WELLS FATALLY INJURED MONDAY; SUSPECT FOUL PLAY

Discovered Lying at Edge of Road Within City Limits

UNDER INVESTIGATION

Foul play is suspected in the mysterious circumstances surrounding an injury on the head that caused the death of James E. (Doc) Wells, age 39 years, in the Paintsville hospital Wednesday morning at 8:30 o'clock. An investigation is being conducted to determine whether Wells was struck by a hit-and-run motorist, as at first believed, or if he was slugged by a bandit with robbery as the motive.

Wells was discovered by C. W. May, Prestonsburg store manager, lying at the edge of the pavement near the residence of Senator Joe P. Tackett, Monday night near 7:30 o'clock.

Examination by doctors revealed two injuries, a bruise and cut near the left eye and an indentation of the skull to the right of the head near the base of the cranium. There were no other bruises or scratches about the body. It is reported.

Officers expressed the opinion that the position in which the victim was lying when discovered indicated that he had been struck by an automobile. His head was near the pavement and his feet near the sidewalk. They stated that a careful checkup revealed no suspected hit-and-run automobile.

They informed that a man was seen in the company of Wells walking along the road not far from where he was found. One suspect has been questioned thoroughly, but was released. It was stated Thursday night that he had no connection with the suspected attack.

ALLEGED BLACKLEG HEAD FILLS BOND

Twelve Admitted to Bail Saturday: To Face Trial in April

Carl Hall, of Magoffin county, whom the Commonwealth charges as being the "Big Bad Wolf" of the Blacklegs, under indictment here, came to Prestonsburg Tuesday, Feb. 2, and filled a \$10,000 bond.

Hall has been wanted here since early in January. Commonwealth's Attorney O. C. Hall stated Thursday that the alleged ringleader was responsible for the forming of the Blackleg band and picked them from an unemployment league that he had organized.

The organizer came to Prestonsburg in the company of father and Lewis Marshall. Mr. Marshall acted as attorney in fact for S. E. Allen and Jolly Arnett who were listed as sureties on the bond.

On Friday, Jan. 29, 12 of the Blacklegs and picked them from a large bond, were released on reduced bonds. Five of the indicted men filled \$1,000 bond and the remaining seven gave a \$2,000 bond.

On the same day Jim Marshall, member of the band who turned state's evidence, was released to the Magoffin court sheriff on a court order to face charges in the Magoffin court. These charges are, Magoffin county's Commonwealth's Attorney.

COUNTY SPELLING BEE SATURDAY, FEBRUARY 6

Much interest has been aroused among the school children of the eight grades, and others as well, in a county spelling bee to be held here Saturday.

The winner will be awarded a trip to Louisville with all expenses paid for him and his teacher. Along with the trip is the right to enter as his representative and compete in the state contest. Winner of the Courier-Journal State Bee goes to Washington to compete in the National Spelling Bee.

Approximately 30 entrants are expected in the county contest here. It will be held in the graded school building auditorium.

Rev. Harry F. King, Prestonsburg minister, has been selected as judge and Joe W. Jarrell as official announcer.

TRUSTY IS INJURED; HIT BY BUS WED.

Repairing Wagon in Driveway: Bus Backs Up on Him

While stopping to repair a wagon in the driveway, Bill Hunt, son of Mr. and Mrs. Jim Hunt, Prestonsburg, was struck by a bus backing up to turn near the bus station Wednesday morning at 8:55 o'clock.

Hunt was rushed to the Paintsville hospital where examination revealed no internal injuries, but two or three broken ribs. The heavy dual wheels of the bus did not strike his head, but caught his side. It was stated Wednesday.

W. H. Buchanan, driver of the bus, stated that he sounded his horn repeatedly. A small garage building obstructed the driver's view of the boy who was standing around the corner of the building, it is said. Hunt said at the hospital Wednesday evening that he did not see the bus until it was too late to get out of the way.

Hunt, who was serving a 60-day sentence in the county jail, has been permitted to work on the outside around the jail as trusty. Jailer B. L. Sturgill said that the boy's father requested that, due to a wound suffered from a gunshot wound, the boy be permitted to get outside air. Jailer Sturgill stated that he needed the boy's services.

Hunt was taking ston from the jail by way of the driveway used by the bus company as a turn way, to the pig pens about three blocks away.

There are numerous versions of the accident.

Josephine Calhoun Dies

Josephine Calhoun, daughter of Mrs. Agnes Calhoun and the late William Calhoun, of Water Gap, Ky., died Monday, Feb. 1, at the Beaver Valley hospital. Mrs. Calhoun, who was ill with pneumonia, Miss Calhoun was an excellent young woman and well liked by all who knew her.

She is survived by her mother, three brothers and two sisters whose names were not available. Funeral services were conducted by Rev. Isaac Stratton from home of her mother at Water Gap Wednesday, Feb. 3. Burial was made in the family cemetery under the direction of E. P. Arnold.

Leave for Florida

Mrs. E. Combs and Mrs. M. J. Leece, Sr., left Thursday for Venice and Tampa, Fla., where they expect to spend the winter months.

FEBY. CIVIL TERM TEACHERS TO MEET NOW IN SESSION HERE TUES. NIGHT

Forty-One Cases are Listed; Newman Child Asks \$2,500

Unlike the criminal term of circuit court, the civil term opened here Monday, Feb. 1, without the usual bustle of the courts. The casual influx of numerous citizens into town and an over-loaded docket working court attaches overtime.

The civil term docket, as listed by Troy B. Sturgill circuit court clerk, carries a total of 41 cases. On Jan. 4, at the beginning of the January term, the criminal docket had listed on it between 400 and 500 cases.

On Monday the case of Hettie Clark vs. Joe May at 7:30 p. m., to hear Claude Martin Isaacs vs. C. L. Moore, of Pikeville, the jury awarded Isaacs \$600 damages for personal injuries and value of his car as a result of a car wreck near the Log Cabin "Admission Requirements to Inn on the Mayo Trail some time ago.

On Tuesday, Feb. 2, in Ishmael Cox vs. S. M. Prater, the court ruled that each party was to pay the court costs.

Ellen Martin, High School Curriculum. Supt. Farley will open the meeting with a talk on "Transition from the Elementary Curriculum to the High School Curriculum."

Prof. Ishmael Triplett, superintendent of Prestonsburg city schools, is director of the program. The teachers hold monthly meetings at different places in the county during the course of the school year. While here they will select a site for their March gathering.

Five remaining cases docketed for Wednesday were continued.

BABE PASSES

Shirley Triplett, infant daughter of Mr. and Mrs. Matthew Triplett, Wayland, Ky., passed away Tuesday, Feb. 2, at the Paintsville hospital. The child had been kept alive nine days in an incubator after its birth on Jan. 24. Her father and mother were held at the Wayland cemetery on Tuesday.

County-Wide Graduation For High Schools Is Announced

It has probably been done graduation to be held in the local gymnasium, with each school assigned a section to decorate in their school colors. Mr. Hall said that many and if the present plans, mass graduation would interfere with each school holding its own baccalaureate and class night exercises.

The county-wide graduation was decided upon in a meeting of the county school principals held in the superintendent's office Saturday, Jan. 23. It was announced this week.

Those present were Monroe Miller, Martin Boone, Hall, Wayland, D. W. Howard, Betsy Layne, G. C. Sturgill, Auxier, David Leslie, acting principal, Bonanza, George Moore, McDowell, Wayne Raliff, Wheelwright, Curtis Oney was tried on a charge of grand larceny.

He suffered a scratch while in jail here, later because he was ordered to the hospital. He was there a few days and effected his escape.

The Morgan county sheriff notified Jailer B. L. Sturgill Friday, Feb. 5, that Oney was in custody.

WAYLAND, WEEKSBURY VOTE SPECIAL LEGISLATION

The residents of the Wayland school district last Saturday voted a special tax to finance a bonanassium and add a Home Economics Department of the high school. One hundred and fifty-six cast their ballots in favor of paying a levy of twenty-five cents on the hundred dollars. While six voted against it, a report from the county superintendent's office states.

At Weebury, on the same day, voters in that school district favored a levy of seventy-five cents of the hundred dollars by a vote of 75 to 71 for the purpose of constructing a school building to cost approximately \$20,000, Supt. Hall said.

The Wayland gym and new department will cost about \$10,000, it is said.

BLACKCATS DOWN STRONG BOBCATS

Defeat Belfry Saturday Night But Lose to Garrett Five

An unusually large number of sports fans in this section witnessed two corking displays of basketball competition at the local gym Monday night as the Betsy Layne High School Bobcats and the Prestonsburg Blackcats tangled in the main attraction, while the Betsy Layne Red Devils and the Prestonsburg Independents engaged each other in the preliminary contest.

Going into the fray, rated as an underdog by several sports prognosticators, the Blackcats emerged victorious over the highly touted Bobcats, 19-16. Before meeting the local team the Betsy Layners had won 16 of their 17 games and had averaged 25 points per game.

At the end of the first quarter the Blackcats led, 8 to 6, the half ended 8-7 with both teams scoring only one point. The end of the third quarter saw Betsy Layne take the lead, 13 to 12. In the last quarter the Prestonsburg team eked out a winning margin to take the game.

R. C. Lynch was high point man for the Bobcats in playing only a portion of the game. For the Blackcats, Carter, with his last quarter basket flips, was high point man. The defensive play of J. Tackett and Prater, of the Blackcat team, was outstanding.

The Blackcats scored eight field goals and only three fouls. The Bobcats scored four field goals but made eight foul shots good.

Saturday night the Blackcats defeated Belfry high school. This was the first meeting with the Pike county boys.

On Friday, Jan. 29, the local team was helpless before the strong Garrett five. They came away from the Beaver Creek town smarting from a 40 to 15 shellacking. Conley, of Garrett, was outstanding.

ONEY CAPTURED

Baster Oney, under a one year sentence to the state pen from this court who escaped from his special guard at the Stumbo Memorial hospital, has been captured. Oney was tried on a charge of grand larceny.

He suffered a scratch while in jail here, later because he was ordered to the hospital. He was there a few days and effected his escape.

The Morgan county sheriff notified Jailer B. L. Sturgill Friday, Feb. 5, that Oney was in custody.

MAN AND WIFE WOUNDED; DAVIS JAILED MONDAY

Wheelwright Negro, Also Arrested Charged With Saturday Slaying

NO BONDS SET

Malcolm Davis, age 29, was placed in jail Monday night after a shooting occurred near 12:30 a. m. Monday morning at the Davis home on Middle Creek, 13 miles from Prestonsburg. Late Monday night Mr. and Mrs. Lindsay Adams were removed to the Stumbo Memorial hospital at Lackey, Ky., seriously wounded.

Adams was wounded in the abdomen from a point blank charge of a single-barrel .410 gauge shotgun, according to officers. A second shot entered the fore left side of Mrs. Adams and lodged in her hip. They said.

Davis fired from a window upon the Adams couple who were on the porch of the Davis home. He was quoted as saying, relative to the occurrence, "They were coming in on me."

L. H. Fitzpatrick arrested Davis on Middle Creek, eight miles from Prestonsburg. Mr. Fitzpatrick stated that Davis, in company of his father, was on his way here to surrender to authorities.

NEGRO SLAIN

In connection with the fatal wounding of Henry Cardwell, negro, at Wheelwright Saturday night "Shorry" Davis, another colored man, was lodged in jail here Monday morning.

Cardwell was shot once, officers said, the shot entering the abdomen. Davis claims that Cardwell shot himself. Officers stated that there were no powder burns on Cardwell's body. Davis and Cardwell were the only ones present when the shooting occurred.

No bonds have been set in either case, but an examining trial, court attaches said, would be held right away.

A last minute report states that Lindsay Adams is not expected to recover.

TWO AUTOMOBILE MISHAPS SATURDAY

J. B. Ford's Leg Broken By Tractor on Log Creek

An automobile reported belonging to Elza Hall, ran amuck Saturday night at 8:00 o'clock on the Mayo Trail, just above the city limits of Prestonsburg and injured seven persons. The car left the road, throwing out its four occupants and headed into a group of three men walking along the edge of the trail.

According to reports, it leaped a ditch and ran down the trio next to a barb wire fence. Caught between the fence and the car, body slams suffered a broken left arm, cuts and bruises; Ed Thompson, minor bruises and barbed wire cuts; and Harlan Hughes escaped with minor scratches.

The four occupants were rushed to the hospital at Martin. Their names could not be obtained.

At approximately the same time a car struck a Stowey boy near Emma, Ky., on the Mayo Trail. The Stowey boy, the eighth injured in auto mishaps Saturday evening, was treated at the office of Dr. O. T. Stephens for minor bruises.

Guest Perry Tells Relief That Press Now Has Answer

By FREDERICK J. PERRY
Fred Perry, the leading amateur tennis player up to the time he gave up his simon-pure standing to challenge Ellsworth, says the press now has the answer for the all-comers' supremacy in a series of matches he played throughout the United States, telling how he lost and why he became Hugh Bradley's best columnist today.
ONE of the best things about being a professional tennis player is that I no longer have to answer questions first met by inquiring reporters a thousand times a day—or so it seemed—so as to whether I was going to turn pro and, if not, why not. No young swain ever was quizzed as persistently by the fatherly old girl concerned with his intentions toward the daughter as I was up to the time I signed up.

Your sports writers have had a lot of time with me and have promised me, in their articles, more money than I could hope to earn out of the game the rest of my life. But they're good fellows and I've enjoyed my contacts with their interest. That goes for the rest of the people I met in your hospitable country, too. You've been very kind to me and I'm looking forward to getting better acquainted with you as I travel about the country.

I may as well forestall the inevitable question from my friends of the press and tell how it feels to be a professional. So far I have no regrets over turning pro, although I expect to have a few stages while making some of the sleeper jumps on tour.

Since Ellie turned pro three years ago I have received continually but I know he has improved tremendously. Bob-Egan, being keeping my eye on the matter, I stood in hope to give him a good fight. The canvas court used on our tour is entirely new to me and will be a surprise at handling it. I become familiar with it. It's quite different from grass, clay or the cement surface I've had in practicing on.

I have been asked how my decision to enter the professional ranks was received in England. Not having been there since my status changed I have no first-hand knowledge of the reaction. But judging from reports, I think most British sports followers approve of the step I have taken and realize it was the only logical one for me.

A majority of leading American golf professionals feel that the new fourteen club limit will prove no hindrance to their play when the rule takes effect next January 1. They plan to raise as many clubs as they have in the past in pre-tournament practice rounds and then select the fourteen clubs they judge best adapted to each course when the tournament proper begins. Texas Christian university played twenty-six games in the last two football seasons. It won 21, lost 3, and tied 2. Gov. Frank B. Rowland has been elected for a half back position on the Wolverine eleven, but, according to a report, he was too light to make the grade.

Disension among the Toronto Maple Leafs now is reported to have spread to the front office, with Manager Connie Smythe skating on very thin ice. Among those not speaking are Smythe and Chuck Fioer, star of the touring Celinea basketball team, recently achieved twenty-eight field goals in one game. Jesse Moss, former Columbia armsman and brother of the eminent sports poet Martin Voss, now is an assistant Federal District attorney. The favorite name of Jockey Ira (Blaze) Harford is solving problems in long division. Only a trifle of \$9,000 is separating Sonia Henie from an appearance at Madison Square Garden. That is the difference between the latest bid and the lady skater's asking price of 10's.

Mickey Walker Gives Up Idea of Referee Tour

Mickey Walker has thought better of his plan to tour the country as a boxing referee. He has decided to stay in the States and shortly will take over the boxing column in the New York newspaper.

One of the incidents of New York turf life never mentioned in the Racing Commission's buckpating bulleting concerns the shoeing of horses. Here the gee-gees are often sent into the mud shod with smooth plates so that the bookies can have a picnic while a 4 to 5 shot foundlers all over the place. There is a well-known shoeing shop in Penna. State which has the thoroughbred agent is sent out this time with sharp plates, and a supposed non-modder gallop home at odds attractive enough to make another picnic for select parties. Such carryings on are not permitted in Florida, the tropical Park, for instance, may be a bit shy on press agents and bulleting sources. But it does have a paddock inspector, whose main duty is to examine all horses and make a proper report of how they are shod and why.

This time last year we were all dedicating ourselves to a fascinating campaign to make 1936 a safer year for motorists. We were going to cut down the volume of traffic disasters, going to reduce the appalling and mortally marked the preceding year.

Well, here's what. The end of 1936 showed an all-time top for deaths on the public highways—roughly 47,450, or approximately 450 more than in 1935. So now we'll pliously resolve it all over again, to do something about this hideous destroyer which kills by the thousands and maims by the hundreds of thousands and makes our fatalities and casualties in the world war seem like a picnic.

Calotabs Help Nature To Throw Off a Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fourth night if needed. How do Calotabs help Nature throw off a cold? First, Calotabs are one of the most thorough and dependable of all medicinal eliminators, thus clearing the intestinal tract of the germ-laden mucus and toxins. Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the blood. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds. Calotabs are quite economical; only twenty-five cents for the family package, ten cents for the trial package. (Adv.)

Sunday School Lesson

JESUS, THE LIGHT OF THE WORLD

International Sunday School Lesson for Feb. 7, 1937

Golden Text: "I am the light of the world: he that followeth me shall not walk in darkness, but shall have the light of life." John 8:12.

(Lesson Text: John 8:12, 31, 32; 9:1-11)

While the exact setting of this lesson is not actually known, it is probable that the discourse of Jesus took place on the last day of the Feast of the Tabernacle, set apart to commemorate the blessings of God to the people of Israel during the Wilderness wanderings. The two greatest blessings most vivid in the minds of the Jews were the giving of water and the guidance and protection furnished by the Pillar of Fire. For seven days of the celebration water was carried from the Pool of Siloam to the temple but on the eighth day no water was carried, symbolizing the close of the wilderness wanderings and the entrance into a land where water was abundant. It was on this occasion that Jesus stood and cried, "If any man thirst, let him come unto me and drink." John 4:14, thus calling attention to the fact that all of the promises and blessings of God would fulfill in Him, who was the water of life.

Another part of the ceremonial was the lighting of the golden candelabra in the court of Women on the first day of the feast, giving the signal for the lighting of candles in the booths, or "tabernacles" in which the people were staying during the observance of the feast. On the eighth day the candles were not lighted, signifying that the Pillar of Fire was not needed longer to provide light and guidance. Jesus applied this second symbol to himself also, when he declared, while speaking in the temple, "I am the light of the world: he that followeth me shall not walk in darkness, but shall have the light of life."

It is interesting and thought provoking to call attention to the fact that Jesus used common, everyday subjects to bring home to his hearers his most profound teachings to his audience than his. What could be more interesting reference to water, to bread, to light, to the sowing of seed, to the catching of fish, to the birds of the air, to the grass of the fields and so on Jesus was the Master Teacher.

er and it might be well for more of our teachers and preachers to follow his example when attempting to lead men to a knowledge of and acceptance of him.

Just what did Jesus infer when he declared he was "the light of the world?" Just as the Pillar of Fire was given to the Children of Israel to guide them during the darkness, so did God give Jesus, and he who follows him shall no longer stumble in the dangerous darkness, but shall have the "light of life" to guide him. There is another respect in which men walk in darkness: they are in the darkness of ignorance of the highest and best things in life and are unaware of the true values of life. All those who do not know Jesus and live lives of sin are said to walk in darkness. This darkness is even more dangerous than the mere darkness of night, for those who walk therein are not only in danger of physical harm but face the greater danger of losing their souls.

When Jesus says, "I am the light of the world," he compares himself to the sun—the one source of light and heat and beauty, without which all creatures that live would perish in darkness and death. "Where is the light of life?" he asks. "Who is the savior of our world?" Christ is to the human race. To follow Christ is to be saved from wandering, from wandering from taking the wrong path, from losing our way from missing God, from defeat and fear, and the darkness of everlasting death.

Just as the sun is the greatest of all disinfectants, killing the microbes of disease and destroying germs, so if the light of Christ fills us, his floods our lives with his sunshine. It will destroy the germs of sin and remove from our hearts the things which tend to wreck our bodies.

In restoring sight to the man blind from his birth, Jesus blind did more than that. He gave the man his physical sight but also gave him spiritual sight into the Kingdom of God when he revealed himself as the Son of God and received the confession of the man of his faith and belief, when he who had been blind said, "Lord, I believe."

There are only two requirements for those who would not spend their lives groping in darkness—believe and follow. Both requirements are voluntary. He will not force either upon us. Christ can no more force himself into our hearts than can the sunshine force its way into a closed building.
