After The Times last week had reported fire damage to a house owned by Mayor E. P. Arnold as \$500, somebody remarked, "Must have lost a light fixture."

THE NEWS IS
GETTING AROUND

This Dollar Day idea put into effect by Prestonsburg merchants is more than a dollars-and-cents thing. The savings to buyers and the trade gains of business places all aside, it means much more to the community.

We all, at some time or other, have expressed the wish that Floyd county and Prestonsburg receive some sort of favorable publicity instead of the crime news of the county.

Well, Dollar Day filled that wish. First, the nation's daily newspapers served by the Associated Press got the story. And now The Circle Arrow Retailer, a trade publication, and Future, Junior Chamber of Commerce magazine, plan articles—with pictures.

Dollar Day wasn't a get-rich-quick idea. It was better than that.

UNCORRUPTED BY US

Jesse Stewart, Kentucky's poet-novelist, explains in a footnote to his poem, "Kentucky Is My Land," that the word, "percoon," used for bloodroot, is a corruption from the Indian "puccoon." They may call it "percoon" down in Stewart's Green-up, but here in Floyd we stick to the Indian, bearing down hard on both syllables—"puck-coon."

ANSWER 'YES' OR 'NO'
TO THAT!

Exasperated by a witness who was overdoing the strong, silent man stuff with short "yeps" and "no's" in answer to his questions, the lawyer decided to bring him up short. "Did you ever," the barrister inquired, "steal all the chickens you wanted? Answer me—yes or no!"

NOBODY ASKED ME

May be jumping the gun, as it were, in writing on this topic, inasmuch as it has been reported that the club may ask some visiting members to discuss the subject, "What's going on with Prestonsburg?" I'm not going into detail on that matter, anyway; I'll just touch on a few spots, so to speak. I don't want somebody to suggest that if I don't like the place, there are other places, one in particular, where I could go.

An old county boy who still thinks the best water ever drunk comes from an old, old dug well, lined with rocks, on Salt Lick, and whose idea of perfume still is advanced no farther than the incense of new-mown hay. I think I know what a few of the pet gripes of the out-in-the-county man or woman are.

A few, for instance:

Prestonsburg is where we go to pay taxes . . . where we go to appear in court, as a witness, a defendant and such . . . where we have to go on unpleasant missions. It's where we have to go if we want a bit of help through political influence, and every time we fall we feel that we are not given proper consideration. The fact is, the same complaints could be, and probably are, lodged against every other county seat town. Only, some county seats are a little farther along toward providing some of the things that make folks want to go there.

Suppose Prestonsburg had a swimming pool and a public library, a park lighted for night baseball and a livestock market, a frozen-food storage plant and a modern gymnasium combining other recreation features.

These are things that would cause folks to want to come here; things that would attract visitors to any town.

So their absence are among the things that are wrong with Prestonsburg.

Residents of other sections of the county who come to Prestonsburg to reside are impressed by the friendliness of the people. But this friendliness, which is a real and vital

HEALTH DEPT.
PLANS COURSE

For Foodhandlers;
Classes To Be Held
Here and at W'Wright

The Floyd County Health Department will sponsor a food handling school at the Brown hotel here, Feb. 3-6, and at Wheelwright, according to an announcement by Dr. Marvin Ransdell, director of the department. Arthur Eversole, state teacher-coordinator of schools for food handlers, for the state health and vocational educational departments, will be in Prestonsburg and Wheelwright to conduct the classes.

The school is free and all interested persons are invited to attend. It is offered for the benefit of employers and employees in restaurants, cafes, hotels, and drug stores. Part-time and temporarily unemployed food handlers also are invited to attend. A certificate signed by the State Commissioner of Health and the local health officer will be issued to all who compete in the course.

Motion pictures, slide pictures and demonstrations will be included in the course. A question and answer period will follow each session.

Classes will be conducted in the Brown hotel private dining room from 2 to 4 p.m., and 8 to 10 p.m., and at Wheelwright from 9 to 11 a.m.

Sickness caused by contaminated and poisoned foods has increased at an alarming rate during the past few years, Dr. Ransdell said.

That is why all types of food handlers, employes and employers in restaurants, cafes, hotels and drug stores are urged to practise every measure of sanitation they know in connection with food handling, he added.

1,000 MEMBERS
GOAL OF CLUB

Membership Drive
Begins Next Week;
Budget Is Outlined

The Floyd County Fish & Game Club, regarded by many sportsmen as the most active organization of its kind in Kentucky, next week will launch a membership drive, with a goal of 1,000 members for 1948. It was announced Tuesday by Ray Stephens, secretary of the club.

Last year, the total membership was 593, and for the varied activities planned for this year twice as many members are sought. The membership fee remains unchanged at \$1, although 40 cents of every membership fee goes for payment of the member's subscription to the state sportsmen's publication, Happy Hunting Ground.

The 1948 budget prepared by the club envisions the expenditure of \$3,000 this year for restocking and conserving of game and fish in the county, Mr. Stephens said. Sportsmen who endorse objectives of the club to the extent of assisting beyond the \$1 membership fee are invited to do so, he added.

Some of the work planned by the club this year is the building of colony brooders and the rearing of at least 1,200 quail to be released in fields of the county; completion of the club's fish-rearing pond, the rearing of from 5,000 to 6,000 fish and the purchase of 3,000 more for restocking purposes; continuance of the Junior Sportsmen program in which the Floyd club is a state leader, and the payment of \$1.50 bounty on gray foxes killed in the county.

The club announced this week that fishing and hunting licenses may be procured by sportsmen at any of the following places:

Firestone Store (E. R. Burke), Prestonsburg; Sandy Valley Hardware (W. A. Malone), Allen; Stewart's General Merchandise (Roger Stewart), Langley; Wayland Meat Market (Ray Long), Wayland; Ira Frazier, Weeksburg; Steve Clark, Wheelwright; H. F. Meade, Hi Hat; S. T. Meade, McDowell; Roy Turner, Drift; Henry Stumbo, McDowell; G. E. Allen, Martin; Claude Allen, David; W. C. Stumbo, Harold; George Wells, Uxier.

Mrs. Littleton, Wife
Of C. & O. Agent, Dies
After Illness of 12 Hours

Mrs. Bertha Coleman Littleton, 43 years old, wife of Floyd R. Littleton, C. & O. agent at the Martin depot, succumbed at the Beaver Valley hospital, Martin, Monday, 12 hours after suffering a stomach hemorrhage.

Mrs. Littleton was a native of Pike county, where she was a teacher for 17 years. She was a daughter of the late Mr. and Mrs. D. R. Coleman, of Regina, Ky., and had resided at Martin since last December.

Surviving, besides her husband, are one step-son, J. G. Littleton, Batesville, Miss., two step-daughters, Mrs. R. C. Layne, Pikeville, and Mrs. Glenn Cowger, Oakland, Calif., four brothers and two sisters.

The funeral was conducted today (Thursday) at the mouth of Marrowbone Creek, with burial in the family cemetery, the Call Funeral Home directing.

INEZ, HAZARD
OUT OF MEET

Conference Title;
Paintsville, Pikeville
To Start Monday

Although two of the stronger teams in the loop, the Inez Indians and the Hazard Bulldogs, have fallen out of the competition, the Big Conference basketball tournament starting Monday is expected to produce the usual share of ball thrills.

The conference has been divided into two sections for tournament play up to the finals, with the northern section playing at Paintsville and the south at Pikeville. Prestonsburg, Wheelwright, Paintsville, Flat Gap, Van Lear, Meade, Oil Springs and Oil Springs form the northern group, while Pikeville, Elkhorn City, Pikeville, Jenkins, Virgie, Belfry, Layne and Whitesburg represent the other end of the Conference.

Winners of the sectional meets at Pikeville and Paintsville will meet in the finals for the championship at Pikeville. Pikeville is an odds-on favorite to represent the south in the championship game, but picking the finalist in the northern group is a more difficult matter. Paintsville is highly regarded, but the winner of the Prestonsburg-Wheelwright setto will be a strong contender. It is believed by many.

Monday's games at Paintsville pit Martin vs. Flat Gap, Van Lear against Paintsville. Prestonsburg with Wheelwright and Oil Springs against Meade Memorial. The finals will be played Wednesday night.

The 10-game schedule, with five home games, includes, among the more formidable opposition, two games with Harlan and one game each with Prestonsburg, Paintsville and Hazard. The October 30 date is open but will be filled with a game away from home.

"We are aware," said J. C. Wells, of the Wayland Lions Club, civic sponsor of the team, "that this is a strong schedule even for an old, experienced team. The Wasps, however, feel they will be able to give most of their opposition a run for their money after having spring training and coaching during the season." He added that the squad will be larger and the material better than that of last season.

The schedule:

Sept. 3, Fleming, away; Sept. 10, Paintsville, away; Sept. 18, Harlan, home; Sept. 25, Jenkins, home; Oct. 2, Belfry, away; Oct. 9, West Liberty, home; Oct. 16, Harlan, away; Oct. 23, Hazard, home; Nov. 6, Prestonsburg, home.

The Lions Club is purchasing additional equipment for the team. Saturday night, Feb. 14, the club will sponsor a football banquet at which sweaters will be awarded to the 27 members of the 1947 squad. The occasion, for which a prominent speaker is being sought, will also honor Coach John Campbell, and approximately 150 persons are expected to attend.

Former Magistrate
Seriously Injured

Former Magistrate Jim Hill is in a serious condition at the Prestonsburg General hospital with a skull fracture and possible internal injuries, the result of a fall Tuesday morning over an embankment near the home of his son, Scott Hill, on the Abbott road.

Mr. Hill was found lying at the roadside, at the foot of a 20-foot bank, and his head had apparently struck the frozen ground with terrific force. He was unconscious when taken to the hospital, where x-rays revealed the fracture, but Wednesday he regained consciousness.

The former county official, a livestock grower and dealer, was rounding up cattle on his farm when the accident occurred, it was said.

Dime from Each Floyd Countian
Viewed as March of Dimes Need

Sixty thousand dimes, approximately one for every person in Floyd county, are needed to meet the county's \$6,000 quota in the March of Dimes fund-raising campaign now under way for the fight on infantile paralysis. Noble Hobbs, drive chairman, said this week in asking support of every citizen in the movement.

In a letter this week Mr. Hobbs and Mrs. Ruby B. Logan, secretary, called upon the various organizations in the county, especially leaders of local unions of United Mine Workers, to put forth a special effort to make the drive a success.

"Please organize your community by cooperating with the schools in support of this program," the letter asked.

The Woman's Clubs of the county are joining in the drive, with the schools and those other groups whose help Mr. Hobbs is soliciting. In Prestonsburg the Independent Order of Odd Fellows is sponsoring a dance at the gymnasium here Saturday night of this week, as a March of Dimes benefit, and a dance at Community Hall, Wheelwright, will be held the night of Jan. 31 for the same cause.

Persons who are not solicited during the month and who wish to give to the fight on polio should mail their contributions to Noble Hobbs, Box 1142, Wayland, Ky.

Sudden Heart Seizure
Claims J. D. Martin
At Orkney Thursday

J. D. (John Dotty) Martin, driller and well-known Floyd county man, died suddenly this morning (Thursday) at 6:20 at the home at Orkney of his sister, Mrs. Cephus Moore, victim of a heart attack.

Mr. Martin had eaten breakfast with members of the Moore family and had swept snow from the porch of the home shortly before he was stricken. He had not been regarded as ill but had not worked this winter.

He was a son of the late Stumbo and Millie Martin and was a native of the Left Beaver section of the county. His wife, Mrs. Jane Stumbo Martin, preceded him in death. Surviving are his three sons and one daughter, Claude, of Chicago, Earl Dinsmore, Dayton, O., Bill, of Morehead State Teachers College, and Miss Bonnie Martin, of the University of Virginia; two brothers, Kendall Martin, of Langley, and Pearl Martin, of McDowell, and three sisters, Mrs. Moore, of Orkney, Mrs. Dick Halbert, of Langley, and Mrs. Chick Moore, of Drift.

The body was at the Arnold Funeral Home today. Funeral arrangements await arrival of his children.

Mrs. Mindy Hall, 79,
Succumbs at Galveston

Mrs. Mindy Hall, 79 years old, wife of Robert Hall, died, Thursday of last week, at her home near Galveston, victim of an illness reported as cancer.

A lifelong resident of the community in which she died, she was a daughter of Henderson Hall. She had been a member of the Christian Church for many years.

Surviving, besides her husband, are eight sons and daughters, Andy, Cass and Bert Hall, Mrs. Lizzie Rogers and Mrs. Pearl Akers, all of Galveston, Mrs. Zona Hamilton, of Grethel, Mrs. Ida Johnson and Mrs. Mary Rogers, both of Osborn. She also leaves one brother, Lee Hall, of Galveston, and a sister, Mrs. Elizabeth Compton, Urbana, Ohio.

Funeral rites were conducted from the home Friday, the Revs. Albert Irick and Charles Perry officiating. Burial was made in the family cemetery.

Orville S. Robinette
Succumbs at Dayton,
Heart Attack Victim

Orville S. Robinette, 39 years old, native Floyd countian, died at his home in Dayton, O., Saturday morning, 30 minutes after suffering a coronary embolism.

A son of George P. Robinette, of Harold, he was well-known in this county where he had many relatives and friends. Mr. Robinette formerly resided at Martin, where he was a C. & O. telegraph operator. During World War II he saw navy service, and later he was employed in Dayton by a manufacturing firm.

He is survived by his widow, Mrs. Mary Lou Osborne Robinette, one daughter, Dolores, his father, one brother, Carl, of Harold, and two sisters, Mrs. Jack Allen, of Harold, and Mrs. Porter Layne, of Martin.

The body was returned to the home of his sister, Mrs. Jack Allen, where funeral rites were conducted Tuesday under auspices of the American Legion and Veterans of Foreign Wars, with the Rev. E. H. Howard officiating. Burial in the Allen cemetery at Harold was under direction of the Ryan Funeral Home.

FIREWORKS
BAN VOTED

Ordinance Voted Here
To Curb 'Celebration';
Traffic Is Regulated

The Prestonsburg City Council jumped ahead of the state Legislature Monday night in the movement to curb sale and use of fireworks.

The ordinance prohibits both the sale and use of fireworks inside the limits of Prestonsburg, and for each offense in violation of the ordinance a \$50 fine is the penalty.

The Council's action, as well as proposed legislation at Frankfort, is primarily designed to halt the "celebration" of Christmas through use of fireworks, and follows widespread resentment of explosives' use during the 1947 Christmas season when a dozen or more persons were injured in the county and the nights made unholy by blasts.

In renewing licenses of the town's 20-odd taxicabs, the Council restricted their speed and operation in a safety move. The 15-mile speed limit set by a preceding Council was unchanged, and police here have been asked to watch for violators. Before cab licenses were issued, each owner was required to produce liability insurance.

After the meeting, Police Chief Bill Blackburn was told by members of the Council that upon his recommendation the Council will revoke any taxicab license. Cabs in which intoxicants are found or whose operators are reckless or unqualified, may be disqualified from operation, it was said.

First avenue from the Court street corner at the First National Bank and the Bank Josephine to the Brown hotel and Goble street were made one-way streets by action of the Council in an effort to solve the traffic problem, with traffic moving right from Court street onto First avenue and traveling through Goble street onto Second avenue. Parking on the Mayo Trail was restricted to the west (or river) side.

Starlin Sweeney, street cleaner, was not re-employed and a successor may not be named immediately, since the Council expects to buy a street sweeper, it was said.

SPONSOR BILL
TO SLASH FEE

Hale, Stumbo Would
Cut Collector's Pay
From 4 to 1 Per Cent

A bill to restore the 1 per cent maximum on fees for collecting taxes for independent school districts was introduced in the House early last week by Floyd county Representatives, Henry C. Hale, of Blue River, and John Milton Stumbo, McDowell.

A 1946 act raised the fee to 4 per cent for sheriffs, both during their regular terms and during the six months they serve as back-tax collectors after leaving office. It also enabled independent districts employing their own collectors to pay up to 4 per cent.

Present sheriffs have not benefited by the 1946 act, since it became effective while they were in office. The state constitution prohibits increasing compensation of such officials during their terms.

Representative Charles J. Bronston, Lexington, Democrat, introduced a bill to raise from \$20,000 to \$25,000 the amount allowed sheriffs in the more populous counties for paying their deputies and clerical assistants.

The statute which Bronston seeks to amend applies to counties having a city of the second population class, containing a separate judicial district, and having less than 75,000 population and an assessed value of more than \$100,000,000.

Three-Months-Old Babe
Found Dead at Water Gap

Jean Ella Wallen, three-months-old daughter of Mr. and Mrs. W. J. Wallen, of Water Gap, was found dead Tuesday morning. The babe is believed to have strangled. It was said at the Arnold Funeral Home, Burial was made in the family cemetery on Bull Creek.

Mr. and Mrs. Charles Schindler were in Cincinnati several days this week on business.

Inland Steel Foreman
Heart Attack Victim;
Funeral Held Sunday

Funeral rites for James Franklin Murray, 47 years old, Inland Steel Company mine foreman, who died last Wednesday morning, shortly after he was stricken by coronary thrombosis on the streets of Wheelwright, were conducted Sunday morning from the residence at Wheelwright.

Mr. Murray had been ill for three days, but his condition had not been recognized as serious, it was said. A native of Roan county, Tenn., and a son of Mr. and Mrs. John Murray, he had resided at Wheelwright for the past year. He was a Mason and had many friends in Wheelwright.

Surviving are his widow, Mrs. Mattie Ledford Murray, two sons and two daughters, Mrs. Margaret Hamilton, Hampton, Va., James F. Murray, Jr., Detroit, Miss Joyce Murray and Jack E. Murray, both of Wheelwright. Two brothers and two sisters also survive: Roscoe Murray and Mrs. Evelyn Roberts, Harveysville, Ky., Mrs. Ruth Cole and Ralph Murray, both of Covington, Ky.

The Rev. Joe Rickman officiated at the funeral, and burial in the Allais cemetery, Perry county, was directed by the Baker & Preston Funeral Home.

FLOYD MINES
CLAIM TWO

Jones Dies at Bosco
In Slatefall; Wicker
Is Victim at Wayland

Two men met death in Floyd county coal mines this week.

Bill Jones, 54 years old, of Hueysville, died within 15 minutes after being crushed, Monday noon, by a slatefall in the Diamond Elkhorn Coal Company mine near Hueysville.

At Wayland Wednesday afternoon, Joe Wicker, 31, of Garrett, survived only a few minutes after being crushed internally when caught between the mine roof and the motor he was operating.

Jones, a native of Magoffin county, was a son of Floyd and Sarah Jones. He is survived by his widow, Mrs. Easter Jones, two sons, Clark and Manis, and one daughter, Mrs. Ollie Joseph, all of Hueysville, also three brothers and a sister, John Jones, of Michigan, Orb Jones, Hueysville, Emery Jones, Raceland, and Mrs. George Bradley, Waterloo, Ohio. His funeral was conducted today (Thursday) from the Bosco school, the Revs. M. C. Wright and Banner Manns officiating. Burial there was made in the Conley cemetery.

The Wayland mine victim was a son of the late Alex Wicker and of Mrs. Rhoda Wicker, who survives, and was a native of Knott county. Besides his mother, he leaves his widow, Mrs. Viola Wicker, four children, Nancy Irene, Mart, Rhoda Ellen and Delbert, five brothers and two sisters, Lee, Evan and Jesse Wicker, all of Lima, O., Sol Wicker, Mrs. Frank Triplett and Mrs. Betty Ann Smith, all of Mousie, Bee Wicker, of New Jersey, and William Wicker, of Garrett.

Funeral rites will be conducted from the Wicker residence on Rock Fork Saturday, the Revs. Alex Coburn, M. M. Chaffin, M. C. Wright, Banner Manns and George Bolen officiating. Burial will be made in the Chaffin cemetery.

Both funerals were under direction of the Ryan Funeral Home.

Flu Complications
Claim Mrs. Little

Influenza complications resulted in the death Friday of Mrs. Siller Johnson Little, 77 years old, wife of Ben Little, at the home of her daughter, Mrs. Lee Thornsburg, of Topmost.

Mrs. Little was a native of this county. She is survived by her husband, two sons and two daughters, Mrs. Thornsburg and Mrs. Berlin Johnson, of Topmost, Leonard Little, of Buckingham, and Jay Little, Wheelwright. She also leaves four brothers, Talbot and Jay Johnson, of Bevinville, Steve and Bill Johnson, of Wheelwright.

Funeral was from the Thornsburg home, the Rev. Ellis Hopkins officiating, and burial was made in the Hall cemetery there, the Ryan Funeral Home directing.

THREE MURDER
TRIALS RESULT
IN PEN TERMS

Three-Day Hearing
Of Conn Case Draws
Widespread Interest

As the Floyd circuit court turned to its major criminal docket, three Floyd county men have been convicted within the week in murder trials, a fourth was convicted of voluntary manslaughter and two others drew pen terms for breaking and entering.

The trial which attracted widest interest was that of Deputy Sheriff Harold Conn, who was given a two-year term Tuesday in the slaying at Boldman of Arthur Hall.

First of those convicted and given the stiffest sentence, however, was Charlie Bates, who received a 21-year term Friday in the revolver slaying on Left Beaver Creek of Theodore Scott.

The third man convicted after a murder trial was Robert Lee (Buster) Brown, who was given a two-year term for the slaying of Fred Stilton at the former Turner's Camp, a few miles from here.

All three men were reported as planning appeals after their motions for new trials had been overruled by Circuit Judge E. P. Hill.

The Conn trial began last Friday, and arguments in the case were not heard until Monday night. The jury received its instructions Tuesday morning and deliberated approximately five hours.

Commonwealth and defense testimony was almost diametrical on points—the defendant and witnesses testifying in his behalf contending that he entered the place of business of B. H. Toler in performance of his duty and that he fired on Hall only after Hall had leveled a revolver at him and was threatening his life; the Commonwealth, to the effect that Hall was unarmed and was shot by the deputy without provocation.

The defense presented as evidence a 32-caliber revolver Deputy Sheriff Conn said he took from Hall's body after the shooting. Witnesses for the state claimed Hall was unarmed and had gone into the store to get some cigarettes before accompanying them on their way home.

The Commonwealth introduced as an exhibit Hall's coat, claiming that the clothing was powder-burned and thus assailing Conn's claim that Hall was shot at a distance of a few feet.

In passing sentence on Conn, Circuit Judge Hill expressed his regret of the duty of sentencing him, in view of his reputation as one of the section's best peace officers. "One criticism I would add, however," the jurist commented, "if officers had enforced the closing hour law for the place where this shooting took place, this trouble would never have happened."

The Commonwealth contended that Bates, after drinking with

Dwale Man Claims
West Virginia Man
Threatened His Life

Fred Goble, 34 years old, formerly of Dwale, is in jail at Beckley, W. Va., facing a murder charge in the revolver slaying at Edgewise, W. Va., shortly before Christmas, of Jce Williams, miner.

Goble's father, W. T. Goble, of Dwale, said here Saturday that his son told him he fired on Williams in self-defense and after repeatedly warning him to stop advancing on him. His first shot struck Williams in the leg and when the other continued to walk toward him a second shot struck Williams in his body.

The shooting followed an argument between the two over mining. Williams claimed he contributed as a member of the mine union. Goble was financial secretary of the union at Edgewise at the time of the slaying.

The Floyd countian had not applied for bond last week, since the Raleigh county grand jury convenes soon. He has resided at Edgewise for the last 11 years, with the exception of a term overseas in army service during World War II.

Cats Drop Two But Look Good in Losing To Carr Cr., Pikeville

The Black Cats looked good, even in defeat, Tuesday night they they lost to Carr Creek, there, 43-35. Prestonsburg led at the half but suffered the loss in the third quarter of Mayo whose wrist was injured. Branham led both teams in scoring with 19 points.

Prestonsburg's Black Cats and the Maroons of Wheelwright high school, who will meet Monday night in one of the opening Northern division games of the Big Sandy Conference tournament, staged a tournament pre-view here Friday night.

The Cats, who edged Wheelwright in the Pre-Tournament meet at Wayland last month by a lone point, trounced the visitors, 44 to 34, but not until the last five minutes of the game did they take a lead that looked like it might stand up.

For three quarters and a part of the fourth, the two teams put on a slam-bang show, with the lead frequently changing hands and never more than five points separating them. Branham led the winners' attack with 24 points, with his teammates, Mayo, Porter and Boyd playing a strong floor game. Boyd apparently is finding himself as a basketball player and is adding to the attack of the team, especially on rebound work. R. Curry with 12 points and B. Hall with 8 were outstanding for Wheelwright, a fast, smooth-passing five.

Night before, the Cats, away from home, lost by two points to Pikeville, a team which has dropped only two games this year and both to Inez. At that, the Panthers had to come from behind in closing minutes of the contest to take the 40-38 decision.

Pikeville's ability to cash in on free tosses and Prestonsburg's weakness in that department cost the Cats the game. Prestonsburg missed 13 of 25 charity tosses, while the Panthers made good on 12 out of 17.

This week is expected to be a tough one on the Cats as they play Carr Creek's Wonders there Tuesday night and Garrett there Friday night. The next home game is 'way away—Feb. 6, when those beloved rivals, the Paintsville Tigers, come prowling.

Their Engagement Announced

Announcement is being made of the engagement of Miss Bette Rose Johns to the Rev. Homer Swindall. Miss Johns is the daughter of Mr. and Mrs. W. S. Johns, of Martin, Ky. She is a graduate of Betsy Layne high school, later attended Pikeville College and has been employed for

the past three years by Utilities Elk-horn Coal Company.

The Reverend Swindall is the son of Mr. and Mrs. M. J. Swindall, of Freeling, Va. He is a graduate of the Cincinnati Bible Seminary and at present is pastor of the First Christian Church, Richlands, Va. The wedding is planned for June.

Former Floyd Man Is Heart Victim

Andrew J. Music, 54 years old, of Pikeville, miner and former Floyd county resident, was dead on arrival at the Methodist hospital, Pikeville, Friday, 30 minutes after being stricken with a heart attack.

Mr. Music, a native of Johnson county and a son of Charlie and Anne Perry Music, was employed by the Chloe Elkhorn Coal Company. He had resided in the vicinity of Pikeville for the last six years.

Surviving are his widow, Mrs. Sally Mullet Music, one son, Gene, his mother, of Johns Creek, two brothers, Enoch and Arlie Music, both of Johns Creek, and a sister, Ethel, of Ohio.

The body was taken to the home of his father-in-law, Jim Mullett, at East Point, where funeral rites were conducted Monday, the Revs. Walter Pack and Charlie Lemaster officiating. Burial in the Mullett cemetery was directed by the Baker & Preston Funeral Home.

William James May has returned to Georgetown College after a visit with his parents, Mr. and Mrs. W. J. May, and his grandmother, Mrs. Belle Richmond. He was accompanied to Lexington by Mr. and Mrs. J. O. Webb, Sr.

Scott at Wheelwright Junction, shot him without provocation. Defense testimony claimed that Scott threw two rocks at Bates, then started toward him with a knife, with Bates ordering him to stop before opening fire.

In the trial of Brown for the slaying of Stilton, the defendant testified that he fled Turner's Camp after a free-for-all developed and was not present when the shooting took place. Four eyewitnesses joined in testifying that they did not see the two shots fired into Stilton's body, but that they looked around immediately and saw a revolver in Brown's hand. The defense did not attempt to show any provocation, relying on the claim that Brown was not present and that others "framed" him.

The murder charge against Kenneth Roberts, of Lackey, in the Stilton case was dismissed following Brown's conviction. Cola Salisbury, driver of the truck in which three persons were killed on Left Beaver Creek last year, was given his second two-year term Wednesday upon conclusion of his manslaughter trial in the death of T. P. Henson, one of the victims. He had previously received the same term in the death of Mrs. Henson, and has appealed that verdict.

Salisbury contended that the tragedy was due to faulty brakes and circumstances beyond his control. J. S. Reynolds, driver of the auto in which the Hensons, his wife's parents, were passengers, testified that Salisbury was driving fast, attempted to pass another vehicle when within 100 feet of the Reynolds car, cut out to pass on one occasion, cut back, then drove into the left lane again, the truck's right fender striking Reynolds' car.

Sentenced this week to one-year terms for breaking and entering were Frank Mullins and Arnold Stone.

'Bear' Bryant Invited To Speak at Banquet

Paul (Bear) Bryant, coach of the University of Kentucky Wildcat football team, has been invited to speak at the banquet to be sponsored here by the Kiwanis Club, honoring members of the Prestonsburg high school football and basketball teams, it was announced this week.

Date of the banquet has not been set. A limited number of tickets will be placed on sale.

Also sponsor of the Boy Scout movement here, the club plans, it was said, to ask local churches to assist by sponsoring patrols.

Miss Calhoun Dies Saturday at 17

Miss Beulah Calhoun, 17-year-old daughter of Mr. and Mrs. Dode Calhoun, of David, died Saturday at the Prestonsburg General hospital.

She is survived by her parents, six brothers and sisters. The body was taken to the home of a brother, Wallace, at Water Gap, where the funeral was conducted Monday, the Revs. B. W. Craft and Alex Stephens officiating. Burial in the family cemetery was under direction of the Arnold Funeral Home.

Floyd Resident's Kin Is Pneumonia Victim

Fourteen-year-old Charles Hampton, son of Mr. and Mrs. Clarence Hampton, of Hartley, Pike county, died Jan. 14 at the Methodist hospital, Pikeville, after a seven-day illness of pneumonia. Surviving, besides the parents, are the following brothers and sisters: Herbert Hampton, Mrs. Gertrude Johnson and Miss Audrey Hampton, all of Weeksburg, Clarence and Donald Ray Hampton, Miss Nora Faye Hampton, Miss Doris Mae Hampton and Mrs. Gladys Burke, all of Hartley, and Mrs. Barbara Hall, of Virgie.

The funeral was conducted Sunday from the residence on Long Fork, Pike county, with burial in the family cemetery under direction of the Baker & Preston Funeral Home.

Ramblers Annex Two Easy Wins Last Week

The Prestonsburg VFW Ramblers added wins over Betsy Layne and Auxier last week to their victory string, finding no stiff opposition in either contest, though Auxier did make more of a game of it than in the first meeting of the teams, a week earlier.

The Ramblers licked Betsy Layne, 69-26, and, with Tommy Blackburn scoring more points than the entire visiting team, rolled over Auxier, 70 to 23. Blackburn scored 29 points. Hubbard, with nine points, was best for Auxier.

Against Betsy Layne Marcum was the leader with 18 points, with T. Blackburn, Roark and A. Blackburn scoring 15, 13 and 12 points, respectively. P. Gayheart, E. Clark and L. Conn, with 15, 13 and 12 points, in that order, were best for the losers.

Children who have recently recovered from chickenpox are Kay Ann and Elizabeth Lynn Frazier, Terry Leah Webb, Judy Woods, Karol Kay Noss, Betty Hagewood, Lynn Burgess King.

Homemakers Select Delegate to Conference

The Homemakers Club held its January meeting Tuesday at the home of Mrs. S. L. Isbell on Westminster street. Members of the club prepared the food for the luncheon, following which the vice-president, Mrs. Richard Feller, presided at the business session. Mrs. J. B. Clarke gave the Homemakers' lesson on "Table Place Settings," assisted by Miss Requa Kincer, home demonstration agent. Mrs. J. D. Thomas was delegated to represent the club Jan. 27 at the University of Kentucky in Lexington where the Kentucky Homemakers will be in special session. Miss Requa Kincer will represent Floyd county at this meeting. Present were Mesdames J. D. Thomas, G. D. Prentiss, J. C. Spurlin, Wm. Osborne, Chalmers Frazier, J. B. Clarke, George Archer, Jr., John G. Archer, Hoover Harrington, Paul Francis, G. R. Allen, H. C. Francis, W. A. Rose, S. L. Isbell, Raymond Sirkle, Wm. Dingus, Richard Feller, E. F. VETERANS! here are the opportunities you've been asking for

Thousands of Veterans of all the U. S. Armed Forces have said they'd like to join the Regular Army, IF they could have certain enlistment privileges. Today the Army has four attractive opportunities for Veterans of any of the U. S. Armed Forces to get into a well-paid job with lots of chance for advancement.

SERVE for 3 years with your choice of 8 famous combat units now stationed in the U. S. If you are a Veteran with overseas experience. Here's the opportunity to help build up the defense of the nation at home... to help train the new recruits who are joining the Army.

RETURN to an Army job in your old specialty, if you're a Veteran. If yours is one of the needed specialties, you can enlist in the grade appropriate to your training and experience. Veterans can also enlist for service in Europe, the Far East or Alaska.

LEAD your way into high-paid, high-ranking jobs through Army Potential Leaders' School, Army Technical Schools, Officer Candidate School or the U. S. Military Academy at West Point—open to every Army man who can meet the required mental, physical and age qualifications.

CHOOSE far-away places—Japan, Korea. Experience overseas gives you a career broad background. When you enlist, you may sign up for 2 years with a 4th year option at 5 famous Far Eastern divisions. You earn 20% more pay when serving overseas—in addition to all other Army benefits.

Think this over, too: a Private First Class with his \$80 a month plus benefits—retirement plan, food, clothing, lodging, medical and dental care—has more net take-home pay than the average civilian who is paying for equal benefits.

DANCE, THAT CRIPPLED CHILDREN MAY WALK — The Public Is Cordially Invited

It took just one week for **10 Million** excited Americans to say, "This time it's Hudson!"

SEE THIS AUTOMOTIVE TRIUMPH AT THE HUDSON DEALERS LISTED BELOW:

WHITTEN MOTOR SALES
PRESTONSBURG, KY.

In one short week 10,000,000 people jammed showrooms to see the amazing, beautiful new Hudson—a new kind of motor car—only five feet from ground to top, but with more inside head room and roomier seats than in any other mass-produced car built today! Hudson is the only American-built car you step down into when entering, not up on—yet it maintains road clearance. Hudson's new, all steel Monobilt body-and-frame is the only motor-car construction that completely encircles you, even outside the rear wheels, with a rugged, box-steel foundation frame. You ride within this frame—cradled between axles—not on top of the frame as in other cars. And as you ride, Hudson's combination of unique construction and comfort features gives you a sensation of snug safety and serene, smooth going unlike anything you've known before! Meet the new Hudson—get all the facts about Hudson's all-new Super-Six engine, the power-packed Super-Eight engine, and Hudson's "Drive-Master" transmission that provides automatic gear shifting in forward speeds. Drop in at the nearest Hudson showroom. Find out why millions of Americans are exclaiming, "This time it's Hudson!"

Reinspection Report Notes Safety Gains In Jones Fork Mine

Further coal-dust control measures and additional haulage safeguards are recommended in the Evans Elkhorn Coal Company's 385-ton-a-day Jones Fork mine near Lackey, in a formal reinspection report issued by the Bureau of Mines which also cites a number of between-inspection gains. Forty men were employed at the mine when it was re-examined in October by Inspector Russell Shaw.

Although Inspector Shaw noted that "the greater part of the mine" had been rock-dusted, he recommended more extensive rock-dusting of the Nos. 1 and 2 back entries as well as application of additional rock dust in several other areas. Use of water to allay dust during cutting and loading operations and cleaning "excessive" coal-dust accumulations from haulageways also was suggested.

Regarding haulage, the inspector proposed cleaning of obstructions from the haulageways and crosscuts from the haulageways and crosscuts used as shelter holes, rerailing devices for the locomotives, use of permissible trip lights, and employment of chains, springs or blocks to secure standing cars.

Among the extensive recent safety advances reported by Shaw were prying down of loose roof at one working place, provision of suitable explosive-storage magazines, transportation of explosives in special containers, adequate clearance at the switch throws, proper bonding of the haulage tracks and several other electrical safeguards, guarding of the drive belts for the fan and pump, effective fire protection underground, and universal wearing of safety-ice shoes.

Fifty-six thousand feet of drain tile were installed on 128 farms in Clay county last year.

OF INTEREST TO VETERANS

The number of World War II veterans taking educational and job-training courses in Ohio, Michigan and Kentucky decreased slightly during December, totaling 339,745 on January 1, Veterans Administration Branch Office in Columbus, O., reported this week.

The total, which was 6,380 less than the December 1 enrollment, included: Ohio, 166,557, decrease of 4,045; Michigan, 130,519, decrease of 1,683; Kentucky, 42,669, decrease of 652.

(The figures represent veterans enrolled under both the G.I. Bill and Public Law 16 (disabled veterans).)

While the decrease was reflected in both educational and job-training programs, most of the decline represented veterans enrolled under the G.I. Bill, VA said.

In Ohio, there were 121,204 veterans in educational institutions and 45,353 taking job-training courses on January 1. Michigan has 112,200 in educational programs and 18,319 in job-training, while Kentucky showed 32,972 in educational institutions and 9,697 in job-training.

Latest Veterans Administration figures show that 2,323 seriously disabled World War II veterans in Ohio, Michigan and Kentucky have received automotive vehicles at government expense under the law passed by Congress in August, 1946. Cost of the vehicles was \$3,692,652.

The totals include: Ohio, 1,039 vehicles, \$1,533,463; Michigan, 880, vehicles, \$1,397,065; Kentucky, 404 vehicles, \$642,124.

The law provides an automobile or other conveyance, at a cost not to exceed \$1,600, for any World War II veteran who lost, or lost the use of, one or both legs at or above the ankle as the result of service-incurred injuries.

Under the present law, eligible veterans should submit their applications for vehicles at government expense to VA prior to June 30, 1948.

QUESTIONS AND ANSWERS

Q. I am a World War I veteran and would like to know if there is any limit for filing a claim for compensation for disability caused by my war service?

A. There is no time limit set for filing claim for compensation under existing legislation.

Q. I was told that my disability, which I claim was due to service, cannot be service-connected because I had it before I entered the service. Am I eligible for compensation?

A. If VA decides that your ailment was incurred in or aggravated by your service in the armed forces you will be entitled to receive compensation, if it exists to a compensable degree.

EASY DOES IT
 One day I heard my Uncle Ben, the most successful lazy man in Logan county, Ky., calling the maid by his wife's name. When I corrected him, he explained, "I call everybody Cora now—even the dog and the stock. It's easier. I sit here on the porch and when I holler 'Cora' I know somebody's going to come. Them I don't want I send back."—Reader's Digest.

Wayland Ends Hindman's Win Streak at 10; Licks Hazard by 49-32 Score

Wayland, Ky., Jan. 19 (Sp.)—Hindman's 10-game winning streak came to an end here Friday night as Wayland's Wasps downed the highly rated Knott countians, 25 to 17, in one of the lowest scoring games in recent years.

Hindman failed to score until 12 minutes had passed. The Wasps played their best game of the year, both on defense and off the backboards. Wayland also downed the Hazard Bulldogs, 49 to 32. This win made Wayland's record read—15 won and four lost.

BIRTHDAY DINNER FOR TWO

Miss Hazel Hill entertained to dinner January 1 at 6 o'clock at her home on the Abbott road. The dinner honored Henry Martin and Delmas Saunders, on their birth anniversaries. Place cards seated Mr. and Mrs. Delmas Saunders and son, Henry Martin, Mr. and Mrs. Harry Hill and Miss Hazel Hill.

Work has been completed on 45 fish shelters on Herrington Lake, and are being so marked, as an aid to fishermen. The shelters, made of brush and logs and anchored to the side of the lake when the water was at a low stage, are expected to attract larger fish, especially crappie, and make better fishing. Minor Clark, superintendent of fisheries, believes. The shelters are expected to be covered by from five to 20 feet of water at normal pool stage. The signs have been erected on the banks alongside the shelters, and proclaim: "Fisher shelter erected by the Division of Game and Fish."

KENTUCKY ON THE MARCH

By EWING GALLOWAY
 If, after seeing the famous Rowan homestead where Foster composed "My Old Kentucky Home" and dining at the Stephen Foster hotel or the old Talbot Inn you think you have learned everything worth while about Bardstown, you are mistaken. You may say to yourself, "It is a lovely town of historic shrines and nothing more." Mistaken again. In a civic sense Bardstown is wide awake, determined to make itself a better community to live in.

Listen to what A. S. Wathen, Jr., writes about it. Mr. Wathen is co-editor with Elizabeth Spalding of the Kentucky Standard.

"One of our more important accomplishments has been the setting up of the Nelson County Free Public Library. This project was started by the Bardstown Kiwanis Club and the club members did most of the ground work of getting the library on its feet. The library is financed jointly by the County Board of Education, the Bardstown Board of Education, the fiscal court and the city council. There is a plan to use the county school bus system to take books out to the rural areas.

"During the past year the Nelson County Free Fair was revived after a lapse of 10 years. County products were exhibited in abundance, and it is practically certain the fair will be held this year, and the next, and the next—and be bigger and better than ever.

"Our city-sponsored summer recreation program was the most successful ever conducted here. The Kiwanis Club, Chamber of Commerce, City Board of Education and the city government cooperated in making it so.

"More than \$10,000 was spent in building a playground for colored people, and they enjoyed a supervised summer recreation program for the first time.

"During the year just passed our city took part in the national Clean-Up-Paint-Up-Fix-Up campaign and received honorable mention in a state-wide contest. This campaign was sponsored by the city government and supervised by City Supervisor S. R. Marshall.

"We are alive and kicking in Bardstown and hope to be able to make a better report on our community with each ensuing year."

NOTICE

Up to the time of its regular meeting, Feb. 2, 1948, the Floyd County Board of Education will receive bids on the furnishing and installation of the ceiling type gas unit heaters for the Maytown gym. Details may be secured from the office of the Superintendent of Schools. The Board reserves the right to reject any and all bids.

BETSY LAYNE

January meeting of the P.T.A. was held in the school auditorium last Monday evening, with Dr. George D. Prentiss, pastor of the Prestonsburg Methodist Church, delivering the address to those present. The president, Abel Hall, conducted the business session, at which time it was voted that the P.T.A. pay for the duplicator purchased for the school and that bonds be cashed to be spent for improving the school grounds. A committee was named to plan for the improvements, after which there was a short discussion by the group. After other items of business were disposed of, the banner was presented to the Seventh grade for having the most patrons present and a prize was given to the Junior class. The meeting was adjourned till the second Monday evening of February.

Dr. and Mrs. Ray Stratton who recently returned from Louisville, moved to Pikeville last week and Dr. Stratton has his office in the Hodge building. Mrs. Stratton is doing nursing duty at the hospital.

Mesdames Kathryn Blackburn and Angelyn George attended the Homemakers training school in Prestonsburg last Wednesday. Topic for discussion was, "Table Service," followed by directions for preparation of the menu to be presented and prepared at local meetings.

Among those who have been ill of flu recently are: Mrs. Miranda Gearhart, Mrs. Eliza Blackburn and Misses Bilye Jean and Glenda Blackburn.

The Woman's Society of Christian Service of the Methodist Church met with Mrs. T. J. Chandler last Thursday evening, with most of the members present. The program was based on the theme, "World Outlook" and thoughts for the new year. The business session was conducted by the president, Mrs. Chandler, followed by a social hour.

The Men's Club met last Tuesday evening at the Liberty Bell Service Station, with 17 members present. This club is the first men's civic organization of the community and is proving of great worth. It is now sponsoring a welfare fund to be used for those who may need help, in addition to the many other helpful activities.

We are happy to welcome into our community the Rev. and Mrs. Dennington and children, from Van Lear, Rev. Dennington is filling the pastorate of Calvary Baptist Church recently vacated by the Rev. Walter Binney. He attended an evangelistic conference and state workers' meeting, part of last week, in Louisville.

It is reported that the Rev. Walter Binney suffered only minor injuries in a recent auto collision, but his car was almost demolished.

PRICE-CURRY WEDDING ANNOUNCED

Wedding party leaving Bypro Church

Announcement is made of the marriage of Miss Viola Price to Mr. Ell's Curry which took place at the Freewill Baptist Church at Bypro, Ky., on Sept. 7, the Rev. Lee Davis officiating.

The bride, a graduate of Auxier high school, is the daughter of Mr. John Price, of Auxier, and the late Mrs. Price. The groom is the eldest son of Mr. and Mrs. Uke Curry, of Wheelwright high school.

The church was decorated with

late summer flowers from the gardens of Mrs. Lonnie Anderson, of Wheelwright, and Mrs. Edmond Cecil, of Weeksbury. The bride wore a long pink gown of marquisette net, with a corsage of white rosebuds. The bridesmaids were Miss Aileen Cecil, of Weeksbury, Miss Patsy J. Morrison, of Wheelwright, maid of honor, and Miss Emma Lou Cecil, of Weeksbury. They wore gowns of ice blue and pink. Mr. James McKenney, of Wheelwright, classmate of the groom, acted as best man.

My Old Bible

Though the cover is worn and the pages are torn and though places bear traces of tears, Yet more precious than gold is this book, worn and old. That can shatter and scatter my fears.

This old book is my guide, 'tis a friend by my side, It will lighten and brighten my way, And each promise I find soothes and gladdens my mind, As I read it and heed it each day.

To this book I will cling, of its worth I will sing, Though great losses and crosses be mine; For I cannot despair, though surrounded by care, While possessing this blessing divine.

Ten reasons why I believe the Bible to be the inspired word of God:

1. Because of its claim to divine origin. (2nd Tim. 3-16; Hebrews 11-1; 1st St. Peter 1-21; St. Luke 1:70-71; Acts 1-6; Acts 3:18.)
2. Because it has withstood attacks that have been made throughout the centuries.
3. It has never been exhausted.
4. Because of its unity.
5. Because of its scientific accuracy.
7. The Bible alone tells us of the great mysteries of life and of Godliness.
8. Because as the believer grows in holiness of character he believes more in the Bible.
9. Because of the testimony of the Holy Spirit.
10. The effect upon the believer.

A lone widow and gold star mother who obeys God rather than man at all times, regardless of crosses or losses.

Hoping and praying this will be food to the church, light to the world and salt for the earth.

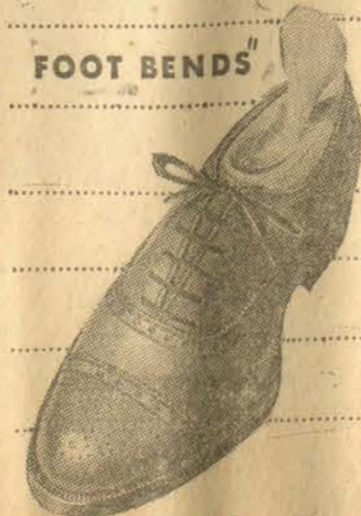

Sincerely,
EVA M. HALL

HERE IS WHAT KEA WILL ASK ASSEMBLY TO DO FOR SCHOOLS

By LOURENA EATON (Courier-Journal School Editor)

The Kentucky Education Association and the new Superintendent of Public Instruction, Boswell B. Hodgkin, have prepared a 14-point program to be presented from time to time to the General Assembly during this session.

Last week, four points were presented, and from rumors in Frankfort, they were "received favorably" in the House of Representatives. Apparently the No. 1 and 2 items, dealing with the biennial budget and the teacher-retirement system, are certain of passage. Both measures passed the House last Wednesday by

95-0 votes.

To make the retirement system actually sound, Kentucky must advance \$2,439,606.64 to make up the funds required for those teachers who had been teaching several years before the retirement law was enacted in 1941. Since that date, the state has been required only to match teacher contributions, but prior to that date, the total obligation falls upon the state.

The budget as passed falls short of the \$34,000,000 the teachers desired. It does not provide sufficient funds to meet item 3, an "adequate" appropriation for the State Department of Education and institutions of higher learning.

The House approved an \$148,000 annual appropriation to the State Department of Education for ordinary recurring expenses of operation, Hodgkin says that this is not an "appreciated increase." He intimated that the increase would do little more than defray the increased printing rates. It will not permit much expansion in the department or allow a large salary increase to those now employed.

Hodgkin said he hoped at least to hire a director of transportation, but that he could not fill two vacancies which occurred this past year until after July 1, when the new budget becomes effective. He believes, however, that it will not be possible to increase the salaries of these two offices. Both vacancies resulted from low salaries.

The No. 4 item aims at a program to be worked out in conjunction with Clyde Reeves, commissioner of revenue, which, says John W. Brooker,

publicly director for the K.E.A., "will tighten the laws and machinery for tax assessment so that everyone will pay a fair share of the taxes."

A minimum school term of nine months instead of the present eight hinges upon the appropriation for teachers' salaries, Brooker explained by saying, "If sufficient funds are provided to increase the monthly salary of teachers in the state and add another month, then this proposal will be made. But we will not ask teachers to work an additional month for the increase." The budget bill as it stands now will add approximately \$107 to teachers' annual pay. This, of necessity, will cancel the above proposal, since the K.E.A. was aiming toward an annual salary of \$2,400 and the present budget bill would make an average of not more than \$1,400.

The sixth point of the program is in legislation already introduced. This sought to reduce the cost of collection of school taxes from 4 per cent to 2, Brooker commented, "We believe that 4 per cent is exorbitant." At present, school-tax collectors, usually the county sheriff, receive 1 per cent; but as the law now stands, newly-elected sheriffs are to receive 4 per cent. The K.E.A. hopes to eradicate this bill before it becomes effective.

A proposal of interest to Louisville educators is the one requesting fiscal independence for the Louisville Board of Education. Louisville is the only school district of the 248 in Kentucky that is not fiscally independent, since it is the only city of first class in Kentucky. Omer Carmichael, Superintendent of Louisville public schools, remarked, "My position on fiscal independence should be well-known to the people who are interested. I believe that in the long run, fiscal independence will be reflected in an improved school system."

The No. 8 measure seeks authority for school districts to share in the net proceeds of publicly-owned utilities. This means that if a municipality should take over a utility such as a light-and-power plant, the municipality shall be given authority to pay the local board of education annually a sum equivalent to the school taxes which were paid by the utility when privately owned.

The ninth item calls for legislation to permit members of all school and college boards to serve out the terms for which appointed unless removed for specific cause. Brooker commented "This aims to prevent a Governor from removing without cause any member of the board of trustees of the University of Kentucky, any member of the board of regents of the teachers' colleges, or any member of the State Board of Education during the term for which appointed except for some specifically stated cause."

Number 10 is aimed at extending the compulsory school-attendance age from 16 to 17 years, or to the 17th birthday. Hodgkin expressed the hope that schools could be set up which would interest boys and girls of this age, so that attendance would not be so difficult to enforce. He was referring to either local or regional vocational schools to furnish education to those pupils whose aptitude does not lie along academic lines.

The other four measures are to ease administration. Grouped together they include (1) the granting of authority to boards of education to request public health officers to approve permits allowing teachers' absences from school because of ill health; (2) the establishment of a state revolving fund from which loans may be made to local boards of education at a low rate of interest to assist in the purchase of school buses; (3) amendments to modernize and liberalize the present antiquated textbook-adoption laws, and (4) to make the fiscal year coincide with the school year, that is, to begin on July 1 and end on June 30 in all municipalities of the state.

The transportation measure will request the state to set up a fund of \$500,000 to be lent to local boards of education for purchase of buses.

As to textbook-adoption laws, the K.E.A. hopes this time merely to reduce the adoption period from five to four years, and to permit a 50-per-cent change in books, instead of the 33 1-3 per cent now permitted.

In addition to these 14 points, Brooker said the K.E.A. would like to attempt legislation to amend the state Constitution so that the office of the Superintendent of Public Instruction will become appointive rather than elective. He said the association would oppose any proposed legislation injurious to education, such as the lowering of certification requirements or popular election of local school superintendents.

Hickman county beef cattle-raisers are adjusting their herds to have calves born in December, January and February.

Wm. Arrowood Hardware Co. Salutes Hotpoint on Its Move To Curb Inflation By Reducing Appliance Prices Now!

We Are Proud To Join Hotpoint—One Of Nation's Largest Appliance Manufacturers—In Fight To Preserve The Purchasing Power Of The American Dollar By Announcing Price Cuts Of As Much As 10 Pct. On America's Finest Electric Ranges, Refrigerators, Disposalls And Water Heaters.

Inflation is very much like the weather in that everybody talks about it but nobody does anything about it. But now Wm. Arrowood Hdwe Co. is joining with Hotpoint—builder of America's finest electric appliances—in doing something about it... namely, reducing prices on electric ranges, refrigerators, Disposalls and water heaters.

Price reductions at a time like this when appliances like these are so scarce is news in itself. But all the more noteworthy is the fact that these price reductions—which run as high as \$20 on some models—are made in the face of the biggest demand for Hotpoint products in the company's history.

Certainly, this is proof that this move is made purely in the public's interest. We consider it an outstanding example of the kind of business statesmanship that has made America the country that it is today and the kind that will continue to lead the way to future greatness.

Wm. Arrowood Hdwe. Co. heartily subscribes to this courageous move of Hotpoint's... and is glad to be the first in Prestonsburg in this crusade to cut the cost of living.

VALLEY MOTOR CAR COMPANY
PRESTONSBURG, KY.

WE, YOUR LOCAL CHEVROLET DEALER—and every other Chevrolet dealer in America—are both proud and happy to make the following report to buyers and prospective buyers of Chevrolet products: Again in 1947, Chevrolet built and sold more cars and more trucks than any other maker in the industry, just as Chevrolet has built and sold more cars and more trucks than any other maker for the total seventeen-year period, dating from January, 1931 to January, 1948—the modern period of motor car history. Naturally, we as well as the Chevrolet Motor Division of General Motors are deeply grateful for America's outspoken preference for Chevrolet passenger cars and trucks, and we are determined to do everything in our power to continue to deserve this preference in the future as in the past. We want to thank each and every person in this community for his friendship and goodwill for this organization. We solicit and appreciate your patronage. We are doing our level best to prove that, by filling orders for new Chevrolets just as promptly as we can—even under today's trying conditions—and we are deeply and doubly appreciative of the patience and understanding of all our customers who are awaiting deliveries of new Chevrolets. Needless to say, you buy wisely when you buy the product of the world's largest producers of cars and trucks, for that is the way to maximum dollar value! Rest assured that we'll fill your order for a new Chevrolet just as soon as it is humanly possible to do so. Meanwhile, please let us help to keep your present car or truck in good running condition by bringing it to us for skilled service, now and at regular intervals.

Dr. Eastridge on Staff Of Martin Hospital

Our Lady of the Way hospital at Martin announces that it has procured the services of Dr. Robert Eastridge as house physician. Dr. Eastridge was graduated from the Tennessee School of Medicine, served an internship at the Scott-White Clinic, Temple, Texas, which is associated with the Mayo Clinic of New York, and he further broadened his experience by two years spent with the medical corps in the Pacific war theater. He has also done post-graduate work in the field of caudal analgesia.

The hospital expressed its appreciation to Drs. Robert M. S'rkle and Claude Allen for their assistance during the past months. Although carrying the full burden of responsibility of the Beaver Valley hospital, the two still found time to care for the contract patients of Our Lady of the Way hospital. Dr. J. A. Stumbo will also remain with the hospital.
