The Prestonshurg City Council Monday night took its first step to ward its antonuced plan of revising tax assessments upward here with the appointment of an assessor. Cityde Spurlock was named to that post. Meanwhile, the Council is looking about for three Prestonshur residents to do the tough job of equalizing assessments after Spurlock completes his work.

Up to 60 packages of frozen foods—a whole bushel basketful—fit easily into the big Frozen Food Locker of the 1918 Servel Gas Refrigerator. And that's only one of Servel's new conveniences. For fresh foods, there's moist cold and dry cold to keep vegetables crisp, fruits appetizing, meat tender. There's extra roominess, too,

for clear-across shelves adjust to eleven different positions. Famous for silence, the Servel Gas Refrigerator is basically different from all others. It has no moving parts in its freezing system. Instead, a tiny gas flame does all the work. That's why, as more than 2,000,000 owners know, Servel stays silent, lasts longer. New 1948 Servels are now on display.

SEE YOUR BUICK DEALER REGULARLY FOR LUBRICARE

wonder you grin! There's that zoom again - that go -that flashing spirit that you know is built in Buicks. There's that split-second answer to your call for power, the feather-light response to your finger that makes your two ton honey handle like a baby buggy.

This is what happens when a Buick is cared for by men who know Fulcks best – men who know the height of spirit a Buick can reach and how to bring it out.

Buick men have a way with Buicks no one cleave a way with Burcks no one clea can have. That's only natural. Whatever they do, they do as the designers and builders of Buick say it should be done. They use Buick-approved checks and tools. And when time and miles finally take their toll in wear, they have right at hand a stock of Buickengineered replacement parts.

Wheel in and they'll sweeten your engine to bring out all its surge and go. They'll steady your car's easy gait and make steering lim-ber. They'll even take out your worn engine and give you new-car zing and power with a factory-fresh Fireball.

See for yourself. Bring your ear in and get real, understanding Buick ear care. You can't buy it anywhere else — and job for job it doesn't cost you a penny more.
