

THURSDAY

This Town... That World

MARTIAL WORLD

With the World Series coming up and the football season on we pause to give another score. This is the marital record of a Detroit couple. In 4 1/2 years he left the Little Woman 54 times. But what was worse, he left her 42 black eyes.

SPINACHOVICH

The Russians, who have invented just about everything, according to them—including every lie ever thought of, we add—now improved on spinach. They say they've increased the iodine content of the stuff three to four times and upped the iron content six-fold. If the Russkies have taken to spinach, maybe that accounts for these recent desertions and the report that Beria tore loose and never stopped running till he got on the right side of the Iron Curtain.

THE LUCK OF SOME PEOPLE

Comes now a report that the Courier-Journal had an item last Sunday about two five-pound bass being caught on one cast of a Darter by Floyd Gambo while angling for those non-existent fish of Desev Lake. Maybe the guy read it wrong—it could have been that he caught the two on the same plug on different casts. It doesn't make any difference to yours truly how it was done—I'm concerned only with catching one of that heft, with one cast or a hundred.

And Jack Keenan caught a four-pound smallmouth in the river, a few days ago. Been catching fish right along in the Big Sandy. H-m. Maybe that'll help toward getting a little elbow room at the Lake.

SELECT 240 AS OFFICERS

For November Election; Ballot Will Offer Two Amendments for Decision

Officers to preside at the polls in the November 3 election were named last Thursday by the county election commissioners, Marion Martin, Democrat, W. B. Boyd, Republican, and Sheriff A. B. Meade. The regular ballot at this election will include, in addition to names of Democratic and Republican candidates, two constitutional amendments for a decision by the voters.

Amendment No. 1 is that which would change Section 186 of the state constitution as affecting the distribution of public school funds. Amendment No. 2 would permit the General Assembly to provide for the manner of selection of the State Treasurer, Secretary of State, Commissioner of Agriculture and Superintendent of Public Instruction.

Names of the election officers follow, in each instance the name of the clerk, two judges and sheriff appearing in order:

Prestonsburg No. 1—A. C. Carter, Bob May, W. B. Boyd, Mat Parsley.

Prestonsburg No. 2—Virginia Stephens, W. F. Clarke, Paul Hayes, Woodrow Allen.

Depot No. 3—Bill Fitzpatrick, Woodrow Fitzpatrick, Sam V. Hale, Henry Harris.

Auxler — Fred Goble, George Wells, W. R. Ford, L. G. Mayo.

Middle Creek — Claude C. Allen, Wiley Wadkins, Frank Johnson, Gordon Tussey.

INITIAL WORK ON HOSPITAL SET OCT. 3RD

McDowell UMW Hospital To Provide Sixty Beds; Two Jobs Ready to Start

Construction of two more Kentucky units in the chain of 10 hospitals to be built in the heart of the coal industry under sponsorship of the United Mine Workers' Welfare and Retirement Fund is scheduled to get under way in the next two weeks.

Ground-breaking ceremonies have been set for 11:00 a.m., Saturday, October 3, at McDowell, and for Hazard on October 10. The Whitesburg hospital is tentatively planned for ground-breaking on November 7.

The hospitals will be integral units in a system extending through coal regions of Kentucky, West Virginia and Virginia.

Among participants at both McDowell and Hazard ceremonies will be Sam Caddy, president of U.M.W. District 30, and associates, representatives of the Welfare Fund's Memorial Hospital Association and local leaders in medicine and industry.

Welfare Fund spokesmen include Fred Mott, M.D., director of the Memorial Hospital Association; John Newdorp, M.D., assistant to Dr. Mott, and Asa Barnes, M.D., area medical administrator, Louisville.

The hospitals at McDowell and Hazard will be in keeping with the modern design established for all ten facilities.

McDowell, providing for about 60 beds, will be of two-story construction with surgical facilities and patient rooms on the second floor. The hospital was designed by the firm of York and Sawyer, New York architects. The hospital to be built at Williamson, of approximately 200-bed capacity, will serve as the base hospital for McDowell.

The Hazard structure will be three stories and, like McDowell, fire-resistant. It will have 64 patient beds and 27 bassinets. Out-patient service will be on the first floor along with a suite of laboratories, physical therapy and x-ray.

CLUBS TO BE HOST TO KIDS

P'Burg, Drift Clubwomen To Entertain Children In Kids Day Programs

National Kids Day, which is sponsored annually by Kiwanis International and the National Kids Day Foundation, will be observed in this county Saturday by two Kiwanis clubs acting as generous hosts to youngsters of the parts of the county they serve.

The Kids Day observance by the Prestonsburg Kiwanis Club will begin with a parade at 2 p.m. and that of the Beaver Valley Kiwanis Club will be held at the Drift ball park from noon till 4 p.m.

The parade here will start from the high school building, and the youngsters will be escorted by the police and fire departments. Immediately thereafter, the kids will see a free movie at the Strand theatre, the management of which donated the show in cooperation with the Kiwanis Club, John Burchett, chairman of the Kids Day committee, said.

Children of the Beaver Valley schools will be Kiwanis Club guests at Drift, and school buses will be operated to transport them to and from the ball park. Various contests will be enjoyed, with trophies awarded the winners by the club, according to Cliff Aders, chairman of the Beaver Valley's public relations committee.

In connection with Kids Day the Prestonsburg Club will launch its peanut sale at the football game here Friday night to raise funds, a portion of which will go to the National Kids Day Foundation, the remainder to the club's fund for underprivileged children.

BABE DIES

Estill Steagall, Jr., four months old infant son of Estill and Bertha Garrett Steagall of Garrett, died Tuesday at the Beaver Valley hospital, Martin, after an illness of one day. Funeral rites were conducted today (Thursday) at the home, the Revs. Ed Howard and Luther Davis officiating. Burial was in the Boyd cemetery at Hill Hat under the direction of Hall Bros. Funeral Home.

Wayland Man's Auto, Garage Are Destroyed By Charge of Dynamite

The investigation made into the dynamiting of the automobile of Farris Collins, well-known Wayland man, early last week has failed to clear up the mystery surrounding the case, The Times learned today (Thursday).

Mr. Collins, an electrician for the Elk Horn Coal Corporation at Wayland, has no known enemies, and apparently a motive is lacking. The auto, a 1952 Buick Super, was reduced to wreckage by the blast which was touched off at night. The explosion was so heavy that top and sides of the garage at the Collins home on Steele's Creek were blown away.

The Sheriff's office here said it had learned only a day or two ago of the dynamiting and had not made an investigation.

SCHOOL FOLK STRESS NEEDS

Of Education As They Continue Rally Series On Section Amendment

Floyd county school people are continuing the rallies held at various points in the county to arouse interest in the proposed amendment to Section 186 of the state Constitution, and the latest of these was the rally held at Wayland.

S. C. Berkeley, county chairman of the Citizens Committee for the educational statewide survey made last spring, addressed the gathering, calling attention to glaring weaknesses in the state's present educational system. He declared the proposed Minimum Foundation Program is the only solution to the problem.

County Superintendent Virgil O. Turner gave a resume of present expenditures made possible with available school revenue, then compared these with the expenditures that would be possible if the new program is adopted.

Asked how the amendment and minimum foundation plan would affect the question of consolidation, he stressed the fact that the matter of consolidation is not involved by either the amendment or the program which the amendment would make possible. He added, however, that consolidation is inevitable if education is to progress, regardless of what is done about pending recommendations. Mr. Turner cited the lowly status of Kentucky with its illiteracy, adding that this section is higher in adult illiteracy than others.

Charles Clark, of Garrett, president of the Floyd County Teachers Association, was a third speaker. Another rally is scheduled for Betsy Layne next Tuesday at 7 p.m.

MANY ATTEND FLOWER SHOW

Music Program, Paintings Are Features of Annual Exhibit at May'n School

The third annual Flower Show of the Maytown Woman's Club, held in the Maytown gymnasium Saturday, was well attended by both out-of-town and local people.

The P-T.A. luncheon and the apron and bake sale netted a nice sum. In the afternoon, a local talent music program, directed by Mrs. Thomas Patrick, won much commendation.

A painting by Toby Wells and Mrs. Reba Mayo's exhibit of flower paintings added beauty and color to the occasion.

Although dry weather had affected the quality and the number of flower entries, more than 100 entries were displayed. Forming a background were a number of beautiful quilts and other needlework.

Those displaying needlework were: Otha Howard, Vada Osborne, Louise Howard and Mrs. Ida Acree, all of Eastern; Mrs. M. M. Collins, Mrs. Mike Staley and Mrs. Maude Hatcher, Lackey; Mrs. R. H. Messer, Garrett; Mrs. George Fraley, Langley.

The flower entries, judged by Henry Haggan, of Morehead State College Agriculture Department, received blue ribbons for first, red ribbons for second and white ribbons for third.

Those receiving ribbons in the various classes were: Dahlias (informal medium shades): First, Mrs. David Reed; second, Mrs. Ed Stewart; third, Mrs. E. R. May.

Floyd Fair To Open, October 1

GIRL SCOUTS OF SANDY VALLEY COUNCIL GATHER AT ALLEN FOR ANNUAL RALLY DAY; CENTRAL AMERICAN LEADER IS SPECTATOR

Girl Scouts of the Sandy Valley Council, 110 strong, gathered Saturday at the Allen golf course for their annual Rally Day program.

Although the attendance was not as heavy as hoped for, leaders said the day's program was highly successful. Only Brownies and Intermediates took part in the program, senior Girl Scouts devoting their time to assisting the small staff of leaders.

While the girls went about their progressive games, the preparation of their lunches, their present and scavenger hunt, singing, exhibition of campcraft skills, an interested spectator was Senora Mercedes Lasso de la Vega, the Girl Scout Leader from Panama City who is a visitor in the United States to study Scouting methods from the Brownie troop on through leadership and administration. The visitor spoke at the rally and answered questions of the girls about Scouting in Panama.

Camp skills at which the girls excelled were bed rolls, first aid, firebuilding, measuring distances, chopping wood and using a knife. The Rally activities began at 10:45 a.m., and continued till 2:50 p.m., with the closing ceremonies.

A feature of the meet was the singing of Troop 11, a colored troop from Wheelwright.

LOCAL RACES IN 5 TOWNS

Mayor's Race in P'Burg, Police Judges Elsewhere Enliven Coming Election

Local elections to name council members, mayors and police judges, in five incorporated towns will add to the interest now developing in the Nov. 3 election.

In Prestonsburg there is no council race, with the Progressive ticket composed of the present Councilmen, J. Y. (Sonny) Goble, Carl Corbin, Curtis May, Paul C. Combs, Watt Hale, Robert D. Francis, Sam Wells and W. O. "Bill" Goebel, having no opposition.

Mayor Curtis Clark, a candidate for re-election on the Progressive ticket, does, however, have opposition. Henry Howard announced last week as a candidate on the Broom and Mop ticket.

The town of Allen has two Council tickets and two candidates for Police Judge. On the Pick and Shovel ticket Henry Porter, G. B. Auxler, Gomer Crisp, Galloway Laferly and Grant Parsons are running for Council or Board of Trustees. They are opposed by Maurice E. Mitchell, Walter Frasure and Dewey Sargent, whose ticket emblem is a Boy and Girl. Theo. Salmons, the present police judge, is running for re-election on the

(See Story No. 3, Page 5)

103-YEAR-OLD FLOYD MAN RECALLS CIVIL WAR, FEUDS

No man in Floyd county can draw deeper from the well of memory than Melvin Stone, of Presto, Nor can any bring out of the past more colorful recollections. For he was a youngster during the Civil War and knew intimately all early led men such as Clabe Jones and Talk Hall.

On his next birthday he will be 103 years old and probably the oldest man in all Eastern Kentucky.

He comes from a family noted for longevity. His only brother, living now in Taplan, W. Va., is 94. A sister died in Rowan at the age of 90. His father and mother both lived to be over a hundred. She died at 105 and he at 106.

Born June 1, 1851, Mr. Stone is bedridden and totally blind, but his mental faculties are those of a man in his sixties. He was bedridden 20 years ago by some obscure disease, and seven years ago he went blind. Time for him is measured by neither sun nor light—life is darkness, the width and breadth of a bed and his memories. Of the latter he and his friends are blessed.

He talks of his grandparents, Hiram and Temperance Justice Stone, who were married in this county, Sept. 24, 1818. His father, M. Stone, married Maria Hall on August 25, 1844. Melvin had two or three brothers and sisters when he was born

McCOY BUILDS ALLEN TRACK

Stock Car, Horse Racing Planned; Says First Race May Be Within Two Wks.

Stock car and horse racing will be introduced to Floyd county within the next few weeks, it was announced Tuesday by C. M. McCoy, Prestonsburg, owner of the track now nearing completion at Allen.

Barring bad weather or some other unforeseen circumstance, Mr. McCoy expects to stage the first race on the new speedway in two weeks. He hopes to hold from two to four races this fall on Sunday afternoons, and to install lights for night racing next year.

The three-tenths-mile oval track is recognized by the National Stock Car Racing Association, and Inspector of the Association was quoted as saying the Allen track is one of the best in this area. The nearest track to the new Allen track is at Huntington, W. Va.

Huntington auto racing will be held on Saturday afternoons.

Mr. McCoy said he has already been assured of out-of-state entries for the first auto race.

On the straight stretches the track is 35 feet wide, and on the banks it is 39 feet. Present plans call for both horse and auto racing on Saturdays and Sundays of each week.

Huntington auto racing has been highly successful, and Mr. McCoy expects to draw spectators from a wide part of Eastern Kentucky.

COURT VOTES 15-YR. AUDIT

To Employ Accountant On Criminal Fees Paid Officials Since 1928

The Floyd fiscal court voted unanimously Wednesday to employ a certified public accountant to audit all county fee offices for the year 1952 and all fees in criminal cases back for a period of 15 years.

The audit would not, it was stated, include the five years, 1947-1951, for which audits of offices already have been made.

The order providing for the audit directed that the County Clerk advertise for certified public accountants who are interested in this work to contact the court at 10 a.m., Oct. 14.

The audit action was taken on motion of Magistrate M. C. Wright. Except for this order, work of the court at this week's meeting was devoted to paying claims.

(See Story No. 2, Page 8)

This new rolling library—first of 100 the Kentucky Bookmobile Project expects—is shown in Louisville by Donald P. Brown, Project executive director, to Mrs. M. S. Burks, Camp Taylor teacher, and Jerry Erickson, banker from Boston.

OWENS DRAWS 1-YEAR TERM

For Child Desertion; Otherwise, Court Dull With Few Convictions

One pen term of a year and three fines were the major results of the week's work in Floyd circuit court.

Delmer Owens drew the prison term upon his conviction on a charge of child desertion. Among those fined was Douglas L. Brown, who was held in contempt of court when he failed to appear for possible jury service, Sept. 15. He was fined \$10. Ova Johnson was fined \$100 for assault and battery, and a fine of \$50 was levied on Jerry Mitchell for damaging property.

Continuances and dismissals were the remaining items on the court's order book. Two child desertion cases were continued on agreement of the defendants to pay for the support of their children. Galloway Morgan agreed to pay to the maternal grandfather of his three children \$75 a month, and Edd Hall is to pay \$50 monthly. A flock of child desertion cases were continued with alias process (another bench warrant) to issue. Defendants in these cases were Edna J. Coburn, Charley Handshaw, Hargis and Hazel Conley, Ellis Ward, Avery Floyd, William Okie Bevins, George Clark, Alvy E. Jarrett, Orville Caudill, Carrill Brown and Austin Prater. The drunk driving, assault and battery with an auto and leaving the scene of an accident charges against Creed Vanover were also continued with bench warrants to issue, as were the cases of Sylvia May and John Milton, accused of keeping a disorderly house, and Leo Porter, drunk driving.

Trial of Elizabeth Jarrett on a charge of keeping a disorderly house and the fornication case against Catherine Jarrett and the man whom she married in Ohio, George Honaker, colored, were continued till Nov. 12. Other continuances:

Eimer Blackburn, striking at without wounding, continued generally; Roy Cook, reckless use of a deadly weapon, Nov. 13; Harlan Stone and Clarence Osborne, shooting at without wounding and recklessness of a deadly weapon, Oct. 1; Glen Moore, drunk driving.

(See Story No. 6, Page 3)

Floyd County Needy Paid \$51,926 Total For Month of August

Frankfort, Ky., Sept. 21 (Sp.)—Needy residents of Floyd county received \$51,926 during August under three Public Assistance programs, Aaron Paul, state director of Public Assistance, reported today.

The report listed these expenditures:

Old age assistance, \$22,885; aid to dependent children, \$27,244; and aid to the needy blind, \$1,797.

For all three categories of aid, \$3,330,651 was distributed in the state during August, about \$56,000 less than July payments. Old age assistance payments totaled \$1,942,905 or an average of \$34.91 for each case; aid to dependent children payments amounted to \$1,293,755 or an average of \$53.45 for each family and \$93,591 went to the needy blind, for an average check of \$36.92.

ANNOUNCE BIRTH

Rev. and Mrs. Vernon D. Wright are announcing the birth of a son, weighing 8 1/2 pounds, at the Hopkinsville General hospital. He has been named Vernon Douglas, Jr. Mrs. Wright is the former Sue Miller.

FLOYD'S BEST FARM EXHIBIT IS FORESEEN

Rides, Entertainment Arranged in Addition To Regular Features

Floyd county's Fair, the first since World War II, will get underway here next Thursday for a three-day "stand". Its sponsors think it will be the biggest and best agricultural exhibition the county has ever had.

To insure entertainment for the many visitors expected, four main attractions are being made available, Franklin Moore, chairman of the entertainment committee, said. These are continuous movies to be shown at the grade school auditorium, the talent show scheduled also at the grade school for Thursday and Friday and square dancing every night on Court Street, as well as amusement rides.

The talent show is expected to bring out musicians, dancers and variety of talent of all kinds. The finals for the show will be on Friday night with two awards of \$100 and \$50 for first and second prize. The square dancing will be under the direction of a nationally known authority on folk-dancing. The scheduled rides will be set up in the playground.

Of greatest interest to the farmers, though, will be in the agricultural exhibits. Stated for exhibition are livestock and poultry of all kinds. There will be display of corn, tobacco, hay, fruits and garden products. The women will show exhibits of clothing, canned products, foods and room improvement items.

The youth agricultural clubs, 4-H, FFA and FEFA will have their own items to exhibit. A fine arts department will display original paintings, drawings or sketches by people of this county, and an antique department will offer some of the priceless heirlooms of the past. The Boy Scouts will stage part of the Jenny Wiley pageant they gave this summer; at the international meeting of Scouts at Jamboree City, Calif., Jesse Elliott, chairman of the fair, said in a prepared statement this week: "It is our hope that you will make the most of this way of showing what we have done and seeing what others have done".

(An eight-page supplement to this edition of The Times lists in detail the prize list, and its advertisements show Floyd courtians business firms are supporting their fair.)

PLANE BEARS POWs HOME

Whitaker One of Seven Arriving with General; No Accounting for Two

On the same plane which returned General Dean to the United States, Wednesday, were seven other repatriated American prisoners of war—one of whom was Sgt. 1/c Mickey A. Whitaker, son of Mr. and Mrs. Wiley Whitaker, of West Prestonsburg.

The general was accorded a hero's welcome, but he told the crowd gathered at Travis Air Force Base, Calif., he is no hero but a prisoner of war and "just a dog-faced soldier".

Among the Floyd soldiers repatriated after long months in Red prison camps were Pfc. Taggett Allen, son of Mr. and Mrs. M. L. Allen, of Abbott Creek, who arrived home last Wednesday, and Master Sgt. Forrest Montgomery, son of Mr. and Mrs. Dayrus Montgomery, of West Prestonsburg, who arrived here Saturday.

Pfc. Allen, who was met at Ft. Knox by his father and Jarvis Allen, explained the long period in which his parents did not hear from him. He said he refused to write letters bearing the Communist "line" about non-aggression. He said he and Montgomery contrived to communicate with each other in separate camps by smuggling out a note.

Still unaccounted for are James Wallen, son of Mr. and Mrs. Ollie Wallen, of Water Gap, and Robert Dempsey, son of Mr. and Mrs. Moss Dempsey, of West Prestonsburg.

Latest of the Floyd prisoners of war released is Donald H. Roop, son of Mr. and Mrs. Ambrose Roop, of Betsy Layne.

FIRST CHILD IS BORN

Born to Mr. and Mrs. Harry Clark of Newport, Ky., their first child, a daughter, Sept. 17, Mrs. Clark is the former Mildred Seal of Prestonsburg.

PVT. TURNER IN VIRGINIA
 CAMP PICKETT, VA. — Pvt. Marcus K. Turner, son of Mr. and Mrs. Green Turner, Blueysville, Ky., completed basic training recently at the Medical Replacement Training Center here.

Nickel alloys, because of their strength and resistance to heat and oxidation, have contributed greatly to the efficiency, safety, durability and lightweight of both the standard airplane engine and the jet engine.

VOTE STRAIGHT FOR YOURSELF

It is not only a privilege to be an American it is a great responsibility. It is a legacy of freedoms, privileges and rights willed to us by our forefathers who lived under the yoke of oppression and knew the value of freedom as other people could.

These great freedoms, won at the cost of bloodshed, strife and toil of men with their eyes upon the future and the cost was no excuse as they expected to pay with their lives and many did. The same thing has happened three times since the Declaration of Independence. The same price has been paid for your American citizenship by the blood of men who cherished these great rights.

The right to be an American was fostered by our forefathers and nurtured by sacrifice. The sole custodian of our rights is the individual and his vote, based on a two party system so as not to have a totalitarian state, and thereby lose this great heritage through default.

Your vote my friends is one of the greatest weapons for good or bad, that you have. It's devastating power is equal to the atom bomb if used as was intended. With this, the only weapon of the people against bad or for good government, you the people have the power to control this county. You can fire or hire every four years and impeach between times if necessary. The two party system being flexible and set up in such a manner that in the final election we may vote for whom we choose, regardless of party affiliation.

The professional politician is trying to sell the people a bill of goods. That particular bill of goods being, "Vote it Straight." We wonder why they have the same time "Vote it Straight" every election. Seems as if the professional politician is afraid some one else will get his job. Some one with better qualifications or another young man that isn't a professional. Or maybe they feel that our people do not have sense enough to know how to vote and they have to tell them every election.

Do they want you to "Vote Straight," so you may have the best officers possible? That you may have clean, honest government or that they may perpetuate themselves in office and then his son and after him his grandson? Does this professional say, "Pick the man best qualified. Pick an honest man. Pick a man of integrity," or does he say, "Vote her straight and pick me."

L. Gormon Collins, candidate for Sheriff, do ask you good Americans, proud of your heritage, thankful to God that you are an American and enjoy the blessings of Democracy—to "Vote Her Straight—Straight for yourselves." A vote for good, qualified officers, regardless of party affiliations, is a straight vote.

Sincerely,

GORMON COLLINS

Stephens Wins State Junior Casting Title; Anglers in Tourney

The State Junior Conservation Club bait-casting championship was retained in Floyd county for another year Saturday when Stewart Stephens, of Prestonsburg, cast a 96 at the State Fair in Louisville to defeat in easy fashion casters from other conservation districts of the Commonwealth.

He succeeds David Allen, who held the title two years in a row and whom Stephens eliminated in the district contest last spring.

Following the junior conservation contest, the Mountain Anglers — Stephens, Allen, Bill Baker Burke, Edmund Burke and Quentin Allen — staged a casting exhibition at the Fair, Saturday night.

Next day, all five boys competed in the tournament staged by the Louisville Casting Club, and there they gave a great account of themselves.

Bill Baker Burke won the five-eighths-ounce contest, recording in a cast-off a 99 to defeat David Allen with whom he had tied with a 98 Bob Budd, of Louisville, won the three-eighths-ounce event with a 98, and Bill Baker Burke, Stewart Stephens and David Allen tied for second place with 97s. Allen cast a perfect 100 to win the cast-off.

David Allen won the skish bait event with an 82.

Bob Budd made almost a clean sweep of the fly events.

CALLER HOME BY FATHER'S ILLNESS
 Miss Vyvyan Combs was called home from Lexington, last week, by the serious illness of her father, A. B. Combs, who suffered a stroke last week. Mr. Combs is a patient at the Prestonsburg General hospital. He has not shown improvement this week. His numerous friends are concerned about his serious condition.

Mrs. Lydia B. Patton, 85, Dies at Daughter's Home; Was Native of Floyd-co.

Mrs. Lydia Baldrige Patton, 85, formerly of this county, died at 8 p.m. last Wednesday, at the home of a daughter, Mrs. Herman Taylor, Ashland. She was the wife of the late Joseph A. Patton.

Mrs. Patton was born Oct. 15, 1867 in this county, a daughter of the late William M. and Dicy Conley Baldrige. She was a member of the United Baptist church. Although she had resided with her daughter for the last four years, she had resided at Cannonsburg for 80 years.

Surviving sons and daughters besides Mrs. Taylor are Mrs. O. Gartin, Mrs. Clarence Hornsuckle, T. N. Patton and I. D. Patton, Ashland; Bert and Henry Patton, Catlettsburg; Jesse Patton, Lexington; C. W. Patton, Waverly, O. Also surviving are the following brothers and sisters: Mrs. Will Stephens, Cliff; Mrs. Celia Hackworth, Bonanza; Miss Susan Baldrige, East Point; Thomas A. and William Baldrige, East Point; and Henry J. Baldrige, Cliff. Twenty-seven grandchildren and 12 great-grandchildren.

Funeral rites were conducted at 2:30 p.m. last Friday at the Cannonsburg Baptist church, the Revs. S. N. Meade and Carroll Caudill officiating. Burial followed in the family cemetery.

REV. AND MRS. JOE COMBS

REVIVAL at WEST PRESTONSBURG EACH EVENING AT 7:30 BEGINNING OCT. 4

Since we have moved here recently we want to get acquainted with all the good folks around Prestonsburg so we are calling this a "Get-Acquainted" Revival. Come and enjoy the blessings of God every night.

**THE PLATFORM OF GORMON COLLINS
FOR SHERIFF OF FLOYD COUNTY**

The taxpayers of this county have been paying a big price for
the results they have been getting. The Sheriff's office pays enough
money in fees for collecting taxes and fees for all the other services
that it performs to be able to maintain a good force of officers and
pay them a fair salary. It pays enough to give the people good law
enforcement and still be able to turn money back into the county
treasury.

You, as citizens and taxpayers, should expect our Sheriff's force
to be equal to, if not better than, counties that are smaller and have
less taxes and less revenue coming into the Sheriff's office. You should
expect our law enforcement agency to make some advances as the
years go by. Can you name one advancement that has been made in
the past ten years? Do you as taxpayers expect to elect an officer and
let him sit down and let the rest of the world advance all around him?
You have been paying for more than you have been getting.

I will offer you more as your Sheriff than any Sheriff has here-
before in law enforcement and progress. I do not offer you the moon,
neither will I offer you squad cars with two-way radio. I will only
promise you the things I can and will deliver.

First, I will give you four years of honest law enforcement.
Second, I will give you deputies of good repute and pay them a
decent salary, that they may live without having to blackjack the
public for a living.

Third, I will furnish a deputy for all public gatherings and ath-
letic events, outside corporate limits and in them upon request. I will
give your schools and churches the protection that has been so sadly
lacking.

Fourth, I will establish in the Sheriff's office a fingerprint bureau
and fingerprint all subversives and known criminals.

Fifth, I will have on the Sheriff's force a trained detective, a man
from our own county trained in one of our large police schools of our
country.

Sixth, there will be no favorites. All the people of Floyd county
will be treated upon an equal basis.

Seventh, I shall use as my guide the oath of office that is admin-
istered to the Sheriff upon taking office, and be a Sheriff of the people
and for the people. Under my direction the law in Floyd county will
be respected rather than feared, a help instead of a hindrance, servants
instead of masters, enforcers of the law instead of buddies to the
lawless.

I WANT TO RUN THIS RACE UPON MY REPUTATION AND
NOT ON MY OPPONENT'S.

I feel that it is the duty of every good citizen in this county to
investigate my past and my present and judge the future on his find-
ings. The same should be done to my opponent, then the choice should
be made. If you feel that I will not make you the kind of Sheriff you
desire, then you should vote against me. If you feel that Floyd county
deserves something better than it has had, if you believe in law and
order and a better place to live and rear your families, and want a
man that will do the job—then you should support me for Sheriff
of Floyd county.

IT IS BETTER TO BE SAFE THAN SORRY

premium gas with celebrated FirePower Engine. Power Brakes for faster,
safer stops. The matchless ease and safety of full-time Power Steering that
does 85% of the steering work for you. America's smoothest ride . . . with
famous Oriflow shock absorbers. Only a demonstration can "describe"
them. Enjoy one today!

AMERICA'S FIRST FAMILY OF FINE CARS

**The Rails Cry,
"Give! Give!"**

WE are told that John L. Lewis and his United Mine Workers have contributed, through demands for higher prices and "fringe benefits" which include the miners' Welfare Fund created by a per-ton royalty collected from the operators, to pricing coal out of the market.

It cannot be denied that these factors have brought the price of coal up, but there remains the extenuating circumstance that these were factors which contributed to better living conditions and medical services for human beings.

There is another big factor in the mounting prices placed on coal, and it has none of the human welfare angle to justify it. That is the matter of increasing freight rates, the revenue from which goes to giant corporations which own the railroads that haul coal from mine to market.

Joseph E. Moody, president of the Southern Coal Producers Association, has described with fact and figure the sad dilemma in which coal finds itself. He blames no single thing for the present critical situation; instead, ascribes it to the combination of higher freight rates, higher wages, royalties, competition from natural gas and residual oil. To our mind, the strongest indictment of all is that which is lodged against the railroads.

This is the bill of complaints against the railroads:

1. Bituminous coal freight rates since 1948 have increased a maximum of \$1.15 per ton net, and as a result the railroads are profiting more by hauling the coal than the operators are for mining it.
2. The railroads increased freight rates between 1948 and 1951 14.6 per cent while the highest increase made on hauling other products, manufactured or otherwise, was 8.4 per cent, and this on iron ore.
3. Net profits, after taxes, of the Chesapeake & Ohio, for example, as evidenced by recent statements, are greater this year than last, and last year they were greater than for the preceding year. Yet the railroads fight every plea for a cut in coal freight rates, despite the distress of the industry.

Were the railroads hard-pressed, with higher rates the difference between economic life and death, such an attitude toward coal, without which few if any rail companies would flourish, could be explained, even condoned. But they prosper while they slowly choke to death the goose that lays for them the golden egg.

More than 50 percent of the business of the C. & O. Railway Company derives from the coal industry. The miner and the operator depend wholly on coal for their earnings. On coal the economy of this entire section depends.

Appears to be time everybody begins thinking about what is to keep the coal mines in operation. To give an inch or so now may save all from complete surrender to economic despair later.

Wherein Both Administrations Are Alike

ONE striking similarity of the Eisenhower administration to that of the Truman regime becomes more and more apparent. That is the stock reply to every Russian proposal to ban the use of the A-bomb or the even more hellish hydrogen bomb. "Unsatisfactory" . . . "Too vague" . . . "Insincere". These phrases have been heard or read in the comments of both administrations on Red proposals.

And both administrations may be right. Few are so naive as to credit the Communists with sincerity or a real desire for world peace. Yet, if we ourselves are sincere, why not at least give them a chance to prove to the world where they stand on this issue of mass destruction of human life?

When Adlai Stevenson recently advocated at least an effort on the part of the western world to reach an amicable understanding with Russia, he was promptly dubbed "an appeaser". Is every man of goodwill who would explore every possibility of peace, every remote chance of saving the world from a bath of fire in which civilization itself will probably be destroyed, an "appeaser" or is he an individual who is willing to lay aside prejudice, throw his cards on the table and give the world proof that it is really peace he wants?

Every day that passes draws the United States and a large part of the world nearer war with Russia and the great masses of humanity that power controls. Dismissal of every overture with highly descriptive words, however accurate they may be, does nothing to stay the dread day. Such disposition on our part to explore the possibilities gives Red Russia one of its most powerful propaganda weapons as it turns to other nations and says, "We offered to ban atomic power, but they weren't interested."

Men talk, Peace, Peace, and there is no peace.

Naturally, we shall not scrap our store of atom bombs or discard what we have achieved toward the more destructive H-bomb without knowing what the Reds have and are doing about their weapons in the same category. Quite naturally, we shall hesitate about dissipating our strength in the face of the overpowering abundance of manpower the Communists possess. At best, we face an uncertain future. We shall have to depend on the best diplomatic minds representing us and our allies to negotiate, and the world situation is a maze from which at best we may not emerge without wandering into dark and distant places.

Yet we must try. Let us try on a put-up-or-shut-up basis, and have done with the double talk.

DAVID

The David P-T-A met Monday night at the David school for the purpose of installing new officers for this year and to appoint the committee chairman. Installation services were conducted by Clark Todd.

The new officers are: Chester Patton, president; Virginia Harmon, vice president; Jack Burbanett, secretary, and Mrs. Cecil Sturleton, treasurer.

Committee chairmen are: Program, Mrs. Delmas Saunders; hospitality, Ora Howard; publicity, Mrs. Ellis Hale; membership, Mrs. Jack Burbanett; safety, Curtis Tussey; health, Francis Harmon.

Some discussion was given Amendment of Section 185 and plans were made to have a speaker on this subject at an early date in October.

PAGES NAMED TO B.A.E. MEETING

Miss Winnie Sue Cooley and Miss Joy May will serve as pages, Oct. 7, at the Sixth district meeting to be held in the Methodist Church at West Liberty. They are daughters of Mrs. W. W. Cooley and Mrs. Ed May who will represent the John Graham Chapter, Daughters of the American Revolution. Luncheon will be served at the church and all members are urged to make their luncheon reservations with Mrs. Catherine Amay, Grassy Creek, Ky. Price of luncheon plate is \$1.50.

LETTERS TO THE EDITOR

THE LETTER SHE MAILED

Editor, Floyd County Times:
I have written you many letters, but have never mailed them. A few of us Floyd countians will get together and talk about home, then I'll sit down and write you a letter about how we feel concerning conditions at home and then never mail it for fear I'll offend someone.

This time I intend to mail my letter to you. If someone doesn't tell you people at home how we feel, you will certainly never know. The truth of the matter is, Mr. Allen, we are homesick, and there doesn't seem to be a thing we can do about it. My mother sends me The Times every week and it's sure dog-eared by the time everyone passes it around.

For a while there we had high hopes of getting to come home and all the talk was canalization of Big Sandy, but it seems our hopes of coming home may be in vain, for we haven't seen the canal mentioned in The Times for weeks. What has happened? Are they still working on the project?

I'd like to say right here to the men who have the power to get canalization of Big Sandy and a plant in Prestonsburg, if there is anything we exiled Floyd countians can do to help, all you have to do is let us know. We will do our best to fill the smallest or the largest request made of us. You see, we know what its like to be homesick.

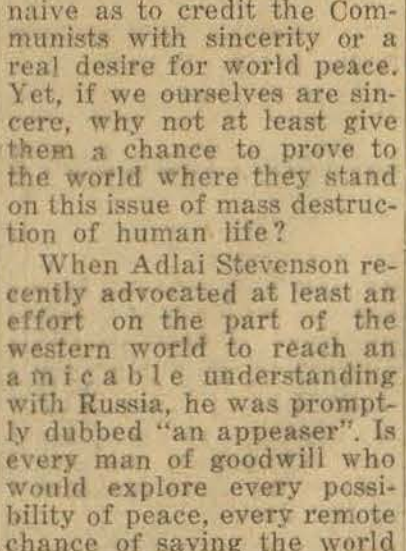

There are a dozen or more families from Floyd and Pike counties right here in this little town, and it's only the size of Prestonsburg. As you already know, not one of them left home because they wanted to. They had to find work in order to live and be able to send their children to school.

I don't think there is one of us that wouldn't give five years of our lives just to pick up a Floyd County Times and read, "A Canal is Being Built up Big Sandy!—Plants Are Coming to Prestonsburg! Come Home, You Lonesome Hill-billies." That would be a happy day for us and we would work hard to help put Floyd county out in front and build it into a show place, as well as a place where our children can find work when they grow up.

We all have fine sons and daughters who will, one day, make useful citizens for Floyd county, if given the chance. So to you men who have the power to do something about conditions at home we say, more power to you. Let us know if we can help in the smallest way. We have learned a lot in the North—and, most of all, to appreciate home.

Mrs. Audrey Hughes Owsley
Box 15,
Wellington, Ohio

THE GREATEST COMFORT TO A FATHER IN SERVICE IS TO KNOW HIS CHILDREN WILL BE PROTECTED BY GROUPS SUCH AS THE SISTER KENNY POLIO FOUNDATION! GIVE TO THE KENNY FUND AND YOU GIVE A FIGHTER SOME PEACE OF MIND!

MINIMUM FOUNDATION PROGRAM, ITS EFFECT ON FLOYD COUNTY

The proposed Amendment to Section 185 reads:

"All the funds accruing to the school fund shall be used for the maintenance of the public schools of the Commonwealth, and for no other purpose, and the general Assembly shall by general law prescribe the manner of the distribution of the public school fund among the school districts and its use for public school purposes."

Vote "Yes" for this Amendment in November election, because:

FIRST: Kentucky is the only state using the per capita method of distributing funds.

SECOND: Floyd county receives from the state \$38.11 per child in the county this year, while other districts receive up to \$140.00 for each child enrolled in the public school. At present Section 186 continues this unfairness.

THIRD: The Legislature, under the present section of the Constitution, has refused to vote more money for the schools because to do so it would have to vote \$3.50 to the already wealthy districts in order to get \$1.00 to a poorer district like Floyd county.

FOURTH: The Equalization Law does not change this inequitable situation.

FIFTH: This is the last year of the Equalization Law unless the Legislature reenacts it and provides the money.

SIXTH: The equalization provision is very unstable. Floyd county loses, this year, \$66,000.00 under this provision due to a falling assessment ratio. Assessments in other counties of the State were up much more than Floyd county. Next year, if the law stands as it is at present, we will lose another \$188,000.00.

SEVENTH: The present provision discourages attendance.

EIGHTH: We have lost \$27,000.00 on per capita this year. As children continue to move out of the county, we will lose more. What is to take the place of this?

NINTH: Local taxation does not help the situation, for some children live in a district where the assessed property valuation is \$1,100 per pupil. Others live in a district where the assessed valuation is \$55,000 per pupil, or fifty times as great. There are 105,000 pupils living in 33 districts in which the assessed valuation is less than \$2,500.00 per pupil. Yet real estate in these 33 districts is assessed as high as the state average. The assessment value behind each child in Floyd county is \$2,285.00.

TENTH: The school census distribution method discourages both initiative and responsibility by disregarding ability of the local district to support education.

ELEVENTH: The passage of this new Amendment to Section 186 is necessary to put into effect the Minimum Foundation Program proposed for Kentucky schools. This program would bring into Floyd county approximately \$345,228.19 more than at present.

The proposed MINIMUM FOUNDATION PROGRAM WOULD NOT CHANGE LOCAL PROPERTY TAXES.

Here are budget figures for Floyd county under the MINIMUM FOUNDATION PROGRAM, based on present conditions:

TOTAL BUDGET,	1,643,568.80 State contribution
	295,231.20 Floyd co. contribution
	1,938,800.00
For enrichment	107,356.90
	2,046,156.80

used extensively by our armed forces. The idea expressed here is, I believe, worth exploring. Others have many worthy ideas, and should be encouraged to express them, for the benefit of all. But it must be remembered that ideas without action are worthless.

C. L. Lafferty
Cambridge, Ohio

STEVE CANYON by Milton Caniff

HE'S A LITTLE BOY LOST -- AND WHO'S TO FIND HIM?

He has several nicknames, the most often-used which is Buck, and he couldn't very well use initials instead, since he claims he doesn't know his name.

In that case his initials would be L. C. L. They would stand for Little Boy Lost.

He was lost when authorities at Marion, O., picked him up, a few days ago, and placed him in a detention home. Before that, he was lost when picked up in Columbus, O. He told the folks there that he was going home, and so gained his freedom, but he had no home.

Before that, long before that, he lost his home. His parents separated when he was a little thing. After that, he stayed from place to place. Sometimes he ate, sometimes he didn't; seldom ate what he should, or slept where he should.

He hitched rides. He slept for a time in a miner's bath-house. He had a mother, but he seldom if ever saw her. His father died. Somehow, he got along to the seventh grade in school, but he hates school.

Fact is, he hates just about everything.

This youngster has sense, but his thinking is all jumbled. Fair-haired, blue-eyed, he was clean when the Marion, (O.) detention officer returned him here this week. He could have been most anybody's boy—but for his thoughts as expressed in conversation. He said he is 18, but some say he's smart enough to say that and so keep from having to attend school. These folks say he's nearer 14. Maybe he doesn't know. He never had a birthday party, likely, may not in years have been reminded when his birthday rolled around and that he was a year older.

LEL just isn't interested. Home is where his hat is. But that sort of home has none of the warmth, the loving-kindness or attachments of the house where mother or dad lives. So it's a Little Boy Lost, and he has ceased to care.

IT'S A GOOD WORLD

BY WILMAY

The death of Chief Justice Vinson makes all of us realize how outstanding our good people here become. This man was great enough to turn down the offer to acquire the presidency, which most men of similar opportunity covet. Everyone rejoices that his home town saw fit to honor him before it was too late.

Recently, The Times reported the recent industrial meeting in Ashland. Seven men from Floyd attended. Walter Koch, director of industrial development for the state Chamber of Commerce, was speaker. When asked why Eastern Kentucky counties cannot attract industries, he candidly said it is because of the lack of cooperation by the people, and not because of the lack of leadership. This column has stated the same thing more than once. Last spring in another meeting in Paintsville, Bruce Walters, of Pikeville, according to the Courier-Journal, said failure here is due to a lack on the part of people themselves, and not to outside factors.

Such blunt statements put it plainly, and our good citizens may feel resentful. But no one means THEM. Our own county is blessed with a surplus of A-1 leaders, men and women. The crucial need is enough interested followers! Too many say, "Let George do it." Several months ago an eminent leader in the county said people here do not want other industries and further progress; for, if we did, more of us would do MORE about it. Proof of this lies in another remark by Dr. Koch, who said community development associations in Big Sandy have "died on the vine". So did our county hospital, the pageant, etc. (We hope enough tire of our repeating this, to do something about it in the next undertaking, whatever it may be.) Outside interests, organizations and individuals can never help us till more of us want to help ourselves, and to do so badly enough not to be stopped by anything! Floyd needs hundreds of men like Mayor Clark, B. F. Reed and others sacrificing to try to get this section on its feet to stay. Oh, the tragedy of losing so many of our good people to other states, when they prefer Kentucky ten to one. Too often one hears a sad refrain, "You can't do it here," and frequently it is true. This indictment is not against good people who do help and work, but it applies to the indifferent ones.

Yet there are CAUSES for that indifference, and the lack of education is often the reason. A careful study of the history of our section reveals its basic ideologies. Strife is not always present, but the absence of cooperation may prevail despite this. More often it is the lack of ENOUGH cooperation. The chief solution is more education for the masses who need it.

One means for achieving this is the Minimum Foundation Program now sought. It will give every child the same chance. The rural boy and girl will receive as much for his school, per capita, as those in cities. On TV Tuesday night, Olin Nutter, superintendent of Cabell county schools in Huntington (Virgil Allen, formerly of Allen, is his wife) told how his county has thousands of dollars less to operate with this year than last. He is in an urban area that lost dollars to poorer sections when West Virginia adopted the plan like the one Kentucky now seeks. This is why cities are now opposing the amendment to Section 185. It is why we need to vote YES in November.

Years ago Maytown school was the only county school in Floyd that could afford a nine-months term for all grades, before Kentucky voted nine-months terms for all schools. Others in the county closed the grade schools at the end of seven months. But Maytown had sufficient funds to operate, because she drew heavy school taxes from three gas plants, two of which remain here today. While some schools reported deficits and borrowed, Maytown had funds in her treasury. Educational leaders recognized the disadvantage this proved to children in poorer districts. Maytown citizens agreed. County funds were then placed on an equalized basis. The same problem exists now on a statewide basis. City schools have been receiving three to four dollars for every single dollar poor ones get. Kentucky will remain at the bottom of the list till this is changed. Our state is the only one where this situation exists. Will you help correct it? Watch The Times. Listen to WPRT, attend community rallies, vote YES in November. Maytown P-TA went on record in favor of the amendment. Will your organization follow?

We salute The Times and WPRT for donating space and time to this worthy cause. Our press and radio are influential mediums for progress. They are doing MORE than their part. Will you do your share?

Open Book ticket, with Bennie Laferty his opponent on the New Broom ticket.

At Martin there is no Council race, with Leonard L. Osborne, Demitt Halbert, Eugene Frasier, Emitt Tackett, Has Stone and Mack Taylor together on the Bee Hive ticket. But the police judge matter takes on more interest with three candidates in the running: A. B. Osborne on the Open Book ticket, Foster Porter on the Bee Hive and Kessie Akers, Pick and Shovel candidate.

At Wheelwright there is no election, as Robert Moscrip is unopposed for Police Judge and Arthur Bradbury, H. M. Wilkinson, Sr., Kenneth B. Deal and J. W. Balley are without opposition for the Board of Town Trustees.

Three candidates are seeking the Police Judge post at Warland, but the five Town Trustee candidates, George Crager, H. H. Craft, Woodrow Warrens, Gordon Crowder and William Greathouse, are unopposed. The three candidates for Police Judge there are Robert Hicks, registered on the Good Government ticket under the Open Book emblem; William T. Marshall, with no party or emblem mentioned in his petition for a place on the ballot, and Albert Webb on the Open Book ticket, with the Open Book the emblem.

HERE FOR ELLIS FUNERAL

Among those from a distance who attended the funeral of Tom Ellis were Mr. and Mrs. Oak Castle, Mr. and Mrs. Beecher McCloud, Tener Tackett and daughter, T. J. Tackett, Painsville; Mr. and Mrs. C. R. Peters, Magdalene Branham, Martin; Mrs. G. C. Clark, Cleveland, O.; Mrs. Ella Mellon, Ashland; Charles O. Osborn, Cincinnati, O.; N. T. Osborn, Georgia; Mrs. Lonnie McShirley, Emma; Mr. and Mrs. Delmond Goble, Warsaw, Ind.; Mrs. Will Stephens, Mrs. Frankie Best, Cliff; Mr. and Mrs. A. E. Gross and son, Robert Bunting, Lexington.

RECEPTION FOR HOUSEGUESTS

Mrs. A. J. Davidson was hostess to a small group of friends last Wednesday from three to five o'clock, at her home on Highland Avenue, to meet her houseguests, her sister, Mrs. Joe Zook, Los Angeles, Calif., and Mrs. Martha D. Carpenter, sister of Dr. Davidson, from Millersburg, Ky. The home was arranged with early fall flowers and the tea table was centered with pink mums. Mrs. Tom Fields and Mrs. George T. Roberts assisted in the dining room. Mrs. Zook, who is the former Miss Maude McCombs and a Prestonsburg resident, was welcomed by her many friends here.

ATTEND GAME IN LEXINGTON

Among those who attended the Kentucky-Texas A. and M. game in Lexington, Saturday, were Mr. and Mrs. Willis Sparks, Mr. and Mrs. Phil Schroeder, Mr. and Mrs. Tom G. Dinsus, Mr. and Mrs. R. D. Francis, Dr. and Mrs. Edward Leslie, Dr. and Mrs. Herbert Salisbury, Mr. and Mrs. W. C. Rimmer, Mrs. J. R. Hurt, Mr. and Mrs. James Camelia, Mr. and Mrs. Marvin Music, Miss Avanelle Chaffins, Miss Barbara May, Clifford Latta, Jr., Doc Ferrell, DuRan Moore, Byron Nunnery, Astor Meade, Glenn Spradlin, Jack Carter, Frank Heinze, Robert Bunting, Thomas Thompson, Gordon Moore, John Heinze, Fred Francis, Olive Akers, Don Meade, Henry Stumbo.

CIRCLE NO. 3 MEETS

Circle No. 3 of the W.S.C.S. of the Methodist church met at the home of Mrs. Phyllis Ranier, Sept. 17.

The meeting was opened with prayer by Mrs. Ruth Worland. The minutes of the August meeting were approved as read.

Mrs. Desoma Warrix, program chairman, gave an article on "The John Wesley Story." Lena Brown read the articles, "Colegio Gertrude Hanks" and "Good Border Neighbor." Mrs. Thelma Wallen, Mrs. Desoma Warrix and Mrs. Phyllis Ranier were appointed as a committee to plan our concession at the County Fair. Circle No. 2 will operate the concession on Saturday, Oct. 3. Those present were Mrs. Thelma Wallen, Mrs. Phyllis Ranier, Mrs. Ruth Worland, Mrs. Sue May, Mrs. Pearl Compton, Mrs. Desoma Warrix and Mrs. Lena Brown.

SGT. BROWN ENROUTE HOME

WITH 1ST INFANTRY DIV. IN KOREA — Sgt. Abe Brown, son of Mrs. Flora B. Brown, Wheelwright, Ky., is en route to the U.S. under the Army's rotation program after serving in Korea with the 25th Infantry Division.

By: ROGER TURNER

"Courage is resistance to fear, mastery of fear—not absence of fear" . . .

How often in this life we feel that we simply cannot overcome one obstacle or another. The obstacle might be a financial, spiritual or even a physical one. Regardless of the classification the truth is that we FEAR our ability to surmount that obstacle. How often, too, have we taken that fear by the horns and, much to our surprise, overcome it and accomplished our purpose?

Items of this nature occur in everyday life and in every walk of life. How wonderful to know that we have had the courage to achieve our goal simply by making up our minds to succeed.

Fear is ever-present in our make-up for it is but a normal sensation . . . just as normal as breathing, walking and sleeping. Thus, when we tell ourselves that FEAR is within the realms of reason then our lives become fuller and more complete and each and every fear and obstacle is but a challenge to ourselves and our reserve power.

ADIEU

Just when a certain straw hat had assumed such a shape that it and owner were getting to be targets for jibsters at home as well as on the streets, along came autumn. Departure of the old stack couldn't be called Death of the Flowers, but when you get attached to a thing like that it's a bitter parting. Oh, well . . . summer's past, fall is here and winter cannot be far away. Now what to do about other items of clothing to match.

IN HOW MANY WAYS ARE WE POOR?

Is Floyd county so poor materially and so bereft of spirit that it could fail to raise the fund needed for the Bookmobile project? We're beginning to wonder. If everybody in this county would stay home, or even afoot, just one day and contribute to a fund the amount saved in gasoline and oil, we'd have enough for the Bookmobile, the Red Cross, the March of Dimes and every other cause so many of us neglect.

HONOR THEM ALL

The people of this county should work with veterans' organizations to stage ONE big celebration for ALL the repatriated prisoners of war from Floyd county when the last boy returns. All deserve equal honor from the folks at home.

**W. D. Martin, 73, Allen,
Victim of Heart Attack;
Rites Conducted Sunday**

W. D. Martin, 73, of Allen, died at 11:15 p.m. last Thursday, after an illness of three years. Death was attributed to a heart attack. He was being taken to a hospital but died at the home of his brother, Dewey Martin, nearby.

Mr. Martin was the son of William P. and Ellen Martin and had never married. He served for years as deputy sheriff of this county and had been a member of the Methodist church for 30 years.

Surviving brothers and sisters are Billy J., Dewey and Harry Martin, of Allen; Mrs. Carrie Gearheart, Ashland, Ky.; and Mrs. Dora Martin, Ashland, Va.

Funeral services were conducted at 2 p.m. last Sunday, at the Allen Baptist church, the Revs. Bert Caldwell and Isaac Stratton officiating. Burial was in the Dewey Martin cemetery at Allen under the direction of Hall Bros. Funeral Home.

RETURN FROM LEXINGTON

Mr. and Mrs. Tom James have returned from Lexington where Mr. James will maintain headquarters in his new job as sales representative.

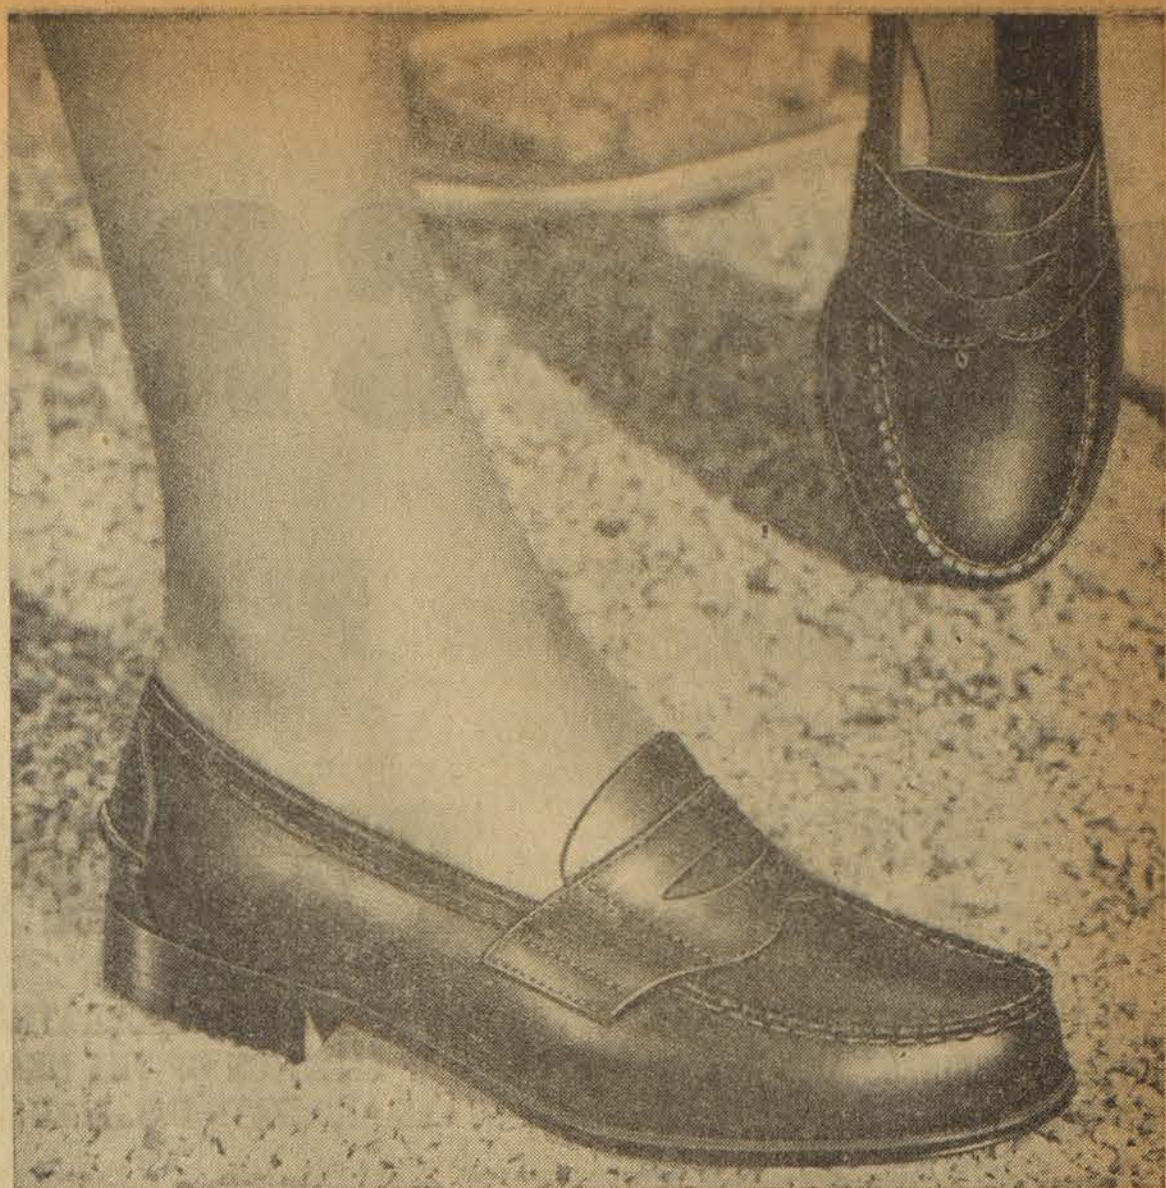

SPECIAL NOTICE

FREE HEARING CLINICS

Robert M. Bean, BELTONE HEARING Aid consultant, will hold his regular monthly FREE hearing clinics in PRESTONSBURG at the TURNER HOTEL on MONDAY, SEPT. 28 from 10 a.m. until 6 p.m. IN PIKEVILLE at the PINSON HOTEL on TUESDAY, SEPT. 29, same hours.

If you can't attend the clinics call the hotels on the above dates for a FREE home demonstration. There is absolutely no cost or obligation for tests and consultations about your hearing problems.

A suggestion
of personal interest

**to every
TV user:**

This is not an advertisement for an appliance or accessory. It is a suggestion to increase your viewing pleasure and prevent eye-strain.

Many people darken the room to watch TV. They associate TV (and not illogically) with movies.

But . . . a TV screen is ten times as bright as a movie screen, and the light and motion is confined to a much smaller space. Viewing TV in a dark or dimly lighted room for very long can be extremely tiring. So tiring that many ask us, "Does TV hurt the eyes?"

The answer is, TV is made for watching. It is no more tiring than using the eyes in other normal ways . . . if the light is right.

You don't need as much light to watch TV as you need for reading or sewing, but it should be balanced . . . diffused throughout the room. You can achieve this balance very easily:

- Place lamps so that no glaring reflections hit the screen.
- Have no lamps in the line of vision as you view.

Then too, don't sit too close to the set. Stay at least six feet away (and further is usually better).

Experiment a bit. Take a little time to find the combination of light and distance that's most comfortable for you. You'll know when you find it because you'll soon be enjoying TV more than ever.

**Kentucky and West Virginia
POWER COMPANY**

A message to every
prospective new car buyer:

You can have

the most popular automatic transmission
to be found in any low-priced car
Chevrolet's Famous 1953 Powerglide!*

Much fleetier, smoother, more economical! Thoroughly proved and improved through years of development and over a billion owner-driven miles! Production now running at new high levels due to record nationwide demand!

Much More Economical
Chevrolet's 1953 Powerglide Automatic Transmission*—teamed with the 115-h.p. "Blue-Flame" high-compression Valve-in-Head engine—brings you entirely new operating economy in city driving and on long trips.

Far Livelier Getaway
Put the selector lever in "DRIVE" position—step on the accelerator—and you move smoothly away from a standing start to legal traffic speed in seconds.

Important New Gas Savings
You'll never know how economical an automatic transmission can be until you try the 1953 Powerglide. Various improvements, including a more efficient use of engine power, make it extremely thrifty.

In fact, bring you the most important gain in gasoline economy in Chevrolet history.

Great New Passing Ability
The car picks up pace in traffic or on the highway at the touch of a toe, for the '53 Powerglide has an added automatic passing range.

Smoothest No-Shift Driving at Lowest Cost
Driving is almost incredibly easy, changes of speed almost unbelievably smooth . . . for this transmission gives simplest, smoothest, no-shift driving at lowest cost.

Safe Eyes-on-the-Road Driving
Safety is served in many ways. And one of the most important, perhaps, is that Powerglide permits you to concentrate on

driving. You can keep your hands always on the steering wheel and your eyes always on the road.

Full Engine Braking-Power on Hills
Powerglide's flexibility lets you cruise easily up any hill. And you enjoy constant engine braking power for maximum safety when descending.

Rock Out of Trouble
Powerglide's smooth power flow lets you rock out of sand, snow or mud whenever the need arises. "LOW" and "REVERSE" are side by side on the Powerglide quadrant, making the operation doubly easy.

Push-Proof Parking
Put the selector lever in "PARK" position when you leave the car, and a positive gear-type lock holds it in position until you return.

Time-Proved, Owner-Proved Dependability
Come in. Drive a Chevrolet with this finer, more popular automatic transmission. Test it and you'll want it. It's time-proved, and road-proved by hundreds of thousands of owners, in over a billion miles of driving.

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

Missionary Union Meets

The general meeting of the Women's Missionary Union of the Irene Cole Memorial Baptist Church met at the church, Thursday, Sept. 17.

The Chattie Salisbury Circle had charge of the program, with Mrs. R. W. Fieker, leader of the devotional. Mrs. Ira McMillan led the discussion. Program of Advance. Miss Annie Allen closed the meeting with prayer. The new officers for the year were installed as follows: President, Norcie Burchett; first vice-president, Ruth Moore; second vice-president, Jean Frances; secretary, Helen Schroeder; treasurer, Anna Fieker. Circle chairmen were also appointed.

Mr. and Mrs. Tom Ed Stanley and infant son, of Niagara Falls, N. Y., are here this week visiting his sister, Miss Pearl Stanley, and brother, Roosevelt Stanley and family, at Ivel.

Sgt. Carl Stanley, Ft. Knox, spent the week-end at Ivel with his parents, Mr. and Mrs. Roosevelt Stanley.

Homer Salisbury and Joe Hobson were in Lexington and Frankfort on business, recently.

Virgil Phillips, of Olive Hill, and Mr. Clement, Huntington, Glenn Weygant, Ashland, and Jack Frost, Huntington, were here the first of the week on business.

Vyron Alan Smiley is attending the University of Kentucky.

Mr. and Mrs. Tom James made a business trip to Lexington, Tuesday.

Mike Blevins and daughters, Lexington, were here recently visiting Dr. and Mrs. John Sizemore.

John Garrett, janitor at the post office has been confined to his home on Riverside for the past three weeks, by illness.

Bill David Craft and friend, Mr. McConnel, Jeffersonville, Ind., spent the week-end here visiting his grandmother, Mrs. Lou Harris, on Graham Street.

Mr. and Mrs. Wilson Self, Barboursville, W. Va., visited Mrs. Violet Friend here last week.

Mrs. Osa F. Ligon is improved this week from a severe illness.

Mrs. A. J. Davidson and house-guests, Mrs. Joe Zook and Mrs. Martha D. Carpenter, visited Mrs. Ward Reece, at Millersburg, last week.

Mrs. Gardner Combs entered the Prestonsburg General hospital, Wednesday, where she underwent surgery.

Jack Baldrige, Kermit Baldrige and Heber Baldrige attended the funeral of Mrs. Lydia Baldrige Patton at Ashland, last Friday. She was a sister of Jack Baldrige, of Little Paint.

J. B. Ford is at his home here convalescing from pneumonia. He was taken ill while employed on a contracting job near Mt. Sterling.

Mr. and Mrs. Tom James, returned last week from a two-week vacation spent en route to Calif., where Mrs. James was interviewed by Warner Bros.

Mrs. Laura M. Brown, Louisville, is here visiting Mrs. Marvin Ransdell. She is a sister of the late Dr. Marvin Ransdell.

Mr. and Mrs. J. O. Webb visited their son, Billy, at Lexington, over the week-end. They attended the Kentucky-Texas game.

Mrs. Lida Cottrell, Mr. and Mrs. Fred Cottrell, Mrs. W. B. Boyd and Mrs. Joe Hobson were in Huntington, Monday, on business.

Mr. and Mrs. Hugh Raybold, Ashland, were recent guests of Mr. and Mrs. H. L. Ley.

If you are tired of these big deals, show your protest by voting for Henry Howard for Mayor of Prestonsburg. (Pol. Adv.)

Neeley-Robinson Vows Said at Allen, Sept. 5

The marriage of Miss Margie Neeley, daughter of Mr. and Mrs. Elzie Neeley, of Prestonsburg, and Mr. Clarence Robinson, Jr., son of Mr. and Mrs. Clarence Robinson, of Langley, was solemnized at 7 p.m., Sept. 5, at the home in Allen of the officiating minister, the Rev. Bert Caldwell.

Attendants at the wedding were Mr. and Mrs. William H. May, Mr. and Mrs. Lon Neeley and Miss Amanda Neeley.

The bride was graduated from Prestonsburg high school with the class of '53. Mr. Robinson is an announcer with radio station WPRT, Prestonsburg. Mr. and Mrs. Robinson are residing here.

Rev. and Mrs. Harold Dorsey and son, Cochran, were picnic supper guests of Mr. and Mrs. H. L. Ley, Saturday evening at their home on Cliff.

Mr. and Mrs. Wendall Ensminger, Louisville, Mr. and Mrs. Hansford May and son, Stephen, were week-end guests of Mr. and Mrs. Harold Ensminger on Highland Avenue.

Rev. Harold Dorsey attended the Methodist Youth Fellowship sub-district meeting at Garrett Methodist Church, Monday evening.

Ronnie Smiley left this week to resume his studies at Eastern State College, Richmond.

Mrs. Russell Sizemore is home from the Prestonsburg General hospital, where she was a patient last week.

Donald Smiley, son of Mr. and Mrs. V. A. Smiley, who is employed in Cincinnati, visited his parents over the week-end.

Mrs. Everett Sowards, Mrs. Joe Hobson, Mrs. Jo M. Davidson and Mrs. Lida R. Cottrell visited their cousin, Jake Cooley and family, at McDowell, last Sunday.

Dr. and Mrs. O. T. Stephens had as their houseguests recently, their relatives, Dr. Wm. Taylor Needham and Mrs. Needham, Lexington, Mrs. Hugh Needham, of Jackson.

Mr. and Mrs. Bill Pettrey returned home this week from a trip to Western Kentucky. They visited Mrs. Don Harrison in Lexington and attended the Texas A & M and Kentucky game, Saturday.

Mrs. Orella McGuire and son Tommy spent the week-end, guests of relatives and friends in Ashland.

Mr. and Mrs. Bill Pettrey were visiting in Mt. Sterling, last week, with Mr. and Mrs. Jobie Cooley, Mr. and Mrs. Glen Williamson, Mr. and Mrs. Elvie Martin.

The Edith James Studio will be open Thursday, Oct. 1, for enrollment. Classes will start Oct. 3, 11-pd.

Mr. and Mrs. Paul Combs and children were in Lexington this week.

Rev. Willie Hall, Age 81, Dies of Heart Condition At Bull Creek Residence

The Rev. Willie Hall, for 43 years a minister of the United Baptist Church, died at the age of 81 Sunday afternoon at his home on Bull Creek. A heart condition was given as the direct cause of death.

A son of Henry and Frankie Caudill Hall, he had spent almost all his life in this county where he was widely known. He was married to Miss Mollie Wallen in 1890, and she preceded him in death about 25 years ago. Of this union two sons and three daughters survive: Albert Hall, Water Gap, Ollie Hall, Pierceton, W. Va., Mrs. Susie Miller, West Prestonsburg, Mrs. Lucy Spradlin, Prestonsburg, and Mrs. Ida Bentley, Edgerton, W. Va.

His second wife, who survives, is the former Pearl Frater. Of this union eight children survive: Mrs. Martha Prater, Winona Lake, Ind., Willie Hall, Jr., and Henry Hall, both of North Manchester, Ind., Eddie Hall, Roseann, Ind., Mrs. Mary Allen Pennington, Water Gap, Frankie D., Floyd and Naomi Hall, all at home. Also surviving are three brothers and four sisters, Reuben Hall, Bluefield, W. Va., Lee Hall, Ashland, Mingo Hall, Dwaile, Mrs. Nannie Robinson, Varney, W. Va., Mrs. Martha Ratliff, Ashland, Mrs. Rhoda McCoy, Freeburn, Ky., and Mrs. Linda Walen, Edgerton, W. Va.

Funeral rites were conducted Tuesday at 10 a.m., from the United Baptist Church, near Water Gap, the Revs. Johnny King, Henry Porter, Wallace Calhoun, Alex Stephens and Harris Campbell officiating. Burial was made in the Wright cemetery under direction of the Carter and Callihan Funeral Home.

TEA TO BE GIVEN

All mothers of Tri-Hi-Y and Y-teen of the Prestonsburg high school and faculty are invited to a tea to be given on Tuesday, Sept. 29 by the Tri-Hi-Y and Y-teen clubs.

Continued from Page 1

in Salyersville. Melvin and Frankie moved a lot. They lived on the Lick Fork of Jenny's Creek, where he bought a farm. From there he moved deep into Magoffin, thence to Morgan where he stayed five years. From there he moved to Rowan county. It was in Rowan that Old Clabe Jones came to see them. Rowan was feud country and Clabe smelled gunsmoke.

“Clabe stayed two days and nights the first time,” says Mr. Slone. “He talked about his wars and fights. His wife was a relative of father’s.” “Funny,” he adds, “I was thinking a lot yesterday about Old Clabe.”

He remembers the classic about the “drummer” that came to Hindman and in looking for a place to stay went into a hotel that Clabe kept. The drummer, not knowing Clabe, mentioned that he didn't want to stay in the Jones hostelry. “Don't blame you,” said Clabe. When bedtime came the drummer was escorted upstairs to a bed in which, taller, the feudist's favorite hound, lay. To the man's protestation that he didn't want to sleep with a dog, Clabe replied: “You asked for it. Lay over, taller, and give the man room.”

He says his parents and Talt Hall were reared together in the same neighborhood. “Of all the mean men, old Talt Hall was the worst,” he says.

Since he is so old, his memory retreats deeper and deeper into the past as he talks. He remembers being carried over the river on the back of a soldier to the Federal encampment north of Prestonsburg. Two men were with him—Bill Hyden and another man. They were going to pull shoes from crippled horses that were of no further use after having been disabled in the service.

He remembers, too, another incident of the Civil War. The Rebels were out to locate Hiram Stone's whiskey barrels that were hidden deeply in the brush. Found them, too, because Melvin, a boy of about 12, was standing on top of one of the barrels. Melvin remembered the discoverer. Hiram Stone did, too, and after the war was over he knocked the man in the head with the side of an axe.

During the Civil War a few deer and bear still roamed the almost virgin woodlands of Big Sandy. Melvin Slone remembers well the first black bear he ever saw. He was on a cow hunt. The bear was 150 yards away, coming slowly down a ridge. They both ran when they saw each other. Of the first deer he saw on Abbott Creek he was never allowed to forget by his parents and friends. He was out on the farm, saw a deer with antlers in a thick stickweed patch. Never before having seen a deer, he ran breathlessly to the house and called out: “I saw something with a chair on its head.” He laughs now after 90 years.

If you ask Melvin Slone to what he attributes his great age he replies: “The Old Man Above has given it to me.” He talks of his great strength while young. He could pick up a 7 by 7-inch cross-tie, carry it to a wagon with ease. Many a day he picked up and loaded scores of ties like that. Tobacco never hurt him, he says. He used it until a few years ago when he lost all desire for it.

Melvin Slone's first wife, Frankie, died in 1884, when an only daughter, now Mrs. Tennie Blanton, wife of William Blanton, of Printer, was

Returned POW Injured In Car-Track Collision Wednesday, Near Allen

Five days after his arrival home from a Communist prison camp, Sgt. Forrest Montgomery, West Prestonsburg, was one of two injured in a car-track collision at the Banner May curve, north of Allen, Wednesday afternoon.

Montgomery was released from the Prestonsburg General hospital after treatment for leg and face cuts, but Clarence Arrowood, Paintsville, owner of the truck in Our Lady of the Way hospital, Martin. No information was available on his condition except that he had regained consciousness.

The car driven by Montgomery was a new Mercury which he had bought only the day before. The truck driven by Arrowood was a three-quarter ton Dodge. No one except the drivers was riding in the vehicles at the time of the accident and there were, it was said, no eye-witnesses.

Charles May, who owns a garage near the scene of the accident, and Millard Thomas were the first persons to arrive on the scene. They found Arrowood lying on the highway and Montgomery getting out of his car. Arrowood was unconscious and was breathing with difficulty. As a coincidence, Henry Montgomery, Prestonsburg barber and brother to Sgt. Montgomery, was one of the first to arrive at the scene after May and Thomas.

\$9,000,000 FREIGHT BILL In a single year, International Nickel, which operates vast mining and refining facilities in Canada, paid over \$9,000,000 to Canadian railroads for freight charges.

GI'S SUFFERED IRANIAN HEAT TO SUPPLY NEEDS OF RUSSIA

"It's some sight to see a man, who has taken a mattress cover and cut holes in it for the arms, walking along with a load balanced on his head," says Leonard Garrett, of Mare Creek, who served with the armed forces in Iran for 23 months. "That's what the Iranians did. When they could get one of our mattress covers they cut holes for the arms and wore them. They were so poor no American can ever understand how there can be such poverty. The Iranians thought all Americans were rich."

Garrett entered the army in September, 1942 and in May of the next year he found himself at Andimeshk in Iran, approximately 250 miles inland from the Persian Gulf. The Americans were there to assemble trucks, jeeps, tanks and other motor vehicles for the Russian army. In six months, he says, the Americans assembled 60,000 vehicles. The Russians drove them away in convoys on a road built from a Persian Gulf city to the Iranian border.

"When a Russian ran over a Persian, he didn't stop. Just kept going. The life of a Persian was considered worthless to a Russian driver," Garrett says. "We Americans, though, were instructed to respect the people and their customs."

Andimeshk was a town of four or five thousand people and it baked in the sun of the Near East. It rained about three months out of the year but when the dry season came the temperature rose to 130 in the shade. Men died from heat. The chief desire of every soldier was to get out of the sun-drenched country and somewhere else, anywhere.

Some of them cooked up the scheme of volunteering for duty in the European theatre of operations. Surely, the men thought, and Garrett was one of them, when a man is willing to take front line duty he could get it. But nothing doing, they were told. They had to keep the supply line to Russia moving.

Garrett keeps talking about the strange, topsy-turvy customs of the bizarre land. Married women wore rings in their noses and when it got cool they wrapped their heads up and went barefoot. If you passed a veiled woman she turned and stole a quick look at the soldier. If you turned around quick enough, you caught her twisting the veil to get a better look.

Water was a scarce article in Iran. The soldiers washed their clothes in gasoline. It was one cent a gallon for civilian sale. There was no sewage system or water lines in the city. About an hour each day, Garrett tells us, the city turned the water into the streets. It ran in a V-shaped trough from one end of town to the other. People caught it for home use. Garrett can't figure why everybody didn't die of disease, the streets were so filthy. Every soldier had an order never to touch the water the city fathers offered the native Iranians.

A taxi in Iran is the horse-drawn droschky. In Andimeshk if you wanted to ride over to the main part of the city from the American camp you could ride for 15 cents, and the price didn't rise if there were a full droschky. Garrett remembers the camels and how seven or eight would trail along together. He never rode one. If you did you got "seasick," he was told.

After the Americans had been there for a while, a tour was ar-

ranged to Teheran, the capital. There they were conducted through the Shah's palace. Such splendor was beyond his vocabulary. One chair, radiant in bejeweled splendor, cost, he was told, seven million dollars. He compared the regal opulence and magnificence of the Shah to the mud-huts of the wheat-growing peasants.

What does Garrett remember best about Iran? It is a woman walking along a dusty road, a baby strapped to her back and a load balanced on the top of her head. The husband rides a donkey while his wife and children trudge along behind. In that he epitomized the vast differences between story-book land of ancient Persia and America.

Overnight Parks Remain Open During October

Frankfort, Ky., Sept. 21 — Seven State Parks offering overnight accommodations will be open with full guest facilities through October, Commissioner of Conservation Henry Ward announced today.

They are Cumberland Falls, Lake Cumberland, Kentucky Lake, Kentucky Dam Village, Natural Bridge, Cherokee and General Butler. Facilities at the last three will close Nov. 1, with the others remaining open.

Four other parks with overnight accommodations will close them Sept. 30. They are Pennyrite Forest, Audubon, Carter Caves and Pine Mountain. Bathhouses at all parks are now closed for the winter.

Ward emphasized that no park is ever closed to the public although eating and sleeping accommodations may not be available. Although the number of visitors may not support the providing of full facilities all year, the parks are always open and visitors are always welcome, he said.

Picnic grounds may be used at any time and parks that have museums keep them open throughout the year.

GARRETT

AMERICANISM DAY OBSERVED

In observance of Americanism Day, September 17, the Lackey Garrett Woman's Club sponsored a program on Americanism, at the Garrett high school.

The program opened with the Flag Salute, led by Betty Jane Boleyn, a Garrett high school pupil, followed by the Lord's Prayer led by Jackie Hays, another pupil. Carter Berkeley, of Wayland, sang the national anthem, accompanied at the piano by Mrs. Galer, of the Wayland Methodist Church.

Mrs. Shelby Draughn, president of the 10th district American Legion Auxiliary, delivered an address on Americanism in which she said, "The Americanism program has been and must of necessity continue to be a program fostering youth development, wide-range community service and constant observation, detection and exposure of subversive organizations and individuals."

In keeping with the theme of the General Federation of Women's Clubs, Preservation of our American Heritage, she explained, "The security of America lies in a citizenry in whose minds and hearts is ingrained a true understanding of and love for those ideals and principles upon which this nation was founded." Mrs. Draughn dwelt at length on the numerous freedoms we enjoy. "They are blessings as well as privileges," she said. "Even the privilege to pay income tax should not be left out," she commented.

"America" was sung by the group, and Mrs. Marie Coburn Mullins read the American's Creed.

"What America Means to High School Students" was commented upon by Charles Clark, principal of Garrett high school.

Concluding the program, Mr. Berkeley sang "Over There." Preceding the program, Mrs. Mullins had explained to the pupils of the school about the Independence Hall restoration project.

If you are tired of these big deals, show your protest by voting for Henry Howard for Mayor of Prestonsburg. (Pol. Adv.)

HUNTER

Pvt. and Mrs. Delmer Howell are the parents of a son born Sept. 19. The baby has been named Dale Clayton. Pvt. Howell is stationed with the U. S. Army at Ft. Lewis, Washington. Mrs. Howell is the former Ruby Skeans. She is residing here with her parents, Mr. and Mrs. Henry Skeans.

Marine Sgt. Frank Salisbury of Cherry Point, N. C., spent the week-end here visiting his parents, Mr. and Mrs. J. D. Salisbury.

Pvt. Sam Warrens, of the U. S. Army will return to Fort Knox this week after spending a 10-day leave with his mother, Dona Warrens, and family.

Mr. and Mrs. Alex Wright and children, Mr. and Mrs. Jim Henry White, all of Delbarton, W. Va., were the week-end guests of Mr. and Mrs. Charley Salisbury.

Mr. and Mrs. Elmer Burchwell, of Dayton, Ohio, spent Saturday night with Mr. and Mrs. Curt Salisbury.

Property Tax Saving Lasts Until Nov. 1

This year's property tax bills for state, county and school taxes have been completed and turned over to sheriffs all over the state for collection.

Taxes are now due and payable at the sheriffs' offices and it is not required that notification be sent to property owners, the State Department of Revenue announced last week.

Property owners are entitled to a 2 per cent discount on taxes paid by Nov. 1. Penalties start Dec. 31.

Approximately 95,000 automobile owners will be required to pay personal property taxes on their cars for the first time this year. This increase is due to 1952 legislation which directs county tax commissioners to use the county clerks' automobile license records for assessment purposes.

During 1952 Forest service fire-fighting crews suppressed 11,965 fires. Of these, man caused 7,021—Sports Afield.

Drive the Car! Compare the Price! Check the Deal!

YOU CAN'T BEAT THE CAR

Don't invest your money until you see us and put the husky, high-compression power of a Pontiac through its paces! Here's one fine car that can take your toughest test. From your first touch on the accelerator to the last smooth, assured stop, you'll find you have a real performer in hand. And knowing Pontiac's unsurpassed reputation for dependability makes every mile you drive a Pontiac that much more enjoyable.

YOU CAN'T BEAT THE PRICE

Why pay more—and why take less? The price of a Pontiac is actually just a few dollars above the very lowest priced cars! Surprising? Come in and check for yourself! While you're about it, compare the vast difference in quality that Pontiac offers you for that small difference in price! With all its size, luxury and power, Pontiac's price tag is still a most remarkable feature.

YOU CAN'T BEAT THE DEAL

You want the best value, of course. Then do this: After you've experienced Pontiac's powerful performance, know its extra quality and its low price, let us prove to you that Pontiac has one of the very highest resale values in America. Everything adds up to one fact: the Pontiac deal is your best deal! Compare carefully and we think you can make but one logical decision: "Dollar for dollar, you can't beat a Pontiac!"

TESTIMONIAL

TO THE REPUTATION AND CHARACTER OF GORMON COLLINS BY PROMINENT CITIZENS OF FLOYD COUNTY:

We, the undersigned residents and voters of Floyd county make this joint statement:

Each of us has known Gormon Collins over periods ranging from 10 to 30 years, depending upon our residence in the upper Right Beaver section of the county, and we have found him to be a man of splendid character, sincere and honest in his dealings with others, and interested in a better Floyd county. Mr. Collins is a former teacher in the Floyd county schools and is a veteran of three years' service in World War II. He has never, to our knowledge, been an officer of any kind, arrested on any charge or accused of any crime.

Mrs. Bert Caldwell underwent surgery at the General hospital in Ironton last week and is reported improved. She is the wife of the Rev. Caldwell, pastor of the Missionary Baptist Church.

Attending the sub-district meeting of the Methodist Youth Fellowship in the Garrett Church, Monday night, were Mrs. G. L. Gray, Mrs. Palmer Crisp, Freddy Laferty, Klara Laferty, Wanda Boyd, Charlotte Snodgrass and Jimmy Delano Gray. The president, Miss Joyce Martin, presided over the meeting. The Rev. Jim Gaylor, pastor of the Wayland church, was the speaker of the evening, with Rev. Carter Berkeley, song leader, Rev. A. E. Atkinson, of the Wheelwright church, and recently appointed youth counselor of the sub-district introduced new pastors. They were pastors of the Auxier, Prestonsburg, Wayland, Allen, Martin charge, and Maytown-Garrett charge. The following churches were represented: Wheelwright, Wayland, Garrett, Maytown, Martin, Allen, Emma, Prestonsburg, Auxier, with 134 present. The Auxier church won the attendance banner with 25 present. The October meeting will be in the Maytown church. Refreshments were served in the recreation room at the close of the program.

Mr. and Mrs. J. W. Laferty and Mrs. G. L. Gray were on Bull Creek, Monday. They visited in the home of Mr. and Mrs. Parker Brown.

Mrs. Frank Preston and son, John David, spent Sunday night with Mr. and Mrs. Howard Moore at Adams.

WHEELWRIGHT LODGE
No. 889
F. & A. M.
Meets each second and fourth Wednesday

A 30-Year Dream Coming True!

He used to stand on the curb in front of his father's house—and watch the Cadillacs sweep majestically by—carrying fine ladies and gentlemen on happy excursions.

That's when the dream started in his heart—and refused to leave.

Six times, before today, he has signed his name to an application for a motor car title—and, on every occasion, he knew it was a compromise.

But not *this* time! He is taking the keys to a beautiful 1953 Cadillac—and his 30-year-old dream is coming true.

And what a fulfillment it will be, as he rolls out into the highway and takes the longest way home!

First of all, he'll get those quick glances of approval which tell him the dream he dreamed for so many years is still in the hearts of others.

And then the car's great performance will begin to unfold itself.

Silence—almost complete silence—just the soft sound of the wind slipping by . . . the quickest, easiest response to the accelerator he has ever imagined . . . steadiness and roadability and handling ease that remove all but the merest effort from managing the car.

And, oh, what marvelous comfort! It's like sitting in the easiest chair conceivable—and moving smoothly and effortlessly through space.

And then, almost before he knows it, he'll be home—and in the driveway—with the family rushing out with the final voice of confirmation.

Man—this was worth waiting and working for!

And, of course, the years and the miles will add their proof as to the wisdom of his choice: dependability—long life—economy of upkeep and operation—and unusual resale value.

Yes, there is every practical reason for owning a Cadillac—as well as every personal one.

Better come in and see us today. It's probably easier than you think to make your dream of Cadillac ownership come true.

CATS DOWN MORGAN COUNTY FOR SECOND HOME VICTORY

Prestonsburg's fast-improving Black Cats won their second game of the season last Friday night by overpowering Morgan County, 33-19, on the Prestonsburg field.

Lowell Hughes, Clifford and Ronnie Goble and "Jeep" Alexander combined speed, finesse and deadly passes to score in every period against the veteran-studded Blue Devil line-up.

Lowell Hughes' passing performance was reminiscent of the past three seasons when his brother, Delmar, set new state high school records. He completed 12 of 16 aerials for 118 yards and two touchdowns for a total of four on the season.

Prestonsburg jumped in front in the first four minutes after a penalty gave them the ball on the Morgan County 35. Hughes rifled 20 yards to end Paul Ousley, who moved to the three. Then halfback Clifford Goble bowled over for the T.D. and the extra point.

Following an exchange of downs, Goble returned a Morgan County kick 25 yards to the 30-yard stripe, and Hughes uncorked a 15-yard pass to halfback Ronnie Goble on the 15, then fired to Jeep Alexander in the end zone for the marker before the half ended.

The Black Cat defensive unit of Thurman Lafferty, Tom Spradlin, Charles Salyers, Ed Ousley, Donald Puckett and Paul Ousley held Morgan County outside the 30-yard line through the first half.

The count was increased to 20-0 midway the third period as C. Goble again hit pay dirt from 5 yards out as tackle Randall Wells executed the most perfect block of the night. The Cats had moved 60 yards on passes from Hughes to P.

Ousley and R. Goble, along with Hughes' 18-yard sprint.

Quarterback Glen Lykins narrowed the margin to 26-5 on his 10-yard heave to fullback Dale Dehart, who scampered 50 yards through the entire Black Cat team. Prestonsburg soared back as Ronnie Goble took a kick-off handoff from Clifford Goble and electrified the small crowd with his elusive 80-yard run.

Morgan County's two lightning-fast backs, Dehart and Hill, sparked a touchdown march early in the fourth-period with Hill sweeping end for the final 22 yards. Three successive Hughes passes set up the last Black Cat tally, and C. Goble was on the receiving end of the pay-off pitch of five yards.

With five seconds remaining and the majority of the fans gone, Dale Dehart took Chester Shepherd's kick-off and streaked down the sidelines before Ferrell's reserves were aware of what was happening. Glen Lykins dove for the extra point.

The Black Cats resume conference play Friday night when they are host to the Elkhorn City Cougars.

Prestonsburg — Ends: Caldwell, Ousley, P. Burchett; tackles: Spradlin, Puckett, Wells; guards: Salyers, Harrington, Ousley, E. Burchett; centers: Tackett, Reath-erford; quarterbacks: Hughes, Alexander; halfbacks: Shepherd, C. Goble, R. Goble, Lafferty; fullbacks: Thompson, Dixon.

Morgan County—Ends: Fannin, Hamilton, Burton, Williams; tackles: Wingo, Hutchinson, Crase; Hall; guards: Oney, Potter, Brown; centers: Adams, Williams; quarter-back: Stacy; halfbacks: Lykins, Hill, B. Lykins; fullback, Dehart.

First Downs: Prestonsburg 12, Morgan County 9; fumbles: Prestonsburg 2, Morgan County 1; penalties: Prestonsburg 40 yards; Morgan County 25; passes attempted: Prestonsburg 16, Morgan County 9; passes completed: Prestonsburg 12; Morgan County 5; yardage by passes: Prestonsburg 118, Morgan County 85; scoring touchdowns: Prestonsburg—C. Goble 2, R. Goble 1, Alexander 2; Morgan County—Dehart 2, Hill 1; extra points: Prestonsburg—C. Goble 1, Hughes 1, Alexander 1; Morgan County—G. Lykins; officials: Travis Combs, Bob Poik, K. Crosthwaite.

NICKEL IN EARTH'S CRUST

Scientists estimate that the earth's crust contains about twice as much nickel as copper, zinc and lead combined.

FOOTBALL CHATTERS

By GORDON MOORE

John Eibner, former Prestonsburg high school football coach and now head football scout for the University of Florida, was in the U. K. press box Saturday night scouting Kentucky in its game with Texas A. & M. Florida meets Kentucky in Lexington, October 3, but Eibner will miss the game, since he scouts Louisiana State University that week-end.

Rumors picked up in the press box at the Kentucky-Texas A.&M. game indicate that Kentucky may withdraw from the Southeastern Conference and join the new Atlantic Coast loop next season. Since 1943, Kentucky has won 18, lost 17 and tied 3 in the S.E.C. for a percentage of .513. The all-time conference standing (1933-52): won 29, lost 61, tied 6-333.

The Big Sandy valley has more candidates for this year's Kentucky football team than at any other time in the history of the University. Candidates are: John Delmar Hughes, Prestonsburg; Bob Phillips, Pikeville; John Gordon Goble, Prestonsburg; Bill Wheeler, Pikeville; Jerry Beatty, Paintsville; Roger Paek, Jenkins; Ralph Moran, Bel-try.

Black Cat Player-of-the-Week in the Russell game was "Big Tom" Spradlin, six-foot-one-inch, 200-pound senior tackle. This is his fifth consecutive year on the Prestonsburg varsity. He has been named on the all-conference squad twice, the first time when he was in the eighth grade. Watch for the Player of the Week in the window of Francis' Store.

If Lowell Hughes continues his touchdown passing, he may break the state record set by his brother, John Delmar, of 57 touchdown passes in his high school career. Lowell is two ahead of Delmar's record when he was a sophomore.

Football attendance has fallen off considerably in the Big Sandy valley this season, as well as in other parts of the state. The biggest crowds of the season have watched Whitesburg (a winner) in their games with Pikeville and Prestonsburg, estimated at 2,500 each game. Come out and boost the Black Cats—they're giving their best . . .

CLIFF

Will Stephens celebrated his 80th birthday at his home here, Sunday, September 13. Enjoying the birthday dinner with him were the following friends and relatives: Henry Stephens, of Ashland; Mrs. Eddie George, of East Point; Mrs. Jenny Horne, of Auxier; Mr. and Mrs. Sam Hale, of Prestonsburg; Donald Craft, Mrs. Will Stephens, Mr. and Mrs. Jack Best and son, Stephen Lee. Other friends who called during the day were Miss Anna Woods and Miss Myrtle Pugsley, of Prestonsburg; Mr. and Mrs. Tom Moore and daughter, Nida Gail, Sam George, Mr. and Mrs. Jesse Daniels, all of Cliff; Buddy, Bobby, Vernon and Peggy Wilcox, all of Auxier. He was presented many lovely gifts, and expressed his appreciation to each.

Mr. and Mrs. Tom Stephens had as recent guests their daughters, Mrs. Ed Snyder, and her husband, of Jenkins, Mr. and Mrs. George Laven and Tommy Carol, of Allen.

The Cliff Freewill Baptist Church has elected Walter Daniels its pastor for the ensuing year.

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

Get sure but gentle relief when you are temporarily constipated. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, one of the finest natural vegetable laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's 30¢ size today. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

Wayland Wasps Drop Third Game of Season

Wayland's Wasps lost their third game in as many starts last Friday night as they bowed to the Louisa Bulldogs, 27-0. This also marked the third shutout for the Waylanders.

Halfback Jim Johnstone scored two touchdowns in the first half to give his mates a 14-0 lead. Don Hamilton and Wallace Evans went over for the other touchdowns. Quarterback Kenny Osborne booted three points after touchdown in four attempts.

The Wasps open their home season this Friday night against the Beltry Pirates, a strong Eastern Kentucky Mountain Conference contender.

LAST WEEK'S SCORES

Prestonsburg 33, Morgan Co. 19.
Irvine 7, Hazard 6.
Louisa 27, Wayland 0.
*Whitesburg 7, Pikeville 6.
*Jenkins 20, Paintsville 7.
Elkhorn City 13, St. Robinson 0.
Beltry 19, Everts 14.
Lynch 55, Fleming 0.

THIS WEEK'S GAMES

Friday
Lynch at Hazard.
*Beltry at Wayland.
Williamson at Pikeville.
Louisa at Paintsville.
Whitesburg at Cumberland.
*Elkhorn City at Prestonsburg.
Morgan County at Raceland.

Saturday
*Jenkins at Fleming.
*E. K. M. C. game.

NICKEL ACRES

The mineral land owned by International Nickel, world's largest producer of nickel, in the Sudbury District of Ontario, totals 130,000 acres, equal to about two-thirds the land area of the City of New York.

CARD OF THANKS

We take this means of thanking our friends for the many acts of kindness and expressions of sympathy that they extended to us during our recent bereavement. We especially want to thank the Hall Bros. Funeral Home for its efficiency and courtesy, the Reverends Stratton and Caldwell for their comforting messages, the choir for its part in the service and all others who gave us comfort and help.

Carter on Committee For State Coroners

Floyd Coroner James Carter was named to the Legislative committee of the Kentucky Coroners' Association at the Association meeting in Louisville last week.

A panel discussion led by members of the State Police discussed duties of the Coroner in the event of atomic attack and sudden infant deaths among other topics. Attorney General J. D. Buckman, Jr. discussed rulings and decisions on laws pertaining to the office.

To the Citizens of Floyd County:

I wish to state that I own property nearest to and adjacent to the property of Bill Hall, at Mare Creek, Kentucky, who is now a candidate for Sheriff on the Democratic ticket.

Having lived by Mr. Hall, and having been his nearest neighbor for a period of years, I would like to tell the people of Floyd county the feeling of respect I have for him. He has been a fine neighbor, and we have gotten along, during the time I have lived near him, as good neighbors should. I give credit to him because he is the type of man that makes a good neighbor, and I feel assured that he will make Floyd county the finest Sheriff it has ever had.

I urge all of my friends and relatives to get out and vote for his election and to support him right up to the time the ballots are counted.

MAYTOWN

The P-T.A. and Woman's Club take this opportunity to thank each person who helped in any way to make the Flower Show such a splendid success. The proceeds from the luncheon will go to the P-T.A. and the Woman's Club received the money taken in from the bazaar. This in turn will be given to the Methodist Church for building fund. Maytown was proud of their young people in the musical at the Flower Show. The high school glee club is one of the best in the county, due to the work and interest of Mrs. Thomas Patrick, their director. Following is the program they presented, Saturday: Saxophone, "Song of the Shepherdess," Reba Salyers; vocal duet, "Seven Lonely Days," Nicky Turner and Sandra Tingle; vocal solo, "I Love You Truly," and "You, You, You," Sandra Sue Patrick; trombone, "Sapphire," Ermil Reffett; vocal solo, "God Bless Us All," Bonita Hall; vocal duet, "Heart and Soul," Sandra Sue Patrick and Justin Turner; piano solo, "You, You, You," Jimmy Hopson; vocal solo, "The Lass with the Delicate Air," Sandra Tingle; vocal solo, "Where Is Your Heart," Nicky Turner; saxophone, "Kiss Me Again," Glennis Ramey; vocal solo, "Mockingbird Hill," Bonnie Hopson; vocal trio, "Smilin' Thru," Gwen Judy and Myra Gibson; clarinet solo, "Mt. Vernon Minuet," Carleen Howard. The Glee Club sang "Gentle People," "Whispering Hope," "Girl of My Dreams," "My Blue Heaven," "Always" and "Let the Rest of the World Go By."

The Maytown Woman's Club held its regular monthly business meeting at the home of Mrs. Theodore Gibson, Tuesday evening. The final plans were made for the Flower Show, and committees were named. Mrs. Ed Stewart read the proposed amendment to Section 186 and each member will see ten persons to encourage their vote of "Yes" for this important amendment. Mrs. Gibson served refreshments to Mesdames Frank Stewart, George Patton, Ed Stewart, David Reed, Raymond Hopson, Charles Patton, James Allen and John Ison.

Mrs. Viola Stewart attended the Republican convention in Chicago last week. She was one of the Republican women of Kentucky chosen to attend this event. En route, she visited Mrs. A. B. Osborne, of Russell, who accompanied her to Chicago.

Maytown is proud of the group of F.F.A. boys who won fourth place in the state in the poultry judging contest at the State Fair last week.

Ed Stewart and Jones Tallent were among those attending the opening game of the University of Kentucky's football season at Lexington, Saturday.

Mrs. Spencer Stone, who was injured recently in a car wreck, is convalescing at the home of her daughter, Mrs. Baisden Osborne and family.

Mr. and Mrs. Clarence Stone are the parents of a daughter, born at the Beaver Valley hospital last week.

Keith, son of Mr. and Mrs. Roger Stewart, was a patient at the Beaver Valley hospital last week. Keith is suffering from a badly injured nose he received while at play.

Mr. and Mrs. Homer Kersey, Jr. and daughters, Carolyn Jean and Edda Rae, of Ashland, spent the weekend with Mr. and Mrs. Herbert Oasley.

Sympathy is extended to the family of Mrs. Marion (Bud) Hayes, who passed away recently.

Mrs. Ivel McCown, of Portsmouth, spent the week-end with her mother, Mrs. Minerva Click.

The Maytown Methodist Youth Fellowship was well-represented at the sub-district meeting at Garrett, Monday evening.

Mr. and Mrs. James B. Clark and Mrs. Julia Conley attended the

annual Association in Perry county last week.

Mr. and Mrs. W. S. Allen spent a three-week vacation visiting with friends and relatives in Ohio, Michigan, Indiana and Canada. They were accompanied by Ray Allen and Labon Gibson.

Mrs. Lawrence Edmonds, of Pikeville, spent the week-end with her mother, Mrs. Louisa Ison.

Don't forget church services, conducted by Rev. H. M. Wiley, at 11 a.m. Sunday. Prayer meeting will begin at 7 o'clock this week and be held at this time throughout the winter months.

UK Extension Unit Sets Speech Event

The annual public speaking competition sponsored by the University of Kentucky's Department of Extension will be held early in the fall this year rather than later in the year, it has been announced. Purpose of the change in the time of both discussion and public speaking competition is to create interest in the Minimum Foundation Program for Education in Kentucky. This program will be voted upon by citizens in the November election, and topics for discussion and public speaking will be centered around this theme in order to bring about an understanding of the problem. Full details on the state speaking events will be released soon by the Department of Extension.

MAJOR COLLINS IN VIRGINIA
NORFOLK, Va. — Major Brady Marshall Collins, USMC, son of Dr. and Mrs. M. M. Collins; Laclede, Ky., is taking the Special Embarkation course of the Amphibious Training Command, U. S. Atlantic Fleet, commanded by Rear Admiral Rufus E. Rose.

The course is taught by the U. S. Naval Amphibious Base at Little Creek, Virginia.

Major Collins attended Lackey high school and graduated from the University of Kentucky in 1942. He served in the Pacific in World War II and holds the American Theatre, Asiatic Theatre, Presidential Unit Citation, and World War II ribbons.

DRIFT

ENDORSES SECTION 186 AMENDMENT

The Delta Woman's Club met at the home of Mrs. Joe C. Moore, September 9. Miss Ruby Akers, president, welcomed Mrs. Harry Green as a new member. Miss Betty Turner gave a report on the progress of the new Year Books. Mrs. Dick Showers, chairman of the International Relations Department, distributed to each member the name of pen pals in foreign countries.

The Club voted to endorse voting "Yes" to Amendment 186, coming in the November election. The president announced the fall Board meeting of the Kentucky Federation of Women's Clubs to be held in Louisville this month. She read a letter from Kentucky Federation president, Mrs. I. D. Thompson, concerning the following things to be done this year: send delegates to the convention in Denver, follow Christmas program for veterans, enter contestants in the Music contest, and urge students to enter essay contest on Americanism. The Club voted to buy a case of cigarettes to be sent to veterans for Christmas.

A committee was appointed to check the town's garbage disposal system and the progress of the road to be built in the local cemetery.

Mrs. Dick Showers was appointed to see if the Club may have permission to sponsor a magazine cart in the local hospital.

Refreshments were served to Mesdames Fred Cochrane, Oliver Elam, Bobby Hall, C. J. Cahill, H. T. Hewlett, Harry Green, Claude Martin, Joe C. Moore, Alan Reed, Alvin Reed, Ward Reed, Dick Showers, Lloyd Stamba, Glen Ward; Misses Ruby Akers, Jackie Hall, and Betty Turner.

UK Faculty Member Returns from Tour

Back on the University of Kentucky campus this week after a summer of studying tropical diseases in Hawaii and Mexico, Bacteriologist Morris Scherago told an encouraging story of steps being taken in those countries to combat tropical maladies. Dr. Scherago, who is head of the UK Department of Bacteriology, described the health situation in Hawaii as "especially good." He left Lexington in June for Hawaii, and after spending two months there moved on to Mexico in mid-August.

HOTELS GET CERTIFICATES

Certificates of cooperation will be given 146 hotels in Kentucky for their efforts to improve fire safety conditions in their buildings during 1952. State Fair Marshal J. T. Underwood, Jr., announced last week.

Sixty-eight of the number are being given certificates for the fourth consecutive year. Twenty-four on the list did not obtain awards for 1951, but had earned previous certificates before getting them again this year.

Included in the list was the Hotel Turner in Prestonsburg.

NICKEL MAKES THE DIFFERENCE

Nickel is alloyed with copper, brass and bronze to give greater resistance to corrosion and wear, or to give a white color.

Over 95 per cent of the nickel produced from the mines in the famous Sudbury District of Ontario, Canada, is exported to the United States, Great Britain and other industrial countries.

Attention! -- Big News! -- Good News!

This is to announce the building of a

RACE TRACK at Allen, Ky.

WHERE AUTOMOBILES AND HORSES WILL BE RACED

The track will be one of the best in the country among the Stock Car Tracks.

Lots of excitement and entertainment will be provided on this Speedway.

Big cash prizes will be given to the winning contestants. Automobiles will be run once a week, also horse racing once a week. Any firm or individual wishing to enter an automobile can do so by contacting Charles McCoy at Prestonsburg, Kentucky, who can give information on entering the race. Cars must be prepared for the race according to Racing Association rules.

Racing will give you a chance for big cash awards, also will be fine advertising for autos entered in firm names.

Horse racing is going to be keen and very interesting. Any one interested in entering a horse can do so by sending the name of the owner and name of horse to Charles McCoy, P. O. Box 467, Prestonsburg, Kentucky.

When we receive a sufficient number of entries for a race we will publish the date of the race and the names of the horses and their owners. This will be a chance of a lifetime for the farmers to get in tops in the news and win big cash prizes.

Every one watch and listen for the big opening and the announcement of the first race.

You will see plenty of speed, lots of wrecks, tumbles and spills.

Watch, look and listen for the Big Opening—the first big race. We hope to be ready for the first race in two weeks.

How Mercury's Soaring Sales can mean "Money in the Bank" for You!

- 1 YOU PAY LESS NOW!**
Our higher volume lets us operate at a lower profit per deal. You get a far bigger allowance for your present car, bigger than you'd think.
- 2 YOU GET BACK MORE LATER!**
Popularity boosts future trade-in value. Even now, Mercury returns more of the original price than any other car in its class.

Mercury dealers, on an average, now sell more cars per dealer than any of their competition. We are in a better position to give you a bigger allowance for your present car.

And Mercury's ever mounting popularity tends to boost trade-in value even higher. A Mercury's true cost (original price minus future resale value) is now lower than any other car in its field.

So why not start saving—and enjoying the extra value that Mercury offers: like years-ahead styling, proven V-8 performance and economy, and the widest choice of optional power features available on any popular-priced car. Cash in on this money-saving opportunity!

CRISP CITED FOR RESCUE OF WOUNDED

Sgt. Crisp and litter-jeep he drove in Korea.

Sgt. Richard Crisp, of Alpharetta, has been cited for bravery as a litter-jeep driver for the 3rd Battalion Aid Station, 32nd Infantry Regiment, in Korea.

The citation reads, in part:

"During the period Sept. 24, 1952 to Oct. 28, 1952 in the vicinity of Kumhwa, Korea, Sgt. Richard Crisp, the Battalion Suregon's driver... did by his unselfish action in the face of enemy artillery, without regard for his personal safety, take his litter jeep to outpost positions to bring in wounded men when personal carriers who were usually used for the operation were not

available. In many instances he left his jeep and climbed the steep slopes in the face of enemy fire and assisted the litter-bearers in evacuating the wounded to his litter jeep. "His action gave courage to his fellow-drivers who also made numerous trips to the outpost to evacuate the wounded. By his action Sgt. Crisp reflected great credit on the Medical Service, himself, his country and the United States Army."

Sgt. Crisp and his wife, the former Bonnie Mae Hale, now reside in Yuma, Arizona. He is the son of Mr. and Mrs. Caner Crisp, of Alpharetta.

WHEELWRIGHT

CLUB IN FIRST MEET OF YEAR

The first meeting of the Wheelwright Woman's Club for the year 1953-54 was held in the Woman's Club room Monday night, September 14, with 28 members and two guests present.

Mrs. R. L. Jones, president, greeted the members and guests and introduced Mrs. F. E. Conley, chairman of the Education Department, who was in charge of the Americanism program. The program was inspired by the fact that the week of September 14 has been proclaimed Americanism Week and that the General Federation of Women's Clubs is sponsoring a campaign to restore the entire first floor of Independence Hall, which consists of the Assembly room, the Supreme Court chamber and the main hall where the Liberty Bell now rests.

Mrs. Conley introduced Crawford Bradley, Wheelwright high school teacher who is a major in American History. He spoke on "What Independence Hall Means to Me." Club members discussed plans for making a \$100 contribution towards the restoration program, and Mrs. Conley pointed out that the Club should contact the officials of other civic organizations and the schools concerning the Hall in order to make this an educational campaign as well as a restoration program.

Mrs. Roy Souleyrette, vice-president, reported on her attendance at the state conference in Louisville.

Mrs. Bobby Grimm, corresponding secretary, read the score card so that members should be familiar with the work which is to be done by the end of the year, and outlined the program for the new year as written by Mrs. I. D. Thompson. She also announced that a new book had been written by Mildred White Wells, former editor of the GENERAL FEDERATION CLUB-WOMAN, on the history of the General Federation of Women's Clubs entitled UNITY IN DIVERSITY which will be published November 1, and that Mrs. Ray Saller from the Jackson Woman's Club is a candidate for the office of Governor of the 7th district. Letters of appreciation from Caney Junior College and Pine Mountain Settlement School were read for contributions made to them. A letter was read from the Chairman of Flowers of the Floyd County Agricultural and Industrial Fair asking the Club to stimulate interest in flowers and flower displays for the Fair.

Mrs. Jones announced that a copy of the GENERAL FEDERATION CLUB-WOMAN would be placed in the club room to be available for all who might wish to read it.

The Public Welfare committee, consisting of Mrs. R. L. Hall, Mrs. Curtis Blair and Mrs. F. H. Spence, was asked to contact underprivileged children who are in need of dental care in order that they might get this service free of charge.

Mrs. J. T. Parker urged the club and its individual members to support the finance drive of the Girl Scouts, who are sponsored by the Woman's Club.

Mrs. F. H. Spence reported that a scholarship loan had been awarded Miss Edna Colvin, but that she could not accept it due to the fact that she was not admitted to an in-state school.

After the meeting adjourned, refreshments were served by Mrs. G. B. Hall, Mrs. Charles Hopkins, Mrs. Charles Wilson, and Mrs. Clayton Ferguson.

Henry Martin Named To U. of Tennessee Post

Henry G. Martin, assistant professor of Education, East Tennessee State College, Johnson City, Tenn., has been granted a year's leave of absence from State College, and has received an assistantship at the University of Tennessee.

Mr. Martin will continue studies toward the doctorate degree and teach, part time, in the College of Education at the University of Tennessee during the current school year. Mrs. Martin will remain in Johnson City where she is director of Girls Club, Incorporated.

Mr. Martin is the son of Mr. and Mrs. W. S. Martin, of Eastern.

New Girl Scout Camp First of Installations Under Sanitation Pact

Mr. and Mrs. Clarence Mollette are the parents of an 8 pound son, born at the Beaver Valley hospital. This is their third son.

Born to Mr. and Mrs. Webb Hall their third son.

Mrs. F. T. Jones and Mrs. Archie Fugate and daughter, Laura Fay, left Sunday for Louisville where Laura Fay will have an eye operation.

Mrs. Belle Turner and Mrs. Dorothy Little and son, Jurard, left Sunday for Fort Sill, Oklahoma, to visit Billy J. Turner and wife.

Judge Henry Stumbo attended church at Drift, Sunday.

Jimmy Reed and Larry Arrowood left last week for Lyndon, Ky., to re-enter K.M.I.

Mrs. Gorman Collins, of Lackey, was a Drift visitor last week.

Mrs. Belle Stumbo spent the week-end with her daughter, Mrs. Shirley Vanderpool, and children at McDowell.

Mr. and Mrs. Leroy Jones, of Wheelwright, spent the week-end with Mrs. Jones' parents, Mr. and Mrs. Ben Martin.

Mr. and Mrs. Lon Hill, of Prestonsburg, were Saturday night guests of Mr. and Mrs. H. D. Hewlett.

Mr. and Mrs. Harry Martin, of Richmond, Va., spent the week-end with their parents, Mr. and Mrs. Roe Turner and Mr. and Mrs. Gomer Martin.

Silver-plated ware is normally stamped from nickel silver, an alloy of nickel, copper and zinc, and then electroplated with silver.

The first installation in the Dewey Lake area to be made under the sanitation agreement reached last June between the Floyd County Health Department and the U. S. Corps of Engineers is the Sandy Valley Council's Girl Scout Camp now under construction in the Goble Branch section of the lake.

At the June meeting full agreement was reached on the method of all waste disposal, protection of domestic water supplies, submission of plans for approval of suggested layouts and inspection and control of all installations in behalf of sanitation and public health precautions in the lake area. It was unanimously agreed that the lake must be kept free from any additional pollution. No waste liquid must be permitted to be discharged into the lake. All waste liquid or dry must be disposed of in the ground or by other approved means.

Any permits or leases by the Corps of Engineers to construct or build upon the property of the government was to be binding upon approval of the state and County Health Departments as to sanitation and public health requirements. It was agreed that plans or blueprints of complete layouts of all proposed construction showing proposed sources of water supplies and the protection of sewage and waste disposal should be submitted in sets of five copies first to the County Health Department, then by this department to the State Health Department for their approval and from there to the Corps of Engineers for final approval; the Corps of Engineers, after retaining two copies for their records, to return the remaining three copies back to the State Department of Health where one copy would be retained for their records and the other two forwarded back to the County Health Department. The County Health Department after retaining a copy for their records, to return the other copy to the party or parties proposing the installations to build by.

M. V. Clark, administrator of the Health Department, and John M. Stumbo, sanitarian, met last Friday with Wm. Crawford and R. V. May, of the Girl Scout camp building committee, and both members of the committee gave full assurance that one of their major concerns is that of the safety and well-being of the Girl Scouts and that the camp would not be occupied until final inspection and approval is given by the Health Department. Complete agreement was reached.

ASSESSMENTS INCREASED
Frankfort, Ky., Sept. 21 — The Kentucky Tax Commission increased the annual franchise assessments against two of the state's three largest railroad lines, allowed a third to remain at the same figure as a year ago.

Properties of the Louisville and Nashville Railroad Company were valued at \$148,095,233, an increase of \$11,000,000 over last year, and those of the Illinois Central Railroad Company at \$31,250,000—up \$1,000,000. The Chesapeake and Ohio Railroad Lines were valued at \$75,500,000—the same as a year ago.

Large assessments in the utility field were:

Kentucky Utilities Company, \$39,003,100—an increase of \$4,503,100; United Fuel Gas Company, \$11,800,000—down \$200,000; Kentucky-West Virginia Power Company, \$17,385,127, up \$817,239; Kentucky-West Virginia Gas Company, \$16,637,274—up \$3,023, and Southern Bell Telephone and Telegraph Company, \$37,500,000—up \$4,200,000.

Read what Wall Street Journal says about the '53 Studebaker

Detroit Studies Sales of "Continental" Studebaker

By a WALL STREET JOURNAL Staff Reporter
DETROIT—Studebaker, which was a big factor in setting early-postwar auto styles, may now be setting the pattern for the next few years.

Its 1946 model, designed with lavish use of glass by Raymond Loewy, was the first completely redesigned postwar car. The South Bend, Ind., concern made no further major change until its current 1953's; with these it introduced low, rakish "Continental" styling. Also designed by Loewy, the new model cost \$27 million to introduce, double the 1946 cost.

A top Detroit stylist, employed by a rival manufacturer, says that the current Studebaker will affect the future looks of more competitive makes than the industry would like to admit. Most firms, he asked,

ELECT FOSTER "Sid" MEADE

MAGISTRATE, DISTRICT 3

I WILL BE MY OWN BOSS—NO DICTATORS.

To My Friends in the
96th Legislative District, both
Democrats and Republicans:

**Collection Notice of
Delinquent Taxpayers**

The following is a list of the 1951 and 1952 Tax Bills due and owing to the Prestonsburg Board of Education, and which have not been paid. The property upon which this tax is due will be sold at the front door of the courthouse in Prestonsburg, Kentucky between the hours of 10 and 12 a. m. on September 28, 1953 to satisfy said tax and the cost of advertising and sale. The tax bills will bear interest at 12% from the due date until paid. A lien is retained upon the property to satisfy said taxes, costs and interest.

**Miss Parker-Mr. Hardin
Wed Near Here, Sept. 14**

Miss Mary Lou Parker, daughter of Mr. and Mrs. Ben Parker, and Mr. William Russell Hardin, son of Mrs. Nollis Hardin, and the late W. H. Hardin, of Inez, Ky., were married at the home of Miss Parker's parents on the Prestonsburg-Salyersville road, at 8 o'clock, Monday evening, September 14. The double-ring ceremony was solemnized before an altar banked with early fall flowers by the Rev. Isaac Stratton, who had also officiated at the weddings of two of the bride's sisters.

Given in marriage by her father, the bride wore a ballerina-length dress of winter white jersey with black and red accessories. Her corsage was of red roses.

Mrs. Isom Poe, sister of the bride, was matron of honor. She wore a beige wool dress with a corsage of white roses.

Mr. Tommy Jones, of Maytown, acted as best man, and Mr. Clyde Cassidy, of Inez, played nuptial music preceding and during the ceremony.

Mrs. Parker, mother of the bride, wore a black and white sheer dress. Mrs. Hardin, mother of the groom, wore a brown suit.

A reception was held following the ceremony, and refreshments were served to a large group of friends and relatives. Assisting were Mrs. John T. Weddenheller, of Ashland, and Mrs. Shelden Hardin, Inez, aunts of the bride, and Miss Billie Harris and Miss Christine Spradlin, Prestonsburg.

Following the reception the couple left for a short honeymoon in Kentucky.

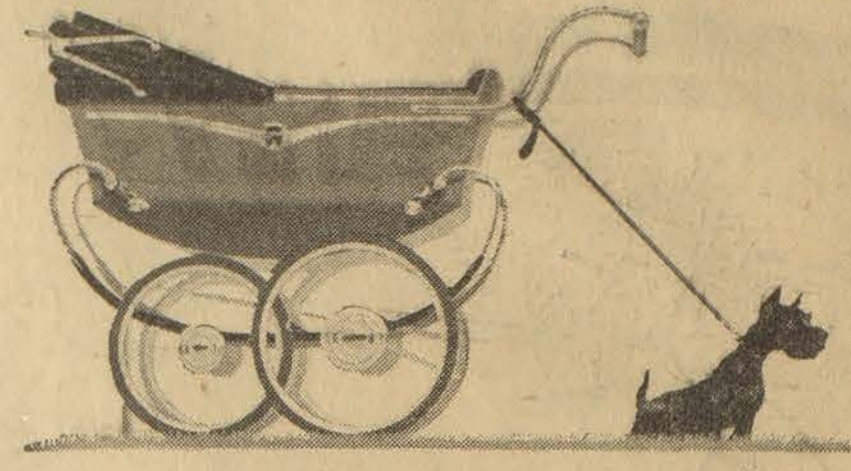

The bride is a graduate of Prestonsburg high school and attended Morehead State College. She is now teaching school near her home where she will reside until Mr. Hardin is released from military service. He is a graduate of Inez high school and is stationed in Louisiana with the army.

**UK Community Meet
Speaker Announced**

Dr. Carl C. Taylor, head of the Division of Farm Population and Rural Life in the U. S. Department of Agriculture, will be a principal speaker at the University of Kentucky's first Community "School-for-a-Day" program scheduled for Monday, Sept. 28, on the UK campus. Community leaders from all sections of Kentucky have been invited to take part in this affair. In addition to his duties with the Division of Farm Population and Rural Life, Dr. Taylor is serving as consultant on community development to the United Nations Technical Assistance Administration and to the Foreign Operations Administration. Persons enrolling for the Sept. 28 affair may attend one morning and one afternoon class dealing with community organization.

**The only convertible
that outsells Ford!**

WHAT IS IT that makes Ford's Sunliner America's best seller? Is it its high-compression V-8 power? (No other convertible in Ford's field has this kind of engine.) Is it the fine craftsmanship of its Crestmark Body? (No body in its field can match Ford's choice of exterior and interior color combinations.) Is it its new spring and shock absorber action which makes even roughest roads feel smooth? (The Sunliner's springs are tailored to its

weight.) Is it the choice of Fordomatic, Overdrive or Conventional you get? (You won't find such a choice in any other car in Ford's field.)

No, it's not just any one of these things that make Ford America's largest-selling convertible. It's all 41 of Ford's "Worth More" features... features which folks know make Ford worth more when they buy it, worth more when they sell it.

Test Drive America's No. 1 Convertible! Ford Sunliner!

MAY GO TO COURT

Frankfort, Ky., Sept. 14 — The question of whether the State Department of Revenue may assess properties on Fort Knox Military Reservation for property taxes appears headed for the courts for determination.

The Kentucky Tax Commission has included properties of the Louisville Gas and Electric Company, and Tennessee Gas Transmission Company, located at Fort Knox, in its annual franchise assessment—and both are being protested.

The Department of Revenue, in 1950, followed advice of then Assistant Attorney General Hal O. Williams that such property—within a military reservation—is not subject to State taxes, while his successor, Assistant Attorney General Squire N. Williams, held it is subject to State franchise taxes. The entire Louisville Gas and Electric Assessment is \$90,370,000, while that of Tennessee Gas Transmission Company is \$38,695,521.

LOUISVILLE — The Kentucky Master Bakers Association was told the housewife "is our biggest competitor because of increased use of packaged mixes."

International Nickel's copper refinery at Copper Cliff, Ontario, is the largest in the British Commonwealth. In 1952, it produced over 235,000,000 pounds of copper.

Citizens and Voters of Floyd County

This rumor is still as false as it was in the Primary, and I certainly hope that the good people of Floyd county will not be taken in by this story.

I am quite frank to say that I have selected and promised only two men that they will be deputies during my administration, and I do not hesitate to tell you who they are because I feel that they have won the support and confidence of the people of our county in the work they have heretofore performed for Floyd county.

Both of the men I have selected thus far have been former sheriffs of this county and are of the highest integrity. I have told Bev Sturgill that, if elected, I shall ask him to serve as my office deputy. His experience and integrity are such that I feel he will be very helpful to me in making the best Sheriff possible for you. I have also selected and promised T. Y. Martin that, if elected, I will ask him to perform the duties he has lately been performing in the Sheriff's office, that is, attendance upon the court, summoning bystander jurors, etc.

I can say, without fear of contradiction, that I have not promised any other person a job in the Sheriff's office. I have in mind this plan to use in the selection of deputies. When elected, I shall contact leading citizens in each of the magisterial districts and shall select deputies from among those persons recommended to me by these citizens.

Certainly, such a plan of selecting deputies will meet with the wholehearted approval of the people in each section of the county.

I challenge any person to successfully deny or contradict anything I have said in this statement. On this record, I ask each and every good Democrat and Republican interested in a good Sheriff's administration, based upon the law and upon my integrity as a citizen, to elect me as Sheriff of Floyd county.

Thank you,
BILL HALL

(Pol. Adv. 9-24-53)

SOIL CONSERVATION

By L. R. Johnson

Emmitt Hamilton, of the Teaberry community, has finished his project of tiling. It took 440 feet to make the wet land dry.

Lee Justice, of Buffalo, is planning to establish a grass waterway across his 11-acre bottom. The runoff from hill meanders and gives a lot of worry. The waterway will be made straight, and so crossing with farm machinery will be practical.

Milt Stanley, a district supervisor, attended a Soil Conservation meeting at Hazard recently.

J. B. Clark, chairman of the board of Supervisors, will attend the annual meeting of the State Association of Soil Conservation Districts at Kentucky Dam in October.

Floyd county Soil Conservation District is broadcasting over WPRT every Saturday at 5:30.

If you have conservation problems, contact one of the SCD Supervisors or L. R. Johnson.

**BLADES of
BLUEGRASS**

By ORINNE JOHNSON

LEXINGTON, Ky. — The 1953 Kentucky State Fair, the largest in the history of the Commonwealth with its thousands of entries in agriculture and home economics and valued in millions of dollars, has brought to mind for some old-timers the agricultural trains of 1911, 1912 and 1914. Those trains carried exhibits of livestock and poultry, along with other displays such as might be seen at a fair or exposition.

Operated by the railroads, with teaching staffs provided by the colleges of the state, the trains were called "universities on wheels to be taken to the very doors of the people." The first such train ran over the lines of the Southern Railway in 1911, a year after the U. K. Extension Division was organized.

Advance publicity for the 1912 train, prepared by T. R. Bryant, then superintendent and now associate director of the University of Kentucky Agricultural Extension Division, stated that:

"Besides the living-cars which will accommodate the 30 or more people who will compose the staff, there will be six cars devoted to the various lines of agriculture, fitted up with exhibits illustrative of the topics of the lecture; . . . grain and forage crops of Kentucky; improved farm implements; enlarged photographs teaching lessons in agriculture; scores of agricultural charts; livestock of various kinds; illustrations of the work of the college; printed bulletins regarding free courses; samples of soils and fertilizers; spraying outfits for orchards and gardens; completely equipped dairy; work of insect and fungus pests and devices for their destruction; rations for various classes of livestock; scores of fowls of all types; incubators, brooders and poultry supplies; domestic science car fully equipped . . . and many other interesting things too numerous to mention . . ."

"Coaches were fitted for lectures, but the number of people who came to see the train at its advertised stops was often so great that it was necessary to hold the meetings out of doors, and then open the train for inspection by visitors."

More than 70,000 people at 108 station stops visited the train, which ran over the seven principal railroads in a period of 29 days. The third and last agricultural train was run in 1914. By the following year, the Extension service was reaching the people of the state through its system of county and home agents, and the automobile had awakened the people to the need for better roads.

STATEMENT OF CHAIRMAN

In behalf of the Fair Board and myself I wish to thank the many people who have helped to make this fair possible. Its purpose is to show and encourage the progress of our farms and other industries. We are proud of Floyd county and the Fair will show why. It is the first since World War II.

It is our hope that you will make the most of this way of showing what we have done and seeing what others have done. An interesting and helpful experience is planned for young and old, for those on the farm, in industry and in school.

The recognition given to exhibits of our boys and girls in 4-H clubs, FFA and other organizations will increase interest in doing worthwhile things. The value of such interest is beyond measure.

Again, thank you, everyone, for your interest and effort. Visit the fair and enjoy every minute as you see Floyd county on display. We believe that your contributions are an investment that will pay rich dividends in the lives of our youth.

The splendid spirit and cooperation shown by the members of the board with the effective council and guidance of our county agent is very much appreciated.

JESSE ELLIOTT, Chairman

FOR A GREATER FLOYD COUNTY

We welcome the Floyd County Fair.
We praise the Spirit of Cooperation making it possible.
We congratulate the Fair Committee.

They have proven the motto of our Great State:—

United We Stand
Divided We Fall

Our county needs more of the spirit:—

What helps you, helps me
What helps me, helps you

All must GIVE if we expect to TAKE

Remember the DEAD SEA
It doesn't give ! ! ! !

We have a great FLOYD COUNTY; let's make it greater.

Our store exists because of the SERVICE it GIVES

Kentucky Photo News

The one-room school, above, is typical of the many operating throughout the Commonwealth. The state Department of Education recently announced distribution of \$5,573,000 in an equalization fund which will benefit poorer school districts.

The annual Boone Festival will be held this year at Barbourville on October 16-17. Daniel Boone, left, a distant relative of the Kentucky explorer, recently visited Barbourville and the Dr. Thomas Walker State Park. Here he is shown near the cabin, a replica of the one constructed by Walker.

STATEMENT OF MAYOR CLARK

Floyd county should be proud that it is again having a Fair. Because of the closing of so many truck mines causing much unemployment, I think that it is important that we have a successful Fair at this time.

Floyd county in the future is going to have to return to farming if we are to stop the migration of our people to the industrial North. I think the Fair this year will do much to encourage our farmers and will cause them to strive harder each year to produce more than ever before so that we of Eastern Kentucky will import less food from other states, thereby improving the economy of Floyd county.

I urge the people of Prestonsburg and Floyd county to attend your Fair and make it Floyd county's best.

CURTIS CLARK,
Mayor, City of Prestonsburg

TO THE CITIZENS OF FLOYD COUNTY:

It is with considerable pleasure that I learn that details for the Floyd County Fair have been completed and that it will be held on October 1, 2 and 3, at Prestonsburg, Kentucky.

I am sure that such an event will be favorably received by the people of Floyd county and request that each and every citizen give their wholehearted support to the Fair. Insofar as I am capable, both personally and as your County Judge, I can promise you that everything which can be done will be done to make this Fair the greatest Floyd county has ever had.

I want to thank each and every person who has and will work to make this Fair possible, and your support and attendance will do much to indicate your interest in the future development of our county.

Respectfully yours,
HENRY STUMBO,
County Judge.

ATTEND THIS SHOW!

ONE week from today (October 1), Floyd county again will have its own Fair for the first time since early in World War II. To assure the continuance of the Fair as annual event, without interruption, all Floyd county must give it its full support.

Business firms have been very liberal in their financial backing of the Fair, and a sizeable group of public-spirited citizens has worked to make the Fair a success. But a million dollars in the treasury and years of hard work before the event itself would not guarantee a satisfactory Fair.

The presence of people at the Fair is the next thing that is necessary. Without them, all the prizes and all the exhibits would be of no cumulative effect.

So attend the Fair. See what your neighbors have grown and made. Turn back to the soil, upon which all of us, for all our knowledge of the sciences and synthetic production, depend for life itself. See and admire what human industry and care, intelligently directed, will produce. And gather for yourself a bit of inspiration in the pride and gratification those responsible for such fine products of the farm, garden and home take in having ended another season with a job well done.

It's your Fair. Make sure it will be Floyd county's best.

STATEMENT FROM COUNTY AGENT

The County Fair provides an opportunity for our farm people to meet together, exhibit products, compete with their neighbors and have fun in the fall season. Let us all try to make it good by exhibiting as many products as possible.

The final success of the Fair depends on you, the farmers, homemakers, 4-H Club members, boys and girls who are the backbone of our county. I sincerely hope that each of you will plan to have at least one exhibit in the show window of the farm people of Floyd county, October 1, 2 and 3.

OVA ELLIS BOGGS
County Agent

HOW MINIMUM FOUNDATION WOULD BENEFIT FLOYD-CO.

In 1952-53 the average daily attendance in Floyd county was 11,002.64. Of this number, 736.50 were in 38 remote schools with ADA below 27 pupils. This would give us 38 class room units for remote schools. Then 11,002.64 in all the schools, minus 736.50 in the remote schools equals 10,266.14 remaining ADA.

This 10,266.14 divided by 27, the desirable number for each room, equals 380.22, class room units. We have four vocational teachers in the county for which we would be given four class room units. The 38 units for remote schools, plus 380.22, class room units for remaining schools, plus 4 vocational units equals 422.22 basic class room units. We would be given one special teacher such as librarian, principal, or music teacher for every 8 basic units. 422.22 divided by 8 equals 52.77 units for special teachers. Then we would be required to have 4 supervisors and 3 attendance officers for which we would be given class room units. Thus our total class room units for Floyd county would be 422.22 plus 52.77, plus 4, plus 3 for a total of 482.

The state would allocate \$3200.00 per unit of the 482 class rooms for a teacher with a MA degree, \$2900.00 for a teacher with a BA degree, \$2600.00 for a teacher with 3 years' college work, and so on down.

We will use for our figures \$2900.00 times 482 class room units for a total of \$1,397,800.00 for teachers' salaries. We would be allowed \$500.00 per class room unit for operating expenses, or \$500.00 times 482 class room units for a total of \$241,000.00. We would be allowed \$400.00 for capital outlay for each of the 482 units or a total of \$192,800.00. The average number of children transported each day in Floyd county in 1952-53 was 4,667 students. We would be allowed 1 bus unit for each 80 children transported, or 58.33 bus units. Then in addition, we would be allowed 1 bus unit for each 40 to 50 square miles in the county. On the basis of 45 square miles, for each unit, divided into the 402 square miles in the county, you would get 9 extra bus units. 58.33 bus units plus 9 bus units would equal 67.33 bus units for the whole county. We are allowed \$1600.00 for 67.33 bus units for a total of \$107,200.00.

For the total educational requirement of the county you would have \$1,938,800.00 broken down as follows:

\$1,397,800.00	for	salaries
\$ 241,000.00	for	operating expense
\$ 192,800.00	for	capital outlay
\$ 107,200.00	for	transportation

How would this \$1,938,800.00 be obtained?

The January, 1952 assessed valuation of property in Kentucky for school purposes on the local level was \$3,165,000,000 times \$1.00 tax rate equals \$31,650,000.00. Floyd county had .0948 per cent of the total tax paying ability of the state in terms of equalized value. \$31,650,000.00 times .0948 per cent equals \$298,392.00—Floyd county's contribution on Minimum Foundation Program without capital outlay. In order to participate in capital outlay, \$26,839.20 or 10 cents of the present \$1.50 tax rate would have to be contributed by Floyd county. Thus, \$268,392.00 plus \$26,839.20 equals \$295,231.20, our total contribution including capital outlay. The \$295,231.20 from \$1,938,800.00 leaves \$1,643,568.80 for the state Legislature to provide in state taxes. The additional 40 cents that is now levied in local taxes would produce another \$107,356.80 to be spent locally for enrichment of the program.

(It should be noted that these tax figures on the local level do not represent any increase over the present \$1.50 per \$100 valuation rate.)
