## This Town— That World

More cradles rocked would mean less rock-'n'-roll.

Whoever got the idea, anyhow, that a woman's is the only hand that ever rocked a cradle?

With the Democrats girding their loins for their own little family row Saturday, we revise the old line to read, "Now is the time for all good Democrats to come to the aid of their faction."

If Pravda persists in printing criticism of present Soviet rulers as well as of the once-beloved Uncle Joe, the shortage of editors may become worse than that of newsprint.

I've never had any consuming desire to be a miner, but as of midnight last night I suddenly developed a yen for that occupation. That two-week vacation with \$140 vacation pay is the attraction.

### READING THE ADS

There recently appeared in The Courier-Journal (and possibly in other daily newspapers of the land) a full-page advertisement, paid for by a Philadelphia man. The text of that ad read:

If a man say, I love God, and hate his brother, he is a liar; for he that loveth not his brother whom he hath seen, how can he love God whom he hath not seen?

We have lost that copy of the newspaper and so cannot tell you the name of the man who caused the advertisement to be published. But the text of the ad is not lost; you will find it in the Bible—in the fourth chapter of First John.

### OF WARTS AND BOYS AND SUCH

The American Medical Association, no less, heard a more or less learned discussion recently of the cause and cure of the very common, unusually ordinary wart. And that sent some newspaper reporters back to a boyhood favorite to rake up Huck Finn's remedy. Said Huck to Tom Sawyer on this matter of warts and how to rid yourself of them: "Take a dead cat and go to the

## CITY BUS LINE SERVICE SEEN

### Alley To Operate Bus July 3; Sparks Company Sale Fails To Get Bids

Without bus service excepted and from points served by Greyhound lines, Prestonsburg will see a city bus line begin operation Tuesday, July 3.

The city bus, owned by George W. Alley, will operate from Cliff bridge via Prestonsburg to Prestonsburg, Lancer and on to the boat dock at Dewey Lake. The bus leaves Cliff bridge at 6 a.m., and makes hourly runs thereafter except from noon till 1 p.m.

Alley is operating under a temporary permit issued by the Department of Motor Transportation.

A large portion of the county lost bus service when the Sparks Brothers Bus Company suspended operation several weeks ago. Delbert Ison, of Martin, later began operation of buses from Allen to Martin, Wayland and McDowell.

Buses, franchises and equipment of the Sparks Brothers Bus Company were offered at public auction here recently, but bidders shied away when told debt claims had been filed against the firm.

## RIVER SURVEY, BUCKHORN JOB FUNDS OKEHED

### \$76,000 Appropriated Will Enable Big Sandy Survey During '56-'57

The House voted its approval Wednesday of the appropriation bill which previously had passed the Senate. The bill now goes to the President for his signature.

Differences between House and Senate bills on appropriations for Kentucky waterways were reconciled in conference Monday. Senator Earle C. Clements wired The Times.

The conferees agreed to restore \$46,000 cut from the appropriations for the survey of the Big Sandy river by the U. S. Corps of Engineers as a study of canalization possibilities, bringing the total made available for that project to \$76,000. This will make completion of the survey possible during the fiscal year beginning July 1. Senator Clements said.

Out of the conference, too, came an agreement to appropriate \$1,000,000 to start work on the Buckhorn Reservoir in Perry county. This amount had been approved by the Budget Bureau, knocked out by the House and restored by the Senate at Clements' urging.

The Buckhorn Reservoir will be slightly larger than Dewey Lake, and will give Kentucky five major man-made lakes.

Other Kentucky projects covered in the conference agreement are:

- Greenup Dam, \$9,900,000; Markland-Warsaw Dam, \$5,000,000; Rough River Dam, \$1,500,000; Barkley Dam and Lake, on the lower Cumberland, \$1,100,000; Catlettsburg Floodwall, \$1,000,000; Barbourville Floodwall, \$765,000; New Richmond Dam, on the Ohio River, \$125,000; Nolin River Reservoir, \$100,000.

In addition to Big Sandy's—the committee set aside these amounts: Kentucky River, \$50,000; Cypress Creek, \$17,000; Clark's River, \$15,000; Laurel River Dam, \$10,000; Little Sandy River-Tygart's Creek, \$20,000.

For studies of flood control, navigation, and hydroelectric power possibilities, the committee approved \$10,400 for the Big South Fork River and \$8,000 for Pond River. The former lies mostly in Jackson county and empties into the Kentucky River. Pond River separates McClean and Webster counties and empties into the Green River.

#### HEART ATTACK VICTIM

W. B. Givins, well-known Prestonsburg man, died suddenly this afternoon (Thursday) of a heart attack. He was walking with Wilson Stepp toward his Third street room when he staggered and fell. The body is at Moore Funeral Home.

# Democrats Set for Saturday Tussle

### Martin Tells Stand On Sidewalk Issue; Condemnation Begun

Steps were taken this week toward condemnation of property of Fred A. Martin on North Lake Drive for the construction of a sidewalk to connect with the new high school building here.

At the same time Mr. Martin emphasized the point that he does not want to bar construction of the walk, which will mainly serve pupils at the school. "I have a sidewalk already built, built at my expense and under state supervision," Mr. Martin said. "All they have to do is build the walk to connect with it at either side and there is no trouble. What I can't understand is why they want to tear up this walk I have already built, then put another walk down like it."

Martin added that the public should know he is not the only one who is delaying the project. No right-of-way has been required of one man who does business near him, he said, and this statement was confirmed by a member of the City Council who said he could not see why the present walk built by Martin would not serve as well or better than the walk proposed by the state.

## WILL RESUME DOG ROUNDUP

### Cook To Resume Duties On Arrival of Dog Tags; Sees Better Cooperation

Roy Cook, of Drift, Floyd county dog warden, said this week that he will resume work July 1 rounding up stray dogs and selling dog license tags, if the new 1956 tags arrive by that date from Frankfort.

Mr. Cook's resigned his post last winter when he planned to reside permanently in the Northwest, but he returned to this county and the fiscal court did not accept his resignation.

He said he had been working during the past month in places where he has been called but has not made an intensive job of it, pending arrival of the new licenses.

"I expect much better cooperation this year than last," Cook said. "The people have learned how important this dog control program is, and I am getting calls and letters now from people who last year actually opposed the program." Public health and the fast-growing sheep industry on farms of the county were cited as big reasons for the gain in popularity of the dog control work.

(See Story No. 5, Page 6)

## DAMRON GETS LIFE IN PEN

### 'Catfish' and Newsome Convicted of Robbery Of 73-Year-Old Man

Damron was convicted Wednesday and given a life pen term.

Willard "Catfish" Damron, accused Pike county "torso slayer," was apparently waging a losing fight this week in defending himself in Pike circuit court against armed robbery charges.

Two Floyd countians, co-defendants in the case, testified Damron had a part in the robbery of 73-year-old James Kimberlin at his crude home fashioned from a school bus, on Town Mountain, near Pikeville, last March. Damron denies guilt.

First, Frank Wright, of Mare Creek, testified Monday that he, George Newsome, formerly of West Prestonsburg, and Clyde Parker Crum, of Boldman, met with Damron at the Damron home and planned the robbery.

Then Newsome, who pleaded guilty last week to his part in the robbery, testified Tuesday that Damron sat in a car nearby while Kimberlin was being robbed of \$465 in cash.

State policemen, including Capt. Vernon Sanders, Sgt. E. L. Cornett, and Cpl. Ira Taylor, told of arresting Damron, Wright, Newsome, and Clyde Parker Crum, at a roadblock set up the night of the robbery a short distance from Kimberlin's home.

(See Story No. 3, Page 8)

## 14,659 GIVEN SURPLUS FOOD

### State Reverses Stand On Suspending Hauling Of Relief Commodities

Floyd countians on food relief this month numbered 14,659. G. R. Spradlin, head of the surplus food commodity office here, said Wednesday.

The total number on relief was represented by the number of pounds of rice distributed during the month, since each person received one pound of that item.

State Highway Department help on transporting the surplus foodstuffs shipments from the West Prestonsburg railway station to the relief office warehouse here and to some points in the county will continue, J. B. Wells, rural highway commissioner, told County Judge Henry Stumbo, Tuesday. This was an about-face from a previously announced policy, the Highway Department having notified Judge Stumbo and other County Judges of this area that, effective July 1, state machinery help would no longer be available. Judge Stumbo in a telephone conversation with Wells Tuesday said County Judges of this section had called a meeting in the office of County Judge Ervin S. Pruitt, of Pike county, Wednesday to discuss the situation. The decision to continue state help came immediately thereafter.

Mr. Spradlin said all relief applicants will be required to reapply for aid, with the head of the house to sign an affidavit as to his family's needs. He emphasized the fact, however, that registration anew of all relief clients cannot be done at one time. Spradlin said he will notify postmasters in each community of the date relief clients from the area served by that postoffice are to come here to sign new applications.

(See Story No. 6, Page 3)

## Maytown Future Farmers Compete at Hardinsburg

The Maytown Future Farmers of America have returned from Hardinsburg meet on June 15-16 where they competed in the state judging of soils. They competed at the Eastern Kentucky Division meet of the organization at Salyersville, May 12 and won the competitive judging there.

Winners at Salyersville are students of Roy Denney's vocational agriculture class and are Roy Shipman, Clennon Turner, and Ronnie Hayes.

## Cpl. Spradlin Killed In Vehicle Accident In Germany, Announced

A telegram received here Wednesday by Mrs. Lucy Hall Spradlin told of the death Monday in Germany of her son, Cpl. Oscar Spradlin, in a military vehicle accident.

Cpl. Spradlin was serving his second tour of duty with the army when killed. His second enlistment was in 1954. His father, Cager Spradlin, died 17 years ago.

It was indicated that the body will be returned here for burial.

## COURT HOLDS HIRING ORDER

### Action This Week Nulls Order Hiring Martin Aid; Court Splits on Question

The fiscal court at its Tuesday meeting here reverted to its earlier decision of this year not to employ an assistant to Commonwealth's Attorney Burnis Martin.

First, the court voted not to employ a commonwealth's detective. Later, the prosecutor asked the court for clerical help, and the court on March 13 authorized the employment of an assistant to work in or out of Martin's office at the minimum salary provided by law. This week's action rescinded that order by a 3-2 vote. Magistrates John May and Edgar Howell voting to rescind, Magistrates Ellis Martin and Grover Holbrook voting against the order. County Judge Henry Stumbo cast the deciding vote.

Judge Stumbo commented later that if he felt that a commonwealth's detective is needed in this county he would be glad to vote to employ one but that he is convinced one is not needed and that the money used to pay a detective would better be spent on roads. "Besides," he said, "no other county around here has a commonwealth's detective."

The court voted the usual tax levy: 50 cents per \$100 valuation on real and personal property, 1.50 poll tax, 20 cents per \$100 cash value of bank shares, 1% of market value of petroleum and 2 cents an acre on forest lands for forest fire protection.

No action was taken by the court on a proposal to approve \$20,000 in bonds to finance improvement of the Weeksbury water system.

## MEADE HELD FOR ROBBERY

### Man Accused of Holdup At Bypro Executes Bond; His Captor Is Wounded

Joe Meade, 22, formerly of Weeksbury, was released under \$3,000 bond Friday when he waived examining trial here on a charge of armed robbery.

Meade is accused of taking from the store-restaurant of Fred Blackburn, Jr., at Bypro, last Wednesday night, \$40 in cash after threatening three women in the store.

The accused man was overtaken in a foot race by Frank Johnson, employe of Blackburn, about 700 yards from the scene, and Johnson suffered a flesh wound in his leg when Meade started to run and Blackburn fired one revolver shot, missing Meade and hitting his employe. Johnson was dismissed from a hospital, Wednesday.

Owner of the Bypro business said Meade had been in the restaurant about an hour and that he went to the cashier's counter as the business was about to be closed for the day at about 9 p.m. As Miss Viola Curry, cashier, rang up a sale Meade, brandishing a quart bottle of syrup, announced that "this is a hold-up." He snatched four \$10 bills and fled, Blackburn said. Miss Curry and Mrs. Fred Blackburn, Sr. spread the alarm, with Johnson giving chase, followed by Blackburn himself who was in his home nearby.

Meade's case was transferred from Wheelwright police court to quarterly court here.

Four persons have been jailed within the week on drunk driving charges. They are James Hall, Zeon Warrick, Martin Hall and Virgil

(See Story No. 4, Page 8)

## WORK ON GYM TO SPEED UP

### Long-Delayed Steel Arriving This Week; March Finish Possible

"There is the barest possibility that the gymnasium can be finished by next March," said Ervin Akers, of Akers & Akers, contractors on the Prestonsburg high school gymnasium, construction job.

Special rigid steel, although received this week after an unexpected wait of some seven months, is not the entire answer to finishing the gym by next March, he said. He expects concrete work to give plans of completion by next March the most trouble, stating that cement will probably be very scarce when he wants to start pouring it.

Asked why the delay in securing

(See Story No. 2, Page 5)

## Sheriff Collins Closes East Point Steak House; Owner Released on Bond

The Steak House at East Point was closed Tuesday by Sheriff Gorman Collins, who acted on a warrant sworn out by Mrs. Taylor Music, of East Point, charging Clyde Jones with operating the place without a roadhouse permit. Jones was released under \$500 bond.

Sheriff Collins said another roadhouse which recently closed is back in operation. This is the Left Beaver Creek place operated by Paul Patierno. A warrant charging Patierno with operating without a roadhouse permit was procured by Deputy Sheriff Willie Johnson about two weeks ago but Patierno closed before the warrant was executed, the Sheriff said. Tuesday, Sheriff Collins said he noted that the place is again open. He went inside to investigate, and found that Patierno has a roadhouse permit dated June 25.

## TWO FACTIONS SET FOR TEST OF STRENGTH

### Delegation from Floyd To State Meet, Control Of General Group, Issues

A showdown between the two factions of the Democratic party in Floyd county is looked for Saturday when delegates to the State Democratic convention in Louisville will be named in a mass meeting at the courthouse here.

It will be the first time since 1899 that a fight has been waged to keep control of county committees out of the hands of a Democratic governor, and Saturday's row is strictly a scrap between the Clements and Chandler factions of the party. It is expected to extend into practically every one of the state's 120 counties.

Importance of the day's balloting at county conventions all over the state lies in the fact that whichever faction winds up in control will name the party's next State Central Executive committee. The Clements-Wetherby wing presently is in control of the Central Executive committee, and Governor Chandler is determined to wrest control from these two with whom he has, to say the least, not seen eye to eye in recent years.

Indicative of the Chandler administration's determination to muster its full strength for the fight was the word which reportedly went out this week to every state employe in Floyd county to bring with him (or her) not less than five others who will support delegates favorable to the Governor. At the same time anti-Chandler forces were equally determined, with the United Mine Workers appealing to their forces to be present and cast their votes along with others opposing Chandler and favoring Clements and Wetherby.

J. F. Howell, of Price, of the Chandler faction of the party, said he will place in nomination the name of Lon C. Hill for temporary chairman. In a letter to mine workers Sam Caddy, U.M.W.A. district president, said ex-Judge Bert T. Combs will lead the floor fight for the Clements forces.

County Judge Henry Stumbo is Floyd county Democratic chairman, and he is scheduled to preside in the first business of the county convention, which will be the naming of a temporary chairman and temporary secretary to preside during the actual balloting for delegates.

The convention here will assemble at 2 p.m.

#### ATTEND 50TH WEDDING PARTY

Mr. and Mrs. K. J. Day, Mr. and Mrs. Collis F. Hudson, of Pikeville, attended the 50th wedding anniversary reception of Mr. and Mrs. Z. Dickerson, here June 17.

## Over \$1,000 Raised To Pay July 4 Observance Expenses

Final plans were being completed for the Independence Day celebration scheduled here next Wednesday. David Leslie, chairman of the observance committee, says, Wesley Howard will act as master of ceremonies and Rev. Orville Pearson, pastor of the Presbyterian church, will deliver the traditional Fourth of July speech.

Businessmen, firms and citizens contributing over \$1,000.00 to the expenses of the celebration were released this week by Leslie. They are:

- City of Prestonsburg, Burl Spurlock, Turner's Department Store, Francis Stores, Wright Brothers, Jewelers, Ben Franklin Store, The Bank Josephine, Wm. Arrowood, A. W. Cox Department Store, Bob Francis, Apparel, Martin & Martin Supply Co., The Leader Store, I. Richmond Company, Thomas Hereford, Floyd Motor Company, York Furniture Company, Marvin Music, F. S. Van Hoose Lumber Company, Greenwade Nash Motors, Rose Drug Store, Fountain Korner.

## Music-Colvin Motor Company, E. J. Williams, DuRan Moore Hdwa. Company, Carter & Callihan Funeral Home, Hustinpiller Drug Store, W. V. Grimm Wholesale Meat Company, Quentin Terry of The Mayo Office Supply Store, Brown Produce Company, Ray Howard, Western Auto Associate Store, Flanery & Dingus TV Service, Leva's Style Shop, Home Appliance Company, The Kroger Company, C. W. May, Cooley Bros. Grocery, Horne's Food Market, Nunmerly's Store, Hager May Market, Castle's Jewelry, Dick's Cafe, Farm and Home Store, Buick Garage, Hughes Motor Company, Spurlin Insurance Agency, Jackson Furniture Company, Mrs. Roy Perry, May Sign Service, N. M. White, Jr., East Kentucky Auto Parts, Bob Hughes.

## Farm-Owners Sue Firm for \$10,000 Haulage Damages

A \$10,000 suit was filed in Floyd circuit court Friday to recover damages allegedly caused by the use of heavy trucks in hauling coal over a Mud Creek farm.

The plaintiffs are Emmitt Hamilton, Jr., and Alice Hamilton. Defendants are the Hamilton & Kiser Coal Company, Andrew and Margie Kiser, Sterling and Olzie Hamilton.

Damages asked were computed at the rate of five cents per ton of coal hauled, the plaintiffs' action says, adding that that is the customary pay for haulage rights.

## Drift Substation Proposal Taken Under Consideration

The Public Service Commission took under consideration after a hearing Monday Kentucky Power Company's proposal to build a substation and transmission lines at Drift.

The Power company said the construction cost would be about \$135,000. The lines would extend from the substation to the plant of the Kentucky Hydracarbon Company, about four miles.

# Floyd Surgeon Restores Life to "Dead" Woman

"If some one had told me I would have been brought back from the dead, I wouldn't have believed it, of course," Mrs. Bethel Prater, of Hueysville, a patient at Our Lady of the Way hospital, Martin, said Wednesday, almost a week after she had "died" on an operating table.

She lives today by the grace of modern, "miracle" heart surgery. A few years ago life would have been forever denied her. She is one of the few, very few, patients who have ever "died" and lived again.

"It feels like my heart is hurting," were the first words she told Mrs. Waneta Newsome, surgery nurse, when she awoke from anesthesia Thursday of last week. She didn't know until Wednesday of this week that her heart had stopped while a routine operation was being performed and she was rushed to surgery at 4 p.m. The doctor opened up the abdominal wall, was preparing to close the bleeding blood vessels. Suddenly the patient's heart stopped.

Mrs. Newsome saw the heart quit simultaneously with the doctor. She wasn't scared, for "you can't get scared in surgery," but she was puzzled as the surgeon began to open up Mrs. Prater's chest. She had read of cases

where the heart had been massaged back to life and she realized that now she was seeing such an operation. In the tenseness of the moment she wondered if it was any use and there was a thought "of those four little children at home."

The doctor had the heart in his hand. He gently squeezed it to stimulate the normal contraction and relaxation. Slowly, in the third minute of those precious five, the organ began to beat again. The "dead" lived and the other operation of tying off the abdominal blood vessels was completed.

It is explained that in cases of cardiac arrest the lungs collapse as respiration ceases. After cardiac resuscitation has been effected there are problems connected with breathing. Mrs. Prater's lungs are now 75 per cent normal.

Mrs. Prater, who didn't know of her "miracle" operation until the doctor told her Wednesday afternoon, had wondered all the time what the bandage was doing on her chest. Her reaction was quiet. "I've read about such cases," she said. "But it's sure a funny feeling to think that it had to happen to me."

**NOTICE**

**Administrator's Notice**

Drivers licenses, A through K, expire July 31. You are urged to renew your license early and avoid the rush.

W. W. Cooley, Clerk  
Floyd Circuit Court

Whipped cream sweetened with honey is good with plain or fruit or gelatin desserts.

The undersigned Marion Martin, Drift, Ky., has been appointed administrator by the Floyd County Court of the estate of Grover C. Martin, deceased, and all persons having claims against said estate are asked to file them at once with the undersigned administrator. Marion Martin, Administrator of the estate of Grover C. Martin. 6-28-1t.

Plumbing. Have your work done by an experienced man. Call Woodrow Salyers, Phone 2441, Prestonsburg, Ky. 6-28-4t pd.

**Tax Happy Chandler Rides Again**

When:—2:00 P. M. Saturday, June 30.  
Where:—Courthouse, Prestonsburg.  
What:—Floyd County Democratic Convention.  
Why:—To elect delegates to the State Democratic Convention.

**Happy Rides Rough Shod**

After breaking more promises and raising more taxes in 6 short months than any other Governor in history managed to do in 4 years, Tax Happy Chandler, is bored in the Governor's Office, and now says you must elect him President of the United States.

**Your Tax Money Is Paying for Happy's Bid for President**

Happy's political mastermind, "Virtuous" Vege Barnes, recently fired from her job a social worker, a respected Floyd County mother and grandmother on unproven charges of political activity. "Virtuous" Vege now sings a different tune. He now demands that "Merit System" social workers ignore state law and the Federal Hatch Act, that they go to the County Conventions on state time and pay next Saturday and vote for delegates who will favor Happy for President. (See Courier Journal June 23).

Tax Happy Chandler, who was elected on a promise to free the state employees, now openly threatens them with dismissal unless each of them dupes five people into voting for Happy's Delegates at the Democratic Conventions next Saturday. (See Lexington Herald June 24).

**The Chips Are Down—This Is the Payoff**

Tax Happy Chandler wants to rule the roost from President to Magistrate. If he elects his delegates to the State Convention next Saturday you can expect his henchmen to be back next year telling you how to vote for every Floyd County office.

Bob Humphreys, whom Happy recently appointed United States Senator said the outcome of the County Democratic Conventions next Saturday will determine whether or not Happy can pick the next Governor of Kentucky.

The chips are down, this is the payoff. Happy wants to eliminate the possibility of Bert Combs ever becoming Governor of Kentucky. If Happy wins at next Saturday's Democratic Convention in Prestonsburg, he will read Bert Combs and his friends out of the Democratic Party.

Floyd County can help save the United States from Tax Happy Chandler. Let's stop Happy before he stomps us.

"Let's correct the mistake, Of Last August the Eighth."

Every good Democrat is invited — bring your friends—

Where:—Courthouse, Prestonsburg

When:—2:00 P.M. Saturday, June 30

What:—Floyd Democratic Convention.

Why:—To elect delegates to the State Democratic Convention

Happy doesn't want you to be there. Every Democrat present can vote.

Stand up and be counted with Bert Combs.

Vote against Tax Happy Chandler's Delegates.

COMMITTEE OF FLOYD COUNTY DEMOCRATS

(Pol. Adv.)

**RETURNS TO NEW YORK**  
Edmund Burke returned to his army camp near New York City Sunday, after a week-end visit with his parents, Mr. and Mrs. E. R. Burke, and family.

**TIMES WANT ADS PAY — TRY THEM TODAY!**

**LEXINGTON**—The State Agricultural Stabilization and Conservation Committee office has announced the resignation of Henry W. Turner, Taylor county chairman. The Compliance and Investigation Division of the Department of Agriculture investigated the Taylor county ASC this spring.

**STEPHENS ANNOUNCES**

Since we have lost in our plan to establish a new bank at Martin, I have been requested by a lot of people, who are interested in me to make the race for either Circuit Judge or Circuit Clerk and after considerable thought and consideration of the matter, I have definitely decided to make the race for Circuit Clerk, if the understanding I have with some people, is kept and, if not I may change my mind and make the race for something else.

It is said by many, "that I made a good Circuit Judge and that I held an orderly court and the business was speedily dispatched and that my record in the Court of Appeals was a good one and my record as Clerk was equally as good or better."

I do not wish to ever make another race in which my kintfolks are involved in the same race. I have tried this matter out and it does not bring about the best results. While this announcement is a little early, I know of several other avowed candidates for office and have been for more than three years, which is much longer than before this statement.

Ask any attorney about my qualification and the amount of paper work I relieved them of in the courtroom. I wish to serve you in the future as I have in the past and anytime I can be of service to you, day or night, it will be a pleasure to do so. I will make the kind of an official you expect and demand.

The voters have the keys to the courthouse in their hands and they have the power and it is up to them to remove any one from office they desire or wish to elect. Be careful before you act and then you will not complain later as many do.

Be sure you are registered in the precinct in which you live. You can only vote where you live. If you have moved to another precinct since you registered, have the clerk transfer your card to your present location and precinct and this must be done sixty days before you can vote. Many people overlook a few of these simple rules and are thereby disappointed.

Anyone desiring to change their party affiliation from Democrat to Republican or from Republican to Democrat, may do so and this must be done after the Primary and not before as many have attempted to do in the past and this must be done sixty days before you are permitted to vote.

Any one being 18 years of age before the November election may register and vote in the Primary before.

May I have your active support and I promise you that I will repay you in the best service of which I am capable.

All of which is respectfully submitted for your consideration.

I am, faithfully yours,  
**HENRY STEPHENS.**  
(Pol. Adv.)

**J. W. Campbell, Estill, Victim of Heart Attack, Expires Last Friday**

J. W. Campbell, 66, of Estill, a retired miner, died at the McDowell Memorial hospital, at 1 p.m. last Friday. He was the victim of a heart attack.

A son of the late Joan and Rosa Fisman Campbell, of Knott county, he was married to Nancy Campbell, who preceded him in death in May. He had been in failing health for several months but died suddenly. He was a member of the Freewill Baptist church.

Surviving are two sons, Eugene Campbell, Dayton, O., and Roy Campbell, Houston, Texas; a daughter, Mrs. Aileen Castle, of Estill; and a step-son, Kermit Terry, of Ashland. Surviving brothers and sisters are Seymour Campbell, of Wayland, James Campbell, of Hippo, Jerry Campbell, of Pippa Passes, Mrs. Martha Griffith, in Indiana, and Mrs. Liza Wicker, of Moustie.

Funeral rites were conducted at the Martin Branch Freewill Baptist church at 10 a.m. Monday, the Revs. Douglas Burkett and Green Boyd officiating. Burial was made in the Martin cemetery at Dema under the direction of Hall Bros. Funeral Home.

Wright. Chris Johnson, Jr., 16, and Sue Ellen Banks, 15, both of Weeksbury. Harry B. Howard, 24, Garrett, and Mildred Caudill, 19, Wayland. Paul Brian Music, 21, Meally, Ky., and Artha Lou Daniels, 21, Thealka. Elmer R. Caudill, 21, and Barbara Lee Johnson, 18, both of Melvin. Bobby Ray Harris, 20, Martin, and Delphia June Blanton, 16, Allen. Robert Eugene Beatley, 22, and Vernona Tackett, 21, both of Wheelwright.

Homer Dudley, 21, Langley, and Oma Akers, 18, Martin; married June 22 at Eastern by the Rev. M. C. Wright. Eral Tackett, 19, Amba, and Joanna Hall, 15, Donaker. Wayne Akers, 19, and Josephine Hayes, 18, both of Hunter; marriage solemnized June 22 at Martin by the Rev. Mearl Wadley. H. H. Butcher, 69, and Martha Butcher, 39, both of Bypro. William C. Preston, 27, River, Ky., and Barbara Witten, 28, Paintsville. Denver Paige, 18, and Jo Ann Elliott, 15, both of McDowell. Willie Martin, Jr., 24, Garrett, and Gwendolyn Hall, 21, Wayland.

—7—

(Continued from Page One)

graveyard about midnight when someone wicked has been buried. When it's midnight the devil will come and maybe two or three, but you can't see them. When they're taking that feller away you heave your cat after them and say: "Devil, fellow corpse, Cat follow devil. Warts follow cat, I'm done with ye."

Then Huck had another remedy almost as good. It involved an old, rotten stump and the water that gathered therein, immersion of the wart-afflicted part in the water, and this incantation:

"Spunk water, spunk water. Injun meal shorts; Spunk water, spunk water Swaller these warts."

Getting back to Huck and Tom and a graveyard at midnight, it strikes me that nobody has ever approached Mark Twain in setting down in print the life and times of a boy and in clothing his story in mood and atmosphere that is almost palpable. Who, having read the wart-curing episode, is likely to forget the eeriness of the scene as Tom and Huck watched Injun Jim and Muff Potter at their grave-robbing job for the doctor, heard the argument between them and saw Injun Jim sink a knife into the doctor's body and leave poor Muff to think he was the murderer?

And getting back to warts, the learned doctor at the AMA meeting allowed as how a virus causes warts. Virus X (which covers just about everything doctors don't know about), is our guess.

But we always thought you got warts by handling toad-frogs. Sometimes we are amazed by our own ignorance.

**Most modern truck V8's ...and the pounds prove it!**

Pound for pound, the most powerful truck V8's today are Chevrolet's. That's one way you can tell they're the most modern V8's going!

They carry around fewer pounds for power they develop. That means you not only can haul bigger loads—you have more usable power to move them!

Stop by and let us give you the facts on Chevrolet's compact, super-efficient truck V8's.

**Weigh the facts... and you'll choose today's most modern trucks**

Wasted weight is engineered out of Chevrolet truck V8's!

Chevrolet's truck V8's have a rugged yet remarkably compact cylinder block. Modern design cuts down engine weight.

More power per pound means more power for your payload!

Less power is used up in moving engine weight, more is available for moving your payloads. You get hour-saving performance!

There's a modern V8 for every Chevrolet Task-Force truck!

There's a V8—either standard, or optional at extra cost—in every Chevrolet truck model. Horsepower ranges as high as 195!

**Chevrolet Task-Force Trucks**  
Anything less is an old-fashioned truck!

**CHURCH GROUP MEETS**

The Ladies Circle of the Community Methodist Church held its regular meeting in the church basement Wednesday night, Viola Cooley, president presiding. The devotional was led by Jean Burke. After the business session, refreshments were served by Margaret Jackson and Ruby Blackburn to Marie Neeley, Jean Burke, Josephine Meadows, Bertha Dickerson, Viola Cooley and Miss Della Lou Burke.

**ATTEND BARTER THEATRE**

Mrs. Mary A. Ford and Mrs. Ed May went to Abington, Va., last Wednesday to see the Barter Theatre presentation, "The Lady Is Not for Burning".

**VISITORS FROM VINE GROVE**

Mr. and Mrs. Judson Berry, Mr. and Mrs. James Hardy, of Vine Grove, Ky., came here Saturday to attend the Vine Grove evangelistic services over the week-end.

**VISITORS HERE**

Mr. and Mrs. Frank Buskirk and two sons, of Bradenton, Fla., Mrs. Leon Buskirk and daughter, of Inez, and Mrs. Thomas Buskirk, Davella, Ky., were here last Friday visiting Mrs. Grace D. Ford.

**TO TAKE VACATION**

Mr. and Mrs. Dan Nesler will leave July 1 for a two-week vacation. They will visit relatives in South-ehh Illinois and Houston, Texas. Mrs. Nesler's sister, Mrs. W. W. Wright, of Enfield, Illinois, will accompany them to Houston.

**BACK FROM FLORIDA**

Mr. and Mrs. Herbert L. Ley returned home Monday from a two-week vacation at Sarasota, Florida.

**RETURN FROM VISIT**

Mr. and Mrs. John Osborne, of West Prestonsburg, have had as their houseguests the past week Mrs. Walter Long and Mrs. Betty Blanton, of Ashland, Mr. and Mrs. Elmer Dutton and daughter, Springfield, Ohio, Mrs. Ted Bayes, Barnett's Creek, Ky. All guests returned to their homes the latter part of the week.

**OBSERVES 81ST BIRTHDAY**

Andrew J. May was happily greeted on his 81st birthday June 24, at his home on Arnold avenue by a large number of relatives and friends who called to wish him a happy birthday. Mr. May has been ill for some time but was in a cheerful mood and enjoyed the occasion very much. Mrs. Olga May Latta, his daughter, served the birthday cake with tea to all who called.

**CELEBRATES 12TH BIRTHDAY**

Kay Ann Frazier was hostess to about 30 friends on her 12th birthday anniversary last Friday at the B & W. Dancing and games were enjoyed in the new dining room until 10 o'clock. Her mother, Mrs. Chalmer Frazier, served punch and cakes to the guests after the gifts were opened by Kay Ann. Favors were presented each guest.

**WINS RADIO AWARD**

Mrs. Billy Hale, of Logan, W. Va., won the radio award last week on the Johnny Olson program at Logan, W. Va. She won a 9x12 Bigelow rug with pad for her answer to the required question on the program. Mrs. Hale is the former Mary Auxier Ford, of Prestonsburg.

**TO HONOR MOTHERS, DAUGHTERS**

A covered dish dinner will honor the mothers and daughters at the Methodist Church, Friday evening of this week at 6 o'clock.

**VACATIONING IN FLORIDA**

Mr. and Mrs. Greeley Hicks and daughter Linda left Wednesday for Palaka, Florida, where they will spend a two-week vacation.

**VISITOR FROM MT. STERLING**

Miss Claire Cohen, daughter of Mr. and Mrs. George Cohen, of Mt. Sterling, formerly of Prestonsburg, visited Jacqueline Hensley here last week.

**EMPLOYED IN FLORIDA**

George Fugate, Jr., who received his master's degree in geology last February at the University of Kentucky, is now working in Pensacola, Fla. with the California Oil Company. Fugate, who married the former Jane H. Clark, daughter of Mr. and Mrs. J. B. Clark, was a member of Sigma Gamma Epsilon, which honors only top students.

**CONCLUDE VISIT**

Charles M. Wells, retired professor at Rider College, Trenton, N. J., and Mrs. Wells concluded this week a visit with his mother, Mrs. Zella Wells, on the Auxier road and with other Floyd county relatives.

**VISIT DURHAMS**

Rev. and Mrs. J. E. Durham, of David, had as their week-end guests their sons, the Rev. James Durham, assistant pastor of First Baptist Church, Clarksburg, W. Va., and Robert Durham, of Dayton, O., and their families.

**NURSES TO MEET**

Regular monthly meeting of licensed practical nurses will be held at 7 p.m., July 3, in the B. P. O. E. hall, Paintsville, it was announced this week. Mrs. Goldie Waskey, of Ashland, state president, will be the speaker. A social hour will follow the business session.

**SPRADLIN WITH WPOA**

Bobby Joe Spradlin, who was graduated last month from the University of Kentucky, is now employed as an announcer with Radio Station WPOA, Hopkinsville. Young Spradlin is a graduate of Prestonsburg high school, and at the University of Kentucky he majored in radio work.

**CONDUCT WORSHIP HERE**

Misses Patty Wright, Patsy Webb and Alex Browning, Pikeville College Ambassadors, conducted the morning worship at the Presbyterian Church here last Sunday. The pastor, Rev. Orville Pearson was at Blackey, Ky., with five members of the Junior and Senior high Fellowship group attending the week's conference there.

**RETURNS FROM LOUISIA**

Miss Mary Catherine Collins, daughter of Sheriff and Mrs. Gorman Collins, has returned from a school vacation visit with her grandmother, Mrs. Catherine Jordan, in Louisiana.

**VISITOR FROM PITTSBURGH**

John Wolfe, Pittsburgh, Pa., was a visitor this week with his daughter, Mrs. Clyde Burchett, and Mr. Burchett and family at their Arnold avenue residence.

**LEAVE FOR NEBRASKA**

Friends here have heard from Mr. and Mrs. Garland H. Rice, Paintsville, who left last week for Verdon, Nebraska to spend the remainder of the summer at their cottage there. They will join the conducted Yellowstone National Park tour at Omaha, Neb., next week for a nine day trip.

**MORE THAN CANDLES BURNED**

Monday afternoon, 30 little friends and kindergarten classmates helped Nancy McCabe celebrate her sixth birthday at a party at her home on Carter street. The yard was decorated with balloons and red and white streamers, and the cake was trimmed to match, with a crepe paper maypole. The only calamity of the afternoon occurred as the guests sang "Happy Birthday." The whole top of the cake caught fire, and all hands turned to help blow out something more than the traditional six candles. Nancy received many lovely gifts, and the children enjoyed games, ice cream and cake.

**IN LOUISVILLE HOSPITAL**

Miss Alma Collins, bookkeeper at The Bank Josephine, is doing nicely at Norton Infirmary, Louisville, where she underwent surgery last Saturday for gallstones. Her many friends here are wishing for her a speedy recovery.

8:30 p.m. Adult Choir practice.

## JUNK DEALERS TOLD OF LAW

**Sheriff Collins Says Records of Purchases Inadequate to Probers**

Sheriff Gorman Collins this week cited the new Kentucky statute regulating the traffic in used copper wire and cable, commenting that he wants every person dealing in such items to know the law so that there will be no "pleading of ignorance of the law" when the new statute is invoked later.

Records of scrap dealers in the past have often been so inadequate, he said, that it is impossible to trace stolen materials back to the person or persons who sold them to the dealer. A recent case cited was the theft from the Kentucky Power Company of a quantity of wire which was stolen by the simple expedient of cutting a pole down and taking the wire after it had burned in two from the high voltage it carried. The scrap dealer's record was of little or no help to investigating officers, Sheriff Collins said.

The new law, approved by Governor Chandler Feb. 27, follows:

"Every junk dealer, dealer in second hand articles, vendor of bottles or rags, or collector of or dealer in articles found in ashes, garbage or other refuse, whether such dealers, collectors or vendors operate a business of an itinerant nature, shall keep a register, which shall contain the name of the person or persons from whom any copper wire or cable is purchased, whatever may be the condition or length of such copper wire or cable; the residence or place of business of such person or persons and a full description of each purchase including the quantity by weight thereof. Each of such dealers, collectors or vendors shall permit any peace officer to inspect said register at any reasonable time and shall report to the sheriff of the county in which any purchase is made and to the sheriff of the county in which his business is located all of such purchases within twenty-four hours thereafter; the report shall contain all of the information required to be maintained in the register provided for herein. In the event the purchase is made in or the business is located in a city of the first or second class the reports required hereby shall be made to the police department of such cities instead of the respective sheriffs.

"Failure to maintain the register or to make the report to the sheriff as required by this act shall be a misdemeanor punishable by a fine of not more than one hundred dollars or by imprisonment for not more than thirty days, or both and shall be prima facie evidence that such dealer, collector or vendor received the used copper wire or cable not registered or reported, knowing it to be stolen in violation of KRS 433.290."

### Walter Fitch, 64, Lackey, Victim of Heart Attack; Funeral Services, Sunday

Walter Fitch, 64, of Lackey, died Wednesday of last week at 11:15 p.m. at the Huntington Veterans hospital. He succumbed to a heart attack.

Mr. Fitch was a son of Sam and Rhoda Coburn Fitch. Surviving children are Mrs. Hazel Lester, of Martin, Mrs. Catherine Horton and James Fitch, both of Lackey. A sister, Mrs. Susan Bowling, of Garrett, also survives.

Funeral services were conducted at a Lackey church, Sunday, the Rev. Dillard Reed officiating. Burial was made in the family cemetery under the direction of Turner-Ryan Funeral Home.

(Continued from Page One)

the steel, Akers replied that there are two types of steel to be used in gymnasiums. One is the truss steel, as used in the Morehead Fieldhouse and the Pikeville gymnasium. This steel is made in small pieces, he says, and is comparatively easy to get in contrast to rigid steel which is produced in large pieces.

Akers said he received a mild shock when he found out that the Morehead Fieldhouse was beating the Prestonsburg gym to completion. After calling the steel mill he said he was informed that such a backlog of orders on truss steel has piled up that rigid, or large, steel would be postponed for at least several months. They couldn't afford to change over in the middle of heavy production of truss steel to satisfy a few orders, he said. He commented that one concern, intent on building, had been notified that the earliest it can procure steel will be in late 1957.

Akers, who says he enjoys basketball games as well as anybody, is hopeful but not overly optimistic about the gym being completed by March. "But," he concluded, "we'll give it our best."

### Retired Martin Miner Victim at Pikeville; Last Rites, Wednesday

Fred O'Bryan, 71, retired Martin miner, died at the Pikeville Memorial hospital, at 8:15 p.m. last Friday. He was a victim of cancer following an illness of several months.

Mr. O'Bryan was a son of the late Clark and Elizabeth Tackett O'Bryan and was married to Flora Sammons O'Bryan. He was a member of the Christian church.

Surviving are these sons and daughters: Orville, Wadsworth, O., Fred, Jr., and James, both of Hunter, Raymond, Indianapolis, Ind., Hershell, address unknown, Mrs. Thelma Osborne, of Hunter, Mrs. Fred Turner of Huntington, Mrs. Maxie Preston, of Paintsville, Mrs. Elsie Reynolds, Dehue, W. Va., Mrs. Reva Gullett, and Mrs. Gussie Preston, both of Paintsville and Mrs. Molly Branham, of Prestonsburg.

Funeral rites were conducted at the Martin Christian church, at 2 p.m. Sunday, the Revs. S. C. Honeycutt and Marion Kidd officiating. Burial was made in the Martin cemetery under the direction of Hall Bros. Funeral Home, Martin, Ky.

### James J. Tackett, 37, Of Martin, Succumbs; Was World War II Vet

James J. Tackett, 37, of Martin, succumbed to cancer at home, Monday, at 6 p.m. He was a miner and a veteran of World War II. He was unmarried.

Mr. Tackett was a son of the late Jack Tackett and Minnie Branham Tackett, who survives. Surviving brothers and sisters are Douglas Tackett, of Martin, Stafford Tackett, Lorain, O., a half-brother, Bill Crisp, Dallas, Texas, and Mrs. Gladys Deaton, Jackson.

Funeral rites were conducted Wednesday at the Martin Branch of the Church of Latter Day Saints, the Rev. Bill Flannery and Elder Wilkerson officiating. Burial was made in the Martin cemetery under the direction of Hall Bros. Funeral Home.

### Mrs. Etta Enis Akers, Of Dwale, Dies Sunday Of Cerebral Hemorrhage

Mrs. Etta Enis Akers, 62, of Dwale, died at 9:35 p.m. Sunday at Our Lady of the Way hospital, of cerebral hemorrhage. She was the wife of Jake Akers, and the daughter of the late A. W. P. Simer and Naomi Ashe P. Simer of Carter county.

Surviving besides her husband are the following children: Merrill Akers, Huntington, Cleo Akers, of Dwale, Archie Akers, San Diego, Calif., Francis Akers, address unknown, Bruce Akers, San Juan, Puerto Rico, Mrs. Josephine Bennett, in Thailand, Mrs. Naomi Sprague, Columbus, O., and Mrs. Nedra Davis, Denver, Colo. A sister, Mrs. Ailsen Haywood, of Huntington, and a brother, Elmer P. Simer, also survive.

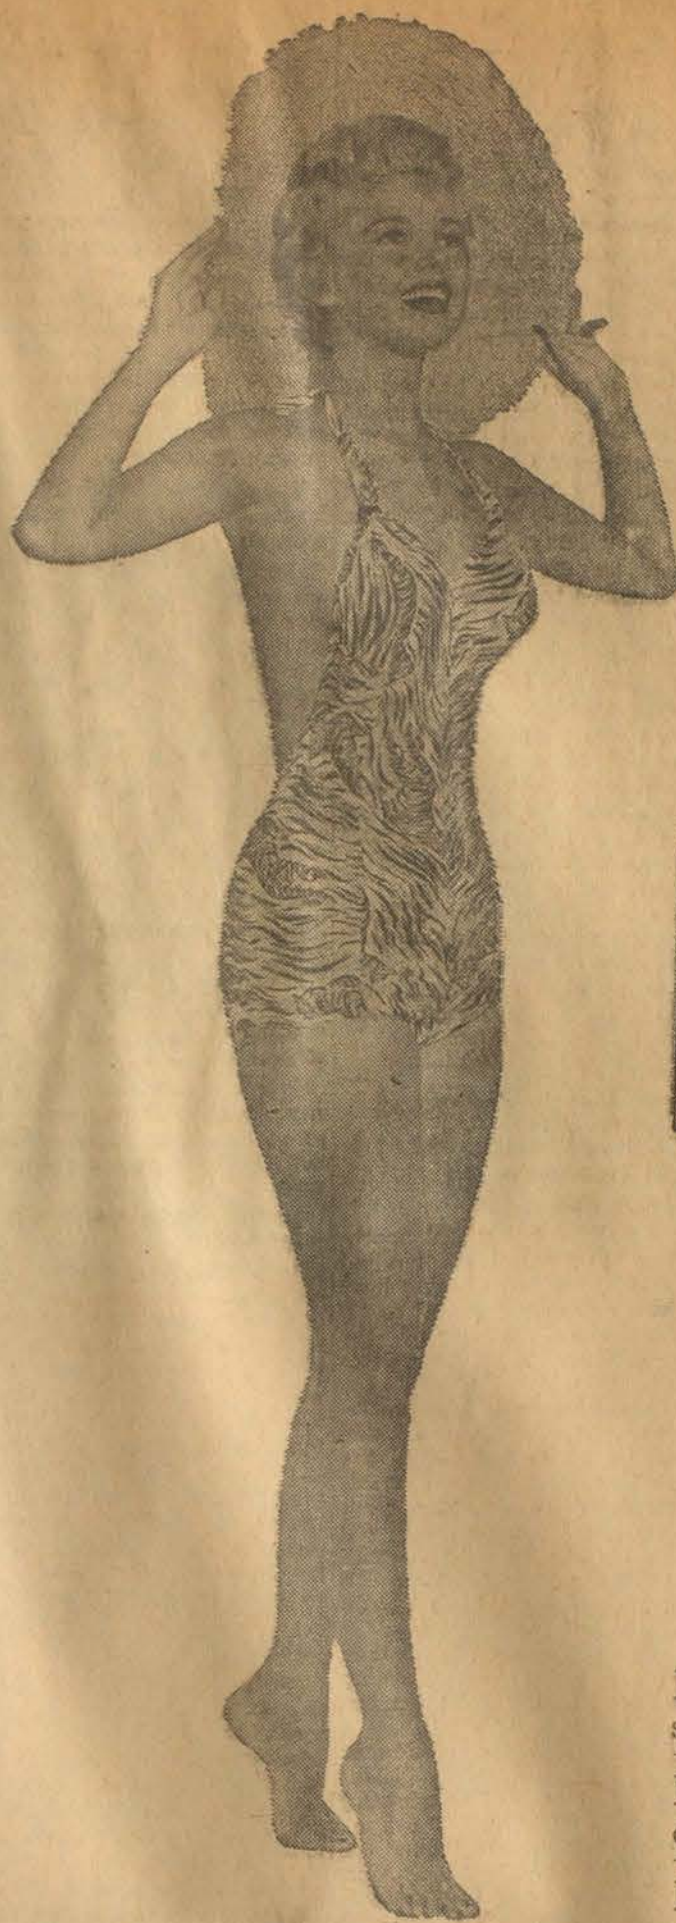

Funeral rites were conducted Wednesday at 1 p.m. at the graveside in the Shepherd cemetery at Dwale, the Revs. Isaac Stratton and Willard Akers officiating. Burial was made under the direction of Hall Bros. Funeral Home.

**CARD OF THANKS**

We wish to express our deepest appreciation to all who did so much for us in our time of sorrow and upon the passing of our dear father, Bertram L. Porter, and for every courtesy extended to us through flowers and personal services. We are especially thankful to the Rev. Isaac Stratton and Elder Bill Flannery for their consoling words, the Martin Branch choir, Cow Creek choir and the Hall Bros. Funeral Home for its kind and efficient services.

**SPORTS CHATTER**

By Quentin Allen  
(Pinch-hitting for Gordon Moore)

With summertime's fishing lull approaching with dismaying speed, Heber Burke's recent catch of a 6 1/2 pound largemouth was all the more noteworthy. Every summer, as most of the fishermen about Dewey Lake can sadly relate, there are many, many more hours spent fishing than can be accounted by fish. Some even consider, in the heat of summer, a fish a day or a week something spectacular.

What's the answer? It's evident from spring fishing that the fish are there. The problem is to get them. It seems that in the summer fish are as apt to take siestas as our neighbors in the South.

Maybe the answer is night fishing, or early morning and late evening, when the water is cooler, might do it. "Popping bugs" are provocative, too, and Editor Allen said he got his monthly strike on a jittersbug.

It is said of a few hunters who are uncommonly successful that they think like the animals they hunt and consequently find them. It is not advisable for the bass fisherman to be outspoken about thinking like a bass. Scientist say that fish have few if any brains and so the true mentality of a bass fisherman might be found in his own self-description.

King Kelly Coleman did a yeoman job in his Saturday night permormance at Indianapolis with the Kentucky All-Stars when he scored 17 points, 12 coming in the last quarter. Last night (Monday) Coleman hit a new low for himself as he made only four points, in collecting one field goal and two foul shots. Lowell Hughes, Prestonsburg, is the first alternate on the squad and thus far has not seen any action.

Indiana maintained marked superiority over the Kentucky All-Stars in their Monday night victory. Oscar Robertson, 6-5 negro guard, and his mates collected Indiana's 16th win against two losses to the Bluegrass boys.

If you are an athlete in any sport and enjoying success, shun, for heaven's sakes, sport writers who wish to glorify your achievements in a magazine. Let's look at the record, as a politician may say, and see why this is the smart thing to do.

Ted Kluszewski, after his first big year when he hit 25 homers, was featured in Collier's in the spring of 1952. Big Klu then suffered his most terrible season when he hit only 250 and hit homers in the fashion of weak-hitting Rocky Bridges. He was awful. Al Rosen, last year, received more than his share of publicity eulogizing his talents. He stank all year! Innumerable pitchers have been "written up" in the top sport magazines and got their ears pinned back all the next season. Now Wally Post, the Cincinnati Redleg slugger, has been featured in The Saturday Evening Post. This writer would crawl a mile over broken beer bottles to see the Redlegs play, and I consider this a veritable prophecy of doom.

Now watch Post set a new strike-out record instead of pounding the ball out of the park.

Ed Diddle says that something went wrong when they left Prestonsburg's Lowell Hughes off the regular Kentucky All-Star basketball team. Hughes, now in an alternate's position, can play only if a regular becomes incapacitated. Diddle, Western's basketball mentor, said that Lowell and Coleman will be his guards when the Kentucky All-Stars meet the Ohio All-Stars.

**Leon "Blue" Childers Now Swinging—Not Pitching For Air Force Nine**

Leon "Blue" Childers has made the change, as have many other distinguished gentlemen—but his has been the change from a strike-out pitcher to a slugging outfielder.

"Blue," as baseball fans in the vicinity remember him, is in the Air Force, a sergeant who carries his authority to bat. Thus far "Blue" is one of the two top batters in the Carswell Bombers lineup, hitting at a .417 clip and sporting 15 runs batted in in fourteen games.

Childers, the son of Mr. and Mrs. Foster Childers, of Emma, has been in the Air Force for five years. He was under contract to the Cleveland Indians before his entry to the Air Force.

The latest hitting spree that "Blue" has enjoyed was recorded against the Berstrom Jets when he collected seven hits in ten trips to the plate and drove in six runs. The hitting spree boosted his batting average to a blistering .453 for the season.

Police raids in Basrah have uncovered the headquarters of the outlawed Communist Party in South Iraq, the newspaper Al Bilad reported.

**Klu, Homer Happy Now, Once A Short Hitter While in Minor League**

Ted Kluszewski, Redleg first baseman, who topped the majors in homers with 49 two years ago, was, strangely enough, a singles and doubles hitter in the minors. With Memphis, where he spent his second year in professional baseball, he hit a league-leading 377 but connected on only seven pitches for home runs.

Not until "Big Ted" had gained enough professional experience did he start to use the power that has made him one of the most feared batsmen in the majors. So green was Kluszewski at baseball when he went to training camp with the Redlegs for the first time that, on the second basemen's throw for the completion of a double-play, Kluszewski caught it barehanded.

Kluszewski was a pre-bonus baby, getting \$20,000 for signing with the Redlegs which prompted him to marry his hometown girl, Eleanor. From the awkward giant who looked like a cow on ice, Kluszewski has worked himself into one of the most polished fielding first basemen in the majors.

An all-America choice on many lists across the nation for his feats of pass-catching at Indiana University, 240-pound Kluszewski is rated as one of the most polished baseball performers in the majors.

**P'burg Team Organized For Youths from 15-17; Will Open June 30**

Prestonsburg has added another team to its list of baseball teams in the Colts, fielding boys whose ages range from 15 to 17. Don Sullivan, manager of the team, notified The Times this week.

Sullivan expressed his appreciation to the Williamson and Paintsville teams for fitting the Colts into their schedules, although the Prestonsburg team was late in its organization. Sullivan said he feels he has excellent material with which to form his team. "Those boys have shown me that they have the determination and spirit to win. What they lack in ability, they make up in courage. I think they'll turn out to be a fine team," he said.

The Colts will open their home schedule on Saturday, June 30, at 2:30 p.m. on the Prestonsburg high school field. The boys on the team hail from all over the county, from Martin, Allen, Auxier, Prestonsburg and other communities.

The Colts' roster follows: Melvin Stewart, Roy Lee Smith, Ronald Osborne, Ronald Strickland, James Meade, Jr., Joe Jack Harris, Charles Dotson, Danny Goble, Billy Herald, Julian Conley, Paul Phillip Hughes, Archie Childers, Henry Hughes, Wendell Childers, Lowell McKenzie, Charles Wells, Richard Wireman, Jack Stumbo, Henry Ford, Roger Setzer, Lon Hill, Bunny Setzer, Mart Harris, and Bobby Blackburn.

**CAMP SEASON OPENS SUNDAY**

**Expect Camp Shawnee To Draw More Scouts As Facilities Improved**

The largest attendance since Shawnee Scout Camp, sponsored by Lonesome Pine Council, was constructed in 1952 is in prospect for this summer season as 126 Scouts enrolled for the current week, beginning June 24.

The camp is scheduled to operate during four additional weeks of the summer.

Greatly improved camp facilities are being enjoyed by the Scouts. New construction includes improved facilities for the swimming area with diving boards and piers constructed in the swimming area. The aquatics program is under the direction of Robert Staggs, of Pikeville, a graduate of the Boy Scout National Aquatic School and now serving his fifth year as a member of the camp staff. Staggs is assisted by Glen Anderson, of Haysi, Va., and Butch Wood, of Pikeville.

Another new feature of the program this year is archery instruction and an opportunity to pass the Archery Merit Badge. The program is directed by Ray Wilder, of Pennington Gap, Va.

Greatly improved facilities for the recreation program are also enjoyed by Scouts. These include a soft ball field, volley ball, and basketball.

As in previous years much emphasis is given to Scoutcraft and outdoor camping skills. The Scoutcraft program is under the direction of Jesse Elliott, of Betsy Layne, who has a background of 25 years' experience in Scouting. Elliott is assisted by J. R. Griffith, of Paintsville, and Jimmy Ray, of Pennington Gap, Va. Another program activity greatly enjoyed by Scouts is Handicraft, which includes basketry, leatherwork, metal work, and Indian lore. Handicraft is directed by S. C. Reed, Jr., of Pikeville, assisted by Stevie Friend, of Pikeville.

A program activity at Scout camp which adds a great deal to the camping standards is the "Order of the Arrow" an honorary camping society to which 10 per cent of its members are elected by their fellow members. Scouts are "tapped" out in a colorful campfire program held each Thursday evening which is open to visitors.

Butch Wood is lodge chief this year. Clifford Judd, district executive, is adviser in the Order of the Arrow program.

Jim Owens, district executive for the Jenny Wiley district, is serving as assistant camp director.

**Some Response Gathered From P'burg Parents; Attendance Is Poor**

According to Commissioner of the Little League, Mack Harmon, there has been some response from parents who want their youngsters to play under better conditions.

"If more parents will volunteer for chores before the ball games, the game itself can be played quicker and more enjoyably for the Little Leaguer himself," Harmon said.

The biggest problem we have is getting the parent out to the ball park to see his youngster play. If the youngsters parents would come out they could certainly help us put the park in better shape, he concluded.

At this time Earl McDonald's Indians are leading the league with four wins and two defeat record. His Indians have just reversed last year's standings in compiling their mark.

Scores of games thus far this season:

Indians 9, Dodgers 7
Cardinals 7, Dodgers 5
Yanks 13, Indians 5
Yanks 14, Dodgers
Indians 8, Cards 8 (tie)
Dodgers 7, Indians 5
Cards 9, Yanks 8
Dodgers 6, Cards 5
Indians 9, Yanks 6
Cards 16, Indians 6
Indians 3, Dodgers 1
Indians 11, Yanks 5
Dodgers 26, Cards 4
Standings:

Indians	W	L
Cardinals	4	2
Yanks	3	2
Dodgers	3	3
Yanks	2	3

The officers said \$465 was found on the persons of the four in the car; that Damron had none of it on him, but that money was found behind the seat where he had been sitting.

Newsome testified that Damron had given him his revolver. The police said three cartridges fitting the pistol were found on Damron when he was searched the night of his arrest.

Damron, who still faces a third trial in the torso slaying of Clyde Jack Clements two years ago, did not deny that he was in the car when the police stopped it.

But he said he had not helped plan the robbery and had been picked up about a mile and a half up the road. He said he had sold a stove to a cousin, Joe Tackett, that day and had gone there to collect the money on the sale. He said he was standing near a filling station when the other three picked him up.

Tackett, 33, a cousin of Damron corroborated the statement that Damron had come to his home that day.

Jim Blanton, 45, of Beaver Creek, another defense witness, said he had given Damron a lift from Boldman to near the point where Tackett lives on or about March 6. He said he could not be certain of the date.

More defense witnesses were scheduled to testify when the trial resumed Wednesday morning against Damron. Juries have failed to agree in two Damron trials in the torso slaying. A third trial is scheduled.

The Board will submit to the State Department of Education plans for four additional classrooms and a lunchroom involving new construction at Betsy Layne, and more classroom space is being planned for McDowell, it was said. The engineer who made the study authorized three additional classrooms at the Prestonsburg grade school, these to be provided by partitioning the present science room, home economics room and the library.

All these projects are subject, however, to final state approval. The State Department and Board agreed on Lee Shannon, Prestonsburg architect, to plan and supervise part of the work considered for this year.

Superintendent Virgil O. Turner said other needs in different sections of the county will be reported upon by the engineer.

The Board at Wednesday's meeting made official the change of names for the high school here. It is now Prestonsburg high school. In fact, the name-change was effected before the recent high school commencement here, but the Board had not taken official action on the change.

Henry D. Fitzpatrick, Sr., was designated treasurer of the Board and the Bank Josephine the depository for Board funds. Superintendent Turner said bids were not accepted from competing banking institutions because the Attorney General's office had ruled that bids are not required. The First National Bank is the present depository, with Burl Spurlock as treasurer.

Bid of \$740 of the Home Appliance Company here on applying plumbing materials was accepted. Several teachers were hired at the meeting, but the list was not available in time for publication in this edition of The Times.

Superintendent Turner said that the Board of Education, complying with State Department regulations, is requiring that bills for all debts incurred by the Board during and prior to the month of June must be filed on or before July 2.

Hunt, Martin, Hall was arrested by Herschell Lester, Martin policeman; James Hall, Hunt and Warrick, by Deputies Kelly Frasure, A. J. Reed, Ed Amburgy and Serge Daniels.

Ben Crum, Jr., and Ullis Osborne were booked by Conservation Officer Raymond Copley for violation of fish and game laws, and Osborne was fined \$26.50. Fines in the same amount were assessed by Magistrate Ellis Martin from three arrested by Deputy Sheriffs Willie and Green Johnson on drunkenness charges—Duffy Justice, Charles Bryant and Hoss Collins.

Kenneth Perry and Mrs. Howard Perry were jailed on charges of resisting arrest and drunkenness here Saturday night. Mrs. Perry, officers said, suddenly snatched Policeman B. L. Sturgill's revolver, and the arrest of the two was effected with considerable difficulty by Policeman Sturgill and Potter, Allen Policeman Frank Crum and Constable Joe Lykins, of Harold. Others jailed on offenses of a serious nature included Cecil Newsome, drunk and possessing beer; Chester Osborn, grand larceny, arrested by Chief of Police Epp Laferty.

**BOARD MAKES ROOM STUDY**

**Betsy Layne, McDowell Additions Are Planned; Hi Name Here Changed**

Plans for additional classroom space in three communities and for possible emergency work in others were discussed by the Floyd County Board of Education in a special meeting, Wednesday, after a study had been made of Floyd needs by an engineer of the State Department of Education.

The Board will submit to the State Department of Education plans for four additional classrooms and a lunchroom involving new construction at Betsy Layne, and more classroom space is being planned for McDowell, it was said. The engineer who made the study authorized three additional classrooms at the Prestonsburg grade school, these to be provided by partitioning the present science room, home economics room and the library.

All these projects are subject, however, to final state approval. The State Department and Board agreed on Lee Shannon, Prestonsburg architect, to plan and supervise part of the work considered for this year.

Superintendent Virgil O. Turner said other needs in different sections of the county will be reported upon by the engineer.

The Board at Wednesday's meeting made official the change of names for the high school here. It is now Prestonsburg high school. In fact, the name-change was effected before the recent high school commencement here, but the Board had not taken official action on the change.

**Baptist Revival Here Is Attended by 7,000 74 Conversions, Result**

The recent revival held at the Prestonsburg Playground under the ministry of Evangelist Vince Cervera resulted in 74 decisions for Christ, according to the Rev. Ira McMillen, pastor of Irene Cole Memorial Church.

Of the number converted, 57 chose to unite with Irene Cole Memorial, sponsor of the revival, and four were added to the church by letter; 11 decided to go to other churches for membership, and six were undecided.

It was also determined by many parents to establish a family altar in their homes, which means that they will set aside a definite time each day for Bible reading and prayer for the family.

Total attendance at the 15-day meeting was estimated at 7,000. Music programs of the series were led by Al and Ivy Walsh, of Chamblee, Georgia.

Funeral services were held at 2 p.m., Saturday, June 16, for Mrs. Josephine Music, 72, of East Point, who died the preceding Wednesday at a Paintsville hospital. Mrs. Music had been in ill health for several years and her condition became critical three months ago.

She was a daughter of the late Noah and Cardella Patrick Music, of Johnson county. Her husband, James Andrew Music, died 13 years ago. She was a member of the Church of Christ.

Surviving are three sons: Heber Music, of East Point, Jake Music, of Hager Hill, and Harry B. Music, of Royalton. A brother, Kay Patrick, of Mealy, and these three sisters survive: Mrs. Laura George, Orlando, Fla., Mrs. Celia Selvage, of Prestonsburg, and Mrs. Mollie Hite, of Paintsville. Also surviving are eight grandchildren and eight great-grandchildren.

Burial was made in the family cemetery at East Point.

**Funeral Rites Held For Mrs. Josephine Music, 72, Who Dies at Paintsville**

Funeral services were held at 2 p.m., Saturday, June 16, for Mrs. Josephine Music, 72, of East Point, who died the preceding Wednesday at a Paintsville hospital. Mrs. Music had been in ill health for several years and her condition became critical three months ago.

**CLUB HEART MRS. WALLACE**

Mrs. Jane Wallace, of the Cumberland Field Station, West Prestonsburg, guest-speaker at the June 18 program meeting of the Drift Woman's Club, told clubwomen of the work of this unit of the U. S. Public Health Service in its hunt for parasites infecting the population of Floyd and neighboring counties.

Infant deaths as a result of diarrhea, the speaker said, are more numerous in Kentucky than in any other state of the eastern section of nation. Mrs. Wallace urged her hearers to visit the Cumberland Field Station and learn, first-hand, how important it is to the health of this area. She complimented the Drift club as the only Floyd Woman's Club supplying vitamins and milk to school children. Mrs. Wallace was introduced by Mrs. Chadie F. Cochrane.

Mrs. H. D. Hewlett, club vice-president, presided at the meeting, which was held in the office building of the Turner-Elkhorn Coal Company. The treasurer's report was given by Mrs. Phyllis Reed, and Miss Catherine Reed was voted an honorary member of the club. Refreshments were served by the hostesses, Mrs. Amy Lee Turner, to the following:

Peg Hewlett, Sophia Cahill, Ann Showers, Amy Lee Turner, Rebecca Reed, Ann Hoffman, Ruth Reed, Phyllis Reed, Violet Moore, Audra Hall, Chadie Cochrane, Myrtle Rakes and guest, Mrs. Paul Maurer, Mrs. Ed Hoffman, Mrs. Wallace and Mrs. Atchley.

The next meeting will be at the home of Mrs. Wayne Stumbo, of Minnie, July 16.

**"Head o' Licking" Native, Candidate For Michigan Congressional Seat**

(Salyersville Independent)

The story of the progress of a former Magoffin county youth who has chosen Michigan for his adopted state reads like a tale from the pages of one of the Horatio Alger books.

In 1917 Franklin J. Shepherd was in the Head of Licking section some miles above Royalton. When he was young he decided to get an education and hitch-hiked to Berea, without a dime in his pocket and with only the clothes he had on his back. He was aided by Dean Shutt at Berea, who helped him get started, finished four years at Berea Academy and was drafted. After five years service in the Air Corps during World War II he was discharged as a First Lieutenant. He flew 30 missions over France and Germany as navigator on a B-24 bomber.

After his discharge he attended Harvard University, receiving his A.E. degree, with honors, in 1948. He then entered and graduated from the University of Michigan Law School, passed his Michigan bar examinations one day and the Kentucky bar examinations the next, set up his office in Ypsilanti and now has a thriving practice.

Shepherd and his wife, Ruth, live in Ypsilanti. They have a daughter, 11, and three sons, ranging in age from seven years to eighteen months. He is the son of a Baptist minister, farmer and part-time oil well driller. His family moved to Ohio when he was a child.

He announced last week that he will seek the Democratic nomination for Congress from Michigan's Second Congressional District, a seat now held by a Republican. So far, he is the only person from either party to announce himself as a candidate.

Shepherd and his wife are members of the First Baptist Church in Ypsilanti. He has served the church as Sunday School teacher and as a member of the finance committee.

He has participated in Community Chest activities since 1951 and has served for two years as a member of the board of directors of the Ypsilanti Child Care Center.

Shepherd is a member of the Optimist Club of Ypsilanti and is the club's institutional representative to the Portage Trails Council in behalf of Scout Troop 32 which is sponsored by the club. He also is chairman of the finance committee of the Ypsilanti district of the Portage Trails Council.

He is a member of the American Legion and the Toastmaster's International and is an officer of Ann Arbor Toastmaster's Club No. 599.

**MARTIN**

By Betty Preflatish

Mrs. John P. Sammons and children spent a week's vacation at Virginia Beach, Va., last week.

Major and Mrs. Earl Lynch and children have been visiting his father, L. L. Lynch, here this week. Major Lynch has been stationed at Fort Riley, Kansas but is awaiting a transfer to Tampa, Florida.

Mr. and Mrs. Kenneth Maggard and children, of Radford, Va., have been visiting his mother, Mrs. Willard Akers, and other relatives here during the week-end.

The Kentucky Power Company, with the aid of its home economist, gave a free demonstration of an electric fry-pan at the Beaver Hardware. Several women attended and the free fry-pan was won by Mrs. Deena Lafferty.

Mr. and Mrs. Milburn Dingus and children, of St. Paul, Va., were visiting friends in Martin this week. He is now employed in Prestonsburg.

Sandy Marrs has spent a week's vacation here with her grandparents, Mr. and Mrs. Dave Marrs.

Mr. and Mrs. L. B. Kiser and daughter Charlotte have spent several days in Pike county, visiting his relatives. Mrs. Kiser was on her vacation. She is employed at Hunter's Grill.

Mrs. Harry Shelton, of Huntington, W. Va., is the guest here of her parents, Mr. and Mrs. John Lee Hunter. She is the former Minnie Belle Hunter.

Zotto Dingus, Jr., and Johnnie Warren have returned home from a business trip to Tampa, Florida.

Mr. and Mrs. Z. C. Dingus, Sr., and children plan moving soon to Tampa.

Mr. and Mrs. W. E. Gibson, of Ashland, have been houseguests here of Mr. and Mrs. S. D. Dermont.

Mr. and Mrs. W. P. West and daughter have moved to Martin. The Wests have been living in El Paso, Texas for years.

Jack Patton, of Chicago, is the guest here of his father, Harry Patton. He is on his vacation. When he leaves Kentucky he will make an extended motor trip in Pennsylvania, New Jersey and Maryland.

**AKERS-DUDLEY**

Miss Oma Akers, of Martin, and Mr. Homer Dudley, of Eastern, were married at Eastern, Saturday night, the Rev. M. C. Wright officiating. Mrs. Dudley is employed in the office of Dr. G. C. Collins. They will live here.

**RICE-CHATMAN**

Tom Chatman, of Columbus, Ohio, and Miss Violet Mae Rice were married here at her home Monday night, the Rev. J. D. Payne officiating. Only members of the family were present.

**WORKMAN-WALLACE**

Miss Pauline Workman, of Martin, and Mr. Fred Wallace, of Garrett, were united in marriage Saturday afternoon in the Methodist Church in Allen, the pastor of the church officiating. They have gone on a two-week honeymoon trip.

**Marine Corps Announce New Enlistment Program Available To Young Men**

Marine Major John C. Johnston, officer-in-charge of Marine Corps recruiting activities in Kentucky, has announced that a new enlistment program has been opened by the U. S. Marine Corps.

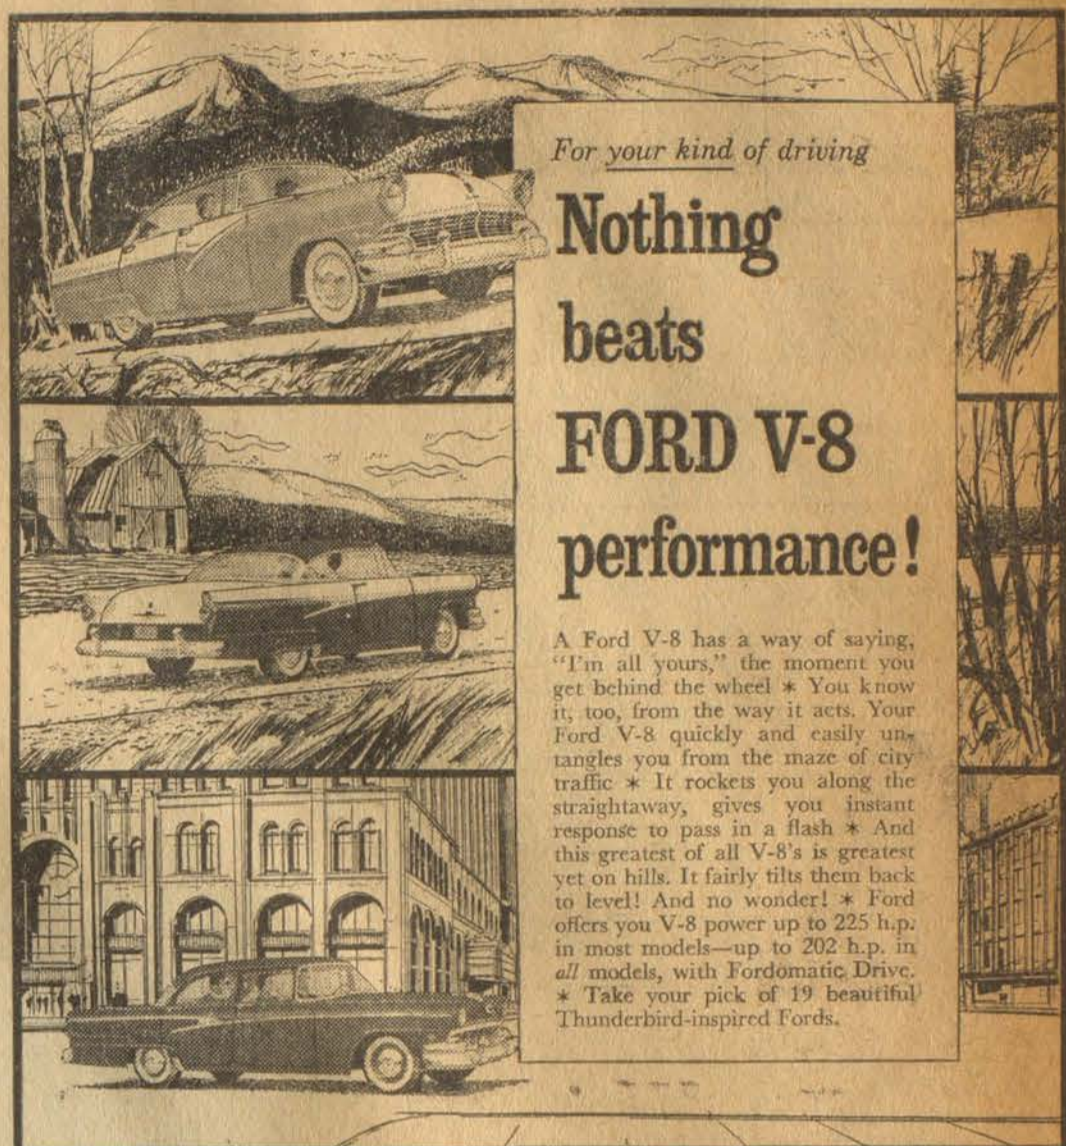

Staff Sgt. King, Marine recruiter in Pikeville and Prestonsburg, is now authorized to offer eligible young men not only a choice of departure dates but also the period of enlistment and active duty.

There are currently a number of enlistment periods available, said the Major, ranging from two, three to four-year terms and a choice of regular and reserve periods of service for the young man seeking travel, education, training and adventure.

Major Johnston stated that although each has its benefits, the two year active-duty tour is currently creating the greatest interest. The two year term, he said, is particularly ideal for the youth who desires to complete his active duty obligation in the minimum time required and then return to school or business.

For your kind of driving

**Nothing beats FORD V-8 performance!**

A Ford V-8 has a way of saying, "I'm all yours," the moment you get behind the wheel. You know it, too, from the way it acts. Your Ford V-8 quickly and easily untangles you from the maze of city traffic. It rockets you along the straightaway, gives you instant response to pass in a flash. And this greatest of all V-8's is greatest yet on hills. It fairly tilts them back to level! And no wonder! Ford offers you V-8 power up to 225 h.p. in most models—up to 202 h.p. in all models, with Fordomatic Drive. \* Take your pick of 19 beautiful Thunderbird-inspired Fords.

**Group To Regulate Child-Care Centers**

Frankfort, June 24 (Spl.) — An advisory committee on the development of rules to administer the 1956 act providing for state regulation of preschool child-care center, has been appointed by Dr. Robert R. Martin, superintendent of Public Instruction.

The law provides that any child-care center, private day nursery, nursery school, boarding school, or kindergarten that cares for not less than five children of ages 2 to 6, in return, for tuition, must have a permit from the State Superintendent. The state has set up qualifications for the permits.

Named to the committee were O. D. Redding, superintendent of the Frankfort city schools; Martha Jane Brunson, Louisville; Vivian Burke, U. K. training school kindergarten teacher, Lexington; Mrs. P. W. Comer, editor of the Maysville Daily Independent, and Mrs. Arlene Young, supervisor of elementary education, Covington.

**ORDINANCE PROHIBITING NON-USE OF STANDARD MUFFLERS AND PROHIBITING SUDDEN ACCELERATION OF GASOLINE DRIVEN VEHICLES.**

BE IT ORDAINED BY THE CITY COUNCIL OF PRESTONSBURG, KENTUCKY AS FOLLOWS:

1. All gasoline-driven vehicles in the City of Prestonsburg, Kentucky shall be equipped with standard mufflers on the exhaust. No vehicle shall have any kind of equipment whatsoever affixed thereto or used thereon which would cause any unnecessary noise in the operation of such vehicle.

2. No gasoline-driven vehicles in the City of Prestonsburg, Kentucky, shall be accelerated in such a manner as to cause the wheels of such vehicle to spin, resulting in the screaming of the tires, which is commonly referred to as "scratching off."

3. Any violation of the provisions of this ordinance shall result in penalty of a fine of not less than \$10.00 nor more than \$20.00, for each offense.

4. All ordinances, or parts of ordinances, in conflict herewith, are hereby expressly repealed.

5. This ordinance shall be in full force and effect from and after date of publication, according to law.

Passed and approved, this June 18, 1956.

HARRY SANDIGE, Mayor, City of Prestonsburg, Ky.

Judith D. Archer, Clerk, City of Prestonsburg, Ky. 6-21-56.

**FLOYD COUNTY GIRL SCOUTS TO ATTEND 12-DAY ROUNDUP**

LOIS BRENDA ALLEN

KATHRYN E. ROBERTS

AUDREY A. BURGESS

LIBBY ANN MAYS

Four girls of the Sandy Valley Council have been named as representatives at the Senior Girl Scout Roundup to be held late this month and early in July in the Highland State Park area, near Pontiac, Michigan. There they will join Girl Scouts from all the 48 states and from six foreign countries, with the huge assemblage of Girl Scouts living in a tent city for the 12 days of the Roundup.

Libby Ann Mays, of Wheelwright, has been named patrol leader of the Sandy Valley and McDowell county, W. Va. Girl Scouts who will attend the Michigan meet. Her scouting career began in 1946 at the age of seven, and she now is a Curved Bar Scout with 25 Merit Badges, a Life-Saving Course and is a registered First-Aider. She will be graduated from Troop 16 this month and will receive her 10-year pin at the Court of Awards. Yet she plans to continue with scouting. Even though she will be away in college, she will register with the Sandy Valley Council as an adult committee member. On her return from Roundup she will serve on the staff at Camp Chatterawha. She was graduated this year from Wheelwright high school where she was a member of the glee club and where she received one of the county's highest music awards for serving six years in the high school band.

Kathryn Elizabeth Roberts is a member of the First Methodist Church, Prestonsburg, a member of the church choir and is treasurer of her Methodist Youth Fellowship group. An honor student at Prestonsburg high school, she has been vice-president of the Y-Teen Club

and Y-Teen district secretary, is a member of the Tri-Hi-Y, has played clarinet in the school band for six years, plays the piano and is a member of the girls' and mixed glee clubs. "Kay K." played in the clarinet trio which was rated "excellent" at the State High School Music Festival this year for the second consecutive year; was a delegate to the Kentucky Youth Assembly this spring, a member of the All-State High School Band at the Kentucky Educational Association's annual meeting in April. She also was a delegate to the Methodist Youth Assembly last summer and will be a delegate again this year.

Lois Brenda Allen, a junior in Martin high school who ranks in the upper 10 in her class, has been in Scouting four years. She was a member of the committee which built the outdoor camp at the David camp, and during the established camping season in 1954 and 1955 at Camp Chatterawha she was camp bugler. During her Scouting career she has earned 21 Proficiency Badges in the fields of homemaking and outdoor life.

Fifteen-year-old Audrey Avinell Burgess, daughter of Mr. and Mrs. Bill Burgess, has lived in Wheelwright 14 years and has been a Girl Scout six years. She was awarded the Curved Bar Nov. 4, 1954. Avinell will be a junior next school year in the Wheelwright high school. She is an active member of the Freewill Baptist Church, is a member of the Baptist Youth Club program, the Sunday School of the church, and takes part in community pageants and dramatic programs.

**Pfc. Dale Serves In 11th Airborne**

Augsburg, Germany — Pfc. Charles W. Dale, son of Mr. and Mrs. D. E. Dale, of Tram, Ky., is a member of the 11th Airborne Division in Germany.

Dale, a radio operator in Company L of the division's 188th Infantry Regiment, entered the Army in September, 1954, and completed basic training at Fort Jackson, S. C. He arrived in Europe in March of this year from Fort Campbell, Ky., where he was last stationed.

The 19-year-old soldier attended Betsy Layne, Ky., high school.

**1956 Strawberry Crop Called Extremely Good**

Frankfort, June 24 (Spl.) — About 425,000 crates of strawberries were produced and marketed in Kentucky during the 1956 season, an official of the Department of Agriculture said.

This year's crop, it was said, was 62.5 per cent U. S. No. 1 grade compared to 77.5 top grade in 1955. Production averaged 62 crates an acre this year and 37 crates last year, Bray said. The total production last year was 110,000 crates.

The price a crate averaged about 10 per cent below last year's. Top berries in the 1956 market brought a price of about \$8 to \$8.50.

**TRACTORS LIGHT IN SNOW**

Navy tractors in the Antarctic weigh 34 tons but are almost as light on the snow as a man on skis. Their treads are 54" wide.

**WAREHOUSE CLEARANCE**

We must make room for \$50,000.00 worth of new merchandise to be purchased at the July markets. We have three bulging warehouses here to clear. This sale is a sacrifice clearance in order to make room. In order to do this without any doubt at all we have slashed our prices, many items below wholesale cost.

Here's where you get  
**THE RIGHT FURNITURE**  
**AT THE RIGHT PRICES!**

**\$20 WORTH OF FROZEN FOODS**  
given with purchase of any Westinghouse Refrigerator or Freezer

The Westinghouse  
**REFRIGERATOR AND RANGES**  
Are dreams in mechanical engineering.

Westinghouse refrigerators have more modern features than any other brand. The meter-miser unit cost less than an ordinary light bulb. Its outstanding features so surpass other brands that no comparison exists. You must see them to appreciate the wide difference in workmanship and utility.

On display is a Westinghouse electric range that is a super-modern, futurity model. It has electronic eyes—can't burn your food, can't even scorch your soups even if you are not around. This is the most modern electric range devised by any manufacturer. Come in, let us show you features undreamed of a short while back. The insulation in it is sufficient to be wrapped around ice cubes and if placed in a 350 degree oven the ice won't even melt.

### Baptist Girl Camps, Hold At Camp Cedarmore, Will Start Season July 2

The 1955 camping season for Baptist girls will begin at Camp Cedarmore, 20 miles northeast of Shelbyville, July 2, and continue until July 28. Attendance is expected to total 800.

One-week camps during the periods will be sponsored by the Kentucky Baptist Woman's Missionary Union. Miss Mary Pat Kent, Louisville, youth secretary for the woman's organization, will be in charge.

Three Kentucky missionaries will be on the program. They are Miss Rose Marlowe, Louisville, former missionary to China and Japan; Miss Dottie Lane, Sturgis, missionary to Japan; and Miss Gladys Hopewell, Hopkins county missionary to Formosa.

If you find goods are not moving as fast as you'd like, there is something you can do about it: advertise smartly.

**LABOR-SAVING PLASTIC MULCH**—Home gardeners who start out enthusiastically in the spring with their plantings, then let the gardens succumb to weeds, can take a tip from Kentucky Agricultural Experiment Station vegetable specialists and use plastic row mulch. Photo at left above shows corn rows where the black plastic was not used. Photo at right shows plot where mulch was put down—and corn plants are much higher. In this right hand photo, Dr. E. M. Emmert, specialist, is actually standing on the black plastic mulch; it is the shiny material visible between rows. The plastic keeps weeds from getting air, or light and thereby prevents their growth. Material is easy to apply and can be used again if care is taken. Other man in photo is Elgan Harris, maintenance superintendent. (Kentucky Agric. Exten. Service Photos.)

### GARRETT

Patricia Ann Beatty spent the past week-end with her parents, Mr. and Mrs. Don Beatty. She is employed in Cincinnati.

Ollie Mae Johnson is visiting her parents, Mr. and Mrs. Logan Hicks. She teaches school in Covington, Ky.

Mr. and Mrs. Linzie Hunt and children have returned to their home in Monroe, Michigan, after spending a week's vacation visiting Mrs. Norcia Hunt and friends, of Garrett, and Mr. and Mrs. Watt Conley, of Prestonsburg.

Mrs. O. K. Wallace and Mrs. Herbert Ony were in Martin Saturday on business.

Mrs. Rhode Napier and Miss Dottie Hunt were shopping in Martin last week.

Mr. and Mrs. Ernest Crisp, of Estill, were visiting her mother, Mrs. Jim Ousley, last week.

Alan Cooley, son of Mrs. Sylvia Cooley, of Prestonsburg, is spending a few days vacation with Mr. and Mrs. Jim Wallace.

Mrs. Rick Richter and two daughters, of Detroit, are visiting Mrs. Richter's mother, Mrs. Rhoda Napier, and her sister, Mrs. Fletcher Gayheart, of Eastern.

Pfc. Franklin D. Wallace, who is stationed at Fort Devens, Mass., is visiting his parents, Mr. and Mrs. O. K. Wallace. He will return to Fort Devens, July 2.

Linda Wallace spent the week-end home with her parents, Mr. and Mrs. Jim Wallace. She attends Caney Junior College.

Mrs. Kelse Chaffins is very ill in the Beaver Valley hospital. All her friends and neighbors wish her a speedy recovery.

Every Friday night at 7:30 the Freewill Baptist Church will be at the church house at West Garrett to hold prayer meeting. Everyone is welcome.

Buford Campbell, son of Mr. and Mrs. Harry Campbell, of Monroe, Michigan, has been visiting relatives here over the week-end.

Mrs. Callie Betty is visiting in Tennessee and Georgia. She will return to her home here in August.

### KENTUCKY MAN KILLED

HAMILTON, Ohio—Injuries suffered when struck by a truck here were fatal to 51-year-old Daniel Horn, Jr. of Shade Ky.

### Ample Polio Vaccine Now Being Produced For Immediate Needs

Russell E. Teague, M. D., Commissioner of the State Department of Health, announces that manufacturers are now producing enough Salk polio vaccine to give at least one dose to every one of Kentucky's most susceptible persons who have not yet been vaccinated. This group that polio strikes most often is children under 20 and pregnant women.

"The increase in supply fortunately comes just in time," Dr. Teague said. "The number of polio cases is usually greatest in the summer months."

Dr. Teague stated that if every person in this most susceptible group received even one dose of polio vaccine before July 1, the danger of a paralytic polio epidemic in the state this year would be markedly reduced.

"For widest over-all protection of a community against an epidemic it is better for everyone to get the first injection before anyone receives the second and third doses," Dr. Teague said. "Now, with the current vaccine production well over 8,500,000 cc's a month, all persons in the most susceptible group can receive the first injection immediately."

As reports from 1955 polio immunization programs over the nation are complete, the vaccine's ability to prevent paralytic polio becomes more and more apparent. Studies in 22 states involving over 8,500,000 vaccinated and unvaccinated persons have already been completed. The paralytic polio attack rate among vaccinated children, most of whom had had only one injection, was only 6.3 per 100,000. Among the unvaccinated children the attack rate was 29.2 per 100,000. And among those vaccinated children who still contracted polio the crippling effects were greatly reduced.

There is every assurance that the vaccine is safe. After revised federal safety standards were adopted in the spring of 1955, some 10,000,000 children in the United States received vaccine with a perfect safety record.

Despite the vaccine's proved effectiveness and safety, there are still an estimated 770,000 children in Kentucky who have not received even their first shot. An epidemic of polio this summer is possible unless immediate action is taken to protect these unimmunized persons.

The U. S. Public Health Service has recommended that the nation's physicians and health officers expand the poliomyelitis immunization program during the next few months. In answer to this, Dr. Teague has pledged the combined efforts of the State Department of Health and every county health department in Kentucky. "Poliomyelitis has in years past taken the lives of too many Kentuckians," Dr. Teague said, "but this need not happen again. The vaccine is becoming more plentiful. It is urgent that parents check with their family physicians or obtain this protection through whatever plan has been established in their communities for the administration of the vaccine."

One Navy tractor in the Antarctic can pull 40 tons of freight loaded on special sleds.

### Pvt. Stanley Supports National Guard Unit

CAMP DRUM, N. Y.—Pvt. Troy Stanley, 22, is helping provide support for National Guard Reserve units on active duty training at Camp Drum, N. Y., this summer.

He is a driver in Company H of the 74th Regimental Combat Team, which is scheduled to return to its home station at Fort Devens, Mass., in September.

Stanley has been in the Army since September, 1955. His father, Kelsie R. Stanley, lives in Lackey, Ky.

IT PAYS TO ADVERTISE

### Ky. Motorists Reminded Gasoline Prices Will Climb One Cent Sunday

Motorists of Kentucky were reminded this week that on Sunday the federal tax on gasoline will go up one cent a gallon, as part of the \$13 billion increase in federal automotive taxes enacted by Congress this year for financing the 13-year federal highway program.

Herbert L. Clay, executive secretary of the Kentucky Petroleum Industries Committee, noted that this increase, added to the present 2-cent federal tax and the 7-cent state tax, will bring total state and federal taxes on gasoline in Kentucky to 10-cents a gallon. This, he said, is equivalent to about a 50 percent sales tax on gasoline.

Commenting on the "amazing growth" in motor fuel taxation in this state through the years, Clay pointed out that the Kentucky gas tax, first imposed at a one-cent rate in 1920, brought in only \$441,000 the first full year it was in effect.

The weather is still the best mystery of all time.

## What's New in Getaway? Try a '56 Buick and See!

Buick SUPER 6-Passenger 4-Door Riviera

You've probably heard us say a lot, recently, about the 1956 Buick's new Variable Pitch Dynaflo.\*

And maybe you've wondered just what that "new" means.

Well, it means a brand-new principle in transmission design. A new way to make whirling oil add to its own velocity and produce fast torque build-up at only part throttle.

What does it do for you?

It gives you a quick new getaway response right in the first inch of pedal travel—right where you do most of your normal driving—and right where you get better gas mileage every inch of the way.

It gives you more safety-surge breakaway when you floor the pedal and switch the pitch—more electrifying full-power acceleration to pull out of a tight spot.

And it gives you all this with absolute smoothness—because no gears ever shift in Dynaflo.

But if you think this great new getaway is

the only reason for Buick's strong position in the Top 3 of America's best sellers—listen:

In every 1956 Buick there's newness from end to end.

New 322-cubic-inch V8 engines. New brakes, new frame, new rear end. A new deep-oil cushioned ride. New handling ease, new quiet, new comfort. New interlocking safety door latches. New Safety-Aim headlamps. New styling and beauty inside and out.

What it all adds up to is the Best Buick Yet, by far. And you'll find all these new thrills packaged in a price that makes any '56 Buick you choose your smartest buy yet. Can you come in this week?

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

THE SEARS-ROEBUCK FOUNDATION

Drift Woman's Club, Drift

The Drift Woman's Club received the second place award in the statewide Community Betterment Contest, sponsored by the Sears, Roebuck Foundation. This award was a \$100 check. The first place award went to the Midway Woman's club, third to Harlan and fourth to the Lexington club. Drift's vital project was the establishing of a Youth Center.

Chairman of the Drift committee in charge of the contest was Mrs. B. F. Reed, whose work in assembling the facts for the contest made the prize possible. The club gave two \$50 U. S. Savings Bonds in a contest staged to raise money for the renovation of the youth center. The bonds were won by Johnny Cahill, Drift, and Ray Ward, McDowell.

MAYTOWN

The Maytown Woman's Club held its regular meeting Thursday evening at the home of Mrs. Ed Stewart. Mrs. R. H. Messer, of Garrett, was guest speaker, giving different flower arrangements from Florida. Following the program, the business meeting was conducted by the president, Mrs. Theodore Gibson. Plans were discussed to have Mrs. Messer teach a class in flower arrangement some time in August. The club voted to donate \$25 to the Boy Scouts when needed. It was also voted for each member to bring one dollar to the next meeting for the church painting fund, which will be donated as a Club donation. The next meeting will be held at the home of Mrs. Frank Stewart. Refreshments were served to members Messdames James Allen, Jones Tallent, David Reed, Theodore Gibson, John Ison, Charles Patton, George Patton, Paul Borders and guest, Mrs. R. H. Messer.

GOOD YIELD

The average woman has a vocabulary of only 1,800 words. It is a small stock, but think of the turnover. — Exchange.

FLOUR DATA

Graham flour will not keep as long as white flour, because graham flour is whole wheat flour and contains fat, and fat will become rancid in time.

It is surprising how few people get in trouble while attending church services.

MEMORY REFRESHED

Togged out in gay gypsy rags, I was the fortune teller at our church bazaar. Business was brisk as people I knew came in to hear the outlandish things I predicted for them. My last customer, a man, was a stranger to me. Trying to sound particularly mysterious and convincing, I intoned in a deep voice, "I see a buried treasure." "Oh, I know all about that," the man interrupted testily. "My wife's first husband."

Born Saturday to Mr. and Mrs. Bill Hunter at the Paintsville hospital, a son. This is the third child of the family. Mrs. Hunter is the former Betty Jo Estep.

Mr. and Mrs. Harry Snodgrass and children, Charlotte and Ronnie, are in Louisville, attending the basketball all-star games.

Civil Service Examiners Will Hold Interviews On Monday, July 2

Recruiting representatives from the Board of U. S. Civil Service Examiners of Wright-Patterson Air Force Base, Dayton, Ohio will conduct interviews for clerk-typists and stenographers in Prestonsburg, July 2, it was announced this week by Glenn S. Anderson, manager, Division of Employment Service, who is cooperating with the Air Force Base representatives.

Positions of this type have a salary range of \$2,980 to \$3,175 a year, depending on test results and experience, and are open to male and female personnel between the ages of 18 to 62 years. Applicants must be able to type 45 words per minute, and stenographers must take dictation at the rate of 80 words a minute to qualify.

A special housing office at Wright-Patterson Air Force Base will assist eligible employees to obtain suitable accommodations in Dayton, or vicinity.

Persons interested in working at the Air Base are urged to visit the Economic Security Office, North Lake Drive, Monday, July 2 for information, interviews and testing.

Judgments Found Against 31 Delinquent Employers For a Total of \$18,343

Frankfort, June 24 (Spl.) — The State Unemployment Compensation Commission has taken judgments in Franklin circuit court totalling \$18,343 against thirty-one delinquent employers for sums due the unemployment trust fund. Amounts ranged from \$96 to \$4,019.

Among the judgments were these taken against Eastern Kentucky firms:

Campbell & Morgan Construction Co., Inc., Harlan, \$1,395.51; Clark J. Gross, Middlesboro Liqueur & Wine Co., Middlesboro, \$96.94; Ancil Jackson, Darby Coal Co., High Splint, \$733.07; J. P. Jones, Jones Coal Co., Melvin, \$146.83; Henry B. Mercum and Ruth M. White, Manchester, \$4,010.48; Goldie Miracle, Godd Mir Coal & Truck Co., Pineville, \$56.25; Price Coomer, Park Theatre, Middlesboro, \$992.86.

POST HASTE

A professor at an Eastern university driving to the West Coast had been invited to stop enroute at the homes of several of his former students. A methodical gentleman who prided himself on efficiency, he wrote all his thank-you notes beforehand. He sealed, addressed and stamped the letters, bundled them up with a rubber band and put them in his bag.

His first stop was in Buffalo. The following night, unpacking in a hotel room about 300 miles farther west, he discovered the thank-you notes were missing. Telephoning his Buffalo host, he asked with a studied casualness, "Did you by any chance find a bundle of letters in the guest room?"

"Why, yes," said his friend, "I mailed them for you this morning."

The word "meander," meaning "follow a winding course," comes from the name of the Menderes River in Turkey.

MAYTOWN

Mr. and Mrs. Newt Ratliff, of Martin, were visiting Mrs. Martha Vanderpool, Saturday. Mr. and Mrs. J. L. Tuttle are staying for a few days with his grandmother, Mrs. Vanderpool.

Mr. and Mrs. George Fraley and two daughters, of Eastern, were visiting Mr. and Mrs. Felix Dudley Sunday.

Mrs. Mabra Hayes and Mrs. Exie Dudley, of Martin, were visiting Mr. and Mrs. Felix Dudley, Sunday.

Mr. and Mrs. Homer Dudley were visiting Mr. and Mrs. Angelo Dudley Sunday. They were united in marriage, Saturday. Mrs. Dudley before her marriage was Miss Oma Akers. She has been employed at Dr. G. C. Collins, dental office for about two years.

It wouldn't be a badidea at that to put the designers of the bathing suits in charge of cutting government budgets. —Miami Herald.

### Park Accommodations Limited But Available

Frankfort, June 24 (Spl.) — Although Kentucky State Parks are having one of their busiest seasons, there are still some available accommodations. Lodge rooms and some cottages without kitchens are available in June, July and August at Cumberland Falls State Park, near Corbin. Pine Mountain State Park, Pineville, has some cabins, as does Carter Cave State Park, near Olive Hill. Natural Bridge State Park at Slade, has both lodge rooms and some cabin facilities available for the summer. Fennyrie Forest State Park, Dawson Springs, and General Butler State Park, Carrollton, have cabins available during most of the summer.

Kentucky Dam Village and Kentucky Lake will have a waiting list for all cabins from now through August. Dining rooms are operated in all these parks, also swimming, fishing, and other recreational facilities are offered.

The cool, mountain area of Pine Mountain, Natural Bridge and Cumberland Falls is especially inviting to guests who want a comfortable, quiet place to vacation and sleep. Almost every night is a "blanket required" night there.

After September, plenty of reservations will be available. Cumberland Falls, Kentucky Lake and Kentucky Dam are three state parks which remain open all year.

### Whitfield, of East Point Stationed in Germany

Kornwestheim, Germany — Pvt. Robert W. Whitfield, son of Mrs. Lucille Whitfield, of East Point, Ky., recently participated in a 14-day Seventh Army company level field training exercise.

He entered the Army in November, 1955, and received basic training at Fort Leonard Wood, Mo. He arrived overseas last April from an assignment at Fort Gordon, Ga.

Whitfield attended Louisa High School and was employed by Royal Crown Cola Company in Paintsville in civilian life.

Isbell received his Naval Aviator designation on May 25, after more than 18 months of flight training. He has been assigned to the Naval Air Station, Jacksonville, Fla., for duty.

### GI Home Loan Lenders Asked to Report Sales; Illegals Feared

GI home loan lenders in Kentucky are being requested by the Veterans Administration Regional Office in Louisville to report any loans coming to their attention in which the property is transferred within 90 days from the loan closing date. Ray R. Adams, manager of the office, announced this week.

The VA is taking this step to check the illegal practice of veterans acquiring properties with GI loans for resale to non-veterans, Adams said.

From time to time VA has uncovered cases in which home loans were guaranteed on behalf of veterans who had no intention of occupying the properties as their homes.

VA said that generally the veterans who were parties to these illegal transactions were induced to obtain GI loans by persons who were fully aware of the seriousness of the offenses and of the consequences which might result.

VA urges all lenders and other persons participating in the GI loan program to assist in every way to avoid such cases.

All property sales occurring within 90 days of closing reported by lenders will be investigated by VA to determine whether sales of entitlement were involved, or whether there were valid reasons which prompted the sale of the properties. Under the law, veterans must have the intention of occupying the properties at the time of closing as well as at the time of loan application. This has been misunderstood by some, VA said.

If circumstances occur after a loan application has been submitted to a lender which would make it impossible for the veterans to occupy the property, the loan would be ineligible and should not be closed, VA emphasized.

VA said lenders should make sure at the time of closing that a veteran does in fact still intend to occupy the property as his home.

### Pvt. Martin Completes Army Teletype Course

Fort Gordon, Ga.—William J. Martin, son of Bedlin Martin, of Dema, Ky., recently completed the teletype operation course at the Army's Southeastern Signal School, Fort Gordon, Ga.

The eight-week course trained Martin in the use of the Military keyboard, teletype and tape relay operation and communications center procedure.

Martin entered the Army in February, 1956, and completed basic training at Fort Leonard Wood, Mo.

## 50 Years of Progress in Electric Power...

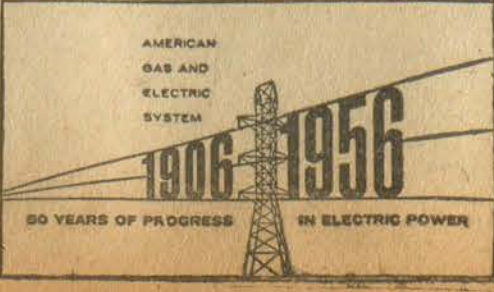

He listens in on seven states to save you money

It's cloudy in Michigan, but down in Kentucky the sun is shining. A major manufacturer in Tennessee has shut down for annual vacation, but production is round-the-clock in a big West Virginia Chemical plant. And in Indiana, a big generating unit in a power plant is out of service for maintenance. Reports like these come in 24 hours a day to this man in the Columbus, Ohio, load and generation coordinating center of the six-company American Gas and Electric System of which we are a part.

It's his job to determine, and quickly, how much electricity each AGE System power plant should generate for every condition of demand and then route this power the most economical way over the seven-state network of high-voltage transmission lines that link these plants with each other and the communities they serve. This integrated system, can thus deliver an uninterrupted flow of electricity to almost 5,000,000 people at the lowest possible cost.

Fifty years ago, when the American Gas and Electric Company was founded, there were no integrated power systems. Towns that had electricity got it from their own small, inefficient plants. Break-downs, which were frequent, meant no electric service until repairs could be made. Yet, this unreliable service cost 4 times more than today's dependable service.

The integrated system is just one of the many technological advances that have resulted from a continuous research and development program. Our "50 Years of Progress in Electric Power" — has enabled us to give you better service at lower rates.

**Kentucky Power Company**  
 Fifty Years of Progress in Electric Power
