This Town... That World

FROM THE HILLS OF HOME
Those who find the hills too steep to climb yet would like to see a collection of wild flowers from our own hilllands and from as far away as Pennsylvania and Minnesota, should see the garden here of Mrs. J. D. Thomas where 14 varieties of these flowers are now in bloom.

The beautiful Dutchman's breeches and big red roots have already blossomed and gone. Now in bloom are Virginia Bluebells from Bull Run, Va.; his, purple geraniums, foundation, late-tesquos, travellins, the bellwits, larkspurs, rue anemones, columbines, phloxes, white primers, pansies.

Yet to bloom are the pink-pulp, honeysuckle, purple weed, Oklahoma primrose and bluebells.

ACTUAL SEQUI WORK STARTED

Committee Announces Area Beauty Contest; Postmark Being Used

The Floyd County Beautification committee this week swung into the actual work of slacking a ceremonial ribbon to the observance of the original Floyd county's 150th anniversary.

To announce the proximity, decorations and advertising of the four-day celebration, the Metropolitan Plan and Decorating Company, of Philadelphia, sent its representative, Bernard H. Capell here. Among his responsibilities will be that of arranging for advertising and the publication of the souvenir historical work which will be a Sequi-estral feature. Text of the book has been written by Henry Seale, whose newspaper articles on local history and events are well known.

BOARD SEES NEW CHANGE IN PERSONNEL

Roy Fraley Withdraws Resignation; Dr. Allen Calls Special Meeting

Although little was done at Tuesday's meeting of the Floyd county Board of Education, it did result in an interesting development in the squabble over membership on the Board.

Roy Fraley, whose recent appointment to succeed his brother, Ray, precipitated a leaf battle, stepped out at Board session as if to withdraw his resignation and resumed his place as a member at the meeting.

On the heels of this development came a call from Dr. J. H. Allen, chairman of the Board, for a special meeting this afternoon (Thursday) at his home in Maytown where the physician is ill. He did not attend the meeting here, nor did James Green, West Prestonsburg, his ally in the Board matter.

The notice of special meeting called by Dr. Allen was served on County Superintendent Palmer L. Hall and members of the Board by a deputy sheriff. It specified that the meeting to be held was "for the sole purpose of disposal of the following pieces of business:

1. Payment of salaries of teachers and monthly employees for the month of April.
 2. Opening bids on the proposed school building at Davis and awarding contract for construction of the building.
 3. Payment of all utility bills.
 4. Call for bids and to issue bonds for construction of the Martin Gymnasium.
 5. Call for bids on construction of Prestonsburg high school building.
 6. Call for bids on the Maytown lunchroom building.
- Superintendent Hall said Wednesday night: "I don't know if all the members will be there, inasmuch as the bids were paid at Tuesday's meeting and the meeting adjourned May 18."
- Mr. Hall said the Board did not attempt to transact any business of major importance at Tuesday's meeting in the absence of Dr. Allen and Mr. Green. He expressed the belief the Board will be willing to meet at Dr. Allen's home for the May 16 meeting, if the chairman requests it to do so.

JAIL ESCAPEE TAKEN SUNDAY

Rim, Traffic Violations Contribute to Jail Here Most of New Prisoners

Ray E. Basse, who slipped away from the county jail here, two weeks ago, while on an errand to the jail basement for supplies, was re-captured Monday by Deputy Constable Cain Blackburn and Enos Hatfield on Left Beaver Creek.

Liquor and traffic violations contributed most of the week's arrests. These were:

Ray Hall, arrested by Johnnie Martin on a drunk driving charge; Mildred Brown, reckless driving, by Deputy Sheriff Meadows, Hall and Compton; Kenneth Gates, possession, Clifford Allen, drunk driving, all arrested by Deputy Sheriff Meadows, Hall and Compton; Jack Salisbury, drunk driving, arrested by Deputy Sheriff Compton and Parsons.

Arrested by Deputy Sheriff Oak Mullins for liquor possession and drunkenness, Bill Spradlin was fined \$200, sentenced to jail for 30 days and placed under \$500 parole bond. Both have appealed their cases to circuit court.

Two Murder Trials End in 'Hung' Juries

When the jury in the murder trial of Billie Barlett failed to agree, Wednesday morning, the second such case heard in the last four days had ended in disagreement, and Circuit Judge Edward P. Hill promptly registered his disgust.

"If you can do no better than this, you may as well go fishing," he heavily remarked after discharging the jury.

Later, the judge talked to jurors at length, pointing out to them that duty to weigh testimony carefully and intelligently and reminding them they must consider the truth or falsity of evidence. "There are some you must remember," he warned, "who would prefer themselves to save paying a \$10 fine."

Saturday, the jury in the trial of G. V. McIntyre, charged with the murder of a woman, was discharged.

County Agent Says Floyd Fruit Crop Not a Total Loss

Last month saw some of the coldest April weather in half a century and clear, cold nights which brought heavy frost—yet Floyd county's fruit crop is not a total loss.

"So said County Agent S. L. Isbell this week. In fact, the farm agent predicted that the apple crop will be near the normal for Floyd county, which is never without some apples. There would be a bumper yield. There will be a few peaches, too, he said, and some pears.

"This first week of May, Mr. Isbell said, sees Floyd county farmers perched ahead of the point they had reached, this week a year ago.

THOMPSON HAILS UMWVA CANALIZATION SUPPORT

JOINING IN FIGHT FOR CANALIZATION—This was the scene in the Big Sandy Valley Association headquarters when UMWVA representatives "signed up" with the group. Tom Rainey, international representative, standing in front, (in white coat) was accompanied by Carson Hibbits, standing to right rear, and Noble Hobbs, standing to left rear. Dr. O. W. Thompson, BSVA secretary, is shown seated in front of Hibbits, and Dr. O. W. Thompson, BSVA president, is seated in front center, with unidentified office worker seated at left front.

"The best thing that has ever happened to the Big Sandy Valley Association" Dr. O. W. Thompson, president of the group which has long led an unsuccessful fight for river canalization, declared at Pikeville as the United Mine Workers officially announced Sunday they had changed their policy of opposition to waterway improvement.

The UMWVA announcement, expected for several weeks, was described as a "shot in the arm" to those who have waged a fruitless fight for canalization over the years. It was hailed as placing the rank-and-file of citizens throughout the valley as united in common cause.

The statement of the mine workers was signed by Tom Rainey, Pikeville, international board member, Orson Hibbits and Noble Hobbs, union field representative, and was made to Dr. Thompson and A. O. Coleman, Association vice-president at the association's headquarters in Pikeville.

Raising Town Status Prompts Indictments

WERE YOU MISSED?

If any resident of Prestonsburg and vicinity has not been enumerated during the 1950 federal census, he or she should telephone Wiles Sheehart at 7001 or Mayor Curtis Clark at 4821.

On the basis of unofficial census returns, the population of Prestonsburg stands at approximately 8,000. To be added to this figure, however, are residents of Prestonsburg who are in the armed forces, in college or otherwise away from home but yet claiming this as their residence. These are expected to bring the population total beyond the 4,000 mark.

Those missed by the census-takers are being urged to contact Wiles Sheehart or Mayor Clark at once.

DRYS QUESTION COUNT LISTED IN POPULATION

Bills Found In Error When Reported; Martin Wet-Dry Fight Brewing

Advancement by the Legislature of the town of Martin to a city of the fourth class, and the consequent move to hold a local option election there next month resulted last week in the indictment by the grand jury of four residents of the community of a charge of forging names on a petition memorial or remonstrance intended for presentation to the General Assembly.

No sooner, however, were the indictments reported than they were quashed by the court.

The Rev. S. D. Osborne, a leader in the Dry forces at Martin, notified county officials that the names of Mrs. Ruth Reynolds and Leonard Osborne should not have appeared on the indictment. Mrs. Reynolds, now City Clerk at Martin, had not taken class when the remonstrance allegedly was made to the General Assembly and had nothing to do with the representation that Martin had a population of 3,000, a statement which is being questioned by the Drys. The indictment against her was quickly quashed. Leonard Osborne was pointed out, is not the Osborne whose name was mentioned to the grand jury.

The indictment also occurred.

CITY TO PAY \$100 A MONTH

On Supervisor Salary If Playground Opened To Youth Every Day

Prestonsburg City Council wants the community's children to have a playground during the summer if a competent playground supervisor through the summer if the playground here will be made available to all children of the community, all day, every day. Mayor Curtis Clark pointed out, Wednesday, that a man with physical education qualifications is preferred by the Council for the playground post. The City Board of Education will be asked to match the Council contribution on the supervisor's salary.

"The Council went a step farther in the matter of safe recreation for Prestonsburg children. It directed that four blocks in the town be roped off daily, from 1 till 5 p.m., for the children to play without danger of being run down by an automobile. The Mayor said the Council has had sprinklers ordered and that the city will furnish water for water cannons for the youngsters when the weather becomes hotter.

A resolution adopted by the Council strongly urged on the City of County Board of Education the retention here of Leon Cook as high school principal.

Mayor Clark said Wednesday he will be absent from Prestonsburg during the Floyd County Music Festival, and that J. D. Harbins, Jr., as well as the Council, commissioner at the time.

County Treasurer W. J. May, was directed by the court to use funds from the sinking fund established for payment of road and bridge bonds and with this to amortize as many old road and bridge bonds as he deems advisable.

The court accepted the Store Hollow road, Beys Layne, as a part of the county system for maintenance.

FANNIN GETS REMOVAL JOB

On 44-Year-Old Span Across Johns Creek; To Purchase Bonds

Contract for removal of the bridge spanning Johns Creek at the City of McGeeville town was awarded by the fiscal court Friday to Elmer Fannin on his low bid of \$2,499.25.

There were two other bidders on the job, which will entail the removal of steel and its storage for later use. Fannin agreed to salvage and to remove to the site enough steel to construct a 60-foot bridge across Spivey Camp Branch. This is an additional cost to the county. The bridge was erected 44 years ago and a plate over the east entrance bears the names of J. M. Weddington, George P. Archer, and J. C. Cray, commissioners at the time.

County Treasurer W. J. May, was directed by the court to use funds from the sinking fund established for payment of road and bridge bonds and with this to amortize as many old road and bridge bonds as he deems advisable.

The court accepted the Store Hollow road, Beys Layne, as a part of the county system for maintenance.

First Notes of Floyd Music Festival Sounded Here Today with Rehearsals

Today (Thursday), the three-day Floyd County Music Festival began with band rehearsals in Prestonsburg, and the event will continue through Saturday with solo events at Martin Friday, and with the grand finale—the parade of bands and floats, the coronation of the beauty queen, and the all-festival band and all-festival chorus concerts—in Prestonsburg on Saturday.

Jesse Elliott, Floyd county band instructor, announced Tuesday that the events will be judged by Walter Hall, Hazard, Norman Lewis, Bowling Green and Water Nance, of Pikeville College. Mr. Hall will also serve as guest-conductor of the all-festival band of more than 100 pieces, while Mr. Lewis will be guest-conductor of the all-festival chorus.

Mr. Elliott said inspection of bands prior to the parade, here, Saturday morning, may be made by an army man.

The festival last year attracted an estimated 5,000 persons to Prestonsburg on its last day, and the crowd this year is expected to be even greater.

School Chorus To Give Formal Spring Concert

Priming for their appearance for the final judging in the State Music Festival at Lexington on Friday, May 12, the Prestonsburg school chorus of boys and girls will give a formal spring concert at 8 p.m. Tuesday at the Methodist Church here. Mrs. Oral Blingham Hall, director, announced this week.

In announcing that no admission would be charged and extending an invitation to general public attendance at the concert, Mrs. Hall said that the occasion would offer the group a final dress rehearsal and the attending listeners a preview of numbers to be sung at Lexington.

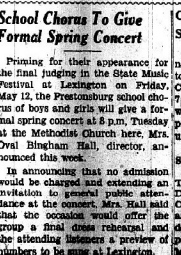

Girl Scout Council Slates Silver Tea

The Girl Scout Council it was announced this week will be hostesses to a silver tea at the Methodist Church here Monday evening, at 7:30. A large troop of Girl Scouts will participate in the program, and parents of the Scouts are being urged to attend.

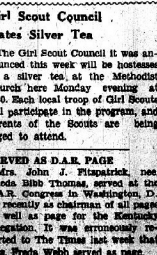

Sunday School Day Observance, May 7, Urged by Workers

Ministers and church workers over the county were urging this week the observance of Co-to-Sunday School Day Sunday, May 7.

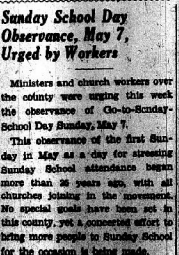

This observance of the first Sunday in May as a day for observing Sunday School attendance began more than 20 years ago, with all churches joining in the movement. No special goals have been set in this county, yet a concerted effort to bring more people to Sunday School for the occasion is being urged.

Nine Scholarships Have Seniors Of Section on Their "Mental Toes"

Many of Floyd county's high school seniors, this week of school are shooting for something more than a mere diploma.

Two Floyd county coal companies are offering a total of seven college scholarships to the students of the county. The other two are offered by the Veterans of Foreign Wars have waiting for some senior a cash award of \$100, and all these have the boys and girls on their mental toes.

The Princess Elkhorn Coal company is offering five scholarships, two two-year scholarships to Pikeville College for daughters of Pikeville Elkhorn employees, these scholarships to include tuition, board, room, books and supplies.

The Inland Steel Company at Wheelwright this year offers two two-year scholarships to the University of Kentucky, one to students of Floyd, Knott and Pike counties.

Pikeville College will give a tuition scholarship to the senior selected on the basis of competitive examination as best prospect as a teacher from this county.

Inland's Two University of Kentucky scholarships are open only to boys, and the company has expressed the hope that those entering the competitive tests will be interested in civil, mechanical or electrical engineering. Although these scholarships are awarded for only one year, the winner may continue through four full years if his work is satisfactory.

The Pikeville scholarship is for two years, if the winner's first year is successful.

The \$100 award to be made by Walter Karr Bowling VFW Post will go to the outstanding graduate of 1949.

Examinations have already been held for seniors competing for the Princess Elkhorn scholarships. Tests for those competing for the Inland Steel and VFW awards will be held at the County Superintendent's office here at 9 a.m., May 8, 9 and 10.

The statement signed by the union officials follows:
"The recent action by the United Mine Workers of America has opposed the cancellation project. We oppose the project because originally the sponsors of the project were largely composed of West Virginia coal operators who were fighting an economic war of competition, seeking to get a cheaper freight rate on the Norfolk & Western Railroad, which would, in our opinion, have given the West Virginia operators an advantage over the mines in the Big Sandy field and would have hurt the operators in the Big Sandy area."

"However, the Norfolk & Western Railroad did, last year, grant a reduction in freight rates, creating and establishing a so-called special rate to the Ohio River to the West Virginia operators. Upon getting this special rate, the United Mine Workers withdrew their support. "Inasmuch as the Norfolk & Western Railroad has granted this special rate, the United Mine Workers of America can see no reason why we, as a union, should any longer oppose the cancellation project, because our obligations were removed with the establishment of this special rate."

"It is quite probable that the cancellation of the Big Sandy would be responsible for the introduction of various industries into the Big Sandy and the river rates would not stimulate coal business, but business generally."
"We are today joining the Big Sandy Valley Association and becoming an active member, and in order to promote and help this special rate, we will help this project, we recommend that any coal miner who wishes to become a member of the association join this project."

NOTICE OF HEARING UPON ORGANIZATION OF PROPOSED FLOYD COUNTY SOIL CONSERVATION DISTRICT, EMBRACING LAND LYING IN FLOYD COUNTY, KENTUCKY.

WHEREAS, on the 21st day of April, 1950, there was duly filed in the office of the State Soil Conservation Committee at Frankfort, Kentucky, a petition signed by at least 25 landowners pursuant to the provisions of the Soil Conservation District Law (Chapter 6, 1945 Session Acts, page 37) requesting the establishment of the Floyd County Soil Conservation District; and
WHEREAS, the lands sought to be included in the said district by said petition comprise lands in Floyd County, described substantially as follows:

All the lands lying within the boundaries of Floyd County, Kentucky, extending town lots within the incorporated towns and unincorporated villages of Floyd County.

NOW THEREFORE, notice is hereby given that a public hearing will be held pursuant to said petition, on the question of the desirability and necessity in the interest of the public health, safety and welfare of the creation of such district; and of all other proceedings taken under said Act and upon all questions relevant to such inquiries. The said public hearing will be held by the State Soil Conservation Committee on the 12th day of May, 1950, beginning at 10 a.m. Eastern Standard Time, at the courthouse in Prestonsburg, Kentucky, in the county of Floyd. All persons, firms and corporations who shall hold title to, or shall be in possession of, any land lying in the limits of the above described territory, whether as owners, lessors, renters, tenants or otherwise, and all other interested parties are invited to attend and all will be given an opportunity to be heard at the time and place hereinabove specified.

EAGLES' HOSTS TO GATHERING

At Dedication Here
Of New \$35,000 Home;
F.O.E. History Traced

Public officials joined private citizens here, Saturday afternoon and evening, as guests of Prestonsburg Aerie, Fraternal Order of Eagles in the dedication of the Eagles' new \$35,000 home on the Mayo Trail at the upper city limits.

James James' well-known orchestra, the Three Clefs and an excellent show show added to the entertainment of a crowd which taxed the capacity of the building.

Former Representative W. G. Biggers, president-clerk of Prestonsburg Aerie, acted as toastmaster, and the address of welcome was delivered by Mayor Curtis Clark.

County officials who spoke briefly were Circuit Judge Edward P. Hill, County Judge Henry Stumbo, County Attorney W. W. Burchett, Circuit Clerk W. C. Coder, County Clerk DuRan Moore and Tax Commissioner Clive Akers.

Joe DeKart, Louisville, auditor for the Kentucky Aerie, Order of Eagles, and a veteran of the organization for 32 years, as the principal speaker traced the history of the order from its founding, 22 years ago. Of the Prestonsburg group, he said:

"You can hunt the United States over and you will not find an aerie which has made the progress Prestonsburg's has since its organization, two years ago."
He claimed for the Eagles credit for the idea of Social Security and pointed to the charitable workings of the order. Prestonsburg Aerie alone gave to such causes, last year, approximately \$3,000, it was said. The Eastern Mr. DeKart declared, has a membership of almost 1,500,000 and is the richest fraternal organization in the world.

Mines and oil wells on federally owned land produced \$7,263,000,000 worth of products in 1948, four times the value in 1940.

Alcoholics Anonymous Open Meet at Martin Stresses AA Purpose

Approximately 125 persons attended the open meeting of Alcoholics Anonymous in the Martin Methodist Church, Saturday evening, and heard a Huntington, W. Va. speaker outline the purpose and workings of the organization.

The meeting climaxed the work of several weeks in Martin by A.A. and a member of the Prestonsburg Central Group sponsor of the movement there, said such interest has been shown in Martin that the community will set up its own separate AA group.

This spokesman said Saturday night's meeting also served to dispel the erroneous idea entertained by a minority that Alcoholics Anonymous may be interested, or taking part, in the coming local option campaign in Martin. "Our sole interest," he said, "is to reclaim men from drunkenness and to help them live as sane, normal human beings, and I believe the public is more aware of this purpose than ever before."

Property owners in the Dominion- Vermont was the first state to permit tenants to provide for full husband suffering vacant lots or pay a high tax penalty—five per cent of the appreciated value.

PATTON HELD AS GIRL DIES
In West Virginia Wreck; Woman Seriously Hurt, War Veteran Blamed
Bill Patton, West Prestonsburg used furniture dealer and war veteran, faces a voluntary manslaughter charge at Union, W. Va., in the death Sunday of a six-year-old girl when Patton's truck sideswiped a station wagon, two miles south of Rock Camp, W. Va.
The victim, Barbara Joyce Williams, Bluefield, W. Va., was killed instantly. Mrs. Cynthia Neal, 65, another of the seven occupants of the station wagon, was reported in a serious condition at a Princeton, W. Va., hospital.
The County Attorney of Monroe county, which Union is the county-seat, told County Attorney W. W. Burchett that Patton already has been given a six-month jail sentence and fined \$100 for leaving the scene of the accident and \$50 for drunk driving. He quoted West Virginia state police as saying Patton's truck left the surfaced portion of the highway and struck the other vehicle.
State Police Cpl. F. E. Springer said the West Prestonsburg man's truck failed to stop and that Patton was arrested at Princeton, 12 miles from the scene of the tragedy. Patton was held under \$1,000 bond to grand jury action on the voluntary manslaughter count. He was unharmed, as was Jack Crum, his companion on the trip.
It was said here Patton had taken furniture of Mr. and Mrs. J. W. Sutherland to West Virginia and was en route home when the accident occurred. Acquaintances here said Patton had not been known to drink since he returned home from overseas wartime service.

murder of Robert Hall, provided the first dead-end. It was the second trial of McIntyre to end in disagreement of the jury.
In the trial of Barnett, two witnesses stated they saw both the driver and Dave Harvey striking Clifford Brannan during the altercation on a Martin street in Union. Brannan was fatally stabbed. One witness told of seeing Barnett leaving a nearby restaurant shortly before the incident, with a knife in his hand.
Barnett contended he first saw the scene when Harvey attacked Brannan and that he had nothing to do with the killing.
Harvey was convicted at a previous court term and is serving a 21-year pen sentence. He was returned here as a witness in the case of Brannan but was not called on to testify.
Evidence in the McIntyre case was much the same as at the earlier trial. The defendant, a telegraph operator for the C. & O. Railway Company, claimed he was attacked at a roadhouse, at Boldman, approximately a mile from his home at Harvord, and that he then was followed to his home by Hall. He contended he fired a shot from a .38-caliber pistol in self-defense.
The Commonwealth contended Hall was unarmed and was offering no threat to McIntyre. The death sentence which McIntyre had told of throwing into the river at Allen, was recovered recently and brought here.
The voluntary manslaughter charge against Johnny Rice in the death of an Allen child when struck by a car operated by Rice was dismissed Friday because of lack of prosecution, and for the same reason the cutting and wounding charge against A. E. Patrick was dismissed. Sol Robinson was acquitted of a liquor-selling charge. Three others, however, were not so fortunate. Noah Pasare, Willard Hamilton and William Hamilton each drew a fine of \$30 and 30 days in jail. All three indicated they will appeal the verdicts.

Katherine Elliott, 19, Becomes 6th of Family To Die of Tuberculosis
Nineteen-year-old Katherine Elliott became Sunday, the sixth member of her family to die within the last four years of tuberculosis. The girl, a daughter of Bob Elliott, died at the family home at Water Gap. She was a member of the Free Will Baptist Church, and had many friends in the vicinity. Surviving are her father, four sisters and two brothers: Mrs. Magdalene Calhoun, of Twale, Mrs. Cynthia Ann Prater and Miss Peggy Sue Elliott, both of Water Gap; Mrs. Lucy Burns, of Johnson county, Kae Shannon Elliott and Robert Elliott, Jr., both of Water Gap.
The funeral was conducted Tuesday morning at 10, the Revs. Wallace Calhoun and Henry Porter officiating. Burial in the Wright cemetery at Water Gap was under direction of the Arnold Funeral Home.

Detachments of U. S. Marines formed part of Commodore Perry's expedition to Japan which opened the doors of the Mikado's realm in 1853-54 to commerce.
More than 80,000 patents have been issued for improving the manufacture of leather soles and shoes since the U. S. Patent Office was established in 1836.

MASTER COMMISSIONER'S SALE
FLOYD CIRCUIT COURT
The Bank Josephine... Plaintiff vs: NOTICE OF SALE. Fred Bingham and Hazel Bingham... Defendants.
By virtue of a judgment and order of sale of the Floyd Circuit Court rendered and entered at the January term, 1949, in the above styled cause I shall proceed to offer for sale at the Courthouse door in Prestonsburg, Kentucky, to the highest and best bidder, at public auction, on the 22nd day of May, 1950, at 1 o'clock, p.m., same being the first day of the regular term of the Floyd County Court, upon a credit of six months, the following described property, to-wit:

Certain real estate situated in Prestonsburg, Floyd county, Kentucky, on the waters of Big Sandy River and being the same land conveyed to Fred Bingham and Hazel Bingham by Lisa Cottrell (widow), Mary M. Webb and J. O. Webb, her husband, Tris E. Hetherford and Thomas Hetherford, her husband and Joe Hobson, Attorney-in-fact, by deed bearing date September 15, 1945, which is duly recorded in Deed Book 128, page 48, Floyd County Court Clerk's Office, Kentucky, containing lots 33, 34, 35, 36 and 37 in Book No. 8, as shown on map of Richmond Sub-Division No. 2 to the City of Prestonsburg, Kentucky, now on file in the office of the Clerk of Floyd County Court, to which map reference is made for a more particular description of said lots, and said deed is hereby referred to and made a part hereof for more details concerning the transfer. Said property will be sold to satisfy a mortgage debt for the sum of \$700.00 with interest thereon from the 29th day of September, 1949 and the cost of this action. For the purchase price the purchaser must execute bond with approved surety or sureties, bearing legal interest from the day of sale until paid and having the force and effect of a judgment with a lien related upon said property as a further security. Bidders will be prepared to comply promptly with these terms.
Given under my hand, this 1 day of April, 1950.

Prestonsburg Woman's Service Span In Step With Firm's Progress

MRS. MINNIE HALE

Mrs. Minnie Hale, Prestonsburg, for thirty years an employee here of the Southern Bell Telephone and Telegraph Company, was honored recently with a dinner at Pikeville and awarded a service pin honoring her period of service with the company. H. L. McCrary, group manager, announced.

McCrary presided at the dinner. R. M. Brunner, district manager, presented the award pin to Mrs. Hale.

Mrs. Hale began working for the company as night operator in 1917. At that time the telephone subscriber in order to contact someone by phone, had to "crank the box" to get the switchboard operator who, plugged in and, in turn, directed on the desired number. Numbers were "cranked" or contacted by the company's code of bell signals made up of an assortment of long and short rings.

When ringing machines were installed for the Prestonsburg network, Mrs. Hale was appointed chief operator, March 9, 1926. She was promoted to the desired number of the new exchange built, she was transferred to the company department, July 1, 1941, where she now works.

She recalled that, during her tenure, the exchange had been destroyed by fire three times, two of the contingencies also consumed the U. S. postoffice and one of them, resulted in destruction of the building housing the Floyd County Times.

PRESENTED IN VOICE RECITAL

Mrs. Helen Reed Ankrum, Drift, was presented by Mrs. Edith James in an hour of vocal entertainment on last Friday evening in the auditorium of the Presbyterian church. The invocation was given by James (Globe). Mrs. Ankrum, who showed pleasing talent, sang four songs.

Mrs. James accompanied here at the piano. The church was decorated with baskets and bouquets, the same decoration being carried out in the upstairs reception room where a reception followed after the recital. Forming the receiving line were Mrs. Edith James, Mrs. Helen Reed Ankrum, Mrs. F. Reed, Mrs. Alvin Reed, Miss Catherine Reed and Miss Sarah Clay Stephens. The tea table was covered with a hand-made white linen cloth with a basket of colorful tulips placed in the center flanked with low crystal candlesticks holding green candles. Mrs. Alvin Reed, assisted by Mrs. John D. Thomas, poured tea from antique silver urns. Fancy sandwiches and cakes were served from the tea table by Misses Jane Davis, Sarah Clay Stephens and Catherine Reed. About seventy-five were served. The hostesses were Mrs. Alvin Reed and Miss Catherine Reed, assisted by Mrs. John D. Thomas and Mrs. Ralph Davis.

Clothing May Be Let At Schools of County As Late as Next Monday

Clothing taken to schools out in the county during the clothing drive being conducted by the Kiwanis Club concurrently with Clean-Up Week here may be collected until Monday, since items collected at these points cannot be picked up until next week, club officials said this week.

Harry Fiedler, chairman of the clothing drive committee, is preparing clothing and handkerchiefs for the Welfare Department's storage room here so that clothing may be stored in orderly manner. Clothing and footwear for children are sought in particular during the drive, it was said.

The first food to be shipped by refrigerator car was eight tons of butter, from New York to Hopkins, in 1851.

U. S. DAUGHTERS OF 1812 ENTERTAIN NATIONAL PRESIDENT

Mrs. Claude F. Stephens, president of the River Raisin chapter, United States Daughters of 1812 at Lexington, returned home Monday, where she presided at the spring meeting Saturday at the Lafayette Hotel. The chapter, guest speaker with the presence of the President National, Mrs. Frederick Brewer Ingram, of Dallas, Texas. Other distinguished guests were Mrs. Walter Carmel Anderson, historian general of Lexington, Mrs. Hugh L. Russell, Ashland, Historical General of National Society, Daughters of the American Revolution. Following the business session, Mrs. Ingram gave a most interesting talk on the activities of the National Society of Daughters of 1812. The program was most interestingly presented by motion pictures of forty historical Kentucky homes over hundred years old. Sm Combs, of Lexington, was the guest speaker and narrator. Tea honoring the distinguished guests was given at the home of Mrs. Baker, to members of the Society only, following the program.

PRESBYTERIAN AUXILIARY ENTERTAINED AT DRIFT

Mrs. Dan Reed and Miss Catherine Reed were co-hostesses on Tuesday evening at eight o'clock at their home at Drift to the members of the Presbyterian Auxiliary. The president, Mrs. Ralph Davis, presided. Singing of "Blest Be the Tie" opened the meeting followed by the devotional conducted by Mrs. Jack Spradlin. Plans were made for making funds to be collected at the Buckeye school choir, Middle Creek Road, and to help with the Vacation Bible School at Buckeye beginning May 15th. Miss Catherine Reed, program chairman, gave a most interesting program on the "History and Doctrine of the Presbyterian Church." Delicious refreshments were served to Messrs. James J. D. Thomas, Dick Davis, Ralph Davis, George Stephens, Harold Black, Elmer Osborne, Jack Spradlin, F. L. Heinze, W. V. Bunting, Cecil Wilks, Mary Branham, Frank Lyne, E. R. Burke, G. E. DISTRICT SOIL CONSERVATION To Be Heard Here, May 12; Ky. Soil Head Tells Plans for Organization

Organization of a soil conservation district to include all lands in Floyd county except town lots will be considered at a public hearing to be held at the courthouse here at 10 a.m., May 12, Henry Ward, chairman of the State Soil Conservation Commission, announced this week.

The question of desirability and necessity in the interest of public health, safety and welfare and that of boundaries will be considered at the meeting. Mr. Ward urged that all interested persons attend.

The hearing is a result of a petition filed April 21 asking the formation of a Floyd soil district. R. L. Shepherd, Prestonsburg, moving spirit in the soil conservation movement in the county, pointed out this week advantages which would accrue to the county through a soil conservation district. “These,” he said, include:

- 1. Drainage; planning by survey for drainage and depot of water and the... 2. Contour farming; training personnel laying out farms for this soil-conserving method... 3. Aid in reforestation... 4. Long-range farm planning... 5. Employment of a full-time worker at no local expense by the federal government through the State Extension Department.

BRIGHT NEW TOUCH TO A BIG BOLD BEAUTY See something new here? That’s right—the glowing new color swatches now come to the leaders of this ROADMASTER Sedan. An extra touch of distinction that’s yours on a standard item.

What’s the secret of the “UNRUFFLED” RIDE?

SOME car makers say springs make the ride—and so we give every Buick four of the soft, gentle coil springs practically all cars use on front wheels only. Some say the drive is important—how power is transmitted to the rear wheels. We agree—and use a torque-tube drive, that takes up all the thrust, freeing rear springs of driving pulsation. Some stress tires—so you’ll find low-pressure casings on every Buick, mounted on our own kind of Safety-Ride rims. Some play up shock absorbers—we make ours fast, soft and sure in action, to wash out all “after-bounce.”

And car tracks, washboard gravel and weather-pocked macadam, country lane and city street. You even feel it on boulevards, which grow still smoother when you travel them in a Buick—especially when it has Dynaflo Drive. So we would like you to try a ride that is truly “unruffled.” Free of harshness—undisturbed by bounce and jitter—level—steady-going—smooth. Just ask any Buick dealer for a chance to try out any Buick; You’ll find it “the ride of a lifetime”—and the buy of a lifetime too!

Only Buick has Dynaflo—and with it goes! HIGHER-COMPRESSION Fincoil valve-in-head power in three engines. (New F-263 engine in SUPER models.) NEW-PATENT STYLING, with MULTI-GUARD fenders, top-through fenders, “double bubble” taillight • WIDE-ANGLE VISIBILITY, deep-grip roof rack forward and back • TRAFIC-HAWK EYE, low-over-all length for easier parking and gripping, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all coil springs, Safety-Ride rim, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY of MODELS with Body by Fisher.

Prestonsburg-Price and Martin-Harold Rained Out

Showers of rain prevented the play of some of the Big Sandy league teams in the opening games Sunday night. Two of the other teams who did get to play literally "showered" in their respective parks with hits.

Allen scored its only home run in the first inning but one and "poured a ton" of hits on the Indians. Henry Clay, on the other hand, collected 21 hits in its first game. Drift with 10 to 0, Hi Hat with 4 to 3.

Allen's right fielder was exceptionally warm at the bat. Raymond Hall, five trips to the plate, collected a run and two hits.

Hi Hat's pitcher, Gary Duff, pitched a perfect game. He scored three runs. His relief, C. H. Homan, collected a run and two hits in one trip to the plate. Other extra-base hits were doubles by Lincoln Brown, Marvin Brown and Dan Lafferty.

Henry Clay's pitcher, Charles H. Homan, hit a homer in the fourth inning when also scored Raymond Hall.

Allen pitcher, Chester Tackett, hit five homers, allowed four runs, one run and struck out six batters. Ed Hill finished the tilt, allowing no runs, three hits and whiffed two batters. Indian Creek pitcher Ray Jones was charged with the loss.

Allen batters touched Ray for 10 hits and nine runs in four innings. Drift pitcher, Dan Lafferty, pitched in three frames and Newsome for four hits and five runs in one inning.

Henry Clay's pitcher, Homan, pitched a perfect game and collected 10 hits and nine runs in four innings. Drift pitcher, Dan Lafferty, pitched in three frames and Newsome for four hits and five runs in one inning.

WAYLAND HIGH GETS GAME UP ON BLACKCATS

SCHOOL TEAMS OPEN DIAMOND SEASON

Rain cancelled the second meeting of the Wayland Wags and the Prestonsburg Blackcats Tuesday afternoon at Wayland which was a scheduled return engagement following Wayland's previous victory over the Cats here Friday. With no third date arranged, thus far, Wayland stands a game up in the recent bonfire on the Prestonsburg high school field.

The first meeting between the two marked the opening of the high school baseball season which is expected to get several of the Floyd county school squads in official action. The season closes officially with the Kentucky High School Athletic Association district tournament here, May 17-18.

A close baseball game here Friday afternoon at 6 p.m. saw the Wayland high school Wags stung the Prestonsburg Blackcats, 3-2, in a KFSAA seven-inning regulation game.

Martin, the winning pitcher, batted the ball past the batters for seven strikeouts. Cregar, who collected nine hits in seven innings, gave out two blanks.

Children, the losing pitcher, after delivering six strikeouts, got himself into a hole in the fifth and walked in Houston with Wayland's winning run. After allowing the run, he retired the side. Alex Patton walked. Cregar, at the top of the sixth, marked up two strikeouts and gave no hits in his two innings of work.

Prestonsburg threatened in the sixth when Mosley connected with a double, the only extra-base hit of the game, but the promising run was brought to a sudden halt as Martin set down three batters in a row to retire the side.

Score by innings:

Elkhorn League Baseball Teams To Get Started Tomorrow Night

Require Three Days To Open

Beginning tomorrow (Friday) night at 8 p.m., seven teams of the recently organized Elkhorn Baseball League employ three playing dates, May 5, 6 and 7, to get the league's 1950 payoff batting action into full swing.

Drift tangles with Harold in the latter's home park at Pikeville and Blue State Victory as four of the seven open up on the first date, May 5. The second date, Saturday night, Harold vs. league members crossing swords Sunday, May 14, as Wheelwright swings back to Stone on their road trip. Harold journeys to Omar and Wheelwright plays Drift at Lexington, Ky. May 2. Callins springs regular varsity basketball practice for the first time in 10 years. University of Kentucky Coach Adolph Rupp sounded out 19 Wildcat hardwood candidates who practiced yesterday for spring drills. The drills are planned at present to last three weeks, Rupp announced.

With the exception of the Olympic Games preparation two years ago, the big "blue-and-white" has seen no slatter hardwood activity within the past half-century years. His squad includes 11 varsity holdovers, seven candidates up from the freshman squad which last only one game last season and a transfer, Paul Lansaw, who came here from Syracuse University. Lansaw will be eligible at the beginning of next season.

TWO LEAGUES IN SOFTBALL ARE PLANNED

Adoption of plans for two softball leagues to operate here through the summer months and the election of 1950-51 officers highlighted the business of the Prestonsburg Athletic Club in its Thursday night meeting at the grade school auditorium.

The plans call for the organization of a church league and an independent league. An entrance fee of \$50 will be charged to each team in the independent league and all gate receipts of the games, after expenses are deducted, will be applied to the indebtedness against the playground, it is said.

It was also approved, for the second consecutive year, to employ a playground director.

Clifford Wright was named the new president and Fred Francis the new secretary-treasurer.

JUNIOR CONSERVATION CLUB CONTESTS NEAR CLIMAX WITH BAIT CASTING SCHOOL CHAMPS DECIDED AND COUNTY RIFLE CHAMPS NAMED

Floyd County schoolboy competition in Junior Conservation club events approached a climax this week with the county champions crowned in the rifle shooting and the last of the school champs decided in the bait casting contest prior to the county-wide trial slated tentatively for May 27, Bernard Baldrige, county conservation officer, announced.

Frank May, Altogether, with a score of 85, proved himself top man in the Maults high school bait casting for top honors. They beat the top of Willard Mansel and Critt.

He, with the other Floyd county school champs named last week in the Times, will compete for the county championship and a trip to the state finals. Although the date is not definite, Baldrige said, the site of the county trials will definitely be held on the Beaver Valley Golf and Country Club course at Allen.

Scoring competitions, Baldrige announced, had been completed and certified for the recent high school rifle matches. The final competition narrowed down to two schools, Prestonsburg and a Martin.

The county rifle champs will enter the district matches for right to advance to the state meet. County results are as follows:

Wendell Evans, Prestonsburg, won the one-man team test with a score of 115 beating Bob Baldrige, Maytown, who shot a 95. In the two-man team match, Edmund

Burke and Darwin Southfield of Prestonsburg high school, totaled in the Maults high school bait casting for top honors. They beat the top of Willard Mansel and Critt.

PAPER PRAISES MOORE'S HIGH SCHOOL CLUB

A sports news article carried recently in The Columbus (O.) Dispatch, written by Staff reporter Carl DeBloom, pays tribute to Gordon Moore and his junior sportsmen's club at Woodstock (O.) high school. Moore, head coach there, is the son of Mr. and Mrs. Earl Moore, Prestonsburg, and a graduate of Morehead State College. DeBloom's story follows:

"Proof that youngsters like to hunt and fish as well as grow-ups if given the opportunity can be found in the community of Woodstock, Ohio, where a junior sportsmen's club is three years old and still growing. "Believing that every boy should learn to fish and hunt and aid in conservation work, 28 charter members formed the organization in 1947. The group now has a membership of 38 and boasts 88 per cent attendance since the first meeting. "The club has big plans for the future and is conducting a definite program. Meetings are held each week and 'sit' new members are discussing plans for a sock camp, an annual picnic, and a fishing pond to be built on the premises of a nearby farm. "At present each club is conducting its second annual fishing contest which will end May 15. There are six main divisions in the contest. They include bass, rock bass, crappie, bluegill, sunfish and catfish. "The boys entered 227 fish in last year's contest. They are competing for \$500 in awards this year. "Last January the club closed its 1949 membership. Again entered 18 muskies, 12 weasels, 26 coppers, five skunks, three mink and 16 raccoons. "The boys have completed a library with information on fish and game that inhabit Champaign county. They have learned to tie flies, fly cast, bait cast and how to properly handle and use a gun in the field. "As part of their conservation work with wildlife, the boys are building a fishing bay to be used on moose. It will flush pheasants from nests before they are cut down by the blades of farm machines. "At the weekly meetings the boys are studying and conservation films and listen to outstanding speakers. They have their own movie projection. "Dues for the club are 50 cents a month. Each member pitches in one Saturday every two months and the boys work at odd jobs in the community. The boys' earnings go to the treasury to help with club projects. "If boys of Woodstock can do all these things why can't youths in other communities? The one big reason is that they need interested adults to help them and provide the opportunity. "The backbone of the Woodstock Club is its sponsor and director, High School Coach Gordon Moore. Aside from the fact that he likes boys and comes in contact with them in his daily work, he likes to hunt and fish. In addition to teaching school and helping boys he is completing work on his doctor's degree in school administration at Ohio State University."

Cooper To Address UK Commencement

John Sherman Cooper, former U. S. senator now serving as special consultant to Secretary of State Dean Acheson, will deliver the commencement address to members of the University of Kentucky's June sons inducted to said estate are no graduating class, President H. L. Donivan announced last week. Commencement exercises will be held Friday night, June 2, at the University's new 15,000-capacity Memorial Coliseum. The 1,700 seniors who will receive degrees on that date comprise the largest graduating class in U.K.'s 85-year history.

(Continued from Page One)

In the Rockies choose one of nine feet and six ounces, simply because the larger livers there require a rod which will handle much more line. These sizes, by the way, will take care of most fly-fishing conditions. A dry-fly enthusiast will want a lighter one, and a fisherman who is striving for distance and is after big fish—steelhead, salmon or salt-water fly—may want a larger one. But a fisherman should not select a rod too big and cumbersome for his fishing needs. The rod is in almost continuous operation in fly fishing, so a heavy one will tell on a man.

As for rod action, one still hears talk of dry-fly and wet-fly action. These terms are meaningless today. The so-called wet-fly action was an out-dated type of rod that bent and flexed uniformly from butt to tip. It went out with the Model T. A good rod of modern design will have a great variety of conditions. It starts to work primarily in the tip and as more and more pressure is applied it shifts the strain into the stronger middle and butt sections. A rod designed with a soft middle or butt section is undesirable because the lower part of the rod takes over before the most benefit has been derived from the tip.

Betsy Layne Youth To Sing in All-Kentucky Chorus at Lexington

Pikeville, Ky., May 2 — (Sp.)—Sun Paul Gamba, of Betsy Layne, is one of four Pikeville College Academy boys who will take part in the State Vocal and Piano Music Festival at the University of Kentucky, May 10-12. President A. A. Page of the College announced this week they, together with five girls from the Academy, will sing in the All-Kentucky Chorus of 1000 voices which will climax the State Festival with a concert in the University's new Memorial Coliseum on the evening of May 12.

All nine are among the 39 members of the Academy Mixed Chorus, which was judged "superior" in the recent Pikeville Regional Music Festival.

The All-Kentucky Chorus, under the direction of Dr. Lara Hoggard, assistant director to Fred Waring, will be accompanied by two pianists, an organist, and the University band. This program will be the first event of importance held in the new auditorium which seats 15,000.

Farm Forestry Project Headed By F. M. Hunt

Frankfort, Ky., Feb. 9 (Sp.)—The establishment of the Wolf Creek Farm Forestry Project, in cooperation with the U.S. Forest Service, to be headed by Farm Forester, F. M. Hunt, was announced today by State Forester H. B. Newland.

This, the second Kentucky farm woodland management project to be activated this year will have its headquarters at Summerset and will include Pulaski, Wayne and Russell counties.

Hunt, a native of Danville, Kentucky, was supervisor of the Kentucky Ridge State Forest prior to his transfer. He is a graduate of Duke University with a masters degree in forestry.

The farm forester's duties will be to give assistance to farmers and other woodland owners in the proper management of their timber land. Hunt will also mark trees which are to be harvested and will assist the owner in the marketing of his forest products.

The office of the Wolf Creek Farm Forestry Project will be located at 121 Main street in Summerset.

MAYTOWN

The three churches, Maytown, Garrett and Sulbury, of the Maytown-Garrett circuit, met in the basement of the parsonage here for a picnic dinner on Sunday, April 30. As it was the 50th birthday of the Rev. Allen, pastor, invited the churches for a gathering which was enjoyed by all. Those who attended had a good time and those who were absent really missed a good time. The Rev. Kelly, from Cincinnati, who is holding a revival at Sulbury, was one of the guests. We are looking forward to another get-together.

Miss Gladwyn Gibson and Miss Lela June May each celebrated their birthdays with parties on Saturday and Sunday afternoon of last week. Many of the younger set attended, bringing lovely gifts for the honorees.

The senior class, with Mrs. Baker, Mrs. Engage and Miss Bowman, report a grand time on their trip to Washington. The senior play, "Love Your Neighbor," was given on Tuesday as the last stepping stone toward financing the trip.

The second spring music concert was given in the auditorium of the high school building on Monday, May 1. The funds will go toward financing Maytown's part in the festival. We are very proud of our festival members—two won "superior" in Pikeville and five won "excellent" in the reviews. Maytown entered in seven events.

Ladies of the Maytown Methodist Church have completed their sale of stamps to pay for the coffee percolator to be used in the basement of the parsonage. Seventy-two jars were sold without difficulty. Thanks to all for their cooperation.

BIRTH ANNOUNCED
Mr. and Mrs. Phillip Jones, 95 Forrester street, S.W. Washington, D. C., announce the arrival of their first child, a son, William Phillip Jones, Jr., on April 7. Mrs. Jones is the former Virginia Greer Culbertson, daughter of G. A. Culbertson, former Prestonsburg resident.
