227 RECEIVE CANCER AID

Cancer Examinations, Treatments Are Cited To Stress Importance

Approximately 227 Floyd county cancer patients were either examined or treated last year, Dr. Marvin Ransdell, county health officer, announced this week in stressing the importance of the Cancer Control program in Kentucky and urging the observance here of Cancer Month.

April is annually designated as Cancer Month by proclamation of the President and Governor, and funds raised during this time are used to finance much-needed research, education, case finding and care of the indigent.

At present there are 18 diagnostic and treatment clinics located throughout the state, one of which is maintained at Pikeville for this section. More than 11,000 indigent patients were examined or treated in this county during the period from July 1, 1948 to June 30, 1949.

The Commonwealth was the first state to have a Cancer Symposium for the medical profession, which is conducted annually each fall at Louisville and the only state to have an annual course of summer education for teachers and nurses. It has the only cancer clinic approved by the American College of Surgeons in a state institution in the U.S.A. and the only one approved likewise in a negro hospital.

Among other benefits derived from the Kentucky program is that the Kentucky Division will supply surgical dressings to all medically indigent patients. Dr. Ransdell said.

Each dollar of funds raised secures Kentucky, up 60 cents, 25 cents go into research and 35 cents go into the cancer control program. The cooperative research, education and professional and public service. The Kentucky portion is divided and administered as follows:

Hospitalization of medically indigents, 35 per cent; transportation of medically indigents, 10 per cent; education, such as films, literature, etc., 10 per cent; and administration, 5 per cent.

The far-reaching effects of the Cancer Control program and the direct benefits to the state and Floyd county are particularly evident, Ransdell declared. He noted that one out of every five persons now living in the United States will have cancer at some time during life, according to current statistics.

PROCLAMATION

Whereas, cleanliness is always a virtue, and is sought by every citizen and every community; and whereas, the State of Kentucky, in season of beauty amid which the people live, is doubly bright and clean; and whereas, it is the duty of every citizen to see the community through cleanliness; and whereas, it is to the advantage of the State and its citizens in more than a physical way, to dwell in clean, wholesome surroundings in which they will thrive;

NOW, THEREFORE, I, Curtis Clark, Mayor of the City of Prestonsburg, do proclaim the week of May 1-5 "Clean-Up Week" and call on all our people to join in the work of cleaning up their premises of the winter's accumulation of dirt and debris, and to paint and otherwise beautify their buildings and grounds.

Done, this 18th day of April, 1950.
CURTIS CLARK,
Mayor of Prestonsburg, Ky.

Mrs. Goble Succumbs To Stroke at Emma; Rites Held Tuesday

Mrs. Mary Woods Goble, 71 years old, widow of Alex Goble, succumbed at her home at Emma Sunday night to effects of a paralytic stroke.

A daughter of John and Mary Crum Woods, she was born and reared in this county where she had many relatives and friends. She had been a member of the Methodist Church for 25 years.

Survivors include seven sons, John Goble of Ivel, Ballard Oliver, Richmond, Columbus and Raymond Goble, all of Emma, and three sisters, Mrs. Elizabeth Selzer, Pikeville, Mrs. Nora Burkett, This Ky., and Mrs. Grace Jarrell of Wood Ky.

Her funeral was conducted Tuesday morning, the Revs. Isaac Strickland, Henry Crider, Levan Burdette and the Vanderpool officiating. Burial in the family cemetery at Emma was under direction of the Arnold Funeral Home.

James and Orchestra To Feature Eagles' New Home Opening

Jimmy James and his "Dixie-Land Band" show and orchestra will headline the dance show at the formal opening of the fraternal order of Eagles' new home here Saturday, April 29. It was announced this week.

The orchestra comes to Prestonsburg direct from radio station WLW and the KPC network. The Eagles have gone "all out" to bring the finest entertainment available for their grand opening party.

In addition to the big dance and show which will take place between 7 p.m. and 2 a.m., Saturday night, the club has scheduled the very popular musical trio, the "Freakie Cats," to play for the open house during the afternoon between 2 and 5 p.m. and from 8 to 9 p.m.

The Eagles' new home at the upper limits of Prestonsburg was completed only a few weeks ago.

WAY CLEARED FOR WELFARE PAY TO BEGIN

Remuneration Seen Soon; Say \$25,000,000 In Fund, Royalties Due Last Week

John L. Lewis and other trustees for the miners' welfare fund have cleared the way for an early resumption of \$100-a-month pension payments and other benefits. It was announced in Washington.

Seavay Bridges, who is stepping out as the neutral member of the three-man board of trustees, said on the record \$25,000,000 in welfare money was turned over to the new trustees.

Members of the new board, who are expected to order payments started almost immediately, are Lewis, the United Mine Workers president; Miss Josephine Roche, who succeeds Bridges as trustee; and Charles A. Owen, former president of the National Coal Association, representing the operators.

The money turned over was collected after the old coal contract expired last June. First royalty collections from the operators to augment this total were due to be earmarked for the union welfare fund on Monday of the past week under terms of the new contract which ended the June coal strike.

The welfare payments were suspended September 16, touching off a 20-day mine strike. Lewis blamed that suspension on Southern operators, who withheld their 30-cent-a-ton royalty payments. The new contract expired June 30, 1949.

WELFARE BOARD Chairman Van Horn, who sought to remain an operator trustee of the old fund September 16, did not attend the April 15th meeting of the trustees. He had formed Judge Charles I. Dawson of Louisville, who had been selected by their representative Lewis, never consented to a seat Dawson, and the Louisville attorney had started suit for a place on the board.

Bridges, after the meeting with Lewis, said the money on hand was turned over to the 1950 welfare committee that the pensions, disability, medical, hospital, and unemployment benefits would be resumed immediately.

Bridges said the accounts covering his trusteeship since April 12, 1949, had been approved, as well as the accounts as a neutral trustee. The accounts were audited by a firm of certified public accountants, he said. Miss Roche, a former Colorado coal operator and one-time assistant secretary of the Treasury, had resigned as president of the huge welfare fund until her recent appointment as the neutral trustee.

Princess Elkhorn Head Sees Five-Day-Week For Firm until Dec. 1

The Princess Elkhorn Coal Company at David expects to work five days a week until Dec. 1 because of uniform order cancellations, David L. Francis, Huntington, president of the company, told members of the Press-Popular's Club of David at their monthly dinner meeting which was held Friday evening at the Brown hotel.

The same bright future for the industry as a whole he did not predict, however. Turning to the record of the past year, he said the industry's 1950 history might be aptly twisted to spell "lysteria."

While the operators lost, last year, everybody lost, he declared—the miner so much that 14 years' work at the normal running time in the past would be required to regain for him the wages he lost.

NAME MISS CRAWFORD MAY FESTIVAL QUEEN AT PIKEVILLE COLLEGE

Jane Crawford of David, was elected Queen of the Pikeville College May Festival by a recent vote of all the college students. President A. A. Page announced this week.

Betsy Ann Martin of Garrett, was chosen one of the three attendants to the queen, and Al Snyder, of Deloy Layne, was selected as one of the escorts to the attendants.

Bill Cooley, of Van Lear, was elected Prince Consort to reign with the queen over the annual festival on the evening of May 4. Dr. Page, Elizabeth Carsons, Phelps, Mae Nell Crum, Pikeville, Can Cook, Kona, and Andy Renick, Bowling Green, will complete the court.

Being in the Air' will be the theme of this year's May Festival, with all students of all departments of the school participating. It was announced, various groups from the College, A. A. Carsons, and the other feature acts, climaxed by the traditional Maypole Dance.

Miss Crawford is a daughter of Mr. and Mrs. Wm. Crawford of Clark.

Clerks Advised Federal Tax Stamps Should Be On Deeds and Leases

County Clerks should see that federal tax stamps are put on deeds and leases. Assistant Attorney General Iva Williams informed Magellan County Clerk Loy Reed Monday.

Williams cited that, first, it is the duty of county clerks to do this, and secondly, such stamps often are the only way the State Revenue Department can determine the value of land and leases for assessment purposes.

Since such records are used to compute a county's ratio to the state-wide property assessment, Williams explained failure to see that the federal stamps are attached may endanger a county school district's share in state school-education funds.

Kiwanians Hold First Luncheon Meeting Friday

The Kiwanians held their first luncheon meeting at 12:30 p.m., Friday at the Baptist Church. Mrs. Wm. Hugh Smith, president over the business session and Mrs. Harry Federer, of David, had charge of the meeting.

The tables were beautifully decorated with red American Bibles, roses, a gift from the Kiwanis Club, which were later presented to Mrs. Smith. The important committee was composed of Mrs. Woodrow Burdette, Mrs. Robert Francis, Mrs. Wm. Hugh Smith, Mrs. Charles Clark, Mrs. Paul Conroy, Mrs. Max Barre, Mrs. Wm. Crawford and Mrs. I. C. Spoke, of David.

Those attending the luncheon besides the hostesses were Mesdames Ed Latta, Marshall Mathis, J. B. Chalker, James Campbell, M. W. Smith, Bill Goble, Woodrow Greenway, W. A. Rose, Val Strahan, M. Robert Wagner, Fred Francis, and Mrs. Harry Federer and Walter Creech, of David.

That nice little home that you, the wife and kids live in—if on the way to work in the morning a driver caught you with a couple of jons of mopey automobile, would that little home you are paying on be torn suddenly into a home with a big blue sign in the front yard? Or would that home be left debt free for you, loved ones?

For just a few dollars a half percent in addition to your present rate at savings banks my company will guarantee that the owner of your home will be able to pay off a \$5000 mortgage on your home and you'll be debt free. May I discuss this matter with you?

IN THE TIME OF NEED
On the afternoon of Thursday, April 13, I came back to town and as per previous arrangement became the houseguest of Mr. and Mrs. J. D. Mayo. Here for days I have been the recipient of meticulous care, both domestic and professional. My greatest joy is that some Christ can really enjoy such ministrations as have been bestowed on me in this hour of need. For we know that all things work together for good to those who love the Lord.

Club Hears Change Read In By-Laws at Meeting; Nominates New Officers

The Prestonsburg Woman's Club held the home of Mrs. J. D. Mayo on Thursday evening, April 8, with Mrs. Winston Ford and Mrs. Marshall Mathews acting as co-hostesses. Mrs. E. S. Collins, president, was in charge of the meeting which was devoted to reading the by-laws and followed by the reading of the club's creed by Mrs. Wynne Ford.

A change in the by-laws was read by Mrs. John C. Archer. Major changes were the addition of a second vice-president and a change in the amount of dues. This change is to be effective after Feb. 1, 1951. The club voted to send flowers to Mrs. E. F. Arnold, charter member, who is seriously ill in a Huntington, W. Va., hospital. Donations of \$5 were made to the Cancer, Crippled Children's and Red Cross funds.

The nominating committee, composed of Mrs. John Archer, Mrs. Robert Wallace and Mrs. Robert Hughes named the following officers for the club year 1950-51: President, Mrs. Wall Hamilton; first vice-president, Mrs. Carl N. Woods; second vice-president, Mrs. Robert Wallace; recording secretary, Mrs. Russell Shaw; corresponding secretary, Mrs. Anna Deane; treasurer, Mrs. J. H. Keenan.

Installation of officers will take place at the May meeting in the parlors of the Methodist Church. At the same time, the club will entertain with a dinner, having as their guests members of the Junior Women's Club and Mrs. Carlton Wrightson, governor of the seventh district.

At the close of the meeting, the hostesses served a desert course to Mesdames E. S. Collins, John G. Archer, Wynne Ford, W. H. Smith, Carl Woods, J. H. Keenan, Russell Shaw, Marie Wilson, Max Burns, Val Strahan, M. Robert Regan, and Martha Sue May.

Club Committee Asks Schools' Aid in Drive To Help Needy Children

Harry Fiedler, chairman of the Kiwanis club's committee sponsoring the clothing drive, to be conducted concurrently with Clean-Up Week at the school, announced Wednesday that the work of gathering clothing and shoes, particularly those items of wear which will be of aid to children, will be carried on through the week of May 1-6 on a countywide scale.

The committee has arranged with county and city officials for their cooperation in the drive, and soon Mr. Fiedler and those working with him will send out to the individual schools requests for help. Each school will be asked to serve as a temporary repository for clothing gathered during the drive until it can be assembled at a central point.

"Many children missed school this year because they lacked things to wear, and others were enabled to be in school only through assistance of the drive," Mr. Fiedler said. "We are anxious to get clothing for these youngsters, in particular, but will be glad to have apparel for any age group. There's always somebody who needs such things."

STUMBO WINS STATE RATING

Youth Judged "Superior" In Annual Speech Fete; Others Accorded Honors

Delano Stumbo, Prestonsburg High school student and son of Mr. and Mrs. Stumbo, Lexington, won top rating that of "Superior" in discussion competition in the state-wide finals of the 30th annual Kentucky High School Speech Festival held at Lexington during three days of last week, it was announced here Monday.

Young Stumbo was accorded the honor among 70 contestants in his division. His subject was "The Editorial College Should Be Abolished," the President Elected by Popular Vote."

Two other Prestonsburg students, Miss Carol Jane Bradley, daughter of Mr. and Mrs. Smith Bradley, and Franklin Conley, son of Mr. and Mrs. Frank Conley, received state ratings in their respective divisions. Miss Bradley was entered in the dramatic reading event and Conley in oratory. Both were judged "Good."

Miss Toby Jo Spradlin, daughter of Mr. and Mrs. Glenn C. Spradlin, Prestonsburg, and a student at Pikeville College Academy, was rated "Good" in radio speaking. She represented her school.

An estimated 350 Kentucky high school students, by virtue of emerging with honors from the qualifying regional rounds recently held throughout the state, represented 107 schools from over the Commonwealth. Others from this section who competed in the state meet, and their ratings, were: Paye Eldleman, Paintsville, in dramatic reading, excellent; Nanetta Bentley, Phelps, in interpretative reading, Merit selection; good; Patty Wright, Pikeville Academy, in interpretative reading (humorous selections), good; Bob Marsh, Paintsville, in radio speaking, superior; Dottie Walters, Pikeville Academy, in interpretative reading (prose), good; Anlora Blackburn, Johns Creek, in junior high interpretative reading (prose), good; Leon Short, Johns Creek, in discussion, good; Billy Bradford, Tangle, and Dale Burchett, Johns Creek, both in extemporaneous speaking, good.

NOTE TO TEACHER APPLICANTS:

State regulations in regard to the issuance or renewal of Emergency certificates for the 1950-51 school year provide:

- 1) That these emergency certificates shall be issued only to persons who have slight deficiencies in qualifying for regular certificates.
- 2) Reinstatement of emergency certificates shall be considered on the basis of "successful experience" in total training, and a minimum of six semester hours of additional college work in courses related to the position, earned in the spring of 1950 in residence, or in study center or in workshops. (Correspondence not included.)

All teachers who taught the current school year on an emergency certificate and are applicants for the coming year must plan to meet the requirement of six additional college hours.

It should be noted that where an emergency certificate was issued during the current year on less than the required 12 semester hours of college work that certificate is not renewable on six additional college hours.

It should be further noted that the use of any emergency certificate teachers depends upon a shortage of teachers with regular certificates. If teachers in doubt about your situation, don't fail to inquire.

Prestonsburg Named For Visit of Louisville Chamber of Commerce

The Louisville Chamber of Commerce will visit Prestonsburg, June 20, on its first "get-acquainted" tour of 15 Eastern Kentucky towns, it was announced this week.

The Louisville Board of Trade, which the Chamber of Commerce succeeded, formerly made similar tours of this section. The special train leaving Louisville will bring 110 business leaders to this section. The group's itinerary in the Big Sandy will be completed, June 20, with stops here, at Ashland, Louisa, Paintsville and Pikeville. Next day, the scheduled stops include Whitesburg, Hazard and southeastern Kentucky towns.

"Free Rides" Can Cost Officer His Office, Says Says Asst. Atty. General

Any state, district, county or city officer can be removed from office upon conviction of accepting or using free passes over any transportation line in Kentucky, Assistant Attorney General M. B. Hoffield said this week in reply to a query from J. G. DeVault, Brookfield.

Hoffield stated that the Kentucky Constitution specifically prohibits officers from using such free transportation.

Mexico City's tow-away of cars illegally parked has become such a brisk business that the city recently acquired a new tow-car for the purpose.

This is Springtime, Time to Rhyme!

IN THE MIDDLE OF 1950 FOR WE CAN FIX IT **PDQ!**

Are Your Lights Right?
The Theme is REPAIR, REPAIR, RENEW—And it applies to Automobiles, too!
Does the motor conk, the horn won't honk, The battery plays dead, the upkeep's in the red? The darn brakes won't break your way in danger's wake, Your oil evaporates, leaks? The car is full of squeaks...
Spring's no time for a car to balk, act "muley." If it does, you'd better bring it down to COOLEY!

You'll Get All the Breaks...
Car troubles on top of this! Does a blamed spark plug miss, Or is it a valve stuck that causes the cussel' lack? Endangered each night because your lights won't light, Are breakdowns constant fears due to worn-out gears?
Is it "no go milee, too much fuelee!" Then cut the "Chinee," come to COOLEY!
Don't go ravin' and reelin' if all looks started peelin' And rusty holas have eaten till all looks weather-beaten! We take wrinkled "benders," out of mashed-in fenders And smooth that body-dent—without too much spent!
Just tell COOLEY the color, the shade, And get your car lasting paint first-aid!

Spruce-up Your Car...
Does worn-out seat covers mar the inside look of your car? Or is it floor mats you need to dress your motor steed? Remember, our accessories give what helps a car to re-live! So be springwise! Summerwise! Or, maybe, just plain wise!

the citizenry. These early preachers sermons were punctuated, every now and then, with his staccato "Praise the Lord!" This kept up till the time came to name the postoffice. Præise just naturally came to mind.

NICE GOING, KIDS

Somebody connected with The Mountaineer, monthly publication of Maytown high school, has some terrific good ideas about a new magazine. They succeeded, up there, in getting out an unusually interesting publication. I have gathered, for my fault a paper hat, so it follows that he should get the credit for its meritorious features. The editors of The Mountaineer are Betty May and Buster Spencer.

The April number carries out the theme of "The Mountaineer" in a grand style from cover through its contents. Libby May and Lillian Burnett, and Virginia C. Turner, faculty adviser, helped get right down to cases in an editorial on "What Mountaineers are Like." Then the new "Mountaineer" in great style in this section in an "As Others See Us" department, following up with a symposium of the Bluegrassers' views of its many other departments—and wind up the ball of yarn with brief sketches of great living Mountaineers.

But what tickled our fancy was the cover, done, rather, by school artists, Lorraine Allen and Lillian Burwell. Thereon are sketched a range of mountains, in the foreground the bow, 2 plus 2 equals 5, a cornucopia pipe, a miner's cap, a square rifle, a pistol, a pair of bare feet, mountains, a skunk, a diamondjuggler apparently full of "juice of the cawm," a pistol going "bang" and a banjo you might imagine playing "Swanee River."

The editors follow up with this statement: "On our cover are symbols of the Mountain State as many ridiculous, but all known too well to the outsider; many which we are unjustly identified. We wanted to add the title to our list, but the people so often do thought of it too late, after the stenographer was out."

"You know, I envy those kids. There, they founded away at a typewriter almost a quarter of a century and still this good day I haven't produced anything drawing as much newspaper comment as this effort of theirs!"

property, and in some instances were 89 per cent accurate. The new system will require comprehensive files with master index file and each individual piece of property on a separate card. When transfers of title to property is made the County Clerk will credit such information to the Tax Commissioner, thus affording the latter official to keep correct ownership records.

As a result of tax law revisions there will be no tax assessment made this year. The next assessment date begins Jan. 1, 1951 and will extend to March 1. Taxes for the year will be due, Dec. 31, the same year, thus removing the confusing time schedule hitherto in effect which had the taxpayer paying taxes on an assessment year and a half off.

In Webster county, it is estimated that between 1,500 and 2,000 yards of tobacco beds will be cleared this year with methy bromide.

six horse-power, and other minority groups, receive the maximum consideration consistent with the interests of the general public. Regulations which have been promulgated governing the use of Dewey Reservoir provide for special activity programs such as speed races, and temporary permits for such activities will be issued to responsible groups on request to our District Engineer at Huntington, West Virginia.

The safety of the general public when enjoying the recreational features of the reservoirs under the jurisdiction of the Corps of Engineers is of paramount concern to this office. You may be assured that vigorous efforts to fully inform the public of necessary safety precautions, to meet the needs of the public to the greatest practicable extent, and to supervise public use in accordance with established rules and regulations will be continued.

BEN SHORT, 35, DIES TUESDAY

Mar'in Jeweler Victim Of Two-Month Illness; Burial in Johnson-Co.

Ben Short, 35 years old, Martin Jeweler and well-known Big Sandy died early Tuesday evening at his home at Martin, victim of a liver ailment. He had been ill for the last two months, and his passing was not unexpected.

Mr. Short had resided in Martin for the last two years during which time he operated the Keathley Jewelry Store. He was a son of William and Vine Preston Short and was a native of Mealy, Johnson county. Mr. Short had been a member of the Church of Christ since 1938, and was a leader in church activities. He also was a member of Zebulon Masonic lodge here and during World War II saw 18 months' service overseas.

He was married Nov. 11, 1939 to Miss Virginia Stambaugh and to this union was born one son, Michael Ray. Surviving, besides his widow and son, are three brothers and one sister, Dan and William Short, both of Van Lear, Warmie Short, Mealy, Ky., and Mrs. Caney Pack, Van Lear.

A brief funeral service was conducted from the residence at Martin today (Thursday) noon, followed by last rites conducted at 2 p.m., from the Paintsville Christian Church by Mr. Short's pastor, the Rev. S. C. Hayscutt. Burial was made in the family cemetery at Mealy, under direction of the Arnold & Hall Funeral Home.

Jest Among Us

The other day a junior high school science class was being taken on a tour of the University of Kentucky campus. After visiting several buildings, one bright-faced youth asked the guide what they were going to see next. "I think we'll go to the Coliseum, now," the guide replied. "Oh," said the boy, "you mean the place where they keep those old animal bones?"

Most people know that the new Memorial Coliseum is not a museum, but some seem in doubt as to the building's many uses. Really, it's a multiple-purpose structure: a great basketball arena where 13,000 White Sox fans can watch their teams in action; an auditorium where as many as 15,000 people can be seated for concerts, lectures, formal dinners, conventions, and other public meetings; and a complete plant for the teaching of physical education. One feature of the building is a large swimming pool, with seats for 200 spectators.

The Memorial Coliseum, across the street from the state capitol building, was dedicated on May 30—Decoration Day—to the memory of the 6,323 Kentuckians who gave their lives in World War II. Appropriate ceremonies will be conducted in conjunction with baccalaureate services for 1,700 graduates and 1,000 White Sox players.

For many weeks the Bureau of State Information, under the direction of the University's grand old man, Ezra T. Gillis, has been gathering and checking the names of first-deceased veterans from counties throughout the state. John S. Horner, an engineering professor, has painstakingly lettered the names on parchment rolls of honor which will be placed in the corridors of the Coliseum.

The following inscription etched in steel, tells in simple words the meaning of the Memorial Coliseum: "Here in stone and steel is raised a memorial to men that rise thousands and sons and daughters of the State of Kentucky who gave their lives in battle that we might live in peace, erect and strong and free."

BIG SANDY LEAGUE INCREASES MEMBERSHIP TO TEN TEAMS IN REORGANIZATION MEETING

Reorganization of the seven-year-old Big Sandy Baseball League, with an increase to a ten-team membership instead of eight, was completed Sunday in a meeting of BSBL officials and team representatives at Allen.

PHS BASEBALL CALL SOUNDED FOR MONDAY

Baseball practice call was sounded Tuesday by Blackfoot baseball coach Martin for a Monday squad turnout at Prestonsburg high school, home of the 1948 Kentucky prep diamond kings.

Martin said the Cats will, this year, attempt a return to diamond prestige which went on the wane last year when they failed to emerge from the district competition for the first time in the school's history and was absent from state tournament competition for the first time in five years.

The 1948 district setback came from the hands of the Meade Memorial Red Devils, Martin had disposed of the Red Devils for the first district championship and advanced to the regional, where they were eliminated.

Coach Martin announced that his charges will play about six or seven games. The schedule is not complete as yet. Among teams in prospect for pending games are Martin, Wayland, Meade and possibly Pine.

Baseball practice was delayed until after the official closing of spring football practice which takes a final bow tonight there with an intra-squad game.

With the return of pitcher "Blue" Childers and Don Willis, Collette, Wilmore, and others which will complement an anticipated "good turnout" for practice, Martin expressed confidence that the team will be able to take the part of the Cats along the diamond comeback trail.

Asbury College Quartet Is Scheduled To Appear In Big Sandy Churches

Betsy Layne, Ky., April 18 (Sp.)—The Messenger Quartet from Asbury College, Wilmore, Ky., will present programs of sacred music and personal testimonials in churches of the Big Sandy Valley League Parish of the Methodist Church during the coming week-end. The group is from the Kentucky college which was visited by the continuous revival, the story of which was carried over the nation by the Associated Press.

The quartet's schedule of appearances is as follows: Union Church at Shebans, Saturday, April 22, 7:30 p.m.; the Methodist Church at Berry Springs, Sunday, April 23, 11 a.m.; Salem Church at Zebulon, Sunday, April 23, 2 p.m.; and the Methodist Church at Doriot, Sunday, April 23, 7:30 p.m.

The public is cordially invited to share in these services. Robert L. Anderson, director of the Big Sandy Valley League Parish, announced.

LIKELY LINEUP OF EACH TEAM IS ANNOUNCED

Intra-Squad Tilt Tonight To See "Reds," "Whites" Clash in 2nd Tussle

Probable starting lineups for the Prestonsburg Blackcat intra-squad game between the "Reds" and "Whites" are as follows: Reds here have been announced by Coach "Doc" Perrell.

The Whites, made up of recruits and transfers, combined the Reds, 7-6, that they were no longer just a novelty and are out to maintain their newly-won prestige. Their lineup is listed as follows:

Johnny Hill, left end; Bill Jim Compton, left tackle; Perrell Burton, left guard; Jack Swallow, center; Goble, right guard; Greville Fitzpatrick, right tackle; Alex Patton, right end; Delmar Hughes, quarterback; Glenn Duff, left half; "Fah" Wain Caudill, right half; Sid Bell, fullback.

University of Kentucky grid men Paul "Bear" Bryant will be among the spectators at the game. Perrell said, observing the grid wars of the Blackcats. Both teams of the Cats camp are pointing to their best for the tilt.

While the Whites will be struggling to offer further proof of their ability to meet their red-led opponents the Reds will be out for revenge in an effort to even the books as the spring game, and with the tilt-time time is 7:30 p.m.

Letters To Be Awarded To 22 Blackcat Players In Football, Basketball

The wily Alvin Adams, with the services of time first-string players and five 1947 reserves, surprised even the most optimistic with UK's 8-2 record for 1949. A native of Paducah, Arkansas, Bryant starred at Alabama during 1943-45 and dismissed his collegiate career as the Tide's right end and on the famous "Bama Rose Bowl eleven" of '38. While generally overshadowed in press notices by the great Don Hutson at the opposite end, he was, nevertheless, singled out by his coach, Frank Thomas, to serve as his substitute following graduation.

history—six victories, two losses and a tie in helping him to Lexington. The captain of Kentucky's football team is evidenced by the fact that during 1946-47-48, the "Cats" only losses were to three teams who finished in the top brackets. Professional and 100 college club athletes have tried to lure the "Bear" into larger fields, but Bryant prefers to remain at the job of building Kentucky into "big time" football prominence.

KENTUCKY'S ADVERTISING PAYS OFF

Frankfort, Ky., April 18 (Sp.)—Kentucky's advertising is paying dividends. Approximately 71 per cent of the 35,966 vacationers, who requested travel literature in 1949, accepted Kentucky's invitation to visit the state, according to an announcement of the State Highway Department.

The announcement, based on replies to questionnaires sent out by the department, added that eight per cent of those who replied said they "did not get to make the trip" but planned to come to Kentucky this year. Of the 71 per cent who came, 28 per cent said they planned another visit. Many praised Kentucky's scenery and hospitality.

The department's announcement came within one day after Assistant Attorney General M. B. Hollifield declared a bill enacted at the recent legislative session to authorize spending highway money for tourist promotion was unconstitutional.

The department has been doing this for a number of years and has greatly enlarged its program in the last few years. Hollifield's opinion was given to the State Finance Department. How the matter will be worked out is expected to be looked into after Governor Earle C. Clement returns from his vacation.

State Highway Commissioner John A. Rock, commenting on the replies to the questionnaire, said: "The questionnaire asked a number of pertinent questions and invited comments as to impressions gained on the trips. Thirty-six per cent came as a result of our national advertising campaign last year. Seven per cent came twice during the year."

The department estimated that more than 5,000,000 out-of-state tourists visited Kentucky during 1949, and spent \$228,859,874 in the state.

Approximately 100 Attend Joint Meeting of Clubs; Hear Griffin Speak

Wayland, Ky., April 17 (Sp.)—Approximately 100 guests and club members attended the joint meeting of the Lackey-Garrett Women's Club and the Wayland Lions club, Thursday evening, April 13, in the library of the Wayland high school. A pot luck dinner was served.

Gerald Griffin, who is in charge of the East Kentucky Bureau of the Cooper-Journal and Louisville Times at Pikeville, was guest speaker. Griffin served as a Lieutenant-Colonel under MacArthur with the occupational forces in Tokyo. Dr. John Adams, Pikeville, was also a guest.

Ivan Childers, Estill, entertained with the auctioning of the proceeds for the woman's club, netting \$113 which is to be applied to the club's Scholarship Loan Fund and the Cancer Drive.

Twenty-one members journeyed to Wheelwright Saturday night for dinner with the Wheelwright Women's club at the club house. May F. E. Conley depicted a scene from "Madness" which was thoroughly enjoyed by all.

SCHOOL NEWS

Regular monthly meeting of the David P.-T.A. will be held at the school on Wednesday afternoon.

The mixed chorus which is made up of sixth, seventh and eighth grade boys and girls, took part in the Music Festival held in Pikeville last Thursday night.

Much interest is being taken by the school in the Cancer Control drive. The different rooms are having lunch sales to raise funds. The winning grade will receive a treat from Mrs. W. M. Crawford, who is chairman of the drive.

Ranking of star bets in the West was pioneered in Utah.

FIGURES SHOW MINES SAFER DURING YEAR

Although 66 Lost Lives During 1949; 966 Mines Were Closed As "Unsafe"

Figures released last week indicate that Kentucky mines were more than 100 percent safer during 1949 than in 1948.

Sixty-six men lost their lives in Kentucky coal mines last year compared to 134 in 1948. A. D. Sisk, chief of the Department of Mines and Minerals, reported. The number for 1949 was two less than the 68 decrease shown from the year before.

Sisk submitted a tentative report on mining to Governor Earle C. Clements which showed one hundred and thirty-four mines closed last year for each 1,088,600 tons of coal produced. In 1948, the rate was one death for each 616,250 tons, the report showed.

"This report, in our judgment, is reasonably accurate," he said.

Of the fatalities, Sisk said the only phase of the report he was proud of is the reduction in the number of deaths in 1949 compared to 1948.

Closer Inspection Needed

Closer inspection of mines by the state and federal governments, improved cooperation on safety matters by both operators and miners, and intensified safety education are the factors that brought the death rate down, he said.

Sisk declared that 85 per cent of mine deaths are preventable. "We used some improvements in our present mine-safety laws," he said. "But if the present laws were obeyed, the letter there would be fewer casualties, he added.

The 1949 legislature defeated a bill to broaden and tighten the mine-safety laws. Its defeat drew bitter criticism from the United Mine Workers against the Governor.

Mines Shut Down

Sisk said his department, which now has 31 inspectors, closed down 966 mines last year as "unsafe." During the first three months of this year 426 were shut down for the same reason, he said.

The casualty report showed 49 men died working in 1949 mines and 17 in truck mines. Harrison county led with 12. Pike with 11, and Perry with 10 led the counties in mining fatalities.

Mine-roof cave-ins accounted for 62.2 per cent of the deaths. Fatal accidents in mines occurred most frequently in January and March last year, 11 each.

Hand miners, cutting machine operators, and shot-drillers each suffered nine fatalities. But 20 machine operators and six foremen were also listed among the dead.

The general report revealed 38,522,811 tons of coal were taken from underground mines, and 14,512,402 tons from strip operations. Strip-mining output was down 19 per cent last year compared to 1948. Truck-mining output was down 18.5 per cent and strip-mining production up 15 per cent.

No Fatal Explosions Reported

The 27 rail mines last year employed 44,885 men. Truck mines numbered 5,492 with 25,326 workers. The 73 strip mines in the state employed 32,541 men.

The report also listed 29 clay mines with 853 men producing 1,009,000 tons. No fatalities were reported from these mines.

Sisk commented that no mine explosions caused deaths were reported in Kentucky last year.

OBITUARY

Margie Stanley Hicks, daughter of Jake and Ellen Hicks, was born April 23, 1928 and passed away April 10, 1950 at the age of 21 years, 11 months and 12 days. She was united in marriage to Hobart Smith, Feb. 21, 1948. To this union was born one child, Alphoneda, age 11 months, all of whom with many friends and relatives remain to mourn their loss with her demise.

She leaves her husband, her daughter, her father and mother, two brothers, Haskell and Paul L., and two sisters, Carrie and Anna Lee, of the immediate family.

Although parting is one of sorrow, she departed in the joy of the Lord. She was very much interested in prayer for several days prior to her passing, told her mother and friends she was ready for the Lord and that He had come for her. To his arms moments, happy in the Lord, she wanted her mother to go with her and embraced her husband seemingly in an effort to take him with her. As so well expressed by the officiating ministers, "We want to say to Hobart, her father and mother, brothers and sisters, and her many friends and relatives, we feel that your loss is her gain."

We, the members of the family, wish to thank the Reverend Ernest Ward, Tom Smith, Dan Jacobs and Everett Daniels for their comforting words at the funeral, and also to thank the Arnold & Hall Funeral Home for its efficient services.

MARCH TAXES BOOST STATE GENERAL FUND

Kentucky tax collections, during the month of March, resulted in a boost and boosted the state general fund to \$41,897,019 for the first three-quarters, or nine months of the current 1949-50 fiscal year. It was announced Friday in Frankfort.

The Revenue and Finance Department reported that the nine-month total is \$1,583,898 more than was collected during the same period of the 1948-49 fiscal year.

General-tax receipts actually amounted to \$40,210,923, but county fees and miscellaneous collections, which also go into the general fund brought the total to \$41,897,019.

The road fund closed out its fiscal year March 31 with a record income of \$55,798,323. The highway fund has been on an April 1-March 31 basis. The 1950 Legislature directed it to go on a July 1-June 30 basis starting this year.

Head Piles Shows Increase

The road-fund increase of \$6,229,287 over last year is attributable to a \$3,000,000 increase in U. S. aid and increased gasoline-tax collections.

Accounting for most of the general-fund gain is the income tax on individuals. Through the first nine months of this year, this levy has yielded \$5,049,228 compared to \$4,119,567, a jump of \$929,771. The income tax on corporations is off by \$93,751. Through March, corporations paid \$2,216,106 against \$5,209,893 last year.

The consumption tax on liquor is up 14 per cent over last year and the levy on wine is ahead 31.7 per cent. The beer-consumption tax is 67.4 per cent.

The Scotch-gallon production tax on distilled spirits is the major lagger. Through March, \$2,612,798 was collected, compared to \$3,297,174 last year, a drop of \$684,376. But the ad valorem levy on stored spirits has jumped from \$281,765 to \$423,923 this year, an increase of 51.5 per cent. This indicates more whiskey is being withdrawn from warehouses.

Para-Mitted Tax Down

The para-mitted tax is down 13 per cent \$290,559 against last year's \$332,514. The tax yield on amusements, utility gross receipts, insurance premiums, and motor-vehicle taxes all are up compared to last year.

all are up compared to last year.

The State's general-property tax has brought in \$5,351,061 this year against \$4,774,967 in 1948-49, a gain of 11 per cent. The yield on omitted property and tax delinquency has soared from \$11,289 during the nine-month stretch last fiscal year to \$107,648 this year.

The Finance Department report showed that tuition fees at the University of Kentucky this fiscal year are down \$136,889. This reflects a decline of federally-supported veterans attending the university. Tuition brought in \$469,961 last year during the nine months. So far this year, \$533,262 has been paid in.

Tuition fees up this year at Eastern and Western State Colleges, down at Morehead and Murray.
