#### ASHLAND OIL STARTS TEST

To Sink Johnson Well 4,500 Feet To Tap Knox Sequence

An exploratory deep test well is being undertaken by the Ashland & Retinung Company on a prominent shale structure of Eastern Kentucky.

The new well, being drilled on the Wallace Williams farm at Red Bush, Johnson county, 12 miles northeast of Paintsville, is designed to explore the upper part of the Knox dolomite sequence which in this locality is estimated to be about 450 feet below the surface.

Although many holes have been drilled in Eastern Kentucky in the past, many with unfavorable results, this well is the first well drilled on the surface structure known as the Laurel-Creek dome of the Paint Creek uplift, one of the outstanding structural features of the eastern part of the state.

Completion of the well is expected next spring or summer.

### COUNCIL HITS PINBALL PLAY

#### Action Taken as Parents Say Children Spending Lunch Money on Game

Claims of parents that their children were wasting their school lunch money on pin ball machines led the city council at its Monday evening meeting to enact an ordinance forbidding any owner of such machine to permit any person under the age of 18 years to play. The penalty for permitting pin ball play in violation of this ordinance was set at a minimum of \$10 fine with \$100 the maximum.

City Superintendent of Schools Charles H. Peeler said this week the schools here also have a serious problem to face in classrooms which permit minors to play. Lunch money is being wasted in classrooms and two boys have recently been expelled from school for cutting classes for pinball machine playing.

The council transferred the city business license to Charles E. Gentry, who recently purchased the business from the state. Leave the transfer was made on Lafayette's promise to provide regular bus stops and schedules of runs.

Consented Third order is due for a traffic clean-up, with the Council passing an ordinance on the subject of parking between the county jail and Graham street, except on the post-office side of the street.

### BETTY SPEARS TERM VOIDED

#### Court Also Rules Perry Has Priority In Ambury Slaying

The five-year penitentiary sentence imposed on 18-year-old Betty Spears by a jury of the Floyd Circuit court for the slaying of Earl Ambury, near Betty Layne, was reversed by the Court of Appeals last week. The court said the jury should have been directed to acquit her.

The Appellate Court pointed to the girl's testimony to the effect that Walters, a water miner, came to the home of her mother, Mrs. Alice Spears, and attempted to force her into sexual intercourse with him, chasing her to a bottle in his hand. She seized a .22-caliber rifle and fired.

The Commonwealth contends that the trial here, that the shot was fired at a distance which indicated the girl was not in danger of her life at the time.

The Appellate Court also ruled that Perry county, not Jefferson, has jurisdiction in the trial of the slaying. Walters, a water miner, came to the home of her mother, Mrs. Alice Spears, and attempted to force her into sexual intercourse with him, chasing her to a bottle in his hand. She seized a .22-caliber rifle and fired.

### CLUB TO HEAR DISCUSSIONS

#### Of Dewey Dam Area Recreation Plans At Langley Meet

The Floyd County Fish & Game Club this week announced that a meeting will be held Tuesday evening, Dec. 21, in the Maytown high school auditorium at which members of the club and the public will hear a discussion of recreation and other facilities to be made available in the John Creek reservoir area.

Frank Bruch, of the U.S. district court engineers' district, has been asked to meet with officials of the State Division of Game & Fish and members of the engineering staff to discuss possibilities of the area.

Mr. Bruch will be asked to discuss provisions for a camp site for the fish and game club and the state's Game & Fish on the lake. At the same time, private citizens who have applied for sites may learn their chances of being granted such rights.

It is possible that the exact location sought by the state and the state division will be decided upon at the meeting. E. R. Burke, state game warden, and Game & Fish, said this week. A lease on approximately 100 acres has been applied for, he said.

Miss Clark, superintendent of fisheries, state Division of Game & Fish, will discuss fishing and fish propagation in the lake. Ed Adams, state Junior Conservation Club organizer, and John Curry, game management superintendent, will also discuss the park and its connection with the reservoir.

The meeting will be held at 7 p.m. Dates for official completion of the Dewey Dam has been set for July 11.

#### FLOYD'S 1949 HIWAY SHARE IS \$173,038.06

'Gas' Tax Increases County's Rural Road Total by \$104,784

Distribution of approximately \$173,000 among the 120 counties of the state for an expanded rural road program will bring Floyd county next year \$173,038.06 as compared with \$68,254.78 allotted the county last year from the old \$6,000,000 rural highway fund. Emerson Beauchamp, Commissioner of Rural Highways, announced today (Thursday).

Increased funds provided by the 1949 General Assembly session, most derived from the state gasoline tax, make possible this greater aid to the counties in their rural road program. It was said Floyd county will receive \$68,254.78, as last year, from the regular \$5,000,000 fund and \$104,783.18 from the additional funds from new sources.

The county's share of the \$6,000,000 fund is provided solely for rural and secondary highway improvement.

The county's share of the \$6,000,000 fund is provided solely for rural and secondary highway improvement.

Decision of Beauchamp for distribution of the fund was made following a conference with Governor Frank B. Rowland and other members of the Highway Department.

Additional increased revenues that will accrue beyond the \$6,000,000 fund will be distributed on the same basis as the present allotment. It is the \$6,000,000 fund, in addition to the \$5,000,000 statutory fund, and is distributed on the same basis as the present allotment. ### MANY ATTEND MAY FUNERAL

#### H. F. May, on Way Here, Found Dead Dec. 2nd, Heart Attack Victim

Funeral rites for Harry F. May, 71 years old, prominent Maytown, who died suddenly last Thursday morning, were conducted Saturday afternoon from the Maytown Methodist Church, with a large gathering of sorrowing relatives and friends attending.

Mr. May, who had been in failing health for five years, was en route from his home to take an early morning bus to Prestonsburg when he died. He was found by a neighbor. Death is believed to have been instantaneous and the result of a heart attack.

Mr. May was born March 12, 1877, the son of the late Jack and Nancy Hagans May, and spent his entire life in Maytown. He had been land agent for the Beaver Creek Consolidated Coal Company for 40 years and was well-known over a wide section of Eastern Kentucky. His friendliness and hospitality held for him the deep friendship of hundreds of acquaintances. A man of wide interests, he took an active part in Floyd county politics for many years. Although his condition had been declared critical over the past year, he was energetic by nature and found it difficult to live the sedentary life recommended by physicians.

Surviving are his widow, Mrs. Rebecca Allen May, one son, E. R. May, of Langley, two daughters, Mrs. G. E. Martin, Sr., of Drift, and Mrs. Nancy May, Langley; Miss Sallie Sizemore, May who had resided with the family since childhood, one brother, G. A. May, Sr., of Langley, and four grandchildren.

Officiating at the funeral were the Rev. O. P. Smith, of Calletsburg, former pastor of the Maytown Methodist Church and a close friend of the family, and the Rev. S. B. Rucker, present pastor of the church. Burial was made in the May cemetery. He was married by Rev. J. H. Allen, T. A. Combs, John Cobburn and Frank May, all of Langley.

Active pallbearers were: J. H. Hamilton, W. V. Carter, Corbin, Prestonsburg; J. H. Allen, T. A. Combs, John Cobburn and Frank May, all of Langley.

Honorary pallbearers: Harry Lyons, S. M. Cassidy, Homer (See Story No. 2, Page 7)

### PARATROOPER AND COUSIN, VICTIMS DURING WORLD WAR II ACTION, BURIED IN ADJOINING FLOYD CITY GRAVES

T/S Russell Olin Ratliff and his cousin, Seaman 1/c Ralph Hopkins were inseparable through their boyhood days at Harold, and this week the two, who met death in World War II action, lie in adjoining graves with a double monument to mark their resting places.

Hopkins, who was killed at Palermo, Sicily, was buried in the Perugin cemetery at Layneville, August 15. Body of Ratliff arrived at Ebleville Tuesday and he was buried today (Thursday) with military honors.

### State, Federal Aid Promised In Ringworm Situation Here

Acknowledging numerous letters and telegrams from Prestonsburg parents who feared their children might be infected with ringworm among schoolchildren, Dr. Tracy Jones, director of the Bureau of County Health, said this week that he had notified Dr. Marvin Randall, director of the Floyd County Health Department, that outside help will be forthcoming in battling the infection.

Dr. Randall said Tuesday a new Wood light for detection of ringworm is being sent here by the State Board of Health, that a doctor doing research work in the South will be here for a few days next week to study the fungus infection, and that a clinic will soon be set up here.

### Glee Club To Present Christmas Cantata

The Prestonsburg high glee club and choir will present "The Christmas Cantata" at the Methodist church Friday, December 17, at 8 p.m.

The cantata, which is made up of the best of the Methodist, of new and old familiar songs featuring, in addition to the 125-voice chorus, three soloists, a male quartet, mixed quartet and a girls' trio. The program will conclude with the "Hallelujah Chorus," by Handel.

"Les Chausons de Noël" is conducted and arranged by Mrs. Orel Bingham Hill, with Mrs. Kathryn S. Prater, who directs the Junior High glee club, as organist, and Mrs. Frank Bruch, pianist. The public is invited.

### MISS SALISBURY, PAN HELLENIC HEAD, PRESENTS McVEY SCHOLARSHIP AWARD

Pan Hellenic Council President Mary Charlotte Salisbury (left), Prestonsburg, displays a \$500 check, which the University of Kentucky sororities are donating to the Frances Jewell McVey Memorial Scholarship Fund, before the current and former recipients of the scholarship. The college president commended the students for "sticking by the college when you felt insecure."

"We are going to merit our reinstatement as well as you should."

Dr. William Jesse Baird, president of the college, told the approximately 100 students at the reinstatement news celebration that he was glad to see them back and that he was glad to see them back and that he was glad to see them back.

### Telephone Line Fire Isolates Prestonsburg

Prestonsburg was without telephone service this afternoon (Thursday) after a blowtorch used by a workman on the main cable leading to the exchange ignited wiring. Workmen would not hazard a guess when service would be resumed. Twenty-two hundred wires must be replaced and the exchange before the cable is re-connected.

### 'King Coal' Draws Big Crowds, Wide Approval Locally

The Kiwanis Club's minstrel, "King Coal," was so successfully staged here Tuesday night that it is possible the play will be enacted in other towns of this section, it was said this week.

Written and directed by Eugene Brown, of Prestonsburg, the minstrel was sprinkled with sparkling performances and audience approval was unanimous. One feature of the minstrel drew special praise. This was the baton-twirling act of James Camilla, declared "as good as you'll see anywhere. But for all his playfulness, his young son, Bobby, came on the stage and stole the show from Papa. Witnessing Bobby's little brother, Jimmy, came on to assist the show from him."

The show ranged a variety of acts, with comedy the predominant note. Local demand is strong enough, the minstrel will be presented again here in January, with the script revised, it was said this week.

### COLLEGE WINS OLD STANDING

Reinstatement News Celebration Signal; Baird Leads Students

Morehead State College last week regained its standing with the Southern Association of Colleges and Secondary Schools, and word of the re-instatement was the signal for the biggest Morehead celebration since V-J Day.

That was last Thursday, but the big celebration—the planned one—was staged Tuesday. Topping the program was a big convention at 11 a.m. in the college auditorium. It was strictly informal.

Dr. William Jesse Baird, president of the college, told the approximately 100 students at the reinstatement news celebration that he was glad to see them back and that he was glad to see them back.

"The fact that it has been a reinstatement is the important thing for the boys and girls here now and those who will come here in the future."

"The faculty and staff came in for a large measure of praise from their two winners, one of the latter a Martin county teacher, within 20 minutes after County Attorney W. H. McCoy for the Commonwealth and Jasper Preced for the defense had concluded their arguments.

### All-State Halthack

County Superintendent Palmer L. Hall, at the request of the County Board of Education, Tuesday proposed a joint session of the County and City Boards here as a settlement of the partnership operation of Prestonsburg high school on a buy-or-sell basis.

He made the City Board tentative offer of \$40,000 for its interest in the high school, or to sell the County Board's interest for the same amount.

There was no official discussion of any agreement whereby the County Board would assume full ownership and control of both the grade and high schools, with the Prestonsburg independent district dissolved and residents of the town having a vote in County Board elections.

Not was there any official reaction on the part of the City Board to Mr. Hall's proposal. Instead, the City Board made a counter proposal, offering continued ownership of the high school, with its facilities shared by both Boards but with the County Board having full administrative control over the high school, and for pupils from outside Prestonsburg, if the City Board pays. This tuition fee was estimated at \$100 per pupil per year.

The board of directors will meet at the home here of E. R. Burke, district supervisor, Division of Game & Fish, Friday evening to budget funds for next year's activities of the club.

### WEBB TO DIE ON MARCH 8

Circuit Judge Edward P. Hill sentenced Webb to die in the electric chair at Edyville, before daybreak March 8. The condemned man did not answer when asked if he had any reason why sentence should not be pronounced.

Columbus Webb, former West Virginia convict who was held in the county jail here for safekeeping until last week when he was taken to Inez for trial on a charge of murder, received the death penalty at the hands of a Martin county jury Monday afternoon for the robbery-murder of Lyle Davis, 40, in September. The 48-year-old defendant, heard the news of death in the electric chair without visible sign of emotion. As he was led, handcuffed, across a wind-whipped jailyard from the courtroom he remarked to Deputy Sheriff Nelson Booth:

"It's a mighty odd day."

### ONE-BOARD OWNERSHIP IS STUDIED

#### For P'Burg Hi School; City Board Proposes Partnership Offer

County Superintendent Palmer L. Hall, at the request of the County Board of Education, Tuesday proposed a joint session of the County and City Boards here as a settlement of the partnership operation of Prestonsburg high school on a buy-or-sell basis.

He made the City Board tentative offer of \$40,000 for its interest in the high school, or to sell the County Board's interest for the same amount.

There was no official discussion of any agreement whereby the County Board would assume full ownership and control of both the grade and high schools, with the Prestonsburg independent district dissolved and residents of the town having a vote in County Board elections.

Not was there any official reaction on the part of the City Board to Mr. Hall's proposal. Instead, the City Board made a counter proposal, offering continued ownership of the high school, with its facilities shared by both Boards but with the County Board having full administrative control over the high school, and for pupils from outside Prestonsburg, if the City Board pays. This tuition fee was estimated at \$100 per pupil per year.

"Parents of pupils, in other case, would be paying school tax plus tuition; and in Prestonsburg, they would be paying double, without vote in Board elections, it was pointed out after the meeting.)

There is a possibility that, if the City Board buys the County's interest in the high school, the County Board would eventually build a high school outside the Prestonsburg district.

Discussion of the situation here consumed much of a previous County Board meeting, at which Mr. Hall was authorized to submit the offer made Tuesday.

At that meeting Mr. Hill reviewed at length the building program since, and actually needed by the county's schools. On the basis of present prices of material and labor, he estimated the total program would approximate the outlay of more than \$1,000,000.

These projects were listed as: Melvin and Prestonsburg buildings; additions to the McVey, Allen and Clear Creek schools; auditions for Weeksburg, Drift and Daviess; new buildings for Ligon and Besox; gym at Wheelwright; and Martin for which plans have already been prepared, several one- and two-room rural schools and minor repairs jobs over the county.

Prestonsburg high school, it has been pointed out by City Superintendent Palmer L. Hall, must have more room if it is to operate successfully. The City Board has for some time had funds available for its share of the building costs.

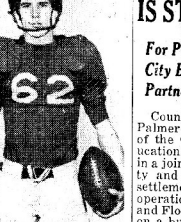

The County Board at Tuesday's meeting awarded a contract of sending in bids for the building of inside toilets at Auxler consolidated school.

### Scout Leaders, Others To Meet Next Friday

stipor and unable to be brought into court. When taken into the courtroom Saturday afternoon, he still was "rocky," officials said, and so Judge Hill continued the case till Monday.

The defendant did not testify. Only two women appeared as witnesses in his behalf and their testimony sought merely to show "he was not right mentally. Before the trial began, an unsuccessful effort was made to have Webb pronounced insane."

His counsel relied on Webb's statement, made shortly after his arrest, that he went to the hills near Davis' home to look him, not to kill him. This statement said he told Davis, "Me and your wife want your money," the slayer contending Mrs. Davis had agreed to meet him soon afterward.

Commonwealth testimony, however, showed that Mrs. Davis ran to the home of neighbors, warning of her husband's danger after Webb had knocked her down, taken Davis' gun and gone on to where Davis was working. The statement of the accused man stated he admitted a testimony and in it he confessed shooting the other and beating him with the butt of the pistol until "I knew he was dead."

Webb admitted taking \$400 from Davis' pockets and to covering the body with leaves. He was arrested at Kermitt, W. Va., two days later.

A special guard is being posted nightly at the Martin county jail while the condemned man remains a prisoner there. An appeal from the verdict is expected.

**DEPENDABILITY**

EATING up the miles as it rools along the smooth highway . . . grunting like a laboring Percheron as it mounts the long, hard grades, the Inter-Staff Bus . . . on time again . . . depends dependability.

It's a long wish for any organization to reach the goal of complete public confidence. We take pride in having reached that goal . . . to have earned our reputation for dependability.

*I hope that means what I think it does!*

**C**AN'T blame Dad for bursting into song—but he'd better mind the tunes he picks or he'll give away the surprise he's ARRANGED for Mother!

Of course, Mother has been hinting pretty broadly for months. She's heard such wonderful things about electric ranges . . . how easy it is to "dial" the heat you want and shop or visit while the automatic timer does the rest. She's heard how clean electric ranges are . . . no soot or smoke to dirty up utensils or kitchen. She knows how cool electric cooking is in summer.

Well—even if Dad does give his secret away, Mother is still in for a pleasant surprise. No electric range in your house yet? Your dealer can still take care of that before the new year!

### Fire Levels Garage At Pikeville; Loss Placed at \$130,000

Pikeville, Ky., Dec. 3.—A new garage which housed the Lincoln-Mercury automobile agency just south of Pikeville was destroyed by fire today.

Brus Walters, one of the four partners of the firm, estimated the loss at \$130,000. Destroyed in the fire to the building, were seven cars, including a new Mercury station wagon and two new Lincolns. Walters said the firm carried only \$15,000 in insurance.

A person living near the garage, located on the Pikeville-Jenkins highway, discovered the fire about 9 a.m. The Pikeville fire department, hampered by lack of a fire hydrant in the area, was unable to control the blaze. The cause could not be determined. Nothing was saved.

### Sgt. Bentley's Body Returned to Allen; Last Rites, Friday

Funeral of Sgt. Arnold Bentley, who was killed at the age of 22 in France, Oct. 31, 1944, was conducted Friday from the home at Allen of the parents, Mr. and Mrs. John Bentley, the Rev. Ira Fields officiating.

Sgt. Bentley, member of an infantry unit in the European theatre, was born and reared at Allen. He is survived by his parents, one brother, Harry, and two sisters, Mrs. Chester Tackett and Mrs. W. M. Derocsett, all of Allen.

The Rev. Ira Fields officiated at the last rites. Burial was made in the Mayo cemetery at Arkansas, the Ryan Funeral Home directing.

**Father's Favorite BISCUITS**  
Made with **SNOW FLOUR**

For better biscuits, pies, cakes and rolls, bake with Snow Flour. Milled from pure soft winter wheat. Snow Flour has a superior flavor that makes even your best baked goods taste better!

A Product of **LOUDONVILLE MILLING CO.**

**Father's favorite SNOW BISCUITS**

2 1/2 c. sifted Snow Flour 1/2 tsp. salt  
4 tsp. fat or phosphate 4 tsp. fat  
3/4 c. milk baking powder

Measure and sift dry ingredients into a bowl. Cut or work in fat until the mixture has a coarse granular appearance. Add liquid and combine thoroughly. Turn dough out on lightly floured board, gather up into a ball and knead lightly until the dough appears somewhat smooth. Roll to one-half inch thickness. Dip cutter into flour. Cut biscuits and place upon ungreased baking sheet. If crusty biscuits are desired place about one inch apart; otherwise biscuits may touch each other. Bake in hot oven (350° F.) for about 13 minutes.

80-82 Ganfall Ave. Kew Gardens, Long Island, New York. Mr. Kelly, brother of Mrs. Robinson, a graduate of Harvard University, is in the real estate and building business. Dr. John Kelly, son of Mr. and Mrs. S. S. Kelly, M.A., Columbia University and Ph.D., Boston, Mass., is professor of Mathematics, University of Wisconsin.

Mrs. Elizabeth Robinson, widow of the late J. L. Robinson, and her son, Bingham Robinson, of Lexington, Ky.

The immediate Robinson family includes: Rev. and Mrs. Robinson, three sons and one daughter.

Mrs. Elizabeth Robinson, at home, a graduate of Southeast Missouri State College, Cape Girardeau, Mo., and a teacher in Missouri School for the Blind, St. Louis.

Dr. and Mrs. Gilbert Kelly Robinson, 5022 Oeatha, St. Louis. Dr. Robinson, an AB graduate of Missouri University, B.D. Yale University, and Ph.D. Chicago University, is a teacher in Harris Teachers' College, St. Louis.

Mr. and Mrs. Holly A. Robinson, 458 Whitfield Ave., Afton, Mo. Mr. Robinson, a graduate of Harvard University, is secretary-treasurer of the Public Service Company of St. Louis.

The Rev. Mr. Robinson, who is 77 years old, retired in 1943, after 40 years in the ministry. His father, and three of his five brothers also were ministers. Ordained in 1894, he served pastorates in Kentucky, West Virginia and Hannibal, Mo. His first church was at Pikeville, Ky. He was a district superintendent in Missouri for 18 years, with headquarters successively in St. Joseph and Cape Girardeau. From 1922 to 1926, he was pastor of Wagoner Place Methodist Church, Wagoner Place and Aldine Ave., St. Louis. Later, he served pastorates in Tennessee and Alabama.

The Kelly family, of Auxler, was one of the pioneer families of Eastern Kentucky. John S. Kelly was known throughout the Big Sandy valley as a man of business ability, education and high integrity. Mrs. Robinson, oldest daughter of four children, was in charge of the home of her father at the age of 13, when her mother passed away.

Celebration of the Golden Wedding began with a dinner at noon on Sunday, Nov. 21, at the Gatesworth hotel—a long table at which 25 of the family and relatives were seated. On Tuesday, Nov. 23, the celebrations were concluded with a dinner at the Candlelight House, Clayton, and a program at the Shady Oak Theatre.

Rev. and Mrs. Robinson received more than 300 telegrams, cards and letters and gifts from their many friends in different states.

Pittsburgh — Eighteen die-hard families still living in condemned homes in the Castle Shannon mine patch sought again to postpone their eviction. They are the last remaining of 60 families who were first told to leave their homes five years ago. The houses have been condemned as "unfit for human habitation" and "dangerous" because of underground mine fires.

**Two Men Draw Fines And Jail Sentences**

Fines and jail sentences were exacted Monday in county court here of two knotty hollow men charged with selling or possessing illegal whiskey.

"Specs" Blackburn was fined \$20 and given a 30-day jail sentence, a verdict which he is appealing to the Floyd circuit court. Earl Walters was fined \$100 and given 30 days for liquor possession. He was absent from home when officers raided his place and he concurred with his wife in placing the responsibility on her.

Because of the illness of her two young children, Mrs. Walters was unable to appear in answer to a charge of selling whiskey. The court agreed that, if the Walters family will leave the county, it will not push her prosecution.

**CHRISTMAS PARTY FOR W.S.C.S.**

The Woman's Society of Christian Service held its Christmas party Monday at the home of Mrs. M. C. Yates with Mrs. Martin Lee May and Mrs. J. D. Mayo as co-hostesses. The devotional service was given by Mrs. J. D. Mayo. Mrs. Dick Spurlock, the president, presided over the business session, after which Mrs. Cecil Kendrick conducted the games. She gave Santa Claus lapel favors to those present. After the games Christmas carols were sung and refreshments served by Mrs. Martin Lee May, Mrs. J. D. Mayo and Mrs. M. C. Yates to the Rev. M. C. Yates, Mrs. Dorell Whitten, Mrs. G. R. Allan, Mrs. Charles Schuler, Mrs. Harry Ranier, Mrs. Richard Spurlock, Mrs. Marshall Mahan, Mrs. Clayburne Stephens, Mrs. Dow Vaughan, Mrs. Carl Horn, Mrs. Ernest Hopkins, Mrs. Paul Francis, Mrs. Thomas Hereford, Mrs. Cecil Kendrick, Mrs. Joe Johnson, Mrs. Panny Collins, Mrs. Ruth Patrick, Miss Woods and Miss Pugsley.

**Hi-Ho, Mister!**

The boss got hot with me the other day. Said I didn't talk enough about Silver Mist Flour. Said all I say is about the flavor of Silver Mist cakes and biscuits and rolls and such. Shucks. Nobody hits Silver Mist. They eat what the Missus BAKES with Silver Mist. Because it tastes good. Because Silver Mist's got flavor. See? That's what I keep telling folks... and what I told the boss. Anyhow, if you want to get me back in right you better buy some Silver Mist Flour. You don't take no chances, because Silver Mist's guaranteed. Sure You eat a dozen Silver Mist biscuits and ask for more, or you get your money back. And I ain't heard of nobody crying for their money. No, sir, because Silver Mist biscuits hit the spot like William Tell hit the apple. Eat 'em with butter or jelly or gravy or molasses or with sausage for breakfast next morning if you want to. Any old way, biscuits baked with Silver Mist Flour are GOOD biscuits!

SI (That's short for Silver, Mister)

**Why Hudson Beauty is more than "skin-deep"**

The modern design for '49

The New Hudson—the first and only car you step down into—achieves true streamlining and today's lowest silhouette as the natural result of a basically new design principle available in no other type of automobile!

Every time your eyes linger on a New Hudson, you are admiring beauty as genuine as nature at her glorious best! For this stunning streamliner has fresh styling that begins deep inside the car with a recessed floor which is the key to the "step-down" design—the exciting idea that opens up new opportunities for genuinely beautiful lines!

Yes, for years it has been widely known that the lower a car can be built, the more beautiful it will be, the better it will ride and handle.

But whenever men have sought to create the ideal in low-built motor cars, without lowering the interior floor, they've had to keep top lines high to preserve inside head room, or reduce inside roominess to get top lines down—an unsatisfactory compromise in either case.

And even with compromises, no car has ever matched the glamorous low silhouette Hudson brings you today!

This is because Hudson—and Hudson alone—has a recessed floor in an exclusive, all steel Monobolt body-and-frame\* which makes it possible to build the lowest car on the highway—just five feet from ground!—to top—but with more head room than in any mass-produced car built today!

The exciting, more than skin-deep beauty of the New Hudson is the natural result of this basic "step-down" construction, which is so right it fees the designer of the need for makefasts in styling.\*\*

We cordially invite you to see and drive the New Hudson. You'll quickly sense that this car is so far ahead it's a projected investment in motor car value.

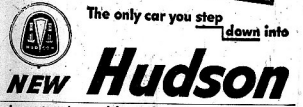

\*Trade-mark and patents pending.

\*\*The many advantages in Hudson's "step-down" design are explained in a booklet available at all Hudson dealers.

### Mrs. Victor Howard Is Pneumonia Victim At Pikeville Hospital

A week's illness of pneumonia resulted Sunday morning in the death of Mrs. Victor Howard, 41 years of age, at the Methodist hospital, Pikeville, of Mrs. Christy Mae Howard, 41 years of age, wife of Benjar and wife of Victor E. Howard, of Pikeville.

Mrs. Howard was a daughter of Preston and Alice Woods Rice and had resided for this same year at Pikeville where her husband is a refrigeration technician. She was a devoted member of the Christian Church and formerly was active in Sunday School work.

Surviving, besides her husband and parents, are one son, Billy Gene, a daughter, Wanda Lee, a sister, Mrs. Ora Compton, of Martin, and one half-brother, Douglas Preston Rice, of Moxey Bottom.

Funeral rites were conducted Tuesday from the Pikeville Christian Church, the Rev. Dewey D. Havens officiating, and burial was made in the Rice cemetery at Banner under direction of the Baker Funeral Home.

"We are endeavoring to spend the increased revenues in that manner that will do justice among all the counties," said Beauchamp. "In spending funds for an expanded rural and secondary road program it will be our purpose to work in close harmony and cooperation with local officials."

"It is the aim of the Department to channel the greater part of the increased funds into construction and re-construction projects in the counties to the end that Kentucky have a constantly improving system of rural and secondary roads."

Approximate figures for each county under the new formula provide that each county in the state will be entitled to receive road improvements aggregating more than twice what was received under the previous \$5,000,000 allocation of funds.

"I am greatly pleased with the decision of Mr. Beauchamp and his associates in the Highway Department in announcing the initial allocation of funds. More improved rural highways make for a greater Kentucky," said Governor Clements.

It will be the plan of the Department of Highways to map plans with the local county groups during the winter months for road improvements in each county preparatory to a full-scale work program to be initiated in the spring.

For instance, under the plan announced Pike county will receive a minimum of \$148,849.94 from the added revenue, in addition to \$98,194 its statutory allotment under the old law, making a total of \$246,143.94 available for expenditure in the county next year.

Any moneys not spent one year in a county to which it was allotted will be carried over for expenditure in the county next year.

## FLOYD HUNTER LOSES PART OF GUN BUT, UNDISMAYED, GETS HIS BUCK

J. H. Smith, of Hi Hat, had the unusual experience of almost being run down by two deer in a Wisconsin marsh last week, of losing the stock of his rifle in the marsh during the excitement, and yet getting his deer.  
He, T. J. Allen and the Rev. J. D. Payne, both of Martin, ran afool of foul weather—a matter of two feet of snow. So a drive was organized to get the deer they sought out of the marsh. It was during the drive that the startled deer almost ran him down, according to his companions.  
Next day, he and a guide found the missing portion of his gun. And he did not return to camp till he had added a nine-point buck.  
Allen killed a 10-point buck, largest deer described by the party, and Smith and Payne each bagged a yearling black bear. The party also killed three large wolves and a catamount.  
Proof of success of their hunt was brought home with them. Last year, 85,000 deer were legally killed in Wisconsin.

## Cats Blast Hoops Thru Second Half To Win First Tit

Prestonsburg's Black Cats finished strong with a brilliant second half's work to win their first basketball game of the season and their first under Ted Benedetti, their new coach, here Saturday night over Auxier high school, 51 to 29.  
Through the first half Coach Herschel Martin's Auxier squad fought the Cats an even terms, trailing by a mere 9-7 at the end of the first quarter and drawing up to an 18-18 score as the half closed. During these first two quarters Lafayette scored 11 points, keeping the Cats in the game.  
With the start of the third quarter Willis began connecting, and Harmon also got going. Prestonsburg while the visitors were being held to three. And in the final quarter the Cats grew even hotter, burning the Cats for 19 points, eight of which were added by Willis who led the scoring with 17 points.  
For Auxier Honeycutt led the attack with 19 points, but it was little Paul Hager who carried the fancy of the crowd with his floor work and shooting. He scored eight points as a substitute.  
Both teams were ragged in spots, particularly on passing. With only this one game under their belts, Benedetti's comparatively green boys tackled a touring Prestonsburg five here tonight (Thursday).

## BIG SANDY AREA GETS RECOGNITION

**For First Time; Louisa Player Joins Brannham On Mythical Eleven**

For the first time in the history of Kentucky, high school all-State football eleven, the Big Sandy region was recognized last week, and by the selection of one but two players—and one of the players in that star-studded array of gridiron talent is Prestonsburg high school's scintillating "Set" Brannham.  
The other is David Preston, of Louisa, who, like Brannham, was placed at a backfield position.  
In achieving the height of every high school athlete's ambition by claiming a place on this mythical aggregation of the "best," Brannham won despite the fact that he appeared in only three games this year.  
His record for the preceding year when he spearheaded a devastating Black Cat attack which won for Prestonsburg high school the Big Sandy Conference championship and the Flood Bowl post-season encounter at Pineville, was uniformly brilliant. This year, he got his team past Whitesburg, Prestonsburg's most powerful Conference opposition, in the opening game of the season with two brilliant touchdowns. His last high school appearance was against Russell high school, and in this game his passing contributed as much as did his running to Prestonsburg's 33-22 victory.  
He was ruled ineligible for further high school athletics because of his age after his birthday on Sept. 25.  
Speed, shiftness and a flaming competitive spirit have marked Brannham's play in football, basketball and baseball, and there are many who argue he is even more brilliant at basketball than as a football player.  
"He is without doubt," recently declared his coach, Ted Benedetti, "the greatest high school player I have ever seen."  
Johnny Carrio, Courier-Journal sports writer, recently ranked Brannham as one of the best players in the state.

ham and Manual's Harold Gruner as the state's shiftnest backfield men, adding that if George Blanks, University of Kentucky quarterback, could cut like these two he would be the best backfield man in the Southeastern Conference.  
The six-foot-one, 170-pound Brannham, son of the late Lewis Brannham and of Mrs. Fanny Brannham, of Prestonsburg, has been, and is being, sought by a number of college elevens with the University of Georgia on the inside track.  
He and his teammate, Mike Horn, were the only unanimous choices for the year's "all" team of the Big Sandy Conference. Horn was placed on the honorable mention list for all-State.  
The only seventh grade student in Kentucky to be given honorable mention honors on the all-State was Prestonsburg's Tom Spradlin.  
The all-State team, as selected by ballots of coaches, sports writers and officials follows:  
Gene Hodge, of Henry Clay, Lexington, and Chester Maternick, Mayfield, at ends; Frank Groschick, of Somerset, and Ronnie Cox, Riverland, at tackles; Creed Farley, of Evans, and Johnny Berry, Valley, at guards; Bob Crisson, Mayfield, center; "Set" Brannham, Prestonsburg, David Preston, Louisa, Harold Gruner, Manual, and Tom Fillion, Orendorbs, backs.  
Edd Miles, of Louisa, was placed 1st and on the third team.

## Wheelwright Five Floyd Net Leader With Six Straight

Floyd county's No. 1 basketball team, on the basis of season records, is the Wheelwright high school Maroons who are undefeated in six games.  
The Maroons will be out to make it seven straight in their game here Friday night.  
Paul Butcher's Meads Memorial team is rated a strong contender for regional honors this year, although the team, Nov. 30, in the latest Indiana Meads last week defeated Wayland, at Wayland, 54 to 25, and Saturday night downed Betsy Layne's Bobcats by six points. Meads had previously beaten Flat Gap, 57-33, McDowell by a 74-44 margin, and Van Lear, 67 to 42.  
In fact, which does not visit this county until Dec. 21 when the Indians play at Betsy Layne, is undefeated. Russ Williamson's five defeated Salyersville, 57-31, Salyersville, 63 to 40, Meads by one point, at Meads, and Beaver, O., 38 to 43.

## P'burg VFW Beats W'wright, 64 to 40; Play Harold Next

The Prestonsburg Veterans of Foreign Wars basketball team defeated Wheelwright Thursday of last week 64 to 40. Their next scheduled game is with Harold VFW here tonight (Thursday) as a preliminary to the Prestonsburg-Frankfort high school game.  
Tommy Blackburn led the Prestonsburg scoring at Wheelwright with 18 points, with his brother, Adrian, Set and Ballard Brannham chalking up 14, 12 and 10 points respectively. E. Jones was the losing big gun with 15 points.  
Line-up:

## Garrett in Win Column With Homecoming Game After Four Losses in Row

Garrett, Ky., Dec. 6.—The Garrett Black Devils lost their fourth consecutive game last Friday night as Martin outscored the Devils, 40-38, in a holy contested game. The following night, however, Coach Frady's boys jumped back into the win column by defeating Cumberland high of Elkhorn City, 59-28, before a capacity Homecoming crowd.  
Friday night's game was close throughout. At the end of the first quarter Garrett led, 11-9, and at half-time Garrett led the Purple Flash by six points—27-21. The third quarter proved to be fatal for Garrett as the Devils scored only one point while Demul Halbert's team was collecting eight. The Garrett five was also outscored in the final quarter by one point, which proved to be the winning margin.  
The following night before the big Homecoming crowd the victory-starved Devils set a pace that Elkhorn City could not follow. The Devils jumped to a 12-0 lead before the Pike county five scored. Cumberland did not score again until Garrett was leading, 29-2. The first.

**Club Members To Deny  
Selvies; Veterans To Get  
Their Christmas Presents**

Garrett, Ky., Dec. 6 (Sp.)—Christmas will be celebrated on December 17 by members of the Lockey-Darrett Women's Club, who will gather at the home of Mrs. Roy Souleyrette in Wayland, to enjoy a Christmas dinner prepared by Mrs. Souleyrette and Mrs. Noah Howard. The annual Christmas program will follow the dinner.

To the Christmas dinner each member will bring a filled stocking to be sent to veterans at Nicholas General Hospital and a contribution of food for the Christmas baskets to be given needy families. One traditional feature of the Club Christmas parties will be missing, however. There will be no exchange of gifts at the party this year, for members across their Christmas gifts to the club meeting, Dec. 3, at the home of Mrs. J. E. Miller, of Wayland. These gifts, displayed upon a large table, formed a large and varied assortment, but they were not for members. The next day, they were started on their way to Red Cross headquarters in Louisville from which point they will be distributed to hospitals where veterans may select them as gifts for their families.

The Jane Todd Crawford program planned for the Dec. 3 meeting was postponed until more material could be obtained. The evening was devoted to quilt making, and a short business session. A \$10 contribution to the Floyd County Tuberculosis Association was voted, and plans were made for the filling of Christmas baskets and for a future program on the United Nations Appeal for Children.

At the conclusion of the meeting, Mrs. Miller served refreshments to the following: Madames S. M. Martin, Floyd Conley, Roy Souleyrette, W. T. Hatcher, Charles Sturgill, Noah Howard, Charles Akers, Fred Hall, Earl Castle, Felix Colburn, M. M. Collins, C. S. Horstby, John Faulk, Harry Sherman, R. H. Messer, George Evans, Jr., Willard Castle, J. C. Wells, A. E. Quinlan, Nat. Cookey, Fred A. Martin.

Columbus, O.—Mr. and Mrs. Fred Searan got what they considered a surprise from the fire department. Alcohol in their radiator boiled out and their car caught fire. They pulled an alarm box. Within a minute a half dozen pieces of fire equipment were at the scene, including an inhalator squad and an aerial ladder truck. The car was saved.

quarter ended with Garrett leading 20-4. The pace slowed down somewhat during the second quarter as the halftime score was 31-11.

During the halftime intermission Captain Jack Patrick had other duties to perform for the Homecoming crowd rather than those of keeping his team fighting on the floor. He received the honor of presenting a bouquet of flowers to the Homecoming queen, Miss Hazel Bradley. The Garrett band also presented a program, led by drum major, Virginia Mae Mullins.

The second half, Fredy's boys commanded the game as well as during the first. During the first period of the game, the Devils scored 28 points while Cumberland could get only 17.

The big scoring punch for Garrett's comeback as a winning five was Jackie Stone, who collected 19 points. Stone was ably assisted by Jack Patrick with 12 points and James Mullins with 10.

Mullins and Stone were also high scorers for the Martin game as they collected 11 points each.

## STATE TAXES NOT HIGHEST

**Average Kentuckian Pays Less in Taxes Than Others, Claim**

Taxes for the average Kentuckian are much lower than those for the average American even though, for the past 35 years, taxes for state and local purposes in Kentucky have gone up rapidly.

This conclusion was made by Dr. James W. Martin, director, Bureau of Business Research of the University of Kentucky in presenting a report on "Taxation" in Kentucky. The report was prepared for the Committee for Kentucky and presented to the 87 member organization delegates assembled at the Henry Clay hotel in Louisville Friday night, Nov. 19.

Dr. Martin said, "Most citizens are interested in taxes but many of us are concerned only with the taxes we as individuals pay. However, to understand our position as a taxpayer, we must look at the total tax picture and understand the use that is made of our taxes in this state." He continued by stating that the average Kentuckian paid about \$10 in taxes in 1947 while the average amount paid by citizens in other states was approximately \$60 per person.

"State and local taxes, since 1913, have risen in Kentucky, as has been the case throughout the country," Dr. Martin said. "Before World War II the Kentucky advance was slower than the average. Since then, however, the rise in Kentucky has been a trifle faster than in other states."

"In 1913, 80 per cent of all our taxes in Kentucky were based on property but by 1947 the property-based tax dropped to 41 per cent." Dr. Martin stated that, "although the government takes in Kentucky have risen in the last five years, this rise has not been as fast as in the average of all states."

The expert declared that, "Properly administered, as is now in certain areas that the effect is to cut the rate restrictions to one-third or one-half of those provided by law. The value of our taxes is not as high as in other states as so unequal as to make heavy property taxes highly discriminatory."

"A modernized assessment program," the author explained, "would provide at least two most important by-products: 1. Greater equality among our taxpayers and 2. Reduced interference with business."

Kentuckians therefore may be consoled in the fact that taxes per average person are much lower in Kentucky than in the group of all other states.

## OF INTEREST TO VETERANS

An enrollment of 248,246 World War II veterans in educational and job-training courses in Ohio, Michigan and Kentucky on Nov. 1 was reported this week by the Veterans Administration Branch Office in Columbus, Ohio. The number is 25,633 less than last May 1 prior to the summer school recess. The total financial veterans applying and training under the U.S. Bill and Public Law 16 (Vocational Rehabilitation Act for the disabled).

The enrollment on November 1 included 138,849 in Ohio, 83,893 in Michigan and 40,324 in Kentucky. At ending educational institutions were 82,312 in Ohio, 71,632 in Michigan and 39,122 in Kentucky. Job training totals included 26,427 in Ohio, 15,830 in Michigan and 8,471 in Kentucky. Enrolled in institutional on-the-farm training were 6,729 in Ohio, 3,781 in Michigan and 13,491 in Kentucky.

Veterans Administration is paying more than 12 and one-quarter million dollars each month in disability compensation and pension and total to approximately 272,500 in Ohio, Michigan and Kentucky veterans of World Wars I and II and possession of service, the VA's tri-state Branch Office in Columbus, O., reported recently.

Latest statistics show the totals to include \$6,144,781 to 134,625 veterans in Ohio, \$3,719,805 to 84,054 veterans in Michigan and \$2,418,862 to 53,779 veterans in Kentucky. Payments for service-connected disabilities range from \$13.80 to \$380 per month, depending on the degree and type of disability.

### QUESTIONS AND ANSWERS

Q. My brother, a World War II veteran, made valid application for an automobile under the "autos for amputees" program, but he died before delivery of the car could be made. May it now be paid by the VA and delivered to his estate?

A. No. Payment for the car by VA is contingent upon its delivery to the veteran.

Q. I received a leg injury in an automobile accident recently which requires outpatient treatment. Will VA furnish the required treatment?

A. Outpatient treatment is available only for service-connected disabilities.

**COURTS GET RATE CASE**

**Southern Bell Asks Court Permission To Up Charges**

Southern Bell Telephone & Telegraph Company has asked Franklin circuit court to let it raise telephone rates in Kentucky 12 per cent.

The request was previously denied 200 by the Public Service Commission. The P.S.C. official order was entered last Thursday and the company appealed to the courts. It asked rate increases totaling \$2,635,890 a year, contending that mounting operation costs had cut its profits under present rates in Kentucky to less than 3 per cent.

The higher rates have been in effect since July 18. Southern Bell has posted bonds totaling \$80,000 with the P.S.C. to guarantee any excess funds collected in the new rates finally are disapproved by the courts. The company posted another \$1,500,000 as bond with Circuit Court Clerk Kelly Smith in Frankfort.

Smith issued a temporary restraining order against the P.S.C. preventing it from enforcing its order directing Southern Bell to refund excess rates collected from subscribers.

The company's petition charged that the P.S.C. had "abruptly" dismissed its plea for higher rates without hearing any evidence "to refute the facts."

The P.S.C. acted "in total disregard of the undisputed evidence," the suit continued. The suit called the P.S.C. "arbitrary, unjust, unlawful, unreasonable and is directly contrary to the facts."

Failure of the commission to let the company earn a "fair return" on its investment in Kentucky deprives it of "due process of law" guaranteed under the 14th Amendment of the United States Constitution, the company said.

Presumably, if the company's request for higher rates is met unfavorably in state courts, it will be in a position to ask the U.S. Supreme Court to review the case.
