Allen Church Team Launches Second Undefeated Year in Loop

Going into its second undefeated year, a Floyd county church league team representing the Allen churches has copied two victories in the young 1950 season and latched onto a pre-season exhibition to pace the loop.

Prior to its unbroken string of victories, the Allen boys suffered only slight humiliation during a very successful 1948 campaign. They lost only one game in regular '48 season play and were nosed out of that year's series by a strong Wayland club.

The Prestonsburg Methodists gave the Allen church boys a close pre-season scare before Allen won, 7-6, to initiate the 1950 diamond year. Allen had another close call with the McDowell church team. Allen again eked out a one-run margin, 5-4, at McDowell in the last game played, it is reported.

The Allen-McDowell fracas was extended two extra innings. Westfall, starting pitcher for Allen, contributed to victory by homering in the first inning and swatting a double in the fourth. He was replaced by Burchett in the fifth.

McDowell's losing pitcher, Frasure, issued only three walks but one to Burchett in the last frame cost him the ball game. Burchett scored Allen's winning run.

Against the Martin Mormons, Allen grabbed a 14 to 3 victory behind the pitching of Westfall. Martin scored first, one run in the first frame, but Allen crossed the plate four times in the third, three in fifth and seven in the sixth inning while the losers were able to register only one run.

The Prestonsburg Junior Chamber of Commerce will sponsor 11-year-old Johnny Cook, of Prestonsburg, in the Kentucky qualifying tournament for the national junior golf tournament which will be played over the Iowa State College course at Ames, Ia., Aug. 13-19, it was announced locally by Jaycee officials this week.

The state qualifying tournament, one of 29 to be held over the nation, will be played, July 10-12, over the Boiling Springs Country Club course, Lexington. The distance will be 54 holes—18 holes for each day.

The Prestonsburg entry, a son of Leon Cook, principal of Prestonsburg high school, and Mrs. Cook, is one of the crack golfers at the Beaver Valley Golf Club. Despite his youth, he shoots the Allen course in near-par figures, specializing in expert iron play.

J. D. Reeves, Kentucky Jaycees' junior golf tournament chairman, said that the 1950 starting field to compete for places in the national tourney is expected to draw 20,000 boys under the age of 19. Forty states and the District of Columbia last year sent 168 boys into the national tourney at Houston, Texas.

1950 SOFTBALL BATS IN FULL SWING HERE

Six Independent League Teams in Action; Church Loop Getting Under Way

Softball in Prestonsburg goes to bat in an effort to get into full swing this week for the 1950 summer season, announces Clifford Wright, president of the Prestonsburg Athletic Club.

The independent softball league of six teams were scheduled for their initial swats with four teams on tap for action last night at the playground here and two others slated to vie with each other tonight (Thursday).

Last night's schedule called for Arrowood Hardware to play Blackbottom at 7:30, to be followed by a game between Francis' Store and Marvin Music's "Gulls" at 8:30. The remaining two league members, a team sponsored jointly by Dr. George Archer and N. M. White, Jr., are set to tangle bats, etc., with the Eagles' "Flyers" at 7:30 o'clock, Wright said.

Further softball action will be seen this year, the PAC prexy stated, with the Kiwanis and Lions clubs set to resume their diamond "feud", and the resumption of church league activity. The Lions and the Kiwanians were reported in an even break in results of four encounters last year.

The church league is being organized by Jaycee officials this week. See Story No. 1, Page 5

Millersburg, Ky., June 4 (Sp.)—A year's average of grades for an almost perfect mark, 99.09, in the study of Bible earned distinction and the award of a Bible presented here to 2nd Lt. Don C. Little, son of Mr. and Mrs. W. E. Little, of Drift, Ky.

Little, student at Millersburg Military Academy during his sophomore, junior and senior years, was a member of the MMI 1950 graduating class. He and his classmates were awarded their diplomas at exercises held May 24th in the Memorial Gymnasium here.

He acquired his early education in the Drift Consolidated school and attended McDowell high school in his freshman year before entering MMI.

In his junior year, Don went out for track and was successful in making the team. This year he was out for the team again and was one of the main members of the team. He also went out for basketball this year and was a member of the squad.

Also in his junior year, Don was a Sgt. in "B" Co., thus enabling him to become a member of the Non-Commissioned Officers Club. This year he was commissioned to the rank of 2nd Lt., assigned to "B" Co., and is a member of the Commissioned Officers Club.

Don's future plans are to attend Eastern State Teachers College and take Business Administration.

Garrett Man On Army Maneuvers in Japan

Camp McNair, Fujiyama, Japan—Undergoing spring maneuvers with Headquarters Platoon of Company "H," 5th Cavalry Regiment, First Cavalry Division, Pvt. Ballard J. Smith, son of Mrs. Minnie Smith, Garrett, Ky., is temporarily stationed at Camp McNair, which is located on the lower slopes of snow covered Mt. Fujiyama, Japan.

Prior to his arrival at Camp McNair, Pvt. Smith underwent intensive practical training with other men in his platoon at Camp McGill, Takeyama, Japan, which will make his job on the maneuvers seem almost routine. The maneuvers are as closely simulated to actual combat as possible.

A life-long resident of Garrett, Pvt. Smith attended Garrett schools prior to his entry into the armed forces.

Miss Martin, U.K. Grad at 18, Sesqui Beauty Contest Director

Miss Betty Jean Martin, 18-year-old graduate of the University of Kentucky and a daughter of Mr. and Mrs. Sam Martin, of McDowell, Wednesday assumed active management of the Floyd County Sesquicentennial Celebration beauty contest to be staged in as many as possible of the 15 counties which make up the original Floyd.

Miss Martin who will work under direction of the Sesquicentennial's general committee and the Prestonsburg Junior Chamber of Commerce, was appointed this week. She has already begun the work of organizing and supervising the area's various beauty contests.

Her first trip to neighboring counties to stimulate interest in contests, and to lend aid in their organization was under way this week-end. On

that tour she will visit Hindman, in Knott county, and Hazard, in Perry.

In addition to donating her services to help make the Sesquicentennial Celebration a success, Miss Martin is lending the use of her personal automobile to make the various tours to neighboring counties.

In each of the cities of the original counties visited, Miss Martin will confer with civic and club leaders, newspapermen, theater owners and others to have them arrange for selection of Beauty Princesses to represent their particular areas.

Cooperating with Miss Martin on behalf of the local Jaycee group will be Robert Wellman and Paul E. Hayes, along with General Chairman Franklin Moore and Mayor Curtis Clark, representing the Sesquicentennial Celebration's general committee.

Miss Martin is well-known in this section of the state. Her father is a coal operator at McDowell where she attended high school. She is also a former student at Morehead State College, and was graduated June 2 from the University of Kentucky.

She is a member of Alpha Gamma Delta social society at the University and has had considerable experience there in connection with the type of work she is now doing on behalf of the Sesquicentennial. She majored in commerce at the University and minored in home economics. On the U.K. campus she was a member of the Chamber of Commerce Club.

A charming brunette, Miss Martin was a popular receptionist on behalf of the Sesquicentennial Celebration in helping entertain the large group of business men who visited Prestonsburg Wednesday, representing the membership of the Louisville Chamber of Commerce.

One of the interesting exploitation plans for the coming celebration, executed this week, was carried out by W. G. Biggers, a member of the general committee.

Armed with specially prepared and pre-stamped post-cards, showing various views of Prestonsburg, Mr. Biggers boarded the special train of the Louisville Chamber of Commerce, Wednesday at Pikeville, riding the train to its Prestonsburg stopover. Mr. Biggers passed out the cards and Sesquicentennial advertising blotters to the visitors.

Mr. Biggers said every business man aboard the train, each of whom received two of the stamped cards, mailed them to friends and relatives while here.

Attractive window cards, blotters, and automobile bumper strips, all advertising the coming Sesquicentennial Celebration, are now available at celebration headquarters, Patton bldg., Court street, free of charge.

narrow, water-laden boat occupied by the other two lads, tipping the boat over, returned to Garrett from the nearby stream without reporting what had happened. As the two boys remained missing through the afternoon, a search was begun. This search extended as far away as Martin where, relatives thought, the two might have gone to a movie.

Around 9:30 Thursday night, the shoe-shine boxes of the two, with their shoes stowed inside, were found on the creek bank. Then it was that the survivor of the tragedy told what had happened.

Followed an all-night search, with boats patrolling the muddy waters of the stream and the lights of anxious relatives and friends twinkling along its banks. Next morning, the number of searchers mounted to a hundred or more. Drifts in the creek were torn out by Kentucky West Virginia Power Company employes. The stream was dragged; men in boats probed the bottom of the stream over a distance of several hundred yards.

Finally, at 11 Friday morning, the body of the Mason boy was found, a short distance above the swinging bridge at West Garrett. Two hours later, the body of his playmate was found, approximately 200 yards farther upstream. Among those who found the Hamilton boy's body was his brother-in-law, Buford Martin. The bodies had drifted down in the swift current from near the mouth of Garrett Hollow, where the boat overturned.

Surviving the Hamilton boy are his parents, one brother, John Lee, and five sisters, Mrs. Vernon Frazier, Mrs. Buford Martin, Audrey Mae, Brenda Sue and Valeta Hamilton, all of Garrett. Father of the other boy, R. M. Oakley, is dead. He is survived by the mother, Mrs. Jettie Oakley, three brothers and four sisters, A. R. Oakley, of the army at Ft. Belvoir, Va., W. W. Oakley, of the army, Ft. Knox, Ky., B. D. Oakley, Garrett, Mrs. Estill Caudill, Detroit, Mich., Mrs. Victor Hopper, Wayland, Christine and Anna Oakley, both of Garrett.

Joint funeral services for the two victims were conducted Sunday noon from the auditorium of Garrett high school, with a capacity crowd gathering for the rites. Officiating at the funeral were the Revs. Curtis Stone, James Duff and G. B. Allen. Burial of the Oakley boy was made at Garrett; of Hamilton, in the Turner cemetery at Northern. The Ryan Funeral Home directed both burials.

Dickerson, Wallen, Floyd Vets, Among Leaders at U. of K.

Two Floyd county students both GI's, rated this week among the leaders at the University of Kentucky.

Nick Wallen, an air force lieutenant during the war, received the coveted key of Phi Beta Kappa, national senior scholastic honorarium fraternity, after having maintained an "A" standing throughout his college career. He was one of 20 University of Kentucky students so honored.

J. S. Dickerson, Jr., a World War II Infantry captain, was one of four U.K. students to receive a fellowship valued at \$500 from the Margaret Voorhies Haggin Trust Fund. The fellowship awarded Dickerson will enable him to continue study in the field of education.

Mr. Wallen is a son of Mrs. W. S. Wallen, of Banner. Mr. Dickerson's parents, Mr. and Mrs. Z. S. Dickerson, Sr., reside here.

Funeral Services Held For Mrs. Violet Goble, Victim of Tuberculosis

Funeral services were held Saturday in the church at Dinwood for Violet Little Goble, 23, Dinwood, who died Thursday at home after an illness of more than a year of tuberculosis. She was the wife of Raymond Goble.

Native of the upper Left Beaver section, she was the daughter of the late Willie and Mary Isaac Little.

She is survived by her husband, her mother, one son, Curtis, two sisters, Mrs. Margie Tackett, of Omar, W. Va., Mrs. Alberta Wright, of Hite, and one brother, Curtis Little of Alphaetta.

The services were held with the Reverends George Wright, Melve Allen and Curt Frazier officiating. Burial was made in the Dingus cemetery at Dinwood with the Arnold & Hall Funeral Home directing.

(Continued from Page One) of public convenience and necessity for a much broader territory in Floyd, Johnson, Pike and Letcher counties. He has taken an option on the Consolidation Coal Company exchange at Jenkins, and he proposed to build several more exchanges.

He estimates the lines would serve "something over 4,000 subscribers," about 3,600 of whom would be new.

Goodman says he believes there is "no comparable development market in the Southern part of the United States," that there will be 4,000 subscribers under present economic conditions and more if conditions improve.

Congressman Perkins has received a great many letters and resolutions from the area asking his support of the project. He said he felt it had great merit and that he would do what he could to assist. Under the new rural-telephone law, private companies are given the first opportunity to develop an area. Southern Bell has written the commission of its agreement to Goodman having the territory. Loans to small private concerns and co-operatives are made at 2 per cent interest for 35 years. The developers may use R.E.A. poles where that is possible, and Goodman says he plans to do so.

A number of applications have been made in Kentucky under the new law, but this is the first company to receive a certificate from the commission.

The visit to Wickard was the first, though there has been correspondence on the subject. The R.E.A. must make a field survey and all financial conditions must be studied before Wickard can approve the loan.

Goodman said it may be several months before he knows whether the project will be approved.

Meeting Held Monday By Allen-Martin Club At Home of Mrs. Vance

The Allen-Martin Woman's club met Monday night at the home of Mrs. German Vance with Mrs. Louise Huddleston as co-hostess. The club was called to order by Mrs. Boone Hall, presiding in the absence of Mrs. W. E. Stinnette. The club collect was read by Mrs. John Snodgrass. Mrs. Maurice Mitchell gave a report on the treasury. Naming of delegates to go to the state convention to be held in Louisville beginning June 14th was discussed and a report on last month's cancer drive was given. Mrs. Mack Elliott, of Allen, collected \$36.20 at a special picture at the Mack Theatre, Mesdames Gardez Dingus, Maurice Mitchell, John Snodgrass, W. E. Stinnette, John W. Hall, and Ray Allen collected \$80. Mrs. Walter Frasure, of Allen, was accepted as a new member. After the meeting, a delicious dessert course was served by Mrs. Vance and Mrs. Huddleston to Mesdames Mack Elliott, Russell Laven, Herman Porter, John Snodgrass, Ben Short, Boone Hall, Maurice Mitchell, Gardez Dingus, Bill Martin, Guy Taylor, and Buford Reitz. The next meeting will be held June 19th at the home of Mrs. W. E. Stinnette with Mrs. Lydia Hall as co-hostess.

The largest corporation in bituminous coal mining accounts for only about 5 per cent of the national production.

OF FIGURES AND SUCH

Editor, The Times: Something is bad wrong. You say the census takers found an increase of less than 500 in Floyd this year. Evidently, they failed to include the city of Martin in their census. Not long ago Martin had 900 population, according to the sign beside the highway at the city limits.

Overnight the population suddenly and mysteriously increased to 3,000, for the signs now read thus. This can be proved by every dry citizen in the county. All that was necessary to increase the population to the tune of 2,100 people overnight was for three citizens (I believe the law so reads) to make affidavits that the population totalled 3,000. Then, presto! our honorable members of the legislature would vote the city to fourth class, and, according to the recently published statement of one representative, great benefits will follow.

Enuf sed! MRS. EDGAR R. MAY Langley, Ky.

IS IT A CRIME TO WORK "REGULAR"?

Editor, The Floyd County Times: Employees of the Princess Elkhorn Coal Company have been fortunate in this company being able to operate five days a week since the signing of the new contract. Some of the reasons for this good record, aside from the quality product, is that this company is equipped with modern mining and preparation machinery and has an efficient and progressive management whose interest in, and whose benefits to, all its employees has become something of a legend in this section of Kentucky.

Princess Elkhorn, now only 10 years old, has grown with the years until there are now approximately 600 employees on the payroll. By June, 1948, production had increased to the point where the No. 1 preparation plant could not handle the coal which was being mined without increasing the working time of the tippie. Consequently, this was accomplished by increasing the force and staggering the working time of employees in order to keep the plant running for 9½ hours on the day shift. Each tippie man continued to work his full 7¼-hour shift, and until recently there had been no objection to this arrangement.

Now, we have a situation on hand where representatives from the Pikeville UMW office have caused five employees to quit their duties two hours before their quitting time, and, according to the contract, thereby forfeiting their jobs, in order to limit the working time of the machinery at the No. 1 tippie to 7½ hours per shift.

It does not take an economic expert to figure out that the company cannot continue to mine coal that can not be processed and prepared through the tippie. Neither does it take an expert to realize that if the tippie-work is shortened, so also must production be limited. In order to do this, enough men inside the mine will have to be laid off their jobs to bring production in line with the lowered preparation schedule as set up by these "hard working field representatives."

Just whose interests are these Pikeville interests serving? Is it for the interest of the five tippie men who gave up their jobs at the reported insistence of the UMW "leaders"? Is it for the interest of the additional inside men who too must give up their means of livelihood? Certainly it couldn't be these men, nor their families, whose interests are served by such arbitrary, irresponsible leadership. When 50 or 60 men are deprived of good paying regular jobs, does it help business? Does it help the community? the state? the nation?

What kind of creed is this that promotes scarcity and penalizes progress—that advocates dissension and encourages fear?

Is it a crime to work regularly? CITIZEN

In Floyd as 168 Miles Advertised for Bids To Be Opened June 23

Two Floyd county roads totaling a distance of 8.6 miles are listed among the 168 miles of road projects on which the Highway Department called for bids this week. Bids will be opened at Frankfort, June 23.

The Floyd routes are: Stephens Branch-Alum Lick, from end of improved section of Stephens Branch road, near Manton, across the mountain to Alum Lick on Middle Creek, a distance of 6.3 miles; reconstruction and rock surfacing.

Wayland-Sizemore Creek, from end of bituminous surface in Wayland, extending northeast, 2.3 miles, reconstruction and rock surfacing.

The proposed work includes 45.7 miles of U. S. highways, 46.3 miles of state roads and 76 miles of rural highways. Biggest project of the lot calls for high-type surfacing of the 29.8 miles of Ky. 80 between Hyden and Manchester.

Other projects in this section on which bids are asked are:

Pike county — Stone-McVeigh-Phelps road from U. S. 119 near Huddy to McVeigh, 6.1 miles; Pond Creek-Alex-Matewan road from U. S. 119 near mouth of Pond Creek up Tug Fork through town of Leckeville. Bituminous surface planned for both roads.

Knott county — bridge construction and approaches over Carr's Fork on Sasafas Creek road.

Funeral services were held Thursday in the Community Methodist church at Cincinnati, O., for Joe Add Turner, 35, who succumbed suddenly the previous Sunday from a heart attack suffered at his home there. Buryal was made in the Spring Grove cemetery at Cincinnati.

Native of Floyd, he was the son of the late Joe Add Turner, Sr., and Mrs. Lizzie Turner Woods, of Allen. He left this county in childhood.

His mother, his widow, two children and two sisters, Mrs. Clyde Pierce, Argillite, Ky., and Mrs. Earl Pinkerton, Ironton, O., survive. He also leaves three half-brothers and half-sisters: Bill, Trent and Luke Woods, all of Allen, Mrs. John Lee Spriggs, Allen, and Mrs. Leo Porter, Dwale.

THE 14TH ANNUAL
Memorial and Basket Dinner

Will be held Sunday, June 18th, from The Assembly of God Church in West Prestonsburg, Ky. Fourteen long years we have been gathering each third Sunday in June for this time of fellowship and homecoming. Some day we will gather for the last time, but we are looking forward to the time of the greatest of all "homecomings in the air."

Make your plans now to enjoy the entire day with the Christians of all walks of life, where there's no LAW BUT LOVE, where the fire of God burns brightly, and in an atmosphere mightily laden with the very presence of God. O, Brother, Sister, come for the very purpose of meeting with God in this "one place," in "one accord," in the bonds of fellowship—in the unity of the Spirit—God will consume the offering in a mighty blaze of Pentecostal FIRE. OH, HOW WE NEED THE FIRE! "BORN IN THE FIRE—LIVING IN THE FIRE," FIRE WITHIN—What about you?

- Dinner on the ground (Bring your basket and share it with all.)
- Cold drinking water.
- Music and singing.
- Preaching (All ministers irrespective of your affiliations invited.)
- Broadcast; Witness it, take part in it. Enjoy it.

Your Friendly and Happy Family

'WHITE WAY' IS PROMISED

In Time for Celebration Of Floyd Sesqui, July 1-4; Other Event Plans Told

Prestonsburg will have its White Way in time for the Floyd County Sesquicentennial Celebration July 1, 2, 3 and 4. This was definitely promised by Mayor Curtis Clark this week at the regular weekly meeting of the celebration's general committee.

Meanwhile, other celebration plans are moving forward with as much speed as possible.

Mrs. Winnie Johns, chairman in charge of obtaining sleeping quarters for visitors, reported to the general committee that local hotels have advised that they expect to have ample rooms available, since most of their regular patrons will not be registered here during that holiday period.

Mrs. Johns urges that owners of private homes, rooming house operators, and others who will have rooms for rent, contact her immediately, however, so that expected visitors may be amply cared for.

She also suggested that local citizens who are interested in making costumes for the coming Sesquicentennial Celebration, get in touch with Miss Hazel Hill who is willing to aid in designing costumes and has offered to help in any manner possible.

WYOMING

Mr. and Mrs. Ellis Layne and children, of Ragland, W. Va., spent the week-end with his parents, Mr. and Mrs. Leonard Layne. Other week-end visitors were Mr. and Mrs. Robert Earle Butler, of Paintsville.

Hazel Damron George, who is attending Morehead State College at Morehead, spent the week-end with her parents.

We are indeed sorry to hear of the death of "Moon Mullins" who was killed Sunday in a plane crash, and the condition of his wife, Vivian Stratton Mullins, who was badly injured. She is a daughter of Mr. and Mrs. J. K. Stratton and the youngest of the family.

Jimmie D. George is now vacationing with relatives at Lebanon, Ohio.

Kenneth Damron has returned home after spending two weeks with relatives at Allen.

Mr. and Mrs. Barney Osborne, of Allen, were supper guests of her aunt, Mr. and Mrs. Jim Damron Friday evening of last week.

Mr. and Mrs. W. H. Brown, of Prestonsburg, were calling on friends here Sunday afternoon.

Mr. and Mrs. Russell Preston and daughter, Linda Sue, were week-end guests of Mr. and Mrs. Dick Burchett.

Morgan Layne who has been ill for some time is now under the care of a physician at Huntington, W. Va.

Geologists technically classify coal as a sedimentary "rock" because it occurs in the natural succession of sedimentary rocks, and because it has no fixed chemical formula and varies in its chemical makeup.

Ages of bituminous coal miners compare generally with those of other industries covered by Federal old age benefits, as reported by the Social Security Administration.

MIDAS

Pearl Shannon Hicks is recovering nicely at her home after a serious cancer operation in St. Joseph's hospital, Cincinnati.

Arb Hayes feels that the many visitations from friends and relatives speeded his recovery from a serious heart attack which he suffered several days ago. He is now able to be about his work.

The Russell Chalfant family visited friends in Harlan over the week-end.

Many were saddened by the tragic deaths of two of Garrett's youths by drowning. One, Charles Hamilton, was buried in the Tom Turner cemetery at Midas.

Mr. and Mrs. J. M. Turner and daughter, Zeda, Mr. and Mrs. Ezra Turner, Mr. and Mrs. Trambie Turner, Dr. A. N. Begley, Everett Blanton, Mr. and Mrs. W. E. Cottrell were guests of Mr. and Mrs. Arb Hayes on Thursday evening.

Elmer Rowe is taking his wife Monday to the Lexington Clinic for a complete check-up. She has been in failing health since the death of her brother in the recent war.

Mrs. Janie Gray, of Stone, is visiting her daughter, Mrs. Clark Laferty.

Special Postal Cachet Offers Stamp Collectors Another Philatelic Item

Stamp collectors will have an opportunity to add another item to their philatelic assortments, now that the Floyd County Sesquicentennial Celebration, to be held here July 1, 2, 3, and 4, is rapidly approaching.

A special postal cachet will be issued between now and the Sesquicentennial Celebration, officials announced. This will mark official opening of the celebration which commemorates the 150th birth of the original Floyd county, now divided in whole or in part into 15 of the most productive and historical counties in Eastern Kentucky.

Stamp collectors must have their uncancelled, stamp covers at Sesquicentennial Headquarters, Patton Bldg., Court Street, Prestonsburg, not later than June 28, officials warned. They should be addressed to N. M. White, Jr., chairman of the Cachet committee.

The cachet envelopes must be regulation size (3 1/4 by 6 1/8 inches) with the return address in the lower right side of the envelope. All requests for cachets must contain 25 cents in coin or stamps to cover imprint cost. The returned cachets will contain a historical sketch of the original Floyd county.

Wyoming's average coal seam thickness is 12 feet.

Illness of Two Years Claims Mrs. Hayes, 51, At West P'burg Home

An illness of two years, the last year of which had confined her to bed, resulted Friday in the death at her home in West Prestonsburg of Mrs. Agnes Skeans Hayes, 51 years old, wife of John Harrison Hayes. Heart disease and a paralytic stroke were listed as contributing to her passing.

A daughter of the late George and Rhoda Hamilton Skeans, she was a native of the Spurlock Fork of Middle Creek section of the county. Mrs. Hayes had been a member of the Methodist Church since girlhood.

Surviving, besides her husband, are one brother, John Skeans, Cannonsburg, Ky., and five sisters, Mrs. Minerva Reffitt, McArthur, O., Mrs. Lizzie Wright and Mrs. Eliza Blackburn, both of West Prestonsburg, Mrs. Mary Ousley, Glo, and Mrs. Julia Potter, Ashland.

The funeral was conducted Monday from the Assembly of God Church, West Prestonsburg, the Revs. G. R. Fanning, Arthur Ramey and Cora Fanning officiating. Burial in West Prestonsburg cemetery was directed by the Carter & Callihan Funeral Home.

Bituminous coal is a natural product upon which entire industries are supported by the crude chemical substances derived from the vapors recaptured in the high temperature coking oven.

The U. S. coal exports to Canada in 1949 was about 57 per cent.

Estill Woman Dies At Martin Hospital; Rites Held Saturday

Funeral of Mrs. Lonnie Tuttle Ridener, 44 years old, of Estill, who died last Thursday at Our Lady of the Way Hospital, Martin, was conducted Saturday afternoon from the Estill Freewill Baptist Church of which she was a member.

Mrs. Ridener was a victim of a liver ailment from which she had suffered for some time. Her last illness was of about three weeks' duration and she was taken to the Martin hospital, a few days before her death.

She was a daughter of the late George and Rachel Tuttle and was a native of Mousie, Knott county. Surviving are her husband Ansel Ridener, two sons and two daughters, Estill Ridener, Detroit, Mich., Emmett Ridener and Mrs. Jerry Ousley, Jr., both of Estill, and Mrs. Victor Seppi, Havana, Ill. She also leaves five sisters and two brothers: Mrs. Roachie Terry and Mrs. Willie Pelphrey, both of Gallia, O.; Mrs. Buddy Hall, Estill; Mrs. Lorenzo Cassidy, Greenwood, Ky.; Mrs. John Staley, Hueysville, Woodrow Tuttle, Wheelwright, and Fisher Tuttle, Minnie.

The funeral was conducted by the Revs. Roy Fanning, Green Boyd and Doug Burkett and was under direction of the Ryan Funeral Home. Burial was made in the family cemetery at Estill.

Group photos ordered by members of the Prestonsburg high school senior class and the Prestonsburg eighth grade have been completed. Please call and get pictures ordered. STRAHAN STUDIO, Prestonsburg, Ky. Some 4,000,000 tons of coke are used during a year for home heating.

Alerts Ky. Motorists On New Turn Signals

Frankfort, Ky., June 7 — Guthrie F. Crowe, Commissioner of State Police, today called attention to the new laws regulating turn signals, which take effect June 15.

"If a motorist intends to turn either left or right, a signal of intention must be given continuously for not less than 100 feet before making the turn," Crowe said. "Also, if a person is to decrease the speed of his vehicle or stop, he must first give an appropriate signal to the operator of any other vehicle approaching from the rear."

The new law, passed by the 1950 session of the General Assembly, is calculated to promote traffic safety.

Reception for Newly-Weds After Maytown Ceremony

Immediately following the Stewart-Dixon wedding Sunday, a reception was held in the lovely home of the bride's sister, Mrs. S. J. Tallent, and Mr. Tallent. Guests were welcomed by Mrs. Ed Stewart and shown the lovely gifts on display after which they were ushered to the dining room, where the bride cut the four-tiered wedding cake. The lace covered table was centered with a bowl of white roses and fern while Madonna lilies and lakespur decorated the remaining rooms.

Mrs. Tallent was assisted in serving punch, cake and mints by Mesdames A. W. Osborn, of Russell Earl Martin, of Martin, and Thurnal Click, of Maytown.

Among the out-of-town guests attending were the following: Mr. and Mrs. J. A. Dixon, of Miami Fla.; Mrs. C. M. MARRIAGE AT ASHLAND ANNOUNCED HERE

MR. and MRS. RALPH L. BOGGS

Miss Sina Estelle Spradlin, daughter of Mr. and Mrs. Marcus Spradlin, of 3031 Bath Ave., and Ralph L. Boggs, son of Mrs. Robert E. Boggs, of Ironton, O., and the late Mr. Boggs, were married May 22 in a double ring open church ceremony in the Central Baptist Church at Ashland, it was announced here this week.

Mrs. Boggs is a former resident of Floyd county. Her mother is the former Allie Collins and daughter of Dr. M. M. Collins, Lackey. The bride also is a niece of Glenn Spradlin, of Prestonsburg.

The Rev. Clay Caudill officiated at an altar decorated with an arrangement of palms, ferns, white gladioli and snapdragons, and candles. Before the altar was a white satin kneeling bench.

Eddie Bugg was musician and Miss George Ann Barker sang "Because" and "I Love You Truly." Given in marriage by her father, the bride was in a gown of powder blue, flower-embroidered organdy over taffeta. It was styled with a high neckline, full skirt and was tied with a matching maline, and she wore a matching maline, and she carried a cascade of white carnations and ivy, tied with white satin streamers.

Miss Anna Belle Pinson Mason, of Calvin, Va., a cousin, was maid of honor in a white marquisette gown over white, fastened with tiny rhinestone buttons to the waist. Her small hat of imported net was trimmed with puffs of white dotted veiling and she carried a nosegay of shattered pink carnations with white streamers.

Randolph D. Spradlin served as best man and Benjamin Marshall Spradlin as candlelighter. Both are brothers of the bride. Ushers were Jim Andy Caudill and Charles West of this city.

A wedding dinner was served at the Chimney Corner Tea Room after the ceremony. The bride's mother was in a sheer printed silk with a pleated jacket, worn with a black sheer hat and matching accessories. Her corsage was of red rosebuds. The bridegroom's mother wore a black silk suit with black accessories and a corsage of red roses.

Approximately 30 Form Church Youth Group

Approximately thirty were recently organized into the Young People's Group of the Free Will Baptist church at Lancer, it has been announced here.

Officers were duly elected and named as follows:

President, Chadwick Spears; vice-president, Brooksie Goble; secretary-treasurer, Pearlie Goble. Robert Kendrick was named senior Bible teacher. Lois Hunt was named Junior Bible teacher.

The group holds regular meetings at 5 p.m., each Sunday at the church.

Rites Held Thursday For Weeksbury Infant

Funeral services were held at 11 a.m. Thursday at the home for Harold Hurt, one-day-old infant son of Oscar and Create Johnson Hurt, of Weeksbury. The babe succumbed, on the previous Tuesday at the Beaver Valley hospital at Martin, due to complications. Burial was made in the Johnson cemetery at Weeksbury.

The chemistry of coal tar pioneered our "Chemical Revolution" and today many thousands of products have their chemical origins in the enigmatic, carbonaceous substance.

A new safety record in U.S. bituminous coal mining was achieved in 1949.

China possesses a great coal potential about which little is known.

More Than 200 Workers In State's Polio Campaign To Get Service Awards

More than 200 workers in Kentucky's fight against polio will be given awards for five and ten years service at the annual meeting of the Kentucky Chapter, National Foundation for Infantile Paralysis next week in Louisville.

Howard C. Orr, executive director of the chapter, said workers in virtually every county in Kentucky would receive the coveted pins symbolic of their work against the dreaded disease.

The 10-year awards will be the first given in Kentucky, since the chapter will mark its first decade as a full-time organization with the meeting. The awards will be announced at a dinner Tuesday night, June 13, at which Dr. Landauer, the National Foundation's Director of Medical Care, will talk on the early stages of poliomyelitis and its care.

Representatives from all the state's counties have been invited to the meetings which include a luncheon and business meeting at the Seelbach and the dinner meeting at the Pendennis Club.

ized this week with a tentative membership of six teams and plans provided for additional members to be accepted within the next few days. Ray Howard, chairman of the church league committee, announced Tuesday. Other committee members, Howard said, are Dr. George Archer, Arthur Johns Archer and Bill Brown.

Teams in the church loop, thus far, are the Presbyterians, Methodists, Baptists and David, all four of last year's membership, and new league members Bull Creek and the Lancer Methodists.

The Presbyterians are defending loop champions. They acquired the title and the 1949-50 possession of the loop's "traveling trophy" by copying honors in the play-off tourney last autumn. Any team winning the trophy for three years in succession, it was explained, will gain permanent possession of the award.

With the church league in its current process of formation, team rosters are not yet complete. Howard stated that a committee meeting is to be held this week to set up playing rules, form schedules and adopt requirements for players, all of which will be designed to avoid any conflict in the operation of the two leagues.

Why every car in the Indianapolis Race has a recessed floor!

It's the only way to get lowest possible center of gravity — maximum road-hugging stability — safety advantages equally vital to motorists who drive at conventional speeds on the nation's highways.

For the lowest possible center of gravity, for stability on turns, for greatest safety, race cars have recessed floors.

For the safest, steady way of going over all kinds of roads — Hudsons have a recessed floor ("step-down" design) and the lowest center of gravity in any American passenger car.

Race cars are built for speed on the tracks. Hudsons are built for outstanding comfort and roadability on the highways.

And brilliant engine performance, a traditional Hudson characteristic, is another indication of the sound engineering that goes into these great passenger cars.

STAYS WHITE AND BRIGHT FOR YEARS

DU PONT HOUSE PAINT
cleans itself!

MAGNIFIED CROSS SECTION SHOWS SELF-CLEANING PROCESS

1. All paints collect dust and dirt during the first few months.
2. With Du Pont House Paint, a fine white powder forms on the surface after a few months.
3. Rains wash off this powder—and with it, much of the accumulated dirt and grime.
4. Self-cleaning leaves surface clean and white... keeps it sparkling white for years. This cleaning process is gradual and does not adversely affect the long life of the paint.

For lasting home beauty, make sure your painter uses Du Pont House Paint. Made of an exclusive Du Pont combination of pigments and oils, it literally sheds dirt and dust during every heavy rain... leaves your home handsomely white, sparkling bright for years. Normally, this "self-cleaning" action starts in a few months on most surfaces. However, excessive soot or heavy shade, or stains from metal surfaces such as copper screening, may interfere with or delay the process.

Consider the other advantages of Du Pont House Paint. As it keeps your house beautiful for years, it also protects against rust, rot and decay. Smooth, easy application, excellent spread and high-hiding—all these factors work in your favor when Du Pont House Paint goes on. It's available in "Self-cleaning" tints as well as white.

And here's a tip for your painter: When working on new wood or excessively weathered paint films, a prime coat of Du Pont House Paint Primer is recommended. It assures maximum adhesion and performance of the finish coat.

McDOWELL

The 1950 Senior class of McDowell high school has completed an eight-day tour of Washington, D. C., and New York City. Enjoying the trip were: Ruth Taylor, Nora Lou Matthews, Rhea Hall, Helen Little, Osalene Morris, Alberta Howell, Anna Mae Newsome, Creeda Caudill, Russell Anderson, June Stumbo, Homer Lee Hall, Virginia Caudill, Hester Marie Hall, Raymond Lee Ward, Barbara May, Nella Ruth Bryant, Shirley Roberts, Mildred McCloud, James Robert Stephens, Zella Moore, Rozella Halbert, Ruby Bentley, Emogene Moore, Mr. George L. Moore, Mr. and Mrs. Oliver Elam, and Mr. Troy Hayes.

The trip was educational and also entertaining—on the educational side, a few of the things the group visited were: Washington's Monument, Mt. Vernon, Lincoln Memorial, Lee's Mansion, Tomb of the Unknown Soldier, Smithsonian Institute, world's largest zoo, Empire State building, Statue of Liberty, a tour through New York's China Town, the national Capitol, etc. On the entertaining side a few of the things the group did: took a moonlight cruise on the Potomac river, had dinner in Billy Rose's Diamond Horseshoe, and saw the floor show. The McDowell class was the first Kentucky group to be entertained there, Mr. Rose said. The group also went to Radio City and saw the world-famous Rockettes and enjoyed an evening at Coney Island.

The group had the honor of viewing one of the largest parades ever to be held in Washington. The parade was held by the "Tall Cedars of Lebanon" known as "The Wild Men of the Masonic Order." The parade lasted three hours consisting of 3,800 marchers, 33 bands and 23 floats. Members of the class were among the 100,000 persons who viewed the parade.

ORDER

It appearing to the court that a petition has been filed on April 7, 1950, by a number of the constitutionally qualified voters of the city of Martin, county of Floyd, State of Kentucky, being more than twenty-five per cent of the votes cast in said city in the last preceding general election, with the Floyd County Court Clerk, said petition being in due form according to law, and showing the postoffice addresses of each voter and the date said petition was signed.

Pursuant to said petition, a local option election is hereby directed to be held in the said city of Martin, County of Floyd, State of Kentucky, on the 10th day of June, 1950, for the purpose of taking the sense of the legal voters of said city upon the proposition, "Are you in favor of the sale of alcoholic beverages in the city of Martin, County of Floyd, State of Kentucky?" in the manner and form as provided by law.

The clerk of this county is hereby directed to deliver to the sheriff of Floyd county a certified copy of this order within five days from this date.

The sheriff is directed to advertise this order by publication in The Floyd County Times, Prestonsburg, Ky., for three consecutive weeks and by posting written or printed hand bills at not less than five conspicuous places in each ward or precinct of said city, in manner and form as by law provided. The sheriff shall report his actions in writing to this court.

The County Clerk of Floyd county is further directed to prepare necessary ballots and equipment for said election, as by law provided.

All other officers who by law are charged with the performance of duties in carrying out this election shall faithfully perform same as in manner and form as by law provided.

This 25th day of April, 1950.
HENRY STUMBO, Judge
Floyd County Court

STATE OF KENTUCKY
COUNTY OF FLOYD

I, DuRan Moore, Clerk of the County Court in and for the county and state aforesaid, to hereby certify that the above and foregoing is a true and correct copy of the order directing a local option election be held in the City of Martin, Floyd County, Kentucky, as appears of record in county order book No. 38, Page 115 Floyd County Clerk's office.

Given under my hand this 9th day of May, 1950.
DuRAN MOORE, Clerk

The Sewing Circle met with Mrs. V. A. Hayes, June 1. After the business session and the sewing hour, refreshments were served to the following members: Mesdames Leck Martin, Troy Webb, O. J. Webb, J. M. Preston, H. K. Johnson, Odie Kilburn, Clark Laferty and daughter, Betty. Members remembered little Miss Janet Elizabeth Harmon, daughter of Mrs. Marguerite Harmon, with a beautiful hand-made dress. The club meets with Mrs. O. C. Hayes on July 6.

Our revival begins on June 18 and continues through remainder of the month. Plans should be made so that we will be able to attend the meetings every night possible. Remember our regular services and attend them whenever possible. We never know just when this opportunity may be withheld from us.

A special Father's Day service will be held on June 18. Special fathers will be recognized such as: the oldest father the youngest, the father with the most children present, etc.

Here's why we say:

"Go for a ride and you'll go for MERCURY!"

1. The right power! 2. The right roadability! 3. The right riding comfort!

You get the right POWER! Not a little engine! Not an oversized one! But 110-horsepower in a V-type, 8-cylinder, made-for-Mercury engine that knows where it's going—and gets there smoothly, quietly—with plenty in reserve. And the new Mercury is "America's No. 1 Economy Car!"

You get the right ROADABILITY! Mercury's rugged, balanced chassis helps smooth out the rough roads... straighten out the sharp curves... hold the car to the road like a track. Mercury really rides smoothly—and with everything in rhythm. You'll find the new Mercury parks easier, too.

You get the right RIDING COMFORT! With plenty of room for six big people inside... with "Cushion-Coil" springing... and ease of handling that's second to none. It's the kind of perfectly balanced car you've dreamed of driving. Try the new Mercury yourself today—and see!
