The most downright dependable car you ever drove!

A quarter-million KAISER and FRAZER owners have pretty much the same story to tell about their cars: rugged, day-in-day-out, downright all-round dependability. Because the KAISER and the FRAZER are the only new cars built since the war that have been road-proved dependable in over 2-billion miles of owner driving, under all conditions, in all parts of the country. So if you want to know the truth, ask those who know best—the man or woman behind the wheel of a KAISER or a FRAZER. They are our best salesmen.

move quickly to Floyd or Martin and Clark to Johnson or Lawrence if the high court upholds his decision, Arbery indicated.

In arguments before him on the issue, Arbery was told that the "reasonable time" elements of the act were amendments offered by enemies of the bill and were designed to make it unconstitutional.

Arbery said the court has the right to inspect the legal effect of amendments in cases where their unconstitutionality is designed to destroy the purpose of bills or nullify the intention of the legislation. The Constitution requires court officers to live in the districts in which they perform their official duties.

The act, if upheld by the high court, would enable Governor Clement to appoint a Circuit Judge and Commonwealth's Attorney for the proposed 39th district.

During the recent legislative session, assemblymen indicated Ervine Turner, Jackson, would be appointed the Circuit Judge. Turner was in Franklin circuit court Tuesday morning when Judge Arbery arrived with the decision. Turner served as chief clerk of the Senate during the 1946 session.

What's wrong with this pitcher?

The pitcher is the umpire, too. He'll call his own pitches—and what kind of a ball game will that be?

We have the same situation in our business, Government—which regulates the electric companies—is in competition with them!

The electric companies recognize their public obligation to supply continuous and dependable service. They have provided America with the most and the best electric service in the world.

Yet today government sets up politically managed electric agencies, and runs them by a different set of rules. They receive subsidies, pay little or no interest on money they borrow, pay no Federal taxes.

If it can sell electricity on this basis, government can sell anything else the same way!

We believe that the people who work in our companies, as well as the people who have invested their savings in them, deserve the same protection from political attack that most other people still enjoy. Since the umpire calls the pitches, should he play, too? It is to your benefit to know the facts about your electric service, and to ours to have you know them. That's why this advertisement is published.

Wheelwright Miner Heart Victim at 62

Hubert Fleming, 62 years old, retired miner, succumbed Friday at his home at Wheelwright, a victim of heart disease from which he had suffered for the last three months.

A son of the late Sol and Sarah Mullins Fleming, he was a native of Dickinson county, Va., and had resided at Wheelwright for the last six years. He was a member of the Free-will Baptist Church.

Surviving are his widow, Mrs. Beatie Fleming, four sons and five daughters: George Fleming, Dunham, Ky.; Nathan Fleming, Wheelwright; James and Prudence Fleming, both of Melvin; Mrs. Doris Fleming, Kingsport, Tenn.; Miss Anna Lois Fleming and Mrs. Dollie Perky, both of Melvin; Mrs. Leona Wooten, of Bellier; and Mrs. Juanita Thacker, of Millard. Five brothers and one sister also survive.

The body was taken Monday to Clintwood, Va., for burial in the Mullintown cemetery, the Call Funeral Home directing.

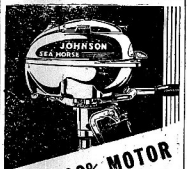

HONORS DAUGHTER

Mrs. John G. Archer honored her daughter, Jacqueline Hensley, with a party on her 12th birthday anniversary Friday night. The birthday girl was the recipient of many gifts which she acknowledged with gratitude. Games were played, but the highlight of the evening was the hour of music on the lawn provided by Dr. Archer with his new sound projector. Mrs. Archer was assisted by Miss Betty Archer, of Fishing, N.Y., in serving refreshments to the following: Jacqueline Hensley, Julia Mayo, Patricia Peffer, Linda Sue Stephens, Mary Jo Stavel, Margaret Ann Collins, Martha Frances Archer, Barbara Layne Fitzpatrick, Gabriel Wallace, Harry Hale Ranier, Thomas Thompson, Jr., Johnny Corbin, Joseph Rogers, Freddie May, Stuart Stephens, Woodrow Burchett, Jr., Bucky Burchett and John Ellis Branham.

ENTERTAINS TO BRIDGE

Mrs. E. P. Arnold and Mrs. C. L. Hutsinger were co-hostesses Friday evening at 8 o'clock at the home of Mrs. Arnold on Second avenue. Twelve tables were in play until 10:30 when a salad course was served to Mesdames J. R. Eitz, W. C. Rimmer, W. H. Jones, E. R. Burke, O. T. Stephens, Osa F. Ligon, John R. Clarke, J. W. WAYLAND

Mrs. Arthur Hayward and Mrs. "Greasy" Hughes gave a stock shower for Mrs. Brady Caudill. A number of guests were invited. Games were played and refreshments were served.

Wayland's first night baseball game was played Saturday, with Westbury. We are proud of our lighted ball park and are grateful to the Lions Club which was responsible for financing the project.

Members of the Lions Club and their wives who attended the Lions banquet at Prestonsburg were Mr. and Mrs. Frank Harmon, Mr. and Mrs. Willard Castle, Mr. and Mrs. Roy Souleyrette, Mr. and Mrs. Ralph Wright, Mr. and Mrs. Herman Harmon, Hassell Craft, Mrs. Crit Wells, Mr. and Mrs. George Evans.

Mr. and Mrs. W. E. Parker have just returned from a trip to Chattanooga, Tenn., and Dawson Springs, Miss. Mrs. Adella Pleasant, Mr. Parker's niece, of Chattanooga, returned with them.

The Lackey-Garrett Woman's Club was entertained by Mrs. Earl Castle, of Estill Heights. Out-of-town guest was Mrs. Castle's sister, Mrs. W. N. Stratton, a former resident of Wayland.

Dr. T. B. Ashley, of Pikeville, delivered the sermon in the Methodist Church here last Sunday. Mrs. Ashley accompanied Dr. Ashley.

Mr. and Mrs. H. Fuller had as their week-end guest Mrs. Fuller's brother, I. J. Francis, of Hazard.

Mr. and Mrs. Johnny Wallace and children, Mr. and Mrs. Roy Souleyrette and children, Mrs. Mary Martin and daughter were on a picnic Sunday.

Mr. and Mrs. Johnny Evans and daughters, of Detroit, have been visiting Mrs. Evans' parents, Mr. and Mrs. George Gager, last week.

Mr. and Mrs. Jack Bratham were business visitors in Pikeville this week-end.

Mrs. Willard Scruggs' parents, Mr. and Mrs. Tom Kane, surprised her with a dinner, honoring her on her birthday. Those present were Mrs. Floyd Copley and family, Mr. and Mrs. Fred Wolfe and daughter, Nancy Ed Copley and Jimmy, who is at home. Also present was Mrs. Scruggs' husband.

Mr. and Mrs. Homer Hall are the parents of a daughter who has been named Linda Sue.

Mrs. Lida Figmar and daughter, Irene, have returned from a visit with Mr. Pigman who is in a Louisville hospital. Mrs. Pigman says the doctors report some improvement. Mrs. Tamus Bowling, the former Pauline Pigman, returned with Mrs. Figman.

Mr. and Mrs. John Fleming have been visiting Mr. and Mrs. Irvin Mullins and Mr. and Mrs. Ray Gibson. Mrs. Fleming is a sister of Mrs. Mullins and Mrs. Gibson. Mr. Fleming returned to Fort Jackson this week. O. W. Mullins, Irvin Mullins' father, is spending the week here.

go with an Army job in Japan!

How times have changed. Three years ago, when our first victorious combat men left Japan, much of it was a shambles. The Japanese people were so dazed by defeat they didn't know which way to turn. The life of an Army man often had its discomforts. But look at him today! He's helped to start the rebuilding of Japan, to restore roads and railroads, to inspire a tired and hungry people with the hope of Democracy. Under his guiding hand, courts of justice, woman suffrage and freedom of worship have been brought about. In Japan there is only one soldier for every 400 Japanese—the smallest per capita occupation army in the world.

The pay of a Private is 50% higher than three years ago, then another 20% higher overseas. And almost every cent can be banked. None of it goes for food, housing, medical or dental care, clothing, retirement annuity, or the opportunity to continue his education. The Army furnishes him equipment for organized sports. While on leave, he can ski in winter or visit summer resorts at a fraction of what these activities would cost him in the U. S.

An Army career in Japan is full of advantages such as these. Compare it with any job across the board—you'll find it hard to beat! Ask at your nearest Army and Air Force Recruiting Station for full details.

Burchett-Fitzpatrick Vows Said, August 14

Announcement is made of the marriage of Miss Dortha Alice Burchett, daughter of Mrs. Nora Burchett, Friend street, Prestonsburg, to Mr. Sam H. Fitzpatrick, son of Mr. and Mrs. Penn Fitzpatrick, of the Middle Creek road.

The double ring ceremony was solemnized by the Rev. G. D. Prentiss at the Methodist parsonage on August 14, at 7 p.m. The bride was attired in a gray crepe dress with black accessories and a corsage of red roses. Her only jewelry was a string of pearls. Mr. and Mrs. Rando will be made at the gymnasium at the opposite end of the field. Yet another will be accessible to pedestrians via College Lane.

GEARHEART

Mrs. D. L. Little is in the Paintsville hospital, very ill. Her many friends wish her a speedy recovery.

Mrs. Charlie Batten and Mrs. Otto Slinkanup, of New York City, have been visiting friends and relatives here.

Mrs. Earl Dailey, of Milton, W. Va., has been visiting Mr. and Mrs. Roy D. Gearheart.

Mr. and Mrs. A. J. Gearheart attended a Memorial meeting on Caney Creek Sunday.

Mr. and Mrs. Beel Hicks are the parents of a daughter, born Aug. 17 at the Beaver Valley hospital.

Miss Phoebe Hall is visiting here this week.

Mr. and Mrs. Roy D. Gearheart were visiting in Milton and Huntington, W. Va. this week-end.

Lighting and enclosure of the playground is being done at the expense of the Prestonsburg Board of Education. This work will entail a total expenditure of around \$10,000. Nine lights will be installed on top of the eight poles, affording 125,000 watts power. Not only night football but also softball will be possible under the arcs, it was said. A softball league for alumni play may be organized, it was said here this week.

The lighting system work, ahead of schedule, will be finished in time for the first football game of the season with Whitesburg, Sept. 10. Before the field is completely equipped for enjoyment by children of all ages the playground will receive phosphate and lime treatment this fall and will be seeded to grass, it was said.

In addition to the Broadway entrance, another entrance to motor traffic will be made at the gymnasium at the opposite end of the field. Yet another will be accessible to pedestrians via College Lane.

Local Football Picture Is Not Altogether Dark

There definitely were bright spots along with the dark for Coach Ted Berendette as his Prestonsburg Black Cats went into their seventh week of prep work for the grid season which opens here September 10.

Although the lack of reserves on a team south of the Potomac remained apparent, the showing of several holdovers from last year's team and of others playing their first season was definitely encouraging.

With "So" Brantman, a star from last year, the nucleus around which a backfield is being built, Berendette's eyes were opened by the performance of Gene Floyd, "Big" Goodman and young Eddie Hill. "Boys look better every day," the coach said. Goodman, though starting practice only this week, looks to be a factor in the backfield, and Hill, though currently hampered by a sore of both, is improving fast and looks like a starter at quarter.

St. Brantman and Paul Harmon have been named co-captains of the 1948 team.

The Spears brothers from David who have been counted on heavily by the Plainsville Tigers, with whom they played last year, joined the Cats this week and are beginning to round into form. One plays at fullback, the other at guard. Durham, another David boy, looks great and Wheeler Brantman promises to be a power at guard and Nester is looking out in the center position.

On the whole, the team spirit is great. The average number of boys on this week was 36.

The Cats open the season Sept. 10 with Winchester here and for the fourth year have a strong team, it was said.

FISH AND GAME NOTES

The hunting season on doves in Kentucky will open on September 1 and continue through October 30, both dates inclusive, according to federal regulations recently released by the U.S. Fish and Wildlife Service. The bag limit was set at 10 per day, the same as for last year, by the service, with the possession limit being the same as the daily limit. Daily shooting hours for doves were set from noon until sunset.

Other hunting seasons for waterfowl and coot, both dates inclusive as announced by the Service, follows: geese, Dec. 10-Jan. 8; ducks, Dec. 10-Jan. 8; coot, Dec. 10-Jan. 8; Dec. 16-Jan. 8; coot, Dec. 16-Jan. 8; mallards, Sept. 1-Oct. 30; rails and gallinules, Sept. 1-Oct. 30. There is no open season on woodcock and snipe this year.

The bag limits are as follows: Geese 4; ducks, 4; coot, 15; sort, 20, and rails and gallinules, 20. Possession limit on all the above except doves, coot and geese will be double the daily limit, but this bag limit does not apply until after the first day of the regular hunting season, the Service pointed out.

The daily hunting hours for ducks, geese, coot, brant, rails and gallinules shall be from one hour before sunrise to one hour before sunset, the announcement stated, and all hunting hours in Kentucky will be on Central Standard Time. On the first day of the hunting season, it was pointed out, these species shall not be hunted prior to 12 o'clock noon.

The Service regulations provide that not more than one wood duck be included in bag or possession limits. The daily bag limit for American and red-breasted Mergansers is 25 with no possession limit except on the first day of the season.

The regulations do not authorize the taking of waterfowl by means of bait or with the aid of live duck or geese decoys.

The regulation which prohibits the use of automatic-loading or repeating shotguns capable of holding more than three shells still continues in effect. A new amendment this year, however, provides that the plug in such a shotgun must be incapable of being removed without dissembling the gun.

FORMER CAT IS FIREMAN

On Dayton Indians; P'burg Youngster Gives Team Color

This big boy, Howard Burchett, who jumped directly from the Prestonsburg Black Cats, Kentucky high school baseball champs, to the Class A Dayton Indians, a top farm team in the Cleveland Indians, is taking life in faster company in stride.

He not only is doing all right in mound relief chores for the Indians, he is supplying the team with a bit of color, fresh from the hills.

St. Burchett, Dayton News sports editor, tells this anecdote in his column, "S-Sings":

"Howard Burchett came out of the hills of Kentucky after his high school graduation this past June to try out before Hank Greenberg, Mel Barber and a jury of Indian materialists in the Municipal Stadium in Cleveland.

"Young Burchett, given the opportunity of working out and living like a big leaguer for several days, enjoyed every minute of it. Strictly one of the boys, he said to big Jim Hegan, regular catcher on the Indians:

"Come on, SHORTY, let's warm up a bit!"

"Hegan hasn't recovered from the shock yet."

George Belcher, Jr., of Prestonsburg, has recently seen Burchett in three separate relief jobs on the mound and during this time the Prestonsburg boy barked six and two-thirds innings, allowing one run and three hits while fanning three. In one of these games he was sent in with the bases full and none out. One run scored on a wild pitch, then he struck out the batter, forced the next to ground to him and the last man in the inning to pop up to third. He went on to retire the side in order in the ninth.

Belcher said that as of last Thursday Burchett had allowed six hits in 16 innings while striking out 10 batters.

Although at the time Belcher saw him in action Burchett had not had safely a foul shot off his hat, struck a girl in the face and when her boy friend learned her nose was broken he fanned.

Harley-Davidson 125 Hits 10,000 Mark

The ten-thousandth Harley-Davidson Model 125 two-wheeler has just rolled off the assembly line since its introduction last year. Volume sales of the 170-pound single cylinder lightweight are attributed to its universal appeal.

Teen-agers are not the only buyers. School teachers, ministers, airport employees, farmers, fishermen, officials and factory workers are attracted to the brilliant black job which features a foot-operated 3-speed gear shift.

Even the medical profession is represented with a sale reported by a dealer to his doctor while the former was on the operating table.

The company also reports an all-time high for "Big Twin" motorcycle production.

Increased production, requiring floor space in addition to that of the main factory, has necessitated the purchase of a \$1,500,000 plant on the outskirts of Milwaukee. (Adv.)

SPORTS AFIELD

BY TED KESTING

"I am entirely convinced that the color of a lure does make considerable difference on the many days when they're (bass) not striking well!" That is Jason Lucas, well-known authority on bass, talking.

He finds that a red-and-white plug brings best results if it's shallow running water. Silver scale and bronze scale are very good on shallow-running lures. But these are also good in deep fishing. The same might be said of crankbaits.

However, in deeper fishing there doesn't seem to be a rule regarding size, action or color which works consistently. It's a case of trying everything until one finds what he wants at the time.

In the hot weather of midsummer when the best bet of all is to fish the very shallow in quite deep water, Lucas is satisfied with a plain white plug or one mostly white, and one of a dirty brown color.

You'll find that one retrieve is all that is necessary. Let the lure sink clear to the bottom and rest a moment, then sweep it along a little distance, not too rapidly, and let it sink and rest again. Then watch out for the outside granddaddies!

A bass seems to prefer to hide behind weeds, stones, or logs and springs out on passing prey. He usually strikes in the middle or toward the head. For that reason, in bass fishing Lucas removes a spinner placed well ahead of the lure; too many will strike the spinner and miss the hooks.

Contrary to common belief, a bass rarely strikes a plug hard, but generally takes it lightly in his gape. The usual angler works his lure far too rapidly to be aware of this. A slow lure will nearly always get more strikes than a fast one. But there can be no daydreaming. The angler must be wide-awake and ready to set the hook in a flash. This is particularly true in surface fishing.

In surface lure color doesn't seem to matter much. It appears to be the action, the ripples and little splashes that count. But here, as elsewhere, the longer a plug remains within feeding range of a logy bass the more likely he is to take it. It should be moved or twitched occasionally to be sure it isn't alive... something that has fallen on the water and is partly stunned.

David Club Donates To Playground Here, Founds Scholarship

The Pecco Foreman's Club of David voted to give \$100 to the Floyd County Playground here at its meeting held Sunday, and also announced the awarding of a \$100 scholarship to Josephine Bartley, daughter of Mr. and Mrs. Tandy Bartley. Miss Bartley plans to take a secretarial course.

The program for the meeting was the showing of a three-reel picture of Daniel Boone which was part of the Pecco program procured by the Princess Elkhorn Coal Company and donated to the schools in Floyd county. Chalmers Prrazier, superintendent of Prestonsburg schools, was a guest of the meeting and gave explanatory remarks preceding and during the showing of the picture.

A door prize, consisting of a pair of shoes and four pairs of socks, was won by Allen Whitaker. Following the program, the group went to Dick's Cafe where they were served steak dinners.

**VA Spends 50 Millions
Educating and Training
State War II Veterans**

More than 50-million dollars was spent in the state of Kentucky during the past fiscal year to provide education and on-the-job training for veterans of World War II.

This was revealed this week when Veterans Administration Regional Office in Louisville's reported expenditure of \$59,856,771 during the fiscal year ending June 30 for education and training under the Servicemen's Readjustment Act (G.I. Bill) and the Vocational Rehabilitation Act (Public Law 16) for disabled veterans.

VA said the average yearly payment for each veteran's training was approximately \$1,006. Of this figure, approximately \$662 went directly to the veteran in the form of subsistence and \$334 went to the educational institution.

During the 12-month period, the number of veterans in training in Kentucky ranged from a low of 28,029 during the month of August, 1947, to a high of 43,321 in November, 1947.

The number in training during the peak month of November included 33,203 in institutional training and 10,118 in on-the-job training.

**OF INTEREST
TO VETERANS**

Taking advantage of the final month for easy reinstatement of National Service Life Insurance, which ended July 31, approximately 24,000 World War II veterans in Ohio, Michigan and Kentucky reinstated \$144 million for a record-breaking month.

The totals included: Ohio, 12,000 reinstatements totaling \$69 million; Michigan, 9,500 reinstatements valued at \$57 million; Kentucky, 3,000 reinstatements amounting to \$18 million.

Although the easy reinstatement period is over for most veterans, those whose insurance has lapsed less than three months still can reinstate without a physical examination, provided their health is as good as when their insurance lapsed.

VA insurance officials said most veterans now must pass a physical examination to reinstate either term or permanent plans of insurance.

Veterans Administration this week urged veterans who plan to attend college for the first time this fall under the G. I. Bill to apply immediately for their certificate of eligibility. A veteran may obtain an application form for education or training by writing or visiting any VA regional or sub-regional office.

VA explained that when a school accepts a certificate of eligibility and forwards it to VA, it becomes the basis for payment of the veteran's tuition, fees and supplies to the school and the subsistence allowance to the veteran.

World War II veterans with 90 days of active service and a discharge other than dishonorable are eligible to apply for education and training under the G. I. Bill. Those with less than 90 days of service are eligible if they were discharged for service-incurred disability.

QUESTIONS AND ANSWERS
Q: If I apply for hospitalization, how long will I have to wait before I am admitted to a VA hospital?
A: If you have a service-connected disability you do not have to wait to receive hospitalization. If your disability is non-service-connected but is an emergency, you are admitted immediately. Non-service-connected ailments that do not require emergency treatment have to wait until a bed is available, and the time varies at each VA hospital. Non-service-connected veterans must sign statements that they cannot afford to pay for treatment elsewhere.

KENTUCKY ON THE MARCH
 By EWING GALLOWAY

With a population of only about 850, Irvington is blessed with two enterprising service clubs that work together practically all the time—the Rotary Club and the Parent-Teachers Association. And what has been achieved in the last four or five years under the sponsorship and leadership of the two organizations puts Irvington on the honor roll for community progress. It is the Committee for Kentucky ever around to bestowing medals or towns for civic achievements, I'm going to be present to nominate Irvington.

The town's fine school was one-third of a mile west on U.S. 60. There was no sidewalk, so the children had to use the road, which was dangerous, of course. The Rotary Club said something had to be done about it. There was a plan to have the sidewalk put it, but somebody in the club hit on a better idea. The State Highway Department was asked to help. The department agreed to build the sidewalk if the community would give the right-of-way. The Rotary Club got the strip of ground, which had to be cleared of many home lots. In this the P-T-A helped side by side with the Rotarians.

Back of the school there was a good-sized field used mainly as a rubbish dump. Buses, trailers and broom sedge completed the picture. The playground was a feeble pretense. There was hardly any parking space. This was not a problem. It was a job. And the Rotarians and the P-T-A went to work. They had a bulldozer level the ground. Then a baseball ground was surveyed and a grandstand was built. In another corner of the area a softball diamond was set up with a backstop, benches and everything that that was last year. This year all the school grounds have been landscaped. Now the Rotary Club is going to provide floodlights for night games—baseball, softball, football.

The Irvington P-T-A has spent liberally for equipment for a school lunch room, buying a piano and many other things the school needed. About 300 children eat in the school lunch room. During a recent drop-in visit to the Irvington Herald office, I asked Mr. and Mrs. George M. Wilson, editors of the school paper, respectively, how the two service clubs raised money to pay for the things done at the school. They said the P-T-A raised money mainly by serving Rotary dinners during school months, and the Rotarians got direct contributions in cash.

Spending of raising cash, a couple of years ago Irvingtonians got ashamed of their cemetery which was a public repository for the dead but whose ownership nobody acknowledged. The Rotarians sponsored a plan to buy the cemetery in the name of the municipality and de-juridicate it. Civic leaders figured the clean-up job would cost \$2,000. Ed Wilson suggested that they make \$2,000 their goal to make it easier to raise \$2,000. The drive collected nearly \$4,000. So when the cemetery is beautiful and plenty of gravel roads through it as well, there will be surplus money for other civic projects if the donors give their consent.

I mustn't overlook the Irvington High School Alumni Association, one of the few small community organizations of its kind in the state. It has contributed many conveniences to the school, such as the new stage curtain and replacement of many roof-tiles burned when fire took the old frame building 19 years ago.

Another notable item. This is unobtrusive cooperation between whites and colored people in community affairs. "If we need their help," said Mrs. Wilson, "they are ready to do what they can. If they need help from us, we give the help."

ESTILL

A party was given in honor of Ella Rose Edwards on her 18th birthday by her parents, Mr. and Mrs. Mrs. Eph Edwards. Interesting games were enjoyed and refreshments were served to the following: Mrs. H. LaFarr Stapleton, Earnest Ridner, Merle Lattery, Frances Friedman, Martha and Gloria Five Rivers, LaFarr Stapleton, Earnest Wicker, Billy Payne, Dolores Crabb, Betty Day, Mary Lou Collins, Mary Vanhosen, Dolores Webb Edwards, Mr. and Mrs. Lloyd Edwards, James Williams, Keziah McLenahan, Adolf and Edward Friedman, Leslie Patton, B. H. Hingan, Johnny Wolf, Estill and Emmet Ridner, Luther and Lee Turner, Bob Stambaugh, Nicky Cooper, Charles Ray Frady, Bill Boyd, Samuel Smith, Carl Day, Charles Ray Stone, Charles Ray Fehm, out-of-town guests were Raymond and Carl Whitaker, and Sam Stephens, of Prestonsburg. Mrs. R. H. Messer, Education, Mrs. Thomas Hatcher, Safety, Mrs. Willard Castle, Youth Conservation and Mrs. J. M. P. of Garrett, became new members of the club at this meeting.

The chairman for each of the departments was announced as follows: Public Health and Welfare, Mrs. R. H. Messer; Education, Mrs. Thomas Hatcher; Safety, Mrs. Willard Castle; Youth Conservation and Mrs. J. M. P. of Garrett; International Relations, Mrs. Charles Sturgill.

These department leaders will give an outline of the year's work at the next meeting, which will be at the home of Mrs. Thomas Hatcher, Sept. 2. Mrs. Fred Hall of Westland, and Mrs. Bill P. of Garrett, became new members of the club at this meeting.

At the conclusion of the business session Mrs. Castle, assisted by her daughter, Ethel, served a salad course to Mrs. W. N. Stratton, of Ashland, Mesdames Noeb Howard, S. M. OBITUARY

The death angel visited our home and took from us our husband and father, S. W. Rice, aged 71 years, 10 months and 27 days, departed this life August 12, 1948. He left to mourn his loss his wife and nine children, his girls and three boys; Mrs. J. B. Conley, Mrs. John W. Rice, Mrs. Herbert Griffith, Mrs. J. M. Hall, Mrs. Worley Boyd, all of Prestonsburg; Mrs. Thomas E. George, also of Prestonsburg; Mrs. C. B. Rice, Tucumcari, N. M., C. E. Rice, of Bevinville, Ky., 32 grandchildren, 10 great-grandchildren, two sisters, Minnie Lutz, of Portsmouth, O., Leola Baldridge, of East Point. He was very ill since January 17, and had faith in God. He was a member of the First Church of God and lived a true, devoted life the past 18 months. He filled all the ordinances of the Bible and enjoyed by many friends visiting him. He loved to talk about God. Bro. Messer, Kitchen, the pastor of Little Point Church of God, visited him. He was always welcomed into his home not only by him, but by all the family, because his conversations were clearly conversations and he was kind to all and could speak so many words of encouragement.

We also wish to thank the Little Point quartette for coming to our home and singing spiritual songs for him, which he greatly enjoyed. We wish to take the opportunity of expressing our heartfelt thanks to the ministers, Bro. Henry Griffith, Bro. Green Allen and Bro. Moses Kitchen for the many kind and encouraging words and also to our friends and neighbors for the beautiful flowers, and especially do we thank the Carter & Callihan Funeral Home for its service and kindness. Also we want to thank Dr. George P. Archer, of Prestonsburg, Dr. Paul B. Hall and son, of Parisville, Dr. M. T. Dotson, of Prestonsburg, for their efforts.

Make these 4 comparisons before you buy any car

COMPARE THE VALUE
 Yes, compare the features—compare the prices—compare what you get for what you pay—and you, too, will come to the conclusion that Chevrolet continues to be first in value, just as it continues to be first in Big-Car Quality at Lowest Cost, and just as it continues first in demand, year after year.

COMPARE THE POPULARITY
 You can identify the biggest value in any list of products by picking out the one product which enjoys greatest popularity, year after year; and, of course, in the field of motor cars, that one product is Chevrolet—outstanding leader in popularity for the total 17-year period, 1931 to date!

COMPARE THE FEATURES
 Only Chevrolet combines the United Kne-Action Ride for gliding smoothness; the world's champion Valve-in-Head engine for performance and economy; Body by Fisher for tasteful beauty; and Fisher Unisteel Construction plus Positive-Action Hydraulic Brakes for all-round safety protection!

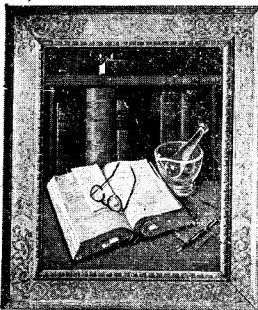

COMPARE THE PRICES
 You'll agree with millions of other car buyers that prices—like quality—are a major consideration in these times; and just as Chevrolet's Big-Car quality is unique in its price range, so Chevrolet prices are the lowest in its field. Chevrolet costs less to buy, to run and to maintain!

Only Chevrolet gives BIG-CAR QUALITY AT LOWEST PRICES... that's why

NEWS NOTES

Many of our members have responded most generously to the call for means which would enable us to pay up the current open accounts in connection with building the parsonage. More than \$1,200 was turned in in cash and short-time pledges up to last Sunday. If the members who have not yet had a share in this would all come in, even though their gifts might be small, the whole amount needed would be quickly provided.

Sunday School attendance last Sunday was 120. It is time to elect our Piano Committee, composed of Brother Harlowe and Sisters Vernetta Clarke and Ruth Moore secured a nice piano for the church last week. Good work.

Our church authorized the establishment of a church-sponsored Scout troop at the earliest possible date. The committee is composed of W. W. Burchett, R. V. May, Adrian Collins, Curtis Clarke and V.F. Strahan.

Pastor and Mrs. Benedict wish to use this means of thanking the whole church for the generous "rounding" which we received recently. It was a glorious surprise and a most welcome one. Thank God for such folks and for all you are doing and have done to make our service in your midst a joy.

SHEDS DIRT...STAYS WHITE...

DU PONT HOUSE PAINT

CLEANS ITSELF!

Outside surfaces stay fresh and clean-looking when finished with Du Pont House Paint. Dirt and grime can't get a grip—rains just wash them away!

SELF-CLEANING Du Pont House Paint is so formulated that, as time goes by, a microscopically fine white powder forms on the surface. Heavy rains scrub the powder away, taking dirt and grime with it, and leaving the surface clean and white again. Excessive accumulations of dirt (particularly in sooty industrial communities or in heavily shaded locations) may delay or interfere with this process. Because this "self-cleaning" is gradual, the

wearing qualities of the paint film are not abnormally affected. SELF-CLEANING Du Pont House Paint is as durable as it is beautiful... protects against rust, rot, and decay... gives lasting beauty and protection. Costs no more than ordinary paints—avoids re-painting bills! Call on a reliable painter for your painting jobs, and let him use Du Pont
