

THIS BEATS ME

I have done my part of "squirrel-hunting" with rod and reel. Indeed at one time, when plagued with a change-over from an old reel which was like it had a couple of flats to a brand-new job, I spent so much time retrieving my lure from willow branches that a now-departed friend of mine averred that instead of following the piscatorial pursuits the nature of my pastime could more precisely be described as arboreal.

For a' that, though, I have never shot a fish out of a tree as did McKinley Sparks, of Prestonsburg. This is the story, vouched for, we are told, not only by Ken but also by three companions:

It happened on Johns Creek. On the first afternoon of their hunt, they bagged a few squirrels, and, up early the next morning, they found the hunting again satisfactory. Then they started home. Approaching the creek, Sparks sighted "something" in the top of a tree. Not certain what it was, he banged away. Out toppled a huge water fowl of seven-foot wing spread.

That wasn't too exciting. But examination of the kill brought on comment. In the bird's talons was clutched a keeper-size bass!

SAMUEL P. PITTMAN
I knew the Most Unusual Person I Have Ever Known, a long time. Thirty-five years, I should say. And he was so unusual that neither I nor any other person I have ever known understood him.

He came to Eastern Kentucky, and Floyd county from the Blue Grass where, I have been told, he was a member of a prominent family. He was of a family whose children were taught by a tutor. He was a graduate of two of Kentucky's greatest institutions of learning.

Tall and straight, courtly in manner, a handsome young man, he could have walked with the Commonwealth's highest, could have traced any drawing room. Yet he came to Eastern Kentucky to spend upwards of forty years in humble, often heart-breaking, service.

I saw him grow old; saw his

DEATH CLAIMS
DEPT. LEADER

Arthur Blackburn, Head
Of Fire Department, Dies
Saturday of Tuberculosis

Arthur Blackburn, veteran Prestonsburg fire chief, died at the age of 48 years, shortly after noon Saturday, at his residence in the City Hall here, a victim of tuberculosis from which he had suffered for several months.

Formerly a policeman here, Mr. Blackburn had been head of the fire department in Prestonsburg about 15 years. He was a son of the late Mr. and Mrs. Tom Blackburn and was a native of Prestonsburg, where he spent almost his entire life. He was widely known in this section, where he had many relatives and friends.

Surviving are his widow, Mrs. Wilton Lou Blackburn, three sons, Vernon Blackburn, Pikeville, Adrian and Tommy Blackburn, both of Prestonsburg, two daughters, Mrs. Denver Calhoun, Louisville, and Miss Edna Grace Blackburn, Prestonsburg; also by one sister, Mrs. Beatrice Isaacs, of Louisville.

The funeral was conducted Tuesday afternoon at 2 o'clock from the chapel of the Arnold Funeral Home, the Revs. Isaac Stratton and M. Robert Regan officiating. Burial was made in the Gearheart cemetery here.

Active pallbearers at the rites were members of the volunteer fire department here whom Mr. Blackburn had trained and worked with over a period of several years.

ASK TAX AID
FROM REEVES

To Equalize Assessments
Here; Office Vacancies
Filled As Three Named

State aid toward the solution of Prestonsburg's tax problems is to be sought by the City Council.

This fact was established Tuesday night when the Council voted to contact H. Clyde Reeves, chief of the state Department of Revenue, and have him send to Prestonsburg a representative to establish an equalization based on an accurate assessment of property values.

Two vacancies created in municipal offices here by death were filled by the Council at its session.

Tommy Blackburn, well-known Prestonsburg athlete, was named fire chief to fill the post occupied by his father, Arthur Blackburn, until the elder Blackburn's death Saturday, and Burl Spurlock, executive vice-president of the First National Bank here, was named to the Prestonsburg Gas and Water Commission to fill the vacancy created by the death of F. C. Hall recently.

A third vacancy, this existing in the police department as a result of the imprisonment of Policeman Bill Kazee in the slaying of Mrs. Elmer Blackburn, was filled with the employment of Nelse "Pie" Gilliam who formerly acted in the same capacity here.

The Council provided at the meeting that each member of the four-man police force is to have a weekly vacation of one day.

An ordinance was enacted setting a license fee of \$250 for individuals who haul garbage in what was described as "cutthroat competition" with the city's garbage department. The main objection to such competition lay, it was pointed out, not in price-cutting but the improper garbage disposal methods practiced by these individuals. The Council's action was prompted by written complaints of residents of the Middle Creek community in the vicinity of the city garbage dump, Mayor Curtis Clark said.

Salt Lick Raid Adds
Others to Jail Roster;
Two Are Fined, Jailed

Vendors, owners and drinkers of intoxicants, along with those driving under their influence, had a hard week-end of it as Floyd county officers jailed 32 persons on these offenses.

And during the week the jail list grew with a raid by Sheriff A. B. Meade, his deputies, Deputy U. S. Marshal Wince Trimble and G. R. Allen, state Alcoholic Beverage Control investigator, in the vicinity of the Floyd-Knott line on Salt Lick Creek, Wednesday.

There they arrested three men and confiscated six gallons of moonshine whiskey. Alf Howard, near whose home two gallons of whiskey were found, pleaded guilty before Magistrate M. C. Wright, who set up court in a store at Bosco during Wednesday afternoon. He was fined \$100 and given a 30-day jail term.

For Alf's father, Wiley Howard, a warrant charging possession of whiskey was issued. Four gallons were found near his home.

Frank Nestor, of the same neighborhood, was jailed on a \$1,000 peace bond forfeiture and for possession, and his neighbor, Lee Howard, was arrested on charges of drunkenness, assault and battery and giving away whiskey.

James Campbell, whose premises at Martin were raided at 3 a. m., Saturday by Constable Adam Martin and others, was sentenced to jail for 30 days and fined \$50 by Magistrate Wright. A pint of moonshine was found by the raiders.

Earl Castle was raided at Estill at dawn Sunday and two pints of wine and half a case of beer were found. The same group of officers found four half-pints of whiskey in the auto of Clyde Halbert at the "Y" at Allen.

Cubs and Parents Hear
Address on Membership

Vance Leonard, Pikeville, addressed a gathering of approximately 30 Cub Scouts and 20 parents last week at the Prestonsburg Presbyterian Church.

Mr. Leonard stressed the fact that there is "no such thing as just Johnny joining a Cub Pack—it's Johnny, father and mother who join!" "Indeed," he cited, "it's not just Johnny—but the whole family!"

The honor banner was awarded to Den Five, for the best attendance of Cubs and parents over a three-month period. Mrs. Max Burns is Den Mother. Awards were made to Joseph D. Harkins, III, Bill Jones, III and Tim Howard (2) for Cub achievement.

Rainey White was designated as Institutional representative; Committee chairmen named were Marvin Music, J. Y. Goble, Ernest Osborne, R. L. Shepherd and Glenn Anderson. Ray Howard was named Cub Master and Dr. George Archer was designated as assistant Cub Master.

'Organize and Holler,' Is Advice
Of Thompson to Valley Citizens

BIG SANDY'S
CANAL ISSUE
MUCH ALIVE

Says Association Leader,
But Needs Active Work
By People of Section

To newspaper reports predicting that Congress will not take any action at this session on the canalization of the Big Sandy river, Dr. O. W. Thompson, Scrapping President of the Big Sandy Valley Association replied this week with not a hint of discouragement either in voice or manner.

Said he: "It's lying there, ready to be put before the Congress any time. They're confusing this issue. We are not asking for an appropriation at this time—what we're working for is authorization, not money."

Then he challenged the people of the valley:

"That is telling the people of this valley, 'You must get enthusiastic, organize and holler!'"

The present drive is to get the Congress to authorize the river for canalization at a future date. Then it will come up with other projects adjudged meritorious for consideration in the matter of appropriations.

To the end that the rank and file may take an active part in the drive for canalization, the Big Sandy Valley Association has launched a membership drive with a goal of 50,000 members. "Fifty thousand should be the minimum from a section of 500,000 people," observed Dr. Thompson.

The association leader this week urged all members, committee chairmen and others interested to attend the general Association meeting to be held at the Brown hotel here Saturday afternoon at 2 o'clock.

The report from Washington follows, in part: The feeling that Big Sandy canalization will be delayed grew as the Senate Public Works committee placed the omnibus rivers and harbors authorization bill on the calendar without waiting for the new Big Sandy survey it requested last year of the U. S. Corps of Engineers.

An "economy" feeling has developed, and the Senate committee decided not to add projects that were not in the House bill. Representative Carl Perkins, Democrat from Hindman, recently sent a letter to all members of the

At the morning service children will be christened and members will be received into the church. An Easter egg hunt will be held for the children's division at the church at 2:30 Sunday afternoon. The Porter Addition Sunday School will have an Easter egg hunt at 2:30 p. m.

Flu Complications Fatal
To Goodloe Woman, 74

Mrs. Betsy Nelson, 74 years old, succumbed Saturday morning at her home near Goodloe, a victim of heart complications following an attack of influenza.

She was a daughter of the late Wiley Stone and Manda Bradley Stone. Surviving are three sons and three daughters, Wiley Nelson, Goodloe, Joe Nelson, Blue River, Nathan Nelson, of Oklahoma, Mrs. Maggie Hicks, of Virginia, Mrs. Nancy Shelbert, of Indiana, and Mrs. Anna Johnson, Yeager, Ky. Two brothers, Butler and Johnny Stone, both of Blue River, also survive.

Her funeral was conducted Sunday morning from the Buckeye school, with burial made under direction of the Arnold Funeral Home.

Plan Clothing Drive
With Clean-Up Week
For Aid of Indigent

Clean-up Week, which Mayor Curtis Clark is expected to proclaim for the week beginning April 16, will see a drive to collect discarded clothing for use by the poor, particularly by underprivileged children, the Kiwanis Club announced here Tuesday.

Harry Fiedler, chairman of the club's committee on Underprivileged Children, said clothing thus procured will be placed in the hands of Mrs. Dorothy Burke, of the Welfare Department, for distribution. He will announce collection stations and dates of the house-to-house canvass to be made during the week.

While the Kiwanis Club is primarily interested in clothing for children, it will accept garments for any age group and make them available to the Welfare Department which has a list of needy families, it was said.

WAYLAND INFANT DIES

Paulette, seven-year-old daughter of Mr. and Mrs. Paul Prater, Wayland, died this morning at home.

A. J. Baldrige, 82,
Dies on Little Paint;
Funeral Held, Sunday

Andrew J. Baldrige, well-known Little Paint farmer, died last Thursday at 8 p. m., at his home at the age of 82 years. In failing health for some time, Mr. Baldrige suffered an injury in a fall, a year ago, and never fully recovered.

He was the last of A. J. and Patsy Dawson Baldrige and was a native of the community in which he died. His industry and sturdy farmer qualities won the respect of all who knew him.

His wife, Mrs. Hettie Music Baldrige, died seven years ago. He leaves three sons and five daughters: W. L. and Jimmy Baldrige, both of Little Paint, Thomas J. Baldrige, Richmond, Va., Virgie Baldrige and Mrs. Louise Davis, both of East Point, Mrs. Grace Litteral, Prestonsburg, Mrs. Sally Clark, and Effie Baldrige, Lexington.

Funeral rites were conducted Sunday afternoon from the residence, the Revs. Moses Kitchen and Green Allen officiating. Burial in the family cemetery was directed by the Carter & Callihan Funeral Home.

Trial of Suit Slated
Before Special Judge
As Hill Vacates Bench

Administration forces in the Floyd County Board of Education last week not only presented a defense to charges made in a suit filed, March 25, by two of its members but also mounted an offensive of their own.

The joint and separate answer and counter-claim of Palmer L. Hill, County Superintendent and Secretary of the Board, and Board Members Alonzo Stratton and Dr. W. D. Osborne alleged that Dr. J. H. Allen, who with James Green filed the original action, had forfeited right to office as a member of the Board and asked the Floyd circuit court to restrain him from acting as such.

Dr. Allen's status as a Board member was assailed on the grounds that he had received benefits from the Board while acting as a member.

Circuit Judge Edward P. Hill vacated the bench for hearings on various phases of the litigation, and Jean L. Auxier, Pikeville, was certified by the Court of Appeals as special judge to preside.

Hearing on demurrers and all preliminary motions was set for Saturday, April 11, and the case as a whole was set for trial on the following Saturday.

A temporary restraining order was issued Friday to prevent Fred Fraley, whose appointment to succeed his brother, Ray, as Board member from Division 4 precipitated the legal battle, from serving on

FLOYD CENSUS BEGINS

"Nose counting" of the 17th census began in Floyd county and the nation on Saturday as 54 enumerators swung into action in the county.

They are working under the supervision of German Vance, Martin, Mrs. Pauline Burchett and Mrs. Gladys Allen, both of Prestonsburg.

FOREST FIRE
PROBE BEGUN

Court Action Necessary,
Crum Says, After Talk
Fails; Penalty Cited

Palmer Crum, ranger, Floyd Unit, Division of Forestry, said this week an intensive investigation into numerous forest fires in Floyd county is under way and that admissions of guilt have been made by some of those accused of setting destructive blazes.

The probe was intensified after 15 separate fires spread through Floyd county woodlands on Monday, March 27. Whipped by a high wind, the fires that day were so widespread and furious that firefighters were powerless to cope with them. Rain during the night halted their spread.

The same day, two Magoffin county homes and three barns burned as a result of forest fires.

Mr. Crum said that Floyd county has had 30 forest fires since Jan. 1 and that of these approximately 80 per cent were caused by persons burning off gardens and pasture fields while strong winds were blowing and without taking time to rake rakes around the area to be burned.

He cited Section 7 of the Kentucky Revised Statutes which provides a fine of not less than \$10 nor more than \$100 or a jail term ranging from 10 days to six months, or both fine and jail sentence, for any person who intentionally or negligently sets woods afire.

"Talk doesn't do any good with most of these people," Crum commented. "Good citizens should report persons who are guilty of setting fires and let the courts help us stop this destruction."

Recommend Reservoir Area
For Use as Wildlife Refuge

State Division Told
25-Year Lease Should
Be Taken On Area Land

The United Fuel Gas Company began work Wednesday on relocation of its gas lines in the vicinity of Dick's Creek, in the Johns Creek reservoir area, and when the job is completed the last barrier to inundation of the valley will have been removed.

The work is expected to be completed next month. Even before it is completed, gates to the Dewey dam may be closed, it was said. One gas company official said that, barring the event of a flood, closing of the gates would not raise the water in the Dick's Creek section to a depth to interfere with work before the lines are out of the way.

Congressman Carl D. Perkins wrote The Times that Col. Pockras, of the Corps of Engineers, Huntington district office, had told him that as soon as the low-level lines are raised impoundment will begin and will be continued along as the lines are raised.

The report made to the Division after a study of the reservoir area had been completed said that already there is a reasonably high population of most of the native small mammals such as gray fox, opossum, raccoon, skunk, rabbit and squirrel. There may be a few ruffed grouse now in the area, and the Johns Creek valley has a reasonably large quail population. Inundation of the valley, however, will greatly reduce quail habitat. There are no wild turkey or deer in the area now, although a few deer may pass through that section occasionally, since some range Floyd and adjoining counties.

The Corps of U. S. Engineers is known to desire wildlife conservation in the area, with reforestation a hope. All this development, along with realization of other benefits of the reservoir, remains to be realized.

BAR MEETING
HALTS COURT

Absence of Attorneys
Cuts Into First Week;
Will Re-Set Saturday

The meeting of the Kentucky Bar Association, which convenes in Louisville Wednesday, cut the first week of the April circuit court term to less than a two-day's time.

Several members of the Prestonsburg bar had indicated their intention to attend the state bar gathering, and it was decided an attempt to start actual work of the court would be useless.

The grand jury continued its work through Tuesday, will return for four days next week, then come back for three more days later in the month. John Hopson was named foreman.

Circuit Judge Edward P. Hill stressed in his instructions the offenses of murder, drunk driving and offenses against the conservation laws.

The court will resume work on its large docket, Saturday. Seven murder cases are docketed for trial at this term.

SKYLINE MINE SET TO OPEN

Breathitt Strip Mine, Seen As Floyd Benefit, Has 60,000 Ton Output
The Skyline mine of the Pond Creek Pocahontas Coal Company in Breathitt county will begin operation, April 15, it was announced in Huntington, W. Va., Friday.
(This is the big coal operation referred to in an editorial in The Times, March 30, urging highway connection with the operation from this county.)
Production was scheduled originally to start about January 1, the announcement — contained in the company's annual report said, but was delayed by disruptions in the industry.
The company opened its No. 1 mine in the area, near Evanston, Breathitt county, last July.
A strip-mine enterprise, it now has a capacity of about 60,000 tons a month.
Referring to the plant to be opened in mid-April, the report said it will be "one of the finest and most complete" ever constructed.
It also said that it will produce "one of the highest grades of bituminous coals we have ever produced."
Capacity production is expected to be 600,000 to 700,000 tons a year.
The comparing annual report foresaw during the coming year "a better market than (for) the industry as a whole" for high grade coals.
The report estimated the coal strike last year cost the company through loss of profits, maintenance, depreciation and overhead approximately \$1,750,000, and employs \$2,000,000 in wages.

Garrett-Lackey Club Elects '50-51 Officers; Hears Drive Reports

The Garrett-Lackey Woman's Club named its officers for the 1950-51 club year in a meeting held Monday night, March 27, at the home of Mrs. J. C. Wells.
The new officers recommended by the nominating committee and elected without opposition are as follows:
Mrs. R. F. Vinson, president; Mrs. F. M. Rasnick, vice-president; Mrs. S. M. Martin, recording secretary; Mrs. Willard Castle, corresponding secretary; Mrs. George Evans, Jr., treasurer. The officers will be installed at a club breakfast to be held sometime in the latter part of May.
The nominating committee was composed of Mesdames Charles Hornsby, E. C. Blanton, Roy Souleyrette, W. T. Hatcher and Thomas Hatcher. Mrs. Willard Castle, who was hostess to the club for the occasion, opened the meeting by reading the club collect. This was followed by an extended business session.
Mrs. Roy Souleyrette, chairman of the ways and means committee, reported of the success of the Sock-Hop which netted \$18.34 toward the club's \$100 Scholarship Loan Fund, making a total of \$75 to date.
Mesdames R. F. Vinson and John Wallace reported the recent parcel-post drive a "huge" success. An auction sale is planned to take place soon at a pot luck supper with the Lions Club and Woman's Club in a joint meeting. Ivan Childers, Estill, will be auctioneer. Proceeds will be applied to the scholarship fund. Committee in charge of arrangements is made up of Mesdames Willard Castle, Roy Souleyrette, John Wallace, N. D. Howard and Thomas Hatcher.
It was decided to entertain the Wheelwright Woman's Club, May 14, with the following ladies in charge: Mesdames R. D. Spencer, F. M. Rasnick, C. B. Ison, Felix Coburn, and Troy Webb.
An invitation has been extended the club to visit the Wheelwright Woman's Club, April 15. Twenty-five members indicated they would attend.
It was voted to contribute \$5.00 to the crippled children's fund and the same amount to the Korean fund to apply toward rehabilitation in that area.
Mrs. Harry Sherman, Gio, was reinstated as a club member after living away for a year.
In the absence of Mrs. Melvin Hayes, program leader, Mrs. J. C. Wells assumed charge of the program, "Preparing Youth for Tomorrow's Citizenship." "Ten Stepping Stones to Success," a most fitting introduction, was given by Mrs. Carlton Wrightson who emphasized each step with a timely illustration.
"Making a Difference in Citizenship," a condensation from an NEA Journal, by Evan C. Evans, was presented by Mrs. R. F. Vinson in an interesting manner. "Can Schools Develop Better Citizens?" a current problem common to all people, was given by Mrs. W. T. Hatcher. This Article was a summary as appeared in NEA Journal by Stanley Diamond.
Dainty refreshments were served by Mrs. Castle to Mesdames N. D. Howard, Carlton Wrightson, J. T. Fraley, E. C. Blanton, Erwin Mullins, J. E. Miller, C. B. Ison, F. M. Rasnick, M. M. Collins, R. F. Vinson, Felix and Ellsworth Coburn, Charles Hornsby, R. L. Gardiner, W. T. Hatcher, Floyd Copley, John Wallace, Roy Souleyrette, Fred Hall, S. M. Martin, R. D. Spencer, J. C. Wells, Quentin Terry, Thomas Hatcher and Miss Marie Coburn.
The next meeting will be a "Sewing Bee" at the home of Mrs. John Hampton with Mrs. J. T. Fraley as hostess.

LIGON DRIVER DIES IN WRECK

Hamilton Victim in Pike On First Trip at New Job With Coal Mining Firm
Hauling the first load of coal on his first day of employment, Charles Elliott Hamilton, 18, of Ligon, truck driver for the Thorpe and Hunt Coal Co., of Biggs in Pike county, was fatally injured beneath the vehicle at 9:30 a. m. Tuesday.
The accident occurred near the mine location, according to reports reaching here, he was driving the truck close to the edge of the road when the shoulder gave away. The youth attempted to jump clear but was caught under the vehicle.
He died 40 minutes later at Shelbyville while on his way to the hospital.
The son of Charles and Ethel Elliott Hamilton, he was born October 1, 1931 at Weeksburg. He had lived at Ligon for four years.
Surviving, in addition to the parents, is a sister, Mrs. Dorothy Lee Hamilton Meade, Ligon.
Funeral service has been tentatively set for Friday at the home, with the Reverend Jerry Hall officiating. Burial will take place in the Jake Hamilton cemetery at Beaver.

In the absence of Mrs. Melvin Hayes, program leader, Mrs. J. C. Wells assumed charge of the program, "Preparing Youth for Tomorrow's Citizenship." "Ten Stepping Stones to Success," a most fitting introduction, was given by Mrs. Carlton Wrightson who emphasized each step with a timely illustration.
"Making a Difference in Citizenship," a condensation from an NEA Journal, by Evan C. Evans, was presented by Mrs. R. F. Vinson in an interesting manner. "Can Schools Develop Better Citizens?" a current problem common to all people, was given by Mrs. W. T. Hatcher. This Article was a summary as appeared in NEA Journal by Stanley Diamond.
Dainty refreshments were served by Mrs. Castle to Mesdames N. D. Howard, Carlton Wrightson, J. T. Fraley, E. C. Blanton, Erwin Mullins, J. E. Miller, C. B. Ison, F. M. Rasnick, M. M. Collins, R. F. Vinson, Felix and Ellsworth Coburn, Charles Hornsby, R. L. Gardiner, W. T. Hatcher, Floyd Copley, John Wallace, Roy Souleyrette, Fred Hall, S. M. Martin, R. D. Spencer, J. C. Wells, Quentin Terry, Thomas Hatcher and Miss Marie Coburn.
The next meeting will be a "Sewing Bee" at the home of Mrs. John Hampton with Mrs. J. T. Fraley as hostess.

Telephone Wages Are Way Ahead of the Cost of Living

Eight General Increases in the Last Ten Years Have Boosted Wage Rates 117% While Living Costs Have Increased About 73%. Any Further Increase in Wages Would Have to be Paid by Telephone Customers

Telephone employees, like everyone else, have faced a steep increase in the cost of living during the last ten years. What about telephone wages—have they kept up?
As the chart clearly shows, telephone wages have more than kept pace—leaving a substantial margin in our employees' favor. Telephone wage rates have been increased 117 per cent since 1939 compared with an increase of about 73 per cent in the cost of living for Southern cities.
Southern Bell employees have received eight general wage increases in the last ten years. In addition, they regularly receive automatic "progression" raises according to a schedule which begins the day they start work and continues with frequent increases until they reach top pay for their respective jobs.
During the next twelve months, 3 out of 4 Southern Bell employees will receive at least one such automatic increase. Many will get two and three.
Today, as always, Southern Bell people receive wages which compare favorably with those paid by other concerns in the community for comparable skills and experience. Can you think of any yardstick fairer than that?
Add to good wages the assurance of year-round employment, liberal sickness, accident and death benefits, and a pension plan that is among the best in all industry, and you can readily see that telephone employees are doing all right.

Want a complete, cooked meal for 25 cents?

You can have it if you will move to Weeksbury and are willing to go back to school.

Through efforts of the local Parent-Teachers Association Weeksbury school children are provided hot noon lunches for a quarter on a non-profit basis, financed by local residents of this Eastern Gas and Fuel Associates mining community. They are doing it without federal or state aid which would make it possible to reduce the price still more.

There has been a noticeable improvement in the health of the children since the program began last fall, school authorities say.

OFFICIAL PAY RAISE OKEHED

1949 Tax Levy Retained Tuesday; Road Program Set In Friday Meeting

The Floyd fiscal court at its session here Tuesday voted its approval of the salary schedule adopted, Dec. 31, for county officials in anticipation of effectiveness of the salary limit raise made possible by Constitutional amendment, and also raised the per diem of Magistrates for court attendance in an effort to offset these officials' financial loss when they were deprived to pay for road supervision.

The Magistrates who until this year were allowed pay of \$6 a day for road supervision were voted \$15 a day for each day attending fiscal court sessions.

The salary raises voted county officials, Dec. 31, were: County Judge from \$4,200 to \$5,400; County Attorney, from \$1,800 to \$3,000; County Clerk, from \$750 to \$1,200. The jailer's salary of \$100 a month was unchanged, but his janitor fee was upped from \$100 to \$150 a month.

The maximum any official may be paid was set at \$7,200. The salary schedule becomes effective July 1.

The W. C. Thornsburn Company, Cincinnati, was authorized to negotiate for issuance and sale of approximately \$45,000 worth of bonds to pay a floating debt of the county.

All three Floyd county banks—the Bank Josephine and the First National here and the First Guaranty at Martin—were designated depositories for county funds, such funds to be divided as equally as possible among them.

The county tax levy was set at Tuesday's session at the same rate as in 1949: 50 cents per \$100 valuation on real and personal property for the general fund; 20 cents per \$100 on real and personal property for the bond fund; \$1.50 poll tax.

Appropriations for the County Health Department and the County Agent were quickly voted—\$4,320 for the health work; \$1,050 for the farm agent, plus \$1,100 for clerical hire and office expenses.

The court accepted right-of-way from landowners on the right fork of Little Paint Creek to the Johnson county line, promising road construction as soon as possible. It designated County Judge Henry Stumbo to meet with the landowners and agree on the location of the proposed route.

The condemnation suit ordered by the court to be filed against Delmas Saunders to procure right-of-way for a bridge across Abbott Creek was withdrawn, and at the same time County Attorney W. W. Burchett was directed to procure rights-of-way, by purchase or otherwise. These rights-of-way are over the lands of Minnie Miller, John Staley, Julia Hicks' heirs, Oak Cooley and the I. Richmond heirs on the Northern-David road, and over the property of Noah Vance, Paul Tackett and Andy Kiser on the Harold-Ligon route.

Last Friday, the fiscal court met with representatives of the rural highway department to plan a program on which the county's \$64,979.98 share of the \$5,000,000 state rural road fund shall be spent. In brief, this is the program:

Limited maintenance only, including the placing of surfacing, patrolling, ditching, draining and repairing of the following roads, all work to be done by the county:

Little Mud, 3.2 mi.; Brandy Keg-Johns Creek, 1.6 mi.; Toler Creek, 2.6 mi.; Cliff-Abbott, 8.7 mi.; Stephens Branch, 1.5 mi.; Frazier's Creek, 1.4 mi.; Turkey Creek, 2 mi.; Branham's Creek, 1.5 mi.; Lower Bull, 1.9 mi.; Rough and Tough, 3 mi.; Upper Bull, .8 mi.; Drift-Martin Branch, 1 mi.; Sizemore, 1 mi.; Spurlock, 2 mi.; Wilson Creek, 1.5 mi.; Little Pa't, 1.2 mi.

Regular routine maintenance work was specified for these routes: Prestonsburg-Allen via Bull Creek, East Point-Auxier-Cliff, Steele's Creek, Frazier's Creek, Rock Fork, Buck's Branch, Prater Creek, Betsy Layne high school road, Arkansas.

Bituminous surface was specified for one mile of the Big Mud road, beginning at Harold, and for the same distance on the Frazier's Creek route. Left unobligated were \$3,419.99 of the fund.

P'BURG 'SENATOR' SPONSORS BEST YOUTH ASSEMBLY BILL

Prestonsburg boys and girls had no small hand in the "affairs of state" Friday and Saturday at the sixth annual Kentucky Youth Assembly at Frankfort.

Approximately 500 school boys and girls and their teachers, sponsored by the state Y.M.C.A. and affiliated groups, met for a two-day joint session of their own "House" and "Senate," elected their own state officials who were duly sworn into office and operated, in mock fashion, the state government.

The Prestonsburg representation pushed through to passage three of their four proposals, the school Tri-Hi-Y club was awarded plaques for proposing the best bill and having the best presentation of it on the floor and came very near electing one of their number to a "state office."

The award-winning bill, Senate Bill No. 3, sponsored by the Prestonsburg delegation and introduced by Senator Bonnie Jean Wells, was "An act to establish in every accredited high school in Kentucky a program in guidance and counseling as a part of the total program of educational services." In content, the measure would require high schools to furnish counselors to advise students on whether they should go to college or pursue industrial training.

It passed, 412 to 66, according to Katherine Akers, press secretary of the delegation.

Of particular interest, inasmuch as the bill was proposed by a group from the Prestonsburg school whose cheerleader, Muriel Baldrige, was slain last June, was House Bill No. 30, introduced by Billy Ray Wells and Claude Arnett. It was worded, "An act to establish a penalty of ten years imprisonment in a state penal institution and fine of not less than \$500 to be imposed on any and all persons convicted of a sex crime short of the death penalty within the borders of the state."

The sex bill was killed in the law committee Friday. When the "Assembly" reconvened Saturday morning, young Wells took the floor, speaking briefly in behalf of the proposal and secured the necessary two-thirds to bring it to the floor for a vote. It passed, 342 to 144.

House Bill No. 32 was the third Prestonsburg successful proposal. Introduced by Joan Varney, it was "An act to provide for the teaching of sex education in all high schools in Kentucky and required that all students must attend classes and only competent instructors be permitted to teach such a course." The measure passed, 312 to 178.

A fourth Prestonsburg bill was introduced by Burl Green and Billy Hye Music. Although one of high merit, it failed to emerge from committee to reach a floor vote. Labeled as Senate Bill No. 4, it died in committee.

FLOYD GROUPS APPROVE PLAN Of Red Cross To Found Blood Center; County's Quota Only Half-Reached

The Floyd County Medical Society, the Floyd County Health Department, county hospitals and Floyd Chapter, American Red Cross concurred in a meeting last Thursday night at the Brown hotel here in approving the national blood program of the Red Cross and the county's participation in the program.

This action was one of the things necessary for Floyd county to benefit from the blood and blood derivatives to be stored at the Huntington, W. Va., center.

The other requirement Floyd county must meet is to attain its quota during the current fund drive for the Red Cross. As of Tuesday, this week, the \$7,000 quota was little over half attained. Special gifts from larger contributors, however, had barely begun coming in at that time, and Floyd Chapter is still hopeful the full amount will be realized.

The Red Cross' blood program has been strongly urged by General George C. Marshall, chairman of the American Red Cross, as a measure to be taken against the eventuality of future war or disaster when the need for blood and its derivatives might be greater than ever before. The plan outlined for Floyd county provides 15 visits a year to this county by a mobile blood unit, and on each of these visits 100 pints of blood will be asked.

Despite the fact that \$7,000 is needed by the chapter, only \$245 of that total will go to the Huntington blood center. Blood needed by any Floyd county unit will be supplied, free of charge, through the center.

Asks Homeowners Here To Prepare for 'Sesqui'

Mrs. James Camicia, local chairman of the Home Beautification committee for the Floyd County Sesquicentennial, this week asked Prestonsburg home-owners to begin now to prepare their premises for the view of visitors during the four-day event beginning July 1. "We should begin now to clean up our premises, plan and work for attractive lawns and to plant flowers," Mrs. Camicia advised.

GARRETT METHODIST CHURCH NEWS

(Last week's correspondence)

The Sewing Club met this week with Mrs. Jim Wallace. A great deal of work on aprons and pot holders was accomplished after which delicious refreshments were served to the following members: Mesdames O.C. Hayes, Joel Martin, J.M. Martin, J.M. Preston, Delbert Sloan, Alton Stone, Leck Martin, E. C. Blanton, Morris Petrey, V. A. Hayes, Maude Daniels and Mrs. Beatty.

The previous week the Club met with Mrs. Delbert Sloan. There were several present in spite of the wintry day.

Our first team of basketball topped Martin by only a few points on Saturday night. Our second team lost to Martin by only one point. Everyone is urged to attend these games.

There was good attendance at Sunday School held at 9:30 a.m. Joel Martin added to our Birthday bank.

Church services will follow the regular Sunday School on April 2. Everyone is cordially invited to attend both services.

The regular business meeting of the Christian Board of Education will be held on April 7, following the Prayer Service. Every member is urged to be present at all business meetings and to share the responsibilities of the progress of our church.

Funeral Services Held For Bud Ratliff, 69, Retired Floyd Farmer

Funeral services were held on Wednesday of last week for Bud Ratliff, 69, retired Floyd county farmer, who died Monday at his Prestonsburg home following an illness of two years. Cause of death was given as diabetes and complications.

A native of this county, he was the son of the late Mr. and Mrs. Tom Ratliff. He had been a resident of Prestonsburg for the past two years.

Survivors include his wife, Anna; a son, Junior Ratliff, Prestonsburg; seven daughters, Mrs. Nora George, Mrs. Oma Connors, both of East Point, Nancy, Pauline, Virginia, Madge and Mary Ann Ratliff, all of home; three brothers, Albert, of Lancer, Denzell, of Martin, and Dick Ratliff, of Ivel; and two sisters, Mrs. Nora Mankins, of Ashland, and Mrs. Florence Stafford, of Catlettsburg.

The services were held at the Prestonsburg Freewill Baptist church with Rev. Ted Green officiating. Burial took place in the family cemetery on Johns Creek with the Arnold Funeral Home directing.

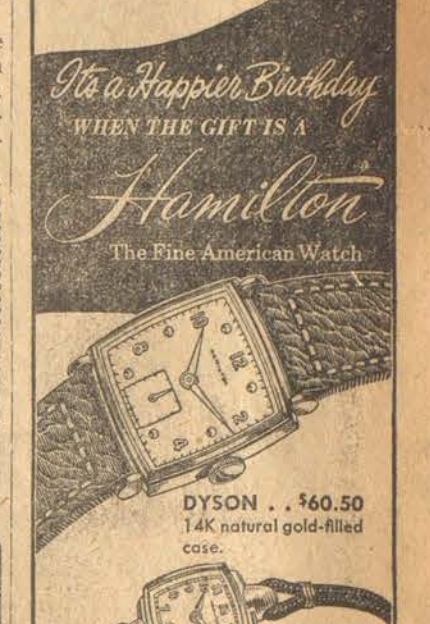

NOTICE TO THE PUBLIC:

Floyd county barbers met March 28 and it was agreed there would be no change in prices or closing hours.

BANKERS PLAN FARMING AID

Decide County Cannot Depend Solely on Coal; Graham Addresses Group

Floyd county's bankers agreed here last Thursday with agricultural leaders that Floyd county's economy must not depend solely upon the coal mined from beneath its topsoil; that, instead, the things which grow in and above that soil figure prominently in Floyd county's economic future.

And so, the bankers agree, there must be something done for agriculture in this county. Plans were talked, generally, and later they hope to "get down to cases."

John Graham, agricultural expert of the Kentucky Bankers Association, was brought here for the meeting. His presence here was upon the request of J. D. Harkins, president of The Bank Josephine.

Mr. Graham met at the Brown hotel with Mr. Harkins, Russell Hagewood, cashier of the First National Bank, G. C. Spradlin, cashier of the First Guaranty Bank, Martin, H. D. Fitzpatrick, W. J. May and Adrian Collins, vice-president, cashier and assistant cashier, respectively, of the Bank Josephine, R. L. Shepherd, Vocational Agriculture teacher here, R. C. Barnett, instructor in the veterans' on-the-farm training program, and Billy Ray Wells, president of Future Farmers of America chapter in Prestonsburg high school.

The general plan discussed was to formulate a program for the benefit of Floyd county farmers, with the three Floyd county banks as sponsors and sharers of the expense involved. The program, which will probably start off in a small way, will serve as an agricultural stimulant, it is planned. Behind it all, it is explained, is the idea of increasing the county's agricultural income.

R. L. Shepherd, with other agricultural leaders, will work out a specific plan of action and submit it to the three banks for their approval and support.

Mr. Shepherd is now working, independently of plans discussed at Tuesday's meeting, on the formation of a soil conservation district in this county. Reforestation, he said, could later be developed as one part of the bankers' agricultural program. Seedlings are available to landowners at a cost of only \$4 per thousand, and the federal agriculture program will pay the landowner \$7 per acre (approximately 700 trees) for planting the seedlings.

Other phases of farming to be given consideration in the study of plans will be small fruits, vegetables, the growing of beef and dairy cattle.

A child's shoes—just ONE of the essentials she must buy. And today a decent pair cost about \$6. That's almost as much as YOU paid for a fine pair of men's shoes ten years ago. To compensate for today's doubled cost-of-living, you have to pay twice as much.

By the same token the family-size Life Insurance you arranged for ten years ago can't do the job today.

Could your widow exist on the insurance you provided when the dollar bought twice as much? Would the cash you leave make up the slack created by the higher cost-of-living?

Or would she have to work—and deprive your children of a MOTHER'S TIME and care—the greatest gift a man can leave. See me soon and let's discuss this important matter.

HENRY PATTON VICTIM AT 78

Former Superintendent Of Schools, Insurance Leader Dies Saturday

Henry F. Patton, 78 years old, retired general agent for the Commonwealth Life Insurance Company, Louisville, and onetime Superintendent of Floyd county schools, died Saturday morning at the Fort Gay, W. Va., home of his daughter, Mrs. J. W. Preston, after a long illness.

Mr. Patton's illness had its inception about eight years ago. Later, a fall caused permanent injury which caused him to relinquish control of his insurance business here, one of the section's largest, and his other business enterprises.

Henry Fisher Patton was born in Lawrence county, Jan. 17, 1872, the son of Hiram and Susan Elizabeth Booten Patton. At the age of 12 he came by steamboat to this county where he resided with his uncles, Tom May and Ralph Booten, and later with Sam, Bill and Beverly May. After teaching for 27 school terms, he was elected County Superintendent, an office he held for two years.

For approximately 40 years thereafter he was in the insurance business here and during that time he was prominently affiliated with the development of Prestonsburg. He built a two-story brick building on Court street which included his residence and insurance office, and was chairman of the Prestonsburg Board of Education when the present high school building was erected. He was an active member of the Methodist Church here and for some time was a Sunday School leader. Mr. Patton was a charter member of the now-defunct Prestonsburg Rotary Club and was a 32nd degree Mason. His business and personal contacts in civic, church and school activities provided him one of the widest acquaintanceships gained by any Eastern Kentuckian, and he had hundreds of friends and relatives throughout the Big Sandy valley.

Mr. Patton was first married to Miss Victoria Allen, and to this union were born one son and one daughter, the latter, Mrs. Laura Janice Preston, Fort Gay, W. Va., surviving. After the death of Mrs. Patton, he was married on Nov. 3, 1908 to Miss Bertha Lee Carpenter, of Salyersville, and to this union was born one daughter, Cornelia Irene, now Mrs. Claybourne Stephens, of Prestonsburg.

Besides his widow and two daughters, Mr. Patton is survived by a half-sister, Mrs. Stephen Compton, Columbus, O., one half-brother, Sam Salyers, Dayton, O., a step-brother, Charles Salyers, seven grandchildren and four great-grandchildren.

The body was brought to the home here of Mr. and Mrs. Claybourne Stephens, and funeral rites were conducted Monday afternoon from the Methodist Church, the Revs. A. C. Harlowe, M. Robert Regan and Wm. Hugh Smith officiating. Burial in the Mayo cemetery was directed by the Carter & Callihan Funeral Home.

alleged this privilege was granted June 20, 1946 by Order No. 11, which reads:

"Jeff Moles moved that Bertha Allen be allowed water from the Maytown water lines in consideration of said lines passing over her property, so long as said water lines function to supply water. Dr. Allen having been absent from this meeting, this motion was seconded by Ray Fraley and upon being put to a vote, it was unanimously passed . . ."

2. Because the C. & O. Railway Company issued to Dr. Allen a pass to any point in Kentucky, that this pass was in force during 1949 and 1950 and Dr. Allen accepted the pass, has held it in his possession and has used it between Jan. 1 and June 1, 1949.

3. Because Dr. Allen was, prior to 1943, a principal stockholder in the Sandy Valley Hardware Company, at Allen and during the four years prior to 1943, while he was a member of the Board of Education, the Board entered into various and numerous contracts with the company had purchased from it hundreds of dollars worth of equipment. Dr. Allen was also surety for his son, George Edward, who with W. A. Malone bought the hardware firm in 1943, and while he was surety the Board bought supplies from the partnership, with Dr. Allen voting "in favor of the payment thereof in each instance." During that time, it was alleged, Dr. Allen "urged and petitioned the Board of Education to purchase . . . from said partnership . . ."

This part of the counter claim argues the doctor by so doing was receiving "a direct financial benefit . . . since by so doing he was enhancing and increasing the financial status of his son and thereby decreasing the possibility of his loss as an endorser . . ."

Upon the resignation of Ray Fraley that his brother be appointed as his successor, Alonzo Stratton made an oral motion that the resignation of Ray Fraley be accepted and that his brother be appointed and Dr. Osborne made the second to the motion. After writing the motion, the Secretary (Mr. Hall) asked what the vote was and Stratton and Osborne voted "yes." James Green did not vote, though present. After this vote was taken, Green inquired if the Board should not wait till Dr. Allen returned. Ray Fraley, who was present during this time, then shook hands with Green, Stratton and Osborne, stating how much he had enjoyed working with them and wishing them good luck. Ray Fraley thereupon left the room, and Green remarked to the Secretary of the Board that he understood the chairman (Dr. Allen) was supposed to call for a vote.

The original action of Green and Dr. Allen claimed the former was out of the room when the vote was taken and that there was not a quorum present.

The answer continues to the effect that Green then left the meeting room, to return presently and be advised by the Secretary that he had Green on record as not voting on the motion, which was Order No. 5, and that Green then announced he was voting against it. Before Dr. Allen returned other members of the Board voted to employ Darwin James to transport school children and also to pay Mitchell Preston an amount due him on a contract prior to the time of Dr. Allen's return. Fred Fraley took the oath of office before County Clerk DuRan Moore and began acting in an official capacity.

On Dr. Allen's return to the room, the answer continues, he was told of the resignation and appointment, and the Board then began considering the propriety and advisability of making deductions from the salaries of teachers and other employees for hospital and health insurance upon the written order of the teachers and employees to do so. This was unanimously voted in Order No. 8. (Dr. Allen's suit asked that the minutes "reflecting" that he voted on these deductions be changed.)

Dr. Allen and James Green then left the room, the answer continues, remained outside several minutes and upon their return Allen requested that the record show him as voting "no" upon the resignation and appointment motion. After that, four additional orders were considered.

The next paragraph refers to Dr. Allen as a "purported member" and begins the bill of allegations counter-claiming him. In succeeding paragraphs it is alleged he forfeited his right to office on three counts:

1. Because he "through fraud and undue influence . . . persuaded the Board to permit his wife and himself to be allowed free, and permitted to use, free of charge" water passing through lines over his property to the Maytown school. It is

committee in which he said the project to make the Big Sandy navigable should be included "notwithstanding the cry for economy that is being waged by some people who are against all public improvements."

He added:

"I can see no earthly reason why the project shouldn't be authorized at this time, especially considering the unemployment problem in the Big Sandy valley. From a defense standpoint, too, the record discloses that this project should be authorized."

Since the bill is drawn up and is on the calendar, the only remaining hope for this session is that the project can be put in through an amendment on the floor. But because Senator Robertson of Virginia and some others oppose the project, this hope is an extremely faint one.

It seems likely that the committee will want to hold further hearings dealing with information contained in the engineers report. That means Big Sandy, which has been waiting a long time already, will have to wait until the 82nd Congress.

For the membership drive locally Mayor Curtis Clark has been named chairman of the campaign, with these from representatives of various groups assisting: N. M. Right-of-Way Delays Magoffin Road Leading To Floyd County Line

Failure of the Magoffin fiscal court to secure right-of-way over one farm, according to a Friday story in the Salyersville Independent, is stalling the contract letting on completion of a road leading to the Floyd county line. The paper says:

"Letting of the contract on the 'Up-Licking' road, leading from the end of the present grade to the Floyd county line is being held up by failure of the Magoffin fiscal court to secure the right-of-way over the farm of Arthur Whittaker, according to Kash Holbrook, Magoffin county spokesman for Highway Commissioner John Keck and Governor Earle Clements.

Holbrook states that the necessary allocation of funds for this project has already been made in Frankfort, that the money is available, and that the road will be advertised for bids as soon as the right-of-way is secured.

"It is the responsibility of the fiscal court to secure the necessary deeds to rights-of-way before a contract can be advertised."

Look how you save with Dynaflo

FIRST thing you notice, of course, is the bother and effort Dynaflo Drive* saves.

You may well discover another pleasant surprise, too.

We are getting a steadily mounting number of well-satisfied letters about gasoline mileage with Dynaflo cars.

The SPECIAL has shown some records little short of phenomenal. The SUPER is delivering mileage that compares most favorably with gear-shift cars. And the ROADMASTER more than holds its own with cars of its size and bulk.

In short, there's a lot more to please your budget in the 1950 Dynaflo than its new lower price. Refinements over the past two years result in savings that are sizable over the life of the car.

Knowing that, don't you want us to demonstrate the big side of Dynaflo—the utter smoothness of America's first oil-does-it-all drive?

Only Buick has Dynaflo—and with it goes: HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.)

- ★ NEW-PATTERN STYLING, with MULTI-GUARD fender, taper-through fenders, "double bubble" taillights
- ★ WIDE-ANGLE VISIBILITY, clear-up road view both forward and back
- ★ TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius
- ★ EXTRA-WIDE SEATS cradled between the axles
- ★ SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube
- ★ WIDE ARRAY OF MODELS with Body by Fisher.

Matchless Team — DYNAFLOW and F-263.

In the Buick beauty pictured here you can have both Dynaflo and Buick's very latest in power. For every 1950 SUPER has the F-263 engine, that lively high-compression stepper that's the big power thrill of the season. Dynaflo Drive is optional equipment at extra cost.

FOUR-WAY FOREFRONT

This rugged front end (1) sets the style note, (2) covers on repair costs—vertical bars are individually replaceable (3) avoids "lacking horns," (4) makes parking and garaging easier.

the resolution adopted by the Board is the auditorium-gymnasium at David, and bids on this project are asked in an advertisement appearing in this edition of The Times. The Princess-Elkhorn Coal Company is a contributor on this work which was authorized, some months ago, by the Board but which has been delayed while approval of the State Department of Education was being gained.

Next is the Wheelwright gymnasium, including a cafeteria and rooms for the Industrial Arts and Music departments The Inland Steel Company is to be a contributor on this work.

Third project mentioned is a new high school building and grounds for Prestonsburg. Other new buildings proposed are an elementary school on a new site at Ligon, the Katy Friend and Forks of Bull school buildings. A one-room addition to the Dwell school was included in the resolution, as were a cafeteria for the Maytown school and inside toilets at the Drift consolidated school.

(The Prestonsburg Board of Education at its last meeting decided to cancel all commitments made to the County Board in seeking a new high school building here. W. A. Spradlin, chairman of the City Board, said this week whatever agreement is reached will be the result of entirely new negotiations.) All of these were described as badly needed projects which would represent considerable progress toward relieving the crowded situations which exist because of the accumulation of building needs during the war years of "no building" and of increasing enrollment in concentrated areas.

The first part of the post-war building program saw the replacing of buildings burned during the war period by modern fireproof buildings at Weeksberry and Lackey. The elementary building which was begun at Betsy Layne and stopped by the war was finished. Now nearing completion at Melvin is a modern fireproof elementary building which will help to relieve the extremely congested conditions in the whole upper Left Beaver area.

Detailed plans for the David building have been completed and bids will be received at the May meeting of the Board. Preliminary plans for the Wheelwright building have been approved by the State Department of Education and detailed plans are being completed.

Plans for the Prestonsburg building are being held up until a proper site is secured, Mr. Hall said. A modern high school building, representing the beginning of a high school plant sufficient to serve the large area from which the school will draw its pupils for the next 25 to 50 years is contemplated, he said. The State Department of Education has frowned on the addition of further buildings on the present high school site. Negotiations for a suitable site are under way.

The Superintendent was authorized to procure plans and take the necessary steps toward effecting the other buildings and improvements mentioned. It is hoped that it will be possible to replace a few other rural buildings that are inadequate and to make improvements in many of the schools not mentioned in this minimum program," the Superintendent added.

Glee Club To Present Concert Here, April 11

The Junior high glee club will be presented in a concert at the grade school auditorium at 8 p.m., Tuesday, April 11, under the direction of Mrs. Chalmers H. Frazier. Assisting with the evening's program will be William Runnels, pianist, and a group of fifth grade pupils who will present an operetta.

Official Organ for Floyd County, Ky.
Published Every Thursday by
Prestonsburg Publishing Co.

Entered as second class matter June 18, 1927, at the postoffice at Prestonsburg, Ky., under the act of March 3, 1879.

Who Is Guilty, If Anybody?

If all the charges being hurled back and forth in this Floyd County Board of Education disagreement are true, perhaps a general housecleaning rather than a mere airing of "dirty linen" is needed.

Mark this—we say, "If." We make no charges. Those men involved in all this litigation are regarded by the writer of this editorial as his friends. No attempt is made to say all is not as it should be in this corner of Floyd county's official household.

But an impersonal, honest view of the whole affair leads the taxpayer and parent to reach certain conclusions:

If one member of the Board of Education, or two members, through business transactions violated the law to the extent that he or they forfeited their right to office, any others who "went along" with them in this alleged violation share their guilt.

The law is plain as to the penalty for such aberrations. This statute surely has been known to all connected with the board, all along. Whatever was done, back there in those days when all was harmony, must have been with the full knowledge and consent of everybody who sat in on those meetings. In criminal law there are expressions such as "accessory before the fact" and just plain "accessory" which might apply.

The Attorney General or the State Department of Education might be interested. Apparently, the people of Floyd county aren't.

Funeral of Mrs. Crisp, Victim Friday at 72, Conducted at Martin

Funeral rites for Mrs. Dollie Stephens Crisp, 72 widow of Phares Crisp, who died Friday at her home at Martin, were conducted Sunday from the home of Ed Hampton on Buck's Branch, near Martin.

A daughter of B. I. and Rebecca Stephens, Mrs. Crisp was a native of Alphoretta and was widely related in this county. Her husband died three years ago. Survivors include three sons, Arthur Crisp, of Martin, Russell and Shirley Crisp, both of Los Angeles, Calif., three daughters, Mrs. Joe Hughes, Mrs. Ezra Mayo and Miss Mollie Crisp, all of Martin, and two brothers, Newt Stephens, Martin, and Eli Stephens, Langley.

The funeral was conducted by the Revs. Clarence Nicholls, Lewis E. Ferguson, John K. Thomas and Bill Flannery. Burial in the Hampton cemetery was directed by the Ryan Funeral Home.

Eastern Student Wins National "Pool" Title For 2nd Straight Year

"Poolology" may not be listed on the school curriculum but nevertheless Leroy Kinman, an apt student of Eastern State College, Richmond, has evidently learned his lessons well!

He is the national intercollegiate pocket billiard champion for the second consecutive year by virtue of retaining the title Saturday in the finals of the National Intercollegiate Billiard Tournament at Case Tech in Cleveland, Ohio.

Kinman was unbeaten in four matches. There were five entries in each division of the meet which started Thursday.

A June 15 deadline was set for teams to file an eligibility list of players. After that date, each team will be allowed a squad of not more than 18 players.

Each team, it was voted, will play a 26-game schedule and the official close of the season was set for Labor Day, Monday, Sept. 4. A complete official schedule will be released within a few days, it was stated.

The next pre-season meeting of league officials and team managers is set for Sunday, April 16, at Allen.

MAROON QUINT DOWNS FLOYD STARS, 93-64

Outscoring the Floyd County All-Stars in both halves of an exhibition game here Friday night, the Eastern touring "Maroon Seniors" tapped scoring heights to win, 93-64.

The barnstorming victors, appearing here under the sponsorship of the Prestonsburg Junior Chamber of Commerce, was the season nucleus of the college's 1950 team which won the Ohio Valley conference tourney at Louisville.

Contributing to the setback of the All-Stars was the lack of teamwork on the whole and the lack of being in top condition as compared to their college competition.

Gaining a game opening lead of 9 to 2, victory hopes of the county's select hoopers flared brightly for a few minutes but was soon short-lived. Before the half was up, the "Maroon Seniors" began to flash their OVC championship form and wound up with a halftime lead, 48-32.

During the last half, the collegians scored an additional 45 points while the local representation tallied 32.

Fryz, Maroon forward, collected individual high scoring honors with 28 points. His teammate, pivotman Mrazovich, lived up to his scoring expectations by tabbing 23.

Tommy Blackburn, scoring guard, led the losers with 21 points with forward Ray Turner marking up 13.

PRESTONSBURG SHOW DOGS "GOING PLACES" MOSTLY FIRST PLACES TO ENTER APRIL 10 OWSLEY COUNTY FOXHUNTERS ASSN. SHOW

Bidding for additional laurels to already acquired honors which have marked them as one of the best pairs of show dogs in the state, Rowdy Haggins and Shade Crowe, will enter the Owsley County Foxhunters Association bench show and field trials to be held near Jackson, April 10, their owner, Henry Harris, West Prestonsburg merchant, announced this week.

During 1949, the dogs entered six shows in competition with dogs in West Virginia and Kentucky and accumulated 16 ribbons for their active presence. Six of them were firsts and three were seconds.

Teaming up again, they got off to a good start in 1950 prize-winning at the recent bench show of the Wayne County (W.Va.) Foxhunters Association. They were awarded a blue ribbon as the best pair of hounds in the show.

In addition to the double-honor, Shade Crowe, out of Tris Crowe by Molar Heels, was selected and awarded a blue ribbon as the best

derby male. The other half of the pair, Rowdy Haggins, took third place as the best all-age dog.

Another dog of the Harris kennels, Peggy Ann, sired by Rowdy Haggins and out of Jane Pouts, was awarded first place and received a blue ribbon for being the best female pup in her class (1 to 6 mo.). This was the pup's first appearance in a bench show and her reign as a canine queen was short. Mr. Harris told The Times Monday that she died last week.

Mr. Harris' prize-winning pair was temporarily split up last November when Rowdy Haggins disappeared. After a month's "sojourn" in Magoffin county and thereabouts, he said, the meandering canine was returned home.

The Wayne county appearance was the first for the pair since that reunion and, judging from past showings, there is an indication that Rowdy Haggins and Shade Crowe, as a team, are going places—mostly first places.

CATS TO TEST GRID PROWESS IN SQUAD TILT

Prestonsburg Blackcats will test their spring growth in football strength in an intra-squad game here at 7:30 p.m. tomorrow (Friday) night, Coach "Doc" Ferrell announced.

The test between the "Reds" and "Whites" will be staged in place of a planned scrimmage tilt with Paintsville there. Ferrell explained that KHSAA Commissioner Ted Sanford has banned any interschool spring competition.

Following his announced policy of declaring all positions open regardless of past experience, Ferrell said that he would, at the termination of spring practice, grade the candidates on the effort shown. Grading the effort shown, he said, would be greatly influenced by the comparative effort against the effort and achievement each boy is deemed capable of showing.

"In other words," Ferrell declared, "I absolutely will not have any loafing and these boys have a fair chance to make their own marks—whether good or bad!"

"These charted grades," he continued, "will be one of the major determining factors in selecting the boys who earn the privilege of attending our football camp this fall at Camp Daniel Boone near Lexington."

Ferrell explained that Camp Daniel Boone was selected as the official fall training camp for the Blackcats because of its complete facilities and its proximity to Lexington.

"We chose a location near Lexington and the UK Wildcat football practice grounds in view of the possibility of securing occasional helpful scrutiny of UK Coach Paul Bryant and technical aid from some of the Kentucky players." The Blackcat mentor is a former UK grid luminary.

Individual Improvement Practice thus far has shown quite a bit of individual improvement. Ferrell noted but coordinated play is not developed to the point expected. He said, "Our boys still lack necessary teamwork and their timing is off but that will soon be remedied."

"The individual performances are improved enough now so that we can go ahead successfully with maintenance."

WARNING TO DOG OWNERS

At a regular meeting of the City Council of the City of Prestonsburg, held on March 20, 1950, the following resolution was passed:

BE IT HEREBY RESOLVED: That for the protection of the citizens of Prestonsburg, the following measures will be adopted to ensure the vaccination of all dogs against rabies:

All dog owners must have their dogs vaccinated against rabies and procure a copper cross showing such vaccination for their dog's collar, before April 15, 1950. Any dog appearing on the streets without a copper cross on its collar after April 15, 1950, will be shot by the Police Department.

BV GOLF CLUB OPENING DATE SET APRIL 15

Official opening date of the Beaver Valley Golf and Country Club, at Allen, has been set for April 15. Club President Ambrose Mandt announced today.

The club prexy also announced that Beaver Valley has secured the services of Willard Adkins, well-known in Eastern Kentucky golfing circles, as manager of the club.

Looking forward to one of its best years of operation, the club has reduced the membership fee while making several changes to attract additional golfers as well as other recreation seekers.

The golf course is being remodeled before the opening date to present the Floyd county duffer some new and interesting challenges. The course will be about 200 yards longer and a number of holes have increased hazards to make the game more difficult.

Recreational advantages of the centrally-located golf grounds are planned to highspot activities this year.

The Floyd County Fish and Game Club, in exchange for building a walk-bridge across Beaver Creek near the clubhouse entry, will have use annually for their fish fry which

Loop Names Malone President For Seventh Consecutive Season

Big Sandy Baseball League members will officially respond to the annual diamond cry of "Play Ball" on Sunday, April 30, barring present unpredictable weather, it was decided Sunday by team representatives in an organizational meeting held at Allen.

Reorganization of the loop saw the election of 1950 officers and the acceptance of two new member teams.

W. A. Malone, Allen, was named president of the loop for the seventh consecutive year. Jess Cyrus, Pikeville, was named vice-president, and George Newman, Hi Hat, secretary-treasurer.

Tentatively accepted for membership were Paintsville and Prestonsburg. President Malone said a next meeting would definitely shape the 1950 membership.

Paintsville, which started with the league early last year, dropped out of league play in mid-year and was replaced by a group of Pikeville players. With their own field accessible instead of a home field several miles away, the Johnson county boys expect to see the season through this year in the league.

Prestonsburg, without a team for a few years, is expected to complete organization of a full squad and round out final plans for league participation in a meeting this week.

Others with applications pending at the Sunday meeting were Indian Creek, Garrett, Emma and Wheelwright.

The 1949 BSL teams of Allen, Martin, Harold, Price, Henry Clay and Clear Creek (to play under the name of Hi Hat this year) had representatives present, voted the acceptance of the two new members and indicated an intention of fielding the best team possible for the 1950 flag chase. Weeksby and Pikeville, last year loop competitors, had no present to signify their 1950 participation in league play and were considered as dropped from the league for the time being.

Weeksby, however, informed league president Malone this week that their absence was unavoidable.

ATTENTION!
At a regular meeting of the Floyd County Fish and Game Club, held February 6, 1950 at Langley, Ky., the Club voted to sponsor a fishing contest this year. The following rules will govern:

1. The contest will consist of two divisions: (a) Smallmouth and Largemouth Black Bass division, and (b) Walleye division. The prizes shall be as follows:

BLACK BASS DIVISION—
First Prize—Pfeuger Supreme Casting Reel

WALLEYE DIVISION—
First Prize—Shakespeare "President" Casting Reel

2. This contest is open to members of the Floyd County Fish and Game Club only, irrespective of residence, from January 1, 1950 to December 31, 1950.

3. No entry will be accepted of any fish caught outside the boundaries of the Seventh Conservation District, as defined by the Division of Game and Fish, comprising the counties of Pike, Floyd, Johnson, Letcher, Martin, Knott, Perry, Leslie, Breathitt and Magoffin.

4. Fish must be caught with pole and line only to be eligible for entry in this contest. (Cane pole, casting rod or fly rod using live or artificial bait.)

5. No contestant may receive more than one prize. In case of ties, the first entry received will be adjudged the winner provided the contestant has adhered to all rules and regulations herein set forth.

6. No other specie of fish except Smallmouth Black Bass or Largemouth Black Bass and Walleyes will be permitted to be entered in this contest. To be eligible for a prize the Black Bass must be at least 15" long and the Walleye must be at least 18" long. Measurement from tip of closed mouth to the longest part of the tail will be considered correct. Size of fish will be determined by length, not by weight.

7. Taking of the fish need not be witnessed. However, at least two persons must witness the weighing and measuring of your fish.

8. Your entry must be on a special form which the Secretary of the club will provide immediately on request. To be eligible the special form must be returned to the club within 30 days after catch has been made. All fish caught between December 15, 1950 and December 31, 1950 must be entered not later than January 15, 1951.

9. Contest judges will be appointed by the president of the club at a later date and their decisions will be final.

10. All entries must be mailed to: John R. Baldridge, secretary, Floyd County Fish and Game Club, Langley, Kentucky.

11. All entries will become the property of the Floyd County Fish and Game Club and none can be returned.

Directors of the golf club met last week with a committee representing Floyd county Boy Scouts for the purpose of using the grounds as a recreational headquarters for Boy Scouts at times that would not interfere with regular club activities.

Pians are being formed to realize the golf grounds as a recreational camp for Scouts, Mandt stated.

The 1950 membership drive is being launched, he said, to make this year one of the biggest and most representative in the club's history. The Beaver Valley is one of the oldest golf clubs in Eastern Kentucky.

Kentucky Again Named To Sugar Bowl Meet

For the third consecutive year, the University of Kentucky Wildcats were named Saturday among the four nominated to participate in the 1950 Sugar Bowl Basketball Tournament at New Orleans, La. Named with the 1949 champ Wildcats were Bradley, St. Louis and Syracuse.

Of the four named by the New Orleans Mid-Winter Sports Association, Sugar Bowl sponsors, only Syracuse is a newcomer to the tourney. St. Louis won the tourney title in 1948 and Kentucky in 1949, the latter defeating Bradley 71-66 for the title.
