This Town... That World

A headline in Wednesday morning's paper says "Our town is not at all important," and the item explains that this fellow fell off a boat. What about all these guys who fell off the wagon?

THE QUESTION
Dr. Robert M. Hutchins, president of Chicago University, is a proponent of modern Methodists is quite possible through adoption of atomic power to medical purposes. Scientists call this new idea "radioactive" and would be, were the force applied to industrial purposes.

The question now before the house is—shall atomic power be used as a force for peace or for blowing the world to pieces?

7 OF FAMILY OF NINE DIE IN OHIO FIRE
Parents, 5 Children, Formerly from This Section, Are Victims
Lives of seven of the nine members of a family formerly of this section were lost in a fire after midnight Saturday at Greenview, O. when their second-floor apartment was gutted by flames.

When news came of the flames under control five persons already were dead: Mrs. Stella May Rice, 45, and her children, Donald, 16, Martha, 14, Robert, 14, and Roy, 4. Her husband, Warren Rice, 46, died at noon Sunday in a Willard, Ohio, hospital, and shortly afterwards their six-year-old son, Joe, succumbed.

The Rice's eldest son, Dewey, 21, and Everett Lee Ratliff, 25, Mrs. Rice's son of a previous marriage, escaped. They slept in a room removed from the kitchen where an undetermined explosion is said to have started the fire.

Scene of the blaze was an apartment over a store room which had been converted into a church. The church was quickly cut off by flames and the husband was found with his son Joe, in his arms, attempting to crawl down a Hamstead alleyway.

Mrs. Rice was a daughter of the late Sherman May, former Prestonburg merchant, and of Mrs. Martha May, of Lucasville, O. She was a member of the United Baptist Church and at Greenview was active in the church and Sunday school work.

Garrett Homecoming Game Won by Hosts Over Wayland Five

Garrett Ky., Dec. 9 (Sp.)—The Garrett Black Devils turned out to defeat the 15th regional champs, the Wayland Wasps, here Saturday night before a capacity homecoming crowd.

The game was dominated by the pressing defense displayed by both teams. The Wasps won the entire first quarter without scoring a field goal, and Garrett did little better with only one. The score was 43-10 with Wayland on top. Half-time saw the Black Devils leading.

Gene Mullins, guard, dominated offensive play, sparking the Devils by netting 19 points. In three on defense, however, was Clarence "Nuts" Moore who held the Wasps' high-scoring Fletcher to five points. The half-time period saw demonstrations by Garrett band and its majorettes, with Dewey Duff, Garrett Black Devil captain, presenting a cascade of flowers to the Homecoming queen, Maureen Pack.

During the last half of the game Garrett steadily kept the lead. With three minutes of lay remaining, a technical foul called against Garrett gave the Wasps a chance to capitalize on free shooting which whittled Garrett's lead of eight points down to two. But the Devils were not to be outdone and, with seconds remaining, Mullins enlivened the game with a crisp workout in by the teamwork of Moore.

The "D" team was not as unfortunate as the "A" team as Wayland won the only game Garrett's "B" team has lost.

Inez Spurts Ahead Of Garrett, 56 to 38, In Concluding Frame

Garrett, Ky., Dec. 10 (Sp.)—The Garrett Black Devils went to Inez Tuesday night, only to return defeated by a score of 56 to 38.

Opening of the first half saw Inez jump off to an 8-0 lead. Then the Garrett boys began showing their heels to Inez and when half-time arrived the Black Devils held a one-point margin over the favored Indians, with the count being 28-22.

Sparked by Dewey Duff and Gene Mullins, Garrett evenly matched the Indians during the first three quarters, but the final quarter saw the Indians begin connecting with their shots. The fourth quarter began with Inez only seven points in front, but they soon stretched their lead to 18 and the end of a thrilling game. The Indians made good on only 10 of their 20 free throws, while the Black Devils hit eight of 14.

High scoring heroes went to Capt. Dewey Duff, of the Black Devils, with 17 points. However, he was closely followed by Staton of the Indians, who garnered 14.

The Garrett "B" team was victorious in their struggle with the favorites of Inez. The score was 56-28. This game ran the "B" team's record to nine wins against one defeat handed them by Wayland.

Boy Scouts' Good Deed Brightens Thanksgiving For Middle-Cr. Family

David, Ky., Dec. 8 (Sp.)—The test of a good Scout is his willingness to do a good turn for another. Daniel Boone Troop, Boy Scouts, of David, agreed.

So the troop did one good turn as its good deed on Thanksgiving; then followed this up by practicing the doctrine that one good turn deserves another, the Rev. J. E. Durham, Scoutmaster, reports.

Thanksgiving morning, the boys visited home in David and soon collected a complete Thanksgiving dinner—chicken and dumplings, other cooked foods, fruits and vegetables—and this they delivered to a poor family of seven on the head of Buckeye fork of Middle Creek, with Wade Moore taking the troop as far up the creek as possible in his truck.

While at the home the Scouts noted the poor condition of the house. Back in David, they got busy and Ashland Shepherd donated the lumber and use of his truck. The lumber was hauled as near the house as possible—a distance of approximately half a mile. From that point the Scouts carried the lumber on to the house last Saturday morning.

With the material on the ground, and with Dow Webb assisting them, the boys not only repaired the house but made a new door.

OF INTEREST TO VETERANS

Veterans selling property purchased with G.I. loans should obtain releases from personal liability as protection against defaulted payments by the new owners. Veterans Administration said this week.

VA Branch Office in Columbus, O., pointed out that a veteran remains personally liable for repayment of a loan after selling his property if the new owner fails to keep up with the payments. The veteran may have to pay part of the debt defaulted by the new owner if the property is sold for less than the unpaid balance of the loan.

Veterans should obtain releases from personal liability on their G.I. loans by express agreement with the buyers upon selling or transferring the property.

VA officials cautioned veterans to beware of deals in which they are offered hazardous fees if they will use their G.I. loan guarantee to purchase property for other persons. In these cases, also, the veteran is liable for the amount of the loan if the ultimate buyer defaults in his payments.

Veterans Administration said recently in answer to several inquiries that there is no provision in the G.I. Bill (Public Law 24) which prohibits VA to make loans or advance substance payments to veterans engaged in educational or training programs.

Under Public Law 16, which is the Vocational Rehabilitation Act for disabled veterans, a \$150,000 revolving fund has been provided to make advances not exceeding \$100 to disabled veterans who are entering training. The amount must be repaid to VA in installments.

QUESTIONS AND ANSWERS

Q. I would like to change the beneficiary of my G.I. insurance policy without letting the old beneficiary know about it. Can I do that?

A. Yes, a veteran may change the beneficiaries of his G.I. insurance at any time without their knowledge or consent.

Q. Will VA guarantee a loan for an automobile house trailer?

A. No, unless used as a necessary part of a business.

Q. May I be furnished a wheelchair by VA?

A. VA will furnish you a wheelchair if you have a service-connected disability requiring the use of a wheelchair, or if a wheelchair is required at your home upon your discharge from a period of hospital treatment or domiciliary care.

Q. I am an ex-WAC with an honorable discharge and contemplating the marriage to a non-veteran. Will the rights to benefits under the G.I. Bill be affected?

Kentucky Ag Bulletin Proposes Forest Acres Increase for East Ky.

Forested acres would increase from 69 to 96 per cent of all land in sections of Eastern Kentucky replicated by the Cadesco area in Breathitt county, if improvements in land use were to be completed, according to a survey by the Kentucky Agricultural Experiment Station reported in bulletin No. 507. On the other hand, if the present practices of subsistence agriculture were intensified, forested acreage might decline to as low as 17 per cent.

If progress in land-use improvement were completed, only 42 acres in every 100 acres would be cleared. With a continuation of subsistence practices and further large forest in population, clearing might extend to 83 in every 100 acres. The system of increasing forest acreage would maintain families at a just cash income of \$1,563 per family, but the subsistence system would yield only \$280 per family. Hence, the survey shows, an increase of 38 per cent over the 1948 forest area would be recommended by a decline of about 65 per cent from the population in 1948, but income per family would be more than five times as large as in a system of intensified subsistence.

The survey presents in this manner the two extreme possibilities for changed land use and economic conditions in the farm and forest areas in Eastern Kentucky.

Five from County On College Quint As Season Opens

A crowd of 1,000 spectators watched as the Pikesville College Bears ran over Kentucky Christian, 31-29, and the Academy Cubs took Virginia, 54-44, at the opening of the colleges' new annual football season today night.

Bernett Terry, Sr. of Shelby, was high scorer for the Bears with 10 points. Five boys from Floyd county saw action in the game: Bob E. Epp, son of Mr. and Mrs. Barter Epp; Martin James Cantor, son of Mr. and Mrs. Ray Cantor; Lawrence Jack Smith, son of Mr. and Mrs. Clark S. Smith; Martin Jack Wells, son of Mr. and Mrs. James E. Wells; and Angus and James Brooks, son of Mr. and Mrs. Ora Brooks, Berry Lane.

Two of the college cheerleaders, elected by the student body last week, are from Floyd county: Betty Evans, daughter of Mr. and Mrs. Dick Davis, Prestonsburg; and Homer Baldridge, son of Mr. and Mrs. Nelson Baldridge, East Point.

The next college home game is with Bluefield Thursday night (this week), and then the team takes to the road to meet Campbellsville Friday night and Lindsey-Wilson on Saturday night.
