

THURSDAY

PRESTONSBURG, KENTUCKY

Clements, Perkins Are Elected

GREENE, ALLEN WIN COUNTY BOARD RACES

SCHOOL POLL OVERSHADOWS OTHER RACES

Administration Loses In County Board; City Administration Wins

James Greene and Dr. J. H. Allen, anti-administration members of the Floyd County Board of Education, won their campaign for re-election at Tuesday's voting by wide margins over their respective opponents.

Estlin Howell and W. A. Malone, after a campaign so spirited that it relegated the Senatorial and Congressional campaigns in this county to comparative obscurity.

In Educational Division No. 1 Greene polled a total vote in 15 precincts of 1,367 to Howell's 947 for a majority of 420. Voters in the 11 precincts of Division No. 2 gave Dr. Allen a total of 1,974 votes to 1,094 for Malone for a lead of 880.

The vote count in these races and in the City Board of Education election in Prestonsburg was completed late election night. Although the election was bitterly fought, there was no disturbance of serious consequence in any of the precincts involved.

Result of Tuesday's voting leaves the County Board of Education in a two-all deadlock with Dr. W. D. Osborne and Alonzo Stratton pro-administration members. Selection of a fifth member to fill the vacancy created by the resignation of Ray Fraley, of Wayland, still remains to be made by the State Board of Education, and on this selection rests control of the county school system.

Regardless of the make-up of the Board, County Superintendent Palmer L. Hall will retain his office for two years.

The vote in the County Board races:

Table with columns for candidates (Greene, Howell, Malone, Allen) and precincts (P'burg No. 1, P'burg No. 2, Depot, Auxier, Middle Creek, Spurlock, Porter, Abbott, Little Point, Rough & Tough, Cliff, Dvale, Jack Allen, David, Jim Banks, Totals).

Table with columns for candidates (Malone, Allen) and precincts (Cow Creek, Mo. Beaver, John Possum, Halbert, Maytown, Drift, Kennedy, New Martin, Arkansas, Kiser, Prater Creek, Totals).

(See Story No. 5, Page 3)

Two Floyd Escapees From Greendale Taken Sunday Near Frankfort

Four youths, two of whom were identified as former Floyd county residents, were arrested Sunday near Frankfort as escapees from the Kentucky Houses of Reform at Greendale.

Police listed the captured youths as Virgil Moore, 17, and Billy Ray Conley, 17, both of Floyd county; Thomas J. McNutt, 20, Hopkins county; and James Wainwright, 19, Campbell county. They were found on a freight train and were caught after a foot chase when they jumped from the train.

The four were among 17 inmates who fled the institution Saturday night when a guard was overpowered as six boys and 11 girls made their getaway. Nine of the girls were caught Saturday night.

13-Year-Old Girl Dies, Victim of Tuberculosis

Probably the youngest of Floyd county tuberculosis victims is 13-year-old Alice Stone, who died Friday at the Ligon home of her parents, Litt and Ada Stone.

Surviving, besides the parents, are her four brothers and sisters, Edward, Bessie, Ralph and Rex, all of Ligon. Funeral services were conducted Sunday by the Rev. Jerry Hall, and burial was made in the Stone cemetery at Ligon, the Ryan Funeral Home directing.

JAIL BAKER IN SHOOTING

Drunken Gunman Causes Excitement at Dvale; 3 Held in Tire Theft

A furor of excitement was created at Dvale, shortly before the polls closed Tuesday, when James Baker, intoxicated, wounded his wife while recklessly firing a shotgun.

The incident cost State Patrolman Ed Craft his chance to vote. Hurrying to his home precinct, Dvale, from Morehead where he is stationed, Craft arrived 10 minutes before the polls closed and a matter of minutes after Mrs. Baker had been wounded. His attention was turned to the arrest of Baker who was barefoot when brought to jail here.

The woman was struck by scattered pellets, and her wounds are not regarded as serious. She was taken to a Martin hospital.

State, county and city officers maintained a close watch on drunks as the vote-count began here, early Tuesday evening. Several were jailed but there was no local disturbance.

A Floyd county case which is said to be of interest to the FBI is that in which Dallas Newson, Junior Osborne and Arnold Taylor are accused of stealing automobile tires. The federal bureau, it was said, became interested when it was reported that the car was transported across state lines. Newson also was booked at

7-Year-Old Emma Boy Heart Disease Victim

Theodore Patton, seven-year-old son of Chester and Faye Harris Patton, died Wednesday morning at his home on Cow Creek at 7:45. He had suffered from a heart condition that defied treatment at Johns Hopkins and other hospitals in the country for the past two years.

Surviving besides the parents are one sister, Brenda Lynn, grandmother, Mrs. Della Patton, and grandfather, Bill Harris, both of Emma.

Funeral services will be conducted Friday, Rev. Isaac Stratton and Rev. Sadder officiating. Burial will be made in the Herald cemetery at Emma Friday under direction of the Carter & Callihan Funeral Home.

State Redistricting Job Seen As Congress Seat To Be Lost

Frankfort, Ky., Nov. 2—Kentucky's loss of a seat in Congress means the General Assembly will have to redistrict the state. That will mean shifting counties so as to make eight, instead of the present nine, Congressional districts.

Conceivably, Congress could prevent the loss by enlarging its own membership from the present 435, but that hasn't been done for many years.

Final official census figures announced in Washington today show Kentucky's population is 2,944,806. That's a gain of 99,179 since 1940, but Kentucky is slated to lose a congressman because it failed to keep up with population gains of other states.

Shifts in population within the state, such as the big growth of Louisville and Jefferson county, may result in a clamor for redistricting State Senate and House districts also.

Attorney General A. E. Funk explained today that if the 1952 General Assembly fails to change Kentucky's Congressional District boundaries, so as to cut the districts to eight, congressmen will

LIFE AND DEATH—Critically wounded by UN forces mopping up on the outskirts of Pyongyang, the fallen red captain, a Communist soldier lies on the hood of this jeep. Sitting in the jeep, an unidentified British soldier shields a North Korean baby from the grim sight before him.

FLOYD DRIVE ON SYPHILIS

To Be Stepped Up, Plan Announced Here as Work Enters Upon Third Month

The special drive against congenital syphilis in Floyd county has entered its third month with plans for increased activity. Dr. Marvin Ransdell, director of the Floyd County Health Department, has announced.

Congenital syphilis is the type passed on to unborn babies by their infected mother. "It is the cruelest and saddest type," said Dr. Robert Hansen, director of the Division of Venereal Disease Control of the State Department of Health, "because it strikes helpless babies." If untreated, congenital syphilis can cause the child to go blind, insane, become crippled, or develop heart disease or other disability.

Directed by Thomas G. Peyton, U.S. Public Health Service representative assigned to the Floyd County Health Department, the congenital syphilis case-finding program in the county has included blood-testing in schools, checking old cases of known syphilis in the child-bearing ages, checking birth certificates to see if the mother had a blood test before the baby was born.

The new emphasis on finding children with syphilis was the result of the report that there are more than 100,000 syphilitic children under 10 years of age in the United States who have had the disease since birth.

The report also said that there are 14,000 new cases of congenital syphilis found each year in the United States—about a third of them children of four or younger.

This condition exists despite the fact that all but seven states have laws requiring blood tests of expectant mothers.

RETAIL TRADE UNDER \$600

Per Person in Floyd, Most East Ky. Counties, Reserve Bank States

Annual retail trade per person in Floyd and most other counties of the eastern part of Kentucky is less than \$600, the Federal Reserve Bank of Cleveland stated this week.

Despite industrialization of this section, none of its coal-producing counties equalled the more agricultural counties of the Blue Grass in the amount of retail trade per person. Each except Pike, Harlan and Bell of the mining section had annual total retail trade below the \$200,000 mark.

The top county of the eastern half of the state is Fayette with \$1,000 or more per person. Counties in which the retail trade figure per person was between \$600 and \$900 are Boyd, Bourbon, Clark, Montgomery, Mason, Harrison, Campbell and Kenton.

In the under-\$600 group are Boone, Grant, Scott, Woodford, Jessamine, Garrard, Lincoln, Pulaski and McCreary counties and all other Kentucky counties east of them except Fayette and the eight counties in the \$600-\$900 group.

Mother of 17 Victim At 45 of Paralysis; Rites Held Tuesday

A paralytic stroke suffered the preceding night resulted in the death Monday morning at her home at Dony of Mrs. Darkie Alley Osborne, 45 years old, wife of John B. Osborne.

Daughter of the late Tom and Martha Alley, she was a native of the community in which she died. She was a devout member of the Primitive Baptist Church. She was the mother of 17 children, 13 of whom survive. These are: Mount B. and Olen J. Osborne, Columbus, O., Mrs. Verlie Alley, Mrs. Gracie Alley, Mrs. Tamara Debord and Owen Osborne, all of Lucasville, O., Maisel, Parisie, Vernis, Revis, George, Ullis and Jeff, all of Dony. Two sisters, Mrs. Belle Gayheart and Mrs. Virgie Jackson, both of Dony, also survive.

Funeral rites were conducted Tuesday, the Revs. Pink Osborne and J. S. Reynolds officiating, and burial in the Osborne cemetery was under direction of the Hall Brothers Funeral Home.

MRS. ARNOLD VICTIM AT 65

Church, Civic Leader, Wife of Former Mayor Succumbs Here Monday

Mrs. Victoria Virginia Davidson Arnold, wife of Ex-Mayor E. P. Arnold, died Monday evening at her home on Second avenue here following an illness which had its inception in April of this year. She was 65 years old.

Although Mrs. Arnold's life had been despaired of weeks ago and her death had been expected, news of her passing was received with deep regret by hundreds of relatives and friends in this and neighboring counties.

Member of one of the county's oldest and best-known families and sharing in local activities with her husband, who for several terms was police judge and later mayor here, she was perhaps known by more Prestonsburg residents than any other local woman. She had been a member of the Methodist Church since girlhood, and her visits to the sick and needy as well as her social and civic works brought her into contact with practically every person in the community.

Mrs. Arnold, the youngest of the children of the late Greenville and Laura Cooley Davidson, was a native of Prestonsburg and spent her life here. In addition to her church work she was active in club and political circles for years, having been woman's Democratic chairman, president of the Prestonsburg Woman's Club, worthy matron of Adah chapter, Order of Eastern Star, president of Greenville Davidson chapter, United Daughters of the Confederacy, and regent of John Graham chapter, Daughters of the American Revolution. She was a member of the Daughters of Colonial Wars, the Daughters of 1812 and Miriam Rebekah lodge. During her last illness she was made an honorary member of the Kiwanianes, woman's auxiliary of the Kiwanis Club.

Surviving are her husband, two sisters, Mrs. Mary D. Allen and Mrs. Lida D. Spradlin, both of Prestonsburg, and hundreds of relatives and friends.

The profusion of floral offerings at the home and at the Methodist Church, where funeral rites were held Wednesday afternoon at 2, bespoke the high esteem in which she was held. The Rev. Gerstle M. Haggard, pastor of the church, officiated at the rites, and burial was made in the family lot of the Mayo cemetery, near here.

P.-T.A. Here To Present Program Showing Progress In Teaching Techniques

Illustrating the differences in colonial methods of teaching reading lessons and modern techniques, the Prestonsburg Parent-Teacher Association will present examples from the New England Primer and from today's textbooks at its regular meeting at the grade school auditorium, Nov. 16, at 7:30 p.m.

The P.-T.A. will furnish a comparison between the Puritan school and ours today by means of two scenes: one, "A Day in a New England Schoolhouse," the other, "A Reading Lesson in the Prestonsburg Grade School."

CARL PERKINS RETAINS SEAT IN CONGRESS

Hospital Bonds Receive 20-to-1 Vote Approval; Outside Ky., GOP Ahead

Although Democrats did not fare so well over the country, in Floyd county and Kentucky they definitely were among friends in Tuesday's election.

Governor Earle C. Clements piled up a majority which by Wednesday noon had reached the 50,000 mark in the race for the U. S. Senate, both short and long terms, against his Republican opponent, Charles T. Dawson.

And in the Seventh Congressional district Carl D. Perkins apparently had defeated his Republican opponent for the House seat, Dr. O. W. Thompson, with surprising ease.

Floyd county's 54 precincts gave Governor Clements 7,723 votes to 3,151 for Dawson; and presented Congressman Perkins a total of 7,851 as against 4,061 for Dr. Thompson.

The Hospital Wins!

Floyd county cast an overwhelming vote for the Floyd County War Memorial bond issue of \$400,000. The vote of 9,344 for the bond issue and only 429 against gave the bond issue the necessary two-thirds of all votes cast in the election.

Every precinct in the county except Little Point returned a majority for the bond issue. There six votes were recorded as "no," with none voted "yes."

Result of the vote makes the county eligible for federal aid approximating \$800,000 in the construction, somewhere in Floyd county, of a \$1,200,000 hospital.

Although official returns from several of the district's counties were missing, observers here predicted the re-election of Congressman Perkins by a heavy majority. These estimates gave Perkins a majority ranging from 4,000 to 6,000 votes.

Floyd county provided a heavy job to G.O.P. hopes of victory in the district election, and the failure of Republican Johnson and Martin to come through as expected provided other disappointments to Dr. Thompson's supporters. Pike county itself, home county of the Republican candidate, is expected now to give Perkins a majority.

Forty-four of Pike's 100 precincts had been counted at noon Wednesday, and these gave Perkins 4,587 votes to Thompson's 4,298. The same precincts added 5,074 votes to Clements' total, while Dawson was trailing with 3,313. These precincts included all of Magisterial District No. 6, which is the Pond Creek section; all but one precinct in No. 1, the area including Pikeville and vicinity, and parts of Districts 2 and 5.

Rockbound Democratic Knott, as expected, gave both Perkins and Clements big edges. There Perkins polled 4,254 votes to Thompson's 785; while Clements received 3,881 votes to 769 for Dawson.

Johnson county, final count, gave Thompson a majority of 1,794 votes. Martin county, as Republican as Knott is Democratic, returned a majority of only 944 for Thompson. Congressman Perkins carried Perry county, 4,627 votes to Thompson's 3,320. In Letcher 37 of 55 precincts reported Wednesday morning gave Perkins 2,981 votes to 1,756 for Dr. Thompson.

Magoffin county, the Salyersville Independent said, was approximately half-way through its vote tabulation at noon Wednesday, but no figures were available at the time. Over the country, the trend, however, was Republican. Returns reported Wednesday morning indicated that the Democrats will have only a two-vote margin in the Senate.

Notable among Democratic losses were the defeats of Senator Millard Tydings in Maryland, and Senator Scott Lucas, of Illinois. Senator Robert A. Taft, of Ohio, apparently was re-elected by a majority of more than 400,000 votes.

EVENTS TO REMEMBER

In law there is a term, "non contredre," which, roughly speaking, means that somebody or other does not contend. To the dictionary, should be added the phrase, "non attendre," to apply to us who are usually absent when we should be present.

But, if I am hereabouts this weekend, I will be among those present at two events:

1. The Prestonsburg-Paintsville football game, of course.

2. The open meeting Saturday evening at the grade school auditorium of Alcoholics Anonymous.

I need not dwell on my reasons for attending the football game. But some may wonder what the attraction of the AA meeting. It is this: There the public will hear a man who at one time was a slave to alcohol tell the story of how Alcoholics Anonymous helped him win his way back to decency and happiness. There, too, you may see before you men you know who, through newfound faith and hope and the encouragement AA offered when little hope was offered otherwise, are fighting manfully to be a credit to their families and those who love them.

If I am in town, I shall want my sons to attend this meeting, too. What youngsters could learn there might prevent some fatal mistake in the years ahead.

THIS IS PROOF

No, money isn't everything. Most of you know that, but for those who don't we offer this which has trotted about over the pages of various publications for some time:

In 1923 a group of the world's most successful financiers met at the Edgewater Beach Hotel in Chicago. Present were:

The president of the largest independent steel company. The president of the largest utility company. The greatest wheat speculator. The president of the New York Stock Exchange. A member of the President's Cabinet.

The greatest "bear" in Wall Street. The president of the Bank of International Settlements. The head of the world's greatest monopoly.

Collectively these tycoons controlled more wealth than there was in the United States Treasury, and for years newspapers and magazines had been printing their success stories and urging the youth of the nation to follow their examples. Twenty-five years later, let us see what had happened to these men:

The president of the largest independent steel company, Charles Schwab, lived on borrowed money the last five years of his life and died broke. The utility operator, Samuel Insull, died virtually in exile.

(See Story No. 1, Page 6)

12 SECTIONS OF LAKE DOCK

Now Near Completion; Steel Barrel Shortage Hampers Construction

Joe Wheeler Burchett and Mrs. Bradis Goble, successful bidders on the Dewey lake dock concession at Brandy Keg, indicated this week they hope to have 10 sections of the dock and two additional sections to support a dock-house installed by November 15.

A steel barrel shortage has hampered construction of dock sections. Two hundred fifty barrels were collected from various points, in small numbers, for these first sections of the dock to be installed, and an additional 200 will be required to complete installation, it was said.

Only 55-gallon drums which are, or can be made water-tight, can be used to support the floating dock.

Covering 5,000,000 Tons In Pike; New Mine To Be Opened Within 90 Days

John E. Bowman, president of Utilities Elkhorn Coal Company, and associates in Cincinnati and New York, have leased all the coal owned by the United Mineral Development Company on Bear Fork of Robinson Creek in Pike county, it was announced in Pikeville this week.

The lease covers approximately 5,000,000 tons of No. 2 and No. 3 Elkhorn coal. Bowman said equipment was already on the location to construct a road from U.S. 23 at the mouth of Bear Fork to the No. 3 seam, about a mile and a half away. This is 17 miles south of Pikeville.

A new mine will be opened which will have a capacity of some 2,000 tons a day. The underground development will be mechanized completely. Leading machines, rubber-tired shuttle cars, and other modern equipment already is available for use at the new mine. It is expected that the new plant will be in operation within 90 days.

The entire production of the new plant will be trucked to the Esco plant of Utilities Elkhorn Coal Company for processing through the tippie and washer at that plant. As the coal reserves at the Esco plant are nearing exhaustion, Bowman said the new acreage would increase the life of the plant by 20 years.

The coal in the leased location, he said, is general-products coal particularly suited for products and coking. The outlook for this type of coal, he added, is excellent for the next two years.

BREAKS ROAD FINISH SEEN

Crooked but Safe Way Into Scenic Area May Be Completed by Dec. 15

A winding but safe highway into the scenic Breaks of Sandy may be completed by Dec. 15—seven months ahead of schedule.

This was the statement made a few days ago by C. T. Warwick, Seventh district engineer for the State Department of Highways.

The 3.1-mile project from Elkhorn City to the Virginia line at the celebrated Breaks, a \$204,467 job, was begun last August by the George H. Cheek Contracting Company. Although the time limit for completion was set at next July 14, it is believed the work will be finished by the middle of next month.

Although it will be what is considered a "safe" road, the highway mounting up into the wild scenery of the Breaks won't have a straight stretch on it. But it will be 18 feet wide and its outside, or drop-off side, will be skirted, with exception of .3 of a mile, by protective steel guard rails. This protection from a drop in some places of 150 feet will cost slightly in excess of \$26,000, it was said.

The new highway replaces a narrow dirt trail that was impassable in wet weather. In some places it was hardly a road at all. It was so narrow around those high places that one-way traffic was mandatory, although there were a few places where there was enough room for two wagons or cars to pass.

The contract calls for the grading, draining, and rock-surfacing of the stretch. The state plans to black-top the road when traffic justifies it.

Rites for Dema Man, Victim Last Thursday, Held at Hi Hat Church

Funeral rites for Dewey Mullins, 41 years old, former miner, who died last Thursday at his home at Dema after an illness of three years, were conducted Saturday from the Regular Baptist Church at Hi Hat. Mr. Mullins was a son of Willard Mullins, and was widely related in Floyd and Knott counties. His father, his widow and four children, Darrell, Vernon, Glennon and Doris Jean, survive. He also leaves 10 brothers and sisters: Mrs. Estill Little, of Price, Mrs. Slade Cook, Martin, Burnis Mullins, of Harold, Mrs. Ralph Stickrod, Winchester, Ky., Mrs. Cecil Meade, Mrs. Jackie Caudill, Leonard and Herman Caudill, all of Hi Hat, Glennie, of Price, and Mrs. Joe Johnson, of Indiana.

The funeral was conducted by the Revs. Ellis Hinkins, Troy Nickles and Sherman Stone. Burial in the Turner cemetery, near Wayland, was directed by the Ryan Funeral Home.

Young Democrats Hold District Rally Here

Approximately 90 persons attended the Seventh district Young Democrats' rally, which included a buffet supper and dance, at the Eagles Club here last Thursday night. Speakers included Lieut.-Gov. Lawrence W. Weatherby, Congressman Carl D. Perkins, George Visco, Ex-Congressman A. J. May, State Senator Doug Hays and J. W. Howard.

BRANHAM STARS AS USUAL ON UTAH U'S FROSH TEAM

Shifting out to the University of Utah this year after a promising 1949 season with the University of Miami's freshman eleven, "Set" Branham, former Prestonsburg football, basketball and baseball star, is again playing freshman ball and, as usual, starring at the game.

(His transfer to a new school made freshman play necessary this year for him in order to be eligible for varsity competition during the next football campaign.)

Newspaper reports received here telling of Utah's defeat of Brigham Young University, 53 to 6, devote considerable space to Branham's feats in this game. These paragraphs from two sports pages pertained to Branham:

"The highlight of the game was Branham's runback of a punt for 69 yards and a touchdown on a spectacular exhibition of cutting, swerving and sidestepping that had the fans in spasms. It was one of the most spectacular runs ever made in the Ute stadium."

In addition to this run, "Set" scored three other touchdowns, all on plunges into the line.

Plan Greatest Fox Hunt In Association History

Dawson Springs, Ky.—The greatest national foxhunt in the association's 37-year history is the aim of sponsors of the event to be held from Nov. 12th through 18th this year at Dawson Springs. Early registrations indicate that avid foxhunters and bound lovers from all sections of the United States will attend the field trials and bench show which annually attracts the best hounds in the nation—in the world. It is expected that more than 5,000 persons will attend this showing which also climaxes "Kentucky Homecoming Year," with appropriate services honoring those who have returned to their native state for a visit.

Seven full days of entertainment have been arranged by the committee in charge and sports-lovers will be kept busy throughout their stay if they attend all events on the schedule. To augment the chase, fine foxhunting horses are being shipped to the Bluegrass State to bolster the number of famous hunting horses already in their native state.

Purple Flash Opens Season With 2 Wins Over Dorton, Auxier

The Purple Flash of Martin high school picked up last week-end where they left off at the end of the successful 1949-50 season to score victories, Friday and Saturday nights, over Dorton and Auxier.

The Flash piled up 66 points in each game while using substitutes freely. P. Grigsby, Taylor, Tackett and Campbell led the attack on Dorton, which was held to 41 points, while Tackett, Taylor and Grigsby were the big guns in the game against Auxier. Wakeland led Dorton scoring with 14 points, and in P. D. Hager, guard who chalked up 18 points, Auxier presented its big scoring threat.

Martin will play Hindman there Friday night, and Saturday night will be host to Wheelwright.

'Beat Paintsville!'—Rally Cry Here

BLACK CATS BARELY EDGE WAYLAND HI

Big Game of Season Slated Here Friday Against Paintsville

Prestonsburg high school's undefeated football team and its loyal followers returned here Saturday night, convinced that figures do lie.

Earlier in the evening, they had gone to Wayland with the foe's season record before them: only one victory, and that over a weak Elkhorn City eleven; elsewhere over the schedule, only a string of defeats.

But that scant one-point victory the Black Cats brought home with them—13 to 12—made a liar of the figures.

The game was played on a field deep in mud, and Prestonsburg's passing attack was not merely slowed down—it was stopped. The one pass attempted flopped into enemy paws, and after that it was attack by land or nothing. At that, the half ended with the Cats ahead, 6 to 0. This marker was picked up by Caullon on a dive into the line after a steady goalward march.

Then Prestonsburg picked up its second touchdown in the third quarter on Mayo's run, and Mayo hit the line for the extra point and what proved to be the victory margin.

After that Wayland started to work. In the third Fraley went over after the Wasps had started a drive on their own 30. The conversion attempt failed. But in the last quarter Hopper took a pass on the Prestonsburg 10 and skidded over for the touchdown. Again the Wasps failed to convert.

But what was more agonizing yet to Prestonsburg fans was that last-minute drive by Wayland which bogged down on the Cats' four-yard line in the face of a gallant and desperate stand. This drive was jarred back on its heels when Patton, who played superlative ball all evening at his end position, broke through to throw the Wayland ball-carrier for a seven-yard loss. On fourth down Wayland attempted to get across via the pass route, but this failed for the last play of the game.

Ball back in at the fullback spot for Prestonsburg, looked good, although he obviously was not in top condition after a long lay-off as a result of a bad leg. On two occasions he was loose and apparently headed for a touchdown, but he had not had enough running to be in shape for the long dash and was hauled down. Hobson also was a stand-out in the Cats' line.

But all that game and all the others are so much water over the dam. What counts now is the one big game of the season coming up here Friday night—the annual grid contest with the Cats' traditional foe, the powerful Paintsville Tigers.

For this contest the Cats will need to be in top condition. Victory here will mean not only a season unblemished except by the Fleming claim of a forfeit but also the winning of the one game both teams point for from the start.

TOTAL VOTE WELL ABOVE LAST OFF-YEAR ELECTION
Washington, Nov. 8—The popular vote in yesterday's election totaled 37,189,185 on the basis of incomplete returns.

This total, with returns from precincts in many states still missing, compared with a presidential vote of 48,833,680 in 1948 and 34,630,426 in the Congressional election of 1946.

Brooklyn is the last team to beat the Yankees in a World Series game. It took a 1-0 shutout by Preacher Roe to do it in 1949.

Winner of Game Here To Receive Bowl Tilt Contracts, Schools Told

Aside from the satisfaction of defeating an ancient rival, the Prestonsburg Black Cats and the Paintsville Tigers have yet another incentive to win their football engagement here Friday night.

School officials here and at Paintsville, have been notified that the winner of this game will be invited to play Highlands high school in the Recreation Bowl contest at Mt. Sterling, Nov. 17.

A six-man committee representing the Recreation Bowl will attend the game here, and immediately after the contest is over will award the winner a Bowl contract.

Betsy Layne Bobcats Win With Last-Minute Rallies Over Pikeville, W'Wright

Betsy Layne, Ky., Nov. 6 (Spl.)—The Betsy Layne Bobcats opened their 1950-51 season with two victories by staging last-period rallies.

The Bobcats came from behind in their opening game Friday night to defeat an aggressive Pikeville Academy five, 68-56 at Betsy Layne. Then on Saturday they rallied late in the game to overcome a fast Maroon team at Wheelwright, 60-57.

Frankie Crum was the big gun for the Bobcats with 26 and 22 points. J. Carter collected 23 points for P.C.A. The high scorer for Wheelwright was J. Osborne with 20 points.

Wallace, D. Crum, and Clark also showed that they can be counted on this year by the Bobcats.

AUSTRIA MINTS NEW COINS
Vienna—The Austrian Ministry of Finance has released new 20-groschen coins made of aluminum bronze to distinguish them from other coins already in circulation.

FORMER P'BURG HI ATHLETE MAKES HISTORY ON GRIDIRON

Although his team, the Morehead State College Eagles, is currently beset by ill-fortune, the lustre of Prestonsburg's Charles Graham Porter, Morehead passing wizard, is undimmed.

Porter's record was the subject of an Associated Press article by Kyle Vance which recently gave the former Prestonsburg quarterback and his team nation-wide publicity.

Wrote Vance: "The hottest football arm in the country belongs to an oversized quarterback who refuses to wear the customary mass of protective padding."

An almost unbelievable passing mark—dwarfing the accomplishments of his collegiate contemporaries and even shading the full-season records of football history books—has been rolled up by little Morehead State College's Charlie Porter in six games this season.

Porter, although weighing 210 pounds and standing six feet two inches, calls signals in a tricky "T" attack that usually demands a comparatively light and snifty operator. He wears nothing but thin sponges taped to his hips under his regulation shell pants, and to keep his tossing arm free, he won't burden his body with bulky shoulder pads.

So what? says his coach, Ellis Johnson. "All he has done is complete 121 out of 179 attempts for an eye-popping total of 2,218 yards in six games. His completion average is 67.4 per cent."

Johnson admits that almost everybody who hasn't seen Porter in action will cock an eyebrow in disbelief when the super passer's accomplishments are recited.

"They are as accurate as they can be," says Johnson, "A student statistician keeps detailed figures on every Morehead play." Johnson, seeking official recognition of Porter's passing feats, said he plans to apply for membership in the National Collegiate Athletic Bureau, the statistical boy of the National Collegiate Athletic Association.

A study of the official record makes Porter's marks shine. The official total offense record (both passing and running) for a full season among small colleges is 2,006 yards set by Connie Callihan of Morningside last year.

Sam McGowan of New Mexico A. & M. set the season record last year for total passes, 214; for completions, 112, and for passing yardage, 1,712.

The best mark for passing percentage is 64.8 for more than 100 attempts, set in 1948 by Peterson of Hanover.

The current small-college leaders listed by NCAB are Ted March-

CHEVROLET TRUCKS
with Chevrolet's Hypoid Rear Axle

Chevrolet trucks are engineered to "take it," in every way. Chevrolet's heavy-duty hypoid rear axles offer maximum strength . . . with single-unit housings formed into tubular steel beams, and splined axle-to-hub connections that deliver power more evenly. Gears last longer, too . . . pinion gear is ball-bearing supported at each end, with adjustable thrust pad to prevent distortion on extra heavy pulls. Add these advantages to powerful Valve-in-Head engines, Synchro-Mesh transmissions, and channel-type frames. Then you'll know why Chevrolet is the most popular truck in America. Come see these great Chevrolet trucks today!

tant mothers. Kentucky has such a law but it has not been effective in many parts of the state. In Floyd county, Dr. Ransdell estimates that 25 per cent of mothers are attended by midwives and consequently do not undergo these tests.

"We will leave no stone unturned in this campaign to improve the health of Floyd county," Dr. Ransdell said. "Syphilis can be cured and since the discovery of penicillin, treatment is simple and painless. All but the very stubborn cases can be cured in 10 days. Treatment may be received from the family physician or at the Kentucky Rapid Treatment Center, maintained in Louisville on the State Fairgrounds.

"Every expectant mother needs to have two blood tests during each pregnancy," Dr. Ransdell pointed out. "Attention to this important detail of motherhood will pay big dividends in healthy, happy babies."

Blood tests are available every Friday from 9 till 12 noon and from 1 to 4 p.m., at the Floyd County Health Department or at the office of any physician.

Floyd County is one of 10 counties in this region which are taking part in the special case-finding project. Others are Bell, Clay, Harlan, Knott, Knox, Leslie, Letcher, Perry and Pike.

Bituminous coal develops approximately 50 per cent of the electrical energy in the U. S.

It takes a ton and a half of coal to make a ton of steel.

FLOYD SOLDIER PREDICTED NO END TO WAR AT TIME WHEN SUPERIORS SAID KOREA WON

Does the soldier at the front sense more than is known by the high command?

This question is posed by a letter received here by relatives of a private first class in Korea. The soldier, Ezra Branham, 19, wrote his mother, Mrs. Charlie Laferty, on October 16.

At that time the North Korean forces were in full retreat and the end of the war was confidently predicted by field commanders and reported to the people from Washington. But this is what Pvt. Branham wrote, drawing on what he saw and heard on the scene:

"Whoever told you that the war is over—they are sure wrong, for it isn't... I tell you, mother, it's worse than hell over here."

A few days after receipt of that letter here, the situation in Korea again was acknowledged to be critical, and now Red Chinese forces admittedly are in the fighting, with a third world war threatening.

Member of an engineer battalion, Pvt. Branham further wrote his mother:

"If I get home alive, I'm going to make a trip for just about one week, and it's going to be worth while too."

Thanks to Voters

We deeply appreciate the rousing vote of confidence given us at the polls by the voters of the Prestonsburg Independent school district. We promise to reward such faith with service to the best of our ability as members of the City Board of Education. For those who opposed us we hold no unkind feeling; in fact, we sought to conduct our campaign so as to retain the friendship of all, and that is what we sincerely desire.

W. A. SPRADLIN
DR. GEORGE P. ARCHER
W. V. BUNTING

CARD OF THANKS

We wish to thank all those who were so considerate during the long illness of our dear husband and father, Edd Vanderpool, and to acknowledge our gratitude to those who sent flowers, the ministers, the Revs. Alex Coburn, W. S. Akers, M. C. Wright and Banner Manns for their comforting words, and the Hall Brothers Funeral Home for its efficient services.—Mrs. Geneva Vanderpool and Jimmy Ray.

During the regency of Phillip of Orleans in the 16th Century, a long strip of muslin was adapted for a tie. This was not wrapped around the neck, but was sewn onto the shirt.

Miss Bailey, Mr. Wright Wed Here on October 24

The wedding of Miss Joan Bailey, daughter of Mr. and Mrs. John Bailey, of Prestonsburg, and Mr. Pauley A. Wright, son of Mr. and Mrs. W. A. Wright, of Detroit, Mich., took place at 10 a.m., Oct. 24, at the home here of the bride's grandmother, Mrs. Fanny S. Jarrell. The Rev. A. L. Stephens performed the ceremony.

The bride wore a ballerina-length gown of blue and gold taffeta, and carried bronze chrysanthemums. She was attended by Mrs. Fanny S. Jarrell, matron of honor. Mr. V. A. Thomas served as best man. Mrs. Tom James played nuptial music.

The house was beautifully decorated with fall flowers. Only the immediate families were present. The bride was a student of Prestonsburg high school and the groom is connected with General Motors in Detroit. Immediately following the wedding, the couple left for Detroit, where they will reside.

Mrs. George Roebor is seriously ill at St. Mary's hospital in Huntington. Her family is at her bedside. Mrs. Mack McGuire, of Cedar Bluff, Va., was here Tuesday en route to the hospital to be with her sister.

LEXINGTON VISITORS OVER WEEK-END

Mr. and Mrs. Albert Gross and baby son, William Albert, of Lexington, spent the week-end here with her parents, Mr. and Mrs. W. V. Bunting. On Sunday morning their son, William Albert, was baptized at the Presbyterian Church service.

TAKEN TO LOUISVILLE HOSPITAL

Mrs. Jean McSurley, nee Jean Osborn, daughter of Mrs. Emma Ellis Osborn, was removed from the home of her father-in-law last Thursday and taken to Hazelwood Sanitarium in Louisville for treatment. She was accompanied there by her aunts, Mrs. Mary Ellis Branch, Mrs. W. V. Bunting and Miss Rebecca Ellis.

plus DRY STORAGE COMPARTMENT

Scaled storage for cereals, vegetables, etc. Holds 18 beverage bottles.

Society Notes

LEAVES FOR ALBUQUERQUE

Leroy Combs left Sunday for Albuquerque, N.M., where he expects to make his home. Mrs. Combs and three sons will go later when living quarters are available. They will be greatly missed here by their friends and business associates. Mr. Combs has been actively engaged in the practice of law here with the Combs & Combs law firm.

CALLED HERE BY MRS. ARNOLD'S DEATH

Relatives who were called here by the death of Mrs. E. P. Arnold Tuesday were Mr. and Mrs. Mark G. Nicholls, Webster Springs, W. Va., Mr. and Mrs. Jack Ribble and son, Johnny, Washington, D. C., Floyd Arnold Mann, Lexington, Mary Catherine Hutsinpler, Richmond, Mr. and Mrs. Tom Dimick, Huntington, W. Va., Mr. and Mrs. Frank Cooley, Mr. and Mrs. A. N. Cooley, Mr. and Mrs. Crit Wells, Wayland, Mrs. Mary Turner, Northern, Mrs. Bruce Miller Hatcher, Harry Hatcher, Ashland, Mrs. Walter Van Landingham, Miami, Fla., Mr. and Mrs. Pieratt, Mt. Sterling, Mrs. Martha D. Carpenter, Millersburg, Betty Archer, Lexington.

MR. FITZPATRICK SUFFERS STROKE

Jonathan Fitzpatrick, of the Middle Creek road, is very ill at his home, having suffered a stroke Monday. His friends will be sorry to learn of his illness.

SHOWER FOR MRS. MARKIN

Mrs. Warren C. Markin was complimented with a miscellaneous shower Tuesday evening in the parlors of the Baptist church at 8 o'clock. The rooms were decorated with fall flowers, the bride's table bearing an arrangement of yellow mums as a centerpiece with low silver candlesticks at either end. Lovely gifts of china, crystal, linens and miscellaneous gifts were arranged on long tables for display. Punch and iced cakes were served to about 50 guests present. Hostess were Mesdames A. J. Archer, Troy B. Sturgill, Nannie Hughes Auxier, Hoover Harrington, Charles Wiechers, and Wilson Stepp. Mrs. Markin graciously acknowledged her many attractive gifts after a music program was presented by Mrs. Lindsay Stephens.

IN LOUISVILLE HOSPITAL

Mr. and Mrs. Clifford Rinehart went to Louisville Monday morning in Arnold's ambulance where Mr. Rinehart will be under observation at a hospital. He is critically ill. They have the good wishes of the community.

MRS. CARTER CRITICALLY ILL

Mrs. Anna Carter continues critically ill at her home on Court street. She is attended by her daughters, Mrs. Ethel Powers and Mrs. Edith C. Kendrick.

ATTEND FUNERAL HERE

Among those from a distance who attended the funeral here Wednesday afternoon of Mrs. E. P. Arnold were:

Mrs. Steve Ballinger, Mr. and Mrs. Charles Robinson, Mrs. J. J. Hatcher, Mrs. May H. Hinchman, Mrs. Andy Hatcher, Mrs. John J. Foster, all of Huntington, W. Va.; Mr. and Mrs. Gomer Martin, Drift; Mr. and Mrs. James E. Garnett, Hazard; Den Fairchild, Allen; Mrs. Dewey Lester, Canada, Ky.; Mr. and Mrs. Denzil Lee Lester, Mallory, W. Va.; Mrs. Fred Gross, Ashland; Mrs. Oliver Jenkins, Mrs. Frank J. Conley, Mrs. H. C. Hazellrigg, Mrs. Jay Hampton, Mrs. Ridda S. Findlayson, of Paintsville.

Mrs. Ralph Taylor, Rev. and Mrs. Thomas B. Ashley, Pikeville; Mrs. Blaine Smith, Mr. and Mrs. Fred Blackburn, Mr. and Mrs. Earl Blackburn, Tom Bates, all of Wheelwright; Byron Young, Louisa; Johnny Hall, and Roger Turner, Martin; Jim Cockrell, of Winchester; Jack Moore, Louisville; Malcolm Hubbard, West Prestonsburg; Jim Clark and Bill Pruitt, Cliff; Mr. and Mrs. E. M. Baker, Mrs. Mary Baker, Pikeville.

MINING INSPECTOR CITES SAFETY PROGRAM NEEDS

Several suggestions for expanding the current safety program at the Lambert Company's Lambert mine near Hi Hat, are presented in an official coal-mine reinspection report issued by the Bureau of Mines. At the time of the July safety survey by Inspector John H. Clawson, the mine employed 92 men and averaged 550 tons of coal daily.

Citing such recent safety gains as constructing an air lock at one place removing obstructions from the clearance space along a haulage-way, and cleaning the shelter holes, Inspector Clawson also called attention to several established safety measures. These included frequent roof testing and conforming with the adopted timbering standards in all but one of the working places, blasting coal and rock on shift with permissible explosives and approved shot-firing units, preshift, on-shift and weekly examinations for gas and other hazards, effective rock dusting, safe installation of power and trolley wires, adequate fire protection underground, use of permissible electric cap lamps by all underground employees, and 100 percent wearing of safety apparel.

TORPEDO COSTS ABOUT \$12,000

Norfolk—A steam-driven torpedo of the type used by American submarines costs about \$12,000.

BITUMINOUS COAL FURNISHES ABOUT 50 PER CENT OF THE MECHANICAL ENERGY IN THE UNITED STATES.

In 1950, 375,000 men are producing as much coal as 561,000 men produced in 1916.

Church Group Announces Fall Bazaar, Nov. 17-18

The Woman's Society of Christian Service of the Methodist Church will hold its fall bazaar Nov. 17-18 at the Harkins building, next to Young's shoe shop. It was announced this week. The event will be a sale of handwork and foodstuffs, with the proceeds to benefit the church.

The first machine ever used in making shoes was a clamping press invented to attach leather soles to shoe uppers.

Stair-Hopkins Nuptials
Solemnized in Florida

In a ceremony held at Park Temple Methodist church, Ft. Lauderdale, Fla., and attended only by members of the family, Mrs. Nancy Talbot Stair, daughter of Mr. and Mrs. Howard Hewes Talbot became the bride of John Calvin Hopkins IV, son of Mrs. John C. Hopkins and the late Judge Hopkins. The Rev. John Howard Hanger officiated.

The altar in front of which the couple stood was decorated with white tapers in candelabras and clusters of chrysanthemums in pastel shades.

Mrs. A. Richard Armstrong, organist, furnished the traditional nuptial music and Dana Wells sang "I Love Thee" and "The Lord's Prayer."

The bride, given in marriage by her father, wore a soft black lace ballerina length dress with a fitted bodice and a full skirt. Her hat was black nylon net halo with velvet trim. She wore a seed pearl ecker with matching earrings. Her bouquet was of gardenias and white carnations.

Miss Shirlee Nash, of Dania, maid of honor, was attired in a pink eyelet batiste ballerina length gown with navy accessories and she carried a light pink carnation bouquet.

The bridegroom's attendants included Orville Revelle, best man, and Paul E. Turner and C. P. Weidling, Jr., ushers.

The bride's mother chose a dress of teal blue crepe with black accessories and she wore pink roses. The bridegroom's mother wore coral rock satin, also with black accessories and she wore a corsage of gardenias.

The church parlor, where the reception was held following the ceremony was decorated with pastel gladioli with matching tapers. Mrs. Gerald Welmyer and Miss Rosemary Garr Baker assisted.

As the couple left for their wedding trip to Nassau, the bride was wearing a gold linen suit with black accessories and an orchid corsage. Upon their return they will reside at 301 NE 17th ave.

The bride attended LeNore Anthony theater craft school and Kansas City Conservatory of Music, both in Kansas city. The bridegroom attended Kentucky Military Institute, Washington and Lee university and was graduated from the University of Miami. He is a member of Phi Delta Theta social fraternity.

No Drafting of Doctors
In Kentucky Till Jan. 1,
Says Louisville Physician

No Kentucky doctors are likely to be drafted until after January 1.

All interns and resident physicians in bona fide programs are to be deferred until after June 30.

These statements on the current status of the doctor draft were made Saturday by Dr. A. Clayton McCarty, Louisville, after a meeting of the Kentucky Procurement Committee on Military Affairs at Kentucky State Medical Association headquarters, 620 S. Third Street, Louisville. Dr. McCarty is chairman of the committee.

He added the qualification, however, that the present policy is subject to reconsideration at any time in the light of changing military demands.

The committee continued with its plans for the classification of doctors subject to the draft. The classification is based on the doctors' previous service, number of dependents, essential standing in the community, and other considerations.

The number of doctors who have volunteered for service has precluded any likelihood of any being drafted before the first of the year, Dr. McCarty said. He received this information from Dr. Howard A. Rusk, New York, who is chairman of the President's National Advisory Committee on selecting doctor draftees.

The deferment of resident physicians and interns was made known to the Kentucky committee in a directive from Washington. Kentucky hospitals have been advised of the directive.

Floyd County Times

Official Organ for Floyd County, Ky

Published Every Thursday by
Prestonsburg Publishing Co

Entered as second class matter June 18, 1927, at the postoffice at Prestonsburg, Ky., under the act of March 3, 1879.

CHANGE THIS LAW!

AFTER observing again during recent weeks the feverish political activities typical of Floyd county school elections, THE TIMES is farther than ever, if possible, from being convinced that the "board system" takes the schools out of politics. But, the Kentucky Education Association holding otherwise and maintaining such strict control over legislators that a change of systems apparently is impossible, this editorial is not to argue that point.

Let us suggest, rather, a change in the law which would be a compromise.

If the election of a Board of Education and through it the election of a County Superintendent is the only procedure acceptable to those theorists in control, let us at least attempt to modify the law so as to leave counties of the state at peace for longer periods of time.

This could be accomplished by county-wide election of members of these boards, with all members to hold office for four years.

The bitterness of a school election — non-political as some say such elections are — is a thing which strains the temper of peace-loving people to the limit. It is a thing so inimical to peace and goodwill that no county should have to be exposed to it oftener than every four years.

As the law now stands, one section of the county is split wide apart by an election this year. The cleavage attendant on the campaign invaded intimate family circles, separated close friends. This one section will have four years in which to bind up its wounds, but another will be a battleground while this healing process is going on in the last "theatre of war." The rotation of board members and their election at various times keep the people never free for any appreciable period of time from the passions and bitter-nesses that rise from what amounts to political civil war.

Let us all, of all factions, in the name of peace, since we cannot as we should forgive and forget, get together when the next Legislature meets to promote this change in the law.

Retired Farmer Dies
At Grethel Wednesday

Nelse Tackett, 85, of Grethel, died Wednesday at 3:45 a.m., at the home of Doll Salisbury at Hunter. He was a retired farmer. His wife, Elizabeth Hamilton Tackett, preceded him in death.

Surviving is one son, John Tackett, Grethel, three daughters, Mrs. Mary Martin, Hunter, Mrs. Feena Rice and Mrs. Angle Adkins, both of Pikeville.

Funeral services were conducted from the graveside, at 2 p.m. today (Thursday), the Rev. Ivan Hamilton officiating. Burial was made in the Grethel cemetery under direction of the Hall Brothers Funeral Home.

The Farmer
The farmer now uses mechanical coal stokers for greenhouses, poultry brooders, bake ovens, and—of course—for home heating.

(Continued from Page 6)

The new link will give tourists access to one of the most scenic spots in America, where the Russell Fork cuts its way through a break in the Cumberland Mountains. There are plans to make a State park there.

The Highway Department plans several roadside "lookouts" along the 3.1-mile section. There will be parking room, and there will be stoves and tables for picnics. In one of them will be an information booth to offer guidance to tourists entering Kentucky from the Virginia side.

On the eastern side of the Breaks, the Virginia Department of Highways is co-operating to make the area available to tourists. Virginia is building a four-mile stretch from Hays to meet the newest link of KY 80.

Coal reserves in the United States equal 46 per cent of all the reserves in the world.

(Continued from Page 4)

The greatest wheat speculator, Arthur Cotton, died abroad, insolvent.

The president of the New York Stock Exchange, Richard Whitney, served a term in Sing Sing.

The member of the President's Cabinet, Albert Fall, was pardoned from prison, so he could die at home.

The greatest bear in Wall Street, Jesse Livermore, committed suicide.

The president of the Bank of International Settlements, Leon Frazer, committed suicide.

The head of the world's greatest monopoly, Ivar Krueger, committed suicide.

All these men had learned to make money—but money isn't enough.

THIS IS NEWS!
For all the tragedy of Korea and the election bitterness, I am convinced the Millennium is near. In fact, I wouldn't be at all surprised to see, any day, the lamb and the lion lying down together with the former as safe as the latter.

This optimistic frame of mind is created by the announcement that, following the Paintsville-Prestonsburg football game here Friday night, alumni and students of the two schools will join in a Homecoming celebration.

Now, I maintain that this is news. The best kind of news. Let the world be at loggerheads, let men kill each other, slip back to the status of the primordial beast—yet we are more civilized. This is proof positive that we are. These two old rivals, in days gone by, have learned through the teaching of athletic competition that somebody must lose, even as somebody will win, and that because folks attend another school or live in another town is no reason for marking them for massacre.

The Times congratulates the two schools and their students. May they all have a good time—and may we oldsters be good sports even as they are!

BABE SUCCEUMS
Judith Lynn, five-months-old daughter of Mr. and Mrs. John H. Hall, of Glo, died Tuesday after a few days' illness. Burial was made Wednesday at Mousie, the Ryan Funeral Home directing.

To the People
Of Floyd County:
We wish to express to you our appreciation of the splendid support given us in our races for the Floyd County Board of Education. We are gratified by your expression of confidence on election day, and we propose to justify this confidence with the best service we can give you and your children.

At the same time we wish to say to those who opposed us that we recognize their rights, that we hold for them no ill-will. We ask these and all others to co-operate with us to the end that the school children of Floyd county will gain by whatever we do.

JAMES GREENE,
DR. J. H. ALLEN.

(Continued from Page 1)

the jail here by the arresting officer, H. Mitchell, for drunk driving.

For the robbery of the I. N. Hall store at Banner last week Billie Crum and Chalmers Stratton were arrested by Deputy Sheriff Frank Crum. When they denied guilt, Crum asked that they submit to fingerprinting for comparison with prints found in the store. "Oh, hell, there's no use of that—we just got \$9," one admitted, according to the officer.

Others jailed within the week, charges on which they were booked and names of arresting officers follow:

Kelly Akers, peace warrant, by Frank Crum and Bill Willis, Nov. 2; Kermit Matney, child desertion, by Constable Harold Sammons, Nov. 4; Steve Smith, peace warrant, by Policeman "Pie" Gilliam and Deputy Sheriff Crum, Nov. 4; Steve Osborne, possessing whiskey, arrested by Constable George Hall and P. Stilton, Nov. 4; Buddy Henry, possessing whiskey, by Officers Rice and Osborne; Joe Martin, peace warrant, by H. Mitchell, Nov. 4; Lee Case, peace warrant, by Officers Crum and Willis, Nov. 6; Kendall Mosley, reckless use of deadly weapon, by Rice and Osborne, Nov. 7.

BETSY LAYNE

The Betsy Layne Woman's Club held its regular weekly sewing session November 1 at the home of Mrs. Beecher Hardwick. The meeting was an all-day session, beginning at 10 a.m., and lasting until 4:30 p.m. The day was spent in making pot-holders and aprons. Six complete pot-holder sets were completed and several hand-painted aprons were finished. Work for the next meeting at the home of Mrs. O. J. Williams was outlined and the necessary preparations made.

It was decided to send a box of clothing to the Methodist Orphanage at Versailles, Ky.

A spaghetti luncheon was enjoyed by the following members: Mesdames O. J. Williams, T. J. Chandler, Edward Lykins, Alex Davis, W. P. Howell, C. H. Dickerson, Beecher Hardwick, Miss Alice Williams.

670,000. The nine Republicans polled from 389,000 to 368,500.

Redistricting is a tough and political job. Early talk here has noted that Jefferson county probably will remain a single Congressional District. Political cartographers also note that the First District is bounded on the west by the Mississippi River, on the south by the Tennessee border and on the north by the Ohio River. Its only chance to expand is eastward, into the Second District.

The last changes in the State representative and senatorial districts to conform with population trends, was done in a special session in 1942 when Keen Johnson was Governor.

The State Constitution limits the legislative membership to 100 representatives and 38 senators. Under the 1942 redistricting, Jefferson county got five senators and 11 representatives. That was on a population basis of 385,392. Now Jefferson's population has soared to 486,785. If Jefferson is entitled to additional senators and representatives, some rural legislators will have to represent larger areas than they do now.

The Constitution provides that legislators, as nearly as possible, must represent equal parts of the population. A county may be divided into two or more legislative districts. But part of one county cannot be put in with part of another county or the whole of any other county. No representative shall represent more than two counties and the two counties must be contiguous, the Constitution says.

The numerical and migratory changes in the population also may call for redistricting of judicial, appellate, and railroad-commission districts. All of this is left up to the Legislature.

The next regular session of the Legislature convenes early in January, 1952. In 1951, on the basis of the present districts, 100 representatives and 17 senators will stand for election.

Plan 'The Messiah'
This Year as Event
For All Floyd County

This year's presentation of Handel's "The Messiah" will be a county-wide event, Franklin W. Moore, director, said this week. Singers from all parts of the county are invited to try out at rehearsals for parts.

Next rehearsal, Mr. Moore said, will be held at the Baptist Church here Monday evening at 7:30.

The oratorio is planned as an annual production. Last year's presentation evoked wide praise.

TAYLOR TAKES PART IN BEREA CELEBRATION

Berea, Ky.—Frankie Taylor, son of Mr. and Mrs. Demra Taylor, who is enrolled in the Foundation School of Berea College, participated in the United Nations Day chapel program held here, Oct. 24. Young Taylor had the part of the Barker in the play, "The Martian Schemers." The program was an event sponsored by the social studies classes of the Foundation School, which is the high school unit of the college.

Before coming to Berea, Frankie attended Martin high school. Crude tar, a derivative of coal, provides us with aspirin, adhesives, synthetic rubber, plastics, sulfa drugs, and medicines.

Mr. Seymour Marks, 1229 Morrison St., thinks his son Gregory is the finest little boy in St. Louis, Missouri, and he isn't a bit ashamed to admit it. He also says he used to be cross, irritable and nervous, but HADACOL put a stop to all that when he found he was suffering from a lack of Vitamins B, B₂, Niacin and Iron. Mr. Marks was mighty proud to make the following statement: "Before I began taking HADACOL there was many a night that I lay awake. I just couldn't get any sleep. Food didn't agree with me and my stomach gave me all sorts of trouble. I took only two bottles of HADACOL before I was feeling much better. Now I am in the best of condition and have only HADACOL to thank. One of my cousins told me about HADACOL and I have told many more people about the fine results I have had from HADACOL."

You, Too, Will Be Amazed at the wonderful results HADACOL can bring you, as it has to thousands and thousands of other fine folks who suffered a deficiency of Vitamins B, B₂, Niacin, and Iron, which HADACOL contains. HADACOL helps build up the hemoglobin content of your blood (when Iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body—to the heart, liver, kidneys and lungs, even to the eyes, hair and nails. Give HADACOL a chance today. Refuse substitutes. Don't let anyone tell you something else is "just as good." Insist on the genuine HADACOL. No risk is involved. . . . because HADACOL is sold only on a strict money-back guarantee. You'll feel great with the first few bottles you take or your money will be refunded. Trial size, only \$1.25; Large Family or Hospital size, \$3.50.

TIDBITS OF KENTUCKY FOLKLORE

By GORDON WILSON, Ph.D.
Western Kentucky Teachers' College Bowling Green, Ky.

"UNDER A SPREADING CHESTNUT TREE"

If a full-grown dinosaur were suddenly to appear in your yard, or a buffalo were to be found grazing among your cattle, or a coon-skinned pioneer should nonchalantly walk into town like another returned Rip Van Winkle, you probably would not feel much more surprise than I felt yesterday when I found a good-sized chestnut bush covered with burs. It has been years on end since such a sight has met my eyes. I have seen two or three burs at a time on a few sprouts that had barely survived the blight, but a whole treeful of burs was almost too good to be true. I would love to believe that these nuts, inbred as they are bound to be, may have a secret resistance to blight and could be the beginning of a whole forest of new chestnuts, graceful as their ancestors of other years. If I owned that tree or could get hold of those nuts, I would try to save every one of them to plant, looking toward a future that I cannot hope to see.

Younger people will never know what chestnut trees used to mean to us of other times. The French have a word for it, "largesse." That word suggests bounty, unlooked-for treasures, and free delights. It did not take a rich person to own a chestnut tree; in fact, these trees had a way of growing on poor, old hills where it was hardly profitable to clear the land. As far back as I can remember, many of the trees had suffered from blight, but nobody then dreamed there would be such wholesale destruction as has come upon the whole species. Pear trees, too, had blight, and apple trees occasionally. But the limbs that survived bore their treasures as before, and we were not afraid of a time when there would be no pears or apples. Along about the time of year that this article will appear in print, chestnuts used to be ripe and ready for boys and squirrels.

"And chestnuts fall from satin burs Without a word of warning."

And chestnuts belonged to the

fellow who found them, just as black walnuts do today. Of course, we would not have gone into another man's yard after his chestnuts, but anywhere else was appropriate. The boys who had chestnut trees near their houses always had chestnuts to give the girls at school; one boy that I knew used to sell great quantities of chestnuts on the fall election day. We liked the nuts so well that they seldom lasted into the winter. Consequently, I do not recall having ever eaten roasted chestnuts until I left home and bought some at a store. We usually had eaten all we could get hold of before they had become thoroughly dried and hard. No squirrel or chipmunk ever enjoyed his natural meal any more than we did ours.

If I were an artist, I would love to devise several beautiful things that resembled the chestnut and its associations. Where did you ever see any prettier leaf? And think of the color of the leaves in autumn, that soft yellow that deepened as the leaves dried into that unmistakable chestnut brown. The inside of the burs always intrigued me. The silk-like lining, the delicate chestnut color, the snugness of it all seemed almost fairy-like. And the wood, chestnut in color and chestnut in appearance, even to the last splinter of it, is hard to match anywhere in the world. Even the millions of trees that died of blight stand on for years and years, their wood still useful for railings and seats and posts at all our parks in the mountains. Every year I go past the stumps of chestnuts that seem no worse for wear, even though the trees themselves died 30 or more years ago and the dead timber is cut and used five years later. Somehow whole acres still seem bereft of their most distinctive timber and have had a hard time adjusting themselves to growing other trees. How I wish that little tree I found could be a small prophecy of what could happen again!

Floyd Student To Play Title Role in 'Jane Eyre'

Berea, Ky., Nov. 3 (Sp.)—Rhoda Allen, a senior in Berea College, has been selected to play the part of Jane Eyre in the play of the same name. "Jane Eyre" is the fall major production of the Berea Players, and is to be given at Homecoming time, Nov. 23, 24 and 25. Miss Allen is the daughter of Mr. and Mrs. F. M. Allen, Langley, Ky. She was a member of the 1947 graduating class of Maytown high school, where she was valedictorian of her class.

WANTED

CORWIN CLARK
alias "CORWEE"

Blond hair, blue eyes. Four years old. Height 3 ft. 7 inches; weight 58 lbs.

Last seen loafing on his doorstep Sunday morning.

THIS BOY IS DANGEROUS

He is intelligent, clever, friendly—a natural leader. But his parents have repeatedly neglected the opportunities provided by local churches for his religious and moral training.

The aid of all Christian citizens is required to locate this boy and hundreds like him. The character-building influence of the Church can make them outstanding men. Your active support of the local churches in their efforts to train such youngsters will have ample REWARD in the contribution these youths will one day make to the life of our Community.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

The funeral of Charles Daniels was held at the Methodist Church Sunday afternoon at 1:30.

Miss Mary L. Music, of Prestonsburg, was the Saturday night guest of her parents. Mr. and Mrs. George Music.

Mr. and Mrs. Bobby Curnutte visited her grandmother, Mrs. Anna Hamilton, of Emma, last week-end. Mr. and Mrs. Sam Robinson have returned from Ypsilanti, Mich. where he was employed.

Jack R. Hall has returned home from Jenkins, where he was with the Jenkins baseball club during the 1950 season.

Lorraine Hall, Elizabeth A. Daniels, Brenda J. Music, Delores Hollifield, Betty R. Daniels and Jimma Hall were Thursday night guests of Mrs. Ora Curnutte.

Mrs. Sam Johnson is able to be out after being seriously ill.

"Uncle" Jack O. Robinson is seriously ill at the home of his son, Wm. Robinson.

Miss Clotie Vanhoose, of Nippa, Ky., was the Sunday afternoon guest of Mrs. Bobby Curnutte.

James Perry is seriously ill in the Paintsville hospital.

Laura D. Lilly and son have returned home from a visit with her brother, Paul E. Lilly, of Ypsilanti, Michigan.

Mrs. Willard McKenzie gave a recent household honor to her daughter, Mrs. Bill J. Pitts.

HONAKER

(Last week's correspondence)

A Halloween carnival at the Spruce Pine school was enjoyed by a large group of parents, pupils and friends of the school. One of the most popular attractions was a magician's show put on by Perry Hall of Harold. Mr. Hall, although classed as an amateur, really has the quality of a professional. He donated his services to the school.

Seaman Willie McKinney and his wife, the former Ruth Stewart, and two small children are guests of Mrs. McKinney's mother, Mrs. Annie Stewart, while on a furlough. Seaman McKinney is stationed in Texas.

Lonnie Hall, trustee of Spruce Pine school, who recently suffered a broken right leg in a mine accident, has returned from the Prestonsburg General hospital and is convalescing at home.

Ruford Kidd, of Ohio, is visiting his parents, Mr. and Mrs. Reuben Kidd.

Mr. and Mrs. Lem Meade and children have returned from Omar, W. Va.

The community was shocked Monday by the tragic death of 10-year-old Myra Ellen Kimbler, daughter of Mr. and Mrs. Bob Kimbler. She died of burns suffered when her clothes ignited from an open grate. The funeral was conducted from the home Thursday afternoon by the Revs. Tack Hall and Jimmie Hall. Classmates of Myra and her teacher, Mrs. Mavis Kelly sang "Gathering Buds." Burial was in the family cemetery on Big Branch.

Eddie, small son of Mr. and Mrs. Bill Harvey, is a patient at the Prestonsburg General hospital.

MAYTOWN

The Boy Scouts, under the sponsorship of Buddy Robinson, had a Halloween party Saturday night.

Mrs. Mary Ratliff spent two weeks in Grundy, Va., visiting her daughter, Mrs. Sam Jones.

Miss Lucretia Osborne spent the past week-end in Salyersville visiting Mr. and Mrs. Bert Hicks and Dr. and Mrs. Dave Stephens.

Mr. and Mrs. Charles Tinguie, accompanied by Marcia and Billy Smith, of Hindman, attended the homecoming game, University of Kentucky, vs. Florida, at Lexington Saturday.

Misses Geraldine and Corinne Allen spent Saturday night in Prestonsburg, guests of their sister, Mrs. Leo Carter.

Mr. and Mrs. Lamar Combs and Pam have returned from Louisville where Pam goes for medical care.

There will be a "Sadie Hawkins Dance" Saturday November 11, at the Maytown gymnasium. The time is 7:30. The dance will be sponsored by the Maytown Home Economics Department.

CHURCH NEWS

The Christian Board of Education had its monthly business and social meeting in the basement of the parsonage, Wednesday night. A spaghetti supper was served by Mesdames Charles Tinguie, Ed Sutton, and Ed Stewart to the following: Mr. and Mrs. Edgar May; Mr. and Mrs. Arnold Maggard, Mr. and Mrs. Howard Ramey, Mr. and Mrs. Thomas Patrick, Rev. and Mrs. Kenny and Patty, Mr. and Mrs. John Carder, Mr. and Mrs. Arnold Cassidy, Charles Tinguie and Mesdames V. O. Turner, Lucy Patton, Thaurmal Chick, George Patton, Judson Hayes, Charles Patton, Viola Stewart, Rebecca Harmon, Amy Begley, Baisden Orsborne, Wiley Jones, Henry May, Frank May, Buddy Robinson, Frank Stewart, Rebecca Hayes, and Jones Talient. Following the supper, President Arnold Cassidy called the business meeting to order. Both old and new business was discussed and Mr. Cassidy appointed the various committees for the following month.

The Lulabelle Allen class met at the home of Mrs. Ed Stewart Thursday evening. Mrs. Buddy Robinson opened the meeting by giving the Devotional. There was a motion made to begin a study course next spring. Mesdames Jones Talient, Buddy Robinson and Jim Chick were appointed to make plans for this course. Mesdames Frank Stewart and Baisden Orsborne will be in charge of the Thanksgiving basket which will be given from the class. The meetings will be discontinued for the next two weeks, due to the Revival. Following the business meeting the members enjoyed a buffet supper. It had been planned to have Dr. Claude Allen as speaker but due to his absence Mrs. V. O. Turner kindly agreed to read some of her excellent poems. Some of Mrs. Turner's poems have appeared in both state and national anthologies. The next meeting will be November 18 when the class will make a trip to Prestonsburg to visit homes of interest.

Friday evening a supper, sponsored by the Ladies Aid, was given in the parsonage basement. Proceeds were given to the Building Fund.

The Youth Fellowship enjoyed a party given for them, Halloween. Although the attendance of Sunday School dropped to 111 last Sunday, Thomas Patrick, Supt., announced the average attendance for October was 130. During the Sunday School hour, Myra Gibson, accompanied on the piano by her sister, Judy, sang "Every Chapter in the Book is Mine."

IRENE COLE MEMORIAL BAPTIST CHURCH
L. W. BENEDICT, Pastor
SUNDAY, NOV. 12, 1950
9:30 a.m.—Sunday School at Lancer.
9:45 a.m.—Sunday School at the church.
10:55 a.m.—Morning worship with sermon by Pastor—"THE PRICE OF VICTORY."
2:30 p.m.—Sunday School at Upper Cow Creek.
6:30 p.m.—Training Unions—ages 6-16.
7:30 p.m.—Evening worship—special music—Second in series of Sermons on GOD'S TEN COMMANDMENTS: "THOU SHALT NOT TAKE THE NAME OF THE LORD THY GOD IN VAIN."

Representing our church and congregation at the General Association Meeting of Baptists of Kentucky at Murray, Ky., Nov. 14-16, will be the following: L. W. Benedict, Deacon and Mrs. J. B. Clarke, Mr. and Mrs. R. W. Peller, Fred Dickerson.

At this state meeting recommendation to establish a new Baptist Orphans' Home in or near Paintsville will be presented and, if approved, will mean a great deal to this section.

More than 2,500 Missionary Baptist Churches with more than 500,000 members will be represented at this meeting.

Pastor E. L. Howerton, of Pikeville, is to preach the annual sermon.

There are more than 100 different kinds of bituminous coal.

Education Board Can Fix Tax Rates

Frankfort, Ky., Nov. 7.—Boards of Education have the right to fix school-tax rates, Assistant Attorney General W. Owen Keller said today. Answering a query from Warren county Judge J. David Francis, Keller quoted Kentucky statutes and court rulings upholding them.

Judge Francis wrote that "some people in Warren county" had raised a question whether their Board of Education could raise the rate to the maximum of \$1.50 per \$100 property valuation.

Keller replied that fiscal courts must levy the rate demanded by Education Boards in all cases with one exception. In cities of the first four population classes, when the city and school district boundaries are the same, the city governing board must levy the tax, but it must be in accordance with the request of its Board of Education.

IN MEMORIAM

In loving memory of Mrs. Clara Leslie who passed away November 11, 1949.

God called you home, it was His will, But in our hearts we love you still; Your memory is as dear today As in the hour you passed away.

You bade no one a last farewell, You said goodbye to none, The heavenly gates just opened wide And a gentle voice said, "Come."

We watched you suffer day by day And could not help in any way; But just stood by and saw you pass Into the Saviour's arms at last.

It was on Armistice Day That God called you away— A day that will long be remembered By the family.

WHEELWRIGHT LODGE No. 889 F. & A. M. Meets each second and fourth Wednesday

Turner Elkhorn Mine Recommendations Made

Although endorsing desirable features at the Columbia No. 2 mine of the Turner Elkhorn Mining Company, at McDowell, Ky., a coal-mine reinspection report released by the Bureau of Mines proposes additional precautions. The mine employed 46 men and produced 250 tons of coal a day when Inspector John H. Clawson examined it the last of July.

The inspector advised always setting at least two safety posts close to the faces, placing sufficient permanent timbers, taking down or supporting loose haulage-way roof as detected, and always firing the permissible explosives electrically. Ventilation was adequate, but he proposed offsetting the No. 2 ventilating fan at least 15 feet and providing it with specified safeguards, pairing single doors to form air locks at specified places, and making preshift and weekly examinations for gas and other hazards.

ORDINANCE

BE IT HEREBY ORDAINED BY THE CITY COUNCIL OF PRESTONSBURG, KY.:

SECTION I. All persons being summoned into Prestonsburg Police Court to answer charges or complaints filed against them, which charges or complaints are of a criminal nature, shall pay a minimum court cost of \$2.50 for each charge or complaint so filed and tried.

SECTION II. Any ordinances or parts of ordinances in conflict herewith are expressly repealed.

SECTION III. This ordinance shall be in full force and effect when passed by the Council and advertised according to law.

CURTIS CLARK, Mayor
Attest: JUDITH D. ARCHER, City Clerk
Passed this Oct. 16, 1950.
10-26-50.

WHEN YOU FEEL WEAK AS A CAT

If you have that good-for-nothing feeling, like you are half-sick and half-well, and your nerve energy is weak and low, the chances are it is due to one thing; doctors call it:

BLOOD POVERTY

Your blood cells may be fagged-out or shrunken, and you might not realize it. Even if you eat the "best" foods you may not be getting all the good out of your meals simply because you have SLOW Digestion (without knowing it) (or gassy stomach) and as a result you are a victim of Blood Poverty! In other words, your blood is not getting the fullest good out of what you eat. So your blood-cells become worn-down and you have only half as much energy as you really need, you get up in the mornings still tired, and your nerves become dull.

Hundreds here in Prestonsburg suffered with "fade-out" blood and stomach gas until they got CERTA-VIN. This is the new medicine containing 12 Herbs blended with Vitamin B and Iron; you take it before meals and it works with your food. Benefit comes quickly. Your food digests FASTER, with less gasiness, and you get more good out of your meals. In a few days your blood is energized with new red cells and your nerves become stronger. Weak, rundown people tell us they soon feel different all over. And best of all, our price on CERTA-VIN is reasonable. You can actually take this new, modern medicine for only a Few Cents a Day! So don't go on feeling half-sick and half-well. Get CERTA-VIN at the W. A. ROSE DRUG CO. (formerly Hughes Drug Co.), here in Prestonsburg.

The electric power industry is the largest single industrial user of bituminous coal.

ORDINANCE

BE IT HEREBY ORDAINED BY THE CITY COUNCIL OF PRESTONSBURG, KY.:

SECTION I. That it shall be unlawful to operate phonographs, or jukeboxes, between the hours of 12:00 p.m., on Saturdays and 6:00 a.m., on Mondays, within the city limits of Prestonsburg, Ky.

SECTION II. Any person or persons violating this ordinance, or any part thereof, shall be fined not less than \$1.00 nor more than \$10.00 for each offense.

SECTION III. All ordinances or parts of ordinances in conflict herewith are expressly repealed to that extent.

SECTION IV. This ordinance shall be in full force and effect when passed by the Council and advertised according to law.

Mr. Arnett Is Honored With Birthday Dinner

J. M. Arnett was honored on his 88th birthday with a dinner given at Mr. and Mrs. Arnett's home in West Prestonsburg, Sunday, October 29. The house was beautifully decorated with fall flowers. A large cake bore the dates 1862-1950.

Approximately 75 guests attended, among whom five generations were represented by the families of Mr. and Mrs. Ben Parker, and Mr. and Mrs. W. B. Hatcher, of Lima, Ohio. Mrs. Parker and Mr. Hatcher are grandchildren of Mr. Arnett. Many lovely gifts were received by both Mr. and Mrs. Arnett, who graciously acknowledged them.

MASTER COMMISSIONER'S SALE

FLOYD CIRCUIT COURT No. 13977

Octavia A. Combs, Administratrix of The Estate of Townsel Combs, Et Al Plaintiffs
Vs.—NOTICE OF SALE
Harry Branham and Mary Branham Defendants

By virtue of a judgment and order of sale made and entered in the above styled action at the October term, 1950, of the Floyd Circuit Court, the undersigned Master Commissioner will on November 27th, 1950, at the courthouse door, in the City of Prestonsburg, Kentucky, about the hour of 10 a.m., on a credit of six months, sell at public auction to the highest and best bidder the property described in the amended judgment and ordered to be sold in this action, or a sufficiency thereof to bring the debt, interest and cost, said property being described as follows:

One coal ramp and all appurtenances thereto, located in the southern limits of Martin, Floyd county, Kentucky, and situated on the Chesapeake & Ohio Railway Company right-of-way.

The purchaser will be required to execute a bond for the purchase price, with approved surety, bearing interest at the rate of six per cent per annum from the day of sale until paid, payable to the undersigned Commissioner, and a lien shall be retained upon the property sold as additional security. However, the purchaser shall have the privilege of paying the purchase price in cash, without executing bond, or of paying the bond for the purchase price at any time before maturity, with interest thereon to the date of payment.

The amount to be raised is Six Hundred Fifty-Seven (\$657.00) Dollars, with interest thereon at the rate of six per cent per annum from August 14, 1950, until paid, making Six Hundred Sixty-Eight and Twenty-Six Cents (\$668.26) of principal and the interest will commence on the day of sale, and also the sum of \$66.75 the cost herein, making a total of \$735.01 due on the day of sale.

J. B. CLARKE
Master Commissioner
Floyd Circuit Court
Cost of advertising \$21.38.

ENTERTAINS BRIDGE CLUB

Mrs. Harry Zimmerman entertained members of her bridge club at her home Friday evening, Oct. 27. Dinner was served at 7 p.m., and later in the evening five games of bridge were played. Guests and members of the club present were Mesdames Blaine Smith, John Parker, Stephen W. Clarke, Leland Becker, E. R. Price, Anna B. Smathers, J. W. Bailey, and Cora McHone. High score was won by Cora McHone; second high, Anna B. Smathers; bingo prize, by Mrs. Blaine Smith.

BENEFIT BRIDGE AND CANASTA

The Wheelwright Woman's Club sponsored a bridge and canasta party Saturday evening, October 28, at the clubhouse.

Proceeds from the party going to the Girl Scout fund, amounted to approximately \$30.

Mrs. Stephen Clarke won high bridge prize, and Mrs. Lee Claire, canasta prize.

Sandwiches, cookies and coffee were served by hostesses Mrs. E. R. Price, Mrs. Bradbury, Mrs. John T. Parker and Mrs. John Ruife.

Harold Girl One of 5 Elected Cheerleaders

Pikeville, Ky., Nov. 7. (Spl)—Roma Lou Clark, Harold, is one of five cheerleaders elected by the student body at Pikeville Junior College last week. Dr. A. A. Page, president of the school announced. Miss Clark, a cheerleader at Betsy Layne high school before she graduated there, is one of two college sophomores elected to the posts. The Pikeville cheerleaders were chosen at large from the entire student group this year, rather than from the individual classes as formerly, Dr. Page said. The five will see action for the first time on Thursday evening, Nov. 9, when the Pikeville College Bears play Mayo State Vocational School, of Paintsville, here, the announcement said. The Pikeville College Academy Cubs will be hosts to the McDowell high school quintet, the same evening.

Ison-Edmonds Nuptials Solemnized Oct. 28th

Mrs. Louisa Ison, of Langley, Ky., announces the marriage of her daughter, Esteva, to Lawrence Edmonds, of Pikeville, Ky. The wedding took place October 28 at the home of the bride's mother in the presence of relatives and close friends. The Rev. W. J. Kinney, pastor of the Maytown Methodist Church, performed the single-ring ceremony.

The bride, given in marriage by her brother, John Ison, wore a green wool suit with black accessories and a corsage of pink rosebuds.

Mrs. Mae Smith, of Pikeville, Ky., was matron of honor and wore a wine suit with black accessories and a corsage of yellow rosebuds. Mr. Floyd Sanders served as best man.

The bride's mother wore a green crepe dress with black accessories and a corsage of red roses.

A reception was held in the dining room following the wedding with Mrs. John Ison and Mrs. Herbert Ison assisting.

Out-of-town guests were Mrs. Mae Smith, Mr. Floyd Sanders, and Miss Fern Edmonds, all of Pikeville, Ky.; Mrs. Herbert Ison and Miss Ann Tackett, of Martin, Ky.

The bride is a graduate of Martin high school and Louisville school of Business. For the past several years she was employed by the federal government at Wright and Patterson Fields, Dayton, Ohio. She is now employed by the Big Sandy Insurance Agency, Pikeville. The groom is a real estate agent with offices in Pikeville, where the bride and groom will reside.

NOTICE
BANK OF MILL CREEK, vs. THE ELKHORN COAL CORPORATION et al.

Notice is hereby given that on the 10th day of November, 1950, the Letcher Circuit Court, Kentucky, will hold a hearing in the above styled cause at the courtroom of said Letcher Circuit Court at Whitesburg, Kentucky, at 9:00 o'clock, a.m., or as soon thereafter as the court can hear same, for the purpose of considering and acting upon allowance of compensation to the Ancillary Receivers of The Elk Horn Coal Corporation and to attorneys for services rendered to said receivers. Any party in interest may file objections to said hearing or to said allowances in the clerk's office of said Letcher Circuit Court at any time prior to said 10th day of November, 1950.

HOWARD N. EAVENSON, W. W. GOLDSMITH and THOS. W. HAYMOND, Ancillary Receivers of the Elk Horn Coal Corporation

FLOYD CIRCUIT COURT
The First National Bank Of Prestonsburg, Ky. Plaintiff,
Vs.) No. 13,923.
Joe I. May, et al., Defendants,
Burl Spurlock, Plaintiff,
Vs.) No. 13,923.
Joe I. May, et al., Defendants,
And
The First National Bank Of Prestonsburg, Ky. Plaintiff,
Vs.) No. 13,965.
Joe I. May, Defendant.

By virtue of a judgment and order of sale and entered in the above styled actions, consolidated for the purpose of this sale, at the October term 1950, of the Floyd Circuit Court, the undersigned Master Commissioner will on Monday, November 27, 1950, being the first day of the Floyd County Court, at the courthouse door in the City of Prestonsburg, Floyd county, Kentucky, at the hour of 10:00 a.m., upon a credit of six (6) months, sell at public auction to the highest and best bidder the property described in the judgment and ordered to be sold in this action, to-wit:

BEGINNING at a stone in the center line of a certain private road 25 feet wide on the west side of Lick Branch and a corner of a certain tract containing 4.38 acres conveyed by said grantor (Pike-Floyd Coal Company) to John M. Moore, by deed dated July 23, 1938; thence running up the hill and over the dividing ridge between Lick Branch and Spring Branch with the line of said Moore tract N 72 degrees 30 feet W 834.25 feet to a stake on the side of the hill N 19 degrees 48 feet E 318.57 feet to a stake in the center of the ridge; thence leaving the ridge and running down the hill S 70 degrees 12 feet E 483.87 feet to a stake from which a large Beech bears N 15 degrees 00 feet E 6 feet; thence down the hill S 72 degrees 28 feet E 48.00 feet to a stake; thence along the side of the hill S 19 degrees 48 feet W 194.90 feet to a stake on the side of the hill and the Southwest corner of a certain tract containing 0.70 of an acre, conveyed by said grantor to Willie E. Clark by deed dated April 26, 1938; thence with the line of said Clark tract running down the hill S 72 degrees 30 feet E 302.00 feet to a stone in the center line of said private road; thence in the center line of said private road S 19 degrees 48 feet W 104.10 feet to the beginning, containing 4.48 acres. Being the same lands conveyed to the defendant, Joe I. May, by Pike-Floyd Coal Company, by deed dated January 23, 1939, and recorded in Deed Book 111, at page 15, Floyd County Court Records.

The purchaser will be required to execute bonds with good surety for the deferred payments, bearing interest at the rate of six per cent per annum from the day of sale until paid, payable to the undersigned Commissioner, and a lien shall be retained upon the property as additional security. The purchaser may pay cash without executing bonds, or pay the purchase money at any time before maturity of the bonds.

All taxes and assessments due in the year of 1950, and thereafter, shall be assumed and paid by the purchaser, but all taxes and assessments prior thereto may be paid out of the purchase money.

The amount to be raised by this sale is the sum of \$6,812.78.
J. E. CLARKE, MASTER COMMISSIONER, FLOYD COUNTY COURT.
Cost of advertising, \$30.38

Farm NEWS and VIEWS

By HAROLD B. RICE, Floyd County Agent

Several people in this county keep bees and too often they aren't fed or protected from winter winds.

When the fall season comes to a close each hive of bees should receive about 10 pounds of sugar syrup. This should be in addition to the 40 or 50 pounds of honey already in the hive. The syrup should be made from granulated sugar, using two-thirds sugar and one part water. The syrup can be given in an open pan with corn cobs placed in the syrup for the bees to light on.

To the inexperienced beekeeper feeding in the fall may sound foolish, but to those who understand, it is foolish not to do it. The bee is an insect that does not hibernate over the winter. True, its activities are greatly reduced during the cold season, yet the organs continue to function. If you open a hive of bees during the winter you will see a cluster of bees quietly, slowly weaving in and out in a ball-like formation. What are they doing? They are generating heat in the cluster to keep from freezing to death. They are active, therefore they need food.

Probably you are wondering why it is necessary to feed bees so early in the fall. Honey bees are not equally free of indigestible materials, such as resin and gums. Honey gathered from asters and other fall plants is high in per cent of indigestible material. However, that gathered from sweet clover, white clover, and certain other early plants is almost completely digestible. In the ordinary way of handling bees, the early gathered honey, which is best for wintering, is removed from the hives. The honey gathered in the fall, with much indigestible matter, is left in the hives for winter stores. Food that is almost completely digestible is much better for bees, therefore sugar syrup should be fed in the fall.

Urges U. N. Provide More Anti-Communist Manpower
(From The Reader's Digest)

America's sacrifices in the Korean war are not being fairly shared by other U. N. countries, and unless the rest of the anti-Communist world proceeds at once to develop its armed forces to resist aggression, today's disproportionate U. S. losses in Korea will be repeated in "five or six other places tomorrow." So warns William Hard and Andre Visson in a jointly written, exclusive article in the November Reader's Digest.

Though 50 countries besides the United States early signified their support of U.N. military action in Korea, their offers of ground forces to stem the Korean Reds have so far totaled only 41,000 men. Two months passed before the first detachment (British) of these promised reinforcements arrived on the scene.

Urging the prompt mobilization of the non-Communist world against aggression, the article emphasizes the fact that the U. N. Charter provides a clear way of doing so, in reserving to all U. N. members "the inherent right of individual or collective self-defense," irrespective of any veto by Russia. If a resolution for armed contingents in all U. N. countries is presented to the Security Council, and Russia vetoes it, the resolution can be dealt with by a recommendation of the General Assembly to any and all countries. As no country has a veto in the General Assembly, any nation wishing to act on its recommendation can do so as freely as if the Soviet did not exist. This device, the article points out, will enable Washington "to proceed from conversation to action in getting effective U. N. support for American troops in U. N. service."

Appraising the potential anti-Communist forces around the world, the authors see particular strength in Western Germany, Spain and Japan. Effective military organization of the first and third has been thwarted by our unrealistic attitude concerning rearmament. The second is still needlessly weak because of our objection to dealing with the dictator, Franco.

The West Germany are overwhelmingly anti-Communist, Hard and Visson state, and could provide many divisions of "vehemently anti-Communist troops." Mobilizing the West Germans into a force comparable in effectiveness to that which the Russians have organized in East Germany is possible. And it would not be the "rearming of German nationalism," as many fear. The West German government is not asking for a German army; it wants to provide, rather, German contingents in an Army of Europe, and has demonstrated its sincerity on that point.

Spain's current army of 400,000 needs better weapons. To provide them would cost only one-third as much as to create an equal force of new British or French divisions. The Spanish troops, "viciously anti-Communist, would be utterly reliable on the German front against Russia."

Japan, the article states, is even more anti-Communist than West Germany, but we have refused to let the Japanese arm against the Russian threat. "A new high in international fantasy and fatuousness" is the fact that America with crushing responsibilities in Europe undertakes in Asia to defend a nation of 80 million people without any help from them.

On and after publication of this notice the undersigned will not be responsible for any debts incurred by any person other than himself.
This Nov. 8, 1950.

Milestone in a Career!

We see it happen over and over again—and it's one of the greatest satisfactions we enjoy in this happy business of selling Cadillac cars.

It's when a man comes into possession of his first Cadillac—and we see the wonderful things it does for him.

We see his happiness as he places his order—not as the result of a sudden inspiration, but because he has gradually reached the conclusion that he has earned the right to enjoy the unquestioned best.

And then we see him on that happy day when his car is available for delivery—and he settles himself so proudly behind the wheel.

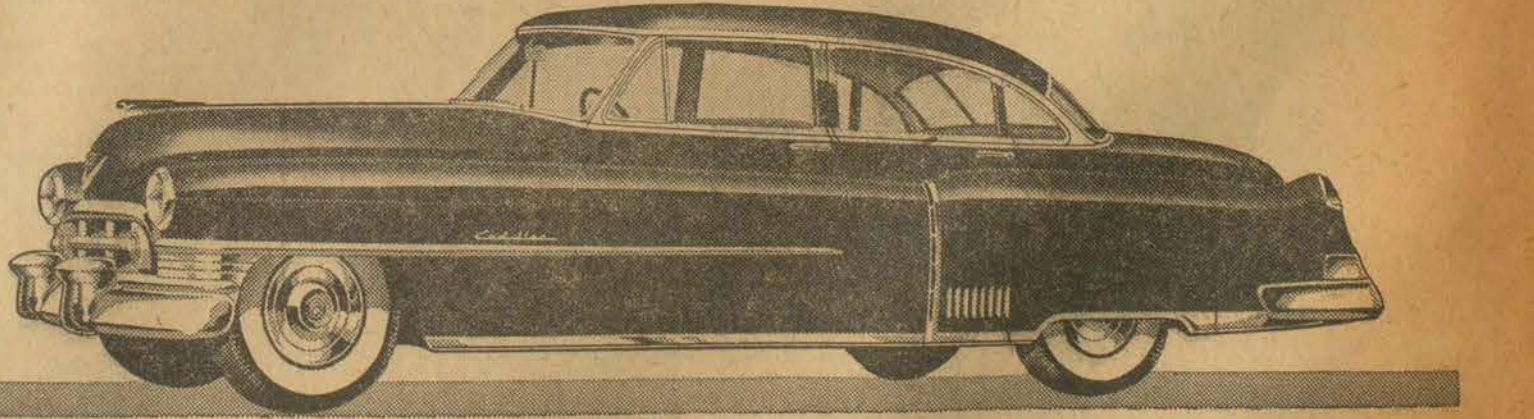

He's a little quizzical, we sometimes note. Could it be,

he wonders, that he has been anticipating a bit too much? And then he's out in the street—headed for home the long way 'round.

Those are thrilling days that follow. There's the first long ride with the family... the first trip to the office... and the time he learns, in an emergency, that his car is worth its whole price in safety alone.

And then, almost before he knows it, the odometer registers a thousand miles—and he's back to tell us all about it. And, perhaps, to grumble a little bit at giving it up—even for a little while!

Yes, it's a priceless privilege to watch all this. Makes a man feel that he's doing good.

TRAGIC ACCIDENT OF TOM MARTIN, JR., and BILLY HUGHES CAR-WRECK 10 MILES NORTH OF JACKSON, KENTUCKY

Thursday, October 12, at 10 a.m. Tom Martin, Jr.'s auto struck an oil truck and log truck near Frozen mountain, near Jackson, Kentucky, injuring Tom Martin, Jr., badly with a fractured skull and Billy Hughes with bruises, not so bad, cut places on his face, head and one finger burst up and sprained wrist. The nearby neighbors sent Tom Martin, Jr., and Billy Hughes to the hospital in Jackson and then rushed immediately to the Veterans hospital in Lexington, Ky., for treatment while waiting for father of Tom Martin, Jr., to arrive in Lexington to give permission for operation on his son. One operation was performed Thursday night, and Friday morning another operation was performed and consciousness was not gained as yet. On Saturday morning another operation was made and consciousness was not gained and Tom Martin, Jr., was put in an iron lung, and on Sunday, Oct. 15, at 1:40 p.m., Tom Jr., passed away.

He leaves father and mother and daughter, Billy Sue Martin, and three brothers, Willie, Ollie and Ted, and three sisters, Gladys, May and Myrtle.

Funeral services were conducted at Stone Coal churchhouse Thursday, Oct. 19, at Garrett, Ky., by Revs. Andy Moore, Willard Aker, Alex Colburn and M. C. Wright.

Burial services were made in Martin's family cemetery under directions of Hall Brothers Funeral Home, the American Legion club and the U.M.W. of A., of which Tom Jr., was a member.

We also want to again thank all of Tom Jr.'s friends who came and brought flowers and everybody who came and showed their respect to him, his mother and father and family, and all who helped in his funeral.

TOM MARTIN, WIFE and FAMILY.

Floyd County Historical Notes

By HENRY P. SCALF

At hand is a letter from Esther Jerabek, head of Acquisitions Department of the Minnesota Historical Society, Saint Paul, Minnesota. She says: "Our attention has just been called to your Historic Floyd 1800-1950. Since our library has an extensive local history collection, we should like to add a copy of your book to it." After reading this, I wondered what interest the Minnesota Historical Society could have in Floyd county, Kentucky. Perhaps none except to enlarge, as Miss Jerabek says, a large collection of local histories. I recall that after the turn of the present century people migrated from Big Sandy to the great Northwest—to the Dakotas and Minnesota.

"To the Society goes a copy of 'Historic Floyd.'" Correction: Isaac Jackson, born in Russell county, Virginia, in 1788, died on Johns Creek near the Floyd-Pike line, in 1849. Another correction: maiden name of Martha Bevin, widow of Grady Bevin, was Fraley, not Foley. It was a hurried slip of the pen and to Mrs. Bevin goes apologies.

Quaint phrases and obsolete words abound yet in Floyd, some a residue of Shakespearean, even Chaucerian, English. In their day, which were centuries ago, these words were good English: "we all," "you all," "afraid" and a multitude of others are heard but one word, perhaps heard before but forgotten, was pointedly brought to my attention. It is the word "rucks." I trust the above spelling conforms to somebody's knowledge of it. Anyway, the word is used to mean a quarrel or highly vocal disturbance. Of this word who can volunteer information as to its origin?

Peter Lohr, Revolutionary soldier, was born in 1751 within seven miles of Little York, Pa. When he was very young his parents moved to Maryland and lived there for several years. About the year 1772 he moved to somewhere in Augusta county, Virginia. In 1776 he volunteered at Hagerstown for service under Capt. John Ronalds, First Lieut. Moses Chaplain and Col. Henry Schrook. In July of this year, they marched to New York where his company was stationed for a short while. From there Lohr's company was sent to Fort Washington for about a month and after that to "an encampment on a stream Tuckahoe." The British, with superior forces, advanced close to this encampment and forced the Americans to retire. Next day occurred the Battle of Red Bank. Lohr marched next day with his company to Croton Bridge, thence up North River to Fishkill where they crossed on the way to Philadelphia. From Philadelphia they were ordered to Fort Mifflin. "While declarant was at Fort Mifflin the British attacked Fort Mifflin and were successful. Declarant's regiment was not in this fight. The fort, cannon, ammunition and a number of Americans were captured. Declarant's division retreated to Philadelphia where they were discharged." The above declaration was made in 1832, so the declarant was, by his own statement at the time, about 81 years of age.

The following are additional sources of Big Sandy history: "The Influence of Coal in the Big Sandy Valley," by Mary L. Chapman, 1945. 297 pages. Thesis, University of Kentucky.

"History of Education in Pike County, Kentucky," by Herbert W. Crick, 1930. 149 pages. Eastern Kentucky Teachers College thesis.

"History of Education in Boyd County, Kentucky," by Ward B. Jackson, 1932. 149 pages. Eastern Kentucky State Teachers College. Thesis.

"The Life and Work of Dr. James F. Record," by Bess V. Smith, 1941. 65 pages. Eastern Kentucky State Teachers College.

"The Settlement of the Kentucky Appalachian Highlands," by Virginia C. McClure, 1933. 186 pages. Thesis.

"The Kentucky Mountains During the Civil War," by Artus James, 1925. 133 pages. University of Louisville. Thesis.

"Kentucky Vital Statistics—Floyd County—Deaths of Persons over Fifteen, 1852, 1859, 1894, 1900, 1904." Register of Kentucky Historical Society, July, 1950.

"Annals of Tazewell County, Virginia from 1800-1922." Vol. 1 and 2. John Newton Harmon, Sr., 1922.

"The Kentucky Land Grants. A systematic index to all of the Land Grants recorded in the State Land Office at Frankfort, 1782-1924." by Dr. Willard Rouse Jilison. Filson Club Publication No. 33, 1923.

"Harmon Genealogy (Southern Branch) with biographical sketches, 1700-1924," by John Newton Harmon, Sr. 1925.

"History of Logan County," by Henry Clay Ragland, 1896. Reprinted 1949. Originally serialized by the Logan Banner in 1888, did a great service to Eastern Kentucky and Southern West Virginia by publishing this volume. The book has some errors but contains a vast amount of genealogical data that would otherwise have been lost.

A Halloween party was held for members of the church and Sunday School, October 31, at the club house on the golf course. A good number of adults and young people were in attendance. Costumes of the most unusual kind were worn, and prizes were given to the best three.

Royal Ambassadors from five churches of Enterprise Association of Baptists enjoyed a conclave at Prestonsburg last Saturday. Visiting speakers were Rev. Clell Rogers, of Ashland, and Dr. J. S. Bell, of Hindman. A film, entitled "Return to Faith," was shown. Helps and suggestions were given for R. A. organizations. The host church fed about 75 at the banquet. Those attending from Allen were Max Ed Conley, Ronald Johnson, Ronnie Scott, Troy Hall, Jr., Dickie Leslie, Bobby and Billy Walters, and the pastor.

Progress is being made on the Educational building of the Allen Church. Some 1,200 blocks have already been laid. We hope to have the roof on before bad weather strikes. This new building will take care of five departments of the Sunday School and also give room to expand the auditorium.

Everyone is welcome to our services.

Bembower To Be Speaker During Spiritual Emphasis Week Services, Nov. 12-17

Pikeville, Ky., Nov. 7 (Spl.)—The Rev. Philip Bembower, Canada, Ky., will conduct the special services of Spiritual Emphasis Week at Pikeville Junior College, Nov. 12-17, President A. A. Page of the college announced here this week. Mr. Bembower is director of Presbyterian extension work in Pike county. The Rev. William G. Chalmers, pastor of Salem and Zion Presbyterian churches, Venedocia, O., will be director of music for the special meetings, Dr. Page said.

After the opening service of the series at 7:30 p.m., Sunday, Nov. 12, Mr. Bembower will speak twice each day. Services will be held at 9:45 a.m., the daily college chapel hour, and at 7:30 each evening. The week's meetings, all of which will be held in Wickham Chapel, will close with the Friday morning service, the announcement said.

The speaker, who came to Pike county this year after being pastor of the First Presbyterian Church of Middle Point, O., since 1947, had held only one previous post. He was pastor of the Mount Calvary Presbyterian Church, Philadelphia, for two years, starting when he was a senior at the Presbyterian Theological Seminary in Princeton, N. J.

A Halloween party was held for members of the church and Sunday School, October 31, at the club house on the golf course. A good number of adults and young people were in attendance. Costumes of the most unusual kind were worn, and prizes were given to the best three.

DAVID

Mrs. Elbert Jennings, who underwent an operation in the Paintsville hospital last week, is reported to be getting along nicely.

Mr. and Mrs. Howard Hamilton and children and Mrs. John L. Patton were visiting in Allen last week-end.

Langley Patton, who has been ill in the Prestonsburg General hospital for the past few days, is improving nicely.

Arbie, small son of Mr. and Mrs. Richmond Shepherd, is ill in the Prestonsburg General hospital.

Mr. and Mrs. Ernest Wells and children have moved to their farm at Emma.

Rev. and Mrs. J. E. Durham returned Thursday of last week from southern West Virginia, where Rev. Durham went on a preaching mission at the Locoma Baptist Church and the Davis Baptist Church. They also visited their children who live at Beckley and Glen Rogers, W. Va.

Willie Shepherd, of Indiana, visited Mr. and Mrs. Ashland Howard here last Sunday.

Henry Shepherd is ill in a Lexington hospital.

Mr. and Mrs. Walter Ward and children were visiting Mr. and Mrs. Edd Moore at Van Lear Sunday.

Henry, small son of Mr. and Mrs. Wiley Nelson, is confined to his home with a broken toe.

A Halloween party was held for members of the church and Sunday School, October 31, at the club house on the golf course. A good number of adults and young people were in attendance. Costumes of the most unusual kind were worn, and prizes were given to the best three.

Coal was used in the manufacture of munitions during the Revolutionary War.

A sale was held at the school Oct. 31 for the purpose of disposing of the food left over from the Halloween carnival, held Oct. 30th. The school Halloween carnival was a great success. Over \$300 was realized for the benefit of the school. Our thanks go to the P-T. A. and all others who worked to make it a success.

It will only be a few more days now until the new gym will be completed.

A number of new books have been added to our library. We now have 230 books, and hope to add more soon.

**The Choice of Champions—
DODGE "Job-Rated" TRUCKS**

49 out of 86
champion truck drivers choose Dodge!

Champion drivers know champion trucks!
The nation's state champions... with proved reputations for safety records and driving skill... competed recently in New York at the National Truck Roadco. Given the privilege of driving any make truck, these champions selected Dodge for national competition by more than 2 to 1 over all other makes combined!

In the events in which Dodge trucks participated, 6 out of 9 national winners drove "Job-Rated" trucks.

The champions selected Dodge for these tough tests because of "its extra visibility, its great maneuverability, good braking, and ease of handling." So, take a tip from the men who know: drive a Dodge "Job-Rated" Truck!

FIRST TROPHY in the Tractor, Tandem-Axle Semi-Trailer Class was won by O. E. Chapman, Pacific Intermountain Express, Oakland, Calif. Chapman, Colorado State Champion, drove a Dodge YA-142 4-ton "Job-Rated" Truck.

SECOND TROPHY in the Straight Truck Class was won by Richard Wold, Glendinning Motorways, Inc., St. Paul, Wold, Minnesota State Champion, drove a Dodge GA-152 1½-ton "Job-Rated" Truck.

THIRD TROPHY in the Tractor, Tandem-Axle Semi-Trailer Class was won by Harry W. Pollock, Johnson Motor Lines, Inc., Baltimore, Pollock, the Maryland State Champion, drove a Dodge YA-142 4-ton "Job-Rated" Truck.

THIRD TROPHY in the Tractor, Tandem-Axle Semi-Trailer Class was won by R. D. Wallace, Johnson Motor Lines, Inc., Charlotte, Wallace, who is North Carolina State Champion, drove a Dodge GA-152 1½-ton "Job-Rated" Truck.

THIRD TROPHY in the Tractor, Single-Axle Semi-Trailer Class was won by Frank Kirkpatrick, Columbia River Truck Co., Portland, Kirkpatrick, the Oregon State Champion, drove a Dodge JA-128 2½-ton "Job-Rated" Truck.
