SPEAKING OF AND FOR FLOYD COUNTY
PRESTONSBURG, KENTUCKY
FEBRUARY 23, 1950

This Town-- That World

NOT NEEDED HERE
Why should Floyd County's Representative Paul H. Hayes, of here, put an ad in the death penalty in Kentucky? The question becomes more acute when you consider that the death penalty is not in the country already as it never was.

Comment heard here: "Eliminate the death penalty! Better give 'em 30 days in the county chair!"

WORKY, WORKY
Something to worry about, as if the death penalty is not a worry, March 15 would be a day to worry about. It is the day that the General Assembly meets to discuss the death penalty.

15 YEARS WORTH OF MURDER!
Never heard of a man who has spent 15 years in prison for a murder, I admit, in your position, to pass judgment on the verdicts of others. But I am, only qualified to ask questions.

I would like to ask a question about the verdict in this case. The man who was given a 15-year term for the murder of 79-year-old John Frazier, is this?

If Frazier had been killed that night by a man who was a member of the Ku Klux Klan, would you consider him guilty of a more heinous crime and send him to prison for life?

One of the men who was charged with the murder of John Frazier, was a member of the Ku Klux Klan. Would you consider him guilty of a more heinous crime and send him to prison for life?

It is interesting to note that when a 79-year-old man is beaten and killed and taken hours later to a hospital with at least some degree of severity, and left there to die, somebody is guilty of a heinous crime.

GARRETT ENDS SEASON WITH WIN STREAK

NIPS PIKEVILLE, 56-39 TRIMS BOBCATS, 67-60

Garrett ended its season in the blaze of a seven-game victory streak by blasting two strong wins during the past week. The 1949-50 record for the Black Devils stands at 18 games won against six losses. Last week's wins were a stinging climax to Garrett's recovery from a mid-season slump. Highlight of the activity was a triumph over the Pikeville High Panthers, 56-39, at Pikeville Thursday night. This was followed by the Black Devils trimming the suddenly potent Betsy Layne Bobcats, 67-60, on Saturday night.

Both Pikeville and Garrett missed badly during the first half. Mullins' Duff and Lyons were off from the first two periods. It was Garrett's strong defense which surprised Pikeville and forced the Panthers to shoot all their shots from well out into the floor.

The victory over the high-flying Pike Panthers should boost the prestige of the Garrett Black Devils since the Panthers followed this defeat by embarrassing top-rated Lafayette a few nights later.

All-State Dickey Erator scored 24 points in a losing cause as Pikeville dropped its sixth game of the season. M. Stone with 16 points and J. Duff and J. Mullins with 15 each topped the winners.

Pikeville led at the quarter, 8-5. Stone's goal sent Garrett ahead at 15-14 in the second period and the winners went on to a 21-18 halftime advantage and a 34-28 three-period advantage.

Defeating Betsy Layne was no small feat. The precious Bobcats arched their backs to the business at hand and hit 56 percent of their shots from the floor during the first half.

The Bobcats hit 12 of 19 shots attempted during the first quarter and Garrett, 20-18, at the end of the period. The halftime found Betsy Layne still in the lead, 41-26.

Garrett made a strong bid in the second half that paid off. The Black Devils led, 56-51, at the end of the third stanza. The official timeout found Garrett ahead, 63-50. For the entire game shooting, Garrett hit 30 to 81 shots tried for an average .37 percent while Betsy Layne hit 25 of 74 for an average of 33 and one-third percent.

During the first half it was Mullins' with 19 points who kept Garrett in the running.

For the season, this boy Mullins has scored 311 points, hit 61 of 76 floor shots attempted and has averaged 80 percent of his foul shots. Duff has 205 points while Mack Stone, with 204 points, has an average of 39 percent for floor shots during the season.

Garrett enters the tournament with a record of 1290 points scored 20 1000 for the 24 opponents.

tion also might be thrown up by picket lines.

Firms which would be directly affected by the looming strike are the Western Electric Company; Pacific, Southwestern and Mountain States Bell Telephone Companies, with 100,000 workers said to be ready for the walk-out and 220,000 others, ready to respect picket lines.

The Communications Workers of America, CIO, are asking a 25-cent hour wage increase, shorter hours and an improved pension plan.

At Atlanta, Southern Bell Tuesday rejected union demands for wage increases which the company said would total \$15,500,000 annually. Strike ballots have been sent to 32,000 members of the C. W. A.'s southern division who are asking a 15-cent-an-hour increase.

The strike deadline is 8 a.m. tomorrow (Friday).

Funeral rites were held Friday from the Kilgore-Coller Funeral Home, Catlettsburg, for John W. Mitchell, former Floyd county merchant, lumberman and livestock dealer who died, Feb. 18, at his Catlettsburg home.

Mr. Mitchell was born and reared on Big Man Creek, the son of Abby and Irene Beck Mitchell. Surviving are the widow, Mrs. Victoria Akert Mitchell, four sons and two daughters, Halter and Walker Mitchell, Logan, W. Van, Tanswell Mitchell, Ashland, Ezra Mitchell, Detroit, Mich., Mrs. Hattie Fossitt and Mrs. Hager Shelton, both of Catlettsburg.

Burial was made in Catlettsburg cemetery. Pallbearers were James McQueen, former Prestonsburg man, Jack Shelton, Wallace Mitchell, Charles Mitchell and Douglas Tack-

Junior Women Vote Funds to Red Cross

Contributions to the Red Cross drive and the Penny Art fund were voted by the Prestonsburg Junior Women's Club at its Tuesday evening meeting, held at the home of Miss Bureta Gearheart. A resolution commending the Hoover Commission report also was voted.

Applications of six persons for membership were considered at the meeting, and it was decided to award the place setting of silver to be given away by the club at invitation of the Helen DeJager center here, the evening of Feb. 27.

Attending the meeting were Mrs. W. O. Allen, Alvin Reed, J. Webb, Jr., Fred Cottrill, H. D. Fitzpatrick, Jr., Mrs. N. L. May, sponsor, and Miss Gearheart.

BETSY LAYNE WINS NO. 21

BEATS AUXIER, 69-54 The Betsy Layne Bobcats defeated the Auxier team 69-54 at Auxier last night (Wednesday). It was victory No. 21 for the Bobcats against 16 losses during the 1949-50 season. Five of Betsy Layne's games played in the Big Sandy conference tournament count as only one in schedule commitments.

The last game of the season for the Bobcats will see them shooting for victory number 22 in a game with Helder Primary night.

Frankie Crain, Bobcat center, collected 14 two-pointers and eight ten free throws attempted for a total of 34 points to pace his team. "Mighty Mike" Paul Hager, Auxier's five-foot-five guard, stacked up 28 points. Hager's first-half scoring was the contributing factor to the Hornets' haltime margin.

Previous to the Auxier tilt, Betsy Layne suffered two hard-fought losses. Martin thumped the Bobcats 67-45 in a return game Friday night and Garrett pummeled Layne, 67-50, in a close one Saturday night.

Class Names Officers At February Meeting Officers and committee chairman of the Beta Beta class of the Methodist Sunday School were announced following the February meeting of the class at the home of J. M. Crain.

New officers are: Mrs. Fred Dickerson, president, Miss Agatha O'penheimer, vice-president, Mrs. Carl Miller, secretary-treasurer. Mrs. Dickerson named these committee chairman: Spiritual Life committee, Mrs. Burl Spurlock; Epiphany, Mrs. Martin Lee May; Program, Mrs. Thomas B. Thompson; Membership, Mrs. R. V. May; Flowers, Mrs. Thomas Hereford, Jr.

The business session was followed by an interesting program presented by Mrs. Carl Horn, who was assisted by Mrs. Lois Taylor. Refreshments were served to Misses Ed Taylor, C. V. Kibbaum, Martin Lee May, Eddie Worland, Harry Ranier, John W. Sutherland, J. M. Crain, Fern Burke, Fred Dickerson, Frank H. Layne, Wm. Hugh Smith, Palmer L. Hall, Claybourne Stephens, N. L. May, Denzell Whitten, Carl Horn.

Next meeting of the group will be held Feb. 28, at the home of Mrs. Thomas B. Thompson.

United Mine Workers as a union and not the officers—has brought no results in two days except further fuel famine, more plant shutdowns, and scattered violence.

Negotiations in Wilmington drew shorter and the recesses longer. No progress was visible; demands grew for federal seizure of the mines.

A federal responsible government official said the Justice Department may first try "filling some more papers" to broaden the contempt citation. He suggested that Federal Judge Richmond B. Keesh may be asked to add the names of Lewis and some of 24 district presidents in the soft coal areas to the contempt citation.

The official said the government, under penalty of the contempt citation Monday, lacked evidence to do more than make a blanket complaint against the 576,000-member union. Now, he said, more specific charges may be lodged.

This dovetailed with reports—from both union and industry sources—that Federal Bureau of Investigation agents have been busy in the coal fields, assembling evidence on the union's effort—or lack of effort—to comply with the court's back-to-work order.

Lewis, who has twice writhed his defiant men to resume digging, smiled gently as he left each bargaining session, and said not a word.

As for legislation authorizing a seizure of the mines, the White House obviously regarded such a step as a last resort to be taken only if all other efforts fail.

Senator Morse, Republican, Oregon, believes the time has come. "Unless it becomes apparent that the President can't handle the situation under present law,"

Administration leaders in Congress were said to be waiting on the White House. And the last word from the White House was that Truman neither has nor wants seizure power.

NOTICE TO TAXPAYERS

After February 28th, a 6 percent penalty will be added to all unpaid tax bills. All taxpayers have had one or more notices of the amount of your taxes.

The law requires the sheriff to collect taxes on all motor vehicles. Many car and truck owners have been evading payment of these taxes. I expect to do as required by law, and all those who fail to pay their taxes will be put to much extra cost of having a sale made of these vehicles.

Your Friend,
TROY B. STURGILL,
Special Tax Collector.

the cost of repairing and maintaining the gym. Use of the gym may be had for other purposes, with permission of the City Board. Rights for County Board use of the building extend only till such time as when the County Board establishes adequate gym facilities for its high school program here, or when it permanently discontinues use of the gym. Full title to the gymnasium then passes to the City Board.

5. Tuition—The \$35,000 credited by the purchase of high school pupils residing in the independent district. After that sum is exhausted, the City Board is to pay tuition to the County Board, in two installments each year—at the end of the first semester and at the June meeting of the City Board, or as soon thereafter as the exact cost of tuition is determined.

The method of determining tuition charges is set forth in this way:

By determining the per capita cost of educating each pupil in the Floyd county district as a whole by dividing the total amount disbursed by the County Board for the school year by the number of the average attendance and the average daily membership for the year. Not to be counted as disbursements by the County Board are revenues accrued and expended from bonds, payments made by the state for the lunch program, payments to the County Board for veterans' and special vocational training and amounts used in the payment of temporary loans. The average cost thus arrived at each year will be the charge per pupil for Prestonsburg pupils. A pupil attending school less than one semester will not be considered in calculating the tuition bill.

Joint operation by the two Boards of the high school will continue, as before, till July 1. Otherwise, the terms of the agreement become effective immediately upon signing, and teachers for the coming school year will be named by the County Board.

CLUB-IN FIRST MEETING

Services Held In Ohio For Maude Huff Brown, Native of Hueysville

Funeral of Mrs. Maude Huff Brown, 42 years old, native of Hueysville, this county, who died Feb. 12 at a Portsmouth, O., hospital, was conducted last Wednesday from the Emmerick Funeral home chapel, Portsmouth, and burial was made in the Rushton, O., cemetery. Mrs. Brown died following an operation.

She was a daughter of the late John W. Huff and Belle Baldridge Huff, and was a member of a well-known Right Beaver Creek family. Mrs. Brown had been a member of the Methodist Church since girlhood. She was first married to Arvid Spradlin, and to this union two sons and one daughter were born. After Mr. Spradlin's death she was married to J. H. Brown, who survives. She had lived in Ohio for the last 13 years.

Surviving, in addition to her husband, are the following children: Jack and Robert Spradlin, both of Portsmouth; Mrs. Jean Turner, of Texas; Ioranda and Barbara Brown, both of Portsmouth; also leaves one brother: Allan Huff, of Dema; five sisters, Mrs. Ella Conley, Waverly, O.; Mrs. Ella Smith, Mound, Mo.; Sally Rauff, Prairie, Mo.; Lawna Francisco, Pikeville; Mrs. Sue Little, Huntington, W. Va.; two half-brothers and two half-sisters, Johnny Huff and Mrs. Addie Hatfield, both of Charleston, W. Va.; Harry Huff, with the army in Germany; and Jean Huff, address unavailable.

Spokey, Wash., was the first large American city to abandon use of street cars as a municipal conveyance. They were replaced by buses in 1939.

Claybourne Stephens, Well-Known Teacher, Dies Here Saturday

Claybourne Stephens, retired teacher and member of a well-known Floyd county family, died Saturday morning at the home of his daughter, Mrs. Fanny Jarrell, of complications following a protracted illness. Mr. Stephens, who was 80, submitted to an operation two months ago, and never recovered.

A son of the late Green and Malinda Stephens, he was born on Stephens Branch. He was educated in the Floyd county schools and at approximately 40 years taught in this county. He was one of the first teaching veterans of the county to retire under the state teacher retirement plan. Mr. Stephens was a member of the Methodist Church.

Surviving are his widow, Mrs. Fanny Jarrell Stephens, his daughter and the following brothers and sisters: John Stephens, of Water, Wm. Stephens, of Sam Shattuck, Jeffersonville, Ky., Mrs. Florence Crisp, Martin, and Mrs. Cynthia Prater, Water Gap.

Funeral rites were conducted Sunday afternoon from the home here of his granddaughter, Mrs. J. Lee Hall, the Rev. Jesse Stratton and Wm. Hugh Smith officiating. Burial was made in the family cemetery on Bull Creek under the direction of the Arnold Funeral Home.

Mrs. Ruhamah Eden Mabry Succumbs Tuesday Here At Home of Daughter

Mrs. Ruhamah Eden Mabry, widow of Elijah Mabry, died Tuesday morning at the home here of her daughter, Mrs. Fanny Jarrell, after a long illness of heart disease. She was 68 years old.

Born in Tennessee in 1864, Mrs. Mabry came to Kentucky at the age of 2, and resided in Carter and adjoining counties till 11 years ago when she came here to live with her daughter. She was married to Mr. Mabry in 1884, and to this union were born 11 children, of whom 10 survive. She had been a member of the Baptist Church more than 60 years, and was revered by all who knew her.

Surviving sons and daughters: G. S. Mabry, Rankin, Ill.; E. E. Mabry, Luck, W. Va.; E. H. Mabry, Centerville, W. Va.; Rhoad Mabry, Olive Hill, Ky.; Mrs. C. A. Horton, Sandy Hook, Ky.; Mrs. C. E. Griffin, Exton, Ill.; Mrs. J. W. Sagvays, Bloomington, W. Va.; Mrs. O. E. Walton, Armstrong, Ill.; Mrs. J. L. Oppenheimer, Prestonsburg; two brothers, Tom and Lonsburg.

Funeral services were conducted at 10 o'clock Wednesday morning from the Rev. Wm. Hugh Stratton, of the Baptist Church, at which the body was taken to the home in Olive Hill. Burial in the Lawton cemetery, near Olive Hill, was made Tuesday (Thursday) under the direction of the Carrier & Callahan Funeral Home.

DISABLED EASTERN KENTUCKY MINER GETS A NURSE AND HIS NURSE GETS A LIFETIME PATIENT—WHEN THEY GOT MARRIED!

Fethi Amboy, N.J. Feb. 10—Ben Combs, married his nurse recently and his nurse got a lifetime patient. Combs, 22, is 6' 10" tall and weighs 175 lbs. He is a white man in the Hudson Orthodox Church of St. Spurgeon, Newark, N.J. He stood beside her in a New York wedding gown. The bridegroom has no legs. He paralyzed from the waist down. He has been a cripple ever since he was 10 years old. He has been in a Kentucky mine for five years. Combs and his bride met at the Kew-Forest Institute for Rehabilitation in West Orange, N.J. when he was in training. It was in 1947. He was in the hospital. Combs said he hoped his nurse was going to be more than a nurse and a wife.

"We were going to be a team," he said. "We are going to Kentucky to form an institute to help other miners who have suffered injuries similar to mine." "They had a big church wedding and a reception at the home of the bride in South Amboy. Dr. Walter S. Taylor, Louisville, N.C., who is professor was not man. He wheeled Combs to the altar with the bride. The bride was Mrs. M. M. Collins. It was a traditional 40-minute ceremony and the couple was married after it was over. Combs, of Kew-Forest, N.J., said they were going on a five-day honeymoon to Carmel, N.Y., with him at the wheel of a specially fitted automobile. They will return to the institute where he is learning to walk on artificial legs. After his training is completed, they plan to go to Kew-Forest, N.J., to open their own rehabilitation center.

METHODIST CHURCH NEWS

We had excellent attendance at our Sunday school in spite of a cold day. A social number of those present remained for church services which began at 10:30 a.m. We were happy to have Dr. and Mrs. M. M. Collins at the service.

Bill Osborne celebrated his birthday this past week. We could easily make his age by the number of presents he dropped into the Birthday Mail.

The Junior class won the attendance banner and the seniors won the collection banner. Our basketball team played Allen and just took and won a victorious game. Let's cheer behind our boys by attending all games that we possibly can.

Don Otis Jr. went on record Sunday to ask our representative in Frankfort to dispose of the bill which would change the closing hours of restaurants. We feel we have good members who will now enforce the law and every Christian or good citizen should stand by to see that we have proper laws.

The Sewing Club met with Mrs. J. M. Price on Friday. After the sewing and reading business meeting, 10 members were present. The following members: Mesdames E. C. Blanton, Clark Ingers, Morris Peters, O. J. Webb, Lark Martin, V. A. Hove, Roberta Stone, Joe Morgan, and a guest, Miss Sylvia Patton.

In the Wheeling Mountains, South Africa, natives, inclined to help but cut a vein line, refused to be hit and God started the rain to stop it.

IF THE MATTER OF CLOSING HOURS FOR PLACES OF ENTERTAINMENT

It is ordered by the court that the order fixing the closing hours on places of entertainment outside the corporate limits of any incorporated town in Floyd county, Kentucky, be amended as follows:

1. That the hour which a place of business may open is changed from 9 a.m. to 8 a.m.
2. That any establishment operated exclusively as a restaurant can operate from 5 a.m. to 10 p.m. upon the Sabbath day, provided it does not offer or furnish any entertainment other than a sales booth, and that all music machines and pin ball machines be discontinued and not operated on Sunday.

KENTUCKY ON THE MARCH

By EWING GALLOWAY

I learned something about Jimmy Bates when he was nine and during most of the five subsequent years I thought of him as a possible manager of the KO farms when he got along about 20. His father, the late James J. Bates, who died last spring, delighted in telling me about the boy's agricultural exploits. But at 14 Jimmy is bent on being his own boss forevermore, and when you have read this story you can see why my friends, who spent last week-end in Ashland visiting Mrs. Moore's mother, who is ill.

An average day in Jimmy's day begins at 5:30 a.m., when he literally jumps out of bed, puts on his work clothes and rushes out to milk Betsy, a four-sallon-a-day Guernsey. No alarm clock; it's a habit. There he turns Betsy and other cattle, including a dry cow or two, and some vealers, out to pasture. Next, he throws corn to a small flock of extra good hens and lays 45 four-egg shers. A scrubbing, a quick change into school clothes, a hearty breakfast with his sister, Frances, second-grade pupil, after which the two catch a 7:45 bus for the Weaverton consolidated school. Jimmy got his taste for farming from his father, who in half a dozen years on a 40-acre farm on U.S. 41, south of Henderson, did a truly wonderful job in livestock raising. The Bateses had been city people Club Thursday evenings. They were accompanied by their director, Mrs. Harry Redler. Those who enjoyed the occasion were Peary Bussert, Shirley Hager, Helen Hammond, Allen Zollman, Betty Jane Tenney, Janet Ward, Sue Thompson, Donald Ray Carver and Billy Bussert. Keim's Collins spent the week-end with his grandparents, Mr. and Mrs. Bill Burchett, at Cliff.

Jimmy is fighting for a larger share of the foreign tourist crop—particularly of the Argentines who make up 80 per cent of its usual visitors—by cutting hotel rates for foreign guests by 30 per cent.

Initial Unemployment Insurance Claims Jump To 21,068 In January

By Ewing Galloway

Rains and floods, together with the usual post-Christmas seasonal slumps, teamed with the coal mining stoppages to skyrocket initial unemployment insurance claims to 21,068 in January, according to a report from the Department of Economic Security.

The annual claims, which indicate job layoffs, jumped 54 per cent over the December number and reflects the highest new jobless claim activity for any month since April 1939.

The report, issued by O. B. Hannah, UI Division director, at Frankfort, noted that while continued increase over December, sharper gains can be expected this month as a result of the heavy new claims load registered in January. Total benefits paid in January decreased six percent from December to \$1,222,312.

Hannah listed six primary causes for the heavy load of job displacements last month, as follows: 1. Construction activity slumped due to weather conditions; 2. Retail and wholesale trade establishments released workers following the holiday peak; 3. Some mines shut down and workers were released in other industries due to the coal situation; 4. Floods in western Kentucky resulted in layoffs; 5. A labor dispute in Louisville killed 3,000 workers who were not directly involved; 6. Seasonal and market factors caused other scattered layoffs.

Expect 7,000 Enrollment At University of Kentucky

By Ewing Galloway

With Tuesday of last week as the last day of enrollment, University of Kentucky officials expected final figures to show a second-semester student body numbering approximately 7,000.

Dr. Lee Sproles announced previously to Tuesday that second-semester enrollments had already reached 6,575. That number, he said, included 6,140 on the Lexington campus, 204 at the College of Pharmacy in Louisville and 231 at the northern extension center at Ogeesongton.

The Boy Scouts of America was granted a Federal Charter in June 19, 1946, giving the organization full protection of titles, uniforms, badges and insignia.

Mr. and Mrs. Henry Dalley of Milton, W. Va., were week-end guests of Mr. and Mrs. Roy Gearheart.

J. F. Howell and Edna Martin were in Prestonsburg Saturday on business.

Mr. and Mrs. A. J. Gearheart were in Prestonsburg on business.

John C. Frazer is in Louisville for a medical check-up at the Veterans' hospital.

Mr. and Mrs. Burgess Compton attended Beaver church Sunday.

Mr. and Mrs. J. P. Howell and son attended the theatre at Martin Sunday.

Mr. and Mrs. Glen Rogers have moved to their new home at Price, 15, 1916, giving the organization full protection of titles, uniforms, badges and insignia.

Health Department Begins State Survey of Methods Of Collecting Garbage

A statewide survey of methods of garbage and refuse collection is being conducted by the State Department of Health's Division of Sanitary Engineering, says F. C. Dugan, Director of the Division. Questionnaires have been sent to sanitarians in all county health departments requesting information about how and how often garbage and refuse is collected in communities of 1,500 population or more, what disposal method is used and what the cost of the present system is to the community.

Mr. Dugan said that information obtained in the study will be useful in his division in comparing costs and effectiveness of various methods, so constructive advice can be given to towns interested in improvement. Many cities have satisfactory ways of collecting garbage and refuse but disposal of wastes in an insanitary manner which invites flies, other disease carrying insects and rodents. Adequate refuse disposal is the greatest importance in the prevention of filth-borne diseases.

Since the manner in which a community disposes of its refuse and garbage is often a reliable indication of the general level of environmental sanitation, the present survey is expected to be of great value to the Division of Sanitary Engineering in planning its program of improvement in sanitation for all counties in the state.

MASTER COMMISSIONER'S SALE

FLOYD CIRCUIT COURT

T. S. Haymond, Plaintiff,

Vs. NOTICE OF SALE

Steve Sherman, et alia, Defendants.

By virtue of a judgment and order of sale of the Floyd Circuit Court rendered and entered at the February term, 1949, in the above styled cause I shall proceed to offer for sale at the Courthouse door in Prestonsburg, Kentucky, to the highest and best bidder, at public auction, on the 27th day of February 1950, at 1 o'clock p.m., same being the first day of the regular term of the Floyd County Court, upon a credit of 6 and 12 months, the following described property, to-wit:

Located near Brill-on-Right Beaver Creek, in Floyd County, Kentucky, beginning at an elm tree, thence running up the hill a straight line to the corner of a stone wall; thence an easterly course following the stone wall to a specified mark; then a southwesterly course to a locust post; thence east 8 1/2 feet to a locust post; thence down the hill a straight line to a post, a corner of M. E. Martin property; thence in the same direction a straight line to the Wells Ekhorn railroad siding; thence along the railroad right of way to a point opposite the elm tree near the beginning; thence a straight line to the elm tree; containing three-fourths of an acre, more or less.

A space of four feet is reserved for the use of a road only between the property of Green Stone Jr. and the grantors herein above the stone wall. Beginning below the stone wall a wagon road eight feet wide is reserved for the use of Green Stone Jr. and the grantors herein, only as a road, down to the Wells Ekhorn Company railroad siding; thence to the bridge; thence to the corner of Landon Martin's line on the east corner.

Said property will be sold to satisfy a judgment in the above styled action for \$3480.10, and interest thereon \$387.71, making a total of \$3867.81, and the cost of this action.

For the purchase price the purchaser must execute bond with approved surety or sureties, bearing legal interest from the day of sale until paid and having the force and effect of a judgment with a lien against upon said property as a further security. Bidders will be prepared to comply promptly with these terms.

Given under my hand, this 6th day of February, 1950.

J. B. OLARKE, Master Commissioner Floyd Circuit Court. Cost of advertising \$15.75.

NOTICE

Having sold my interest in the Beaver Valley Lumber Company, Martin, Ky., I am not responsible for any indebtedness, past, present or future, incurred in the name of said company.

You Have A Vital Stake In Telephone Bargaining:

It's YOUR money that pays telephone wages

Southern Bell Wages and Working Conditions Already Are Among the Best--Any Increase in Wages Would Have To Be Paid By Telephone Customers--There Is No Other Way Wage Increases Can Be Paid

You have a vital stake in telephone wage negotiations, for it's the money you pay in to us that we pay out in telephone wages.

Telephone employees are well paid. Their wages compare favorably with the wages paid by other concerns in the community for work requiring similar skills.

Telephone wage rates have been increased 117 pct. since 1939, compared with an increase of less than 70 pct. in the cost of living.

But wages are not the whole story. Telephone employees have the advantage of steady work, with no seasonal layoffs. They get vacations with pay, up to three weeks, plus six holidays a year. In addition, they enjoy the real security provided by one of the best pension and benefit plans in any industry. Among other things, it provides:

- A pension with a minimum of \$100 a month, including Social Security, at age 65, and liberal provisions for earlier retirement.
- Sickness and accident benefits, up to a full year's pay, depending on length of service.
- Death benefits, up to one full year's wage, depending on length of service.

What About The Contract?

Southern Bell and the CWA-CIO are engaged in collective bargaining on wages at the request of the Union. We earnestly hope that a settlement can be reached that will be fair to the employees, to telephone users and to the company. Meanwhile, the public has every right to expect uninterrupted service under the present contract between the company and the Union, which provides that, quoting the contract itself, "UNDER NO CIRCUMSTANCES MAY IT (THE CONTRACT) BE TERMINATED EARLIER THAN JUNE 5, 1950."

'Round and 'Round She Goes!

THE Kentucky Legislature, which plays mouse when confronted by the racing, liquor and tobacco interests and their demands, threatens to turn lion in the hunt for money.

It is consistent in its refusal to levy additional taxes on pari-mutuels—to mention several things which could be taxed and yet not destroyed—even though education and the teachers which represent education urgently claim a greater appropriation is needed. Thus it bows to the interests.

In the same breath, almost, it paradoxically becomes so emboldened by the love of money for its own self that it challenges the teachers to do their worst. For the House of Representatives already has voted each member of the General Assembly an additional pay of \$1,200 per annum. And the Senate doubtless will follow suit. This means \$1,600.00 per year extra to the state's legislators—\$1,200 a year for each in addition to the \$15 a day they already receive during General Assembly sessions.

This the House voted after denying teachers their claims for higher pay at a time when higher salaries are the rule and certainly not the exception; with the legislators moving in a pitiless spotlight as members of the cast in a play (drama, tragedy, farce?), with the teachers themselves out there beyond the footlights, dead, by serious onlookers.

This is enacted the Lion and Mouse act.

Were the situation not such as it is, The Times might see some justification for more pay for the lawmakers. But a pay increase of one hundred per cent for Representatives and Senators and a raise of less than one per cent for teachers—no!

A pay increase for legislators at a time when they refuse to meet a crucial situation by imposing more taxes on, for one thing, parimutuels? Hardly! Racing could stand a five per cent tax, and yet flourish. As witness, Hialeah in Florida; attest, Santa Anita in California. But Kentucky, the home of thoroughbred horses, cannot afford the Legislature is told and the Legislature would pretend to believe, more taxes on its racetrack gambling in order to provide Kentucky's children better teachers and educational opportunity of a higher type.

The Legislature does quickly agree on the contrary, that higher pay for legislators will improve the quality of the men and women who will serve in future General Assembly sessions.

And The Times would agree, but for one doubt. We very much doubt that Kentucky voters are either willing or able to elect men worthy of their hire as state legislators, regardless of the salary.

A higher type of citizen—a citizen who wants good government more than he wants to see a cousin or a needy friend in office—is necessary before a Legislature, or any other group of officials, of a higher type can be expected.

And that completes the cycle. That brings us back to the schools where, presumably, at least, citizens are educated and trained for future service as sound, honest voters—and even as legislators.

Senator Chapman, Friend Of Canalization, Named To Appropriations Body

Washington, D. C. Feb. 13 (AP)—The hand of Kentucky Senator Virgil Chapman has been strengthened in dealing with public works as a result of his recent appointment as an ex-officio member of the powerful Senate Committee on Appropriations.

At the direction of Chairman Charles (D. N.M.) of the Senate Public Works Committee, Chapman will sit with the Appropriations subcommittee which handles all fund requests on public works.

Through this subcommittee, plans of the Army Corps of Engineers for flood control and rivers and harbors projects are translated into dollars. It is known as the watchdog group of the army's civil functions.

The arrangement to have some Public Works Committee members share Appropriations committee responsibility came from Congress move to set up efficiency in the Reorganization Act of 1946. To Senator Chapman it means a chance to take a double look at all projects, many of which are in Kentucky. As a member of the Public Works Committee he will help authorize them and then will assist in putting up the money for them.
