

This That World

It Wouldn't Cost To Investigate
Despite all my dilly-dallying about going to the dentist, I've been drilled on till they're going to have to move to a new location, next time they start spudding.

Told You So!
I picked one right, at last! I said it was Dr. Archer as Prestonsburg's Outstanding Young Man. I congratulate Dr. Archer for winning such esteem from the people among whom he lives and works, and myself for being close enough to him to recognize his worth.

GIVE US NEWS, NOT HISTORY
Haven't time to write all those well-meaning friends who send in items as old as two or three weeks; hence, this:

A report on an event weeks ago is no longer news; it's history. We want all your news. We'll take our history straight — out of the book.

Antiquated "news" henceforth will be published only as a paid advertisement.

WANTED...
Comes now the season of the year when I begin considering moving to the farm. So, if you have something to unload, you might do worse than reading what follows.

This property I have in mind would have a house of at least seven rooms, hardwood floors, full basement, plumbing which would not need attention for years, also other conveniences, the more the better. This humble, little cottage should sit well back from the highway (make that surfaced, please, and not dusty) and should be reached by a driveway along an avenue of trees. There should be a broad sweep of velvety lawn, too.

Trees, of course. I love trees. And shade. The life-giving sunlight looks so much more beautiful and life-giving from the shade, don't you think? And outside the master's bedroom window there must be a brook. I almost said a purring brook, but let's just make certain it runs. We'll let nature decide if it purrs or brows.

As farm equipment, I definitely will require an automatic corn-hoer, a no-stop corn-thinner, an atomic bug-killer and a milking machine operated by remote control.

If this deal is closed by March 1, some colorfully illustrated seed catalogs must be furnished with the property. I always require such help to get my January, February and early March farming done. The aforementioned pieces of literature may revert to the original owner or about May 1, depending upon the temperature outside.

Show me none of these itchy-bitsy baby farms. Don't fence me in. I crave elbow room. Also privacy. I want neighbors but let's have 'em in the neighborhood, not in the vicinity of the back door. I want a place where if I pull off in my sock feet and plant the aforesaid on the handrail, there'll be nobody who shouldn't gaze upon my bunions. If, perchance, I take to chasing butterflies, the diaphanous folds of a Grecian robe will while crackling like a cat-o-nine-tails about my legs, I want it so that only the family or only an invited few will be around to comment on my performance.

I feel that my musical education has been neglected overlong, and so I may turn to the accordion or the saxophone, any minute now. As a result, the livestock may stampede, the plaster may crack and even the sweet 'aters in the cellar may spoil. But that will be my misfortune, mine and the family's. I want privacy.

TWO DRAFTED FOR JANUARY

Two Months' Call Void; Draft Respite Possible; Registration Continues

Although the armed forces have hinted that voluntary enlistments may be so numerous that nobody will be drafted for the next 18 months, draft boards have not been notified of draft plan cancellations beyond the end of March.

Although Draft Board No. 45 here has been notified of the cancellation of February and March calls, its January induction call for Wednesday, this week, was not voided. The Board had two eligible men for induction. They are Charlie Layne, of Mantion, and Ransom Meade, McDowell.

The Selective Service board here emphasized this week that all males, 18 through 25 years, should continue to register for the draft, and that all registrants should keep the Board here informed of changes of address.

The possibility of discontinuance of the draft for an 18-month period was seen with the release of figures last week by Secretary of Defense Forrestal. These figures showed that as of Dec. 31, 1,621,000 men were under arms. And that is all the armed services will be able to pay through the fiscal year ending June 30, 1950, it was said.

SPLIT DECISION UPHOLDS TERM

By a split decision, with the court's chief justice dissenting, the U. S. Court of Appeals in Washington Monday upheld the convictions of Ex-Congressman A. J. May, of Prestonsburg, and Henry and Murray Garsson.

From that court the fight goes to the Supreme Court, it was later announced. Upon his conviction in federal court in 1947, Mr. May declared his innocence and announced he would fight the case, if necessary, to the highest tribunal.

The U. S. Court of Appeals decision was written by Judge E. Barrett Prettyman, with Judge Henry W. Edgerton concurring. Chief Justice Harold M. Stephens dissented, mainly on the grounds that the indictment was improperly drawn. He attacked the indictment's allegation of a "conspiracy to conspire," pointing out that he believed the government should have tried the defendants either on a general conspiracy charge or under the statute relating to acceptance of money by a member of Congress for services to private citizens and companies. He contended a conspiracy was not proven.

The voluminous brief filed by the defendants contended that the trial judge was biased and cited several other specific points on which a reversal of sentence should be given. Mr. May, who has resumed the practice of law here during the months of waiting on the appellate court action, was not reached for a statement following Monday's decision.

Ship Torn, Pilot Shaken In Miry Field Take-off South Of Here Saturday
An attempted take-off Saturday afternoon of a plane near Knotly Hollow four miles south of here, resulted in a "pancake" crash, smashing its landing gear and ripping the fabric covering while the pilot suffered nothing more than a severe jolt.

The plane was one of four, enroute homeward from Wilmington, Del., to Texas, which made emergency landings in bottom land spaces scattered from here to Allen last Thursday evening near dusk. The emergency landings damaged two of the planes.

One of the planes negotiated a successful take-off and landed at the Prestonsburg airport seven miles north. The others remained a problem in the soft mire of the wet fields.

They were piloted by Vic Strietman, Lawrence Draper, James Miller and Bill Fuston.

Services Held Sunday For John Riley Hall, Retired Floyd Miner

John Riley Hall, 79-year-old Hite resident, succumbed at his home Friday after years of semi-invalidism. Until an injury suffered about 30 years ago, he was employed as a miner.

He was a native of Rush, Boyd county, the son of James S. and Matilda Fraley Hall. He had been for years a member of the United Baptist church.

Surviving Mr. Hall are his widow, seven sons and one daughter: Bill, Clarence, Banner, Reuben and Elbert Hall, all of Hite, Caner and Charlie Hall, both of Cliff, and Mrs. Colvin Sturgill, of East Point.

Burial was made at Hite Sunday, the Ryan Funeral Home directing.

THURSDAY

Hueysville Man Named In 2d Slaying in Week

HUGHES' NIECE, WOMAN CLAIM HE SHOT MAN

Bert Shepherd, Miner, Victim on Salt Lick Early Last Sunday

Bert Shepherd, 29-year-old Hueysville miner, is the second Floyd man to die as the result of revolver fire within the period of a week.

He was shot to death early Sunday morning at the home of Jake Hughes, miner, on Salt Lick Creek, a mile west of Hueysville.

His death followed by six days the slaying of Abner Fork of Matt Johnson by his brother, George.

Of three persons jailed here, one, Billie Hughes, also a miner and former convict, was named as Shepherd's slayer. This evidence was supplied by his niece, 15-year-old Sylvia Hughes, and Millie Gibson, 42.

Conflicting statements remain to be considered, however, and both Mrs. Gibson and Jake Hughes, brother of Billie, remained in jail after Tuesday morning's quizzing by County Attorney W. W. Burchett and Commonwealth's Attorney John Chris Cornett. With the grand jury re-convening today (Thursday), an examining trial will not be held.

One shot, believed to have been fired sometime around 2 o'clock Sunday morning, struck Shepherd, father of six, the youngest of whom was three days old when he was killed, in his left side, ranged up and lodged beneath the skin at the right shoulder. The bullet is believed to have struck his heart.

Both Mrs. Gibson and Sylvia Hughes agreed in separate statements that Billie Hughes came to the home of Jake Hughes, accompanied by his young son, Willard, and that he awakened them with his berating of Shepherd for beating him up on the preceding day. Sylvia said she and her father were asleep and that Millie Gibson, Shepherd and Arnold Bailey were in a bed together. She added that Billie Hughes carried a shotgun and a pistol in either hand and that he began punching Shepherd in the face with the shotgun. When Shepherd was shot, she said, she ran. She placed the time of the killing at 12:30 a. m.

Her father, who declined to make a comprehensive statement concerning events of the evening, saying, "I'll talk when the right time comes," denied he had been asleep or in bed or that Shepherd had been in bed. He said he did not see Shepherd with a gun or any other weapon during the night.

Mrs. Gibson, who said she had been staying at the Hughes home since mid-October, told of general drinking after she, Jake Hughes and Billie had had a car wreck, farther up Salt Lick where they were seeking whiskey. Bert Shepherd, she said, brought her and Jake home in his truck and remained with Jake, talking peacefully. She retired to bed, she added, suffering from wreck injuries. There had been no trouble she had heard of between Shepherd and Billie Hughes. When Hughes came into the room, however, his face was skinned, she added.

After cursing Shepherd, who sat in a chair, according to Mrs. Gibson, Hughes fired. "I ran to the door and sank down," she told officials. She claimed she still is suffering from shock. "I don't believe I ever will get over it," she said.

None of the statements elicited during the separate questioning of the trio claimed Shepherd had visible arms. Jake Hughes, however, declined to describe Shepherd's actions during his visit or to say if there was a fight. He also denied Shepherd had gone to bed during the evening. He could not say if the shooting took place before or after midnight.

Asked if Shepherd had molested him, Hughes replied, "Well, I'd rather not talk, boys, till the right time comes." To the question, "Did you kill him?" Jake Hughes replied quickly, "I never hurt anybody in my life."

The Hughes home sits on the hillside, a short distance from the home of Blucher Allen, well-known Hueysville farmer. There, several hours after the shooting, Coroner Brady Shepherd and other employees of the Arnold Funeral Home found the body of Shepherd lying on a bed. The inquest verdict was, "...killed by a gunshot fired by a person or persons to the jury unknown."

Before that, however, Magistrate John May had in custody those suspected.

J. R. Hurt, well-known Floyd coal operator, has been named chairman of the 1949 fund-raising campaign of the American Red Cross in this county.

This announcement was made by Mrs. F. L. Heinze, chairman of Floyd Chapter, American Red Cross. She said Mr. Hurt was selected by the local chapter's board of directors.

The 1949 appeal of the Red Cross will take place in March. The goal for the county has not yet been announced.

COURT TERM ENDS FEB. 5

Civil Term To Start On Following Monday; Jury List Released

January term of the Floyd circuit court has been extended by Circuit Judge E. P. Hill, Jr., to include the first five days of February, to provide time for an attempt at further clearing of the docket and the possible trial of at least one murder case.

The last week saw only eight cases reaching a jury as of Wednesday morning, this week, and of these trials exactly half resulted in acquittals.

Will Slone was convicted on a cutting and wounding charge, fined \$500 and given a six-month jail term, but his co-defendants, Goldie, George and Junior Cross, won acquittals. Malcolm Adams drew a \$50 fine for damage and destruction of property, and Junior Mulkey was fined \$20 for assault and battery. Acquitted were Walter Horn of a grand larceny charge, Emmitt Roberts for grand larceny, and Adrian Akers who was accused of wrongful concession of property.

Dismissed for lack of prosecution were the attempted rape charge against Hager Conley and a charge of intentionally burning woods against Malcolm Scarbury. The hit-run case against Ervin Tackett was continued till April 20.

Petit jurors for the February court term were named by Jury Commissioners P. D. Lafferty, Medley Garrett and Basil Hamilton, as follows:

Mrs. M.D. Lafferty, Sloan; Jane Gray, Sloan; Angie Lafferty, Sloane; Mrs. Josephine Gray, Sloane; Robert Hall, Harold; W. B. Hall, Harold; Maudie Hall, Harold; Jim Hale, Harold; G. C. REEVES SAYS NO FEE LOSS

By Clerks Intended By Proposed Plan For Auto Licenses

County clerks were assured Wednesday that they will not lose the fees they are getting for issuing automobile licenses.

They met in Louisville to combat a reported plan that issue of the tags be centralized. It developed, however, that no such step is planned.

Revenue Commissioner Clyde Reeves, at Frankfort, issued the following statement:

"There is no basis whatsoever for anybody to assume that the State is proposing to centralize the issuance of motor vehicle licenses.

"The county clerks apparently have misunderstood the plan we have. The State would print the forms for them in order that they could be used in the business-machine card-index system."

The card-index system has been advocated to enable State police to identify car ownership quickly.

Dr. Archer Is Unanimous Choice As Outstanding Local Man for '48

To the acclaim of approximately 100 of his fellow townspeople, Dr. George P. Archer was named Tuesday evening at a banquet sponsored by the Junior Chamber of Commerce, in conjunction with the Kiwanis and Lions Clubs, Prestonsburg's outstanding young man for the year 1948.

The honor to the 33-year-old physician and surgeon was the first such made locally, and he was the unanimous choice of all three clubs. Applause of the crowd upon announcement by H. D. Fitzpatrick, Jr., new Jaycee president, of Dr. Archer's selection for the award made it more unanimous.

Thus was begun what is planned as an annual occasion, an inter-club meeting to honor the Prestonsburg man between the ages of 21 and 35 who during the past 12 months has rendered the greatest service to his community.

The doctor's leadership in the drive for the Floyd County Playground here and his tenacity in waging a successful fight for the project won for him the honor. The award came to him only 15 months after he had established residence in Prestonsburg, moving here from

Paintsville to operate as co-owner with Dr. John G. Archer the Prestonsburg General Hospital.

Honor tokens presented Dr. Archer included a certificate and key from the National Jaycee organization and a mahogany cigar box.

Acknowledging the award, Dr. Archer disclaimed personal credit for success of the playground project, citing others who worked hard and helped the cause, including coal companies outside Prestonsburg which made liberal contributions. "If there had to be an award," he declared, "it should have gone to the City of Prestonsburg—the finest town on the Big Sandy."

The banquet was held at the Methodist Church, Billy Sturgill, of the Jaycees, presided as toastmaster. Max Burns, Kiwanis Club president, Bill Cury, Lions Club first vice-president, and Marvin Music, retiring Junior Chamber leader, reported on activities of their groups during the past year and told of future plans.

Mr. Sturgill, who is a state Jaycee director, presented the new Jaycee officers, who are: H. D. Fitzpatrick,

Oscar Hughes, 78 years old, succumbed Friday at his home at Lackey following an illness of 10 days of cancer of the stomach.

Survivors include his widow, Mrs. Lizzie Hughes, two sons, Clarence Hughes, of Garrett, Billy Hughes, of Prestonsburg, and two daughters, Mrs. Bud Bentley, Garrett, and Mrs. Sam Fletcher, of Louisa, 26 grandchildren and 14 great-grandchildren.

Funeral services were conducted Sunday afternoon at Louisa, the Revs. Ernest Ward, Carmie Huff and Everett Daniels officiating. Burial was made in the Hughes cemetery at Louisa under direction of the Ryan Funeral Home.

Fire Renders Family Of Ten Destitute

Mr. and Mrs. Eddie Hamilton and their eight children were left homeless and destitute last Thursday midnight when their residence at Eastern was destroyed by fire which is believed to have had its inception in faulty wiring.

The fire had spread to such extent that when members of family were aroused to escape in their night clothes neither the building or its contents could be saved. The building was owned by D. W. Howard, of Eastern.

NEW HIGHWAY TO DAM AREA

Seen With Promise By State to Johnson Of Survey Next Spring

The State Highway Commission has promised Johnson county a survey on a new highway from Paintsville to the Dewey dam area. The Paintsville Herald announced last week. The survey is expected to start next spring.

The route, it was explained, would follow the river, opening up a new section of Johnson county to motor traffic, and if connected with the road to Prestonsburg would relieve the Mayo Trail's load and bypass Abbott mountain.

While these plans were forming, little of a definite nature was known locally about what will be done on the Auxier road, one of the connecting links between Prestonsburg and the dam. To accommodate the expected heavy traffic, it is pointed out, the road will require widening as well as surfacing and draining.

Relocation of roads in the reservoir area, to be done by the county or its contractor, awaits approval by the federal government of the agreement signed, several weeks ago, by members of the fiscal court for this undertaking the government is paying the county \$225,000.

Work on the dam at Dewey is 90 per cent complete and the reservoir is scheduled to go into public use, July 11. The tree-clearing project in the reservoir area is half done, but relocation of cemeteries and procurement of land are projects which are far from completion.

Sgt. Charles J. James, recruiting officer stationed at Prestonsburg, representing the U. S. Army and the U. S. Air Force, was the leading recruiter in Kentucky during the months of October, November and December, according to an announcement from the main recruiting station in Ashland.

The chief recruiting sergeant at Ashland also stated that the Ashland station, which covers Floyd county, went over 200 per cent of its quota during January, 1949 and this is believed to be a record set by any station during any one month period.

He also announces that the following 38 named men from Floyd county were enlisted in the U. S. Army and U. S. Air Force during the period from November 1, 1948 through January 18, 1949:

329 SIGNERS TO PETITION FILED HERE

Dry Group Threatens Publication of Names Of Those Asking Poll

A petition bearing the signatures of 329 residents of Prestonsburg and West Prestonsburg was filed Monday asking County Judge Alex L. Davidson to call a local option election here for Saturday, March 26.

The election will be the first in the Big Sandy valley under the law permitting local option in cities of the first four classes, regardless of the wet or dry status of remainder of the counties in which the municipal palities are located.

Although urged to set the date of the election at Monday's court session, Judge Davidson refused to do so, saying he would not act hastily or without examining the petition. He said that, since the date of the election is stipulated in the petition, it is mandatory that he set the date requested unless the petition can be proved faulty.

The next court session will be held February 28, which is in time for the election on the day sought.

The Committee for Total Abstinence, headed by various ministers here, announced in a paid advertisement in The Times this week it will publish the names of signers of the petition filed by those seeking to make the sale of liquor here legal.

JUDGE ASKS JURY PROBE

To Establish Blame In Lifer's 'Vacation' From LaGrange Prison

As the grand jury of the Floyd circuit court reconvened this morning (Thursday) for the final three days of its session it was asked by Circuit Judge Hill to investigate the "leave of absence" stay in this county recently of Mack Lewis from the LaGrange reformatory where he is a life termer for the murder of his wife.

Judge Hill told the jury that, apparently, neither the Sheriff nor the Jailer of this county was guilty of negligence in the case and that this county does not have jurisdiction over the reformatory warden who illegally permitted Lewis' return to the county. His instructions indicated the jury might take action against the guard who brought Lewis here.

Sheriff Troy B. Sturgill said Guard Derossett brought Lewis to his office and that he signed for the prisoner, then told Lewis to go to the jail. But Lewis did not become a prisoner, although he did ask Jailer Everett Collins if he could "hang around." There were no commitment papers, no court order for Lewis' return, the Jailer explained, and so he had no right to claim custody of Lewis.

Instead of becoming a prisoner here, Lewis was at liberty, it was said, to go wherever he pleased. During his stay of approximately two weeks he was said to have worked on a house, several miles from here.

Judge Hill asked the grand jury to question County Attorney W. W. Burchett and "Buck" Manns about the case. Mr. Burchett said he did not know of any information he

Meeting Sketches Work Of Wheelwright Club

Wheelwright, Ky., Jan. 24—The following is a report of the December meeting of the Wheelwright Woman's Club:
 "The Wheelwright Woman's Club met for its December meeting during the Christmas holiday season in the beautiful club rooms in the Municipal Building. The hostesses, Mesdames C. E. Hopkins, John Kurlyka and George F. Leatherman, created a festive atmosphere with the decoration of evergreens and Christmas lighting. They carried the theme farther by serving a Christmas salad and fruit cake to the members at the close of the evening meeting.
 The program was in charge of Mrs. Hunter Thomas, chairman of the department of American homes, who presented Rev. Guy Coffman, Methodist minister of Ashland and Wheelwright, as guest speaker. Rev. Coffman used the American Home as his subject, and stressed the home as the place of family solidarity. He called upon the members to strive to make their home spiritually satisfying, where the family may pray together, play together, read, study and sing together, budget together, work together and vacation together.

Presented along with Rev. Coffman on the program was little Miss Nancy Radliff, of Wheelwright, who read several Christmas poems.
 Mrs. Stephen W. Clark, president of the club opened the business part of the meeting with the members reading the club collect in unison. A contribution was made to the Student Loan Fund and the Penny Art Fund. A donation of \$5.00 was made to the Floyd County Tuberculosis Association.
 Mrs. Anna B. Smathers, in charge of the committee on furnishing china and silver for the club rooms reported the purchasing of Russell Wright china and silverware for 36 persons. The china and silverware was used by the hostesses later in the evening when they served refreshments. Her committee is still active in the planning of the purchase of a kitchen range.
 The Women's Club has taken the lead in some cleanup work at the Wheelwright school. With the club sharing the expense on a 50 per cent basis with the Parent-Teachers Association, elementary rooms have been redecorated and closed cabinets built for both lunch rooms. This is just the beginning of the work planned by the two organizations for the school.
 Two new members were received into the club. They were Mesdames L. B. Jesse and Ray Campbell of Weeksbury.

Rites for Navy Victim In Battle for Cherbourg Held Sunday on Bull Creek

Funeral rites for Orville T. Scutchfield, fire controlman third class, who was killed June 25, 1944 while a member of the crew of the USS O'Brien in the battle for Cherbourg, France, were held Sunday from the Baptist Church at the forks of Bull Creek. Burial in the Mayo cemetery near here was under auspices of the American Legion and Veterans of Foreign Wars.
 Scutchfield, who was 24 at the time of his death, enlisted for navy service Oct. 13, 1942 and survived the sinking in the Mediterranean, exactly a year later, of the USS Bristol to which he was originally assigned. Later assigned to the O'Brien, he saw action in the invasion from June 6 till his death when 10 members of his crew were killed. He was buried in England until the body was removed for reburial at home.
 Surviving are his father, Beckham Scutchfield, and three brothers, Ernest O., Ershel and Alton W., Scutchfield. His mother died last year.
 Officiating at the funeral were the Revs. Buell Ferguson, B. W. Craft and Floyd Laferty. Burial was directed by the Carter & Callihan Funeral Home.

TO THE VOTERS OF FLOYD COUNTY:

I wish to ask you to consider my candidacy for the Democratic nomination for Jailer of Floyd county. I am a citizen of Left Beaver Creek at Minnie, Ky. I am the son of L. B. Williams and a grandson of Rev. Thomas Mosley, of the Left Beaver section.

I am asking the voters of Floyd county for their help because I am handicapped and find it impossible to get work because of my condition, as I have had tuberculosis. I broke down in 1944 while doing war work and spent four years in a sanatorium and had eight ribs and one lung removed. Now that I have an arrested case of T. B., my family has had to depend on my father since my sickness.

I am a sober, honest man and never did swear in my life and I am 27 years old.

I believe if the voters of Floyd County stop and think, they would cast their votes and elect me for their next jailer. I will serve you to the best of my ability. So I hope you all think I am the man who needs help. Your vote and influence will be greatly appreciated.

ALL THEY ASKED WAS AN EVEN BREAK

Building a new country was not easy. But there were men and women willing to turn their backs on a safe life, and their faces toward new frontiers. All they asked was an even break.

Free enterprise is another way of saying "an even break." Free enterprise is the basic American principle of vision and personal initiative. Just give an American an even break—a chance to get ahead—and he'll go on from there.

But when government goes into business, in competition with its own citizens, the American ideal of an even break is destroyed. For government in business grants itself special privileges that are denied to people in business.

Take government-owned power systems, for example. They pay few, if any, taxes; often get money from the U. S. Treasury at little or no interest; make up losses out of the pockets of the taxpayers.

On the other hand, America's business-managed power companies are on their own. They pay their full share of taxes, fair interest on the money they borrow. It's a tribute to American self-reliance that taxpaying, self-supporting companies supply over 4% of the enormous amount of electric power this country depends on... at the lowest possible cost.

There are still new frontiers in electric living to be opened. And businessmen can do the job better than bureaucrats.

Dimes March Gaining Momentum Over State As Need Recognized

The 1949 March of Dimes Campaign, which is entering its second week, is gaining momentum. Mrs. Inez K. Ligon, director of Kentucky's March of Dimes, declared Monday.

Mrs. Ligon urged all citizens to continue their efforts until the end of the campaign on January 31, and make the 1949 campaign a record success.

"There is wider interest in the campaign this year," Mrs. Ligon said, "as the public becomes aware of the urgent needs for the battle against infantile paralysis. Many of the patients receiving hospital service now were stricken ten and twelve years ago.

"The road to recovery for many polio victims is a long and costly one and they need assistance. Your liberal contribution to the March of Dimes furnishes that assistance."

"It is also important," Mrs. Ligon continued, "that trained personnel and specialized equipment be available when and if a polio epidemic should strike in Kentucky. Continued research is necessary too if we ever hope to wipe out this crippling disease.

"Your contribution to the March of Dimes is assurance that the fight against polio will be continued in Kentucky and the nation."

Twenty-five or more Kentucky counties have completed corn loans, the P. M. A. reported.

DEPENDABILITY

EATING up the miles as it roars along the smooth highway... grunting like a laboring Percheron as it mounts the long, hard grades, the Interstate Bus... on time again... bespeaks dependability.

It's a long, uphill climb for any organization to reach the goal of complete public confidence. We take pride in having reached that goal... to have gained our reputation for dependability.

Vaudeville STAGE SHOW

JACK W. BURKE PRESENTS THAT SOUTHERN REVUE

"DIXIANA" with those MINSTREL FAVORITES

EMMETT MILLER and "TURK" M'BEE IN PERSON

The stage attraction at the Martin Theatre Monday will be a revue type presentation, composed of a bit of the "old" south added to the "new," hence the title, "DIXIANA."

Featured in the show is one of the few remaining Black Crow acts, Emmett Miller and "Turk" McBee, both former stars of leading minstrel shows, and appropriately billed now as "The Best in Blackface"

Among the vaudeville specialties, there is an act called "The Do-Res", two charming ladies who play a variety of musical instruments in extraordinary style.

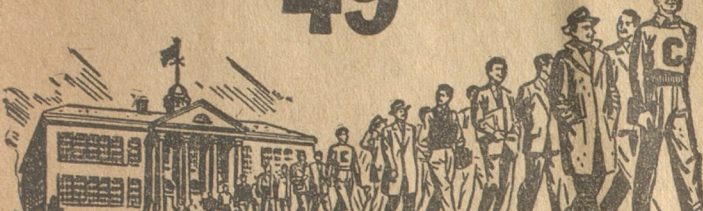

Also is Miss Vera Rogers, singing violinist, formerly featured with D'Artega's All-Girl Orchestra

Bob Williams will handle "Songs of the Hills" while Elaine Ward offers "Tops in Taps". Or should we say Tap Dancing. The show is fast with never a dull moment. Miller and McBee will see to that.

Floyd Basketball Games Draw Regional Spotlight

Top teams of the 15th region clashed on Floyd county soil during the past week as fans from all over Eastern Kentucky flocked to the local gyms to eye the struggles of the regional "giants" of the hardwood.

Third quarter drives aided Meade Memorial over McDowell, 64-53, and Inez over Prestonsburg, 39-31, while second quarter power helped Wheelwright past Martin and Wayland. At Maytown it was the little but sometimes highly significant foul shots that came into Martin's glory by which they defeated Maytown, 43-41.

Games on Floyd courts which attracted regional attention are reported below:

Inez 39, Prestonsburg 31
The underdog Prestonsburg Blackcats, in a surprising show of strength nearly upset the Inez Indians here last Friday night. A third quarter surge and the fourth quarter narrow margin gained an Inez victory.

The Blackcats got off to a flying start in the first quarter outscoring the Indians eight to three and led the visitors 20-17 at the half. In the Cats' "fatal" third period they gathered only three points while Inez scored ten. Inez picked up more margin in the fourth by getting 12 to Prestonsburg's eight points. A. Harmon and Fairchild paced the Indians with 13 points each and Paul Harmon and Boyd was tops for the Blackcats with eight points each.

Line-ups:
Inez (39) Pos. Prestonsburg (31)
A. Harmon (13) F. P. Harmon (8)
S. Lane (2) F. Rummels (2)
Fairchild (13) C. Boyd (8)
Horn (7) G. Willis (6)
Williamson (2) G. George (5)
Substitutions: Prestonsburg—Lafferty (2), Inez—H. Harmon, (2).

Meade Memorial 64, McDowell 53
McDowell, Ky., Jan. 22 (Spl.)—Last night saw the Meade Memorial Red Devils defeat the McDowell high basketball team, 64-53, in one of the highest scoring contests played here in recent years.

The game was tied at 24-all at the half but Meade's third quarter margin by scoring 21 points to eight tallied by McDowell proved the visitors' breadth of victory although the host team garnered 21 points to Meade's 19 in the fourth period. White and Butcher led the Red Devils' attack with 22 and 18 points respectively with McDowell's Stumbo and Turner getting 19 each.

This week finds McDowell at Auxier tomorrow (Friday) night and at Wayland Saturday night.

Line-ups:
Meade Memorial 64—Pos. McDowell 53
Ward (2) F. Newsome (8)
Murray (13) F. Stumbo (19)
Butcher (18) C. Hayes (3)
Perry (3) G. Newman

W'LAND VETS NIP RAMBLERS TO TAKE LEAD

In League Tournament Staged In Martin Gym; Win Has Double Award

Highlighting their season record of 16 wins against one loss the Wayland Vets won the tourney title in the Floyd County Independent Basketball League two-day pre-season tournament ended at Martin Saturday night. The Vets defeated the Prestonsburg VFW Ramblers, 66-61, in a hard fought hardwood battle.

Not only did the victory carry the tournament title but it also placed Wayland in undisputed possession of the league's number one spot rating.

On their way to the finals the Vets mowed down their opposition in an imposing manner by trouncing the Harold Hilltoppers, 75-65, in the first round Friday night and drubbing McDowell's independents, 74-66, in the semi-finals Saturday afternoon.

The VFW Ramblers earned their entry in the final round by downing Martin, 79-33, Friday night and beating Garrett, 56-45, Saturday afternoon.

Attendance at the first tournament of the newly-formed league was very disappointing in consideration of the fine high scoring play of the teams involved. Nevertheless, the league's officials plan a championship tournament at the end of the regular playing season to determine league's official title holding team for the year.

for the Maroons. While the fighting Wasps took a one-point lead with 12 points to the Maroons' 11, played on even terms with both teams getting six points in the third and 13 each in the fourth, it was Wheelwright's 16 to Wayland's nine points in the fateful second period that settled the issue.

Wheelwright, Meade Make Gains In North, Betsy Layne in South Sections of Conference Tourney

Wheelwright and Meade Memorial vie in the finals Wednesday night to decide the titular representative to compete in the Friday and Saturday final rounds at Pikeville this week to ascertain the Big Sandy Conference champion. However, the runner-up will get another chance, minus the Flat Gap sectional crown, to cop the loop's title in the Pikeville finals.

Wheelwright's Maroons reached the Wednesday night round of the northern section of the Big Sandy Conference tournament by defeating Flat Gap, 49-39, with a nine-point rush from a 40-39 standing during the last two minutes of the first round Monday and getting by Prestonsburg, 35-28, in a close semi-final round Tuesday night. Prestonsburg's Blackcats had downed the Van Lear Bank Mules, 65-37, Monday.

Meade Memorial's Red Devils, a pre-tourney favorite, had a nip-and-tuck tussle before beating Martin's Purple Flash, 49-42, in the other semi-final Wednesday night. Martin hit 17 two-point field goals to Meade's 16 but the Red Devils collected 18 of 22 offered free throws while the Flashmen got eight of 13 gratis shots. In the Monday round the Red Devils scorched Oil Springs, 56-26. Martin earned the right to meet Meade by defeating Paintsville, 70-25, in their Monday night.

In the southern section at Pikeville the opening rounds Monday saw Jenkins' Cavaliers turn back Pike College Academy, 38-26, and Virgie upset Elkhorn City's Cougars, a rated contender, by 49 to 45. Betsy Layne Bobcats took Belfry's Pirates, Tuesday night.

Wednesday afternoon finds the Betsy Layne five meeting Jenkins and Virgie playing Fleming who drew a bye on the withdrawal of the Pikeville Panthers from the tourney. The finals are slated for Wednesday night.

RUPP REPORTS

U. K. Coach Looks Back on the Olympics

(First in a series of articles in which the University of Kentucky's veteran coach looks back on the 1948 Olympics and views world basketball in general).

I—THE OTHERS ARE COMING
There are plenty of games and tournaments just ahead about which we can worry, but basketball coaches in this country can use any spare moments to consider the possibility that the United States may not be the basketball winner when the next Olympic games come along.

Many times since we returned from London last summer I have been asked what thing impressed me most about basketball in the XIV Olympiad I have always answered that the outstanding point noted there was the obvious tremendous gain made by the sport, from an international standpoint, since the 1936 Olympics in Berlin, the only time previously when basketball was played as part of the big games.

Great improvement made by teams from other parts of the world in the last 12 years, despite the interruptions and difficulties brought on by war, was verified and emphasized by everyone at London who also had seen the 1936 tournament.

The championship game in that event, incidentally, was played on an outdoor court, in rain, with the footing muddy and slippery, and the United States won out by defeating Canada by a score of 18-9.

Every team in the Olympics last summer employed the fast break, the style of play now so popular in this country. The teams representing Europe, Egypt, Iran, Iraq, China and the Philippines used what is commonly known as the "freedom offensive" pattern—in other words, the players are free to make their own play situations rather than following a pattern of set plays, the plan so extensively used in the United States today.

Many of the teams in the Olympics this year were in charge of coaches originally from the United States, and the pattern of play was stopped.

I wish to take this means of announcing my candidacy for the Democratic nomination for the office of County Judge. During the past three years I have served you to the best of my ability, and I am sure that my experience will qualify me to serve you better in the future.

The record I have made as your County Judge is open for inspection and the public is invited to check this record and determine whether or not I am worthy of support. I promise you a continuation of honest and faithful service. Your support and influence will be appreciated.

Your friend,
ALEX L. DAVIDSON
(Pol. Adv.)

TO THE VOTERS OF FLOYD COUNTY:

I wish to ask you to consider my candidacy for the Democratic nomination for County Court Clerk of our county.

I am a citizen and resident of this county and have resided here since my return from three years of service in the army of the United States during World War II.

My father, Marson Moore, was born and raised on Left Beaver Creek, near McDowell, Ky.

In education and experience, I feel that I am qualified to serve the people of this county as their Clerk. I realize that the duties of the office are many, that the responsibilities are great, and that the opportunities for serving the people are numerous. I am more than willing to work hard as your Clerk in order to help the people of our county feel that the office of County Court Clerk belongs to them and is at their service at all times. I will try hard to serve you well.

If nominated and elected, my sole ambition will be to conduct myself and the office of Clerk in such a way that the good people of Floyd county will be proud of my work.

TO THE VOTERS OF FLOYD COUNTY:
I believe that the time has come in Floyd county for the voters to work and elect a working man for our Jailer. After all, it is the working man that pays all the bills. The only time the politicians are for the working man is on election day.

I am a crippled man, having lost a leg several years ago. I am a member of Local Union No. 7796, Drift, Ky. I am a resident of Arkansas Creek and am known all over Floyd county as "One-Legged Horse-Swapper" Johnny Conn.

I am a Christian man and trying to lead a good life and all the citizens know that they will be treated fairly if I am nominated and elected.

I call upon the good Christian people and the working people to give an old working man a chance by nominating and electing me Jailer of Floyd county. I am 50 years old and have been a Democrat all my life. I will try and see all the voters that I possibly can between now and the primary election, but being a crippled man, I may not get to see all and I take this method of asking for your support and influence.

Subject to the action of the Democratic primary.

JOHNNY CONN
Arkansas Creek, Martin, Ky.

TO THE FLOYD COUNTY VOTERS:
I come to you again for the Republican nomination for Jailer. I am nominated and elected. I promise you the kind of Jailer the taxpayers need. Thanking you in advance for your support.

FEATURED ATTRACTION AT THE
DRIFT THEATRE
SUNDAY 2:30 P.M. JANUARY 30
7:00 P.M.

Vaudeville STAGE SHOW
JACK W. BURKE PRESENTS THAT SOUTHERN REVUE
"DIXIANA" with those MINSTREL FAVORITES
EMMETT MILLER and "TURK" McBEE IN PERSON

The stage attraction at the Drift Theatre Sunday for the 2:30 p. m. matinee and the regular 7 p. m. show will be a revue type presentation, composed of a bit of the "old" south added to the "new", hence the title "DIXIANA".

Featured in the show is one of the few remaining Black Crow acts. Emmett Miller and "Turk" McBee, both former stars of leading minstrel shows, and appropriately billed now as "The Best in Blackface".

Among the vaudeville specialties, there is an act called "The Do-Res", two charming ladies who play a variety of musical instruments in extraordinary style.

Also is Miss Vera Rogers, singing violinist, formerly featured with D'Artega's All-Girl Orchestra.

Bob Williams will handle "Songs of the Hills" while Elaine Ward offers "Tops in Taps". Or should we say Tap Dancing. The show is fast, with never a dull moment. Miller and McBee will see to that.
