The Homemakers Club met last Thursday evening in the Home Ec. rooms of the school. The major project, "The Use of Machine Attachments," was presented by Mesdames Kathryn Blackburn and Mildred Davis, who had attended the machine clinic at Prestonsburg the preceding week. The landscape lesson was given by Mrs. T. J. Chandler. Plans were made for a Christmas party to be held in the Home Ec. rooms on Dec. 19. Committees appointed were: Program committee—Mesdames Kelsa Elliott and Kathryn Chandler; Decorations—Mrs. Den Burke and Miss Elaine Roberts. All other members are to help with refreshments.

Service boys who are visiting relatives and friends are Pvt. Rowe Fannin, Pvt. Billy Bailey, and Joe Taylor. These boys expect to be sent overseas at the conclusion of their furloughs.

Miss Elaine Roberts, Home Economics instructor, attended a home economics convention in Ashland, last week-end.

Earl Hays, Agriculture teacher, visited his parents at McKee, Ky., the past week-end.

The Bobcats played Dorton high school, there, last Wednesday, and Auxier high school on the home floor Friday night, winning both games.

Dr. W. P. Fryman, district superintendent of Methodist churches, visited here Monday afternoon to observe the progress of the Methodist church under construction.

The Woman's Society of Christian Service will sponsor a bazaar, beginning Dec. 2, at the Liberty Bell Service Station. Articles suitable for Christmas gifts will be on display for sale.

Mr. and Mrs. Walter Roberts and daughter, Mary Jean, and Miss Mary Johnson, of Paintsville, recently visited Rev. and Mrs. Clyde Layne.

The third monthly meeting of the Youth for Christ rally, sponsored by churches of the community, was held in the gymnasium Monday night, with many youths and adults attending. The congregation was favored with an interesting message, delivered by Calvin Beukema, and with several beautiful musical numbers rendered by pupils of the Southland Bible Institute, Wolfpit, Ky.

The fourth meeting will be held December 23, and bus service will be given to Boldman and Allen. Plans are underway to make the organization a growing one in future months.

Bourbon county farmers seeded about 1,500 bushels of certified barley seed this fall, or 800 acres.

McDowell Gets Back In Win Column; Licks Meade Memorial, 49-32

McDowell, Nov. 25 (Special)—The McDowell high basketball team got back in the win column Saturday night by defeating Meade Memorial, 49-32. Last week, McDowell lost two games, to Wayland and Elhorn City. The victory this week left McDowell with a 6-2 record. This week, McDowell plays Auxier at home, Saturday night.

Lineup: McDowell (49) Meade Mem. (32)
Ward, 11 F. Preston 10
Stumbo, 9 F. Ward 5
Turner, 21 C. Daniels 6
Hewitt, 6 G. Butcher 5
S. Martin, 2 G. White 6
Substitutions: McDowell—Howell, D. Martin; Meade Memorial—Murphy, Referee—Turner.

Four hundred and fifteen acres of Ky. 31 fescue grass and certified or approved ladino clover have been seeded this fall by Hickman county farmers.

Roy Craig of Robertson county, cooperating with County Agent J. T. Cochran, has eight varieties of grasses growing on one field.

Peter McIntosh and Shelby Moore of Ousley county cut 1,800 sticks of tobacco from one and two-tenths acres, and predicted one acre will make 2,700 pounds.

Only the Best for Baby!

His Doctor Recommends Wilson's Milk

More and more doctors are recommending Wilson's Milk for baby feeding—and for very good reasons. Wilson's Evaporated Milk is nourishing because it contains all the food value that only the best milk is depended upon to supply. Wilson's is easy to digest because it's homogenized and the large cream globules are broken into tiny particles, ideal for infant digestive systems. Wilson's is safe

because it comes in a can with all its goodness sealed in. Now baby gets his normal daily Vitamin D requirement in his feedings of Wilson's Milk, for every pint contains 400 units of this bone and tooth-building vitamin. Safe, nourishing, easy-to-digest—a dependable, adequate source of Vitamin D... that's why so many doctors recommend Wilson's Evaporated Milk for baby feeding.

Mrs. Willie Clifton, who has been a patient at the Gearheart hospital, is home and able to be about again. Dwale school is installing playground equipment.

The basketball boys went to Drift Friday and were defeated, 22-21. P.-T.A. is sponsoring a bingo party Wednesday night at the school.

L. D., son of Mr. and Mrs. Luther Herald, suffered a broken arm this week when he fell from the hand walk in the school yard.

Mrs. Ada Burchett was the Saturday night guest of Mrs. D. B. May.

Mrs. John Laven, Jr., underwent a major operation this week at the Martin General hospital and is reported to be in a serious condition. Her many friends wish her a speedy recovery.

Mrs. Kermit Howard was called to Russell this week because of the death of her nephew, Jerry Edward Lynch, infant son of Mr. and Mrs. Jack Lynch, Jr.

INFANT DIES

Jerry Edward, infant son of Mr. and Mrs. Jack Lynch, Jr., formerly of this county, died Tuesday afternoon, shortly after birth at the General Hospital, Ironton, O. Private funeral services were held Wednesday afternoon at the Carmen Funeral Home, Russell. Burial was made in Flatwoods Cemetery.

Utilities Elkhorn Sells Upper Virgie Camp

Pikeville, Ky., Nov. 23—John E. Bowman, general manager of the Utilities Elkhorn Coal Company, announced today the sale of the company town known as the old "Upper Camp Site" at Virgie, 20 miles south of here.

The property, including 200 acres and 53 houses, all of them now occupied, was bought by Charles E. Trivette, Virgie oil dealer, for investment purposes.

The price was \$59,000, Bowman said.

The company operates three mines in the Virgie district, making it the third largest producer in the Big Sandy-Elkhorn coal field.

Utilities Elkhorn retained the mineral rights.

GARRETT

A dinner was given in honor of Mrs. Everett Daniels Sunday on her 48th birth anniversary. Those present, besides the family, were Mr. and Mrs. Ernest Ward and B. W. Bentley, of Garrett, Mrs. Jim Daniels and Mrs. Byrd Fitzpatrick, of Lackey, Mrs. Marion Tackett, of Estill, Glenda Faye and Gwendolyn Sue Daniels, Patricia Ann Wells and Everett Daniels, Jr., of Lackey. In the afternoon the Rev. Ernest Ward conducted a religious service.

Mrs. Everett Daniels, Jr., and little daughter, Cecilia Claudine, were visiting in Paintsville last Wednesday.

ATTENDS CONFERENCE

Henry G. Martin, supervisor of Floyd county schools, returned Friday from a School Supervisors Conference held in Knoxville, Tenn. Representatives from Kentucky, Tennessee, Alabama, Mississippi, & Louisiana met with the Tennessee Valley Authority for the conference. Aside from the sessions, the group visited TVA dams and the Oak Ridge, Tenn., schools.

Mr. Martin was one of seven persons selected to represent Kentucky at this meeting. Dr. Mary I. Cole, associate professor of Education, Western Kentucky State Teachers College, and Mrs. Naomi O. Wilhoit, supervisor of Elementary Education, State Department of Education, accompanied the Kentucky group to Knoxville.

PONTIAC

FINEST OF THE FAMOUS "SILVER STREAKS"

The production of Pontiacs has fallen far below expectations because of conditions beyond our control. Now, the outlook is encouraging. The number of cars being built—while still below pre-war levels—is steadily increasing. Which means that more of the people who simply won't have anything but a Pontiac will be satisfied sooner.

If, in the meantime, you are ever tempted to take delivery of a more quickly available car, consider this: The things that made you want a Pontiac in the first place are still EXCLUSIVE TO PONTIAC! Nowhere else at any price can you get the same time-won reputation for dependability, long life and over-all economy. No other car offers the ever-fashionable "Silver Streak" beauty that lifts Pontiac

out of and above the rest. None handles so sweetly—rides so comfortably. And none can parallel Pontiac's basic value—for no other car offers so much of everything you want for every dollar you invest.

You've been patient and loyal to Pontiac for some time now. So why not wait a little longer and get a great deal more? You'll be glad you waited.

Preventive Service Pays Off Every Time!

Just because you HOPE to get a new car soon, don't let your present car get into a dangerous state of disrepair. Having your car properly serviced pays off—not only in assuring you the safe, economical, dependable transportation you need, but also in protecting the used car allowance you will ultimately receive.

Martin Hi Announces Plans For Homecoming

Martin, Ky., Nov. 26 (Special)—Martin high school's colors will fly high Dec. 3. The date has been designated as its official homecoming for the 1946-47 basketball season, with the Wheelwright team here as guests.

The occasion will be highlighted by a parade led by the Martin Purple Flash, the cheerleaders, the Martin senior band, and the Martin high school pep club. The parade will leave the high school at 3:55 and will be followed by a pep rally which will be held at the Pure Oil Station at 4 o'clock, with a concert given by the band.

The finale of the festive occasion will be the coronation of Miss Purple Flash of 1946-47. Miss Purple Flash will be elected by members of the "M" club and her coronation will be made at the close of the first half of the Martin-Wheelwright game.

SAVE YOUR WAR BONDS FOR A RAINY DAY

NOTICE TO OUR CUSTOMERS

To prolong the ability of certain electric suppliers to render service, The Civilian Production Administration has, due to the threatened coal shortage, issued Utilities Order U-14. Pertinent parts which affect our customers are as follows:

INITIAL CURTAILMENT. After 6:00 o'clock p.m. on Monday, November 25, 1946, no consumer shall use electricity for any of the purposes listed in Schedule I.

Each electric supplier shall, as soon as practicable, notify its consumers by publication or otherwise of the uses of electricity prohibited or curtailed by this order.

SCHEDULE I

No consumer shall use electricity for any of the following purposes:

1. Refrigeration for air-conditioning except to the extent essential for industrial processes or for health and safety.
2. Outdoor and indoor advertising and promotional lighting.
3. Outdoor display and flood lighting except to the extent necessary for the conduct of outdoor business or services.
4. Outdoor or indoor decorative and ornamental lighting.
5. Show window or show case lighting.
6. Marquee lighting in excess of 60 watts for each marquee.
7. White way street lighting in excess of the amount determined by local public authority to be necessary for public safety.
8. Outdoor or indoor sign lighting except for:
 - (i) Directional or identification signs required for fire and police protection, traffic control, transportation terminals, or hospitals, or directional or identification lighting for any similar essential public services.
 - (ii) Directional or identification signs using not more than 60 watts per establishment, for doctors and for hotels and other public lodging establishments.
9. Outdoor entrance lighting, except the minimum essential for public health and safety and then not more than 60 watts per entrance.
10. Any other form of general outdoor or indoor illumination in or about any commercial, industrial or other non-residential establishment in excess of 75 percent of the illumination normally used.
11. In excess of 75 percent of the normal passenger elevator or escalator service in any building having more than one passenger elevator or escalator.

VIOLATIONS

When the Civilian Production Administration determines that any person is using electricity in violation of this order, it may direct the electric supplier serving such person to disconnect service and prescribe the conditions under which service may be reconnected. In addition, any person who wilfully violates any provision of this order or who in connection with this order wilfully conceals a material fact or furnishes false information to any department or agency of the United States is guilty of a crime and upon conviction may be punished by fine or imprisonment.

Issued this 25th day of November, 1946.

B.F. Goodrich TIRES • BATTERIES

Production Is High! Demand Is Higher For The Tire That OUTWEARS PREWAR TIRES

The new B. F. Goodrich Silvertown has made such a hit with car owners that they're telling all their friends! That's why we have been so busy taking orders from eager motorists who insist on getting the tire that OUTWEARS PREWAR TIRES.

They are convinced that the wider, flatter tread—which puts more rubber on the road—wears more evenly and lasts longer than the treads of wartime or prewar tires.

The tire body was redesigned and engineered to take this more rugged tread by using sturdier cords and more of them. It's 35% stronger, and is better able to resist road shocks and bruises.

Big cars, small cars, and new cars in all types of service—all will get better mileage with this new tire. If your needs are immediate, see us... we'll do our best to keep you rolling.

Abbott Creek Democrats On Rural Road Work

(Continued from Page One)

in the buying of things for folks who truly need things.

In this way we can atone for our selfishness and forsake, in some degree, the noise of the marketplace for the serenity of the Manger.

Mayhap, in so doing, we will stop to recall that the Gift of the Magi was humbly borne to One who was poor.

In suggesting such an organization, I ask only one favor—that I be named Tubing-Man.

And I want no rabbit's-foot as my magic of office. Give me, rather, a well-seasoned club. And the strength to collect or cripple!

BIRTH ANNOUNCED

Announcement is made of the birth on Nov. 21 at Good Samaritan hospital, Lexington, of a son, Richard Evans, to Mr. and Mrs. Z. S. Dickerson, Jr., of 323 Hilltop avenue, Cooperstown, Lexington.

We do not wish to impose upon the good nature of our county officials—or should we say—"Politicians." But the time has come when we the people must and will fight for our interests, regardless of party affiliation.

Little has been said or done concerning rural road building and maintenance, especially in this lower end of Floyd county. I have reference in particular to Abbott creek roads.

Sure, the patrol grader has been over these roads twice or perhaps three times this year. No ditch lines pulled, no culverts opened, no brush cut off road sides. And what became of the promises to build the missing link in the Abbott-State Road fork road, about one mile left unbuild by W. P. A? At this time it is impossible to get a wagon over this mile of road and it on a U. S. mail route. If this mile of road were built, it would cut approximately six miles from the distance between Prestonsburg and Salyersville, Ky. Building this mile of road would give us bus service in this section, increase the valuation of our property and insure proper maintenance of our roads.

I am asking you "Politicians"—Who is responsible for this condition?

Perhaps Old Abbott has gone Democratic too long. If we should swing it for the Republicans a time or two maybe we could get things done. Maybe we will. How does this sound, Mr. Public Official?

We are under the impression that at a recent meeting of the Fiscal Court, Judge Davidson insisted that work on the Abbott road get underway, but Mr. C. C. Burchett, our member of the Fiscal Court, insisted that we wait till we can't do anything anywhere else.

You had better keep your eye on the ball, Mr. Burchett, or you will never be County Judge.

J. P. Hill and 25 Democrats.

(Adv.)

Martin Farm Grows Bumper Alfalfa Crop

Martin county farmers, on their annual summer tour, saw outstanding alfalfa on the farm of Charles Cassell, who is one of Eastern Kentucky's most enthusiastic alfalfa growers. He gets large hay yields and much pasture from alfalfa, he told the farmers. On the farm of Ebb Mills the farmers saw Ky. 31 fescue, a new improved grass. They also saw how Mr. Mills stimulated hybrid corn by applying ammonium nitrate as a side-dressing. Another sight on the Mills farm, according to County Agent Russell Reynolds, was a well-kept orchard with some trees bearing 20 bushels of apples. A test made by D. B. Graham, Jr., of Hickman county, indicated that an application of a small amount of borax will keep alfalfa from turning yellow. He applied 20 pounds of borax to the acre on a five-acre field of alfalfa. Strips not covered with borax turned yellow after the second cutting and lost almost 75 percent of the leaves. When borax was evenly spread, the alfalfa stayed green, retained its leaves and grew four inches taller than where no borax was applied.

It took me Years to wake up—but NOW—

Jim and I Step out!

I was old-fashioned... Cooked with flaming fuel... the air was bad... soot made everything dirty, including walls.

Come night I was sunk... Completely worn out with K.F.—Kitchen Fatigue to you—and so to bed.

Till one fine day... My pal Sal showed me her new Electric Kitchen where she cooks with flameless electricity.

I discovered... that cooking can be fun with clean, cool automatic Electric Cookery.

MILLIONS of lucky women who own Electric Ranges can tell you how true it is that Electric cookery frees them from kitchen fatigue and drudgery. No more standing over stoves that roast the cook. Electric Ranges are insulated to keep all the clean, flameless heat where it belongs and to prevent heating the room and "burning up" the cook.

Automatically, an Electric Range will cook a complete oven meal while the cook spends her time as she will in other activities. She is freed, too, from cleaning pots and pans and soiled furnishings. There is no soot with Electricity.

Plan to join these wise American homemakers and to cook the Electric way.
