MAYOR E. B. HAGER, OF ASHLAND, DIES

Native of Paintsville and Well-Known Man Here, Official Heart Victim

Edgar Brown Hager, mayor of Ashland, died at 8 o'clock last Thursday morning at his home in Ashland. He was 67 years old.

Mayor Hager had been ill for the past two months, suffering from heart trouble. He arose Thursday morning and was seated on the side of the bed speaking to his infant daughter when the end came suddenly. Wednesday night his condition seemed to be improved and he talked with his son, Edgar B. Hager, Jr., for some time.

He was elected mayor of Ashland in November, 1931, and his term would have expired January 6, 1936. He was immediate past president of the Kentucky Municipal League and widely known throughout the state as a lawyer and public speaker of extraordinary ability.

Mr. Hager was born in Paintsville, Ky., December 7, 1868, a son of Samuel P. Picklesimer, Jr., and Angie Brown Hager. The family moved to Ashland in April, 1881. He was educated in the Ashland public schools, Kentucky Wesleyan College, then located in Millersburg, and the law school of Boston University. After his graduation he returned to Ashland and spent practically all the remainder of his life there in the practice of law, specializing for the most part in criminal practice.

He was prominent during his life in several fraternal bodies. He was past master of the Ashland Lodge B. B. Turner, No. 1, and had occupied the position of grand master of the Ashland lodge of the same order.

Funeral services were held Saturday, December 28, at 10 o'clock in the morning at the home of Mrs. M. E. Church, South, assisted by Rev. C. A. Slaughter, his former pastor. He had been a member of this church since boyhood. Burial was made in the family lot in the Ashland cemetery.

Mayor Hager was twice married. His first wife was Mrs. Lucy Prichard Hager, who died January 2, 1902. To this union were born a son, Edgar B. Jr., of Ashland, and a daughter, Mrs. H. L. Webb, of Louisa, both of whom survive, together with his widow, Mrs. Sylvia Wylie Hager, and infant daughter, Kitty Brown Hager, a brother, John S. Hager, and six grandchildren.

Mr. and Mrs. Waid Cross and daughter Ethel, of Newark, O., are spending several days here during the holidays with guests of relatives and friends.

MAYTOWN TEAM IN TOP FORM IN GAME WITH INEZ INDIANS

Coach Wiley Jones' Maytown basketball team Friday night reached top form in holding the powerful Inez Indians to a scant one-point margin of victory after one of the hardest fought games ever played in the Maytown gym. The score was 19 to 18. Maytown and Martin on the face of available scores are leading contestants for Floyd county honors, though other teams may develop into strong opposition.

GARRETT WOMAN DIES IN OFFICE OF DOCTOR

Mrs. Della Williams, 58 years old, of Garrett, died suddenly in the office of her doctor, Dr. F. M. Picklesimer, of Paintsville, after a long illness.

Mrs. Williams was a daughter of Galen Picklesimer, of Meally, Ky., and a sister of Dr. F. M. Picklesimer, of the Golden Rule hospital in Paintsville.

Besides her husband, Mathias Williams, she is survived by another brother, Galen Meally, Ky., and several half brothers and sisters and other relatives. Funeral services were held Saturday, December 28, at 10 o'clock in the morning at the home of Mrs. G. D. Ryan.

Youth Escapes Unharmd From Wreck at Millersburg

One of the most miraculous escapes from injury in an auto wreck to be recorded in this county was that of Jake Turner, Jr., and Virgil Hatt, of Beaver Creek, near the Millersburg bridge.

The boys were driving their car on the highway at the time of the accident, which occurred at 2 o'clock on Friday afternoon, with Rev. C. C. Coe, pastor of the First M. E. Church, South, assisted by Rev. C. A. Slaughter, his former pastor. He had been a member of this church since boyhood. Burial was made in the family lot in the Ashland cemetery.

KNOIT SLAYER OF 2 TAKEN TO CLARK

Captured December 15 at the home of Zeke Gibson on Jones Fork, Winston Slone, who has been sought since election day when he shot Kelly Adams at Hindman, was killed Chester Jones and taken to the Clark county jail at Winchester Sunday for safekeeping.

He was arrested by Sheriff Sturgill and deputies, of Knott county. It was decided by Knott county authorities that, because of the feeling existing in the county against Slone, his removal to Winchester over the holidays was expedient.

CASE IS DECIDED AFTER MANY YEARS

A law suit filed in the Knott circuit court in behalf of two girls, one 19 and the other 24, daughters of the late Wilcox Caudill, was finally decided by the court of appeals Friday, 21 years later. The case, that of Anna Horn Coal Corporation, vs. the Elk Horn Coal Corporation, was upheld by the appellate court. It was filed at Hindman in June, 1914 by John W. Caudill, then a young attorney beginning practice, and Attorney John D. Smith, of Hindman.

The suit involved the estate of Wilcox Caudill, who had had hands of friends and relatives. It was argued by three brothers, Leete, Jr., formerly Miss Helen Davis, of this city, Red candles in crystal holders placed on a table of lace, wreaths of holly and flowers of the Christmas season, carried out the Christmas motif selected for the occasion. YOUNG MOTHER TO FACE COURT

Letcher Woman, 17, Charged With Neglect in Death of Baby Son

Whitesburg, Ky., Dec. 19—County Attorney G. B. Adams said today that Mrs. Helen Mahan, 18 years old, accused with her husband, Robert, 22, of having slain their nine-month-old son, Thomas; will be given a hearing in juvenile court Monday on a charge of neglect of the baby.

County Judge Spaulding Adams, who presides in juvenile court, will be asked to decide whether the mother should be committed to the county jail or to the state hospital. The county attorney said he had agreed to release Mrs. Mahan from jail here in \$10,000 bail. Her counsel made effort today to provide bond. Mrs. Mahan was ordered held without bond on a slaying charge after she testified Monday that the father, tortured the child. Judge Adams said then it was not clear to him whether one or both parents was to blame for injuries which caused the death of the baby at a Jenkins, Ky., hospital last week.

The father first was charged with cruel and inhuman treatment, but this was changed to murder after the baby died. The mother, accused of having held the infant in a hot stove as punishment for crying, was charged with murder after the baby died. CHANDLER MAKES MANY CHANGES IN VARIOUS OFFICES

Frankfort, Ky., Dec. 17—Gov. A. B. Chandler took his first step in his plan to reorganize the state government when he asked for the resignations of hundreds of men who make up numerous boards and commissions, or who hold executive positions under the boards and commissions.

His move was the most sweeping any Kentucky Governor has made in more than 50 years. Coupled with the move to reorganize the state government, the Governor's move is a plan to cut deeply into the state payroll.

In addition, members of the Public Welfare Board, which have control over the state's

Eighteen Square Feet of Skin Covers Human Body. If you average 16 size, it takes 18.8 square feet of skin to cover your body. This has been determined by a method developed by two Detroit physicians, for computing this difficult problem. One of the physicians, Dr. John C. Bunker, described the method to the American Society for Experimental Pathology.

It involves a camera and a mathematical formula. The patient is photographed in both front and side silhouettes after which the prints are made into standardized sizes. Then a planimeter traces around the borders of the silhouettes, automatically calculating the area within. A chartometer makes a second run around the silhouettes automatically registering the length of the border lines.

This method gives results which are accurate within 1 or 2 per cent, while the error allowance for other exigous was from 5 to 20 per cent.

Skin area measurement plays an important part in the treatment of obesity and diabetes. An accurate knowledge of the body surface is essential for the estimation of basal metabolism.—Washington Post.
