SPEAKING OF AND FOR FLOYD COUNTY

PRESTONSBURG, KENTUCKY

FEBRUARY 9, 1956

THURSDAY

This Town That World

ELECTION IN THE SPRINGTIME

I suppose there's nothing wrong about this business... changing primary election day from August to May.

OH, NO!

We are greatly concerned about this bill that Representative Howard... of Elizabethtown has introduced to permit anybody in the newspaper, radio and television business to equip his automobile with siren and red lights.

I don't attempt to speak for the radio and TV people and I may be in the minority among the so-called Fifth Estates... but this matter strikes me as just a wee bit ludicrous.

Can you imagine? Why in the mischief of a message-making machine to make himself a bigger jackass than he naturally is and call it conceal, is beyond me.

Besides, I don't need a siren. My fan belt squeaks.

MOORE PARTS WITH PERKINS

County Clerk's Blast, School Politics Result; C.-J. Story Draws Fire

Knott county school politics were said to be the basic reason for County Court Clerk Dalton Moore's blast this week at Congressman Carl D. Perkins of Hindman, Moore taking exception to a Courier-Journal story last Sunday that said he was present at a meeting of Perkins' friends.

My reasons for being here, Mr. Perkins this year are well known to him and need not be aired publicly.

The Flood creek said... Mr. Perkins has not a preference in an article in which I have indicated he has been so in years.

I certainly will not support Congressman Perkins in the coming primary as Senator's... Journal implied whether he runs in the Seventy in the Eighth or in any other Congressional district.

Charles Edward Neely, 18, Cliff and Marlene Tarkenton, 17, level marriage submitted Feb. 7 at Circuit Court by Rev. Harold W. Dorsey, utility James Coleman, 20, and Loraine Triplett, 18, both of this county, by Wallace D. Smith, 23, Thomas and Inez Marie Thoby, 19, Emma, Samuel Holbrook, 18, Edith and Edgar May, 19, Blaine, and Juanita Haskeworth, 18, Blue River.

REDISTRICTING HITS PERKINS, IS VIEW HERE

Seventh District Loses Perry, Letcher, Gains 9 Through Assembly Action

Two proposed legislative moves were seen this week at State Administrative maneuvers to defeat Congressman Carl D. Perkins in his race for reelection this year from the Seventh district.

One of these was a redistricting bill which would cut Perry and Letcher counties from the Democratic Seventh and add them to the Republican Eighth and which at the same time would add to the Seventh district Jackson, Owsley, Wall, Meigs, Rowan, Boone, White, Greenup, Boyd and Lawrence counties.

The other measure would change primary election day in Kentucky from August to May.

The Seventh district will under the redistricting bill be composed of Floyd, Knott, Pike, Maconfin, Johnson, Martin, Breathitt, Greenup, Boone, Carter, Rowan, White, Elliott, Morgan, Lawrence, Menifee, Wolfe, Lee, Owsley and Jackson counties.

The bill also would split the Clements-Beauchamp strength in the Second district between the two seats of the Legislature.

Effect of the bill is to put 100,000 voters in a strange hold of Ex-Congressman of Joe B. Bales of Greenup into the Seventh Bales, who has been mentioned as an opponent of Congressman Perkins.

Transfer of Perry and Letcher to the Eighth and the loss of Greenup, Cumberland, Casey, Jackson and Owsley counties reduce the O. P. margin in that Kentucky district.

He and Eugene S. Perkins have expressed opposition to the redistricting plan.

First District—Pulton, Hickman, Graves, Galaxey, Carlisle, Ballard, McGeehan, Madison, Harlan, Crittenden, Lyon, Trigg, Caldwell, Christian, Muhlenberg, Logan and Todd.

Second Henderson, Webster, Morgan, Ohio Simpson, Allen, Warren, Elletts, Davies, Hancock, Breckinridge, and Glasgow, Eminence, Hart, Hopkins and Union.

Also dismissed was Elk Horn's claim for damages incurred by under the terms of the public contract which it had entered into with the Kentucky Coal and Lignite Co. in the construction of a pipeline over road lands.

The tracks of land involved in the case were about 28 1/2 May, J. W. Wood, James B. Patton, J. D. Turner, William Stumbo, Sylvester Hill, Riley Reynolds, Jas. P. Reynolds, Henry Osborne and A. J. Newsum.

The dismissal order provided that all suits in lands involved in the case are expressly reserved except those specifically adjudicated in the court's order, and the case is retained on the docket, subject to the court's order.

Boards Disagree on Terms of Merger

4,698 Take Polio Shots At Five County Clinics

This was the scene at the close of the polio clinic at Wheelwright last week. Dr. Russell Hall, of Wheelwright, who assisted health department personnel with the clinic, snapped the picture as the last of 1,153 children was receiving a "shot".

A total of 4,698 vaccinations against polio were administered in last week's record-breaking series of clinics held in five Floyd County towns.

When the "shootings" was all over, the health department had only 133 rounds of serum remaining in stock.

Largest of the clinics was the last, which was held Friday at Garrettsville, with youngsters from Wayland, McDowell, Drift and Maytown transported there from the hospital.

March Of Dimes Contributions High

Prestonsburg's March of Dimes contributions during the January drive hit a new high.

Sheriff To Confiscate And Sell All Property Found In Liquor Trade

Sheriff Gordon Collins served a new notice this week on Floyd county bootleggers.

NEWBORN BOY FOUND DEAD

Death Of a new born baby, whose body was found near a garbage dump outside Maytown last Thursday afternoon, resulted from exposure after its abandonment.

Mrs. Frances Reynolds, 84, Dies At Daughter's Home Thursday Last Week

Mrs. Frances Reynolds, 84, of Ligon, died Thursday last week at 11 a.m. at home.

Surviving children are Dee Reynolds, Arthur Reynolds, Miss Hattie Reynolds, and Mrs. Della Nesome.

HILL REMANDS FOUR TO JAIL

Denies Pleas of Men Assaulting Jail Terms After Liquor Hearings

Actions filed by four Floyd County men in an effort to escape 30-day jail terms for violation of the county's "dry" law were dismissed last Friday by Circuit Judge Edward P. Hill.

Three of the four—Azel Jones, Hershell Graham and Jim Potter—were remanded to jail.

DOG WARDEN RESIGNS POST

Accepts Lucrative Job In Washington; Thanks Public For Help Here

COUNTY BOARD MERGER PLAN IS SUBMITTED

County Would Accept 1 City Board Member, Decision Made Tuesday

Declining to accept terms of the proposal made Jan. 16 by the Prestonsburg Board of Education to merge the Prestonsburg independent district with the county school system, the Floyd County Board of Education at its meeting Tuesday afternoon voted to submit to the Prestonsburg board its counter-proposal for merger.

Points of widest difference between the thinking of the two boards are on the county board's acceptance of city board members and on the employment of Chalmers H. Frazier, superintendent of city schools, as assistant county superintendent.

The county board in its counter-proposal contained in a resolution unanimously voted, proposes to:

- 1. Accept William A. Spradlin, present member of the five-member Prestonsburg board, as a member of the county board for the remainder of his term. Terms of the other four members, James R. Camilla, Tom G. Dings, W. V. Dunning and Dr. George P. Archibald, would be terminated by resignation as of July 1, 1956.

2. Employ Chalmers H. Frazier as principal of the Prestonsburg grade school for the school year, July 1, 1956 to June 30, 1957, at a salary not less than the highest salary paid to a principal in Floyd county.

3. The county board would accept the Prestonsburg board's proposal for merger.

4. The county board would accept the Prestonsburg board's proposal for merger.

5. The county board would accept the Prestonsburg board's proposal for merger.

6. The county board would accept the Prestonsburg board's proposal for merger.

7. The county board would accept the Prestonsburg board's proposal for merger.

8. The county board would accept the Prestonsburg board's proposal for merger.

9. The county board would accept the Prestonsburg board's proposal for merger.

10. The county board would accept the Prestonsburg board's proposal for merger.

Electronic Marvel To Control Gas Flow, Record Chart Readings 41 Miles Away

The whole thing may be to the uninitiated and voices and replace the installed apparatus to be straight out of an old system which required that the gas flow be taken or mailed into the office.

All this will be made possible by a microwave radio system now nearing completion for Kentucky West Virginia and Motorola Communications and Electronics, Chicago, Ill. The system is expected to be put into use by Feb. 20.

The microwave system is an expansion on gas flow all those miles away from the office because of natural elevation in the terminal at Osborn Gap will operate from a tower only 20 feet high in between these two points will be two repeater, or relay, stations operating from 150-foot towers, with one located at Maytown and the other on a mountain top on Washington, W. Va.

The system will operate from Prestonsburg to a terminal on Point Mountain in Osborn Gap at the Kentucky-Virginia state line. The Prestonsburg terminal will operate from a 150-foot tower on a hill about one-half mile by air from the office because of natural elevation in the terminal at Osborn Gap will operate from a tower only 20 feet high in between these two points will be two repeater, or relay, stations operating from 150-foot towers, with one located at Maytown and the other on a mountain top on Washington, W. Va.

February Is Designated American History Month, Announcement of D.A.R.

John Graham Chapter, Daughters of the American Revolution, announced here this week that Gov. A. Chandler has by executive proclamation designated the month of February as American History Month in Kentucky.

So designating the month for the purpose of emphasizing the teaching of American history during this period, Governor Chandler's proclamation pointed out that the strength of our nation depends upon the greatest principles of the liberty and the pursuit of happiness for all people; that such goals can only be achieved if the youth of our nation is educated and indoctrinated in these principles; and that such education is now imperative because of the growing force of communism with its oppression of small nations which seek to us for help and inspiration.

CHURCHWOMEN IN MEETING

The Woman's Society of Christian Service of the Methodist Church held its regular monthly meeting at 7:30 p.m. Tuesday in the Education building of the church.

All were urged to take part in the World Day of Prayer on Feb. 17th.

Tackett-Neely Wedding Solemnized Here Feb. 3

The marriage of Miss Marie Neely, daughter of Mr. and Mrs. Mark Tackett of Red K., and Mr. Carl Neely, son of Mr. and Mrs. F. E. Neely, of Cliff K., was solemnized at 2 p.m. Friday, Feb. 3, in the Community Methodist Church at Cliff. The double-ring ceremony was read by the Rev. Harold W. Dorsey, pastor of the church.

The bride wore a nice street-length dress, with matching accessories and carried a bouquet of carnations.

David Stephens, of Prestonsburg, acted as best man, and Mrs. Phyllis Gable of Mine Creek was maid of honor.

Immediately following the nuptial ceremony the newlyweds left for Louisville where the groom's father had purchased a home for them.

Mr. Neely is a premedical student at the University of Louisville and Miss Neely is a business student there.

The world's largest road slacker, used by Great Lakes Steel Corp. travels of concrete walks 10 feet above the road level and starts road from lake vessels at the rate of 2,500 tons per hour.

Remember to Buy Wardrup's pine crest WARDRUP'S "Another Mountain Industry"

CHURCH AUXILIARY MEETS The Young Women's Auxiliary of the Irene Cole Memorial Baptist church met Tuesday night, Feb. 7, at the home of Miss Barbara Isabel. The president, Rebecca Conley, presided over the business session. Mary Lynn Mahan was in charge of the program. The group set an offering to be applied on a state wide Y. W. A. project of building a "Prayer Garden at Georgetown College."

Miss Rosalie Goodman, Mr. Meadows Wed

Mr. and Mrs. Thomas W. Goodman, of Paducah, Ky., announced the marriage of their daughter, Rosalie, to Vernon L. Meadows, son of Mr. and Mrs. Bever Meadows, of Wayland, Kentucky. The candlelit ceremony took place at 6:30 p.m. Saturday at the First Baptist Church, Pikeville. The Rev. Harold Wainwright, pastor of the church performed the impressive double-ring ceremony.

Miss Yvonne Yantzer was attendant of the bride. Tommie Meadows, brother of the groom, served as best man. Miss Sue Packer placed a piece of musical music at the organ and appropriate selections were played during the ceremony.

A reception was held at the home of the bride's parents on Shiloh street immediately after the wedding.

HERE FROM ALASKA AIC Wyn Thomas Bessy, Mrs. Bessy and young Bill Bessy, returned home two weeks ago from Anchorage, Alaska where he has been stationed for two years. The will remain here with his parents, Mr. and Mrs. Osa Bessy, at Lanesville until sometime in March when they will leave for Elm Ait, Alaska.

MUSIC TEACHERS MEET Music teachers of the Pikeville district met last week at the Floyd county high school building here. Elliott D. Bates, Lanesville, chairman, presided at the business session. Refreshments were served by Leta Arnett and Katherine Roberts. Members present were: Jess Elliott, Delia Laine, Mr. Addison, Paul H. H. and Mrs. Arthur Hayward.

LETTERS FROM HOSPITAL Little Billie Cobb, daughter of Mr. and Mrs. Henry Cobb, who was stricken with polio several months ago and who has been a patient at Morris Memorial hospital, Milton, W. Va., has sufficiently recovered to return to her home here. She and her parents are greatly appreciative of the aid of the March of Dimes for the help rendered to them. The little girl is to be able to walk like other children.

FIRST CHILD BORN Mr. and Mrs. Edgar Hotel Lambert are announcing the birth of their first child, a son, born February 3 at the Prestonsburg General Hospital. The babe has been named Edgar Hotel Lambert, II. Mrs. Lambert is the former Betty Sorelock, daughter of Mr. and Mrs. Earl Spunk. She and her baby are at the home of her parents on First avenue.

VISITOR FROM DANVILLE Mrs. Margaret F. Harkins of Danville arrived Monday for a few days' visit here with Mrs. Rea B. Harkins while transacting business.

SPEND WEEK-END HERE Mr. and Mrs. Billy Damon returned to their home at Lucasville, Ohio, Sunday after a short visit here with her mother, Mrs. John Roberts and sister, Miss Joe A. Spradlin.

D. A. R. TO MEET John Graham Chapter, Daughters of the American Revolution, will meet next Tuesday at 7:30 p.m. at the home of Mrs. E. W. May. Mrs. A. C. Harlowe will have charge of the program. Members are requested to attend and to remember to display the flag on Feb. 12 and Feb. 22nd.

RETURN'S HOME Mrs. Ben Ferguson, Jr. and son, Thayne, returned home Monday from St. Albans, W. Va. where she visited her parents. Mr. and Mrs. Don R. Clark for two weeks. Mrs. Clark returned home with her for a visit in her absence.

DINNER GUESTS Mrs. J. M. Davidson entertained a dinner Tuesday evening at her home on Court street. Mr. and Mrs. Richard H. Hill, Paducah, Mrs. John R. Clark, St. Albans, W. Va., Mrs. Osa F. Lyon, Henry D. Priddy and Mrs. Ruth D. Sowards.

MRS. HARRIS, ILL. Bill Charles and Betty Joe Spradlin, students of the University of Kentucky in Lexington, are here in Lexington this week before returning to their studies at school. Their delay in returning after the mid-term vacation was due to the illness of their grandniece Mrs. W. R. Harris.

HOME FROM HOSPITAL Mr. and Mrs. Webb who was injured several weeks ago in a mine accident at David, returned to his home here recently from a Lexington hospital. He is doing nicely and is able to be about his home most of the time.

HOME EC CONFERENCE Miss Hazel Hill, teacher of Home Economics in Prestonsburg high school, entertained the Home Economics conference at Morehead State College last Friday and Saturday. Miss Hill attended a committee meeting planning the program for the Home Economics Section of KEA in the spring.

HOME FROM SCHOOL Gene and Billie Wright students at Berea College spent the semester vacation at Mrs. Prestonsburg with their parents, Mr. and Mrs. Henry Wright.

Commonwealth's Attorney and Mrs. Bessie Martin and Mr. and Mrs. Willie Clark are spending a month's vacation in St. Perce, Fla. Mr. and Mrs. Alex L. Davidson are leaving this week to join them there.

Society Notes

VISITS AUXILIER COUPLE Miss Judith Carol Leeke had her houseparty guests here last week at the home of her grandparents, Mr. and Mrs. M. J. Leeke, Misses Dianne Williamson and Betty Hopewell. All returned to their homes on Sunday afternoon.

IMPROVING AT HOSPITAL Relatives and friends here of Mrs. Vernon Richmond Colingworth, of lines, will be glad to know that she is improving at the Painville hospital. She sustained internal injuries when a jeep in which she was a passenger skidded over an embankment near Kemitt, W. Va., last week.

SPENDS WEEK HERE Mrs. H. D. Hewlett, of Drift, spent last week here with the children of Mr. and Mrs. Len Hill while the Hills were in Frankfort.

MRS. HAWKETT AND MRS. E. E. Clark, of Ashland, recently returned home after having accompanied their parents, James and Mrs. Ed Hill, of Mt. Sterling, to Florida.

MONTHLY SUPPER HELD The Young Adult department of the Irene Cole Memorial Baptist church had its monthly supper meeting in the church annex Wednesday night, Jan. 25. There were 45 present.

900 CLUB MEETS Anna Marie Harris was hostess at her home here to the January meeting of the West Prestonsburg 900 Club. The president, Mrs. Virginia Wright, presided and conducted the devotional.

Theme of the meeting was "Making a Life of Love" and the program included these readings: "Marks of a Leader," by Panny Roberts; "Attributes of a Lady," Mrs. Betty Howard; "The Future," Rebecca Arnett.

Each member gave a resolution to make the club better in 1956. Highlighting the treasurer's report was the record of disbursement to the hospital fund in Pikeville, the first polio heart case, and other worthy causes.

Ones were played and refreshments were served to Jane Harris, Frances Ballinger, Mrs. B. L. Sturgill, Mrs. Sam Hatcher, Panny Rannels, Annie Bowers, Rebecca Arnett, Virginia Wright, Betty Howard, Anna Marie Harris, Mildred Roberts.

New officers for the year are: Mrs. Sam Hatcher, president; Mrs. B. L. Sturgill, vice-president; Mrs. Louis Bowers, corresponding secretary; Mrs. Henry Wright, recording secretary; Mrs. Joe Arnett, treasurer.

SPEND WEEK-END HERE Mr. and Mrs. Billy Damon returned to their home at Lucasville, Ohio, Sunday after a short visit here with her mother, Mrs. John Roberts and sister, Miss Joe A. Spradlin.

D. A. R. TO MEET John Graham Chapter, Daughters of the American Revolution, will meet next Tuesday at 7:30 p.m. at the home of Mrs. E. W. May. Mrs. A. C. Harlowe will have charge of the program. Members are requested to attend and to remember to display the flag on Feb. 12 and Feb. 22nd.

RETURN'S HOME Mrs. Ben Ferguson, Jr. and son, Thayne, returned home Monday from St. Albans, W. Va. where she visited her parents. Mr. and Mrs. Don R. Clark for two weeks. Mrs. Clark returned home with her for a visit in her absence.

DINNER GUESTS Mrs. J. M. Davidson entertained a dinner Tuesday evening at her home on Court street. Mr. and Mrs. Richard H. Hill, Paducah, Mrs. John R. Clark, St. Albans, W. Va., Mrs. Osa F. Lyon, Henry D. Priddy and Mrs. Ruth D. Sowards.

MRS. HARRIS, ILL. Bill Charles and Betty Joe Spradlin, students of the University of Kentucky in Lexington, are here in Lexington this week before returning to their studies at school. Their delay in returning after the mid-term vacation was due to the illness of their grandniece Mrs. W. R. Harris.

HOME FROM HOSPITAL Mr. and Mrs. Webb who was injured several weeks ago in a mine accident at David, returned to his home here recently from a Lexington hospital. He is doing nicely and is able to be about his home most of the time.

HOME EC CONFERENCE Miss Hazel Hill, teacher of Home Economics in Prestonsburg high school, entertained the Home Economics conference at Morehead State College last Friday and Saturday. Miss Hill attended a committee meeting planning the program for the Home Economics Section of KEA in the spring.

HOME FROM SCHOOL Gene and Billie Wright students at Berea College spent the semester vacation at Mrs. Prestonsburg with their parents, Mr. and Mrs. Henry Wright.

Commonwealth's Attorney and Mrs. Bessie Martin and Mr. and Mrs. Willie Clark are spending a month's vacation in St. Perce, Fla. Mr. and Mrs. Alex L. Davidson are leaving this week to join them there.

Catholic Women Form Ladies Altar Society

The Catholic women of Prestonsburg met Wednesday afternoon, last week, at the home of Mrs. Byron Nunney to form the Catholic Ladies Altar Society. Officers are: Mrs. Bill Ackerman, president; Mrs. James R. Schlemmer, vice-president; Mrs. D. J. Schlemmer, secretary; Mrs. Byron Nunney, treasurer.

Father Joseph Wimmer, of St. Michael's Mission Center, Painville, is spiritual adviser to the group. Other members were Mrs. James Donohue and Mrs. L. J. McCabe. The Society was formed, it was explained, for the spiritual benefit of its members and to maintain the chapel recently established at 407 Friend street.

FOOT SAVING EDUCATION

By H. C. Francis How can I be sure that children's shoes fit when I can't see them? It means that you want to make sure that the shoes you buy for your children will be a shoe-fitter for at least two years. Then you will be more sure than that you are now.

If the shoe-fitter is in need, it would be the parent of most women when they buy a pair of shoes. They don't rush down-town at fifteen minutes before closing time and let the first operator they come to give their feet a fast sizzle.

Hardies are two important. Hardies do them and the subject at hand is to every man party. A newcomer to town knows before he leaves the house not only which beauty parlor she is going to but which beautician will give her the kind of curl she wants. She will recall an incident many years ago when she was waiting for the operator to take her and she might even remember the girl of the day especially pleased with what the mirror says after the ordeal.

"Who fits your children's shoes?" should be as common a question as "Who does your hair?" If you will find that your town has many shoe-fitters who realize the health importance of children's shoes and will do a really professional job if they know that you are not primarily interested in an saved, low price or high style.

Body of Floyd Soldier Who Died in POW Camp Is Returned For Burial

The body of Cpl. Donald Herman Roop, 22, who died Sept. 6, 1953 in a North Korean POW Camp, was returned to his parents home in Tramm today (Thursday). The body had been crumpled in the United States for sometime.

Cpl. Roop, a son of Anna and Beattie Blackburn Roop, was entered in the army July 25, 1948 and was promoted to private first class in 1950 but it was later learned that he was a prisoner of war. The cause of death was not made known by the War Department.

Services for the body are being held at the home of Mrs. Anna Roop, 312 E. Main St., at 8:30 p. m. on Monday, Feb. 13. The body will be buried in the cemetery at Hazard under the direction of Baker Funeral Home.

Seventy-Six Students Enrolled From County At Pikeville College

Pikeville, Ky., Feb. 9 (Special) — Seventy-six students from Floyd County are enrolled in the 413 enrolled for the present semester at Pikeville College. Most of the students are registered in teaching courses, studying to become teachers in either grade or high schools. Some 23 are working toward the professional elementary certificate and nearly 90 toward the professional high school certificate.

Pikeville's new junior class, opened for the fall with third-year work for the first time, now has 41 members. About 150 sophomores and 230 freshmen, besides a number of part-time students, also are included in the group. Eleven Kentucky counties, five in West Virginia, six other states, and the Republic of Korea are represented among the college students. Transfer students from some 20 other colleges and universities are enrolled at Pikeville. Among the schools represented are Berea, Casey, Eastern Kentucky State, Marshall, Morehead State, Transylvania, Tusculum, Union, and West Virginia State College. Pikeville University and the universities of Kentucky, Louisville and Richmond.

Floyd county students at Pikeville are David and John Allen, Jr., Prestonsburg; Norma Jean Allen, Rensselaersville; Virginia Delmar, Delmar; Tommie Baldwin, Cliff; La Faye Bane, Gary; Arthur E. SPORTS CHATTER

NEW STATE MARK

Wayland's fabulous scoring guard Kelly Coleman, established a new Kentucky high school scoring record Feb. 5. He scored 36 points in a 57-27 victory over the Blue Bomber of the Mountains. Coleman broke his own mark of 17.8 in a single season, which he set last year as a junior.

15th REGIONAL TO BE AT PIKEVILLE

An announcement from the K. H. S. A. Commissioner's office should be forthcoming soon regarding the 1956 15th regional tournament to be held at Pikeville. The four districts that comprise the region will be played at the following places: 57th, Pikeville high school; 58th, McDowell; 59th, Pantuxville; 60th, Staley Hook.

EX-BLACK CAT STILL HOT

Charles Pike, ex-Prestonsburg guard, currently is the hottest scorer in the fourth Southeastern Conference race. The five-foot, ten-inch sophomore scored 22 points last Saturday as his team triumphed over Tennessee, and was the high scorer with 20 points in his team's 81-70 loss to the University of Kentucky, Monday.

FLOYD COUNTY DRAWINGS SUNDAY

The 58th district Floyd County tournament drawings will be held Sunday, February 12.

RETURN TO ACTION

Betsy Layne has now cleared junior center Charles Blevins, and senior guard Thomas Sparks, will return to action next week after missing several games due to injuries.

Pic. Jas H. Pigman Playing Basketball

Pigman, Germany — Pic. James H. Pigman, 22 son of Dennis Pigman, of Demos, Ky., is playing basketball in Germany on the Army's European Overseas School's team. Pigman, a clerk in the 7714th Army Unit's Student Company, was stationed at Aberdeen Proving Ground, Md. He completed basic training at Fort Knox, Ky. He was graduated in 1954 from the University of Kentucky.

Conservation Films Available for Showing

Frankfort, Ky., Feb. 7 (Sp.) — Louise P. Jackson, commissioner of Conservation, is urging more widespread use of conservation films during February and March. Every soil conservation district in the state will have a list of films available. It will be their responsibility to develop and arrange for showings to adult groups, future farmers, schools, 4-H Clubs, and other Jackson said.

Air Force Announces Improved Classification Tests for New Recruits

Sgt. Junior Murphy, Air Force recruiter for this area, announced this week that the series of classification tests used by the Air Force to determine a basic airman's aptitude for assignment to a certain career and technical school has been improved for more accurate results. Effective this month, the battery of tests being used since 1949 will be replaced by a new series to cover five areas instead of seven. These tests are administered at Lackland Air Force Base, San Antonio, Texas, where local enlistees are sent for basic training.

The five areas now to be covered in the new series are mechanical, administrative, radio operator, general and electronics. Sgt. Murphy said these tests are used to determine an airman's background, interests, knowledge and mechanical aptitude. They measure the aptitude and skills that are needed for successful on-the-job training and technical training courses. Further information on opportunities and technical training available in the U. S. Air Force may be had by contacting Sgt. Junior Murphy at the Post Office Building in Prestonsburg.

Would Set High School Standards for Coroners

Frankfort, Ky., Feb. 7 (Sp.) — Coroners would be required to possess the equivalent of a high school education under terms of a proposed Constitutional amendment submitted to the General Assembly. It was offered in the House of Representatives by Rep. Lon G. Hill of Prestonsburg, and David Martin, Jr. of Ft. Hill.

Many a little white lie leaves a black mark behind it.

Felipe Lanza Dancers To Be Presented Here By Concert Association

The Family Concert Association will present the second program in its current series Monday, Feb. 13 at 8:15 p. m. at the grade school auditorium. The original program was to be given by Justis Spanish dance, but she canceled her Eastern tour because of more commitments. Instead, she presented the Felipe Lanza Dance. The Division of Soil and Water Resources here will forward lists of films to interested groups and arrange for booking dates.

Hamilton-Patrick Engagement

The engagement and forthcoming marriage of Miss Mary Sue Hamilton, daughter of Mr. and Mrs. John Hamilton, McDowell, Ky., and Mr. George Patrick, Asheville, N. C., was announced here recently. A February wedding at Martin, Ky., is planned.

School Board Veteran In Knott County Dies, Heart Attack Victim

George Cox, member of the Knott County Board of Education, died at Stumbo hospital, Lackey, at 7:40 a.m. Jan. 29 following a heart attack. He was 69 years old. A native of Knott county, he was son of J. W. Cox and Elizabeth Castle Cox. Mr. Cox had lived in his community all his life, had been active in school and civic affairs. He was a member for 25 years of the Knott county school board. He also was a member of the workmen's union of the Baptist church.

Surviving as his wife, Mrs. Harriet Cox, of four sons, Sherkie Cox, of Betty, Larkie Cox, Jacksonville, Fla., and six daughters, Mrs. Joseph Singleton, Knoxville, Tenn., Mrs. S. D. Raymond, Norfolk, Va., Mrs. W. J. Giles, Bedford, Va., Mrs. Charles St. Samsel, Cincinnati, O., Mrs. Tavis Ritchie, of Hindman, and Mrs. Adrian Singleton, of Betty. He leaves four brothers and six nephews. Mrs. Walter Martin, of Wayland, and Mrs. Amanda Hammett, of Knott county, are his sisters. He was a member of the Baptist church at Monroe with the Rev. Earl Howard, Rev. Howard and Raymond. Burial will be in the Cox cemetery under direction of the Eastin-Robey Funeral Home.

Roberts Slated to Speak At Meet of Educators

Dr. Leonard Roberts, chairman of the division of languages at Union College, Burlington, will give the keynote address at the fall meeting of the Kentucky Education Association meet in April. His subject will be "Signs, Tales in Eastern Kentucky."

Roberts, a native of Floyd county, spoke Thursday of last week to the Kentucky Education Association at Lexington at the Memorial Coliseum at the University of Kentucky campus. The Floyd man was recently elected a member of the National Education Society, according to an announcement of Dr. Edward Lecher, University of Pennsylvania. Roberts' recent book "South of Hell Fire Sertling," is a major contribution to the lore of the Southern Appalachians.

The county agent held 12 demonstrations in unloading strawberries in Boyles county.

DRIFT

Mrs. Joe C. Moore entertained dinner Sunday honoring Mr. Moore on his birthday. The following were guests: Mr. and Mrs. Walter Pringle, Mr. and Mrs. Lloyd Stumbo, Mr. and Mrs. John H. Moore and Mr. and Mrs. Rex Turner.

Mr. and Mrs. Wayne Stumbo have returned from a three-week vacation in Florida.

Rev. George S. Watson will go to Lexington this week to enter the clinic for a medical check-up.

Mrs. H. D. Heasley spent the past week with the children of Mr. and Mrs. Lon Hill, of Prestonsburg, while Mrs. Hill was in Frankfort.

Mr. and Mrs. H. D. Heasley of Manton, attended church at Leoti Sunday.

Mr. and Mrs. F. T. Jones returned to dinner Sunday last evening. Mr. and Mrs. Howard Sautter and Kathy, Mr. and Mrs. Arnie Fugate and Laura Fay, Nell Jo and Tanager.

Alvin Reed was out of town over the week-end.

Mrs. Olive Akers and children visited her parents at Lucasville, O. over the week-end.

Little Miss Perry Jean Akers celebrated her sixth birthday at the home of her grandmother, Mrs. Anna Akers, Sunday.

Darwin Moore, of Columbus, G. was home over the week-end.

Members of the Drift society were in a stark shower Monday in honor of Mrs. Andy Martin, who is moving to Pikeville, where her husband is employed with the new hospital.

Mr. and Mrs. Rex Turner were business visitors in Pikeville last Thursday.

Mr. and Mrs. H. D. Heasley visited relatives in Louisa last Saturday.

WANTED—TEACHERS

The Floyd County Board of Education badly needs teachers for the following schools:

Clara Cook on Cox Creek, Ralph Frenz and Burge on Middle Creek, Left Toler on Mad Creek and Nell Park on Prayers Creek.

Virgil O. Turner, Supt. Floyd County Schools.

Young Pike-co. Woman Acquitted for Killing Husband in W. Virginia

The youngest girl ever to be tried in Kanawha county, W. Va., for murder is 18-year-old Mrs. Hattie Mae Burke, a native of Pike county, Ky. After an hour's deliberation the West Virginia jury freed her Tuesday on a charge of killing her husband, Harvey Truman, June 26, Dec. 4.

J. Raymond Gordon, counsel for the blonde defendant, argued that the shooting was accidental and that at no time did the girl intend to kill her husband.

Prosecutor J. Blackburn Watts sought a verdict of second degree murder, and told the jurors the defendant was intoxicated at the time of the slaying.

The young widow emphatically denied from the witness stand that she had any ill feeling toward her husband, to whom she had been married about 15 months.

"I picked up the gun, a .22 caliber revolver and threw it," she testified in recounting the incident, "and the gun went off and shot him. I didn't know the gun was loaded."

WHAT YOU SHOULD KNOW ABOUT BURIAL INSURANCE

- It's a form of insurance that pays funeral expenses with a lump-sum check.
- It relieves survivors from the burden of death and expense.
- It provides funerals costing \$200, \$300, \$500 or more, as you choose. Premiums are payable in one lump-sum, or weekly, or annually.
- It guarantees full value of funeral equal in equipment, supply and services to face amount of policy bought.
- It's underwritten by Commonwealth Life Insurance Company—Kentucky's oldest and largest.
- It covers all ages, from birth to 90 years, for every family member.
- It requires no medical examination, if covered is in normal good health.

IN TIME OF bereavement, the Funeral Director is your friend.

His sympathetic understanding, his kindly and helpful service and advice, his professional integrity are yours... to depend on, to give comfort. His devotion lies in easing the grief that death inevitably brings to the survivors.

Long years of experience have shown him that burial insurance protection saves the hour for loved ones. The Kentucky Funeral Directors Bureau Association, of which he is a member, makes available burial insurance underwritten by Commonwealth Life—one of the South's oldest and largest companies.

FOX CONTROL JOB STUDIED

Hunters, Farmers Meet Here Wednesday Night As Gassing Discussed

"I'm glad that if we delay tackling the rabid fox situation in the county it may occur at some rural schoolhouse," M. V. Clark, Floyd county health administrator, told a mass meeting of farmers, hunters and others at the court house here Wednesday evening. "A rabid fox may attack a group of school children, and some child could die before anti-rabies treatment could be effective."

Speakers at the meet attended by approximately 60 persons, were Dr. Clark, J. R. Redwine, Seventh District conservation supervisor, and M. Scumbo, county sanitarian. Dr. Beecher Stuchfield, of the McDowell Memorial Hospital, and County Agent O. E. Boegs. Result of the meeting was the appointment of a committee to prepare a law enforcement plan to destroy foxes by gassing. Destruction of rabid foxes by the use of gas is recommended by the Department of Conservation.

Redwine pointed out that 49 counties in the state have rabid foxes and the Department of Fish and Wildlife Resources has listed areas on the hunting of both red and gray foxes. He advocated the killing of rabid foxes in their holes by the use of carbon-monoxide gas cartridges in February while the animals are hibernating in their dens. Stuchfield discussed the reliability of rabies analysis at the state laboratory.

Several farmers were present at the meet to relate their experiences with rabid foxes. Scott Frazer, of Bonanza, told of losing three head of livestock. Other related stories of attacks on persons and of several who had escaped being bitten by the animals. Rabid animals have been reported most frequently from Abbott and Middle creeks, but all agreed the rabid animals would spread out over the county.

The committee composed of fox-hunters, farmers and fish and game men, will go to work immediately to secure landowners' permission to use force in their own territories. Committee members are Douglas George, Scott Howell, Scott Frazer, Lewis Wilcox, Raymond Cope, Raleigh Mann, Anderson Hatfield and John Laferly.

A representative of the Department of Fish and Wildlife Resources will meet with the committee next week. It was said.

FOX CONTROL JOB STUDIED

(Continued from Page One)

Further orders of the court.

The case is expected to be taken to the Court of Appeals.

1. Kentucky West Virginia, by virtue of the rights it claims with respect to these tracts, acquired and has the right to construct, maintain, operate and remove the gas pipeline at issue.

2. The construction, maintenance and operation of the line does not invade or infringe upon any of the rights or properties of the plaintiff in such land and does not damage or interfere with the mining of any coal which may be owned by Elk Horn.

3. The issue involved with respect to damage to the coal or interference with the mining of coal was simply whether or not the construction and operation of the pipeline would cause such damage or result in such interference. The amount of damages, in the event of a decision favorable to the plaintiff, was expressly reserved and consequently was not before the court.

The coal company contended that the pipeline will constitute a dangerous hazard to mining operations under regulations established by the Kentucky Department of Mines and Minerals, and that Elk Horn as a result will lose vast quantities of coal and other minerals which are not being mined because of such regulations.

The Elk Horn suit also extended that according to Kentucky laws and their usage, as interpreted by the Court of Appeals, the possession of mineral deeds created the grantors, their heirs and assigns of any further right to grant rights-of-way to other persons, and that these mineral deeds vested in the coal company exclusive rights-of-way for all railroads, tram roads, pipe-lines and similar enterprises.

Before Judge Hill's opinion was handed down a large array of affidavits was heard with "Expert" testimony being produced for both sides.

THE 400 TWO DOOR CATALINA
Easy way to break the small car habit!

It's the hardtop buy of the year with the most power and size per dollar of any car in this style.

If you're accustomed to buying in the low-priced three range, chances are you're paying for Pontiac's size, performance and distinction—but you're not getting it! As a matter of fact, you're not even coming close!

Where else at a price so low can you enjoy boasting the most modern, most advanced power plant in the industry—the mighty Strato-Streak V-8?

Where else at a price so low can you get the luxury of Pontiac's optional Strato-Flight Hydraulic—America's newest, smoothest automatic transmission?

Where else at a price so low can you find a big 122-inch wheelbase, such luxurious interiors and all the other fine-car features that put you so squarely on even terms with buyers of far costlier cars? Come in and see how easily this heart-lifting Strato-Streak beauty can be yours. Once you do, you'll be one of the small-car class forever!

You can actually buy a big, glamorous Pontiac 860 for less than you would pay for 44 models of the low-priced three!

**Retail Store Sales
In County Decrease
Compared With 1948**

Retail sales in 1954 of 271 stores in Floyd county totaled \$10,322,000, according to preliminary 1954 Census of Business figures announced by the Bureau of the Census, Department of Commerce. This was a decrease of 14.6 percent from a total sales in 1948 by 592 stores of \$19,244,000.

Stores with payrolls in 1954 numbered 147, had 448 paid employees in November 1954 reported payrolls of \$1,569,900 and accounts for sales of \$13,498,000. Proprietors of unincorporated businesses numbered 292.

The number of Floyd stores and their 1954 sales grouped by major kinds of business were:

- 52 food stores, \$4,640,000; 33 eating and drinking places, \$543,000; 52 general merchandise stores, \$3,120,000; 14 apparel stores, \$1,058,000; 16 furniture home furnishings appliances stores, \$408,000; 28 automotive dealers, \$1,427,900; 33 gasoline service stations, \$1,426,000; 16 lumber, building material hardware and farm equipment stores, \$1,419,000; 7 drug stores, \$257,000; 28 other retail stores, \$2,085,000; 6 non-store retailers, \$72,800.

The 1948 totals it is explained include data for a few types of establishments not in scope in the 1954 Census. This is significant only to the extent that milk dealers, hardware and stores with annual sales between \$500-\$2,500 are important in the county.

**"Complete Coverage"
Is Conference Theme
At Nine-State Meet**

Floyd is one of 41 Kentucky counties in the nine-state area being considered by educators, church leaders, medical men, and health workers, representatives of industry and labor, and other public-spirited adults and older youth who will assemble for the 4th Annual Conference of the Council of the Southern Mountains at Gauleyburg, West Virginia, February 20-21, to share their own ideas to its respectability and welfare within the whole national area.

The conference has been developed to help the theme "Complete Coverage" and relate it to the needs of the 100,000 residents of the Appalachian South and their contribution to the country. Each representative has an opportunity to give a report on his own local situation. The health picture of all states on behalf of this region, respectability between the Clinch and the Foothills being stressed at the local level. Christian motivation of uneducated members of the Appalachian South, and a series of the "Special Study of Health Conditions in the Clinch Region" are among the topics to be considered.

Workshop and work personal and professional fellowship will be the main order of the three-day conference.

**INCOME TAX
WORK**

I will be at the Courthouse on Saturdays and holidays. Bring your last year's report with you.

Onward... For God and My Country

BOY SCOUTS **46th** ANNIVERSARY

More than 4,100,000 Cub Scouts, Boy Scouts, Explorers, and adult leaders throughout the nation will observe Boy Scout Week, February 6 to 12, marking the 46th anniversary of the Boy Scouts of America.

Since 1901, Scouting has served over 24,500,000 boys and adult leaders.

The new Four-Year Program, "Onward for God and My Country," is launched in 1956 to help prepare America's boys to live in today's world and to prepare them to carry their full share in the years ahead.

Boy Scout Week observances will feature rededication ceremonies to be conducted by each of the nation's 104,000 units at their meeting places on February 8, the actual birthday of Scouting in America. Demonstrations and exhibits will dramatize the purposes of the Boy Scouts of America and its rich heritage.

West Virginia's Pocahontas Mine No. 1, the original producer of the Pocahontas fuel oil, has produced more than 44,000,000 tons of coal between 1870 and 1956. That's enough coal to fill 100,000 hopper cars of 20-ton capacity and make a train 3,750 miles long, reaching from Norfolk, Va., to Los Angeles, to Seattle and back to Norfolk.

Len Law Promise Kept by Chandler
Frankfort, Ky., Feb. 7 (Sp.)—Kentucky's len law is no longer on the books, and a complete promise made by Gov. A. B. Chandler last summer redeemed. The Governor stated the bill immediately following a report to the people on changes in the Department of Welfare.

Master Commissioner's Sale
FLOYD CIRCUIT COURT
Hazel K. Harvey, et al., Plaintiff
McKinley Hunter, Defendant
VS. NOTICE OF SALE

Gov. Chandler Promises Adequate Appropriations

Appropriations of \$112,571,000 to commonwealth purposes during the county two-year fiscal period have been promised by Gov. A. B. Chandler in order to make the Foundation Program fully operative.
"We intend to check insular as far as possible in making the Foundation Program fully operative," said Governor Chandler. "It is our purpose to meet in full Kentucky's obligation to public education and to fully implement the Foundation Program which means so much to the welfare of all our people."
The Governor's recommendations will include \$64,785,500 for public elementary and high schools for the first year of the coming two-year budget period, and \$57,785,500 for the second year—an increase of \$15,000,000 for the period.
Most of the increase will go to teachers' salaries to be fixed in accordance with standards in the Foundation Law. The recommendations compare with official requests of \$57,742,247 and \$62,870,778 for each year, but these were trimmed to take care of actual class room vacancies in use, rather than potential ones.
Teacher retirement benefits likewise will be more than double the \$22,822,000 received during the present two-year period, and will be

Increased Compensation Benefits Are Envisioned By Bill in State Senate

Broader benefits under Kentucky's Workmen's Compensation laws are sought in a bill offered in the Senate by five Senators—principally through liberalization of definitions of compensable injuries. In addition, the maximum death and disability benefits would be raised from \$9,500 to \$14,000. Offered by Senators M. B. Fields, Hazard, Cecil Sanders, Lancaster, A. E. Corbett, Hyden, Denver C. Kuckles, Middleboro, and Leon J. Shaikin, Louisville, the measure would make these changes. Lengthen from one to two years period required notice of disability and require filing with the Workmen's Compensation Board of employee-employer agreements; broaden the definition of disability and provide that partial dependency shall be determined by the proportion that amount contributed by the deceased employee bears to the total income of the dependent during one year next preceding the injury; limit an employer's slight misfeasance in allocation claims to fraudulent failure or omission in representing his health to his employer; allow the employee to chose his own doctor and hospital; increase maximum disability payments from 65 to 75 percent of the average weekly earnings.

Visiting Mr. and Mrs. Shelly Terry Sunday were Mr. and Mrs. Al Solder, of Betsy Layne, Mr. and Mrs. Al Solder, of Betsy Layne, and Mr. and Mrs. Tracy Barreth and daughter Bessie, of Ivel, also Mrs. George and Mrs. Shelly and Mrs. Gay Dudley.
Mrs. J. Martha Vanderpool was visiting her nephew, Kendall Vanderpool, of McDowell, last week.

Early Income Report Will Help Uncle Sam, District Director Says

Early filing of your 1955 income tax return will be a big help to Uncle Sam and will put behind you a detail that becomes a bigger headache the longer you put it off. That's the word from Wm. M. Gray, District Director of Internal Revenue.
Mr. Gray, who would be very happy to see a steady flow of letters bearing checks and money orders—cash, please—reminded taxpayers today that payments should again be made to the order of the Internal Revenue Service, P. O. Box 50, Louisville, Kentucky.
"The vast bulk of Kentucky taxpayers will find no difficulty in making out their own returns, especially if they use Form 1040," Mr. Gray said. "But for those who have a problem or two, our office stands ready to give assistance or advice."
"It's true that the filing deadline is again April 15, but little or nothing is gained by waiting until the last minute to pay up. Taking care of your payments now will help your government to carry on its important defense and construction programs and many other activities, and will let you plan your budget for the rest of the year with assurance."

Mr. and Mrs. Bill Hagan are the parents of a son born Jan. 25 at their home. The babe has been named R. Hubert Hagan. This is their fourth son.
Mr. R. Hubert Gay Bentley is residing in the town of Anklety.
Ovidy Brumham, of Ashland was visiting Mr. and Mrs. Lyman Brumham Sunday.

They Torqued it up for the BEST TAKE-OFF YET

FIRST THING you need in a car, of course, is power to spark performance.
And you get that in a 1956 Buick in plenty—from big 322-cubic-inch V8 engines that hit new highs in horsepower and compression.
But the power under the hood must be carried to the rear driving wheels in the form of twisting force on the drive shaft.
That's torque—the end-product of your transmission.
And the higher the torque build-up—the greater the torque multiplication* in starting and accelerating—the better the getaway and response.
So if you want to feel take-off that leaves your breath behind you, come try a '56 Buick with Variable Pitch Dynaflo.*
For in this airplane-principled transmission, Buick engineers raised the ceiling on torque to give you the best getaway yet.
They did it with something they call "double regeneration"—a new way to make flowing oil add to its own velocity.
And when you use the full torque of a Buick, beauty like the one pictured above, you're using the highest torque multiplication to be had in any standard-production American automobile today.
Come see for yourself how that means in new thrills and new safety.
You'll find brilliant new get-away response in the first mile of pull-travel—plus greater gas mileage to boot.
You'll find an electrifying new safety sense of full-power acceleration when you floor the pedal and switch the pitch.
And you'll find this spectacular performance blended into the smoothest traveling, the sweetest-riding, the highest-powered and the easiest-handling Buicks yet built. Drop in on us this week—today, if you can, and judge things for yourself.
*See "Automatic Variable Pitch Dynaflo" in the only Dynaflo Buick built to day. It's included on Buicks with Super and Custom trim and made extra cost on the Special.

If your husband had to do this...

he'd buy an electric clothes dryer
Hanging clothes up to dry may look easy to your husband but let him do it for awhile, and he'll start thinking about getting you an electric clothes dryer.
"There's no sense to doing a lot of unnecessary hard work," he'd probably say. "Why carry heavy baskets of clothes, and bend and stretch to hang each piece? With an electric clothes dryer you can dry clothes almost as fast as you wash them... just by tossing them in and turning a dial."
And you could tell him how much less ironing there would be, and how you wouldn't have to worry about bad weather spoiling your washday. Why not see your electric dealer today?
ADVICE TO WOMEN: Please let him think that getting an electric clothes dryer was his own idea. Then you'll both be happy.

Master Commissioner's Sale FLOYD CIRCUIT COURT Kelly Development Company Plaintiff vs. NOTICE OF SALE Miles & Hazel Hall Defendants

By virtue of a judgment and order of sale of the Floyd Circuit Court rendered and entered at the January term, 1955, in the above styled cause I shall proceed to offer for sale at the Courthouse door in Prestonsburg, Kentucky, to the highest and best bidder, at public auction, on the 27th day of February, 1956, at 10 o'clock, A. M., same being the 1st day of the regular term of the Floyd County Court, upon a credit of six months, the following described property, to-wit:

Being lot No. 12, Section No. 5, House No. 83-84 of the property of the Kelly Development Company at Westbury, Kentucky, on Left Beaver Creek, Floyd County, Kentucky, as shown on a certain map entitled "Map of Westbury, Kentucky" Subdivision of surface tracts, of record in file box 3, Map 142, Floyd County court records, to which reference is made for a more complete description.

Said property will be sold to satisfy a judgment against the defendants in favor of plaintiff for the sum of \$877.18 with interest from June 15, 1955, until paid and the costs of this action.

For the purchase price the purchaser must execute bond with approved surety or services, bearing legal interest from the day of sale until paid and having the force and effect of a judgment with a lien retained upon said property as a further security. Bidders will be prepared to comply promptly with these terms. Purchaser may pay cash if he so desires.

Given under my hand, this 6th day of February, 1956.

J. H. CLARKE, Master Commissioner Floyd Circuit Court

2-9-56 (Adv. cost \$18.00)

LARGEST SHOVEL The 2,000-ton surface mining coal shovel built for Pittsburgh Consolidation Coal Co.'s Hanna Coal Division—largest shovel in the world—arrived in weight America's newest and largest Navy destroyers.

IN MEMORY In memory of our mother, Nancy Elizabeth Honaker, who died Feb. 4, 1955.

There remaineth a rest to you, Mother. When your life with its labor was done, When the end was reached of earth's weary mile, And the battle long fought was won.

Mr. and Mrs. Clay Honaker

ALLEN Mr. and Mrs. French Mascard, of Lexington were business visitors here Wednesday.

Mr. and Mrs. J. W. Lacey were business visitors in Pikeville, Friday.

Mr. and Mrs. Gerald Baker, Ashland, were the Saturday and Sunday guests of Mr. and Mrs. Harrison Prater. Mr. and Mrs. Prater had as additional Sunday guests Mrs. Everett Tackett and children Judith Kaye, Edward Gene and Sandra, of Martin, and Mr. and Mrs. David Linder.

Mr. and Mrs. Ray Crisp and daughters, Margaret Fay and Thuras Ruth, were the Sunday guests of Mr. and Mrs. Howard Moore at Louis.

Miss Kaye left Thursday for a visit in Florida. Miss Kaye has as her guest during his absence her brother, Ed Austin, of Louisville.

Mrs. George Belcher has been a patient at the Paintsville hospital the past week.

Mr. and Mrs. Elmer Lacey and twin sons Larry and Gary and daughter Deborah, of Inez, were visiting Mrs. Coline Lacey, Sunday.

Mr. and Mrs. Harry Shodgrass were shopping in Huntington Monday.

Mr. and Mrs. Jimmy Porter and children and Mr. and Mrs. Frank Porter of Michican are the guests of Mr. and Mrs. Olive Porter.

Mr. and Mrs. Harry Shodgrass and Mrs. Maurice Mitchell, Mr. and Mrs. William Kinser were home here at Wheelwright, Saturday night.

Mr. and Mrs. George Laven were the Sunday afternoon guests of Mr. and Mrs. Carl Martin. They recently built a home and moved here from Martin.

Miss Tommy Carole Laven was the Friday night guest of Miss Ruth Ann Howard.

Ray Kay has been removed from the Beaver Valley hospital. Martin after having been a patient there several weeks. He is quickly improved.

Mrs. Sarah Laven and Mrs. Burna Laven, accompanied by Mrs. John Wells, of Prestonsburg, were in Huntington, Friday.

Miss Mildred Preston returned to the Nickel City of Kentucky Sunday after mid-semester vacation here with her parents, Mr. and Mrs. Frank Preston. She was accompanied by her parents and brother, John David.

Mrs. Allie Howard and Mrs. George Laven were business visitors in Pikeville and Virge, Thursday.

Mr. and Mrs. George Samuel Wallen have sold their property here to Mr. and Mrs. Howard Clay and has purchased the property of Mr. and Mrs. Gilbert Tackett at the "Y".

B. L. Allen has been ill the past few days at the home here of his son, Burt Allen. He is now improved.

Roger Burcham of the Navy, spent the week-end with his parents, Mr. and Mrs. Zolie Burcham, of Martin. He was met by them in Williamson, Friday night.

Fisher Lafayette of Dwaile has been removed to his home from the Methodist hospital in Pikeville. He is reported improved.

Little Miss Susan Lashbaugh of Dwaile, has been confined to her bed again with rheumatic fever. She spent four months in bed but was improved enough to return to school and was stricken again last week.

Mr. and Mrs. George Shodgrass spent the week-end with relatives in Ashland.

COAL ASSOCIATION PROTESTS INCREASE IN FREIGHT RATES

The National Coal Association this week protested to the Interstate Commerce Commission against a proposed 7 percent rise in railroad freight rates and petitioned for investigation and suspension of the new tariffs as applied to coal. The new rates are scheduled to take effect on Feb. 25.

Charging that the proposed rate increase will "unjustly and unreasonably" raise rates and charges on passenger freight traffic, including coal traffic, are producing rates of return upon property used in excess of a just and reasonable return. The Association told the ICC that about one-quarter of the roads allowed increases in labor and material are attributable to passenger service operations but that no increase in fares, rates of charges in passenger operations have been proposed.

The fares which they charge are less now than they were 30 years ago although the cost of providing the services has doubled. The ICC was told.

"The respondents do not propose any increase in fares, rates or charges for such operations, but on the other hand, propose to increase the passenger deficit by nearly \$140 million annually to an all-time high of \$808 million, all of which they propose to saddle upon freight transportation."

They offer no justification whatsoever for their failure to assess against passenger transportation the additional costs of wages and material for the loading of such cargo upon freight transportation. The petition stated that of the increased revenue \$800 million would accrue from the 7 per cent rate increase on coal, \$28 million would go to eight railroads, the Chesapeake & Ohio, Norfolk & Western, the Western Maryland and Southern. If the requested new freight rate were not granted on coal, the net loss to those roads would be only \$18 million out of total operating income after taxes of \$206 million, a loss that would cut the rate of return to those roads from 5.8 per cent to 4.4 per cent.

"On the other hand, approximately \$25 million of this \$80 million increase upon coal would accrue to the Pennsylvania Railroad, the New York Central and the Baltimore & Ohio, and even if these three large companies do not have any federal income taxes, which is not a valid assumption, the reduction in their net railway operating income of over \$175 million would not be serious," the petition continued.

The condition of those three roads, the ICC was told, results in a large measure "from insistence on maintaining 'deluxe and extravagantly luxurious passenger service' which occasions huge deficits."

Those three railroads had a 1954 passenger deficit of approximately \$117 million and if no increase upon passenger traffic be made and none is proposed "this deficit will climb to over \$140 million, or about 18 percent of the national passenger deficit."

The question comes down to this: In order to reward three railroads for their negligence in permitting huge passenger deficits to accrue, shall an additional exaction of \$80 million be added upon a basic industry whose continuance is essential to the railroads, as well as the nation, nearly one-half of the benefit of which will accrue to eight large, rich and prosperous railroads already earning exorbitant returns?

Somebody's main purpose is to train boys in character, leadership, and unselfish service.

INVITATION

Edward Music, formerly associated with the Music Motor Company of Prestonsburg and Allen, extends this invitation to all his friends and customers to visit his new show rooms and service shop at the Carter Motor Sales building on South Lake Drive.

He has acquired the agency and service facilities of Studebaker and Cadillac, formerly the Carter Motor Sales, and will now offer the public the same courteous and friendly service he has in the past. Joining his staff is Mr. Bert Colvin, former sales manager for Valley Motor Car Company, who has had years of experience in giving the public satisfaction in new and used car values. Both men have no connections with any other agency and cooperate now in the Carter Motor Sales, Inc., to provide for the general public an efficient sales-service in the automobile business.

The used cars offered by Carter Motor Sales, Inc., are selected cars, not just run of the mill trade-ins. The service department is in the hands of factory-trained personnel. Their only aim is to please.

The public, with all the old friends and customers, are invited, at any time, to come, inspect the cars, new and used offered for sale. The past business of the many friends is highly appreciated and there is no better way to express appreciation than by hospitality and service.

Have 30 Years To Pay VA-Guaranteed Loans
Veterans whose loans are guaranteed or insured by the Veterans Administration of the Federal Housing Administration (VA) have 30 years in which to repay their loans if they die immediately. O. M. Howard, Kentucky's FHA Director, announced today.

Since July 30, 1954, the maximum amount payable on VA-guaranteed loans has been limited to \$20,000.

Mr. Howard points out that although the VA does not make a loan until the VA has approved the loan, it is not until the VA has approved the loan that the VA-guaranteed feature is attached to the loan. The two percent markup on FHA-insured loans will remain the same.

The VA-guaranteed feature is taken advantage of by a large number of veterans and their families in residential property. Both agencies announced an agreement that the VA-guaranteed feature will be kept in effect until the VA-guaranteed feature is terminated.

A VA-guaranteed feature has been added to the VA-guaranteed feature of all VA-guaranteed loans. The VA-guaranteed feature will be kept in effect until the VA-guaranteed feature is terminated.

The VA-guaranteed feature has been added to the VA-guaranteed feature of all VA-guaranteed loans. The VA-guaranteed feature will be kept in effect until the VA-guaranteed feature is terminated.

Roberts-Skeens Vows Exchanged

Mr. and Mrs. Dewey Roberts of Harrod, are announcing the marriage of their daughter, Bernice Lee Wilson, C. Skeens, Jr., son of Mr. W. C. Skeens, of 500 High Street, Covington, W. Va., and the late Mr. Skeens.

The double-ring ceremony was performed Dec. 18 in Vogel-Day Methodist Church at Harrod with the Rev. W. O. Patten officiating. Pallbearers and attendants were: James B. Baker, Jr., son of the bride; Miss Billie Jean Skeens; Miss "Always" "If Never Stop Loving You" and "The Lord's Prayer" accompanied by Mrs. Clara Prosser.

The bride, given in marriage by her father, wore a halter-neck, white gown of tulle and tulle with long sleeves. She carried a white Bible topped with an arrangement of gardenias and holly.

The groom, given in marriage by his mother, wore a tuxedo with a white shirt and a white bow tie. He carried a white Bible topped with an arrangement of gardenias and holly.

The bride's mother wore a navy and white dress with matching accessories and a corsage of white roses. The groom's mother wore an outfit of white, black, and red. Mrs. Skeens is a graduate of Pikeville high school and is now a nurse at Eastern State hospital at Harrodsburg. Mr. Skeens is a graduate of Harrodsburg high school and is employed by The Texas Company in Harrodsburg.

After Mrs. M. and Mrs. Skeens will make their home at Harrodsburg.

SEARS TO AID 4-H MEMBERS

Plants and Fertilizer To Be Given 25 Floyd Youths in Berry Work

The Sears-Robinson Foundation will continue its strawberry program in Floyd county through this year, it was said today. The management of the foundation of the Foundation's strawberry program came from J. W. Whitehouse, state 4-H club leader, a letter to County Agent O. F. Bowers.

The Sears-Robinson Foundation gave last year 2500 plants to 25 4-H club members, boys and girls, to help them in their strawberry work. Each boy and girl received 100 plants and 100 pounds of fertilizer. The plants will be given to the 4-H club members in the county through this year.

The foundation will also give 25 4-H club members 100 pounds of fertilizer. The plants will be given to the 4-H club members in the county through this year.

Floyd County Times, Feb. 9, 1956 — Sec. 2, Page 5

COAL PRODUCES POWER — Consolidated Edison Co. of New York serves America's largest city with the nation's most advanced coal-burning power plant. The plant produces 1,000,000 kilowatts of power.

CHEMICALS PRESENT — Recent analysis of West Virginia coal has revealed that 30 different elements are present, including sodium, potassium, calcium, aluminum, silicon, iron and titanium. In concentrations of more than one per cent.

How To Meet New Friends
"The only way to have a friend is to be one," Emerson said. But there is more to it than that. Some of us can't make new friends because we don't meet new people.

There are various ways of meeting new people. But none is better than the church. It has even been said that the church is the very best place to meet your future husband or wife.

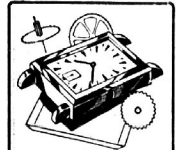

The church has been called a fellowship of believers. A fellowship is "a company of friends." So, the church is "a company of friends" who believe.

Belief in God is the reason for the existence of the church. And the primary reason for going to church should be to worship God.

Nevertheless, it is a fact that meeting many new friends—fine, loyal friends—is one of the wonderful results of attending and serving the church.

Go to church every week. Worship God and become a part of the "company of friends" who believe in Him.

Kentucky Methodists Extension Day, Feb. 12

Louisville, Ky., Feb. 7 (Sp.) — "Church Extension Day" will be observed by Kentucky Methodists Sunday, Feb. 12. It was announced here today by Bishop William T. Watkins.

On Church Extension Day, "each race-ethnic church member will be asked to give at least one day's pay for church extension. Funds will be used within the districts where they are raised for new churches, parsonages, educational buildings, religious, and emergency needs.

Bishop Watkins announced recently that Methodists need at least 100 new churches in Kentucky and Western Tennessee, the area he serves.

Administration Weight Behind Water Program

Frankfort, Ky., Jan. 30 — The full weight of the Chandler administration will be thrown behind proposals to have the U. S. Corps of Engineers' recommendations approved for some \$30,000,000 of flood control improvements to Kentucky waterways, especially restoration of funds to Dam #1 near Louisville and the Buckhorn project on Kentucky River. It was announced by Commissioner of Conservation Labin P. Jackson.

"We intend to ask the entire Congressional delegation from Kentucky and other states to join with us in this endeavor," Jackson said. "Properly controlled water is essential to the general public welfare."

The Eisenhower recommended budget cut the Corps of Engineers' recommendations for Kentucky by approximately \$12,000,000.

The Commissioner of Conservation suggested, too, that amendments to other federal flood control and watershed protection acts be amended so as to make them workable.

Among the changes would be one to permit a more uniform Federal policy of assisting in upstream watersheds and downstream improvements thus providing more nearly comparable benefits to farmers and ranchers and municipalities. The amendment would permit the Secretary of Agriculture to share in the cost of storage for irrigation, municipal water supply, pollution abatement, streamflow regulation and other beneficial purposes.

An additional change would provide that local organizations sponsoring watershed programs assume all the costs except technical assistance by the Federal Government on land treatment measures for soil and water conservation on private lands.

The President should be given authority to establish procedures whereby predated structures containing more than \$200,000 in cost of storage could be included in a watershed plan if they are to be constructed by a local organization.

These changes, Jackson said, would make the entire system far more workable in the interest of the general welfare for all.

First Special Session Deals with Highways

Frankfort, Ky., Jan. 30 (Sp.) — The first of four scheduled special legislative sessions to be called by Governor A. B. Chandler following adjournment of the regular session will deal with the topic highway building and improvement. The Governor's office disclosed.

During his campaign for office last year Governor Chandler promised he would be known as the "road builder." Governor Chandler has never had. He also promised that if a bond issue were necessary for modernization of Kentucky's highway system, he would have no hesitancy in submitting that issue to the people, and seeking their approval of it.

Second of the sessions will deal with the proposed governmental reorganization of a number of agencies to be followed by a third in the state budgetary requirements and the fourth will be to provide adequate means of financing the program.

CARD OF THANKS

We wish to express our deepest appreciation to those who did so much for us during the illness and upon the passing of our dear father, Levi Johnson, and for every courtesy extended to us through flowers and personal services. Especially we are thankful to the ministers, Joe James, Heber Bates and John B. Hamilton for their comforting words and their brotherly love. Heartfelt thanks also to the friends who were so kind and thoughtful.

The Family

100-TON CAPACITY

Standard bumper cars or carry-alls have capacities ranging as high as 100 tons and averaging 50 tons while the average inland waterway barge for coal handling has a 1200-ton capacity.

CARBON IS VALUABLE

Carbon, basic ingredient of coal, is the backbone of all life and commerce. Inasmuch as carbon compounds make up 90 per cent by value and 95 per cent by weight of all products of human labor.
