PETRY AWARDED NOMINATION FOR REPRESENTATIVE

Judge Caudill's Decision Eliminates Jack's Creek and John Possum Vote

HATCHER TO APPEAL

Mel Petry was awarded the Democratic nomination for Representative from the 93rd legislative district in an opinion handed down Tuesday morning by Judge John W. Caudill, of the Floyd circuit court.

In directing that the Floyd county election commissioners grant Petry certificate of nomination and that County Clerk A. B. Meade cause Petry's name to appear on the ballot as the Democratic nominee instead of the contestee, J. J. (Jimmy) Hatcher, Judge Caudill dismissed counter claim and counter-grounds of contest filed by the contestee, and held that all costs of the contest suit, except those incurred in the taking of depositions, be paid by Mr. Hatcher.

John Possum and Jack's Creek precincts were thrown out of the vote count by Judge Caudill's ruling. As a result of the recount of the vote made shortly after the primary, Hatcher amassed a vote total of 2266 to Petry's 2129. Included in this count, however, were Jack's Creek and John Possum. Disregarding the Jack's Creek vote, the opinion cut from Hatcher's total 375 votes, and the loss of John Possum decreased the total 81. Petry through this decision lost only one vote in Jack's Creek and 23 in John Possum.

The decision leaves the vote: 2165 for Petry, 1710 for Hatcher.

Neither contestant nor contestee was held guilty of violation of the Corrupt Practice Act. Attorneys for Mr. Hatcher are preparing to carry the case to the court of appeals, it was said Tuesday.

NEWSPAPER MAN DIES

Ironton, Ohio, Oct. 13—John B. Corns, 60, editorial writer for the Ironton Tribune, died today of heart disease. He formerly was editor of the Ironton Daily Register, and at one time was in charge of a newspaper in Pikeville, Ky.

The Floyd County Times has a supply of Globes, which are complete in every detail, and offers one of these without charge in exchange for two one-year subscriptions for The Times at the regular subscription rate of \$1.50 a year.

Our supply is limited, and you should not delay in taking advantage of this opportunity.

RECENT GRADUATE OF ODD FELLOWS' HOME IS PNEUMONIA VICTIM

Within a few weeks after he had returned to this county from the Odd Fellows' Home, Lexington, where he had been treated, Quentin Cavins, 31 years old, of Garrett, died at the Beaver Valley hospital last week, a victim of pneumonia.

The victim was a very promising young man and had many friends at Garrett and Wayland where several of his brothers and sisters resided. His twin brother, Kermit, had returned to the home at Lexington, where he was employed, and Quentin had planned to return there shortly to work.

Funeral rites were conducted from the Methodist Church at Garrett Thursday by Rev. Green Allen, the Reverend Mersitt and others. Burial was made in the Martin cemetery under the direction of E. P. Arnold.

NOTED AUTHOR TO ATTEND MEETING

Of District Clubwomen At Maytown Saturday; Mrs. Mayo To Preside

In addition to the presence of a number of prominent clubwomen and officials of the Kentucky Federation of Women's Clubs, the Tenth district meeting of the Federation at Maytown Saturday will be attended by Miss Lucy Furman, noted author of "Quair Wimmen" and "The Glass Window."

Miss Furman, an ardent advocate of protecting our wild life, will address the clubwomen on "The Trapping of Our Furbearers."

Mrs. W. P. Mayo, district governor of the Kentucky Federation of Women's Clubs, will preside at the meeting. Mrs. Paul R. Wickliffe, state president, will appear in an address. Lackey, Maytown, Prestonsburg, Pikeville, Jenkins and Whitesburg Women's clubs will be represented at the meeting, which will be held in the auditorium of the Maytown consolidated school.

Election and installation of officers will be held, and a luncheon honoring state and district officers will be a feature of the day.

MCGUIRE SCHOOL WINS

The old-fashioned spelling bee is being revived in the county. The McGuire school, taught by Manis Conley, of Prestonsburg, and the Brandy Keg school, taught by J. S. Dingus and Chester Merritt, staged an orthographic duel Friday afternoon. Though outnumbered, the McGuire boys and girls won, six of them being left on the floor when all their opponents had been "turned down."

MILBURN KILLED BY WRECKED CAR

Estep Hurt As Truck Topples From Road Onto Them At Garrett

Bill Milburn, a man of about 40 years, was fatally injured Friday afternoon at Garrett, and Barlee Estep, 29, well-known Garrett man, was seriously hurt when the truck owned by E. S. Martin, Wayland, toppled from the highway and over an embankment onto them.

Milburn died Saturday at the Beaver Valley hospital, Martin, as a result of internal injuries and Estep is in the same hospital, suffering from a broken pelvis. His condition is such that his sister, Mrs. K. C. Beverly, Prestonsburg, said Tuesday that his recovery yet is doubtful. Both were pinned beneath the truck.

Estep and Milburn were working at the roadside near the filling station of Mr. Estep's father, Will Estep, when the truck sought to pass another car. Seeing, it is said, that it would not be possible to pass the other auto safely, the driver applied the brakes and the truck plunged over the bank.

Milburn was a widower and had resided for some time at the home of Ben Lyons, Garrett. He worked at odd jobs about Garrett, and had numerous friends there. The body was prepared for burial by E. P. Arnold and returned to Garrett, where burial was made Sunday.

HIGH SCHOOL LIBRARY GETS BOOK DONATION

Miss Virginia Murrill, high school librarian, was pleased to receive recently a gift of 63 books for the library from Burl Spurlock, of West Prestonsburg. Included in the list of books was a 32-volume of biographies of famous people closely connected with history, called "Makers of History," by Jacob Abbott. There was an equally interesting set of 21 volumes, "Nations of the World."

Gifts of books are most welcome and money from which books may be selected to round out the collection is especially appreciated.

BLACKCATS SWAMP MARTIN TEAM, 73-0

Elam's Good Play Bright Spot for Visitors; Belfry Next 'Cat Foe

(By Bob Potter)

Martin's Golden Rams crumpled before a far superior Prestonsburg eleven at Gasco Park last Friday, and allowed the Blackcats to run up a total score of 73 points—a record number for the locals. Held to four touchdowns in the first two periods, the 'Cats added pressure in the last two quarters, and slammed and slithered their way through the Martinian defense for seven additional counters.

Not all the credit went to Coach Messer's men, however, even in such a lop-sided Indian Summer day contest as Prestonsburg's fourth victory of the season proved to be. With the score 45 to 0 against them, Coach Salisbury's team launched a third-quarter attack that took the ball, on a series of passes, well into the Blackcat's territory. Elam, the chief horn of the Ram offense, had to be removed from the game on account of an injury, however, and Mayo intercepted a pass to put an end to visiting goal-crossing projects.

Prestonsburg's touchdowns, sprinkled through the game, and most heavily concentrated in the last period, came largely on off-tackle and end-run plays, with some deceptive work entering in. Consistent backfield interference running was a happy factor in touchdown amassing.

The 'Cats' first counter came rather early in the game after a straight, short drive, with A. Archer circling left end for the touchdown. Before the end of the period, Prestonsburg opened another running attack, with Hughes figuring principally, and making the score. End around end runs by Craft featured the next local onslaught, the pigskin being carried across by Williamson. Archer crossed the Martin goal line again before the period ended.

Another Prestonsburg drive marked the beginning of the last half, with Williamson making a "heady" illusive run, going around right end for the marker. An "end-over" by Craft accounted for the next Black and Gold mark.

TWO DIE BENEATH WHEELS OF TRAIN AT BETSY LAYNE

Stilton and Patrick Victims; Believed To Have Been Asleep When Struck

FUNERALS AT TRAM

Roy Stilton, 35 years old, Betsy Layne miner, and Jimmy Patrick, 25, of Tram, were instantly killed shortly after midnight Saturday when struck by a train on the C. and O. tracks near the old St. Paul tippie below Betsy Layne.

Both bodies were badly mangled. It is believed that the two men had fallen asleep on the tracks. Trainmen are reported to have said they saw the two men on the tracks too late to stop the train before it struck them. They had left Betsy Layne together and were believed to have started toward Tram where Patrick lived.

Stilton was a son of Mr. and Mrs. Fred Stilton and was born at Grundy, Va., March 16, 1900. Besides his parents, he is survived by his widow, Mrs. Bertha Layne Stilton, a daughter of Lee Layne, of Tram; three children, Pearl, 11, Fred, 8, and Mabel, 5; three brothers and four sisters: Mrs. Virgie McClellahan, Mrs. Nannie McClellahan, Miss Augusta Stilton and Mrs. Josephine Clevenger, all of Grundy, Va.; Everett, Antil and Ray Stilton, of Elkhorn City.

Second of the victims was a son of Steve and Betty Miller Patrick, of Tram. He had many relatives in the vicinity of Prestonsburg and elsewhere in the county. He is survived by his parents and by three brothers and six sisters: Mae, Kate Adams, Willie, Adis, and Truly Patrick, all of Tram; Mrs. Malcolm Prater, of Colie; Mrs. Warren Hale and Mrs. Mack Harmon, West Prestonsburg; Mrs. John Reathford, of Prestonsburg.

Funerals of the victims were conducted Monday afternoon, Patrick's at 1 o'clock from the home of his sister, Mrs. Adams, at Tram, and that of Stilton two hours later from the home of Lee Layne, of Tram. Rites were conducted by the Rev. Isaac Stratton, assisted in the first funeral by the Rev. Joe Smith, and in the last by the Rev. Earl Williamson. E. P. Arnold directed both funerals. Patrick was buried in the Powell cemetery, and Stilton in the Layne cemetery.

TO HOLD CORN-HOG VOTE HERE OCT. 26

Both signers of corn-hog contracts and non-signers will have the opportunity Saturday, October 26, at an election to be held at the courthouse here, to vote for or against the continuation of the corn-hog contract plan in 1936, it was announced Wednesday by County Agent S. L. Isbell.

The county corn-hog committee will be in charge of the voting, and ballots will be available from 8 o'clock in the morning throughout the day. A vote on this phase of agriculture will be registered in all rural sections of the United States on that date.

Congressman and Mrs. A. J. May and A. J. May, Jr., spent Wednesday in Lexington, Ky.

Hiram Harris is ill at his home here this week. His many friends hope he will soon be able to be out again.

CONFEDERATE VETERAN KILLED BY AUTOMOBILE AT AGE OF 89

A Floyd county man who had spent at least the allotted three score and ten of man's allotted existence before he ever saw an automobile was fatally injured at the age of 89 last week when struck by a car.

The victim was Preston Spencer, of Drift, one of the county's oldest and best men and a Confederate veteran. He was struck October 8 by an automobile driven by Tip Daniels, of Drift, and died on the following day at the Beaver Valley hospital, Martin, of internal injuries.

The tragedy took place on the highway near the Turner-Elkhorn Coal Company office at Drift. The victim was walking along the roadside and, according to Daniels, stepped into the path of the automobile so suddenly that he could not avoid hitting him. Daniels

claimed he was driving at a moderate rate of speed.

Mr. Spencer was a native of North Carolina, and came to this county when a young man. He settled at Drift and spent the remainder of his life there following the peaceful occupation of a farmer. He was married to Miss Coon Turner, a daughter of the late J. Burks Turner. His widow survives, as also do the following children: Mart Spencer, of Turkey Creek; Alex Spencer, Northern; Lee Bud Spencer, of Printer; Mrs. Emily Howell, Drift; Mrs. Cullie Collins, Wayland, and Mrs. Albert Moore, Turkey Creek.

The body was returned to the Spencer home at Drift, where funeral services were conducted Tuesday by the Rev. M. C. Wright and others, with burial following in the A. L. Martin cemetery.

Cigarettes give a lot of pleasure to a lot of people.

More cigarettes are smoked today because more people know about them—they are better advertised.

But the main reason for the increase is that they are made better—made of better tobaccos; then again the tobaccos are blended—a blend of Domestic and Turkish tobaccos.

'CATS BEAT MARTIN

(Continued from page one) er. Hughes intercepted a pass to open the way for Prestonsburg's next campaign, with Mayo reeling off a fine run, and Williamson counting. The touchdown preceded a Ram offensive, with Elam tossing to M. Johnson and Adams for good gains.

After Mayo intercepted a Martin heave early in the last period, the Prestonsburg backs easily scored again, Prater carrying the oval for the point. Another intercepted pass gave Mayo the opportunity to circle left end for the ninth Prestonsburg touchdown; and yet another for Dickerson to tally. Art Archer made his third touchdown of the game and kicked the extra point before the period ended.

Martin's poor showing—relieved by the fine playing of Elam—makes difficult an assessment of Prestonsburg's strength and its chances in coming games, including the one with Belfry Friday.

Coch Messer has taken the squad over in good style, however, and with the passing of a few weeks a more versatile and vigorous attack should be the result.

LIBRARY GETS BOOKS

Continued from page one donate them regularly to the library, students will be very glad to call for them each month at the time you find most convenient. They will then be used and greatly enjoyed by boys and girls from all parts of the county. If you subscribe to magazines which you will donate regularly to the library or if you have books which will make you happier by being used, see Miss Murrill.

A library is being started in the Prestonsburg graded school also. There are already some

books which have been purchased previously, and others which have been donated by the Daughters of the American Revolution, the United Daughters of the Confederacy and others. These will be accessioned and a circulation system will be set up allowing pupils to borrow books for a period of one week. A play is to be given soon for the benefit of the library and is to be directed by Mrs. Edna Collins.

Mr. and Mrs. J. R. Badridge, of Warco, were visiting relatives here this week.

Floyd County Board of Education AUDIT REPORT

From July 1, 1934 to June 30, 1935

Paintsville, Ky.,
Ballard Hunter, Superintendent,
and Members of the Board of Education
of Floyd County, Kentucky,
Prestonsburg, Kentucky.
Gentlemen:

Sept. 25, 1935

Pursuant to your instructions, I have made a detailed audit of the books of account and records of The Board of Education, Floyd County, Kentucky, for the period July 1, 1934, to June 30, 1935, also made the settlement with the Sheriff for the taxes collected for the various Consolidated Districts and submit herewith, Balance Sheet, Statement of School Fund, covering all your receipts and disbursements, except the Sinking Funds, detailed statements of each Consolidated District and the necessary supporting schedules.

I found your records well kept and expenditures all allowed by your board. Particular attention is called to the following Schedules:
Schedule B. (School Fund) As noted above, this Schedule includes all of the receipts and disbursements. The detailed statements of the Consolidated Districts are set out for your information and are not additional receipts and disbursements.

Schedule Q. (Reconciliation of Bank Balances) While there might be some question as to advisability of carrying this Bank Balance at the close of the Fiscal Year, it appears to be necessary to take care of the current expenses for the Rural Schools until your receipts commence coming in.

Schedule R. (Recapitulation of Indebtedness) This Schedule shows a net reduction of indebtedness for the Fiscal Year of \$38,504.91 after eliminating all Bank Balances. I believe this speaks for itself without any further comment.

Schedule T. (Warrants outstanding) Includes one warrant, duplicate of Number 240, issued by the preceding administration; this warrant is for \$686.70, payable to F. A. Maggard and there was no stub or record of same.

Schedule U. (Accounts payable) Are as taken from your books and include accrued teachers pay rolls.

Schedule V. (Overpaid commission on Consolidated districts) Section 4426-2 Carroll's statutes only allow the Sheriff 1 per cent. This excess commission is noted for your information.

Schedule W. (Interest on average general monthly balances). Under an order entered by your Board July 2, 1934, your depository was required to pay 2 per cent on average monthly balances. This amounts to \$832.12 and has not been paid.

I was given all assistance possible by your Superintendent and his helpers and take this opportunity of thanking them.

I certify that, in my opinion, subject to the comments above, the accompanying Balance Sheet and supporting schedules, fairly reflect the financial transactions of the Board for the period named and the condition of the various funds as of June 30, 1935.

ALFRED D. ROBERTS,
Public Accountant.

Road to Prosperity; Danny Act As Guide

Philanthropist at the age of seven, breadwinner and home-maker during the years intervening between that early age and this good day, and now at 14 a "homesaver," Danny Goble, of Prestonsburg, has done and still is doing a work that sets him apart from the average American boy.

At seven Danny, armed only with a tin cup, a smile and a childish lisp that to this day remains with him, begged \$25 for the Kentucky Children's Home Society when he learned that funds were needed for the care of the orphans in its charge.

At eight he began the work of a bootblack, ever since has earned on an average of \$10 a week, until recently having a bank balance of \$550. But debts of his parents, Mr. and Mrs. James Goble, were to be paid.

Then there was a loan of \$1,000 obtained last year from the Federal Housing Administration to be paid. Danny's father had built an 11-room, two-story house. The loan had cleared his indebtedness. Now to pay back the monthly installments on the loan.

Danny shouldered the burden. Up from his knees on Prestonsburg sidewalks where he had been shining shoes, a nickel shoved deep into his pocket, nickel by nickel saved. Every month Danny sends the \$8 installment due on the loan. Danny alone.

Meanwhile, Danny has

bought chickens until he has 250 of them. Danny has bought a seven-acre farm in Greenup county, and on that farm is a log hut. But Danny is looking to the future always.

What a financier! What a boy! Or should he be called a boy-man?

"I don't know what we would do without Danny," says his mother, Mrs. Ida Goble, who assists the family by meagre wages won from odd jobs around the town.

Danny is in the fourth grade in school here, working mornings and going to school afternoons. Bareheaded, all kinds of weather, with a cheerful grin enlivening his intelligent features, the boy studies—studies books and studies how to "make ends meet." His father is a semi-invalid.

"I could show them how to go fast in school," says Danny, "but I have so much else to do."

"How do you save so much, Danny?" the youngster was asked recently.

"I just save," he answered. "I usually go home for lunch, and if I don't I buy a sandwich for a dime. And did you ever see me eating candy or ice cream or anything I can do without?"

That's how to save, according to this boy-financier.

By such means relief and depressions may be forgotten. By the same token one is lifted by one's own bootstraps—in this case by bootblacking and economizing.

Church Resumes Program On Return Of Minister

Launching of the regular fall program of the Prestonsburg Presbyterian Church is now under way with the return of Robert A. Potter, minister, after several weeks' illness.

Rally Day is to be observed in the Sunday church school Sunday morning; and it is hoped the occasion will be one of increased attendance and greater interest and spirituality. The offering is to go to the cause of Christian education, one of the major phases of the Presbyterian program.

At the morning worship hour at 11 o'clock the minister will speak upon the theme: "What Shall I Do With My Life?"

At 6 o'clock Sunday evening the first session of the Christian study class for boys and girls of the junior age group will be held. Any boy and girl of the community is invited.

Sunday, October 20, will be observed as Christian Home Sunday with special music and message. After the morning service there is to be a congregational meeting to consider

naming of a deacon and a member of the board of trustees, and to discuss the holding of a series of evangelistic services.

The Sacrament of the Lord's Supper is to be observed at the morning hour, Sunday, October 27.

ESTILL

On Thursday afternoon of last week the members of the Woman's Club of Lackey met at the home of Mrs. Ernest Logan at Estill Delicious refreshments were served to Mesdames M. M. Collins, Mike Staley, Lackey, and W. T. Hatcher, of Lackey; Chas. Sturgill, W. M. Bamer, Earl Castle, Chas. Sersain, G. E. Cecil, of Garrett; T. J. Chandler and O. T. Webb, of Lackey.

The club will meet Saturday, October 19, at Maytown for the district meeting.

"Killy Hawk" Identifies Slate, Rust-Colored Hawk

It takes boys to name—or nickname—frankly enough to describe a creature so one may easily recognize it; hence, the name "killy hawk." This small, slate and rust colored hawk, somewhat like a falcon or small parrot in shape, may be heard calling "killy, killy, kill-ee!" when alarmed or hunting. So, the name killy hawk often identifies the sparrow hawk most readily.

The killy hawk, says a writer in the Indianapolis News, will be seen perched on the tops of fence posts and telephone poles along highways and byways. She will often fly for a mile or so ahead of a slowly moving automobile, alighting on a pole a little ahead of the car each time until the car draws very near her perch.

She is a friendly little hawk, often seen about the farm home. Very graceful, the killy hawk will hover over a spot in an open field, wings beating steadily. If she spies the mouse or grasshopper whose movement she first glimpsed as she made a short flight from her lookout point, she will dart down and seize it in her sharp talons. Then she will carry her prey away to some favorite perch to devour.

She is a valuable little hawk, because she eats so many mice and grasshoppers, and an occasional English sparrow. Her vice is that she will prey on valuable small birds when other food is not to be found.

Amsterdam on 90 Islands; Has Hundreds of Bridges

It is difficult to imagine why anyone should have selected the present site of Amsterdam for a metropolis. In the beginning the dam on which Gysbrecht II, Lord of Amstel, built his castle, was a dike almost entirely surrounded by gray ooze slashed with tidal rivulets.

Now Amsterdam stands on 90 islands, connected by about 300 bridges and separated by innumerable canals which are landscaped and regulated with all the exquisite perfection of the waterways of exhibition grounds.

Along these canals, except the most strictly commercial thoroughfares, are rows of linden trees with branches bending down so far as to sometimes swish the still surface of the water.

The buildings of Amsterdam are of two distinct sorts: the old—none of which seems to have been troubled by carpenter or mason in at least 300 years—and the new.

Next to ancient houses with "step" gables topped by a stork's nest of tangled twigs stand extremely modernistic structures in the building of which Holland has been a pioneer.

The Shetland Sheep Dog

Like the shaggy Shetland pony, the sturdy little Shetland dogs are but a dwarfed version of their larger relatives on the mainland. In conformation they differ from the typical show collie only in minor points, that is, the Shetland sheepdog's head is less long, the face less aquiline and the texture of the coat more silky. The prevailing colors are similar—black and white, golden sable and white, or black, white and tan. The white markings are evenly distributed in the profuse neck frill, the collar, the blaze up the face, on the legs and feet and often at the tip of the substantial, heavily feathered brush. Seen at their best, they are graceful, agile, altogether beautiful little dogs.

"Mocha" Coffee

Coffee was originally shipped from the Port of Mocha, Arabia, on the Red sea, to which it owes the name "Mocha." But for about 200 years nothing has been shipped from that port, which has been closed by drifting sand. This name, however, has long ever since to a certain head of high-grade coffee. Abyssinia now ships a grade of Mocha, and much of that kind of coffee is shipped from Aden, Arabia. Traders from Turkey and Egypt go to Arabia, buy the crops on the tree, and supervise their picking and preparation.

Earthquake Zones

The great earthquake zone includes the area of the Mediterranean sea, the Azores, Italy, West Indies, Central America, Japan, China, India, Persia, Asia Minor and various branches leading off the main faults in the earth's crust; also the great mountain ranges contain lines of weakness in the crust of the earth. Professor Montessus, in his great world map recording earthquakes, lists over 100,000 which have been known to have disastrous effects.

Mountain Feared by Wives

Beautiful women whose homes are garden palaces are believed to inhabit the mountains of Hoggar in the heart of the Sahara. Here lived a race of lovely women who are said to survive to the present day. Arabs never try to climb the Gara-t-Djanoua peak. Their wives forbid them to do so lest they fall into the hands of the beautiful inhabitants and fall to return home.—Pearson's Weekly.

Calavo Trees

Calavo trees are extremely long-lived. Maturity is probably not reached in less than 20 or 30 years. Some trees start bearing only at eight or ten years. An agricultural explorer of the United States Department of Agriculture reported seeing in Mexico "huge trees, which must have been nearly a hundred years old, bearing excellent crops."

TO THE VOTERS OF FLOYD COUNTY:

I am an Independent candidate for election to the Floyd County Board of Education, to be voted for on November 5, 1935.

Numerous friends and those interested in school welfare have asked me to make statements in regard to whom or what man I am for for the Superintendent.

Concerning these statements, I am here giving some of the questions asked me, together with my answers—

1. What man are you for for Superintendent of Schools?

I am interested, first, in the children of Floyd county and not in the money some man may get for acting as Superintendent.

2. Are you against "Hunterism"?

That is a new term to me, but if it applies to the present school administration I am absolutely against certain tactics that have been employed by the Superintendent. But some things have been accomplished in admirable style. The term, "Hunterism," is plainly a political colloquialism and shows that political jealousy is the main reason for making a fight. I am for elevating our school system from politics instead of raising a crop of politics from the very grounds on which our children play.

3. Are you for ousting Hunter before his term is out?

I am not in favor of throwing any one out of office for political reasons. The only reason for such action on my part would be in the event that the official in question had broken the laws of Kentucky.

4. When Hunter's term expires, are you in favor of Hall or Hunter?

This idea that one must run for some certain man is another thing born of politics and is entirely erroneous. In fact, it is strictly against the law to do so. (See Section 1565B-3 Ky. Statutes.) Some political factions are taking advantage of the fact that some of our people do not know about this law.

I am in favor of following public sentiment and giving

the people of Floyd county an absolutely square deal for once. I am going half way and leaving the rest to the voters and parents to decide if they want our children given first choice and first thought in our schools and not some individual for Superintendent.

I believe school government, as well as all other government, should remain as close as possible to the people; and for that reason I would, as a member of the Board of Education, be in favor of respecting the selections and nominations of the sub-district trustees.

You have two votes to cast for Board Members. If you have a friend you feel obligated to and wish to vote for, do so. Cast the other ballot for **ROMEYN C. DYER**—and feel that you have given a vote to a man who will stand for the best interests of Floyd county and its children.

The Independent can—and should—win! I am in the race to the finish and will appreciate your loyal support.

Sincerely yours,

ROMEYN C. DYER

JURY SELECTION DELAYS HEARING

Extreme caution on the part of opposing counsel in the selection of a jury held the trial of Harry Lee Leslie, charged with the murder of Jack Harris, in abeyance from Monday last week, till Monday noon.

No evidence was taken in the trial until Tuesday afternoon. In addition to the regular jurors for the October term, approximately 30 talesmen were examined before a jury was selected for the case. Eight Commonwealth witnesses had testified when this was written late Tuesday afternoon.

The Man Who Knows

Whether the Remedy You are taking for Headaches, Neuralgia or Rheumatism Pains is SAFE is Your Doctor. Ask Him

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

BEFORE you take any preparation you don't know all about, for the relief of headaches; or the pains of rheumatism, neuritis or neuralgia, ask your doctor what he thinks about it—in comparison with Genuine Bayer Aspirin.

We say this because, before the discovery of Bayer Aspirin, most so-called "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice.

Countless thousands of people who have taken Bayer Aspirin year in and out without ill effect, have proved that the "recent findings" about its safety were correct.

Remember this: Genuine Bayer Aspirin is rated among the *fastest methods yet discovered* for the relief of headaches and all common pains... and safe for the average person to take regularly.

You can get real Bayer Aspirin at any drug store—simply by never asking for it by the name "aspirin" alone, but always saying **BAYER ASPIRIN** when you buy.

MAYTOWN

Saturday, October 26 is the date for the high school carnival under the auspices of the P-T. A. Many things are being planned for the program which will be directed by Mrs. Stanley Combs, who made a tremendous success of last year's carnival. A costumed parade will be one of the major features. Doors will open promptly at 7:30 p. m. First 100 guests to arrive will receive souvenir prizes. Main show will be conducted by Wilma May, with Osmer Turner, announcer. A riot of comedy is promised here.

Side shows are in the hands of Coach Jones, who promises a special for MEN ONLY and a second for WOMEN ONLY, others equally good.

The room of terror will be a mecca for youthful couples. Booths will complete the main floor and both edibles and novelties may be had. Kiddies will head for the fishing pond, where toys can be caught more readily than trout.

Woman's Club Dist. Meeting

District conference of the Woman's Club will be held here Saturday, October 19, and a large crowd is expected. Lackey club is joint-hostess with the Maytown club. Maytown members wish to express genuine appreciation for response to their request for food donations toward the banquet luncheon.

The club has just announced an art contest for the school children, closing date being October 23. Prizes awarded to the best entry from each grade sweepstakes to the best in the first four, second four, and high school. Mrs. Townsel Combs, local artist of note, will be asked to serve as chairman of the committee of judges.

Congressman A. J. May and son, A. J. May, Jr., spent Saturday in Barbourville, Ky., where he addressed members of the Young Men's Democratic clubs of that section in behalf of the state Democratic ticket.

G. W. (Pet) Harris, of Glo, was a business visitor in Prestonsburg Monday.

JUDGE CAUDILL WINS HIGH I. O. O. F HONOR AT MAYSVILLE MEETING

Circuit Judge John W. Caudill last week was at the state meeting of Odd Fellows in Maysville, was accorded one of the highest honors in the order when he was elected grand representative to the meeting of the Sovereign lodge. He won in an election of I. O. O. F. officials which found Congressman Glover Cary as his opponent.

Judge Caudill goes next year to New York City to attend the Sovereign lodge meeting which brings together Odd Fellows from all parts of the world.

HALLOWEEN PARTY

The public is cordially invited to a masquerade and costume party at the Presbyterian Church on Tuesday, October 29, at 7 p. m. There will be a number of concessions, with plenty of fun for all. Refreshments will be served.

How Calotabs Help Nature To Throw Off a Bad Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fifth night if needed. How do Calotabs help Nature throw off a cold? First, Calotabs are one of the most thorough and dependable of all intestinal stimulants, thus cleansing the intestinal tract of the germ-laden mucus and toxins;

Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic both of which are needed in the treatment of colds. Calotabs are quite economical; only a very few cents for the family package, ten cents for the trial package. (Adv)

Millions in Grain, Coal and Lumber

LAST year, Kentucky distilleries bought *nine million bushels of grain*—worth \$10,000,000—enough money to give \$30.00 to every farmer in the State... Kentucky distilleries used 800,000 Kentucky-made barrels—manufactured from 3,000 *solid carloads* of white oak lumber, a native Kentucky product... Kentucky distilleries used 200,000 truckloads of coal, which had taken 2000 Kentucky miners *one entire month* to produce... All this work and income may be *lost* to you and Kentucky unless you vote "Yes" to repeal the State Prohibition Amendment on November 5.

Why It Is Necessary to Vote on November 5

Prior to 1933, Kentucky was dry under both the Eighteenth Amendment to the Federal Constitution, and a State Constitutional Prohibition Amendment.

In 1933, national repeal of the Eighteenth Amendment legalized the distilling industry *only so far as the Federal Government was concerned.*

National Repeal still left Kentucky with State prohibition laws which, under our State Constitution, could not be repealed until the November election of 1935.

Pending that date, the Legislature in 1934 passed an act known as the Liquor Control Act, which now permits (as an emergency measure) the sale of alcoholic beverages.

The Liquor Control Act, which is merely an emergency measure enacted pending the repeal vote, must not be confused with the State Constitution's Prohibition Amendment.

The Prohibition Amendment is a permanent part of our State Constitution *unless* the people of Kentucky vote to repeal it on November 5.

A vote for Repeal in November is **NOT** a vote to repeal the Liquor Control Act now in effect. It is simply a vote to put an end to Constitutional Prohibition in Kentucky, and to replace it with a system by which each county, city, town or precinct may determine for itself whether or not alcoholic beverages may be sold therein.

If you wish to keep PROSPERITY in Kentucky—if you do NOT wish to go back to the hard times of 1932—

VOTE YES ON NOV. 5 FOR REPEAL AND REGULATION

IN BEHALF OF A YOUNG MAN

The Times is devoting this
space to an attempt to save
the life of a young man of
Prestonsburg.

He has recently been de-
clared tubercular. His father
died of tuberculosis. He is the
main support of his widowed
mother and three younger
children. At the age of 17 he
is threatened with death from
the White Plague unless some-
thing is done, and that done
soon.

Shall we permit this young
man to die?

For only \$1 a day he can
be placed in the Hazelwood
Sanitarium, Louisville, and

doubtless cured, since the dis-
ease is now only in its first
stages.

Unless this young man is re-
moved to a hospital for treat-
ment he will not only be a vic-
tim of tuberculosis but will
communicate it to his younger
brothers and sisters.

One donation toward the
fund we are hoping to raise
already has been made. The
Woman's Club of Prestonsburg
from its Tuberculosis Fund,
derived from the sale of
Christmas Seals, has already
donated \$60 for this cause.

WHO WILL BE NEXT? Any
amount, however small, will
be gladly accepted. Address
contributions to The Floyd
County Times. The list of do-
nors will be published each
week.

"Squire" Dan Prater, Sey-
mour Prater and Pete Horr
