MY PLEDGE
I elected County Attorney, I promise four years of devoted work for building more rural roads and securing and delivering commodities to the needy in greater amounts. Faithfully yours,
JOE P. TACKETT

FOR COUNTY ATTORNEY

Since the untimely death of Forrest Short I have become a candidate for County Attorney of Floyd county. I have been actively engaged in the general practice of law in this county for the past seven years and have never asked for public office. Elect me to this office and you will have an honest, faithful and efficient administration.

WOODROW BURCHETT

FOR COUNTY ATTORNEY

We are authorized to announce **VIRGIL OSMER TURNER**, principal, MAYSON High School, grandson of Jobe Turner and J. N. (Newt) Allen. Democratic candidate for

COUNTY ATTORNEY

A friend of labor, the farmer, the teacher. An advocate of honest and efficient government—equal justice to all.

FOR CONSTABLE

We are authorized to announce **RAY HOWARD** of Prestonsburg and Cow Creek, as a candidate for **CONSTABLE, District No. 1** subject to the action of the Democratic party at the August primary. I make the voters three promises: I will not carry a pistol. I will execute only the civil processes of the Magistrate's court. And you'll have to be mighty darned drunk before I'll arrest you.

To the Democratic Voters Of Floyd County

After consulting with a host of my friends in dear, old Floyd county, I became a candidate seeking the nomination for Jailer of Floyd county. Being a poor man and having a strong ambition to serve the people of Floyd county as a public officer, I ran two years ago for Circuit Court Clerk and lost by a small margin. I feel by so many of my friends requesting me to be a candidate this year if I can win in the August primary I can win in November.

So, kind friends, while you journey through dangers of life and its unseen future, I hope and sincerely trust that a kind providence may always smile upon you. None of us know when nor where we may need assistance. But if fortune has been more kind to you than to me, please help me all you can to cast a ray of sunshine on my sad and gloomy pathway. Your aid will be thankfully received and wisely used so that I will be self-supporting and not a burden on my fellowman. So when you come out on August 2 to vote, please let your good conduct direct you how you should vote.

BILL SHEPHERD for Jailer

FOR COUNTY JUDGE

We are authorized to announce **J. M. JAMES CLARK** of Honaker, Ky., for **COUNTY JUDGE** subject to the action of the Democratic party at the August primary. Experienced and qualified to serve you as Judge.

We are authorized to announce **MARION MARTIN** of Dypro, Ky., (son of Can Martin) for

CONSTABLE, Dist. No. 3

Republican primary, Aug. 2. Your support will be deeply appreciated.

Farm Women Crowd Defense Program

The interest of farm women in national defense is revealed in the attendance at meetings held by county home demonstration agents in Kentucky in the last month or two.

Reports summarized at the State College of Agriculture and Home Economics show that 3,028 Kentucky women attended 2,134 meetings held to discuss general problems of national defense. Attendance at 1,387 meetings to discuss nutrition totaled 49,293 women.

Consideration was given to home food production, including gardens, dairy and poultry production, canning and storage. One thousand and forty-two meetings were held to consider the production of more food for Britain.

In addition to the women attending these defense meetings, thousands of homemakers were reached with letters and informational material mailed by county home demonstration agents.

NOT WANTED!
"Jook-joints", "honkey-tonks", "dives", and other lawbreaking retail beer outlets are not wanted by Kentucky's \$20,000,000 legalized beer industry!
Beer is a wholesome beverage, and the makers of beer insist that it be sold under equally wholesome conditions.
Kentucky's beer industry, therefore, wants all undesirable retail beer outlets eliminated entirely. Accordingly, we are cooperating with state and local law-enforcement officials to maintain wholesome conditions wherever beer is sold.
We invite you to help in this public-spirited "clean up" effort, by (1) patronizing only reputable beer retailers; and (2) reporting any disorderly outlets to enforcement officials or to this committee.

Place Defense Needs Above Personal Aims, Says Guaranty Survey

All local citizens-workers and employees, public officials and private individuals-are called upon to compose their differences and subordinate their personal aims to the nation's defense needs, states the Guaranty Trust Company of New York in discussing some of the effects of the recent emergency on American business in the current issue of The Guaranty Survey, its monthly review of business and financial conditions in the United States and abroad.

The President's proclamation of a state of "unlimited" national emergency marked the beginning of a new phase of the defense effort. The Survey continues. It brought to an end the period of peacetime military preparations and inaugurated an era of immediate preparedness to resist attempts at hostile encroachment of the Western Hemisphere. The menace to our security is now officially recognized as not potential but actual. Internally, the country is brought face to face with "cold, hard facts." It is essential, therefore, that businessmen recognize the significance of these facts fully and promptly.

The experience of the twelve months, during which the defense program was begun under such a heavy burden what some of the facts are. There can no longer be any thought of a defense program superimposed on the normal peacetime business structure, with comparatively little disturbance to the latter. Stopping of defense production by industrial disputes must be prevented. All individuals and groups must be prepared to submit to closer government restrictions on economic life. Considerations of present sacrifice and subsequent reaction must be dismissed for the duration of the emergency. For practical business purposes, the nation may henceforth be regarded as virtually at the war basis, and business affairs must be conducted from now on with this fundamental fact constantly in mind.

TRAVEL BULLETIN TODAY'S ROADS

AAA Eastern Kentucky Automobile Club

HOW WILL THE DEFENSE PROGRAM AFFECT MOTOR VEHICLE OWNERSHIP AND OPERATION?

AUTOMOBILE PRODUCTION OUTLOOK-No one can definitely say today what the production and schedule of automobiles for 1942 will be. However, we do know that there will be very drastic curtailment, beginning in August of this year. Already the Office of Production Management has reached an agreement with the automobile manufacturers that the 1942 models will be 20 per cent under that of 1941. In the meantime, however, the Office may have requested a further reduction in passenger car and truck production. It is now apparent that further curtailment will be necessary partly because of shortage of critical materials and partly because it is necessary to devote just resources of management, technicians, skilled workers and machine tools increasingly to the defense program.

REASONS-In the main, the necessity for shifting men and machines from normal operations to defense production; the shortage of materials that go into the manufacture of the automobile; the desire of the government to limit purchases of consumer goods; the production of which is in competition with defense products; and the objective of leaving as much money as possible for the payment of taxes and the purchase of defense bonds.

CONSERVE THE MATERIAL WHICH GOES TO MAKE UP YOUR DEFENSE PROGRAM.

County Committees For Nutrition Work

The Kentucky Nutrition Committee for national defense is issuing a call to every county in the state to form voluntary committees, enlisting the active aid of local leaders to assist in a "health and nutrition" program. This announcement was made before 200 members and guests at the annual meeting of the Kentucky Dietetic Association recently, by Dr. Stank Erikson, head of the University of Kentucky home economics department and chairman of the committee.

The county committees will have special functions as follows: To collect and disseminate data on the relation between diet and health.

Evaluate and steadily improve the school lunch program.

In a long-term defense program for America, it is necessary to have all the people well-nourished and strong, says the home economics leader. Nutrition should be improved approximately 33 per cent or one-third, she adds. By a decisive local community and county program, "improved nutrition can be made a strong arm of national defense," it is concluded.

V. A. HAYES - FOR - COUNTY COURT CLERK

I am a son of Proctor Hayes and Toad Turner Hayes (deceased). I was born and reared in Floyd county. I with all my relatives for several generations have been Democrats and have always supported the Democratic party. This is my first time to ask for a public office. I am qualified, honest, sober and deserving. I attended school at Caney Junior College and Morehead State Teachers' College. I taught school for two years in Floyd county and am now employed by the Warfield Natural Gas Company in the Beaver Creek Compressor Station.

I am running this race with no strings attached to any one. As you already know, I am neither trying to win by political lies and tales and the type of mud-slinging that has been going on by my two opponents. I feel that, as far as labor is concerned, it is not necessary to tell you that I am for you, because I am one of your rank since I am a charter member of Local 372, CIO.

One of my opponents has already rumored that the County School Superintendent and the Board Members are supporting him to the point that a teacher need not expect to teach if he or she does not fall in line; but, according to Town Hall and the minutes that are on file, it was voted that they take no part in the Clerk's race, because this candidate and my wife are teachers at the present time, and I have always supported the administration. I am deeply interested in the progressiveness of the county. I will refer you to some of the organizations of which I am a member: The Masonic Order, Order of the Eastern Star, Lions Club and am at present vice-president of the County Fish and Game Club.

I am the only candidate for this office who is affiliated with Organized Labor. I am most desiring, I still believe that the good honest taxpayers hold the majority of the ballot in this race. This office is a public office and should not be decided to any one person as some are inclined to believe. If all the poor boys to grow up in our county were to qualify for some of the County Positions and then have to wait long enough to secure enough money to compete with one of my opponents I am sure you will admit that we would never have a chance. So when the candidates come around with plenty of money just take your share and then vote as you think best when in the booth. The one who does the buying is the guilty one, not the one who accepts the money.

I sincerely hope that I can remain friends with each and every candidate. I have tried to treat each fair and square. I entered this campaign to make new friends and not to lose the ones I now have. For this reason I have not joined with any other candidate but am running on my own merits.

Saturday, August 2, is when you make your decision. So let your Conscience be your guide. I trust my fate with you.

Yours for a winner.

WILL YOU SERVE --- OR BE SERVED?

TAYLOR STUMBO wants to serve you as Sheriff—not to serve AGAINST you. The picture above is a scene of the Harlan County mine trouble during which State Highway Patrolmen, State Militiamen and Harlan County officers were ordered to protect strike-breakers... BUT WHEN HE WAS ASKED TO DRAW THE GUN AGAINST UNION LABOR—IN HARLAN OR ANY OTHER COUNTY—HE REFUSED. TAYLOR STUMBO IS NOT IN THAT PICTURE. He is in no other picture showing armed men advancing upon Organized Labor in its efforts to hold its own in the world of today... YOU voters know the men who are drunk with power and whose thirst for more and more power is unquenchable... AS FOR DR. W. L. STUMBO, his record is there for you all to read, to peruse, to remember. SURELY YOU CANNOT FORGET IT! Are you willing for him to handle all the tax monies of Floyd county? Are you willing for him to have complete control over the law enforcement forces of this county where law enforcement already is at a premium? These three men—Dr. Walk Stumbo, Henry Stephens, Jr., and Town Hall—are powerful financially. All want to entrench themselves more firmly politically. APOSTLES OF POWER AND GREED! Three little Caesars in one county! Now, turn from the Dictators and would-be Dictators to Taylor Stumbo. TURN TO HIS RECORD. He was your Sheriff for four years, and his record in upholding Law and Order was the best ever made by a Floyd county Sheriff. He can and will give Floyd county the same kind of service again. He will collect the taxes and turn them over to the proper authorities, he will temper justice with mercy, he will protect the good citizens of the county against outlaws. Taylor Stumbo will be a LEADER as Sheriff—he will LEAD his deputies, not SEND them, when a dangerous job is at hand and it is his duty as much as it is theirs to do it. Taylor Stumbo will be a Stooge for nobody—HE WILL BE THE SERVANT OF THE PEOPLE—not the SERVANT OF SOME OVERLORD OF FINANCE or of some champion of outlaws and outlawry. Think this matter over, won't you? It is to the benefit of your county and you good citizens that you do—and that you elect as your Sheriff a man who has done the job right and will do it right again. (Pol. Adv.) CAMPAIGN COMMITTEE

POLITICAL ANNOUNCEMENTS

FOR COUNTY JUDGE

We are authorized to announce EDW. P. HILL as a candidate for COUNTY JUDGE subject to the action of the Democratic party at the August, 1941 primary.

I have this day become a candidate for the office of County Judge of Floyd County on the Republican ticket. If elected, I will build a poor home for the poor people, old men and women who are thrown out on the mercy of the people and not able to maintain a home and for the little children that are kicked about from pillar to post without a chance in life. Think of the crippled and blind that are mistreated. I will extend roads to extend roads to the isolated and forgotten districts of the county. For results, vote for DIAL SALISBURY, For County Judge.

To the Democrats of Floyd County: I hereby announce my candidacy for the Democratic nomination for County Judge. I have grown old in the service of the party. I ran eight years ago against the "Big Stink" and lost by only a small margin. I took my loss and supported the nominee. This is one of many reasons why I think I am entitled to the support of good Democrats in this election.

I have now become a candidate for Jailer and can assure a friend of the poor man who gets in jail and cannot pay out, so don't forget a friend who will treat mother's boy right; I have one myself. "The one who cannot pay gets out. Think of your boy who can't pay. Let me be in shape to treat him like mamma does, or dear old dad, who wet their pillow with tears. I further promise, if elected, that these "big-bus" or political bosses will have no string on me, as I will try to show the people what the office is intended to be. I intend that the office is to be the Justice of the Peace and not a Robber's Breadplate. I also will see that the County Judge's salary is where it should be and not the salary it was recently raised to. I ask those of you who do not know me to inquire of those who do. I am not being vain when I tell you that they will assure you that I am qualified to make Floyd county a courteous, honest official and a Sheriff who will give the people what they have every right to expect of a man in this office.

Your support and influence at the primary, Aug. 2, are earnestly and respectfully solicited.

ANSWER TO TAYLOR STUMBO

No doubt you have seen a hand bill, which is being circulated by Taylor Stumbo in which he has taken John Stephens, Town Hall, Henry Stephens, Jr., and W. L. Stumbo to task for their misdeeds, as he thinks, Of course he did not reflect and turn the light on his own shortcomings.

Now, if Taylor was such a great friend to the Miners, why did he go to Harlan in the first place? He knew why he was being sent. Why did he not quit his job there? He did not have to go. Why did he leave when he did go there? Well, things got too hot and, when the shots began to be fired around close, and the smell of gun powder and the sight of splinters flying about was no place for Taylor. Further, if he is such a friend, why did he garnishee the miners for poll taxes at a time when they were starving? He is the same old Wolf, going about over the county trying to deceive you into forgetting all the past and cover up his past misdeeds.

Why does he attack Henry Stephens, Jr., when Henry has said nothing about him? Well, it is because Henry in the past, with others, has helped him finance his campaigns and now he is compelled to paddle his own canoe, at a time when he is politically sinking. He has seen the handwriting on the wall and it is getting worse. He has been HOODWINKED AND DECEIVED BY HIS FALSE PROMISES TOO MUCH ALREADY. It has been rumored within the last few days, just why Taylor shows the Armed Guard in Harlan, in which the picture of Taylor does not appear. It is rumored that a picture was about to be published in which the picture of Taylor did appear, and Taylor was only trying to head it off. The picture Taylor uses is not the only picture made of the trouble in Harlan.

Why does Taylor charge John Stephens, one of the best men in the county and your Ex-Superintendent, of being a STOOGE of Henry Stephens, Jr.? One thing for sure, Henry will not sell him out as Taylor did his nephew, Wayne.

Dial Salisbury, together with Big Bill Turner and Will Halbert, his sureties, borrowed money at The First National Bank, and after being discounted, left \$2,940.00, which amount was turned over by Dial. Now in the light of all this, how can Taylor put on such a bold front and give an honest look in the face of people, whom he asks to vote for him. Taylor talks loud about Henry being a Honky-Tonker. Henry never denies or deceives. Now what about Taylor? Shouldn't he do likewise?—he's in the same class. Taylor made a pretty fair Sheriff for the first two years, and he has been Honkey-Tonking ever since. This matter can be left to those who know him best. Taylor also talks about what he would have done, if he had been Sheriff, when Waid Cross was killed, just how he would have put on a bold front in making arrests, and arraigning people whether guilty or not. Now, Henry had nothing to do with that crime. But what about the Neely boys who were shot, and one killed on Grisham Creek. At a time when one was on the ground, already fatally wounded, he was then shot in the head before he died. Yes, you all remember this shooting was done by Bev Sturgill, Taylor and Earl Stumbo. Oh, yes, the great law enforcer, but more of a trouble maker instead. Not long ago, Taylor fired his big pistol in a restaurant here in Prestonsburg, at a time when he was wild drunk.

Why does Taylor jump on Town Hall? Is it because he took 3 per cent for collecting the school taxes, when it is only 1 per cent, and Town compelled him to pay over about \$9,000.00 additional to the school system? Well, you teachers had better watch out, you can't tell what is coming, if you do not use your heads for your own safety. You know, sometimes, Taylor goes by the name of "Cold Check and Hound Dog Taylor" because he, together with John W. Fitzpatrick, Ellison Kendrick and others came near killing all the dogs in the county but that was for the purpose of getting a big claim against the county. Taylor is just one of those Wolves in Sheep's clothes; however, he is not fooling anyone. People are getting too wise to be deceived. Taylor rarely stands on his promises or agreements. He did not stand on the Committee agreement between himself and John Stephens, when the Committee took him off and said John Stephens was the stronger of the two. Taylor's brother Oliver was on that committee.

Why should you vote for John Stephens for Sheriff? He is the best man for that office and will honestly account for every cent of the taxpayers' money without being checked short. Be careful about voting for this great, Messiah Taylor. Evidently Taylor is going on the theory that if he does not loot his own horn, it will go untended, and his political tooting is at a very low ebb, anyway. As between Walk and Taylor, Walk is the far better man. Ask people who have had business dealings with the two. By your vote next Saturday will be reflected just what you think about right and wrong officials and the kind of government you want in Floyd county. Vote for John Stephens for Sheriff. You can depend on him anytime, and you don't have to guess, you can trust him all the time.
