## Mothers Look Forward to this Hour...

"It's the hour when some or daughters or old friends call them from some distant place by telephone. How happily they look forward to this time.

forward to this tunc. Thousands of families are doing this, not only on special occasions like Mochers' Day, but regularly each week ..., enjoying a thour, intesper-sive woice fivis by telephone with members of the family in other cities. Because year voice is you over the telephone, such visits are as satisfactory as though you were together in the same room.

Visiting loved ones at regular intervals by long distance telephone is a delightful way to keep family ties alive at small cost. Ask "fong distance" for view
