Cadets Split First Two Contests of Season

The Cadets, an independent Prestonburg basketball team composed of veterans, opened their basketball season last week with a win and a loss.

Thursday night, they defeated Van Lear, 30-25, in a game which was nip-and-tuck all the way and in which the outcome was in doubt until the last few minutes of play.

Friday the Cadets traveled to Salversville where they suffered a 29-15 defeat at the hands of a more experienced team. Superior height and a tight zone defense won for Salversville.

Members of the Cadet team are James Melton, Robert Crain, Joe P. Tackett, Jr., "Tenny" Tackett, Dal Sammons, Denver Sammons, Luke Vaughan, Freddie James and Adrian Blackburn.

Any team interested in playing the Cadets should contact Edmond H. Tackett, Prestonburg.

BECOMES BRIDE NOVEMBER 6

Miss Ella Vivian Caudill, daughter of Mrs. John W. Caudill and the late Judge Caudill, of Prestonsburg, became the bride of Mr. and Mrs. George Lee Shannon, son of Mr. and Mrs. George Shannon, of Catlettsburg, Ky., on November 6 at the home of the bride.

The nuptial music was rendered by Miss Eloise Williams and Miss Judith M. Davidson, of Prestonsburg.

The bride given in marriage by her brother-in-law, Dr. Gene Combs, of Lexington, Ky., wore a street-length dress of winter white wool with small hat of matching net. She carried a white prayer book topped with a large orchid.

Mrs. Gene N. Combs, sister of the bride, was matron of honor and Miss Alice Gray Burke, of Prestonsburg, served as bridesmaid. They wore identical dresses of green and

gold wool with matching hats and short white gloves, carrying arm bouquets of bronze chrysanthemums.

Mr. Don V. Bodenheimer served as best man. Little Barbara Ann Carter was flower girl and Master James Carter was ring-bearer.

Mrs. Caudill, mother of the bride, was dressed in an equestrian suit with a shoulder corsage or red roses.

A reception was held at the bride's home, after which the couple left for a short wedding trip. They will reside in Prestonsburg.

Mrs. Shannon is a graduate of Prestonsburg high school and attended Murray State Teachers College. She was employed at the First National Bank in Prestonsburg.

Carl Ford, of Beria, was here this week visiting his mother, Mrs. Grace D. Ford.

Duncan is out of the dog-house!

MRS. DUNCAN has just finished her Fall housecleaning, and Duncan is welcome in his own home again. Curtains, crisply ironed, hang at the windows. Rugs are bright and clean. Blankets, sweetened by sun and suds, lol contentedly on the beds. Everything's fresh and shining. Mrs. Duncan is tired, but happy. Mr. Duncan is happier. The dog is happiest of all.

Once housecleaning was the housewife's horror. Now, with modern electric gadgets, the semi-annual cyclone is finished in half the time, with half the effort.

And not only housecleaning—but all household chores—are easier, simpler, when electricity lends a willing hand. This versatile servant cooks, cleans, washes and irons, brightens the home, guards health, scoops entertainment from the very air—and all for the cost of a bar of soap daily.

This greatest of household bargains comes to you through the practical experience of your friends and neighbors in this company, under sound business management.

How to Handle a Fortune

Some months ago I reported in the *Clarion* how Mel Bates' uncle died on north, and left him with a tidy fortune.

Naturally, our town was curious to see how Mel would spend it. Traveling around the world... getting a new house or car... wearing fancy clothes... or dining on cold pheasant and champagne...

We can now report, Mel hasn't changed a bit! Drop in on him any night, and you'll find him in his shirt sleeves by the fire, chatting with the Misses, sharing a mellow glass of beer with friends.

From where I sit, Mel has learned the art of handling money—as well as handling people. You don't let cash-in-the-bank push you around any more than you let people push you around. If you like the simple, honey-sweet companionship and quiet ways; a glass of beer and friendly talk—that's worth a fortune, after all!

**Middle Creek Woman
Newborn Babe Die**

Phoebe Stone Shepherd, 37 years old, wife of Henry Shepherd, of David, died last Thursday and she and her newborn babe were buried in the family cemetery at Goodloe.

Surviving, besides her husband, are four sons and three daughters, all of David. Funeral rites were conducted by the Rev. Alex Stephens and burial was directed by the Arnold Funeral Home.

TO THE PUBLIC:

As Christmas approaches, one naturally thinks of their neighbors and wonders particularly about families that have had sickness.

A neighbor of mine, Theodore Holtz, has been sick for months and is still in poor health and unable to work. There is nobody to help in the family except his wife who works every day. They have two children.

I hope the people of Prestonsburg and vicinity, at least, will feel like helping this family through Christmas.

ROSE FREEMAN

going over from the 3 and Garber scoring from the 35 on a pass from Tackett. After that the Cat reserves went in to hold Fleming at bay.

Features of the game were Porter's passing and kicking, Tackett's punt returns, the driving of Hall and Farnin through the Fleming line and the defensive work of Stratton, Woods and Burchett in the line.

Saturday afternoon, Prestonsburg plays Beltry here. Early in the season, the Cats defeated the Pirates there, 12-0, but it was a costly victory, with "Set" Branham suffering a broken leg and being shelved for the season.

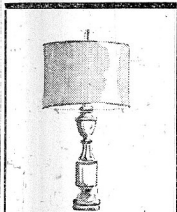

The Prestonsburg line-up in the Fleming game:

Burchett, I. E.; Vauhan, I. T.; Woods, I. G.; Crain, C.; Stratton, R.; Pradley, R. L.; Weidington, P. E.; Hall, C. B.; Porter and Mayo; H. B.; Tackett, G. E. Substitutions — Fannin, Stanley, Garber, Lemaster, P. Harmon, B. Harmon, Cratt, Boll, Goble, Collins.

(Continued From Page One)

William B. Ardery said his decision in the case "will be rendered before November 15. Of course the case can't be cleared before the Court of Appeals at that time."

Willis said he had been advised by federal employment service officials that these would be the results of the "do nothing until the courts decide" action:

1. No unemployment benefits can be paid any industrial employees because the law requires that their claims first be cleared through public employment offices. The public offices would be temporarily non-existent until the Court of Appeals finally construes the new act.
2. No employment benefits can be paid to veterans since title 5 of the G. I. Bill of Rights also requires veterans' claims be cleared by public employment offices.

However, Dr. H. A. Bab, director of K. C. C. C., said "Willis' decision would have no effect on the activities of the compensation commission."

"If the activities of the employment service come to an absolute standstill Nov. 15, it will not affect in any way the Kentucky Unemployment Compensation Commission in the matter of taking unemployed claims and paying unemployment benefits to both veterans and unemployed workers," he declared.

Dr. Bab said his commission: must recently to study the situation, and "I am certain I know whereof I speak. It would not hinder taking of claims or payment of benefits."

"We anticipated such a condition and we already have worked out a procedure to take care of this emergency," Dr. Bab said. "Our program will continue, regardless if nothing is done."

J. K. Johnson, Cleveland, regional director of U. S. S., who attended the conference in Willis' office, explained that the federal government will have no employment service employees in Kentucky after November 15.

Johnson was of the opinion the federal government expected the state to apply again for participation in federal funds to carry on the federal-state unemployment program. In order to do this, he said, the state must show:

1. That its plan of operation conforms to provisions of the Wagner-Peyser Act.
2. That all personnel now employed in Kentucky by U. S. S. are transferred to the state employment service and given a chance to qualify under Kentucky's new system to retain their jobs.

**FHA Committee Meets
At Paintsville Nov. 6**

The Farmers Home Administration county committees for the six counties of this area met in Paintsville Nov. 6 for study of the newly inaugurated FHA program which has replaced the Farm Security Administration and the Emergency Crop and Feed Loan Section of the Farm Credit Administration. The group discussed ways and means of helping low-income farmers who need government credit for financing farms and farm operating needs.

Floyd county at present has only one committeeman, Dick Clark, of Cliff, but two more will be appointed this month.

THANKS!

... and we really mean a great big thanks to all our customers who are so patiently waiting for the tire that **OUTWEARS PREWAR TIRES!**

When users say how much they like the new B. F. Goodrich Silvertown tire, we swell with pride. But when more and more of our customers say, "Even if it takes a while, we'll wait . . ." we figure they know, as we do, this new tire has something worth waiting for. Somewhere—somebody—has tipped them off.

You'll Be Glad You Waited for the **Extra Long Mileage** of the New

B. F. Goodrich Silvertown

Before we sold a single new Silvertown, taxis, state police and special test cars had learned the longer mileage secret of these new passenger car tires. Actual tests proved they *outwear prewar tires*. Today, users all over the country know this secret, too. They know it gives longer mileage, because it has a wider, flatter tread that puts more rubber on the road . . . more rubber to spread the wear . . . more rubber to stop you quicker.

That's why, if you're looking for today's biggest money's worth in tires . . . you, too, will find it worth your while to wait a little longer for the tire that **OUTWEARS PREWAR TIRES.**
