

This Town-- That World

THE UNWATCHED POT SIZZLES

The fire department went rip-morning to two fires this week that weren't. Yet you couldn't call the much smoke there's bound to be some fire. The first run, Tuesday, was to a Westminister street residence where a housewife's beans had burned. While she was gone to the neighborhood grocery, with the doors left open to let the smoke and smell out, a neighbor passed, saw what appeared to be a conflagration, and hurriedly phoned the fire department. The next alarm came today, from West Prestonsburg. Another pot of beans burnt, and we do not mean merely burned.

That isn't half-baked news, even if there is something about it that smells.

WE ALSO FISHED

We report, with deep envy, Robert Bunting's catch of two walleyes in the river here, 23 and 21 inches, respectively; a string of six bass by Carl Horn and Montaine Clarke from Dewey lake, a 17-inch bass by Wilbur Joy and another by Ed Burke only a fraction of an inch shorter—these among several other good catches.

AH, FOR THE GOOD, OL' DAYS!

I have just finished reading an article in which a man who says he's nearing 50 rather eloquently says "No" to the question, "Would you be 20 again?"

And, for all his rhetoric I wind up in violent disagreement with him.

Says he:

"I am close to 50 years of age, but I would not want to be 20 once more, or even 30. The reason is simple. When people wish the days of their youth back, they do it from the platform of their present maturity. What they know now, they want to carry back into the days of their youthful years and combine it with this earlier, more desirable age. But this is impossible. Nobody can turn back the clock of time he lived."

Only on one point am I in agreement. I agree, the clock cannot—be turned back. But to get back to the question, I am here to state I would be 20 again, I would even accept 30 as a compromise.

And, brother, I would go back to whatever depths of ignorance I enjoyed, in these earlier days; I wouldn't ask anything better, I would go over the whole road again, stub my toes on the rocky places, yep, but also wriggle them joyously in those sandy spots I have found along the way.

I know I'm not being noble about this; I may not be even one bit philosophical. But, since the guy brought up the subject, and I have decided to joust with him, I may as well be honest about it.

I have no desire for a brand, new walking cane; I care not for the latest models in wheel chairs for my own personal use; I want to stay foolish if old age is the only way to become wise.

In short, I would prefer having folks refer to me as a young whipper-snapper than to have them sit up when I pass and say, "Uncle."

Professor, tune up your fiddle for that soul-stirring bit of musical nostalgia, "Wish I Were 20 Again!"

Sister of Drift Man Succumbs at Hazard

Mrs. Elizabeth Ford, 63 years old, sister of F. T. Jones, of Drift, died last week at Hurst-Snyder hospital, Hazard.

A native of Virginia, Va., she had resided at Kodak, Ky., with her daughter, Mrs. Ruth Ingram, for the past five years. She was known by many residents of Drift and vicinity through her visits with her brother, Mrs. Ford was a member of the Christian Church. She is survived by two daughters and three brothers. Burial was made in Englewood cemetery, Hazard.

CLUB ELECTS DAVID MAN

Kiwanians Name New Officers at Meeting Here Last Thursday

Wm. Crawford, of David, was elected president of the Prestonsburg Kiwanis Club at the club's annual election of officers last Thursday evening. He succeeds Glenn Anderson as head of the club.

Other officers elected are James R. Camica, Prestonsburg, first vice-president, and the Rev. Harold Black, Prestonsburg, second vice-president. The secretary and treasurer will be appointed by the new president.

The seven man board of directors elected is composed of Harry L. Fiedler, Max C. Burns, Irvin C. Spote, J. T. Hughes, Garnis Martin, Marvin Music and Marshall C. Mahan.

The club membership, it was said, numbers 52.

James L. Patton, director of the Mayo Vocational School, Paintsville, and a well-known figure in Eastern Kentucky Kiwanis circles, was elected lieutenant-governor of Division of the Kentucky-Tennessee district at the convention held in Chattanooga, Tenn., October 10.

MEDIC-DENTIST REGISTER IS 3

In County for Draft; Pre-Induction Exams Set for County Men

The first registration of doctors for service with the armed forces under Selective Service saw the enrollment of three Floyd dentists and physicians at Draft Board 25 here Monday.

These were those professional men who are under 50 years of age and who received technical training under the specialized training program of the army or navy during World War II. Other members of the medical, dental and allied professions will be registered at a date later to be set.

The draft board here this week announced the names of additional registrants who will leave this month for pre-induction examination.

Four will leave next Monday with those already slated to undergo examinations on that date. These are George E. Harris, Lancaster; Edward Stephens, Lancer; William Younce, Melvin; Elmer Sparkman, Hueysville.

(See Story No. 3, Page 5)

MAY EXEMPT ONLY FATHERS

Hershey Says He May Ask Other Deferrals Cancelled by Truman

National Selective Service Director Lewis B. Hershey disclosed this week that he may ask President Truman to wipe out almost all draft dependency deferrals except for fathers.

He made the statement as some 19,000 young physicians, dentists, and veterinarians prepared to register for a possible 21 months' military service. Of the total, 1,522 face induction by January 15 unless that many volunteer first.

Hershey's disclosure, made during a radio interview, could mean that many childless married men in the 19-through-25 age bracket and those who help support a parent or a brother or sister face induction about the first of the year. The only basis for deferment in these groups would be "extreme hardship."

While emphasizing that no formal request has gone to the White House, Hershey said current thinking is in terms of "tightening dependency on perhaps everything except a registrant who has children."

He hinted it even may be necessary to take some fathers if the armed services are to meet Truman's goal of a 3,000,000-man fighting force by next June. In justification, he noted that many reservists with children have been called.

Hershey said tentative plans call for induction of men with dependents in the following order: Men who contribute to the support of a parent or some other relative, childless married men, and men with children.

As for doctors, the first of whom will take their pre-induction physical examinations November 15, he said officials still hope enough medics will volunteer to make the draft unnecessary.

If not, the army will launch the program November 15 by taking 300 physicians. It also has called for 300 dentists, 300 dentists, and 50 veterinarians by January 15.

Betsy Layne Soldier Is Killed in Action

Among those listed as killed in action in Korea this week is one Floyd countyman. This latest casualty, Sgt. Cecil H. Watson, was a son of Mrs. Dollie Watson, Betsy Layne.

GAS WORKERS APPROVE PACT AS MINES OUT

David Strike Enters Third Week, 600 Idle; Gas Firm Boosts Pay

The strike at both the David and Permele mines of the Princess Elkhorn Coal Company which has idled 600 men entered its third week today (Thursday), with no immediate promise of a settlement in sight.

The work-stoppage continued. The Times was told, despite efforts of district UMWA officials to heal the breach between the company and workers. This rift occurred, it was said, when 10 workers were discharged after refusing to walk-around standing cars to a man trip to take them outside.

While this strike continued another was averted by an eleventh-hour agreement reached late Wednesday between the Kentucky West Virginia Gas Company and its employee-members of Local Union 510, Oil Workers International Union (CIO). Terms of the agreement later were approved by vote of union membership and the contract became official for the period of a year.

Robert Lee Pitts, secretary-treasurer of the local union, announced these provisions in the new contract:

A general wage 1 1/2-cent increase per hour; an additional 3 1/2-cent increase for employees such as tool dressers, drillers, night garage attendants and janitors who do undesirable shift work; an improved annuity or pension plan which provides for a minimum pension of \$75 for all regular and continuously employed workers covered under the collective bargaining agreement who have rendered 20 years' service, or who may render that length of service and have attained the age of 65; an improved contributory and non-contributory group insurance plan; a union shop, and certain improved working conditions.

This for the present leaves in the gas field only the contract between the United Fuel Gas Company and its union employes to be negotiated. A strike vote was announced last week after negotiations apparently had broken down.

12c HIGHER GAS RATE

Effective Dec. 1; Wage Raise, Ky.-W.Va. Charge Given as Increase Cause

Prestonsburg residents' gas rate—declared by Mayor Curtis Clarke to be the lowest in the eastern United States—will be boosted 12c per thousand cubic feet from the present 38-cent rate, it was announced Wednesday by the Prestonsburg Water & Gas Commission.

The raise will become effective Dec. 1. At the same time, the \$1.75 minimum will be increased to \$1.75.

Even with these increases, officials said, the local gas rate will be lower than that of neighboring towns. Paintsville's rate is 53c; Pikeville's, 60c.

Reasons for the increase were given as what is considered an almost certain 5-cent higher charge by the Kentucky West Virginia Gas Company on gas it supplies, effective Nov. 1, cost of installing new lines and a new regulator, and rising wages of employes.

Mayor Clark appeared before the Public Service Commission in Frankfort Wednesday to protest the increase proposed by Kentucky West Virginia, also its proposal to limit supply of gas to Prestonsburg to 10 per cent more than the 1947 volume.

Russell Hagemood, of the Water & Gas Commission, pointed out that the number of consumers here has increased approximately 45 per cent since 1947. Then, he said, there were about 750 consumers as compared with 1,100 now.

He expressed doubt that the company's 5-cent raise could be thwarted, since it is not a common carrier and has been supplying gas to Prestonsburg on a year-to-year contract. The present contract expires Nov. 1.

If Kentucky West Virginia goes ahead with its plans to hold its gas supply to 10 per cent above the 1947 supply, city gas commission officials fear a gas shortage, despite the fact that a gas from two wells drilled by an independent firm is available.

Leck Martin Victim At Garrett Residence After Long Illness

Leck Martin, prominent Garrett man, succumbed this morning (Thursday) at his home to an illness ascribed to kidney complications from which he had suffered for some time. He was 75 years old, and death followed a serious illness over the last three weeks.

A son of the late Mr. and Mrs. Adam Martin, he was born and reared on Steele's Creek. He moved to Garrett in 1904 and was owner of a large part of the land on which that mining town is located. He was a farmer and merchant until his retirement, several years ago, and was one of his section's best citizens. Mr. Martin was a member of the Methodist Church.

Surviving are his widow, Mrs. Kate Estep Martin, one son, W. H. (Hite) Martin, of Garrett, two daughters, Mrs. Ralph Gurnutte, Ashland, and Mrs. Otis Kilburne, Garrett, and one half-sister, Mrs. A. L. Gearheart, Fountain, Colorado. Funeral arrangements were incomplete.

CHURCH SITE SALE VOIDED

Board of Education And Church Trustees Figure in Court Suit

Circuit Judge Edward P. Hill ruled Monday that the sale last August by the Floyd County Board of Education of a portion of the school lot at Bonanza to the Free Will Baptist Church for a church site is void, and enjoined trustees of the church from attempting to construct a church on the property.

His decision was reached at the end of a hearing on the suit filed by Mrs. Mattie Music and Mrs. Grace Conley against Bruce Spradlin, Andrew Shortridge, G. Lee Spradlin and Columbus Wright, trustees of the church, the Floyd County Board of Education, its

10-YEAR-OLD FLOYD GIRL SENDS TRUMAN PLEA ASKING THAT DOCTOR CREDITED WITH SAVING HER LIFE BE GIVEN DEFERMENT FROM ARMY

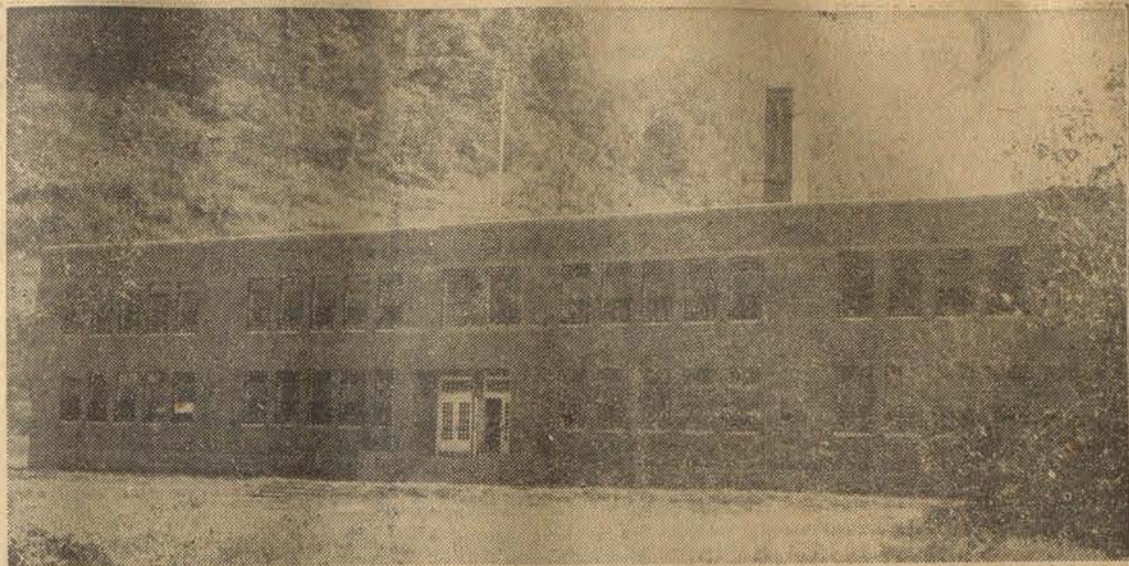

A 10-year-old Floyd county girl has gone straight to the President of the United States with her plea for deferment from military service of the doctor she credits with saving her life.

Judith Marlene Reitz wrote the President this week after Dr. Herschel Ray Stratton, of the staff of Our Lady of the Way hospital, Martin, had registered for possible military service. "Dear Mr. President . . . he's just a small-town doctor, but he means a whole lot to me," the child wrote.

Dr. Stratton has been treating Judy for diabetes.

"If you take Dr. Stratton," Judy

Rare Heart Ailment Claims Garrett Man After 5-Year Illness

A rare heart ailment from which he had suffered for the last five years resulted Wednesday morning at 2 o'clock in the death at his Garrett home of Ed Vanderpool, 45 years old, retired business man and well-known resident of the Right Beaver Creek section. His illness became critical, a week prior to death.

A son of John Vanderpool and the late Martha Ann Patton Vanderpool, he was a native of Hueysville but since boyhood had resided at Lackey and Garrett. He had been a member of the Regular Baptist Church for several years.

Surviving, besides his father, are his widow, Mrs. Geneva Martin Vanderpool, one son, Jimmy Ray, three brothers and two sisters, Buck Vanderpool, of Estill, Jack Vanderpool, Leburn, Ky., Jim Vanderpool and Mrs. Bee Hall, both of Garrett, and Mrs. Milford Conley, of Lackey.

The funeral will be from the Stone Coal Baptist Church Saturday, but arrangements were incomplete Wednesday afternoon, it was said at the Hall Brothers Funeral Home.

Bell-Ringing and Prayer Asked Next Tuesday

The Freedom Bell will ring in Berlin at 12:03, Eastern Standard Time, Tuesday, Oct. 24 as a dramatic climax to the national Crusade for Freedom in which Floyd county has been taking an active part during the last few weeks.

This announcement was made Tuesday in a telegram from Guthrie T. Crowe, state chairman of the Crusade for Freedom.

"It is urgent," said Mr. Crowe, "that this historic occasion be observed in your county by widespread ringing of all available bells."

A nationwide three-minute prayer period to begin at 12 noon, with the bell-ringing at 12:03, is being urged. Broadcast of the historic bell-ringing in Berlin will be heard over every major radio network.

Mrs. Gunnell Victim At 84, October 13th, At Home of Her Son

Mrs. Margaret Lee Layne Gunnell, 84, died October 13th at the home of her son, John Gunnell, of Emma. The cause of death was given as arthritis and asthma. Mrs. Gunnell had been an invalid for the past three years.

A daughter of the late J. P. and Sarah Smith Layne, she was the widow of John Gunnell. Mrs. Gunnell had been a member of the Methodist Church for 50 years.

Surviving her are three sons, John, Jake, and Jim, all of Emma, one sister, Mrs. Nora Weddington, Pikeville, 24 grandchildren, 32 great-grandchildren and two great-great-grandchildren.

Funeral services were held at the home Sunday at 1 p.m., the Rev. Isaac Stratton, Rev. Carl Layne, and Rev. Saddler officiating. Burial was made in the Layne cemetery at Mare Creek under direction of the Carter & Callihan Funeral Home.

Martin Suits Attack Election, Cartoons and Parking Ordinance

The court attack on the parking meter ordinance was made by Lawrence Keathley, Martin theatre owner, whose suit names Mayor Osborne, the six members of the Council and the city of Martin. The suit asks that the city be enjoined from enforcing the ordinance which has extended the hours during which parking meters operate there to cover the time from 8 a.m. till 8 p.m., all days of the week except Sunday.

It contends that he operates his theatre between 6 and 11 p.m., every day of the week, that no other business in Martin requires parking space for autos in appreciable numbers and that the ordinance is not necessary or beneficial in regulating traffic but "was passed for no other purpose than to harass and damage plaintiff and prevent customers and patrons from attending his theatre."

Keathley's petition was filed by the law firm of Howard & Combs. The libel action was filed against W. E. Stinnette, superintendent of the Utilities Elkhorn Coal Company at Martin, by three members of the

mine committee of Local Union 6991 there, who in effect claim the mine official presented a caricature which depicted them as monkeys. The plaintiffs are Wells Deskins, Rice Matney and Johnnie Nelson, and each asks \$5,000 of Stinnette.

The three men alleged that Stinnette "wilfully, wantonly and maliciously caused to be published, in the presence of McKinley Turner and others, a cartoon or caricature showing the picture of three monkeys" and that he at the time stated, "Here is your Mine Committee."

The cartoon was described in detail, as follows:

One of the monkeys shown putting peanuts into a peanut cracker; another sitting at a table ready to eat the peanuts after they had passed through the cracker, and a third standing back of the monkey seated at the table to eat. Each of the monkeys was labelled, the petition claims, with the name of one of the three plaintiffs.

In the Martin election case, if

BRAIN INJURY CLAIMS MARTIN

Mine Employe, War Vet Fatally Hurt Oct. 12th In Crash Near Jackson

Tom Martin, Jr., 26-year-old West Garrett mine employe and member of a well-known Right Beaver Creek family, died at Veterans' hospital, Lexington, Sunday afternoon of a brain injury sustained in the wreck of his automobile on the highway four miles from Jackson, Breathitt county, last Thursday.

Martin was injured when his auto collided with a truck hauling logs, it was said. He and Billie Hughes, of Hueysville, only occupants of the car, were taken to a Lexington hospital where Hughes was later released. Two operations were performed in vain efforts to save Martin's life. Hughes suffered a broken arm and other injuries minor in nature.

The victim, a son of Tom and Mandy Martin, of West Garrett, was an employe of the Diamond Elkhorn Coal Company at Hueysville. Besides his parents, he is survived by three brothers, Ted, Willie and Ollie Martin, all of West Garrett, and three sisters, Mrs. Columbus Jacobs, Mrs. Talmadge Allen and Mrs. Leonard Pack, all of Hueysville and vicinity.

Funeral rites were conducted today (Thursday) from the Stone Coal Baptist Church. Taking part in services at the church and at the Martin home were the Revs. A. J. Moore, Alex Coburn, Henry Mullins, Ed Howard, M. C. Wright and Banner Manns. Burial in the family cemetery was directed by the Hall Brothers Funeral Home.

Simms, Adjudged Sane, Returned to Jail Here For Trial As Slayer

William Simms, Wheelwright negro, who was adjudged insane while a prisoner in county jail here awaiting trial for the murder of James Monroe Terry, also of Wheelwright, was returned here this week after the Eastern State hospital, Lexington, had reported he had recovered.

He may be given trial at the next court session for the murder of Terry and the wounding of Mrs. Terry.

The hospital said Simms had been treated for alcoholic psychosis and acute hallucinosis.

NON-PARTISAN GROUP FORMS DRIVE PLANS

Both Political Parties Join In Urging Voters' War Memorial Support

Proponents of the bond issue to insure the construction of the \$1,200,000 Floyd County War Memorial Hospital effected a formal organization in a meeting Sunday afternoon at the courthouse for the purpose of emphasizing to the individual voter the importance of the project.

Clive Akers, Drift, and N. M. White, Jr., Prestonsburg, were named men's co-chairmen, with Mrs. Troy B. Sturgill and Mrs. F. L. Heinze, both of Prestonsburg, as co-chairmen of the women's division.

The meeting was attended by representatives of both political parties, and all met on common ground, free of partisanship, all agreed on the importance of the War Memorial hospital to Floyd county now and in the future.

Chairmen of both political parties in the current campaign—Sheriff A. B. Meade, Democrat, and Mayor Curtis Clarke, Prestonsburg, Republican—attended the meeting, spoke for the hospital, and later issued this joint statement:

"We view this vote for a Floyd County War Memorial in the form of a hospital as a thing which transcends politics, with its purpose that of benefiting all the people of the county and paying the highest honor to those who died in the country's wars. We join in urging all members of our respective political parties to call the attention of the voters to the bond issue and to urge the people to give it their fullest support."

It was pointed out at the meeting that two-thirds of all the votes cast at the Nov. 7 election must be voted "Yes" if the bond issue is to win. A voter who fails to vote on the question of the bond issue votes, in effect, against it, one speaker explained. In the general discussion emphasis also was given to the fact that, because the present sinking fund levy of 20 cents on the \$100 valuation expires this year, the tax rate will be no greater than before, and may be less. The possibility of the rate being less lies in the belief that a levy of 10 cents would retire the bonds within the specified 20 years.

Newspaper advertisements, handbills and sample ballots will be used by workers to acquaint the voters with the issue and its importance.

P.T.A. GROUPS TO MEET HERE

State Leader To Speak At Ninth District Meet Here Next Wednesday

Prestonsburg will be host next Wednesday to the fall conference of the Ninth district, Kentucky Congress of Parents and Teachers.

Members of 71 Parent-Teacher Association groups from Boyd, Lawrence, Johnson, Floyd, Magoffin, Martin and Pike counties are expected here for the all-day session. Preparations for the conference are being made by Max C. Burns, president of the Parent-Teacher Association here, and Mrs. Ruth Worland, local P.T.A. secretary. Mrs. Drexel C. Dunn, of Ashland, Ninth district president, will preside at all sessions.

Mrs. John E. Kirksey, of Paducah, president of the Kentucky Congress of Parents and Teachers, will address the conference at the afternoon session. Other officers of the Kentucky Congress planning to attend are: Mrs. Orel Fraley, editor of the Kentucky Parent-Teacher; Mrs. John Kline, recording secretary, and Mrs. C. H. McCann, pre-school chairman, Mrs. Fraley, who is also procedure and by-laws chairman of the district, will present a "Wrong Way P.T.A."

Plans of work of district chairmen will be given at the morning session. Luncheon will be served in the school cafeteria, with the second vice-president of the district, Mrs. Gilbert Allen, of Whitehouse, presiding, Mrs. Bert Hayes, McVeigh, first vice-president, will pre-

Mrs. W. E. Stratton Is Victim of Cancer At Banner Oct. 13th

Mrs. Octavia Stratton, 39, of Banner, died at her home Friday at 11 a.m., a victim of cancer.

She was a daughter of Tom and Molly Gummels Conn. Mrs. Stratton was a member of the Freewill Baptist Church.

She is survived by her husband, W. E. Stratton, six sons, Billy Stratton, of Emma, Kenneth, Chalmers, Darrell, Joe Allen, all at home, and one daughter, Ernestine, also at home. Also surviving are two brothers, Woodrow Conn, of Martin, James Conn, of Dana, and three sisters, Mrs. Arlin Stone, Fish Trap, Marie and Elsie Conn, of Printer.

Funeral services were conducted from the home at 10 a.m. Sunday, the Rev. Isaac Stratton officiating. Burial was made in the Jones cemetery at Banner under direction of the Ryan Funeral Home.

Wheelwright Club Signs Freedom Pledge

Wheelwright, Ky., Oct. 16 (Spl.)—The October meeting of the Wheelwright Woman's Club was held Oct. 9 in the Woman's Club room, and the program for the evening was given in the Community Hall.

The program was sponsored by the Youth Conservation Committee under the direction of Mrs. Herbert Gillis. The Wheelwright Girl Scouts entertained with the recitation of the Scout Pledge, a folk dance, and the performance of the First-Aid team, which won first place in the Safety Day contest at Pikeville. The Brownies led the group in the Pledge of Allegiance.

E. R. Price gave a short talk on the Crusade for Freedom, explaining the purpose of the drive. He gave a scroll to the club president, Mrs. George Leatherman, which was signed by each club member present.

Mrs. Arthur Bradbury gave a short talk on plans for the coming Girl Scout year, after which the members adjourned to the club room for the business meeting.

Mrs. George Leatherman presided at the business meeting.

A discussion was held concerning the club project for the coming year. A committee was appointed to study conditions in the community and to bring suggestions to the club. Mrs. Kenneth Moore was appointed chairman of this committee, with Mrs. C. B. Hall, Mrs. Wayne Ratliff, Mrs. C. R. Tankersley and Mrs. John Rupe.

Mrs. Waldo Cummings, Mrs. J. T. Parker and Mrs. George Leatherman attended the district convention at Wayland as representatives of this club. Oct. 7. Mrs. Cummings gave a report of the meeting at the regular business meeting and she stated that Wheelwright was an 85 per cent club and that it won second place in the scrap-book contest.

At the conclusion of the business meeting coffee and sandwiches were served to the following members: Mesdames J. W. Bailey, L. S. Becker, Arthur Bradbury, John Brock, Stephen Clark, W. B. Cummings, H. Willis, George Leatherman, Robert Miller, Kenneth Moore, J. T. Parker, Wayne Ratliff, J. W. Rupe, Anna B. Smathers, C. R. Tankersley, Hunter Thomas, J. T. Anglin, Ralph Banks, J. B. Fields, Manuel Garcia, Joe Fannin, R. L. Hall, C. Aders, Virgil Blevins, and Misses June Staker, Betty Mayfield and Betty Zimmerman. Hostesses for the evening were Mrs. Arthur Bradbury, Mrs. E. R. Price, Mrs. Blaine Smith and Mrs. Cora McHone.

Laundry workers in England are pressing for increased wages.

James S. Layne was a business caller in Prestonsburg Monday.

Mrs. Juanita Caldwell, who is employed in West Virginia, was home over the week-end.

Mr. and Mrs. Bob Damron visited relatives here last week.

Mrs. Kermit Coleman and daughter, Kay, were the guests of her mother, Mrs. Kathryn Smith, Monday.

Mrs. Thurman Ratliff, of Allen, visited Mr. and Mrs. John Ratliff Sunday.

"The Happy Four," Mr. and Mrs. Halleck Hamilton, Noah Williams and Homer Scott, will be heard over WLSI, Pikeville, each Sunday at 4:05 p.m., with their gospel songs.

Mr. and Mrs. Jim Damron attended the funeral of Mrs. Bill Stratton, at Banner, Sunday.

Mrs. Bill Epling, of Tram, was the guest of Mrs. W. M. James Monday afternoon.

Among those who attended the funeral of "Aunt Lee" Gunnell Sunday from here were Mr. and Mrs. W. M. James and daughter, Norma Lou, Mr. and Mrs. Jim Damron and Charlie Hall.

Mrs. Lou Bartley is visiting relatives in Virginia.

Hazel D. George spent Sunday at Williamson, W. Va., with friends. She was accompanied by Miss Ruby Akers, of Drift.

Mr. and Mrs. Joe Goble visited relatives at Allen Sunday.

Mr. and Mrs. Guy Burchett were on Buffalo Sunday with friends and relatives.

Malayan exports of dry rubber and latex have been running at record volume.

Arkansas Crk. Man Victim of Heart Disease

Jack Sammons, 73, died Friday at 7 a.m. at his home on Arkansas Creek. The cause of death was given as a heart condition.

He was a son of Carl and Polly Ann Crum and the husband of Geneva Spears Sammons. Mr. Sammons was a retired miner and a member of the Church of Christ.

Surviving him are his wife, six sons, Carl of Michigan, Charlie, Gilbert, Jackie, Larry, Ronald, all of Martin, and three daughters, Mrs. Harry Sammons, Ann Sammons, and Nyoka Sammons, also of Martin. Surviving brothers and sisters are Mrs. John Turvy, Missouri, Mrs. Ray Turvy, Ohio, Mrs. Jerry Boyd, Mt. Sterling, Jake, Bill, Bas Sammons, of Martin, Sol Sammons, of Harold, and Grover Sammons, of Betsy Layne.

Funeral services were held Sunday at 10 a.m. at the Church of Christ, the Revs. Roy Hall, and Frank Parsons officiating. Burial was made in the family cemetery under direction of the Ryan Funeral Home.

Betsy Layne Wins Share Of District Club Honors

Betsy Layne, Ky., Oct. 16 (Spl.)—Six members of the Betsy Layne Woman's Club attended the 32nd annual Seventh District Woman's Club meeting Oct. 7 at Wayland. Betsy Layne's was a 100 per cent club; won third prize for the presentation of the year's work program; and won first prize for having the most attractive and complete yearbook.

Mrs. Beecher Hardwick, a member of the Betsy Layne Woman's Club, was elected vice-governor of the Seventh district, KFWC. The following club members attended the meeting: Mesdames Beecher Hardwick, O. J. Williams, T. J. Chandler, Edward Lykins, R. L. Anderson, and Miss Alice Williams.

The Master Plan

"Doc," said Jimmy, "I've a master plan That will lose us hardly a man.
"Some will, I believe, get "in bed" If we just say, 'We'll consider Edd'.
"Wait now Jimmy, let's don't hurry I just can't forget Ol' Jim Salisbury.
"It's a neat trick, if they don't learn'er Many will still think we've agreed on Turner.
"To some we can say, 'It may be Chalmer' With all these men we ought to beat Palmer.
"Ah! Safety in numbers! Just watch us grin. With this little plan we're bound to win!
But alas! Mr. Floyd countian was no such a bloke. He just wouldn't buy a pig in a poke!

FORD MOTOR COMPANY'S New Automatic Drive Makes its Bow in the new 1951 MERCURY

"Smoother, simpler, more efficient!"
—that's how engineers hail this amazing new automatic drive that's coming soon in the new 1951 MERCURY.

Called Merc-O-Matic
Merc-O-Matic is the name. And of this you can be sure: there'll be nothing like it on the road! The thrilling new 1951 Mercury will be making a debut in our showrooms in a very few days. And once you see it, we think you'll agree:
For "the drive of your life," it's the new 1951 Mercury with Merc-O-Matic Drive!

What is Merc-O-Matic Drive? It's a completely new, completely automatic drive developed under the direction of Ford Motor Company and Borg-Warner transmission engineers, and made to order for Mercury's great, V-type, 8-cylinder engine. It's s-m-o-o-t-h-e-r, simpler, more efficient!

Makes every driver an expert
Naturally, there's no clutch or gearshift. But there the resemblance to other drives ends. For this new Merc-O-Matic Drive is different. Even the easier-to-read indicator panel is different. The drive selector is so arranged that a person accustomed to a standard shift will feel perfectly at home. And if you're familiar with other drives, you'll notice immediately the big

difference in the way this new 1951 Mercury with Merc-O-Matic performs.
There's no "mushiness." With Merc-O-Matic Drive you get instant, certain response. You start in one smooth sweep of power. No tugging as gears change. There's a "down-shift" for extra hill-climbing and passing power; just press the accelerator smartly to the floor. And Merc-O-Matic is cool operating—no uncomfortable heat in the passenger compartment.
There's no "runaway" downhill. You are in control all the time with the engine's compression at work to save your brakes.
There's no stalling in traffic. Park on a hill if you like. You're safe. Merc-O-Matic Drive locks when in Parking position.
Yes, Merc-O-Matic is going to make you forget all you ever knew about automatic transmissions. This is it—the easy, sure, safe, s-m-o-o-t-h-e-r, "drive of your life." And—it's extremely thrifty.

Dozens of New Features in 1951 Mercury
But Merc-O-Matic is only part of the great new Mercury for 1951. There's a new look from end to end... beautiful new styling... rich, new fabrics and colors to make Mercury for 1951 one of the smartest cars on the road.
New safety, too—the new rear window alone gives you more than 1,000 square inches of safe viewing area. Greater comfort in a new, improved ventilating system which brings you just the amount of fresh air you want, when you want it, and where you want it.
It's the plus car of the year—plus on beauty, plus on comfort, plus on safety, plus on economy—plus on everything but price!
All that and the great new Merc-O-Matic Drive, too. Yes, you'll want to see these new Mercurys. So watch Mercury showrooms for the new 1951 Mercury with Merc-O-Matic for "the drive of your life"—for "the buy of your life."

"It has always been the first aim of Mercury and its dealers to bring you each year a better car, better in every way that engineering, research, and experience can achieve.
"For 1951 we are proud to present the great new Ford Motor Company automatic transmission—Merc-O-Matic Drive—developed by what we regard as the greatest team of engineers in the country today. We think this automatic drive is as efficient and as reliable as the automobile industry knows how to build today.
"We sincerely believe that the new 1951 Mercury, with its Merc-O-Matic Drive, its new style and comfort, will be the greatest of all Mercurys."

NOTICE GIVEN TO OPERATORS
Lewis Warns That UMWA Will Assume Jurisdiction On Construction Work

To the People of Floyd County:

(Continuing a simple, factual statement about the difficulties within the Floyd County Board of Education and the issues involved in the present School Board race.)

I know that a number of people are "campaigning" for Dr. Allen and James Greene under the stop at nothing policy; that the most unfounded rumors are set at large. But I know that these rumors will be taken for just what they are. I know that the people of Auxier know that I am more interested in their school than either of the other possible candidates for my position and that I will not move their high school; I know that the county people in the Prestonsburg area know that I will (by the help of a co-operative Board) build their high school on the new site as planned; that it will not go to Allen; I know that no thinking person in Martin believes that his high school will be moved to Allen.

(Continued from Page One)

The courts hold the three candidates are entitled to a place on the ballot, Dingus, Mace and Hamilton would be unopposed, Mace and Hamilton would succeed Halbert and Grigsby, who were appointed after Martin became a city of the fourth class and Council of six was required. Dingus would succeed Osborne, who was appointed to the Mayoralty by the Council.

The plaintiffs claim Sept. 23, date of filing of the petitions, did not come within the 45-day period before the election, basing their contention of the claim that the day of filing could not be counted. The petitions ask a temporary injunction to restrain County Clerk Moore from having the names of the candidates printed on the ballot and also seek a declaration of the rights of the parties involved.

Circuit Judge Hill ruled Wednesday that the petition was filed within the required time, and will hold another hearing Saturday on the amended petition of plaintiffs contending the mayor and councilmen are entitled to full term of office and that an election is unnecessary.

Events leading up to the parking meter suit date back to August 7 when the first meter ordinance in Martin provided parking regulations from 8 a.m. till 6 p.m., Monday through Friday, and from 8 a.m., till 9 p.m., on Saturday. Keathley protested against the Saturday hours, it is recited in his petition. On October 6 the Council amended the ordinance to cover the time from 8 a.m., till 8 p.m., every day except Sunday.

Keathley also claims that the thoroughfare on which the parking meters are located is a state highway and U. S. Highway 80 and that the Council is without right to impose fines on motorists parking on it.

Sworn to and subscribed before me this 11 day of October, 1950
(SEAL) IRENE MCINTOSH, Notary Public

Washington, Oct. 16—The National Coal Association disclosed today that John L. Lewis is serving notice on operators that his United Mine Workers are taking jurisdiction over all construction work around the mines.

The union promptly declared the move lacked "any significance." But the operators were apprehensive and the American Federation of Labor Building Trades were getting ready to fight.

A spokesman for the UMW said all the notice means is that the union itself is taking over work previously done by about 1,500 to 2,000 members of the UMW's miscellaneous District 50.

Operators, however, wondered just how much territory Lewis took in when he said "around" mines. The AFL crafts said they had been doing a lot of above-ground building.

The step was taken to free District 50 for other organizational work in chemical, brick making and similar industries, the UMW official told reporters. It would also make those construction workers now doing the job eligible for welfare benefits just as the miners are.

Coal operators could see trouble ahead if the UMW was getting into a jurisdictional fight with the big and powerful AFL unions. They said that coal companies let out much of their construction work to local contractors who, in turn, hire such labor as they want or can get.

There is already considerable bad feeling between the AFL building and construction trades department and Lewis District 50 right now. The AFL adopted a resolution at its recent convention in Houston accusing Lewis' union of action "akin to strike breaking."

The notice, as given out by the National Coal Association, read: "At a recent meeting of the executive board of the United Mine Workers of America, it was decided that our organization would take jurisdiction over all construction work in or around coal mines, or in connection with the production or the preparation of coal or coke, or in the sinking of shafts or slopes, or in the driving of tunnels including repairs and maintenance work on company houses, plants and buildings. The prevailing rates are to apply and govern in such work."

The U. S. produces about 11,500,000,000 pounds of fats and oils annually.

Yes, I know that many tales have been told and many promises made privately and personally. But I know too that the public is still in the dark; that they have not let it be known publicly just who would be superintendent two years hence if Dr. Allen is elected and James Greene is elected and an appointment in their favor is made. I know that they have not convinced the public that they don't have now a good and progressive school system. I know that they have not given the public a single solitary plank, platform, policy or program by which they would make Floyd county's schools better.

I believe the people know and my records show that I have been and am sincerely interested in the schools and that I have worked hard and conscientiously to make them better. I believe the people know that ESTILL HOWELL and BILL MALONE are interested only in serving the schools. The records here are open for public inspection. I not only tell you that they are available to you but I urge you, beg you, to come and look to verify or disprove any reports or rumors which may be passed on to you. And I pledge you now—and I believe I speak for both ESTILL HOWELL and BILL MALONE—that in this campaign I will not speak with forked tongue; that I will not say to Joe what I would not say to John; that I would not say to the people on Little Paint what I would not say to those on Middle Creek, or Abbott, or Martin or Maytown or the head of Beaver. I pledge you continued progress in your schools with ESTILL HOWELL and BILL MALONE.

In regard to their failure to sign the application for the emergency certificates they said, "All we asked of Mr. Hall was to make an affidavit stating this fact (that every effort had been made to find qualified teachers) and then we would be glad to sign." Three times this was presented to Dr. Allen and one or more times to James Greene with my name already on it as Superintendent certifying under the same official obligation under which they would sign and with the explanation that I had made every reasonable effort, and that the teachers' emergency permits and their salary checks were being held up until this blank went in, and still it was refused. It was only after I had gone to Frankfort and personally explained the matter and got them to agree to release the certificates on my signature and that of Alonzo Stratton and Dr. Osborne, and had made several telephone calls in regard thereto, and the reason for the delay had been published in The Floyd County Times, only after the certificates had finally been released that I was asked if I would make the affidavit. I would have made such an affidavit and I will now make an affidavit to the veracity of the above statements. It was just a puny explanation of their failing to do their duty to the teachers in order to make it "rough" on the Superintendent when they saw that the teachers didn't like it. Just an example of the GREENE-ALLEN style of disharmony!

And the article says, "There is no reason for the Board to meet in order to pay teachers. Palmer Hall has paid the teachers before without a regular board meeting." I challenge the writer(s) of that article to show by the official minutes of the Board that teachers were ever paid except by order of the Board, which is, as I understand it, the way it must be done by law. I further challenge them to show by the official records of the Board where the Board has failed to have their regular monthly meeting within the last ten years until last month (September) and this month (October). I know that they have not failed to meet thusly during the four years of my administration, until the past two months. I challenge Dr. Allen, the chairman, to show to the public good cause why the special meeting to take care of September's business was not called until so late in the month (Sept. 27) and to show cause why the Superintendent who by law must attend all board meetings and is "the professional advisor of the Board on all matters" was not asked about the business to be placed on the agenda nor even given notice of the meeting. I challenge Dr. Allen and James Greene to show good cause to the public why they did not show up for the regular meeting on Oct. 3. Is it just other examples of making it "rough" on the Superintendent and the teachers, for personal and political reasons? Could it be that there are some matters that Dr. Allen and James Greene don't want to be taken up now? Could it be that they alone want to decide what matters will be brought up by skipping regular meetings and calling specials. (I would explain to the public that in regular meetings of the Board any business matters may be brought up but in special meetings which are called by the chairman (Dr. Allen) only such business as is listed in the call can be legally acted upon.)

I challenge Dr. Allen and James Greene to show the public good cause why they have not mentioned (in board meetings) in the past several months any of the other building projects which were on this year's program and why they had failed to include this in the calls for special meetings until after it had twice been requested by the Superintendent and/or other board members and why they then included more than the budget can possibly afford and projects that were never included in this year's program. Could it be that they wanted the public to think that the Superintendent was falling in his duty and that they are now trying to kid some of the people on the eve of the election?

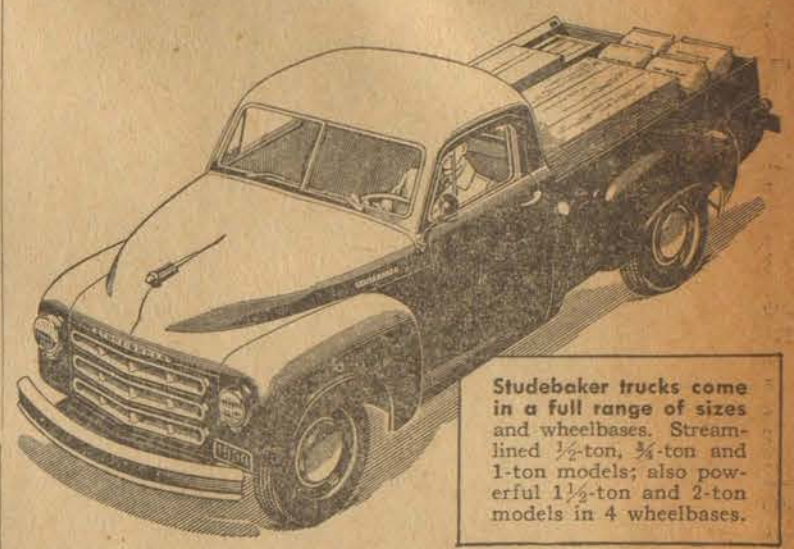

MAYTOWN HONOR STUDENT ENTERS BEREA COLLEGE
Harold Lloyd Jarrell, son of Mr. and Mrs. Chester Lafferty, of Ashland, entered the fall term of Berea College. Mr. Jarrell was graduated from Maytown high school in the class of 1950.

Sincerely and educationally,
PALMER L. HALL, Supt.,
Floyd County Schools

An Expression of Appreciation

The fight Congressman Carl D. Perkins made in the House of Representatives for federal aid to education has attracted national attention, and thousands of teachers over the land have expressed their appreciation of his efforts.

And no warmer appreciation was expressed to Congressman Perkins than this letter from the National Education Association:

NATIONAL EDUCATION ASSOCIATION OF THE UNITED STATES
1201 SIXTEENTH STREET NORTHWEST, WASHINGTON 6, D. C.

September 15, 1950

Honorable Carl D. Perkins, M. C.
Old House Office Building
Washington 25, D. C.

Dear Congressman Perkins:

The 81st Congress is drawing to a close.

Before it adjourns I want to convey to you our deep appreciation for the unflagging devotion manifested in all of your actions during both sessions of the 81st Congress not only to the federal aid objective but also to many other objectives directed at strengthening education for more effective service in these difficult and troubled times.

Had the schools possessed just two or three more friends of your loyalty and devotion on the House Committee on Education and Labor, it seems certain that this Congress would have completed the enactment of sound federal aid to education legislation.

It is with every respect and good wish that I remain

Most cordially yours,

R. B. MARSTON, Director
Legislative-Federal Relations Division

RBM:hfb

Teachers, friends of teachers—Carl Perkins has been your friend. He will not fail you. He deserves your support.

CARTER MARINE CO.

Telephone 6492 Prestonsburg, Ky.

West Prestonsburg

Mr. and Mrs. Darrell Stafford and children visited Mr. Stafford's parents in Hardy, Ky., Sunday.

Ken Vanderpool, of Hueysville, spent Thursday with his mother, Mrs. Hattie Vanderpool, and niece, Mrs. Opal Fitzpatrick.

Mr. and Mrs. Darwin Layne, of Detroit, Mich., were visiting Mrs. Chester Layne and son, David Allen, Sunday.

Mrs. Thelma Collins and daughter, Garnet Mae, Avanelle Harris and Mrs. Allie Herald attended church on Jenny's Creek last Sunday night. The Rev. Bob Martin is in charge of the services.

Mr. and Mrs. Bill Wells and Mr. and Mrs. Branch Whitaker visited relatives on Middle Creek and Salyersville Sunday.

Mrs. John Hayes is ill at her home here.

Misses Naomi Fannin and Kathryn Hale spent Friday night with Miss Myrtle Martin on Arkansas.

"Uncle" Crit Montgomery, who has been ill, is improved.

Mr. and Mrs. Chaille Fraley and sons visited Mr. and Mrs. Crit Montgomery Sunday.

Mrs. Virgie Pruwitt, of the Abbott road, is in the Prestonsburg General hospital. Her many friends wish her a speedy recovery.

Mr. and Mrs. Elmo Fannin, of Chatteray, W. Va., visited his mother, Mrs. Cora Johnston, over the week-end.

Rev. and Mrs. J. E. Johnston were dinner guests Sunday of their daughter, Mrs. H. B. Wright.

Mrs. Estill Patton is in Union, W. Va., this week visiting her husband.

Mrs. Byrd Allen and daughters were Sunday guests of Mr. and Mrs. Simon Allen. Mr. Allen continues to improve.

Jackie Crum, who is employed as fountain manager in a Louisville drug store, is visiting her mother, Mrs. Wilse Crum.

Mr. and Mrs. Robert Crum, Mrs. Wilse Crum and Jacqueline Crum spent Sunday afternoon at Sycamore, Ky., visiting Patty and Nick Crum, who are staying with their grandparents, Mr. and Mrs. Victor Salyers.

Allen-Martin Club Meet Stresses Public Safety

The Allen-Martin Woman's Club held its regular meeting Monday evening, Oct. 16, with Mrs. Mack Elliott acting as hostess.

The meeting was conducted by Mrs. Boone Hall, vice-president of the club, in the absence of Mrs. William Stinnette, who has been called to Logan, W. Va., because of the serious illness of her sister. After the secretary's report, a full account of the recent Seventh District convention at Wayland was read by Mrs. Russell Laves.

The program on "Safety is Every-one's Business" was under the direction of Mrs. John Snodgrass. An interesting recital was given with Mesdames Mack Elliott, M. E. Mitchell, Herman Porter, William Lyons and Elinor Crum taking the parts of the five public enemies of safety. Several club members related personal accidents due to carelessness in the home.

Plans for providing clothing for needy children were discussed and arrangements were made to start making children's Christmas gifts of dolls and toys at the next meeting, which will be held at the home of Mrs. Walter Frasure, Allen, on November 6.

The name of Mrs. Ann Scott, Allen was added to the club membership.

Refreshments were served to Mesdames Boone Hall, Mark Reed, German Vance, Ted Akers, M. E. Mitchell, Clarence Akers, Russell Laven, George Laven, Owen Babb, T. J. Allen, Bill Martin, E. C. Coleman, Earle Martin, John Snodgrass, Town Hall, Elinor Crum, Herman Porter and the hostess, Mrs. Mack Elliott, and guest, Mrs. Edith Johnson.

The meeting closed with a game called "Mousie," started by Mrs. Owen Babb.

DRIFT

(Last week's correspondence)
A birthday dinner was given in honor of little Danny Lee Blanton, of Drift, and Charles Stumbo, of McDowell, at the home of Mr. and Mrs. Lee Stumbo, of McDowell. Those who attended were Mr. and Mrs. Kelly Prater, Mr. and Mrs. Russell Pack, all of Drift, Mr. and Mrs. Walter Stumbo, of Minnie, Miss Violet Parsons, of McDowell.

Misses Carrie Prater and Lilla Boggs attended the Assembly of God Church at West Prestonsburg Sunday.

Joe Boggs spent Sunday attending a business meeting of the mine workers at the Pikeville courthouse.

Mr. and Mrs. Luther E. Hurst and daughters, Carolyn Gale and Brenda Darnell, of Drift, visited friends and relatives in Pike county Sunday.

A Frankfurt, Germany plant now has capacity for 400 billion units of penicillin a month—enough for all of Western Germany—and hopes to supply other nations.

ALLEN

Mrs. Willard Kinzer and son Terry spent Sunday with her grandmother, Mrs. Mousie Marshall, of Langley.

Mrs. Adrian Conn and daughter, of Calletsburg, were guests of Mr. and Mrs. Bennie Laferty Saturday. They were accompanied on their return by Mrs. Mary Rae, of California, who has been visiting Mr. and Mrs. Laferty and other relatives here for some time.

Mr. and Mrs. H. B. Spurlock and children, of Huntington, visited Mr. and Mrs. Felix Crisp, Sunday.

Mr. and Mrs. John Kane, Mrs. Mae Shroder and Tom Austin spent the week-end with relatives at Fallsburg.

Mrs. G. L. Gray and Miss Florence May attended the Dwale Methodist Church Sunday morning, with Mrs. Gray in charge of preaching services. They were accompanied by Mr. and Mrs. J. W. Laferty and Mrs. Palmer Crisp to Laferty Chapel Methodist Church Sunday afternoon, with Mrs. Gray and Mrs. Crisp in charge of preaching services.

Dr. Raymond Harry left for a business visit in Lexington, Sunday afternoon.

Bob Martin, Mrs. Charles Callison, and Mrs. Joe Clark were in Ashland Friday night to meet Mrs. Clark's husband, who is employed in Columbus.

Mrs. Emma Scaff, of Justell, spent the week-end here with Mr. and Mrs. Harry Snodgrass.

Sidney Kidd, of Paintsville, was the dinner guest of Mr. and Mrs. Rufus Crisp, Tuesday.

Mr. and Mrs. J. B. Laferty, of Hi Hat, were visiting relatives here Friday.

Mrs. G. L. Gray and Mrs. J. W. Laferty attended quarterly conference services at Trimble Chapel Methodist Church Monday night. Dr. Fossett, the district superintendent, was in charge of the services. This was the first meeting with Dr. Fossett on the Dwale charge since being sent here by the annual conference in August.

Mrs. Maurice Mitchell was in Paintsville Friday to bring her children home for the week-end. They attend school in Paintsville. Little Patty Crisp accompanied her.

BULL CREEK

Pete Younce, of Water Gap, is seriously ill in the Methodist hospital, Pikeville.

Miss Joan Baldrige spent Saturday night with her cousin, Sally Bell McGuire.

Mrs. Charles Smith, of Detroit, Michigan, has been visiting her parents, Mr. and Mrs. Lewis Branham, here.

Mr. and Mrs. Sam Nelson visited Mr. and Mrs. Ollie Wallen, here Sunday.

Miss Susan Wallen spent the week-end with her sister, Mrs. Don Ball, of Prestonsburg.

Rev. Oscar Robinson held church Sunday night at the Lower Bull Creek Freewill Baptist church.

Seymour Garret has improved from a recent illness.

Bill David Wallen has received his call to the army.

The Young People's Christian Association of Bull Creek sponsored a pie supper Thursday night, October 12.

Don't Forget To Vote....And Vote "YES"!

This is the architect's conception of the War Memorial Hospital which Floyd county can have if we vote "Yes" on the \$400,000 bond issue necessary for the county's part on the \$1,200,000 structure.

What better memorial to the hero-dead of Floyd county—whom we have long talked of honoring—than a hospital for this and future generations?

Our war dead lie in unmarked graves, all the way from desolate Pacific beaches to Sicily and on through France, Germany and

other European battle-fields. New dead lie now in Korea.

Those who made the supreme sacrifice would ask no greater memorial than this, a thing dedicated to the purpose of saving the lives of their loved ones, back home.

The War Memorial Hospital can be built without adding one cent to your tax rate, for the present 20-cent sinking fund levy will expire this year.

It will bring to Floyd county those specialists this mining area needs. Without a

hospital of this kind, services of orthopedists and other specialists cannot be procured.

It is an opportunity to honor those of our county who fought their country's wars and to afford a service to the living which may not come this way again.

Vote "Yes" on the Floyd County War Memorial Hospital bond issue. Don't fail your duty to those who did a grimmer duty!

P'burg Top Team of Big Sandy Conference

COUNTY QUAIL CROP LARGER

975 Birds Are Released By Club Which Operates Its Own Quail Hatchery

If the Floyd county quail hunter this season comes home with an empty bag, it won't be the fault of the Floyd County Fish & Game Club or the Division of Game & Fish, figures released last week indicate.

For these figures, made available to The Times by John R. Baldridge, Warco, secretary of the club, show that during 1950 a total of 975 adult quail have been released in the county.

Of this number, 526 quail were incubated in the club's own hatchery and reared in its rearing pens at Eastern by Mr. and Mrs. Ken Vanderpool. The Division of Game & Fish supplied Floyd county 600 young quail of which Mr. and Mrs. Vanderpool reared 449 to the releasing stage.

One hundred quail were held over for future propagation purposes.

Paintsville Swamps Belfry in 4th Period; Wayand Loses, 26 to 0

Last-quarter scoring spree by the Paintsville Tigers toppled the Belfry high school football team from the Big Sandy Conference leadership Friday night, 33 to 0.

Because of the forfeit defeat imposed on Prestonsburg through claims of Fleming-Neon, Belfry, though twice defeated outside the Conference, was the only team till that time which had escaped defeat inside the loop.

During the first three quarters, Paintsville was able only to score one touchdown against Belfry. In the fourth, however, the Tigers turned the game into the rout.

At Fleming-Neon Saturday night, the Wayland Wasps, a Conference power last year, went down to their fifth defeat, 26 to 0. Meanwhile, Jenkins was defeating Elkhorn City, a team without a win for the season, 41 to 0, and Whitesburg was having a rough time kicking Everts, 14 to 12.

NOTICE

Effective Dec. 1, 1950, gas rates to consumers in Prestonsburg, Ky., and others served by the Prestonsburg Water & Gas System will be 50c per 1,000 cubic feet of gas used, with a minimum charge of \$1.75 per month, pursuant to resolution duly passed by Prestonsburg Gas and Water Commissioners on Oct. 10, 1950. The raise is made necessary due to increase in rates effective Nov. 1, 1950 made by the distributing company supplying gas to the city and by reason of increased costs of operation and maintenance of the system. CATS SCORE 7-6 VICTORY

In Hard Fought Game Vs. Pikeville Panthers Despite Weakened Squad

Friday the 13th and prowling Black Cats were a jinx the Pikeville Panthers could not overcome, fight as desperately and well as they did, in last week's football game here, the result of which left Prestonsburg high school in undisputed possession of top place in the Big Sandy Conference race and sports writers who had ignored them in the voting for ratings with red faces.

The game, witnessed by one of the largest crowds of the current grid campaign, was a thriller from start to finish. It was Dad's Night, and the fathers of Prestonsburg players spent an uneasy evening while watching their sons battle from behind to eke out a 7-6 win.

The Black Cats got themselves in a hole from the very onset of play, by juggling the kick-off, then failing to dent the big, heavy-charging Panther line to any extent. They kicked out, but soon Pikeville again was threatening. Finally, with four minutes to go in the first quarter, Pikeville's Phillips intercepted a Prestonsburg pass and ran it down to the 10. From that point he raced over for the touchdown. The kick for extra point was wide.

Pikeville's line play excelled Prestonsburg's, and its running attack was particularly effective. The Cats were below normal strength, with big Sid Ball, bruising fullback, out of the game entirely with a bad leg. Jimmy Mayo, punting ace and backfield threat, saw limited action because of both old and new leg injuries, and "Wah-Wah" Caudill, a backfield mainstay on both offense and defense, was handicapped, though playing, by a bad leg.

Despite this, the Cats came back, and won, the hard way.

Their touchdown came in the third quarter when Hughes, Cat quarterback, intercepted a Pikeville pass on his own 35. Followed a pass from Hughes which netted 42 yards. With the ball on the Pikeville 20, Caudill swung into action, and on straight running plays smashed across in four downs. Then came the play which had fans mumbling about Black Cats and the 13th.

Prestonsburg elected to essay the extra point task via a line smash. Dixon took the ball and plunged into the Pikeville forward wall, but the ball squirted out of his hands. The pigskin rolled free across the Panther goal—and it was Dixon himself who fell on it for the point that meant victory.

Prestonsburg's biggest early-game scoring threat came when a Hughes pass to Hill gained 30 yards and Hill raced untouched over the Pikeville goal line but was called back to the point where he had stepped out of bounds.

Hughes' passing and defensive play was outstanding in the Cat backfield, and the defensive work of Tom Spradlin was a bright spot in the course of an otherwise rather drab evening for the line.

For the game here Friday night against the Louisa Bulldogs, Coaches Ferrell and Martin are working hard on their line and hoping the hospital list will be reduced by game time.

73-Year-Old Drift Man Is Heart Condition Victim At Martin, October 12th

Willie G. Cole, 73-year-old retired miner, of Drift, died last Thursday at Our Lady of the Way hospital. A heart condition was given as the cause of death.

A son of the late Albert and Adeline Jones Cole, he was a native of Floyd county and for forty years was employed as a miner.

He is survived by his widow, Dorabelle Jones Cole, four sons, Johnny, Belvie, Commodore, all of Drift, Albert, of Hunter, and six daughters, Mrs. Don Ratliff, McDowell, Mrs. Claude Halstead, Decota, W. Va., Mrs. Maryland Mullins, Drift, Mrs. Marion Mullins, Sciotoville, O., Mrs. Gilbert Colvin, Weebury, and Mrs. George Cowan, Seattle, Wash. Also surviving is one brother, Elbert Cole of Melvin, and two sisters, Mrs. George Hall, and Mrs. F. D. Henson, of Ligon.

Funeral services were held at the home Sunday, the Revs. M. C. Wright, Jerry Hall, Joe Jones, Troy Nickles, and Mitchell Chaffins officiating. Burial was made in the Drift cemetery under direction of the Hall Brothers Funeral Home.

Nebraska, Kentucky, Alabama and North Carolina claim goldenrod as the state flower.

P'burg Junior Trio Wins Greenup Casting Honors

Prestonsburg's junior bait-casting trio, Stewart Stephens, David Allen and Bill Baker Burke, completely dominated the casting event at the Greenup Wildlife Fair, Sunday, taking first, second and third prizes in the order named.

The boys were accompanied to Greenup by E. R. Burke, Seventh district conservation supervisor, and Glenn Reynolds, district junior conservation club director, who gave a bait-casting exhibition.

Approximately 2,500 persons attended the event which was sponsored by the Greenup Fish & Game Club.

World-Famous Typist To Be Here, Oct. 23

Grace Phelan, renowned speed typist and a former holder of the world's amateur Typing championship, will demonstrate her typing ability for the instruction and entertainment of local students when she appears at the Prestonsburg grade school auditorium, Oct. 23, at 10:00 a.m. Typing classes from other schools have been invited to witness the exhibition.

A top instructor and performer, Miss Phelan has hit the amazing speed of 133 words per minute for 30 minutes.

"Job-Rated" 1/2-ton PICK-UP

"Job-Rated" for low cost transportation

- POWER: ... 8 great truck engines—each "Job-Rated" for PLUS power.
- ECONOMY: ... priced with the lowest, "Job-Rated" for dependability and long life.
- BIGGER PAYLOADS: ... carry more without overloading axles or springs because of "Job-Rated" WEIGHT DISTRIBUTION.
- EASIER HANDLING: ... sharper turning! Parks in tight places. "Job-Rated" maneuverability!
- COMFORT: ... widest seats ... windshield with best vision of any popular truck. Air-cushioned, adjustable "chair-height" seats.
- SAFETY: ... finest truck brakes in the industry ... hand brake operating independently on propeller shaft on all models —1/2-ton and up.

Widest seat and biggest windshield!

More seat width and greater windshield area than in any popular 1/2-ton truck! Plenty of shoulder-room, legroom and bedroom for three big men. Better visibility for safer, easier driving. Safety-steel cab has adjustable "Air-O-Ride" seat cushions. Vent wings and rear quarter windows available.

The ONLY Pick-up to offer you FLUID DRIVE!

Another big plus, available only on Dodge "Job-Rated" 1/2, 3/4 and 1-ton trucks! gyrol Fluid Drive cushions engine power, reduces wear and tear on over 80 vital parts. Takes the jerk, jolt and skid out of starting. Smooth operation makes handling easier, cuts upkeep, increases truck life. Ask us for interesting Fluid Drive booklet.

You get more load space.

Dodge offers you the biggest body of any of the three leading 1/2-ton pick-ups! You get 44.16 cu. ft. capacity at "water level" in solid, all-steel construction—with seasoned hardwood floor and steel skid strips.

You can turn in less space!

Extra-easy handling! You can turn your Dodge "Job-Rated" 1/2-ton pick-up in a short, 38-foot circle. Thanks to cross-steering, wider front tread and shorter wheelbase you can maneuver quickly, park on a dime, back easily into narrow spaces. And for easier driving you have steering column gearshift and smooth Synchro-Shift transmission.

Come in today... for a good deal!..

With all their extra value **DODGE "Job-Rated" TRUCKS** are priced with the lowest

1,200 Rural Pupils Compete In Annual Field Event Here

Floyd county's junior Olympics in the form of a field day for rural schools were witnessed here Saturday by upwards of 6,000 persons, it was estimated.

Twelve hundred rural pupils between the ages of 6 and 16 took part in a variety of athletic competition ranging through basketball, volleyball, running and jumping to horseshoes.

The day-long program, the second annual rural school field day for this county, was held in perfect weather. Last hour of the competition was described in a radio broadcast to residents of the section.

The Stone Coal school, with 11½ points, won first in the two-room school group prize, which is worth \$35 in school supplies or equipment. Bonanza copped the one-room \$20 prize with 3½ points. This prize, too, is payable in materials to fill school needs. A total of 40 points was possible.

Ribbons were awarded other winners. Twenty boys' teams and 10 girls' teams participated in the basketball tournament which was played in four-minute quarters. In each of the other classes of competition there were 20 teams or 20 individual competitors, depending on the type of contest.

Basketball winners:
First—Stone Coal boys' team, composed of Jimmie Scott, Ernest Scott, Jackie Frasure, Arnold Hicks, Shannon Bentley; second, Clark Branch, Brice Akers, Bill Williams, Floyd Smiley, Herman Conn and Roland Boyd, players.
First for girls' basketball—Bonanza school team composed of Sewanna Sue Prater, Polly Lois Prater, Cora Hale, Virginia Hale, Phyllis Bays; second, Little Mud Consolidated, Anna Lee Case, Leona Yates, Lucille Hall, Reba Lawson, Lovella Case.

Volley ball winners:
First, Stone Coal, Jimmie Scott, Ernest Scott, Arnold Hicks, Jackie Frasure, James Vandepool, Richard Scott; runner-up, Lower Jack's Creek, Comas Johnson, Lawrence Hall, Carlos Hall, Marion Meade, Georgia Mullins, Russell Newman.
Boys' 50-yard dash: 6-7 years, Stevie Dotson, Dist. 5A, first, George Smith, Dist. 88, second, Furman Akers, Dist. 47, third; 8-12 years, Bert Smith, Dist. 88, Daryl Brown, Dist. 18, Coy Johnson, Jr., 92A; 13-

(See Story No. 2, Page 8)

MASTER COMMISSIONER'S SALE

FLOYD CIRCUIT COURT
No. 13,897
The First Guaranty Bank of Martin, Kentucky, Plaintiff,
vs. NOTICE OF SALE,
Harry Branham and Mary Branham, Defendant,

By virtue of a judgment and order of sale made and entered in the above styled action at the September Term, 1950, of the Floyd Circuit Court, the undersigned Master Commissioner will on November 6, 1950, being the first day of the Floyd Circuit Court, at the courthouse door, in the city of Prestonsburg, Kentucky, about the hour of 10:00 a.m., on a credit of six months, sell at public auction to the highest and best bidder the lands described in the judgment and ordered to be sold in this action, or a sufficiency thereof to bring the debt, interest and cost, to-wit: two parcels of land, located on main Beaver Creek, in Floyd County, Kentucky, described as follows:

Tract No. One:
Lying and being on the Clark Branch of Beaver Creek, about two miles above the mouth, containing 37 acres more or less and being the same tract of land conveyed to Harry Branham and Mary Branham by deed bearing date April 13, 1936, from Rhoda Clark and Wilson Clark, her husband, and recorded in Deed Book No. 104, at Page No. 608, Floyd County Court Clerk's Records.

Tract No. Two:
Lying and being on Beaver Creek and containing 350 acres more or less and being the same tract of land conveyed to Mayme May Steele, et al., by deed bearing date October 30, 1936, recorded in Deed Book No. 106 at Page No. 27, Floyd County Court Clerk's Records, which same tract of land was conveyed to Harry Branham and Mary Branham by A. J. Davidson, et al., by deed bearing date October 6, 1947, recorded in Deed Book No. 136 at Page No. 355, Floyd County Court Clerk's Records.

The purchaser will be required to execute bond for the purchase price, with approved surety, bearing interest at the rate of six per cent per annum from the day of sale until paid, payable to the undersigned Commissioner, and a lien shall be retained upon the property sold as additional security. However, the purchaser shall have the privilege of paying the purchase price in cash, without executing a bond, or of paying the bond for the purchase price at any time before maturity, with interest thereon to the date of payment.

The amount to be raised is Eleven Thousand (\$11,000.00) Dollars with interest thereon at the rate of six per cent per annum from May 27, 1950, until paid, making \$11,291.50 of principal and interest due on the day of sale, and also the sum of \$89.30 cost herein, making a total of \$11,380.80 due on the day of sale.

(Sgd.) J. B. CLARKE
MASTER COMMISSIONER,
FLOYD CIRCUIT COURT.
Cost of Advertising \$27.00.

WEDDING BREAKFAST GIVEN HONORING LOCAL COUPLE
Hazard, Ky., Sept. 27—A wedding breakfast was served here today to Miss Mattie Hollifield and Mr. Sidney Sutphin, Jr., as they prepared to leave for Barbourville, Ky., where they were united in marriage by the Rev. Wm. Hugh Smith. The host and hostess were Mr. and Mrs. Denver Robertson. Mrs. Robertson is the former Miss Helen Triplett, of Prestonsburg.

IF YOU'RE PALE AS A GHOST!
When your skin has a pallor (sallow complexion) with that faded-out look, or your nerves are jaded and you have that "all-in" feeling, it is usually due to one thing, that is:

BLOOD POVERTY
Your blood cells may be fagged-out or shrunken, and you might not realize it. Even if you eat the "best" foods you may not be getting all the good out of your meals simply because you have SLOW Digestion without knowing it (or gassy stomach) and as a result you are a victim of Blood Poverty! In other words, your blood is not getting the fullest good out of what you eat. So your blood-cells become worn-down and you have only half as much energy as you really need, you get up in the mornings still tired, and your nerves become dull.

Hundreds here in Prestonsburg suffered with "faded-out" blood and stomach gas until they got CERTA-VIN. This is the new medicine containing 12 herbs blended with Vitamin B and Iron; you take it before meals and it works with your food. Benefit comes quickly. Your food digests FASTER, with less gassiness, and you get more good out of your meals and it works with your food, energized with new red cells and your nerves become stronger. Weak, rundown people tell us they soon feel different all over. And best of all, our price on CERTA-VIN is reasonable. You can actually take this new, modern medicine for only a Few Cents a Day! So don't go on feeling half-sick and half-well. Get Certa-Vin—W. A. ROSE DRUG CO. (Formerly Hughes Drug Store.)

VICTIM IN KOREA

(Continued from Page One)

side at the afternoon session. District officers who will attend the conference are Mrs. Dunn, Mrs. Hayes, Mrs. Allen, Mrs. George Nant, secretary, Mrs. John Kline, corresponding secretary and Mrs. Clyde Langley, Ashland, treasurer.

Committee chairmen planning to attend are Mrs. Sally Kimbler, Pikeville, school lunch; Miss Elizabeth North, Pikeville, character and spiritual education; Mrs. James F. Moore, Louisa, Lawrence county extension chairman; Mrs. S. E. Roberts, exceptional child; Mrs. R. L. Kahne, high school service and teacher recruitment; Mrs. George W. Hereford, library service; Mrs. Emzie Reffitt, safety; Mrs. Donald Kline, membership; Mrs. Leo Edwards, health; Mrs. W. B. Nalle, juvenile protection and mental hygiene; Mrs. Minnie C. Winder, music and radio; Mrs. Fred McGuire, parent education and family life; Mrs. John Fred Williams, legislation; Mrs. McCann, pre-school; Mrs. Allen, Johnson county extension chairman; Mrs. John Kline, publicity; Mrs. G. B. Meredith, magazines and publications.

Council presidents of the district attending the meeting will be Mrs. Frank Marshall, Boyd county Council; Mrs. George B. Meredith, Ashland city Council, and Rev. A. O. Allison, Pike county Council.

Cafe Raid at Garrett Nets Booze, Prisoner

A raid by Floyd county officers on the Victory Cafe at Garrett Sunday resulted in the arrest of Bert Hall, operator of the Cafe, after three and a half pints of whiskey had been confiscated. Hall was brought here but was released under bond.

The raiding party was composed of Deputy Sheriffs Frank Parsons and Serge Daniels, Deputy Constables Ransie Marcum and Kendall Frazier.

Three others were arrested Friday in connection with liquor ownership. They are H. M. Justice and Oscar Patrick, who were jailed here by Officers Rice and Elliott, and Herschel Johnson, who was booked on a selling charge by Deputy Sheriff Willie Johnson and Constable Johnny Caudill, of Left Beaver Creek.

Others jailed within the week: Earl F. McDonald, of West Virginia, arrested Oct. 11 for fishing without a license; Melvin Hughes, child desertion; Elmore Hubbard and Bob Craft, jailed Sunday by Chief of Police Epp Laferty and Policeman Bill Porter, of Prestonsburg, for drunkenness and resisting arrest; Joe Cook, booked as absent without leave from the army, arrested Tuesday by Deputy Sheriff Willie Johnson and Deputy Constable Cain Blackburn.

McKenzie-Pitts Nuptials Solemnized October 11th

Miss June Gloria McKenzie, daughter of Mr. and Mrs. Pete McKenzie, of Auxier, and Mr. Bill Jack Pitts, son of Mr. and Mrs. John K. Pitts, of the Auxier road, were married on October 11th, at 4:30 p.m., by the Rev. H. C. Church, in West Prestonsburg.

Mrs. Pitts is a member of the Pine Ridge quartet. Mr. Pitts is employed by the Ford Motor Company of Chicago, Ill.

Is It A Laughing Matter?

Superintendent Hall and his Strategy Board would lightly dismiss all the injustices suffered at their hands by Floyd county's teachers, children and taxpayers. They would have the voters pass all this up with a wave of the hand, a gentle smile in admiration of their audacity and political cleverness.

Are the voters willing to go along with them and approve such a theory of school government—a theory which loses sight of service in the desire and determination to rule; which would bring up the children of Floyd county in an atmosphere of fear and dread as their teachers and elders live in fear of a machine which may penalize them for any independent thought or action?

IS IT A LAUGHING MATTER?

In these days when our great national dread is of dictatorships, IS IT A LAUGHING MATTER for men and women of good character and high ability as teachers to be banished to the "Salt Mines," as it were, to unwanted teaching posts, simply because they dared to exercise their rights as free American citizens or because they failed to go along in the "harmony" this school dictatorship demands of all?

IS IT A LAUGHING MATTER for good teachers to be run out of the county, or threatened with dismissal or transfer, because they claim for teachers the same right to organize that is granted by federal law to others?

Is this Continuing Contract for teachers another LAUGHING MATTER? It has been treated so—but do you voters agree that it is? Must your daughter or son for all the years of their lives, if they become teachers, be dependent on the political whims of one or two men and have no guarantee that a job well done will insure them the reward of continued employment in the profession of their choice?

Most of you recall the determination of Superintendent Hall and those "in harmony" with him to oust from the Wayland school the Rev. Lawrence Price, a man who is a credit to the community of Wayland, to Floyd county and its school system. You will recall how this determination to get rid of him persisted in the face of pleas in his behalf by the United Mine Workers, the church people, the students and the good people of Wayland in all walks of life. Lawrence Price is a man who refuses to stoop to low politics, to contribute to slush funds. IS IT A LAUGHING MATTER that one of the few ministers of the Gospel who heads a Floyd county school should be the target for the hatchet?

They dismiss with a suave smile the incident which saw one Board member (Dr. Allen) lured from the place of the Board meeting by a deliberate ruse, so that there would be no chance of their plans going awry. Dr. Allen was elected by the people, just as were other Board members. Then would you say that is the democratic way of conducting a meeting—to deprive the elected representative of the people, not the "Yes Man" of the Superintendent, of a vote?

Can you laugh off all these and many more incidents? Do those words so glibly uttered and written, "unsparring" and "unfortunate," excuse them?

The forces of democracy are on the march. The 38th Parallel in Korea has been crossed. Floyd county has its own 38th Parallel. It must be crossed November 7 to free a great people of a political dictatorship which operates under the pleasant and noble guise of a school system.

IF YOU THINK ALL THIS IS NO LAUGHING MATTER, bestir yourselves November 7 and vote for members of the Floyd County Board of Education—

JAMES GREENE · Dr. J. H. ALLEN

PRESTONSBURG COUPLE WED

Mrs. Johnnie Hollifield announces the marriage of her daughter, Mattie, to Mr. Sidney Sutphin, Jr., son of Mr. and Mrs. S. J. Sutphin, of Prestonsburg, Ky. The wedding was solemnized on Sept. 27 in the Methodist Church at Barbourville, Ky., the Rev. Wm. Hugh Smith, formerly of Prestonsburg, officiating.

The bride wore a light blue wool dress, simple in style and adorned by tiny rhinestone sequins. She wore a corsage of red roses and black velvet accessories.

Mrs. Wm. Hugh Smith served as matron of honor and Mr. Marvin Faulkner as best man.

The newlyweds left immediately following the ceremony for Cumberland Falls and other points of interest in Kentucky.

RETURN HOME FROM HOSPITAL

Mrs. Willie Mellon and Mrs. Annie Laurie Bollas were removed from the Prestonsburg General hospital on Monday to the home of their aunt, Mrs. Roy Perry on Second street. Both are convalescing nicely from operations performed ten days ago. Their many friends welcome them home again.

GUESTS OF MRS. FRIEND

Mrs. B. P. Friend, who has been ill, is much improved this week. Her relatives who visited and dined with her last week were Mrs. Boone Arnett, Mrs. Penn Fitzpatrick, West Prestonsburg, R. S. Friend, Hunter, Henry Fitzpatrick, son of Taylor Fitzpatrick of Middle Creek Road, who is stationed in U. S. Air Corps in Cheyenne, Wyo., Richard Spurlock and Jimmy Dick Spurlock.

ATTENDING STATE BANKERS MEETING

Representing the Bank Josephine in Louisville this week at the annual Kentucky Bankers Association, convening at the Brown Hotel, were, W. J. May, cashier, Joseph Harkins, Chairman of the Board, and Mrs. Harkins.

OBSERVES 91ST BIRTHDAY

"Aunt" Mint Webb, wife of the late Sol Webb, of Lackey, enjoyed the presence of more than a hundred friends and relatives at her home last Sunday, congratulating her on her 91st birth anniversary. Among the relatives from here calling on her were: Andrew J. May, Mrs. E. S. Collins, Mrs. Cecil Kendrick, Earle A. Stumbo, John Allen. Gifts were presented to her and refreshments were served all day to the many who called on her.

MISCELLANEOUS SHOWER FOR MRS. BUCHANNON

Mrs. Joseph Buchannon, nee Alice Gray Burke, was honored Tuesday evening at eight o'clock in the parlors of the Methodist church, with a miscellaneous shower. Hostesses were Mesdames W. C. Rimmer, Astor Meade, A. B. Patrick, Milton Cyrus, G. L. Shannon, Misses Marion Mayo Salisbury and Sarah Clay Stephens. Pink table bows were placed at the corners of the gift tables displaying beautiful gifts of silver, china, crystal, linens, and other gifts. Dainty white cakes decorated with green flowers, brick cream, mints and coffee were served to about fifty guests present.

3-Year-Old Boy Now Eats As He Should—Thanks to HADACOL

Had been suffering deficiencies of Vitamins B₁, B₂, Iron and Niacin Mrs. Ursula Horton, 108 74th Street, Houston, Texas, wants our readers to know about her son. "I have a little boy 3 years old, and he takes HADACOL. It has helped him very much. He now eats as he should, has better color, and if he doesn't get his HADACOL he certainly lets me know about it. He will say, 'Mamma, it's time for my HADACOL.' I surely recommend HADACOL to anyone under the weather."

PERSONAL SHOWER FOR MISS HOMES

Mrs. A. J. Davidson, Highland avenue, complimented Miss Jo Ann Homes, bride-elect of Mr. Warren C. Mapkin, on last Saturday afternoon at three o'clock with a personal shower.

BRIDGE AND SHOWER

Mrs. Glo Friend Hatton entertained with a dessert bridge at her home Monday honoring Mrs. Joseph Buchannon of Dania, Florida. Following the evening's play Mrs. Buchannon was presented with a lovely hostess gift. Guests present were: Mesdames Joseph Buchannon, Elmer Collins, Joseph D. Harkins, Jr., E. R. Burke, A. B. Patrick, Milt Cyrus, Billie Sturgill, W. T. Archer, Wm. Allen, Astor Meade, Paul Combs, Donald Meade, Misses Alma Collins, Mary Belle Layne, Marion Mayo Salisbury.

ENTERTAIN AT COUNTRY CLUB

Mr. and Mrs. George W. Branch, Paintsville, entertained to Sunday dinner at the Paintsville Country Club, Mr. and Mrs. Chalmers Frazier and house guests, Mr. and Mrs. Ronald Capps, Mr. and Mrs. Ora Carruthers, Dr. and Mrs. George Archer, Mr. and Mrs. Fred Francis.

CALLED TO ROCHESTER, N. Y.

Mr. and Mrs. Brady Shepherd were called to Rochester, New York, by the illness of her father, Oliver Blackburn, who submitted to major surgery last Friday. Mr. Blackburn formerly resided here with his family. His condition was critical the first of the week. His friends and relatives here wish him a speedy recovery.

SQUARE DANCE

The John Graham Chapter, Daughters of the American Revolution, are sponsoring a Square Dance on Halloween night, October 30, at the high school gymnasium. Prizes will be given for the best masked costume. Everybody is requested to wear costumes and masks, but it is not compulsory. Prices for admission are twenty-five and fifty cents.

DISTRICT W.M.U. MEETS AT BELFRY

Representing the Irene Cole Memorial Baptist Church at the District Woman's Missionary Union which met at Belfry on Tuesday for an all-day meeting were Rev. and Mrs. L. W. Benedict, Mesdames R. W. Feller, A. J. Davidson, Wm. Osborn, Olga M. Latta, J. R. Hurt, H. C. Francis, Wm. Napier, Miss Annie Allen, Mrs. Robert Gunning, Paintsville, district supt. of the associational meeting presided. Mrs. Calloway, district officer, made a very interesting report on the work being done by the district. There were about 150 present at the meeting and the Belfry church served a lunch to all visitors. An outstanding feature on the program was a recently converted Mexican woman from East Williamson, who sang in her native tongue, "My Country," which was greatly enjoyed by the group.

MRS. FITZPATRICK IMPROVED

Mrs. H. D. Fitzpatrick, who is ill at St. Mary's hospital in Huntington, is slightly improved this week.

RETURN FROM DETROIT

Dr. and Mrs. Herbert Salisbury and children have returned home from a visit with her father, Mr. Johnson, in Detroit.

Solid John Speaks Again

Dear Mr. Editor,

I have felt my peace as long as I can. I really didn't aim to sa much in this school board race. In fact my faze is sortuv red atter i spok up so stronge fer Doc Allen and Jim Green 4 years ago. Butt in principal i wuznt soo fer rong. Atter alle hit's the superindint that haz too doo moste uv the werk an' so forth an the thangs shor hav gon hawe wr in the laste fewe month's i thank wee hav maid a lot uv progres an aught too settel down an go on.

I jist coodn't understand whatt hapened an lik i sed my faze wuz kinduv red. I meent too kep quite butt when alle thim rummers gott started flyin an it gott so plaine jist how th wind wuz blowin i jist coodn't kep quiete.

I've tride to annlyze alle the reports an ritin's an rummers an see jist whatt hit's alle about. Hit looks lik sumbody is trin to mak sumthin out uv nuthin! Atter alle the talk about whatt haz ben dun and what haint ben dun i dont see nuthin with eny meet on hit. Hit lokes too mee lik the superindint haz call'd hiz shotts purty wel an reddy too backe em up wite reckords an affydafts. An he call'd em purty wel 4 yrs ago. I dug up sum uv the campene literytur which i allus kep fer refrence an look'd hit over. About 90 per sent kerrect, I'd sa, I gess hiz faze is a littel red lik mine.

I tol Samanthay that shery t' goodnes Doc Allen had loste hiz specks. I kno he haint reedn alle that stufte thay'r smir' hiz nam too, er he woudn't let em sa hit. Butt Samanthay 'twed az how he aught to git sumbody to reed hit too him iff he had lost hiz specks er jist tel em not too use his nam.

Wel, Mr. Editor i gess i feel sum better now but hit lokes like we'll alle doo better an feel better iff we git bizzy an leckt ESTILL HOWELL and BILL MALONE this tim. Hit's the shorest thans to git settel'd down agin in our skools.

respectfully,

SOLID JOHN

Local Group Drills 3rd Producing Well In Johns Cr. Section

A gas well gauged at 2,110,000 cubic feet in the salt sand has been drilled in on the Brushy fork of Johns Creek by a local independent company formed by John Allen, Wade Hall, Estill and Virgil Goble, it was said here this week.

The well is the third producer to be drilled on the lease by this firm, which will drill a fourth before moving to an adjoining 430-acre lease. The two wells drilled earlier produced both oil and gas.

Floyd County Times

Official Organ for Floyd County, Ky.

Published Every Thursday by

Prestonsburg Publishing Co.

Entered as second class matter June 18, 1927, at the postoffice at Prestonsburg, Ky., under the act of March 3, 1879.

THIS IS IT—OUR OPPORTUNITY

A MONUMENT to Floyd county's war dead could be an imposing thing and could be erected at a cost of a few thousands of dollars.

But it would be only imposing—a lifeless thing, to stand in eternal silence, merely a reminder that young men died for their country.

This War Memorial Hospital which is proposed for Floyd county would, on the other hand, be no mere pile of brick and stone; it would be a vital force, a thing with a spirit, a means of service to this and future generations—and thereby the grandest sort of memorial of all to those who sacrificed their lives in the hope that they faced death for the future welfare of their loved ones.

We owe it to those who served to remember them with a permanent memorial. We have long talked about this, and have done nothing. Now is our great opportunity, one which may not pass this way again.

Now we can, with the federal government helping us to the extent of two-thirds of the cost, create in the name of our hero-dead a memorial with a meaning, one such as those we remember as "The Boys" would want for their homefolks.

This can be done without adding one cent to the present tax rate. It can be done by voting "Yes" at the November election on the question of a bond issue—a question which will appear on your ballot.

Don't you agree it's worthwhile—and that the veterans who came back, those who waited for them to come back, that all of us, should become interested now, and work until we make this War Memorial no dream but a certainty?

Mrs. Rilda McCarty, 82, Dies Sunday at Brainard

Funeral services for Mrs. Rilda McCarty, 82, who died Sunday at the home of her daughter, Mrs. May McKenzie, at Brainard, were held there October 16th.

She was a daughter of the late Mr. and Mrs. Sam Cole, natives of Brainard. For many years, she had served as a mid-wife in that section.

Surviving her are four daughters, Mrs. Susan Johnson, of Right Beaver Creek, Mrs. Milly Cole, Marshall, Mich., Mrs. May McKenzie, Brainard, and Mrs. Junie Barnett, Willard, Ohio.

Burial was made in the Levi Allen cemetery at Brainard under direction of the Arnold Funeral Home.

NOTICE OF ELECTION

Public notice is hereby given that pursuant to an order adopted by the Fiscal Court of Floyd County, Kentucky, there will be submitted to the voters of said county at the Regular Election to be held therein on Tuesday, Nov. 7, 1950, the question whether bonds of said county shall be issued to the amount of \$400,000.00 for the purpose of constructing and furnishing a county public hospital to be known as the Floyd County War Memorial Hospital. Said question will be submitted at said election in all the voting precincts in said county at the regular polling places in and for each respective voting precinct in said county at the polling places in and for each respective voting precinct and will appear upon the ballots in substantially the following form.

(Notice to voters: for a vote favoring the foregoing question place a (x) marking the square below the "Yes" and for a negative vote place a similar mark in the square below the word "No.")

This notice is given pursuant to the order of the fiscal court of said county and is dated Aug. 24, 1950.

Section 4: that this order be in full force and effect immediately upon its adoption. Adopted Aug. 24, 1950.

Henry Stumbo County Judge, Floyd County, Ky.

Attest: Duran Moore, County Court Clerk, Floyd County, Ky.

There appearing to be no further business to be transacted at this meeting the above minutes were read publicly by the Clerk of the Court and on motion of M. C. Wright and second by Edgar Howell that same be approved as read and the presiding Judge be authorized to sign same.

Whereupon the said Judge signed same.

LIGHT · MEDIUM · HEAVY MODELS
Made in widest variety of engine-body-chassis combinations to fit every trucking need.

Think twice today when you buy a truck!

THAT new truck you're considering may have to last a long time. So you'll be wise to look at a GMC for these important reasons:

GMC's are built by the world's largest exclusive manufacturer of commercial vehicles — with the broadest truck engineering experience.

GMC's are real trucks. Engine, transmission and frame, as well as cab and axles, are all specially truck-built to give you longer service.

GMC truck-built engines have high horsepower with higher sustained torque—greater pulling

power. They are built to give extra years of service with less maintenance.

GMC extra-value features include Synchron-Mesh transmission, Tocco-hardened crankshaft, full-pressure lubrication, recirculating ball-bearing steering gear, airplane-type bearings and Lifetime Weathersealed cabs as standard equipment on practically all models from 1/2 ton up.

That's why more truckers are buying GMC's today than ever before—experience proves them best in the long haul!

Get a real truck!

MASTER COMMISSIONER'S SALE

FLOYD CIRCUIT COURT

W. W. Burchett and G. C. Burchett Plaintiffs
Vs.—NOTICE OF SALE

Holton Hamilton and Luca Hamilton Defendants

By virtue of a judgment and order of sale of the Floyd Circuit Court, rendered and entered at the September term, 1950, in the above-styled cause I shall proceed to offer for sale at the courthouse door in Prestonsburg, Ky., to the highest and best bidder, at public auction, on the 23rd day of October, 1950, at 10 o'clock, a.m., same being the first day of the regular term of the Floyd County Court, upon a credit of six and 12 months, the following described property, to-wit:

Lying and being in the town of Emma, Floyd county, Ky., beginning at a post in the line of the county road; thence south course to a stake in the line of Lee Leslie; thence across to Ballard Childers' line west course; thence with Childers' line back to the line of the county road; thence with the same to the beginning. Roadway excepted out for traveling ingress, egress, regress for house and lots above.

Said property will be sold to satisfy a judgment in the above styled action in the sum of \$800 with interest from August 30, 1949, until paid, and the cost of this action.

For the purchase price the purchaser must execute bond with approved surety or sureties, bearing legal interest from the day of sale until paid and having the force and effect of a judgment with a lien retained upon said property as a further security. Bidders will be prepared to comply promptly with these terms.

Given under my hand this 2nd day of October, 1950.

MAYTOWN

The monthly P.-T.A. meeting was held in the high school auditorium last week. The following officers were re-elected: Arnold Maggard, president; Viola Stewart, vice-president; Mrs. George Patton, secretary, and Mrs. Howard Ramey, treasurer. The various committees were nominated and chairman of each appointed. Mrs. Thomas Patrick is the chairman of the program committee; Mrs. Claude Allen, social committee; C. B. Martin, membership; Ed Stewart, finance and Mrs. E. R. May, yearbook.

The program committee is planning some interesting programs for the coming year. All parents are urged to attend these meetings and help support the P.-T.A. The next monthly meeting will be on November 17. All other meetings will fall on the first Tuesday of each month. Plans for a Halloween carnival are under way.

The mothers of the nursery class of the Methodist church, Mesdames Herman Holbert, Jones Tallent, Ed Stewart, Carl L. Combs, George Patton, Fletcher Gayheart, and Buddy Robinson, enjoyed a buffet supper at the home of Mrs. E. R. May Thursday evening.

Mrs. George Patton and children, accompanied by Elizabeth Allen, of Ashland, spent the week-end at Parkersburg, West Virginia.

Miss Marcella Patton is working in Lanesville, Indiana.

Mr. and Mrs. Paul Jarrell and Ghina, of Mt. Sterling, were the week-end guests of Mr. and Mrs. Fletcher May and Mrs. Mandy Turner.

John Robinson has been in the hospital for the past few days, due to a foot injury.

Mrs. Morris Vaughn and Peggy Sue Allen were shopping in Huntington recently.

Jackie Webb, formerly of Maytown, submitted to an appendectomy at the Stark hospital, Huntington, Indiana.

Mr. and Mrs. Hurst Webb, of Dale, Indiana, were recent guests of Mr. and Mrs. Charles Tingle.

Ray Planery and Jupe Ward entered their dogs recently in a fox chase at Kenova, West Virginia. Their dogs led the field, although there was keen competition.

Mrs. Ruby Holbert and daughter, of Gaines, Penn., are visiting Mrs. Holbert's mother, Mrs. Julia Stone.

Mrs. Claude Allen was called to Hinton, West Virginia by the illness of her father. He is improving, and Mrs. Allen has returned home.

Mr. and Mrs. T. J. Webb, Mr. and Mrs. Charles Tingle and Sandra, and Mrs. Amy Begley attended the open house for Mrs. S. B. Webb, Lackey. The occasion was Mrs. Webb's ninety-first birthday.

Mr. and Mrs. Ellis Gibson, of Warco, announce the arrival of a nine-pound daughter at the Beaver Valley hospital Thursday, October 5. The babe has been named Sandra Sue. Mrs. Gibson is the former Lucille Hyden.

Mr. and Mrs. Bob McCarty and daughter, Connie June, of Aurora, Indiana, arrived Saturday night to visit Mrs. McCarty's parents, Mr. and Mrs. Wayne Hagans, of Warco.

The P.-T.A. will have its annual chicken dinner Friday, October 20 in the Home Ec department. Tickets are now on sale. Mrs. Viola Stewart, whose culinary skill in the dumplings line is widely heralded, will be in charge of cooking, while members of the social committee, headed by Mrs. C. L. Allen will attend to all arrangements. Funds go to help equip the Maytown lunch room.

Velma Allen, of Catlettsburg, and Anna Fay Allen, of Wayland, were the week-end guests of Mr. and Mrs. Buddy Robinson.

HUEYSVILLE

A birthday party was given at the home here of Mr. and Mrs. Chester Allen in honor of his mother, Mrs. Polly Allen. Those who attended were Rev. Andy Moore, Jim Vanderpool, Mr. and Mrs. Edward L. Allen and Bill Cooley, of Prestonsburg, Mr. and Mrs. Oak Osborn, Mr. and Mrs. Jim Martin and children, Mrs. Evelyn Horn and children, Marge Watson and daughter, Mrs. Polly Noble, Mrs. Olive Bates, Mrs. Susan Patton, John Patton, Mrs. Sel Ousley, Minnie Hoover. Rev. Andy Moore had church service in the afternoon.

Out front with the finest yet priced with the lowest

These days you can't tell from the price tag how much quality a car holds. Ford, for example, is still priced with the lowest... yet in other respects it's in the fine car class. Take its styling, for example, for two years in a row Ford has been the recognized fashion leader.

Like America's finest cars Ford offers you a V-8 engine. No other low-priced car does. Nor does any other car at any price offer you a choice of V-8 or Six engines. And remember, Ford's V-8 costs hundreds less than most sixes—Ford's Six costs even less.

The Lady and the Lolly-Pop

Once there was a proud father, who had a little girl. And he loved his little girl a great deal.

As he trudged home from work one day he thought of all the things he would like to give her—things that would make her very happy.

But he wasn't a rich father. Until payday all he could afford was a lolly-pop.

As she licked her lolly-pop she smiled at him—and he smiled, too. She was very happy. And he was glad he had given her a lolly-pop!

The next Sunday he took his little girl to Sunday School . . . and he and Mother began attending Church.

Years later, when his little girl had become a "lady," she smiled at him one day—and he smiled, too. She was very happy. And he was glad he had given her more than lolly-pops! He had given her the finest gift of all—faith in God's love.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

MASTER COMMISSIONER'S SALE

FLOYD CIRCUIT COURT No. 13,872

Time Finance Company a Corporation Plaintiff

Vs.—NOTICE OF COMMISSIONER'S SALE

Granville Hoover and Lizza Hoover Defendants

By virtue of a judgment entered in the above-styled action at the September term, 1950, of the Floyd Circuit Court, the undersigned Master Commissioner of said court will on Monday, October 23, 1950, at about 10 a.m., sell at the courthouse door in Prestonsburg, Ky., on a credit of three months, with the privilege of paying the entire purchase money in cash, the following described personal property owned by the defendants, Granville Hoover and Lizza Hoover, on a sufficiency thereof to satisfy the indebtedness hereinafter set out, said personal property being more particularly described as follows:

- 1 standard cabinet model radio.
- 1 green wood rocker.
- 2 wood rockers.
- 1 floor lamp.
- 1 green studio couch.
- 1 yellow coal stove.
- 1 five-piece dark oak breakfast set of table and four chairs.
- 2 white cabinets.
- 1 Young electric washing machine.
- 1 three-piece light maple bedroom suite of bed, chest, vanity, springs and mattress.
- 1 brown iron bed, springs and mattress.
- 1 dark oak dresser.

The amount of money to be raised by this sale is Three Hundred Thirteen Dollars and Fifteen Cents (\$313.15), together with the costs of this action.

The purchaser shall be required by me to execute bond with good surety for the purchase money, and a lien shall be retained on the above property as additional security.

OIL PRODUCTS MAY BE SHY

In Event of War III, Chief of Bureau Urges Increased Coal Output

Washington — Warning that another war would create a petroleum shortage and necessitate numerous conversions to coal in both industrial and domestic use, Dr. Arno C. Fieldner, chief of the Fuels and Explosives division of the U.S. Bureau of Mines, is calling attention to the need of a "strongly functioning" coal industry, capable of taking on a 50 per cent overload in time of emergency.

Asking for increased support for research and development of synthetic liquid and gaseous fuels from coal "so that no disastrous shortages of these essential forms of energy may occur," Dr. Fieldner points to the heavy drain already made on specialty petroleum products—such as aviation gasoline and synthetic rubber—in the present limited emergency. In the event of a major war, he explains, the following factors would merit primary concern:

"In a full scale of emergency, rationing of some petroleum products will undoubtedly be in order, with particular emphasis upon motor fuel and fuel oil uses. In some areas where fuel oil consumption is greatest, augmented supplies of natural gas may ease the stress on oil supplies. It seems probable that a rise in costs of heavy fuel oils may stimulate greater use of coal by those utility and industrial plants that are equipped to utilize both coal and oil, and may cause some conversion of other large-scale facilities from oil to coal in the early stages of an emergency.

"The extent to which conversions may take place will depend primarily upon the industry and duration of stress. A long-time conflict that would seriously cut down oil imports from South America would necessitate construction of synthetic plants for making oil from natural gas, shale and coal. Coal hydrogenation plants could also produce benzol, toluol, xylol, and phenols now in short supply and urgently needed for synthetic rubber, plastics, and explosives."

Dr. Fieldner reviewed "The National Fuels Situation" in a recent address in Columbus during the Ohio Mineral Industries Conference. His discussion included a resume of Bureau of Mines experimentation in the production of gas and oil from coal and other solids.

The Bureau of Mines executive said that coal will ultimately be the primary source of liquid and gaseous fuels as well as solid fuels, and he concluded his remarks with the statement that research should be "vigorously continued on better mechanical methods for mining coal and on its direct utilization in solid or fluidized form with greater convenience and efficiency."

Better than ever!

If your neighborhood Standard Oil dealer is unusually enthusiastic about the improved Crown and Crown Extra Gasolines he's selling today — remember he has good reason to be proud.

He knows that these fine gasolines have added high-octane anti-knock values, and are more powerful than ever... that they are the best gasolines he's ever offered you.

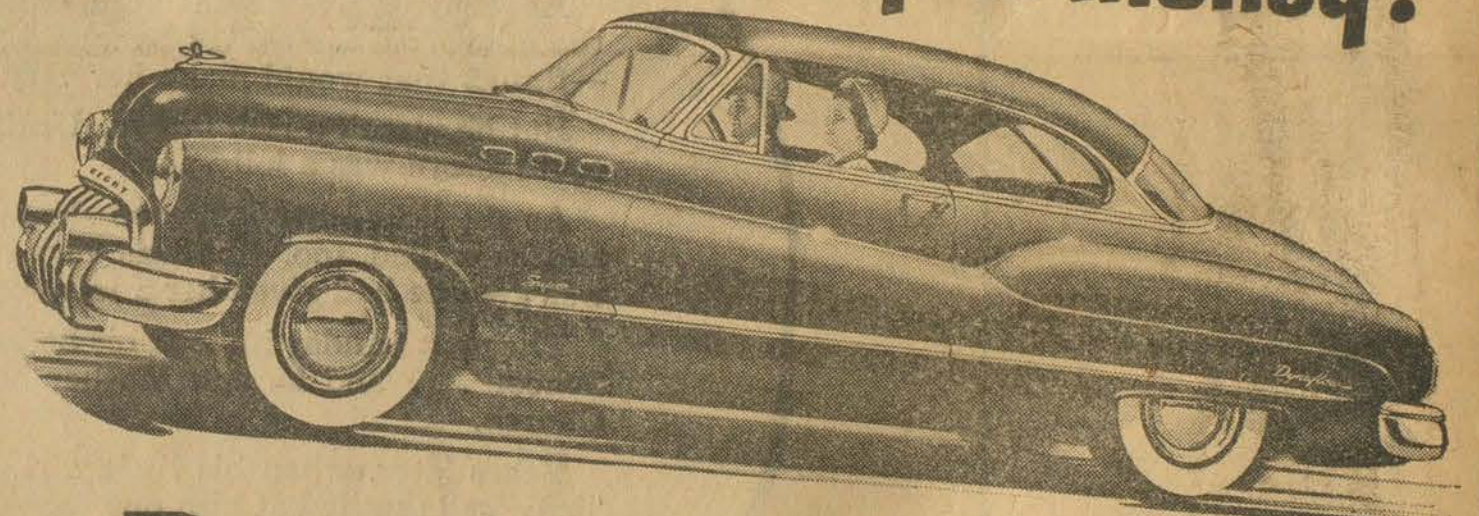

Once you try a tankful of either of these great 1950 gasolines, you'll be enthusiastic too! You'll know the joy of far quicker pick-up... smoother, quieter anti-knock performance. You'll understand why Crown and Crown Extra gasolines are the South's most popular motor fuels.

STANDARD OIL PRODUCTS

Want a long run for your money?

Better Buy Buick!

YOU want a new car to be tops in things like style and room and comfort and power—

—and a thrill-packed fifteen minutes with the nimble number pictured here will show you it has all these things in abundant measure.

So you ask us—how about money? What does it cost to buy a Buick—and to own one?

All right—let us ask you some questions.

Take first cost. Do you know that Buick prices start down at a level

below what you'd pay for some sixes—and that every Buick, on a cents-per-pound basis, is a stand-out buy?

Take operating cost. Do you know that the bang you'll get from Buick's Fireball power comes from a valve-in-head engine—recognized by engineers as a thrifty saver of fuel?

Do you know that owners of 1950 Buicks are writing us rave letters, saying that this year's version is the most economical Buick ever built?

Do you know that such comfort features as coil springs on all four wheels protect the car as well as the passengers—and throw in an

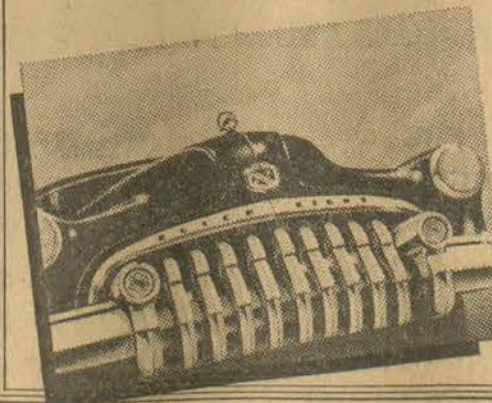

extra saving because they need no servicing, and are practically breakproof to boot?

Do you know that Dynaflo®—in addition to keeping you fresh as a daisy on a day-long drive—caps its convenience with savings on tires, cuts down the strain on transmissions and engines—and eliminates all friction clutch repairs, because it hasn't any?

Take final cost. Do you know that when the owner of a Buick gets a yen for a later model, the prices that Buicks command on a used-car lot are the ultimate proof of their long-run value?

So if you want a real run for your money, better buy Buick. And the first step is very simple: Go see your Buick dealer—soon—and get an order signed.

* Dynaflo Drive is standard on Roadmaster, optional at extra cost on Super and Special models.

FOUR-WAY FOREFRONT—This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

Jest Among Us...
By Jack Wild

The boys and girls who put out the Kernel, the University of Kentucky's student newspaper, have to work at the job. Publishing Kentucky's biggest weekly, circulationwise, is no cinch. So the kids struggle and they sweat and they maybe shed a tear or two over it, but they get the paper out, and when the job is done they can still joke about their woes. The following open letter, addressed to the University comptroller, appeared in the Kernel last week.

"We, the Kernel staff, wish to take this opportunity to inform you that something is greatly wrong with one of our typewriters. We have not as yet ascertained just what it is, but something has happened to that when any of us typists are using a certain typewriter, the result is very embarrassing. When one of the staff tries to write the letter 'f' it always comes out 'i.' This is very confusing, because when we want an 'f,' we want an 'f' and not an 'i.' Surely you must get what we mean. Some great difficulties have resulted from this. The printer is always coming down to the office wanting to know if we also talk like this. . . . Fomer or later, this must cast reflection on all of the staff. Needless to say, it would please us if you or some of your helpers would soon do something to correct the situation.—The Staff."

(This must be the same typewriter that caused us so much trouble year ago when I was one of those journalism students.)

RAMBLING—I'll have to go along with the folks who think the Wolf Creek Reservoir, in southeastern Kentucky, might better be called Lake Cumberland, a name with a lilt. . . . Kyle Whitehead of Harlan believes someone could turn a worked-out coal mine into a producing gold mine by lighting it up and taking tourists through at a dollar each. . . . There's a way-side restaurant near Prestonsburg known as the Outside Inn. . . . Sag Kash, Cynthia Democrat editor, is plugging for a Kentucky press photographers' association. . . . a Kentucky town with a nice appetizing name: Rabbit Hash.

NOT EVEN A FREE RIDE
CHICAGO — Burglars carted a 200-pound steel safe from an elevated station, laboriously cracked it open and found it filled with canceled transfers.

Western Union Announces Telegram Charge Account Plan for Rail Travelers

Every railroad traveler automatically will have a charge account with Western Union and can send telegrams en route easily and conveniently under a new plan now being placed in operation with the cooperation of the railroads. It was announced this week by Mrs. Clifford Marshall manager of the Western Union Telegraph Company's office here.

The new plan avoids the necessity for cash payment. The traveler merely hands his telegram, written on a special new telegram blank being placed in pullman and other railroad cars, to the train attendant for sending at the next stop. He can charge it to his home address, or can have it charged, of course, to his business charge account or Western Union credit card number. He also can send it collected.

The new arrangement will save travelers and railroad men the time and trouble involved in figuring tolls and making change. To provide this convenience and service to their passengers, the Pullman Company and the various railroad passenger associations have cooperated with the telegraph company in establishing the new plan.

Mrs. J. P. Macaure, 408 Radiance St., New Orleans, La., can't imagine a person who is sick and run-down not taking HADACOL. She says she continually sings the praises of HADACOL to all her friends. Mrs. Macaure was suffering from deficiencies of Vitamins B₁, B₂, Niacin, and Iron, which HADACOL contains.

Here is Mrs. Macaure's own statement: "I have taken at least 5 bottles of HADACOL. Before I took HADACOL I was very nervous. My family was affected, too, because I was so irritable. I tried many things to relieve my system of this nervous condition but they gave me hardly any relief at all. Then my sister suggested I take HADACOL and I started taking it immediately. After the second bottle I felt like I had taken all the troubles of the world off my shoulders. My nerves are now as steady as ever. My family thinks HADACOL is wonderful because my disposition is 100% better and I am not the least bit irritable. That's because I always have a bottle of HADACOL on the kitchen shelf. HADACOL is the most wonderful product on the market."

Give HADACOL a Chance to help you. If your system lacks these essential elements, you, too, will be amazed at the wonderful results HADACOL can bring you, as it has to thousands and thousands of other fine folks who suffered a deficiency of Vitamins B₁, B₂, Niacin, and Iron, which HADACOL contains. HADACOL helps build up the hemoglobin content of your blood (when iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body—to the heart, liver, kidneys and lungs, even to the eyes, hair and nails.

HADACOL is that wonderful new preparation—promising blessed relief for your indigestion, stomach disturbances (gas, heartburn, sour "risings" after meals), for normal growth in children, as well as that general run-down condition, and aches and pains of neuritis, if your system lacks Vitamins B₁, B₂, Iron, and Niacin. HADACOL is being recommended by many doctors. HADACOL is so amazingly successful because if your system lacks Vitamins B₁, B₂, Iron, and Niacin it acts directly to relieve this deficiency—the real cause of your trouble. That's the kind of product you want—the kind you should buy—the kind you should start taking immediately.

Only One Genuine HADACOL. Don't go through life suffering such fiendish torture from your stomach or aches and pains of neuritis when relief is as close at hand as the nearest drugstore for sufferers from these deficiencies. Buy HADACOL today. Trial size bottle only \$1.25. Large family or hospital size, \$3.50. Refuse substitutes. There's only one true and genuine HADACOL.

There's Just One Real Issue!!

What Is Best for the Child?

TALK is CHEAP....

And they say . . .

The "Halls" have been there too long. (Shh! That don't apply to Principals and board members)

They cancelled insurance and lost money. (The Supt. hadn't ought 'a let them do it even if Doc Allen did want it done)

Town Hall got all of the contracts—well two of them anyway. (Maybe his was the lowest bid but it don't look right him being kin to the Supt.)

We want to rid our schools of a political boss.

Palmer Hall won't play politics. He'll get us all beat!

Palmer Hall is a dictator. Palmer Hall hasn't learned to be a servant of the board.

That new building? Yeah, but Hall let the engineer put in the wrong pump and wasted the taxpayers' money.

The Supt. has a lot of relatives working! (Yeah, Doc and the rest of us have kinfolk too but that's not good propaganda)

They've put all the money in buildings and given none to the teachers.

Town Hall tried to sell the Board a lot for parking school buses. (No, they didn't buy it but blah . . . blah . . .)

THE SCHOOL IS FOR THE CHILD

400% INCREASE IN SCHOOL PROPERTY

But It's the FACTS that Count!!

You can see and the records show that . . .

The "Halls" bought the first two Floyd county school buses in 1936. Now 18 regular buses and 5 trucks roll every school day. One child out of four now rides a school bus.

The net worth (actual worth less debts) of Floyd county school property June 30, 1950 was four times as great as June 30, 1936.

In the four years of Palmer Hall's administration more than \$50,000 was put in modern school buildings, plus a lot of repairs and improvements yet the indebtedness was less than \$75,000.

During the four years of Palmer Hall's administration the amount of money budgeted for instruction (teacher's salaries) has increased every year.

Tho far from what we desire our schools generally are now in the best state of repair and the best equipped that they have ever been.

Despite the great emergency our teachers generally are well qualified and their morale and school spirit is much better than average.

For The Sake of Your Child...

Let's Stop the Quibbling and Get On With a Good School Program

IMPROVED RURAL SCHOOLS

9 MONTH TERM FOR ALL

THEY WON ALL THEY PLAYED BUT ONE

THE PRESTONSBURG GIRLS SOFTBALL TEAM, playing against teams from Pikeville and Drift representing the only other girls' "softie" nines in eastern Kentucky, made a good showing for its second year of existence, losing only one game of eight played. Team members shown above are, front row, left to right—Ann Whitaker, Barbara Spradlin, "Katie" Greenwade, "Angie" Miller, Donna LeShen. Back row, left to right—Nancy Hughes, Grace Blackburn, Lois Stiles, "Jackie" Conley, Pauline Hereford. The team was coached by Maurice Pace.

TOUGH LUCK!
Syracuse University's football team average 23 points a game last season and still lost more games than it won.

Aged, Dependent Children Grant Increases Alarm State Security Dept.

The alarming increase in public assistance grants in Kentucky is causing grave concern to the Department of Economic Security, which administers the program through its Division of Public Assistance.

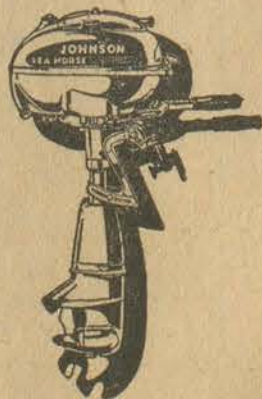

There are only seven states in the United States which have a higher proportion than Kentucky of child population receiving aid to dependent children and only 14 states with a higher proportion of aged population receiving old age assistance. At present there are 68,933 Kentuckians receiving old-age assistance; 60,385 children receiving aid to dependent children and 2,395 recipients of aid to the needy blind. The total grants paid out for the combined program of public assistance during the month of August 1950 amounted to \$2,347,515.

The Department of Economic Security has directed its Research and Statistics Section to make an exhaustive study of the entire public assistance program. The department has already prepared a comprehensive questionnaire that will elicit essential information relating to each recipient of aid to dependent children. This will show the percentage, race, sex, legitimacy or illegitimacy, physical and mental condition, whether or not child is attending school, with whom child is living, religion of parents, living conditions (including housing), whether or not child is available for adoption and other pertinent facts which may contribute to making such a study. Lack of such information has constituted a serious handicap in studying these conditions and in evaluating the problems that must be faced by the Division of Public Assistance, with a view toward their solution. When completed, this study will give to the staff of the department the most complete information that has been assembled by this or any other agency of the government.

SHERIFF'S SALE

FLOYD QUARTERLY COURT
Keen's Grocery Plaintiff
Vs.—ORDER OF SALE
Raymond Mynhier Defendant

By virtue of a judgment and order of sale directed to me which issued from the office of the Floyd County Court in favor of Keen's Grocery, I, or one of my deputies will, on Monday, October 23, 1950, at the hour of 1 p.m., at the courthouse door in Prestonsburg, Floyd county, Ky., expose to public sale to the highest and best bidder the following described property to satisfy plaintiff's debt, interest and cost.

ONE WASHING MACHINE, ELECTRIC IRONER, AND A RADIO.

Levied upon as the property of Raymond Mynhier.

Terms of Sale: Property is to be sold on a credit of three months, the purchaser or purchasers shall be required to execute bond for the deferred purchase price with approved surety, said bond to have the force and effect of a judgment. As security the Sheriff shall retain a lien against the property herein sold. The purchaser may pay the amount of his bid in cash, or if bonds are executed may anticipate the payment of such payment at any time by paying the principal amount thereof together with interest at the rate of 6 per cent per annum from the date of sale to date of payment. If the plaintiff is the purchaser of said sale for the amount of his debt, interest and cost, no bond shall be required other than for the cost of this action.

WHY Farmers Should Vote for CLEMENTS For U. S. SENATOR

1. EARLE CLEMENTS is the farmers' friend. He was born and reared in a Union County farm community. He's still a farmer and breeder of purebred livestock. He knows farming and farmers' problems. His Union County neighbors know him as a down-to-earth farmer who can milk a cow, run a tractor or vaccinate a hog. He is Kentucky's first real farmer-Governor in many years.

2. As Congressman, EARLE CLEMENTS was on the important House Agriculture Committee. He rendered valuable service to farmers of Kentucky and the Nation. He sponsored the **CLEMENTS BILL** in 1945 that has increased income of over 33,000 dark tobacco growers in Kentucky by \$34,259,900 in 5 years. The tobacco price supports also have been of vast benefit to burley growers.

3. GOVERNOR CLEMENTS gave active, effective and vigorous support to the Kentucky Delegation in Congress to include tobacco under the Marshall Plan.

4. EARLE CLEMENTS helped write and worked for passage of the Agricultural Research and Marketing Act to broaden use of farm products. As Governor, he has enabled Kentucky to take fullest advantage of the Hope-Flannagan Act to aid farmers.

5. EARLE CLEMENTS has fought vigorously to expand rural electrification. When he became Governor, less than 49 per cent of Kentucky farm homes were electrified. Today, expansion will increase this to 76 per cent. On his call, the special session of the 1949

legislature gave approval to the Federal Act which increased from 25 to 35 years amortization of REA loans to conform to the Federal Act. In Congress, **EARLE CLEMENTS** vigorously opposed Republican attempts to cut rural electrification funds.

6. EARLE CLEMENTS supported the 1950 Kentucky Act to aid expansion of rural telephones under the new REA rural telephone act. He has fought consistently to improve soil conservation and to increase aid for extension work. In Congress, he worked for passage of his Agriculture Committee's bill for permanent school-aid lunch program to enable school children to have adequate, nutritious meals.

7. GOVERNOR CLEMENTS has given Kentucky farmers better roads. During his administration, more than 2,500 miles of farm-to-market roads have been built, and more improvements have been made on the primary system than in any like period in history of the Commonwealth. He sponsored legislation establishing the Agricultural and Industrial Development Board to expand Kentucky agriculture and industry.

8. On his Union County farm, EARLE CLEMENTS practices soil conservation. His knowledge of farming and farm problems has been put to practical use by the State. Kentucky's penal and mental institutions now operate modern farms of more than 11,000 acres. More than 2,500 acres were purchased during **CLEMENTS'** administration. These farms now raise much of their own food, saving the taxpayers many thousands of dollars.
