FRIENDLY TIP
No less than three highway signs read "To Dewey Dam Site." Well, brother, you can drive these roads till the wrecker hauls you out three days later and you still won't be at Dewey--not by a dam's sight!

FOR THOSE WHO CANNOT PLAY
Floyd county's high school athletes here last week, exemplified the spirit of amateur sportsmanship in its finest form. These clear-eyed youngsters played their heads off for boys and girls who because of impaired vision and it difficult if not impossible to attend school, much less play basketball.

STREET SCENE IN SPRING
Walk along Riverside this week and you walk in beauty. The cherry trees that residents had had the esthetic sense to plant, several years ago, are in bloom. With some of these folks who thrive on "typical" Kentucky mountain pictures would drop around and take in a scene in color of Riverside.

Val Strahan said Wednesday he hadn't seen the picture of his home town, Shepherdsburg, in the magazine a recent number of Colliers. But he was all right and those who because of the magazine suspected that his blood pressure had gone up.

DRIVE RESULT IS IN DOUBT

**Sunday and Monday,
Red Cross Movie
Days in County**

As the Red Cross drive goes into the final days of March, the outcome is still in doubt, Palmer L. Hall, Floyd county drive chairman, said Tuesday.

Approximately one-third of the quota of \$125,000 has been turned in at the local chapter office Monday. Only a small part of the community chapters have turned in money collected, but it is certain that complete reports will be in the hands of the county committee until after April 1.

As county chairman of the drive, I urge all workers to finish sending their reports to the county office as soon as possible, and to continue until that has been done, right up until the day Mr. Hall said, "Where pledges have been made, collections will be made even after the official closing of the national campaign."

74 Red Cross Workers Lost Lives During War

Washington, March 24--Seventy-four American Red Cross workers lost their lives during the war, National Chairman Basil O'Connor said today. These Red Cross workers, O'Connor added in a statement, died not only in the service of their country, but in direct and unselfish service to the individual men of the United States and its forces in every theater.

Next Sunday and Monday have been designated Red Cross Movie Days in the county. The Red Cross and managers are asked to cooperate in the collection of money, taking collections at each showing of Sunday and Monday's picture to that any who have an opportunity to give or who wish to give more will have that opportunity.

FLOYD RURAL ROAD

CONTRACTOR ON DAM MAY USE 2 ROADS

**In Moving Equipment;
Ryan Now Preparing
To Start Operations**

Equipment of the Ryan Construction Company, Evansville, Ind., contractor on construction of the Dewey dam, will probably be moved over two routes to site of the project, C. E. Bales, engineer for the firm, said Wednesday.

Heavier equipment is expected to be shipped by rail to Van Lear, thence across the mountain to Dewey. Other materials will be shipped to Prestonsburg and taken from here via the Auxier road to the scene of operations.

The routes were tentatively stated as the company's plans upon the arrival here Tuesday of Mike Ryan, a member of the contracting firm. Ryan's preliminary work will include extension of power and telephone lines to the site.

MAY TO VIEW A-BOMB WORK

**Prestonsburg Man
Chosen by Truman
To Assay Results**

While Congressman A. J. May, chairman of the House Military Affairs Committee, visited in Prestonsburg it was announced Tuesday that he had been named by President Truman as a member of the nine-man commission to appraise the results of the proposed atomic bomb tests at Bikini Atoll in the Pacific this summer.

The President's choice of two Senators and two members of the House to study the results of the tests at the atomic bomb tests met with general approval in Congress. Other Congressional members of the committee are Senator Hatch (R), New Mexico; Senator Saltonstall (R), Massachusetts; Representative Andrews (R), New York; and a member of the Military Affairs Committee, Braden Dewey, a member of the scientific group to study the results of the tests.

Members of the scientific group to study the results of the tests in the study are Dr. Oppenheimer, director of the Manhattan project at the University of California, who took a leading part in development of the atomic bomb; Dr. Arthur Compton, director of the Massachusetts Institute of Technology; Bradley Dewey, wartime rubber director and president of the War Relocation Authority; William S. Newell, president of the War Relocation Authority; and Fred Searles, New York mining engineer and assistant secretary of State. The bomb tests on American and captured enemy warships are expected to be made, starting around May 15, and will be conducted in designated as "Operations Crossroads." It is expected to point the direction of the tests, said Chairman McMahon, of the Senate Atomic Energy Committee, "highly pleased" with makeup of the committee. "I think the President's choice is a fair and distinguished one."

Mrs. Gracie Ousley Is Victim Friday At Parents' Home

Mrs. Gracie B. Stephens Ousley, 37 years old, wife of Homer Ousley, Prestonsburg, Montgomery county, died Friday at the home of her parents, the Rev. and Mrs. Alex Stephens, Jr., West Prestonsburg, following an illness of five years of her disease.

Mrs. Ousley was brought to the home of her parents last December where her condition became more serious. Six weeks ago, an embolism rendered her condition critical and her death was not unexpected.

A devout Christian, she became a member of the United Baptist Church in 1930 and was baptized by the Rev. and Mrs. Alex Stephens. Her husband, parents and six children, including Emma Jean, Robert Lee, Claude, Nathan, Jr., Alex and Alma Fay, she also leaves three brothers and six sisters: Henry, Joe and William Stephens, all of Prestonsburg; Mrs. Mary Bradley, Battle Creek, Mich.; Mrs. Doris Stephens, Craytor; Mrs. Julia Hunter, Craytor; Mrs. Mary and Mrs. Nola Stumbo, both of West Prestonsburg.

The funeral was conducted Sunday from the home of the Rev. and Mrs. Alex Stephens, Jr., West Prestonsburg. Burial in the Bacon May cemetery near here was directed by the Arnold Funeral Home.

THREE JUDGES TO PRESIDE In Trial of Duncan, Accused in Slayings Of 3 Floyd Countians

Some time in April a three-judge court will hear, at Trenton, O., the triple charge of first degree murder, attempted murder and conspiracy for the deaths of John Wright, 66, wife, Mary, 62, and two daughters, William Robinson, 40, a farmhand, and former residents of Floyd county.

Prosecuting Attorney Milton J. Andrews and defense attorney W. A. Layne recently reached an agreement to have the trial held in Trenton, O. The agreement of the three judges was to have the trial held in Trenton, O. The agreement of the three judges was to have the trial held in Trenton, O.

Charles L. Osborne Is Victim of Dropsy At West Pburg Home

An illness of two years of a heart condition resulting in dropsy ended the life of Charles L. Osborne, 78 years old, of West Prestonsburg, Tuesday. A son of the late Bill Osborne, he was a member of the Methodist Church and a member of the city board of city board of city supervisors.

Not 'Before the Court' THREE HELD UNDER BOND

Charley Reed, Gobbs and Withard Watson, all of Magoffin county, executed bonds of \$2,500 each here Monday as a charge of kidnapping Lonnie Robinson, accused murderer, in the West Pburg jail at West Liberty. They will face early grand jury action in Floyd circuit court, officials said.

The Watsons were later held by Robinson's attorney, who was in the West Pburg jail at West Liberty. They will face early grand jury action in Floyd circuit court, officials said.

CHURCH LOOP BEING FORMED

**McNeil Says 3 Teams
Are Certain Entries
In New Organization**

A church baseball league similar to the Louisville sports organization from which develops such champions as Fewee Reese and Billy Rees, is being formed in the county this week. It was announced by W. C. Malone, who is taking the lead in organization details.

Wheatport, Prestonsburg and Pikeville are regarded as certain entries. Other communities of the section remain to be contacted. The league will be held in the West Pburg jail at West Liberty. They will face early grand jury action in Floyd circuit court, officials said.

Boy Attempting Father's Rescue Overcome by Foul Air in Mine

A mine rescue party found the body of Ezekiah Harrison, 33-year-old miner, in a shaft inside the Prestonsburg mine, held here last week-end but there will be approximately 200 other miners who will be rescued.

The boy was overcome, he later said, while attempting to drag his father to fresh air. Rescuers were quoted as saying air inside the mine was so bad they worked only with great difficulty. The boy was taken to the Stumbe Memorial hospital, Lackey, where it was later said he will recover.

In All, Net Tournament Here Had 201 Winners

Prestonsburg was the only winner named at the close of the post-season basketball tournament held here last week-end but there will be approximately 200 other winners who will be named later.

C. & O. Veteran Found Dead This Morning Near Emma Home

Thomas B. Patton, 45 years old, veteran section foreman of the Chesapeake & Ohio Railway Company, was found dead at his home at Emma this morning at 2:30 o'clock.

Mr. Patton, who had been ill since September, walked outside his home, few minutes before he was found dead by members of his family. A son of the late John Patton, he was born and reared at East Point, and was one of five brothers-employees of the railroad company. He had resided at Emma for the last 30 years and his father also was a section foreman.

I believe in putting my store right in my customer's home. The telephone is more than convenient communication. It is a means of doing business, a way for the merchant to put his store in his customers' homes. In serving business, the Telephone Company accepts a great responsibility—the obligation to meet every need of the business man who depends on the telephone.

With the Company—as with the corner drug store—earnings are vital to continued success. And because the telephone has become a part of everyday life, telephone earnings are a subject of importance to all.

In 1945, telephone earnings were the lowest in the past 23 years. For 1946, the outlook is for even lower earnings. In keeping with the general trend throughout the country, wages have recently been increased. The cost of everything else going into the furnishing of telephone service is also climbing.

Adequate earnings are a basic necessity to the American way of life. Earnings must be sufficient to enable industry to maintain high standards of service and to attract capital for expansion. As for the Telephone Company, they are indispensable if the full usefulness of the telephone in carrying on the business of the community is to be safeguarded.

THE OLD JUDGE SAYS...

GEORGE: "Yes, I certainly would like to hear why you call that an old fashioned idea, Judge."

OLD JUDGE: "Glad to tell you, George. Until recently, a person known as an alcoholic was generally treated as a social outcast. Little if anything was done to understand him or help him. But during the past few years, medical research and study has developed that alcoholics are really sick people... that there is usually a deep-rooted physical, social or emotional reason behind their behavior. That's why today so much is being done to help them by finding out and correcting the condition that leads them to excess."

GEORGE: "How many folks are there like that, Judge?"

OLD JUDGE: "Well, according to scientific research, 35% of the people who drink, drink sensibly. 5% do so unwisely, at times. Included in that 5% is the small percentage of the sick people I'm talking about."

GEORGE: "That certainly gives me a clearer picture. It's the most sensible approach I've ever heard on the subject."

NOW YOU CAN GET Flying Octanes

Ashland GASOLINE

IN THE GREAT NEW

They were tough customers — these Flying Octanes — in the serious business of winning mastery of the skies over far-flung battlefronts. But now they have the joyous job of bringing you greater motoring pleasure through "ASHLAND" Gasoline. They'll take you places with pickup, speed and power that will make you say: "ASHLAND Gasoline for me from now on." Stop and fill up at the courteous, competent Ashland dealer conveniently located to serve you.

HOW ASHLAND'S WAR EXPERIENCE, REFINING AVIATION GASOLINE, BRINGS YOU A FINER FUEL

Gasoline Won't Win

I want the best aviation gasoline ever made. Uncle Sam said so. Using the facilities of one of Ashland's most modern refineries, Ashland Oil gave our aviation gasoline the perfect performance in any engine.

Every "Crack" is a Boon

This gasoline is "cracked" many times to improve its octane rating, to give it that instant starting, that quick pick-up, that enduring smoothness which spell perfect performance in any engine.

Why It's Topp

The blending of catalytic gasoline and special aviation components with our already fine gasoline gives "ASHLAND" a definite superiority over ordinary gasoline — a fact which you can easily prove.

Now Available For You

These same war-trained Flying Octanes are down to earth in "ASHLAND" Gasoline, bringing to your car that thrilling zip over the highways that they gave Uncle Sam's warplanes over the skyways.

Our Policy on NEW CAR ORDERS

IN ACCORDANCE WITH FAIR PROCEDURE

We are now accepting orders for earliest possible delivery of new cars and trucks on a new system set up by Joe H. Cooley. However, as you know, there are not enough of either for all who want them. Therefore, we want to make a clear statement of our policy . . . so that everyone will know exactly how we are handling orders for and delivery of new cars during the current shortage period.

- 1 We intend to fill orders for new cars in the order in which they are received. There are two exceptions to this basic rule—
- 2 We will definitely reserve a percentage of our cars for those who have served in the Armed forces. We feel sure that all our customers will agree with the justice of this exception.
- 3 If definite need for a new car is a factor, we will, in the public interest, determine such cases on the basis of the now abolished, but publicly accepted, OPA priority lists.
- 4 We would welcome a trade-in on a new car and will offer top market prices for your used car.

This policy is in your interest. We are following it because we want to serve you fairly and well today as in the past. The Ford Motor Company and we ourselves are making every effort to deliver your new car promptly and honestly.

plenty of water. Lights in the poultry house could do for you, such as pumping water, hoisting hay, or sawing wood, you are working for about 2 cents a day, in terms of what the electricity would cost.

The successful farmer is a successful business man, too. Hired help can be paid better, profits can be higher, if the cheapest tool—Electricity—is put to work 100 per cent.

If your farm is electrified, make Electricity pay by using it in every possible way. Electric motors, big and small, cost less to use, the more they are used.

Electric brooders produce more pigs, more chicks. Cows give more milk when they get

plenty of water. Lights in the poultry house keep the hens producing more eggs. Electric refrigeration lowers the bacteria count of milk, conserves food.

It has been said that Electricity will do 225 jobs on a farm, not counting the 90 uses in a farm home.

Yes, Electricity put to work, is a "Must" on the business managed farm today.

Art Exhibit, Feature of Wheelwright Club Meet

Wheelwright, Ky., March 24 (Sp.)—Community Hall here was a scene of unusual interest and activity Monday last when the Women's Club held its March meeting with the Fine Arts committee in charge of the program. A short talk on "What is Art?" was given by Mrs. E. Conley, after which members and guests inspected the art exhibit, the main attraction of the evening.

Picture objects of art and handicraft from different countries had been placed in suitable exhibit booths. Africa, Mexico, Australia, the Philippines, India, England, Czechoslovakia, Russia, China, Japan, Italy, France, Belgium countries represented. They were arranged in a series of cases, drawing attention to the fine arts, were placed with some prints of well-known pictures on one table and a display of art work from local schools demonstrated the creative ability of children of every grade, including high school.

In the exhibit, emphasis was placed upon the effective use of color and design in producing a work of art, whether in building such as the Taj Mahal of India, St. Mark's in Venice, or in a tiny bit of delicate job-work done from South America. Some outstanding features were: exquisite glass from Czechoslovakia; china, silver and linen from England; a beautiful set and graceful dolls in peasant costume, handwoven and embroidered linen, and an interesting old icon reminiscent of the old Russian church from the U.S.S.R.; silver, lacquer, lace, silk embroidery, and cloisonne from China; a cut-velvet picture, prints,

24 native costumes, china and silk from Japan; a painting on porcelain of the "Madonna of the Chair" in a leather-lined and covered of famous pictures from Italy; glass and china from Belgium; a hand-woven, colorful rug and tatted leather from Mexico; rice linen, straw bags, tatted leather, inlaid wooden tray from the Philippines and Australia; and an interesting old money box about the size of a small chest) from Africa, with numerous brass knives and trimmings. Jewelry from different countries showed variety in design and unusual uses of the same materials. A collection of spoons with an added feature, they were varied in color, shape, material and size, and seemed characteristic of the country where they were made.

A handwoven Kentucky blanket and an early American quilt were of special interest.

The business meeting of the Women's Club was held prior to the exhibit. Important business included a report from the Diversional committee. Mrs. William E. Koss, chairman, stated that 38 decks of playing cards had been bought and sent to General Federation headquarters in Washington, D. C., to be used in veterans' hospitals. The club members voted to buy another Victory bond.

After inspecting the art exhibit, prepared by the Fine Arts committee members, Mesdames Ylla Rogers, E. Conley, Kate Harstock and Miss Margaret Motter, refreshments were served to members and four guests. Mesdames Harry Fields, Leon Fortner, Earl Blackburn and G. P. Leatherman. Hostesses for the evening were Mesdames E. H. Price, Paul Fovitz and J. T. Fister.

BETSY LAYNE
Rev. W. B. Garratt filled his regular appointment at the Methodist Church here Sunday afternoon, delivering an enlightening sermon on "Church Discipline."

Mrs. R. E. Williamson, who is again quite ill, has returned from the Pikeville hospital and is improving. Friends wish for her a speedy recovery.

Miss Ruth Layne, Miss Lucille Layne, Miss Madge Spears and Clyde Blackburn, all students at the University of Kentucky, visited relatives here last week before returning for spring quarters.

Mesdames Eliza Blackburn and John Compton represented the Home-makers Club at the Wednesday meeting at Prestonsburg last Wednesday.

Kenneth Lacy, of Salversville, recently discharged from the army air corps, visited with friends here Monday. Kenneth was a resident of this community several years ago.

Miss Clara Shaw, of Jenkins, Seventh district governor of the Kentucky Federation of Women's Clubs, stopped Saturday afternoon at the home of Mrs. J. Chandler for a brief visit with the Women's Club here. Miss Shaw was accompanied by Miss Ruth Harmon, of Pikeville.

The family of Mrs. Miranda Gearheart enjoyed dinner with her Sunday, March 24, on the occasion of her 74th birthday. Many useful gifts were presented to her. Those present were Mr. and Mrs. E. G. Gearheart, of Ashland; Dr. Orris Gearheart, Martin, Mr. and Mrs. Fred Gearheart, Niles; Betty Sue, Walter, Fred and Paul Gearheart, Mr. and Mrs. Eugene Kelly and baby daughter, Sharon Lee, Sgt. and Mrs. Glenn Whitt, Mrs. George Bush, Mrs. C. J. Donlon Pugh, Mr. and Mrs. J. B. Bush, Mrs. Margaret Compton and daughters, Nadine and Karen, all of Harold, Mr. and Mrs. Palmer Crum, Francis Gene Crum and Kuba Gearheart, of Betsy Layne.

For the donations to the Needy Children's Glasses Fund of Floyd county, we especially wish to thank the following for their contributions: Amburgey & Turner, Spears General Merchandise, Marshal Stratton, Bob Wallace, George's Liberty Bell Cafe, Betsy Layne Woman's Club, John Stamba's Service Station, Harold Fuel Company, Glenn Blackburn, W. D. Stamba, Joe T. May, Betsy Theatre, Oscar Bush, United Carbon Company. Their donations showed a real spirit and interest in their school, their community and their country. Mr. Howard wishes to extend to them his personal thanks.

Comillis Stephens, 74, Member of Well-Known Floyd Family, Victim

Comillis Stephens, 74 years old, member of a prominent Floyd county family, died at 11:30 o'clock last Thursday morning at the home of Bull Creek near here, of his sister, Mrs. Cynthia S. Prater, with whom he had resided for the last several years. He had been an invalid for four years and his condition had been critical for several days before his death.

A son of the late Morgan Green Stephens and Mrs. Malinda Hale Stephens, he was born and reared on Bull Creek where he spent almost his entire life as a farmer. He was never married.

Surviving are four brothers and three sisters: Gus Stephens, Prestonsburg; James Stephens, Clift; Sam Stephens, Wichita, Kansas; John Stephens, Prestonsburg; Mrs. Mary Scutcheff, Jeffersonville, Ky.; Mrs. Florence Cray, Martin; and Mrs. Cynthia Prater, Prestonsburg. Funeral rites were conducted Saturday afternoon from the United Baptist Church, Bull Creek, the Revs. W. B. Garratt, B. W. Craft and James Roark officiating. Burial in the family cemetery was directed by the Arnold Funeral Home.

GUILD MEETS TUESDAY

The Wesleyan Guild met Tuesday at the home of Mrs. Roy Perry, with Mrs. Perry, Miss Josephine Davidson and Mrs. Luther Shovel co-hostesses. After an interesting program, refreshments were served to the following members and guests: Mesdames Stella Sparlock, Phyllis Rader, Doug May, Kathryn Prater, Carlos Hayward, and Nellie Sparlock, Vera Ford, Virginia Shivel, Lou Perry, Ruth Worland, Edna Carol Greenwade, Irene Stephens, Doris Herford, Goldie Wicker, Mary Lou Layne, Mary Margaret Webb, Edith Akers, Nell Ribble, Margaret Spradlin, Annie Mae Melton, Miss Vivian Hatcher, Margaret May, Pauline Herford, and guests, Mrs. W. R. Ross and Mrs. Sam Hatcher.

Thomas Herford arrived home last week with his discharge from the navy after long wartime service. Mr. Herford was before his navy service manager of the L. Richmond Company here.

Mr. and Mrs. Clarence H. Crisp, T/Sgt. Perry Green, Jr., and Miss Edna Mae Ratliff were recent visitors in Johnson City, Tenn. Sgt. Green going from there to Ft. Jackson, S. C. He has been limited to three years overseas service with the army.

Dannan Stamper, son of B. P. Stamper, Prestonsburg, recently enlisted in Michigan for army service. He was discharged a few months ago after service in the European theatre.

Mrs. J. O. Salyers, of Hazard, will spend the week-end here, guest of her daughter, Mrs. H. D. Fitzpatrick, Jr.

Midnight Fire Razes Two Justell Homes Owned by Bailey

Two residences occupied by Clayborne Bailey and family at Justell were destroyed Friday night by fire of unknown origin. Damage was said to have been heavy.

The blaze started in a five-room structure occupied by Mr. Bailey's sons and was discovered by a neighbor who aroused the sleeping family. Nothing was saved from the first building. Some of the household effects were removed from the nearby residence occupied by other members of the family but both buildings burned to the ground.
