POVERTY OF REGION VIEWED BY JOHNSON

LARGE FUND IS SOUGHT OF CONGRESS

Paintsville and Inez Viewed by President; Aid Plan Implemented

President Lyndon B. Johnson's person-to-person tour to Martin and Johnson counties last Friday led to his immediate action on behalf of Eastern Kentucky and the entire, hard-pressed Appalachian area.

In a request submitted to Congress this week, President Johnson calls for \$220 million for fiscal year 1964-65 to initiate a five-year development program for the eight-state area. The President also requested an additional \$36 million specifically for development of Appalachia's human resources, to be administered by the new Office of Economic Opportunity, the new agency set up to handle Johnson's nationwide "war on poverty" program.

In substance, the request follows the recommendations of the President's Appalachian Regional Commission. Johnson accepted the Commission's recommendations from Chairman Franklin D. Roosevelt Jr., two weeks ago.

The \$220 million request covers these items for the fiscal year beginning July 1, 1964:

\$92 million to complete part of a 2,150-mile highway network and 500 miles of access roads envisioned in the eight states, Kentucky, tentatively allotted a total of 482 miles, would bear an anticipated 20 per cent of the construction cost;

BAKER NAMED PARK CHIEF

Greenup Man Replaces Perry Cole As Manager Of Jenny Wiley Park

Lowell L. Baker, superintendent of Greenbo Lake State Park, Greenup, last Friday was named general manager of Jenny Wiley State Park, Prestonsburg, to replace Perry Cole, acting manager, who will return to his permanent post as accommodations officer in the central Parks Department, Frankfort.

Parks Commissioner Robert D. Bell said that Mrs. Baker, who served as an accounts clerk at Greenbo, will be active with her husband in management of Jenny Wiley.

Both Mr. and Mrs. Baker are natives of Olive Hill and graduates of the high school there. He attended Morehead State College and she a business school in Louisville. Both have been with the parks department four years and have attended food and management schools conducted by the department.

Baker is 34. He is a member of several Greenup county civic groups. He formerly managed Cascade Caverns, a part of Carter Caves State Park. Baker also is a veteran of the U. S. Army, serving in Germany for two years. The Bakers are members of the Baptist Church. They have a daughter, Roxann, 6, and a son, Mark Edward, 4.

Mobile X-Ray Unit Sets Harold Visit, Dr. Hall Announces

The mobile X-ray unit will be at Harold, near the school, Thursday, May 7, and in operation from 10 a.m. to 12 noon and from 1 to 3 p.m.

Dr. R. L. Hall, health officer, Floyd County Health Department, urges all citizens in the Harold area to visit the unit and have a chest X-ray made. He especially urges all foodhandlers, teachers and contacts of known t.b. cases to visit the unit.

Those who have had an X-ray in the past and have received a notice to have a large chest picture made should take the letter to the unit.

AMBA MAN IS SLAIN

Daughter, 15, Admits Shooting Father; Hale Says Revolver Used

"I got the pistol, closed my eyes and shot till it quit, and when I opened my eyes I saw my father falling onto a bed."

So, in effect, said 15-year-old Lynda Sue Reynolds here Monday as she told County Attorney Barkley J. Sturgill and County Judge Henry Stumbo of circumstances of the death of her father, Riley Reynolds, 38, at his store at Amba, last Sunday afternoon.

The Betsy Layne high school student gave this version of the shooting:

Her father was drinking and an argument developed between him and her mother after visitors at the store had left. He struck Mrs. Reynolds and threw objects at her. At one juncture, the girl said, she stood between her father and mother, and the trouble halted temporarily. But when it began again he threatened her mother's life and resumed throwing things. The girl was standing behind the counter, became frightened and reached for the revolver.

Sheriff Henry C. Hale, who arrived at the store within 20 minutes after the shooting, said Reynolds was struck twice in the side, near the hip, and once in the thigh by bullets from a .38-caliber revolver. He died on arrival at the Methodist hospital, Pikeville.

The girl was placed in custody of her grandfather, the Rev. Johnny Kins, until time of the funeral was past. Her mother, who accompanied her here Monday, was so emotionally upset that her statement was not taken. She and a young son were scheduled to return here today (Thursday) to give their versions of the shooting.

The victim was a son of the Rev. Joe Reynolds and Frances (See Story No. 6, Page 8)

FOLK SONG FESTIVAL SET AT NEW THEATRE

The American Folk Song Festival developed by Jean Thomas, Kentucky's Traipsin' Woman, will open the Jenny Wiley State Park's new amphitheatre on June 14.

The performance will mark the first departure of the annual Folk Song Festival from Miss Thomas' "Wee House in the Wood" in Ashland, where it has been staged for 33 consecutive years.

Chalmer Frazier, of Prestonsburg, chairman of the Jenny Wiley Drama Association, said this week that the group has completed arrangements to lease the park amphitheatre from the Kentucky Department of Parks.

"We are especially proud to announce that the amphitheatre's first performance will be one truly indigenous to Eastern Kentucky. During the coming weeks, we hope to present other folk performers who draw their inspiration and their art from the southern Appalachians."

Frazier, along with Mrs. E. P. Hill and Arbor Jones, members of the drama association's executive committee, called on all Prestonsburg residents, as a committee-of-the-whole, to work out the technical problems connected with the amphitheatre's premier performance.

TRAGEDY-BORN GROUP IN NEED OF FUNDS

The Floyd County Emergency & Rescue Squad, which since its founding has specialized in coming to others in distress, is now in distress itself. Graham Burchett, its leader, said here this week:

"We're without money and in debt and without any support except what individuals and businesses will voluntarily subscribe," he said. At the same time Burchett emphasized the point that the Squad isn't giving up and that it will, somehow, continue to function.

No Civil Defense funds now benefit the organization. The Squad's basketball tournament work was performed at a loss this year, because \$407 was spent for the insurance of individual members of the group who were assigned to directing traffic. The hat was passed inside the fieldhouse to give fans an opportunity to help the Squad, but that was discontinued when somebody complained.

To make matters worse, the Squad spent \$2,000 to construct an addition to its building here in order to house the strawberry processing plant. That money was borrowed, but the organization was promised 10 cents per crate of berries processed. The promise was made good—but not enough crates of strawberries have been handled to make a dent in the \$2,000 debt.

And so go the fortunes of this group which was formed following the school bus disaster to give Floyd county a trained, organized group of volunteers to function in any emergency.

"We can stage road-blocks and get a little money," said Burchett, "but we need—and we believe we deserve—the solid support of the people of Floyd county."

THREE MEN ARE FINED

Officers Confiscate Intoxicants Sunday; Term Is Suspended

Three men were arrested at Sugar Loaf at 1:30 a.m. Sunday by Deputy Sheriff Sam Hale and Prestonsburg Policeman Bill Booth and jailed here after the officers had confiscated 400 cans of beer, 32 cans of malt liquor, 96 half-pints and two fifths of whiskey.

James Shelby Reynolds was fined \$100 and given a 30-day suspended jail term on his plea of guilty to liquor possession, also \$27.50 fine on a citation for driving with improper lights. He posted \$500 cash peace bond. Reynolds admitted the liquor was his. James Clifton Cox, driver of the car, and Andrew J. Case were fined \$32.50 each.

Others booked at the jail within the week:

Ralph Clark, drunk driving and no operator's license, jailed by State Trooper Jack Roberts; Ronnie Neely and Abe Shepherd, each charged with obstructing justice and possession of moonshine whiskey, arrested by State Detective Chester D. Potter; Clifford Whitaker, drunk driving, booked by State Trooper D. H. Goble and Constable Gillis Conn; Jimmy Johnson, grand larceny, arrested by Enoch Hatfield; Earmel Isaac, arrested on a drunk driving charge by State Trooper Elmo Allen and Deputy Sheriff Sam Hale; Dewey Brewer, charged with obtaining goods under false pretense, jailed by Deputy Sheriff Sam Hale.

BABE DIES
James Amos Crace, three-month-old son of Jay and Faye Poe Crace, died Monday at the Prestonsburg General hospital, of pneumonia. He was an only child. Funeral services were held Wednesday at 11 a.m. at the Town Branch Baptist Church, the Rev. Ted Nelson and Will Nelson officiating. Burial was made in the Grassy Fork cemetery in Johnson county under the direction of Carter & Callihan Funeral Home.

A two-day exhibit of paintings, sculpture, and hand-crafted articles created by Eastern Kentucky folk artists and craftsmen will precede the Festival performance.

This Town . . . That World

This Wednesday I feel a lot less like doing this column than usual. It has been a bad week, a tragic week. But I am convinced that we should be thankful. Just think of all the heart-break which doesn't touch us and of which we never hear. Omnipotence must make God Himself sad.

GRADUATE STUDENTS, NO LESS!

After that opening paragraph, how may we make the transition to lighter matters . . . Let's turn to marvelling at the ignorance of those who are sometimes credited with being learned. This we found in a sprightly publication which reaches this desk occasionally. It is a list of words which, a Mr. William Lyman, of Birmingham, Michigan, solemnly declares, were misspelled in 1960 by twenty public school teachers and administrators while they were taking a course for graduate credit. And, we are told, only twenty-five percent of them did not contribute at all one example of atrocious spelling to the list. Try spelling 'em correctly!

NEW SERVICE IS OFFERED

To Floyd-Co. Schools; Mrs. Archer To Head Rehabilitation Work

A plan of attack on one of the educational problems incident to this area was announced this week by Charles F. Clark, Floyd county superintendent of schools.

It is a joint effort by the school system and the Kentucky Bureau of Rehabilitation Services to organize and coordinate vocational rehabilitation and special education for mentally retarded and educable students enrolled in Floyd county high schools or who have dropped out. The service will be offered to students in the age group of 15 to 25 years.

The program will be financed by the Kentucky Department of Education with matching funds from the federal government. The service office will be located in the office of the school administration building here. The staff consists of Mrs. Zella S. Archer, counselor, and Miss Janice Parsons, secretary.

"The Kentucky Bureau of Rehabilitation Services has agreed to establish and operate a special vocational rehabilitation unit to work with people of high school age," Mrs. Archer said. "The primary purpose of the unit is to provide, on an organized and systematic basis, appropriate and needed rehabilitation services to all eligible mentally retarded boys and girls, who, because of their disability have an employment handicap. In addition to their school work, they will be given opportunities for on-the-job training. Assistance toward the final goal of job placement will be given and job

Boy Seriously Hurt When Hit by Auto

Douglas, young son of Mr. and Mrs. Herbert Prater, was seriously injured Saturday afternoon when struck by a car driven by Larry Wells. The boy was badly cut, an ear being almost severed and a throat laceration laying bare the jugular but leaving it undamaged. He is doing nicely at the Prestonsburg General hospital.

The boy was riding a bicycle when hit. No attempt has been made to fix the blame.

The three-year-old daughter of Mr. and Mrs. Bob White escaped with minor bruises last week-end when a Volkswagen, thrown out of gear, passed over her. The tire rolling over her head and face. She and her sister were playing in the car when it began rolling backward, and she attempted to stop it by pushing.

PRATT GIVEN 21-YR. TERM

On His Guilty Plea To Woman-Slaying; Officers on Trial

One of two murder cases booked for trial here Wednesday was disposed of by defendant's plea of guilty and an "agreed" verdict, and in the other the work of attempting to empanel a jury was begun soon thereafter.

Grover Pratt, of Garrett, was given a 21-year pen term when he pleaded guilty to the slaying of Phyllis Ann Sears, 18, of Melvin. Pratt was returned to this county from Eastern State hospital, Lexington, to stand trial after hospital authorities had held that he was sane.

The trial for which a jury was being sought Wednesday is that in which Deputy Sheriffs Troy Mullins and Marion Martin are charged with the slaying of Ex-Magistrate John May. The trial is the third for the two officers. Judge James Stephenson, of Pikeville, is presiding as special judge in the trial, and Cordell H. Martin, Hindman attorney, is serving as special prosecutor in the stead of Commonwealth's Attorney Harold J. Stumbo.

Six defendants have within the week been convicted on liquor charges, and several selling cases have been continued till May 5. Liquor possession cases resulting from search warrants issued by Trial Commissioner Glenn Burchett were dismissed because the Court of Appeals had held in a pilot case that the search warrants were not legal.

Those convicted in liquor cases: American Veterans' Club, Inc., selling beer, \$100 fine by jury; James Arthur Tackett, selling, plea of guilty, \$20 fine and 30 days in jail; Bobby Joe Conn, transporting, \$100 fine and 30

CLOSE RANGE SHOTS FIRED AT VICTIMS

Drift Couple, Engineer Are Riddled by Blasts; Salisbury Jailed Here

Three prominent Floyd countians, a woman and two men, were shot to death near Drift, late last Thursday afternoon, by blasts fired from a shotgun at close range as an aftermath to a long-standing dispute over a property boundary line.

The dead:

Roy Ragan Denney, 50, and his wife, Mallie Turner Denney, 50, of Drift; and Thomas Spencer Combs, 42, Langley civil engineer.

In jail here, held without bond in the triple murder, is Roy Salisbury, 34, who lives with his father, Tom Salisbury, near the scene of the slayings. He came to the county jail here, accompanied by his brother, Ray, Drift barber, and surrendered, approximately an hour and a half after the shooting. At the jail he was quoted as saying there had been trouble at Drift.

Questioned later that night at the jail by Commonwealth's Attorney Harold J. Stumbo and State Detective Chester D. Potter, Salisbury denied knowledge of the slayings. "Everything was blank—I don't know nothing," said.

Time of the shooting was played between 5:15 a.m. and 5:30 p.m. Only one person other than the slayer is known to have witnessed the crime. C. B. (Hawke) Osborne testified Monday at a preliminary hearing held for Salisbury that he saw Salisbury do the shooting.

Body of Roy Denney was found, lying face down, beside his automobile which had been parked where Combs was establishing, under Circuit Court order, the boundary line between the Denneys and the Salisbury's on the left fork of the Simpson Martin Branch, near Drift. Twelve paces away lay the bodies of Mrs. Denney and Combs. The latter lay in a deep drainage ditch; Mrs. Denney, at the fence, only a few feet away.

Coroner James J. Carter testified at the examining trial that Denney was shot in the top of his head, slightly above the right hip and in the left arm.

Mrs. Denney was shot in the left arm, near the shoulder, and in her back.

Combs was shot in the head twice in the chest and in his left arm.

That some of the shots were fired at a distance of only a few feet was attested to by the fact that two of the wounds in Denney's body, three in Combs' and one in that of Mrs. Denney were about two inches in diameter, or less.

Although a part of his skull was blown away, Combs' hat was on his head when he was found lying on his back in the ditch, Commonwealth's Attorney Stumbo said. The hat had not been hit.

Stumbo added that marks on Denney's back indicated he had been punched with the end of a gun barrel.

He said the size of shot fired into the three bodies was No. 4 and No. 6. Seven empty cartridge cases were found at the scene or behind a nearby barn.

None of the three victims was armed.

Property involved in the boundary line dispute approximated one-sixteenth of an acre along a ditch or gully and, according to testimony heard in a civil action in circuit court was worth at the most \$250.

At the examining trial both Ray Salisbury and Mrs. Darlene Martin, brother and sister of the accused man, denied they had heard their brother speak of the shooting. Asked directly by Commonwealth's Attorney Stumbo if she did not recall telling him that Roy had told her he had "shot some people," Mrs. Martin said, "I don't remember what I said . . . I don't remember."

Ray Salisbury testified that his (See Story No. 1, Page 3)

FLOYD SCHOOLS WIN MUSIC FEST HONORS

Floyd county schools took their full share of regional music festival honors at Pikeville in both the session, April 15, and the choral and vocal section, April 24.

(Continued from Page 1)
 brother came across the highway at Drift, between 7 and 8 p.m. the day of the shooting, as Ray was closing his barber shop. He said he asked Roy if he had been to church (a revival was being held in the vicinity), and that Roy said there had been trouble. "and I want you to take me to Prestonsburg to jail." He said his brother did not tell him what had happened and added that there was no conversation between them all the way here. "Roy just sat and stared," he said.
 A Sportsman Model 48 12-gauge automatic shotgun was produced in court as the murder weapon. Asked if the gun was his, Roy Salisbury said it was like one he owned but that the gun on exhibit bore initials which were not on his. He also failed to recall that the recoil pad was the same as the one on his gun. He said he would not say if the weapon was, or wasn't, his.
 Tom Salisbury, father of the accused man, told of seeing Combs and the Denneys at the scene, of going there with his wife and daughter. Roy Salisbury also was there, he said. "Everything was peaceable," there was no argument, he said, and they returned to his home. He said he was feeding livestock at the barn when he heard the shots—how many he could not say—and did not see the shooting or see his son with the shotgun. He added that he saw Roy going down the road after the shots had been fired but that he had no gun.
 C. B. Osborne testified that he was at the home of his sister, Mrs. Annabelle Hall, near the multiple slaying scene, told of seeing the Salisburys go to the place where the engineer was working. He said he heard none of the conversation if there was any. The Salisburys walked back to their home, 10 to 15 minutes later, then Roy Salisbury was next seen, a few minutes later, he testified, walking back toward where the three were, carrying what he thought was a gun. He said Salisbury walked out back of the barn and that he heard the shooting, saw Salisbury with a gun at his shoulder. Osborne said he heard shots—three, four or five, he could not say how many—then a pause, and more shots. He said he "believed" he saw one of the victims fall. After the shooting Roy Salisbury, he testified, walked back to his

father's home, following the route he took coming to the shooting scene.
 Osborne said he went to the home of Garfield Blankenship, 10 to 15 minutes later, and that Roy Salisbury came there but made no mention of the shooting. He said Roy later went over to the road, talked with his sister, and the two then went off down the road together.
 Burns Martin, attorney for Salisbury, objected to the hearing, pointing out that his client had waived the case to the grand jury and that there was no motion for bail. This objection and his motion for an examination to determine defendant's mental condition were both overruled by County Judge Henry Stumbo. Martin argued that hearing of Osborne's testimony was pointless, inasmuch as the Commonwealth had one or more affidavits signed by the witness and that the hearing "serves no useful purpose except to create prejudice against the defendant."
 County Attorney Barkley J. Sturgill explained that the hearing was held for the preservation of evidence. "The purpose of this examination," he said, "is to determine who committed the crime and the circumstances under which it was committed."
 The shooting created a furore of excitement throughout the county where all three victims and the accused man are widely related.
 Denney, an agriculture teacher at Maytown high school for about 20 years, was a son of Marion and Gertrude Denney, of Monticello, Kentucky. He attended Berea and Western State Colleges and received his B.S. and M.A. degrees at the University of Kentucky. He and Mrs. Denney were married in 1939. He was an officer in both the E.K.E.A. and K.E.A., secretary of the Floyd Conservation District, took an active part in the Future Farmers of America, was a Navy veteran of World War II and had represented the Woodmen of the World Life Insurance Society the last 11 years.
 He leaves twin daughters, Madge Ruth Dawn and Cecilia Rita Ann Denney, his parents and the following brothers and sisters: Haskell, Thomas, Ernest, Jep and Don Denney, Mrs. Arthur Jones, Mrs. Fay Ramsey and Mrs. Ronald Bertram, all of Monticello, Mrs. Hugh Baker, of Louisville, and Mrs. Grady Lyons, Richmond, Indiana.
 Mrs. Denney was a daughter of Mrs. Cicely Turner and the late W. J. Turner. She was a graduate of the University of Kentucky with a B.S. degree in home economics and after her graduation taught at McDowell high school. Besides her mother and twin daughters, she is survived by three brothers and three sisters: Ernest, Raymond and Roe Turner; Miss Madge Turner and Mrs. William Arrowood, all of Drift, and Mrs. William Martin, of Martin.
 Mr. Combs was a member of the Combs Engineering Company at Langley and was a son of Mrs. Octavia Allen Combs and the late Townsel Combs. He was a graduate of Berea Academy and the University of Kentucky where he received his degree in civil engineering after his return from service in World War II. He was with the 41st Infantry division in the New Guinea and Philippines campaigns and after the war did garrison duty at Hiroshima. At Langley he was associated with his brother, Townsel Allen Combs, in the engineering business, and after the death of Alan Reed had been associated with the Prestonsburg Engineering Company which Reed headed.
 Besides his mother, he is survived by his widow, Mrs. Allene Hayes Combs, one daughter, Patricia Allen Combs, and three brothers, Townsel A. Combs, Langley, Carl Lamar Combs, Sadieville, Kentucky, and Dr. Gene N. Combs, Pikeville.
 His funeral was conducted Sunday afternoon from the Maytown Methodist Church by the Revs. Logan Whalen and Leroy Saunders. Burial was made in the Allen cemetery, near Eastern, under direction of the Hall Brothers Funeral Home.
 Active pallbearers were Carl Hayes, Bill Ray Hayes, Edwin Stewart, Miles McGarey, William F. Warrick, Frank Gobie, John Thomas Hill, George E. Allen, Wonnie Garrett and Denny Warrick.
 Honorary pallbearers: Dr. Claude L. Allen, Paul Borders, Oliver Adkins, Alto Lovely, James W. Hall, David Reed, John P. Sammons, William Ratliff, Frank Heinze, George Lee Shannon, Tom Bingham.
 Last rites for Mr. and Mrs. Denney were held Sunday morning from the First Baptist Church at Martin, the Revs. Cohen Campbell and Robert Martin officiating. Burial was made in the Turner family cemetery at Drift, Hall Brothers Funeral Home directing. Military honors were accorded Mr. Denney by John B. Reynolds Post No. 283, American Legion.
 Active pallbearers at the joint funeral were Harry Bailey, Ed Stewart, T. C. May, Kedrick Blevins, Girdle Moore, Lawrence Hale, James Allen, R. C. Barnett, Thomas Patrick, J. B. Clarke, Henry Stumbo, Charles Clark, Lloyd Wells, Ervin Akers, Francis Akers, Sam Martin, Champ Gibson, William B. Martin and L. R. Johnson.

Municipal Parking Lots Construction Okehed; Options Being Sought

Congressman Carl D. Perkins notified Prestonsburg officials Tuesday that the Community Facilities Administration has approved construction of two municipal parking lots here in connection with the urban renewal plan for Prestonsburg and will purchase \$100,000 of the total of \$193,000 bonds to finance the improvement.

The \$100,000 participation of the Community Facilities Administration is technically known as a public facilities loan. The remaining \$93,000 worth of bonds are to be sold locally. Fifty thousand dollars' worth of the bond purchase already has been locally subscribed.

Involved in the urban renewal work are two projects—the Courthouse Square and the Central Business District. Purchase of the old courthouse property already has been negotiated with the Floyd fiscal court. Options also have been procured on two other properties. Options are being sought on two others.

Clifford B. Latta, executive director of the Prestonsburg Municipal Housing Commission, said acquisition of all needed property is desired through negotiation. He added, however, that acquisition will be effected either through negotiation or condemnation proceedings.

"We are awaiting final approval from Atlanta and for an advance of temporary loan funds before beginning the actual acquisition of property," he said.

The WAVES were formed in 1942 when the Navy faced an expansion of fantastic proportions. The enlisted women and women officers of the WAVES soon won an enviable reputation for devotion to duty and willingness to undertake any job within their physical capability so a man in the Navy might be freed for combat duty.

SPORTS CHATTER

The Prestonsburg high school All-Sports Banquet will be held in the school lunchroom, Monday, May 11, at 6 p.m. Letter-winners in football, basketball, baseball, track and golf will be honored. Speaker for the event will be Joe Billy Mansfield, assistant commissioner of the Kentucky High School Athletic Association.

On the baseball scene, the Black Cat baseball team ran its record to 4-1 with a doubleheader triumph over Martin, last Friday. Saturday the Cats tangle with Vinson high, of Huntington, West Virginia, on the Auxier diamond in a doubleheader.

Qualifying for the regional track meet will take place in Prestonsburg at 6 p.m. on Thursday, May 14, and the finals will be held on the following day at 2 p.m.

Six top winners in each event will enter the finals. The pole vault will start at 9 feet; high jump at 5 feet, and the discus must be tossed 100 feet, the shot 40 feet and broad jump must be over 18 feet to qualify.

NEW GROUP TO AID ARH

Hospital Development Organization Object; Pick Spradlin As Sec'y.

Further development of Appalachian Regional Hospitals, which operates five community hospitals in Eastern Kentucky, is the objective of a newly organized council of 14 members representing Kentucky business, industry and professions.

The development council was organized Monday at Harlan. Elected president was Wilson W. Wyatt, of Louisville, former lieutenant governor of Kentucky. Lee Crutchfield, Hazard automobile dealer, was named vice-president, and Glenn C. Spradlin, president of the First Guaranty Bank at Martin, was chosen secretary.

ARH, a non-profit, non-sectarian organization, operates hospitals at McDowell, Harlan, Hazard, Middlesboro and Whitesburg. The hospital's formerly were owned by the Miners Memorial Hospital Association.

ARH plans to acquire five more MEMHA hospitals in Kentucky, West Virginia and Virginia on July 1.

A principal objective of the Council is to work with Dr. O. J. Wilson, assistant executive director of ARH, in raising \$4,200,000 to finance 13 ARH training programs for physicians and paramedical personnel over the next five years.

Dr. Wilson, who is in charge of ARH development and education, said the council represents another effort "to find solutions to the staggering problems which afflict the entire Appalachian region and whose blight has been so widespread in scope and so long in duration as to affect seriously the health of a large segment of our people."

Dr. Karl S. Klucka, executive director of ARH, expressed belief the council was the first of its kind organized in the United States to help develop a regional hospital system.

Other members of the council are: C. E. Beane, Pikeville, president of District 30, United Mine Workers of America; Robert B. Begley, of Richmond, president of Begley Drug Co.; Kendall Boggs, of Whitesburg, superintendent of Letcher county schools; Mrs. Danii C. Byck, of Louisville, president of Byck's Department store; Alex S. Chamberlain, of Louisville, president of Ashland Oil Co.; Farmer Chappell, of Harlan, president of Chappell Dairies; Dr. Meredith J. Evans, of Middlesboro, ARH chief of surgery; Mrs. Maurice Kaufmann, wife of a Lexington physician; James Thompson, of Louisville, president of Old South Life Insurance Co.; Fred B. Wachs, publisher of the Lexington Herald and Lexington Leader; and John M. Ward, of Pikeville, publisher of the Pike County News.

Mr. and Mrs. Carl Riffe returned home Wednesday from Lexington where Mr. Riffe recently underwent minor surgery at Central Baptist hospital.

Funeral rites were conducted Monday at 2 p.m. from the graveside, the Rev. Robert Daniels and others officiating. Burial was made in the Ben Johnson cemetery at Wales under the direction of Merion Funeral Chapel.

Only 50 percent of the green portion of a blade of grass should be removed each time you mow, says UK horticulturalists. The green blades of grass manufacture food for the plant; if 90 percent of the blade is removed, root growth stops for several days or even weeks.

Egg prices are expected to reach a seasonal low in May or June and then rise slightly. However, egg prices probably will be lower than those last year through the first half of 1965.

THOMAS C. HILL, WINNER OF MERIT SCHOLARSHIP

Thomas Clark Hill, son of Mr. and Mrs. Lon C. Hill, of Millory, W. Va., formerly of Prestonsburg, is one of the 1964 winners of a National Merit Scholarship resulting from nationwide competition which began in March, 1963, with 700,645 students in 16,577 schools taking part.

As a Merit Scholar young Hill was entitled to a scholarship to Michigan State University, but he rejected this grant to accept a General Motors scholarship to Western Reserve University, Cleveland, Ohio.

Since his acceptance of the General Motors scholarship precludes his accepting Merit monetary assistance, he is officially designated as an Honorary Merit Scholar. He chose Western Reserve to major in chemistry and prepare for a career as a research chemist.

The first examination taken by Hill and all those entering the Merit Program competition was a three-hour test of educational development which had been specially designed for the program by Science Research Associates. It covered the areas of English usage, social studies reading, national sciences reading, mathematics usage and word usage.

About 13,000 students emerged from this test as semi-finalists. These later were required to take another examination of three hours' duration.

Mrs. Edith H. Mullins, of Wayland, died Sunday at the Paintsville hospital following a brief illness. A brain blood clot was given as the cause of death.

Mrs. Mullins was the wife of Troy Mullins, who survives, and a daughter of the late I. N. Hall and Rebecca Clark Hall. She had no surviving children.

Surviving brothers and sisters are Earl Hall, I. N. Hall, Jr., Ida Hall and Mrs. Ruth Ratliff, all of Banner, and Mrs. Josephine Akers, Warren, Michigan.

Funeral rites were conducted Tuesday at 10:30 a.m. from the Stone Coal Regular Baptist church, the Revs. Fred McGinnis, Charles Galen, Earl Lawson and Bert Howard officiating. Burial was made in the Davidson Memorial Gardens at Ivel under the direction of Hall Bros. Funeral Home.

A. L. Gearheart Dies In Denver, Colorado; Was Hueysville Native

Mrs. Stephens Initiated Into Honorary Society

Mrs. Armita Clarke Stephens was among those initiated into Alpha Gamma chapter of Kappa Delta Pi, education honorary, at its annual dinner, March 14, at the University of Kentucky Student Center. Dr. A. D. Albright, executive vice-president of the University, was the speaker.

Mrs. Stephens, a senior at U. K. and a math and German major, is a member of Cwens, national honor society. She is the daughter of Mr. and Mrs. Arnold Clarke, of Prestonsburg.

CARD OF THANKS

I wish to express my deep appreciation to the many friends for their kindnesses shown me in the recent death of my husband.

MRS. CHARLES CONLEY

TWO TOWNS OF AREA VISITED BY JOHNSON

President Lyndon B. Johnson's tour of a section of depressed Eastern Kentucky Friday was featured with a depth of warmth that he had scarcely experienced anywhere else.

Along the highway between Paintsville and Inez placards by the hundreds were displayed bearing the legend, "We're for you, Mr. President, because you are for us." A woman at Inez grabbed the Chief Executive and with her arms around his neck, exclaimed: "We're sure glad you're here." The wife of a Floyd county deputy sheriff broke through security lines at Paintsville and shook hands with him to the dismay of her officer-husband.

It was like a triumphal march, newsmen said, but the exhibits of deep poverty along the highway depressed the group riding with him. At Inez the crowd was estimated as high as 4,000; at Paintsville, it was much larger. Schoolchildren, many of them in rags, lined the streets of Inez.

The shacks on the highway touched Johnson, who commented that the income of these people is only a fraction of the national average.

Labor Secretary W. Willard Wirtz, who accompanied the President, remarked that nobody was asking for anything.

"They have so little to build with," Wirtz said, "but they seem determined and self-reliant."

At Inez, Johnson met poverty, face to face, on the front porch of a home where there were representatives of two families with a total of 11 children. Combined income of the two families is \$2,000 annually. One of the two, that of Thomas Fletcher, with eight children, has an income of only \$400 a year.

Fletcher told Johnson that he earned the small income by picking up coal at abandoned mines and that he had to take his children out of school because of his need.

Later the President chatted briefly with Fletcher's neighbors, Mr. and Mrs. Noah Bowen, and their three children. Bowen, a former railway worker and now tubercular, told the President he works occasionally, earning \$1,600 last year.

Secret Service men kept the crowd about 20 feet away from the house where he met the Fletchers and Bowsens. The conversation was carried on in low tones. The president's wife, Lady Bird, also chatted briefly with the two families.

Johnson, rising to leave, shook hands all around, said: "Be seeing you . . . good bye."

The President walked a few feet away, turned and went back to Fletcher, and said: "What I want you to do for me is to keep those kids in school. I mean the girls, too, not just the boys."

In the heart of the town of Inez the President left his car and plunged into the crowd, shaking hands all around. People had picked the main street from curb to curb.

A few minutes later, a helicopter picked the President up and flew him away.

Inez had had its day in history thousands who were seeing a and the excitement rocked the President for the first time.

"We think it was about as much excitement as when we won the state high school basketball tournament in 1954," said Russell Williamson, school principal.

Which, of course, was the highest standard by which the Inez residents could attempt to measure excitement.

Prestonsburg Woman Victim in Michigan

Mrs. Ezra Frye, mother of Mrs. Mary Jane Harkins died Friday of a stroke at her home in Birmingham, Michigan.

Mrs. Harkins and daughter, Mrs. Charles Wiechers, of Lexington, left by plane to attend the funeral and be with her father. Mrs. Frye had visited on many occasions here where she had many friends. The funeral was held Monday at the Hamilton-Bell Funeral Home in Birmingham.

Girls making and modeling dresses were: Blue ribbon winners—Carla Robinson, Glenna Cooley, Bonnie Crisp, Debra Sammons, Sheila Cecil.

The following girls were unit winners and will exhibit their garments at the State Fair in Louisville: Reba Lois Ratliff, apron; Glenna Robinson, skirt-blouse; Glenda Moore, skirt-blouse; Linda Sue Allen, play clothes; Carla Robinson, dress; Bonnie Crisp, dress; Debra Sammons, mix and match outfit.

The Style Review winner, who will represent Floyd county at the state 4-H conference, is Bonnie Crisp, of Martin.

London, Ky.—Farmers of the five-county area around this Eastern Kentucky town are looking hopefully toward a new income source. It is the Avalon Cheese Co., Inc., of London—a new plant that opened recently to receive what the trade calls "manufacturing milk."

Engagement Announced

Announcement is made of the engagement of Miss Barbara Lumpkin, daughter of Mr. and Mrs. Russell Lumpkin, Wilmington, Ohio, to Mr. Ira Rodney Click, son of Mrs. James Click, of Langley, Kentucky, and the late Mr. Click.

A graduate of the Bethesda Hospital School of Nursing, Cincinnati, Ohio, Miss Lumpkin is employed at Greene Memorial hospital, Xenia, Ohio.

Mr. Click was graduated from Maytown high school, served four years in the United States Air Force and is now associated with the Pittsburgh Paint & Glass Company, Dayton, Ohio.

The wedding will be solemnized July 12 in the Wilmington, Ohio, Methodist Church.

FUND QUOTA IS TRIPLED

Mrs. Burchett Notes Kennedy Library Drive Successful in Floyd

Mrs. W. W. Burchett, chairman of the Floyd county John F. Kennedy Appalachian Memorial Fund drive to help finance construction of a Kennedy memorial library building at West Liberty, announced Tuesday that the county has more than tripled its quota.

Reporting Floyd contributions as totalling \$344.62, she mailed John B. Breckinridge, Lexington, state chairman, a check in that amount. The county's quota was \$100.

Two schools made outstanding contributions to the fund, Mrs. Burchett said. Prestonsburg high school added \$62, and McDowell high school, \$40. Richmond Stone, member of the committee working with Mrs. Burchett, led the work in the schools, and Mrs. Elmer Collins assisted in a material way, the chairman said. David W. Allen handled drive publicity.

State Chairman Breckinridge will report results of the statewide drive to Governor Breathitt at a conference on libraries at the Holiday Inn, Frankfort, May 9. Mrs. R. V. May, chairman of the Floyd County Library Board, will participate in the discussion group at the luncheon sponsored by Friends of Kentucky Libraries, and Mrs. Burchett will be a guest.

MR. NOLAN

Inspector-in-Charge Eugene Pinson and Regional Director Joe Nolan will be special guests of the annual state convention of Kentucky postmasters at May Lodge, Jenny Wiley State Park. Mr. Pinson will speak at the Tuesday luncheon meeting, and Mr. Nolan at the banquet closing the convention that evening. Mr. Pinson is a native of Pike county, taught there before entering the postal service, and

now is postal inspector-in-charge of the Cincinnati division which embraces the states of Kentucky, Ohio and Indiana. Mr. Nolan, a former inspector, became regional director in 1961. He also is a native Kentuckian. Since 150 reservations had already been made as of Wednesday, attendance at the convention is certain to be the largest recorded by the group.

Soil Conservation

By WM. HENRY AMOS, JR., Work Unit Conservationist

Oliver Marshall, of the Van Lear community, has developed a soil and water conservation plan for his 150-acre farm.

Maps with technical soils information, aerial photos for use record, and technical assistance by Henry Amos were furnished by the Floyd County Soil Conservation District.

Marshall's major enterprises will be pasture and beef. Only a small acreage of corn will be grown, continuously on Class I land, followed by fescue cover crop at the last cultivation.

Other practices that Marshall plans to install on his farm as a result of his soil and water conservation plan are: Establishing a grassed waterway, seeding of additional permanent pasture with grass legume mixture on land that was idle, and pasture renovation where legume stand has become thin.

Marshall is very conscious of the need for soil conserving practices and is doing an excellent job of conservation farming. He practices good woodland management, by protecting from fire, from grazing and cutting trees on a selective basis.

SHAY, CAN YOU SEE?

Did you hear (writes my friend) about the drunk driving in the wrong direction, down a one-way street? A policeman stopped him and demanded to know, "What's the matter with you—didn't you see all those arrows?"

"Arrows?" replied the soak. "What arrows? I didn't even see any Indians!"

DEFINITIONS

Another friend sends me a clipping from a Charleston, South Carolina newspaper with a dictionary of what he calls "Charlestonese." Here are a few:

- ABODE—wooden plank.
- A BOOT—approximately.
- AIN'T—sister of one of your parents.
- BONE—blessed event, i.e., "I was bone in the South."
- COAT—where the judge is.
- DEBUG—hailed.
- FEEL—an open space.
- FLOW—what you stand on in the house.

Take a good, long look at the dogwood and all these other springtime beauties. They won't last long. And, at that, they may outlast some of us.

W.M.S. MEETS

Mrs. Clifford Baldrige was hostess to the April 23 Woman's Missionary Society of the First Church of God installation meeting at her home here.

Mrs. Ben Fraley, Jr., president, gave the introduction and Miss Anna Woods led in prayer. A business session was conducted. Minutes of the previous meeting were read by Mrs. Douglas George and Mrs. Lloyd Brown gave the financial report. A table, spread with a white cloth, held a worship setting composed of a tall white candle symbolizing Christ. An assortment of well-worn shoes, symbolic of the service given by those who have been in office, and are transferring their responsibilities to others, and a new pair of shoes representing the new officers who will guide the group, were parts of the setting.

Officers elected for the coming year are Mrs. Rebecca Vaughan, president; Mrs. Vida Fraley, vice-president; Mrs. Peggy George, secretary; Mrs. Mabel Brown, treasurer; Mrs. Myrtle Hunt, historian; Mrs. Goldia Baldrige, parliamentarian; Mrs. Mary Jane Brown, publication; Mrs. Pauline Rigney, spiritual life director; Mrs. Della Herald, stewardship; Mrs. Roberta Taylor, membership director; Mrs. Edward Music, missionary education.

Refreshment were served by the hostess to Mrs. Alvin Taylor, Mrs. Lloyd Brown, Mrs. Douglas George, Mrs. Coy Rigney, Mrs. Ballard Herald, Mrs. Garland Vaughan, Mrs. Henry Holbrook, Mrs. George D. Brown, Miss Anna Woods, Miss Myrtle Pugsley, and Mrs. Ernest Baldrige, a visitor. The next meeting will be held May 28.

The WAVES became a permanent part of the U. S. Navy in 1948 when President Truman signed a bill, passed by Congress in June of 1948, giving them a role in the national defense. In 1952, the Navy authorized appointment of qualified enlisted women to commissioned officer grade.

The New Frontier Comes To An Old Frontier

The President of the United States came to Eastern Kentucky last week to see for himself a part of the nation which never before had been visited by a President and to learn, first-hand, of at least some of the problems of this area, which, with Alaska, belongs in a sense to the category of America's Last Frontier.

So doing, he fulfilled the late President Kennedy's assassin-thwarted plan to come to this region.

On his return to Washington President Johnson announced that he will ask the Congress for a four-billion-dollar appropriation to finance the Appalachian Plan. He in all probability would have espoused the region's cause, even had he never come here; but, having come and looked upon the undeniable needs of the region, his determination to help will be all the greater and his great ability to convince others of this need will be increased.

There are some who would deny that Appalachia has need of such a program. If this were a mere handout which would fail to put able-bodied men to work, offering no more than a wretched existence for human beings with a subsistence program and providing nothing on which to build a greater Eastern Kentucky, we, too, would oppose it.

But we believe the program proposed is basic to the needs of the entire region and is necessary if Appalachia is not to remain an economic and sociological slough of despond. Flood control, a vast system of highways, reforestation, conservation and utilization of natural resources are necessary to physical development. Technical training of residents of the section in order to develop agricultural, forest and mineral products is a must. The uplift of mind and spirit is necessary if new generations are to shake the shackles of the old.

It is true that over the years many have lost the old spirit of self-reliance and the will to do for themselves. But this onus cannot be branded upon every inhabitant, or even on the majority of the inhabitants, of Appalachia. It also is true that bank deposits prove that there is a lot of money in Eastern Kentucky, that it's mainly a problem of distribution. Better and more roads, flood protection, coal, timber and agricultural research, technical know-how—these will help increase the sum total of capital in the region and will also serve to distribute it among the thousands instead of the hundreds.

The Kentucky Labor News recently answered this pet claim of opponents to regional development through federal aid when, replying to the claim that there's plenty of money, that it's mainly a matter of distribution, it said, in effect, "We never pass Fort Knox without being reminded of this."

Eastern Kentucky and Appalachia are not beggars with tin cups in hand. They have crying needs, they recognize them and they see that their hope of solving their generations-old problems lies in the huge resources of the national government. But it will not be a giveaway. The area will repay America richly in productivity, new vision, initiative and the taxes which greater earnings produce.

We are glad President Johnson came among us. We appreciate, as he surely does, the genuine mountain welcome with which he was received. We hope he looks this way often.

Former Jenkins Coal Official
Buys Ancestral Fayette Land;
Descendant Of Boone Companion

Sam M. Cassidy, formerly of Jenkins, now vice-president of the Consolidation Coal Company, Pittsburgh, last week bought for \$105,000 the home near Lexington in which he was born, with approximately 110 acres of surrounding land. The farm was purchased from Mrs. Porter Land and is on the Athens-Boonesboro road in Fayette county.

It was next owned by Essie Lyle Cassidy, mother of the purchaser of the property.

Her family sold the property to the Land family, from whom Mrs. Land acquired it.

The house figured prominently in early Fayette history, especially during the days of Indian troubles. A creek running through the property, Boggs' Branch, named for Boggs, was valued as a water source for settlers and stock.

A cave located directly under the residence was used as a refuge during the Civil War, when valuables were stored there to protect them against looting and when members of the family hid there to protect themselves from injury during Gen. John Hunt Morgan's advance from Richmond.

Cassidy, during years previous to his purchase, has improved and restored the original Boggs family graveyard there.

The original slave quarters near the main house, which is constructed of stone, have been restored and are used as tenant quarters.

ORDINANCE NO. 7-64

An Ordinance of the City of Prestonsburg, Kentucky, Combining the Municipally Owned Natural Gas Distribution System With the Previously Combined and Consolidated Municipal Waterworks and Sewer System So As To Create and Establish a Single Municipal Water, Sewer and Natural Gas System As a Revenue-Producing Public Project of Said City, and Authorizing the Issuance of Said City's "Water, Sewer and Natural Gas System Revenue Bonds," Payable As To Principal and Interest Solely From the Revenues Thereof; Providing for the Collection, Segregation and Distribution of the Revenues of Such Combined and Consolidated Water, Sewer and Natural Gas System for the Security and Source of Payment of Said Bonds (But in Full Recognition and Acknowledgment, Nevertheless, of All Liens, Pledges, and Other Security Rights Previously Created for the Security and Source of Payment of Said City's Issued and Outstanding "Water Works Revenue Refunding Bonds," Dated August 1, 1944, and Said City's Issued and Outstanding "Water and Sewer Revenue Refunding Bonds," Dated November 1, 1962, So Long As Any Thereof Shall Remain Outstanding and Unpaid; Prescribing Conditions and Restrictions Applicable To the Issuance of Additional Bonds Payable From the Revenues of Said System; and Providing for An Advertised, Public, Competitive Sale of the Bonds Herein Authorized.

WHEREAS, the City of Prestonsburg, Floyd county, Kentucky, has long owned and operated as municipal, revenue-producing undertakings the properties, installations and facilities providing water service, sanitary sewer service, and natural gas distribution service (the source of natural gas supply being contractual, and not municipally owned), and in connection therewith:

(a) By a certain Ordinance adopted and approved June 19, 1944, authorized its non-callable \$117,000 "City of Prestonsburg Water Works Revenue Refunding Bonds," dated August 1, 1944, which bonds were thereafter sold and issued, and of which \$43,000 remain outstanding and unpaid, without default, at the date of the adoption of this Ordinance, entitled to a separate accounting of water revenues and secured by a first lien and charge thereon;

(b) By a certain Ordinance adopted and approved December 4, 1950, authorized its \$22,000 "City of Prestonsburg Sewer Revenue Refunding Bonds," dated February 1, 1951, all of which were thereafter sold and issued, but have been redeemed, said, cancelled and retired as hereinafter recited;

(c) By an Ordinance adopted and approved October 24, 1956, combined the properties, installations and facilities providing water and sewer services in the establishment of the combined and consolidated municipal water works and sewer system; and by said Ordinance authorized its \$560,000 "City of Prestonsburg Water and Sewer Revenue Bonds," dated November 1, 1956, in full recognition and observance of the lien upon and pledge of the water revenues previously created for the security and source of payment of the aforesaid "Water Works Revenue Refunding Bonds," dated August 1, 1944, all of which bonds were thereafter sold and issued, a portion of the proceeds applied to the redemption, payment, cancellation and retirement of the aforesaid "Sewer Revenue Refunding Bonds," dated February 1, 1951, and the remainder of the proceeds applied to defraying the costs of improvements to said combined and consolidated water and sewer system; and of which bonds \$22,000 have matured and been paid, without default, at the date of adoption of this Ordinance, leaving \$538,000 thereof outstanding and unpaid, secured by and payable from a first lien upon and pledge of sewer service revenues, and a second lien upon and pledge of water service revenues; and same have been called for redemption;

(d) By another Ordinance adopted and approved October 24, 1956, created and established a "Utility Commission" of the City, and vested therein full authority to manage, control and operate the combined and consolidated municipal water and sewer system, and the municipal natural gas distribution system, subject to the provisions of controlling Ordinances, contracts and commitments of the City in connection therewith;

(e) Has submitted to various appropriate Agencies of the United States applications for grants and loans in aid of a municipal and public project within the meaning and application of existing laws, for improvements to the municipal utilities (the Project) according to plans and specifications prepared for the City by Howard K. Bell, Consulting Engineers, Lexington, Kentucky;

(f) Has obtained from the Housing and Home Finance Agency of the United States an "Offer," dated November 19, 1962, which was accepted by the

City by proper action of the Mayor and City Council on November 21, 1962, and thereby became a "Loan Agreement" as herein provided; wherein and whereby said Agency agreed (subject to specified conditions) that if the City should combine the municipal natural gas distribution system with the previously combined and consolidated municipal water and sewer system, and authorize and offer at public sale the City's \$538,000 "Water, Sewer and Natural Gas System Revenue Bonds," as hereinafter authorized, said Agency guaranteed to appear at the public offering of said Bonds and submit a proposal for the purchase thereof upon prescribed terms and conditions;

(g) Has obtained from Agencies of the United States Government under existing laws various grants in the aggregate amount of \$534,250, in aid of the proposed undertaking, which will, together with the proceeds of Bonds issued by the City according to said Loan Agreement, provide to the City adequate funds to give proper assurance that the Project can and will be completed and paid for;

(h) Has heretofore made effective certain ancillary Ordinances which are in full force and effect and show compliance by the City with certain specified conditions of the aforesaid Loan Agreement, the same being identified as (i) Ordinance No. 12-62, adopted July 19, 1962, as amended by Ordinance No. 2-63, adopted February 21, 1963, in substance providing, inter alia, for the creation of a Construction Fund for the deposit from time to time of moneys received from all sources for the construction of the Project, making provision for the security and investment thereof, and prescribing conditions relating to disbursements therefrom; (ii) an Ordinance adopted December 29, 1962, establishing rates and charges for use of the services and facilities of the combined and consolidated water, sewer and natural gas system; and (iii) an Ordinance adopted December 29, 1962, mandatorily requiring that sanitary sewer facilities of said combined and consolidated system when the same are capable of receiving flowable wastes; and

(i) In order to take advantage of unusually advantageous interest rates then available, and in order to obtain a substantial saving in interest cost, by a certain Ordinance adopted on October 15, 1963 (Ordinance No. 14-63), subsequently submitted to and approved by the Mayor and thereafter duly published and made effective, provided for the so-called "advance refunding" at November 1, 1966, (the earliest permissible redemption date) of the then outstanding \$538,000 "City of Prestonsburg Water and Sewer Revenue Bonds" of the series authorized and issued pursuant to the aforesaid Ordinance adopted on October 24, 1956 by authorizing and thereafter issuing the City's \$623,000 "Water and Sewer Revenue Refunding Bonds" dated August 1, 1944, as may be outstanding and unpaid from time to time pursuant to the City Ordinance, referred to in the preamble hereof, adopted and approved June 19, 1944;

(j) "1944 Ordinance"—the City Ordinance, referred to in (g) above;

(k) "1944 Bond Fund"—the "Water Works Revenue Refunding Bond and Interest Redemption Fund," created and established in the 1944 Ordinance;

(l) "1944 Depreciation Fund"—the "Waterworks Depreciation and Reserve Account," provided for in the 1944 Ordinance;

(m) "1956 Bonds"—such "City of Prestonsburg Water and Sewer Revenue Bonds," dated November 1, 1956, as may be outstanding and unpaid, from time to time, pursuant to the provisions of the Ordinance adopted and approved October 24, 1956, authorizing the issuance of the City's bonds, as so designated (provision for the payment and redemption thereof with interest and redemption premium in full, having been made as recited in the preamble hereof);

(n) "1956 Ordinance"—the City Ordinance, referred to in (k) above;

(o) "1956 Revenue Fund"—the "City of Prestonsburg Water and Sewer Revenue Fund of 1956," created and established in and by the 1956 Ordinance, and expressly continued under the same designation in the aforesaid Ordinance which was adopted October 15, 1963, authorizing the issuance of the City's "Water and Sewer Revenue Refunding Bonds" dated November 1, 1962;

(p) "1956 Bond Fund"—the "City of Prestonsburg Water and Sewer Revenue Bond and Interest Redemption Fund of 1956," created and established in and by the 1956 Ordinance, and expressly continued under the same designation in the aforesaid Ordinance which was adopted October 15, 1963, authorizing the issuance of the City's "Water and Sewer Revenue Refunding Bonds" dated November 1, 1962;

(q) "1962 Bonds"—the "Water and Sewer Revenue Refunding Bonds," dated November 1, 1962, issued and outstanding pursuant to the aforesaid Ordinance adopted October 15, 1963;

(r) "1962 Ordinance"—the City Ordinance No. 14-63, adopted October 15, 1963, authorizing the issuance of the City's "Water and Sewer Revenue Refunding Bonds" dated November 1, 1962, which was accepted by the

City by proper action of the Mayor and City Council on November 21, 1962, and thereby became a "Loan Agreement" as herein provided; wherein and whereby said Agency agreed (subject to specified conditions) that if the City should combine the municipal natural gas distribution system with the previously combined and consolidated municipal water and sewer system, and authorize and offer at public sale the City's \$538,000 "Water, Sewer and Natural Gas System Revenue Bonds," as hereinafter authorized, said Agency guaranteed to appear at the public offering of said Bonds and submit a proposal for the purchase thereof upon prescribed terms and conditions;

in interest cost to the City, over the life thereof, of approximately \$100,000;

AND WHEREAS, the City is authorized by law to combine the municipal natural gas distribution system with the previously combined and consolidated water works and sewer system, so as to create and establish a combined and consolidated water, sewer and natural gas system, and to issue its bonds payable from the revenues thereof, subject to and in full recognition of all pledges, liens, and other security rights previously created for the security and source of payment of said previously issued and outstanding bonds, as contemplated by said Loan Agreement; and

WHEREAS, contracts for the construction and installation of the contemplated improvements, additions and extensions have been awarded after due solicitation of competitive bids upon due advertisement according to law, and construction is in progress, and it is necessary, proper and in order that the Mayor and City Council proceed in the manner hereinafter provided;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PRESTONSBURG, KENTUCKY, DOES HEREBY ORDAIN, AS FOLLOWS:

SECTION 1. In the interest of brevity, clarity, and convenience of reference, certain terms, phrases and abbreviations are used in this Ordinance; and in each use thereof there shall be the meaning, unless the context shall clearly indicate a contrary meaning or interpretation, in which event the context shall be controlling:

(x) "Combined water and sewer system"—"water and sewer system"—the municipally-owned properties providing water service and sewer service, as the same were combined in and by the 1956 Ordinance, the revenues of which shall be subject to a separate accounting for the security and source of payment of the 1962 Bonds (subject to the prior separate accounting of water revenues for the security and source of payment of the 1944 Bonds);

(y) "System" (without other identification)—the municipal combined and consolidated water, sewer and natural gas system, hereinafter created and established;

(z) "Project"—the improvements and extensions contemplated by the Loan Agreement.

SECTION 2. Said City hereby recognizes and acknowledges that it has previously created for the benefit and protection of the owners and holders of the aforesaid "Waterworks Revenue Refunding Bonds," dated August 1, 1944 (the "1944 Bonds"), as more particularly identified in the preamble of this Ordinance, certain liens, pledges, and security rights relating to the City's municipal Water Works and System, all as set forth in said bonds and in the Ordinance adopted on June 19, 1944, authorizing the issuance thereof; and it is recognized and acknowledged that there shall be a separate accounting at all times of the income and revenues produced by the operation of those facilities of the System providing water service, and that said liens, pledges, and other security rights are with respect to such income and revenues, prior and superior to any and all rights, pledges and other security rights hereinafter created in connection with the issuance of said City's Bonds, until such time as said previously issued and outstanding 1944 Bonds shall have been fully paid, both principal and interest, in accordance with the terms thereof.

SECTION 3. Said City hereby further recognizes and acknowledges that by the 1956 Ordinance the municipal properties, installations and facilities providing water service and sanitary sewer service were combined in the creation and establishment of a municipal combined and consolidated water and sewer system, that authorization was therein given for the issuance of the City's "Water and Sewer Revenue Bonds," dated November 1, 1956 (the "1956 Bonds"), payable as to principal and interest solely from the revenues of such combined and consolidated water and sewer system; that the 1956 Bonds were thereafter issued, and a portion thereof remain outstanding and unpaid at this time; PROVIDED, HOWEVER, (as recited in the preamble hereof), said City has discharged in full all of its contractual obligations to the holders of said outstanding 1956 Bonds by depositing in the 1956 Bond Fund, as maintained in the First National Bank of Cincinnati, Cincinnati, Ohio, and has caused to be invested and fully secured at all times an amount sufficient in the aggregate to provide for the payment, promptly when due, of all such outstanding bonds and interest coupons maturing on and prior to November 1, 1966, and has called for redemption and retirement on that date, in accordance with their terms and in accordance with the provisions of the 1956 Ordinance, all of such outstanding 1956 Bonds maturing on and after November 1, 1967, and has similarly deposited in said 1956 Bond Fund, and so caused to be invested and fully secured at all times a sum sufficient to provide for the redemption and retirement of the same on November 1, 1966, including the prescribed redemption premium. Accordingly, it is hereby determined and declared that said outstanding 1956 Bonds, and the interest coupons appertaining thereto, are no longer payable from the income and revenues of the municipal combined and consolidated water and sewer system nor secured by a lien or charge thereon.

SECTION 4. Said City hereby further recognizes and acknowledges that in and by the 1962 Ordinance it is provided that the municipal properties, installations and facilities providing water service and sanitary sewer service shall continue to exist and be operated as a municipal

combined and consolidated water and sewer system; that authorization was given in said 1962 Ordinance for the issuance of said City's \$623,000 "Water and Sewer Revenue Refunding Bonds," dated November 1, 1962 (the "1962 Bonds"), payable as to principal and interest solely from the income and revenues of such combined and consolidated water and sewer system; that said 1962 Bonds have been issued and are outstanding and unpaid at this time; and that for the security, benefit and protection of the holders thereof, and the holders of the interest coupons appertaining thereto, the City has created certain liens, pledges and other security rights (subject to the similar liens, pledges and other security rights heretofore created in the 1944 Bonds); and it is recognized and acknowledged that (subject to the separate accounting for water revenues as set forth in SECTION 2 hereof) there shall be a separate accounting at all times of the income and revenues produced by the ownership and operation of such combined and consolidated municipal water and sewer system; and all security rights with respect to such income and revenues, presently existing for the security and protection of the 1962 Bonds, are expressly recognized and acknowledged to be prior and superior to the liens, pledges and other security rights hereinafter created in connection with the issuance of the Bonds, until such time as said previously issued and outstanding 1962 Bonds shall have been fully paid, both principal and interest, in accordance with the terms thereof.

SECTION 5. The properties, installations and facilities of the municipally owned and operated natural gas distribution system of the City are hereby combined with the previously combined and facilities of the municipal water and sewer system so as to create and establish, and there is hereby created and established a municipal water, sewer and natural gas system of said City (the System). Authorization is hereby confirmed, as previously given for the undertaking and completion of the program for extensions, additions, improvements and enlargements of the works, installations and facilities of said System, as set forth and recommended in the report heretofore made by Howard K. Bell, Consulting Engineers, Inc., of Lexington, Kentucky, and as contemplated by the Loan Agreement, the costs thereof to be defrayed (to the extent not otherwise provided) from the proceeds of the "City of Prestonsburg Water, Sewer and Natural Gas System Revenue Bonds," hereinafter authorized (the "Bonds"), the same being sometimes hereinafter referred to in the aggregate singly as the "Project." Said System, as extended, added to, improved and enlarged by said Project, is hereby declared to be a "public project" within the meaning and application of Chapter 58 of the Kentucky Revised Statutes; and so long as any of the Bonds remain outstanding and unpaid said "public project" shall be continuously owned, maintained and operated by said City as a revenue-producing municipal and public undertaking for the security, source of payment, and protection of the owners and holders of the Bonds; but subject, nevertheless, to all liens, pledges and other security rights previously created for the benefit and protection of the 1944 Bonds and the 1962 Bonds, so long as any thereof remain outstanding and unpaid.

SECTION 6. In order to provide funds for the Project aforesaid (to the extent not otherwise provided), including all expenses in connection therewith, and all expenses incident to the issuance of the Bonds, there are hereby authorized to be issued five hundred eighty-six (586) negotiable coupon Revenue Bonds of the City, in the aggregate principal amount of Five Hundred Eighty-Six Thousand Dollars (\$586,000), each of which shall be designated a "Water, Sewer and Natural Gas System Revenue Bond."

SECTION 7. That said Bonds, hereby authorized, shall be numbered consecutively 1 to 586, inclusive; shall be of the denomination of One Thousand Dollars (\$1,000) each; shall be dated November 1, 1963, shall mature as to principal in various amounts on November 1 in each of the years 1966 to 2003, inclusive, as set forth in the schedule appearing below; shall bear interest from their date until payment of principal, such interest to the respective maturity dates to be represented by interest coupons attached to the Bonds, representing the accrual of interest semi-annually and maturing on May 1 and November 1 of each year, commencing May 1, 1964, said Bonds to bear interest at such coupon rate or rates (subject to the limitations hereinafter set forth in SECTION 10 hereof) as may be established by a supplemental ordinance upon the basis of competition among bidders upon the occasion of the advertised public competitive sale of the Bonds as hereinafter provided; the respective numbers and dates of maturity of the Bonds to be as set forth in the following schedule:

provided, however, that said Bonds numbered 22 to 586, inclusive (all Bonds maturing on and after November 1, 1974), shall be subject to redemption at the option of said City prior to maturity in whole, or from time to time in part in the inverse order of their numbers and maturities, on any interest payment date on or after May 1, 1974, and in the event any of said Bonds are called for redemption as aforesaid, notice thereof identifying the Bonds to be redeemed will be given by publication at least once not less than thirty (30) days prior to the redemption date, as follows:

3% if redeemed on or after May 1, 1974 to and including November 1, 1978.

2-1/2% if redeemed on or after May 1, 1978 to and including November 1, 1983.

2% if redeemed on or after May 1, 1983 to and including November 1, 1988.

1-1/2% if redeemed on or after May 1, 1988 to and including November 1, 1993.

1% if redeemed on or after May 1, 1993 to and including November 1, 1998.

(Without premium or additional interest if redeemed on or after May 1, 1999).

Both principal and interest shall be payable in lawful money of the United States of America at the principal office of The Bank Josephine, in the City of Prestonsburg, Kentucky, or, at the option of the holder, at the principal office of Manufacturers Hanover Trust Company, in the Borough of Manhattan, City and State of New York. Such of said Bonds as are issued in Coupon Form shall be executed by a reproduced facsimile of the signature of the Mayor of said City, sealed with a reproduced facsimile of its corporate seal, and attested by the manual signature of the City Clerk, and the interest coupons attached to said Bonds shall be executed with the facsimile signatures of said Mayor and said City Clerk. Such of said Bonds as are issued in the "Form of Fully Registered Bond," as hereinafter alternatively authorized, shall be executed by the manual signature of the Mayor of said City, and the corporate seal shall be physically impressed thereon and attested by the manual signature of the City Clerk. If any officer whose signature or a facsimile of whose signature appears on any Bond or coupon shall cease to be such officer prior to delivery, every such signature, or facsimile signature, shall nevertheless be valid and binding for all purposes, the same as if such officer had continued in office until the time of delivery of such Bond or coupon. The signature or a facsimile of the signature of any officer holding office at the time such signature or facsimile signature is caused to appear upon any Bonds or coupons shall be valid and sufficient for all purposes whether or not such officer or officers held said respective offices at the date of the Bonds. All of said Bonds, together with the interest thereon, shall be payable only out of the "Bond and Interest Fund of 1963" (the "1963 Bond Fund"), as hereinafter more specifically provided, and shall be a valid claim of the holder thereof only against said fund and the fixed portion or amount of the revenues of the System pledged to said fund, subject to and in full recognition of the prior pledges and other security rights previously created

and existing for the benefit and protection of the holders of said City's 1944 Bonds and 1962 Bonds as hereinafter set forth.

SECTION 8. Said Coupon Bonds and interest coupons thereon appertaining, shall be fully negotiable, but upon presentation of any of said Coupon Bonds at the office of the City Treasurer of said City, same may be registered as to principal in the name of the owner on the books in his office, such registration to be noted on the reverse side of the Coupon Bonds by the Treasurer, and thereafter the principal of such registered Coupon Bonds shall be payable only to the registered holder, his legal representatives or assigns. Such registered Coupon Bonds shall be transferable to another registered holder, or back to bearer, only upon presentation to the City Treasurer with a legal assignment duly acknowledged or proved. Registration of any of said Coupon Bonds shall not affect the negotiability of the coupons thereto attached, but such coupons shall be transferable by delivery merely.

SECTION 9. Said Coupon Bonds, coupons and provisions for registration shall be in substantially the following form, to-wit:

The more uses you find for clean, flameless, efficient electricity the less it costs you per unit!

**How close are you now
to "wholesale" electric rates?**

Be sure your next appliances are electric... and move still closer to the joy of Total Electric living!

You may already be only a step or two away from the greatly reduced rates available to you. The more electricity you put to work for you, the less it costs per unit! An electric water heater, for example, provides abundant hot water at a very low rate. It also reduces the average cost of running every appliance you own!

So make sure each new appliance you buy is electric. Clean, flameless electricity is the "way of life" of today... and tomorrow!

Free booklet gives details

This new booklet contains rates as they apply in your case... describes steps to take to get low "wholesale" rates... shows how close you may already be to Total Electric living. For your copy, phone, stop in, or mail coupon. Do it today!

How we constantly improve service while reducing your electric rates!

It takes a lot of people... and a lot of jobs... to provide your community with reliable electric service. Over 12,000 skilled employees, some of them neighbors of yours, have well-paid jobs with the progressive system of which this company is a part.

Our rates were never so low. This chart shows the average cost per kilowatt hour of electricity has been lowered 18% in the past 10 years, while cost of living has risen 14%... and we're dedicated to continue this trend.

KENTUCKY POWER COMPANY is a part of the American Electric Power System. This system produces more electricity than any other investor-owned utility in the United States. It serves over 2300 communities in 7 states—Ohio, Indiana, Michigan, Virginia, West Virginia, Kentucky and Tennessee. Through coordinated management and operations, progressive engineering and research, the six member companies of AEP bring you low-cost power with greatest dependability.

EASTERN TO HONOR PERKINS AND PEALE

Eastern Kentucky State College, Richmond, will award honorary doctorate degrees to Dr. Norman Vincent Peale and Congressman Carl Perkins at the 57th annual spring commencement, June 3.

Dr. Peale, minister of Marble Collegiate Church of New York, and author of best-sellers including "The Power of Positive Thinking," will be the speaker at the graduation exercises in Alumni Coliseum. President Robert R. Martin said that the degree recipients were both approved by the college faculty and Board of Regents.

Dr. Peale will be awarded the honorary degree of doctor of letters, while Perkins, from the Seventh Congressional District of Kentucky, will receive the honorary doctor of law degree. They will become the ninth and tenth persons to receive honorary degrees from Eastern.

Others who have received honorary degrees from Eastern are: President Lyndon B. Johnson, who was awarded the first degree when he delivered the spring commencement address in 1961; General Carlos P. Romulo; Senator John Sherman Cooper; Dr. H. L. Donovan, former president of Eastern and president-emeritus of the University of Kentucky; Dr. W. F. O'Donnell,

president-emeritus of Eastern; Dr. Henry H. Hill; Dr. Homer W. Carpenter, and Former Governor Bert T. Combs.

Perkins, now serving his eighth consecutive term in the U. S. House of Representatives, is the ranking democratic member of the House Education and Labor committees and is chairman of the general subcommittee on education. Born in Hindman, he received his elementary, secondary, and college education in Kentucky schools. He served two terms as Knott County Attorney, was Commonwealth's Attorney of the 31st judicial district, was a member of the Kentucky General Assembly and served with the armed forces in the European theatre in World War II. Congressman Perkins was elected in 1948 to the 81st Congress and has been re-elected for seven succeeding terms.

As ranking majority member of the House Education and Labor Committee, he is chairman of the subcommittee on education. In this position, he sponsored the federal aid for education in impacted areas, the rural library services bill, and the vocational education bill.

During his entire service in Congress, he has supported a program for general federal aid to education. A staunch conservationist, he has long advocated a soil and water conservation program, including flood control and navigation projects on the Kentucky, Licking, and Big Sandy Rivers.

His current activities are centered around the Appalachian program where he has presided at the committee hearings on the administration's bill.

WAYLAND

GUESTS OF DRIFT CLUB

The Lackey-Garrett-Wayland Woman's Club was guest last Monday evening at a dinner given by the Drift Woman's Club at Drift.

Japanese background music and an informative discussion of that country's culture were part of the program given by Mrs. Anna B. Harris. A number of Japanese articles brought to Mrs. Harris by her students were displayed, among which was a burn-spotted Japanese flag taken from a location near Hiroshima during the last war.

During the social hour following the program a get-acquainted game, titled "Name-o," was played and Mrs. Richard Vinson, of the Lackey-Garrett-Wayland club, won the prize. Mrs. S. C. Berkeley, also from the Wayland club, won the door prize.

Attending from Wayland were Mrs. J. C. Wells, Mrs. Earl Castle, Mrs. Richard Vinson, Mrs. Mervil Dixon, Mrs. J. T. Spillman, Mrs. S. C. Berkeley, Mrs. S. M. Martin, and Mrs. Charles Scott.

AT PIKEVILLE LUNCHEON

Ten members of the Lackey-Garrett-Wayland Woman's Club recently attended a luncheon given in their honor by Mrs. Delbert Sloan and Mrs. N. D. Howard, both of Pikeville and formerly of Garrett and Wayland, respectively. The first part of the luncheon was served at the home of Mrs. Sloan and the group then went to the residence of Mrs. Howard for dessert.

Those attending from the Wayland club were Mrs. J. C. Wells, Mrs. J. T. Spillman, Mrs. Richard Vinson, Mrs. S. M. Martin, Mrs. Mervil Dixon, Mrs. John Reed, Mrs. Rudolph Spencer, Mrs. Earl Castle and Mrs. Milton Trusty, Jr. Also present were Mrs. Mabel Sloan, of Garrett, and Mrs. Alice Combs and little Steve Combs, of Pikeville.

Mrs. Delbert Sloan and Mrs. Howard are former members of the Wayland club.

The City hereby covenants and agrees with the Registered Owner and holder of such Fully Registered Bond that it will, at the request of such holder...

Each such Fully Registered Bond shall be in substantially the following form:

(FORM OF FULLY REGISTERED BOND) UNITED STATES OF AMERICA COMMONWEALTH OF KENTUCKY COUNTY OF FLOYD CITY OF PRESTONSBURG WATER, SEWER AND NATURAL GAS SYSTEM REVENUE BOND

The City of Prestonsburg, a municipal corporation in Floyd county, Kentucky (hereinafter called the "City"), for value received, hereby promises to pay to the UNITED STATES OF AMERICA, HOUSING AND HOME FINANCE ADMINISTRATION, or its successor, herein sometimes called the "Payee"...

Princ. Years Amt. Years Amt. In such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of debts due the United States of America; and, in like manner solely from said special fund, to pay interest on the balance of said principal sum from time to time remaining unpaid...

During the time the Payee is the Registered Owner of this Bond, payment of the principal installments and interest due shall be made at the Federal Reserve Bank of Richmond, Virginia, or such other fiscal agent as the Payee shall designate (herein called the "Fiscal Agent").

Bond Counsel is instructed to prepare a "Statement of Terms and Conditions of Bond Sale" in mimeographed, printed or other multiple copies, to be furnished to any interested bidder upon request, and the same shall set forth the maturity schedule, place or places of payment, redemption

provisions, and other detailed information with reference to the Bonds, and shall prescribe the manner of bidding, and the manner of determining the bid or combination of bids which will be accepted, in order to give assurance of uniformity in the submission of purchase bids.

SECTION II. In the event that when the Bonds herein authorized and referred to are offered for public sale, United States of America, Housing and Home Finance Agency, shall become the purchaser of all or any of the blocks thereof, as provided in SECTION 10 hereof, and shall so request, the City shall, at the option of such purchaser, issue a single Bond (hereinafter referred to as a "Fully Registered Bond")...

As provided in the Ordinance, this Bond is exchangeable at the sole expense of the City at any time, upon ninety (90) days' notice, at the request of the Registered Owner hereof and upon surrender of this Bond to the City at the office of the City Treasurer, in the City of Prestonsburg, Floyd county, Kentucky...

IT IS HEREBY CERTIFIED, RECITED, AND DECLARED, that all acts, conditions, and things required to exist, happen, and be performed precedent to and in the issuance of this Bond and the issue of which it is one, have existed, have happened, and have been performed in due line, form, and manner as required by law...

IN WITNESS WHEREOF, said City of Prestonsburg, Kentucky, has caused this Bond to be signed by the Mayor, and its corporate seal to be hereunto affixed, attested by the City Clerk, and this Bond to be dated the first day of November, 1963.

CITY OF PRESTONSBURG, KENTUCKY By (Manual Signature) SEAL OF CITY ATTEST: (Manual Signature) City Clerk (FORM OF ASSIGNMENT)

For value received, this Bond is hereby assigned, without recourse and subject to all of its terms and provisions unto...

Anything herein to the contrary notwithstanding, so long as this Bond shall be registered in the name of the Payee, payment of the entire principal amount hereof or such lesser portion thereof as is permitted by the aforesaid Ordinance, and payment of interest due hereon, shall be made by the City at the office of the Fiscal Agent and without presentation or surrender of this Bond to the City Treasurer; and

such payments shall be noted on this Bond by said Fiscal Agent on the Payment Record attached to and made a part of this Bond, and the Fiscal Agent shall send to the City, at the office of the City Treasurer, written advice of the making of such notations; provided, that if the Payee shall assign this Bond by execution of the form of assignment attached hereto, the Alternate Payee shall surrender the same to the City Treasurer, either for a verification of the notations made hereon of the portion of the principal amount hereof and interest hereon paid or prepaid, or in exchange for Coupon Bonds in the denomination of \$1,000 each, as permitted in the Ordinance, and every such assignee hereof shall take this Bond subject to such condition.

such payments shall be noted on this Bond by said Fiscal Agent on the Payment Record attached to and made a part of this Bond, and the Fiscal Agent shall send to the City, at the office of the City Treasurer, written advice of the making of such notations; provided, that if the Payee shall assign this Bond by execution of the form of assignment attached hereto, the Alternate Payee shall surrender the same to the City Treasurer, either for a verification of the notations made hereon of the portion of the principal amount hereof and interest hereon paid or prepaid, or in exchange for Coupon Bonds in the denomination of \$1,000 each, as permitted in the Ordinance, and every such assignee hereof shall take this Bond subject to such condition.

This Bond and the issue of which it forms a part are payable only from and secured by an exclusive pledge of a fixed portion of the gross income and revenues to be derived from the operation of said combined and consolidated Water, Sewer and Natural Gas System, together with necessary appurtenant facilities, and incidental expenses, under and pursuant to an Ordinance duly adopted and published according to law, (hereinafter sometimes referred to as the "Ordinance"), to which reference is hereby made for a description of the nature and extent of the security thereby created, and the rights and limitation of rights of the Registered Owner of this Bond, and the rights, obligations, and duties of said City.

This Bond is one of a duly authorized issue of Bonds aggregating in principal amount the sum of \$500,000, authorized by the aforesaid Ordinance for the aforesaid purposes, and this Bond has been issued under and in full compliance with the Constitution and Statutes of the Commonwealth of Kentucky, including among others, Sections 58.010 to 58.140, inclusive, and Section 61.390 of the Kentucky Revised Statutes, as amended.

In addition to the installments of principal required to be paid by the City, as hereinabove set forth, the City, at its option, shall have the right to prepay, on any interest payment date on or after May 1, 1974, in the inverse chronological order of the aforesaid installments, the entire principal amount hereof then remaining unpaid, or such lesser portion thereof in multiples of One Thousand Dollars (\$1,000.00) as it may determine upon, at the following prices (expressed in terms of a percentage of the principal amount so called for redemption), plus accrued interest to the date of prepayment:

103% if prepaid in the years 1974 to 1978, inclusive; 102-1/2% if prepaid in the years 1979 to 1983, inclusive; 102% if prepaid in the years 1984 to 1988, inclusive; 101-1/2% if prepaid in the years 1989 to 1993, inclusive; 1% if prepaid in the years 1994 to 1998, inclusive; and without premium if redeemed in the year 1999 or thereafter to final maturity; provided, however, that so long as the Payee is the Registered Owner hereof, the City may at its option prepay, on any interest payment date subsequent to the date hereof, the entire unpaid principal amount hereof, or from time to time, in the inverse chronological order of the aforesaid installments, such lesser portion thereof in multiples of One Thousand Dollars (\$1,000.00), as the City may determine, at the unpaid principal amount hereof plus accrued interest to the date of such prepayment.

Notice of any such optional prepayment shall be given at least thirty (30) days prior to the prepayment date by mailing, via registered mail, to the Registered Owner of this Bond at the address shown on the registration records of the City Treasurer, a notice fixing such prepayment date, the amount of principal to be prepaid and the premium, if any, and the Payee shall present this Bond at the office of the City Treasurer for notation of such prepayment on the Payment Record attached to and made a part of this Bond. If notice of prepayment be given as herein provided, and on the designated prepayment date funds are on deposit at the office of the Paying Agent and Alternate Paying Agent in accordance therewith, the identified installments shall be deemed to have been prepaid whether this Bond is presented for notation on the Payment Record or not, and interest on such installments shall cease to accrue after the designated prepayment date; and any subsequent assignee shall take this Bond subject to this provision.

Anything herein to the contrary notwithstanding, so long as this Bond shall be registered in the name of the Payee, payment of the entire principal amount hereof or such lesser portion thereof as is permitted by the aforesaid Ordinance, and payment of interest due hereon, shall be made by the City at the office of the Fiscal Agent and without presentation or surrender of this Bond to the City Treasurer; and

such payments shall be noted on this Bond by said Fiscal Agent on the Payment Record attached to and made a part of this Bond, and the Fiscal Agent shall send to the City, at the office of the City Treasurer, written advice of the making of such notations; provided, that if the Payee shall assign this Bond by execution of the form of assignment attached hereto, the Alternate Payee shall surrender the same to the City Treasurer, either for a verification of the notations made hereon of the portion of the principal amount hereof and interest hereon paid or prepaid, or in exchange for Coupon Bonds in the denomination of \$1,000 each, as permitted in the Ordinance, and every such assignee hereof shall take this Bond subject to such condition.

This Bond and the issue of which it forms a part are payable only from and secured by an exclusive pledge of a fixed portion of the gross income and revenues to be derived from the operation of said combined and consolidated Water, Sewer and Natural Gas System, together with necessary appurtenant facilities, and incidental expenses, under and pursuant to an Ordinance duly adopted and published according to law, (hereinafter sometimes referred to as the "Ordinance"), to which reference is hereby made for a description of the nature and extent of the security thereby created, and the rights and limitation of rights of the Registered Owner of this Bond, and the rights, obligations, and duties of said City.

This Bond is one of a duly authorized issue of Bonds aggregating in principal amount the sum of \$500,000, authorized by the aforesaid Ordinance for the aforesaid purposes, and this Bond has been issued under and in full compliance with the Constitution and Statutes of the Commonwealth of Kentucky, including among others, Sections 58.010 to 58.140, inclusive, and Section 61.390 of the Kentucky Revised Statutes, as amended.

In addition to the installments of principal required to be paid by the City, as hereinabove set forth, the City, at its option, shall have the right to prepay, on any interest payment date on or after May 1, 1974, in the inverse chronological order of the aforesaid installments, the entire principal amount hereof then remaining unpaid, or such lesser portion thereof in multiples of One Thousand Dollars (\$1,000.00) as it may determine upon, at the following prices (expressed in terms of a percentage of the principal amount so called for redemption), plus accrued interest to the date of prepayment:

103% if prepaid in the years 1974 to 1978, inclusive; 102-1/2% if prepaid in the years 1979 to 1983, inclusive; 102% if prepaid in the years 1984 to 1988, inclusive; 101-1/2% if prepaid in the years 1989 to 1993, inclusive; 1% if prepaid in the years 1994 to 1998, inclusive; and without premium if redeemed in the year 1999 or thereafter to final maturity; provided, however, that so long as the Payee is the Registered Owner hereof, the City may at its option prepay, on any interest payment date subsequent to the date hereof, the entire unpaid principal amount hereof, or from time to time, in the inverse chronological order of the aforesaid installments, such lesser portion thereof in multiples of One Thousand Dollars (\$1,000.00), as the City may determine, at the unpaid principal amount hereof plus accrued interest to the date of such prepayment.

IN WITNESS WHEREOF, said City of Prestonsburg, Kentucky, has caused this Bond to be signed by the Mayor, and its corporate seal to be hereunto affixed, attested by the City Clerk, and this Bond to be dated the first day of November, 1963.

SECTION 12. Upon issuance and delivery of any of the Bonds authorized by this Ordinance to be issued, all sums representing accrued interest received from the purchaser or purchasers shall forthwith be deposited in the City's "Bond and Interest Fund of 1963" hereinafter created, together with an additional \$20,510 from Bond proceeds for interest which will accrue on all outstanding Bonds (or on temporary loans made in anticipation of the sale and delivery of the Bonds) during the period of construction and development of the combined and consolidated Water, Sewer and Natural Gas System, and the same shall be used and applied to the payment of interest next thereafter becoming due.

The entire remaining balance of the proceeds of Bonds issued hereunder shall be deposited in the Bank Josephine, Prestonsburg, Floyd county, Kentucky (hereinafter sometimes referred to as the "Depository Bank"), which is a member of Federal Deposit Insurance Corporation, and shall be applied to the extent necessary and not otherwise provided, in paying the costs of the Project. Balances in excess of the amount insured by FDIC shall be secured at all times as hereinafter provided.

An Ordinance of the City of Prestonsburg, Kentucky, Anticipating the City's Proposed Issuance of Certain "Water, Sewer and Natural Gas System Revenue Bonds"; Providing for the Creation of a "Construction Fund" Wherein There Shall Be Deposited from Time to Time Moneys Received from All Sources for the Construction of the Project Intended To Be Financed Through the Issuance of Such Bonds; Designating A Depository; Selecting and Designating Financial Institutions To Serve As the City's Paying Agents in Connection With Such Bonds; Making Provision for the Security and Investment of Said Construction Fund; and Prescribing Conditions Relating To Disbursements from the Construction Fund and the same was thereafter duly published and became effective, but was subsequently amended by Ordinance No. 2-63, adopted on February 21, 1963, which is identified by its title or caption, as follows:

An Ordinance of the City of Prestonsburg, Kentucky, Amending Ordinance No. 12-62 in Order To Correct Certain Inadvertent Errors Therein.

The provisions of said Ordinance, as so amended, are hereby ratified, reaffirmed and continued, and the provisions thereof relating to the establishment of the City's "Water, Sewer and Natural Gas Construction Fund of 1963" (therein and hereinafter referred to as the "Construction Fund"), and for the security and administration thereof, are by reference incorporated herein and shall constitute a part of this Ordinance. For convenience of reference, the portions of said previously adopted Ordinance No. 12-62, as so amended by said Ordinance No. 2-63, making provision for the custody, security, investment, and disbursement of said Construction Fund are here summarized, in substance, as follows:

"There shall be deposited in said fund by the City Treasurer from time to time all moneys received from any and all sources which are obtained for the purposes of the aforesaid Project (except amounts received from the purchaser or purchasers of said Bonds as representing accrued interest to delivery and an additional \$20,510 from Bond proceeds, as hereinabove provided), including but not limited to moneys borrowed from any source, advances which may be received from HHFA prior to the sale and delivery of the Bonds, and grants received from Federal sources. A true and accurate separate accounting shall be made of all deposits in and disbursements from said Construction Fund, and at no time shall there be any commingling with other moneys of the City of Prestonsburg, Kentucky.

"Moneys from time to time on deposit in said Construction Fund shall be secured by a valid pledge to the City of Prestonsburg, Kentucky, and to the City Treasurer thereof, of direct obligations of, or obligations which are guaranteed by, the United States of America, having at all times a market value (exclusive of accrued interest), at least equal to the balance maintained on deposit therein. If at any time there should be on deposit in said Construction Fund moneys in excess of the estimated disbursements on account of the Project for the next 90 days, the City reserves the right to direct that the depository bank invest such excess funds in direct obligations of, or obligations which are guaranteed by, the United States Government, which shall mature not later than 18 months after the date of such investment and which shall be subject to redemption at any time by the holder thereof. Earnings received from any such investments shall be deposited by the City in the Construction Fund. Any moneys remaining in the Construction Fund after all costs of the Project have been paid and all loans and advances reimbursed, shall be promptly used to the extent possible for the redemption of Bonds of the issue referred to herein; and any residue shall be deposited in the account hereafter to be established in the Bond-authorizing Ordinance for the payment of the principal of and interest on such Bonds.

"Disbursements from said Construction Fund shall be made by checks signed by the City Treasurer and countersigned by the Mayor, but only if accompanied and supported by one or more vouchers signed by or on behalf of the Engineer or firm of Engineers having supervision of construction of said Project, approved in writing by a representative of HHFA, affirming that the payee of the check is entitled to payment of the amount thereof for labor, materials or services earned and due under the terms of an authorized contract relating to said Project; except that interest upon loans or advances, at the authorized rate or rates, may be paid without supporting vouchers, and except that payment for such items as the printing of the Bonds, advertisements of the public sale, contractual fees for professional services and other expenses necessary in the issuance of the Bonds, and of which said Engineer or firm of Engineers may have no personal knowledge, need not be supported by such voucher."

Pending disbursements for the authorized purposes, the proceeds of the Bonds issued pursuant to this Ordinance shall be subject to a first and paramount lien and charge in favor of the holders of Bonds issued and outstanding hereunder, and for their further security.

In the event that the amount hereinabove provided to be set aside from Bond proceeds for the payment of interest during the period anticipated to be required for the construction and development of the System should prove to be insufficient for such purpose, additional moneys may be transferred from the said Construction Fund to the "Bond and Interest Fund of 1963," hereinafter created, and so applied, inasmuch as interest during such period is a proper part of the cost of the Sys-

tem.

SECTION 13. From and after issuance and delivery of any Bonds herein authorized or permitted to be issued, and so long as any thereof remain outstanding and unpaid, the said municipal combined and consolidated Water, Sewer and Natural Gas System shall be operated on a fiscal year basis beginning each November 1, and ending on the next October 31, (as in the case of the previously created and existing combined and consolidated water and sewer system), and on that basis the income and revenues shall be collected, segregated, accounted for and distributed, as follows:

(A) All of the cash revenues of the Water, Sewer and Natural Gas System (being the gross income from rates and charges prescribed and exacted from time to time for water service, sewer service, and natural gas service, as distinguished from receipts from connection charges and other non-recurring items hereinafter provided to be otherwise deposited) shall be deposited promptly as received into the "City of Prestonsburg Water and Sewer Revenue Fund of 1956" (the "1956 Revenue Fund") created in and by SECTION 8 of the 1956 Ordinance; provided, however, that within said 1956 Revenue Fund separate accountings shall carefully and accurately be kept as follows:

(1) So long as any of the 1944 Bonds or interest thereon shall remain outstanding and unpaid, a separate accounting shall be kept of the cash income and revenues from the portion of the said System supplying water service, and out of such separate accounting there shall be set apart in the manner and at the times prescribed in the 1944 Ordinance the amounts to be deposited in the said 1944 Bond Fund for the interest on said 1944 Bonds and to accomplish the retirement thereof at or before maturity.

(2) Subject to the separate accounting of water revenues as provided in the foregoing subparagraph (1), so long as any of the 1962 Bonds or interest thereon shall remain outstanding and unpaid, a separate accounting shall be kept of the amount of the cash income and revenues from those portions of the System providing water and sewer services as the same were combined and consolidated in and by the 1956 Ordinance and as the same were provided to be continued as a combined and consolidated water and sewer system in and by the 1962 Ordinance for the benefit and security of the 1962 Bonds; and out of such separate accounting there shall be set apart in the manner and at the times prescribed in the 1962 Ordinance the amounts to be deposited in the 1956 Bond Fund for the interest on the 1962 Bonds and to accomplish the retirement thereof on or before maturity, and to accumulate and maintain the prescribed \$40,000 Debt Service Reserve for the further security of the 1962 Bonds.

(3) Subject to the separate accounting of water revenues as provided in the foregoing sub-section (1), and the separate accounting of water and sewer revenues provided for in the foregoing sub-section (2), the cash revenues of the System, as so provided to be deposited in the 1956 Revenue Fund shall be distributed as provided in the ensuing paragraphs (B), (C), (D) and (E) hereof in the following manner:

(B) A special fund, or account of the City of Prestonsburg, Kentucky, is hereby created, and the same is designated the "Bond and Interest Fund of 1963" to be used exclusively for the purpose of paying interest as it becomes due on the Bonds from time to time, and to pay to and retire the Bonds at or before the respective maturity dates thereof. There shall initially be deposited in this Bond and Interest Fund of 1963 all sums received from the purchaser or purchasers of the Bonds as representing accrued interest to delivery, and in addition there shall be deposited therein the sum of \$20,510 to be taken from the proceeds of the sale of the Bonds, such latter sum being the amount estimated to be required for payment of interest on the Bonds (or on temporary loans made in anticipation of the sale of the Bonds) during the period of construction and development of the System as in this Ordinance provided. Thereafter on or before the 15th day of each month there shall be transferred from the 1956 Revenue Fund (but only from the balance remaining therein after observing the respective priorities of the vested rights of the holders of the 1944 Bonds and the holders of the 1962 Bonds) and deposited to the credit of the Bond and Interest Fund of 1963 the following amounts:

(1) Beginning with and including the month in which interest shall last be payable from the proceeds of the sale of the Bonds as hereinabove set forth a sum equal to one-sixth (1/6th) of the interest to become due on the next interest payment date on all of the Bonds then outstanding, and

(2) Beginning on or before November 15, 1965, a sum equal to one-twelfth (1/12) of the principal of the Bonds to mature on the next succeeding November 1, and

(3) Beginning on November 15, 1965, the sum of at least \$400.00, the same to continue and be accumulated as a Sinking Fund Reserve (as represented by cash or

the market value of permissible investments), at least equal to \$38,000 after which accumulation such \$400 monthly deposits for the Sinking Fund Reserve may be discontinued, but the same shall thereafter be resumed and continued as may be required to maintain such Sinking Fund Reserve equal to at least \$63,000. All moneys held in the Sinking Fund Reserve within the Bond and Interest Fund of 1963 will constitute a reserve for additional security of the Bonds, and unless all of the Bonds at the time outstanding are to be then retired, only such part of the moneys in such Sinking Fund Reserve shall be used to purchase or redeem Bonds in advance of maturity as may be in excess of the prescribed \$63,000 balance therein plus the interest and principal becoming due with respect to the Bonds within the next succeeding period of twelve (12) months. Any such purchase of Bonds prior to maturity shall be made at the lowest prices (not exceeding their current fair market value nor the terms for redemption thereof) following advertisement for tenders, but if insufficient tenders are received, the remaining excess may be applied upon order of the City Council to the calling and redemption of Bonds in accordance with their terms. All Bonds so purchased or redeemed shall be cancelled. No further payments need be made into the Sinking Fund Reserve in the Bond and Interest Fund of 1963 after and so long as such amount of the Bonds have been retired as that the amount then held in the Bond and Interest Fund of 1963, including said Sinking Fund Reserve, shall be equal to the entire amount required for retiring all Bonds then outstanding and paying all interests that will accrue at the time of such retirement.

If for any reason there should be a failure to pay into the Bond and Interest Fund of 1963 the full amounts hereinabove stipulated, then an amount equal to 110% of such deficiency shall be set apart and paid into said Fund from such balances as may be available for such purpose in the 1956 Revenue Fund until the amount of the deficiency shall have been restored.

The monthly payments herein required to be made into the Bond and Interest Fund of 1963 shall be made in equal monthly installments on the 15th day of each month, except that when the 15th day of any month shall be a Sunday or a business holiday then such payments shall be made on the next succeeding business day. The amounts of the monthly payments provided for in the foregoing sub-paragraphs (1) and (2) of this paragraph (B) shall in each fiscal year be computed as of the November 1 which is the first day of such fiscal year.

All moneys held in the Bond and Interest Fund of 1963 and the Sinking Fund Reserve, including the investments permitted to be made in accordance with this Ordinance shall be deposited in or with The Bank Josephine, Prestonsburg, Kentucky, and the amounts required to be deposited monthly into said Bond and Interest Fund of 1963 shall be transmitted to said bank for deposit therein at the times herein required. To the extent that the amounts on deposit in said Bond and Interest Fund of 1963, and said Sinking Fund Reserve, shall cause deposits of the City in said bank to exceed the amount insured by the FDIC, the same shall be continuously secured by a valid pledge of bonds or notes of the United States Government having an equivalent market value or, upon order of the City Council, shall be invested in such bonds or notes having a maturity date on or prior to the date when the sums invested will be needed for meeting interest and/or principal payments of the Bonds herein authorized, to mature or be called for redemption, and in no event to mature or be non-redeemable at the option of the holder more than five (5) years subsequent to the date of investment therein. All such investments authorized by this paragraph as well as the income therefrom shall be carried to the credit of the Bond and Interest Fund of 1963, and the Sinking Fund Reserve therein. Moneys held in the Sinking Fund Reserve shall be applied to the payment of the principal and interest on the Bonds authorized by this Ordinance whenever for any reason there would otherwise be default in the payment thereof; and investments held for the account of such Sinking Fund Reserve shall, to any extent necessary, be converted into cash for such purposes. The Bank Josephine, Prestonsburg, Kentucky, is hereby authorized to convert such securities into cash whenever and as often as may be required for such purposes and need not seek specific action or additional authority from the City Council in order to do so.

The amounts required to be deposited and invested in the Bond and Interest Fund of 1963 for the account of the Bonds, as provided in this Section of this Ordinance, are hereby irrevocably pledged as aforesaid for the payment of the interest on principal of, and redemption premium of, the Bonds. All other moneys from time to time in said Bond and Interest Fund of 1963, including the Sinking Fund Reserve there-

(Continued on Page 5)

ORDINANCE
(Continued from Page 4)

are hereby pledged for the payment of the interest on, principal of, and redemption premium, if any, of the Bonds authorized by this Ordinance.

The balance of the income and revenues of the System, when and so long as all of the foregoing provisions are being met, shall be available for the costs of operation and maintenance, for deposit in the Depreciation Fund, as hereinafter provided, and for the payment of other obligations issued or incurred by the City and which by their terms are made payable therefrom.

(C) The City covenants and agrees that so long as any of the Bonds are outstanding it will maintain the 1956 Depreciation Fund, and will transfer to and deposit therein, from the monthly balances remaining in the 1956 Revenue Fund after all of the conditions and requirements of the foregoing sub-paragraphs (A) and (B) have been met, the amounts prescribed by the 1944 Ordinance and by the 1962 Ordinance to be deposited therein; except that the balance of \$40,000 prescribed by the 1962 Ordinance to be accumulated and maintained therein over and above the requirements of the 1944 Depreciation Fund shall be increased to \$80,000 by continuing the \$40,000 monthly deposits as prescribed in the 1962 Ordinance until such balance is accumulated, and thereafter whenever and so long as may be necessary to restore and maintain the same.

All accumulations in said 1956 Depreciation Fund shall be for the benefit of the combined and consolidated Water, Sewer and Natural Gas System, and equally for the benefit of the holders of the Bonds, and of the 1944 Bonds, and of the 1962 Bonds, so long as any of them shall remain outstanding and unpaid.

The 1956 Depreciation Fund shall constitute a reserve for renewals, replacements, new construction, improvements, extensions and contingencies in the operation and maintenance of said entire System and may be withdrawn and disbursed for any such purpose. Pending disbursement, any accumulations therein to the extent not deemed to be necessary to be expended in the ordinary course of the operation of the System or for foreseeable contingencies may, upon order of City Council, be invested and re-invested in interest bearing securities of the United States Government, or securities the interest on and principal of which are guaranteed by the United States Government, maturing or subject to redemption at the option of the holder not more than five (5) years from the date of the investment. Any securities so held for the account of said Fund may be converted into cash upon order of the City's Utility Commission whenever and to such extent as it may by resolution determine to be necessary for any of such enumerated purposes; and provided also that withdrawals and disbursements shall be made from the 1956 Depreciation Fund if necessary in order to prevent default in the payment of interest on or the principal of the 1944 Bonds, the 1962 Bonds, or the Bonds. There shall also be deposited in the Depreciation Fund receipts from connection charges and non-recurring items such as the proceeds of casualty insurance and proceeds from the sale of obsolete or worn-out properties of the System. The 1956 Depreciation Fund shall be used and applied only in accordance with this paragraph (C).

(D) The City covenants and agrees that so long as any of the Bonds are outstanding it will continue to maintain the "City of Prestonsburg Water Works and Sewer Operation and Maintenance Fund of 1956" (for convenience referred to as the "Operation and Maintenance Fund" which was created and is being maintained pursuant to the 1956 Ordinance and the 1962 Ordinance. From and after the issuance of the Bonds there shall be deposited therein monthly from the balances remaining in the 1956 Revenue Fund after compliance has first been made with the conditions and requirements of the foregoing sub-paragraphs (A), (B) and (C) hereof, a sum equal to the estimated cost and expense of operating and maintaining the System during such month, together with an amount equal to any deficiency in the amount deposited therein for the previous month. Such estimates shall be made by the City's Utility Commission. Moneys so set apart and deposited in the Operation and Maintenance Fund shall be for the operation and maintenance of the combined and consolidated Water, Sewer and Natural Gas System as a whole, including the cost of gas purchased for resale, and shall be equally for the benefit of the holders of the outstanding 1944 Bonds, the outstanding 1962 Bonds, and the Bonds. From this Fund, Current Expenses of the System (as hereinafter defined) shall be paid from time to time. As provided in the 1956 Ordinance there shall further be deposited in the Operation and Maintenance Fund an amount esti-

mated by the City's Utility Commission to be equal to the Current Expenses of the System for a period of three (3) months (which amount shall be not less than the actual Current Expenses for the period of three months ending on the last day of the calendar month preceding the month in which such estimate is made), the same to be held as a reserve for emergencies; and whenever the balance in this reserve is less than such estimate for the ensuing three months, the deficiency shall be made up from such moneys as may remain available in the 1956 Revenue Fund after all prior payments therefrom have been made.

(E) From and after the issuance of the Bonds, and after due observance of the respective priorities of transfers from the 1956 Revenue Fund according to the foregoing sub-paragraphs (A), (B), (C) and (D), if there shall remain in the 1956 Revenue Fund a balance in excess of the estimated amounts required to be so transferred into each and all of said special funds during the succeeding three months (as estimated by the City's Utility Commission), all or any part of such excess may upon order of the City Council be transferred and deposited in whole or in part into any of said special funds, or may be transferred over into the General Funds of the City and used for any other lawful purpose.

SECTION 14. The City covenants and agrees not to issue any additional bonds or other obligations of any kind which are made payable in whole or in part from the revenues of the System, unless such bonds or other obligations are expressly made and acknowledged to be junior and subordinate in all respects to the Bonds, and payable only from any surplus which might otherwise be transferred over into the General Funds of the City as provided in sub-paragraph (E) of SECTION 13 hereof.

SECTION 15. The said City hereby irrevocably covenants and agrees with the holder or holders of any and all Bonds at any time issued and outstanding pursuant to authority of this Ordinance, that so long as the same or any part thereof or interest thereon remain outstanding and unpaid:

(A) It will faithfully and punctually perform all duties with reference to said System and Project required by the Constitution and laws of the Commonwealth of Kentucky, and by the terms and provisions of this Ordinance.

(B) It will at all times operate said System, through the agency of the Utilities Commission, on a revenue-producing basis, and will permit no free services to be rendered or afforded thereby.

(C) It will, through its Utilities Commission, maintain the said System in good condition through application of revenues accumulated and set aside for operation and maintenance, as herein provided; and will make unusual or extraordinary repairs, renewals and replacements, as the same may be required, through application of revenues accumulated and set aside into the Depreciation Fund.

(D) So long as any of the Bonds are outstanding, it will not sell or otherwise dispose of any of the System facilities or any part thereof, and will not create or permit to be created any charge or lien on the revenues thereof ranking equal or prior to the charge, or lien of these Bonds (the existing security rights of the holders of the 1944 Bonds and the 1962 Bonds being acknowledged). Notwithstanding the foregoing, the City may at any time permanently abandon the use of, or sell at fair market value, any of its System facilities, provided that:

(1) It is in compliance with all covenants and undertakings in connection with all of its Bonds then outstanding and payable from the revenues of the System, and the Sinking Fund Reserve for such Bonds has been fully established;

(2) It will, in the event of sale, apply the proceeds to either (1) redemption of outstanding Bonds in accordance with the provisions governing prepayment of Bonds in advance of maturity, or (2) replacement of the facility so disposed of by another facility the revenues of which shall be incorporated into the System as hereinafter provided; and

(3) The City's Utilities Commission certifies, prior to any abandonment of use, that the facility to be abandoned is no longer economically feasible of producing net revenues.

(E) It will establish, enforce, and collect rates and charges for services rendered and facilities afforded by said System; and the same shall be reasonable and just, taking into account and consideration the cost and value of the System, the costs of operating the same and maintaining it in a good state of repair, proper and necessary allowances for depreciation and for additions and extensions, and the amounts necessary for the orderly retirement of all outstanding Bonds and the accruing interest thereon, and the accumulation of reserves as herein provided, after first complying with all contractual commitments to the holders of the 1944 Bonds and the 1962 Bonds; and such rates and charges shall be adequate to meet all such requirements as provided in this Ordinance, and shall, if necessary, be adjusted from time to

time in order to comply herewith. On or before the inception of initial operation of the System, the Utilities Commission will adopt a budget of Current Expenses for the System for the remainder of the then current fiscal year of the System, and thereafter, on or before the first day of each fiscal year so long as any Bonds are outstanding, it will adopt an Annual Budget of Current Expenses for the ensuing fiscal year, and will file a copy of each such Budget, and of any amendments thereto, in the office of the City Clerk, and furnish copies thereof to the holder of any Bond upon request. The term "Current Expenses," as herein used, includes all reasonable and necessary costs of operating, repairing, maintaining and insuring the System, but shall exclude any allowance for depreciation, payments into the Depreciation Fund for renewals, replacements, extensions, improvements, and extraordinary repairs and maintenance, and payments into the Bond Fund and the Sinking Fund Reserve. The City covenants that the Current Expenses incurred in any year will not exceed the reasonable and necessary amounts therefor, and that the Utilities Commission will not expend any amount or incur any obligations for operation, maintenance and repairs in excess of the amounts provided for Current Expenses in the Annual Budget, except upon authority of a resolution adopted by the Utilities Commission determining that such expenses are necessary in order to operate and maintain the System. At the same time, and in like manner, the City agrees that the Utilities Commission will prepare an estimate of gross revenues to be derived from operation of the System for each fiscal year, and to the extent that said gross revenues are insufficient to provide for all payments required to be made into the Bond Fund during such ensuing fiscal year, and to build up and maintain the reserves specified and enumerated in subsections (B) and (C) of SECTION 13 of this Ordinance, and to pay Current Expenses, and to comply with all contractual commitments to the holders of the 1944 Bonds and the 1962 Bonds, the City covenants and agrees that it will revise its rates and charges for services rendered by the System, so that the same will be adequate to meet all of such requirements.

(F) It will not at any time make any reduction in any prevailing schedule of rates and charges for use of the services and facilities of the System, without first obtaining the written determination of a Consulting Engineer of national reputation that the proposed reduction will not adversely affect the ability of the City to meet all the requirements set forth in this Ordinance.

(G) It will cause the Utilities Commission at all times to segregate the revenues of the System from all other revenues, moneys, and funds of the City, and through the agency of the said Utilities Commission will promptly and regularly make application and distribution thereof into the special funds provided in this Ordinance, in the manner and with due regard for the priorities herein attributed thereto.

(H) It will keep proper books of record and account, separate and clearly distinguishable from all other municipal records and accounts, showing complete and correct entries of all transactions relating to said System, and the same shall be available and open to inspection by any Bondholder, and any agent or representative of a Bondholder.

(I) It will, within ninety days after the end of each fiscal year, cause an audit to be made of the books of record and account pertaining to the System, by an independent state-licensed accountant not in the employ of the City on a monthly salary basis, showing all receipts and disbursements, with comments of the auditor concerning whether the books and records are being kept in compliance with this Ordinance and in accordance with recognized accounting practices, and will promptly cause a copy of the audit report to be filed in the office of the City Clerk where it will be available for public inspection, and will promptly mail a copy thereof to the original purchaser or purchasers of Bonds issued hereunder. If requested to do so, the City will furnish to any Bondholder a condensed form of the Balance Sheet, and a condensed form of the Operating Report, in reasonable detail. All expenses incurred in causing such audits to be made, and copies distributed, shall constitute proper expenses of operating and maintaining the System, and may be paid from revenues allocated for such purposes, as herein provided.

(J) Any holder of said Bonds, or of any of the coupons, may either at law or in equity, by suit, action, mandamus, or other proceedings, enforce and compel performance by said City and its officers and agents (including said Utilities Commission), of all duties imposed or required by law or this Ordinance in connection with the operation of said System, including the making and collecting of sufficient rates and segregation of the revenues and application thereof.

(K) If there be any default in the payment of the principal of or interest on any of said Bonds, then upon the filing of suit by any holder of said Bonds or any of the coupons, any court having jurisdiction of the action may appoint a receiver to administer said System on behalf of the City with power to charge and collect rates sufficient to provide for the payment of any Bonds or obligations outstanding against said System, and for the payment of Current Expenses, and to apply the revenues in conformity with this Ordinance and the provisions of said statute laws of Kentucky aforesaid.

(L) The City will cause each municipal officer or other person (other than depository banks) having custody of any moneys administered under the provision of this Ordinance to be bonded at all times in an amount at least equal to the maximum amount of such moneys in his custody at any time; each such bond to have surety given by a surety corporation qualified to do business in Kentucky and approved by the City Council, and the premiums for such surety shall constitute a proper expense of operating the System, and may be paid from moneys available in the "Maintenance and Operation Fund."

(M) It will procure, and at all times maintain in force, insurance of all insurable properties constituting parts of, or being appurtenant to, the System, to the full insurable value thereof, against damage or destruction by fire, windstorm, and the hazards covered by the standard "extended coverage" policy endorsements or provisions, the premiums therefor to be paid from the Operation and Maintenance Fund; and will deposit all sums collected under the terms of such policies in the Depreciation Fund.

(N) The City reserves the right, through its Utilities Commission, to render bills for water service, for sewer service, and for natural gas service, at the same time or at different times, and on the same bill forms or on one or more separate bills, as may in the discretion and judgment of the Utilities Commission best serve in the interests of efficiency and economy in the administration and operation of the System; but in any event, the City covenants and agrees that according to authority of KRS 96.533, et seq., it will at all times provide by ordinance that water service to any premises will be discontinued upon delinquency of payment for sanitary sewer service to the same premises, according to such reasonable regulations in that connection as may be promulgated and made effective from time to time.

SECTION 16. The Bonds authorized to be issued hereunder and from time to time outstanding shall not be entitled to priority one over the other in the application of the revenues herein pledged, regardless of the time or times of their issuance, it being the intention that there shall be no priority among the Bonds authorized to be issued under the provisions of this Ordinance, regardless of the fact that they may actually be issued and delivered at different times. The City expressly reserves the right to issue its bonds or other obligations payable from the revenues herein pledged, and not ranking on a basis of equality and parity with the Bonds and party Bonds herein otherwise referred to, without any proof of previous earnings or net revenues, but only if such bonds or other obligations are issued to provide for additions or extensions or improvements of the System, and only if the same are issued in express recognition of the priorities, liens and rights created and existing for the security, source of payment, and protection of the said Bonds.

SECTION 17. In and by the City's Ordinance No. 14-63 adopted by the City Council on Oct. 15, 1963, pursuant to which the 1962 Bonds were issued and are outstanding, and particularly in SECTION 14 thereof, the City reserved the right and privilege to issue additional bonds for certain purposes, payable from the income and revenues of the combined and consolidated water and sewer system (as the same existed prior to the combining therewith of the municipally-owned natural gas system in the creation and establishment of the municipal Water, Sewer and Natural Gas System, as herein provided), and ranking on a basis of parity and equality in all respects with the 1962 Bonds. From and after the issuance of any of the Bonds authorized by this Ordinance, and so long as any of the same shall remain outstanding and unpaid, such reserved right and privilege are hereby suspended. In order to avoid confusion and misunderstandings in the future, the City Clerk shall inscribe in the official Ordinance Book, adjacent to the title or caption of said Ordinance No. 14-63, as the same is recorded therein, a notation substantially as follows:

"Right to issue party bonds as provided in SECTION 14 of Ordinance No. 14-63 was suspended upon certain conditions as set forth in SECTION 17 of Ordinance No. 7-61 adopted by the City Council on the 21 day of April, 1964, to which reference is hereby made."

SECTION 18. The provisions of this Ordinance shall constitute a contract between the City of Prestonsburg and the holders of the Bonds herein authorized to be issued, and after the issuance of any of the Bonds no change, variation or alteration of any kind of the provisions of this Ordinance shall be made in any manner except as herein provided until such time as all of the said Bonds issued hereunder, and the interest thereon, have been paid in full.

SECTION 19. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Ordinance.

SECTION 20. All ordinances, resolutions and orders, or parts thereof, in conflict with the provisions of this Ordinance, are, to the extent of such conflict, hereby repealed.

SECTION 21. This Ordinance shall be in full force and effect from and after its adoption, approval, attestation, and publication as provided by law.

Prestonsburg Jaycees Sponsor Safety Lights

The Prestonsburg Jaycees hope to light the way to greater traffic safety. To do this, the Jaycees are sponsoring the sale of safety-running lights for automobiles. The running light is usually installed between the headlights and is wired to the ignition so that it comes on whenever the engine is started. The theory behind the drive is that the running light makes a car more easily seen by oncoming drivers.

The Greyhound Corporation found, during a two-year survey, that continuous use of headlights on their buses cut daytime accidents by 16%.

The lights will cost \$2 and will be sold by all local Jaycees. They will also be on sale at the following places: A. W. Cox Department Store, Grace Burke Fabric Shop, Hughes Motor Company, Floyd Federal Savings & Loan Association and Thomas Hereford Company.

Miss Stumbo Elected Writers Literary Club

Berea, Ky.—A Floyd county student at Berea College has been elected a member of the Twenty Writers literary club. Named to club membership was Miss Carol Stumbo, daughter of Mr. and Mrs. Walker Stumbo, of McDowell. Miss Stumbo is a graduate of McDowell high school and a member of the junior class at Berea.

Miss Stumbo submitted several pieces of original literature in the competitive selection contest. As a member of the Twenty Writers, Miss Stumbo will prepare one original composition monthly and will contribute to a book each semester. Short stories and poems will comprise the contents of the publication.

Thompson To Speak At Appreciation Day Dinner at May Lodge

B. F. Reed, chairman, has invited and made arrangements for Dwight J. Thompson, member of the National Education Board, Boy Scouts of America, to attend the Appreciation Day dinner as guest-speaker at May Lodge, next Wednesday at 7 p.m.

This is the first time a member of the National Executive Board has been able to attend an Appreciation Day dinner in this area.

Den mothers, their husbands, Scoutmasters, assistant Scoutmasters and their wives, committeemen, executive board members and their wives and all active participants in the Scouting program are being invited.

Mr. Thompson, a resident of Cincinnati, is chairman of the board of Champion Papers, Inc., and has a distinguished record in the field of Scouting.

Archer Is Initiated Into New Honor Group

Raleigh Ray Archer, of Prestonsburg, and six other medical students were initiated as charter members of the newly installed Beta Chapter of Alpha Omega Alpha honor society in ceremonies at the University of Kentucky, April 6.

Archer is a son of Dr. and Mrs. George P. Archer, of Prestonsburg, and is a 1957 graduate of the Hill School, Pottstown, Pennsylvania. He earned the B.S. degree in premedicine studies at Washington & Lee University in the spring of 1961, and entered the University of Kentucky College of Medicine's second class in the fall of 1961.

The Alpha Omega Alpha student or undergraduate members are chosen on the basis of scholastic achievement—specifically, those ranking in the upper 25 percent of their class. William Mitchell Hall, of Salsersville, was another of the seven named to the honor group.

Highway Toll Revenue Set At \$485,965, Said; East Road Figures Rise

Frankfort, April 27 (Sp.)—Revenue from Kentucky's highway toll facilities totaled \$485,965 during March of this year—an increase of more than \$218,000 over the same month a year ago; Highway Commissioner Henry Ward reported.

Proceeds from the Mountain Parkway this March were \$59,957, compared with \$27,708 during the same month last year.

The Western Kentucky Parkway accounted for \$108,701 of this increase. The Parkway was not open in March, 1963.

The Kentucky Turnpike returned \$305,037 in tolls during March of this year, compared with \$221,686 during March, 1963.

Shawneetown bridge revenues were \$12,269 this March and \$18,275 in March, 1963.

Funeral rites for Clarence Sexton, 63, of Printer, were conducted Saturday at 1 p.m. from the Salisbury Methodist Church, at Printer, the Revs. Don Castle and John W. Conley officiating. Burial was made in the Garth cemetery at Hite under the direction of Hall Brothers Funeral Home.

Lexington, Ky., March 31—President John W. Oswald of the University of Kentucky welcomed more than a thousand members of the Kentucky Federation of Homemakers to the University tonight and talked to them on the topic "Today's Challenges Are Tomorrow's Responsibilities."

EXTRA WORK JOBS VETOED
Commissioner Says Summer Maintenance Jobs Not Planned

Frankfort, Ky.—The State Highway Department will not hire extra workers this summer to help out with the usual heavy load of maintenance work, Commissioner Henry Ward said last week.

"We've been trying to get away from the use of seasonal employees," Ward said. "We're going to try it this year."

The department usually hires about 700 additional workers during the spring and summer months to help about 3,000 full-time maintenance employees.

Ward said that when he took over as highway commissioner he recognized that much of the department's work is seasonal.

But he said there are tremendous problems inherent in hiring seasonal employees. Loss of efficiency is the standout reason, Ward added.

The commissioner said he is aiming for better management of maintenance crews to achieve maximum efficiency. "If we had proper management of personnel, we wouldn't need as many seasonal employees."

Another reason is money. The Highway Department figures to save roughly \$175,000 a month by eliminating seasonal workers. "And that's a conservative estimate," he said.

Ward has already ordered a freeze on overtime pay. About \$474,000 was spent in winter overtime pay, and the new policy will help to make up some of the money.

Normally, the department begins hiring seasonal employees April 1. Hiring was delayed this year, and then the practice was abolished for the summer.

"I am opposed to the principle of hiring people on a seasonal basis just to give someone a job," Ward said. "We're trying to save the taxpayers' money."

Ward said hiring of seasonal employees also poses "an enormous cost because of the handling of paperwork."

The department has studied the seasonal-employee system for two years, he said, with the idea of curtailing it sharply or eliminating it.

Not included in the seasonal-worker category are what the department calls summer workers. These are normally students who help the department in a number of tasks.

Highway Personnel Commissioner Ralph Kessinger said about 200 such summer employees will be hired this year.

President's Wife To Speak at KFWC Annual Convention

Morehead, Ky., April 30—Mrs. Lyndon B. Johnson will be the keynote speaker at the 69th annual convention of the Kentucky Federation of Women's Clubs to be held May 29-31 in Lexington.

Mrs. Adron Doran, of Morehead, president of the KFWC, said Mrs. Johnson will speak on Thursday evening, May 21. Only 1,000 tickets will be available to the clubwomen, for the 7:00 p.m. banquet to be held in the convention hall of the Phoenix hotel.

"We are delighted that Mrs. Johnson can be with us for this convention," said Mrs. Doran, "and our many months of preparation for her appearance in Kentucky will be culminated upon her arrival in Lexington for the KFWC convention. The women of the KFWC are thrilled to have the opportunity to hear Mrs. Johnson and we sincerely feel that our list of featured speakers is as fine as ever presented at a three-day meeting of this type."

Also speaking during the convention are: Franklin Delano Roosevelt, Jr., Undersecretary of Commerce; Mrs. John Sherman Cooper, wife of Kentucky Senator John Sherman Cooper; and the Reverend T. B. "Scotty" Cowan, minister of Union Church, Berea.

Breathitt Hunts Plants For State in Michigan; Attends Detroit Meeting

Frankfort, April 27 (Spl.)—Governor Edward T. Breathitt has taken his industry-hunting efforts to Detroit and Chicago in an effort to find 75,000 new jobs for Kentuckians during the next four years.

Luncheons and private conferences were held at both Detroit and Chicago for industrialists and bankers.

Some 40 industrialists and bankers "primarily from the greater Detroit area," including several representatives of the automobile industry, attended the luncheon there.

From Detroit, Breathitt and state officials accompanying him went on to Chicago for similar meetings, including a dinner with industrial leaders of companies which currently have facilities in Kentucky.

"These are basic industries in Kentucky which I hope company officials will see fit to expand. Their expansion would help other industries in the state," Breathitt said.

At each luncheon, booklets entitled, "New Opportunities for Profit in Kentucky," were distributed.

The booklets contain maps showing highways, rivers, railroads and airports in the state, as well as industrial sites. They also explain the state's financing plan for private industry and tell about Spindletop Research, Inc., Lexington.

Breathitt said he intends to point out "what Spindletop can do for private industry and what this research means to the growth of Kentucky."

Samuel Isbell Accepts Flight Engineer Job; Resigns Research Work

Samuel M. Isbell has resigned as assistant to the director of the Kentucky Research Foundation at the University of Kentucky to take a position as flight engineer with Pan American Air Lines. His KRF assignment, which he has held since October, 1961, terminated Monday, of this week.

Isbell, 29, will be based in Miami. His flight routes will be between the United States and Latin America.

He served from 1954 to 1958 as a Navy pilot, flying patrol bombers in the Atlantic area. He holds the rank of lieutenant in the Naval Air Reserve.

He was awarded a degree in industrial commerce from UK in 1961 and has been working toward a master's degree. He is a native of Prestonsburg.

Isbell's wife, the former Gail Webb, and three children will join him in Miami in early summer. He is a son of Mrs. Ruth F. Isbell, of Prestonsburg, and the late Samuel L. Isbell.

SOIL STEWARDSHIP WEEK PROCLAIMED MAY 3-10

Soil Stewardship Week, an annual observance emphasizing the "sacredness of the earth," has been proclaimed by Governor Edward T. Breathitt for the week of May 3-10 in Kentucky.

Sponsored by the state's 121 soil conservation districts in cooperation with churches and other groups, the week traditionally serves to remind all people that the soil and water of the state depend on their stewardship to remain well-kept and fruitful.

According to custom, the week again this year begins on Rogation Sunday, May 3, the first Sunday after Easter. This special day, dating back to about the Fifth Century, was observed by the church in England with a blessing of the crops, fields, and animals.

Governor Breathitt in his proclamation requested "all persons and religious organizations to offer supplications to God for a bountiful harvest and to ask for continued blessings from our fertile fields."

The proclamation stated that the "spirit of soil stewardship at work results in well-kept fields, streams and reservoirs that are in keeping with the orderliness of the Creator."

The Governor also pointed out that the "soil conservation districts of Kentucky are seeking to bring about an understanding on the part of all people for the need of soil and water conservation," and requested that the "district supervisors, representing State Government, increase their activities with the goal of reaching a record number of Kentuckians with the story of soil and water conservation."

Jim Claypool, director of the Division of Soil and Water Resources in the State Department of Conservation, said his office is cooperating with the

Mr. and Mrs. R. A. Bradbury and family, of Mont Coal, Va., visited their parents, Mr. and Mrs. Arthur Bradbury, of Hi Hat, and Mr. and Mrs. Earl Blackburn, of Wheelwright, during the week-end of April 18.

Mr. and Mrs. Frank Blackburn, of Prestonsburg, were week-end guests of Mr. and Mrs. Earl Blackburn.

Mr. and Mrs. R. D. Jones, of Pikeville, visited their son, Don Jones, and his family during the week-end of April 18.

Mr. and Mrs. Howard Ferguson became the parents of a daughter on Thursday, April 23.

The Past Councilors Club of the Daughters of America held its regular monthly meeting Wednesday night, April 22, in the home of Lora McKnight, with the following members present: Lula Wallen, Violet Ferguson, Aileen Wallen, Hazel Little, Mary Ellen Wilson, Claudine Davis, Billie Ann Johnson, Ruth Faine and Lora McKnight. Theme of the program was the New York World's Fair. After the regular business meeting, the members enjoyed a game of canasta. The door prize was won by Hazel Little.
