O. K.—BUT...

Forestalling a hot campaign for trustee in the various school subdistricts of Floyd county, the Board of Education has, after all, acted wisely by abolishing the sub-district and the elective method of choosing a trustee. The action came at a good time: is time to halt ill feeling and bitter had that flares at every Floyd trustee election.

At a time when it had just become known that additional hatred was being engendered in one sub-district where, already, eight of the 24 registered voters were planning to run for the office. Of the other 16 in the district, three would have been inside the polling place as election officers.

Again woulf feeling have run high over a school election, the outcome of which has been headdined in past years by disdainful, almost sneering, daily messpapers with their streamers: "Hillbillies Kill Each Other is 8-bond Election."

Not only is the board's action deemed wise by thinking Floyd countians, but by others throughout the state. Others who help to pay school taxes; tothers, who, like Floyd countians, remember all too planly the "Bloody Battle of Prater Creek," in 1933 when kinsmen slew each other in a gum hattle to determine who would teach their children.

The Ford effort to make your dollars buy a constantly better car is well illustrated in the Standard Ford V-8.

It has all the basic Ford advantages. It is built on the same chassis as the De Luxe Ford V-8. It gives you a choice of smooth 85-horsepower or 60-horsepower V-8 engines. But it sells at low prices, and includes bumpers, spare tire, cigar lighter, twin horns and other equipment that make it a still bigger bargain.

With the thrifty 60-horsepower engine. the Standard Ford V.8 is priced especially low and gives the greatest gas mileage in Ford history. Hundreds of owners report averages of 22 to 27 miles a gallon - or even more.

Your pocketbook will approve of the Standard Ford in every way. And so will you when you drive it!

Although cheerleaders wept when it was revealed that Pikeville had been defeated, they intimated that no appeal or return engagement would be sought. Police officers at the scene said that no arrests had been made, and coaches reported that there had been no casualties on either team.
