HUEYSVILLE

A letter in part from Harry Hurt of the air corps at Will Rogers Field, and a reader of THE TIMES to the postmaster here follows: "I guess you will wonder why I am writing you. Well, I don't seem to think of anything to write about, so I will come to the point at once. I get the FLOYD COUNTY TIMES and lately there hasn't been any Hueysville news at all in it. I wish you would talk to the one that gets the news for Hueysville. Will you try and dig up something for Hueysville. A fellow always wants to know what is going on in his own home place, who he has among or not. That is about all a fellow has to look forward to when he is in a camp like most of us boys are now."

Mrs. John Castle has been very ill, but is better.

Talmadge Allen has purchased the Bud Turner place on the hill here and will move there soon.

David Leake left for Pontiac, Mich., Wednesday.

Mrs. Zellard Rice and Miss Emma Jean Woods were shopping in Prestonsburg Wednesday.

Harry Heger, of Paintsville, will take over the W. A. Baldrige store on Little Paint in a few days.

Mr. and Mrs. William Sizemore were Sunday guests of Mr. and Mrs. Robert Stephens and Mrs. Henry Sizemore, of Water Gap, on Monday night.

What's Our Homework?
What Time Is It?
Let's Go To The Show!
Didja Hear About Jack?

"It's great to know you're helping!"

"Sure, I know I'm too young to carry a gun and be a Ranger like brother Bill, but I'm helping all the same in every way I know how. Dad told me the other night about the need for cutting down my local phone calls. He said that every telephone line was needed so badly by Uncle Sam that every call I didn't make would help win the war."

"Gee, I didn't know my calls would make any difference, but they sure do. Dad says telephone lines and switchboards are so crowded now that every call I make, to be dead sure is important."

"Mom and Dad, and Sister and the maid, and the whole gang of kids in my neighborhood are now doing a lot less telephoning. Believe me, I want brother Bill back home, and if cutting down on my phone calls will help bring him back—it's sure okay with me."

"How about you? Will you help, too? I bet you will!"

Mrs. Rebecca Baldrige was the guest of Miss Angeline Conley last week.

(See Story 1, Page 3)

ALLEN

The Woman's Missionary Society of the Allen Baptist Church met Tuesday evening, last week, in the home of Mrs. Ben Westfall for the regular monthly program and business meeting. Those present were: Mrs. Henry Porter, Mrs. Goldie Short, Mildred Short, Mrs. E. C. Chesk, Mrs. J. S. Rose, Mrs. Herman Porter, Mary Westfall, Mrs. Ben Westfall, Mrs. Ben Porter, Mrs. Louise Stringer, Miss Opal Porter, Pauline Caudill, Annie Allen and Nannie Marie Brown.

Miss Annie Allen made a number of visits to the sick in Garrett last Thursday.

The Woman's Missionary Society of the Baptist Church is meeting each evening this week in observance of the state mission "Week of Prayer." Monday evening, they met in the home of Mrs. Herman Porter, Mrs. Beverly Clay, Wednesday, in the school building.

BUY A BOND
Our school is putting on a War Bond drive this month. You may expect one of the teachers to call on you at any time. The Allen school has been asked to raise \$10,000 as its part. Mrs. J. E. Green, primary teacher, has already passed the \$2,500 mark.

Rev. Winn Barr, of West Van Lear, visited Rev. J. S. Rose and the family of Beverly Clay Monday afternoon.

Mrs. Lucy Stapleton, who submitted to an operation last week, is improving nicely. A number of Allen residents have visited her.

Mrs. Lizzie Miller, who has been very ill, is still no better, but has been brought to the home of her sister, Mrs. Luther Baldrige, in Allen.

Misses Mildred Short and Kathryn Grace Porter are the new G.A. Sutherland ladies. They will hold their monthly meeting Saturday at the home of Miss Porter.

The Red Cross room is expected to be opened again next week. Remember that everyone is urged to do her bit.

Mrs. Carl Constock entertained Mr. and Mrs. John Clark and son, Mr. and Mrs. Graham Burnett, with a six o'clock dinner Saturday night.

Miss Florence May was home over the week-end, later going to Sta. Mary. She has spent a week's vacation in Lexington with her sister.

VISITS SON AT ARMY POST

Mrs. T. J. Ayle of Myrtle, returned recently from a two-weeks visit with her son, Thomas E. Ayle, who is stationed at Ft. Bragg, N. C. Pvt. Ayle has left work for a few days in Georgia en route.

B. F. Goodrich now offers You the ONLY SYNTHETIC TIRE BACKED BY 80,000,000 MILE ROAD TEST

READ THE RECORD OF ACTUAL PERFORMANCE

WE CAN OFFER eligible car owners the only synthetic tires backed by the experience gained from this car owner's test—B. F. Goodrich Silvertowns. In 1940, thousands of Silvertowns (in which more than half the rubber was synthetic) were sold to hundreds of car owners. They were put to work right alongside natural rubber tires. More than 80,000,000 miles have gone by—and these Silvertowns more than equaled the performance of the natural rubber tires. So—depend on the records of actual performance and get—all-synthetic B. F. Goodrich Silvertowns. Come in and see this tire today.

EASY TERMS AVAILABLE IF YOU DESIRE

LIMITED STOCKS
Only B & C Book Holders Who Qualify For Tires For Essential Driving Car Get These Ameripol Silvertowns.

There still is a critical rubber shortage. Most synthetic rubber is needed for vital war requirements. Every American must continue to conserve rubber! Follow the five steps for the conservation from the Office of the Rubber Director:

1. Use only when absolutely necessary.
2. Buy only when you need it.
3. Keep your tires properly inflated.
4. Have them inspected regularly.
5. Save your car with oil.

Uncle Sam Turns "THUMBS DOWN ON WASTE"

"CONSERVATION OF FUEL, MAN-POWER AND CRITICAL MATERIALS IS A 'MUST' IF WE ARE TO ACHIEVE THE MAXIMUM WAR PRODUCTION EVERY AMERICAN WANTS."

From a joint statement by Messrs. Johnson, Eastman and Nelson

YOUR Government through the War Production Board and other agencies calls for public cooperation in a voluntary program to conserve fuel, manpower and critical materials in order to achieve maximum production for war.

To accomplish this result, we are urged by the Government to call all citizens to avoid waste of food, petroleum products, water, gas, electricity, transportation, and communications.

There is no shortage of electricity as such either for war needs or essential civilian use, but electricity is made largely from fuel and certain critical materials are required in connection with its production and use. As a result, electricity is indirectly involved in the program.

The War Production Board warns that no effort should be made to curtail uses of electricity necessary for public safety and health including oversight conservation, plant protection, transportation, and production purposes.

The program applies to all electric customers, but more specifically to those who use electricity for commercial purposes. We are listing below the specific steps for voluntary conservation by commercial customers as recommended by the W.P.B.

Kentucky and West Virginia Power Company

Suggested Voluntary Conservation By Commercial Users Of Electricity

*It should be made clear to customers that the desired savings in lighting should be obtained primarily by the turning off of lights which are not necessary and by replacement of burned out lamps when lamps are burned out, with lower wattage lamps.

Indoor and Outdoor Advertising, Promotional and Display Signs Lighting

(a) Daytime: Eliminate completely.

(b) Nighttime: Reduce burning hours so far as practicable but in no case less than necessary for safety and security during the period from dusk until 10 p.m. in terms of local time.

(c) Electric signs necessary for direction or identification of places of public service, such as public restrooms, public lodging establishments, transportation terminals, etc., may be operated during nighttime but only while the establishment is open for business.

(d) Reduce lamp wattage of all signs by the maximum practicable amount.

Decorative and Ornamental Lighting Including Decorative Flood Lighting

(a) Exterior lighting: Eliminate completely at all times.

(b) Interior lighting: Eliminate all non-essential lighting; reduce the balance by the maximum practicable amount.

Show Window Lighting which does not provide essential interior illumination

(a) Daytime: Eliminate completely.

(b) Nighttime: Reduce burning hours so far as practicable but in no case burn for an interval exceeding two hours and only during the period from dusk until 10 p.m. in terms of local time.

(c) Reduce wattage by maximum practicable amount.

Lighting of Marquees (other than advertising signs) and Building Entrances

(a) Daytime: Eliminate completely.

(b) Nighttime: Reduce in intensity by maximum practicable amount consistent with public safety consideration.

(c) Eliminate completely when establishment is not open for business except for amount necessary for protection.

Lighting of Outdoor Business Establishments

(a) Daytime: Eliminate completely.

(b) Nighttime: Reduce in intensity by maximum practicable amount.

(c) Eliminate completely when establishment is not open for business except for amount necessary for protection.

General Interior Illumination and Show Case Lighting

(a) Eliminate all non-essential lighting.

(b) Reduce remainder by the maximum practicable amount consistent with public safety consideration and airtight conservation.

General Conservation by Commercial Customers

(a) Turn off lights and appliances when not actually needed.

(b) Eliminate unnecessary use.

Air Conditioning

Adopt more moderate margins of reduction in temperature and relative humidity.

"Nighttime" as used above is the period between 30 minutes after sunset and 30 minutes before sunrise.

SPECIAL COMMISSIONER'S SALE

FLOYD CIRCUIT COURT
Marion Hall, Administrator, etc., Plaintiff
Lacoma Hall, etc., Defendants

Pursuant to the terms and directions of a judgment entered in this cause on May 28, 1941 and orders entered subsequent thereto, the undersigned, Walter S. Harkins, Special Commissioner of the Floyd Circuit Court, duly appointed for that purpose, will proceed to sell at public outcry, to the highest and best bidder, on a credit of three months, at the front door of the courthouse in the City of Prestonsburg, Kentucky, on October 4, 1943 being the first day of the October term of the Floyd Circuit Court, at or about the hour of one o'clock, p.m., the following property, to-wit:

A. Twelve and one-fourth (12 1/4) shares of Jack's Creek Oil and Gas Company stock, fully paid and non-assessable, (Capitalization \$20,000.00).

He will further proceed to sell, at the same time and place the following properties in the order shown below, to satisfy the balance of the judgment in favor of Alice Hall for the sum of \$18,132.75, with interest at the rate of six per cent per annum from May 28, 1941 until paid, together with her costs incurred in these consolidated actions amounting to approximately \$200.00 (?).

Under the terms of the judgment certain liens were adjudged against said properties to secure judgments in favor of The Bank Josephine at their satisfaction of the judgment in favor of Alice Hall with interests and costs, but for greater effect said judgment is referred to and made a part hereof.

Civil Order Book 53, page 354, of 1882 per cent undivided interest in the premises containing about 4.24 acres, more or less, owned individually by the defendant; Lulu Jones and 2 813 per cent owned individually by the intestate; Alvin Alton Hall, and 29,252 per cent apart as dower to the widow Alice Hall during her natural life.

The sale will be made subject to the individual interest above recited, and further subject to the terms and conditions of said oil and gas lease.

SECOND
Situated by the lower right of the above Alice Hall tract is a tract of about 100 acres, more or less, consisting of gas minerals and rights in and underlying a tract of parcel of land situated on Jack's Creek a tributary of Wolf Branch, Creek, in Floyd County, Kentucky, and reserved to the grantors in the deed from W. R. Hall and Alice Hall, wife, to Lee Johnson, dated January 5, 1921, and appearing of record in Deed Book 83, page 123, Floyd County Court Clerk's office, which said tract or parcel of land is more particularly bounded and described as follows:

Beginning on a stake in Jack's Creek about 200 feet above the mouth of Tom's Fork; thence up Jack's Creek to a stake in the creek, S 73 45 W 104 feet to a stake in the creek, S 56 W 41 feet to a stake in the creek on postle Bud Hall's house, S 73 W 230 feet to a stake in the creek; thence leaving the creek and up the bank of Wolf Branch, Floyd County, Ky., and known as the Home Place, and more particularly bounded and described, as follows:

Beginning on a stake in Jack's Creek about 200 feet above the mouth of Tom's Fork; thence up Jack's Creek to a stake in the creek, S 73 45 W 104 feet to a stake in the creek, S 56 W 41 feet to a stake in the creek on postle Bud Hall's house, S 73 W 230 feet to a stake in the creek; thence leaving the creek and up the bank of Wolf Branch, Floyd County, Ky., and known as the Home Place, and more particularly bounded and described, as follows:

From where I sit... by Joe Marsh. One of the best-liked farmers in this part is Bert Childers! And he has the best way of beatin' the man shortage, too. Come husking time, Bert invites all his farmer neighbors over to have a glass of beer. When they ask politely "where's the beer?" Bert points to a bucked full of frosty bottles in the middle of the field. "All you got to do," he says, "is work your way out to it." Well, Bert's idea has caught on all over the countryside. Joe Marsh

The 'A and Eagle' Has Learned to Fly

Impassable roads? Mountainous territory? A urgent need to move fighting men, supplies and even jeeps by air? Our armed forces have found the answer. It is one of the thrilling new developments of the war—the use of gliders, which are now being produced in imposing numbers. Can skilled metal workers and cabinet makers turn quickly from manufacturing refrigeration equipment to making glider parts? Yes indeed!

INCIDENTALLY, our Refrigeration Division volunteered long ago to help Uncle Sam build gliders. The shops that once made equipment for ice cream and frozen food dealers the country over were revamped completely and old and new workers trained for this important enterprise.

Budweiser. In addition to supplying the armed forces with glider parts, gun turret parts and foodstuffs, Anheuser-Busch produces materials which go into the manufacture of Rubber, Aluminum Munitions, Medicines, B Complex Vitamins, Hospital Dietets, Baby Foods, Bread and other Bakery products, Vitamin-fortified cattle feeds, Batteries, Paper, Soap and textiles to name a few.

Don't Let His 'Pay Check' Go Astray... While he's fighting "over there," Uncle Sam is making every effort to care for his "family" back home. You may expect your checks in the mail between the 1st and 10th of each calendar month, during the war and for 6 months after! Watch for them! Be on hand when the postman is due! Be sure you endorse checks correctly! Bring them here for safe handling!
