announces the appointment of

R. C. Barnett

Box 371—MARTIN, KY.

Special Agent

Do you have a life insurance policy on yourself, wife, son or daughter? He can provide you with this protection.

HOW'LL YOU HAVE YOUR EGGS?

This weather-beaten trouble-shooter isn't worrying about your eggs—or whether you want 'em soft boiled, fried, or scrambled.

But he's worrying about keeping your electric service flowing along as usual. If that means eggs for your breakfast, okay then, that's why he's up on a storm-lashed power pole.

And, he'll stay there till he gets your line repaired—in spite of hot wires sputtering around him. In spite of rain... lightning... thunder... and a high wind howling, "Watch out, fella, we're gonna hit it again!"

You don't have to send him a check for his trouble. You won't pay any more on your electric bill—to cover his hard, wet work and the materials he uses. Chances are you'll never even know a line went out.

This kind of service is routine stuff for the trouble-shooter and the electric company he works for. Storms—the repairs and cost—are all prepared for and handled in a businesslike way. But it isn't an easy job. Keeping your electric service dependable and cheap is the result of careful planning and sound business management.

ANNOUNCE WEDDING

Mr. and Mrs. Jim Manuel, of Mantion, announce the marriage of their daughter, Marjorie, to Mr. Walter England, on May 11 at the home of Mr. and Mrs. Ollie May. The ceremony was performed by the Rev. W. O. Clark in the presence of the May family and the bride's father and sister. The bride wore a gray dress with black accessories. The groom is a son of Sam and Nancy England. The couple will reside temporarily with the bride's parents.

Miss Sellars, Mr. Hall Are Wed on June 5th

Betsy Layne, Ky., June 10 (Sp.)—The impressive double ring wedding ceremony of Miss Aileen Sellars of Banner, to Mr. Walter Hall was witnessed June 5, at 2:30 p.m., by a number of relatives and friends at the home of the groom's parents, Mr. and Mrs. Richard Hall. The ceremony was performed by the Rev. Isaac Stratton using a beautifully decorated archway serving as an altar. Mrs. Arthur Howard sang "I Love You Truly" and "Aloes," after which the bride marched down the stairway to Lohengrin's Wedding March, played by Miss Betty Lou Hall, sister of the groom. The bride was attired in a blue dress with white accessories and she wore a corsage of white carnations. She was accompanied by the maid-of-honor, Miss Anna Ruth Layne, who wore a corsage of irises and carnations. The groom entered from another room, accompanied by the best man, Mr. Shelbert Maynard, of Pikeville, Ky. Immediately following the ceremony the guests assembled in the dining room while the bride cut the four-tiered wedding cake and served it with ice cream and punch from a centerpiece of snapdragons, irises and carnations and a miniature bride and groom. The wedding gifts were then opened and admired and the happy couple departed for an extended trip to Southern points. Upon their return they will be at home to their friends in their new home one mile north of Betsy Layne.

Five liters of hogs have been entered in the ton-litter contest in Livingston county.

VOTE FOR CHARLES F. TRIVETTE REPUBLICAN CANDIDATE FOR CONGRESS SEVENTH DISTRICT

A. R. Venters, prominent Republican, Pikeville, Kentucky, says: "Chandler's Registration and Purgation Law has been a complete joke" and "Has resulted in a form of disfranchisement for many thousands of Republicans."

Dear Charles: I want to congratulate both you and Governor Willis for your outstanding work in the Republican Party. You have cleared the way for honesty in elections by your fighting through to adoption and Governor Willis' wisdom in signing your new Registration and Purgation Law.

Many sections of Pike County are more than fifty miles from the Clerk's Office in Pikeville, and with the recent scarcity of job holders in Kentucky who are to be getting out of the voters for that one, and only one, Registration Day at the present time the Registration had been bitterly whipped for a few years and they, more or less, let the day go without doing an equal job along beside their Democratic neighbors.

Chandler's Purgation Law has been a complete joke. The dead of 10 years are still registered to vote in Kentucky, and all those who have moved to some other precinct, county or state still have a registration card in the old home precinct.

And so, it took a boy from the hills to go down in the Valley at Frankfort and draw up and introduce bills which would allow the people to Register right at the home precinct at every Primary Election Day. And, it took you, again, to write also law requiring the Judges of the Primary Election in every precinct to certify the registration cards to be removed by the County Election Commissioners.

You have performed your task well; you have brought honor to yourself and to our part of Kentucky and Pike Counties are proud of you.

CHARLES F. TRIVETTE, Republican State Senator of Pike County, believing wholeheartedly in the Republican Party, as the one and only one force which can bring Order and common-sense to this nation, our country and the World out of a chaotic condition of strife and deadlock, and the people of the Seventh Congressional District of Kentucky to work for his Nomination and Election to Congress.

Trivette has made a good State Senator and is an experienced legislator who works hard and believes that he will win. Mr. Venters' letter about the New Registration and Purgation Laws which he sponsored proves that he plans ahead. We respectfully ask you to lend your influence and support toward his Nomination and Election to Congress. —COMMITTEE FOR CHARLES F. TRIVETTE FOR CONGRESS (Pd. Pat. Adv.)

TIMES WANT ADS PAY

TO VIGUS STEELE

Dear Soldier Boy, oh, so far from me! Dear one who fought for all that is right, How I wish that you could be near me! And then listen while I dream tonight.

Oh! If I could but see you, It would still my poor heart of much pain. It's so hard to believe it is true, That I will never see you again.

Your memory lingers with me Like a bright star in the azure blue. I know there'll never be another, For me, Love, there was only you.

Time alone is not healing, The wound that is set in my heart, For many's the time I think of you, dear.

And the time that we had to part, Things might have been so different, If you didn't have to go away.

All the things that we dreamed of, Might have had that front room suite.

With a divan for our bed, Might have had that farm in Kentucky.

With nice horses in the field, Might have had that flower garden, With a lovely cornucopia.

But things will be different from now on, At the table is a vacant place, Your smile no longer greets us, From that cheery, mischievous face.

Dear Soldier Boy, oh, so far from me! Dear one who fought for all that is right, How I wish that you could see, Silver dew on the bluegrass tonight.
