TENTH YEAR NUMBER 12 Prestonsburg, Floyd County, Kentucky, Friday, October 4, 1935 \$1.50 PER YEAR

THREE CONVICTED IN CIRCUIT COURT WITH 1 ACQUITTED

56-Year-Old Man Draws 21-Year Term in Slaying of Slone

COLLINS PENNED

Of the three murder trials held in the Floyd circuit court last week and until Wednesday afternoon, this week, two resulted in convictions and sentences totaling 24 years in the penitentiary.

Last week, the first of the murder trials heard, that of Claude Isaacs, charged with the slaying of Bert T. Little, resulted in Isaacs' acquittal.

The murder charge filed against Mrs. Ruth Sammons, of her husband, Edgar Sammons, here this year resulted in a dismissal of the case when, it was said, insufficient Commonwealth testimony was lacking.

Even Collins received a three-year pen term Saturday upon his conviction of the fatal wounding in Knott county, last year of Deputy Sheriff Adam Smith, of that county.

Wesley Pennington, 56-year-old Lackey man, was given a 21-year pen term Tuesday when convicted of the slaying at Lackey August 3 of Craynor Slone. Pennington claimed that Slone knocked him down and that he was in fear of his life when he fired. The Commonwealth testimony was to the effect that Pennington knocked Slone down, then shot him as he started to rise to his feet.

The murder docket continues on through this week. The grand jury adjourned Wednesday, last week, after a nine-day session during which it examined 500 witnesses and returned 10 indictments.

The improvement in the crime wave that has been present in our county for the past several years; recommended the enlargement of the Circuit Clerk's office and the screening of jail windows; endorsed WPA enlargement or modernization of the courthouse, and praised officials who co-operated with them during their sitting here.

O. E. S. INSTALLS OFFICERS

On Monday evening, Sept. 23, Adah chapter, Order of Eastern Star, held its annual installation of officers, having as its guests approximately 35 members of the Pikeville chapter. Guest of honor at the meeting was Mrs. Effie McGuire, Paintsville, past grand matron of Kentucky.

Officers installed were: Mrs. Richard Spurlock, worthy matron; A. D. Cornett, worthy patron; Mrs. H. R. Burke, associate matron; N. M. White, Jr., associate patron; Mrs. A. J. Davidson, conductress; Miss Josephine Davidson, associate conductress; Miss Virgie McCombs, chaplain; Mrs. J. B. Clarke, marshal; Miss Ella Noel White, secretary; Mrs. A. C. Harlowe, treasurer; Mrs. Troy B. Sturgill, Adah; Miss Minnie Grace Harris, Ruth; Mrs. E. M. James, Esther; Mrs. W. M. Blackburn, Martha; Miss Katherine Leake, Electra; Mrs. F. L. Heinze, warder; S. L. Seibel, sentinel.

Byron Numery has returned home from the Paintsville hospital, where he submitted an operation for appendicitis. His many friends here will be glad to learn that he is recovering nicely.

Alleged Impersonator of Officer Nabbed On Complaint of Man Here

Marvin McKinney, of Pikeville, was in the Johnson county jail at Paintsville last week facing two felony charges as a result of his alleged hold-up of C. L. Hyden, West Prestons-council here.

McKinney, it is alleged, held up Hyden, who was en route to Mt. Sterling with a truckload of hogs, near Cannel Coal Gap, in Johnson county, impersonating an officer and assessed from Hyden a fine of \$1, giving a receipt for the fine. To the receipt he signed only a number, that of W. F. (Buddy) Wyrick, state highway patrolman.

The license number of the auto driven by McKinney was noted by R. C. Dyer, who in another auto was accompanying Mr. Hyden to Mt. Sterling. A check-up revealed that the car McKinney was driving belonged to Lola B. Anderson, of Ashland, and that the auto had been loaned McKinney by Mrs. Anderson's son while the latter was at Pikeville. Identity of McKinney thus established, Mr. Wyrick and Pikeville police arrested McKinney and lodged him in jail. He is charged with highway robbery and with impersonating an officer.

'JOCKEY GROUND' SCENE OF DEATH

One Dead, Another Wounded Saturday on Rock Fork, Knott County

One man is dead and another seriously wounded as the result of a "jockey ground" shooting affray near the Baptist Church Association held on Rock Fork Creek, Bolen, last week.

Thursday afternoon, and Clarence Conley (or Wicker), a man aged about 35 years, died at the Beaver Valley hospital, Martin, Sunday morning at 1:30 o'clock from a bullet wound in his abdomen.

Thomas Manns, 31, of Wayland, is in the same hospital, where he has said Wednesday to have a fair chance of recovery. He was shot in the right chest.

Conflicting versions of the shooting have been received here. The consensus of these reports says the drinking was general around the "jockey ground." Conley was shot first, it is claimed. Turning, he saw Manns with a revolver in his hand. He then shot Manns. It has not been definitely established that Manns shot Conley, however, according to the report received here.

The victim is survived by his widow and five children. Both of the wounded men were taken to the hospital at Martin in ambulances provided by E. P. Arnold, of Prestonsburg. Body of Conley was returned to Rock Fork where burial was made Monday.

Albert Moore, editor of the Salyersville Independent, was a business visitor in Prestonsburg last week. He visited The Times office, and it did us good. It always does newspapermen good to get together. One tells the other how rotten business is with him and vice versa. They part, each feeling he's a lucky guy not to be as bad off as the other fellow.

John Allen has resumed work in the County Judge's office here after attending the funeral and burial of St. Paul, Minn., of his brother, Robert Allen.

KENTUCKY-VIRGINIA CITIZENS TO MEET

In Outing at Breaks Sunday; Congressman May, Others to Speak

Large delegations from Kentucky and Virginia are expected to gather in the Flatwoods of the Breaks of Sandy Sunday, October 6, for an all-day outing which will serve the purpose of assembling supporters of the move to have the Breaks area made a national park and to secure the construction of a surfaced highway into the Breaks.

Congressman A. J. May, of Prestonsburg, Governor George C. Perry and Congressman John A. Flannagan, of Virginia, and highway commissioners of both states will appear in addresses.

Congressman May and Flannagan are joint sponsors of the bill in Congress providing for the creation of a national park in the Breaks area.

Other features of the meeting will be music and airplane flights over the Breaks. All roads leading to the Breaks are in good condition, it is announced by G. J. Colley, chairman of the Breaks Good Road Club, which is sponsoring the gathering.

880 ENROLLED IN P'BURG SCHOOLS

Enrollment in the Prestonsburg schools this year, though slightly below last year's total, is expected to equal, if not surpass, all former attendance records in the local schools.

The high school has the same enrollment as that at this time last year—230. In the grades, last week 500 were enrolled.

graded enrollment includes the grades here, in West Prestonsburg and in the school in the Porter Addition.

As in the past, work of the schools under the leadership of Prof. Ishmael Triplett, superintendent of city schools, is going along smoothly.

Footwashing Meeting Interrupted by Gunfire

FOUR WOUNDED BY LONE SHOTGUN MARKSMAN AT DICK'S CREEK AS CONGREGATION SCURRIES TO COVER

A "foot-washing" meeting at the Dick's Creek United Baptist Church was rudely interrupted Sunday morning by gunfire which wounded four men of that neighborhood and punctured the churchhouse itself with revolver bullets, according to information received here.

Robert Amburgy, who is alleged to have shot the four men wounded during the fight, came to Prestonsburg and surrendered to county authorities Monday. He executed bond in Magistrate Jim Clark's office.

According to the report received here of the affray, Amburgy and Floyd Laferty had an altercation when the former asked Laferty for a drink of whisky and was told there was none to be had. Amburgy, this report continues, went home and got his shotgun and while inside the door of the churchhouse exchanged shots with Floyd Laferty and other members of his family.

The wounded are: Floyd Laferty, shot in his

170 IN FLOYD TO GET ASSISTANCE

Toward Receiving High School Education, County School Head Is Told

Provisions have been made for aid for 170 high school students in Floyd county through the offices of the National Youth Administration, County Superintendent Ballard Hunter was notified last week.

Funds not to exceed \$6 per month will be available to needy high school students who meet the qualifications exacted by the National Youth Administration. These requirements are:

Student must be member of a family on relief since May 1, 1935; must be between the ages of 16 and 25; able to do high-grade work in school and must be able to show that they have had to quit school for lack of funds in the past, or that they will be unable to attend school this year without assistance.

The quota of students residing outside Prestonsburg and Weeksbury is 159; for Prestonsburg, 8, and for Weeksbury 3.

Aid thus provided students is in the form of part-time jobs, which enable them to earn on an average of \$6 a month while attending school. Those needing such assistance should make application direct to the principal or superintendent of the school they would attend if financially able to do so.

A total of 6,423 students will be given aid under this plan. The high school has the same state director of the National Youth Administration, wrote Mr. Hunter.

Mrs. G. L. Howard and son, Crover, returned a few days ago to their home in Miami, Fla., after spending the summer here, guests of her mother, Mrs. Jodie D. Harkins, and other relatives. They were accompanied by Monte Scott Harkins, son of Mr. and Mrs. W. S. Harkins, Jr., who will attend school in Miami this year.

HAZARD VICTIM OF 'CATS' ATTACK

Local Eleven Runs Victory String to 14 With Early Onslaught

Striking with startling suddenness Blackcat football upon a foe that came here rated prime favorites to defeat them and break their victory string of 13 straight, the Prestonsburg Blackcat football team Saturday afternoon defeated the Hazar Bulldogs, 13 to 7.

Only in the second quarter when they made their only touchdown did the visitors show the offensive and drive expected of them. After a long march downfield, Barker, left half, plunged over for the marker.

In the first quarter "Ott" Archer, Prestonsburg quarterback, stopped a Hazard pass on his own 40-yard marker and behind excellent blocking raced to the Hazard 10. From that point "Turkey" Hughes carried the ball across on the first attempt. Before the half ended the Blackcats scored again, Archer taking the ball over on a pretty end run. Hughes added the extra point.

For the greater part of the game Hazard was on the defensive, with the fast Prestonsburg back pounding steadily goalward behind a line that outplayed the heavier Bulldogs throughout. The 'Cats showed great improvement over their performance of the previous Saturday when they were extended to defeat Raceland.

Coach Messer's boys annexed 12 first downs to Hazard's five and outclassed the visitors in every department of the game. Archer and Hughes starred in the Prestonsburg backfield, with Dotson and B. Archer shining in the line. Steele and Combs were best of the defense.

Work of the Messer-coached eleven indicates that the Blackcats will be a powerful factor, barring injuries, in the race for the Big Sandy conference title which they won last year.

The line-up: Prestonsburg: Allen, te; Dotson, lb; Prater, lg; Sturgill, rg; Brannan, c; Meadows, rt; Archer, re; Hughes, fb; Williamson, rh; Mayo, ah; A. Archer, qb.

Hazard: Hall, te; Newland, lt; Price, lg; Fitzpatrick, c; Bowles, rg; Bowman, rt; Campbell, re; Sparks, fb; Combs, rh; Barker, lb; Steele, qb.

Officials: Walker, Ky.; R. Harlowe, Berea; Patton, Ashland.

SAMUEL D. BUNTING DIES HERE MONDAY

Short Illness Fatal to C. and O. Brakeman and World War Veteran

Samuel D. Bunting, 44 years old, World War veteran and Chesapeake and Ohio Railway Company brakeman, died at the home here of his brother, W. V. Bunting, Monday morning at 6 o'clock after a brief illness. Mr. Bunting's death came unexpectedly and was a severe shock to his many friends in this section where he had worked for several years.

Shortly after his discharge from the army at the close of the World War, Mr. Bunting entered the employ of the C. and O. Railway Company and for the last 10 years had worked as a brakeman. He was a well-to-do, gentlemanly type of man. (Continued on page eight)

WORK PROJECTS IN PRESTONSBURG TO COST \$133,000.00

West P'burg Included in Works Scheme, Mayor Says; Roads To Be Begun Soon

WPA FUNDS AWAITED

A total of \$133,000 will be spent on Prestonsburg and West Prestonsburg street paving and sewer construction, Mayor A. C. Carter said this week in reviewing projects approved for PWA work here. In this work will be included, he said, construction of a bridge to supplant the obsolete span connecting Second Avenue with the Garfield Addition.

Cost to property owners, it was indicated, will be confined to payment only of engineering expense.

The President has approved allotments of \$6,155.69 to finance 60 PWA projects in Kentucky, the total cost of which will be \$6,499,595.

Latest grant approved under the PWA for this county is that of \$24,351 to the Floyd County Board of Education for school buildings at Lackey, Garrett and Drift. These projects, it is estimated, will cost \$76,365, and will require 30 months for completion. No loan was requested.

Farm-to-market roads have been approved for construction in the county, but work on only one, the Mud Creek route, has been begun. Work on other such projects awaits only machinery and funds, it was said last week by an official connected with the local relief office.

HICKS ARRESTED IN MIDDLE CREEK

Middle Creek Man Accused of Fatal Slaying of Youth

Dud Hicks, of Middle Creek, was arrested Saturday morning on the head of Buck's Branch, this county, by Deputy Sheriffs J. D. Fitzpatrick and Clyde Clarke on a charge of fatally stabbing Charlie Marsillet on the night of September 21 on Spurlock fork of Middle Creek.

Marsillet, a youth of 17 years, died at the Beaver Valley hospital, Martin, Wednesday, last week, as the result of four knife wounds, any three of which would have produced death, according to E. P. Arnold, who prepared the body for burial. Most serious of his wounds was a peed slash across the back of his neck, a stab in his chest and a cut which penetrated his intestines.

Officers making the arrest said Hicks did not deny cutting Marsillet, but said he claimed he did so "because I had to." For a time following the cutting of Marsillet authorities were unable to fix the identity of the person guilty of inflicting the wounds.

Hicks executed \$5,000 bond for his appearance for examining trial here this week. Body of Marsillet, after being prepared for burial here, was taken to Spurlock fork of Middle Creek, where burial was made.

Mrs. Martha Butler, Misses Ruth Wright, Della Baldrige and Violet Coburn returned a few days ago from Lexington, where they have been doing special work at the University of Kentucky.

MOUNTAIN AREA OF
KY. LISTED AS SCENE
RESETTLEMENT WORK

Land utilization division plans
to concentrate its efforts to
demonstrate the value of the
proper use and conservation of
the state's natural resources,
according to James M. Gray,
of Raleigh, N. C., Regional
Director in charge of this work.
Gray, who has spent 25 years
studying the land problems of
this region, listed the moun-
tainous area and adjacent
lands, the hilly tobacco region
and the cut-over timber sec-
tion as areas in this state in
which major adjustments in
land use are necessary.
"This does not mean," Gray
pointed out, "that all the land
within the designated areas

should be retired from culti-
vation. For instance, the pur-
chase of woodland and steep
eroded slopes for administra-
tion as public forests is con-
sidered in some sections. The
remaining farm lands should
continue in cultivation.
"It may be desirable to shift
some of this land from its pres-
ent use, but I want to empha-
size that the long time pro-
gram of this phase of Reset-
tlement work will be to pro-
vide opportunities for farmers
to withdraw from these ill-
adapted areas and to settle
where it is possible to produce
a more satisfactory living.
"In general, the withdraw-
al of families from these prob-
lem lands would have to be
accomplished gradually, as the
opportunities arise or are cre-
ated, rather than by a rapid,
large-scale change. There are,
however, certain areas of acute
distress that may require
wholesale action of an emer-
gency nature. The Land Utili-
zation division and the Rural
Resettlement division are work-
ing out this part of the gener-
al program cooperatively."
In portions of the moun-
tainous area, Gray said, the wide-
spread withdrawal of some of
the arable farm land in the
roughest areas, for conversion
to some constructive use, such
as forests, will be necessary.
This would be followed by the
institution of constructive man-
agement of forest lands. An
increase in the size of farm
units in the less broken areas
would be advocated to permit
larger pasture acreage per
farm and smaller aggregate
areas of crops. Introduction
of erosion measures in the bet-
ter farming areas would be
one of the land-conservation
measures necessary.
A program of widespread
but not general withdrawal of
some of the arable farm land
in the hilly tobacco region al-
so would be necessary, Gray
said. The land withdrawn
would be converted to some
constructive use, such as for-
ests, game preserves, or recre-
ational areas. Erosion control
and constructive management
of forest land would be neces-
sary in this area.
Two major adjustments are
advocated in the cut-over tim-
ber region, the better manage-
ment of forest land so as to
assure a re-growth of timber,
and the widespread withdraw-
al of the tillable farm land. In
some sections, there will be
little necessity for the with-
drawal of farm land as more
constructive use of the forest

HOW WOMEN
CAN WIN MEN
AND MEN WIN

The Favor of Other Men
Unless two pints of bile juice flow daily
from your liver into your bowels, your
food decays in your bowels. This poisons
your whole body. Movements get hard and
constipated. You get yellow tongue, yellow
skin, pimples, dull eyes, bad breath,
bad taste, gas, dizziness, headache. You
have become an ugly-looking, foul-smell-
ing, sour-thinking person. You have lost
your personal charm. Everybody wants
to run from you.
But don't take salts, mineral waters,
oils, laxative pills, laxative candies or
chewing gums and expect them to get rid
of this poison that destroys your personal
charm. They can't do it, for they only
move out the tail end of your bowels and
that doesn't take away enough of the de-
cayed poison. Cosmetics won't help at all.
Only a free flow of your bile juice will
stop this decayed poison in your bowels. The
one mild vegetable medicine which starts a
free flow of your bile juice is Carter's
Little Liver Pills. No calomel (mercury)
in Carter's. Only fine, mild vegetable
extracts. If you would bring back your
personal charm to win men, start taking
Carter's Little Liver Pills according to
directions today. 25c at drug stores.
Refuse "something just as good" for it
may grip, loosen teeth or sour stomach.
Ask for Carter's Little Liver Pills by name
and get what you ask for. © 1933, C. M. Co.

and would furnish additional
sources of income for farmers
now living in these sections.

MARTIN

Little Miss Betty Lou Keath-
ley was hostess to a delight-
ful party given at her home
Sept. 21, at 2 p. m., the occa-
sion being the seventh birth-
day of the little Miss.

Guests were the following,
little friends: Misses Kathryn
Williams, Anna Skaggs, Betty
Showers, Vivian Ratcliff, Mary
M. Childers, Flenna Faye Ding-
us, Jonnabe Stevens, Alma
Doris Martin, Ann Tackette,
Donna Jean Fitzpatrick, Rena
Francis, Charline Wilson, Mad-
eline Branham, and Kathleen
Qualls; Masters John Cole-
man, Eugene and Wendell
Flannery, Harry Dean Justice,
Nebert Coleman, Jackie Tack-
et, Tommy Tiech, Chal Per-
ry, Hubert Williams, Johnnie
Maddox, Jay W. Preston, Jack
Mynier, James Conn, Jackie
and Jimmie Keathley.

Re-Employment Service
Registers Employables

Registration of employable
persons on relief, for subse-
quent assignment to projects
on the new works program
has increased the number of
persons in the active file,
available for employment,
from 113,584 in June to 296,
874 in August, according to
Myer Freyman, state director
of the National Re-Employ-
ment Service.
Activities of the Re-Employ-
ment Service were expanded
to take care of relief regis-
tration and temporary regis-
tration stations and traveling
interviewers were sent into
every county in the state to
provide facilities for relief im-
ploysables to register.
In spite of the far-flung ac-
tivities, all of the normal func-
tions of the service were main-
tained. These activities included
the registration of non-relief
applicants and the assignment
of applicants to public works
and private employment.
Placements for the three-
month period totaled 5,743
with 1,280 of these going into
private industry and the re-
mainder to projects financed
in whole or in part by federal
funds. Of the total number of
placements made, 659 were
women. Veterans who have a
preferential rating when qual-
ified by experience and train-
ing for assignment to public
works were assigned to 1,
190 jobs during the three-
month period, June, July and
August. As the registration of
the employables on relief
nears completion and the cler-
ical operation to record these
activities are finished, person-
nel of the district offices will
be free to resume contact with
private employers and Mr.
Freyman indicated that place-
ments with private employers
would be materially increas-
ed.
The June, July and August
totals for this district show:
Placements on public proj-
ects, 351; placements in pri-
vate industry, 28.

A JUST LAW

Alabama has joined several
other states in exempting news-
paper men from contempt of
court sentences when they re-
fuse to reveal news sources, a
guarantee that should have be-
longed to publishers and mem-
bers of their staffs long ago.
For to force a newsman to di-
vulge the source of his infor-
mation would often prevent
the gathering of news where
its publication would render a
distinct community service.
Publishers should be pro-
tected in both the assembling
and dissemination of news.
There should be no power to
compel them to reveal where
they learned certain things.
Of all professions the newspa-
per man should not be lost
sight of in the quality of ser-
vice he renders. The man in
the pulpit or the lawyer at the
bar have no more right to ex-
pect or receive such protection
and when it is extended to
them and not to the newspa-
pers, it smacks of the rankest
discrimination.

Contempt of court is a much-
abused term. The man on the
bench alone has the right to
fix the extent of contempt and
to impose the penalty for vio-
lation. And even a judge on
the highest court is a man, sub-
ject to the frailties of other
men, not immune to mistakes.
Should there be instances
where a prejudiced man is ele-
vated to the bench he might
vent his spite on a personal
enemy who would have no re-
course.

Give the newspapers of the
nation exemption from con-
tempt rulings when sources of
news are withheld and we will
go a long way toward curb-
ing any tendency of judges to
fine or send to jail reporters
and editors who might obtain
news objectionable to the jur-
ist or friends of the man on
the bench.

Floyd County Board of Education AUDIT REPORT

From July 1, 1934 to June 30, 1935

Paintsville, Ky.,
Ballard Hunter, Superintendent,
and Members of the Board of Education
of Floyd County, Kentucky,
Prestonsburg, Kentucky.
Gentlemen:

Sept. 25, 1935

Pursuant to your instructions, I have made a detailed audit of the books of account and records of The Board of Education, Floyd County, Kentucky, for the period July 1, 1934, to June 30, 1935, also made the settlement with the Sheriff for the taxes collected for the various Consolidated Districts and submit herewith, Balance Sheet, Statement of School Fund, covering all your receipts and disbursements, except the Sinking Funds, detailed statements of each Consolidated District and the necessary supporting schedules.

I found your records well kept and expenditures all allowed by your board.

Particular attention is called to the following Schedules:

Schedule B. (School Fund): As noted above, this Schedule includes all of the receipts and disbursements. The detailed statements of the Consolidated Districts are set out for your information and are not additional receipts and disbursements.

Schedule Q. (Reconciliation of Bank Balances) While there might be some question as to advisability of carrying this Bank Balance at the close of the Fiscal Year, it appears to be necessary to take care of the current expenses for the Rural Schools until your receipts commence coming in.

Schedule R. (Recapitulation of Indebtedness) This Schedule shows a net reduction of indebtedness for the Fiscal Year of \$38,594.91 after eliminating all Bank Balances. I believe this speaks for itself without any further comment.

Schedule T. (Warrants outstanding) Includes one warrant, duplicate of Number 240, issued by the preceding administration; this warrant is for \$686.70, payable to F. A. Maggard and there was no stub or record of same.

Schedule U. (Accounts payable) Are as taken from your books and include accrued teachers pay rolls.

Schedule V. (Overpaid commission on Consolidated districts) Section 4426-2 Carroll's statutes only allow the Sheriff 1 per cent. This excess commission is noted for your information.

Schedule W. (Interest on average general monthly balances). Under an order entered by your Board July 2, 1934, your depository was required to pay 2 per cent on average monthly balances. This amounts to \$832.12 and has not been paid.

I was given all assistance possible by your Superintendent and his helpers and take this opportunity of thanking them.

I certify that, in my opinion, subject to the comments above, the accompanying Balance Sheet and supporting schedules, fairly reflect the financial transactions of the Board for the period named and the condition of the various funds as of June 30, 1935.

ALFRED D. ROBERTS,
Public Accountant.

**MAN NOTIFIES
RA CLIENTS THEY
MUST FILE FOR WORK**

A. Peterman, district

manager, National Re-Employment Service, Pikeville, announces that many men and women on the KERA rolls have not registered at the United States Employment office, a step that is necessary before they can be put to work on any of the forthcoming WPA projects.

According to orders from headquarters, Mr. Peterman said, only persons registered with the Re-Employment office will be granted work on the new projects. He urged that all persons now on relief rolls, who are eligible for work, report at once to the employment office, located in the courthouse at Pikeville, for registration. Those living such a distance from the office which makes it impossible to get there, should write at once

in order that arrangements can be made for their registration.

LETTERS TO EDITOR

Editor The Times,
Dear Sir:

The Woman's Club committee asks you to read carefully the repeal amendment to be voted on in November. The form of question to be submitted to the people reads:

"Are you in favor of the amendment to the Constitution of Kentucky which prohibits the manufacture, sale or transportation of intoxicating liquors, except for sacramental, medicinal, scientific or mechanical purposes, and the re-enactment and re-adoption of Sec. 61 of said Constitution which requires the General Assembly by general law, to provide means whereby the sense of the people of city, county, town, district or precinct may be taken as to whether or not spirituous, vinous, or malt liquors shall be sold, bartered or loaned therein or the sale thereof be regulated."

Persons voting "yes" on the amendment vote to repeal the state prohibition amendment. Those voting "no" vote to retain the present amendment.

How will you vote?
Whiskey as it is now being sold in Kentucky is against the law. Will you vote for repeal? Will you stop and think of the destruction of the youth of our country, of the murders, drunken drivers and of the depravity that whiskey brings? So many say we need whiskey revenues for taxes. But which do we need most—the boys and girls of our country or revenues arising from sales of whiskies, beers, etc.?

FOR RENT — 5 room house, ...

**STATEMENT FROM SICK-
ROOM OF JOE P. TACKETT**

Beaver Valley Hospital
Martin, Kentucky,
Sept. 26, 1935

Now that the trial at Catlettsburg has ended, I feel like devoting time enough to the false rumors circulated during the trial to state through the Press to the public that the first time I ever heard that I had been accused of making a statement to the effect that all government witnesses in that case were lie-swearers, bootleggers and vote-sellers was early in the trial when I came out of the courtroom into the hall where I was asked if I had made such a statement. I promptly posted a Fifty Dollar (\$50.00) reward for the production of any person who would say that I had made such a statement. That reward stood throughout the trial and no one claimed the reward because no one was presented who would say that I had made that statement. On inquiry I learned that a political enemy of mine was most instrumental in circulating this false, malicious, unwarranted and unfounded lie. I made no such statement, either on the floor of the courtroom or anywhere else, and the starting of this lie was, in my judgment, made for the purpose of trying to prejudice the minds of some people against either Mr. Burke, my brother-in-law, who was a candidate then, or myself in my race for the Senate this fall.

The witnesses for the Government were made up of men of all walks of life, and, in my judgment, some of as good citizens as Floyd county has produced were witnesses for the Government. There could have been nothing to gain by making such a statement and if it had been made it certainly would have been untrue, no matter by whom made. The

meaner than the man who will break the lock of his neighbor's smoke-house at night and steal his meat from starving children, and I hope I shall never be placed in a position where I will knowingly associate with a character so mean as he.

Very cordially yours,
Joe P. Tackett.

**BUFFALO CREEK MAN
IS VICTIM OF DROPSY**

Golden Atkins, 61 years old, of Buffalo Creek, died at the Beaver Valley hospital, Martin, Friday night, a victim of dropsy from which he had suffered for several months.

Mr. Atkins is survived by one brother, Manuel Atkins, of Allen. He was never married. The body was prepared for burial by E. P. Arnold, Prestonsburg funeral director, with interment being made in the family cemetery on Buffalo Sunday.
