ELECT N. M. (Bud) WHITE

REPRESENTATIVE
96TH DISTRICT
ON REPUBLICAN TICKET
HE'LL WORK FOR FLOYD COUNTY'S INTEREST
(Pol. adv.)

VETERANS!
HERE IS YOUR CHANCE TO GET INTO SOMETHING WITH A FUTURE

We are now hiring additional men in our Marine Department, both veterans and non-veterans. These are clean, modern Ohio river boats with excellent working conditions and offer good opportunities, both in the engine room and on deck. Some of the openings should prove especially attractive to men with previous diesel experience, although this is not necessary. There are also a few first-class male cook openings available.

1. FREE ROOM AND BOARD.
2. STARTING SALARY FOR DECK-HANDS, \$140 PER MONTH.
3. VACATION ALLOWANCES: WORK 20 DAYS, OFF 10 DAYS (with pay).

All applicants must pass ordinary physical examination and must be at least 18 years old.

Write or apply in person at our Employment Department any morning except Saturday or Sunday. If you are a Veteran, bring your Discharge with you; if not, and under 21 years of age, Birth Certificate or School Record must be presented.

ATTENTION

REPUBLICAN AND DEMOCRATIC VOTERS OF THE 96th LEGISLATIVE DISTRICT:

As only a few days yet remain before a very important election, I find that it will be physically impossible for me to cover the entire district and talk to you personally as I would like to have done, as my own business, the Kentucky War Fund drive and other matters of benefit to Floyd county have made it impossible for me to cover the district as I should have done; however, let's all be reasonable and work and vote for what we consider the best INTERESTS OF FLOYD COUNTY. In seeking to be your next REPRESENTATIVE this is the only object I have in mind, there is no job in Frankfort that I want or would have and no SPECIAL INTERESTS that I would represent except the good people of Floyd county, both Democrats and Republicans alike.

During the next three years there will be over 54 million dollars available for roads in Kentucky. I want to see that we at least get our share of these millions (which we haven't done in the past), most of which should be spent on connecting and farm-to-market roads, which the state should improve and keep up. Good roads up the creeks will mean better schools, better churches, better homes, more work, better jobs. Floyd county's citizens are entitled to the best and if elected I promise to work for these things and I feel that the present Republican administration will lend a sympathetic ear.

I am familiar with all the varied interests in Floyd county and they are numerous. I want to see new industry come into Floyd county that will give steady employment to our returning war workers and VETERANS instead of their having to go to other communities to work and live. Any legislation that is proposed, I will weigh it carefully and vote for what I consider is to the best interest of my district and Floyd county. I have been asked to state my position on a general 3 per cent sales tax. I do not feel that it is necessary and should this bill be introduced I will vote against it.

Before casting your vote, think things over. Let your conscience be your guide. IF ELECTED, I WON'T LET YOU DOWN! FLOYD COUNTY AGAINST THE WORLD.

MADE BY RUMFORD

TO THE GOOD CITIZENS OF PRESTONSBURG:

I hope you will all agree with me and vote for the new Council. I went before the Council in August to have a feed store stopped and they all voted in my favor and said they would have it stopped. I took them at their word, Mr. Arnold being the Mayor. They caught me out of town the first meeting in September. Roe Layne, acting as Mayor, Willie Clark made the motion and Burl Spurlock seconded it voted for the feed store to be put up. That is what I call a back-biting Council. I believe in electing a City Council that will meet you face to face and doesn't go behind your back to do you dirty. I live on Second street, the same as our Mayor, and pay taxes the same as he does. When they were about to put up a building by his house, he had an ordinance passed that there would be no buildings on Second street put up except residences. But when it came to a widow and no one to help her—well, that's the way they do. We don't want that kind of Council. Vote the new one and be safe.

Wilson, Mr. and Mrs. W. H. Mahood, Mrs. Alton Crisp, Mrs. A. J. Justice, Mrs. Wayne Dingus, Mrs. Gardez Dingus, Mrs. Lela Stumbo, Mrs. Floyd Skaggs, Mrs. Doak Hutchinson, Mrs. Mac Taylor, Mrs. C. C. Caudill, Miss Charlotte Kiser, Charles Gregory Caudill and Wayne Dameron Dingus.

A distinguished guest was entertained by Miss Blanche B. Keathley and her mother at Hite, near here, last week. Their guest was Barge B. Chaney, of the U. S. Department of the Interior, and owner of several rich mines which contain rare minerals. After many years absence from his home state, Mr. Chaney came back to visit his sisters in Kentucky, Tennessee and Indiana and to transact business in this state, also visiting his birthplace near Hopkinsville, Ky., where he grew to manhood. Miss Keathley met Mr. Chaney on a trip west and accepted his invitation to visit the mines, one of which is the "Lost Flores," a famous gold mine which hasn't been worked for years.

MOTHER OF MR. FAULL PASSES

Mr. and Mrs. A. V. Faull left Saturday for Pennsylvania to attend the funeral of his mother who passed away Friday. They had frequently visited her in the past few months during her serious illness.

Miss Dyer, Mr. Rogers Wed At Newburyport, Mass.

Miss Leah A. Dyer, of Baltimore, Md., daughter of C. H. Dyer, Pikeville, Ky., was married Oct. 13 to Mr. Stanley Rogers, of Newburyport, Mass., recent discharge of the navy, the Rev. James J. Mooney officiating.

A reception followed the ceremony which was given at 14 Cottage Court, Newburyport, Mass., at the home of the groom's sister, Miss Ann Rogers. A large group of friends and relatives attended.

The bride and groom left for a week's honeymoon in the Adirondacks region of New York state. They will be at home to their friends and relatives at 14 Cottage Court, Newburyport, Mass.

"You bet I'm going to write an essay about the Big Sandy Waterway. It's the greatest thing that ever happened to the Valley."

\$1000 In War Bonds Given As Prizes In Essay Contest!

Sonny is right, the Big Sandy Waterway is the greatest opportunity the half million citizens of the Valley have had to insure their future prosperity. It means so much to every family in the Valley that the Association is offering 25 prizes in all, totaling \$1,000 in U.S. War Bonds (maturity value) to the school children who write the best essays on the subject,

"What the Big Sandy Waterway Means to My Family"

All children attending the eighth through the twelfth grades, inclusive, in schools located in the counties of Boyd, Lawrence, Johnson, Martin, Floyd, and Pike, in Kentucky; in the counties of McDowell, Mingo, Mercer and Wayne in West Virginia; and the counties of Tazewell and Buchanan in Virginia, are eligible to enter. A brief summary of rules is printed in the next column.

Full details of the contest and literature describing the Big Sandy Waterway and its benefits can be obtained from any of the county representatives whose names are listed below, or by writing direct to the Big Sandy Valley Association, Second National Bank Building, Ashland, Ky.

The Big Sandy Waterway means much to the fathers and mothers in the valley. But it means even more to the thousands of boys and girls now attending school—and to the thousands of servicemen who will soon return and who are already wondering about jobs and their future. Read everything you can about the waterway—listen to the radio—and discuss it with your friends.

WE BUY and SELL Good USED CARS

Picture of a Man Building a House

Why, you say, he's just putting something in his safe deposit box! That's right, he is just putting a Victory Bond away. He has bought—and held—War Bonds regularly, ever since the war started. And he's adding regularly to his bank account, too.

He is building his house, just as sure as you're born.

He and his wife came in not long ago and told us how they had planned their saving. Everything was worked out in black and white. They want to be ready to build when prices are right and materials are available. They wondered if we

would help them finance the completion of their house. We answered "Yes," of course. We are glad to go along with folks who plan their spending, plan their saving.

Isn't this a good formula for building a house, or buying a car or paying for a college education?

Steady bond buying, regular saving, plus a plan to spend at that future time when your dollars will buy more, adds up to future family security. Your family deserves no less.

Help the nation's efforts to keep your living costs DOWN, the buying power of your dollar UP.

TO THE VOTERS OF FLOYD COUNTY:

This is my final statement to you in my race for reelection to the office I now hold. You elected me for the short term as your Sheriff and upon my record and service during these two years I am asking you to elect me for the four-year term.

My opponent and myself have both served you as Sheriff and we have records that you are acquainted with and from these records you should as good citizens make your decision as to who will serve you best.

I have served you with honest, sober and fair deputies. Men who have the interest and welfare of your homes, schools and churches. Men who have a desire to make your community a better place in which to live. Men who will protect your high school children, instead of running up and down the highways, arresting them and placing them in a position of humiliation and embarrassment throughout all their lives.

I will not have deputy sheriffs who have to be brought before a court of justice and placed upon trial for falsely arresting the fine young boys and girls who belong to the best families upon the earth. I promise you again and again that this will never happen to the fair name of Floyd county again. I am sure the children, their parents and friends who have had this experience will think of this from now until the closing of the polls on Nov. 6 and help me to keep this from happening again.

I realize that the duties of my office for the next four years are many and difficult. The present conditions and those to follow are different from those we ever have had. Thousands of boys, just like the two boys who are on the Democratic ticket with me, are returning to us not as they left but broken in health and spirit. I have discussed these boys with Jarvis Allen and Everette Collins, and I feel that I am thoroughly acquainted with their condition. They need officers throughout the land who will be kind, patient and sympathetic; officers who will give them kind words and advice instead of abuse. This I promise you to which he was elected in 1937.

Any man who has been elected to an office by his party owes his loyal support to the nominees of his party. My opponent was the leader of his party by virtue of the office to which he was elected in 1937.

I ask the Republican nominees in the election of 1940 if he was loyal and gave them the support that they had given him in 1937, or did he support the nominees of the other party. This is a matter of record and is well known to those nominees and to the Republicans all over the county. My opponent is telling the nominees on my ticket that he is making his own race and that he is not having anything to do with the other nominees of his party. Republicans—is this being loyal to your nominees and to your party? I am sure that the Republican nominees in 1940 and your present nominee will give this matter a great deal of thought on November 6.

I have been informed that at the last hour of the campaign there will be a circular spread over this county about something I may have done years ago. There are few men who have not made mistakes during their lives. But I am thankful that any man who desires can change his way of living, and I am proud that all the people of Floyd county know the life I have lived for years, which is the sort of life I expect to continue to live. I expect to live in such a way that my family, my neighbors and my friends will be proud of my conduct.

I have no doubt about winning this election by the largest majority ever given a candidate for this office. I am grateful to you for your support and confidence in the past, and I assure you that my family, friends and myself will always be thankful to you for your interest and support in this race.

Your friend,

SELF-REGULATION

A plan that works...

Prevention is better than cure!

That axiom is the keynote of the Self-Regulation program sponsored by Kentucky brewers and faithfully carried on by their Kentucky Committee.

The purpose of the program is simple and direct—To clearly interpret to all retailers of malt beverages their legal, moral and social responsibilities; primarily to prevent rather than correct irregularities in the sale of beer and ale.

The program is maintaining the sale of malt beverages on a high level. It has proved that Self-Regulation works.

NOTICE-- TAXPAYERS

My opposition in this campaign is falsely saying to you that I have raised your taxes. The Sheriff of Floyd county, or of any other county, does not have anything to do with the assessment of property for taxes. The Tax Commissioner makes the assessment and prepares the tax bills. These tax bills are delivered and charged to the Sheriff. The State Tax Commission at Frankfort placed a raise of 15 per cent on real estate this year. I and my office force are always willing to help any taxpayer get his or her taxes straightened out when they are wrong. We do this with courtesy and kindness and every taxpayer in the county knows this. Do not be misled by false rumors of this kind. It is not fair to you or to me.

Those present and sending gifts were: Mrs. Bess Sloan, Mrs. Nannie Bowling, Mrs. Winnie F. Johns, Mrs. Lou Harris, Mrs. T. W. Smith, Mrs. Inez Smith, Mrs. Betty Stephens, Mrs. E. P. Arnold, Mrs. Lida Spradlin, Mrs. H. L. Goble, Mrs. Ray Howard, Mrs. O. P. Powers, Mrs. Joe P. Tackett, Mrs. Bernard Tackett, Mrs. J. H. Nunnery, Mrs. Mary E. Branham, Mrs. Katherine Ellis, Miss Rebecca Ellis, Mrs. W. V. Bunting, Mrs. Emma Osborne, Mrs. Laura Perry, Mrs. Bessie Arnett, Mrs. Bill Goble, Mrs. Grace D. Ford, Mrs. Harvey Howard, Mrs. Ernest Hopkins, Mrs. Myrtle Weddington, Mrs. Joe Hobson, Mrs. Flora Sizemore, Mrs. Mary D. Allen, Mrs. Lida Cottrell, Mrs. Laura Davidson, Mrs. Rebecca Dingus, Mrs. Andrew Stephens, Miss Peachie Howard, Elmer Collins, Joe P. Tackett, Johnnie Ellis Branham.

BIRTH ANNOUNCED

Mr. and Mrs. E. R. Taylor are announcing the birth of an eight-pound son, born Friday, Oct. 26, at the home of Mr. and Mrs. Wilbur Stiles, of Graham street and Highland avenue. The babe has been named Wilbur Gene. Mrs. Taylor, nee, Lois Stiles, is well-known both in Prestonsburg and Huntington, W. Va., where she and Mr. Taylor have resided at the Emmons-Jr., apartments for the past 18 months.

HONORS HOUSEGUEST

Mrs. Greenville R. Spradlin entertained recently at her home on the Middle Creek road for her houseguest, Mrs. Woodrow Holbrook, of Williamson, W. Va. Mrs. Holbrook stopped here, en route to her home from California, where she visited her husband who is in the army. The bridge was enjoyed by Mrs. Holbrook, Mesdames John W. Hensley, J. P. Ribble, E. P. Arnold, Lida Spradlin, Joe A. Spradlin, Miss Hildred Allen. Mrs. Holbrook won high score and Miss Allen, second high. A salad course was enjoyed at the conclusion of play.

Rev. Isaac Stratton, of Banner, visited numerous sick friends here Saturday while en route to a church conference near Paintsville.

C. P. Stephens spent Sunday here with his family, returning to Lexington Monday.

J. D. Crisp, of Martin, was here Saturday calling on friends and transacting business.

Mr. and Mrs. Jack Spurlin and Mr. and Mrs. George Evans, Jr., of Estill, attended the Ohio State-Wisconsin football game at Columbus, Ohio, recently.

TO WHOM IT MAY CONCERN:

Some foul enemy of mine has spread a rumor to the effect that, if I am elected, I will have as deputy one Mr. Hershel Graham, of Prestonsburg, Ky. I hereby brand this as an underhanded attempt to defeat me or to cause the said Mr. Graham to be placed in a position of great danger. For his protection as well as mine, I assure you voters that I expect to leave Mr. Graham at his regular job of welding and arguing baseball.

Yours for fewer and better deputy constables, MACK HARMON (Adv.)

TO THE VOTERS OF FLOYD COUNTY:

My friends, The final election campaign is drawing to a close and I want to express to you all my deep gratitude for the wonderful support and encouragement you have been kind enough to give me in my race for County Court Clerk. This encouragement has been extended throughout the county. Since it is a physical impossibility for me to meet each of you personally, as I would like to do, I am using this means of making my appeal to you. I am your nominee for County Court Clerk, and as some of the voters may not know me I will try to introduce myself. I am the son of the late L. F. Bowe, of Prestonsburg, Ky., and myself lived in Prestonsburg for several years. My father was killed by a fall of slate in a coal mine when I was 16 years old. He was a member of Zerulon Lodge No. 273 Masons. At my father's death my mother and her children moved to Wayland, Ky. My mother took a job with the Southern Bell Telephone Company and has worked for them now for several years. My sister, Mrs. Frank Wolfe, now lives at David, Ky., and her husband is employed in the mines there. Being the oldest child in the family, I went to work in and around the mines at an early age to help support the family. Therefore, I know the hardships and problems of the coal miners and of other laboring people and you can count on me 100 per cent. I am the only miner in the race for County Court Clerk and I earnestly solicit your support and will appreciate all that you can do for me in this campaign.

SHOWER FOR MRS. HARRIS

Mrs. Caroline Harris, affectionately known as "Aunt Cadge," was pleasantly surprised Friday by members of the Woman's Society of the Christian Service of the Methodist Church who brought and sent personal gifts to her for her sickroom. Mrs. Harris is suffering from a broken arm sustained when she fell two weeks ago. She is getting along nicely.

ATTEND MEETING AT LEXINGTON

Mrs. Claude P. Stephens, state corresponding secretary, Mrs. Ruth D. Sowards, Mrs. E. P. Arnold and Mrs. Lida D. Spradlin attended the fall meeting of the Daughters of the American Colonies which convened Tuesday at the Lafayette hotel in Lexington.

Mrs. L. L. Lynch, of Martin, was here Saturday transacting business. Mrs. Willie Crum has sold her household goods and is making her home here with her daughter, Mrs. Ed Wright, on Court street.

Mrs. Steve Pieratt, of Mt. Sterling, Mr. and Mrs. Donald Lee Meade and son, Stephen Lee, of Lexington, are here, guests of Mr. and Mrs. N. M. White, Jr.

HOMEMAKERS MEET

The Homemakers Club of Bull Creek met at the home of Mrs. Henry Harris Tuesday afternoon for a discussion of the lesson, "Eggs and Their Value to the Body." At the conclusion of the meeting, refreshments were served to Mrs. Will Willis, Mrs. Marvin Marshall, Miss Regia Kincer, Mrs. Mary Newsome, Dorothy Sue Willis, Joe Jack and Henry Harris, Jr., Paula Messer, Mary Martha Harris and Mrs. Henry Harris.

ACCEPTS POSITION WITH SANTA FE RAILROAD

W. D. Goble, who recently received his discharge from the merchant marine and moved to Owensboro, where Mrs. Goble was employed as teacher, has accepted a position with the Santa Fe railroad at Winslow, Arizona. He and his family arrived here this week. His mother, Mrs. Cecil Kendrick, returned home Sunday from Owensboro where she visited them. She also visited her daughter-in-law, Mrs. James B. Goble, in Louisville.

Miss Inez Hewitt and Homer Hewitt, of Banner, visited their sister, Mrs. M. J. Leete, Jr., here Saturday.

Mr. and Mrs. Harry Rice were in Louisville last week on business.

Mr. and Mrs. M. J. Leete, Jr., were guests of Bill Wells at Pikeville Sunday.

Miss Hildred Allen and Mrs. Maude Landrum spent the week-end in Hazard, visiting relatives.

John Stephens, who has been a patient at Prestonsburg General hospital, has been removed to his home on Bull Creek. His condition is improved.

Major James Stephens, who has spent the past four years in the army and saw brilliant service in the European war area, arrived recently from Camp Atterbury, Ind., for a visit with his parents, Judge and Mrs. Henry Stephens, Jr. Mrs. Stephens and son accompanied him here and they left later to visit her parents at Lexington.

Gertrude Keathley, of Chicago, daughter of Lawrence Hamilton, is visiting her parents and friends at Harold. She will return to Chicago soon to become the bride of Arthur E. Gleason, of that city.

LET'S FINISH THE JOB!

I enlisted in the armed forces April 14, 1941 when it looked like war was inevitable. I have served our country since that time willingly and gladly at whatever assignment given me and I am fully qualified to serve you as your County Court Clerk. There comes a time in everyone's life when a man doubts his wisdom, his ability and his future. It is impossible to avoid such times but what we have to do is to reject such doubts and as Emerson said, "Carry himself in the presence of all opposition." I am aware that I have tremendous opposition as we are all familiar with money pool and "big slate" deals in our county. I have no money. As you all know, a soldier's pay does not allow one to acquire it and my people are poor, working people and cannot help me in that respect even if I wanted them to do so and I can honestly say I do not want money spent in my behalf for it is my belief that the practice of using money in elections is today the greatest threat to true American democracy. I am now eligible for release from military service and will be free to serve you when you good people of Floyd county show by your votes you want me to serve you. I think you will indicate by your votes that you do want me to serve you. I am in the race to the finish and will serve you to the very best of my ability and give you my promise that you will not regret any support that you may give me. Sincerely, S/SGT. ELMER BOWE Headquarters, Army Air Forces Washington, D.C. (Pol. adv.)

ENTERTAINS FOR MRS. HENSLEY

Mrs. John W. Hensley was honored October 12 with a bridge party at the home of Mrs. E. P. Arnold, the occasion being her birthday. Members of her family joined the group playing bridge. At the conclusion of play wench rabbit was served to Mrs. Hensley. Mesdames Lida Spradlin, Joe A. Spradlin, J. F. Ribble, Tot Allen Mann, C. L. Hutspiller. Many useful gifts were received by the honoree who graciously thanked the donors.

LUNCHEON FOR MRS. SIMMONS

Mrs. V. F. Strahan was hostess to luncheon recently at the Auxler hotel in honor of her mother, Mrs. S. B. Simmons, Shepherdsville, Ky. Guests were the honoree, Mrs. Lida Cottrell, Mrs. Joe Hobson, Mrs. M. J. Leete, Sr., Mrs. Josie D. Harkins.

Mr. and Mrs. Worley Boyd and Mr. and Mrs. S. W. Rice were recently in Louisville, guests of Mr. and Mrs. A. F. Disney and Mr. and Mrs. Robert Bell.

IT'S MONEY OUT OF YOUR POCKET... TOO unless Kentucky gets a new truck law!

Of all states in the union, Kentucky has the most restrictive trucking law! Yes... we're at the bottom of the list (see chart below). That means farm incomes are threatened... for Kentucky farmers cannot compete with farmers of any other state when it costs our farmers more to move the same amount of goods to market.

It also means our Kentucky businesses, industries, stores, etc., are hampered because of higher shipping costs than elsewhere. And, prices on all the things we Kentuckians eat, wear and use are relatively higher because of higher transportation costs.

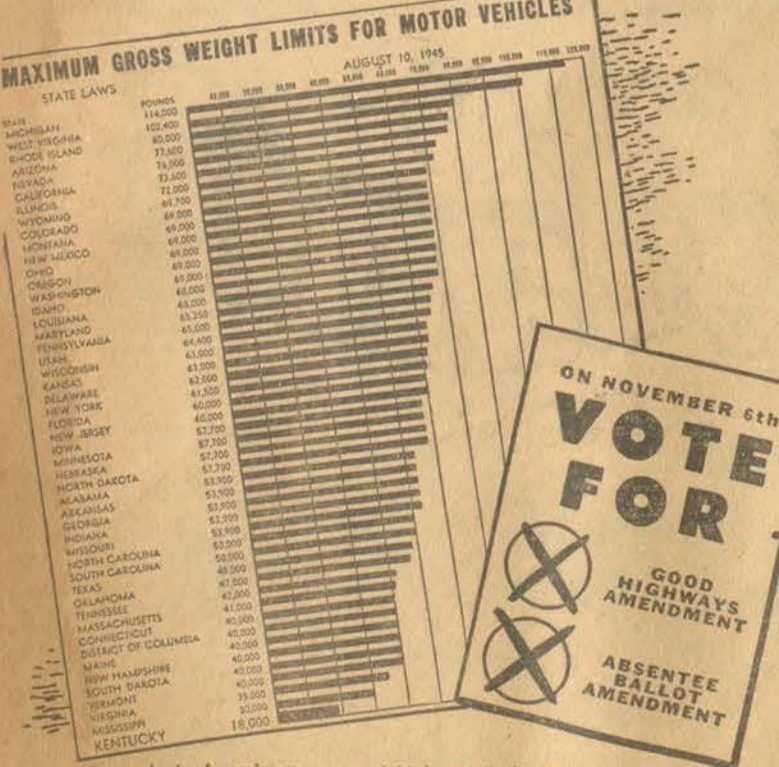

Talk to your legislator now. Tell him you want a new modern truck law such as the "uniform code"... which has already been adopted by about 70% of all states! Until Kentucky gets such a law, it's money out of your, and every Kentuckian's pocket! So, let's do something about this... now!

THE PRESENT LAW

Kentucky's permanent law limits total gross weight of a truck, plus its load, to only 18,000 lbs. - and length of truck-trailer to only 30 feet. That's 22,000 lbs. lighter than 47 other states allow - and 10 feet shorter than 46 other states permit!

THE PROPOSED LAW

Every state bordering Kentucky has liberalized highway laws. Kentucky's proposed law should be comparable to theirs and should at least equal the minimums allowed in 70% of all states today.

The above chart of maximum gross weight laws tells its own story. A similar chart on maximum length laws also shows Kentucky trailing every state in the nation.

Forgotten Man - 1945?

You didn't forget him in Normandy. Six days after D-Day, the dollars you contributed to the Community War Fund helped cheer him up with a U.S.O. show staged right on the beach.

You stood by him in France. Often your money helped send U.S.O. entertainers right behind the front lines to bring him a glimpse of home again... the familiar face of a movie star... a hit song from Broadway... or the latest gags from radio.

You did him a great service. And he remembers you for it. But now that he's earned his victory in Europe, let's not leave him to battle with boredom in his off-duty hours.

For when time is crowded with boredom, it does things to a man that sometimes make him almost forget himself. Who he is. What he believes in. What he fought for.

General Eisenhower is so aware of this problem that he has asked the U.S.O. to quadruple its entertainment program to keep up the spirits of our men still in Europe. Fifteen hundred U.S.O. entertainers are now overseas, including 16 complete acting companies. They're playing to more than a million men every week. But to continue this work on such a huge scale, to continue to bring American cheer to American boys, takes money—your money.

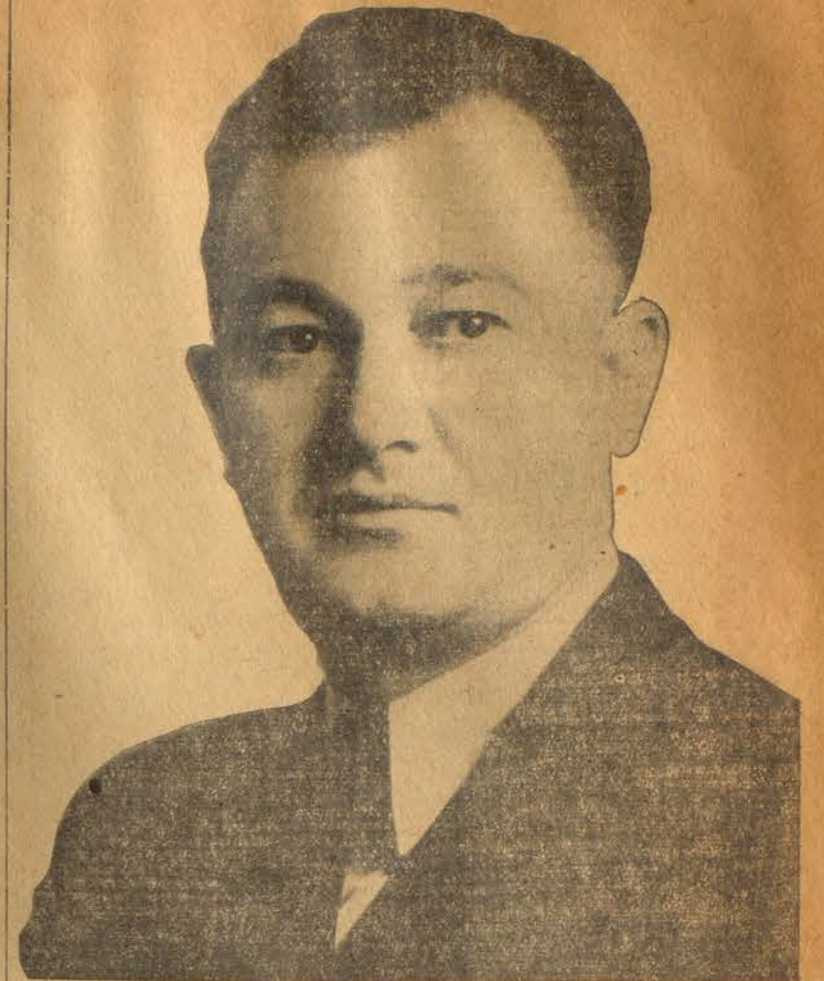

When you give to the National War Fund—through your local community campaign—your dollars not only support the U.S.O. They help all the 20 other agencies of this great fund. They keep up the hopes of those abroad, and give aid to servicemen's families who need aid at home.

When the man from your neighborhood calls, remember the boys still overseas, won't you? And give generously—you'll be glad you did!

Give generously to
Your Community War Fund

Representing the National War Fund

I think you, the folks whose votes will name the next Representative from this district and who deserve honest, efficient representation at Frankfort, are entitled to a plain, unvarnished statement of what the candidates for this office stand for and will do if elected.

First of all, I point to my past record—a record of work for the best interests of Floyd county and the state of Kentucky as a whole. My experience gained while achieving numerous things of value to the county and state, and while trying to achieve even others, has equipped me to give even better service during the next two years.

Next, I offer you the following as my platform (a record of what I propose to do, put down in black and white for you to keep, if you choose, and to compare with my official acts when I return to the Legislature):

1. An appropriation for education (and this does not include appropriations for the state's "higher" institutions of learning) of at least \$5,000,000 a year more than was appropriated for the present fiscal year; a school term of not less than eight months; a salary not less than \$100 a month for any school teacher—also, my full consideration to all forward-looking measures designed to advance the lot of the state's school children and teachers.
2. An appropriation of not less than \$4,000,000 more than was appropriated for the current fiscal year, to provide for the full needs of the state's Public Assistance program, thus assuring a substantial increase to the needy aged, the needy blind and dependent children.
3. The completion of the tuberculosis sanatorium program which was begun through my personal efforts (by a bill of which I was the author) at the last General Assembly; more adequate appropriations for public health and preventive medicine. Contracts for the five tuberculosis hospitals made possible through my bill will be let, I have been assured, on Dec. 15, 1945.
4. An appropriation of \$2,750,000 a year to complete the rehabilitation and modernization of our state hospitals and other institutions.
5. The expenditure of not less than \$5,000,000 (\$3,000,000 more than has heretofore been spent) a year for rural highways, these funds to be spent under the direction of local authorities and the responsibility for the location of rural highways in each county to be in the hands of the fiscal courts.
6. An appropriation of \$1,250,000 a year additional money for the development of a state conservation program, including soil conservation, forestry, parks and publicity to make Kentucky attractive to the expanding tourist trade. This can and will be done without additional expense to the taxpayers.
7. I will vote and work for all measures to aid in the rehabilitation and care of disabled veterans and to protect their rights. Those old enough to fight are, I contend, old enough to vote; and so I favor reduction of the minimum voting age to 18 years for all citizens.
8. I favor liberalization of the Workmen's Compensation Act, including provisions for secondary injury fund; also, I will support legislation liberalizing the duration period and benefit provisions of Unemployment Compensation.
9. I HAVE NEVER FAVORED, I DO NOT NOW FAVOR AND I WILL NEVER SUPPORT A SALES TAX.

These are matters that affect us people of Floyd county as vitally as the people of any other county in the state. They deserve your earnest consideration.

Stay with me—I will stay with you.
Sincerely,
BILL BIGGERS

The Mailed Fist of MARS has Ceased Pounding

Temporarily at least, human flesh and nerves and the human spirit have gained surcease from the ceaseless hammering of Mars the war lord. Restful peace has settled once again on the world.

Now, it is the duty of us all to see the aims of this nation carried forward to gain a lasting peace... to make our country prosperous... to render the entire world a fit place for civilized men and women and their children...

Sound investments, economy, support of the nation which among all others is great—these are our bits of advice to our friends and customers.

JARVIS ALLEN'S STATEMENT TO FLOYD COUNTY CITIZENS

I wish to express my appreciation to the hundreds of mothers and fathers and younger voters of this county who have been kind enough to give me assurance of their full support at the coming election. Their friendship during this campaign, as in the primary, will not be forgotten.

Most of you know me, or of me. You know my story; you know that I am qualified for the office of County Clerk. I think those of you who know me personally need no assurance that I will never be derelict in performing the duties of the office. I can say truthfully, and unboastingly, that I have never shirked any task. To all I offer this solemn pledge: **As your County Clerk I will work faithfully and honestly for and with you all.**

The support you have given me, and the support I humbly ask at the polls next Tuesday, will enable me not only to be of further service to my home county but it will also help me while I am partially disabled after seeing combat duty during the war just ended.

From the primary I carry no prejudices, no ill-feeling for any individual. Instead, I am grateful. The coming final election I expect to go through and remember in the same spirit.

The women, old men, soldiers who stood—good soldiers all—at the voting booths in the primary, talking, fighting for me—how can I ever thank them enough?

Sincerely,
JARVIS ALLEN

THEY NEVER STOP WORKING... Except when you're asleep!

SOMEONE has said that with the exception of the heart, the muscles of the eyes are the hardest working muscles in the entire human body. Because your eyes never stop working except when they are closed!

Mankind grew up out of doors—where nature's own light was abundant. That explains why modern eyes are so overworked—so often defective. And that is why science is working so hard to bring sunlight indoors.

In the meantime—here are four rules that will help reduce eyestrain—conserve energy—in your home.

- 1 Do all reading, studying, sewing, or game-playing close to a good light source, preferably a modern reading lamp.
- 2 Avoid glare from bare bulbs. Don't sit facing the light. Glare strains eyes.
- 3 Avoid shadows. Make sure you have good light directly on your book or work. Shadows strain eyes.
- 4 Have eyes examined regularly. If eyes are defective, vision can be greatly helped with proper glasses.

District Legislators Ask Increased Teacher Pay, More for Roads

The legislative program outlined by Democratic state Senators and Representatives and legislators-elect at a meeting here recently was approved last week in Frankfort by party representatives from the state-at-large.

Only amendment to the program as prepared here was that suggesting liberalization of the Workmen's Compensation Act and of the duration period and benefit provisions of unemployment compensation.

Formulating the district program for adoption at the state meeting, the following Democratic legislators and legislators-elect met here: Senator Douglas Hays, Representative W. G. Biggers and Jerry Fonce Howell, of this county; Representative-elect W. R. Smith, Hindman; Representative L. Clyde Farley, Pike county; Representative-elect Amos Runyon, Pike county; Representative-elect Joe Davis, Letcher county.

The program follows: An appropriation for education, exclusive of the University of Kentucky and the State Teachers Colleges, of at least \$5,000,000 a year more than the 1945-1946 budget; a minimum school term of eight (8) months; a minimum salary of \$100 per month for school teachers.

An appropriation adequate to provide 100 per cent of need in Kentucky's Public Assistance program and to bring the institutional operating services to adequate standards, involving an appropriation of not less than \$4,000,000 per year more than at present for these purposes, and should assure a substantial increase in payments to the needy aged, needy blind and dependent children.

The completion of the tuberculosis sanatorium program commenced by the last General Assembly, and more adequate appropriations for public health and preventive medicine.

An appropriation of \$2,700,000 per year to complete the rehabilitation and modernization of our state hospitals and other institutions and the construction of tubercular sanatoriums.

An expenditure of not less than \$5,000,000 (an increase of \$3,000,000) per year for rural highways to be expended under the direction of local authorities; the responsibility for the location of rural highways in each county to be in the hands of the fiscal courts, the state to match, dollar for dollar, federal funds for the construction of highways.

An appropriation of \$1,250,000 per year additional money for the development of a conservation program, including parks, soil conservation, forestry and publicity in Kentucky designed to develop the natural resources and make Kentucky attractive to expanding tourist trade.

All measures necessary appropriate to aid in the rehabilitation or care of disabled war veterans and to protect their rights and opportunities as ex-service men; reduction of the minimum voting age to 18 years for all citizens.

Creation of a genuine Legislative Council, supplied with adequate funds, adequate authority and adequate facilities for research; enactment of a Legislative Research Bill which was defeated at the Governor's dictation in the last session of the General Assembly.

U.-K. Social Sororities Pledge 222 Women Pupils A total of 222 women students pledged to membership in the 11 social sororities on the University of Kentucky campus at the close of a week of "rushing" by upper classmen in the groups.

Among the young women joining sororities from Floyd county are: Opal Pearl Hall, daughter of Milford J. Hall, of McDowell, Alpha Gamma Delta; Mary Charlotte Salisbury, daughter of Homer Salisbury, Prestonsburg, Alpha Gamma Delta; and Dorothy Sue Allen, daughter of Edward L. Allen, Chi Omega.

Three Eastern Kentucky Coal Mines Inspected

In commending recently adopted safeguards at three Eastern Kentucky coal mines, federal inspectors have also stressed the need for further emphasis upon accident-prevention, the Bureau of Mines announced this week in releasing the formal re-inspection reports on the mines.

Recent safety gains at all three operations were attributed to company initiative, employe co-operation, orders and suggestions of the Kentucky Department of Mines and Minerals, and recommendations of the Bureau. Summaries of the official reports follow:

Stephens Elkhorn mine, Stephens Elkhorn Fuel Corporation, Manton; 160 employes; average daily production, 750 tons. Accident rates at the mine have gone down steadily since 1943. Inspector Max J. Caylor said in commending such recent safety advances as improved timbering practices, driving of a new haulage-way, a new explosives-distributing magazine, fire-proofing of the Nos. 1 and 2 fans, posting of "Danger" signs on the trolley uprights, safer installation of power and trolley wires, surface-underground telephones, and enclosed switches for the electric circuits to all pumps.

Major supplementary safeguards proposed by Caylor embraced greater stress upon safety in the haulage and timbering operations, the elimination of electrical and mechanical hazards. Other safety suggestions: Safer transportation and storage of explosives, increased air at some working faces and frequent tests for gas, an intensified coal-dust control program, and a "no smoking" rule.

Boxley, New 'Super' For Koppers Mines

H. John Harper, assistant to the vice-president, Koppers Coal Division, Eastern Gas and Fuel Associates, has announced the following personnel changes at mines in his jurisdiction:

A. P. Boxley, superintendent at Kopperston mine, has been appointed general superintendent of the Weeksbury, Wharton and Kopperston mines with headquarters at Kopperston. Cleophus Short, Kopperston mine foreman, succeeds Mr. Boxley as superintendent at Kopperston.

Mr. and Mrs. Julius Castle, of Auxier, announce the marriage of their daughter, Imogene, to Mr. Edward Price, of Oak Hill, W. Va., on Saturday, Oct. 20. The marriage was solemnized at the home of the officiating minister, the Reverend Hays, of the Pentecostal Church, Caledonia, Ky.

The bride was graduated from Auxier high school with the class of '44. Mr. Price, discharged from the army a month ago, is employed at Charleston, W. Va. He and his bride will reside at home at Oak Hill which they are now building.

FOR POLICE JUDGE We are authorized to announce DENNIS MARTIN as a candidate for Police Judge, town of Martin, Ky., at the November, 1945 election.

BOTH PARTIES REPRESENTED

In Program Backing State Good Roads Amendment Move

Unreserved support of the Good Roads Amendment which goes before the voters for ratification November 6 was given by Governor Simeon S. Willis at Lexington when he spoke before 200 members of the Good Roads Federation at the Lafayette hotel to launch the drive to ratify the Amendment.

Len B. Shouse, president of the federation, presided and other speakers were Thomas R. Underwood, editor of the Lexington Herald, J. Stephen Watkins, state commissioner of highways, and State Senator Stanley B. Mayer, Louisville attorney. The addresses were broadcast over a state-wide hook-up of radio stations.

"There are some sincere and genuine friends of good roads who do not understand the true situation," Governor Willis declared. "They are being misled by two fallacies: first, that it is not necessary to have a constitutional amendment to protect the road funds from diversion to other purposes and, second, that the proposed amendment is not clear enough as to its purpose and effect. Sixteen other states have found it necessary to adopt such amendments, and several states are proceeding in the same manner to protect their road funds. We have learned from our own experience that such a provision is necessary, because at every session of the Legislature weeks are spent in combating efforts to make inroads on the road fund. Mere statutory protection is not enough. It is too easily overturned. Already, since 1936, more than \$10,000,000 of highway users' taxes have been diverted to non-highway purposes. Certainly protection is necessary when so much money is being diverted from the road funds to other purposes. This is especially rough treatment of the road users, because they pay all the taxes for the roads, and a very large proportion of all other taxes which make up the general fund. The amendment is absolutely necessary to secure the road fund, now and in the future.

Governor Willis stated that the amendment does not touch in any way directly or indirectly any ad valorem tax or any other tax than those specified by name and description in the amendment proposed. He further added that the power of the Legislature is not improperly curtailed. "It is perfectly free to levy the taxes for the roads, and all other taxes," he declared. "The only limitation is that taxes levied on these particular sources cannot be diverted from highway purposes. The greatest need in Kentucky today is the completion of our highway system, and the construction of our rural roads. The rural road program stands at the forefront because it affords access to schools, churches, and markets."

In commending his taking the Governor appealed to all voters of the state to support the amendment. "It is strictly a non-partisan progressive step which 16 other states have already taken," he said. "All parties should support it because it will benefit all. I believe the adoption of this amendment will advance the welfare of Kentucky and of all Kentuckians. I heartily and unreservedly support it. I regard the objections interposed to it as frivolous and fallacious. I ask all voters to support the amendment which will advance the greatest road program ever planned for Kentucky."

Mr. Underwood pleaded for unified action on the part of all of Kentucky in supporting the amendment. "If I thought for a minute that this amendment was going to provide highways at the expense of airports, highways paid for out of funds that would decrease teachers' salaries, or highways that would harm or destroy or rob the farmers of Kentucky, I would oppose it," he said. "For 30 years those who are opposing this good roads amendment have been fighting and opposing other advancement by a similar strategy, one of the oldest types of strategy known to politics and war—that of divide and conquer. Kentucky voters should pass both of these amendments in November. Let us work out every problem, in the right way, honestly and together, not as motorists or as pedestrians, not as roads men or as air men, not as Democrats or as Republicans, but as Kentuckians bent on making this a progressive, advancing commonwealth and the best on earth."

Tire Application Mistakes Causing Delays, Says OPA

All tire inspectors and dealers have been asked by the Office of Price Administration to help inform applicants for passenger and truck tires on how to fill in their application blanks (OPA R-1, Rev. 9-44).

Tire applications are being held up because the forms used, which were originally prepared when tire rationing was closely linked with gasoline rationing, are being incorrectly filled in now that tire eligibility rules have been revised, OPA said. Formerly, most applicants had to have a supplemental gasoline ration to be eligible for tires, and this, in turn, was based on occupational needs. Gasoline rations are no longer used but occupational use of an automobile is still the principal basis for the issuance of tire purchase certificates.

Failure to fill in forms correctly results in the applications being rejected by local War Price and Rationing Boards because of insufficient information on the occupational use of the car. OPA decided it was inadvisable to spend funds on new forms at this time when the old forms may still be used if prepared so as to include all data the boards need.

Give liberally to the War Fund.

PVT. WALTERS GETS DISCHARGE

Pvt. Bob Walters was discharged from the army Oct. 1, after serving five years with Patton's Third army. He was wounded twice and is with his parents, Mr. and Mrs. Bradley Walters, at Louisville, awaiting the arrival of his English wife.

Floyd County's Party-- THE DEMOCRATIC PARTY--

Presents to the People...

The voters of Floyd county are offered for their consideration at the November 6 election a ticket unexcelled--if, indeed, equalled--by any group of candidates for county and district office in the long history of the party in Floyd, the Mother county of the Big Sandy region.

These men, by experience, education, training and service to their county as citizens, are eminently qualified to give Floyd county an administration of the several offices in such manner that all the people will benefit and know that they are a part of local government.

We respectfully ask that you men and women of the county consider them from every angle, especially with a thought to the future of the county and your individual communities.

And Please Remember . . . IT'S BETTER TO BE SAFE THAN SORRY!

We submit THIS ticket--and challenge the opposition to match, even approach it--

FOR CIRCUIT JUDGE

EDWARD P. HILL

Although Judge Hill has no opposition in this final election, he graces a fine Democratic ticket and without reservation gives it his full support. His record as your County Judge for two terms and the long and honorable record of his father, Ed Hill, before him, need no comment. His record as your Circuit Judge, we assure you, will be one of which every citizen, Democrat or Republican, cannot but be proud.

FOR COMMONWEALTH'S ATTORNEY

Again the Democratic party offers a candidate of distinction who is without opposition in the coming election but who, hailing from the traditionally Democratic county of Knott, just naturally joins in the fight for the ticket's complete November victory. He is the present County Judge of Knott county, and has done an outstanding job in that office and will give the people real service as Commonwealth's Attorney.

JOHN CHRIS CORNETT

FOR CIRCUIT COURT CLERK

No Circuit Court Clerk in the history of Floyd county has given better service and done all his work so obligingly as has Mr. Cooley. He has been unfailingly friendly with all people at all times, his office is in excellent shape and he will, by reason of his experience during his first term of office, be better equipped to give you even better service during the next six years.

BILL COOLEY

FOR REPRESENTATIVE, Dist. 96:

If he had never done anything but father the bill providing for treatment for sufferers of the dread disease, tuberculosis, Bill Biggers would have done an outstanding work--an achievement few Kentuckians can equal. Such legislation is the type which helps those who need help most. In other legislative work Mr. Biggers has been equally progressive--in the matter of good roads, better pay for teachers, etc--and the people owe it to themselves to return him to Frankfort.

BILL BIGGERS

FOR REPRESENTATIVE, Dist 97:

Representative Howell occupies the highest position ever attained by a Floyd countyman in the state House of Representatives. As a member of the Legislative Council, he is largely responsible for the entire legislative program of the House. A former teacher, his friendship to the teachers, the aged and the workers has been often tried and never found wanting. While in the Legislature he has steadily grown stronger with the folks back home--and that is all the commentary that is needed.

JERRY FONCE HOWELL

FOR APPELLATE JUDGE: P. H. VINCENT

Experienced and qualified for this post, Judge Vincent is equally experienced in other fields of service. A World War I veteran, he is a former District Commander of the American Legion, former County Judge of Boyd county and State Representative.

FOR COUNTY JUDGE:

Few men in Floyd county know their county and its people better than Mr. Davidson, and none is more interested in their problems. He has, by virtue of his work in the banking business at Prestonsburg and with the local schools, an intimate knowledge of finances and various problems the public must meet. Moreover, he is the type of fellow common folks will be glad to meet and tell about their needs.

ALEX L. DAVIDSON

FOR COUNTY ATTORNEY:

County Attorney at present, Mr. Burchett has no opposition for re-election and that is as it should be--for he has done an outstanding work at a difficult job. His full strength is behind the Democratic ticket--which, also, is as it should be. He not only is a good public official but also a good citizen whose interest in the county extends beyond the mere duties of his office.

WOODROW BURCHETT

FOR SHERIFF:

A one-word description of Mr. Sturgill, above all others, is this: "Friendly." At election time, after the election or between elections, folks find the present Sheriff of this county always friendly--never too busy to stop for a chat or to do a kindly turn for others. His record as Sheriff is outstanding. He has not only preserved law and order and carried on the manifold other duties of his office but has done all this in such manner that no citizen could feel that Troy Sturgill wanted to do otherwise than to be a friend.

TROY B. STURGILL

FOR COUNTY COURT CLERK

This young man, whose truly great service to his country with the Eighth Air Force in Europe is known to practically every Floyd countyman, is highly qualified for the office of County Clerk and his determination to give his county good service in civilian life is full assurance that he will make a splendid official. Jarvis Allen is steady, reliable and absolutely dependable and the people's appreciation of his war service will be rewarded by honest service.

JARVIS ALLEN

FOR TAX COMMISSIONER

Mr. Akers, the party's nominee for re-election, is another Democrat without opposition in the November election. He, however, is very much in the campaign, helping his ticket to pile up the greatest Democratic majority in the county's history. His record as Tax Commissioner has been outstanding. His experience will enable him to improve during the next four years on the service given in his first term of office.

CLIVE AKERS

FOR JAILER

Another veteran of World War II is Mr. Collins and he now wants to serve at home as he did in Africa where he lost a leg when his tank was hit by enemy shellfire. This young man pledges his fullest effort to make Floyd county a good Jailer and to earn for himself a reputation in civilian life equally as bright as that gained as a soldier fighting for his country. Surely nobody denies that he is entitled to a chance at the hands of Floyd county voters.

EVERETTE COLLINS

FOR CORONER

ALLEN TRIPLETT

Mr. Triplett adds strength to the ticket because he is well-known and because, wherever he is known, he has friends. The friendship of so many was gained by friendliness on his part and many accommodations to others. He is qualified for the office and will win by a huge majority.

FOR MAGISTRATE, Dist. 1:

GLENN BURCHETT

One of the best Magistrates Floyd county ever had, Mr. Burchett emerged from the recent primary the party's nominee for a second term. The people of his district appreciate his sound business sense, his willingness to help in any matter that is right and his ability to say "No" when asked to do the wrong thing.

FOR MAGISTRATE, Dist. 3:

HENRY STUMBO

The party's nominee for re-election, Mr. Stumbo is widely known for his honesty and his ability to protect the people's rights. He has never sought to enrich himself at the taxpayers' expense and he has never permitted any other person to do this. Henry Stumbo, member of one of the county's biggest Democratic families, remains "one of the boys" to all his friends--and they are many, as the primary election returns will prove even to the rank stranger.

FOR MAGISTRATE, Dist. 2:

JOHN MAY

As is the case in most Magistrate races in this county, Mr. May had a number of opponents in the August primary but his friendliness and the spirit of sportsmanship he showed in this race left his opponents feeling he was their friend. Young, energetic, a success in his own business, he is the type of man needed to represent the thousands of people in this magisterial district.

FOR MAGISTRATE, Dist. 4:

DEWEY ROBERTS

No better Democrat or citizen can be found in Floyd county than Mr. Roberts who has served his district with eminent ability. Alive to every need of his district, he is always on his toes, never asleep when something can be done for his section of the county. He is close to his people and they stick close to him. No change would help--no change will be made!

Space does not permit comment on each Democratic candidate for Constable, but we unhesitatingly commend each of these men to you as officers who will be sensible at all times and afford the greatest protection with the least possible offense to the people:

DISTRICT 1--
MACK HARMON
DISTRICT 2--
RICH HALL

DISTRICT 3--
ED HALBERT
DISTRICT 4--
GRANT AKERS

ALL THESE MEN, THEIR KINSFOLK AND FRIENDS ARE TOGETHER IN THIS CAMPAIGN--ONE FOR ALL AND ALL FOR ONE!
