SPEAKING OF AND FOR FLOYD COUNTY

PRESTONSBURG, KENTUCKY

SEPTEMBER 13, 1956

## 4th Post-War Fair To Open Sept. 19

THURSDAY

### This Town— That World

**HAPPY BIRTHDAY TO US!**  
Things will be poppin' around here for the next few days. There is the annual fish fry of the Floyd County Fish & Game Club next Sunday, and then the Floyd county fair—both events which should bring together a lot of old friends and a host of residents of this county who have common interests.

And this family journal is observing—mind you, we said, "observing," not "celebrating"—its 29th anniversary with this week's edition.

We are—eh, eh, by cracky!—growing old, Maggie. To some folks, and perhaps to us on occasion, it's a mite sad to get old and leave lousy, bubbling youth behind. But we always console ourselves with the thought that the only way to prevent such a situation is to die off and leave time and age and circumstance behind. And we assure one and all, we do not want to do that.

It is a right pleasant state of affairs, we contend. We feel like we have run at least some of the rapids. We have shipped some water enroute, and the old craft has sprung a few leaks, bow and aft, but she has her points.

And when at last we drop anchor it will be, we trust, right where we've ridden the choppy waters of good, old Floyd county and bobbed around in pretty aimless fashion at times.

It always was "Printer" Goble who walked quietly in, in other years at anniversary time, to say, "My son, do you know we've got a birthday coming up?"

**EXPLANATION**  
I am aware of the fact that I have let down the one or two persons who turn to this column for fishing news. But the fish have cooperated with me so little of late that I've retaliated by refusing to publicize them. Let 'em depend on fellows like Ernest Turner, Bill Grimm and Heber Burke for their press clippings, I say, since those guys seem to be the only ones the bass will associate with.

### COST OF FOOD TOPPED AUTOS

**Floyd Residents Spent  
Almost Half of Total  
On Cars and Foodstuffs**

**Special to The Times**

New York, Aug. 29 — With the votes all in and the tabulations completed, it appears that residents of Floyd county cast more of their dollars in the last year for automotive equipment and for food than for any other candidates for their spendable income.

Some 49 per cent of all purchases in the local retail stores were garnered by these two leaders.

Local automotive sales, including new and used cars, boats, farm machinery and the like, amounted to 23 per cent and sales in retail food stores and restaurants, 26 per cent.

The slowdown on how the retail dollar is distributed is given in Sales Management's copyrighted survey of the spending habits of the people. Wide variations are noted for different sections of the county.

### FIFTEEN MADE BOOZE SALES, JURY CHARGES

**Grand Jury Recesses  
Tuesday, To Resume  
Work Next Thursday**

Approximately 70 indictments had been reported by the grand jury prior to its recess Tuesday afternoon till next Thursday when it will resume work for the last three days of a session now planned to last the full nine days.

Adjournment of the jury for the term was apparently near Tuesday until Commonwealth's Attorney Burnis Martin told Circuit Judge Hill that work remained to be done and that return of the jury was desired.

Among the indictments reported were 16 naming as many defendants on liquor charges. Except in three of the indictments which were made by a woman witness, deputy sheriffs and state police were the complaining witnesses. One of the indictments accused Norman Shepherd of possessing alcoholic beverages. The other 15 accused the defendants of possessing alcoholic beverages for the purpose of sale. Defendants in these indictments are:

Allen Stone, Denzil Whitten, Ballard Gibson, Oscar Hurd, Jay Shepherd, Bill Stone, Palmer Hall, Thomas Lafferty, Clyde Jones, Henry Beto (two indictments), Mack Hunt, Johnny Newsome, Emmitt Newsome, Denver Joseph.

Some of those indicted were defendants in cases which were dismissed this week on the grounds that evidence was insufficient to convict.

Willie Harris was named in a grand larceny indictment under the habitual criminal act. The indictment pointed out that he had been twice previously convicted of grand larceny, on one occasion drawing a two-year term and on another one year.

George Howell was named in a breaking and entering indictment in the looting of the store of Albert Spradlin and the U. S. postoffice at Bonanza. He soon afterward entered a plea of guilty but Judge Hill withheld sentence till it can be ascertained if the federal government wishes to prosecute Howell for the postoffice break.

Deputy Sheriff A. J. Reed and Chester Neely were indicted on a charge of the false arrest of Cliff Allen.

Grand larceny and breaking and entering appeared rather frequently in the list of indictments. These bills named:

Woodrow Spurlock, breaking and entering and grand larceny, accused of taking jewelry from the home of Georgia Davis at Martin; John

### FLOWER SHOW SET SATURDAY

**Annual Maytown Event  
Is Sponsored By Club;  
New Features Planned**

The Maytown Woman's Club will present its sixth annual fall flower show, Saturday, September 15, in the Maytown high school gymnasium. The doors will open at 9:30 a.m., and all entries will be welcomed.

There will be a music program in the afternoon in the high school auditorium. The program will be announced as soon as plans are complete.

The P-T. A. will have charge of the luncheon. This will be served in the luncheon where they will show many things of interest on display.

There will be eight sections in this year show:

1. Artistic arrangements using accessories; 2. twilight section (using candles); 3. "As You Like It" section (mass or line arrangements using any kind of flower or style the arranger wishes to); 4. "Purity" (all white arrangements using white containers); 5. potted plants and dish gardens; 6. dried arrangements and gourds; 7. children's arrangements.
- The flower show judges will be Henry C. Haggan, head of Morehead's Agriculture Department, and well-known landscape artist, Dr. William Ousley, of Morehead College, and William Patton, Morehead florist. An engraved loving cup will be given as first prize, and an engraved plaque will be awarded to the second outstanding arrangement winner.
- This year, the show will again include table arrangements. This feature, shown for the first time

### Mrs. Fiebig Shepherd, 31, Of Hueysville, Is Victim At Our Lady of the Way

Mrs. Fiebig Shepherd, 31, of Hueysville, died at 5:30 p.m., at Our Lady of the Way hospital, Martin, Monday. The cause of death was not given.

Mrs. Shepherd was a daughter of George and Cynthia Nolan Castle, and the wife of Roy Shepherd, all surviving. Surviving brothers and sisters are Hillard, Henry, Kelly, Ballard, Mrs. Ruby Castle, Mrs. Mary Ann Smith, and Everett Lee Castle, all of Stockbridge, O.

Funeral rites will be conducted Thursday at 10 a.m., at the home, the Revs. M. C. Wright, Jim Vanderpool and Banner Manns officiating. Burial will follow in the family cemetery on Salyers Branch of Salt Lick under the direction of Hall Bros. Funeral Home.

### MUD Cr. MAN IN 2nd TRIAL

**Hamilton Trial End  
Seen Today; Whiskey  
Case Dismissals Made**

Trial of Ira Hamilton, Mud Creek man, for the second time for the slaying of his kinsman, Bert Hamilton, was under way today (Wednesday) in the Floyd circuit court, and a verdict was expected during the day.

Hamilton was convicted at his first trial but won a reversal at the hands of the Court of Appeals.

Otherwise, the court dragged into its second week, with far more cases being continued or dismissed than were being heard. Of the three cases which had come to trial none resulted in a conviction. Tim Jones was acquitted of a voluntary manslaughter charge in the death of a youth in an auto mishap. So was "Cat-Tail" Campbell, who was accused of possessing alcoholic beverages. The jury failed to agree on the guilt or innocence of Brown Sammons, who was given trial Monday on a cutting and wounding count. The jury held in its verdict that Tim Jones "was not guilty of any willful wrong—unavoidable accident."

Twenty cases were dismissed on the motion of Commonwealth's Attorney Burnis Martin and marked "evidence insufficient to convict." Among these 17 were liquor cases. Defendants against whom charges were dismissed were:

Hatler Conn, false pretenses; Thomas Breech and Paul Compton, each for drunk driving; and these liquor cases — Bill Stone, Viola Handshoe, Carl Robinette, Wade Holbrook, Sadie Click; James Eorgan, Jim Wallace, Son-

### DIAL SYSTEM AT McDOWELL

**To Be Installed at Cost  
Of \$130,000, Hayes Says;  
To Serve 300 Subscribers**

Southern Bell Telephone & Telegraph Company this week announced plans for a community dial exchange in McDowell which will cost more than \$130,000 and will provide the latest word in telephone service.

H. D. Hayes, manager for the Telephone Company, said that approximately 300 subscribers will be handled through the new exchange. Several telephones now served through the Martin exchange also will be shifted to the new community office.

Mr. Hayes said his company has awarded a contract for construction of a new telephone building in McDowell and plans call for work to begin on the new building immediately. The office is scheduled to go into service December 22.

As pointed out by Mr. Hayes, the new dial exchange will bring McDowell's telephone service up to the most modern standards in the country and will pave the way for the area to participate eventually in nationwide customer dialing, the Bell System's long-range plan for even better and faster long distance service.

### COUNCIL SETS \$10,800 GOAL

**7 Communities Assigned  
Quotas in Girl Scouts'  
1956 Drive for Funds**

The Sandy Valley Girl Scout Council's yearly fund drive is set to open Saturday and continue through Sept. 29.

Dr. Herbert Salisbury, of Prestonsburg, chairman of the drive, has announced this year's goal to be \$10,800. The quota for each locality follows:

Prestonsburg, \$2,200; Pikeville, \$3,300; Paintsville, \$2,000; David, \$800; Wheelwright, \$1,200; Martin, \$500; Drift, \$800.

Sandy Valley Council has a total of 777 registered Girl Scouts and adult workers. A full scale program of regular troop workers with all it entails—summer day camp, troop camping, established camp at Camp Chatterawha on Dewey Lake—make up just a part of the immense schedule carried on during the year under the council's direction.

"The continuation of this great program depends on the outcome of this drive, and everyone is urged to get behind it," it was emphasized this week. "Prepare for tomorrow by supporting the Girl Scouts today."

Among the many activities of the Scouts of the Sandy Valley Council during the year:

One hundred seventy-seven girls attended day camp, 95 attended established camp, 72 went troop camping, four girls attended the first National Senior Roundup at Highland State Park, Michigan.

Three hundred fifty-seven Proficiency Badges were earned by 113 Intermediates and Seniors during 1956. Forty-seven girls became Second Class Scouts and 15 girls earned the Curved Bar.

Council Girl Scouts earned and contributed \$57.29 to the Juliette Low World Friendship Fund which is for the promotion of Girl Scouting throughout the world as a contribution toward world peace and good will.

### Gun Wizard To Feature 14th Fish Fry Program

Feature attraction of the 14th annual fish fry of the Floyd county Fish and Game club at the Sandy Valley Speedway, Allen Sunday, will be Rusty Reed, nationally famous marksman.

Reed, 22, who completed his stint in the army only recently, accepted the club's invitation to attend and do exhibition shooting.

Other attractions at the fish fry will be casting contests, with first, second and third prizes; archery by Morris Burns; beauty contest at 4:30 p.m., with first and second prize cash prizes. The Floyd County Coon Hunters' Association will manage a coon drag in the morning under regulation rules.

### Floyd Men Awarded \$26,000 in Damages By Johnson-co. Court

A Johnson county circuit court jury awarded damages totaling \$26,000 to Charles Weddington, 66, and his son-in-law, Eugene Hager, both of Prestonsburg, Friday.

The suits of the two Prestonsburg men against the McGahan Feed Company, of Paintsville, were instituted after a traffic accident in Menifee county last Dec. 14, in which a truck of the Paintsville company was involved.

Weddington, who had asked \$60,000, received \$12,000 and \$6,000 medical and hospital expenses. Hager sought to recover \$30,000 but received \$3,000 and about \$5,000 for medical and hospital expenses.

### YOUTH CENTER TO OPEN SOON

**Redecoration Work Done,  
New Games Are Provided;  
Formal Opening Stated**

The newly re-decorated Youth Center, sponsored by local civic organizations will soon be ready for the school season, it was announced a few days ago.

Besides the new decorations, new games, tables and chairs, the committee has made arrangements for square dancing, with a professional caller. More room for Ping-Pong tables has also been provided.

Coach Bob Wallace, director of the center, also plans to stage a series of tournaments in the various games.

A formal opening is scheduled for the evening of the Prestonsburg-Hazard football game. Open house will be observed.

Definite information concerning opening and closing hours and other regulations will be posted at local schools and at the youth center located in the Patton Building on Court street.

### DEMOS' EDGE OVER 3 TO 1

**Registration Figures  
Show Republican Gain  
With Younger Voters**

Although 76.5 per cent of the 1,114 voters who registered at the County Clerk's office here during the voter-registration period which ended Saturday midnight were Democrats, the Republican party may find some comfort in the fact that new voters, those under age 21, were not so heavily Democratic in their politics as their elders.

While 77.2 per cent of those over 21 were registering Democratic, only 74.5 per cent of the new voters registered in that column.

The figures on registration for the period:

Voters over 21, 827 (639 Democrats, 188 Republicans).

Voters under 21, 287 (214 Democrats, 73 Republicans).

County Clerk DuRan Moore said last of those to register appeared at his home at about 10:30 Saturday night. He had offered to register voters up till the last midnight minute.

Figures on the total registration, he said, will be available after work of making transfers is completed.

The purgation and registration board has been in session about two weeks, with the chairman, T. Y. Martin, working alone 10 days of that time, it was said. Eugene Allen, of Allen, is the Republican member of the board, and S. R. Hatcher, of Allen, is the other Democratic member. Mrs. Gwendolyn S. Dingus is secretary of the board.

County Clerk Moore said some voters who had been notified to appear before the board Tuesday came here but did not find the board in session. Mr. Hatcher is employed as timekeeper by the

### John Elder Ball, 63, Dies At Prestonsburg Hospital Following Long Illness

John Elder Ball, 63 years old, well-known Prestonsburg man, died at 11:30 p.m., Friday, at the Prestonsburg General hospital following an illness of a year.

Until illness forced his retirement, Mr. Ball owned and operated a restaurant here, and before that he engaged in the retail grocery business. He was a member of the Methodist Church and had many friends here.

A son of the late James H. and Kate Branhall Ball, he was a native of Prestonsburg. Mr. Ball is survived by his widow, Mrs. May Bailey Ball, one daughter, Mrs. Mary Shechtman, Ontario, Calif., and two sons, Sidney Ball, of Paintsville, and Joe Ball, Huntington, W. Va. He leaves six grandchildren.

Funeral rites were conducted at 2 p.m. Monday from the First Methodist Church here, the Rev. Harold W. Dorsey officiating, and burial was made in the Mayo cemetery under direction of the Carter & Callihan Funeral Home.

### Three State Officials Asked To Testify Here

Subpoenas were issued here Monday on request of Commonwealth's Attorney Burnis Martin, summoning for appearance before the Floyd county grand jury next Thursday three state officials—Laban Jackson, commissioner of conservation; Mrs. Ben Kilgore, director of the division of Parks, and John "Frenchy" Demoisey, administrative assistant to Governor Chandler.

Mr. Martin said the officials were summoned in an investigation into "general bad conditions" alleged by the officials to have existed at Dewey Lake State Park while Fred Martin, his brother, was park manager. Bootlegging and "bad women" were alleged, but the state officials specifically stated, the prosecutor said, that Fred Martin was not connected with either.

### Draft Board Sends Men For Preinduction Tests; Several Are Volunteers

### BROTHER DIES, HUNT ACCUSED

**Word From Indiana Says  
Former Ivel Man Killed  
Brother, Curtis Hunt, 27**

A shot allegedly fired by George Hunt, 25, killed his brother Curtis, 27, at Gary, Ind., Saturday. The tragedy occurred at the home of their sister, Mrs. Bertha Hunt.

The brothers, natives of the Ivel section of this county, were employed at Gray, George at a fertilizer plant and Curtis on a railway. A sister of the victim said that the tragedy was caused by a quarrel originating between Curtis Hunt and his wife.

George Hunt had resided in Gary for two years, but Curtis had been employed there since 1951.

Surviving are the parents, Harry and Nora Spears Hunt, of Emma, his wife, Mrs. Bertha Hunt, and two children, Curtis, Jr., and Mabel, both at home. Brothers and sisters surviving besides Mrs. Hunter, are Mrs. Maude Sammons, Cliff, Mrs. Arlene Burchett, Endicott, Mrs. Anna Goble, of Emma, Harry Hunt, Jr., Everett Hunt and Mrs. Betty Watkins, all of Columbus, O., and Mrs. Junie Spears, Fostoria, O.

A relative said she understood burial would be made Monday in Pennsylvania where Mrs. Hunt formerly resided.

### Friends of the Library To Meet At Martin

The Floyd County Chapter of the Friends of the Library will meet next Tuesday at the City Hall, Martin, at 7:30 p.m. Any who are interested in developing and extending the services of the library and bookmobile are cordially invited to attend.

### BLAST KILLS FLOYD NATIVE

**Billy Walters, Emma,  
Wounded Fatally When  
"Dud" Grenade Explodes**

Flying fragments of a "dud" grenade cost the life of one Floyd county soldier and wounded another Friday at Ft. Knox, Ky.

Billy D. Walters, 17, of Emma, died at the post hospital shortly after the explosion of chest and leg wounds.

Suffering from multiple shell fragment wounds in both legs is Pvt. Norman Hyden, 18, of Prestonsburg. His condition is described as satisfactory.

Minor arm injuries were suffered by Pvt. Wilford L. Fuller, 18, of Rockingham, N. C.

A Fort Knox spokesman said the three soldiers were "policing up" a rifle range where their company had been firing grenades from rifles earlier Friday. Young Walters, this report said, picked up a grenade and tossed it into a nearby wastebasket, the "dud" then exploding.

Oliver Walters, of Emma, father of the victim, was quoted as saying he learned that the company to which his son belonged had been engaged in bazooka practice and that three shells were found on the grounds by the three soldiers. The one Walters picked up exploded. The other two were "duds".

All three youths were taking advanced basic training.

Body of Pvt. Walters was returned to Emma for burial in the Mosley cemetery. Besides his father, he leaves his mother, Mrs. Loral Ring Walters, Covington, Ky., one brother, Robert, of the Air Force, Spokane, Wash., and two sisters, Betty Walters, of the WAAF, Trenton, N. J., and Margaret Walters, of Emma.

Funeral rites were conducted from the home of the father Tuesday, the Revs. Abe Vanderpool, Leven Burchett, and Isaac Stratton officiating. Burial was directed by the Hall Brothers Funeral Home.

### Health Dept. Leader Points To Regulations On Fair Foodhandling

M. V. Clark, administrator of the Floyd County Health Department, said this week that regulations on the sale of foods and beverages at fairs may be procured at the health department by any person who plans to have a concession at the county fair which opens here next Wednesday. At the same time he urged compliance with these regulations in the interest of public health.

In a prepared statement Mr. Clark said: "We recommend that only pre-wrapped sandwiches, packaged goods and bottled drinks be sold in open-air stands where running water can not be had. "If there are persons who are interested in meeting regulations for the making and serving of hot sandwiches at the fair we at the health department will be more than glad to discuss the regulations with you and help you in every way that we can. "We feel very sure that these state regulations were not devised for sheer folly but by expertly trained persons who have only the best health interests of you, your children and the public in general at heart. We also feel sure that when we at your local health department try to provide the best possible protection that we can for you, by enforcing these regulations we are not just cranking with cranky ideas. In order to give you this protection we need your moral support in our work."

#### To the Citizens of Floyd County:

It is not my desire to drag the Floyd County Health Department any deeper in the mire, nor to smear it in any way as its leader, Mr. Clark, did on Monday, September 3. He told you part of story in this paper last week. Mr. Clark had forcefully and arbitrarily entered five stands which were being operated by Churches and non-profitable Organizations of Floyd county and a representative from each of these stands had contacted me and had told about the abuse and the bullying manner in which Mr. Clark had been showing his authority. Whereupon, I went from the speakers' stand out into the crowd to locate Mr. Clark. I found him in the fifth stand, which was being operated by a Church Organization of Wheelwright, Kentucky. Mrs. Glen Edwards apparently was in charge of the stand or at least she was the one who was being drilled and intimidated by Mr. Clark of the Floyd County Health Department. After listening to Mr. Clark tell Mrs. Edwards that she could not cook and sell sandwiches in the open for a profit and watching him lift the lids on the various items for sale to be served to the public and inspect them as to what they were and how they

### DR. VERNON AUTO VICTIM

#### Former Martin Surgeon Dies of Crash Injuries After Car Strikes Tree

Dr. Frank Vernon, of Pikeville, former Martin physician and surgeon, was killed early Sunday when an automobile in which he was a passenger left the highway at Elkhorn City and rammed into a tree.

Dr. Vernon, 46, was at the time of his death a surgeon on the staffs of two Pikeville hospitals—the Methodist and the United Mine Workers Memorial.

State police said the car was driven by Naomi Stidham, 44, of Virgie. The driver and another woman who was identified by officers as Ruby Gentry, 40, of Shelbyana, were reported in satisfactory condition at the Methodist hospital.

Dr. Vernon was dead on arrival here, where he had been a staff member since 1940. Before going to Pikeville he was with the Beaver Valley hospital at Martin and the Howard Clinic at Glasgow, Ky.

He was a native of Tifton, Ga., a graduate of the University of Georgia Medical School, member of the American College of Surgeons, and a veteran of World War II, in which he served as captain in the Medical Corps.

Dr. Vernon is survived by his mother, Mrs. Cora Finsher Vernon, Dalton, Ga., his wife, four daughters, all at home, and a sister, Mrs. Lyda Hutchinson, Glasgow.

The body was returned to Tifton for funeral and burial.

#### Miss Fraley, Mr. Rice Wed on September 1st; Vows Said at Wayland

Mr. and Mrs. Ray Fraley, of Wayland, announce the marriage of their daughter, Anna Lee, to Mr. Mark F. Rice, son of Mr. and Mrs. Scott Rice, of Salsersville, Ky.

The double ring ceremony was performed September 1 in the Wayland Methodist Church in the presence of members of the family and close friends of the bride and groom.

The Rev. Lawrence B. Price officiated before an altar decorated with palm, white gladioli and lighted tapers.

Miss Billie Jean Blackburn, pianist, presented a program of nuptial music.

The bride, given in marriage by her father, wore a street-length dress of tan lace and satin. She carried a white Bible topped with a white orchid, from which fell streamers with Stephanotis.

Mrs. Phil Johnson, of Wayland, sister of the bride, was her only attendant. She wore a street-length dress of pale blue faille.

Mr. John Ervin Cooper, of Lexington, served as best man. Seating the guests were Bruce Fraley and Edgar DeCoursey.

The bride's mother wore a navy blue dress with matching accessories. The groom's mother wore a navy blue crepe dress with pink accessories. Their corsages were of pink roses.

#### First Reserve Meet Scheduled in Armory, Sept. 19, Commander Says

First meeting of U. S. Army Reserve Company B of the 364th engineer aviation battalion will be held at the company armory, the Nunnery building at the corner of Third and Graham here, at 7:30 p.m., Sept. 19, it was announced this week by First Lt. C. J. McNally, unit commander.

Of special interest to those in the 17-18½-year group are the services offered by the Reserve. By joining the Reserve unit a high school student, for instance, may carry on his Reserve work of 48 drill sessions a year and two weeks of summer camp at Ft. Knox, then after high school do six months' active duty and return to the Reserve without draft worry.

Full information may be procured by calling Lt. McNally at 2189, Prestonsburg, or First Lt. John Hardin, executive officer, at 2346, Prestonsburg.

Some Floyd countians now attached to the Paintsville reserve unit will be transferred to the company here, it was said.

Johnson counties for the first time in a pilot program. All the county high school bands will be present at least one day, it was said. The fair board made \$200 available recently to pay their expenses. There are nine such bands in the county.

County Agent O. E. Boggs called attention this week to the new rule on the admission and release of exhibits from the grounds. All exhibits are to be in by 8 p.m., Wednesday and are to remain there until 8 p.m. Saturday, Sept. 22, except livestock which may be removed anytime after four o'clock Saturday evening. Failure to abide by these rules will result in forfeiture of any prizes awarded the exhibitors.

### Memorial To Prof. Ward To Be Unveiled Sunday At Cemetery Near Inez

The memorial to the memory of the late Prof. W. B. Ward, well-known Eastern Kentucky educator, will be unveiled at 2 p.m. Sunday at the old Salt Well cemetery, one mile south of Inez, it was announced here this week. Floyd county friends and former pupils of Professor Ward have been invited to attend.

Rufus M. Reed, Lovely, Ky., will act as master of ceremonies. Amos Runyan, of Belfry, will deliver the principal address. Music will be provided by two well-known vocal quartets of the area.

### Beaver Valley Kids Day, Annual Kiwanian Event Slated at Wheelwright

Beaver Valley Kids Day, an annual event will be observed this year on Sept. 22 at the Wheelwright baseball park under sponsorship of the Beaver Valley Kiwanis Club, cooperating with the National Kids Day Foundation and the schools of the county.

School bus transportation will be provided for pupils entering or attending the meet, and soft drinks and eats will be offered, free, it was announced this week.

Contestants will be divided into two groups — Group I for the first six grades of competing schools; Group II for the seventh and eighth grades. Only one contestant will be permitted each school in each group in the following events: 100-yard dash for boys, running broad jump for boys, high jump for boys, boys' 50-yard sack race, girls' 50-yard sack race, boys' standing broad jump, girls' standing broad jump. Two contestants will take part in the girls' 50-yard potato relay, and three will be permitted in the 100-yard relay for boys. No individual may enter more than two events.

Blue, red and white ribbons will be awarded first, second and third places in each event, and cups will be awarded the schools finishing first, second and third in total points.

### MAYTOWN

The Maytown W. S. C. S. held its regular monthly meeting in the church basement last Tuesday evening with Mesdames James Allen and M. G. Halbert as hostesses. Mrs. John Ison was program leader on the topic, "The Spirit of Christ for All of Life." Others on the program were Mesdames Henry L. May, Arnold Maggard, Baisden Osborne, Jones Tallent, Thomas Patrick and Misses Linda Maggard and Sandra Sue Patrick. Mrs. Howard Ramey presided over the business meeting. A motion was made and carried to change the meeting to the second Tuesday of each month. It was announced that the light has been installed outside the basement door entrance. Also plans were being made to purchase a furnace for the church building. Miss Karen Burchett was welcomed as a new member.

Mr. and Mrs. Johnnie Hagans have moved to Ohio.

John Coburn attended an association of the United Baptist Church at North Judson, Indiana, several days last week.

Mrs. Stella Logan, of St. Mary's Ohio, spent a few days here with her daughter, Mrs. Teddy Click and family. She was accompanied home by Mrs. Click and Randy and her son, Larry, who has been living with the Clicks. Mrs. Click and Randy stayed for a week's visit.

John "Boag" Ratliff, of Waverly, Ohio, Thomas Ratliff and son, Alvin, and Bill Ratliff, of Indianapolis, spent the Labor Day week-end visiting family and friends here.

Those attending Mrs. R. H. Messer's flower workshop last Saturday were Mesdames Edwin Stewart, Paul Borders, Theodore Gibson, Champ Osborne and James Allen.

M. G. Halbert, who is employed in Fairfax, Va., spent the week-end with his family recently.

Mr. and Mrs. Virgil Moore and daughter have moved into the Johnnie Hagans property and are now operating the grocery store.

Mary Lou Hicks, who is employed in Louisville, spent the week-end with her parents, Mr. and Mrs. Willard Hicks.

Mr. and Mrs. Chad Bolen, of Paintsville, were the week-end guests of Mr. and Mrs. Eugene Hopkins.

Mr. and Mrs. Roland Burchett and daughters, formerly of Martin, have moved into the Arnold Maggard house here.

Mr. and Mrs. Paul Harris and children have moved to the house of Mr. and Mrs. Virgil Moore down by the Kentucky West Virginia gas plant.

Misses Charlotte Maggard and Earleen May have accepted teaching positions in Ohio.

Mr. and Mrs. L. E. Roberts and children have moved here from Charleston. He is foreman at the new Carbon-Carbide plant.

Saturday morning, Sept. 15 at 9:30 the doors of the Maytown gymnasium will be opened to entries of the Fall Flower Show held there each year. There will be a place for every entry. Bringing your formal or informal arrangements, miniatures, potted plants and dried arrangements.

There will be an engraved loving cup and plaque awarded by the judges, Dr. Henry C. Hagan, Dr. William Ousley and William Patton, for the best arrangements. These awards will be presented at the afternoon musical program to be held in the auditorium. Those attending this program will be entertained by some of the outstanding talent of Floyd county — Mrs. Edith James, the Patsy Teen-Agers and others.

Besides the Flower show section, there will be a group of table settings which will be judged. Also, a bazaar and a luncheon will be served by the P.T.A.

You are cordially invited to come and spend the day. The Maytown Woman's Club has planned this event for your enjoyment.

#### Jr. Chamber's President Appoints Council To Plan Eastern Ky. Development

Initial steps toward the formation of an Eastern Kentucky Development Council were taken at Hazard Sunday when a committee was named by John Whisman, president of the Kentucky Junior Chamber of Commerce, to meet Nov. 16 for the purpose of naming the complete council.

Among the members of the committee are James Bondurant, Prestonsburg, manager of the Dewey Lake State Park, and Barkley J. Sturgill, Prestonsburg attorney.

The council would gather information about Eastern Kentucky development and suggest projects to civic groups.

At Sunday's meeting, Henry Ward, executive assistant to Senator Earle C. Clements, called for a down-to-earth approach to the area's problems.

He cited examples of successful and unsuccessful development in Kentucky. He pointed out the value of having the right information at the start of such activity.

Members of Junior Chambers of Commerce and civic leaders throughout Eastern Kentucky attended. The Hazard Jaycees conducted the meeting. Bob Mansfield, Hazard Club president, presided.

Members of the committee, in addition to Sturgill and Bondurant, are J. O. Zimmerman, Louisville; Fred Bullard, Hazard; Rufus Thomas, Ashland; Bill Lyons, Frankfort; Frank Saries, Middlesboro; Goebel Newsome, Elkhorn City; George Carr Ganter, Frankfort; Robert Barnard, Frankfort; Bill Gorman, Hazard; Avil McKinney, Pineville, and Don Detjen, Ashland.

The group heard two panel discussions on community development and tourist trade.

### Hunter Is Found Dead In Woods After Search Of Several Hours, Sunday

Searchers for John Campbell, 65-year-old Endicott farmer who had been missing several hours after leaving home on a squirrel hunt, found his body late Sunday afternoon in the woods on the left fork of Home Branch, Buffalo Creek.

Campbell, a farmer, had apparently died of a heart attack. His body was found by his son, Wesley Campbell, and a neighbor who had been sent on the search after Campbell had failed to return home when expected.

The victim was a son of Mrs. Melvina Crisp Campbell, Jackson, O., and the late Wes Campbell. Besides his mother, he leaves his wife, Mrs. Laura Endicott Campbell, his son, Wesley Campbell, five brothers and four sisters, Jim Campbell, of Endicott, Will Campbell, Water Gap, Alton Campbell, Emma, Albert and Anderson Campbell, both of Jackson, O., Mrs. Nora Gibson and Mrs. Mollie Garrett, both of Jackson, O., Mrs. Lizzie Hall, Centerville, O., and Mrs. Emma McSurley, of Drift.

The funeral was conducted Wednesday from the Freewill Baptist Church at Endicott, and burial was made in the Order cemetery, the Carter & Callihan Funeral Home directing.

### Invitation for Bids

Sealed proposals for the furnishing and performing of all labor for the laying of 36" R.C. pipe, which will be furnished by the Floyd County Board of Education, will be received at the office of the Floyd County Board of Education, Prestonsburg, Kentucky, until 1:00 p.m. October 1, 1956 and will be opened and publicly read immediately thereafter. Bidders will be required to furnish all labor for excavation and laying of approximately 30 feet of 36" R. C. pipe, as well as furnishing all materials and labor for valley drains and junction boxes as shown on plans. Plans may be obtained at the office of V. O. Turner, Superintendent, Floyd County Schools.

The right is reserved as the interest of the Board of Education may require to reject any and all bids and waive any informality in bids received and further is reserved to withhold the award of contract for a period of 30 days after the receipt of bids.

**IN RE ANOTHER SPORT**

So I turn to squirrel hunting, which I have long since eschewed, the hills having grown steeper and higher and all that... Dr. J. H. Allen reports that a friend of his recently outdid in the matter of trail-marking any pioneer heroine taken captive by the savages. This guy, he said, was lost, but he had the trail well-blazed. They tracked him down by the beer cans... And Dick Hyden explains the failure of Roland Allen to find any squirrels on a trip to the Blue Grass section. Says they caught sight of the hunter's head with his hat off, thought the moon had risen, and so all went to hole... Arthur Hughes, he of the 10-cent store, gave me a squirrel, Tuesday afternoon. Grateful, I solemnly promised I would reciprocate. "Next bass I catch, I'll give it to you," I told him. Somehow he seemed strangely unenthusiastic about the proposition.

**U. F. DRILLS 3 HUGE GASSERS**

**Two Pike County Wells 13,000,000 or Better; Deep Exploration Seen**

Three big gas wells last week set a production success record which bested all previous wells of the United Fuel Gas Company in its drilling of hundreds of wells in Eastern Kentucky.

First of all, there was the record or near-record 13,360,000 cubic feet producer hit in the Big Lime formation on the Majestic Collieries Coal Company lease in Pike county, in the Tug River section. The gas flow came in "natural" at 2,640 feet with 563 pounds rock pressure.

A second, a test or "wildcat" well, was drilled in on Knox Creek of that county, near the Virginia line, in the same formation, and it drilled in at 4,400,000 cubic feet. Acidized, the well shut in at 13,000,000 cubic feet with 850 pounds rock pressure.

Smallest of the three wells was drilled on Blackberry Creek, coming in at 2,400,000 cubic feet "natural," and jumping to 4,300,000 feet after having been acidized.

A fourth well was drilled in by United Fuel in Pike county during the week, but its production was barely worth mentioning in comparison with that of the other three. A shale well, drilled within a mile of the largest Big Lime producer brought in during the week, it is producing 200,000 cubic feet. The shale was reached there at a depth of 5,200 feet—deeper than the deepest well yet sunk in Floyd county.

United Fuel has several thousand acres of land in the Majestic area where last week's big gasser was drilled and this week had a crew of lease men picking up all available additional acreage. The three big wells drilled in extend lineally over a distance of about 10 miles.

Glover C. Spencer, division superintendent of United Fuel, said his company plans drilling to the Clinton formation in Martin and Pike counties this year. The company's plans call for sinking at that point, a depth of about 5,000 feet, an old shale well in each of these counties.

A well drilled recently through the Clinton to a depth of about 5,100 feet on Arkansas Creek, this county, by Kentucky West Virginia Gas Company failed to produce. This was the greatest depth to which a well had been sunk in Floyd county.

**Theodore Ousley, 40, Dies Of Self-Inflicted Wound At Home in Willard, O.**

Theodore Ousley, 40 years old, formerly of Risner, died instantly last Wednesday at his home in Willard, O., of a self-inflicted gunshot wound.

The former Floyd countian, employee of a Willard manufacturing plant, had been in ill health for some time and had been told by doctors that an operation would be necessary. Worry over the condition of his health and loss of employment is believed to have led to his suicide.

After telling his young son and daughter that he loved them, Ousley went upstairs, the report received here says, and shortly afterward a shot was heard. Charge of a 12-gauge shotgun entered his mouth.

Mr. Ousley had resided in Ohio the last three years. He was a son of the late Edward and Martha his widow. Mrs. Ellen Ousley, nee Howard Ousley, Surviving, besides his widow, Mrs. Ellen Ousley, are two children, two brothers, Cephus and George Ousley, both of Risner, and one sister.

His body was returned to this county for burial in the family cemetery at Risner Saturday. Funeral rites were conducted by the Revs. Jim Hale, Henry Ousley and Banner Manns. Burial was directed by the Carter & Callihan Funeral Home.

## BIG SANDY NATIVE STUDIES PHONETIC READING THEORIES

Kentucky educator opponents of Rudolph Flesch's theory that pupils learn reading better when they are instructed by the phonetic method, found an answer recently to the controversial book, "Why Johnny Can't Read." It came from a native Big Sandian, Dr. Paul E. Sparks, who has taught in Louisville for 21 years.

Sparks, 46, was born in Louisa, has been principal of Nannie Lee Frayser School in the state's largest city for eight years. He is the only principal in the city with a doctorate. A veteran of the Air Force, he began his teaching career in Lawrence county. His conclusions on the phonetic method of teaching reading are the result of four years' study.

An article in the Courier-Journal, Sunday, Aug. 12, by Jean Howerton, on Sparks' findings, has been reprinted widely in state newspapers. It follows here:

Emphasis on phonetics does not make better readers of children, Dr. Paul E. Sparks has found.

And this, he says, is a major victory for educators in the parent vs.-teacher controversy over how children should be taught to read.

Sparks, principal of Nannie Lee Frayser School, made a four-year study of two groups of children. One group of 418 pupils at Frayser was taught to read by the phonetics method. Another group of 406 at Ellen C. Semple School was taught by the widely used "conventional" method, sometimes called the sight method. The latter method includes training in phonetics, but does not emphasize it.

Sparks wrote his study in thesis form as a requirement for a doctor-of-education degree at Indiana University. He has just received his degree.

He found that at the end of the fourth grade there was no significant difference between the two groups in comprehension, vocabulary, speed, or spelling. However, the group taught by the sight method "appeared to be superior to the other group in the accuracy with which they read."

Here is an explanation of the two methods:

**Phonetics:**—Letters and groups of letters are used to get the pronunciation of a word. A child therefore, learns parts of words before he learns the whole word. He learns the alphabet — the names and sounds of letters, vowels, and consonants. Then he reads.

**Sight method:** The pupil learns word as a whole, not in parts so that he can recognize them on sight without stopping to figure them out. After he has learned 50 to 100 words, he begins to learn about consonants and vowels.

Sparks found at the end of the first grade, pupils taught phonetics were superior in comprehension and vocabulary to those taught by the sight method. There is a possibility, he said, that the test used favored the group that had more phonetic training.

At the end of the second grade, pupils taught phonetics showed superiority in comprehension, but there was no significant difference in vocabulary. Sparks says the explanation for this is probably that near the end of the first grade and later the sight method places more emphasis on phonetics.

At the end of the third grade, neither group showed a significant difference in performance, except that a slow-learning group taught by the sight method showed slight superiority in comprehension over slow learners in the other group.

"It seems apparent that, with the exception of reading accuracy, the two methods of teaching reading produced approximately the same end results within the limits of the reading tests used in the study."

Sparks said that for years the values of phonetic training have been debated. Much of the controversy has concerned whether it is worth while to spend the extra time required to teach extra phonetics.

The principal believes his study is "the answer" to Rudolf Flesch, who aroused the country two years ago with his book, "Why Johnny Can't Read." Flesch maintained Johnny couldn't read because he hadn't been taught properly—by phonetics.

### Martin Airman Assigned To Kirtland Air Base

AFSWC, Albuquerque, N. M., Sept. 7—Airman First Class Jimmie D. Davis was recently assigned to Kirtland Air Force Base here. Airman Davis is the son of Mrs. Carrie Davis, of Martin, Ky.

While at Kirtland, Airman Davis will be a member of the 93rd Fighter Interceptor Squadron. Kirtland Air Force Base is the home of the Air Research and Development Command's Special Weapons Center, which is responsible for Air Force participation in the nuclear weapons program. Airman Davis, a 1953 graduate of Martin high school, enlisted in the Air Force in 1953, and came to Kirtland from Japan.

## Study of State's Water Resources Now Being Made

Frankfort, Ky., Sept. 3 (Spl.)—A comprehensive study of the state's water resources and allied problems is under way as a joint project of Department of Conservation and the University of Kentucky's College of Engineering.

Conservation Commissioner Laban P. Jackson said this study is a survey of hydrology, flood control, hydraulics, navigation, irrigation, water supply and related subjects.

As a result of the agreement, George Land, Jr., assistant professor of applied mechanics, College of Engineering, is compiling data for inclusion in a permanent technological file.

Office for the study is located in the University and files of the project will be open to students, visitors and agricultural and industrial interests, in addition to all departments of state government.

Robert Lee Bolin, director of the Division of Flood Control and Water Usage, activated the program last month.

Land, in assuming supervision of the project, stated, "Kentucky's conservation program pivots around control of waste . . . almost all our soil loss is due to movement of uncontrolled water and this study will supplement federal water control programs now in existence, by serving as a guide for design of future conservation projects."

## P'BURG DROPS OPENER TO LOUISVILLE FLAGET, 19-0

Outmanned but not out fought, defeated but far from being overwhelmed, a small squad of Prestonsburg Blackcats returned Sunday from Louisville after suffering their first loss, 19-0, at Louisville Flaget's Maxwell Field.

The Blackcats stuck with the larger Flaget team until the second quarter when John Kuchenbrod, 185-pound halfback, put the home team in scoring position with a 45-yard scamper. Beam, quarterback then hit Stiles on the two with the first TD of the fray.

Paul Phillip Hughes gave a good account of himself in hitting his receivers time after time but had no luck as his passes were not held. The rushing attack of the Blackcats, running against the heavier forward wall of the Flaget team, totaled only 79 yards for the night.

Bruce Howard, senior tackle, shone on defense and was accorded player-of-the-week honors.

Big John Kuchenbrod, 185-pound senior halfback, was the Flaget offensive standout. He set up both of the Braves' first half touchdowns with punt returns of 45 and 46 yards, and scored the second himself on a four-yard shot through the middle.

After the Braves had fumbled away three opportunities, they finally got rolling on Kuchenbrod's first scamper. Halfbacks Carl Tinnel and Bill Stiles alternated in carrying the ball from the Prestonsburg 40 to the 27 from where Beam hit the wide-open Stiles with a pass on the two for the first t.d.

Tinnel kicked the extra point to make it 7-0, but missed after Kuchenbrod's t.d. when his kick was blocked.

Beam returned one of Paul Hughes' passes from the Prestonsburg 25 to the four. From there it was simple for Tinnel to go over. With the help of another interception and a pass interference penalty, Flaget drove to the one-yard line as the game ended.

Beam, a junior, and senior Charles Lambert alternated on nearly every play at quarterback. They threw a total of 17 passes and completed eight for 110 yards.

Nearly 2,000 fans sat in on the goings-on.

### PHOOEY ON LITKENHOUSE

The first of the 1956 Litkenhouse Ratings involving Kentucky high school football teams were released Tuesday morning with little regard for teams from the mountain area. Pikeville, by virtue of its 19-7 triumph over weak Lafayette, was placed as the seventh best team in the state.

Powerful Fleming was not rated, nor was Hazard, the Prestonsburg Black Cats' opponents this Friday night.

Prestonsburg was listed as the 29th team in the state and second in the area; Paintsville 33rd, Whitesburg 53rd, Elkhorn City 67th and Jenkins 80th.

The primary purpose of these ratings is to sell a good supply of newspapers on Tuesday morning.

### PLAYER OF THE WEEK

Francis Stores in Prestonsburg will again sponsor the Black Cat Player-of-the-Week this season with the recipient to receive an award for his selection.

Each week a five-man committee will select the outstanding Black Cat, and last week's award for the Flaget game went to senior tackle Bruce Howard for his fine defensive play.

### TICKET SALES

Season tickets for Prestonsburg's five home football games are now on sale in various stores in town. The home schedule includes Hazard, Jenkins, Pikeville, Louisa, and Whitesburg in that order. The Paintsville game, originally scheduled for Prestonsburg this season, has been shifted to Paintsville.

### LONG RUNS

Five of the eight touchdowns scored in the Whitesburg-Paintsville fray last Friday night were for 50 yards or more, although the heavy fog in the last half kept the capacity crowd from following the action too closely.

### BOWL GAME SET

The annual Paintsville Big Sandy Bowl game will be staged November 10. Pikeville is rumored as one of the teams already invited, but the Panthers are scheduled to play in Corbin on the 9th of November—something must be changed.

### Widener Is Appointed Safety Commissioner

Frankfort, Sept. 10 (Spl.) — Gov. A. B. Chandler appointed P. A. E. Widener, III, commissioner of the new Department of Public Safety.

The department will embrace the State Police and three other divisions. Don Sturgill was appointed deputy commissioner, with Lt. Paul M. Smith, director of State Police and James E. Bassett, III, director of motor-vehicle registration.

Sturgill, law counsel for the State Police under Widener, is a graduate of Harvard University. He attended the University of Virginia and received his bachelor-of-law degree from the University of Kentucky in 1955.

He served with the Air Force in the Azores. His law practice has been in Lexington.

Smith was graduated from the University of Kentucky in 1950. He has participated in numerous police courses and seminars in various parts of the country since joining the State force in 1950.

A Yale University graduate, Bassett, was employed by Great Northern Paper Company of New York from 1946-1953, when he returned to his home at Spring Station near Versailles.

## 3 GAMES WON BY SEMI-PROS

### Prestonsburg Team Downs Wheelwright And Martin Teams

The Prestonsburg Semi-Pros clobbered three opponents last week by thrashing Wheelwright, there, last Wednesday 17-4, Martin, here, Sunday, 16-0, and the Wheelwright Colored team, playing the last half of a doubleheader, 9-5.

Fourteen Prestonsburg batsmen went down swinging but, over the nine innings, succeeded in bringing in their winning margin of four runs as pitcher Don Sullivan also struck out fourteen of the Wheelwright colored team. A. James, catcher for the visiting team, homered in the second inning to spark his team's rally of five runs.

Howard Burchett, who is playing out his vacation with the Prestonsburg team, had a perfect night at Wheelwright as he gathered five hits in five times at bat, including one triple and two doubles. Homer Osborne collected four hits for the losers in five times at bat.

Julian Campbell added another shutout game to his credit in blanking the Martin team 16-0 last Sunday in the first game of a doubleheader. The Martin team collected just four hits against Prestonsburg's 18, which, according to Manager Amon Childers, gives Prestonsburg a team average above .300.

In the three game series Prestonsburg amassed 42 hits to coincide with their 42 runs. Total runs and hits for their opponents add up to 17 hits and 13 runs.

## Paintsville Surprises Whitesburg, 32-19

Paintsville's Aggressive Tigers zoomed into the Eastern Kentucky Mountain Conference football spotlight last Friday by surprising Whitesburg, 32-19.

Jim Caudill's Hazard Bulldogs scored in the last three minutes to edge by Jenkins, 6-0, in a conference fray, and in other non-loop action Elkhorn City bowed to Matewan, West Virginia, 13-6, and beginners M. C. Napier and Leslie County scored at will with Napier winning 27-20.

Paintsville's second victory in a four-day period featured the long runs of backs Frankie Patton, Jim Conley and Jimmy Wells, while Yellowjacket fullback Lloyd Hodge personally accounted for Whitesburg's three markers.

Hodge, a bruising 185-pound senior fullback, grabbed the opening kickoff and zoomed 91-yards to give his mates a 6-0 advantage. Three plays later Tiger speedster Frankie Patton reeled off a 68-yard touchdown trek, only to have the play nullified by a clipping penalty, however Paintsville zoomed back to knot the count after Patton went over from the seven-yard stripe to climax the drive.

Four minutes later, Tackle Gerald Hitchcox grabbed Hodge's fumble on the Whitesburg 23. It took Wells and Patton two plays to score with Patton chalking up his second six-pointer.

Walter Brush's charges built up a 19-6 halftime lead after defensive star guard Jim Cyrus blocked an attempted Yellowjacket kick on the 32-yard marker. On the ensuing play, Patton uncorked an elusive pay-off run of 32 yards up the middle and he also added the point after.

Whitesburg cut the margin to 19-12 midway the third period as Hodge scored his second t.d., following Major Spark's recovery of a Tiger fumble.

Jimmy Wells, 155-pound agile junior, virtually led the victory with a 40-yard jaunt on the first play from scrimmage after the kick-off. Leading 26-12, Paintsville booted to Whitesburg and Hodge returned it for a 60-yard counter to narrow the gap to 26-18.

Then Jim Conley, who called a brilliant game from the quarterback role, took the kick-off and sped 83-yards into the end-zone to finish the scoring medley.

### BULLDOGS WIN

Playing in some three inches of mud, Hazard's Bulldogs marched 62-yards in nine plays to throttle

Jenkins, 6-0, as sophomore quarterback Kenneth Cobb plunged over from three yards out, three minutes before the final gun sounded.

Playing without regulars, fullback Pat Stidham and quarterback James Oze, who are out with injuries, Hazard uncovered a future star in Spencer Jones, a 190-pound transfer fullback from Liberty High.

Jones, who spearheaded the pay-off drive, averaged six yards per try in 13 attempts. The Bulldogs blew a first half scoring opportunity by fumbling on the Jenkins one-yard line.

Matewan, West Virginia, used a blocked punt in the second period to down Elkhorn City 13-6, after Cougar back Tommy Sykes had tied the count at 6-6 with a thrilling 38-yard run in the same period.

### Scout Professionals Attend Regional Meet

John I. Dean, Scout executive, James F. Owens, district executive for the Jenny Wiley district, and Clifford Judd, district executive for the Jefferson Forest district, attended a regional meeting held in Cincinnati last Wednesday, for the purpose of making plans to promote the national program of the Boy Scouts of America for the year 1957, "Onward for God and My Country."

Dean predicted that 1957 would be an outstanding year for Scouting in Lonesome Pine Council. He said that the religious objectives of the movement for building character in the lives of boys are now better understood and more appreciated by leaders in the local communities of the Council.

### Power Firm Accords Double Honors To C. J. Aders, 20-Year Employee

C. J. Aders, of Hi Hat, was recently presented an A. G. and E. Company Service Pin in recognition of his long years of service with the Kentucky Power Company, a subsidiary of the New York company. In addition, Mr. Aders was presented a Safety Award Pin for never having a "lost time" accident in all these years.

Cliff Aders began his employment in the transmission and distribution department, line section, as a laborer on August 31, 1936. On January 1, 1938, he was transferred to the stores department as a laborer and on August 1, 1940 was promoted to an attendant in the stores department. March 1, 1944, he was promoted to an operator B in the transmission and distribution department, station section. Mr. Aders, was promoted Aug. 1, 1945 to an operator A, station section, and on April 1, 1949 was promoted to the post station operator A in the station section of the transmission and distribution department of the power company, the position he now holds in the organization. Since March 1, 1944, and since becoming an operator in the station section, Mr. Aders has resided in one of the power company homes next to the 132-kv Beaver Creek substation at Hi Hat.

He was presented his 20-year service pin, August 31, and at the same time was presented his 20-year "no accident" Safety Award Pin.

Mr. Aders and his wife, Irene, make their home at Hi Hat, where he is a member of the Wheelwright Kiwanis Club and the Wheelwright Masonic Lodge and is very active in community affairs.

### 67-Yr. DREAM NEAR REALITY

Four-Year College Status Was Realized This Week As Term for '56 Started

Pikeville, Ky., Sept. 10 (Spl.)—A 67-year-old dream came true today when Pikeville College opened its doors as a four-year college.

The name given the school by its founders in 1889, Pikeville Collegiate Institute, "reflected their purpose to lift the educational level of Eastern Kentucky." Dr. A. A. Page, college president, observed today. From them to the Presbyterian churchwomen of the nation, who last year raised \$100,000 to finance a chapel large enough for the senior college, friends of the school have looked toward this fall's development, he said.

Pikeville's expansion has been made possible in part by a "living endowment" fund to which more than 500 alumni and other friends have pledged gifts totaling some \$15,000 each year. Dr. Page noted that these contributors are spread literally from coast to coast, some as far east as New Jersey and others in California.

Growth from ungraded school to a fully accredited junior college, which Pikeville has been since 1931, came by degrees during the 30 years when the late Dr. James F. Record was president. The school's administration and principal classroom building, as well as both men's and women's dormitories, date from his administration, which ended with his retirement in 1932.

The list of Pikeville's builders and dreamers is studded with highly respected names. Dr. Page said. The site for the school was chosen by three Eastern-Kentucky Presbyterian ministers, Dr. W. C. Condit, of Ashland, Dr. Samuel B. Alderson, of Maysville, and Dr. James P. Hendricks, of Flemingsburg. Dr. Condit was a member of the first board of trustees of the school, along with W. M. Connolly and James H. Hatcher, both prominent Pikeville business men and landowners of the time.

Besides Dr. Record himself, Mrs. Record and their daughter, Miss Alice Record, who survive him, gave much of their lives to the building of the college. Mrs. Record, now 95, was awarded a honorary doctor-of-humantities degree at Pikeville's commencement last May 27. Her daughter, who now lives with her in Bluefield, W. Va., retired from the office of registrar in 1955, after serving 28 years on the college faculty.

Among the best-known of Pikeville's major donors was Mrs. William Thaw, of Pittsburg, who made large gifts toward the administration building. Another was Mrs. Delos O. Wickham, of New York, who gave Wickham Chapel and Wickham Hall, the men's residence, in her husband's memory.

James D. Francis, Huntington, W. Va., coal-company head, made possible the purchase in 1944 of Pikeville's 1,000-acre farm. A trustee of the school, he is one of the early alumni of Pikeville College Academy, preparatory department of the college.

### WOODY'S QUIZ....

In loggers' lingo, limbs that may fall on woods workers are "widow makers."

Forest industries are concerned about safe working conditions for employees. That's why they stress "hard hats" for loggers. Forest industries are equally concerned with wise woodland management and protection of forests from fire. This kind of concern guarantees jobs and community stability by providing continuing crops of timber from Tree Farms.

### Ky. Lawmaking Process Praised At Conference

Frankfort, Sept. 10 (Spl.)—Research for legislators and bill drafting methods in Kentucky were cited as models for other states at the recent National Legislative Conference at Seattle, Wash., Lt. Gov. Harry Lee Waterfield said.

Waterfield, chairman-director of the Legislative Research Commission which attended the conference, said the Commonwealth is one of a few states with an organized system of publishing, classifying and indexing laws. The Commission performs this service.

The Commission's work as a review body which suggests amendments to the State Constitution drew special praise at the Conference, Waterfield said.

Kentucky legislative procedures were outlined at all the Conference sessions, Waterfield said, with suggestions that other states might follow some of the Commonwealth's procedures.

The lieutenant-governor told the Conference the Commission's bill drafting service and management of the Legislature's fiscal affairs were helping restore prestige of the lawmaking body in Kentucky. The Commission's year-around operation with a permanent staff is in effect keeping the General Assembly functioning continually instead of just 60 days every two years it is in session, Waterfield said.

Kentucky House Speaker Thomas Patrick Covington, a Commission member, said sentiment at the Conference favored annual sessions of state legislatures. He and Waterfield led discussion groups.

Other members of the Commission attending the Conference were Senators E. W. Richmond, Owensboro, president pro tem; William L. Sullivan, Henderson, majority leader, and Wendell Van Hoose, Tutor Key, minority leader, and Representative Charles W. Buchanan, Barbourville, House minority leader.

### Miss Porter Succumbs At Paintsville Home After Long Illness

Miss Mable Louise Porter, 55, of Paintsville, and former court reporter here, died Sept. 6 at her home on Fourth street, Paintsville, following an illness of several months.

A court reporter for almost 30 years, she was widely known by members of the legal profession in Eastern Kentucky, and was admired for her skill as reporter and for her knowledge of court procedure.

Miss Porter was the daughter of the late Benjamin W. and Frances Taylor Porter. She was born October 24, 1900, in Inez, Ky., and at an early age became affiliated with the First Baptist Church of Paintsville.

Funeral services were held Sept. 8 at the First Baptist Church with the Rev. C. H. Hockensmith and the Rev. M. R. Thomason officiating. Judge W. D. Sparks of Louisa, County Attorney R. B. Harrington and J. K. Wells, president of the Paintsville Bar Association, paid tribute to her at the service.

Surviving are two brothers, Paul Porter, of Paintsville, and James F. Porter, of Huntington, W. Va., and one half-sister, Mrs. Virginia Robinson, of Inez.

Burial was made in the family cemetery at Inez under the direction of the Paintsville Funeral Home.

Preparation of a doctor's prescription is a painstaking, exacting process, one to be done ONLY by a registered pharmacist, and not by a mere druggist who has not been educated and trained in the profession.

There is a law which prohibits, under penalty, the filling of a prescription by any other than a registered pharmacist. It is a good law, for nothing is more important than your health, and hit-and-miss filling of prescriptions creates a very real danger.

A registered pharmacist prepares every prescription sent to us. Every prescription receives his individual attention.

**Ex-Hazard Doctor  
Arrested At Dayton  
On Abortion Court**

Dayton, Ohio, Sept. 9 — Dayton police said Dr. John Corbett Coidron, 59, was arrested today in his suburban home and charged with aiding an attempted abortion.

Detective Sgt. Jack Peake said Dr. Coidron admitted the charge and asked for an early trial.

Dr. Coidron, formerly of Hazard, Ky., and an unsuccessful candidate for lieutenant governor of Kentucky in the 1951 Democratic primary, is also under indictment on five counts of illegally administering drugs. He pleaded innocent of the charge and faces trial in Federal District Court here today.

Earlier today police arrested Florence Marilyn Jewell, 47, Dayton, and charged her with performing an abortion on a 23-year-old woman. The woman now in good condition at Miami Valley Hospital here, told police that Coidron arranged for Florence Jewell to perform the abortion Friday, Peake said.

**DECEASED VETS' CHILDREN  
TO GET EDUCATIONAL HELP**

The Veterans Administration Regional Office in Louisville has begun processing applications for educational assistance to children of deceased Kentucky veterans under a new law recently signed by the President, Ray R. Adams, manager of the VA regional office, announced last week.

More than 2,900 children of deceased Kentucky veterans are expected to be eligible for the government grants to further their education, Adams estimated.

The VA in Washington estimated more than 150,000 children throughout the nation are expected to be eligible for the grants. The veterans must have died of injuries or diseases resulting from their military service.

The monthly schooling payments will begin October 1, 1956. Children between 18 and 23 whose deceased parents served in World War I, World War II or the Korean conflict may apply for the educational program. In some instances, however, children will be permitted to begin school before their 18th birthday and to finish after their 23rd.

Education may be taken in colleges and universities, as well as below-college-level schools. But regular high school training isn't included in the new law, and below-college-level courses must equip students for definite vocational objectives.

On-the-job training, on-the-farm training and correspondence courses are not allowed.

Government allowances of \$110 a month are paid to students if attending full-time; \$80 for three-quarter time; and \$50 for half-time training. The rate of "co-op" courses — alternating schooling and actual experience on a related job — is \$90 a month.

Students will be allowed up to 36 months of training. The time will be reduced by any Korean GI Bill or Public Law 894 vocational rehabilitation training they might have received, as Korea veterans.

Adams described the steps to be followed in applying for schooling. The child's parent or guardian files an application with his nearest VA regional office. VA will issue provisional approval if it finds the child meets the basic eligibility requirements.

VA then will arrange for educational or vocational counseling to help the parent or guardian and the child arrive at a suitable objective, and to help develop an educational program, the school or schools where the child plans to go, an estimate of how much the program will cost, and any other data VA might require. After this is submitted, VA may give its final approval for the training.

The new law also provides for special restorative training for children with physical or mental disabilities which would hinder pursuit of a regular program of education. This training would be in the nature of speech and voice correction, lip reading, and braille reading and writing, one-handed typewriting, personal adjustment and the like.

The government allowance for the special restorative training is \$110 a month, but it may be increased if not sufficient to meet the cost of fees and tuition.

Young men and women planning to attend school this fall under the new law are urged to file their applications as soon as possible, to avoid unnecessary delays in receiving their first monthly allowance check, Adams stated.

Prompt action is needed, Adams explained, because normally it will take about three months from the date of application to the date the initial allowance check is placed in the mail. So in the case of young men and women who apply now, the earliest that VA could mail out checks would be mid-November.

When the first checks do arrive, however, they will cover the entire period during which the students were in school after October 1 — the beginning date on which the law authorizes payments to be made. Thereafter, checks will be mailed regularly to cover each month the student is in school.

The money usually will be sent to the student's parent or guardian, rather than to the student himself.

**Shepherd, Floyd Soldier,  
Supplies Radar Stations**

Dewline, Alaska-Canada—Army Sgt. Reuben Shepherd, son of Mrs. Donna Shepherd, David, Ky., is participating in the resupply of isolated radar stations of the "Dew Line" in the Eastern Arctic.

The "DEW (Distant Early Warning) line" is designed to provide warning against the possibility of a transpolar air attack.

Sergeant Shepherd is helping discharge cargo from ships to stations extending across the Arctic rim.

Shepherd is regularly assigned to the 571st Transportation Company at Fort Eustis, Va. He entered the Army in June 1952 and completed basic training at Indian Town Gap, Pa. Among his awards he holds the Bronze Star Medal, and the Combat Infantryman Badge.

The three-month period between application and receipt of the first check is necessary because of the processes required by the law, Adams said.

Purpose of the program, as stated in the law, is to provide "opportunities for education to children whose education would otherwise be impeded or interrupted by reason of the death of a parent from a disease or injury incurred or aggravated in the Armed Forces . . . and to aid such children in attaining the educational status which they might normally have aspired to and obtained but for the death of such parent."

In broad outline, Adams pointed out, the children's scholarship program follows the structure of the Korean GI Bill for Korea veterans.

**Capt. Banks, Former Floyd Countian,  
Heads Marine Corps Reserve Unit**

Captain Fontaine Banks, Jr., Lexington, Ky., relieved Major Gus Petro recently as commanding officer of the 61st Special Infantry Company, United States Marine Corps Reserve.

The colorful and impressive change of command ceremonies were held at the Marine Corps Reserve Training Center on Springhill Drive, Lexington, in the presence of the members of the Reserve Company, former Marines now living in the Lexington area, and friends of Captain Banks.

Captain Banks is the grandson of Mr. and Mrs. O. E. Holmes, and Mr. and Mrs. Jim Crager, of Cliff. He has numerous relatives and friends in Floyd county.

Formerly of Belfry and Prestonsburg, he was graduated from Berea College with the class of 1951. Immediately after graduating from college, he volunteered as a private in the Marine Corps, and after receiving a commission, volunteered for duty in Korea and spent 15 months with the Marines in Korea during 1952 and 1953.

After being released from active duty, Captain Banks served as executive director of the Southeastern Kentucky Planning Commission for one year, and in May, 1954 he resigned to begin graduate work in public administration. During the summer of 1954 Captain Banks served as administrative assistant to the city manager of Lexington.

After completion of his graduate work, Captain Banks was employed by the Kentucky Department of Education as the administrative assistant in the Bureau of Rehabilitation Services. In 1955 he served temporarily as staff member of the Governor's committee on Rehabilitation Services.

#### STATEMENT FROM COUNTY AGENTS

The County Fair is the show window for farm and home products. It also provides an opportunity for country and town's people to meet, have fun and learn more about each other. Let us all try to make it good by exhibiting as many products as possible.

The final success of the Fair depends on you, the farmers, homemakers, 4-H Club members, boys, and girls who are the backbone of our county. We sincerely hope that each of you will plan to have at least one exhibit in the show window of the farm people of Floyd county, September 20, 21, and 22.

We again wish to welcome the Floyd County Fair. Last Year's fair was a huge success and this year's proves to be even better.

The Fair Committee has done a splendid job in reviving an old tradition that has been absent in Floyd County for many years.

We welcome the competitive spirit of the agriculture, industrial, and economic exhibits. The ribbons are theirs . . . the rewards of a good time to go to EVERYONE.

We wish everyone a good time and hope that you will work safely so that you may play and that you will play safely so that you may work.

**STATEMENT OF CHAIRMAN**

Greetings and welcome to all Floyd countians every-  
where and their friends and neighbors who come to the  
Fourth Annual Floyd County Fair. The Fair Board has made  
plans for expansion of facilities to accommodate the growth  
in activities and exhibits which has resulted from the in-  
terest and experience gained during the past three years.

The spirit of friendly competition among exhibitors  
whose attention is focused upon learning what is best in  
order to promote improvement of production, and broadening  
of our culture, is a most important factor in raising our  
standard of living. We hope you will make the most of this  
opportunity to enjoy the fellowship of friends and neigh-  
bors in a friendly exchange of ideas and that you will ob-  
serve the recognition given to youth activities related to  
our economy.

The effort and advertising of the many who have made  
the Fair possible deserves the appreciation of all. In behalf  
of the Fair Board, I wish to extend thanks to all who have  
given their support.

Sincerely,  
JESSE ELLIOTT

### SCHOOL EXHIBITS

#### RULES:

- Exhibits entered must be the results of work this school year.
- Work must be prepared by pupils. Anything prepared by a teacher must be labeled with the teacher's name on it.  
Example: This was prepared by (Teacher \_\_\_\_\_)
- Work prepared by individuals must have the name of the school and the name of pupils. Also grade.
- Individual work of a pupil can be placed in two places if there is a duplicate. It can be placed in the large school exhibit, and it can also be placed with the exhibits like writing, essays, etc.
- All exhibits must be registered with the secretary of the fair between the hours of 1:00 p.m. and 8:00 p.m., September 19.
- All exhibits must be cleared from the fair by 9:00 p.m., September 22.
- All general rules of the fair must be followed.
- The judges will determine whether a school has contributed enough materials in the school project to merit an exhibit award.
- Each teacher will be responsible for displaying her exhibit at the fair and will also be responsible for picking up exhibit materials by 10:30 p.m., Saturday, September 22.

**AWARDS:** A ribbon will be given to each pupil who places an individual exhibit in the fair.  
A framed certificate of merit giving name of school, teacher, and date will be issued to each school that enters a collection of exhibits as a school project.

#### RULES GOVERNING SCHOOL EXHIBITS

- Grades one through three—  
Free Hand Drawing (Pencil, Chalk, crayon, or Tempera).  
Penmanship (See Note A)  
Health Poster (Any Subject).  
Soap Carving (Any Subject).  
Clay Modeling (Any Subject).  
Grades Four, Five and Six—  
Free Hand Drawing (Pencil, Chalk, Charcoal, Crayon, Tempera, etc.)  
Penmanship (See Note B).  
Health Poster (Any Subject).  
Soap Carving (Any Subject).  
Clay Modeling (Any Subject).  
Grades Seven and Eight—  
Free Hand Drawing (pencil, chalk, charcoal, tempera, etc.)  
Penmanship (See Note C)  
Map.  
Business Letter (Own hand writing in Ink Only).  
Wood Carving (Any Subject).  
Health Poster (Any Subject).  
Soap Carving (Any Subject).  
Grades Nine through Twelve—  
Penmanship (See Note D)  
Business Letter (Own Hand writing in Ink Only).  
Essay 200 words on "My School" (own hand writing in Ink only).  
Wood carving (Any Subject).  
Art work.

- Soap Carving (Any Subject).  
Note A—Manuscript writing for grades 1, 2 and 3 and Cursive for Grade 3 Only.  
Write the following sentences five (5) times.  
Walk on the left side.  
Look out for cars.  
Note B—Cursive writing for grades 4, 5, and 6.  
Write once in pencil or ink.  
Hurrah for the flag, our country's flag;  
It's stripes and white stars too.  
There is no flag in any land  
Like our own Red, White and Blue.

- The Old Liberty Bell is silent,  
But the flag is still unfurled.  
Waiting the breeze of freedom  
Half way around the world.  
Manuscript writing for grades 4, 5, and 6—  
Write once in pencil or ink.  
The Ship of State  
Thou, too, sail on, O ship of state,  
Sail on, O Union, Strong and Great!  
Humanity with all its fears  
With all the hopes of future years,  
Is hanging breathless on thy fate.  
Note C—Cursive writing for Grades 7 and 8—  
Write once in Ink only.  
That the right use of capital letters  
Makes writing easier to read  
And gives the reader more pleasure  
Are facts that all will concede.  
One rule for using "Caps"  
A rule that all should know:  
At the start of every sentence  
A capital must go.

- When you're writing poetry,  
There's one rule to assign:  
Always use a capital  
At the first of every line.  
Manuscript writing for Grades 7 and 8—  
Write once in pencil or ink.  
There are two one-letter words  
Whose names are O and I  
These you write with capitals  
Never mind the reason why.

- When you write the name of person—  
Girl, boy, woman, or man,  
Begin each name with a capital,  
And write the best you can  
The names of mountains, rivers, lakes,  
States, cities and countries, too  
Call for the use of capitals—  
For only first letters, it's true.  
Note D—Cursive writing for Grades 9 through 12—  
Write once in INK ONLY  
Write section I of the 13th, 14th and 15th Amendments to the Constitution of the U. S. A.  
Manuscript writing for grades 9 through 12—  
Write the Poem, "TREES" by Joyce Kilmer (IN INK ONLY).  
Write once.

### COUNTY SUPERINTENDENT'S STATEMENT

The County Board of Education, office personnel, principals, teachers, and I want to congratulate the Floyd County Fair Board and other interested people for their continuation of the Floyd County Fair. This has made it possible for our parents and their children to have an outlet to demonstrate some of the best things done in the homes, at our schools and on our farms. Our growth comes from our struggle to achieve something better.

The School System has been happy to cooperate and justly proud of the participation of our teachers and their children. The favorable comments of grown-ups while in our school exhibits are very pleasing indeed.

We are certain that the Floyd County Fair has done much to improve living and learning in Eastern Kentucky. It is sincerely hoped that it becomes bigger and better each year.

VIRGIL O. TURNER  
Superintendent, Floyd County Schools

NEWEST  
NOW:  
HERRINGBONE  
WOOL

Always a favorite, herringbone has never been better than it is this season. All wool with a beautiful, misty overtone. Trim little pockets are set high, and the collar is a widened wing. From top to bottom, the fine Betty Rose tailoring is in evidence . . . in the careful attention to detail, the made-for-you fit. Grey, mauve, blue, nude. Sizes 8 to 18 and 38 to 44.
