

SAVE YOUR PITY  
At last it dawns on me, the soundness of that slogan, "Never give a sucker a break."

Were I not one of these living monuments to the truth of the adage, "Hope springs eternal in the human breast"—that is to say, one of these guys who goes out fishing, returns empty-handed and goes out again and again, always hoping—I probably would have gone several years more without agreeing about this sucker business.

Anyway, to get most of the story told, I committed the crime, last year, of getting my youngest son (then my youngest) enamored of angling. Day after day, he would go out with us and cast his arm off, trying to get even a strike. And he went the whole year long, without one. We were so anxious to see him tie into one. His persistence and interest deserved a better fate.

When I, occasionally, would get a fish, I didn't enjoy it. I felt downright guilty, taking that fish away from the boy.

Then came this spring. He got the first one at Dale Hollow. In fact, he did right well at the lake, but his old man was faring well with him and to everything was hunky-dory.

That happy state of affairs lasted till the Big Sandy cleared up and we took to the river. Thereupon, one of the Three Sisters got tangled up with her knittin', and, lo, the boy goes out, day after day, and comes back with his fish—and his old man comes back (period).

Now does he pull for me? Understand, I don't want pity—no, I am not that low yet. But I don't want any remarks about "you gotta be smarter than the fish you're tryin' to catch," either.

Verily, disciples of Isaac Walton, I say, "Never give a sucker a break—especially if you're needing a break yourself!"

PEACE—IT'S WONDERFUL  
IN BOONE COUNTY

Yes, there is such a place. A grand jury report, written on August 12, 1948, is there on the record book to declare Boone county a Kentucky Eden seldom invaded by the serpent. It reads:

"To the Honorable Ward Yager, Circuit Judge:

"We have been in session one day and found all of the county property in good condition except some minor repairs, which the Judge of the fiscal court has already arranged to make as soon as labor is available.

"There were no cases held over, no one in jail, no witnesses and no complaints to be heard. Boone county is in good shape, has abundant crops and everyone seems to be prosperous and happy.

"Having no work to do, we request to be finally discharged.

"Gilbert Cooper, Clerk.  
"Lillard S. Scott, Foreman."

The hospitals and insurance companies may make of this what they will, but it is told that a certain Eight Beaver Creek man got at the wrong end of a mule recently, the mule made contact and the man wound up with a broken leg. The injured man thereupon called reverently and with considerable volume upon the Lord for a spell. Then as the shock passed and he realized he was a hospital case, his talk turned to other lines. "Here I am," he raved, "a blankety-blank, blank-blank fool, with my leg broke and like a blankety-blank-blank fool I let my hospitalization run out yesterday!"

I AM THREATENED

Went into a restaurant, the other day, partook of the plate offered and planked down six bits. Then stood around for a while while (no, I don't stutter) the manager fiddled at the cash register. "Anything else?" he finally inquired as I blocked out three potential steak-con-

HAYS VICTIM  
IN CAR WRECK

Funeral of Veteran,  
Killed in Rowan-co.,  
Conducted at Martin

Funeral of Leon Hays, of Morehead, 23-year-old war veteran and native of Martin, who was fatally injured early Monday morning of last week, were conducted Friday afternoon from the auditorium of Martin high school. The Rev. S. B. Rucker, of Maytown, and the Reverend Cisco, of Morehead, officiated at the rites which were attended by a large gathering of relatives and friends.

The veteran was injured when an automobile in which he was a passenger crashed into a concrete bridge near Hayes Crossing, seven miles east of Morehead on U.S. 60. He died at Veterans hospital, Huntington, W. Va., Tuesday evening of last week. Earl Lewis, driver of the car, escaped with minor injuries.

Surviving are his parents, Mr. and Mrs. Liberty Hays, of Morehead, and one sister, Mrs. Juanita Mullins, also of Morehead.

Services at the grave in the Martin cemetery were under auspices of Prestonsburg, Martin and Morehead Veterans of Foreign Wars Posts. Burial was made under direction of the Ryan Funeral Home.

34 CHURCHES  
TO TAKE PART

As Enterprise Ass'n  
In Annual Meet Here  
Today and Tomorrow

Two hundred persons representing 34 churches of the association and the Baptist movement in Kentucky are expected to gather at Irene Cole Memorial Baptist Church here today and Friday for Enterprise Baptist district association's annual meeting.

W. C. Boone, general secretary, Baptist State Board of Missions, will speak on the cooperative work of missions of the church over the world. During the session reports on every phase of Baptist work will be heard, together with talks by local and guest speakers.

Wm. Dingus, patriarch of the local Baptist Church, will deliver the address of welcome to visiting delegates and guests. Presiding at the sessions will be the Rev. A. O. Allison, moderator. The Rev. Winn T. Barr, of Allen, is clerk of the association.

Election of a moderator and clerk will be one of the events of the two-day session. Meals will be served visitors at the church, and those coming to Prestonsburg from a distance will be entertained in homes here.

Churches from Pike, Floyd, Johnson, Martin, Magoffin and Morgan counties, Ky., and East Williamson, will be represented here during the two days.

BOARD ADDS  
NEW TEACHERS

Sets Friday as Date  
For Teacher Meeting;  
Auxiliary Minus Coach

Preparing for the opening of the consolidated schools of the county, the Floyd County Board of Education in special session Monday to employ emergency teachers and others to fill vacancies in these and a few rural schools.

Later in the week, County Superintendent Palmer L. Hall notified teachers of the grades and high schools to meet here Friday of this week for a teachers' conference preliminary to the school opening.

Monday was the earliest date emergency teachers could be employed. After the Board was through work for the day a coach remained to be employed at Auxier, and at Garrett and Wheelwright high schools a teacher was needed in each. Two grade school teachers are also needed at Wheelwright. The Auxier coaching troubles started with decision of Donald Music to transfer to Pike county. Edgar Moles, who was employed as his successor, resigned to re-enter school as a student himself.

All grade and high school teachers are expected to attend the teacher meeting at the Prestonsburg grade school building Friday when the session gets under way at 10 a.m. Contracts will be signed, personal data and income exemption sheets filled out, applications for teachers' retirement filed, emergency permits filed where needed, certificates recorded and medical examinations given, within the capacity of the health department, in cases where the teacher failed to have such examination last year.

Boone Hall was named as school supervisor with the county system. New teachers employed:

Garrett high school—Commodore Stone, Lillian S. Campbell; Maytown high school—William O. Allen, coach, Elizabeth Boughton, Peggy

COMPLETION  
DRAWS NEAR

Lighting System  
To Be Installed  
Within Few Days

By Saturday, the Floyd County Playground Center will be completed as to its construction phase; by next week-end the big field in the center of Prestonsburg will be lighted.

The huge earth-moving job undertaken by Winston Ford to fill the low-lying area being converted into a playground will reach the Broadway (U.S. 23) end of the project, Friday evening, it is predicted. Eight light poles, four on either side of the field, were erected Monday, and work of installing the lighting system will be started Saturday by the Harris Brothers Construction Company.

7 SUE STATE  
FOR DAMAGES

Allege Negligence  
Caused Truck Wreck  
On Damaged U.S. 23

A total of \$23,000 in damages is sought by seven Floyd countians in a suit filed last week against the State Highway Department and the State of Kentucky as an aftermath of a truck wreck, June 28, 1947.

The wreck occurred on U.S. 23 near the mouth of Cow Creek where a huge stone from the hillside had burst the pavement. Plaintiffs and amounts asked by each follow:

Henry Stratton, driver of the truck, Marvin Ray and Dorothy Stratton, \$2,500 each; Mary and Charles Edward Hoyle, \$5,000 each; Edmund Hoyle, \$3,000; Millard Stratton, \$2,500.

Negligence on the part of the highway department is alleged as a cause of the wreck and the injury of all seven persons in the truck.

The action was filed by the law firm of Howard & Combs.

Pikeville Man Dies  
Of Clubbing, 2 Held,  
Officer Admits Bribe

Fatal clubbing of a Pikeville man two weeks ago resulted last week in the arrest of two others from that place on murder charges, three on charges of operating a game of chance and a sixth, a Pikeville policeman, on the accusation that he accepted a bribe.

The victim, Willis Coleman, 44, died Aug. 15. Arrested in his death were Harry Robinson and Tom Vanover. Accused of operating a game of chance were Bob Ford and Lee Phillips, of Pikeville, and Hen Hall, of Boldman.

Authorities said the policeman, Richard Gates, confessed to accepting a bribe from an operator of the poolroom in which poker games allegedly were regularly operated.

Coleman was clubbed at a Pikeville poolroom, then taken home and left on his porch where he was found by his wife, it was said.

Hen Hall was quoted by officers as saying he knew nothing of the murder.

Harold Gains First  
With 4-2 Victory

Harold defeated Elkhorn City, 4-2, Sunday in the only Big Sandy League game reported here. The victory gave Harold undisputed possession of first place. Elkins buried the victory for the Floyd countians, while Long Jim Thornsbury was the loser.

Prestonsburg's scheduled game with Paintsville failed to materialize for the second consecutive week.

BABE IS VICTIM

Nanny Ruth, three-months-old daughter of Mr. and Mrs. Wilburn Conn, of Printer, died Saturday. Burial at Printer was made Sunday, the Ryan Funeral Home directing.

Retired Miner Victim  
At W'wright Friday

Thomas Wright, 62 years old, retired miner, died at his home in Wheelwright, Thursday of last week, a victim of heart disease.

He was a native of Wolfe county and had been employed, prior to his illness, by the Inland Steel Company. Surviving are his widow, Mrs. Sylvia Wright, of Wheelwright, two sons and eight daughters: Jesse Lee and Billy Wright, of Wheelwright, Mrs. James McCall, Waverly, Ky., Mrs. James Gilliam, Hatfield, Ky., Mrs. Hassel Burke, Mrs. Howell Isaacs, Misses Doris, Millie, Geneva and Pearlie Wright, all of Wheelwright.

Funeral rites were conducted Sunday at Melvin, the Revs. Johnny Bates and Troy Caudill officiating. Burial at Melvin was directed by the Ryan Funeral Home.

Colored Minister,  
70-Year Veteran,  
Victim in County

The Rev. Enoch Garrett, 90 years old, colored, a minister of the Missionary Baptist Church for 70 years, died Wednesday of last week at the home in Wheelwright of his son, Hilton Garrett. He was a victim of illnesses attendant upon advanced age.

A native of Alabama, he had resided at Wheelwright for the last three years. His widow, Mrs. Hattie Garrett, and four sons survive: Hilton at Wheelwright, Milton, of Coalwood, W. Va., Felix and Earl, of Welch, W. Va. The body was returned by the Call Funeral Home to Hansville, Ala., for burial.

'Blue Monday' Could Be the Day  
For You To Register for Draft

Monday is the first day for registration for the country's first peacetime draft.

Don't forget the date—you may have to register.

How do you know if it's your time to register?

That's easy. If you were born in 1922, after August 30, then it's you to register Monday. Simply because you won't be 26 years old, past the draft age.

If you are in this "first" age group, come to Prestonsburg to the Floyd County Selective Service headquarters on the second floor of the Combs building, First avenue.

What if you can't get to your registration center? Maybe you'll be sick or far away from home.

If you are away from home, just go to any registration center, and fill out your card. It will be sent to your own local draft board. That's important to remember—you don't have to register at your local registration center. You can do it anywhere in the country—or in Hawaii, Alaska,

Puerto Rico, or the Virgin Islands. If you are sick and physically unable to register, don't worry. Just let your draft board know the facts and explain why you register as soon as it's physically possible for you to. But at the same time don't get the idea you can avoid registering indefinitely. Try that and Justice Department agents, meaning the F.B.I., will make it hot for you.

If you're out of the country, get in touch with the nearest consulate when your registration day comes.

Here's the complete list of registration dates:

Aug. 30 for men born between Aug. 30, 1922 and before Jan. 1, 1923.

Aug. 31-Sept. 1 for men born in 1923.

Sept. 2-3 for men born in 1924.

Sept. 4-7 for men born in 1925.

Sept. 8-9 for men born in 1926.

Sept. 10-11 for men born in 1927.

Sept. 13-14 for men born in 1928.

Sept. 15-16 for men born in 1929.

Sept. 17-18 for men born in 1930 before Sept. 19.

The bituminous-coal miners, who number about 340,000, were on strike for a month in March and April, because of the failure to agree on the method of paying pensions out of the welfare fund.

The same Judge Goldsborough, on that occasion, fined Lewis and the union for contempt of court because they were slow in obeying a court order to end the strike.

Saturday, the union's news bureau said in its statement concerning the beginning of pensions:

"Thus, after more than two years of battling across the negotiating table and through the courts, the dream of John L. Lewis, president of the United Mine Workers of America, is about to become a reality.

EXPECT 5,000  
FOR MEETING

Waterway Leaders  
To Join Big Sandy  
Canal Proponents

In addition to the group of notables and the throng of interested citizens expected to attend the annual meeting of the Big Sandy Valley Association at the Paintsville Country Club Saturday, outstanding representatives of the National Rivers and Harbors Congress, the Mississippi Valley Association, the Ohio Valley Association, the Upper Allegheny River Association and the American Waterways Operators, Inc. will be present, it was announced this week.

Preparations have been made to entertain a crowd of 5,000, with a barbecue luncheon served on the club grounds.

Speakers will include Governor Clements, business and civic leaders of the area, members of Congress, waterways officials and representatives of the U.S. Corps of Engineers.

Dr. O. W. Thompson, Pikeville, president of the Big Sandy Valley Association and pioneer in the movement for canalization of the river, has asked that all business men, coal operators, miners, county and city officials of the Tri-State region attend the meeting which he describes as "the most important ever held in this section."

Mrs. Marshall Mahan and family are visiting her mother, Mrs. C. R. Tankersley, at Wheelwright this week.

Pot. Ernest Mullins,  
Third Army Veteran,  
Is Buried at Hunter

Funeral of Pvt. Ernest Mullins, who was killed Dec. 26, 1945 at the age of 24 while serving with General Patton's Third Army in Luxembourg, was conducted Wednesday from the home of his widow's grandfather, Silas Martin, of Hunter.

The veteran was a son of Solomon Mullins, now a resident of Hartley, Ky. He is survived by his father, his widow, Mrs. Ida Mullins, two children, Allene and Betty Lou, three brothers and two sisters.

The Rev. E. H. Howard conducted the funeral. Burial in the Martin cemetery was directed by the Ryan Funeral Home.

Application Forms for Pensions  
Are Mailed Out to Mine Locals

Elderly coal miners will start receiving pensions next month, marking an end to one of the famous labor-management struggles of modern times.

Officials of the United Mine Workers welfare fund made that announcement Saturday.

They have mailed to all local unions the application forms to be used by eligible miners in the bituminous coal industry who have retired or want to retire. They expect to mail out the first checks in September.

The amount will be \$100 a month. To be eligible a miner must be 62 years of age or older. He must have a total of 20 years' service in the coal industry. He must be a member of the United Mine Workers.

And if he already has retired, he gets a pension only if his retirement came after May 28, 1946. If he retired on that date or earlier, he gets no pension.

Those were the terms of the agreement of April 12 between John L. Lewis and Styles Bridges (Rep., N.H.) constituting a two-man majority of the three-man board of trustees for the welfare fund.

The third man, coal-operator Ezra van Horn, sued to stop pension payments under this plan, and did delay them, but Federal Judge T. Alan Goldsborough found June 22 that

the plan was legal, "reasonable and proper."

The bituminous-coal miners, who number about 340,000, were on strike for a month in March and April, because of the failure to agree on the method of paying pensions out of the welfare fund.

The same Judge Goldsborough, on that occasion, fined Lewis and the union for contempt of court because they were slow in obeying a court order to end the strike.

Saturday, the union's news bureau said in its statement concerning the beginning of pensions:

"Thus, after more than two years of battling across the negotiating table and through the courts, the dream of John L. Lewis, president of the United Mine Workers of America, is about to become a reality.

"This was the dream to bring some dignity and security to tired and aged coal miners who had spent their lives underground in the never-ending and thankless quest for coal to keep the American economy alive."

Nobody at the fund's offices seemed to know how many miners are eligible for pensions. At least they could not provide an estimate.

Certainly nobody pretends to know how many of the eligibles will choose to retire and live off their

3 GROUPS ASK  
AID BY STATE

Magoffin-Breathitt  
Vie for Way to Mine;  
Route 7 Is Discussed

A delegation composed of members of the Floyd fiscal court met highway officials in Frankfort last week to solicit state aid on construction of a road from David to connect with the Magoffin county route the state is expected to build soon to the new coal developments in Breathitt county.

No definite promises were forthcoming, however, as both Breathitt and Magoffin counties also had delegations there, each vying for separate routes to the development.

Highway Commissioner Withers told all concerned that a survey would be made soon to determine which route would best serve the coal company, serve the greatest number of people and which could be constructed at least cost. It was indicated that, eventually, both routes sought will be built.

One road project discussed was Ky. 7, the route which extends up Licking river, leaves Magoffin county at the head of Grassy fork, enters Floyd county through either Raccoon or Salyers Branch on Salt Lick, thence connects with Route 80 to Hindman or extends in the other direction via Quicksand and across Yellow Mountain toward Hindman.

An unofficial report received here this week said rights-of-way were being procured on Grassy Fork last week for the road. County officials here said, however, the state highway department has not asked them to procure rights-of-way on the Floyd county sector of the road.

Ky. 7 is known, however, to be high on the list of Governor Clements' "must" roads of this section. It is pointed out that it will open a vast territory that is described as "virgin," in that it is now impervious to motor traffic.

Although a work order was reported issued on surfacing of the Prestonsburg-Salyersville road when the contract was awarded, early this month, no move to start work is apparent.

Assistant Attorney-General Carl D. Perkins told The Times this week that a contract on blacktop surfacing of the highway from Wayland to the Knott county line has been awarded to the Hinkle Construction Company, Paris, and that work on the route should begin within the next two weeks.

The contract for this work was let July 30, and Mr. Perkins, who at that time was a successful candidate for the Democratic nomination for Congress with Administration support, stressed the point that the road work from Wayland up Beaver was not a campaign promise or political maneuver as charged during the Congressional campaign.

Knott Soldier Held  
In Austrian's Death  
Following Quarrel

Cpl. Lace Hays, of Garner, Knott county, is being held in Vienna in connection with the death Monday of a 73-year-old Austrian, the U.S. provost marshal in Vienna has announced.

Officials said the charge to be filed against Hays has not yet been determined, but said it probably would be manslaughter.

An official version of the incident said the Austrian, Franz Maurer, became involved in an argument between Hays and his Austrian girl friend Sunday night. Authorities said Hays struck Maurer, knocked him down and kicked him.

Maurer died in a hospital. His wife and several grandchildren were with him at the time he was hurt, officials said.

YOUTH'S SHOT  
KILLS BENTLEY

Tragedy in Woods  
Is Accident; Man  
Dies at Hospital

Reece Bentley, 29-year-old Frasure's Creek miner, died shortly after midnight Monday as a result of the county's first hunting tragedy of the season.

He was shot around 3 p.m., Monday while hunting in the hills near his home on the head of Frasure's Creek with his brother-in-law, 17-year-old Teddy Howell. The Arnold Funeral Home, where the body was brought for burial preparations, was told the two, with Bentley walking in front of Howell, saw a squirrel at the same moment. Both raised their guns and both fired almost simultaneously. Howell's shot striking his brother-in-law in the back of his head.

The shooting was declared accidental. Bentley died at the Beaver Valley hospital, Martin, without speaking.

Surviving are his widow, Mrs. Elctine Howell Bentley, four children, Clara, Wilma, Charles and Laura, his parents, Tim and Mary Henson Bentley, of Ligon, four sisters and one brother, Mrs. Lula Newsome, Mrs. Draxie Newsome, Mrs. Dora Newsome, Miss Audrey Bentley and Claude Bentley, all of Ligon.

Funeral rites will be conducted today (Thursday) from the Bentley residence, the Revs. Pink Osborne, Jerry Hall and others officiating.

ONLY 1 OF 4  
IS CLEARED

Of Liquor Charges  
In County Court;  
Appeals Filed

Only one of four persons charged with selling whiskey or possessing it for sale left the Floyd county courtroom Monday with an acquittal.

This defendant was Allen Stone, who, Fred Woods had stated in an affidavit, he saw selling three pints of whiskey to two men. Woods testified at the trial, however, that the man who sold the whiskey did not have gold teeth, a description which cleared Stone of the charge.

On two charges, selling and possessing, Johnny Robinson, of Martin, was fined a total of \$200 and given jail terms covering 120 days. Mrs. Lora Stephens, also of Martin, was fined \$50 and given a 30-day jail term on a charge of selling. She has two more cases to be heard. Leck Blackburn was fined \$20 and given 30 days in jail for selling.

Pearl Henry, of Martin, was given trial last Saturday and fined \$50 and sentenced to 30 days in jail for possession. She filed an affidavit that her physical condition would not permit her trial Monday on two other charges against her. Trial of M. V. Click, also of Martin, was postponed till the next term of county court.

All those convicted executed bond and filed appeals in circuit court.

'LAST DITCH'  
FIGHT, PLAN  
OF ACT FOES

Jurist Rules Cornett,  
Clarke Must Change  
Residences at Once

With Tuesday's decision of Circuit Judge William B. Artery, of Paris, in the records, one last-gasp stand before the Court of Appeals remained this week as the only barrier to severance of Floyd and Knott counties as a judicial district and a general re-shuffling of counties in a re-districting shake-up over this section.

Judge Artery ruled that the act of the General Assembly causing these changes is constitutional.

His ruling followed oral arguments before him at Paris last week by Atty. Joe Hobson and Bert T. Combs, of Prestonsburg, and Commonwealth's Attorney John Chris Cornett, of Hindman, assailing the act, and by a representative of the Attorney General's office defending the legislation. The decision was handed down in Franklin circuit court at Frankfort.

The case will be taken to the Court of Appeals for final review, it was announced here a few hours after Judge Artery's decision was made.

The 1948 legislative act would cause these changes in certain Eastern Kentucky circuit court districts:

The 24th district, now Johnson and Martin counties, would consist of Johnson and Lawrence counties.

The 25th, Clark, Jessamine, Madison and Powell, would drop Powell county.

The 31st, now Floyd and Knott, would be changed to Floyd and Martin.

The 32nd, now Boyd and Lawrence, would shrink to Boyd alone, a court of continuous session.

The 36th, now Breathitt, Magoffin and

**The most downright dependable car you ever drove!**

A quarter-million KAISER and FRAZER owners have pretty much the same story to tell about their car's rugged, day-in-day-out, downright, all-round dependability. Because the KAISER and the FRAZER are the only new cars built since the war that have been road-proved—dependable in over 2-billion miles of owner driving, under all conditions, in all parts of the country. So if you want to know the truth, ask those who know best—the man or woman behind the wheel of a KAISER or a FRAZER. They are our best salesmen.

**What's wrong with this pitcher?**

The pitcher is the umpire, too. He'll call his own pitches—and what kind of a ball game will that be?

We have the same situation in our business. Government—which regulates the electric companies—is in competition with them!

The electric companies recognize their public obligation to supply continuous and dependable service. They have provided America with the most and the best electric service in the world.

Yet today government sets up politically managed electric agencies, and runs them by a different set of rules. They receive subsidies, pay little or no interest on money they borrow, pay no Federal taxes.

If it can sell electricity on this basis, government can sell anything else the same way!

We believe that the people who work in our companies, as well as the people who have invested their savings in them, deserve the same protection from political attack that most other people still enjoy. Since the umpire calls the pitches, should he play, too? It is to your benefit to know the facts about your electric service, and to ours to have you know them. That's why this advertisement is published.

## OFFICIAL VOTE FIGURES TOLD

Chapman's Lead, 12,120; Perkins', 3,247 Votes, Final Tally Shows

Frankfort, Ky., Aug. 23—Virgil Chapman, Paris, defeated John Young Brown, Lexington, for the Democratic nomination for U. S. Senator by an official 12,120 votes, Secretary of State George Glenn Hatcher reported today.

Chapman polled 1,288 more votes than the combined totals of both his primary opponents, Brown and Milton T. Whitworth, Elizabethtown. The official tally: Chapman, 102,860; Brown, 90,740; Whitworth, 10,822.

Senator John Sherman Cooper, Somerset, won the Republican renomination over Silas A. Sullivan, Jamestown, by an official 62,973 vote. The vote was:

Cooper, 70,471; Sullivan, 7,498.

Official results in the Congressional primaries:

First District—Democrats: Noble J. Gregory, Mayfield, 15,684; Charles Elwood Gordon, Benton, 8,566; T. E. Bell, Sr., Paducah, 1,167.

Third District—Democrats: Ralph H. Logan, Louisville, 13,805; Vincent J. Hargaden, Louisville, 4,687.

Fourth District—Republicans: Stanley Jagers, Hodgenville, 2,981; Don V. Dyre, Bradfordsville, 1,980; Charles B. Neville, Park City, 1,461; Hunter Stratton, Lawrenceburg, 516.

Fifth District—Democrats: Brent Spence, Ft. Thomas, 17,832; John J. Thobe, Covington, 2,436. Republicans: George T. Smith, Dayton, 2,000.

Sixth District—Republicans: John N. Menfee, Stanford, 3,149; Earl F. Ashcraft, Irvine, 1,760.

Seventh District—Democrats: Carl D. Perkins, Hindman, 7,976; Edward P. Hill, Cliff, 4,729; Doug Hays, McDowell, 3,996; Dr. J. C. Coldiron, Hazard, 3,378; Dr. Paul B. Hall, Paintsville, 3,335. Republicans: W. Howes Meade, Paintsville, 6,310; Herbert Rowland, Whitehouse, 2,799.

Eighth District—Democrats: Joe B. Bates, Greenup, 19,311; H. Stanley Blake, Carlisle, 4,182. Republicans: Hubert Counts, Olive Hill, 4,146; Elmer C. Roberts, Campton, 1,944.

Ninth District—Republicans: James S. Golden, Pineville, 19,042; Pleas W. Mobley, Manchester, 15,290; Sampson B. Knuuckles, Barbourville, 3,877; Charles B. Candler, Somerset, 338; William R. Tallent, Corbin, 274.

For Judge of the Court of Appeals from the Seventh Court District, the official totals in both party primaries were:

Democrats: Roy Helm, Hazard, 14,281; Lynn B. Wells, West Liberty, 9,855; Eugene Siler, Williamsburg, 8,380. Republicans Siler, 17,829; Edward L. Allen, Prestonsburg, 6,841; Wells, 6,153.

Returns from the last counties to report were received by the Secretary of State in the morning mail. Hatcher said it was one of the few times the complete statewide return had been ready for the first meeting of the State Election Commission.

Hatcher expressed thanks to the county clerks and County Election Commissioners for their promptness in forwarding the returns. The county-by-county record of the vote is a public record in Hatcher's office, open to public inspection, he added.

**overseas pay... travel... sports... go with an Army job in Japan!**

**How times have changed.**  
 Three years ago, when our first victorious combat men left Japan, much of it was a shambles. The Japanese people were so dazed by defeat they didn't know which way to turn. The life of an Army man often had its discomforts.

But look at him today! He's helped to start the rebuilding of Japan, to restore roads and railroads, to inspire a tired and hungry people with the hope of Democracy. Under his guiding hand, courts of justice, woman suffrage and freedom of worship have been brought about. In Japan there is only one soldier for every 400 Japanese—the smallest per capita occupation army in the world.

The pay of a Private is 50% higher than three years ago, then another 20% higher overseas. And almost every cent can be banked. None of it goes for food, housing, medical or dental care, clothing, retirement annuity, or the opportunity to continue his education. The Army furnishes him equipment for organized sports. While on leave, he can ski in winter or visit summer resorts at a fraction of what these activities would cost him in the U. S.

An Army career in Japan is full of advantages such as these. Compare it with any job across the board—you'll find it hard to beat! Ask at your nearest Army and Air Force Recruiting Station for full details.

**Lighting and enclosure of the playground is being done at the expense of the Prestonsburg Board of Education. This work will entail a total expenditure of around \$10,000.**

Nine lights will be installed on each of the eight poles, affording 125,000 watts power. Not only night football but also softball will be possible under the arcs, it was said. A softball league for autumn play may be organized, it was said here this week.

The lighting system work, ahead of schedule, will be finished in time for the first football game of the season with Whitesburg, Sept. 10.

Before the field is completely equipped for enjoyment by children of all ages the playground will receive phosphate and lime treatment this fall and will be seeded to grass, it was said.

In addition to the Broadway entrance, another entrance to motor traffic will be made at the gymnasium at the opposite end of the field. Yet another will be accessible to pedestrians via College Lane.

**Burchett-Fitzpatrick Vow's Said, August 14**

Announcement is made of the marriage of Miss Dortha Alice Burchett, daughter of Mrs. Nora Burchett, Friend street, Prestonsburg, to Mr. Sam H. Fitzpatrick, son of Mr. and Mrs. Penn Fitzpatrick, of the Middle Creek road.

The double ring ceremony was solemnized by the Rev. G. D. Prentiss at the Methodist parsonage on August 14, at 7 p.m. The bride was attired in a gray crepe dress with black accessories and a corsage of red rosebuds. Her only jewelry was a string of pearls. Mr. and Mrs. Randolph Burchett served as best man and matron of honor, respectively.

Wedding guests were: Mrs. Thomas Hereford, Jr., Mr. and Mrs. Roy Rogers, Mrs. Nora Burchett, Dottie Derossset, Gale Burchett and Randolph Burchett, Jr.

Mr. and Mrs. Fitzpatrick left, the following day, for a short visit in West Virginia.

# Local Football Picture Is Not Altogether Dark

There definitely were bright spots along with the dark for Coach Ted Benedette as his Prestonsburg Black Cats went into their second week of training for the grid season which opens here September 10.

Although the lack of reserves on a team sadly depleted by graduation remained apparent, the showing of several holdovers from last year's team and of others playing their first season was definitely encouraging.

With "Set" Branham, a star from last year, the nucleus around which a backfield is being built, Benedette's eyes were opened by the performances of Gene Boyd, "Pig" Goodman and young Eddie Hill. "Boyd looks better every day," the coach said. Goodman, though starting practice only this week, looks to be a fixture in the backfield, and Hill, though currently handicapped by a seige of boils, is improving fast and looks like a starter at quarter.

"Set" Branham and Paul Harmon have been named co-captains of the 1948 team.

The Spears brothers from David who have been counted on heavily by the Paintsville Tigers, with whom they played last year, joined the Cats this week and are beginning to round into form. One plays at full-back, the other at guard. Durham, another David boy, looks great at end, Wheeler Branham promises to be a power at guard and Nesler is coming fast in the center position.

On the whole, the team spirit is great. The average number of boys out this week was 36.

The Cats open the season Sept. 10 with Whitesburg here, and for the curtain-lifter face a strong team, it was said.

"Boyd looks better every day," the coach said. Goodman, though starting practice only this week, looks to be a fixture in the backfield, and Hill, though currently handicapped by a seige of boils, is improving fast and looks like a starter at quarter.

"Set" Branham and Paul Harmon have been named co-captains of the 1948 team.

The Spears brothers from David who have been counted on heavily by the Paintsville Tigers, with whom they played last year, joined the Cats this week and are beginning to round into form. One plays at full-back, the other at guard. Durham, another David boy, looks great at end, Wheeler Branham promises to be a power at guard and Nesler is coming fast in the center position.

On the whole, the team spirit is great. The average number of boys out this week was 36.

The Cats open the season Sept. 10 with Whitesburg here, and for the curtain-lifter face a strong team, it was said.

With "Set" Branham, a star from last year, the nucleus around which a backfield is being built, Benedette's eyes were opened by the performances of Gene Boyd, "Pig" Goodman and young Eddie Hill. "Boyd looks better every day," the coach said. Goodman, though starting practice only this week, looks to be a fixture in the backfield, and Hill, though currently handicapped by a seige of boils, is improving fast and looks like a starter at quarter.

## FISH AND GAME NOTES

The hunting season on doves in Kentucky will open on September 1 and continue through October 30, both dates inclusive, according to federal regulations recently released by the U.S. Fish and Wildlife Service. The bag limit was set at 10 per day, the same as for last year, by the service, with the possession limit being the same as the daily limit. Daily shooting hours for doves were set from noon until sunset.

Other hunting seasons for waterfowl and coot, both dates inclusive as announced by the Service, follows: geese, Dec. 10-Jan. 8; ducks, Dec. 10-Jan. 8; coot, Dec. 10-Jan. 8; sora, Sept. 1-Oct. 30; rails and gallinules, Sept. 1-Oct. 30. There is no open season on woodcock and snipe this year.

The bag limits are as follows: geese 4; ducks, 4; coot, 15; sort, 20, and rails and gallinules, 20. Possession limit on all the above except doves, coot and geese will be double the daily limit, but this bag limit does not apply until after the first day of the regular hunting season, the Service pointed out.

The daily hunting hours for ducks, geese, coot, brant, rails and gallinules shall be from one-half hour before sunrise to one hour before sunset, the announcement stated, and all hunting hours in Kentucky will be on Central Standard Time. On the first day of the hunting season, it was pointed out, these species shall not be hunted prior to 12 o'clock noon.

The Service regulations provide that not more than one wood duck be included in bag or possession limits. The daily bag limit for American and red-breasted Mergansers is 25 with no possession limit except on the first day of the season.

The regulations do not authorize the taking of waterfowl by means of bait or with the aid of live duck or geese decoys.

The regulation which prohibits the use of automatic-loading or repeating shotguns capable of holding more than three shells still continues in effect. A new amendment this year, however, provides that the plug in such a shotgun must be incapable of being removed without disassembling the gun.

## FORMER CAT IS FIREMAN

On Dayton Indians; P'burg Youngster Gives Team Color

This big boy, Howard Burchett, who jumped directly from the Prestonsburg Black Cats, Kentucky high school baseball champs, to the Class A Dayton Indians, a top farm team of the Cleveland Indians, is taking life in faster company in stride.

He not only is doing all right in mound relief chores for the Indians, he is supplying the team with a bit of color, fresh from the hills.

Si Burick, Dayton News sports editor, tells this anecdote in his column, "Si-Sings":

"Howard Burchett came out of the hills of Kentucky after his high school graduation this past June to try out before Hank Greenberg, Mel Harder and a jury of Indian masterminds in the Municipal Stadium in Cleveland.

"Young Burchett, given the opportunity of working out and living like a big leaguer for several days, enjoyed every minute of it. Strictly one of the boys, he said to big Jim Hegan, regular catcher on the Indians:

"Come on, SHORTY, let's warm up a bit!"

"Hegan hasn't recovered from the shock yet."

George Belcher, Jr., of Prestonsburg, has recently seen Burchett in three separate relief jobs on the mound and during this time the Prestonsburg boy hurled six and two-thirds innings, allowing one run and three hits while fanning three. In one of these games he was sent in with the bases full and none out. One run scored on a wild pitch, then he struck out the batter, forced the next to ground to him and the last man in the inning to pop up to third. He went on to retire the side in order in the ninth.

Belcher said that as of last Thursday Burchett had allowed 16 hits in 16 innings while striking out 10 batters.

Although at the time Belcher saw him in action Burchett had not hit safely, a foul shot off his bat, struck a girl in the face and when her boy friend learned her nose was broken he fainted.

**Harley-Davidson 125 Hits 10,000 Mark**

The ten-thousandth Harley-Davidson Model 125 two-wheeler has come off the assembly line since its introduction last year. Volume sales of the 170-pound single cylinder lightweight are attributed to its universal appeal.

Teen-agers are not the only buyers. School teachers, ministers, airport employes, farmers, fishermen, oilfield and factory workers are attracted to the brilliant black job which features a foot-operated 3-speed gear shift.

Even the medical profession is represented with a sale reported by a dealer to his doctor while the former was on the operating table.

The company also reports an all-time high for "Big Twin" motorcycle production.

Increased production, requiring floor space in addition to that of the main factory, has necessitated the purchase of a \$1,500,000 plant on the outskirts of Milwaukee. (Adv.)

## SPORTS AFIELD

By TED KESTING

"I am entirely convinced that the color of a lure does make considerable difference on the many days when they're (bass) not striking well." That is Jason Lucas, well-known authority on bass, talking.

He finds that a red-and-white plug brings best results if it's shallow running water. Silver scale and bronze scale are very good on shallow-running lures. But these are also good in deep fishing. The same might be said of orange.

However, in deeper fishing there doesn't seem to be a rule regarding size, action or color which works consistently. It's a case of trying everything until one finds what they want at the time.

In the hot weather of midsummer when the best bet of all is to fish the very bottom in quite deep water, Lucas is satisfied with a plain white plug or one mostly white, and one of a dirty brown color.

You'll find that one retrieve is all that is necessary. Let the lure sink clear to the bottom and rest a moment, then sweep it along a little distance, not too rapidly, and let it sink and rest again. Then watch out for the outside granddaddies!

A bass seems to prefer to hide behind weeds, stones, or logs and springs out on passing prey. He usually strikes in the middle or toward the head. For that reason, in bass fishing Lucas removes a spinner placed well ahead of the lure; too many will strike the spinner and miss the hooks.

Contrary to common belief, a bass rarely strikes a plug hard, but generally takes it lightly in his lips. The usual angler works his lure far too rapidly to be aware of this. A slow lure will nearly always get more strikes than a fast one. But there can be no daydreaming. The angler must be wide-awake and ready to set the hook in a flash. This is particularly true in surface fishing.

In surface lures color doesn't seem to matter much. It appears to be the action, the ripples and little splashes that count. But here, as elsewhere, the longer a plug remains within feeding range of a logy bass the more likely he is to take it. It should be moved or twitched occasionally to let him think it is alive . . . something that has fallen on the water and is partly stunned.

Sports fans of this section will get a taste of professional wrestling here Saturday evening, Sept. 4, and if they like it and show sufficient interest the sport will be renewed every two weeks.

Wrestling is coming to Prestonsburg under Floyd County Playground sponsorship as a fund-raising venture, and the performers to be presented here are well-known in the game, it was said this week. The wrestlers stage a match in Cincinnati on Friday night and will be brought directly here for a bout on the following evening.

The event's card will consist of two preliminary matches, starting at 8, then the main attraction.

A mat will be placed in Prestonsburg gymnasium and 1,000 reserved seat tickets will be placed on sale for the match.

"We plan," Franklin W. Moore, one of the committee preparing the sports program, said this week, "to offer sports fans of the section the same professional brand of wrestling they would see if they went to Cincinnati or some of the other large cities. With this first match we will see if professional wrestling can be staged in Floyd county, and if the attendance warrants it we will stage matches every two weeks for an indefinite period."

**PONTIAC**

**The great all purpose car!**

Pontiac is the right car for so many people because it does all things—so unusually well.

If, for instance, you are concerned with economy—as most of us are—you will find that Pontiac is virtually as inexpensive to own and operate as any full size car you could buy.

If you like to tour and take long trips—you will find that Pontiac is one of the easiest-riding, nicest-handling cars ever built.

When you need to "put your best foot forward"—go to a fashionable wedding or some other social event—you will find that your Pontiac looks "right at home."

And if you have to make hard daily trips over rough country roads—you will find that Pontiac can "take it" like the thoroughbred it is.

Truly, regardless of what you want a car to do, Pontiac provides a splendid answer to your problem. And this is always true of Pontiac, year after year—for Pontiac is deliberately designed to be America's "all-purpose" car.

Hicks Adds Bronze Star To Silver Star Earned By Heroism in Action

Augsburg, Germany, Aug. 2—Sgt. Patrick H. Hicks, of Prestonsburg, Ky., recently received the Bronze Star medal for exemplary conduct with the ground forces in the Pacific theatre against the armed enemy.

Hicks entered the service in 1929 at Ft. Thomas. After remaining in the states for four years he joined the 14th Infantry regiment and served with them in the Panama Canal Zone until 1938. From 1939 to 1942 he served with the 35th Infantry regiment in Hawaii as squad leader and platoon sergeant. After the outbreak of World War II he was transferred to the 25th Infantry division and fought with the 27th infantry regiment as platoon sergeant in the Pacific theatre. He remained with them until the end of the war.

Sergeant Hicks holds the Good Conduct Medal, American Theatre Ribbon, Asiatic-Pacific Theater Ribbon with four battle stars, Pre-Pearl Harbor Ribbon with one battle star, Occupation of Germany Ribbon, World War II Ribbon, Silver Medal for exemplary conduct beyond the call of duty against the armed enemy and the Combat Infantry Badge.

He now is assigned to the 7815 Station Complement Unit as provisional battalion sergeant major. Prior to this assignment he was assigned to the Landsberg prison during the trials of the war criminals.

**David Club Donates To Playground Here, Finds Scholarship**

The Pecco Foreman's Club of David voted to give \$100 to the Floyd County Playground here at its meeting held Sunday, and also announced the awarding of a \$100 scholarship to Josephine Bartley, daughter of Mr. and Mrs. Tandy Bartley. Miss Bartley plans to take a secretarial course.

The program for the meeting was the showing of a three-reel picture of Daniel Boone which was part of the Yale Press program procured by the Princess Elkhorn Coal Company and donated to the schools in Floyd county. Chalmers Frazier, superintendent of Prestonsburg schools, was a guest of the meeting and made explanatory remarks preceding and during the showing of the pictures.

A door prize, consisting of a pair of shoes and four pairs of socks, was won by Allen Whitaker.

Following the program, the group went to Dick's Cafe where they were served steak dinners.

**SEMI-LUSTRE WALL FINISH!**

Wonderful... greatest paint yet... for kitchens, bathrooms, nursery, and wherever walls must take hard wear! Sherwin-Williams Semi-Lustre dries to a hard, satin-smooth finish that dirt just can't get a toe-hold on. Whenever splashes, stains or spots occur, simple soap and water remove the soil... restore the surface to its original beauty. You get the grand combination of rich beauty, durability and economy! Semi-Lustre's cheerful, handsome colors are decorator-blended... designed to suit your new-est schemes. Its surface, satin-smooth yet tough, gives you happy years of wear. And this is one paint that stretches... gives grand coverage. Save money! Earn compliments! Paint with Sherwin-Williams SEMI-LUSTRE Wall Finish!

So easy to clean with soap and water!

<b>GREASE!</b> With most paints, cooking grease and grime penetrate the surface. Not with Semi-Lustre! Plain soap and water take grime right off!		<b>FINGER MARKS!</b> No need for excitement when the youngster's grimy hands smear the wall. Ordinary soap and water restore Semi-Lustre's freshness.	
<b>INK!</b> Ordinary paints are permanently discolored wherever ink touches. Tests prove that Semi-Lustre is easily washed spotlessly clean.		<b>PENCIL MARKS!</b> Let the small fry doodle to their heart's content! They don't harm a wall painted with Semi-Lustre. Soap and water clean it easily!

**VA Spends 50 Millions Educating and Training State War II Veterans**

More than 50-million dollars was spent in the state of Kentucky during the past fiscal year to provide education and on-the-job training for veterans of World War II.

This was revealed this week when Veterans Administration Regional Office in Louisville reported expenditure of \$50,859,700 during the fiscal year ending June 30 for education and training under the Servicemen's Readjustment Act (G.I. Bill) and the Vocational Rehabilitation Act (Public Law 16) for disabled veterans.

VA said the average yearly payment for each veteran's training was approximately \$1,006. Of this figure, approximately \$662 went directly to the veteran in the form of subsistence and \$334 went to the educational institution.

During the 12-month period, the number of veterans in training in Kentucky ranged from a low of 28,029 during the month of August, 1947, to a high of 43,321 in November, 1947.

The number in training during the peak month of November included 33,203 in institutional training and 10,118 in on-the-job training.

**OF INTEREST TO VETERANS**

Taking advantage of the final month for easy reinstatement of National Service Life Insurance, which ended July 31, approximately 24,500 World War II veterans in Ohio, Michigan and Kentucky reinstated \$144 million for a record-breaking month.

The totals included; Ohio, 12,000 reinstatements totaling \$69 million; Michigan, 9,500 reinstatements valued at \$57 million; Kentucky, 3,000 reinstatements amounting to \$18 million.

Although the easy reinstatement period is over for most veterans, those whose insurance has lapsed less than three months still can reinstate without a physical examination, provided their health is as good as when their insurance lapsed.

VA insurance officials said most veterans now must pass a physical examination to reinstate either term or permanent plans of insurance.

Veterans Administration this week urged veterans who plan to attend college for the first time this fall under the G.I. Bill to apply immediately for their certificate of eligibility. A veteran may obtain an application form for education or training by writing or visiting any VA regional or sub-regional office.

VA explained that when a school accepts a certificate of eligibility and forwards it to VA, it becomes the basis for payment of the veteran's tuition, fees and supplies to the school and the subsistence allowance to the veteran.

World War II veterans with 90 days of active service and a discharge other than dishonorable are eligible to apply for education and training under the G.I. Bill. Those with less than 90 days of service are eligible if they were discharged for service-incurred disability.

**QUESTIONS AND ANSWERS**

**Q.** If I apply for hospitalization, how long will I have to wait before I am admitted to a VA hospital?

**A.** If you have a service-connected disability you do not have to wait to receive hospitalization. If your disability is non-service-connected but is an emergency, you are admitted immediately. Non-service-connected ailments that do not require emergency treatment have to wait until a bed is available, and the time varies at each VA hospital. Non-service-connected veterans must sign statements that they cannot afford to pay for treatment elsewhere.

**KENTUCKY ON THE MARCH**

By EWING GALLOWAY

With a population of only about 950, Irvington is blessed with two enterprising service clubs that work together practically all the time—the Rotary Club and the Parent-Teachers' Association. And what has been achieved in the last four or five years under the sponsorship and leadership of the two organizations puts Irvington on the honor roll for community progress. If the Committee for Kentucky ever gets around to bestowing medals on towns for civic achievements, I'm going to be present to nominate Irvington.

The town's fine school was one-third of a mile west on U.S. 60. There was no sidewalk, so the children had to use the road, which was dangerous, of course. The Rotary Club said something had to be done about it. There was a plan to have the municipality do it, but somebody in the club hit on a better idea. The State Highway Department was asked to help. The department agreed to build the sidewalk if the community would give the right-of-way. The Rotary Club got the strip of ground, which had to be sheared off many home lots. In this the P.-T.A. worked side by side with the Rotarians.

Back of the school there was a good-sized gullied field used mainly as a rubbish dump. Bushes, briars and broom sedge completed the picture. The playground was a feeble pretense. There was hardly any parking space. This was not a problem. It was a job. And the Rotarians and the P.-T.A. went to work. They had a bulldozer level the ground. Then a baseball ground was surveyed and a grandstand was built. In another corner of the area a softball diamond was set up, with a backstop, benches and everything. That was last year. This year all the school grounds have been landscaped. Now the Rotary Club is going to provide floodlights for night games—baseball, softball, football.

The Irvington P.-T.A. has spent liberally for equipment for a school lunch room, buying a piano and many other things the school needed. About 300 children eat in the school lunch room. During a recent drop-in visit to the Irvington Herald office, I asked Mr. and Mrs. George M. Wilson, editor and associate editor, respectively, how the two service clubs raised money to pay for the things done at the school. They said the P.-T.A. raised money mainly by serving Rotary dinners during school months, and the Rotarians got direct contributions in cash.

Speaking of raising cash, a couple of years ago Irvingtonians got ashamed of their cemetery which was a public repository for the dead but whose ownership nobody acknowledged. The Rotarians sponsored a plan to buy the cemetery in the name of the municipality and de-jungle it. Civic leaders figured the clean-up job would cost \$2,000. Editor Wilson suggested that they made \$3,000 their goal to make it easier to raise \$2,000. The drive collected nearly \$4,000. So when the cemetery is beautiful and plenty of gravel roads through it are built, there will be surplus money for other civic projects if the donors give their consent.

I mustn't overlook the Irvington High School Alumni Association, one of the few small community organizations of its kind in the state. It has contributed many conveniences to the school, such as the new stage curtain and replacement of many trophies burned when fire took the old frame schoolhouse 10 years ago.

Another notable item. This is wholehearted cooperation between whites and colored people in community affairs. "If we need their help," said Mrs. Wilson, "they are ready to do what they can. If they need help from us, we give the help."

Out-of-town guests were Raymond and Carl Whitaker, and Sam Stephens, of Prestonsburg.

Mr. and Mrs. Richard Quisenberry and children were Sunday dinner guests of Mr. and Mrs. Eph Edwards. Jerry and Billy Ousley have returned from a hunting trip.

The Lackey-Garrett Woman's Club met in the home of Mrs. Earl Castle Friday evening. A letter of acknowledgment for garden seeds was read by Mrs. J. C. Wells, club president, from Church World Service in the Philippines.

The chairman for each of the departments was announced as follows: Public Health and Welfare, Mrs. R. H. Messer; Education, Mrs. Thomas Hatcher; Safety, Mrs. Willard Castle; Youth Conservation and Citizenship, Mrs. S. M. Martin; Community Welfare, Mrs. Carlton Wrightson; International Relations, Mrs. Charles Shurgill.

These department leaders will give an outline of the year's work at the next meeting, which will be at the home of Mrs. Thomas Hatcher, Sept. 2. Mrs. Fred Hall, of Wayland, and Mrs. Bill Petry, of Garrett, became new members of the club at this meeting.

At the conclusion of the business session Mrs. Castle, assisted by her daughter, Eltior, served a salad course to Mrs. W. N. Stratton, of Ashland, Mesdames Noah Howard, S. M. Martin, Ervin Mullins, Roy Souleyrette, Willard Castle, Carlton Wrightson, Harry Sherman, John Wallace, Frank Rasmick, R. D. Spencer, Charles Hornsby, Felix Coburn, W. T. Hatcher, M. M. Collins, Melvin Hayes, George Evans, J. C. Wells, Thomas Hatcher, and Misses Ann Hayes and Maude Ellen Hatcher.

Mr. and Mrs. Thomas Hatcher entertained to a buffet dinner Saturday the following guests: Mr. and Mrs. Leo Bunn and Judith Leslie, of Huntington, W. Va., Mr. and Mrs. Beckham Combs, Nancy and Jack, of Hindman, Mr. and Mrs. George Evans, Sr., Oak Hill, W. Va., Mr. and Mrs. J. C. Wells, Mr. and Mrs. George Evans, Jr., Patty and Mary Jo, Mr. and Mrs. W. T. Hatcher, of Lackey, Master Bob Hatcher and Misses Toby Wells and Maude Ellen Hatcher.

Mr. and Mrs. George Evans, Sr., of Oak Hill, W. Va., spent the weekend with their son, George Evans, Jr., and Mrs. Evans.

Mrs. W. N. Stratton and son, Billy, of Ashland, visited her sister, Mrs. Earl Castle, last week.

Misses Toby Wells, Ann Hayes and Peggy Jo Salisbury recently gave their piano recitals in the home studio of Mrs. Edwin Gibson.

Mrs. J. C. Wells entertained to "brunch" Mesdames Tracy Salisbury, N. D. Howard, J. E. Miller, Roy Souleyrette, Thomas Hatcher, and pupils Misses Peggy Salisbury, Toby Wells, Maude Ellen Hatcher, Alice Ann Howard, Kathy Howard and Bob Hatcher.

**CARD OF THANKS**

We wish to express our thanks to our friends and neighbors of Garrett who so kindly aided and assisted us at the funeral and burial of our son, Don Terry, and the ministers for their consoling words of comfort and also to his classmates and all who sent flowers, also the Ryan Funeral Home for its efficient service.—Harrison Terry and Family.

**OBITUARY**

The death angel visited our home and took from us our husband and father, S. W. Rice, aged 71 years, 10 months and 27 days; departed this life August 12, 1948. He left to mourn his loss his wife and nine children, six girls and three boys; Mrs. J. E. Conley, Mrs. John W. Rice, Mrs. Herbert Griffith, Mrs. J. M. Hall, Mrs. Worley Boyd, all of Prestonsburg; Mrs. Thomas E. George, also of Prestonsburg; Mrs. C. B. Rice, Tucumcari, N. M.; C. E. Rice, of Bevinville, Ky.; 32 grandchildren, 10 great-grandchildren, two sisters, Mint Litz, of Portsmouth, O., Lou Baldrige, of East Point. He was very ill since January 17, and had faith in God. He was a member of the First Church of God and lived a true, devoted life the past 18 months. He filled all the ordinances of the Bible and enjoyed his many friends visiting him. He loved to talk about God. Bro. Moses Kitchen, the pastor of Little Paint Church of God, visited him. He was always welcomed into his home not only by him, but by all the family, because his conversations were Godly conversations and he was kind to all and could speak so many words of encouragement.

We also wish to thank the Little Paint quartette for coming to our home and singing spiritual songs for him, which he greatly enjoyed. We wish to take the opportunity of expressing our heartfelt thanks to the ministers, Bro. Henry Griffith, Bro. Green Allen and Bro. Moses Kitchen for the many kind and encouraging words and also to our friends and neighbors for the beautiful flowers, and especially do we thank the Carter & Callihan Funeral Home for its service and kindness. Also we want to thank Dr. George P. Archer, of Prestonsburg, Dr. Paul B. Hall and son, of Paintsville, Dr. M. T. Dotson, of Prestonsburg, for their efforts.

**Make these 4 comparisons before you buy any car**

**COMPARE THE VALUE**

Yes, compare the features—compare the prices—compare what you get for what you pay—and you, too, will come to the conclusion that Chevrolet continues to be first in value, just as it continues to be first in Big-Car Quality at Lowest Cost, and just as it continues first in demand, year after year.

**COMPARE THE POPULARITY**

You can identify the biggest value in any list of products by picking out the one product which enjoys greatest popularity, year after year; and, of course, in the field of motor cars, that one product is Chevrolet—outstanding leader in popularity for the total 17-year period, 1931 to date!

**COMPARE THE FEATURES**

Only Chevrolet combines the United Kneec-Action Ride for gliding smoothness; the world's champion Valve-in-Head engine for performance and economy; Body by Fisher for tasteful beauty; and Fisher Unisteel Construction plus Positive-Action Hydraulic Brakes for all-round safety protection!

**COMPARE THE PRICES**

You'll agree with millions of other car buyers that prices—like quality—are a major consideration in these times; and just as Chevrolet's Big-Car quality is unique in its price range, so Chevrolet prices are the lowest in its field. Chevrolet costs less to buy, to run and to maintain!

**NEWS NOTES.**  
Many of our members have responded most generously to the call for means which would enable us to pay up the current open accounts in connection with building the parsonage. More than \$1,200 was turned in in cash and short-time pledges up to last Sunday. If the members who have not yet had a share in this would all come in, even though their gifts might be small, the whole amount needed would be quickly provided.

Sunday School attendance last Sunday was 130. It is time to climb.

Our Piano Committee, composed of Brother Harlowe, and Sisters Vertner Clarke and Ruth Moore secured a nice piano for the church last week. Good work.

Our church authorized the establishment of a church-sponsored Scout troop at the earliest possible date. The committee is composed of W. W. Burchett, R. V. May, Adrian Collins, Curtis Clarke and V.F. Strahan.

Pastor and Mrs. Benedict wish to use this means of thanking the whole church for the generous "pounding" which we received recently. It was a glorious surprise and a most welcome one. Thank God for such folks and for all you are doing and have done to make our service in your midst a joy.

**DU PONT HOUSE PAINT  
CLEANS ITSELF!**

Outside surfaces stay fresh and clean-looking when finished with Du Pont House Paint. Dirt and grime can't get a grip—rains just wash them away!

SELF-CLEANING Du Pont House Paint is so formulated that, as time goes by, a microscopically fine white powder forms on the surface. Heavy rains wash the powder away, taking dirt and grime with it, and leaving the surface clean and white again. Excessive accumulations of dirt (particularly in sooty industrial communities or in heavily shaded locations) may delay or interfere with this process. Because this "self-cleaning" is gradual, the

wearing qualities of the paint film are not abnormally affected.

**SELF-CLEANING** Du Pont House Paint is as durable as it is beautiful... protects against rust, rot, and decay... gives lasting beauty and protection. Costs no more than ordinary paints—saves repainting bills! Call on a reliable painter for your painting jobs, and ask him to use Du Pont House Paint!
