increased taxation on the automobile take? How extensive is the threatened gasoline shortage? How will the shortage affect the big touring industry? With rubber priorities already invoked, will it be possible to secure tires and tubes? What will be the effect of curtailments and restrictions on the automotive structure?

Manifestly, these questions raise far-reaching considerations from the standpoint of an organization like ours. We have striven to keep in touch with all developments that may affect our members and the car owners in general in the immediate months ahead. And this column, beginning next week, will in a series of articles attempt to give automobile owners a bird's-eye view of the situation as we see it.

Chessie Chats

Besides all their rolling stock, the American railroads operate 1,989 units of "floating stock"—steamboats, tugboats, barges, scows, car floats, ferries and other floating equipment. Chesapeake and Ohio has sixteen floating units.

Over a million tons of forest products were shipped over C. and O. last year... lumber, millwork, pulp, crate and box materials, built-up woods and finished veneers. A big job—but only one of thousands of big freight jobs handled regularly by Chesapeake and Ohio!

Coal mines shipping via Chesapeake and Ohio in one year loaded more than 1,000,000 coal cars—enough to have made up a double string of cars from San Francisco, Cal., to Newport News, Virginia.

Call your Chesapeake and Ohio Ticket Agent today and ask him about the Chessie TRAVEL PACKAGE! It's the carefree way to travel!

The railroads are good spenders! In 1940 they spent approximately \$850,000,000 for fuel, supplies and materials—an increase of \$81,000,000 compared to the preceding year.

Mrs. Rosie Estep Dies at Martin

Mrs. Rosie Estep, 41, wife of D. B. Estep, Dorton, Pike county, died at the Beaver Valley hospital Wednesday, a victim of an intestinal obstruction. In addition to her husband, she is survived by seven sons, Chester, Lester, Estill, Grady, Webster, Dale and Arnold; also one daughter, Hester. The funeral was conducted from the home today (Thursday), the Rev. Richard Stanley officiating. Burial was made in the family cemetery at Dorton under the direction of the Ryan Funeral Home.

\$114,000 Debt

(Continued from page one) a payment rate of 65 cents per \$1 indebtedness. The City of Prestonsburg shall set aside in a Funding Bond Sinking Fund a minimum of \$4,000 each year, this amount to be used for no other purpose than for the retirement of bonds and the payment of accumulated interest. This fund is to be provided by the diversion of 40 per cent of all taxes into it until the minimum of \$4,000 a year is reached. Total amounts due judgment-holders, including interest, follow: People's State Bank, Frankfort, \$51,571.92; People's State Bank, Frankfort, \$3,129.40; Cambrai Clay Products Company, \$11,643; Ashland National Bank, \$8,000; Otto Preston's administrator, \$1,680; Eureka Fire Hose \$3,700. City Attorney Harkins said interest accumulating over the years had equalled the principal in some of these cases which have been reduced to judgment and that revenues not urgently needed for current expenses and operation of the city government were sufficient to do little more than pay the interest on the debt.

Woman Shot, Another Cut

(Continued from page one) ing that, barring complications, he will recover, Allen was arrested by Prestonsburg police and released under bond. Police said they had gained information that two or three other persons were engaged in the fight, but Allen's was the only arrest made. At Drift Tuesday night, Dolly Collins, 18, Paintsville, was stabbed three times in her back. Officers said her assailant was unknown, the wounded woman having failed to make a statement to authorities. Her condition, however, is not believed to be serious, it was said Wednesday at the Beaver Valley hospital, Martin. Next night, on Stumbo Hollow, Drift, Mrs. Lon Justice, 43, was shot through her arm and shoulder by a charge of shotgun pellets said to have been fired by a son of Crit Martin. Particulars of the shooting were unavailable, officers here said. Mrs. Justice was taken to the Martin General hospital, where it was said that her wounds are not serious. Drift's crime wave started Monday afternoon with the appearance there of a group of men from Stephens Branch and vicinity. After their auto had gone into a ditch on a narrow road, the men are alleged to have accused the driver of a gasoline truck of forcing them from the highway, and, armed with knives and stones, of finally forcing the driver to make "reparations" in the sum of \$6. In attempting a getaway, they wrecked another car, and deputy sheriffs arrested four of the group. The four arrested, and booked on robbery and drunkenness charges, are Shirley Ousley, Billy Ousley, Lawrence Brown and Albert Marshall. The four were released under \$500 bond each.

Alvin D. Turner & Sons CONTRACTING CARPENTERS AND PAINTERS Phone 30-R GARRETT, KY.

DEAR VOTERS:

I'm not an expert in politics but, under the present circumstances, I cannot resist the urge within me to come to you with this appeal on behalf of my husband, Joe P. Tackett, who is a candidate for County Attorney.

I wish I could sit on the front porch of every home in the county between now and the primary, and have a heart-to-heart talk with the voters, but a mother with four children at home (and two with the War Department) has about all she can care for. I will, however, get around to see as many of you as possible.

Practically all of you know Joe and I'm sure you have full confidence in his ability to make us a good County Attorney. You see, he is specially qualified. He first took law by correspondence and was admitted to practise in 1916. Then the war came and he went away for 22 months. When he returned he was entitled to Vocational Training because of his being wounded and disabled. He took advantage of that and went to college and completed that course and was awarded the usual Degree. Then he came to Prestonsburg and for the past 19 years he has practised law all the time. Having stood on the courtroom floors all these years against the best of lawyers and won several important cases, I believe he is fully qualified to look after the business of the county, even though it means Tax matters, Damage Suits, Injunction Suits and many others.

Joe has every reason in the world to be specially fitted for the handling of the few cases where children may get in the court because he has handled five sons and one daughter of his own and I invite your careful investigation on how he has done by them. Not one of them will take a drink. Not one of them will swear an oath. I am not boasting that he is any better qualified on this point than any one else, but I merely want you to know that, if one of your children should get before him, it will have the consideration of a father's tender love mingled with the situation—and, after all, that counts.

Just recently Joe found two boys from out in the county in town, on their way to the Army and they had to stay over night in town. Neither of them had a penny. Well, no need for me to tell you the rest. You know Joe well enough to know that they slept in our best bed that night. Yes, Joe's heart was touched the moment he found a mother's son in town on his way to the Army. As we sat in the living room that night and talked, I looked at those two fine boys (perfect pictures of health) and wondered, "Boys, will it do to you what it did to Joe?" Then I thought of the loneliness of Joe's father and mother and me when he was away—days, weeks, months, yes, years—of prayerful waiting and watching for his return, and then I whispered, "Oh, God, be comfort and solace for the heavy hearts of their parents throughout their stay away from home. Return them well and sound to their loved ones." Yes, friends, I promise you that if Joe is your County Attorney during these trying days ahead that his office will be open at all times for your aid, service and assistance in all matters connected with your boys who may be in the Army. We have two who are subject to be there, too. God grant the earth peace again, though, before they are called.

I've heard it whispered around that Joe isn't able to look after the duties of the office and for that reason the people shouldn't vote for him. My God, friends, have we people in our midst who would vote against Joe because he isn't as robust as he once was when that is due to his service (The Awful Way) to his country? He is perfectly able to take care of the office. He has done more work the last year than any of them who are now wishing that he would hurry and get out of the way. I know, because I've watched him closer than any one. He laughs at me when I insist that he not work so hard. Have we people who would plow "Ole Dobbin" year after year until he had given them his best years and then turn him out on a dry and barren Broom-Sage point, there to graze, starve and die? Or, would the majority of you join with me and let "Ole Dobbin" be turned in the Meadow by the side of the Rippling Brook where there is plenty of shade and the grass is knee high, and let him there rest from his labors and graze in the green grass and drink from the clear, rippling water?

Friends, I loaned Joe to Uncle Sam once and now I want to lend him to you for four years. Will you accept him? If you will join his host of friends and help turn him in the Green Pasture by the side of the Brook, I promise you that there in the cool shade of the evening of life, he, the children and I will lift our hearts toward heaven in appreciation and whisper a prayer softly that God will shower upon you, our people, His richest blessings.

Sincerely yours, MRS. JOE P. TACKETT. (Pol. adv.)

TIDBITS OF KENTUCKY FOLKLORE

WHAT SHALL WE EAT?

In the years since I left Fidelity there have been many inroads made on many customs, but somehow eating habits have changed in the country least of all.

Very perversely I have always wanted to vary from the standards of eating and have often been able to eat what I pleased and when I pleased, though in older times it was prophesied in a whisper that some horrible thing would happen to me.

Yesterday I was out on a walk to study birds. A dove flew over me but did not get far, for a negro brought it down with a shotgun.

A one-man reign of terror ended, at least temporarily, Saturday afternoon in a gun battle with officers on Abbott Mountain, near here, after which Casey Newsome, ex-convict, fled into hiding, sheriff's deputies said.

Sought after he was alleged to have created disturbances at roadhouses along the Mayo Trail, Newsome visited the roadhouse at the top of Abbott Mountain, threatened to kill Mrs. Olga Murphy for calling officers to arrest him, a few nights earlier, it was claimed.

When Coroner Elliott Prater, summoned to the scene, entered and asked what was the trouble, Mrs. Murphy, with Newsome standing by, declined to tell. Newsome left afcot. A few minutes later, other officers arrived and were told of his threats.

A short distance down the mountainside, Newsome took to shelter of the timber as officers approached. The shooting followed. Officers doubted that any of their shots took effect, but a brother of Newsome was quoted later as saying that he was at home, wounded.

RETURN TO WASHINGTON Congressman and Mrs. A. J. May returned this week to Washington after spending a few days at their home here. Mrs. Olga M. Latta and son Cliff, Jr., are remaining here for the present.

IS VERY ILL Alex M. Spradlin has been critically ill at his home on Second Street. His many friends will be pleased to learn that some improvement has been noted in his condition.

SHIKE'S POKES

(Views expressed in this column are those of the writer and not necessarily those of The Times)

We have a report that Lafayette C. had "baked horsehide" for breakfast Sunday morning. Someone hid his shoes Saturday night and happened to put them in the oven. Sunday morning, after the stove got hot—his shoes were found—BAKED.

I saw the "Briarback" Saturday—hard hull and all—and I want to say, right now, that we certainly agree on the Governor's race in 1943.

I heard a certain candidate for Jail' getting in a mess. He sez that he went into a part of the county where he wasn't very well acquainted, stopped his car and got out to campaign—and the first eight men he shook hands with were candidates for Jail'.

I will tell you another "woe" of the candidate who is out tacking up his cards—"CHIGGERS." The voice of experience speaking.

Those "drud-druited" bean beetles, not being satisfied with eating up my crop, flew up a tree to plant and see if I was going to want any more.

While on the subject of candidates I guess everyone has heard about the absent-minded one—(it's the truth, too) who tacked up his package of chewing tobacco on a tree and bit off a chew of his card. We'll tell who it was later.

Italy sez that it would be disastrous for the U.S. to enter the war on the side of Britain. Oh, yeah! if it would be disastrous to us—what the hell would it be for Italy?

Someone asked if the babies had learned to talk—we're trying to teach them to keep quiet now.

The bright young boy was telling his father about him seeing a deaf and dumb beggar down the street with an impediment in his speech. The father was trying to explain that there just wasn't no such thing—when the young'n remarked that he had a finger off.

The automobiles are already beginning to take their toll of the roadside corn—there are three or four big patches rolled out between Drift and Martin. We noticed one Ford in a cabbage patch.

Ole Yellow Lindy might be the flower of his family—the bloomin' idiot!

So Hitler finally decided to take the Russian wheat fields. What chances that man takes for a mess of biscuits! I guess gravy made with sawdust is getting old with him.

Rites for Veteran Conducted July 1 At Auxier Church

Funeral services were held July 1 for John Herman Gilbert, 47 years old, of Auxier, who succumbed at the U.S. Veterans' hospital, Huntington, W. Va., following an illness of three years of high blood pressure and other complications. The body was returned to his home Sunday afternoon and funeral services were held in the Auxier Methodist Church by the Rev. W. H. Horne, assisted by Revs. H. F. and Julius Castle.

Mr. Gilbert enlisted in the United States army on May 2, 1917 and served at Camp Eagle Pass, Texas, during the World War as a sergeant. He was a member of Floyd Post, American Legion, and Auxier lodge of the Masonic Order. He had been an employe of the North-East Coal Company until ill health forced him to retire.

Surviving are his widow, Mrs. Esther York Gilbert, and five children, Irene and Lloyd Gilbert, of Prestonsburg, Lawrence V., Gretchel Jean, and Elizabeth Ann Gilbert, at home; one brother, Emery Gilbert, of Auxier, and a sister, Mrs. Molly Scott, of Ashland.

TOWN-WORLD

(Continued from Page 1)

And the people chose to follow Aeschines. Demosthenes was driven out of Athens.

Worst of all, Senator, Philip did exactly what Demosthenes had said he would do while the people of Athens did exactly what the non-interventionists wanted them to do—nothing.

Athens, last of the democracies of the day, fell and liberty was not known again on the earth for centuries.

I am not comparing you, Senator, to those traitors of Athens who handed their country to the dictator. I am merely stating these facts of history, hoping that you may see the strange and tragic parallel between your doctrine and that of those who opposed Demosthenes; the awful similarity between the Athens of three centuries before Christ and the America of almost twenty centuries after Christ.

Verily, Senator, history repeats itself.
