Obituary of An Old Lady

The following obituary first appeared in the *Citizen*, a daily paper of the city of Louisville, Ky., and was reprinted in the *Times* of this county. It is a touching and interesting story of a life well lived. The lady in question was Mrs. Mary Ann (Hick) Smith, who was born in the year 1810. She was a member of the Methodist church and was a devoted wife and mother. Her husband, Mr. John Smith, was a prominent citizen of the county and was killed in the war of 1861. Mrs. Smith was left a widow with several children and she spent the remainder of her life in the care of her family. She was a woman of great faith and courage and her death was a great loss to her family and to the community.

"The refrigerator we buy has to last us a long time..."

So we've decided on ELECTROLUX

And consider this: Electrolux costs no more to buy than other leading refrigerators — costs considerably less over a period of time!

That's why Electrolux is free from repairs and permanently silent! That's why it has such long life! And that's why, too, Electrolux has the lowest operating cost of any refrigerator!

When you buy Electrolux... after long use... you can expect this same noise-free, trouble-free, economical refrigerator. We back every Electrolux we sell with prompt and willing service.

See Electrolux. Examine its other advantages... non-stop defrosting... trigger release on trays... temperature regulator.

RECKLESSNESS

Our highways are equipped with a variety of signs to warn the motorist of the nature of the road ahead, and the driver who neglects himself to unnecessary danger in his travels, it would be worse than foolish to ignore those signs. Any man with common sense will modify his driving according to the warnings.

Women in Andorra Work Side by Side With Men

Women of Andorra, that vest-pocket republic tucked in the mountains between France and Spain, work side by side with their men. The necessity of wringing a livelihood from its soil exacts every ounce of effort from those it sustains.

They are always clothed in black. In the hills, they wear black dresses that set off their slender forms, and black shawls and scarves over their heads. On Sunday they catch their costume in the same, but the black of their cloaks seems newer.

BLACKCATS LOSE TO INEZ BOBCATS

The Blackcats team is good but their shape is bad just that. The boys have shown the value of good coaching. They are in a position to stand the gaff over the long haul. Their inability to take it in the last quarter lost them two games over the week-end. First, the "Cats" lost to the powerful Lee team Friday night, 34 to 22, in a contest which they might have won, had all the boys been in condition to go at top speed during the latter stages of the set. Then, on the following night, they went to Betsy Layne and got clamped to the nets, 23-21 in a two-overtime-period affair, after leading 15 to 8 at the close of the third quarter.

Against Lee the local team took first quarter lead and fought the Martin countess practically on even terms through two more periods, but wilted under the pace in the final quarter. Crisp was the scoring star, Hays (2) and Sub: Betsy Layne.

AUXILIARY NET RECORD BODES NO GOOD FOR TOURNAMENT OPPONENTS

of Auxler, Ky., Feb. 13 (Sp.)—The Auxler basketball team is drawing near the end of one of the most successful seasons ever enjoyed by a Big Sandy team. A small high school, only last year a four-year school, has this winter secured a total of 23 of 30 boys enrolled in the high school department, Auxler has every reason to be proud of the record made by its team.

Last season, the Auxler team played a total of 24 games—including tournament play—totaling 700. During the present season, the team has played 25 scheduled games and has won 24 for a season's average of 92.3. The boys have played and defeated every team in Floyd county with the exception of the Haysville team. They also have scored decisive victories over the following teams from out of the county:

Menlo Memorial—21-7; 36-6.
Mota (Johns' Creek) 21-10; 44-1; Cumberland (Elkhorn)—23-18; 36-16.
Soldier (Rowan)—21-18; 27-15.
Haysville—22-11.
Petersville—22-18.
Pikeville College Academy—24-10; 31-16; 39-17.

Games lost by the Auxler team were to Morehead high and Berea high school during the Christmas holidays after losing "Carrie", star forward, who was in a hospital due to a ruptured appendix. He has not as yet been able to practice or play with his team and will probably be lost for the remainder of the season.

The Auxler team has scored an average of 28 points a game and had an average of 15 points scored against it. There are no outstanding stars on the team. Tegawerk is their kerone, with every member scoring. The members of the squad are: Music elongated center; Goldie, diminutive forward; "Crisp" Tony; Kenzie, potent guard; Harmon, a flashy rtd head; Thomas, understudy of Music's; Ramey and C. McKenzie, undergraduates, and Wallen, who acts as manager. Bob Harlow, of Prestonsburg, is coach of the team.

With five more teams to meet before the tournament, it is not alto-

GARRETT BOY IS SPELLING CHAMP

Wesley Richard, 13-year-old schoolboy, Saturday won the first prize in spelling at the county spelling bee held here.

Wesley was the end of a sprinting duel with a worthy opponent, 12-year-old Madge Boyd, of the seventh grade in the Prestonsburg graded school. Ten others had passed from the picture, and the two finalists rattled off words which figuratively were as long as they were, the contest lasting until 2 o'clock in the afternoon.

Then the local entry omitted the last "t" in that "filling word, 'administration.' Evidently it was a slip of the tongue, but the rules do not permit of second trials. So young Richard spelled the word, then mastered the next word, 'communication,' and so won the title by going to Louisville to represent Floyd county in the state spelling bee.

Young Richard's victory is another feather in the gray-tufted cap of that veteran teacher, H. N. Cooley, former superintendent of county schools. Last year, when he was teaching at Maytown, it was one of his pupils, Edwin Peavree, who captured the county spelling title and won the free trip to Louisville. This year, he coached the Garrett speller.
