FLOYD COUNTY BOARD OF EDUCATION AUDIT REPORT

From July 1, 1930 to June 30, 1934

September 13, 1934
Ballard Hunter, Sup't and Members of the Board of Education of Floyd County, Ky., Prestonsburg, Ky. Gentlemen:
Pursuant to an order entered by your board on August 6, 1934, I have made a detailed audit of your records from July 1, 1932, to June 1, 1934, and made a preliminary report on same to your Board on September 3, 1934, and your further order of September 3rd, instructing me to make a detailed audit of the period July 1, 1930 to June 30, 1932 and combine the two reports. I submit herewith a complete report combining the two periods with comparative Balance Sheets, statements of the School Fund for the various years and necessary supporting schedules.
Schedule A (Balance Sheets)

The Balance Sheet of June 30, 1930, is taken from the records in your office and is used as a starting point. Schedule H (Bonded Indebtedness). Attention is called to the fact that practically no provision is being made for Sinking Funds to take care of these various bond issues. Schedule I (Warrants Outstanding). I found many of the stubs in the warrant book marked paid, but the warrants were still outstanding and I could not find where they had been paid. I also found three stubs missing entirely and very few of the warrants issued have been authorized directly by the minutes of the Board. Schedule J (Accounts Payable). These accounts are as furnished me by your present

superintendent and have not been verified. In this connection there is due your board 12 notes of \$200 each, payable annually, commencing in 1934, from the Prestonsburg Board of Education; this does not affect the Balance Sheet of June 30, 1934, as the amount is now included in the cost of buildings. Schedule K (Checks outstanding). This schedule really needs no explanation and is not set up for the teachers' fund which appears to be overdrawn; if practically enough money should be transferred from the general fund to take care of this overdraft. Schedules L and M (Difference allowed and paid). (This schedule really needs no explanation and is not set up to question the legality of the

claims paid, but the fact remains that these payments should all have been authorized by the board in their minutes. I believe the balance of the schedules are self-explanatory but particular attention is called to the necessity of having the minutes showing claims allowed correspond exactly with the payrolls and warrants issued. I certify that, in my opinion, subject to the above comments, the accompanying balance sheets, statements of school fund and supporting schedules, fairly reflect the financial transactions of the Board for the period named and the condition of the various funds as of June 30, 1934. Respectfully submitted,
ALFRED D. ROBERTS,
Public Accountant

EDITION FEATURES
BIG SANDY VALLEY

The winter edition of the Kentucky Progress Magazine is labeled Big Sandy edition in its pages. Kentuckians are guided through one of the most romantic and prosperous regions of the state. The hill-framed valley of the Big Sandy river has heretofore been the subject of an entire number of the Kentucky Progress Magazine and much of the delightful material offered will come in the nature of a great surprise to Kentuckians who do not fully realize the wealth of natural resources and scenic beauty in that valley.

Two of the contributors to this number are authors of new books that are meeting with popular and artistic success throughout the country. Jesse Stuart, the young Eastern Kentuckian whose book, "Man With a Bull-Tongue Plow," is one of the most important volumes of poetry published this season, contributes an article, "Kentucky Mountain People," which will be read with great interest. Harlan Hatcher, whose book, "Patterns of Women," is laid near Pikeville, writes of the beauty of that section of the Big Sandy valley.

E. W. Donaldson and J. C. Neckamp write of the industrial development and raw resources. Dr. Willard Rouse or Jilison writes of the geologic history. Judge S. S. Willis writes of the campaign of General Garfield in the Big Sandy. Jean Thomas writes of the old arts and crafts that are still preserved. E. W. Stovers explains just what and where the "Breaks" are. President Frank McClelland of Pikeville writes of the impressive progress of education in the region.

Never has a number of the magazine been more elaborately illustrated. A dramatic picture of the impressive "Breaks" is used for the cover and throughout there are scores of fascinating pictures

Enjoy a Comfort Zone Ride-

WITH V-8 POWER **FORD ECONOMY**

FORD V-8 FOR 1935

\$495 AND UP Easy terms through Universal Credit Co., the Authorized Ford Finance Plan.

IN THE new Ford V-8, you get the proved V-8 engine and, in addition, new features that give you a car that meets every 1935 driving need. A single ride will show you how completely the new Ford V-8 does this.

Wherever you sit in this new car—in the wheel or in the rear—you will enjoy "front seat riding comfort."

It required a major engineering development—the Full-floating Springbase with Comfort Zone Seating—to accomplish this. But the new Ford V-8—all the way through—is a car of major developments.

The new "clutch" enables you to start and shift gears with hardly noticeable foot pressure. The mechanical brakes, likewise, are new in design—easier to apply, yet stronger, longer-lived, surer-holding.

The car is longer, wider, with more room for passengers and baggage. It is distinguished inside and out—with luxur-

ous upholstery and instrument panel—beautiful streamlining. Everything needed for safety is included—welded all-steel body, low center of gravity, strong axle construction. In addition, Ford provides large, sure-traction tires and safety glass all around at no extra cost.

Whatever you want in a car—comfort, safety, speed, power, size, style, dependability, economy—the Ford V-8 for 1935 gives it to you in full measure. Be sure to see it at your nearest Ford dealer's.

that will, undoubtedly, lure many tourists from Kentucky, and elsewhere, to make a voy- age of discovery in the glam- orous Big Sandy.

GLO

The Pep Club, made up of boys, will give a one-act play Thursday evening entitled, "Gully, Or Not Gully?" The cast will include Albert Meyer as Judge; Glen Fanning as the Commonwealth's Attorney; Maurice Cleveland as the Defense Attorney; Paul Roup as the Court Clerk; Dewight Spradlin as the leading witness; Cheving Gum Sully; Ernest Adams as Willie Green; Martin young as the officer-of-peace; Arthur Sloane as the Murderer.

The girls were not contented to watch the boys do things, although they could do as well. To the surprise of the whole student body a new club sprang up over night known as the "Sneiy Club." Girls under this club have performed many good deeds,

Card of Thanks

We desire to express our sincere and heartfelt thanks to our hosts of relatives, neighbors and friends for their thoughtful kindness and sympathy shown us in the great loss of our beloved husband and father, Milton H. Nelson. We are especially eager to thank Henry, Isaac, Stratton, Adrian Davis and William Dingus for their kind and consoling words at the funeral.

His Bereaved Wife and Daughters,
 Henry Porter and Willie Hatcher, of Allen, were visitors here Tuesday.

FLOYD BOY AWARDED HIGHEST HONORS IN MARINE RADIO CLASS

Wilburn Miller, of the United States Marine Corps, son of Mr. and Mrs. George W. Miller, Betsy Layne, was recently graduated from the radio school of the signal company at Quantico, Va., ahead of schedule and awarded high honors. He was in the first class in the class. It was announced recently at the district office, Municipal Building, Macon, Ga., where he was accepted for service on March 3, 1934.

He was assigned to duty with the marine attachment aboard the cruiser Chester, shortly after graduation, where he will perform the duties of a radio operator. The Chester is now in Pacific waters for the annual fleet maneuvers. Prior to his acceptance he resided with his parents and was graduated from Betsy Layne high school.

CONSTITIATION Can be Helped!

(Use what Doctors do)

Why do the bowels usually move regularly and thoroughly long after a physician has given you treatment for constipation?

Because the doctor gives a liquid laxative that can always be taken in the right amount. You can gradually reduce the dose. Reduced dosage is the secret of rest and safe relief from constipation.

Ask your doctor about this. Ask your druggist how popular liquid laxatives have become. The right liquid laxative gives the right kind of help and the right amount of help. When the dose is repeated, instead of more each time, you take less. Until the bowels are moving regularly and thoroughly without any help at all.

The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It contains senna and cascara, and these two ingredients have the same effect on babies—even in children. Your druggist has it; ask for—

Final Games Have Net Fans Guessing

(Continued from page 1) ally rounded into top form? Garrett and Lackey also are both reported as having lost to Betsy Layne recently. The figures are not at hand, but, if they did lose as reported, Prestonsburg's disappointing victory over the Bobcats brings the Blackcats' tournament stock up a point or so.

In addition to this victory, the Blackcats toyed with the Paintsville Tigers here Saturday night, winning their second game of the season with the Tigers as easily as the Man on the Flying Trapeze is widely reported to have performed. Then, to cap the climax, Martin turned the tables on the Elberta City stars, trouncing the Pike countians by a decisive score and evening the series with that team for the season. Garrett also fell before a shower of Auxier baskets, a few nights back, and the downriver boys are priming themselves for Martin in the tournament.

After all scores are compared and mulled over, however, the two neighbors, Martin and Maytown, remain pre-tournament favorites. Will there be an upset? Will play start Thursday at Garrett, Saturday night, the tournament ends and then the second-guessers will have their inning. And after that—the regional tournament here March 7, 8 and 9, with the boys of each district in this section vying for the right to go to Lexington for the state tournament.
