MAGGARD & FIELDS

5 and 10 cent Store

PRESTONSBURG, KY.

Butler, of Prestonsburg, and Bill Ford of Auxier... The boxes were auctioned by E. B. Castle, Jeff Wells, C. M. Castle and Bill Ford.

A very interesting feature of the evening was the presentation of a large American flag to the school by the United Mine Workers... W. R. Ford presented the flag in behalf of the local.

LACKEY SOCIETY

By Ceredo Reed

Birthday Party A surprise birthday party was given Saturday night, Nov. 5, by Mary Gilda Bukovitch at her home, in honor of Tommy Bukovitch's 14th birthday.

Visit in Hindman Ceredo Reed and Ing Wick spent the week end with Mr. and Mrs. Seidon Maggard at Hindman.

Basketball Dope Friday night, Dec. 4, the Lackey Lions defeated the Wayland High School team by a score of 29 to 11. The game was played in the Lackey gym.

Lackey plays Maytown December 14 and the alumni on the 22nd.

GARRETT SCHOOL

On Dec. 1, the Black Devils played Lackey at Garrett. Although Sam Hingham, Garrett's goalkeeper, was unable to prevent the first quarter of the Black Devils from scoring, the team made the 2-0 lead straight game for the Black Devils. Garrett will play Lackey again at Lackey on Jan. 17.

On Dec. 4 the Black Devils went to Martin and were defeated by a large crowd of fans. Garrett's second team defeated Martin by a score of 29 to 19. The first team defeated them by 27 to 20. This was the ninth win for the Black Devils.

IF YOU CAN'T BE THERE - Telephone!

A gift that you know will be welcome is a long distance telephone call to those friends and relatives in other cities whom you cannot visit in person during the holidays. Such a gift, you will find, really rewards the giver with as much pleasure as it does the one who receives. If you want to make certain the party you wish to reach will be at the telephone, notify them in advance of the day and hour of your call, and use the lower cost Station-to-Station service.

Express your holiday greetings in your own voice. You will find a "long distance" telephone call is quick, personal, low in cost. Ask the operator for rates to anywhere. SOUTHERN BELL TELEPHONE AND TELEGRAPH CO. INCORPORATED

### UNCLE GEORGE SALYERS DIES

George Salyers, 76 years old of Eureka, died Friday Dec. 5, a victim of cancer. He had been a sufferer with the dread disease for several years.

"Uncle" George as he was well and favorably known, was born in Lawrence county and moved to Floyd at an early age. He was married to Miss Louise Dillon, who preceded him in death. To this union five children were born, all of whom survive. He was later married to Miss Virgie Shepherd, who, with one son, George, Salyers Jr. survive him. He is also survived by the following sons and daughters by his first marriage: Chiffie Salyers, Tampa, Fla.; Jay and Woodrow Salyers of Prestonsburg; Mrs. Henry Beavers, of Prestonsburg; and Mrs. Bertha Shyke, of Chicago, Ill.

Funeral services were held Sunday from the schoolhouse at Eureka with Rev. Arnold T. Malmberg, assisted by Rev. Robert A. Potter, in charge. Burial was made in the Mayo cemetery under the direction of E. P. Arnold.

Excerpts from HI-TIMES (High School publication)

**Mrs. Roberts' Room Has Highest Attendance**  
 Mrs. Roberts' home room of freshmen got a vacation Monday afternoon and all went to the movies. Why? Because during the past month they have come to school more regularly and had less tardies than any other room in the building. Mr. Stephens announced about a month ago that the room each month having the highest rate of attendance would be awarded a free afternoon during which they can do anything they wish. This month when Mrs. Roberts' room won the award, they decided to go to the movies so they saw Robert Taylor and Janet Gaynor in "Small Town Girl". This system has caused quite a lot of interest in regular attendance. Next month any room still

**Girl Reserves Plan Christmas Party**  
 The Prestonsburg Girl Reserves plan a Christmas party with all the trimmings. There is to be a program followed by a social hour when Santa will make his season's debut. Exact date has not been decided upon but it will be within the next two weeks.

**Juniors Defeat 'Cats'**  
 The season opened Friday night when the 'Cats took on their hardest foe - juniors - and were defeated, 47 to 22. Although the 'Cats fought hard throughout the game, they were not able to overtake

their foe. In the first half the scores were always close together, hardly ever varying 4 points. In the second half lines steadily increased their lead to leave the 'Cats behind. Carter was high point man for the 'Cats, marking up 6 points.

**Blackcats vs. Hellier Hellcats**  
 Saturday night the 'Cats came back with a more equal team and defeated them, 32-11. This team was the Hellier Hellcats. Although the battled hard every minute of play, Hellier was not able to compete with the 'Cats. From the beginning to the end of the game the 'Cats climbed ahead to keep in the scoring lead. Craft was high point man, making 10 points.

**New York City Milestones**  
 The first New York City mile-stones were erected in 1769, starting from the second City Hall at Wall and Nassau Streets and running along the Bowery Road to Kingsbridge. In 1801 a second series was set from the second City Hall to Middle Road. The third series was erected in 1822 from the present City Hall along the Bowery and Third Avenue. All the stones were of uniform size, being sixty-six inches high, four inches wide and six inches thick.

**People, Birds, Animals Feel Approaching Storm**  
There are many people who can feel when a thunderstorm is coming. They are upset, even physically ill, when it breaks. They know, too, something else that Science cannot explain—that birds and animals are warned by some mysterious instinct when thunder is at hand. Their behavior shows it, relates a writer in Pearson's Weekly.  
Does atmospheric electricity act on our nervous system or on the tiny electric charges that make up the atoms of which our bodies are composed? Presumably it is the extra electricity in the air that turns milk sour or meat bad, during a thunderstorm. Perhaps human beings are also "turned sour" by it.  
Many phases of the weather influence our systems though we do not yet know how and why. Some people are affected by the east wind more than others. The east wind—there's another evil monster of mythology—makes some people positively ill.

**Baseball From Old Time Sport Known as Townball**  
Baseball undoubtedly originated in the United States. The game was an evolution from an older game called townball that also developed in the United States from the old English game of rounders.  
Townball was played on a square field at the corners of which were four-foot posts which served as bases. In scoring one run, the player ran around these posts, and if hit by a thrown ball while running, he was "out." The side first securing 100 runs was the winner.  
In 1839, with others, according to the Literary Digest, the twenty-year-old Abner Doubleday, who later served as major-general of volunteers in the Civil war in command of the defenses of Washington, drew up the first set of baseball rules. But it was not until 1845 that the Knickerbocker Baseball Club of New York, the first organized club, modified the game by substituting bags for bases, limiting the number of players to nine on a side, and setting the game at nine innings.

**COMPLETE NEW LINE OF FORD TRUCKS AND COMMERCIAL CARS**

The Ford Motor Company appear this year with the most complete line of trucks and commercial cars in its history. They are available in both the improved 85 horse power engine and the new 60 horsepower V8 engine.

Economy was the watch word of Ford engineers in the designing of the 1937 models, and for that reason the sensational new "Little Brother Sixty" was introduced not only in all commercial type cars but in the 131 inch chassis as well. The 131 inch truck is the only model available in the 60 horse power engine.

Certain types of light city delivery firms and farmers, especially will profit by use of the new 60 horsepower motor. It is said that operating expenses in many cases will be reduced as much as 25 per cent.

Ford in 1937 has paved the way for the most inexpensive operation of commercial vehicles in the history of the automobile business. Taking the case of the farmer as an instance, tremendous transportation savings can be made by using the Ford V8 with its handy, economical "60" motor. Most farmers have very little need for heavy hauling. Usually a small truck may easily suffice to carry produce to marketing centers and to handling centers and to handle various trucking chores for these farmers the new 112 inch 60 horsepower stake truck is ideal.

For rapid urban delivery, chassis as well. The 131 inch "one and a half-ton" dump truck is the only model available in the 60 horse power engine. It is available through the entire Ford commercial car and truck line, especially in the 131 inch chassis as well. The 131 inch truck is the only model available in the 60 horse power engine.

Certain types of light city delivery firms and farmers, especially will profit by use of the new 60 horsepower motor. It is said that operating expenses in many cases will be reduced as much as 25 per cent.

and ability to "take it" the 1937 Ford V8 "85" has no equal on the market.

### HIPPO

Kelly-Hicks has been appointed deputy sheriff, or maybe deputy constable. Any way, he's the new "law" of this place.

Only a small crowd attended Brush Creek church Sunday, due to practically an all day drizzle of rain. The church is regularly every first Saturday and Sunday of each month.

Oscar Skovill, F. D. Hous and Samuel Hicks, young men of this place, were vacationing in Wayland Saturday night.

Although it has been too dry till recently to harvest corn, old farmers of Hippo can now go to work, for it is plenty wet. They'll probably be wishing for "dry" weather next.

Mrs. James Prater of this place, is expected to go to the Stumbo Memorial Hospital for an operation.

Estill Hughes, formerly of this place, was guest of relatives here Saturday. He at present resides in Ellicott county and is field superintendent of a gas company.

Inland Gas Corporation's well No. 7 has been completely plugged and abandoned, due to lost and unfinished string of tools. Rig is being "skidded," though, and a new well is being sunk.

Henry Ousley has moved from the Spurlock Fork of Middle Creek and resides on

Brush Creek. Dan Fossen and Mrs. Julia Hicks, of Brush Creek, have been chosen district chairman of this voting district.

Hippo's (A) merchants J. J. Hughes and E. C. Moore are hurriedly stocking up Xmas goods to supply the "Lil' Buddy to Ole Dad."

Stamm and seal collectors will find the 1936 Christmas Seal interesting. Incidentally, the fastest growing branch of philately is Christmas Seal collecting.

### To Ease a Headache Fast

Get Real Quick-Acting, Quick-Dissolving Bayer Aspirin

See How Genuine Bayer Tablets Work

In 2 seconds by the simple use of water, a genuine Bayer Aspirin tablet starts to dissolve and in one minute it is dissolved and ready to start working almost instantly. This is the reason why Bayer Aspirin is the only tablet that dissolves so fast.

Virtually 1/4 of a Tablet Now

If you suffer from headaches what you want is quick relief. Genuine Bayer Aspirin tablets give quick relief, for one reason, because they dissolve or disintegrate almost instantly they reach the site. (Note illustration above.)

Hence—when you take a real Bayer Aspirin tablet it starts to dissolve almost as quickly as you swallow it. And this is ready to start working almost instantly. Headaches, neuralgia and neuritis pains start easing almost at once.

That's why millions never ask for aspirin by the name aspirin alone when they buy, but always say "BAYER ASPIRIN" and see that they get it.

Try it. You'll say it's marvelous.

**JOHNS CHILD DIES**

Charles Robert Johns, 21 months old son of Mr. and Mrs. Russell Johns of Harold, Ky., died Thursday, December 3 at the Gearheart Hospital. Martin, a victim of double pneumonia. He had been ill since November 25. The child is survived by his parents, one brother, Ronald, also by his grandparents, Mr. and Mrs. Woodie Blackburn, of Betsy Layne, and Mr. and Mrs. Wm. Johns, of Martin. Funeral services were conducted Sunday, Dec. 6 from the Christian Church at Harold with the Rev. Isaac Stratton in charge, assisted by Rev.

**MRS. WHALEY CHOSEN  
AUTHORIZED TEACHER**

H. D. Calhoun, of Shelby, Ky., office, as the authorized teacher for the National Institute of Allied Arts Mrs. Whaley's territory will include Pikeville. Prestonsburg and Paintsville. It is the purpose of the Institute to establish school or chesters in each of these places. First meeting of students of the Institute will be held at the High School Friday afternoon after school—house. Guitars students will be interviewed from 3:30 to 4:30 and violin students from 4:30 to 5:30. We learn this week that Mrs. K. J. Whaley of Freetown, W. J. Reynolds of Martin has been selected by the District Manager J. E. Midday on business.

**MRS. MAYO  
CHOSEN CHAIRMAN**

**local Red Cross worker, Miss Ella Noel White during the past flood disaster.**

An announcement of the plans of the local Safety Campaign and an urgent plea for individual cooperation as well as civic cooperation was made by Mrs. J. D. Mayo. The program closed with the singing of "Silent Night" the entire group joining in. The following were present: Mr. and Mrs. Robert V. May, Mr. and Mrs. Betty Spruock, Mr. and Mrs. E. P. Hill, Jr., Mr. and Mrs. J. D. Thomas, Mr. and Mrs. Charles Milby, Mr. and Mrs. W. P. Mayo, Mr. and Mrs. J. B. Clarke, Mr. and Mrs. Troy Sturgill, Mr. and Mrs. J. R. Hurt, Mr. and Mrs. H. F. King, Mr. and Mrs. F. L. Heinze, Mr. and Mrs. A. C. Harlowe, Mr. and Mrs. E. R. Burke, Mr. and Mrs. W. C. Rimmer, Mr. and Mrs. W. F. Runnel, Mr. and Mrs. N. M. White, Mrs. Jo M. Davidson, Mrs. Mary D. Allen, Mrs. Ruth Sowards, Mrs. J. D. Mayo, Mrs. E. P. Arnold, Mrs. Hughes, Misses Beula Bustle, Ella Noel White, Minnie Grace Harris, Virgie McCombs, Virginia Murrill, Messrs Robert Harlowe, and Robert A. Potter. Mrs. W. C. Rimmer was program chairman.

**Fireside Dreams**

Continued from page one  
The Red Cross is determined to present as many of these such disappointments as possible. This year, as an appeal is being made this week to those who would like to make some unfortunate youngsters happy, to bring old toys to the Red Cross or The Times office to be distributed to needy families. Toys, old or broken, will be turned over to the NYA boys to be repaired under the direction of Mrs. E. P. Hill, Jr. If you have any toys to donate, please call phone 128 or Number 2.

## Electric REFRIGERATION PRESERVES FOOD SAFELY

The old idea of no need for controlled refrigeration in winter has been generally abandoned. Enlightened modern home makers know that all the year round refrigeration shows substantial savings. Even in winter, we have many up-and-downs in temperature which are conducive to germ development in food.  
Milk, meats and perishable fruits and vegetables are all preserved safely the year around with Electric Refrigeration. Leftovers can be converted into palatable meals instead of being thrown into the garbage can. The Government has estimated that \$4.50 a month is saved in this way by the average sized family.  
Install your Electrical Refrigerator today and begin saving now on food.  
Published in the interest of Electric Refrigerator Dealers by the Kentucky and West Virginia Power Company.
