This Town-- That World

Well, another winning streak has ended . . . Last November, our Thanksgiving edition was published on Wednesday, and since that time we've been hitting the press on that day of the week. But this week we're late. A school board audit and a primary election campaign have us in the middle.

THIS MIGHT BE APROPOS

Speaking of elections, there is the prayer which has been passed on to this column. It is entitled, "Prayer in a Voting Booth," and it reads:

"O, my Heavenly Father, I need your help. Look at that list of names! I don't know a quarter of them and I'm supposed to choose the best ones to govern our people. And all those issues! I can't understand what the fine print says—there isn't even time to read it. I meant to find out about all this, but you know how busy I am, Lord. I do the best I can but last night I had to finish that apron for the church bazaar—I just forgot that I also serve Thee by voting intelligently. This is awful. I've been here a minute already and there is a line of people waiting. Forgive me, O God, and help me this time to check the ones who will lead us according to Thy will —and next time I promise—oh, I'll not wait till next time—I promise. Thine be the glory. Amen.

THAT'S WHAT IT IS!

A Nebraska teacher asked her pupils to do a piece on the topic, "What Is a Newspaper?" and this is what a seven-year-old wrote:

"We need them so we can know who reks and who drownds and who shoots somebody. And who wants a house or who dies or gets a baby. It tells if your dog is lost. They are good on shelves and make bond fires. They also good under a baby's plate and to keep dogs offa things. You can rap potatoe peelings in em. You can put one when you defrost. They tell about shows and how such things are. We can add. they are also good to swat flies with, and public ofishuls and other things."

CROWN LANES SET OPENING

Last of Equipment Installed This Week; Daniels Named Manager

The Crown Bowling Lanes on North Lake Drive here has set Saturday morning at 9 o'clock for official opening time, it was announced Monday by Mack Daniels, manager.

Remodeling of the building occupied by the Oldsmobile agency has been completed, and last items of equipment were being installed this week.

The new bowling center will have 12 Brunswick lanes, automatic pinsetters, pin-finders, tel-e-scores, and a coffee shop, sports shop, nursery and meeting room will be operated in connection with it. The bowling center, which occupies the greater part of the building, has been completely air-conditioned.

Free parking has been provided on a lot between the Crown Bowling Lanes building and Goble's Laundromat.

ADVERTISING IS VOTED FOR BIG MUD SCHOOL

NEW PROJECT SITE DEEDS ARE ACCEPTED

Construction Impasse Broken by Ross Cooley At Saturday's Meeting

The impasse which for months has stalled construction of the Big Mud elementary school was broken at Saturday's meeting of the Floyd County Board of Education when Ross Cooley, anti-Administration member, offered a motion that the Board advertise for bids.

Cooley followed up that action by moving that the Board accept deeds to the site of the proposed Middle Creek elementary building. Both motions were passed by a split vote.

The surprise Mud Creek motion by Cooley succeeded a routine bit of business considered by the Board. Chairman Ray Howard quickly asked for a second and looked at John M. Stumbo, who has been consistently moving at previous meets to advertise the project; Stumbo offered a second. Only John G. Hall voted against the project.

County Superintendent Charles F. Clark asked the Board to rescind a previous order stopping Chrisman & Miller, architects, from working on the proposed new school building. Again the vote was split, Hall cast the lone dissenting vote.

Cooley, following the approval of the suggestion of Clark to allow Chrisman & Miller to begin work anew on the Mud Creek building, moved that the Board accept deeds to the Middle Creek site. The deeds, procured by Byron Nunnery, Board agent, are for 19.5 acres. Hall seconded this motion but Bill Blair, who had voted for the previous measures, asked to be recorded as not voting. Four votes were cast in the affirmative.

Blair said he advocated long-range planning and would like to put off acceptance of the deeds until the survey team of the Department of Education which was here last month made its report. It was noted that the proposed Middle Creek consolidation would eliminate 19 rural schools.

Featuring the meeting was service of a notice by Joe Hobson, former Board attorney, of a motion for a temporary mandatory injunction filed in circuit court. Hobson seeks to set aside a previous Board order discharging him as attorney

STATE POLICE STAGE RAIDS

Five Persons Arrested In Pre-Election Drive; Intoxicants Confiscated

A series of raids staged or initiated by state police Monday morning resulted in the arrest of three Floyd county women and two men and the confiscation of 184 half-pints of whiskey and wine and 443 cans of beer. A sixth person allegedly connected with the liquor traffic was arrested and booked at the county jail Tuesday.

Search warrants were sworn out before County Judge Henry Stumbo by State Trooper Elmo Allen, who with another plainclothesman bought intoxicants at the several places later raided.

Those arrested, the charges against each, and the liquor haul made on the premises of each follow:

Claude Frazier, selling and possessing, 47 half-pints taken from the premises occupied by Tom Lafferty, Prestonsburg taxicab operator for whom Frazier works; Mrs. Cora Slone, of Sugar Loaf, selling and possessing, 49 half-pints of liquor, 11 cans of beer; Mrs. Bennie Blackburn, near Lancer, possessing and contributing to juvenile delinquency, 57 half-pints and 235 cans of beer; William Riley Wells, of the Auxier road, selling and possessing, 17 half-pints of whiskey, 24 pints of wine and 69 cans of beer.

Prestonsburg police arrested Frazier on the search warrant sworn out by state police. All other arrests were made by State Troopers Paul Fraim, Joe Hardy, Elmo Allen, Don Goble, Neil Ison and Bill Williamson.

The sixth arrest, made Tuesday, was that of Dan Prater, Jr., on Salt Lick by State Trooper Allen.

ENDICOTT MAN MINE VICTIM

Shortridge Is Crushed By Slatefall, Tuesday; Rites Slated Friday

Ezra W. Shortridge, 47-year-old Endicott miner, was instantly killed at 6:15 p.m., Tuesday, in the Russell Laven Coal Company mine at Emma. Shortridge was crushed by a slatefall.

The body was recovered by fellow miners and members of the Floyd County Emergency and Rescue Squad. He suffered chest and head injuries.

Mr. Shortridge was a son of M. T. and Cora B. Compton Shortridge, of Grundy, Va., who survive, and was first married to Edna Stacy Shortridge and next to Julia Hatfield Shortridge, who survives.

Surviving sons and daughters are Kermit Shortridge, of Betsy Layne, Theodore Shortridge, Roseann, Va., Mrs. Goldie Campbell, of Allen, Darwin, Larry, Rondell, Carl, Peggy Lou, Ruby, Geneva and Barbara, all at home. Surviving brothers and sisters are Landon Shortridge, Ashcamp, Pike county, Earl Shortridge, and Mrs. Rosa Matney, both of Oakwood, Va., Lawson Shortridge, Roscoe Shortridge, Miss Orpha Shortridge, Mrs. Alta Perkins and Mrs. Ollie Casey, all of Grundy, Va., Mrs. Ocie Pippins, Bristol, Va., and Mrs. Emma Breeding, Morristown, Tenn.

Funeral rites will be conducted Friday, at 1 p.m., from the Endicott Free Will Baptist church and burial will be made in the Sellards cemetary under the direction of the Hall Bros. Funeral Home.

FLOYD SCHOOL THREAT SEEN

By Attorney's Ruling; Law Clarification May Be Sought By Butler

If a recent opinion of Attorney-General John Breckinridge is valid, it will not be possible to build the proposed vocational school at Garth and the operation of the unit of the Mayo Vocational School here may have to be suspended.

These possibilities are envisioned by local educational leaders after Breckinridge ruled that school systems cannot enter into an educational contract with any but an approved public school or common school.

The Knox county system wants to use foundation funds to erect a building and lease it to Mayo Vocational School at Paintsville for operation. The Attorney-General ruled it could not do so.

What Knox county was proposing to do and what many other counties have already done is exactly what Floyd county was in the process of doing. The Board of Education has purchased eight acres of land at Garth for $16,000 and proposed to erect a building for leasing to the Paintsville institution.

"I hate to envision this but if what has been done here at this branch of Mayo is illegal, then it will be illegal at Garth," County Superintendent Clark said this week.

Clark and the Board of Education have spent several months ironing out technical and legal wrinkles in the Garth project. The proposed school has been widely promoted by the Floyd County Parent-Teacher Association Council.

A contract entered into between the Floyd County Board of Education and the Mayo State Vocational School at Paintsville under date of August 4, 1959, is typical of these contracts over the state.

The Floyd county contract provides for the payment by the Board of " all salary monies" from the Department of Education for teaching vocational trade units in Floyd county to the Mayo State Vocational School. Mayo agrees to supplement salaries.

Wendell P. Butler, superintendent of public instruction, says the whole area of law surrounding the vocational educational field is so confused that it will be necessary to ask the next General Assembly for clarification on the state's responsibilities on the fringes of common school education.

Prestonsburg High Junior Chosen May Day Queen At Festival Here; Two School Bands Are Superior

Brenda Patton, 16-year-old Prestonsburg high school junior, was named May Day Queen, Saturday at the annual festival here. Miss Patton competed with entrants from five other Floyd high schools.

The colorful band parade preceding the naming of the queen got under way on Highland avenue at 10 a.m., under the guidance of David B. Leslie, parade marshall. Last year's queen, Brenda Mayo, of Martin, led the marching bands, among which was a float carrying Mrs. Marguerite Fannin's Miniature Majorettes.

Miss Patton was crowned royally on the steps of the grade school. It was the first win for Prestonsburg since 1947.

Wheelwright high school was named the best playing band, and the McDowell high school was picked as the best marching group.

Besides the six high school bands participating in one of the school's most popular events, five grade school bands with no queen candidates, were in the parade.

Doug Smith, Prestonsburg high school band instructor, was in charge of the festivities.

Miss Patton is the daughter of Mr. and Mrs. Chester Patton, of Allen.

FIVE ISSUE STATEMENT

Development Committee Not Councilmanic Agency For Federal Aid, Said

Five members of the City Council this week issued a formal statement declaring that their recent appointment of the Prestonsburg Municipal Redevelopment Committee was made only for the purpose of seeking assistance for Prestonsburg on sewerage and other needed improvements under the recently enacted Area Redevelopment Act.

The statement, signed by Council Members Bill May, Virgil Griffith, W. B. Boyd, Fanny S. Jarrell and Orville Cooley, also declared:

"The Prestonsburg Municipal Redevelopment Commission was not appointed to succeed or replace any other committee or group working for assistance for Prestonsburg."

Mayor Edward B. Leslie last week said that the Prestonsburg Community Development Council had been designated to serve as a liaison agency between the community and the state and federal governments in seeking assistance. The statement of the five members of the Council this week did not refer to this statement but it did say:

"The Prestonsburg City Council has never at any time named officially or otherwise designated the Community Development Committee or Council to serve as an official committee to seek federal aid for our city under the recently enacted federal legislation."

"The Prestonsburg City Council," the signed statement added, "invites all persons, groups, agencies and organizations to cooperate with the City Council and its official commission, the Prestonsburg Municipal Redevelopment Commission, in seeking assistance for Prestonsburg under the new legislation or other state and federal acts."

George Glenn Hatcher, chairman of the new commission, said he expects to be able soon to announce that things are being done that will be of real help to the community.

LAKE LANES OPEN FRIDAY

New Building Completed By Scott Craft; Carter Announces Arrangements

Lake Bowling Lanes, under construction at South Prestonsburg since early February, will open Friday morning, it was announced this week by Estill Lee Carter, manager.

The building housing 12 lanes, has been completed by contractor Scott Craft at a cost of $282,000 for Edward Music and Dr. George Archer. Its interior appointments and the AMF equipment are ultra-modern with much of the materials imported. The entrance glass is from Belgium and the terrazo floor from Italy.

Featuring the arrangement of the interior is the manager's desk opposite the coffee shop and snack bar. From this vantage spot he can view the lanes and plays. Behind the coffee shop is a multiple room where league conferences may be held.

Carter said that 130 teams have been organized and the management will provide open bowling until June 5 when league playing will start.

A parking lot for 175 cars is adjacent to the building as is a playground for children.

Hansel Cooley, assistant manager, announces that four door prizes will be given away Saturday evening at 8:30.

The air-conditioned establishment will provide employment for 10 persons. The building is 75 x 150 feet with 11,250 feet of floor space.

Power Firm Announces Outage At Weeksbury

Kentucky Power Company announces that the electricity will be off at Weeksbury and vicinity on Friday, May 12, beginning at 9:30 a.m. The electricity will be off approximately five hours.

The outage is for the purpose of replacing some poles that are in a slide.

HERE ON BUSINESS

Monte Scott Harkins, of Baltimore, Md., and Washington, D. C., is here this week attending to his real estate projects.

FIRM PLANS RELOCATION

Lake Crossing Lines Bar Boat Dock Road; State To Assume Cost

To make way for construction planned by the Kentucky State Highway Department, United Fuel Gas Company plans to relocate its pipeline crossing at Dewey Lake.

J. R. Hussey, superintendent of transmission lines, said the company has three pipelines, each 12 inches in diameter, which go under the lake at the crossing. Each is 300 feet in length. The company plans to replace them with new sections of 12-inch pipeline at different locations. A total of 1,206 feet of pipeline will be used.

The highway department informed United Fuel that its 1961 program included work on its boat dock-beach-dam road project at Dewey Lake. The proposed construction is in the vicinity of the company's present lake crossing.

United Fuel's lines lie entirely on private rights-of-way and as a result the company will be reimbursed for the cost of the crossing work.

Mr. Hussey said a contract has been awarded to General Construction Company, of Clendenin, West Virginia, and that construction will get under way soon.

The line is a connecting link with United Fuel's production area in Eastern Kentucky and its distribution areas to the north.

POSSIBILITY OF FRAUD IN ABSENTEE BALLOTS

The possibility that election fraud may be committed at the May 23 primary through the absentee ballot broke into the open here Wednesday morning when a warrant was issued for a Martin man, accusing him of bribery.

The warrant was issued from the County Judge's office for J. M. Napier on the affidavit of Rubin Hall, of Martin. Hall in his affidavit said Napier "told me that if I would apply for an absentee ballot and give the ballot to him when I received it he would pay me $10."

Hall said Napier told him to "just go, dig 'sang' on election day." He filed the application with the County Clerk, but his affidavit stated he had gone to that office and cancelled the application.

Mrs. Kathleen Moore, wife of County Clerk DuRan Moore, said Wednesday morning that 718 ballots were mailed by Wednesday to applicants. Monday midnight was the deadline for filing for absentee ballots, but Mrs. Moore said the law provides that applications postmarked May 8 must be honored.

The Times was told Wednesday that approximately 25 persons who applied for absentee ballots have given Sheriff Hershell Warrens affidavits stating that they will be in the county on election day and that they do not want an absentee ballot.

The three election commissioners —Sheriff Warrens, Oliver Hall and Josephine Evans—issued a statement, Wednesday morning, saying "it is the desire of the board (election commission) to prosecute" those who sign false affidavits to obtain an absentee ballot. The statement pointed out that persons who sign affidavits, stating that they intend to leave the county on the day of the election, without any intention of doing so, will be guilty of perjury.

The election commissioners also pointed out that the voter must expect to be out of the county or out of the precinct on election day in the course of business or duty, and not because of a visit or vacation, to procure a legal absentee ballot.

"After the election is held and the counting of absentees has started, the Board will honor any challenge to any absentee ballot voted, and will investigate thoroughly those persons who vote an absentee ballot through fraud or perjury," the election commissioners said.

DOPSON TELLS STAMP PLANS

Certification Work Is Progressing, Noted; Office To Be Opened

Certification of Floyd countians eligible to assistance under the pilot food-stamp program to be initiated in this and six other counties of the United States next month proceeded smoothly here this week, with personnel of the Department of Economic Assistance handling the registration.

Certification began last Thursday at the Unemployment office here, with those receiving their mail at the Prestonsburg postoffice being certified first. West Prestonsburg postoffice patrons were next, then applicants appeared as notified by card.

The schedule for remaining certification work follows:

Wednesday and Thursday, this week—remainder of Magisterial district No. 3; Friday of this week and Monday of next—the remainder of Magisterial District 1; Monday afternoon and Tuesday—District No. 2; Wednesday through Friday of next week, certification of all on public assistance and those who currently are receiving commodities. Those in Magisterial District 4 already have been certified.

During the week of May 22 those who were unable to come here at the time appointed will be certified.

Arvid Dopson, of the U. S. Department of Agriculture, has scheduled four meetings with retail grocers next week. At these gatherings he will attempt to answer merchants' questions and also will take applications of grocers who wish to participate in the food-stamp program.

The schedule of these meetings: Tuesday, May 16, Prestonsburg high school, for groups in Magisterial District No. 1; Wednesday, McDowell high school, District

DAVID FIRM RECALLS LAID-OFF EMPLOYEES

Two-Car Collision Hospitalizes Four

A two-car collision on South Lake Drive, Tuesday evening, resulted in the hospitalization of four persons.

Hospitalized are Circuit Court Clerk Henry Stephens who was driving south and the occupants of the second car, Mr. and Mrs. Byrdis McKenzie and her sister, Miss Marlene Rentherford. All are in the Prestonsburg General Hospital. The condition of neither is considered serious, it is said.

The accident occurred on U. S. 23 opposite the Hometown Service Station.

HOBSON SUES FLOYD BOARD

Former Board Attorney Seeks Reinstatement; Back Pay Is Sought

Joe Hobson, Prestonsburg attorney, this week filed a complaint in the Floyd circuit court, seeking to annul the action of a majority of the Floyd County Board of Education which discharged him as attorney for the Board and employed W. W. Burchett in his stead.

He asks that:

1. The court adjudge as null and void resolutions adopted by a 3-2 vote of the Board at its January 4 meeting dismissing him as attorney and employing Burchett.

2. Mr. Burchett be enjoined from acting as the Board's attorney.

3. The Board be required to reassemble and set aside the resolutions in question.

4. He recover from three of the five board members named in the action—Ray Howard, as chairman, John G. Hall and Ross Cooley—$375 paid Burchett as salary.

John M. Stumbo and Ray Blair, the other members of the Board, were also named defendants, as was Mr. Burchett.

Hobson's complaint points out that he was employed as attorney for the Board on June 7, 1960, and on December 6, 1960, for the school year ending June 1, 1961. It points out that resolutions voted by the Board at its January meeting, employing Eugene Conley as director of personnel and John Allen and Chalmer H. Frazier as members of a Property and Buildings Commission, were made without recommendation of the County Superintendent of Schools and resulted in his being consulted by the County Superintendent. He advised the Superintendent that the resolutions and appointments were invalid, circuit court held them void, and the Court of Appeals later affirmed that opinion, the complaint says.

Filed with his complaint were copies of the several resolutions involving his employment and actions of the Board last January. The resolution dismissing Hobson said he had instituted legal proceedings against three members of the Board which had not been authorized by the Board nor by written request of its chairman or by a majority of its members.

WORK UPTURN IS BOOSTED BY MARKETS

Large Area Producer Thinks All Idled Men May Be Reemployed Soon

A heartening upturn in the local economy is seen in the announcement by the Princess Elkhorn Coal Company that 86 of the 162 employees laid off March 11 at its Mines 1 and 2 at David returned to work Monday.

The company, one of the area's largest and most consistent coal producers, expressed the hope that all the employees idled by the cutback will be returned to work soon.

Seventy-three of the workers returned to the No. 1 mine, with the remaining 13 going back to work at Mine No. 2.

Restoration of the 86 men to their jobs will mean an increase in the coal company payroll by more than $40,000 a month, it is estimated.

A general upturn in the coal market is seen with the opening of the Lakes. Some mines in the county already have received Lake orders.

Normally, the Princess Elkhorn employs about 375 men in addition to salaried employees. Until the present market slump the company had for 19 consecutive years maintained the best work record compiled by any coal firm operating in Kentucky.

CRISP KILLED IN ACCIDENT

Ohio Truck Mishap Claims Floyd Man; Funeral Held at Emma

William Edward Crisp, 17, formerly of Prestonsburg and Allen, was killed instantly, Sunday, at Newtonville, Ohio, in a truck accident. Two others, names not available, were hospitalized but it was said their condition was not serious.

The Crisp youth was riding in the back of a pick-up truck with two other passengers when the vehicle skidded, left the highway, struck a utility pole and turned over, according to reports received here.

He was a son of Oliver and Rebecca Jones Crisp, of Newtonville, and besides his parents is survived by the following brothers and sisters: Oliver Crisp, Jr., Larry Douglas Crisp, Leida Francis Crisp and Patricia Ann Crisp, all of Newtonville, and Mrs. Dora Nelson, of Dwale.

Funeral rites were conducted at 10 a.m., Wednesday, from the home of Bill Woods, Jr., of Emma, and burial was made in the Riley Hall cemetery at Allen under the direction of Carter & Callihan Funeral Home.

DISSATISFIED CANDIDATES NAME ONE-FOURTH ELECTION OFFICERS

The Floyd county political pot, barely simmering through recent weeks, began perking briskly this week with the appointment of election officers and the filing of applications for absentee ballots. At the same time practically every candidate for nomination at the May 23 primary stepped up his or her drive for votes.

Dissatisfaction with the list of eight persons nominated by precinct chairmen or legislative district chairmen for possible election officer duty resulted in excess of 25% of the candidates filing a petition with the Election Commission and their naming of one of the four election officers for each precinct. The Election Commission is composed of Sheriff Hershell Warrens, Mrs. George E. Evans and Oliver Hall.

More than 700 applications for absentee ballots have been received at the County Clerk's office, and ballots had been mailed Tuesday morning to 235 of the applicants, Mrs. DuRan Moore said. The deadline for applying for absentee ballots was Monday midnight, but the County Clerk is required to accept applications sent by mail and postmarked not later than May 8.

Names of officers to serve at the 34 precincts of the county follow, the clerk, sheriff and two judges appearing in order in each instance:

PRESTONSBURG No. 1 — Dick Spurlock, W. A. Spradlin, Wilson Stepp, Judith Archer.

Woman's Club Installs Officers Here, May 2nd

The Prestonsburg Woman's Club met Tuesday evening, May 2, at Wise Restaurant for its annual dinner meeting and installation of officers for the club year. The retiring president, Mrs. Mary Jane Harkins, introduced the Patsy Teen-agers, under the direction of Mrs. Katheryn Frazier. Following a musical program by the group, Mrs. Zella Archer, program chairman, presented Mrs. R. V. May, governor of the Seventh district, Kentucky Federation of Woman's Clubs, who spoke on the subject, "The Ideal Clubwoman." At the conclusion of her talk, Mrs. May installed the following officers for the coming year:

Mrs. Burl Spurlock, president; Mrs. Marvin Music, first vice-president; Mrs. Arbor Jones, second vice-president; Mrs. Clyde Burchett, third vice-president; Mrs. Frank Layne, recording secretary; Mrs. John Graham, corresponding secretary, and Mrs. Edward Worland, treasurer.

Mrs. Spurlock named her committee chairmen for the coming year and stressed four specific aims for the club year: first, spiritual life; seconds, education and library; third, participation in community redevelopment committee work, and, fourth, civil defense. At the same time she asked for suggestions from the club membership for worthwhile endeavors.

The dining room and tables were attractively decorated by the hostess, Mrs. John Graham, Mrs. Virgil Goble, Mrs. Bascom Clark, Mrs. Marvin Ransdell, Mrs. T. J. May, Mrs. E. P. Hill, Jr., and Miss Fannie Mae Howell.

A buffet dinner was enjoyed by about 50 members and guests.

PAINTSVILLE VISITORS

Mr. and Mrs. Paul Williams, of Paintsville, were supper guests of his sister, Mrs. Kermit Baldridge, and family on Court street, Sunday evening.

HOME FROM HOSPITAL

Mrs. Hope Hereford Spradlin returned home, the latter part of the week, from a Huntington hospital where she had undergone major surgery. She is doing nicely at the home of her mother, Mrs. Mollie Hereford at Cliff.

Dotson-Allen Engagement

Photo By Strahan Studio

Mr. and Mrs. Orville Dotson, of Prestonsburg, announce the engagement of their daughter, Barbara, to David D. Allen, son of Mr. and Mrs. John Allen, of Prestonsburg.

Miss Dotson is now a senior of Prestonsburg high school.

Mr. Allen is a graduate of Kentucky Military Institute, and is attending Pikeville College.

The wedding will be solemnized June 3 at the First Methodist Church in the presence of the family.

VISITING DAUGHTER

L. B. Moore visited his daughter, Mrs. Billie Seviers and family in Indiana last week while consulting an eye specialist.

Plain-Song Chanters Sought By Folk Festival Director

So anxious is Mrs. Gertrude Knott, national director of the National Folk Festival, that Mrs. Edith Fitzpatrick James, of Prestonsburg, and her Plain-Song Chanters take part in the forthcoming 25th annual festival in Constitution Hall, Washington, D. C., that she has written Governor Bert Combs, asking that the state send the group there.

Mrs. Knott's letter to Governor Combs paid tribute to the Prestonsburg woman. She wrote the Governor, in part:

"I can't tell you how sincerely I hope the state of Kentucky can send Edith James and her group from Prestonsburg to us. No single person has done a more significant job in holding to the rich folk legacies of her state than Edith. She has done the most outstanding job of any state folk music chairman in the Union . . . In this world and nation of rapid and confusing change, she has kept faith with the folk tradition and has continued to hold a distinguished place among 'long hair' musicians."

An article by Annabel Morris Buchanan, national folk music archivist, in SHOWCASE, music clubs' magazine, added this:

"Our Kentucky chairman and archivist, Edith Fitzpatrick James, is sending some of the oldest folk music in America, in ancient modes . . ."

Yet, if Mrs. James and the Chanters go to Washington, it appears almost certain they will travel at their own expense.

Floyd-Co. Farmers Told Of Feed Grain Program By ASC Chairman Akers

Farmers in Floyd county who are interested in participating in the new feed grain program must file a report of crop production for the years 1959 and 1960 by May 12, according to Daniel Akers, chairman of the Floyd county ASC committee. After the farmer has reported his crop production, the county committee will establish a feed grain base and payment rate for the farm and then the farmer must file an intention to participate and application for payment by May 22, 1961.

Akers said that farmers can place a portion of the average production of corn in the program, and receive immediate cash benefits. If the farmer has an average production of 25 acres or less, he may put the entire acreage into the program. If he has production of 26 to 100 acres, he may place 20 acres, plus 20 per cent of his total average acres in the program. If he has production of 100 acres or more, he may place a total of 40 per cent in the program. Akers pointed out that the farmer must place a minimum of 20 per cent of his average acres in the program to be eligible.

The chairman urged every farmer who has any corn acreage of any size, to come into the county office so ASC personnel may explain the program.

He said that this program is designed for the little farmer and will boost the economy of the farmer in Central and Eastern Kentucky as well as in the heavy grain producing areas of the state.

Native Floyd Woman Victim in 72nd Year At Middletown, Ohio

Mrs. Sarah Anna Williams, 71, of Trenton, Ohio, and a native of this county, died Saturday night at a Middletown (O.) hospital. Mrs. Williams, who resided at Trenton with a daughter, Miss Della Litteral, suffered from heart disease, and a blood clot was given as the direct cause of death.

She was a daughter of Marion McDonald and Rhoda Ann Shell Leake, and was twice married—first, to Ben Harrison Litteral, and after his death to James Lee Williams who also preceded her in death. Surviving are three sons and two daughters, Perry Litteral, Trenton, Ohio, Donald Williams, of Georgia, James Ray Williams, of Indiana, Mrs. Dorothy Erkenbrecher, of Cincinnati, and Miss Della Litteral, Trenton, Ohio. She also leaves three brothers and one sister, John Leake, Staffordsville, Sam Leake, Warsaw, Indiana, T. J. Leake, of East Point, and Mrs. Katherine Stephens, Prestonsburg.

Funeral rites were conducted at 2 p.m., Tuesday, from the Grand Avenue Church of God, Middletown.

BABE DIES

Sheral Ann Jamerson, one-day-old daughter of Wilbur Ray and Virginia Osborne Jamerson, of Wheelwright, died May 1 at 8:30 a.m. at the Pikeville Memorial hospital. Besides the parents, she is survived by a brother, Dewey Ray Jamerson, at home. Funeral rites were conducted at 2:30 p.m., Wednesday, May 3, at the home, the Rev. H. M. Wiley officiating. Burial was made in the Osborne cemetery at Bypro under the direction of Merion & Call Funeral Home.

There are 63 different species and various of hawthorne trees recognized in Arkansas.

Cemetery Is Raided By Shrubbery Thieves

Thieves raided Davidson Memorial Gardens at Ivel again this week to take two azaleas in full bloom, according to George Roberts, cemetery manager. Six fine shrubs were stolen last year, he said.

Azaleas, Roberts notes, have a low survival rate when transplanted in bloom. The two taken were eight years old.

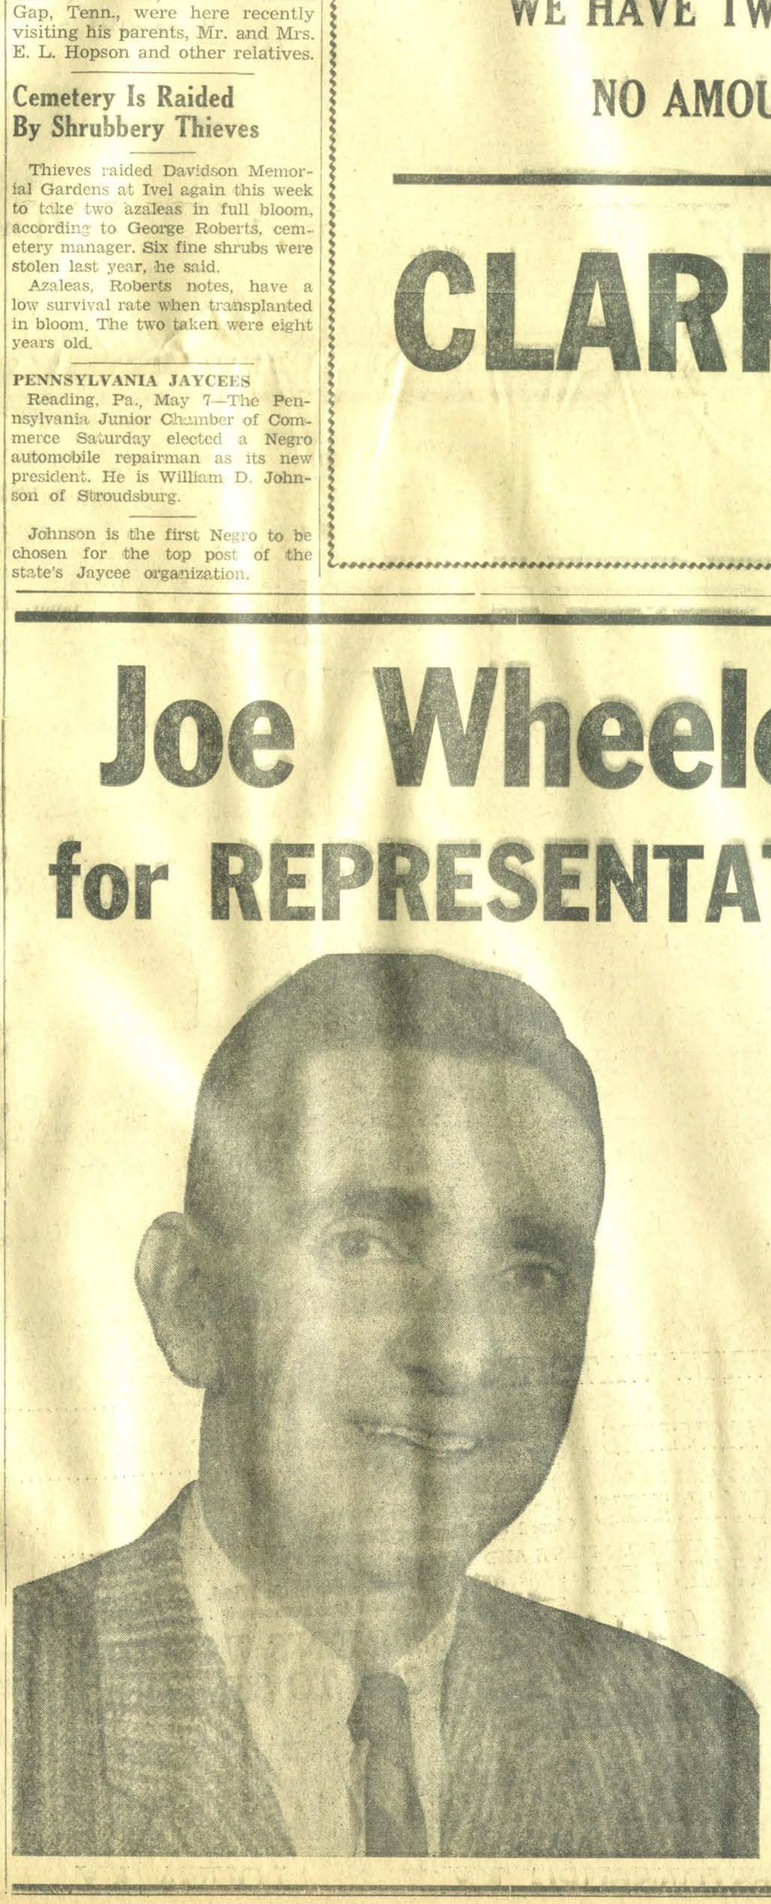
Joe Wheeler Burchett
for REPRESENTATIVE, 96th district



WHO IS JOE WHEELER BURCHETT?

Joe Wheeler Burchett is a farmer and business man who was born and reared at Lancer. He is a family man and has three children, one has just graduated in Engineering from the University of Kentucky and the other two are still in school. His wife has been a teacher in the public schools of this county for the past 22 years. He is a public spirited citizen and has always supported movements designed to help the spiritual and economic progress of this area.

WHY DOES HE SEEK THIS OFFICE?

Joe Wheeler Burchett is not a politician and has never held public office. He has no political ambitions and has no interest in holding any other political office. He has an opportunity to help Floyd county and its people at this time by serving a term in the State Legislature. He is willing to sacrifice the time from his work and give his attention to helping Floyd county in its program of recovery.

WHAT IS HIS PLATFORM?

He stands for:

1. Establishment of a college in Floyd county.
2. Continuation of the forward program in education with increased salaries for the teachers and opportunities for the children.
3. Early completion of East Kentucky Highway.
4. More "black top" and farm to market roads in Floyd county.
5. Improve and enlarge Jenny Wiley State Park to make it the best anywhere.
6. To establish industry in this area to provide jobs for our unemployed people.
7. To work continuously for Floyd county and Floyd county people so that we will no longer be classified as a depressed area.
8. To cooperate with local public officials and use the facilities of his office to accommodate the public and to give assistance to them.

ART EXHIBIT AT MARTIN HIGH FEATURES WORK OF STUDENTS

Despite threatening skies and an earlier downpour, the second annual art exhibit in the Martin high school gym came off nicely. The exhibit was a showing of art works created by the seventh and eighth grades as well as the high school class.

Included in the show was a group of wood "whittlings" by Jailer "Prock" Hayes, several oil paintings by Mrs. John W. Hall, and a chalk still-life by Miss Sue Sherman. It is hoped that more works of area artists can be assembled in the future.

More than 200 works of art students were in the show. Pictures were the results of vicarious and direct learning experiences. Several paintings depicted the recent clean-up campaign in and around Martin. Some drawings were of historical characters, others were still life, portraits of fellow students, and varied other subject matter.

Emma Lou Howard explored the mosaics further and completed a coffee table. Linoleum prints designed by Lenora Dingus, Charolet Meade, Patty England, Patricia Ousley and Kenneth Wright, were also used to print the tea napkins used on the punch table. Paintings by Bud Reynolds, Rosie Click, Rosalie Blackburn, Charles Mynhoir, Jeffry Latham, Donna Sue Pitts, Linda Akers, Brenda Layne, Tobie Frye, Delbert Meade and Carol Sue Rowe and the drawings by Larry Marshall, Joy Hunter, and Delores Smith were highly complimented.

One of the senior art students, Betty Slone, also exhibited. Betty was one of 50 high school students throughout the state who was chosen recently to attend the University of Kentucky art session this summer. This is the first time a student from this county will have this opporunity to study with two internationally known artists.

All five of those arrested Monday executed bond for their appearance in quarterly court, June 26. Some of those booked requested that their cases be transferred to magistrate court but Judge Stumbo refused to make the transfer.

Mrs. Donnie Blackburn was not accused of selling, those making the purchase reporting that the sale was made by her son. The youth's part in the liquor-selling led to the juvenile delinquency charge against her.

Mrs. Cora Slone is the widow of Allen Slone, for whose death of a gunshot wound she was convicted at the recent circuit court term and given a two-year pen term.

Malcolm Lewis, of Daniels Creek, was jailed last Wednesday by Deputy Sheriff Joe Wheeler Lewis and booked on a charge of cutting and wounding his father, the Rev. Wallace Lewis. Eighteen stitches were required to close cuts about the minister's neck and ear. Lewis waived examining trial Tuesday, and on a hearing on a peace warrant claimed his father first struck him with a hammer and that he did not remember what happened thereafter. His peace bond was set at $500 by Herschell Tackett, county judge pro-tem.

Others jailed:

Bill Mitchell, accused of hit-run driving, booked by State Trooper Williamson; Donald K. Stratton, grand larceny and breaking and entering, arrested by Deputy Sheriffs Lonnie Herald and Wesley Fannin and State Trooper Goble.

High Praise Expressed For Conservation Work Of Local Soil District

The Soil Conservation Service, United States Department of Agriculture, expresses high praise for the 1960 annual report of the local district.

"The outstanding leadership of your Soil Conservation District in the education of its youth to the importance of conservation practices is evidenced by the large number of essays written on the subject, the generous prizes awarded, the number of schools awarded trophies and the fine community spirit," H. E. Hecker, state conservationist, Lexington, wrote J. B. Clarke, chairman of the Floyd County Soil Conservation District recently.

"The progress your district has made over the past few years in tree planting is of great value to your entire community," Hecker continued. The figures for this past year, 729,000, are outstanding in the state and the proposed planting of over a million seedlings this spring is indeed forward looking."

Examination Slated For Vet Employment By U. S. Civil Service

The United States Civil Service Commission announces that an examination is open for State Veterans Employment representative, $8,955 a year, for duty with the Bureau of Employment Security, Department of Labor, in Frankfort.

Applicants must be honorable discharged veterans and must have resided in the State of Kentucky for at least two years. Appropriate experience or a combination of experience and education is required.

Applications must be filed with the executive secretary, Board of U. S. Civil Service Examiners, Department of Labor, Washington 25, D. C., and must be received or postmarked not later than May 31, 1961.

• QUALIFICATIONS • DO COUNT!

The office of Magistrate needs a qualified man. No man should ask for office requiring able administration merely because he needs the office. It is always the office that needs the man.

We, the friends and supporters of John C. Wells, advocate his nomination because he is a highly qualified man who is sacrificing much to run for office. He wants to serve the people in his district, wants to bring dedication and ability to the office. Only by a full-time consecration to the job by a well-qualified man can roads and bridges be built, tax money be saved and the public served.

Education, of course, does not alone qualify a man for public trust. A Magistrate should be mature, sober, honest, full of good old Floyd County common sense. These virtues, added to the fine education of John C. Wells, make him an outstanding candidate. He could have been a candidate with great justification for a much higher office but he chooses to serve where he thinks the need is greatest.

. . . Magisterial District No. 1 needs roads, bridges and road maintenance.

. . . The District needs attention to its fiscal affairs to save tax money.

. . . The District needs a qualified man who will devote time and ability to its problems.

JOHN C WELLS IS THE ANSWER TO A NEED. WE BELIEVE IN HIM, ASK YOU TO SHARE OUR CONFIDENCE AT ELECTION DAY.

TO THE PEOPLE OF MAGISTERIAL DISTRICT NO. 2:

We, Hiten Chaffins and Evan Chaffins, Garrett, Ky., are living in Floyd county, and pay our taxes in Floyd county. I (Hite Chaffins) have 11 children, and Evan Chaffins has 17 children. We live in the Wile Conley Branch on Rock Fork. We did not have any road, only a path, until Zeb Ousley, our Magistrate, built us a road which took two days with the county dozer. We are well pleased.

There are some people who don't know any better than to criticize our Magistrate by saying we live in Knott county, which is false. We needed our road very badly. We feel Zeb Ousley is a man who will try to help the people wherever he can. We urge all our friends and relatives to vote for Zeb Ousley for Magistrate, May 23, 1961.

We the undersigned, all of Garrett, Ky., witness this statement as true:

and the naming of his successor, W. W. Burchett.

Hobson's notice, served on the five Board members and Burchett, asked the Board "to immediately reassemble as such Board of Education ,together with defendants John M. Stumbo, Jr., and Bill Blair, . . . to forthwith set aside the resolution attempted to be adopted by the Floyd County Board of Education on January 4, 1961 . . ."

The January 4 order referred to was the date of Hobson's discharge. The former Board attorney noted that he would bring the motion for a hearing at 9 a.m., May 18.

Other actions or orders of the Board follows:

1. Oliver Allen, director of transportation, was continued in employment through the month of July. A previous order had abolished his position as of June 30.

2. Charles Hall was hired as garbage collector at McDowell and Drift, and the resignation of Miss Elsie Patrick, music teacher at Maytown, was accepted.

3. Superintendent Clark asked the Board to modify a previous order curtailing the number of motor vehicles to be used by the maintenance force. The Board voted to allow a truck to be used on roof maintenance work, another for use in painting schoolhouses and a third to transport books to the Board offices here. This was voted unanimously.

4. Several members of the Advisory committee of the Citizens Educational Council were present, and the Board recognized Harry Zimmerman at the suggestion of Clark.

LOW NUMBER HI GRADS DROP MORE EDUCATION

Of the 3,730 Eastern Kentucky youths who were graduated from high school in the 25-county Eastern Kentucky area last year, only 1,247 entered college—and 1,183 of those who quit school did so because of economic problems and the distance of college from their homes.

These figures are included in a report released by Verne P. Horne, director of public relations, Kentucky Education Association, and are results of a questionnaire sent to high school principals of the area.

"We are concerned about the large number of high school graduates who are denied the opportunity of attending college," Horne wrote.

Sixty-seven of the 69 school principals responding to the questionnaire recommended additional colleges or the expansion of existing colleges; 47 suggested that present colleges be expanded. Five suggested the founding of public junior colleges, and the same number recommended a loan fund to help prospective college students.

Other suggestions were: More vocational and trade schools, more night programs for adult education and lower college tuition rates. The questionnaire was submitted to principals of all 83 high schools in the area, but 14 failed to reply.

Composite figures gathered from the principals' reports showed that 1,957 girls and 1,773 boys were graduated from 69 high schools in the area during the 1959-1960 school year. Of these, only one-third entered college that fall—629 girls and 618 boys.

It was estimated that 478 girl graduates and 454 boys did not enter college because of economic problems. Because of the distance of college from their homes, 138 girls and 113 boys did not continue their education.

IN MEMORIAM

In memory of my mother, Mrs. George Hart, Sr., of Wayland, Ky., who died in December, 1934.

My rose is white, your rose is red;
Your mother lives, but mine is dead.
And looking on your red, red rose
Which you wear, ah, so happily,
I wish some lucky wind that blows
Would bring my mother back to me,
That I might take her hand again
And press it so tenderly.
I would dry the tears and ease the pain
That in her life she bore for me.
That chance is yours, not mine, tonight;
Your rose is red, but mine is white.
Your rose is red and mine is white,
And yet, when I kneel down tonight
To say my prayers as shadows creep,
"Now I lay me down to sleep."
The same sweet prayer I used to know,
And love in days of long ago.
My mother will come back to me.
My head will rest upon her knee,
Her hand will soothe my furrowed brow,
And I will know some way, somehow,
My mother lives, she is not dead,
And my white rose will turn to red.

HER DAUGHTER, HELEN

A BRIGHT, YOUNG TEAM ANXIOUS TO SERVE YOU

PEGGY AND DAVID HEREFORD

TO THE GOOD PEOPLE OF FLOYD COUNTY:

For the past five months Peggy and I have traveled throughout Floyd county and during that time we have had the privilege of talking to many of you and urging you to vote for me to serve as your County Court Clerk for the next four years. In all of this time, we have **stressed my personal desire to render true service** to all the citizens of this county in this most important office. At no time have I attempted to advance my candidacy by attacking my opponents, but have based my campaign solely on my qualifications and **desire to serve you.** However, the campaign for County Court Clerk has revealed facts which I feel should be brought to your attention.

This is the **first time** that I have sought public office, whereas **two of my opponents** are present officeholders representing the people of Floyd county **in other fields.** I have not in the past, nor would I in the future attempt to use the County Court Clerk's office, or any other public office, as a stepping stone to further my personal ambition. Nor would I promise the voters of this county that I would render unusual services or make special campaign promises which I know that I would be unable to perform when elected. **I do promise** that I will **fulfill the duties** delegated to the County Court Clerk by law, always keeping in mind that the **office does not belong to me,** but that **I hold it as a public trust for you,** the people of our beloved county.

I would like to take this opportunity, on behalf of Peggy and myself, to thank each of you for the many kindnesses you have shown us during the past months. We have been very encouraged by the warm reception given us in your homes and by the kind words of support and good wishes. The experience of being able to visit and talk to you in your homes, at your places of business, and along the highways and byways of this county has been most rewarding. Regardless of the outcome of the election, it has been a great privilege for me to have this opportunity of meeting and talking with you. In closing I once again solicit your support for my candidacy for the **nomination for County Court Clerk in the Democratic Primary on May 23rd,** and assure you that when elected, **Peggy and I will extend to you the same courtesy and kindness that you have given to us throughout this campaign.**

Sincerely,

DAVID R. HEREFORD

FOR THE FIRST TIME

WE, THE OWNERS & OPERATORS OF ARROWOOD HARDWARE CO., ENDORSE A CANDIDATE FOR PUBLIC OFFICE.

Ruth and Bill Arrowood take this means of asking and begging your support for her brother, ERNEST TURNER, for Clerk. This is the first time a company of our size and standing has made known to the public their support and backing of a candidate for public office. We do this with the one honest thought in mind—that Ernest Turner will make you and our county a STRAIGHT—HONEST—FRIENDLY—COURTEOUS CLERK. Your vote and support will certainly be appreciated by Ruth and Bill and the employees.

THE STORE MANAGEMENT, THEIR RELATIONS---THE STORE PERSONNEL and THEIR RELATIVES, SOLICIT YOUR SUPPORT FOR:

ERNEST TURNER

for COUNTY COURT CLERK

WHO IS ERNEST TURNER?

1. ERNEST TURNER is a business man and a resident of Drift, Ky.
2. ERNEST TURNER was born and raised in our own Floyd county.
3. ERNEST TURNER is a friend and neighbor to all people he has ever come in contact with.
4. ERNEST TURNER is a Mason, a member of Wheelwright Lodge No. 889.
5. ERNEST TURNER is a representative of the Woodmen of the World Insurance Society.
6. ERNEST TURNER is a man you can trust—a man you can talk to—a man you can depend upon.
7. ERNEST TURNER is a man of intelligence, character, integrity, and we challenge any of his opponents to prove otherwise.

ERNEST TURNER'S PLATFORM . . .

One that is just, for the benefit OF the people and FOR the people.

1. I will be your Clerk—I will not divide the office or have a substitute for me in the office.
2. I have no political ties or obligations to any person.
3. I am not informed if there are any overcharges that you are now paying; but, when elected, I will publish a list of these in The Floyd County Times, if there have been any.
4. I will establish branch offices throughout the county for your convenience. No standing in lines to get your license plates—extra help and branch offices will eliminate this matter.
5. I will accept only the legal salary I am entitled to and will do away with all the extras.
6. My office will be open for audit each year, if necessary, and this audit published in The Floyd County Times.
7. I will be the best caretaker of your deeds, records and other papers and will accept full responsibility for all such important documents that are entrusted to my care.
8. I will be just plain, old Ernest Turner—your Clerk, your servant, your friend and neighbor.
9. I have no political enemies and no wounds to heal, and I will use this office only for you and your benefit.

ERNEST TURNER IS QUALIFIED

1. ERNEST TURNER is a business man, courteous, friendly and the type of man we need to fill the shoes of a good County Clerk.
2. ERNEST TURNER is a graduate of Bowling Green Business University, Bowling Green, Ky.
3. ERNEST TURNER has spent the last seven years visiting your homes, advising you as a representative of the Woodmen of the World Insurance Society as to the best insurance plan suited for you and your family.
4. ERNEST TURNER is 55 years of age—old enough to know you and your family needs, and he will assist in giving to you free the information you would want from your County Clerk.
5. ERNEST TURNER is a family man, settled, tried and true to all friends and neighbors.
6. ERNEST TURNER has never been convicted of a felony and is respected as a friend and neighbor by all who know him.
7. ERNEST TURNER is just plain, ole Ernest—he always has been and always will be. The County Court Clerk's office will not change him.

ERNEST TURNER IS . . .

1. The son of W. J. "Big Bill" and Cicely Robinette Turner, of Drift, Ky.
2. The brother of Roe Turner, and Roe is married to Belle Hall Turner, of Drift, Ky.
3. The brother of Raymond Turner, and Raymond was married to the late Tannae Martin Turner, of Drift, Ky.
4. The brother of Madge Turner, of Drift, Ky.
5. The brother of Ruth Turner Arrowood, wife of William Arrowood, owners and operators of the William Arrowood Hardware, Prestonsburg, Ky.
6. The brother of Mallie Turner Denney, wife of Roy R. Denney, Agriculture teacher at Maytown high school.
7. The brother of Dorothy Turner Martin, wife of Bill Martin, of Martin, Ky.
8. Ernest Turner is related to the Martins, Allens, Dinguses, Halberts, Salisburys, Huffs, Halls, Robinettes, Lawsons, Moores, and many other good families who will be mentioned in another issue.

ERNEST TURNER AND HIS FAMILY

Telephone Talk

By
BYRON SIMPSON
Your Telephone Manager

SUNDAY is Mother's Day and I'd like to suggest a wonderful way to surprise her. Give her a pretty new Princess phone for her bedroom, a gift that'll delight her every day in the year. The Princess is little and it's lovely. It even has a dial that glows and lights up brightly when she dials at night. You may choose her Princess from five soft colors—blue, turquoise, pink, white or beige. Better call us today and order this ideal gift.

DAISIES WON'T TELL,

but a Long Distance call will set your mind at ease. It tells you what you want to know right away. So if you're wondering about someone or something, why not reach for your phone ... and rates are lower when you call station-to-station, with special values after 6 P.M. and on Sundays.

SECONDS FOR SURVIVAL—I've often mentioned the Bell System's role in our nation's defense. Well, a mighty interesting new sound-and-color film, "Seconds for Survival," is available for showings. Narrated by Raymond Massey, it describes our nation's continental defense system and shows how flexible, reliable communications provided by telephone companies make it all possible. To arrange a free showing of this or one of many other films, just call our business office.

YOUR NATIONAL GUARD strengthens America. It has a unique mission ... and a vital one. It is on call for the disasters of peacetime as well as for the supreme demands of battle. A good "way-of-life" insurance is to support your National Guard.

NATHAN PAYNTER DESCENDANTS

A letter from Mrs. Valera Goesling, Box 733, St. Johns, Ariz., seeks information on descendants of Nathan Paynter and Martha Ann Payne Paynter.

She writes:

"Would anyone who knows of the descendants of Nathan Paynter and Martha Ann Payne Paynter write? These were the parents of my grandmother, Sarah Lee Paynter Garrett (1834-1933). She had sisters, Rosa and Laura, and brother Ratford but I do not know of the town in Kentucky in which they lived.

"Also who can tell me how the town of Garrett, Ky., got its name."

Interesting questions, Mrs. Goesling. Who can tell us how Garrett got its name?

THOMAS C. BROWN

A letter from Mrs. E. B. Ramey, 2100 St. James Ave., Cincinnati 6, Ohio, is relative to Thomas C. Brown, progenitor of some many bearing that name in Eastern Kentucky.

She wirtes:

"I have just found that Thomas C. Brown and wife buried at Auxier, Ky., that the graves were not covered by water when Dewey Lake was impounded. The markers should show his first wife's name and date of birth and death. Is there anyway I can get this information?

"I don't know where the cemetery is and as it is probably on the top of some hill I could not get to it because of a heart condition. Do you have any suggestions as to how I can get this information and have it sworn to?"

Is there anyone who can help Mrs. Ramey?

SCALF FAMILY

A letter gives information on a branch of the Scalf family heretofore unknown to the Scalfs of Eastern Kentucky. It is from Mrs. Delia Rae Marvin, 2509 Kulshan St., Bellingham, Washington.

She lists her great-great-grandfather as John Scalf, born 1815, in Harrisburg, Penn., married Ann Eliza Tate in 1856 and died in 1872. My correspondent's great-grandfather was James Allen Scalf, born April 5, 1861, at Lucerne, Missouri, married Sarah J. Scott, in 1885. He died September 14, 1949.

Her grandfather was Charles Vestal Scalf, born August 2, 1895, Lucerne, Missouri, married Mary E. Gleason, August 16, 1816. Mrs. Marvin's mother was Mary Opal Scalf, born August 25, 1919, Lucerne, Missouri, married Floyd E. Rupe, March 9, 1935.

She continues:

"Children of John Scalf were Wess and Frank Scalf, by his first marriage. His wife died and her name is unknown to us. He remarried my great-great-grandmother and had five children: James Allen Scalf, my great-grandfather and four sisters, Sally, Elizabeth, Arminda and Evalyne. Frank was killed in the Civil War. His brother Wess raised a family of two children.

"John Scalf did have one brother that we heard about. His name was Louis.

"I have a pedigree of a Jerry Scalf who lives here in Washington. This could be one of your relatives. (He is). His address is 10424 Canyon Road, Tacoma, Washington. Jeremiah Scalf, born 1825, Pike county, Ky. Amos Scalf (son), born 1862, Pike county, Ky.; married Sarah Jane Musick, 1878; died in 1911. (Amos was nicknamed Witch, lived on Buffalo Creek, Pike county, migrated west about half a century ago.)

"That's all I have on Jerry Scalf's pedigree. While we were living in Tacoma he came over to visit us once and to my regret we were not at home. He left this information with the lady we rented from, who lived next door."

McCOY AND FRALEY

Our friend, R. B. Maynard, of Thomas, Ky., has kindly contributed information on the McCoy and Fraley families:

It follows:

"The following is from a little book written by Malinda M. McCoy Fraley for her children and in possession of Harvey Lowe, a grandson; also from information by R. E. Blackburn and Mrs. Mucie Lowe:

"Malinda M. Fraley, wife of William H. Fraley, was a daughter of William and Sarah McCoy. Sarah McCoy was a daughter of Samuel and Pernina James. Pernina James was a daughter of John and Hannah Dean. Hannah Dean was a Marshal, kin to General Marshal in the War. of '61.

"The following information was given by Mrs. Mucie Lowe and R. E. Blackburn:

"William H. Fraley, son of John, married Malinda M. McCoy; their children were: Sarah, Sonny, Louis, Millie and Sis.

"Sarah Fraley, daughter of William H., married David Jude; their children were: William, Louis and Morning.

"Sonny Fraley, son of William H., married Sarah Priest; their children were: Ida, Lincoln, Blaine, Langley, John Henry, and Phil.

"Louis Fraley, son of William H., married Nancy Lowe, daughter of Fountain Lowe; their children were Louis, Lawyer and Annie.

"Millie Fraley, daughter of William H., married Charlie Lowe, son of Fountain Lowe; their children were Harvey, Dianah and Ina.

"Sis Fraley, daughter of William H., married William Shortridge; their children were Millie and Oscar."

HAMMOND FAMILY

A letter from Mrs. George C. Landreith, 4 Olmi-Landreith Drive, Alexandria, Virginia, recalls an acquaintenance made several years ago.

"A few years ago I visited with you in your newspaper office and you were so kind as to devote one of your columns to a study of the Hammnd family. You also sent me as reference — a Mrs. Georgia Franklin Taylor. I have written her several times for information concerning the Franklins but have received no answer.

"My ancestor, Jilson Hammon, married Mary (Polly) Franklin. His sister, Eliza Hammon, married Martin Franklin (ancestor of Mrs. Taylor). Both were children of John and Millicent Franklin, who I know from the early records were around Floyd county in 1805. They were both born in Virginia. I was hoping Mrs. Taylor could tell me where the Franklins came from in Virginia.

"I know that at the time of the 1860 Census, Milly Franklin was living with Jilson Hammon and her daughter, Mary. John had died; at least he had disappeared from the census.

"Can you tell me if Mrs. Taylor is still residing at West Liberty, Kentucky, or if not where I can reach her?"

Farm Home Owners May Apply for Assistance On Remodeling Costs

Farmers Home Administration county supervisor Gene Grider said this week that owners of farms who need to replace or repair houses and other essential farm service buildings are showing a great deal of interest in the agency's farm housing loan program.

These loans are available to qualified owners of all sizes of farms, provided the farm will produce at least $400 worth of commodities for sale or home use each year, based on 1944 prices. Additional loan funds have recently been made available for this type of credit. Eligible farm owners are using these loans for such purposes as central heating systems, kitchen remodeling, home water systems. added bathrooms, modern facilities, including farm service buildings and other installations needed to meet modern demands on profitable farms.

These farm housing loans are made at 4 per cent interest, with up to 33 years to repay.

The Farmers Home Administration office is located in the Hager building, Paintsville.

Army Prefers Graduates Of High Schools, Said; Craft Is Vet Recruiter

Not too long ago, there was a young man who had an eye on the future. He wanted a good job, but he couldn't afford to go to college. So, he signed up with one of the biggest U. S. organizations and received a year of specialized electronic schooling—and got paid while attending. Then he went on the job, using the latest equipment and techniques.

After two years he decided to change jobs. An aircraft company had been following his career and ofered him a $200 a week job. They also paid for his family's transportation west, found him a home and paid the first month's rent. Now, the future looks bright.

This case isn't unusual. It's happening all the time to young men who join the U. S. Army, Sgt. Craft, Army recruiter here, reports.

GUARANTEED IN WRITING

There are over one hundred and fifty different technical schools and career fields ranging from Electronics Guidance Systems and Nuclear Weapons Guided Missile Mechanics to Radio and TV announcing and Construction Equipment operation. The multitudes of career opportunities and allied civilian occupations are far too numerous to mention. But Sgt. Craft at postoffice building Prestonsburg has all of the information on every school the Army has to offer. And here's the clincher—Sgt. Craft can give you a written guarantee BEFORE you enlist that you will receive the school training you choose.

"We do everything we can to get the youngsters to stay in school until they graduate" Craft said. "The Army would much prefer a high school graduate to a student who quit school. This does not mean however, that we completely overlook the non-high school graduate. If he can qualify for the school he wants, he can get the same written guarantee as the high school grad. And he can also finish his high school education while he's in the service."

Sgt. Craft, a veteran of 20½ years in the Army, has spent most of his time in police work. When he was offered the chance to become a recruiter, he didn't hesitate.

"I'm very happy with the job," he said. "I was even surprised at all the opportunities being offered to young men today. Selling the U. S. Army is no trouble at all. I believe in my product. That's what makes it so easy."

To the Voters of Floyd County

May I come into your home by way of The Floyd County Times? I am asking you to support me in this race for jailer.

1. I promise the people to keep the courthouse and jail as clean as possible.

2. If any of your loved ones get in jail and need a doctor, I will see that the doctor is called.

3. I will see that the prisoners will get sufficient food while they are in my care.

4. If any one wants to call their home they shall have the opportunity to do so.

5. I will not abuse those who might be confined in the jail, but will treat them as I would want my boys to be treated.

6. I promise to continue in this race until nominated or defeated.

C. C. Scalf celebrated his 84th birthday, April 22. On April 21, Mr. and Mrs. Scalf had been married 27 years. A dinner was given Sunday, April 23, to celebrate both events. Those present were: Emily Adams and family, Columbus, Ohio; Woodrow Scalf and family, Jackson, O.; Everett Scalf and family, Kopperston, W. Va.; Mrs. Lula Young, Hatfield, Ky.; Charles Callison, Allen; Mrs. Maude Snodgrass, Allen.

A son was born at the Methodist hospital, Pikeville, April 22 to Mr. and Mrs. Sammie Adkins.

Mr. and Mrs. Jimmie Smith and son, of Amherstdale, W. Va., visited Mrs. Smith's mother, Laura Smith, here last week-end.

Pvt. Randell L. Jones is stationed with the X-ray department, William Beaumont General hospital, El Paso, Texas.

The Betsy Layne majorettes ranked second in baton twirling at Pikeville last week. These were Beth Jones, Ruth Epling and Cherrie Blackburn. The Betsy Layne band and chorus also won honors.

FAIR ENTHUSIAST GOES 20 YEARS SANS SHOES

Ben Wilson, 77, retired horse breeder and farmer, shown standing barefooted in the February snow at Lawrenceburg. Shoes and a hat are not necessary to good health, he says.

BY HENRY P. SCALF

Ben Wilson, 77-year-old Anderson county, Ky., retired farmer and show horse breeder, kicked his shoes off and threw his hat away 20 years ago. Since that time he has gone barefooted and bareheaded, winter and summer, come snow, or rain. He hasn't been ill since 1913 when he had a cold in Kalisfell, Mont.

Wilson, familiar figure at the Kentucky State Fair for years and the object of starled stares from many Floyd countians exhibiting at the exposition, says shoes and hats are an expense and inconvenience. He doesn't believe exposure to rain and snow will give a man a cold.

He has always had an interest in fairs and attended his first in 1889 at Lawrenceburg. Since then he has attended every one possible in Central Kentucky. He has been a regular at the Louisville fairs for 30 years.

Except for nine years, 1907-1916, he was working on construction and irrigation jobs in Canada and Western United States he has lived in Anderson county. While working outside Kentucky he had the only illnesses with which he ever suffered—the cold in Montana and a spell of tonsillitis five years before that.

The wee small hours of the morning don't bother Wilson, either Going to bed at 4 p.m., he arises at 3:30 a.m., waits for the dawn, trudges (barefooted and bareheaded, of course) the two miles to Lawrenceburg for morning newspapers. He reads at some convenient spot, waits for the mail and then hitches a ride back home.

Never married, Wilson lives with his memories of great and little fairs, reads the newspapers to keep abreast of events and does a bit of visiting with relatives around Anderson, Shelby and Woodford counties.

Walking is a healthy exercise and exposure won't hurt you, he says.

SLONE PARTICIPATES

Fort Knox, Ky., (AHTNC)—Army Pvt. Paul D. Slone, whose wife, Launa, lives in Prestonsburg, Kentucky, is attending the eight-week food service course under the Reserve Forces Act program at The Armor School, Fort Knox, Kentucky. The course is scheduled to end June 22.

Slone is receiving training in cooking, baking, meat cutting and operating a field kitchen.

The 21-year-old soldier, son of Mr. and Mrs. Tommy Slone, 31 N. Lake Drive, attended Prestonsburg high school.

The United States and 27 other countries exhibited. The Soviet Union did not participate.

To Voters of Magisterial District No. 2:

I am the daughter of A. J. (Andy) Conley and am a very sick girl with a serious heart disease.

My father mortgaged our home to pay for my heart operation. I have no mother to care for me. My father has no job or income and I am pleading with you voters to elect him Justice of the Peace, that he may save our home and be able to pay for a future operation that I may need.

DEROSSETT PARTICIPATES

Fort Hood, Texas (AHTNC) — Army Pfc. Lowell D. Derossett, 19, son of Mr. and Mrs. Henry T. Derossett, Lancer, Kentucky, participated in Exercise Thunder Bolt, a nine-day joint Army-Air Force training exercise at Fort Hood, Texas, which ended April 27.

Participating units were rated on their capability to operate over wide frontages as independent forces under simulated nuclear and limited warfare conditions. The exercise was designed to test the effectiveness of the ground and air forces involved and culminated a year's training.

Derossett is a tank driver in Company D of the 1st Armored Division's 1st Cavalry at Fort Hood.

The former Prestonsburg high school student entered the Army in November, 1959, and completed basic training at Fort Knox.

And God said, Let the earth bring forth grass, the herb-yielding seed . . . . . .

The land we live on is covered by six inches of rich top soil. Without it, all life would cease—Nature's bountiful gifts of water, woodland and farmland become wasteland!

Fire, flood, drought and improper planting can all lead to soil erosion. It is up to each of us to protect against these hazards. Follow the rules of fire safety; aid in flood and water control programs; and if you farm, be sure to follow scientific soil-preservation programs.

WHEELER LEWIS'S FRIENDS SAY . . .

IT CAN BE DONE!

It is said by many that it takes a lot of money, plenty of political maneuvering and a combination of factional interests to win the office of Sheriff in Floyd county. It is said that a man cannot be elected wholly on his merits as an honest man.

We, the friends of Joe Wheeler Lewis, don't believe it. We believe the good people are in the majority and that these very people are grateful to Lewis for the honest, impartial, unafraid job he has done as a deputy sheriff the last several years.

WE SUBMIT TO YOU THE FOLLOWING:

1. Joe Wheeler Lewis has never been the "bought" man of anyone. Nobody owns him; he has served only the people.
2. Lewis has seized more whiskey from bootleggers in this county than any other officer in history.
3. Lewis has searched and arrested everybody for whom he had warrants without regard to whether they were friends or relatives. The court records will bear this out.
4. Only through the cooperation of Lewis has it been possible for law-abiding citizens to travel the roads in isolated districts. But for him the drunks would have run the good people away. Go out on the creeks and ask the law-abiding citizens.
5. Lewis is a poor man with a large family, with several children in high school and college. He is struggling to educate them the Honest way.
6. Lewis pledges that no poor man will fail to have legal papers executed because he has no money.
7. Lewis pledges to put a deputy in charge of each Magisterial District who will be available at all times for the public's protection.

WE BELIEVE:

Joe Wheeler Lewis will tolerate no corruption in office, that he will employ honest and unafraid deputies and that he will give Floyd County the best administration the sheriff's office has had in a long time.

If you know a man is honest and that he will give you an efficient administration of the office, then for whom should you vote?

THERE IS ONLY ONE ANSWER:

JOE WHEELER LEWIS FOR SHERIFF

DEMOCRATIC PRIMARY, MAY 23, 1961.

FOR COUNTY CLERK

DAVID R. HEREFORD

The County Court Clerk's office is YOUR most important office because of the many responsibilities delegated to it. Your clerk should possess the qualifications necessary to discharge these responsibilities. He should be honest, efficient, vigorous and accomodating. DAVID HEREFORD stands on these principals and is dedicated to serve you. In considering his candidacy what questions should you ask?

WHO IS DAVID HEREFORD?

He is the son of Thomas Hereford, Jr., and Inez May Richmond Hereford, of Prestonsburg. He is married to the former Peggy Lee Parker, daughter of Willie B. Parker and Kathleen Adkins Parker, now of Prestonsburg. He is 27 years of age.

WHAT ARE HIS QUALIFICATIONS?

He was born and raised in Floyd county, attended the graded schools and was graduated from Prestonsburg high school in 1951. He completed four years of college work at EASTERN KENTUCKY STATE COLLEGE and MOREHEAD STATE COLLEGE. In college he majored in business administration and accounting. Since college he has gained valuable business experience by working in his father's store, The Thomas Hereford Company.

WHAT ARE HIS DUTIES AS YOUR CLERK?

1. He is the custodian of the following records which are **your most valuable possessions.**

(a) Deed Books.
(b) Veterans Discharge Papers.
(c) Marriage Records.
(d) Motor Vehicle Registrations.
(e) Wills and papers relative to administration of estates.

2. He is Clerk of Juvenile Court.
3. He keeps the County Court Docket.
4. Clerk of the Fiscal Court.
5. He is entrusted with computing the amount of each taxpayer's taxes and keeping a permanent record of all taxes.
6. He is charged with maintaining the official records of elections.

WHAT DO YOU HAVE A RIGHT TO EXPECT?

These duties cannot be lightly regarded. Your Clerk is entrusted with everything you own. He CANNOT BE A "PART TIME PUBLIC OFFICER" with outside interests more important than his official duties.

DAVID HEREFORD PLEDGES THAT HE WILL PUT YOU FIRST; THAT HE WILL BE PERSONALLY PRESENT IN THE CLERK'S OFFICE AT ALL TIMES TO SERVE YOU.

YOU CAN ASK NO MORE—YOU SHOULD EXPECT NO LESS!

VOTE for DAVID HEREFORD

Homer Spurlock, Jr., (left) former Prestonsburg resident, receives the congratulations of Col. George E. Harrington, deputy commander of the Dayton (O.) Air Force Depot, on his recent promotion in grade as a supervisory management analyst.

Homer B. Spurlock, Jr., Prestonsburg high school graduate and a civil service employee at the Dayton, Ohio, Air Force depot, was recently given a promotion in grade. He is a veteran of the U. S. Air Force. The announcement was made by Brig.-Gen. William W. Veal, depot commander.

Spurlock, husband of the former Miss Eula Crisp, of Allen, began service with the Wright-Patterson Air Force base, at Dayton, June, 1951. He transferred to his present location in July, 1955.

A native of Huntington, West Virginia, he was graduated from Marshall University, Huntington, with a major in physical education in 1950. He is active in P.-T.A. and school affairs at Greenon, O. He and his wife and two children reside at Springfield, Ohio.

A Resolution by the City Council of the City of Prestonsburg, Kentucky, Requesting Federal Aid Under the Depressed Areas Bill and Other Agencies of the Federal Government.

RESOLUTION

WHEREAS, The United States Congress is enacting a $394,000,000, Depressed-Areas Aid Bill and it is in the process of now being enacted.

WHEREAS, the urgency of immediate action to alleviate the long suffering and the need for economic aid of our citizens in Eastern Kentucky, and in particular the unemployed and those in need of aid in our county of Floyd and our neighbors and friends in our City of Prestonsburg, and,

WHEREAS, the economic distress, the decline of employment, the lack of a growing and healthy prosperity to supply the needs for our progressive townsmen and to develop new ventures in a general depressive environment and minor outside assistance, and,

WHEREAS, We are thankful for the efforts made by city, county, state, and other officials, our leading organizations and persons who tried to aid and assist us in the years gone by and,

WHEREAS, The City Council, City of Prestonsburg, Kentucky, finds it mandatory to act now, to take advantage of such aid to be furnished for the depressed areas to be enacted into law by the Congress of the United States. We therefore request that we be placed first on the list as recipients for such Federal Aid.

NOW BE IT THEREFORE RESOLVED BY THE CITY COUNCIL, CITY OF PRESTONSBURG, KENTUCKY, AS FOLLOWS:

(1) That the proposals heretofore advanced for the construction of an adequate sewage system for the City of Prestonsburg, Kentucky, be reproposed for financing through and by financial aid of the Federal Government for cities in the distressed areas, as it is understood that provisions will be made to defray cost without financing or any extra burden upon the taxpayer or municipality. Since it has presently been established that the need for an adequate sewage system is a menace to the health and welfare of our citizens and community. Therefore, we request immediate action from the Federal Government to grant the City of Prestonsburg, Kentucky, such financial aid for the construction of said sewage system. The Federal aid if granted in the form of a public works program will give employment, thereby strengthening our economy and at the same time safe guarding the health and welfare of our citizens. Preliminary engineering plans have been completed and we are presently awaiting the final plans for the construction of our sewage system, however due to the decline of the coal industry over a period of fourteen years, other local industry, and the present indebtedness for a safe water system, we the City Council, City of Prestonsburg, Kentucky, realize that our citizens cannot bear any additional financial burdens.

(2) The City Council, City of Prestonsburg, Kentucky, invite the Federal Authorities to come directly to our city, to make it a pilot example for implementing the Acts and to establish headquarters here for the Eastern Kentucky, Depressed Areas with Offices, Warehouses, and Transportation Facilities to be located here and,

(3) Under the Federal Acts grant funds to build plants designed to create new jobs in the industrial and rural distressed areas, and to build public facilities such as water systems, needed and adequate to attract the plants, and other necessary installations such as fire protection and defense projects.

These funds would inaugurate such public works programs financed by the Federal Acts and to start such projects as the construction of a sewage system, street and bridge improvements, storm sewer construction and drainage system, public library, recreation facilities, extending and refinancing water system, and the installation of incinerator facilities, etc.

(4) A committee composed of the following: George Glenn Hatcher, former Secretary of State, Commonwealth of Kentucky, Samuel W. Hale, former Representative, Commonwealth of Kentucky, H. B. Ranier, Contractor, Harris S. Howard, Attorney, Alex H. Spradlin, Attorney, Dave Stephens, Radio Station owner, Henry P. Scalf, Historian and Newspaper Editor, are hereby designated, appointed, and charged to represent, recommend, plan and expedite and take any action necessary to cooperate with Federal Authorities to achieve all benefits possible under the Depressed Areas Acts and or any other Federal Acts for the welfare of our community and people. The above named committee is further empowered to name subcommittee as needed.

This committee shall from time to time report its findings and progress to the City Council, and the City Clerk is hereby designated as Corresponding Secretary of said Committee.

(5) The City Council, City of Prestonsburg, Kentucky, pledges its full cooperation to any action that will help the Federal Government implement the Federal Distressed Areas Acts and we instruct the City Clerk to forward copies of this Resolution to the Honorable ohn F. Kennedy, President of the United States, Hon. John S. Cooper, United States Senator, Thruston B. Morton, United States Senator, and Carl D. Perkins, Representative in Congress, also the Clerk is instructed to have a copy The Floyd County Times.

In order to expedite immediate action on this Resolution, a majorits of the City Council acting as a special committee in deference to a delayed meeting have hereunto affixed their signatures.

ADKINS PROMOTED

U. S. Forces, Germany (AHTNC)—Franklin D. Adkins, son of Mr. and Mrs. Sammie Adkins, Justell, Kentucky, recently was promoted to private first class in Germany where he is a member of the 46th Infantry.

A rifleman in the infantry's Company A, Adkins entered the Army in June, 1960, completed basic training at Fort Knox, Kentucky, and arirved overseas last November.

The 19-year-old soldier attended Mullins high school.

Tokyo, May 7—An estimated $60,000,000 worth of business was transacted during the three-week Tokyo International Trade Fair that closed Sunday, fair sponsors reported.

Fair officials said more than 2,300,000 persons visited the big, well-stocked fair. There were 200,000 business inquiries.

To the Voters of Magisterial Dist. No. 2:

Now is the time to get ready for the next four years. Choose who will serve you as your next Justice of the Peace. This office is very important. It means a lot to the taxpayers as well as other things the fiscal court has jurisdiction over.

I will say this to the voters that I am qualified for the job and will make you the best officer you have ever had. Elect me because I have no job and need this office, and I have no income.

I think it is the duty of every good, moral citizen to get behind me and elect me on the account of my seriousness. I cannot help sickness in the family. My opponents don't need this job and I do. They have good jobs and are able to work.

I will appreciate your vote and influence.

WHY VETERANS SUPPORT ROBERT WELLMAN for COUNTY ATTORNEY

1. He is an overseas veteran of World War II.

2. Every male member of his family is a veteran with voluntary military service in time of war—World War I; World War II; and the Korean Conflict.

3. Wounds suffered by Wellman overseas required his return to the United States by emergency flight, and required extensive treatment. One result of this was a facial paralysis which interrupted his law school training shortly after his discharge and required many weeks of treatment in a veterans hospital.

4. Wellman has, without charge, aided hundreds of veterans and their dependents in filing bonus applications and claims.

TO THE VOTERS OF THE 97th LEGISLATIVE DISTRICT

Ella Stewart Chullun was by my home last week campaigning for State Representative for our district.

To have such a charming and intelligent woman running for public office puts a refreshing new look to the politics of Floyd county.

Mrs. Chullun's 10 years prior experience as an employee of the federal government fully qualifies her as the sort of business-like person we need to help make our laws. Living at Melvin as she does, more or less in the center of the District, I am sure she knows and will understand our problems.

I, for one, will support her and urge all my friends to do likewise.

Sincerely yours,

KY. EDITORS RECEIVE BIDS

Governor and Newsmen To Swap Ideas, Friday At Frankfort Seminar

Gov. Bert Combs last week invited the editors of The Floyd County Times and other Kentucky newspapers to swap ideas with him and other state government officials in a press-government seminar at Frankfort, May 12.

The seminar will bring the editors together with Combs, Lieut. Gov. Wilson Wyatt and members of the Governor's Cabinet in the House of Representatives Chamber at 1:30 p.m. (E.S.T.)

The working session will be followed by a buffet supper at the Governor's residence at 7 p.m. Wives of the editors are also invited to both affairs.

Governor Combs, in his invitation to the state's approximately 170 dailies and weeklies, said, "It's always helpful, I think, to swap ideas, especially for those folks with kindred interests. And certainly you of the newspaper profession and we in state government have a lot in common in our interest in Kentucky and its progress."

Combs expressed belief that the Seminar could serve two good purposes:

"1. You are invited to ask me, Lieutenant Governor Wyatt and the members of my Cabinet questions about the operation of State Government, especially its relationship to your community.

"2. We want to get your ideas of what the state government can do, or do better, to benefit our Commonwealth."

A similar seminar is planned later for executives of the state's radio and TV stations, the Governor said.

Special guided tours of the Capitol, government offices and historic sites of Frankfort are being arranged for those editors and their wives who arrive early, May 12.

CARD OF THANKS

We wish to take this means of expressing our appreciation to every one who in any way assisted us upon the passing of our beloved son and brother, George Slone, Jr. We are grateful to the many friends and relatives who sent food and flowers, to the ministers, L. P. Tussey, Forrester Prater, Clayton Wills and Howard Church, for their consoling words, and the Carter & Callihan Funeral Home for its thoughtful and efficient service.

WATER-SAFETY INSPECTORS TO CHECK BOAT EQUIPMENT

State water-safety inspectors will look especially for a paddle and anchor with suitable line in boats checked this season, according to Director Scott Barbour of the Boating Division.

Had these items not been lacking on some craft in accidents last year, lives might have been saved, Barbour said.

Inspectors of the Division, which is in the Departments of Public Safety, also will give special attention to whether life preservers approved by the U. S. Coast Guard are serviceable and available to all aboard.

The inspectors also will check registration and identification of boats. Under Kentucky's boating law, craft owned or principally used in Kentucky must be registered with the Division and must display on both sides of the bow in block letters three inches high, in a color contrasting with the hull, the identification number assigned by the state.

Boats with enclosures or a deck at the bow which is 30 inches or longer must carry a fire extinguisher, either foam, dry chemical or carbon dioxide. Boats operating after sunset must have running lights on.

These are the principal requirements for boats under 26 feet, Barbour said. Larger craft will meet state requirements if they comply with U. S. Coast Guard regulations.

Inspectors will enforce the law with people operating boats in a negligent manner, Barbour said.

This includes operating near swimming areas, fishing boats or boats at anchor, in a manner to create a wake in harbor or moorage area, at dangerous speeds and with boat overloaded. Skiing in congested areas, near swimmers or moored boats or closer than 2,000 feet from a dam will also bring arrest, Barbour said.

LESLIE IS ELECTED CHAPTER TREASURER

Edward Darryl Leslie, son of Dr. and Mrs. Edward B. Leslie, Prestonsburg, has been selected treasurer of Alpha Theta chapter of Kappa Alpha Order at Transylvania College, Lexington.

Mr. Leslie, a sophomore, is majoring in pre-med.

The first circular racetrack in the West, and probably in the U. S. was constructed at the Col. William Whitley home between Stanford and Crab Orchard in the 1790's.

Don't get rattled. Get a Dodge. Rugged. Welded rather than bolted together to ignore rough roads and toughest service.

It's farther between gas stops on today's superhighways. It's farther in a Dodge, too. Reason? Economical Dodge engines. Two Sixes for Lancer. A Six and five V8s for Dart.

That's what Torsion-Aire was made for. It takes a firm stand against roll, sway, squat. The ride is something you should try.

Why does Dodge offer a three-speed automatic for both cars? To give that added punch for passing right when you need it.

Don't run down your battery every time your engine idles. Get a Dodge. You'll get an alternator instead of a generator. And an alternator charges your battery even at idle.

Give low upkeep the high sign at your Dodge dealer's. He's got a deal on the full-sized Dart or compact Lancer you can't beat.

MARTIN, KENTUCKY

FRANK "Cowboy" CRUM Is Highly Qualified for SHERIFF!

1. He has 14 years experience as a peace officer. He served as deputy sheriff 6 years, Martin City Policeman 1 year and as Allen City Policeman nearly eight years.
2. He is a veteran of World War II.
3. He is a family man with three children in school.
4. He will put his deputies in uniform and in marked cars. Deputies will be chosen who are honest, courteous and efficient.
5. He has always been interested in the safety of schoolchildren. He organized School Safety Patrols at Martin and Allen for the protection of our children.
6. He has always exercised the powers of a peace officer with restraint and has made arrests without using firearms or brute force.
7. He has always served court papers whether the complainant had the money or not.
8. He is not the candidate of any ring or group and when elected no one will own him. He will not be dictated to by anyone.
9. He is a poor man and his record is proof that he is not in league with lawbreakers.
10. Frank Crum is honest, sober, courteous and capable. If elected he will continue to serve the people in the same efficient manner he has for the last 14 years.
11. He will keep the office open 24 hours each day. The Sheriff or his deputies will be available for the public's protection at all hours of the day or night.

We, the friends and supporters of Frank Crum, are convinced that he will make Floyd County the best Sheriff it has had in many years. We have been acquainted with his record for years and have complete confidence that he will administer the office to the good credit of the county.

Frank Crum pledges a completely new group of officers in the office, men with no political axes to grind or political debts to pay. He is not a man who seeks publicity but seeks only to do a good job.

A VOTE FOR FRANK CRUM IS A VOTE FOR YOURSELF AND A BETTER FLOYD COUNTY!

CARPENTER WITHDRAWS

To All Concerned:

I am withdrawing rom the Magistrate's race in District Number 4 in favor of Fred Conn. Due to my present job, I am unable to make a successful campaign, and after carefully studying Fred Conn's record he stands for the same principles as I stand, and therefore I ask all my friends to support Fred Conn for Magistrate in District Number 4.

FLORAL CLOCK IS DEDICATED

Garden Club Sponsors Controversial Project On Grounds of Capitol

Frankfort, Ky., May 5 (Spl.) — Kentucky's giant floral clock, the only design of its kind in the world, was dedicated here Thursday.

The spectacular clock, which Gov. Bert Combs has referred to as a "symbol of the new Kentucky," was constructed in 30 days. It consists of a cylindrical clock house 15 feet in diameter supporting a saucer-like planter which is 34 feet in diameter and on a slope of 26 degrees.

The unique design, which gives the clock the illusion from the front of floating without support, is the distinctive characteristic of the clock. Other floral clocks comparable in size are built on slopes of earth.

The Garden Club of Kentucky, Inc., which sponsored the $50,000 project, held dedication ceremonies Thursday afternoon at the site of the clock on the west lawn of the Capitol Annex. Mrs. Richard Gott, president of the club, presided during the program.

She introduced Governor Combs who spoke briefly to the large turnout.

Others participating in the program were Frankfort Mayor Paul Judd, Chamber of Commerce President V. O. Barnard, Mrs. Charles D. Highland, of Mt. Sterling, a past president of the Garden Club of Kentucky, and Mrs. Frederick Wallis, of Paris, a past president of the National Council of State Garden Clubs.

The huge planter rises from the water level of a reflecting pool which is 56 feet in diameter, to a height of about 20 feet. Exposed surfaces of the planter are covered with Kentucky River pebbles and the walls of the clock house and reflecting pool are built of Kentucky field stone.

The pool is equipped with underwater lights to provide nighttime lighting while a spotlight from the Capitol Building will illuminate the clock face at night. The pool will also be planted with aquatic plants.

The planter alone weighs 100 tons. It is planted with 13,000 foliage plants of four colors — yellow, brownish-red, brilliant red and bluish-gray. Two basic types of non-blooming plants, alternanthera and santolina, decorate the clock face.

White quartz letters spelling KENTUCKY and four stars represent numerals. Two aluminum hands, which weigh 530 and 420 pounds and are colored Kentucky blue, reach across the clock face. They are delicately balanced on the centerpiece, a white quartz map of Kentucky.

The clock mechanism is electric and was specially made for the project by the Simplex Time Recorder Company of Gardner, Mass. Its operation is controlled by a master clock and is self-correcting at each hour. In the event the power fails, a mechanical feature takes over operation until power is restored.

W. C. Livingston, of Oberwarth & Livingston Architects, of Frankfort, designed the clock and supervised its construction. Harry O. Wyse, of Lexington, was the contractor.

Ray Silver, special engineering supervisor of the Simplex Co., was on hand to supervise installation of the clock mechanism.

Carson To Be Speaker At Engineers' Meeting

Thomas C. Carson, Jr., Lexington, Ky., president of the Silica Corporation of America, will be the speaker at the regular monthly meeting here next Wednesday evening of the Big Sandy Chapter, Kentucky Society of Professional Engineers. The dinner meeting will begin at 6:30 p.m., at the Wise Restaurant.

DAVID

MARSHALL IS SPEAKER

The David Woman's Club met May 5, at the home of Mrs. Lilla Mae Price.

It was announced that Mrs. Ora Howard and Mrs. Price would represent the club at the state convention which will begin in Louisville, May 9.

Mrs. Ray Spears announced that the club's press book had been completed and was ready for sending to the state convention. The members agreed to get a cancer check-up sometime during 1961 and the club will make up a group report on the results of this program.

Mrs. Bill Mullins, program chairman, introduced Roger Marshall, of Ashland, who spoke on "Moral and Spiritual Values." Mr. Marshall is the son of Mr. and Mrs. Oliver Marshall, of David.

Following the program, a dessert was served by Mrs. Price and the co-hostesses, Mrs. James Cavens and Mrs. Frank Music.

BARKLEY J. STURGILL

for

COUNTY ATTORNEY

The office of County Attorney is very important to the people of Floyd county. The County Attorney is necessarily responsible to discharge the following dutees:

FISCAL AFFAIRS: The County Attorney must at all times keep a watchful eye on the Fiscal Affairs of this county. People who deal with the county should be paid. It is most important to keep Floyd county solvent. I am convinced that we should keep our house in order and when people do business with the county they should not be afraid of getting their money.

ROADS: The County Attorney is responsible for getting right-of-way and deeds for roads that are built. He must keep right-of-way abreast of all road planning, so our roads can be built on schedule and not be held up because of failure of the County Attorney to get the proper right-of-way. Floyd county will experience in the near future a great expanded rural road program. We must not sit by and miss our chance. I promise that I will deal fairly and equitably with the people for any right-of-way needed for our roads in Floyd county. I will work hard to keep roads built and going in Floyd county.

LAW ENFORCEMENT: The County Attorney is responsible for adequate law enforcement and the prosecution of all criminal cases that come before the County Court. This requires constant "on the job" effort and hard work by the County Attorney. Juvenile problems are ever increasing in Floyd county. To properly meet this problem requires a young, qualified person who can deal firmly and understandingly with our young people. I pledge to work hard to see that proper law enforcement and adequate prosecution of crimes will once again be a reality in Floyd county.

SERVICE: The County Attorney should be friendly and willing to accommodate people. If you have a problem you should feel free to come to the County Attorney and talk it over. I promise that I will know you and be friendly and courteous when you come to the office when I am elected County Attorney. I will be on the job and it will not be necessary to talk to any assistant or any one else. I promise to be friendly, helpful and give accommodating service to our people.

COOPERATION: Before any progress can be made people must cooperate. I promise to cooperate with the Fiscal Court, State authorities, Federal government and anybody else that can help Floyd county. I am convinced Floyd county has been bogged down for too long by our officials not cooperating with each other. I want to get the best for our county and use whatever ability I have to get it. Full cooperation is necessary to get the job done for Floyd county.

I ask you to vote and support me for County Attorney. I want very much to see Floyd county move ahead. I intend to work hard to see it move ahead. Progress is made by hard work. I promise to give full measure of active, hard working leadership.

(Pol. adv.)

TO ALL THE VOTERS OF FLOYD COUNTY:

I, Eliga Goble, former Jailer, of Floyd county, Ky., and stepfather of Dan Goble, do pledge my support and urge each and every one of you to support and elect Dan Goble to the Democratic nomination for Jailer in the May, 1961, Primary.

Your vote for Dan, better known as the Little Shoe Shine Boy, is a vote of confidence and would elect a man that is able, honest, sober and very deserving.

ELIGA GOBLE

GROVER C. HOLBROOK

HOLBROOK

SUBMITS HIS RECORD

Every candidate for public office who seeks reelection should submit his record to the people. I stand on mine because I am proud of it.

Let's Look At The Record:

Built Bridges At The Following Places:

2 at Alum Lick—1 Mouth Meade Br. Abbott—1 Duck Hole on Abbott—1 at Myrtle on Abbot—3 on Conley Fork—1 at Stevens Br. below Cliff—1 on Lower Johns Creek—1 on Rice Br. Middle Creek—1 Mouth Granny Fitch Br. Middle Cr.—2 on Granny Fitch Br.—Rebuilt bridge on Cow Creek—1 Forks of Abbott. 3 new bridges are under construction: 2 on Middle Creek and 1 on Buffalo Creek. Built new swinging bridge near Allen. Many other bridges were repaired or refloored.

New Road Work Performed or Road Maintenance Done:

Built road on Buckeye Fork of Middle Creek. Built new road on Pitts Fork. Built new road on Conley Fork of Spurlock. Blocked out new road on Left Fork of Main Spurlock. Blocked out road on Alum Lick. Completed construction of road on Right Fork of Bull Creek. New road planned and to be started soon on Bays Branch. Scores of new culverts have been installed on roads in different sections of the district.

I have graded roads in my district that were never graded before. I plan to continue to make good roads accessible to more and more people by grading and maintaining these roads.

Floyd County has more road equipment than ever before and the people of my district can expect more and better roads under my administration.

I submit my candidacy for Magistrate for District No. 1 upon my record. It speaks for itself. Your vote will be appreciated with a continuance of the same fine service in the future.

TO THE VOTERS of FLOYD COUNTY:

If I'm elected County Court Clerk, I will serve you to the best of my ability.

I will bring license tags to each precinct in the county in order to save time and expense.

I will look all records up at no extra charge, except what the law requires, will be made.

I hope that the voters of Floyd county will cast their votes for me. I have a desire to help the people in Floyd county.

Your friend,
JERRY HALL, JR.

YES, KEEP IT OPEN!

For four years your tax commissioner, Manis Conley, has been on the job, serving the public. When questions concerning your taxes were to be discussed you were able to find Manis Conley in the office ready to discuss them with you. Manis Conley can retire with a fixed income after two more years of service, your vote will help make that retirement a reality.

None of us like to pay taxes, but all realize that we must have taxes to keep our form of government going. Manis Conley has tried to equalize your taxes to the point where the little man does not have to pay for that part of the tax that the big corporation failed to pay.

Help keep a friend to the little man in office. A vote for Manis Conley is a vote to keep the office open.

RANEY SAYS HENRY HALE A FRIEND TO LABOR

May 3, 1961

Mr. Henry C. Hale
Candidate for Sheriff
Floyd Co., Prestonsburg, Ky.

Dear Henry:

Recently a group of your friends from Floyd county came to see me about a rumor being circulated by your political enemies that you were against labor during the time you were in the Legislature as a State Representative from Floyd county.

As you know that for 25 years I was a representative of the United Mine Workers and as such I lobbied for the union during the time you were a Representative, and I personally know that union labor never had a better friend than Henry Hale.

You helped me and other union leaders to defeat the RIGHT TO WORK LAW in committee. You were against the Little Taft-Hartley Law for Kentucky that the enemies of labor were trying to pass. You supported a law sponsored by the U.M.W. of A. for better mine safety laws. Also you supported and voted for a substantial increase in the Kentucky Workman's Compensation. You also voted to increase the Unemployment Compensation weekly benefits. In other words, your record shows that as a State Representative you voted for ANY AND ALL bills for union labor. And voted against all laws against union labor.

This is not an endorsement but I can truthfully state that if I was voting in Floyd county I would cast my vote for Henry Hale as a friend of labor.

Your friend,
TOM RANEY

CORONER'S ASSOCIATION ENDORSES JAMES J. CARTER

The Coroners Association of Kentucky for the past 8 years has worked on legislation in 4 sessions of the legislature to bring the investigation of sudden death in Kentucky up to standards close to those of other states.

In a recent meeting of the elections committee the Association studied the qualifications of the candidates running for office and particularly the type of past services of Coroners as to the performance of duty to their County, State and other groups in the investigation field.

James J. Carter, incumbent Coroner of Floyd County, has for 8 years been a member of his State Association, 8 years a member of the legislative committee and made numerous trips to serve in that capacity. He has been a member of the National Association of Coroners, representing 3,000 medical legal men and twice served as a delegate representing Kentucky in the National Seminar meetings.

From the above qualifications the elections committee of the Coroners Association of Kentucky endorses the candidacy of James J. Carter for reelection as Floyd County Coroner.

Sincerely,

W. W. Shepherd, M. D.,
Executive Secretary,
Coroners Association of Kentucky

NATURE TRAILS

By RUFUS M. REED

The Great Mingo White Oak, which was more than 11 feet in diameter and the largest oak ever known, died several years ago because it was suffocated to death! The renowned tree towered over 100 feet into the blue and it grew near the foot of a hill at the head on Trace Fork of Pigeon Creek. It was visited by thousands before it was smothered to death by poisonous gases which reached it through a low gap from a burning mountain of mine waste just over the hill.

A tree breathes by respiration through its leaves. The leaves of a tree perform the same function as the human lungs. When the air gets polluted with poisonous gases, trees soon begin to shed their leaves and die—from suffocation!

Just over the hill from where the big oak stood, coal companies had made a great mountain of mine waste materials, dumped there from the mines below. This waste consisted of slate, bone, gob and other refuse. The big heap soon caught on fire from spontaneous combustion, and nothing could put the fire out! Soon the whole area for miles around was polluted by the poisons from the burning mine dumps. Trees soon began standing like skeletons in all the surrounding area, and the poisonous fumes were carried far and wide by the winds. The gases were no doubt carried through the gap of the mountain nearby the oak and the air was polluted. Anyhow, it did not live long after the pure mountain air in which it had been born was so polluted by the poisons from the burning mine waste.

THE STRANGE PROCESS OF PHOTOSYNTHESIS

As trees are now clothed in green again, we stop to ponder about the strange and mysterious process of chemistry carried on in the leaf, which is called photosynthesis. Scientists in the laboratory have long puzzled over this process, and with all their wisdom, they have never yet been able to use the air and sunlight and make starches and sugars, like the green leaf does. Just how a leaf uses the light and energy of the sun and the carbon dioxide out of the air, to manufacture carbohydrates is one of Nature's little known chemical processes. Without the green chlorophyll in the leaf, this process cannot be carried on. This green coloring takes the water out of the earth and the carbon dioxide out of the air and combines these under the energy of light, to make starches and sugars, which are to be used as food by the tree. Thus a leaf is an outdoors laboratory, more skilled than the learned scientists!

Another mystery of this process is, oxygen is taken from the air and released, thrown off, and is beneficial to man and animals. Thus, when plants and man work together, they form a sort of symbiosis, a relationship beneficial to both. The plants throw off oxygen, which man needs in breathiung, and he, in turn, releases carbon dioxide, which the plants require in their process of photosynthesis.

BONUS CHECKS SPUR QUERIES

Misunderstanding Causes Inquiries, Director Says; Provisions of Law Cited

When Kentucky veterans bonus checks began pouring out, according to Bonus Director Arnold Maggard, inquiries began pouring into Frankfort by mail and phone.

Many of these are from people questioning the amount of the checks they had just received.

"The inquiries are expensive in time and money," Maggard said, "and in the vast majority of cases are from claimants who are not paying attention to the provisions of the bonus law.

"There are two major misunderstandings," he said. "One involves official war dates and the other is what constitutes a month.

"The law specifies the exact dates on which each war officially began and ended. These dates are clearly set forth in the bonus application forms. Active duty within those dates is the only duty which counts for Kentucky bonus purposes. Many years of active duty, therefore, do not necessarily qualify a man for the state bonus. Only service during officially recognized wartime can be counted.

"Another part of the law states that payment shall be made '. . . for each month and major fraction of a month . . . of duty.' This means that with half a month of active duty to his credit, one day can make a $9 or $15 difference in the veteran's bonus check. While 16 days may count as a full month, 15 days might not count at all. That's the way the law reads.

"We strongly urge bonus check recipients to check with a bonus adviser at one of the veterans' organizations or the Red Cross if they don't understand how the amount was figured. This will save them and the state a lot of time and money and will help get the bonus paid to other claimants more quickly."

CLUBWOMEN MEET

The Allen-Martin Woman's Club held a business meeting, called by the president, Mrs. T. A. Combs, at her home on May 3.

Nomination of officers for the coming year was voted on and approved.

The dinner meeting for installation of officers was scheduled to be held at Terry's Restaurant, Monday night, May 8.

Community improvement and the clean-up campaign were discussed. The hope that the work will continue until all the unsightly garbage and rubbish are removed from the banks of streams and public highways was expressed.

On May 16, the Lackey-Garrett-Wayland club and the Drift club, our mother and daughter clubs, will be guests at a dinner meeting which will be held in the basement of the Methodist Church at 6:30.

Among the topics discussed at the meeting were the safety crusade, seat belts for all passenger cars, help for the handicapped and the Helen Keller fund.

In the late afternoon refreshments were served by the hostess. Those present were Mesdames John P. Sammons, Hazel Adams, T. J. Allen, J. C. Hall, Carl Martin, David Marrs, Charles Marshall and hostess, Mrs. T. A. Combs.

Damron Honor Grad From Hospital School

James Richard Damron, grandson of Mr. and Msr. Charles Byrd, of Weeksbury, was graduated April 27, as honor student from the U. S. Naval Hospital Corps School, San Diego, California, and has been transferred to duty at the U. S. Naval hospital there. He entered Navy service October 12, 1960, before entering the Navy, he was graduated from Wheelwright high school.

100 YEARS AGO THIS WEEK

The Civil War in Kentucky

By JOE JORDAN
(Kentucky Civil War Commission)

One hundred years ago this week, it was revealed that Col. Albert Sidney Johnston, U. S. Army comander of the Department of the Pacific, with headquarters at San Francisco, had resigned his commission and would go with the Confederacy. He was a native of Mason county, Ky., and had attended Transylvania University at Lexington before his appointment to the Military Academy at West Point.

Johnston had passed the summer of 1860 with his family in Kentucky, before going to the West Coast to assume command of a department. During all the political discussions which preceded the outbreak of hostilities he had, as his son Col. William Preston Johnston later wrote, "remained silent, stern and sorrowful." His views thus being unknown, and his military reputation being very high among the professional Army officers on both sides, his decision had been awaited with great interest.

After the war, Fitz John porter revealed that in April of 1861 he had been authorized by the Secretary of War to assure Johnston of "the most important command" if he would remain in the Federal service. Porter sent the message by telegraph to St. Louis, then the end of the telegraph line, and from there it was speeded by pony express to San Francisco.

U. S. Grant wrote, after the war: "I had known Johnston slightly in the Mexican War, and later as an officer in the regular army. He was a man of high character and ability. His contemporaries at West Point, and officers generally who came to know him later, and who remained on our side, expected him to prove the most formidable man to meet that the Confederacy would produce."

The news that Johnston would cast his lot with the South was received with great satisfaction in the Confederacy. President Jefferson Davis, who, like Johnston, was a native Kentuckian and a product of both Transylvania and West Point, and who had served with him in the Mexican War, declared that Johnston would be worth more to the Confederacy than an army of 10,000 men.

Johnston was given command of the Confederate armies everywhere west of the Allegheny Mountains, except along the Gulf Coast. "His command was imperial in extent," his son wrote, "and his powers and discretion as large as the theory of the Confederate Government permitted."

This brilliant soldier, whose services had been so eagerly desired by both sides, was destined to be mortally wounded less than a year later—on April 6, 1862, in the Battle of Shiloh. There is, of course, no way to prove or to disprove a theory that has been held by a good many students of the conflict, that if General Albert Sidney Johnston had lived, the Civil War would have had a different outcome.

DRIFT

TO INSTALL NEW OFFICERS

The Drift Woman's Club met May 1 at the home of Miss Ruby Akers. The president, Mrs. W. L. Reed, announced that Mrs. Arthur Bradbury will install the new officers May 15, at the home of Mrs. B. F. Reed. An invitation from the Allen-Martin Club was acknowledged. Fifteen members plan to attend. A note of thanks was received from Mrs. Adron Doran. Mrs. Doran was guest speaker at the club's tenth anniversary dinner.

Mrs. Reed reminded the club of the state convention this month and the national meeting at Miami in June. A letter was read from the president of the Federation of Women's Clubs explaining the importance of safety belts in automobiles. She has asked all clubs to participate in this program.

Members present included Mesdames Harry Martin, McKinley Little, Bill Lawson, Ben Martin, Hugo Miller, Sam Martin, W. L. Reed, B. F. Reed, C. J. Cahill, Fred Cochrane, Clarence Turner, Belford Reitz, Glen Ward, Miss Ruby Akers.

We have many other relatives throughout Floyd cou[illegible].

GARRETT

P.-T.A. NOTES

The Garrett P.-T.A. will hold its last regular meeting of this school year tonight (Thursday) at 7 in the school auditorium. All parents and teachers should make a special effort to attend our final meeting.

Members of the P.-T.A. are busy this week selling tickets to their fund-raising spaghetti dinner, Saturday evening, May 13. All the money made will be used to purchase needed equipment for the Garrett school.

The P.-T.A. this year has bought a sliding board for the children and will pay part of the expenses of the honor banquet. The organization also bought $25 worth of dictionaries for Mrs. Draughn's fourth grade room as a reward for having the largest percentage of parents enrolled as members during the 1960-1961 year.

TO ATTEND CAMPOREE

Twenty Boy Scouts of Troop No. 144 at Garrett, will attend the Lonesome Pine Council Scout Camporee at the Breaks Interstate Park, Friday, Saturday and Sunday of this week. The Garrett Scouts will be accompanied by their assistant Scoutmaster, John Calvin Martin, and another adult leader.

PARTICIPATE IN CLEAN-UP

The Boy Scouts of Garrett took part in the Floyd county clean-up campaign last week. The Scouts and their leader, Shelby Draughn cleaned the streets of paper, tin cans, broken glass and other litter. A state highway truck picked up the two loads of litter Friday morning. Boys who helped were James Potter, Hubert Draughn, Larry Francis, Gary Francis, Paul Francis, Anthony Rowe, Phillip Rowe, Jerry Martin, Danny Francis, Darrell Johnson, Timmy Bailey, Arnold Wallen, Lowell and Kay Altizer and others.

Garrett has two litter barrels placed in convenient places. The Scouts empty these barrels as often as necessary. The Woman's Club and the Scouts would appreciate it very much if people would use the barrels for their throw-aways.

TAKE PART IN CONELRAD TEST

Even though Garrett has no Civilian Defense organization, it has its Boy Scouts who took an active part in the nation-wide Conelrad test recently. The Scouts took shelter in the basement of the Baptist Church and listened to instructions on radio as to what to do in case of a real attack. Children on the streets during the test were "rescued" by the Scouts and taken to safety in the church basement.

HENRY C. HALE AS SHERIFF PLEDGES SERVICE WITH DEVOTION TO DUTY

The Hale Record of Service is an Open Book.

1. Henry C. Hale served as State Representative during the 1948, 1950 and 1952 legislative sessions. His voting record is a public record, about which the old aged, the needy blind, the dependent children, the school teacher, the veteran and the laboring man can be justly proud.

2. HALE challenges any person to find a single vote in his record against the interest of these groups, for all of whom his service in the Legislature was dedicated.

3. HALE served his country in the U. S. Navy during World War II. He is former Commander of Floyd County Veterans of Foreign Wars.

4. HALE served Floyd county in helping to organize the Floyd County Farm Bureau. He has served as its president for five years.

AS SHERIFF, HALE WILL CONTINUE TO SERVE THE PEOPLE OF FLOYD COUNTY.

1. All deputies to be honest, sober, qualified and in uniform.

2. Upon request, supervision and aid at all funerals, church meetings, school and civic activities.

3. A deputy, based upon your choice, in each magisterial district.

4. Unnecessary violence on the part of deputies in making arrests will not be tolerated.

5. Courteous and sympathetic treatment to all taxpayers.

6. HALE will be your Sheriff—unbiased, impartial, uncontrolled and unbossed.

HALE WILL BE YOUR HUMBLE SERVANT—A SERVANT ELECTED BY YOU PEOPLE—TO SERVE YOU PEOPLE.

Rescue Squad Conducts Kiwanis Club Program At Wheelwright, May 1

The Floyd County Emergency Rescue Squad furnished the program for the May 1 meeting of the Beaver Valley Kiwanis Club at Wheelwright.

After relating the amazing growth of their organization, the four members of the Squad entered into a formal discussion of civil defense. This discussion left no doubt among the members that Floyd county needs a civil defense organization.

Mr. and Mrs. Arthur Danberg, of Pikeville, were guests at this meeting. Mr. Danberg is a charter member of the Pikeville Kiwanis Club, a past lieutenant governor of District 8 and has 25 years, perfect attendance.

Another guest at the meeting was Robert McCullough, of Chicago. Mr. McCullough is a nationphotographer. He has done conally known free-lance writer and magazine. He also does work for siderable work for the Kiwanis Inland News, the Methodist Story and several other national magazines.

President Bradbury expressed thanks to all members who were active in putting across the local talent show. He also announced the next project as the East-West Basketball Tournament. The tournament has been quite successful for several years.

Lady Is Free of Rheumatic Pain

One lady told us she had rheumatic pain so bad she had to walk with a cane most of the time. The joints of her knees and ankles were stiff and sore. Recently she got RUGON and says the pains began to go within a few hours, and now after one week the pain is gone entirely.

RUGON is helping so many victims of rheumatism and neuritis because this New Liquid Formula contains Three Wonderful Ingredients. Not a tablet or capsule. RUGON goes to the very source of pain almost at once and costs but a few cents a day to take. So don't go on suffering Get RUGON at W. A. Rose Drug Co.

ROBINSON for CLERK

OLLIE ROBINSON
Helped Coal Miners. Too!

Senate Bill 26 saving coal miners with silicosis thousands of dollars. (My dad is a member of the U.M.W. Has been for 35 years. Employed by the Reeds of Drift.) I handled this bill in the House of Representatives and it passed with very little opposition.

I also sponsored the Workman's Compensation Bill. . . Co-sponsored the unemployment bill.

These two bills gave the laboring man an increase.

Co-sponsored the bill for old-age assistance which gave an increase to those who were receiving it. Also an increase for the blind, dependent, and needy children. Also medical aid for the old and disabled.

If elected I promise:

1. To serve you six days a week.

2. You will have a full time Clerk.

3. To take books to your community so you can register to vote without coming to Prestonsburg.

4. To keep office open late during car and truck license buying.

OLLIE ROBINSON
Led the fight to pay veterans the $300.00 and $500.00 bonus and to pay the out-of-state veterans.

Ollie Robinson helped the gas users, too! Senate Bill 86 was sponsored by him in the House of Representatives and received little opposition. This bill was to put a stop to the gas rate increases to the people in Allen, Bosco, Garrett, Lackey, Estill and Wayland. This law recently saved these people a gas increase.

Co-sponsored the bill to increase teachers salaries.

Co-sponsored the bill for the new teacher's retirement.

Ollie Robinson has just served a term as a member of the House of Representatives and is one of the youngest Democrats to ever serve in the House. He was responsible for eight bills being passed. He was born at Jack's Creek, attended Drift grade school and is a graduate of Maytown high school. He has been employed at Radio Station WPRT since 1952, is now serving as president of the Young Democrats of Floyd County and is a member of the Prestonsburg Kiwanis Club. Honored by the out-of-state veterans for his fight to pay all veterans and recently honored by the group of out-of-state veterans for his work. He is the son of Clarence "Greaser" Robinson, of Maytown. He is married to Margie Neeley Robinson, daughter of Elzie and Susie Baldridge Neeley, of Prestonsburg.

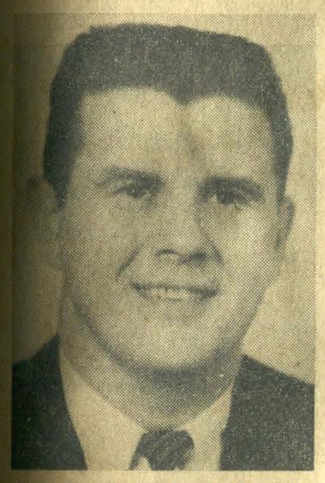
I BECOME A LITTLE WISER



In years past, I have never seriously considered statements by candidates warning the voters against false rumors. But, now that I am a candidate myself and am the victim of such false reports, I view the matter in a different light.

The rumor has been spread that, if a certain candidate wins the Democratic nomination for Sheriff, I will quit the race in the November election. Anybody who knows me knows that this is untrue. Such a statement serves this one purpose—I will fight all the harder to win the nomination for Sheriff and I will fight all the harder to win in November.

Do not be misled by false rumors.

I appreciate the friendship and support so willingly offered me in my race. With your help I will win the nomination for Sheriff on May 23 and will be elected next November.

VOTE FOR A QUALIFIED AND EXPERIENCED CORONER

JAMES J. CARTER

In my office at the Carter & Callihan Funeral Home hangs my diploma from the Cincinnati College of Embalming and my funeral directors and embalmers licenses, which were issued to me upon completion and passing of a State Board examination. These licenses and diploma are visual evidence of part of my qualifications. Factual evidence of the efficiency in which I have conducted the office may be obtained by checking my record as your Coroner. Ask anyone who has witnessed an inquest or an investigation I have conducted about my thoroughness. It is only natural and logical to assume that a person of my background and training in mortuary science would be better qualified to serve you as coroner than one not so trained or experienced.

I am a member of the following organizations: The Coroners Association of Kentucky, the Kentucky Sheriffs Association, the Veterans of Foreign Wars, the American Legion, the 40 & 8, the Kentucky Peace Officers Association, the Independent Order of Odd Fellows, Eastern Kentucky Funeral Directors Association, Kentucky Funeral Directors Association, National Funeral Directors Association. I also hold the Commission of Colonel on the staff of the Governor of Kentucky in the Honorable Order of Kentucky Colonels, and Colonel Aide-de-camp, Commissioners Staff of the Kentucky State Police and Department of Public Safety.

Many of you, my friends, have given me encouragement beyond expression, and have assured me of an overwhelming victory in my race for Coroner. I appreciate your coming in to see me at my office, tho I have been out campaigning when many of you have been in; I am grateful for your calling me by telephone inquiring if there is anything I would like for you to do. The answer is—YES—. I would appreciate your continued support now and right down to the time the polls close.

BILL Wells

for

MAGISTRATE

District No. 1

In order that you may know more about me and the matters for which I stand, I submit the following facts in order that you may be more fully informed:

My mother is Bessie Whittaker, a daughter of Branch Whittaker and May Slone Whittaker, a daughter of Wiley Slone who lived on Buckeye Fork of Middle Creek.

My father is W. E. (Everett) Wells who lives at Allen, Ky., and he was a son of R. M. (Tude) Wells and Anna Wells. Ben Whittaker, a former policeman of Wayland, and Menifee Whittaker, of Abbott Creek, and Sis Slone, of West Prestonsburg, are uncles and an aunt of my mother. Sis Whittaker Slone married Butler (Crow) Slone of Middle Creek.

I married Billie Jo Fitzpatrick, a daughter of Bill Fitzpatrick, and May Pitts Ftzpatrick, of West Prestonsburg, Ky. My wife's mother is a daughter of John L. Pitts and Frances Ousley Pitts, formerly of Caney Fork of Middle Creek and Spurlock Fork. I have two small boys, ten and five years of age.

Bill Fitzpatrick, my father-in-law, is the son of Henry Fitzpatrick and Alma Harman Fitzpatrick, and Alma was the daughter of Richard Harman and Julia Ann Skeans Harman. Julia Ann Skeans was a sister of George Skeans and one of their sisters first married R. E. Stanley, who was at one time Sheriff and County Judge of Floyd county. George Skeans married Rhoda Hamilton, a daughter of Alex Hamilton and Minerva Stephens Hamilton, and George Skeans served this Magisterial district one term as Justice of the Peace.

I completed high school and was an employee of Meade Brothers Hardware Company for twelve years here in Prestonsburg, and at present I am employed by Big Sandy R.E.C.C. for the past two years. I am 30 years of age and feel that I am well qualified to fill the office of Justice of the Peace of this district. I know I am ambitious enough and have the welfare of the people of this district to do them a job for which they will be pleased and well satisfied.

My greatest hope and desire to be elected to this office is to do a good job and serve all the people of my district and, if elected, I feel sure that at the end of my term you will say, "Well done, thy good and faithful servant."

I earnestly hope and beg of my neighbors, relatives and friends to go to the polls on election day, May 23, 1961, and work for me until the pools are closed.

I have no roads or bridges to build for myself, since I live in West Prestonsburg where none is needed but will build them up our creeks and branches. I am interested in the whole of my district. Two of my opponents are now retired, or are almost ready to retire. I do not wish to remain in office until I retire but will seek other opportunities which may come my way.

My greatest desire in seeking this office is to do something for the people who have so long been neglected, and I promise you that I will not neglect anyone and that my district will receive all my just efforts in this respect. I will be your Magistrate 12 months out of the year—not just six weeks before the election.

My desire is to serve you and I ask you here and now to first vote for your interest and I feel when you have done that, you will be proud that you did so. I hope to see many more of you before the Primary, May 23. I submit the above for your careful consideration.

USE TIMES WANT ADS FOR AMAZING RESULTS!

To the People of Floyd County:

As you all know by now, I am a candidate for the Democratic nomination for the office of Sheriff. There are others seeking this nomination, and I have no ill feelings toward any of them and no harsh things to say about them. We all have the right to run and solicit your support.

You hear of "slates" or "groups" supporting this candidate or "slate" of candidates, but I want to frankly and truthfully say to one and all that I am not now, nor will I be "slated" with any groups of candidates. I am the type of candidate who runs for office on my own, so that when I take the oath of office, I will owe no special group any favors that would be in conflict with the solemn oath of office I will take. In other words, as your Sheriff, I shall conduct myself in such a manner as to be able to live with my conscience and sleep well at night after each days official work has been performed.

I'm in this race to stay and regardless of any "false rumors" I pledge every other candidate that I am too busy in my own campaign to meddle in their affairs. I solicit their support in my race.

My final solemn promise to you is that when elected as your Sheriff, I will do my whole duty, as God gives me wisdom to see it.

Yours for a better county,

JOHN M. HALL

YOUNG VOTERS FOR COOLEY:

When BILL COOLEY announced himself as a CANDIDATE for COUNTY JUDGE of FLOYD COUNTY, we immediately met with him for discussion of his PROGRESSIVE PROGRAM. Listed below are his objectives in which he has pledged himself for FULL SUPPORT and HONEST DEDICATION thereof:

1. To work with interest and dedication for the YOUTH of FLOYD COUNTY and their problems in which WE are involved.
2. To organize YOUTH COMMITTEES to aid and assist the senior citizens of the county in working with county government.
3. To stand firmly for PROTECTION JUSTIFIED BY LAW, for SCHOOL CHILDREN, BUSINESS ESTABLISHMENTS, RESIDENTIAL AREAS, and to each and every INDIVIDUAL.
4. To create a GARBAGE DISPOSAL SYSTEM for smaller communities which will aid in keeping our ROADS, STREETS, STREAMS, and COUNTY CLEAN; and promote better HEALTH CONDITIONS.
5. Strive for better TOURIST ATTRACTIONS in FLOYD COUNTY, and promote means of possible INDUSTRIAL LOCATIONS.
6. To have a PROGRESSIVE PROGRAM for ROADS and BRIDGES throughout all RURAL AREAS, promoting better means of COMMUNICATIONS and TRANSPORTATION, which will especially help the SCHOOL CHILDREN throughout FLOYD COUNTY.
7. To always work for the BETTERMENT OF FLOYD COUNTY and always strive to move forward.

With the right LEADERSHIP, HONESTY, INTEGRITY, and DEDICATION to the job; we can move Floyd County FORWARD. It is with this conviction that we ask of you, YOUNG and OLD, SUPPORT

W. W. 'BILL' COOLEY

for

COUNTY JUDGE OF FLOYD COUNTY

In this man and his PROGRESSIVE PROGRAM, we have found the right LEADERSHIP for FLOYD COUNTY. We sincerely solicit your SUPPORT.

Respectfully yours,
Young Peoples Committee for

To the Voters of Floyd County:

I, Tuley Salisbury, Democratic candidate for Sheriff of Floyd county, ask my friends not to listen to these rats who are telling you I have come off.

I was the first to register, and my name will be on the machine, May 23.

I hope the Good Lord gets enough of you good people out to vote for me—that is the only hope I have. If I do get elected, I will make you voters the best Sheriff you ever elected in Floyd county.

To My Friends and Supporters in Floyd County:

I would like to take this opportunity to thank each of you for the confidence and trust you placed in me as a candidate for Representative. Too, I want to thank you again for the courtesy shown me while I visited in your homes. With the mixed feeling of sacrifice and sadness, yet strength and unity, I have withdrawn from the race. I have acted in accordance with what I sincerely hope to be of value to us all. I have withdrawn from the race in the interest of party harmony, and so as not to put my friends in the position of choosing between two of their friends. As a teacher, I feel that I can best serve the cause of education in Kentucky by helping to unify persons interested in education in support of a single candidate. I urge all of my friends to suport Ben Martin for State Representative.

With the deepest gratitude and hope of a greater Kentucky, I remain your humble servant,

Discovered in 1799, Mammoth Cave first gained national fame during the War of 1812, when it was a major source of saltpetre for gun powder.

As early as 1802, a crude stone furnace on Red River near Clay City, Ky., produced iron from ore found in the region. Ruins of the furnace are still visible.

A young Indian chief told Richard Henderson, an early settler in Kentucky, "You have bought a fair land, but you will find its settlement dark and bloody."

To The

VOTERS

Of

Floyd County

I wish to introduce myself to you as a candidate for Sheriff of Floyd County in the May Democratic primary.

I am Truly Francis, the son of Bill and Julia Francis, and was born and reared at Garrett. I am 37 years of age, married to Gwendolyn Oney, the daughter of Herbert and Lillie Campbell Oney, of Garrett, and we have one daughter, Kimberly, who is now 4 years of age.

I attended the Garrett grade and high schools. After leaving high school I volunteered for the United States Marine Corps, served 3 years, and 20 months of this time in the South Pacific. After being honorably discharged from the Marine Corps, I entered business for myself.

If you will nominate and elect me as your Sheriff, I will do my utmost to perform the duties of a Sheriff that is imposed upon me within my power, the state laws and with your help.

All of my deputies will be salaried, and all will be in uniform so they will be identified. My deputies must be men of good moral character, temperate, must be able to read and write, understand the laws that they are governed by and will be enforcing.

I, or one of my deputies, will periodically visit unincorporated towns and rural communities for the protection of your homes, children, schools, businesses and churches. I will lead funeral processions in the county when requested. Telephone calls from you to the office will not be neglected or ignored for advice or assistance.

I am not connected with any political group or faction and will not be controlled by any. If a sheriff cannot control his office without these groups or organiztions, he is not capable of being your sheriff.

I have never approached any candidate, nor will I, to persuade or influence the candidate to withdraw from his race on my behalf. This is every person's freedom, to be a candidate for public office and to vote for whomever he desires so to do.

As the election day nears, it may not be possible for me to meet you personally and talk with you. If I fail to meet you, I trust that you will consider the above and weigh the truth and cast your vote for me.

I will give you four years of efficient, honest and sober service.

Your vote and support will be appreciated.

I give you my solemn promise I will not employ any present deputy.

PLAN CONCERT AT PIKEVILLE

Civil War Features Slated by Choruses; Miss Mosley To Sing

Pikeville, Ky., May 8 (Spl.) — Jacqueline Mosley, Estill, Ky., will sing with Pikeville College's women's and mixed choruses in Pikeville's spring concert, Suesday, May 16.

Original compositions by Pikeville College students, based on Civil War incidents in this area, will be featured.

The first student conductors ever presented in a Pikeville concert, directing their own work, will take part in the program, which will begin at 7:30 p.m., in Wickham Chapel. It will be open to the public.

Jean S. Call, Pikeville, a sophomore, and John L. Bailey, Johnstown, Ohio, a junior at Pikeville, both taking major work in music, will conduct performances of their own works, Dr. A. A. Page, college president, announced today. Patricia Clark, Warfield, Ky., a student of conducting at the college, is to direct two numbers composed by Martha C. Childress, Pikeville, another music major.

"The Battle of Pound Gap," Mrs. Call's composition for the 10-voice men's chorus, describes a victory over Confederate forces by troops under James A. Garfield, who received his brigadier general's commission in Pikeville in 1862. Her other work, "The Saga of the Gourd," to be sung by the mixed chorus, is the story of the way one family saved its valuables from marauding troops by hiding them in a gourd in an open field, Dr. Page said.

Bailey will lead Pikeville's mixed chorus in his song of a Civil War draft dodger, "Scape Tackett," and "South Against the North, North Against the South," the familiar tale of a family split by divided sympathies.

"Kentucky! Oh, Kentucky!" by Mrs. Childress, laments the problems of a border state, and her "Battle of Brushy Creek" describes some family feuds which sprang from the war of a century ago. Both will be sung by the mixed chorus.

A group of songs of the period arranged by William M. Hunter, Pikeville chorus director, will be presented by the 19-member women's chorus. Included are "When This Cruel War Is Over," "My Southern Soldier Boy," "Goober Peas," and "Cumberland Gap."

The men's group will sing "Marching Along," in an arrangement by Mr. Hunter; "Tenting Tonight," "When Johnny Comes Marching Home," "Once to Every Man and Nation," and "Dixie."

William M. Smith, also of the Pikeville music faculty, will accompany the women's and mixed groups. Pianist for the men's chorus will be freshman Margaret Ann Miller, Pikeville.

Subdistrict Meeting Held At Maytown

The May meeting of the Floyd county M.Y.F. sub-district will be held on May 15, at 7 p.m. in the Wheelwright Methodist Church. The highlight of the meeting will be the installation of the new officers, conducted by Rev. Larry Buskirk, Ashland District Counsellor, and special singing by the Wheelwright M.Y.F. choir.

SPRING PLAYOFFS

District tournaments in baseball and the regional track meet this Friday began the playoffs in Eastern Kentucky high school spring sports.

Five Floyd county schools—Prestonsburg, Wheelwright, Martin, McDowell, and Maytown—are playing for the baseball title in the Drift park, and Elkhorn City will be host to the regional track meet.

The regional golf meet at the Paintsville Country Club does not begin until next Wednesday.

The baseball race could be won by any one of the five teams, since all have been hampered by lack of drills, this unusually cool and rainy spring.

Prestonsburg's track team edged Fleming, 51½ to 51, and topped Elkhorn, 23½, in a tri-angular track meet in Elkhorn City last Wednesday. Junior Chuck Tackett was the meet's leading point winner with 18 points as he scored first in the high jump, 100-yard dash, broad jump and second in the 220-yard dash.

The agile junior pulled a muscle and did not take part in the four-team meet in Ashland which the host Tomcats won over Huntington high, Prestonsburg and Ceredo Kenova, in that order.

Senior miler Roy Frater scored four points in the mile and half-mile run in the Ashland meet and got a first in the half-mile and second in the mile in Elkhorn City.

Junior pole vaulter Otis Cesco vaulted 9-6 in both meets, winning one and tying in the other.

Tackett, if he recovers by Friday, Prater, Cesco and the 440-yard relay team of Kermit Baldridge, Dixon Nunnery, Kelly Moore and Gordon Young loom as the Blackcats' leading hope to qualify for the state track meet next week in Lexington.

Maytown's Bill Tallent, leading scorer in the county this past basketball season, has signed a grant-in-aid to attend Presbyterian College, Clinton, South Carolina. He also has been picked to play for the East team in the annual summertime East-West basketball series. Wheelwright's Bruce Belcher and Forrest Newsome signed to play basketball for Marshall University.

Paintsville's Mike Minix and Pikeville's Bill Baird have been selected to play with the East football team in the coaches' East-West football game in Lexington this summer.

COUNTY ATTORNEY

DEMOCRATIC PRIMARY

A CANDIDATE YOU CAN TRUST

In seeking re-election to the office of County Attorney, it is my hope that the voters of Floyd county will elect the candidate MOST SUITED TO THE TRUST of this important office. I sincerely believe I am that candidate, but it is for the voters to decide.

I seek the office upon my record, my reputation as a man and upon my training and experience as a lawyer.

I am an overseas veteran of World War II; a former school teacher of Wheelwright and McDowell High Schools; a graduate of Morehead College and the University of Kentucky, College of Law.

MY PURPOSE IN BEING A CANDIDATE IS SIMPLY TO WIN. Every candidate, of course, will recommend himself highly. I am not skilled in deceit or self-praise. I am not all things to all men. I'm just a plain country boy who has done my best to make you the best County Attorney you ever had.
