

HIRAM HARRIS IS CALLED BY DEATH IN HIS 90TH YEAR

Prominent Prestonsburg Business Man Succumbs at Home Here Saturday

FUNERAL MONDAY

Death Saturday morning at 5 o'clock claimed the life of Hiram Harris, one of this section's oldest and most prominent men, at his home here after an illness attendant upon advanced age, and, though expected, was the occasion of deepest regret to his hundreds of friends, relatives and business associates throughout Eastern Kentucky.

Eighteen days past his 89th milestone when death came, "Uncle Hi," as he was familiarly known, had seen Prestonsburg and Floyd county develop from a region of hidden, little-known resources into an area of great wealth, and he had taken a prominent part in this development. He was born Oct. 29, 1846, the son of Joseph and Sarah Spurlock Harris, and spent his entire life in this vicinity.

With his death, and probably the last eyewitnesses to the battle of Middle Creek. As a boy in his teens he watched the engagement between the forces of General James A. Garfield and General Humphrey Marshall, later meeting the future President and before the Confederate forces left this section passing. Continued on page five.

TWO LEFT BEAVER COMMUNITIES LEAD

Wheelwright and Minnie Only Floyd Towns To Reach Red Cross Total

Only two Left Beaver Creek mining towns, of all the communities in Floyd county, have to date reached their quota in the Red Cross roll call drive started Armistice Day, it was said this week by Miss Ella Noel White, executive secretary of Floyd Chapter.

These two are Wheelwright, the annual roll call leader in Floyd county, which has exceeded its quota, and Minnie, which has attained its full quota. The Edgemont Fuel Company at Minnie was instrumental in the community doing its bit so promptly.

There are from 30 to 40 workers soliciting memberships during the present roll call drive. Floyd county's quota is only 1,200, and before the drive was really under way Wheelwright alone had provided almost 500 of these. The response elsewhere has been "fair."

The drive will continue on through Thanksgiving. A membership costs only \$1, and, with the end of direct relief in Kentucky definitely set at November 30, it is important that the Red Cross fund be augmented to the highest point possible, it is pointed out.

Wheelwright Negress Freed Under Bond of \$2,000 in Slaying Case

Mrs. Ethel Slaughter, Wheelwright negress, was released from jail here last week under \$2,000 bond after having been held since Nov. 11 when she was arrested on a murder charge in connection with the slaying of Sarah Shire, 30-year-old negro woman, at Wheelwright.

Tom Slaughter, husband of the woman released last week, without bond being required. They were arrested by Deputy Sheriffs Frank Hatfield and Willie Johnson. The woman was stabbed to death at the Slaughter home October 27.

The Rev. L. V. Brown, negro minister, told authorities that while Mrs. Slaughter was away from home her husband caused the other woman to become drunk, carried her to his home where Mrs. Slaughter found her upon her return and stabbed to death.

PRISONERS HERE SENT TO KNOTT

Three Arrested in Ashland Police; Floyd Auto Theft Traced

A few hours after Chester Perry and Henry Mobbitt, who were arrested near here last week, had been released to Knott county authorities, three persons, two girls and a young man, were arrested Thursday night by Ashland police and also were turned over to Knott authorities.

Those arrested in Ashland were Charlotte Tanner, 20 years old; Charles Tanner, 16, and Lucy Mae Stephens, 16. They are believed to have operated as a gang in this section with Terry and Mobbitt.

In Knott county they are wanted in connection with the looting of County Judge E. M. Moore's store. Their alleged crime career in this county is traced by Police Chief Charles F. Howard, of Ashland, to the theft of an automobile from Johnny Martin, of Hueysville. Chief Howard reported that the tags found on the Martin car after it had been stolen were those taken from an Ashland automobile.

Activities of the quintette will be investigated by the grand jury now in session with the Knott circuit court, it is expected.

BAKER RELEASED FROM JAIL IN SLONE SLAYING

Bill Baker, who was held in jail here in connection with the slaying at Knotley Hollow, near here, of Emery Slone, was released a few days ago on request of Mrs. Slone. Benjie Blackburn, who is charged with the slaying, waived examination and did not ask bond.

The building in front of which the shooting took place was The Green Lantern, not Sadie's Place, as was stated in The Times last week, though the place was operated at one time by Sadie Hatfield.

Left Beaver Highway Contract Is Awarded

Federal Funds Available for Johns Creek Route if Fiscal Court Will Take Necessary Action, Congressman May Points Out

In anticipation of the federal government's appropriation for Kentucky's road-building program, the state highway department let road contracts last week calling for the largest expenditure of funds in the history of the state for this purpose.

One of these contracts was for the construction of 7.5 miles of road on the Martin-Wheelwright route, this stretch extending from McDowell to the upper end of the route and giving promise to this rich section of the county access to other parts of the county without the "detour" by way of Pikeville. The federal government's appropriation for this route is \$60,000.

There yet remains in this county one main route for which a work contract has not been let and which will not be let, unless immediate steps are taken by the fiscal court to procure right-of-way, it was pointed out this week by Congressman A. J. May. This is the long-deferred Johns Creek road project.

The federal government has already allocated \$104,000 for construction of this road. Almost 10 years ago a county bond issue of \$50,000 was voted for construction of this route.

In certain parts of this county where highways are under construction by the Works Progress Administration landowners donated right-of-way. Unless the fiscal court snaps

out of its present lethargy and does something about the Johns Creek right-of-way," Congressman May pointed out this week, "the money allocated for the Johns Creek route will revert to the government and be lost to us forever."

"The need for a road," Congressman May said, "in the Johns Creek section is great. With the Mayo Trail as a trunk highway, and with other sections of the county being connected with it by year-round roads, Johns Creek to date is isolated. A little work on the part of the fiscal court would result not only in the employment for many men now without work, men who cannot expect direct relief after November 30 when this form of federal aid is scheduled to end in Kentucky."

Sworn in as Magistrate Monday to succeed Dewey Roberts in District No. 4, John Scott's first official act was to sign papers necessary to procuring the Johns Creek road construction. Magistrate Scott promised full support of the proposed road construction. County Judge W. L. Stumbo some time ago gave his official approval of the project.

"Pike county," Congressman May further said, "has taken the necessary steps to provide for construction of seven miles of highway, be-

NEW FEATURES FOR THE TIMES

Paper to Be Increased in Size Beginning With Next Issue At No Extra Cost to the Subscribers

The Floyd County Times will be bigger and better next week with many new features which we believe will be of great interest to our readers.

At no additional cost to our subscribers we are adding several new departments, giving our readers a wider range of reading matter each week. The new features will include a serial story and each issue will carry a generous installment. For our first story we have selected "Caught in the Wild," by Robert Ames Bennett. This is said to be his best novel. Those who have read his "Tenderfoot" and "Boss of the Diamond A" will be anxious to read "Caught in the Wild." Look for the first installment next week and be sure to read it.

Among the other features, will be a weekly article by Arthur Brisbane, the best known newspaper editor and commentator on public events in America. Then there will be a column by Irvin Cobb, famous humorist; a "News Review of Current Events the World Over" by Edward W. Pickard, and a splendid two-column sports feature by Hugh Bradley, one of America's foremost sports authorities.

Besides these regular weekly contributors with special articles, The Times will contain many other articles from week to week that will be worth more than the price of a year's subscription. This is all in addition to thoroughly covering the local news each week as we have in the past.

All these new features will be found in The Times beginning with next week's issue, at no extra cost to the subscribers. We have added them at considerable expense to ourselves, in keeping with our policy to give our readers the best paper we possibly can.

If you like the new Times, tell others. If you are not a subscriber, let us put you on our list to receive the paper each week.

A good paper is the best asset a town can have. But it takes a larger number of people to make a good paper. Are you one of them?

Parent-Teacher Association Re-Organized Here; To Hold 1st Meeting Tuesday

The Prestonsburg Parent-Teacher Association was re-organized Friday night, last week, at a meeting of patrons and teachers of the local schools. Mrs. F. L. Heinze was named president of the organization and an active, progressive program is being planned for the remainder of the school year.

The P.-T. A. will meet Tuesday afternoon, November 26, at 3 o'clock in the graded school auditorium. It was announced this week. All parents of grade and high school students are urged to be present.

ASHLAND DEFEATS BLACKCATS, 57-0

Prestonsburg Team Preps for Turkey Day Game With Pikeville

David met Goliath Saturday, and David didn't have his slingshot along.

In other words, a small squad of Prestonsburg Blackcats played the ferocious Ashland Tomcats a game of football—and lost.

But some measure of solace is found in the fact that the Prestonsburg boys, though losing, 57 to 0, yet kept the score almost 40 points below that which the undefeated, unscored-on Tomcats inflicted upon the hapless Paintsville Tigers earlier in the season.

Prestonsburg entered the fray without hope of winning, yet undismayed, and the boys showed high courage against insurmountable odds. Playing in the rain on a soggy gridiron and against a heavier, more experienced foe, the Blackcats were unable to gain either by land or thru an aerial attack. Meadows at tackle, "Turkey" Hughes at the fullback position and young Dick Allen at end distinguished themselves by their defensive play. Forced to kick often, and rushed by the big Tomcat line, Dick Mayo's punt average was within a yard of that made by the Ashland kicker.

And now, until Thanksgiving, when the 'Cats wind up their affairs for the current gridiron season with their traditional foes, the Paintsville Tigers, the local eleven will be idle. The game will be played at Paintsville, and, if the dope is to be considered after being spilled so often this season, the 'Cats should come home victorious.

HELD HERE AS ROBBER OF FELLOW-PRISONER

Sam Smith, of Garrett, is in the county jail here facing a robbery charge. It is claimed that Smith, after having been jailed at Garrett for the alleged theft of some merchandise, slugged a fellow-prisoner and robbed him of approximately \$15. He waived examining trial.

TWO KILLED WHEN STRUCK BY MOTOR ON ROUTE 23 HERE

Miss Branham Instantly Killed, Little Paint Man Fatally Injured

YOUTH UNDER BOND

Miss Bessie Branham, 23 years old, of this place, and Eldon Baldrige, 19, of Little Paint, are dead from injuries sustained Saturday night when struck by an automobile here.

Miss Branham died instantly, her neck broken. Her companion succumbed at 2 o'clock Sunday morning at a Paintsville hospital to his injuries which consisted of a fractured skull, both legs broken and other hurts.

Howard Vanhose, a son of Mayor F. S. Vanhose, of Paintsville, was held for a few hours in the county jail here in connection with the tragedy and later was released under \$5,000 bond. It was an auto driven by young Vanhose which struck the couple as they were walking on or at the side of the Trail near the home of W. E. Clarke, at the lower limits of Prestonsburg.

Young Vanhose told authorities he could not avoid hitting the couple. He was quoted as saying that he was not driving at an excessive rate of speed. Only he and two girls said to have been in the auto with him are believed to have witnessed the mishap. After the accident took place, he came to a filling station here from which he telephoned for an ambulance.

Dave Branham, father of the young woman killed by the car, said Tuesday he had been unable to learn details of the tragedy. The radiator and one headlight of the Vanhose car were smashed by the impact against the bodies of the couple, and the front bumper of the auto was bent.

Funeral rites for Miss Branham were conducted Monday afternoon from her father's home here, the Reverend Isaac Stratton officiating. Burial was made in the Weddington cemetery under the direction of E. P. Arnold. She is survived by her father, her step-mother, three brothers, two sisters and one half-sister, all of Prestonsburg.

The young man, victim of the tragedy, was a son of the late Zach Baldrige and of Mrs. Lou Baldrige, who survives. He is survived by two brothers and two sisters, Mrs. Ruth Mellon, of Ashland, Mrs. Priscilla Hager, Little Paint, Cecil and Nelson Baldrige, also of Little Paint. Funeral rites were conducted Tuesday afternoon, the Reverend Farley, of Pikeville, and the Reverend Allen, of Garrett, officiating. Burial was made in the family cemetery.

Both young people, victims of this accident, were well-known and had a host of friends and relatives who mourn their tragic passing.

Longer Lines in Ford V-8 for 1936

THE LONGER and more graceful lines of the Ford V-8 for 1936 are well illustrated in this view of the popular De Luxe Tudor Sedan. The new longer hood extends gracefully over the attractive new radiator grille. Wide streamlined front fenders, with an imposing flare, shroud the tires and house the

horns behind chromium grilles. New design steel wheels with 12 1/2-inch hub caps are handsome and easy to clean. Bucket-type front seats are exceptionally comfortable. This body type, of welded steel like all Ford V-8 bodies, is also available without de luxe appointments at lower cost.

R. C. CAMPAIGNS TO PREVENT ACCIDENTS

Program Inaugurated in Local Chapters to Cut Down Farm and Home Accidents

The American Red Cross has launched a nation-wide campaign to eliminate hazards in the home and on the farm that now take an annual toll of nearly 35,000 lives, according to a recent statement by James L. Fieser, vice chairman in charge of domestic operations.

"Every Red Cross chapter is being asked to play a part in this campaign," Mr. Fieser said. "Hazards in the various communities will be pointed out. The children in our schools throughout the country will be given a list of the home hazards and asked to enroll parents or relatives in the fight against them."

Nearly five million men, women, and children were temporarily disabled in the homes of America last year by accidents, officials of the National Safety Council have revealed. Most of the accidents in which persons were killed and injured could have been prevented, according to this safety agency, this fact alone largely motivating the Red Cross drive for accident elimination.

Active cooperation of social, civic, educational, veterans', and other groups has been secured. Red Cross inspection forms or home check lists will be distributed to homes where there are no children with the help of these organizations.

Due to inaccessibility and lack of compensation coverage, little or no pioneering has been done in the field of farm safety, the Red Cross states. However, more people were accidentally killed in agricultural pursuits last year than in any other occupation, making the need for safety education and farm home inspection apparent.

Other agencies now active in the accident-prevention field point to the fact that, because of its nearly 13,000 chapters and branches, the Red Cross has a unique opportunity to successfully promote a project of this nature.

Home accidents injure many more than do automobile accidents; they kill nearly as many, claiming an average of about 80 lives daily. In terms of dollars and cents, for the practical minded, home accidents cost more than \$1,000 per minute.

Accidents of all types are Public Enemy No. 4. Only three diseases cause as many deaths each year, heart disease, cancer, and cerebral hemorrhage.

"The home is not the place of safety it is commonly supposed to be," said Mr. Fieser in commenting on the new Red Cross service to the community. "The Red Cross, as a part of its chartered obligation to prevent death and alleviate suffering, is conducting this humanitarian program to cut down the mounting toll of avoidable personal injury and death in the homes of the country."

The annual Red Cross roll call, running from Armistice Day to Thanksgiving Day, is one of the means of backing such a campaign. All citizens of the United States are offered the opportunity to join and assist in the work of the organization.

Red Cross Has Busy Year; Statistics Impressive; Services Varied

Figures gathered at random from the year's report of the American Red Cross reveal the magnitude of the work being carried on by that organization.

Red Cross workers assisted 54,305 veterans; 587 Red Cross Public Health nurses paid 921,455 visits to 186,326 patients; 98,441 first aid certificates were issued while 46,693 persons were trained in life saving. Volunteer workers produced 3,102,843 surgical dressings, with 80,901 volunteers being on active duty throughout the year.

First Aid Treatment Taught Thousands By Red Cross

More than 187,000 certificates showing completion of first aid courses were issued last year by the Red Cross. This shows a gain of 56,000 certificates over the previous year. Approximately 64,200 boys in C.C.C. camps throughout the country passed first aid tests. Since the Red Cross first entered the field of first aid teaching, being one of the first organizations in the world to do so, almost one million persons have been trained in handling emergency treatment.

The annual report of the Red Cross further reveals that more than 327,000 copies of the Red Cross Aid Handbook have been sold at home and abroad.

The Red Cross has assisted 54,305 veterans in clearing their cases through the U. S. Veterans' Bureau this past year.

Last year 3,837,541 persons became members of the Red Cross. The annual roll call takes place each year between Armistice Day and Thanksgiving Day.

Junior Red Cross members increased by 402,000 enrollments during the year which has just passed. Junior members carried on an exchange of correspondence with junior members in 62 other countries having Red Cross Societies.

Don't Pay O For Medicine Today and Tomorrow

Every person who suffers of its worth. This offer today and tomorrow (tory bottle of of the medicine that works with your food to try for 25 CENTS. Simply read the offer below. Do this in your own interest.

This new and scientific medicine, known as Indo-Vin, has helped 85—or 90—per cent of the people who have taken it. Therefore, we offer the first trial bottle at 25 CENTS because we believe the people who are benefited will keep on using it. The regular full-size price is \$1.25.

Medical Help of a New Kind

Each Bottle Has These Ingredients:
CINCHONINE: stimulates and tones the stomach
PEPSIN: digests proteins; works with food
SINNA, ALON: natural laxative; gentle but thorough
IRON AMM. CITRATE: aids blood; builds red corpuscles
NUX VOMICA: finest of tonics; for vigor, energy
BILE SALTS: stimulates liver bile; necessary to health

Indo-Vin is taken after meals and mixes with the food in one's stomach, helping to throw off poisons that foster stomach troubles and permitting the liver and bowels to function more properly. It often acts in 10 minutes to stop gas and pains, sourness and bloating. It helps to eliminate the old bile from your liver and increases fresh bile flow; thus relieving sick headache, biliousness, dizzy spells and lazy, drowsy feelings.

Whether it will help you as it has thousands of others—whether it will end your suffering in a day or a week—remains to be seen. But in light of what it has done for others, it is surely a mistake not to try it for 25c, only a fraction

How Calotabs Help Nature To Throw Off a Bad Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fifth night if needed. How do Calotabs help Nature throw off a cold? First, Calotabs is one of the most thorough and dependable of all intestinal eliminants, thus cleansing the intestinal tract of the germ-laden mucus and toxins. Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds. Calotabs are quite economical; only twenty-five cents for the family package, ten cents for the trial package. (Adv.)

Entered as second class matter June 18, 1927, at the post-office at Prestonsburg, Ky., under the Act of March 3, 1879

TO THE WEAVERS OF DREAMS

Ask either of the main contenders for the Superintendentcy of Floyd county schools—ask them if the "board" system of electing a Superintendent takes the matter out of politics.

But that would be foolish question No. 999,999. Every body except some of the intelligentsia who don't know an idea from an ideal already know the answer.

A few years ago, The Times engaged in a rather lengthy discussion of this matter with a member of the State Board of Education. Neither convinced the other of anything except that the other was deluded, benighted and hopelessly wrong. To this glad day, The Times remains convinced that our opponent in this long distance debate was wrong. Doubtless, his opinion is unchanged.

But if he could only get out of the miasma of idealism, get his ear to the ground, go back, as it were, to first principles, he would learn something. For him to have spent the last month in Floyd county would have been a liberal and a practical education.

He would have known all along who the candidates for Superintendent were. He would have known that old-time politics were being played, with probably a few added modern touches. He would have seen school affairs in politics so unmistakably that even the race for Governor was overshadowed at times.

This is not to criticize any faction in the Board of Education race decided recently. The thing is in politics; hence, politics will be played.

It is just as reasonable for one to object to election of the State Superintendent of Public Instruction by popular vote as it is to find fault with the election of a County Superintendent of Schools by direct vote of the people. Try electing the State Superintendent once by the slab, alias board, method; then come around and tell us how the thing was removed so Utopian-like from politics.

Of such is the fabric of dreams!

DIES WHILE ON VISIT IN FLOYD

Stricken by a sudden heart attack October 18 at his old home in Betsy Layne, where he was visiting, William Roe Layne, of Washington, D. C., died before medical aid could be summoned.

Though he had been ill for some time, his sudden passing was a shock to his relatives and friends.

At the time of the fatal seizure he was in this county from Washington visiting relatives during his vacation of a few weeks. Mr. Layne was a son of Cyrus Isle Layne and Rebecca Nesbitt Layne, deceased, and was born February 17, 1877. His early manhood was spent in Floyd county where he taught school and attended school in Prestonsburg, until he enlisted in the Spanish-American War. Later he was called to Washington, D. C., where he held a position in the Agricultural Department. He was a student of the Bible and reading creative writing were his chief pleasures.

Being ambitious, he awaited himself of the opportunities to further his education by attending the National University, Washington, D. C., and graduated in law in 1907 and earned M. A. degree in 1908. He was admitted to the bar in 1921. In 1924 he was admitted to practice before the Supreme Court of the United States and in the same year Mr. Layne was appointed Assistant Attorney in the office of the Attorney General of the United States and was assigned to the Indian Office. In 1926 as representative of the Indian Office, he was appointed a member of the Federal Commission on Federal Land Policy, cooperating with the Agriculture Department. This committee listed as its personnel the Assistant Commissioner of the Land Economics, Engineer Conservation Branch and Representative of Geological Survey of the Secretary of Agriculture.

Mr. Layne came in direct line of splendid Revolutionary stock. In social recreation he was a member of the University Club of Washington, and member of Lafayette Masonic Lodge No. 19 and other fraternities in Washington.

On October 23, 1909, he was married to Miss Annie Graves of Franklin, Ind., who survives him. One sister, Mrs. W. J. Fitzpatrick, Miami, Fla. and two brothers, J. S. Layne and C. B. Layne, of Betsy Layne, and a host of relatives and friends mourn his loss.

The funeral service was conducted at the old home, and interment was made in the family cemetery at Betsy Layne.

HOUSE OF DAVID PROS TO MEET RED DEVILS

The House of David professionals, boasting one of the tallest players in the game, Tiny Reichart, who towers well above seven and a half feet, will again appear at Betsy Layne on Friday night, November 22, when they open the current season for the Betsy Layne Red Devils, outstanding independent basketball organization of the Big Sandy. The bearded professionals played to a capacity house here two seasons ago when they defeated the local team by a comfortable margin. In addition to their center they present one of the flashiest teams in the game, their accuracy and ball handling being well worth seeing.

The Red Devils, who won 23 games in a row and dropped but two decisions, have their same lineup intact with the addition of several new players.

HIRAM HARRIS IS CALLED BY DEATH

Continued from page one
Since 1917 Mr. Harris had been connected with The First National Bank, until a few years ago being president of the Bank. At one time he was Mayor of Prestonsburg. For several years he was president of the Middle Creek Coal Company which he was instrumental in organizing. At the time of his death he was president of both the Harris-Stanley Coal and Land Company and the Highland Coal and Land Company, both of which he assisted in organizing. He also was head of several other coal companies.

Beginning his business career as an associate of the late J. C. Mayo, Mr. Harris was quite successful and was one of the county's wealthiest. His love of children and his unflinching kindness to them and his unfeigned friendliness to rich and poor alike were distinguishing traits in his character.

Mr. Harris is survived by two daughters, Mrs. S. E. Allen and Mrs. Susan Craft, both of Prestonsburg; four grandchildren, P. H. Allen, of West Prestonsburg, H. T. Allen, Mrs. Russell Pelphrey and T. H. Allen, all of Prestonsburg; and by one great-grandchild, Abigail Allen.

Funeral rites were conducted Monday afternoon from the residence, the Rev. A. C. Harlowe officiating, assisted by the Rev. Josef Nordenhaug and the Rev. H. F. King. Burial was made in the family cemetery on the hill overlooking the Middle Creek Coal Company tipple, E. P. Arnold in charge.

Jack Salisbury, who is attending the University of Kentucky, Lexington, spent the week-end here with relatives.

Local Happenings

Among those who accompanied the football team to Ashland Saturday were Mr. and Mrs. A. J. Archer, Mrs. C. W. May, Miss Marguesite May, Mr. and Mrs. Joe Wheeler Burchett, Miss Mary Ruth Hopson, Miss Gladys Parsley, Curtis Clark, James Wesley Howard, Wallace Rose, Ray Collins, Bob Harlowe.

Congressman and Mrs. A. J. May, Mrs. C. B. Latta and Barbara Jean May left Wednesday for Louisville and Cincinnati, where they will spend a few days.

Mrs. Franklin Moore motored to Huntington Saturday, and was accompanied home by Mrs. E. P. Arnold, who had been the guest of Mr. and Mrs. T. E. Dimick.

Henry Ritchie, former Utilities Coal Company agent, has returned to his home at Virgie after receiving several days' treatment at the Beaver Valley hospital for bruises and cuts and a brain concussion caused by an automobile wreck near Martin.

J. C. Ward and D. C. Stephens spent a few days last week in Ohio on a hunting trip.

FOR SALE—house and lot in West Prestonsburg. See PRICE J. HUFF, 11-22-2t W. Prestonsburg, Ky.

Mrs. L. J. Doss returned last week to her home in Canton, Ga., following a visit here with her daughter, Mrs. E. P. Hill, Jr., and Mr. Hill. She was accompanied home by her little granddaughter, Caroline Hill.

COMMISSIONER'S SALE

FLOYD CIRCUIT COURT

Elizabeth Baker, Admr., Piff. vs.—NOTICE OF SALE

By virtue of a judgment and order of sale of the Floyd circuit court rendered and entered at the Sept. term, 1935, in the above-styled cause I shall proceed to offer for sale at the courthouse door in Prestonsburg, Ky., to the highest and best bidder, at public auction, on Monday, the 25 day of November, at 1 o'clock, p. m., same being the first day of the regular term of the Floyd county court, upon a credit of 6 months, the following described property, to-wit: Lying and being on the west side of Big Sandy River in Floyd county, Ky., and known as the Sand Branch and more particularly described as follows: Beginning on the west bank of Big Sandy river at low water mark, corner between said land and the land owned by Thomas J. Leslie a short distance below the Preston coal tipple; thence running a south-westerly course with the line of said Leslie crossing the right of way of the Chesapeake and Ohio Railway Company to the top of the point between the Sand Branch and the Thomas Leslie Branch; thence along the top of the ridge between said branches to a high point, corner between said branches and the Woods branch to John G. Johns' line; thence running along the top of the ridge between the Sand Branch and the Dawson Branch a north-westerly course to a point in the head of the Right Hand Fork of the Sand Branch; thence running a southwest-westerly course to the top of the ridge between the Sand Branch and the Big Branch to a high point overlooking the Big Sandy river; thence running down the point between the Sand Branch and the Narrows to the end of the point just below where the lower house now stands and near the mouth of Sand Branch; thence crossing the right-of-way of the Chesapeake and Ohio Railway Company hereinbefore mentioned to the Big Sandy river; thence up the river to the beginning, said tract

containing one-seventh interest. He also owned one-seventh undivided interest in lots Nos. 14, 15, 16, 17 and 18 and the lots of which Nos. 14, 15 and 16 are parts and each of them a part, which lots were laid off and so numbered in the division into lots of Prospect Addition to the town of Dwell, Ky., which map was made July 27, 1929, by Townsel Combs, engineer.

Also the following described tracts of land: 1. One undivided one-half interest in one tract conveyed by G. A. May and Victory May, his wife, to B. W. Baker and Elizabeth Baker, his wife, on August 10, 1918, deed recorded in Deed Book 52, page 447, Floyd county Deed records. Said tract of land is described as follows: A certain lot lying on the right fork of Beaver Creek near Maytown Station on the C. and O. Railroad, beginning on southeast corner of H. Fitzpatrick lot; thence with county road 60 feet to a stake; thence straight line to center of Beaver Creek; thence down the creek 60 feet; thence back with the line of H. Fitzpatrick to the beginning.

2. A tract of land conveyed by Samuel B. May and Lizzie May, his wife, to Ben W. Baker on February 17, 1920, deed recorded in Deed Book 55, page 489, Floyd county deed records. Said land is described as follows: A certain tract or parcel of land lying and being in Floyd county, Ky., and described as follows: Beginning on a stake at lower edge of county road, corner of lot said Baker now lives on; thence up Beaver Creek with county road to a stake standing at lower side of county road; thence turning southwest running across a little bottom about 150 feet to a sycamore bush on the bank of Beaver Creek; thence down Beaver Creek with center of same to the corner of said Baker's lot; thence running northeast with Baker's line to the beginning, containing one acre, more or less.

3. A tract of land conveyed by H. F. May and Rebecca May, his wife, to B. W. Baker, Sr., on January 6, 1926, deed recorded in Deed Book 78, page 150, Floyd county deed records. Said land is described as follows: A certain tract or parcel of land lying in Floyd county, Ky., and described as follows: Beginning lots Nos. 234, 235, 236, 237, 194, 195, 196, 266, 267, 268 and 269, in the H. F. May Addition to Langley, Ky., as is shown by plat of said Addition filed in the Floyd county court clerk's office, and recorded in Deed Book No. 58, page 452, which reference is hereby made for a more complete description.

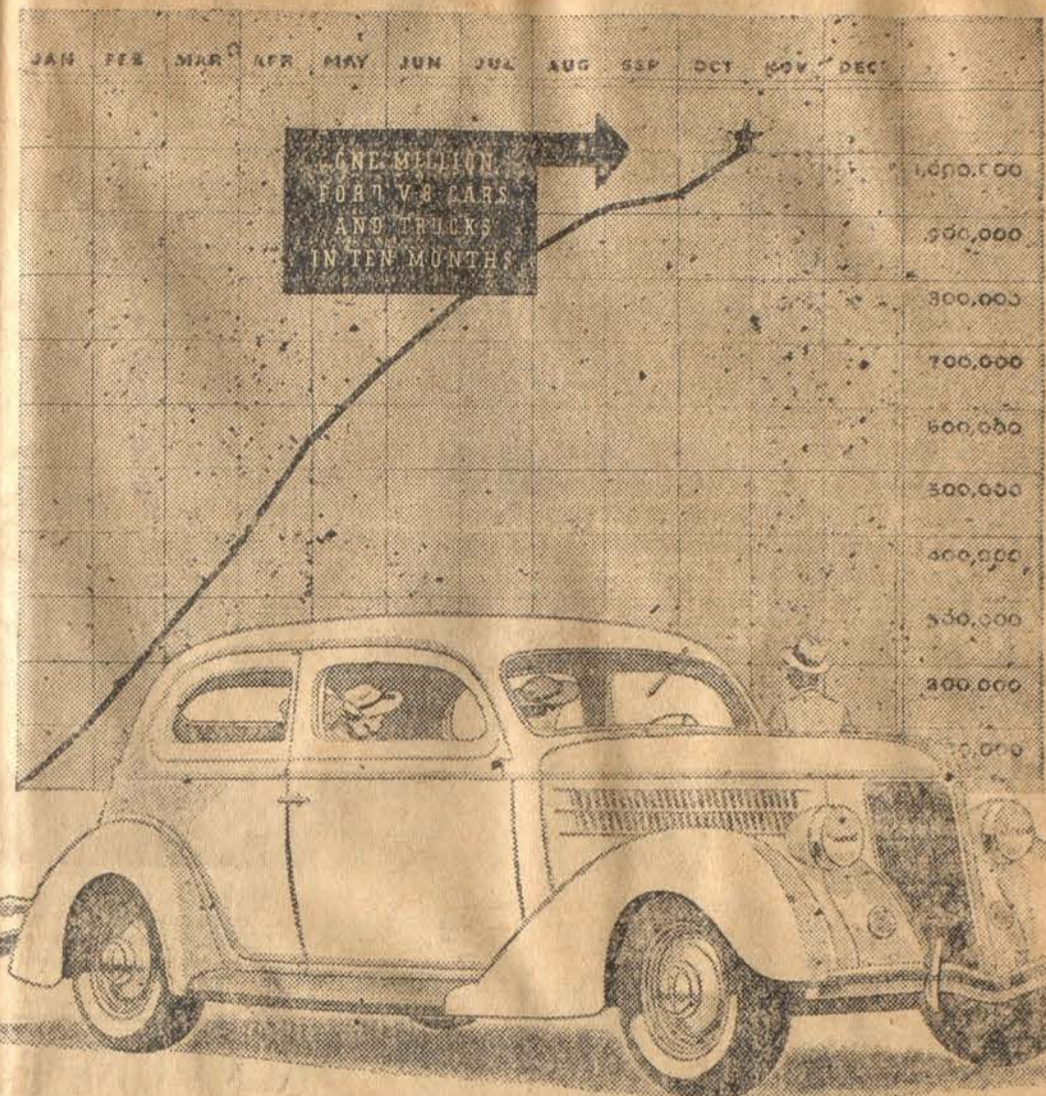

4. A tract of land conveyed by Paul D. Pollitt and Anna Anna Pollitt, his wife, Frank Ross, and Bee Patton Ross, his wife, of Ashland Ky., to B. W. Baker, Sr., of Langley, Ky., which deed is recorded in Deed Book 129, page 400, Boyd county Deed Records. Said land is described as follows: A parcel of real estate in the city of Ashland, Boyd county, Ky., and fronting 42 feet on Third street and being lot No. 14, as shown upon the plat of Pollitt and Ross Russell addition to Ashland, Ky., filed in the Boyd county court clerk's office and being part of the same property conveyed to the parties of the first part by deed from John Russell and wife dated May 1, 1923, and recorded in Deed Book 91, page 395, Boyd county court clerk's office.

Or a sufficiency thereof to produce the amount so ordered to be made, amounting to \$1,459.31 and the further sum of \$81.40 probable costs to date of sale. For the purchase price the purchaser must execute bond with approved surety or sureties, bearing legal interest from the day of sale until paid and having the force and effect of a judgment with a lien retained upon said property as a further security. Bidders will be prepared to comply promptly with these terms.

V-8 LEADERSHIP

On October 31 of last year, Henry Ford announced his intention to build a million Ford V-8s in 1935. We are pleased to report that this goal was reached in exactly ten months instead of a full year.

One million cars and trucks is an impressive total. But figures by themselves mean nothing. It is what they represent that counts. Selling a V-8 at a low price has brought a new kind of automobile

within reach of the people. Producing it has provided steady work for hundreds of thousands of men in the Ford plants, in associated industries and on the farm.

These million Ford V-8 cars and trucks have helped to make things better all around. In the first ten months of 1935 the Ford Motor Company paid out in the United States alone, \$140,119,326.00 in wages and \$523,111,389.00 for materials.

A YOUNG PIONEER

When several hundred families were sent to Alaska from the Middle West to settle the Matanuska Valley, the Red Cross sent a nurse, Madeleine de Foras, to remain with them for a year to help protect their health. Among the first friends she made was the little pioneer, Arthur Hack, 4 years old, and "Prince," the pup who went with his young master to Alaska.

Carter Named Member of National Automobile Dealers' Association

Announcement was received here last week that national headquarters in St. Louis of the National Automobile Dealers' Association has appointed A. C. Carter, of Carter Motor Sales, Prestonsburg, as member of the National Activities Council of the association. A letter, informing him of his appointment states that his name had been recommended by J. R. Weir, Louisville, Ky., member of the board of directors of the N. A. D. A. for this state, and "comes as a recognition of your devotion to trade interests, and your constant willingness to sacrifice your own personal gain for the advancement of the trade as a whole" and "that it is an honor both to yourself and to the other dealers in your trade territory."

As member of the National Activities Council Mr. Carter will bring to the automobile dealers the activities and policies of the national organization, reporting to and advising with local dealers occasionally on national developments and thus promoting united action and support for national developments and thus promoting major endeavors. Also, through him national headquarters states it will be kept constantly informed of local group thought and desires.

HOW WOMEN CAN WIN MEN AND MEN WIN

The Favor of Other Men

Unless two pints of bile juice flow daily from your liver into your bowels, your food decays in your bowels. This poisons your whole body. Movements get hard and constipated. You get yellow tongue, yellow skin, pimples, dull eyes, bad breath, bad taste, gas, dizziness, headache. You have become an ugly-looking, foul-smelling, sour-thinking person. You have lost your personal charm. Everybody wants to run from you.

But don't take salts, mineral waters, oils, laxative pills, laxative candies or chewing gums and expect them to get rid of this poison that destroys your personal charm. They can't do it, for they only move out the tail end of your bowels and that doesn't take away enough of the decayed poison. Cosmetics won't help at all.

Only a free flow of your bile juice will stop this decay poison in your bowels. The one mild vegetable medicine which starts a free flow of your bile juice is Carter's Little Liver Pills. No calomel (mercury) in Carter's. Only fine, mild vegetable extracts. If you would bring back your personal charm to win men, start taking Carter's Little Liver Pills according to directions today. Get at drug stores.

Refuse "something just as good," for it may gripe, loosen teeth or scald rectum. Ask for Carter's Little Liver Pills by name and get what you ask for. © 1935, C. M. Co.

TO LOSE FAT EAT SENSIBLY

Go light on fatty meat, butter, cream and sugary sweets—eat fresh vegetables, fruits, fowl and fish (except salmon and mackerel).

Be sure to eliminate excess waste accumulations by taking a half teaspoonful of Kruschen Salts with the juice of half a lemon in a glass of hot water before breakfast every morning.

Mrs. J. R. McCausland of Pittsburgh writes: "I took off 8 pounds in 2 weeks."

Pay no attention to gossipers who say there's no safe way to reduce. Millions the world over take the little daily dose of Kruschen not only to help banish excess fat thru proper elimination but to help keep the stomach, liver, gall bladder, bowels and kidneys in a more healthy working condition—Kruschen costs as low as 40 cents.

No drastic cathartics — no constipation — but blissful daily bowel action when you take your little daily dose of Kruschen and follow our suggestions with respect to diet.

Get it at the City Drug Store or any drug store in the world.

THANKS VOTERS FOR SUPPORT IN ELECTION

I take pleasure in thanking my many friends who supported me in my recent race for member of the County Board of Education. I ran as clean a race as was ever run in Floyd County in every way. While campaigning, if asked about one of my opponents, I spoke well of him.

I have many good friends who supported my opponents, for reasons of their own, and I wish to say here, that there are absolutely no ill feelings on my part for their doing so. I feel that Mr. Harold Bagley and Guy E. Childers, the two gentlemen who were elected, are well qualified for their positions on the board, and will render their duties in a just manner to all as near as is possible.

I remain,

Schenley's Cream of Kentucky

So popular that you can't get it in every State. In your State you can!

At Arnaud's Restaurant in New Orleans—one of the most famous Southern eating houses in the land—they make their delicious drinks with Schenley's Cream of Kentucky—a whiskey so universally liked that in many States Schenley is unable to deliver it—but in your State you can get this overwhelming favorite. Ask for it... it proudly bears the MARK OF MERIT!

The Southern colonel himself can't mix 'em smoother than you can...if you too use his delicious Kentucky straight whiskey. Order Schenley's CREAM OF KENTUCKY made the old Kentucky way!

Expresses Gratitude In Behalf of Childers, Bailey

That Childers and Bailey were victorious in the most spectacular election for Board of education ever staged in Floyd county is a fact well-known in every nook and corner of the county. On this bleak Armistice Day, as I think of the peace which envelops our land, and the war which enshrouds Ethiopia, my mind harkens back to the recent election and my many friends and supporters who made our victory possible.

I should like to have been able to drive around into every community and shake hands with our zealous supporters and earnest workers, and to talk with them for hours concerning the election, but time would not permit it, since I was forced to depart as soon as possible for law school. Suffice it to say that we appreciate what you did in helping us to win. Whether a contributor, a precinct worker or a voter, your influence did its share. The people responded to our call with a purpose not to be defeated. The odds were stacked against us, but even this was not enough to check the crushing momentum generated by our earnest fighters. The United Mine Workers stood up in a praiseworthy manner.

In electing Mr. Childers and Mr. Bailey you not only did me a favor, but I feel that you did Floyd county and every school child in it a favor. The program was outlined to the people in speeches and otherwise will be carried out to the better. The people are the only bosses we know, and the people's interests will be looked after in every case.

To those who opposed us

our motto will be "With malice toward none, with justice toward all."

And so to you all, in behalf of Mr. Childers and Mr. Bailey, I express a heartfelt gratitude. The trust reposed in them will repay you ten-fold in educational opportunities for Floyd county youth and Floyd county teachers.

Sincerely yours,

APPROPRIATION FOR SCHOOLS IS MADE

Construction of Six Buildings Already Approved, Others Pending, Hunter Says

More than \$20,000 have already been appropriated by the Works Progress Administration and the Floyd county board of education has approved work thus provided on the construction of six school buildings in this county, it was said Tuesday by Ballard Hunter, Superintendent of Floyd county schools.

In addition to the already-approved construction of these six, 14 others have been approved locally for construction by local educational and relief authorities, with 30 other school buildings in the county to be repaired at a cost to the county board of education approximating \$8,000, plus a much larger sum by the WPA.

School buildings already approved for WPA construction in co-operation with the Floyd county board of education are:

Cracker, 2-room stone, total cost \$4,596, \$268 of which is to be supplied by the board of education. The same for Orkney, Water Gap and Grethel. At Halbert, District 78, a stone building requiring the same expenditure has been approved with no cost to the sponsor, it was said by Mr. Hunter.

Garrett a 3-room stone building is to be built at a total cost of \$8,039, \$550 of which is to be paid by the county board of education, though not officially approved, construction of a four-room stone building on Stone Coal is planned for the Garrett schools.

In West Prestonsburg, Mr. Hunter said, if the Prestonburg Board of Education furnishes sufficient co-operation, a four-room stone school building will be erected, together with playground leveling and equipment at total cost of \$21,800, Mr. Hunter said.

Other proposed school buildings are a 2-room structure on Little Paint, the same type building on Big Mud in District 61 and a 4-room building at Wheelwright for a colored school. The complete list of buildings to be erected and those to be repaired will be published as released.

Evangelistic Services At Presbyterian Church Create Much Interest

Evangelistic services being conducted at the Presbyterian Church are arousing increasing interest. The services are being conducted with the Rev. I. W. Wilcox, of Mt. Sterling, as preacher, and various singers of the community joining in the music.

The theme of the minister Friday night at 7:30 o'clock will be "How to Be Saved." There will be special music, including a solo by Franklin Moore. Sunday morning, Mr. Wilcox will preach on the theme: "The Christian's Obligation to His Community." Sunday night's topic will be "Letting Salvation Slip."

Young People's night is to be observed Monday, with high school and upper grade students urged to attend the services. "Making Life a Success" will be the theme of the speaker.

Mr. Wilcox's clear-cut presentation of Christian truth has drawn his hearers to him, and it is hoped much good will come from the services which are to extend through Wednesday night.

WHEELWRIGHT MINER DIES IN SLATE FALL

A fall of slate in the Wheelwright mine of the Inland Steel Company at Wheelwright Friday night fatally wounded Sol Justice, 53, who had been working at the mine 15 months as a rock driller. Justice was badly crushed about the head and body and was rushed to the hospital at Pikeville where he died two hours later.

Justice is survived by his widow, Susie Justice. The body was shipped to Olive Hill, Justice's old home, for burial.

FLOYD MAN KILLED BY SLATEFALL IN PIKE COUNTY MINE

Noah Kidd, formerly of Harold, this county, and assistant mine foreman for the Greenough Coal Company, and Ollie Canida, mine foreman, were killed in the company's mine Nov. 11 by a slatefall.

The two men and Campbell were measuring yardage when they were informed of a slatefall in another part of the mine that had tied up work. Campbell said the three went to the scene of the slate fall and were helping remove the debris when a piece of slate about 12 feet long, six feet wide and 16 inches thick dropped from the roof pinning the two beneath it and injuring another. It fell just after Campbell had stepped just a few feet away.

Canida had been employed at Hellier about two years, going there from the Hazard coal field. He was about 45 and is survived by his wife and three sons, all students at Berea College. The body was taken to Combs, Perry county, for burial.

Kidd had been at Greenough about 20 years. He was about 33 years old, and is survived by his wife and five children. The body was brought last week to Floyd county for burial.

SECOND TALLY OF BOARD VOTE MADE

Reveals No Material Errors; Roberts Contests Scott's Election

Aftermaths of the recent election were a re-count of the county board of education vote over the week-end and a contest suit in the Magistrate's race in District No. 4.

The school board re-count resulted in no material change in the vote total.

Contesting the election of John Scott, Republican, for Magistrate, Dewey Roberts contends that fraud was committed in Tickey, Lee Alley, Mouth of Mud and Toler precincts and that the contestee was guilty of violation of the Corrupt Practices Act.

In Tickey, Roberts' petition alleges, fraud, bribery and intimidation of election officers resulted in more than 20 per cent of the votes cast there being illegal. He asks that the 204 votes cast there for Scott be discounted.

Twenty-five votes in Mouth of Mud precincts, the petition alleges, were cast by persons not qualified as legal electors.

In Toler precinct, according to the contest petition, 37 votes of persons not qualified as electors because they are under the voting age, were counted for Scott. Ten votes of non-residents were also counted for the contestee, it was alleged.

The Lee Alley precinct vote was more than 50 per cent illegal, it is contended, since a large number of votes there cast their ballots on the table.

The contestant alleged the expenditure of a sum approximating \$3,000 by the contestee.

Coming, Sunday and Monday, Dec. 1 and 2—JOE E. BROWN in his best picture, "BRIGHT LIGHTS," with ANN DVORAK.

U. S. Army headquarters at Washington, D. C., by Lt. Col. B. E. Brewer, head of the military department at the University.

The cadets who were given the rank of second lieutenant will have completed the second year of advanced course in Military Science at the termination of the school year in June.

Among those who were commissioned was James Stephens, of Prestonsburg. Mr. Stephens is enrolled in the College of Arts and Sciences and is a member of Lambda Chi Alpha fraternity at the University.

FLOYD COUNTY MAN'S SENTENCE COMMUTED

A 21-year prison sentence imposed on Bernard Stevens on a manslaughter charge in Floyd county circuit court in September, 1932, was commuted to six years Friday by Gov. Ruby Laffoon. The Governor said clemency was recommended by all the trial jurors, 105 citizens of the county and a number of officials.

Stevens was convicted of the killing of a man named Williams on the mountain between Little Mud and Prater Creeks. Andy Stevens, who also was convicted of the killing, was paroled in 1935, according to county officials here.

The commutation granted Bernard Stevens rendered him eligible for immediate parole.
