# GREETINGS

The last notes of the carols fade with the Old Year . . . and are lost in the swelling song of life that is the new. The past year has been one full of work for us all; 1947, for all its trials, was good to most of us.

We join you in looking forward to 1948 — and for each of you wish a New Year bright with hope . . . a year rich in health and prosperity for you, our friends.

**Floyd County Man Praises Willard's Tablets**

Bonanza, Kentucky  
Willard Tablet Company  
Chicago 2, Illinois

Dear Sirs:

I have been a stomach sufferer for many years and have tried most everything I could hear of, but only got temporary relief for a little while.

I have been distressed with a gastric stomach for 20 years. My symptoms were in the fall after a bottle of Willard's Tablets to try and it did me much good. My son purchased two 23-day treatments of Willard's Tablets for me and I have taken them. My stomach hasn't been so distressed since.

I think Willard's Tablets are okay. I wouldn't take anything for the relief they have given me and would be glad to recommend them to anyone suffering from stomach distress.

Respectfully,  
Sincerely, Mr. TURNER PRATER  
Treatment purchased from:  
W. F. Hughes & Co.,  
Prestonsburg, Ky.

**This is your day! Set the time; see the car you've been told was years away!**

A style-setting beauty, with a sparkling and massive front grille. A car that is only five feet high, and with the lowest center of gravity you've ever known, but with a new, all steel Monobilt body-and-frame that gives you more inside head-room than any other car built today.

A car with the roomiest seats ever built into any American-made automobile.

A car you step down into when entering, not up on — yet a car that maintains road clearance! A car that reaches you not only between axles, but ahead of the rear wheels.

All of this is made possible by a basic new development in motor car design—Hudson's Monobilt body-and-frame, shown in phantom view and described to the right.

The Hudson dealers listed here are ready with information about Hudson's all-new Super-Six engine — the most powerful six built today — and Hudson's masterful Super Eight. They will tell you about Hudson's exclusive Drive-Master — no clutch pushing, no gear shifting in forward speeds.

See Hudson's gorgeously upholstered interiors, with chrome handles and hardware recessed into side panels, out of the way. Examine all of Hudson's new beauty, comfort and convenience features, including a new type of low-pressure, Super-Cushion tie that mounts on a new, wide safety rim. See how Hudson's wide, curved windshield and rear window give added vision all around.

Get a good look at this new kind of car — a type of automobile no one else in the world is prepared to build today! It's something to see — the nearest Hudson dealer will show it to you now!

**A CAR YOU RIDE IN... NOT ON!**

Hudson is the only motor car that completely encloses you, even outside the rear wheels, with a rigid boxed-in foundation frame. You ride within this new construction, instead of on top of it as in other cars. And every unit of Hudson's new, all steel Monobilt body-and-frame is welded into one solid structure that provides unusual rigidity and stability.

One of the most tragic events to take place in Martin was the death of Mr. and Mrs. Hugh Nowick, Rob Flueber and son by their execution here Saturday. The whole town was stunned by it. Had it not been for the thoughtfulness of Everett Clark, more members of the family would have been killed. Every one grieves with this bereaved family.

**IN MEMORIAM**

In memory of my niece, Mary Lou Fannin, who died Dec. 25, 1945, aged 13 years:

My precious niece came, and we all loved her so;

A few short years she stayed, and God called her away;

How we love her precious memory! Broken is our sister's family;

She will never cease to grieve for the only girl God gave her.

She had a smile for every one, and was beloved by all.

But God loved her best of all. Her cheerful way and smiling face we often dream we see,

This dream will one day come true, when the sorrows of life have fled.

We will meet in heaven, where no farewells are said.

Her aunt,

EFFIE STRUNK

I am 43 years of age.

You are invited to inquire of me through the people of Floyd and Knott counties.
