CORRECTION

In last week's article about Rev. Haggard, the degree from McCormick was not an honorary D. D., but the regularly earned divinity degree.

To the People of Floyd County:

According to Allan Trout the essence of pure barnyard science is to embrace the truth where you find it. Because there has been so much public comment on the wrangle within the Floyd County Board of Education and because certain of the board members and school people have embarrassed the people of Floyd county by having spread over the state rather serious charges against the administration of the schools of Floyd county, it is, I believe, time that the real truth about the whole situation be given by a simple statement of facts.

The real facts are these: All four members of the present board (and Ray Fraley whose office is now vacant) were elected by the people with the understanding on the part of the people that they were for and would work in harmony with the present superintendent. For several years there was complete harmony with the board members and the superintendent working conscientiously to establish and execute sound educational policies. Several months back for reasons, justifiable or not, James Greene and Dr. Allen, whose terms expire this year, decided that they would like a change of superintendents. Realizing that their re-election alone would not insure them of this they attempted to persuade other members of the board to "go along" and in one case pressure was attempted, in the effort to gain control of the board before the people could again express their wishes and their feelings.

It was believed from various remarks and rumors that Dr. Allen and James Greene would attempt to oust Ray Fraley from the Board unless he would go along with them because of the "bus deal". Now the bus deal was this: A bid on school buses to be bought by the Floyd County Board of Education was placed by the Deering Motor Company, Mr. Deering of that company being a business associate of Ray Fraley. The board in its usual manner considered the bids and a contract for one Chevrolet bus was let to the Deering Motor Company on the basis of their best competitive bid. Dr. Allen and James Greene voted for this. At no time did Ray Fraley, insist or even ask that any preference be given to the Deering Motor Company bid but it was accepted as the best bid, and therefore at a saving to the tax payer.

Now, while Mr. Fraley was not convinced that he had violated any law by the bus transaction and certain that he had committed no moral breach he did not wish to be involved in a law suit. It was decided, therefore, that he should offer his resignation on the first occasion that either Dr. Allen or James Greene was absent from a board meeting, and let his brother who, he believed, would carry out his obligations to the people, be appointed. It was perhaps unfortunate and unsporting that the resignation was offered at a time when Dr. Allen was absent from the room and not actually absent from the board meeting. But if apologies were due Dr. Allen they were offered in the willingness of Fred Fraley to withdraw and let Ray Fraley return. If any apologies on my part were due Dr. Allen, they have been expressed privately and publicly and I repeat them now. I can do no more. And by all the standards of human relationships Ray Fraley was due apologies from Dr. Allen and James Greene for even thinking of bringing up against him the bus transaction for which they voted without any urging on Mr. Fraley's part, and which in no way prejudiced the schools or the public. Justification for offering his resignation as he did was seen in the refusal to accept the apology by the initiation of legal action to oust him from the board.

Much has been said by certain parties about the court order requiring a "correction of the minutes" as definite evidence of something wrong. Actually this court order was entered because of a withdrawal of answer to the suit. This was done on the advice of the attorney as the quickest way to end the lawsuit and return to our previous situation. Evidence was never introduced. The only question to be decided was whether or not there was a quorum present when the resignation and appointment was voted on. There were five men in the room. Four have stated, (two under oath) that there was a quorum when the vote was taken. The minutes were correctly written and those who whisper and gossip about it are well aware of that fact.

With the commencement of legal action Dr. Allen and James Greene seemed to place themselves and their actions in the hands of a "strawty board" composed of their

Four Floyd Students On Staff of Record

Pikeville, Ky., Sept. 25 (Spl.)—Four Floyd county students have been elected to positions on the staff of The Record, student newspaper at Pikeville Junior College, it was announced this week by President A. A. Page of the college. Three of the four are future teachers.

Wanda Hunt, Prestonsburg, a graduate of Prestonsburg high school and a sophomore in the teachers course at Pikeville, is society editor; Dorothy Burchett, Emma, is assistant society editor, and James W. Osborne, Bevinville, is circulation manager of the student paper.

Miss Burchett, a Betsy Layne graduate, is a sophomore and is preparing to be a teacher. A graduate of Wheelwright high school, Osborne is one of three young Floyd county men who are working their way through Pikeville College, with summer employment on the college farm and a part-time job on the campus through the school year. He is a sophomore, and expects to be graduated next May from the pre-engineering course, Dr. Page said.

Gene Sturgill, Harold, is a feature writer on the newly chosen staff of the Record, it was announced. Sturgill, another graduate of Betsy Layne high school, is also a sophomore and student of teaching. The Floyd countians were chosen for these posts by the other members of the class in journalism, which will be responsible for publication of the paper at six-week intervals during the school year.

The journalism course is being offered for the first time at Pikeville this year. The instructor, Mrs. Beth B. Brady, of the English department, is also faculty adviser for The Record.

Cornie R. Norman, a McCarr, Ky., sophomore, is managing editor of the paper. The staff also includes Alfredo A. Caballero, Pina, Cuba, Paul R. Caudill, Pikeville, and Wilma Parsons, Pikeville, assistant editors; Jean Keese, Pikeville, business manager, and Edith Fay Belcher, Belcher, assistant; Peggy Hawkins, Grundy, Va., assistant circulation manager; Gene Davis, Pikeville, sports editor, and S. B. Williams, Jr., Pikeville, assistant.

Jinah Belcher, Dorton, Marie Bentley, Rockhouse, and Peggy Hawkins, feature writers; and Merle Mullins, Ambury, Dennis Ritchie, Emmalena, and John W. Justice, Phyllis, reporters and advertising salesmen.

TOO TALL—Former NYU basketball star Adolph Schayes, the 6-foot, 8-inch center of the Syracuse pro team, was rejected by the Army when the doctor at right confirmed his height. Schayes, who was examined in New York, towers one inch over the maximum admissible height.

Of the total exported tonnage of bituminous coal during 1949 to Canada, 56 per cent was received via Lake Erie ports.

BULL CREEK

A wedding shower was given recently for Mr. and Mrs. Doug Garrett at the Methodist Church on Bull Creek. Refreshments were served to approximately 50 guests and the couple received many useful gifts for their new home. A talk was given by John Warrick, of Allen, and the blessing was asked by W. A. Wells.

Mrs. Ted Perry is convalescing from her recent illness.

A stork shower was given for Mrs. Robert Hardee at the Methodist Church on Bull Creek. She graciously acknowledged the many gifts she received.

Wilbur Hardee and Jimmy Cox, of South Carolina, are spending their vacation with Mr. and Mrs. Willie H. Willis here.

The marriage of Miss Irene Johnson and Mr. Calvery Smith was solemnized last Thursday night at the home of Mr. W. A. Willis by the Rev. Harry Willis. The newlyweds will reside at the home of the groom's parents at Dwale.

Miss Ruth Hamilton, daughter of Mr. and Mrs. Bas Hamilton, of Hite, became the bride of Mr. Jimmie Porter, son of Mr. and Mrs. Oliver Porter, of Dwale, on September 15. The ceremony was performed by the Rev. Harry Willis. The bride was attired in a white dress with a corsage of pink rosebuds. The couple will reside with Mr. Porter's parents at Dwale.

Dewey Conley recently enrolled at the Mayo Vocational School at Paintsville where he is training to be an auto mechanic.

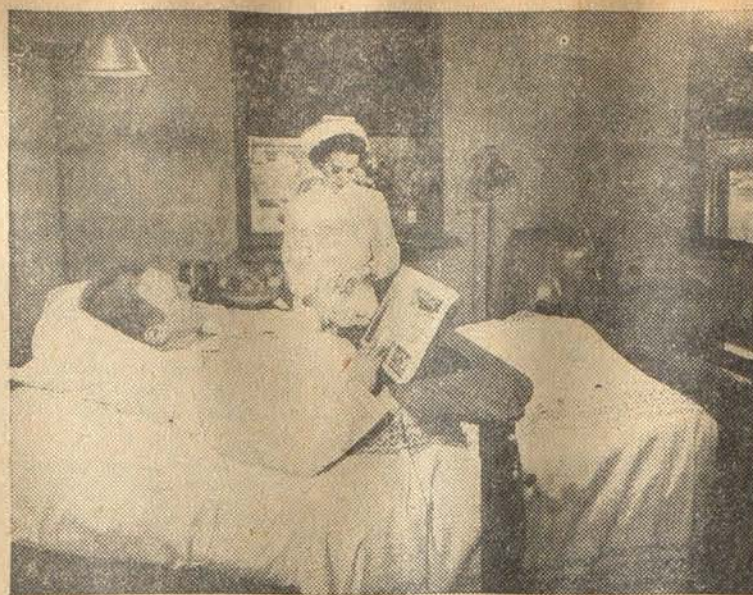

GAS PRESSURE Like Rock in Stomach

One Prestonsburg man stated that for 10 years he felt like he had a rock in his stomach due to undigested food he always had inside of him. Recently he started taking CERTA-VIN and says the feeling like a rock in his stomach disappeared the second day. Now his food agrees with him and he feels like a new man.

CERTA-VIN is taken before meals and works with your food; thus you get the fullest good out of your meals. It contains Herbs, plus vitamin B and Iron. It not only relieves gas, it also makes the nerves stronger with vitamin B and enriches the blood. Miserable people soon feel better all over. So don't go on suffering! Get CERTA-VIN at the W. A. ROSE DRUG CO., (formerly Hughes Drug Store), here in Prestonsburg.

Although the mechanization of the bituminous coal mining process has displaced jobs, it has created new jobs entailing engineering skills at the high wages which educated talent commands, according to the Bituminous Coal Institute.

MORE THAN 100 OCCUPATIONS ARE REPRESENTED IN NORTON'S FIRST YEAR OF TREATING ALCOHOLISM

Staff member poses as patient.

A nurse checks temperature and pulse of a patient at regular intervals in the Department for the Treatment of Alcoholism, Norton Memorial Infirmary, Louisville, Kentucky. Opened in July, 1949, the Department has admitted 699 patients the first year. Patients from more than one-hundred occupations, and ranging in age from 19 to 74 years, have entered by personal application, or by referral of physicians, Alcoholics Anonymous, former patients, friends, industry, ministers, and jailers. The recovery program, which lasts a minimum of five days, emphasizes building strength with milk, fruit juices, and high vitamin, therapy and high caloric foods. Individual control by the patient is stressed, and with patient, lay-therapist and doctor working together, the patient can be returned to everyday life as a well-integrated, self-reliant member of society.

Housewives, farmers, salesmen, and merchants made up the largest groups treated in the Department for the Treatment of Alcoholism at Norton Memorial Infirmary, Louisville, Ky., according to records from the year's first operation, which ended July 28, 1950.

The four occupations making up the largest groups accounted for more than 32 per cent of the 699 patients. Among the more than 100 other groups represented were: advertising executives, physicians, dentists, accountants, architects, students, bankers, interior decorators, laborers, waitresses, taxi drivers, mechanics, musicians, contractors, carpenters and undertakers.

The majority of patients entered the department by personal application, with smaller percentages being referred by physicians, Alcoholics Anonymous, former patients, industry, friends and ministers. The age range was from 19 to 74 years. More than 20 per cent of the patients fell within the age group from 35 through 39; about 18 per cent from 40 through 44, and more than 17 per cent from 45 through 49. Approximately 45 per cent were scattered throughout the remaining groups.

In 1948, some 27,000,000 tons, or 5 per cent of the national output of bituminous coal, moved from the mines by inland waterways, either from on-the-spot waterloading or after intermediate trucking or short distances by railroad.

The declining trend in the bituminous coal industry's labor force is due substantially to the replacement of manual work by machines which enable fewer men to produce more coal faster.

Notice

Bids on furnishing school coal will now be accepted at the office of the Superintendent. Bid blanks are in the hands of the teachers and trustees or may be procured at the Superintendent's office.

The Board reserves the right to reject any and all bids.

IN SATURDAY CLASSES
PIKEVILLE — Richard Howard, Hueysville, and R. B. Lawson, Jr., Betsy Layne, are enrolled for Saturday classes which began last week at Pikeville Junior College here.

The classes, arranged for teachers and others who cannot attend college during the week, meet on Saturday morning and afternoon for three hours each. They will continue through the fall semester, and give college credit in proportion to the time spent in them. Dr. A. A. Page, president of the college, said.

Mapmakers until about 1880 labeled Kansas as part of the Great American Desert, unsuitable for cultivation.

Two members of the Chicago Cubs — Tom Burris and Ed Williamson — scored three runs apiece in a game in 1883.

In 1948, about 500,000 Japanese coal miners averaged only 2,800,000 tons of coal monthly, or merely 5.25 tons which approximates in one month what an American bituminous miner, using machines, produces in a day's work.

Whale meat looks like beef.

In 1949 the bituminous mining industry's output per manday averaged 6.44 tons, and for anthracite it was 2.81 tons. In Canada it was 3.36 tons; Great Britain 1.30 tons; Poland 1.46 tons; Belgium 0.66 tons; Czechoslovakia 1.2 tons; France 0.66 tons and in the Netherlands 1.5 tons.

It takes less tobacco
to buy residence telephone service today than it did 10 years ago...

If you paid your telephone bill with leaf-tobacco, residence telephone service would cost you less today than it did in 1940. In spite of the moderate increase in telephone rates, the average charge for a month's residence telephone service in Kentucky would now amount to only 8 pounds of tobacco as compared to 17 pounds in 1940.

Compare telephone service also with wages and the cost of living. In the past ten years hourly wages in manufacturing plants have gone up 118% and the overall cost of living has gone up 72% while, in this same period, residence telephone rates in Kentucky have advanced on the average only 46%.

In other words the price you pay for telephone service has gone up far less than the price of leaf tobacco, far less than wages and family income and far less than most commodities and services you buy every day.

Meanwhile, the amount of telephone service available at your local service rate has increased immensely. Today throughout most of Kentucky you can call and be called from about twice as many telephones at your local service rate as you could ten years ago.

Yes, telephone service is today a bigger bargain and a smaller item in the family budget than it was ten years ago.

C. Hunter Green
Kentucky Manager

Looking for honest-to-goodness COMFORT?

Better Buy Buick!

You've probably heard a lot of talk about comfort in 1950 cars. But we'd like to offer one suggestion, which is—let a Buick speak for itself.

We'd like to have you settle yourself (your family too, if you have one) on a Buick's soft, deep, comfort-angled cushions, and see how restful they are.

More than this, we'd like you to sample that comfort in motion. Slip your fingers around that slender steering wheel, touch toe to treadle and take off in the smooth, unbroken surge of power that Dynaflo Drive* delivers.

We'd like to have you hunt out some of the less-smooth streets or back roads that never seem to get fixed—and put Buick's soft coil springing and solid underpinning to tough and practical test.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

All the while, be thinking about what such riding and driving ease can mean on long, all-day trips, and compare it with what you've been used to.

This whole experience is bound to make you want a Buick—and when you ask "how much" you'll get a second pleasant surprise in the low delivered prices your dealer is quoting—prices that start at a level that is actually lower than you'd pay for some sixes.

Your Buick dealer is the man to see and this is the best of all times to see him. Drop in, won't you, to see about getting an order signed?

Tune in HENRY J. TAYLOR, ABC Network, every Monday evenings.

Marriage of Miss Maxine Crisp, daughter of Mr. and Mrs. Seaton Crisp, of Wheelwright, Ky., and Mr. James Elbert Gibson, Jr., also of Wheelwright, was solemnized Sept. 5 at the First Christian Church, Pikeville, the Rev. W. H. Driskell officiating.

After a honeymoon spent in Canada the newlyweds will reside in Detroit, where the groom is employed.

MIDAS

The Sewing Club met Saturday with Mrs. J. M. Preston as hostess. Several members were absent but a great deal of work was accomplished by those present.

Dinner was served to the following: Mesdames O. C. Hayes, Troy Webb, O. J. Webb, V. A. Hayes, E. C. Blanton, Hite Martin, Walter Hitchcock and daughter Mary and Rev. and Mrs. Kerney.

The Club meets each first and third Saturday at 1 p.m.

Our revival begins on Oct. 9 and continues for two weeks. A singing evangelist will aid in the services.

In general, the extraction of coal at the underground coal bed is mechanized today; under 3 per cent of the total production is hand-cut; manual tool is seen mainly in the small marginal "wagon" mines selling to neighborhood markets.

BANNER

The P.T.A. met Friday, Sept. 15. Some new members were added. The P-T-A has raised money to get a piano for the school.

Leonard Jones and Mrs. Noah Akers who have been very ill, are improving.

Clyde Jones and Randolph Hall have returned to Michigan.

Leo Rice has purchased the George Hall place where he will put up a business.

Mrs. Mary Zuber Hall has returned to Texas.

B. L. Jones is improving from a recent illness.

A pie "social" was held at the Banner school Saturday to raise more money for the school.

Most of the whooping cough cases are better, with only a few new cases.

LEAGUE TITLE WON BY DRIFT

Hancock's Mound Work, Adkins' Hitting Lead Team in Title Game

Drift, the team which barely, barely got into the play-offs of the Ekhorn Baseball League, Saturday night won its third of a five-game series with Wheelwright, the loop leaders at the close of the season, for its second consecutive championship.

That chance at a shot at the title in the play-offs was all Steve Benedict's Drift team wanted. They suddenly did an about-face from the team which lost the close ones to an aggregation which seized every opportunity, both offensively and defensively.

Wheelwright managed to salvage one win in the series. That tilt was won last Wednesday night, 5 to 1, after Wheelwright saw a 6-2 lead nullified, the night before, by rain. Drift won the first game of the series on the preceding Sunday, 6 to 0, behind the hurling of Olen Hancock.

With the series tied up, 1-all, Drift edged Wheelwright, 5-4, in 13 innings Friday night, with "Streak" Adkins driving in four of the winners' runs. His triple brought in Tommy Blackburn with the game-ending run. "Long John" Thornsbury, who relieved Hinchman to start the eighth inning, received credit for the victory while Cooley Wohlford was charged with the loss after taking over for Clayton in the 10th.

It was Hancock who came back Saturday night again to spin a shutout game for Drift. The loser was Mullins, who was plagued by eight errors, two of which were his own.

Heavy rains which during last week caused two series postponements also so badly washed the Wheelwright park that the last three games were played at Drift.

Box score of the championship game:

Box score table for the championship game between Drift and Wheelwright.

Summary box score table showing totals for both teams across AB, R, H, E.

In 1949, West Virginia (28.5 per cent) and Pennsylvania (21 per cent) mined almost half of the U. S. output of bituminous coal, according to the Bituminous Coal Institute.

LISTEN CLOSELY!

Another weekend is here! Soon the Church bells will again tell us that it's Sunday morning.

How are we to spend this day? A picnic or an outing might be fun, or maybe a visit to Aunt Mary's. Of course, we can turn over and go back to sleep, or maybe we should complete that delayed chore. As individuals, we have these choices to make—and more.

But as human beings whose destiny is guided by a greater power, we have no choice. Our blessings and our very lives have been bestowed and not earned. They have been entrusted to our care while on earth, and they are not ours to squander or to abuse.

If you begin *now* to attend Church regularly and to support its work, you will want no other choice—for you will be turning an obligation into a great joy. As men and women, it is our divine privilege to dedicate one day each week to the glory of our Benefactor.

Listen to the Church bells ringing on Sunday morning! Listen closely, for this is a day of worship, of prayer and thanksgiving.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

	Book	Chapter	Verses
Sunday Psalms	42	1-11
Monday James	3	13-18
Tuesday I John	4	7-12
Wednesday Luke	22	24-27
Thursday I Corinthians	12	12-18
Friday Isaiah	5	18-23
Saturday Psalms	139	7-12
