SPEAKING OF AND FOR FLOYD COUNTY

THURSDAY, APRIL 2, 1970

The Big Job's In Background

Bill Gibson (left), South Central Bell's local manager, discusses with Kenneth Bishoff, construction superintendent, the company's expansion project at Paintsville (in background) which will provide long-distance direct dialing for subscribers in the area.

# South Central Bell Begins Work Toward Direct Dialing

in the process of spending approximately \$3.8 million to expand and improve telephone services in Eastern Kentucky, it was announced last week by Bill Gibson, the utility's local manager in Paintsville.

Included in the expansion program is a \$1,135,00 addition to the company's toll center building in Paintsville and the installation of facilities for direct distance dialing service (DDD) that will enable telephone users in 28 cities and towns in the area to dial their own long-distance calls.

The Paintsville building addition, which is being constructed to house the necessary ~~~~~~~~~~~

#### This Town . . . That World

"Happy" Chandler has announced that he wants to be Governor of Kentucky again. And I want to be Queen of the May, Mother.

Headline in the morning newspaper reads, "U. S. May Be Asked for Arms, But No Troops." Correction: We'll be asked for all we have, and chances are they'll get it.

#### WELL, MAYBE, PERHAPS...

There are various ways of saying something, and some of our people are expert at steering clear of a flat statement, leaving matters in a mebbe-yes, mebbe-no condition. One such was the oldtimer who was asked if his neighbor had with malice aforethought shot another resident of the neighborhood. Quoth he:

"Well, he didn't take no rest or draw a real fine bead on him."

#### THE DEFENSE

Our friend from West Prestonsburg discussed with us at some length, the other morning, the matter of ecclesiastical courts and how the hapless defendant seldom, if ever, won an acquittal. Then he told of how, in other days, a certain woman established her absolute innocence before the inquisitorial session.

The woman (he said) was haled before the church on a charge of riding a certain mule named Beck, astraddle. She admitted she had laid the sidesaddle aside and had ridden the mule, as charged. Then one of the brethren asked her: "Have you anything further to say before we pass sentence on you?"

folks have noticed that I have a stiff left— the scene of a steady round of action, with er, limb.

They admitted they had so observed. Then she continued:

"Well, it's this way: If I ride a sidesaddle,

I'll have to lay my left foot between Old Beck's ears-and, brethren, knowin' Old put up with it."

#### STANDOFF

Week before last, we couldn't send the paper to subscribers in the New York area. Which made us all even-we couldn't get the paper to them, and they couldn't get a complaint back to us.

#### NOT THE SAME

from Ashland, last week, and he left a note for me in which he remarked that the old desk looked familiar. Wonder if he missed the dog that I once used for a paperweight?

South Central Bell Telephone Company is toll and related equipment, will more than triple the size of the existing structure. The building now has some 10,000 sq. ft. of floor space and is two stories high. Three floors will be added to the rear.

Telephone exchanges benefiting from the expansion in South Central Bell territory are Allen, Prestonsburg, Elkhorn City, Ft. Gay, Inez, Louisa, Martin, McDowell, Paintsville, Pikeville, Feds Creek, Neon, Stone, Virgie, Wayland, Whitesburg and

Non-Bell telephone exchanges that will have access to South Central Bell's DDD service will be Grethel, Harold, Wheelwright, Jenkins, Cody, Fisty, Hindman, Mousie, Pippa Passes and Topmost.

Mr. Gibson said that all cities will not receive the service at the same time, but that it should be available to all by mid-1971. Total expenditure for the expansion includes the building, dial and toll equipment, and outside plant facilities.

The company has 141 employees in Paintsville. As a result of the expansion program, five additional positions have been created.

Western Electric Company will install the equipment in the building.

Ten Western Electric employees are now working in Paintsville, and the number could go as high as 50 as the equipment is installed in the new building next year.

In all, South Central Bell plans the expenditure of \$52,100,000 this year in Kentucky. Items in this county included in this overall program are an addition to the company building at McDowell and extension of the Kentucky Educational Authority (ETV) closed circuit television network to Prestonsburg Community

#### **Group Nominates B.F.S.T.** Nominees

Representatives of Wayland, Garrett, Maytown and Martin met Friday evening at the home of Elmer Morrison, Wayland, as a committee to nominate officers of the group being organized to support the proposed consolidated high school at

The organization has adopted the name, B. E. S. T. (Build Eastern School Today), at the suggestion of Mrs. Otto Martin, of Wayland.

Mr. Morrison was named chairman of the group supporting the school at the recent rally held at Garrett.

The list of nominees will be presented at the next meeting scheduled for 3 p.m. Sunday, April 12, at the Maytown high school gymnasium.

#### Gas Truck Burns **But Contents Saved**

A gasoline truck owned by Marvin Music, Gulf distributor, and loaded with almost a thousand gallons of gasoline caught fire Tuesday morning on the downhill entrance to Archer Park, West Prestonsburg.

The fire started in the front of the truck, and although the truck itself was ruined the gas tank and its contents were saved by the Prestonsburg fire department. The driver, Dewey Music, drove the truck after the fire started to an isolated part of the park. His efforts to control the blaze with a portable fire extinguisher failed.

# Sixth Mt. Dew Fest Under Way at P.C.C.

The sixth annual Mountain Dew Festival sponsored by Prestonsburg Community College swung into full action today (Thursday) as the first of 1500 students expected from a 15 college campuses and

faculty-guests began registering at 1 p.m. From registration time till 10 p.m. She had. "I suppose," she began, "you Saturday the college campus here will be all 15 schools participating in 16 events planned fro the festival. ALL EVENTS ARE OPEN TO THE PUBLIC

What may be the high points of the festival will be reached Friday evening at 8 when the Festival Queen and talent con-Beck as I do, I'm convinced she wouldn't tests wil be staged in the college auditorium. Practically all participating colleges are expected to have entries.

The festival basketball tournament will start the action at 1 p.m. today (Thursday) in the Prestonsburg high school fieldhouse. First-round play was held earlier, and the tourney here will begin with the quarter-

In the lower bracket Alice Lloyd will meet Jefferson at 1 o'clock, with Maysville My good friend, Ira McMillen, was here and Prestonsburg winding up the afternoon play at 3. Thursday at 6 o'clock, upper bracket play will pit Elizabethtown against Hopkinsville, and at 8 p.m., Somerset will tackle Logan.

The semi-finals will be at 4 and 6 p.m., Friday; the consolation game, at 1 p.m. Saturday, with the championship game scheduled for 3 p.m. Saturday.

(Hazard, Northern Kentucky, Lexington Tech and Williamson were eliminated in first-round play.)

#### (See Story No. 2, Page 12) Carolyn Robinson Nominated At PCC

For Mt. Dew Queen

Carolyn "Susie" Robinson, 18-year-old daughter of Mr. and Mrs. Earl Robinson, of Prestonsburg, has been selected by the students at Prestonsburg Community College as their candidate for Mountain Dew Queen. She is sponsored by the K-

Mates, a woman's service organization. Miss Robinson, a sophomore at PCC, is a 1968 graduate of Prestonsburg high school and plans to transfer to the University of Kentucky this fall, majoring in higher

education. Fourteen other candidates are also vying for the title of 1970 Mountain Dew Queen. The formal crowning of the Queen Saturday, April 4 at 10 p.m. will conclude the three-day festival.

# Solid Waste Disposition Is Puzzler

County Judge Henry Stumbo said Monday that he recognizes the growing seriousness of the problem of solid waste disposal but sees little hope of Floyd county coping with its particular situation without federal assistance.

He added that he hopes to initiate a countywide cleanup drive next month and to have county trucks available to haul away waste accumulations in rural areas. The program will be announced more definitely later. Judge Stumbo said householders will be required to leave their waste collections in containers at the roadside for pickup when the work is done.

Stumbo said he proposed at a solid waste seminar recently that federal aid should be given and that clearing debris from streams should be a job entirely for federal

(See Story No. 3, Page 12)

#### Daylight Theft Gets a Section Of Phone Line

An epidemic of larceny has hit the county, officers indicated Tuesday, and in two instances power and communications lines were hit.

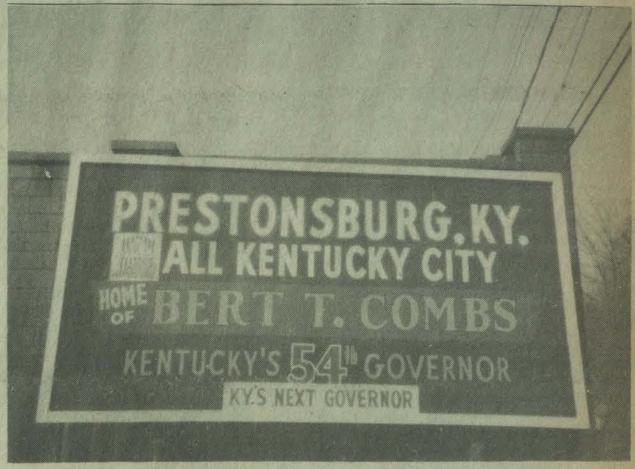

The Sheriff's office reported that 1700 feet of telephone wire was stripped in a daytime theft from poles on Big Branch of Abbott Creek, and that 2,687 feet of power transmission cable was taken on Hunter Branch of Left Beaver Creek. No arrests had been made in either case, Tuesday morning.

Two breaks were reported here Tuesday night, and one at Martin. Goebel's Quick Coin-Operated Laundry and Parkway Motors here were broken into, and at Martin thieves hit Caudill's Gulf Service.

Rannold Gavheart, Jeff Henson and Pink Akers were arrested last Thursday on a car theft charge. They were captured after wrecking on KY 32, near Blaine, a car allegedly taken from Parkway Motors nere. Two juveniles were booked at the jail

(See Story No. 4, Page 12)

Pupil's Rights Rule

#### Picture Tells Political Story

When Former Governor Bert T. Combs submitted his resignation from the Sixth U. S. Circuit Court of Appeals bench recently, word spread quickly over the state that the move means that he will seek the Democratic nomination for Governor next

Pledges of support rolled in from all parts of Kentucky, but Judge Combs remained silent. In fact, he cannot make a statement until he leaves the federal bench in June. signs. See bottom line in photo.

But here in Prestonsburg, where he lived and practised law for years, the signs are already up. Soon after Combs became Governor, supporters caused signs to be erected at approaches to Prestonsburg,

"Prestonsburg, Ky., Home of Bert T. Combs, Kentucky's 54th Governor."

Now there's something new on those

# Groundbreaking Set Apr. 4 for Hospital

#### **May Seriously Hurt** In Wreck of Truck

Curtis W. May, owner of the Curtis May Market here, was seriously injured Sunday morning when his truck slid from a slippery highway near the Starfire Restaurant, Paintsville. His leg was broken in two places, above the knee, an arm was twice broken, and he suffered severe lacerations.

Mr. May was taken to the Prestonsburg General Hospital and was removed Monday to a Lexington hospital.

#### To Mark Start On Big Facility The official ground-breaking ceremony for the Highlands Regional Hospital on new US 23, near Auxier, will be held at 1 p.m.,

Perkins Speech

Saturday, with Congressman Carl D. Perking as the principal ker. Chalmer H. Frazier, administrator of the Highlands Hospital Corp., said EDA of-

ficials and other friends and leaders of the move for a regional hospital will participate in the program.

Shape of the hospital structure is already apparent, with excavation of its basement almost complete. The James M. Grey Construction Co., Glasgow, Ky., contractor, already has some equipment at the site and more is being moved in. Piling to a depth, in places, of 50 feet, has been driven to bedrock, preparatory to foundation work. An earth-fill of the site also is under

The hospital structure will consist of a ground floor plus four floors, and will be built for three additional floors to be added. The structural frame will be reinforced concrete and steel, with steel joist floor construction. The exterior will be brick and precast concrete aggregate panels. The building will be completely airconditioned and heated by a chilled-hot water system, with individual patient control in bedrooms.

The 150-bed hospital will contain a coronary care unit with all the modern monitoring and lifesaving equipment. There also will be an intensive care unit and a recovery room. The hospital will contain three operating rooms for major

The extensive emergency room will contain an additional three operating rooms for minor surgery, and will be fully equipped with modern lifesaving equip-

The laboratory will be equipped with automated equipment to permit multiphasic screening of large groups of people. Included in the equipment will be

(See Story No. 1, Page 12)

#### Hall Is Killed In Ohio Wreck

David (Sonny) Hall, 72, well-known resident of the Right Beaver Creek section of Knott county, was almost instantly killed late last Thursday night in the wreckage of his auto, near Middletown, Ohio.

Mr. Hall was driving alone to visit his daughters in Middletown and was within three miles of his destination when he lost control of his car, which struck a power

A resident of Topmost, Mr. Hall was a son

of the late Richard and Nancy Martin Hall. He was a retired state employee and was a driller and contractor.

Survivors include two sons and four daughters, Richard Hall, of Dema, Bill Hall, of Montana, Mrs. Essie Moore and Mrs. Ruby Shepherd, both of Middletown, Mrs. Cassie Wright, Dayton, O., and Mrs. Ruth Sturgill, Hindman; one brother, Guilford Hall, of Frankfort, 23 grandchildren and 14 great-grandchildren.

Funeral rites were conducted Monday at 10 a.m. from the Dry Creek Regular Baptist Church, ministers of that church officiating, and burial was made in the family cemetery at Topmost under direction of the Hindman Funeral Home.

## Delayed for Briefs Circuit Judge Hollie Conley has post- as a result was suspended for the entire contended, the loss of the right to:

poned a ruling on the temporary injunction granted John Luxmore, against Lloyd Stumbo, the Floyd County Board of Education and Superintendent of Schools Charles Clark until opposing counsel file briefs in the case. The hearing on the injunction was held

last Friday, two days after Luxmore had filed for the restraining order. Briefs are due in Judge Conley's hands by Friday of this week. The elder Luxmore's petition for a

restraining order said Stumbo, principal of McDowell high school, had established a rule to the effect that fighting by a student was punishable by an automatic E, or failing grade, in conduct not only for the six-wek period in which the offense was committed but for the entire school year.

John Paul Luxmore, 17-year-old senior at the school, was engaged on or about Nov. 18, in a fight, but it was claimed he fought in self-defense. The petition claimed he was given an E in conduct, without hearing, and

school year from all extra-curricular activities and privileges. This involved, it was Ride the school bus to athletic events and

field activities; go on the senior trip to Washington, D. C.; participate in and attend school and the junior-senior prom and other dances; participate in intra-mural sports; to be a member of clubs and attend chapel and convocation programs.

Plaintiff alleged that the rule is

"capricious, unreasonable, discriminatory and arbitrary" in that it violates the Kentucky constitution by failing to allow the rights of self-defense or to seek safety and that it also violates the U.S. constitution in that it failed to permit the student due process of law and inflicted exessive punishment. The petition says young Luxmore is an

above-average student and that, except for the violation in question, had a record of

The Porter Electric Company at Allen, one of the oldest of its kind in the area, is a family business, and even Paula, daughter of Paul Porter, head of the firm, and his granddaughter, Angela, get into the picture. Shown with them is a new battery charger which Porter Electric already is marketing in Kentucky, West Virginia and Pennsylvania. The company's operations have spread from the original building in Allen to two other nearby structures—the old Hampton Grocery Company building in which battery-operated mine buggies are manufactured, and the former Den Fairchild, Jr. building where the machine shop is now located for the manufacture of coal drills and mine fans. This latter department is known as the Halbert Machine Shop, in which Mr. Porter is a partner. The electric shop, located in the original building, manufactures rectifiers, battery chargers and transformers.

FIRST EASTER EGG HUNT

Little Edwina Ousley, 4½ year-old daughter of Mr. and Mrs. Ed Ousley who has been crippled since birth is now able to walk some. Her leg cast was removed 10 months ago, and for the first time in her life, she has been able to hunt Easter eggs with her little cousins and friends.

VISITING PARENTS HERE

Mr. and Mrs. Frank Thompson and three children, of Durham, N. C., returned home Monday, after an Easter vacation here with her parents, Mr. and Mrs. Homer Salisbury.

EASTER GUESTS

Mrs. Margaret P. Alley had as her Easter guests her sisters, Mrs. J. R. Herron and Miss Lena Porter of Pikeville.

**GUESTS OF PARENTS** 

Mr. and Mrs. W. W. Greenwade had as their Easter week-end guests, their daughter, Mrs. Don Sullivan, Mr. Sullivan and children, of Lexington.

HERE FOR HOLIDAYS

Melissa Francis, student at Christian college, Columbia, Mo., and Mr. and Mrs. Billy Gordon Francis, Lexington, spent Easter holidays here with their parents, Mr. and Mrs. Fred Francis.

VISITED HERE

Mr. and Mrs. Oakie Shepherd and three children, New Lexington, Ohio, spent last week-end with Mrs. Thelma Ousley and Mr. and Mrs. Ed Ousley on Middle Creek road.

HAD SURGERY MONDAY

Mrs. Dave Stephens is in St. Josephs hospital in Lexington, where she had surgery on Monday. Mr. Stephens, her daughter, and Mrs. J. B. Ford were with her.

EASTER GUESTS

Mary Lynn Combs, Mr. and Mrs. Steve Combs and her three sisters, of Lexington, spent the Easter week-end here with their parents, Mr. and Mrs. Paul C. Combs. Mrs. Combs accompanied them to Lexington Monday.

HERE FROM MISSOURI

Mr. and Mrs. W. J. Montgomery, St. Charles, Mo., are here visiting their relatives, Mr. and Mrs. D. S. Montgomery and Mr. and Mrs. Russell Laven at Allen.

**FAMILY GATHERING** 

Mr. and Mrs. J. B. Ford entertained their family group to dinner on Easter. Their guests were Mr. and Mrs. Kenneth Verley, Scotty and Lisa, of Dayton, Ohio; Mrs. May Ford Hyden, Franklin Allen, and Mr. and Mrs. Kenneth F. Allen.

PERSONAL SHOWER

Mrs. Stevie Hall, nee, Janet DeRossett, was honored with a personal shower here, March 17. The color scheme of yellow and orange was carried out in table decorations. Hostesses were Linda Hogsed, Kathy Conn, Sherry Howard, Susan Halbert, Donna Mosley, Janet Flannery, and Peggy Flannery. Mrs. Hall received many personal gifts. Enjoying the hospitality of the hostesses were Mrs. Hall, Miss Rhoda Gayheart, Janie Halbert, Kathy Allen, Debbie Dingus, Judy DeRossett, Clara Salisbury, Nira Branham, Sherrie Ratliff, Belinda Barnett, Charlene Justice, Terri Hyden, Cathy Johnson, Mary Newsome, and Marcella Click.

HERE FOR EASTER

Mr. and Mrs. Gene Wright and family, of Trenton, O., spent the Easter week-end, guests of his parents, Mr. and Mrs. H. B. Wright, of Cliff. They were joined for Sunday dinner by Dr. Ballard Wright, who had flown from Vandenburg Air Force Base, Calif., to the University of Kentucky.

HERE FROM OHIO

Mr. and Mrs. Michael Franklin, of Williamsburg, O., spent the Easter weekend here with her parents, Mr. and Mrs. J. E. Goble, and family.

COMPLETES TRAINING

Spec.-4 Charles T. Halfhill, Jr., has been here visiting his mother, Mrs. Charles T. Halfhill, for the past three weeks. He recently was graduated with honors from the U. S. Air Force Defense school at Ft. Bliss, Texas. While here he attended the weddings of his sister, Miss Sandra Halfhill, and his brother, Michael. He left March 22 for Frankfort, Germany, where he will be stationed.

VISITING HERE

Mrs. Charles Elliott, of Huntington, is here visiting her brother, Graham Porter, and Mrs. Porter. She recently returned from a six-week visit in Tampa, Fla., with Mr. and Mrs. Charles Graham Porter and son, John Graham.

#### The Law Gets "the Runaround"

(A guest editorial by William O. Newman, Public Safety Commissioner)

Guilty! . . .

"But not as charged," seems to be a persistent and far-toofrequent practice by some Kentucky courts when dealing with the drunk driver.

And, sometimes, this whole business of looking for ways to amend an arresting officer's complaint against the tipsy motorist threatens to stretch the broad credibility gap to a chasm we cannot span.

For instance, in a case heard in one Kentucky court, the judge took a novel approach, if nothing else.

The motorist was convicted. But not of driving while intoxicated, as he had been originally charged. Instead, he was found guilty of an equipment violation.

The language, meaning and intent of the two laws involved here have nothing in common. While I would agree that a bottle of whiskey or a six-pack of beer might, under certain circumstances, be improper equipment for safe vehicle operation, it is hard to understand how such a charge could ever grow out of a drunk driving

Unless, of course, the whole idea is to defeat the point system which would have revoked that driver's license, if the original charge had been sustained, and taken him off the road before he killed himself or someone else.

Certainly, the interests and safety of the community aren't served when any drunk driver is allowed to keep his license under the guise that he deserves another chance because it was a first offense-often not the case at all—or just because the court wants to give him a

If anyone gets the break, it's going to be the other fellow who dies-when the "break" is a broken neck. And, don't think it couldn't happen to you. It could.

Of 6,677 drunks arrested by state troopers during 1969, only 3,500 were convicted of that offense. These 3,500 lost their licenses. But what about the rest?

Seven per cent—or 456—didn't even get their hands slapped; the charges against them were filed away or dismissed. Most of the remainder-37 per cent, or 2,444-are back behind the wheel after having been fined for some lesser offense. Drinking beer on a public highway, reckless driving, drunk in a public place and disorderly conduct were the legal escape hatches most often used by courts to evade handing down a drunk driving conviction.

And, yet, the public doesn't seem to care—although they should. Nearly half of the drunks arrested on highways last year are out there right now. If only 50 per cent decide to drink and drive again this year, and just half of that number cause one fatality each, 794 Kentuckians are going to die before the year is over.

Unfortunately, there isn't much that the individual police officer can do about it. He can make the arrest. But citizens, themselves, are the real enforcers. Unless every citizen demands, loudly and emphatically, that officials in his community stand 100 per cent behind strict, letter-of-the-law enforcement of our point system and drunk driving laws, there will never be any real safety on Kentucky's highways.

You'll just have to cross your fingers and hope that one of those 794 deaths this year doesn't turn out to be you!

## Extension Service News

By JACK M. FRIAR

FLOYD COUNTY TALENT SHOW

The annual Floyd County 4-H Talent Show was held last week at the Betsy Layne school auditorium, with approximately 200 4-H members participating.

Winners of the two divisions of the show were Trena Trimble, speciality act, and Stumbo 7th and 8th Grade Club, club act division.

Trena is a member of the Betsy Layne 6th Grade Club and won by singing, "Once a Day". The Stumbo Club presented "The Highland Festival," a song and dance routine.

Other members participating in speciality act division included: Rebecca Stewart, Susan Compton, Anita Auxier, Belinda Johnson, Gwen Clark, Rita Scalf, Trena Trimble, Glenna Robinson, Kay Blackburn, Steve Akers (runner-up).

Other club acts presented were: Betsy Layne 8th Grade (runner-up) Maytown, Betsy Layne 5th, Betsy Layne 7th grade.

OLDER YOUTH CONFERENCE

Floyd county will be represented by two Hueysville girls, Reva Carol Duff and Vicky Ann Osborne at the 4-H Older Youth Conference. This conference will be held April 11-18 at the National 4-H Center in Washington, D. C.

Vicky is the daughter of Mr. and Mrs. Jack Osborne, and Reva is the daughter of Mr. and Mrs. James A. Duff. Both girls are sophmores at Garrett high school and are members of the Garrett 4-H Club.

FLOYD COUNTY RALLY

The annual Floyd County 4-H Rally Day has been scheduled for Saturday, April 25, at the Maytown school. Contests will be held in the demonstrations and public speaking. Another feature of Rally Day is the annual 4-H Style Show. Winners of demonstrations, speeches, and the style show will represent this county at area events.

Prestonsburg, Ky.

PROVIDING 24-HOUR AMBULANCE SERVICE TO AREA RESIDENTS

Greer To Retire

Eddie Greer, of Martin, will retire April 1 from United Fuel Gas Company's Production Department here after 19 years of service.

He is taking advantage of the early retirement feature of the company's retirement plan, electing to leave before reaching the normal retirement age of 65. Mr. Greer joined the gas company in 1950 as utility man at Beaver Creek Compressor station. In 1954 he was transferred to the Walbridge station as an oiler. In 1966 he became a utility man for the production department at Prestonsburg and in 1968 he assumed his present position as roustabout. Before joining the gas company he was employed by the Packard Motor Car Company in Detroit.

Mr. Greer attended Morehead State College at Morehead for one year and served two years in the U.S. Army Corps of Engineers. He is a member of the Church of the Latter Day Saints, Martin Temple, where he has served as an elder

Mrs. Greer is the former Sonia Flanery, of Martin. Mr. and Mrs. Greer are the parents of two sons, Larry E., Lexington, Ky., and Darryl C., of Martin.

CLOSING BILL AMENDED

A House committee amended the local option provision of the Senate Sunday closing bill, SB 6, and then reported it out favorably. The House amendment, in which the Senate would have to concur, would make the local option portion subject to approval of the voters and then have it apply county-wide. As approved by the Senate, the bill would allow city or county governments to decide which types of businesses other than groceries and drug stores could remain open on Sunday. The measure would allow groceries and drug stores to remain open, statewide.

Floyd Webb Cousins To Meet at Maytown

Maytown high school will be the scene, April 12, of the first meeting of Floyd county Webbs, a new organization which was formed recently for the purpose of learning the heritage of the Webbs in the Big Sandy valley area.

Dr. Donald E. Webb, president of the National Society of Webb Cousins, will be the featured speaker and will relate the story of the Webb family as it migrated from England to Pennsylvania in 1699, through the Shenandoah valley to Western Virginia, Eastern Tennessee and Western North Carolina and to Johns Creek in the early 1800's. Dr. Webb is a noted geneaologist who has spent 40 years in research on the Webb families. The program will also include community singing, recognition of the oldest and youngest Webb or Webb cousin present, and the showing of pictures of those who lived in Floyd county in the late 1800's and early 1900's. All who attend will be given a free copy of an 8 x 11 Webb coat-of-arms.

Present officers of the Floyd county Webbs are Mrs. J. T. Spillman, president, Charles E. Martin, Mrs. Berniece Porter and Mrs. Carol Webb. Officers will be elected for 1971, and plans will be made for a Webb family picnic in early 1970. All Webbs and all those who married into the family are invited to attend the program on Sunday, April 12, at 1:30 p.m.

SLOAN IN KEY ROLE

FORTUNA, N. D.-Sgt. Alex C. Sloan, nephew of W. J. Sloan, of Prestonsburg, Ky., plays a key role in the operation of one of the nation's newest frontline defense facilities. Sloan is an administrative specialist at the BUIC III (Back-Up Interceptor Control III) site that recently became operational at Fortuna Air Force Station, N. D.

The sergeant is a 1965 graduate of Prestonsburg high school and attended Prestonsburg Community College. His wife, Trinnia, is the daughter of Mr. and Mrs. Willie Rowland, of East Point, Ky.

Notice to Bidders

The Floyd County Board of Education will offer to the lowest and best bidder, until noon April 4, 1970 the printing and binding of 750 copies of Board Policies. For detailed information, call Woodrow Allen, supervisor, for appointment at your office or his. The Board reserves the right to reject

any and all bids. CHARLES CLARK, Supt. Floyd County Schools 3-19-3t.

#### 2 Floyd Educators Cite Move Ahead With 'Innovations'

Educators from across the commonwealth heard two Floyd countians recently present overviews of "innovation in action" in Floyd county schools at the second annual Kentucky Conference on Educational Innovations at Elizabethtown Community College.

They reported on Title III, E. S. E. A. school programs. Mrs. Frances Turner, English teacher at McDowell high school, cited the progress of the McDowell teaching team model, and the non-graded approach successfully utilized at the Clark elementary school was presented by Clem Martin, director of instruction, Floyd County Board of Education.

More than 500 educators viewed the presentations from Floyd and other counties of Region VII. Others attending the conference from this county were Wayne Ratliff, assistant superintendent of Floyd schools, who moderated a session, and Woodrow Allen, supervisor.

#### **OUTSTANDING TEENAGERS**

KAREN HALL

MARY BROWN

DALE LAWSON

The Outstanding American Foundation has announced that Rebecca Brown, Alan Dale Lawson and Karen Lynn Hall, McDowell high school seniors, have been selected as Outstanding Teenagers of America for 1970.

The students, nominated for this honor by their school, will compete for state and national awards in the Outstanding Teenagers of America program.

The recipients of this honor were selected on the basis of leadership, scholarship, school service, extracurricular activities, ability and achievement. They will compete with other winners in Kentucky for the Governor's Trophy awarded annually to the most outstanding teenager of each state. Each of the fifty state winners will be eligible for one of the two National Outstanding Teenagers of America awards and

Miss Brown is the daughter of Mary Brown, of East McDowell, and the late Evan Brown; Lawson is the son of Mr. and Mrs. W. D. Lawson, of Drift, and Miss Hall is the daughter of Mr. and Mrs. Adrian L. Hall, of McDowell.

#### Wednesday Marks Start Here Of Cleanup, Beautification; Various Groups Join Move

Everybody is getting into the act - except the litterbugs — as Citizens for Beautification began their April cleanup,

The City Council is committed to the task of enforcing ordinances requiring cleanup and forbidding litter. It also has posted \$25 to be awarded for the largest neighborhood trash pile accumulated during the campaign.

Nelson Program men are helping. the high school.

Homemakers are making street signs. seedlings.

The elementary school is sponsoring a poster contest in the fight against litter.

SCOUT TROOP 27 MEETS

At their regular Monday meeting, Scouts of Troop 27 elected the following boys to serve as officers:

Senior Patrol Leader—Jimmy Spurlock; Assistant Senior Patrol Leader-John Chidester; Troop Scribe-Steve Collins; Raven Patrol Leader-Keith Shannon; Assistant Patrol Leader-Greg Herrick; Rebel Patrol Leader-Tony Crisp; Assistant Patrol Leader-Steve Collins.

Scoutmaster James Goble and Assistant Scoutmaster Andrew Goble, along with the entire Troop committee, have many plans and wish to invite all boys of Scout age to join Troop 27 next Monday at 7 p.m. in the Scout room at Archer Park.

> DRY UP YOUR COLD. IN ONE HOUR,

#### Arizona Assay **Upholds Gold Find Report**

Reports published in The Times, a few months ago, that pay-dirt had been struck in gold and silver, in Lawrence county, were subsequently attacked, and this attack was met this week by an assay certificate from the Arizona Testing Laboratories, Phoenix, Arizona.

The certificate, sent to Homer Neeley, Milford, O., was Laboratory Report 6889 on Sample No. 3, and it showed that the sample submitted assayed 59.6 ounces of gold per ton. At \$35 an ounce the per-ton yield was valued at \$2086.

Mr. Neeley said the ore sample tested was from Vein No. 5 on the Neeley and Jordan properties in Lawrence county, and that this is the first analysis made from this vein. The mining which has already been done, he added, is from Vein No. 2.

Although No. 2 vein yielded only 7 ounces of gold per ton, he said ore was trucked to Cincinnati for smelting, and that it was done at a profit.

Mr. Neeley emphasized that his firm has no stock to sell.

#### William Travis Hill, Retired Accountant, Victim at Pikeville

William Travis Hill, 79, of Stanville, died Sunday at Methodist hospital, Pikeville. Born May 9, 1891, he was a son of the late Joseph and Elizabeth Warner Hill. He was a retired accountant and a veteran of World

Survivors include his widow, Mrs. Maggie Compton Hill; three stepdaughters, Mrs. Willodean Preston, of Ypsilanti, Mich., Mrs. Willogean Childers and Mrs. Carolean Yost, both of Louisville; a sister, Mrs. Eloise Shank, of North Fork, Va.; a brother, E. G. Hill, of Clendenin, W. Va., and two grandchildren.

Funeral services were conducted Wednesday morning at the Free Will Baptist church at Betsy Layne, the Revs. Bill Amburgy and L. E. Walters officiating. Burial was made in Davidson Memorial Gardens at Ivel under direction of Carter Funeral Home.

Accumulations of cans and other waste are at almost every farm in the county, it has been pointed out. Many of these householders have no truck in which to haul away this waste, and if they did they have no place to put it.

"I don't want to have cans and jugs in the creek, and I don't want them piled around

my place-but where can I put them?" The county has four garbage dumps, but these fail to serve most areas.

The solid waste disposal problem is not peculiar to Floyd county. The upper Kentucky River valley has either applied for, or been granted, federal funds to cope with problems of its communities. In Johnson county a study is being made of the feasibility of using abandoned mines as a storage place.

#### Wheelwright Man Found Dead at Home

Angelo Dilorenzo, 76, was found dead at his home at Wheelwright, Monday. He was last seen on the preceding Thursday, and is believed to have died Friday. Death was said to have resulted from pulmonary hemorrhage.

Born in Italy, he was a son of Donto and Claudia Dilorenzo and worked as a miner until retirement. He was a member of Local No. 5899, UMWA. There are no known

#### Rate Resolution

RESOLUTION OF THE SANDY VALLEY WATER DISTRICT OF FLOYD AND COUNTIES, KENTUCKY, ESTABLISHING RATES AND CHARGES FOR THE USE OF AND THE SERVICES RENDERED BY THE DISTRICT WATERWORKS SYSTEM, PROVIDING FOR THE COLLECTION AND ENFORCEMENT OF SUCH RATES AND CHARGES.

WHEREAS, the Board of Water Commissioners of the Sandy Valley Water District, of Floyd and Pike Counties, Kentucky, has heretofore determined that the promotion and preservation of the public health, safety and general welfare of said District and of all of its citizens and inhabitants require the construction and installation of a new District waterworks system, and

WHEREAS, the District is by concurrent proceedings providing for the issuance of its Water Revenue Bonds for the purpose of defraying the costs (not otherwise provided) of constructing said system in the manner provided by KRS 74.370 and KRS 96.350-510, and

WHEREAS, in and by said statutes it is required that rates or charges for services of the District waterworks system be prescribed and maintained so as to provide for the payment of the interest upon and principal of said bonds as the same become due, and also to pay operating and maintenance costs, as well as to create a

depreciation fund, and WHEREAS, the District has entered into a contract, as amended and supplemented, with the City of Pikeville, Kentucky, whereby the District will purchase water from said City at a reasonable rate, and

WHEREAS, it is necessary at this time that a schedule of rates for District water service be prescribed and that provision be made for the collection thereof,

NOW, THEREFORE, THE BOARD OF WATER COMMISSIONERS OF THE SANDY VALLEY WATER DISTRICT OF FLOYD AND PIKE COUNTIES, KEN-TUCKY, DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. WATER CONNECTION DEPOSITS AND CHARGES.

Water connection charges are hereby established and shall be exacted for each connection with the waterworks system of the District, based on the respective size of meter connections, as follows:

A. Deposits. Each customer must sign a written application for a water connection, accompanied by a deposit in the amount of \$25.00, agreeing to connect to the waterworks system of the District as soon as water service becomes available to the property of such customer. Of said \$25.00 deposit, an amount equal to the minimum monthly charge based on the minimum monthly rates set out in Section 2A of this Resolution, shall be retained as a meter deposit to assure prompt payment of water bills by said customer, and the balance of said deposit shall be credited against water bills, representing charges to such respective customers from the date of connection until such credit is exhausted; provided that with reference to any customers who sign applications accompanied by such \$25.00 deposit, and who fail to connect to the water system within 180 days after water service becomes available to the property of such customers, the entire \$25.00 deposit shall then be forfeited by such customers and deposited and treated by the District as revenues of the system. No water connection application shall be accepted from any customer who does not accompany same with a \$25.00 cash deposit.

B. Water Connection Charges. For all customers who signed or have signed written applications accompanied by the deposit prescribed above, upon the conditions set out above, prior to the date when construction of water lines available to the respective premises of such customers have been completed, no separate connection fee, other than said \$25.00 deposit, shall be charged to such customers at the times that their respective properties are connected to the waterworks system of the District. For all customers who have not signed such written application and-or who have not paid the deposit prescribed above prior to the time of the availability of the respective water lines as set out above, the connection charge shall be an amount equal to the actual cost of making such connection, including the cost of constructing any supplemental lateral lines to the properties of such respective customers.

SECTION 2. MONTHLY WATER

There shall be and there are hereby established from and after the effective date of this Resolution, monthly rates or charges for the water supplied by the waterworks system of the District, as

A. Minimum Monthly Rates for Each Size

Water Meter Connection.

The minimum monthly water rates for each size water meter connection shall be as follows:

Minimum Monthly

Size of Water Meter Connection	Water Charge For 2,000 Gallons Or Less
Five-eighth-inch	\$ 4.50
¾-inch	5.00
1-inch	6.00
1-1/2-inch	7.00
2 inches	8.00
3 inches	10.00
4 inches	15.00
6 inches	25.00

B. Meter Rates for Water Usage. Subject to the minimum monthly water rates specified above, the following metered charges shall be made for each 1,000 gallons or less of water consumption per month to customers of all size connections.

**Number of Gallons** Of Water or Less Per Month First 2,000 gallons

See minimum rate set out above Next 3,000 gallons \$ 1.70 Next 15,000 gallons 1.20 Next 30,000 gallons Next 50,000 gallons All over 100,000 gallons

**Monthly Charge** 

Per 1,000 Gallons

Or Less Per Month

SECTION 3. RIGHTS ON PAYMENT OF WATER CONNECTION CHARGES.

Water connections shall be made available to the owners of any premises (residential, commercial or industrial) abutting upon any street, road, alley, public way or easement in which a water line is constructed by the District within 150 feet of such water line.

Any and all property owners to whom such lines are so available shall be entitled to a water connection upon timely payment of the prescribed water connection charge as set out above.

Any and all owners of properties where the property line or easement is located more than 150 feet from a water line shall be entitled to the same privilege by paying the additional cost of bringing a water line the additional distance, in excess of 150 feet, to his property line or easement.

SECTION 4. RIGHTS ON PAYMENT OF CONNECTION CHARGE; PAVEMENT REPLACEMENT.

The payment by property owner(s) of the prescribed water connection charge shall entitle the owner of such property to have a water line brought to the edge of his property line or easement, and said charge includes the cost of replacing any pavement which may be disturbed on any dedicated public streets or ways during construction. Such property owner, if he desires water service, must bear the cost (including replacement of any pavement which may be disturbed on his premises during the construction) of running a water line from the building located on his premises to the point in said property line or easement where the District has brought the water line.

SECTION 5. COSTS OF INSTALLATION AND INDEMNIFICATION.

All costs, expenses and responsibility incident to installation, connection and use of water lines from the outlet side of the respective water meters to such respective premises where such respective water lines are brought to serve such premises and extending to the respective buildings on such premises, shall be borne by the respective property owners, who shall further indemnify the District from any loss or damage that may directly or indirectly be occasioned by the installation of such lines. All water connections shall be made under the supervision of the Superintendent of said waterworks system in accordance with the rules and regulations of the Kentucky Department of SECTION 6. RATES ARE EXCLUSIVE

OF SALES TAX. The foregoing rates are rates to be charged by the the District, and any applicable State sales tax shall be added to

each bill as a separate charge. SECTION 7. EFFECTIVE DATES FOR WATER CHARGES

The foregoing water rates and charges shall be effective as to all water customers beginning on the respective dates upon which water service is sufficiently available to the water premises of the respective customers to enable such customers to connect their premises to the waterworks system of the District. Such system shall be considered sufficiently "available" to any premises which abut upon any street, road, alley, public or private way or easement in which there exists a water line of said system, capable of supplying water service to such premises, where a water line has been brough to the edge of the property line or easement of such premises within the meaning of Section 3 hereof, such date to be determined either upon the date of actual connection of said premises with such water line or on a date ten (10) days after the District furnishes such customer notice, either by personal written notice or by notice published in a local newspaper of

METERED; NO FREE SERVICE. It shall be mandatory for all customers of the waterworks system to be metered. No one shall receive or be entitled to free water service or to any such service without paying the full rates herein specified. The schedule of rates herein prescribed for monthly water service shall be uniformly charged to all customers of the waterworks system of the District. No customer shall resell water except uner the terms of a

general circulation through the District, to

the effect that water service is available to

such premises, whichever date is earlier.

SECTION 8. ALL CUSTOMERS

special contract executed with the District. SECTION 9. METERS READ MON-

THLY. Water meters shall be read monthly commencing on the 20th day of each calendar month or as soon thereafter as weather and other conditions and circumstances may reasonably permit, and such reading shall continue as expeditiously as possible until all of the meters have been read.

In the event that upon the occasion of a monthly meter reading, it is found that the meter of a customer is defective or nonoperative, such water bill shall be computed on the basis of the average monthly water consumption of such customer shown by the three preceding monthly meter readings, provided that if no such readings are then available, the applicable water bill may be computed on the basis of an estimate of water consumption, estimated by the Superintendent of the waterworks system, subject to adjustment upward or downward according to the average of the next three succeding monthly meter readings.

SECTION 10. DEPOSITS APPLICABLE TO FUTURE CUSTOMERS OTHER THAN RESIDENT PROPERTY OWNERS.

Subject to the provisions of Section 1 hereof, and apart from the requirements of

connection fee payments prescribed therein, all applicants who applied subsequent to the date of commencement of construction or who hereafter apply and who are not resident property owners shall pay a \$10.00 deposit to the District, provided that a deposit of \$15.00 shall be required with reference to water service to a house trailer. Such deposit, less any unpaid charges, shall be refunded to such customer, his heirs or assigns, whenever such customer notifies the District legally to disconnect or terminate service to such

SECTION 11. OWNERS PAY CON-NECTION CHARGES; OCCUPANTS PAY RATES.

Connection charges, where applicable, shall be the personal obligation of the owners of the respective properties. All water charges, other than connection charges, shall be the personal obligation, collectible by law, of the occupant of the lot, property or building receiving the benefits of such use and service so long as the same continues, and the satisfaction of the liability by any party shall be a discharge of the liability for which the payment is

SECTION 12. MULTIPLE USERS. Where two or more tenants or occupants (of different rental units) of property are served by a single water meter, the water rates and charges shall be the personal obligation, collectible by law, of the person or persons who apply for such service and, where applicable, make the required deposit. Such occupants may each obtain a separate meter, and in the event that such multiple unit property is served by a single meter, each of such occupants shall be blled his proportionate (to the number of users and not to the quantity used) share of the water charges applicable to such property, and each shall constitute a separate user and be billed accordingly, and in any event, not less than the minimum rate(s) herein prescribed. The computation of the water consumption above the amount allowed in the minimum bill to such water users shall be made the same as if only one customer occupied the entire property; provided, however, that a motel may be billed through a single water meter, according to the applicable water rates for the amount of water so consumed. Any customer may file an application for a separate water meter and upon payment of the applicable connection fee and deposit therefore, the District shall install a separate water meter for such applicant, in which event such applicant will be billed at the water rate applicable to the usage of water recorded by such separate meter.

SECTION 13. REVISION OF RATES. The schedule of rates and charges prescribed in this Resolution shall be revised from time to time, and whenever required shall be increased, so as to produce income and revenues from the waterworks system adequate to comply with such covenants and agreements as may be made by the District in connection with the Revenue Bond Issue financing referred to herein.

SECTION 14. BILLING; COLLECTION; PENALTIES.

The rate or charges aforesaid shall be billed monthly on or about the first of each month, and all bills for such service shall be considered due and payable ten days after rendition. If a bill is not paid as aforesaid within such ten-day period, there shall be imposed a penalty on each bill not so paid, in an amount equal to ten percent (10 per cent) of the charges (other than sales tax) shown on the face amount of said bill not so paid. If a bill is not paid within the first thirty-day period after said due date, the charges shown on such bill shall be deemed delinquent, and the attorney for the Water District is hereby authorized and directed to enforce and collect any such charges remaining delinquent for a period of thirty days. If the deadline date falls on a Sunday or a legal holiday, the bill shall be deemed to be timely paid if paid on or before the next secular day thereafter.

SECTION 15. DELINQUENCY DISCONNECTION OF WATER SERVICE RECONNECTION; RE

ESTABLISHMENT. If a bill is not paid after remaining delinquent for thirty days, the Superintendent of the waterworks system shall thereupon turn off the water of such user according to the current practices existing at the time of the turn-off for water delinquents and may further enjoin use of the water facilities of the District by said customer until payment in full is made. If the deadline date falls on a Sunday or legal holiday, such deadline shall not expire until the next secular day thereafter. If water service is disconnected by the District by reason of delinquency in the payment of any water bill, reconnection of such service shall not be made until the owner or user pays all charges and penalties owed, plus the amount of Five Dollars (\$5.00) as a disconnection and reconnection charge. If water service is discontinued at the request of the water customer at a time when such customer is not delinquent in the payment of any charges, then reconnection of such water service shall not be made until the customer pays all charges and penalties owed plus the amount of Ten Dollars (\$10.00) as a re-establishment charge. SECTION 16. DEPOSIT IS NO EXCUSE

FOR DELINQUENCY.

The foregoing provisions are intended to and shall apply regardless of the availability of any initial deposit required by this Resolution.

SECTION 17. RECORDS AND AUDITS. The rates, rentals and charges for the use of and services rendered by the District waterworks system shall be billed and collected by the District, and the full amount of the proceeds for such service shall be deposited as received and set aside into the appropriate fund as the Superintendent of the system may designate, but subject to any different designation which may be made in any proceeding relating to the issuance of Revenue Bonds. The records of the District with respect to charging, billing, collecting and accounting for water service shall be audited at least once each twelve months by an independent

certified public accountant, and a report thereof shall be filed with the Secretary of the District, or shall be filed in such manner and at such other time or times as may be provided in any Resolution or proceeding of the District relating to the issuance of Revenue Bonds. The cost of such audit shall be classified and paid as an expense of operation and maintenance of the District waterworks system.

SECTION 18. SEVERABILITY If any clause, provision, paragraph or section of this Resolution be ruled void or unenforceable by any court of competent jurisdiction, the remainder thereof is intended to be adopted and shall be in full force and effect notwithstanding.

SECTION 19. ALL FORMER PROVISIONS REPEALED; EFFECTIVE DATE OF RESOLUTION.

All district resolutions, orders, motions, or parts thereof, insofar as same may be in conflict herewith, are repealed, and this Resolution shall take effect from and after its adoption, approval, and publication as provided by law, except that the rates herein prescribed shall be effective on the respective dates herein provided.

Adopted and approved on this 31 day of March, 1970.

JACK I. BRANHAM, JR. Chairman, Board of Water Commissioners. Sandy Valley Water District

(Seal of District)

ATTEST:

WALTER HALL Secretary

CERTIFICATE OF SECRETARY I, Walter Hall, hereby certify that I am the duly qualified and acting Secretary of the Sandy Valley Water District of Floyd and Pike Counties, Kentucky, that the foregoing Resolution is a true copy of a Resolution duly adopted by the Board of Water Commissioners of said District on March 31, 1970, that said Resolution has been ordered to be published as required by law, and that said Resolution appears as a matter of public record in the official records of said District.

IN WITNESS WHEREOF, I have hereto set my hand as Secretary of the District and the official Seal of the District on this 31 day of March, 1970.

WALTER HALL

(Seal of District)

#### SHERIFF'S SALE

By virtue of an order of sale directed to me which issued from the Clerk's office of the Floyd Circuit Court, in favor of Delbert Ison and Quin Samons, I, or one of my deputies, will on Monday the 13th day of April, 1970 at 10 o'clock a.m., in front of the courthouse door in Prestonsburg, Kentucky, expose to public sale to the highest bidder the following described property, to-

Said estate being described as follows: The undivided two-sevenths interest of Namon Samons in the following described

tract of land: A certain tract or parcel of land lying in Floyd County, Kentucky on Arkansas Creek, of Beaver Creek, and being a part of land conveyed to the first parties by Jacob Crisp and Syntha Crisp, Jake Samons and Geneva Samons, Gil and Irine Samons by deed bearing date Jan. 24, 1933, March 26, 1943, which is duly recorded in deed book 107-120, page 293, 542, County Court Clerk's office, containing 8 acres, more or less.

Bounded and described as follows: Beginning at on Bennie Walk Samons line at the pipe line drip, thence to a apple tree, thence up the hill to a poplar, thence up the hill to the top of the hill to a oak tree, thence around the ridge to a hickory tree at the pipe line, thence down the hill with the pipe line to an ash tree, thence down the drain to a stake at the line of Seymore Samons, thence up the hill with the branch to the pipe line drip, the place of beginning; and it is understood hereto by all parties that the said Ida Samons and Alex Samons are to control this above-described real estate as long as they both shall live all of their natural life, then when the parties of first part, Ida Samons and Alex Samons are both deceased, this above-described property belongs to Namon Samons, party of the second part. Being the same property inherited by Namon Samons from Alex Samons, Affidavit of descent record in Deed Book 168, page 85, Floyd County Court

TERMS: Sale will be made on credit of three months, bond with approved surety required, bearing interest at the rate of seven per cent per annum from day of sale and having the force and effect of a replevin bond.

Attend every weekly meeting . . .

WEDNESDAYS AT 12 NOON, THE KENTUCKIAN RESTAURANT

IN THE DISTRICT COURT OF THE UNITED STATES FOR THE EASTERN DISTRICT OF KENTUCKY ATPIKEVILLE

CIVIL ACTION NO. 1307

UNITED STATES OF AMERICA, PLAINTIFF,

VS: NOTICE: CONDEMNATION

290.29 ACRES OF LAND, MORE OR LESS SITUATE IN FLOYD COUNTY, COM-MONWEALTH OF KENTUCKY, AND WILLIAM R. WELLS, ET AL., DEFENDANTS.

TRACT NO. 805-Troy Robinson and

Unknown Spouse of Troy Robinson: The

Unknown heirs, devisees, administrators,

executors, creditors and assigns of George

Goble, Sr., dec'd. the address of the above-listed defendants

being unknown to the plaintiff.

You are hereby notified that a Complaint in Condemnation has heretofore been filed in the Office of the Clerk of the United States District Court for the Eastern District of Kentucky, in the United States Court House at Pikeville, Kentucky, for the taking of the fee simple title, excepting and excluding from the taking all interests in the coal, oil, gas and other minerals which are outstanding in parties other than the surface owners, for use in connection with the Dewey Reservoir Project, of the above described property in the pleadings herein;

A certain tract of land identified as 805, situated in Commonwealth of Kentucky, County of Floyd, on Johns Creek, left fork of Goble Branch, containing 27.18 acres, more or less, to include the interest, if any, in the same land as that described in a deed from Obelie Goble and Elsie Goble, his wife, to William R. Wells and Rina Mae Wells, his wife, dated October 17, 1963, filed for record in Deed Book 183, Page 457, in the records of Floyd County.

The authority for the taking is the Act of Congress approved February 26, 1931 (46 Stat. 1421, 40 U. S. C. 258a), and acts supplementary thereto and amendatory thereof, and under the further authority of the Acts of Congress approved April 24, 1888 (25 Stat. 94, 33 U. S. C. 591), and March 1, 1917 (39 Stat. 948, 33 U. S. C. 701), which authorize the acquisition of land for flood control projects; the Act of Congress approved June 28, 1938 (Public Law 761-75th Congress, 52 Stat. 1215); which act authorizes the construction and operation of the Dewey Dam and Reservoir on Johns Creek; the Act of Congress approved December 22, 1944 (Public Law 534, 78th Congress) as amended by Public Law 87-874 approved October 23, 1962, which acts authorize the construction and maintenance of public park and recreational facilities at water resource development projects; Section 5 of the River and Harbor Act, approved July 18, 1918 (40 Stat. 911) which act authorizes the United States to take immediate possession of the land to the extent of the interests being acquired pursuant thereto; and the Act of Congress approved August 12, 1968 (Public Law 90-4-9) which act appropriated funds for such purposes.

You are further notified that if you have any objection or defense to the taking of your property, you are required to serve your answer in triplicate on the Plaintiff's attorney at the address herein designated within twenty (20) days after the date of the last publication of notice. Your answer shall identify the property in which you claim to have an interest, state the nature and extent of the interest you claim, and state all of your objections and defenses to the taking of your property. All defenses and objections not so presented are waived. And in case of your failure so to answer the Complaint, judgement of condemnation of that part of the described property in which you have or claim an interest will be ren-

> > NOTICE

An application to discontinue a portion of a county road has been filed with the Floyd County Fiscal Court.

Beginning at the corner of Lot No. 81 of the Amanda and T. J. Dingus sub-division and running in a westerly direction with the Martin Federal Housing Project to the right of way line of Highway 80. Upon due notice a hearing will be held by

the Floyd County Fiscal Court to determine the discontinuance of this road. This, the 28th day of March, 1970.

C. OLLIE ROBINSON

available, free of charge, to those people displaced by highway construction and at no cost to the property owner offering the property. Any property owner having property for sale, rent, or lease, is requested to send a

brief description of the property, giving the lot size, type (brick, frame, block), number of rooms, type of heat, if gas and water are available, location and whether or not the house has a bathroom. If the house is for rent, state monthly rent; if house is for sale, the sale price. Be sure to indicate the name and address of the owner and telephone number, if any.

All properties listed must be safe, decent, and sanitary, and available for sale or rent without regard to race, creed, color, or national origin.

All replies should be sent to David

Watson, District Relocation Assistance Agent, Department of Highways, P.O. Box 2468, Pikeville, Kentucky. (Signed)

WENDELL BAYES District Engineer

#### Club Hears Talk On Responsibilities

Wayland, Ky.—"Responsibilities of Freedom" was the subject of last Monday evening's program for the March meeting of the Lackey-Garrett-Wayland Woman's Club at the home of clubmember, Mrs. Charles Collins, Lackey. Mrs. J. C. Wells was program leader.

"They key to club work is individual involvement," Mrs. Wells said. Quoting from the Kentucky Federation of Women's Clubs' president, Mrs. Wells added, "America did not create freedom, but freedom did create America." Mrs. Wells listed the ten commandments for a good clubwoman, which included friendliness, helpfulness, consideration for the feelings of others, and alertness to giving service where needed. "What counts most in life is what we do for others," Mrs. Wells advised.

Essays of the three finalists from Wayland's eighth grade on the "Responsibilities of Freedom" were read by Mrs. Wells. Mrs. S. M. Martin, Mrs. Don Hughes, and Mrs. Otto Martin served as judges. Edward L. Cooley won the club's \$5 award for the best essay. Melissa Nichols was second and Jerry Martin, third. Young Cooley is the son of Mr. and Mrs. E. A. Cooley, of Wayland.

Elmer H. Morrison, chairman of the group from Maytown, Garrett, and Wayland in favor of the construction of a consolidated high school at Eastern, appeared briefly before the club and explained what had been accomplished at the recent meeting of the group on March 15 at Garrett. In line with a motion made at that meeting the club submitted to him a list of names to be considered for the nominating committee to select nominees for offices in the new group.

At a business meeting following the program it was unanimously decided to ask Elizabeth Martin, a senior at Berea College, and daughter of Mrs. Nell Martin Campbell, Garrett, to be the club's representative in the Miss Floyd County Beauty Pageant.

The Nominating committee reported the following nominees for office in the club: Mrs. Bill Castle, president; Mrs. Maxine Martin, first vice-president; Mrs. Emma Lou Martin, second vice-president; Mrs. Loretta M. Martin, treasurer; Mrs. LaFaye Hughes, recording secretary; Mrs. Imalee Spillman, corresponding secretary. There were no nominations from the floor, and these were unanimously elected.

It was reported by the Heart chairman, Mrs. S. M. Martin, that \$100 had been collected for the Heart Fund and \$44 for Trooper Island.

Mrs. Bill Castle was by unanimous vote re-elected for another five-year term as trustee of the club.

Hostesses, Mrs. Beulah Collins, Mrs. Anne Castle, and Mrs. Emma Lou Martin, served refreshments to Mrs. Olga Trusty, Mrs. Gloria Francis, Mrs. Mabel Johnson, Mrs. Maxine Martin, Mrs. Loretta M. Martin, Mrs. Priscilla G. Prater, Mrs. Patricia Duff, Mrs. LaFaye Hughes, Mrs. Margaret Thiessen, Mrs. Bill Castle, Mrs. Avanelle Wells, Mrs. Alice Hornsby, Mrs. Jenny Dixon, Mrs. Blanche Bamer, Mrs. Laeunice Dunfee, Mrs. Virgie Spencer, Mrs. Jackie Lawson, Mrs. Minnie Terry, Mrs. Beatrice Collins, and Mrs. Libby Martin.

#### MASTER COMMISSIONER'S SALE

The Bank Josephine, a Corporation, Plf. VS. NOTICE OF SALE. CR 7,356 Carl Gibson, Glenda Fields and Tommy Fields, Defts.

By virtue of a judgment and order of sale of the Floyd Circuit Court rendered at the February 24 term 1970 in the above-styled cause I shall proceed to offer for sale at the courthouse door in Prestonsburg, Kentucky, to the highest and best bidder, at public auction, on the 10th day of April, 1970 at 10:30 o'clock a.m., same being a day of the regular term of the Floyd Circuit Court, upon a credit of six months, the following described property to-wit:

"Beginning at a box elder at the foot of the hill running eastward 73 feet to the line of Earl Manns; thence running with Earl Mann's line to the road, thence 85 feet running westward with the road to an iron stake; thence running a straight line back to the beginning, containing one acre, more

Being the same property conveyed to Carl Gibson and Glenda Fields (formerly Glenda Gibson,) by deed from E. J. Little and Katherine Little on April 29, 1966, which is duly recorded in Deed Book 190, Page 327, Floyd County Court Clerk's Office.

The amount of money to be raised by this sale shall be in the principal sum of \$71.00 with interest thereon at 6 per cent annually from September 9, principal sum of \$12,963.45 with interest thereon at 6 per cent annually from the 30th day of May, 1969 until satisfied and the costs of this action, including costs of advertising of this sale and the fees and commissions for conducting this sale.

For the purchase price the purchaser must execute bond with approved surety or sureties, bearing legal interest from the day of sale until paid and having the force and effect of a judgment with a lien retained upon said property as a further security. Bidders will be prepared to comply with these terms.

Given under my hand, this 19th day of March, 1970.

> MARSHALL DAVIDSON Master Commissioner, Floyd Circuit Court.

#### Dodson Says Nunn and Assembly 'Turned Their Backs On Teachers'

LOUISVILLE, KY-By turning their backs on public-school needs. Governor Louie B. Nunn and the General Assembly have made 1970 "a low-water mark for education in Kentucky," Dr. J. M. Dodson, Kentucky Education Association (KEA) executive secretary, has charged.

During its 60-day session the legislature failed to act on and the governor failed to support nearly every aspect of KEA's four equal legislative priorities, Dodson noted. Of those priorities, only some permissive fringe benefit measures, limited adjustments in the restrictive tax-rollback law, and token salary increases were approved by lawmakers.

Legislative and gubernatorial inaction provoked 25,000 of the state's 32,000 teachers and administrators to take part in a six-day work stoppage during late February and early March and produced a call for a sanctions investigation, now in process by the National Education Association (NEA), against Kentucky.

In a preliminary report the sanctions investigation team said its findings to date 'indicate that Kentucky public schools are plagued with severe educational deficiencies" and that "the educational future of this state is in serious jeopardy." The preliminary probe is continuing to determine if a fullscale investigation should take place.

KEA's four equal priority points, and legislative action or inaction on each, were: 1. A law guaranteeing local associations the right of professional negotiation with boards of education. The PN bill (HB 215) passed the House 78 to 8 but was tabled in the Senate (SB 270) by a 21-to-17 vote.

2. Removal of the limitation on local school-tax rates. HB 522, which would have given property-tax relief of not more than 10 cents a year to a maximum increase of 20 cents, died in the House appropriations and revenue committee. Passed were two measures that relax rollback-law restrictions to a limited extent-HB 498, which allows assessment growth on existing property to be counted for schooltax purposes, and SB 231, which allows the seven school districts that were not at the \$1.50 maximum tax-rate when the rollback law was passed in 1965 to levy a rate as if they had been at the maximum.

3. Fringe benefits (group insurance, personal leave, sick leave, sabbatical leave, and optional retirement on full benefits after 30 years service regardless of age). All but the sabbatical leave measure (HB 60), which died in the Senate education committee after being approved by the House, were passed although all but the group-insurance measure were watered down from the original KEA proposals.

The group insurance bill, HB 49, allows local school boards to form employees into a group or groups to obtain group life, disability, medical, dental, or any group insurance, with the boards paying all or any part of the premium on the policies.

The personal leave bill, HB 61, permits school boards to grant employees no more than three personal leave days a year for reasons designated by the board and without affecting sick leave.

The sick leave bill, HB 142, raises the minimum number of accumulated sick leave days that may be used in any school year from 20 to 60, retaining the present provision that boards may authorize a greater number of days to be accumulated and used. The bill also allows sick leave to be used for illness of a member of a teacher's immediate family.

The teacher retirement bill, HB 52, will be effective July 1, 1972. It deletes the present requirement that pensions of teachers who retire before age 60 are reduced by 5 per cent for each year under 60. In 1972 it raises the contribution rate from 7 to 734 per cent for both teachers and the state. The state's matching contribution will be an estimated \$2,500,000 a year starting in 1972. Currently there are between 1500 and 1800 teachers who have taught 30 years or more and are less than 60

4. An annual cost-of-living increase of 6 per cent on the \$5000 base salary for teachers as indexed by the state's foundation program for education. No action was taken on HB 733, which would have raised foundation-program salary allotments to the level proposed by KEA; it died in the House appropriations and revenue committee. The same committee killed HB 584, which would have levied a 4-cent cigarette-tax increase above the present 2½-cent tax to finance the salary measure and a number of other educational needs, including more special education and vocational education units.

KEA's original proposal had been to raise the \$5000 base to \$6000, using the foundation program index for training and experience. When the salary proposals of the Democratic leadership became known in early February, the KEA Delegate Assembly termed them inadequate and offered the cost-of-living counterproposal, which would have meant raising the \$5000

base to \$5300 in 1970-71 and to \$5600 in 1971-

72, using the foundation program index. Governor Nunn's budget proposal ignored teacher salaries and provided no money for foundation program increases beyond small built-in obligations. The Democratic budget revision, which was passed, allotted \$16.6 million for teacher salary increases for the two-year period; these were non-indexed increases on each foundation-program category of \$200 the first year and \$100 the second year. To index the Democratic allocation plus raising, the amount needed for the KEA cost-of-living increase would have required

an additional \$23.5 million. Reviewing the performance of legislators and the Governor in regard to Kentucky's educational needs, Dr. Kenneth Estes, KEA president, said educators are deeply concerned about the effect that the lack of financial progress will have on Kentucky's 3-26-3t. schools during the next two years.

One bright spot, Estes said, is the fact that "the teaching profession is at last showing some strength in protesting and insisting upon some attention from a legislature that is always too deeply involved in the political battle for party

dominance to care what happens to boys

and girls over the next biennium." Continuing its battle for educational improvement, KEA will place increased emphasis in coming months on political action programs, public relations, and local-level professional negotiation, Estes

There were a few other measures backed by KEA and KEA units that the General Assembly enacted into law. Governor Nunn has indicated he might veto at least one of them, HB 34, which eliminates "conflict of interest" in regard to teachers serving as legislators.

Other KEA-backed bills passed were HB 59, which amends the tenure law to require school boards to give written reasons for not re-employing non-tenure teachers or for transferring teachers to lower-paying positions, if such reasons are requested by the teachers; HB 150, which increases the monthly retirement allowance for teachers retired before July 1 of this year and raises the death allowance from \$1000 to \$2000, SB 194, which allows school boards to use teacher aides to supervise children, thus making it possible to free teachers for planning periods and duty-free lunch periods, and HB 601, which raises the guarantee "floor" allotments to school districts not benefiting from foundationprogram allocations. Guarantee allotments, currently \$235 per pupil, will be raised to \$243 in 1970-71 and to \$247 in 1971-

#### Six from County On UK Dean's List; 4 With 4.0 Standing

Six students from this county are among the 13 from four Eastern Kentucky counties who have been named to the dean's list in the College of Education, University of Kentucky, for the 1969 fall semester—and four of the six had perfect 4.0 standings.

To be honored by their dean, students in education must attain a 3.5 academic standing, or better, based on the 4.0 grading

All the Floyd honor students are girls and are seniors. Those with perfect standings

Teresa Jo Hopson, daughter of Mr. and Mrs. Samuel Hopson, of Auxier; Joan Carolyn Stumbo, daughter of Mr. and Mrs. Jack Stumbo, of Printer; Mrs. Jo Anne M. Roberts, daughter of Mr. and Mrs. Roy Martin, Prestonsburg, and Zella Faye Wallace, daughter of Mr. and Mrs. Robert Wallace, Prestonsburg.

Other dean's list students from this county are Mrs. Deanna Campbell Allen, Betsy Layne, daughter of Mr. and Mrs. Lewis Campbell, of Allen, and Jane Collins Bickford, daughter of Mr. and Mrs. David G. Bickford, Auxier.

Other Eastern Kentuckians so honored

KNOTT: Linda Susan Combs, freshman, daughter of Morton Combs, Carr Creek. PERRY: Carolyn S. Barret, sophomore, daughter of Maxwell Barret, Hazard; Elmer Denver Combs, senior, son of Monroe Combs, Vicco, and Manuela C. Napier, sophomore, son of James Napier,

Rute 1, Viper. PIKE: Carol Sue Anderson, senior, daughter of Mrs. H. Anderson, Dorton; Patty Sue Hall, sophomore, daughter of Riley Hall, Route 1, and Mrs. Bari Bevins Kazee, senior who made a perfect 4.0, daughter of Dr. Robert Bevins, both of Pikeville.

**CARD OF THANKS** 

We would like to express our appreciation to all of our friends, neighbors, and relatives who in any way expressed their sympathy upon the passing of our dear father and husband, Reece Oney; thanks also to the ministers, Stewart Howard and Rush Slone, and the Hall Brothers Funeral Home for its kind and efficient service.

## April Pay To Reflect Increase in Benefits

Daryl E. Ratliff, manager of the Pikeville Social Security office, said this week that the check social security beneficiaries will receive on April 3 will reflect the 15 percent raise recently passed by Congress.

The raise was effective with January, 1970. However, the April 3 check will only show the raise for March. Later in April, about the 25th, beneficiaries will receive a smaller check representing the increase due for January and February.

It is not necessary for beneficiaries to contact their local social security office concerning the benefit increase.

#### Sgt. Dingus Awarded County Escapes Two Bronze Stars

Army Staff Sgt. Danny Dingus, 24, son of Mrs. Pauline Dingus, R. 2, Pierceton, Ind., and the late Lacy Dingus, of this county, has received two awards of the Bronze Star Medal in Vietnam.

S.-Sgt. Dingus was presented the awards for meritorious service in connection with military operations against hostile forces in Vietnam while assigned as a platoon sergeant in Company B, Ist Infantry of the Americal Division's 196th light infantry Brigade. Dingus, who also holds the Army Commendation Medal, the Purple Heart and the Combat Infantryman Badge, entered the Army in 1962 and was stationed at Ft. Eustis, Va., prior to his arrival in Vietnam.

He and his family live at Radcliff, Ky., and he is now stationed at Fort Knox.

# Rabies in 1969

Kentucky had 211 laboratory-confirmed cases of rabies last year, but Floyd county contributed not one to this total.

This rabies-free record, unusual for this county, was based on laboratory reports made after heads of 17 animals were tested. The Floyd County Health Department

emphasized the point, however, that only a continuing program of immunization against rabies can be expected to reduce incidence of the disease.

Included among the animals from this county which were tested for rabies were one groundhog, two foxes, one rabbit, one cow, five dogs and 10 cats.

Elsewhere in Kentucky 41 dogs, 17 cats, 103 foxes, 14 skunks, 28 cattle, 5 horses, one bat, one hog and one wildcat were confirmed last year as rabid. Half of the cases developed during January, February and March. The incidence rate of rabies was highest among skunks (64 per cent) and gray foxes (56 per cent).

The last human rabies case in Kentucky occurred in 1961, although many persons have been bitten or otherwise exposed to rabid animals since that time. The State Health Department distributed 4,729 doses of duck embryo rabies vaccine and 34 vials of anti-rabies hyperimmune serum during

Several items concerning rabies are listed by the health department:

1. Rabies incidence figures such as the above represent only a small proportion of total overall occurrence; 2. Kentucky's chief reservoir of rabies is in wildlife, especially foxes; 3. Rabies is widely distributed over the state and occurs in a variety of animal species; 4. Pet animal rabies is totally preventable with proper distribution of commercial vaccines and stray animal control; 5. Consultation on problems relating to rabies control is always available from the Office of Communicable Diseases, phone number (502) 564-4935.

Stray dogs and cats are a special menace, and health authorities recommend that all such animals be picked up and properly disposed of. The rabies control law provides that all dogs over six months of age must be vaccinated against rabies. A new type vaccine used at local health department clinics gives immunity for three years. The law makes an owner liable for any person bitten by his unvaccinated dog, if the dog is rabid.

# QUIET, BOY. LET'S LISTEN TO A POLARA!

You won't hear much, Sheriff. Not with Polara's new Torsion-Quiet Ride that rivals the luxury cars for silence and comfort. And when it comes to roominess, Polara's actually bigger inside than America's most expensive luxury cars, but priced about \$2000 less. So if you want a big quiet car without a big car's price, tune in on Polara. At the Dodge Boys'.

#### Morehead Signs Howard Wallen

MOREHEAD, Ky., March 16—High scoring Howard Wallen of Johnson Central High School has signed a letter-of-intent to play his college basketball at Morehead State University.

MSU Head Coach Bill D. Harrell described the 6-1, 170-pound guard as "one of the finest players ever to come out of Eastern Kentucky" and said his signing was "a great moment for the rebuilding basketball program at Morehead State."

The first MSU cage signee of 1970 is the son of Mr. and Mrs. Wendell Wallen of Williamsport. His father is the athletic director at Johnson Central and formerly coached at Meade Memorial.

#### Gun Deer Season OK'd by Commission

A gun deer season of five days in all counties of Kentucky was approved by the Fish and Wildlife Resources Commission in meeting last week at the offices of the Department of Fish and Wildlife Resources, Frankfort. The season will open on November 14 and continue through November 18.

Hunting is restricted to bucks with antler or spike visible above the hairline in all counties except three. In these three, Barren, Edmonwon and Hart, deer of either sex may be taken. Again, the limit for the entire season, either gun or bow and arrow, is one deer. The archery season will be the entire months of October and December in all counties for either sex deer.

Other action included:

A change in the daily creel limit of rainbow trout from five to eight, with a possession limit of eight also. This is not to apply until January 1, 1971.

The creel and possession limit of rockfish was set at five, with a size limit of 15 inches. This also is not to be effective until January 1, 1971. Barren River Reservoir and its tributaries were opened to walleye fishing in all months except February and March; Licking River, up to a point adjacent to Highway 111 on the Bath and Fleming county line, was opened to commercial fishing throughout the year, and the mesh size of trammel and gill nets used in the Mississippi River was reduced from four inches to three inches, bar measure. No further changes in commercial net sizes are contemplated for a number of years, Commissioner Minor Clark said.

The commission also agreed to the production of a new film on fishing and water management, to be produced within the next year

the next year.

Hunting dates previously set were:
Squirrel, August 15 through October 31,
and November 19 through December 31,
limits to be 6 and 12; rabbit and quail,
November 19 through January 31, limit on
both species unchanged from last year at 6
and 12 for rabbits and 10 and 20 for quail's
furbearers (trapping season), November 19
through January 31; grouse, November 19
through February 28, with limits of four
and eight.

#### VETO STOPS SALARY BILL

First bill passed by the 1970 General Assembly to be met with a veto by Governor Nunn would have removed the \$17,500 salary limit on the legislative auditor's salary and removed employes of the legislative audit committee from the state merit system. One of the reasons given by the governor for vetoing the bill was, "It seeks to evade the constitutional salary limitations placed upon officials elected by the people in favor of employes hired without the expressed consent of the people."

#### FLOYD COUNTY COURT

#### IN THE MATTER OF THE ESTATE OF NANNIE B. AUXIER

Pursuant to order entered by the Floyd County Court on November 24, 1969, the undersigned administrator of the Estate of Nannie B. Auxier, deceased, will, on the 4th day of April, 1970, at the place where the deceased Nannie B. Auxier resided at the time of her death, in the town of Allen, Floyd County, Kentucky, at the hour of 10:00 a.m. proceed to offer at public sale all the personal property owned by the said Nannie B. Auxier at the time of her death consisting of all household furniture that she owned and all other personal property owned by her.

The terms of said sale are cash in hand and bidders will be prepared to comply with these terms.

Given under my hand as administrator of the Estate of Nannie B. Auxier, this the 27 day of January, 1970.

#### Things are seldom what they seem.

Big cars often pose as big cars, when they're

For instance, notice how much bigger the big car seems than the Volkswagen Squareback Sedan. Then count the number of suitcases it can take

Now, notice how small the Squareback seems

Then count the number of suitcases it can take

That's because the Squareback has 32.8 cubic feet of carrying space. Which is one and a half times as much as that of the largest sedan trunk.

Of course, if you really have a lot to carry you can always fold down the Squareback's rear seat. Then you'll have more than twice as much carrying space as the largest sedan trunk.

So which would you rather have—a sedan that looks like a big bully but really is a 12-suitcase Or a little fella who's really a 16-suitcase giant?
