COUNTY SENDS THREE STARS

(Continued from Page 1)

To East-West Contests; Grid Game Is Tie; Rally In Net Tilt Barely Falls

The East was hard-pressed in its grid and net games at Lexington Saturday night with the West, and finally lost the basketball game after holding the West to 6-0 tie in the football—and the story might have been a sadder one but for the stellar performances of three Floyd county athletes.

In the football game it was Melvin Pennington and Jimmy Mayo, teammates on last year's Conference championship Prestonsburg high school eleven, who lived up to their press notices. It was in the basketball contest which the West won, 64 to 60, that Pete Grigsby, all-star guard from Martin high school, showed University of Kentucky fans the brand of basketball they may expect of him as a Wildcat player. Mayo took one pass for 21 yards and a touchdown, but the marker was wiped by a teammate's roughness. He did all the kicking for the East and averaged 37.8 yards from scrimmage, one punt going out on the West one-foot line. It was this punt, kicked short, intentionally, which kept his average from soaring into the 40's. Besides that, he teamed up with Charles Bell, of Pineville, in a drive which carried 54 yards in nine plays to score the East's only marker. His attempt to kick the extra point—the first such kick Mayo had ever assayed—failed.

Pennington started at right guard for the Easterners, and played that position on both offense and defense, taking little rest during the entire evening. He and the other East linemen held the West running attack to 65 yards while the West was piling up 86. Grigsby did not get into the basketball game at Memorial Coliseum till late when he did his effort combined with that of Clay Evans, of Fleming county, almost upset the West. He flipped in four quick baskets and shared with Evans East's scoring leadership with 10 points each, although he played only a portion of the third quarter and returned to spark the fourth quarter rally.

At the present time, there are 200 species of fish in Kentucky's streams and lakes.

That night Barnes preached and gave the invitation with no response, but he noted the fixed attention of the multitude and was heartened. The next day opened with better weather. Another hundred from nearby sections of Kentucky and Virginia assembled. Barnes mounted for healing in all of his ministry in the mountains. A mountaineer brought forward on his second day a small boy to be healed of an unknown disease. Barnes anointed him, the child lay down and went to sleep.

The second service of the day was to be at noon on August 6 but the air, saturated with humidity, made the heat all but unbearable. The inside of the tent seemed to concentrate the hot air. At first he thought to defer the preaching but decided against it. Soon after the worship got under way the storm broke with mountain fury. Water gathered in the flapping folds of the tent, began to come through the cracks of the cloth. Many players on water splattered over the piano. Men eased out of the tent to see about their own belongings only to find them rain-soaked and unuseable.

Barnes thought that any deference to the storm by suspending the service was an objection to the Lord. He preached on, The rain became worse and where it had dripped it now began to pour. Water ran down the heat of the pianist and began to gather on the trampled earth serving for a floor. When the accumulated water was rising on the piano the organist deferred to the elements and dismissed the service. The tent emptied quickly.

Outside the camp were the sodden, dreary, "disconsolate faithful." Their houses had been scant protection against the storm and rain. But directed by their mentor, they built a great fire in the camp center and began to dry their straw beds and dripping clothes. The Rev. Barnes recalls in his note book: "Even our lovely banner dropped and clung to the flagstaff as if all was lost."

The camp had a commercial side, which, of course, was a necessary adjunct to such an undertaking. But directed by their mentor, they built a great fire in the camp center and began to dry their straw beds and dripping clothes. The Rev. Barnes recalls in his note book: "Even our lovely banner dropped and clung to the flagstaff as if all was lost."

THIS IS NO WEATHER REPORT, BUT WE'VE GOT SNOW, AND THIS IS TO TELL TVIEWERS WHY; 100,000 WATTS OF WSAZ POWER MISSING US

DAVID

WSAZ-TV, Huntington, W. Va., has 100,000 watts of power, but Floyd county televiewers aren't getting it—and that's the story in brief.

So the Dinges & Flanery Television Service here gather from telephone talks with both WSAZ, the source of television programs in this section, and the Columbus, Ohio station which is playing hob with local reception.

This is how a WSAZ-TV engineer explained the situation to the Prestonsburg television service: Recently when WSAZ switched to Channel 3 and became the most powerful television station in the world its full power was beamed straight toward this section. But the Columbus station happens also to be on Channel 3 and almost on a straight line with Floyd county and Huntington; so it, too, got the power of WSAZ, full-blast, and the resultant interference was terrific.

Protests from the Columbus area resulted in WSAZ turning its antenna broadcast to this section rather than toward this section. The result is, the Big Sandy is perhaps not getting the benefit of as much power as it had when WSAZ was at only 17,000 watts on Channel 5.

An engineer of the Columbus station told Dinges & Flanery it expects to switch to Channel 4 in November, and the Huntington station has assured the Prestonsburg men that line with Floyd county and Huntington to this section when that is done.

Not only "snow," the result of a weak signal, but also sound interference is upsetting TV-set owners in this section, and the report received here Wednesday was that the condition is general. Paintsville was one community listed as having the same troubles as those experienced here.

Miss Karen Bussey visited with Mr. and Mrs. Maurice Hall, of Pikeville, the past few days.

Mr. and Mrs. Dawson Bussey are visiting Mr. and Mrs. John A. Hicks at Garrett.

Mr. and Mrs. Marion Grimm have moved into the David community from Nippa, Ky. Mr. Grimm works in the mines and Mrs. Grimm keeps house at 408 Main street, David.

Arnold Mell has been visiting Mr. and Mrs. Benny Shepherd. Mr. Mell is from Magoffin county.

Miss Mary Frances Siambaugh is visiting relatives at Whalen, Ky.

Mrs. Carl C. Schiffler, wife of Rev. Carl C. Schiffler, assistant pastor to Rev. Durham at David, is now working with Rev. Schiffler after completing her teaching at the Louisville Country Day School.

Mr. and Mrs. Pierre Prater, of Whalen, Ky., visited Mr. and Mrs. Ray Stumbaugh here, Saturday.

Frank Vaughan has moved from David to Prestonsburg.

Miss Jane Crawford is now in Cleveland, O., for the coming school year. She will begin her teaching career in that city.

Jimmy Joe George, of Prestonsburg, is visiting his father, Johnny George.

Rev. J. E. Durham is now back in David. He returned last Friday from St. Mary's hospital, Huntington, where he had undergone a serious operation. Rev. Durham is rapidly recovering and the people of his pastorate are expressing their pleasure at his return by visiting with him at his home. It is expected that he will return to St. Mary's for a brief examination Friday.

LEAKE-COMBS NUPTIALS SOLEMNIZED

Mr. and Mrs. C. Gilmer Combs

In a candlelight ceremony, the marriage of Miss Mary Jane Leake, daughter of Mr. and Mrs. C. G. Leake, of Hyde Park, Cincinnati, O., to Mr. C. Gilmer Combs, son of Mr. and Mrs. A. B. Combs, of Prestonsburg, Ky., was solemnized Saturday afternoon, Aug. 2, at 3 o'clock in the Church of the Advent, Cincinnati, with the Rev. Harvey Guthrie, officiating.

The bride, given in marriage by her father, wore a gown of chantilly lace and nylon. A crown of deep pearls held her finger-length veil of tulle, and she carried a prayer book adorned with a white orchid.

Miss Vyvyan Combs, sister of the groom, was maid of honor. She wore a white-length gown of starlight blue net, and a tiny satin-covered hat with short veil.

The bridesmaids, Misses Patricia Crossenbach, of Lexington, Ky.; Jane Damsman, of Evansville, Ind.; and Joanne Hitzcock, of Cincinnati, wore identically styled gowns of ballet blue tulle.

The bride attendants carried bouquets of pale pink roses and light blue delphinium.

Mr. Combs was graduated in 1946 from the University of Kentucky Law School where he was president of Sigma Chi.

Roberts-Estep Marriage Solemnized August 9

In an informal home ceremony Saturday, Aug. 9, at 7 p.m., Miss Helen Marie Roberts, daughter of Mr. and Mrs. Lee Roberts, of Prestonsburg, was united in marriage to Cpl. George Edward Estep at the home of the groom's parents, Mr. and Mrs. George Estep, on W. Main street, Paintsville, on the Rev. Charles Perry, pastor of the Louise Methodist Church, performing the double ring ceremony in the presence of the immediate families and close friends.

The bride wore a white suit with white accessories and a shoulder corsage of red and yellow roses. The groom's mother was assisted in serving by Mrs. M. C. Conley and Mrs. James P. May.

Mrs. Estep was graduated from Prestonsburg high school in 1949 and was employed by McCall's magazine in Dayton prior to her marriage.

BRUNCH FOR VISITOR Mrs. Ruth D. Sowards entertained with a brunch on Wednesday at the Center Grill, complimenting her houseguests and Oklahoma cousins. Covers were laid for Morton McGeary, Newark, N. Drought-Stricken Farmers Given Price Reduction On Hay Through PMA

Hay for drought-stricken Floyd county farmers can be purchased through the PMA office here at greatly reduced prices, according to an announcement made by the Agricultural Mobilization Committee today (Thursday).

The program as set up by the Commodity Credit Corporation provide for the purchase of hay by the local PMA office here. Any farmer can make application as to his needs with the PMA and after approval by the Mobilization Committee will take his hay at the car door.

Grass hay will be sold at \$22 moved at \$22, leucaena at \$26 and the buyer will be required to deposit \$5 per ton upon acceptance of his order. It was said at the PMA office that the Farm & Home Store would take the hay without charge to the farmers in the event the hay cannot be moved if it is in time to about determine.

Farmers were taken by County Agent Harold B. Hise to the immediate advantage of this hay program within the next two or three weeks as the price would change.

The Mobilization Committee is composed of the PMA committee members, James Stephens, W. V. Woods and W. B. Towlett, L. B. Johnson, of the Soil Conservation Service; R. C. Barnett, of the Farm Home Administration and County Agent Hise.

As of April, 1952, there were 360 registered farms in Kentucky.

DICK'S SEVENTH READER

Have published two books and sold them and now I have a third book called "Dick's Seventh Reader."

It was made as follows: There was a flood in Beaver Creek and people who lived in the lowlands had to gather into a home upon a hill and while staying there they passed the time away by telling stories, reciting poetry of their own make, etc., and this book is a record of what they brought forth.

I have had a limited number of these books made and if you want a copy send me one dollar and I will send you one postpaid, or, if you want it sent C.O.D., let me know and then it will cost you a few cents more.

SEEKS HOMES FOR CHILDREN

Welfare Worker Tells Needs of State Warps And Explains Services

Homes for children are wanted in Floyd county, said Miss Sue Mitchell, of the Division of Child Welfare, State Welfare Department here Tuesday. The homes may be free, wage or boarding homes.

Miss Mitchell explains that a free home is one that will provide board and care without charge to some child-care of the state. A wage home is one that will, in addition to board and care, give wages to a child for farm or home help, and boarding homes are those which would provide food and care for children needing it at a price paid by the state.

FARM FOR SALE—300 acres land, 2 houses, 1 1/2-room and one 2-room. The houses need some repair, the farm has 300 fruit trees, gas and electricity for the house, and water the year around. Most of this farm in good timber. About 7 miles from town. This farm is selling at the low price of \$3,000. Near Mare Creek, Ky. If interested, write WILLIAM WHITE, Christian, W. Va. 8-14-52

FOR SALE—116-acre farm in Madison county, 2 houses, one 4-room, 1 1/2-room, two-thirds timbered, about 20 acres level land. Small tobacco base, all minerals. Located 1 mile from school and church, 3 1/2 miles from Sabersville. Will sell or trade for other property. See or write ADAM HOOVER, Garretts, Ky. 10-10-52

THE TAXPAYERS' FIGHT

The Floyd County Good Government Taxpayers' League has been in existence since April of this year. Our existence began in the Circuit Court room at Prestonsburg with a small group of men interested in better government. We had to start from "scratch" because we had no money. For money we depended upon membership cards that were sold at \$1 and our own pocketbooks. We have received a few donations from taxpayers that have enabled us to carry on the fight.

We have had to fight the adverse propaganda of those in power. We have been called Ku Klux, two by fours, agitators, a nest of old, defeated candidates and just about any other term of opprobrium in the language. We have been treated to a "heat" course by the friends of those who hold office. We have been coerced in silent and subtle ways that would make a wooden man yince. We have been telephoned, written, importuned and offered suggestions upon our heads by the multitude of angles coming our way from interested parties.

Through all this financial embarrassment and the "heat" treatment, through all this adverse criticism and the untruths we have managed to carry on. That fight we propose to carry on until our job is finished. That fight is the taxpayers' fight. Our fight and your fight. The tax money we are trying to save is your money as well as ours. Better government belongs to all of us. So when we lead and spearhead the fight for good government we lead your fight.

Why not help us? Why stand on the sidelines and say, "Atta Boy, I'm for you," when what we need as bad as we need the encouragement is financial assistance. We appreciate the way taxpayers are responding with contributions but the reason a whole flock of suits have not been filed is that we do not have the money for the lawsuits. We could recover for Floyd county a huge sum of tax money if we had the money to fight the lawsuits.

Our suit against Woodrow Burchett was easy to bring. The evidence was lying before our eyes, ready to copy. The other county offices cannot so easily be gone over for excess salary payments. Their offices will have to be audited. Auditors cost money. To properly audit the county offices will take somewhere in the neighborhood of \$3,000. If we had the money we could audit these offices as quickly as we could employ an auditor and get the job done.

We are people with ideas. We propose to look into a lot of things pretty soon. We propose to look into the matter of the Johns Creek road wherein a quarter of a million dollars was thrown away as far as good roads is concerned. We are going to ask some embarrassing questions about that road when we get to it. Let the powers that be snicker at the "two by fours." We can take it because we are leading a crusade for the right.

We are committed to the Burchett suit. Soon we will commit ourselves to other suits. And all along we propose to start looking into some other matters that we would like to discuss with you if you will drop in on any of the Directors and discuss it. Call on any of us—learn our determination to do this job. Ask Joe Cooley to show you where this money has come from and where it is going.

Our organization is non-political. Republicans... Democrats... all are welcome. We are not organized by any one man nor does one man or any group of men control us. We are servants of the people and leaders in the public interest. So come in to see one of our Directors—give us a contribution. Some men are buying membership cards for all of the adults in the family. Others are giving us outright gifts. If enough public support develops we will give you more action.

In closing this appeal we would like to take this means of reaffirming our resolve to carry on. We shall carry on despite adversity. We shall carry on UNTIL FLOYD COUNTY IS CLEANED UP.

Allen Baseball Team Defeats Wayland, 8-2; Games Played at Allen

The Allen team of the Big Sandy Baseball League came back Sunday to defeat Wayland, 8-2, behind the twirling of Doug Laferty after dropping his Thursday night tilt with Wheelwright, 10 to 6. Both games were played at Allen.

Wohlford, Wheelwright's starting moundman, was the winning pitcher in the Thursday night game, while Wheelwright scored a run for each of its 10 hits. H. Gummell was the loser.

Allen slammed Ratliff, Wayland pitcher, for 15 safeties in Sunday's game. The losers hit Laferty for eight but failed to bunt their blows.

Herrington Lake Safe For Recreation Uses

Frankfort, Ky., Aug. 14 (SpI)—Reports that there is "serious pollution" of Herrington Lake which would endanger swimmers or fishermen using the lake are unfounded. Henry Ward, state commissioner of conservation and chairman of the Kentucky Water Pollution Control Commission, said here today.

"The amount of wastes going into Herrington Lake does not make that lake unsafe for swimming," Ward said. "Herrington Lake rates well when standards for safe swimming water established by the Ohio River Valley Water Sanitation Commission are applied to it."

Ward quoted Earl Wallace, director of the Department of Fish and Wildlife Resources, as saying that the department has had no report of damage to fish life from wastes going into Herrington Lake.

"As a matter of fact," Ward added, "Herrington Lake in recent years has returned to its position as one of the best fishing lakes in the state."

Louis Birkel, acting director of the Water Pollution Control Commission, was quoted by Ward as saying Herrington Lake is safe for swimming.

"The reports of pollution of Herrington Lake arose from inspections by sanitarians of the State Department of Health of some of the operations around the lake," Ward said. "They reported violations of a number of sanitary regulations and other rules applying to the operation of restaurants and similar establishments."

"The regulation of sewer outlets into public streams such as Herrington Lake is under the jurisdiction of the Water Pollution Control Commission, and this commission will act against specific violators when the proper facts are presented," Ward said.

"We do not condone the discharge of wastes into any stream, but we must, in all fairness, call attention to the fact that such discharges do not always result in 'pollution' of a large lake such as Herrington as the term 'pollution' is construed by the average person. For this reason, I believe it is right and proper to call attention to the fact that Herrington Lake is regarded as safe for recreational purposes."

-1195 extra pounds of it!

-to cut your costs, increase your profits!

GMC engineering brings you this great new Model 470 highway tractor that hauls up to 1,195 pounds more cargo than any other vehicle in the 45,000 gross weight class.

Here are the reasons why. It will pay you to study them carefully.

Sensational new engine. Model 470 is powered by GMC's new 145 h.p. valve-in-head "302" engine—the most powerful gasoline engine for its weight in truck history.

Maximum power-to-weight ratio. The "302" engine weighs as much as 500 pounds less than other engines of comparable power, due to new high efficiency design.

Highest compression—7.2 to 1—exceeds any other standard gasoline truck engine, accelerates faster. Delivers full power at an easy-stroking 3,200 r.p.m.

More ton-miles per gallon—less dead weight in engine and chassis means more profit in every mile.

Highest payload capacity—upwards of one-half ton greater than any other tractor of the same GCW rating.

Price—the biggest surprise of all. Compare the price you have to pay for this pace-setting GMC against the field. Nowhere else will so little buy so much in a 3- to 4 1/2-ton tractor.

Why not come in and see for yourself?

Floyd County Historical Notes

By HENRY P. SCALF

Thomas May, who bought the Samuel May farm at Cliff in 1842, did not die in the old house featured in last week's Times, a statement in the article notwithstanding. That article was checked and double-checked for errors until it seemed that none were present. But there it was, stating this columnist in the face-and it would not have been noted but for a May descendant.

Thomas May was the third child of John and Sarah Phillips May. He was born February 1, 1787, in Virginia. He died September 5, 1871, and is buried on Robinson Creek, Pike county, near his old homestead.

It seems that he must have bought the Cliff farm from his brother Samuel merely to provide an estate for his sons, William James and Samuel. Any way, these two sons moved into the house and did their own housekeeping for some time. They afterwards divided the farm into two parts.

For more complete data on Thomas May we turn to the manuscript on the family prepared by Mrs. Trees Francis. It is an excellent work and represents years of research:

"He was married August 19, 1813, in Floyd county, to Dorcas Patton, born Oct. 18, 1790, and died June 9, 1872. She was the daughter of Thomas Patton (some say Henry) and Florence Graham Patton. She is buried in the same cemetery with her husband on Robinson Creek.

"Thomas May came to Shelby County, Pike county (then Floyd), with his father in 1800, who settled there and reared his family. Thomas as May was a poor man at the time of his marriage but by native industry and frugality accumulated quite an estate before his death. He was one of the largest and wealthiest landowners in that section of the county. He gave each of his 12 children a farm. He built the first chert mine in Kentucky and Morgan county.

"When Thomas May was married it is said that he took horses and went to Charlottesville . . . and carried what he went to housekeeping with back to Robinson Creek, a distance of 117 miles. Here he settled on a farm and reared a family of 13 children."

Election time is only a few months away and since so many are pre-occupied with the campaign the following letter written from Point Pleasant, Ill. July 2, 1840, by John Logan Ewing to his brother, Baker F. Ewing, of Perryville, Ky., may be of interest.

John Logan Ewing married Elizabeth "Betty" May and it was thought for a while that she was of the Eastern Kentucky Mays. In research on the May family a copy of the letter found its way into Floyd county.

Point Pleasant, Ill., July 2, 1840.

"Dear Brother: "I received yours by Mr. Gosh dated 29th May and 4th of June and the money all safe. * * * Huza for Old Tip."

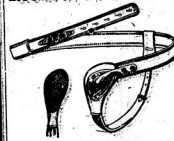

"With regard to the note to Saml W. Warren I would say that I am a little at a loss to know how to word it but to remedy that I will write my name at the bottom of this page and you are hereby duly authorized and requested to fill up the blank with a note and for fear some Loco Foco supporters of Van Buren (Ed.) might rob the mail and draw me into a snare, I shall not acknowledge the same unless witnessed. I must now leave room for it. Huza for Old Tip. * * *

"I was sorry you were so hurried that you could not write all you intended. Was glad to hear that you were all tolerable. I think one horse would be enough to keep on Sister Sally's acct., unless there should be two, in that case, Girls or Boys, call them Harrison and Tyler."

"I suppose Milton is still very thick with Uncle Ben and that they both have a finger in the matter."

BALLOTS ON WAY

Preparations for printing the general election ballots in Kentucky already are under way. Secretary of State Charles K. O'Connell said, as the deadline for filing of papers from regular party conventions—as well as independent petitions—passed.

Democratic, Republican and Socialist-Labor groups have qualified for ballot petitions. Democratic names will appear in the left-hand column on the ballot, Republicans in the center and Socialist-Labor Presidential candidates on the right.

"The way the suckers are going it for Old Tip is not a little and they are having Harrison meetings, hoisting liberty poles, Harrison Flags, drinking hard cider and raising log cabins almost throughout the length and breadth of the land. I think the state will go for the old Genl. by a very large majority, notwithstanding the Hoard of Government officers we have to contend with. I tell you the Pattons Democrats about here are badly scared. Huza for Old Tip, Tyler, and Reform. Go it, Tip & Come on Tyler."

"Your affectionate brother, J. L. EWING."

SHERIFF'S SALE

**FLOYD QUARTERLY COURT
H. F. Meade's Store Plaintiff
Vs.—ORDER SHERIFF'S SALE
Mac McCarty Defendant**

By virtue of a judgment and order of sale directed to me which issued from the office of the Floyd County Court in favor of H. F. Meade's Store, I or one of my deputies will on August 30, 1952, at the hour of 1:00 p.m., at the storehouse door of H. F. Meade, near Mt. Rest, Floyd County, Ky., expose to public sale to the highest and best bidder the following described property to satisfy plaintiff's debt, interest and cost.

1 bedroom suite; 1 living room suite; 1 G.E. electric range; 1 breakfast set; 1 kitchen cabinet; 1 refrigerator; G.E. utility cabinet; 2 gas stoves; 4' lineoleum rug; 1 bunch mechanical tools; 1 ironing board; 1 electric iron; 4 window shades; 1 blind; 14 cookers, pots and pans, located in property of plaintiff at Mt. Rest, Floyd County, Ky.

Levied upon as the property of Mac McCarty.

Terms of Sale: Property will be sold upon a credit of three months, the purchaser or purchasers shall be required to execute bond for the deferred purchase price with approved surety, said bond to have the force and effect of a judgment as security. The Sheriff shall retain a lien against the property herein sold. The purchaser may pay the amount of his bid in cash, or if bonds are to be executed may anticipate the payment of such purchase price by paying the principal amount thereof together with interest at the rate of 6% per annum from the date of sale to date of payment. If the plaintiff is the purchaser of said sale to the amount of his debt, interest and cost, no bond shall be required other than for the cost of this action. Witness my hand this 12th day of August, 1952.

**millions prefer
electric water heating
for the same reasons
they prefer electric light!**

it's clean, safe, thrifty, worry-free

Why do you use electric lights at home? Because you know from experience that electricity's the cleanest, safest, thriftest way—the best way, all things considered—to do the job.

You want the same dependable performance in a water heater... so let electricity do that task, too!

It makes sense. People who use electric water heaters say it does—and there are more of them every day. You couldn't pay 'em to go back to old-time methods.

Your plumber or electric appliance dealer has a size and type of electric water heater for every family, every purse.

Army and Air Force Vacancies Announced

Set Clyde C. Nelson of the local U.S. Army and U.S. Air Force recruitment station announced this week that vacancies exist for qualified young men in both the Regular Army and Regular Air Force. Sgt. Nelson further stated that young men who have been preinducted can still volunteer provided they have not received an induction notice.

Qualified men are presently being examined at Ashland and those choosing the army are being forwarded to Fort George G. Meade, Md. and those choosing the Air Force are forwarded to either Sampson Air Force Base, New York, Young or Lackland Air Force Base, San Antonio, Texas.

Young men who volunteer and serve honorably during period of service will receive benefits under the new G.I. Bill of Rights, Sgt. Nelson added.

MARTIN

The Martin Sunday School Campaign committee met at the Methodist Church Sunday at 2 p.m. The following plans were discussed:

1. That each church be responsible for checking on persons who would like to attend Sunday School but are not able to walk and have no means of getting there, and when this visit is completed, the motorcycle to go into operation.
 2. A Sunday School Rally to be held in October.
 3. All Sunday Schools to hold their promotions in October, that the theme of the rally may center around that also.
- Members of the committee and all others interested to meet at the Methodist Church, Aug. 29 and go calling in the interests of the respective Sunday Schools.
- Mr. and Mrs. Edward Price, of Van W. Va., spent the week-end with her foster parents, Mr. and Mrs. Harry Laferty.
- Mr. and Mrs. Frank Peters, of Louisville, have returned home after visiting friends and his parents, Mr. and Mrs. Isaac Peters, for the past two weeks.
- Mr. and Mrs. Clarence H. Crisp and children have moved to Buchanan, W. Va., where Mr. Crisp is employed by a gas company.
- Mr. and Mrs. Isaac Peters Jr., of Sloan, visited his aunt, Mrs. Harry Laferty, last week.
- Larry Bentley spent a few days with his grandmother, Mrs. Mae Bentley.

D. L. Haywood was at home over the week-end from his work at Shelby, Ky.

Dennis Martin, M. T. Begley and Charles Frye were fishing at Dewey Lake, Sunday.

Elmer Laferty, son of Mr. and Mrs. Harry Laferty, is home from the army. He has his discharge.

Mrs. Dick Branham spent the week-end with her daughter, Mrs. Mae Holt, at Louisa.

Eight Are Graduated At Pikeville College

Eight Floyd county students were among the 31 graduated at the recent annual summer commencement exercises of Pikeville College.

Dr. Gernon P. Martin, Jr., pastor of the Second Presbyterian Church of Wilkinsburg, Pa., a suburb of Pittsburgh, addressed the graduates.

The class, second largest ever graduated at a summer commencement at Pikeville, included 26 prospective teachers, who became eligible upon graduation for the Provisional Elementary Certificate.

The Floyd countians, all teachers, are Nolene Derossett and Mrs. Elsie Dabson, Prestonsburg; Floyd Laferty, Sloan; Mrs. Artie S. Moore, McDowell; Myrtle B. Newson, McDowell; Maureen Pack, Hugsyville, and Helen C. Stumbo, McDowell.

Kentucky's five major man-made lakes—Kentucky Lake, Lake Cumberland, Dale Hollow, Herrington Lake, and Dewey Lake—have more than 2,500 miles of shoreline.

WARMER FLOORS; A BETTER-HEATED HOME

because these 4 Big Exclusive Coleman Features are your assurance that more usable heat is put into your home from fuel used.

1. NEW BLUE-ARCH BURNER
2. OVERSIZE HEAT EXCHANGER
3. NEW FUNCTIONAL AIR FLOW DESIGN
4. MODERN TEMPERATURE CONTROL

What is more precious than the health of your family? You just can't have the best of health with a heating system that produces warm air and cold air in layers—with hot air packed at the ceiling, with cold air freezing the floors! That's the kind of heating that means colds, discomfort and winter ills.

With a Coleman Floor Furnace you'll enjoy the best of winter comfort at low cost. It fits into the floor... takes up no living space... needs no pit or basement, no air ducts. The new Shallowlow model extends only 2 3/4" below floor level, is flood-proof to 19" below. Big-furnace heating performance!
