THURSDAY

This Town— That World

"This autumn, and if you think the melancholy days already have come, that these days be, as the poet said, 'the saddest of the year,' just take a gander at some of us after November 6.

TIME TO SUBSCRIBE

We instinctively shudder when we read or hear about some weekly newspaper folding up, writing "30", calling it quits and joining the long casualty list of publications. But we couldn't help our amusement when we read an editor's lengthy valedictory on Page 1 not so long ago, then turned to an inside page to find an ad soliciting subscriptions for the paper.

\$149,850,000 ERROR

Speaking of boners that newspapers pull, we got off a sizeable one ourselves last week in the Jackson Furniture ad wherein we erroneously apped the value of its stock to \$150,000,000. The figure, of course, should have been \$150,000. Anyway, we had some of the boys saying, "When Abe puts on a sale he makes it a big one."

FOR THE RECORD

And we're still having trouble with similarity of names. Last week this column told of a letter from Judge Ed Hill who is wintering and fishing at Ormond Beach, Florida. Now we have the word of Circuit Judge Edw. P. Hill that no less than a hundred persons have asked him when he returned from Florida. I realize now that I should have identified the Florida visitor as Former County Judge Ed Hill, father of the present Circuit Judge. Still, though the item perhaps caused Circuit Judge Hill some trouble and time explaining who was where, we're glad to have direct proof our weekly drivelings are being read.

JUST WONDERING

Wonder if they still let the younguns out of school early to go to the "lasses mill"? And let little tykes ride the mule round and round as it pulls the sweep of the gin-mill? And cover up the skim-hole with canestalks to trap unwary boys? And if boys still get their lips and tongues caught between parted strips of canestalks as they twist the stalk, chew and suck pure ambrosia? ... Boy, am I old!

District Attorney Praises Floyd-co. Deputy Sheriffs For Testimony Fairness

Henry J. Cook, of Lexington, U.S. district attorney, and Wince Trimble, Paintsville, investigator, Alcohol and Tax Division, last week commended Floyd deputy sheriffs for their services at the recent session of U. S. district court at Pikeville.

Mr. Trimble conveyed the district attorney's commendation in a letter to Sheriff Gorman Collins, quoting Mr. Cook as saying: "I have never seen more able and conscientious witness than several deputy sheriffs of Floyd county. Not only do they give the facts but they never put forth too much emphasis on the side of the question in which they are interested, being fair with those whom they are testifying against. Mr. Collins is fortunate in having the splendid men which he has as deputy sheriffs in trying to make Floyd county a cleaner and better county in which to live."

Concurring with the federal prosecutor's statement, Trimble added, "I think you are doing a fine job."

HIGHER WAGE DEMAND HITS SMALL MINES

Work At Over 300 Stops In This County; Shutdown Causes Production Drop

Eastern Kentucky's flourishing truck mining industry virtually ground to a stop this week, and no more than a dozen of the estimated 350 such operations going in this county continued work.

The stoppage, which is biting deeply into the coal production of the area, is a result of the recent contract with the United Mine Workers and of union demands that the new higher pay rate apply strictly to truck-mine workers.

One report says the union is demanding 30 cents a ton pay increase and that the operators of truck mines have received an increase of only 20 cents a ton. Only mechanized mines employing younger men can stay in business while paying the new scale, another source said.

Some mines were reported to have closed when given notice the new rate will be demanded while others closed in anticipation of such notice.

The Kentucky Unemployment office here began feeling the effects of the shutdown as the number of applicants for unemployment benefits mounted during the week.

Total production of truck mines was given this week as 2½ million tons of coal a year. A production almost equaling that of rail mines.

BOTH PARTIES STEP UP PACE

Wetherby and Cooper Bid for Floyd Votes; Speaking Dates Made

The campaign tempo in Floyd county stepped up this week with election day less than two weeks distant.

Ex-Governor Lawrence W. Wetherby, Democratic candidate for the U. S. Senate, paid the county his third visit of the campaign, speaking Tuesday at Garrett and Wheelwright.

His Republican opponent, ex-Senator John Sherman Cooper is scheduled Friday for a brief speech at the McDowell school at 4 p. m., and for handshaking calls the same day in five other Floyd towns: in Prestonsburg at 1 p. m., at Martin at 2:05; Drift at 3:20; Wayland at 5, and Garrett at 5:45.

Friday night at 7, Lt. Gov. Harry Lee Waterfield, U. S. Senator Senator Robert Humphreys and Mitchell S. Fannin, Floyd native now residing at Whitley City, will speak at the courthouse here in behalf of the Democratic ticket.

And, starting Friday, Democratic precinct meetings will be held at 7 p. m. until Election Eve; at Bull Creek, Friday; Mare Creek, Monday; Antioch, Tuesday; Martin, Wednesday; McDowell, Nov. 1; Abbott Creek, Nov. 2; Wayland, Nov. 5.

Yet, for all their efforts, workers in the major political parties were likely to fall short of creating interest approaching that in two school board races that have things hopping in two educational divisions of the county.

Whittaker Stricken While Incarcerated On Incest Charges

A jury empanelled by Coroner James J. Carter held that George Thurman Whittaker, of Harold, who died in a cell of the county jail here early Tuesday morning, was a victim of a heart attack.

Whittaker, who had been in jail the last few weeks on a charge of incest, was standing at a window in the second story of the jail, rolling a cigarette when he was stricken. Ray Click, turnkey at the jail, said he quickly called Dr. A. J. Davidson, and that when he returned to the cell to see about Whittaker the prisoner apparently was dead. Time of death was placed at 8:15.

The victim was a native of Breathitt county, the son of Price Whittaker and the late Jane Barnett Whittaker. He came to this county from Letcher county, and the body was taken to Whitesburg Tuesday by the Craft Funeral Home for burial.

Surviving are his wife and 10 children, three brothers and three sisters.

Bonanza Road Close Scheduled for Monday By Highway Engineer

Work on a drainage structure on Ky 1429 leading to Bonanza and near the junction with Ky. 114 necessitates the closing of the road Monday for a period of approximately two weeks, according to M. F. Johnson, acting district engineer of the Highway Department at Pikeville.

Johnson, in a statement to The Times this week, said: "This

FLOYD PUPILS IN 16 CHOSEN

For All-Kentucky Band To Play November 29; Win Pikeville Audition

Sixteen students from five Eastern Kentucky high schools were chosen last Saturday for the All-Kentucky Band, which will play at the State Instrumental Music Clinic at Bowling Green, November 29 and 30.

The bandmen, selected from among 18 students, will represent District 5 of the Kentucky Music Educators Association at the clinic.

Auditions were judged by William A. Richardson, director of band at Pikeville College, and Walter P. Nance, former band director at Pikeville high school.

Students selected for the state group are:

From Floyd high schools: Prestonsburg, Katherine Roberts, clarinet, and Harold Cooley, cornet; from Wheelwright, June Hall, clarinet, and Steve Mullett, snare drum, and from McDowell, Phyllis Stewart, clarinet.

From Salysville high school, Linda Marshall, flute; Jim Lyone and Sandra Harper, clarinet; John Fairchild, cornet; Calvin Adams, trombone; Michael King, tuba, and Evelyn Hopkins, alto clarinet.

From Paintsville high school, Martha Owens, clarinet; Neva Owens, cornet; Doug Horn, trombone, and John Eldridge, baritone horn.

HOLDUP PAIR ROB GROCERY

Paintsville Holdup Duo Descriptions Hint Same Men in Other Robberies

The Big Sandy Valley may have on its hand a highly successful robber-duo, descriptions of two men who remain unidentified after staging three armed robberies in the area indicate.

Most recent of the robberies was that of Tuesday morning when a clerk at the Roy Melvin Grocery Store on West Third street, Paintsville was held up at the point of guns and a haul of more than \$1,000 was made.

The first was the robbery of Mr. and Mrs. Claude Preston, of the Bridgeford Addition, Paintsville, a few months ago. Next, W. T. Cain, who operates theatres in Paintsville and Louisa, was robbed at his Louisa home.

In each case there were two

HUNTER MINER WRECK VICTIM

Salisbury Dies, Cousin Hurt in Boyd-Co. Crash; Third Man Still Missing

John Lawrence Salisbury, 23, Hunter miner, died in King's Daughters hospital, Ashland, Saturday, from injuries suffered in an automobile accident Tuesday of last week.

Russell Compton, Boyd county Coroner, said Salisbury died of a skull fracture received when a car in which he was a passenger went out of control on a curve on U. S. 23, 14 miles south of Catlettsburg. Salisbury's cousin, Herbert Salisbury, 31, of Salisbury, suffered minor injuries and was dismissed from the hospital after treatment. J. C. Butler, another passenger in the wrecked automobile, left immediately after the accident, it was said, and has not been seen since. The driver of the car was not named.

Mr. Salisbury was a son of Charles and Linda Conn Salisbury, of Hunter. Surviving besides his parents are a brother,

'Stick with Ike' Plea Cited; Claim Denied

The Floyd fiscal court refused by a split vote Monday to pay a \$361.10 postage claim of Sheriff Gorman Collins on the grounds that the postage "was used to send out campaign literature."

The expense was incurred in mailing out tax notices, and this cost the court usually reimburses to the Sheriff.

This year, however, there was included in envelopes containing tax notices a narrow strip of paper on which was printed in bold type these words, "For Peace and Prosperity—Stick with Ike."

Collins is a Republican. All members of the court but one are

Democrats.

The Republican magistrate, Edgar Howell, was joined by one of the Democrats, Magistrate Grover Holbrook, in voting to pay the claim. Magistrates John May and Ellis Martin voted against it, and County Judge Henry Stumbo sided with them, breaking the tie.

The \$6,000 portion of truck licenses distributed for 1955 which had not heretofore been budgeted was placed in the X-I account of the budget, to be used for road purposes only. The budgeting of the fund was made after approval by D. M. Magill, state local finance officer.

3rd HEARING OF CASE SET

Salisbury Files Plea For Change of Venue; Jury List Is Released

The Floyd circuit court will convene Nov. 12 for a criminal term, but a grand jury will not be empanelled for the session, it was said this week.

One murder trial remains to be heard, and that is the case of Coley Salisbury who is docketed for trial for a third time. The previous two hearings of the case ended in "hung" juries.

Whether trial of the case will be held in this county again will not be known until a hearing is held on a motion filed Monday for change of venue.

Names of petit jurors drawn for service during the coming court term follow:

Mrs. Henry Porter, Allen; Will Collins, Auxier; C. Scutchfield, Water Gap; John Shepherd, Sloan; Callie Skeans, Dock; Mable Goble, Prestonsburg; Laura Campbell, Endicott; Sol Crisp, Prestonsburg; W. V. Woods, Emma; Nola Miller, West Prestonsburg; Crit Blackburn, Woods; Jim Clark, Cliff; Henry Endicott, Banner; Sam Adkins, Harold; Mrs. J. H. Howard, Prestonsburg; Mrs. Bert Calhoun, Cliff.

Eli Fairchild, Bonanza; Annie B. Hale, West Prestonsburg; Ella Crisp, Allen; J. H. Carr, Allen; Sidney Hamilton, Teaberry; William Keathley, Galveston; Maggie Fitzpatrick, West Prestonsburg; Fred Gearheart, Harold; Jim Hill, Bonanza; Sam V. FOREST FIRES NIL THIS FALL

Usual October Blazes Strangely Missing Here, Forest Ranger Reports

For the first time in years forest fires failed to strike woodlands of this county by mid-October, it was said by Roe Turner, forest ranger, this week. By October 20 each year, Turner said, there are normally several fires either burning or burned out.

It is difficult to account for the total absence of early fall fires, it was pointed out, as there has been little rain on the dry woodlands until this week-end. "People are a little better educated on the law and are a bit more careful of fires," Turner said. "We may have had a huge streak of luck, too. I'm holding my fingers crossed," he added.

The forest ranger said that all six fire towers serving the Floyd-Magoffin area supervised by him have been manned for the "fire season" now opening. Telephone lines have been repaired to these lookout stations and any sign of a blaze will be reported at once.

Turner urges all persons having trash to burn along the highways, especially stores and little businesses, to observe the regulations and take all necessary precautions. Several fires were started last season by persons burning trash near the highways where the grass is dry and highly inflammable.

The publicity program sponsored by several coal companies and other businesses on the forest fire prevention program received warm praise from the forest ranger.

Church To Be Memorial To Late Mission Worker

The Rev. Ira McMillen, left, and Lawrence Ketterhagen are here shown breaking ground for the Lancer church. At rear are, from left: Mrs. Challie Fraley, Mrs. Gene Hager, Mrs. Charles Stumbo, Mrs. Frank Conley, Mrs. Lucy Ransdell.

Ground was broken Oct. 15 at Lancer for construction of a Baptist church which will stand as a memorial to the late Miss Annie Allen, beloved missionary whose work during her last years centered on the Lancer mission of Irene Cole Memorial Baptist Church here.

The 35 by 60-foot structure will include six Sunday school rooms and an auditorium which will seat approximately 140 persons. It will cost an estimated \$15,000. Front of the building will be of brick, with the remainder of block construction.

The State Women's Missionary Union of the church has contributed \$3,000 toward cost of construction. Foundation work was completed early this week, and work on the walls is under way.

The Lancer mission was established a few years ago during the local pastorate of the Rev. L. W. Benedict, with a building on the adjacent property of Mrs. Rebecca Dingus being used for Sunday School and worship services.

HALL IN TOP MASONIC POST

Martin Man Becomes Grand Master; Names Floyd Men to Offices

John W. Hall, of Martin, last Thursday became the second Floyd countian and the first native of the county to hold the highest office in the Masonic Order in Kentucky. He was installed as grand master of the Grand Lodge of Kentucky during the Louisville Grand Lodge meeting.

The first Floyd man to be named grand master was Dr. R. M. Sirkle, of Prestonsburg, now of Lexington.

Mr. Hall succeeded Fred B. Layman, of Harned, Ky., as grand master. His induction to office was witnessed by several Floyd county Masons who had watched his progress toward the top state post in the order since his election in 1953 as grand junior warden.

Mr. Hall's first appointments as officers of the Grand Lodge included these Eastern Kentucky Masons:

Rev. Rush Stone, of Larks Lane and pastor of the Garrett Baptist Church, as grand chaplain; Z. S. Dickerson, Sr., Prestonsburg, grand senior deacon; Rudolph Spencer, Garrett, grand junior deacon; Rainley White, Prestonsburg and W. E. Parker, Wayland, members of the committee on by-laws; Charles Hamilton, Wheelwright, committee on college scholarships; Eugene Allen, of Allen, chairman of the committee on biography; George W. Snodgrass, Allen, committee on spiritual life of Masonic Homes; William B. Hazelrigg, Paintsville, district deputy grand master, succeeding James E. Goble, of Prestonsburg.

BOYS' CENTER SEEN AT LAKE

Chandler Outlines Plan For Conservation Work In Dewey Reservoir Area

Gov. A. B. Chandler in a speech in Chicago Friday said Kentucky is planning a second boys' conservation center and that it will be located in the Dewey Lake area.

At the same time the Governor said the Dewey Lake area would make an ideal site for a wood-pulp mill.

The Times later sought more detailed information on the Governor's plans, but its telephone call to the office of Conservation Commissioner Laban Jackson failed to contact Jackson.

In a speech before the National Hardwood Lumber Association, Chandler told how underprivileged boys are producing seedling trees at Kentucky Dam Village.

"With boys who otherwise might present a social problem," he said, "we will produce 3,000,000 forest seedlings this year. Our goal for 1958 is 25,000,000, and ultimately we hope to produce 50,000,000 seedlings for replanting in Kentucky."

He described the training center as "an honor camp for boys from our welfare institutions."

Chandler said the second center was planned on a 12,000-acre tract at Dewey Lake—"potential forest land where water is plentiful."

Two Here Are Injured In Wreck Tuesday Night; Mayo School Men Hurt

James Rowe, Prestonsburg high school student, and Carl Sizemore were seriously injured Tuesday night when their auto overturned on U. S. 23 at Tom's Creek, near Ivel. Both will recover, it was said at the Prestonsburg General hospital.

Sizemore, who was graduated from high school here last year, suffered a broken right thigh and multiple lacerations about the face. Rowe has a fractured collarbone and numerous cuts about the head and face.

George Ramey, director of the Mayo Vocational School, Paintsville, was seriously hurt Monday when the auto in which he and Luther Saffriet, coordinator of the school, were traveling to Frankfort skidded on a wet highway on the hill between Magoffin and Morgan counties. He suffered broken ribs and severe shock. Saffriet, driver of the car, had an injured leg.

SAM ENDICOTT IS ACQUITTED

Morgan County Jury Clears Floyd Native In Slaying of Woman

Sam Endicott, Floyd county native, charged with wilful murder of Callie Endicott, also a former resident of this county, was acquitted last Friday by a jury of the Morgan circuit court at West Liberty.

Endicott sighed after hearing the verdict and thanked the jury members.

Endicott, about 55, was charged last February in the shooting of Callie Endicott, about 45. She was thought to be his wife but a prosecution witness, Clarence Lewis, testified that the dead woman was legally married to him.

Defense attorneys Ralph Walter and J. Blaine Nickell pleaded "temporary insanity." Walter, elated over the verdict, said the two factors that probably influenced the jury were:

1. Endicott had held the woman out to be his wife during the five years they had lived in West Liberty.

2. The activities of a third party interfered with Endicott's home.

Endicott was also charged with maliciously wounding Harold Thomas with intent to kill. Endicott claimed, according to Sheriff Aaron Lykins, he had warned Thomas and his wife to stop keeping company.

Walter said he thought the Commonwealth would drop the second charge against Endicott.

The shooting occurred when Mrs. Lewis and Thomas arrived in a taxicab at the home of Tom Blankenship in Gordon Ford, near West Liberty.

Cabdriver Drexel Patrick testified that Endicott came out of the house, pulled his .38-caliber pistol, opened the door of the taxi, and shot Thomas first.

He said Mrs. Lewis pleaded with Endicott not to shoot but that he shot her three times. Pat-

First Avenue Poolroom Object of Two Robberies In Week, Proprietor Says

The poolroom operated on First avenue by Robert Hughes has been broken into twice since last Friday night, it was reported this week. The haul each time consisted mainly of cigarettes. Mr. Hughes said only the better brands were taken, the thieves showing a dislike for the cheaper.

Friday night's entry was effected by prying off the hasp of the front door. Monday night, the poolroom was entered by a rear window. Hughes said the first break, about a month ago, was apparently done in leisurely fashion, since the screws holding the hasp on the front door had been removed, then carefully replaced after the break had been completed.

Sheriff Collins said his investigation disclosed that five shots from a 20-gauge shotgun loaded with slugs and one from a 12-gauge shotgun loaded with ordinary shot were fired at Johnson

GROUP HEARS CARTER TELL LAKE FAULTS

Biologist Says Dewey 2nd Poorest in State; Food Supply Inadequate

Dewey Lake is next to last in fertility in the state, it has too many fish of the wrong kind and size, and not enough fish there have been killed yet—so declared Bernard Carter, fish biologist, Department of Fish & Wildlife Resources, at a conference with Floyd sportsmen Monday night at the Kentucky Motel here.

Mr. Carter came here after he had learned from a newspaper story that Floyd countians were considering restocking the lake with bass following a recent fish-killing operation conducted by the Department.

He did not object to a restocking program but did point out that purchase of 2,000 adult bass (10 inches in length) would cost not less than \$3,000, that possibly 500 of them would not survive transportation and release, that not more than half those surviving would be caught and that the increase by the spawn of those left would not be noticeable.

The lake, Carter said, has all the fish already that it will support, but there are too many shad, carp, stunted crappie and bluegill, and their inroads on the available food supply is holding back the growth of young bass, the greater part of these never attaining 10 inches in length. Intensive fishing of the lake is another factor contributing to small catches, he said.

Fertilizing of the lake would cost \$75 an acre, and the cost of such an undertaking would be prohibitive, it was said.

Carter emphasized the point that closest study of conditions is being made and that the work done at the lake has been based on this study and with the sole aim of improving the fishing. But he held out no surface remedy for the impoundment's ills.

Upwards of 20 members of the Floyd County Fish & Game Club attended the meeting, and those who heard Carter's frank discussion of the problem agreed to leave the problem in his hands.

No further fish-killing will be planned for this year. Level of lake will be dropped Nov. 1 to its original level.

DEPUTY SHOT TWO ARE HELD

Hall Brothers Deny Shooting of Johnson; Hospital Change Made

Floyd Deputy Sheriff Green Johnson was shot and wounded from ambush at Hi Hat Saturday night, and two teen-age brothers were jailed here the following day to face a charge of shooting and wounding with intent to kill.

Johnson's condition is not regarded as serious. Warrants against the brothers, Virgil and Newton Hall, were sworn out here Monday by the officer's wife, Mrs. Mary Johnson, and his son, Johnny Johnson, and these were served on the brothers Tuesday morning at the county jail.

The wounded deputy sheriff was first taken to the McDowell Memorial hospital but later was moved to another hospital when a possible second attack on him was feared. Sheriff Gorman Collins declined to say where Johnson was taken.

Sheriff Collins said his investigation disclosed that five shots from a 20-gauge shotgun loaded with slugs and one from a 12-gauge shotgun loaded with ordinary shot were fired at Johnson

Princess Elkhorn Teams First To Score One-Two

Two teams of the Princess Elkhorn Coal Company recently became the first from one company to run one-two in the state first-aid contest.

In the first-aid contest held at Lexington the No. 2 team of the David company won the title, and the No. 1 team from the same firm placed second. The team from the Hendricks mine of Consolidation Coal Company won third place.

In the mine rescue contest the U. S. Steel Company team from

Lynch won first place, with the Inland Steel Company team, Wheelwright, second place. Hendrix in this contest again took third place.

Members of Princess Elkhorn's championship team are Raymond Bradburn, captain, Peter J. Capelli, Ray Spears, Virgil Howard, Gene Mathis and Curtis Tussey.

QUESTIONS

for

V. O. Turner and John E. Campbell

1. Do you think the difference paid the office force and the principals is fair to other teachers as salary shown below?

Supt. V. O. Turner	\$6,600.00
Blanche Dingus	5,390.00
Woodrow Allen	4,500.00
Clem Martin	5,390.00
Wayne Ratliff	6,030.00
Principals:	
Charles Clark	5,410.68
Boone Hall	5,410.68
Geo. L. Moore	5,504.04
L. B. Price	5,410.68
Ottis Spurlock	5,410.68
Edwin Stewart	5,317.32
John C. Wells	4,762.68
James Salisbury	(Not available)
D. W. Howard	(Not available)

Teachers' monthly salary for nine months:

Garnet Cox	\$239.44
Juanita Cox	275.55
Johnny Case	267.78
Phyllis Noble	223.89
Leona Fouts	327.79
Polly Wiley	267.78
Marie Mullins	335.55
Bessie Draughts	327.79
Betty Martin	243.74
Grace Combs	243.44
Lois Martin	260.00
Alex Spencer	243.66
Maureen Hensley	243.44
Tiny Rector	267.78
Anna Lee Fraley	373.89

Thelma Daniels	327.79
John (Copper) Campbell	377.79
Beckham Stone	267.78
Betty Stephens	308.33

The above salaries of principals did not include the \$2,250 for supervisory services as shown on salary schedule.

2. Why don't you place James Salisbury's salary, plus other salaries, where the public can see what they are? Don't hide this from the taxpayers.

3. Why did you delay opening Betsy Layne school when such fine young men as Richard Fraley and Douglas Hayward were available?

Mr. Turner and Mr. Campbell, do you still intend to furnish free homes, light and gas to certain principals at the taxpayers' expense?

Mr. Turner, do you still intend to ask our taxpayers to pay your salary while you are practicing law outside the state?

Does the superintendent still intend to ask the board to pay salaries to employees in the office and on the maintenance force when they are not on the job?

Will the superintendent and board member tell the taxpayers what happened when or if the superintendent resigned sometime ago?

Does the progressive, business and administrative Floyd County School Board still intend to continue asking teachers, principals and janitors to place wash tubs and buckets under leaky roofs to prevent destruction while the maintenance men aren't too busy?

Will the Turner Administration tell the taxpayers who furnishes the Maytown water supply at their expense?

Mr. Campbell, do you remember telling the people if they would elect you, you wouldn't ask for the office again?

Will the Turner Administration tell the people who pays John E. Campbell for the school supplies teachers purchase at his store?

Voters, you can stop waste and extravagance in our school system by voting for the interest of your child and not the interest of board members and their families. It will not be to the interest of you and your child to vote for Campbellism.

ROBERT M. JONES
Ass't County Agent

A pot-luck supper and business meeting was held, at Allen, by the Floyd County 4-H Club Council, Friday evening, October 19. Seventeen persons attended the meeting, which was a record for this year. Miss Dixie Trapp, home demonstration agent in training, of Morgan county, was guest for the meeting. Miss Trapp will start work in Floyd county soon as home demonstration agent. She is the first demonstration agent to be employed in this county in eight years.

In preparation for an expanding youth program, the chairman appointed four study committees to develop a more comprehensive 4-H Club plan of work. These committees are: The program committee, the leader recruiting and training committee, the project, recognition, and awards committee, and the budget committee. Below are the council members appointed to these committees:

Program committee: Mrs. Arnold Lowe, chairman, Arnold Lowe, Mr. and Mrs. Ralph Spencer, Mrs. Fletcher Gayheart, and Mrs. Alta Gibson.

Leadership, recruiting and training committee: Mrs. Jesse Elliott, chairman, Jesse Elliott, Mr. and Mrs. Rufus Sturgill, and Miss Billie Ruth Elkins.

Projects, recognition and awards: Mrs. Grace Conley, chairman, Mrs. Frankie Best, Mr. and Mrs. Paul Dotson, and Paris Conley.

Budget: Kermit Howard, chairman, Mrs. Kermit Howard, Ottis Spurlock, and Dr. C. L. Hutsmpiller.

Annual Essay Contest Scheduled Again, Said; Johnson States Prizes

The annual soil conservation essay contest, sponsored by the Courier-Journal, the Louisville Times and radio station WHAS, Louisville, will be held in this county again, it was said by L. R. Johnson, district soil conservationist. Prizes are being offered from the fourth through twelfth grades, with first and second prizes in each grade.

The soil conservation essay contest carries a top state award of a \$100 savings bond, with other and lesser prizes. Miss Verna Gearheart, Garrett high school student, took top place in Floyd county last year.

Subject of the essay this year will be "How Fish and Wildlife Conservation Can Benefit My Community," and is not to exceed 1,000 words. Last year's top state winner had an essay of 888 words, Johnson points out. Complete information on the contest is being made available to all the county students by Johnson.

Prizes scheduled for students winning in the various grades are listed as follows: Fourth, fifth and sixth grades—first and second prizes of four and two dollars in each grade; seventh and eighth grades—first and second prizes of five and four dollars in each grade; ninth grade—six and five dollars; tenth grade—seven and six dollars; eleventh grade—eight and seven dollars; and twelfth grade, a top prize of ten dollars and a second one of eight dollars.

Judges will be designated by the Floyd County Soil District supervisors, as was done last year. Several thousand Floyd students responded with essays in last year's contest and it is expected the response will be as big this year.

Sons of Pioneer Stephens Were Divided in Civil War

By HENRY P. SCALF

(This is the second in a series of articles on the Stephens family compiled from data gathered by Henry Stephens and his son, Edgar P. Stephens.)

The years, between 1821 when Samuel Stephens and Florence Patton were married and the outbreak of the Civil War, was a period of time that historians designate as the log cabin development period in the Big Sandy valley.

The pole cabin of the pioneer settlers disappeared and the more commodious hewed-log home appeared in its place. There were a few added utilitarian comforts in these homes all produced with great labor. The Stephens home, typical of those built by the landed settlers, grew to large proportions to house the 16 children.

Early, though, many of this big family began to marry and left the paternal hearthstone, but the younger grew and it is a fair inference that the Stephens Branch home was full for years. There was talk of war and the young men, some married, chose sides in the bitter sectional strife, imitating their elders who were vocal on the questions of the day.

Came 1861 and Col. Andrew Jackson May began recruiting soldiers for the Confederacy at Prestonsburg. Although George had been married since 1844 and William had taken a wife four years before they both enlisted to fight for the South. Alexander didn't share the pro-southern sympathies of his two older brothers and left home to cast his lot with the Union.

Tradition, usually unreliable but often indicating the basic truth, asserts that Alexander was a brilliant man and had acquired considerable education. He taught school for several years and it is said that a few years before the Civil War he, George, and Reuben went west. They became separated, according to this tradition, and the three never saw each other until after the close of the war.

George Stephens had several children before he entered the Confederate army but we are unsure as to the number. Both George and William joined Co. B, 13th Cavalry Regiment, C.S.A., that Col May had formed. The date was Oct. 9, 1862. The next day, the reason not

stated, both men left Co. B, went over to Company F and remained in that group until the war ended. Alexander, their brother was out west, in either Ohio or Illinois, and soon joined the Federal forces. Neither were to see each other until after Lee surrendered when Alexander came back to Stephens Branch, found his brothers, perhaps others of the family, cool to his service as a Union soldier. He left again for the west and only vague rumors came back that he went to Indian Territory, married an Indian chief's daughter, and lived out his life on the Oklahoma prairie.

George Stephens, who married Margaret Handshoe, settled on the Caney Fork of Middle Creek. Little is known about Margaret Handshoe's family, except that she was from Salt Lick, on Right Beaver Creek. Her mother was a Prater and one of her sisters married William Coburn, and another married Alexander Coburn.

Children of the union of George and Margaret Stephens were Alexander, married Della Hale, daughter of Samuel Hale and Eda Helton Hale; Harrison married Rebecca Allen, daughter of James Allen who lived in the head of the left Fork of Middle Creek; Martha married Morgan Baldridge, and settled on Jones Fork, near the present Lackey but left years later and went to Rowan county; Henry C. married first to Fannie Hicks and after her death Alice Risner; Darcus married Daniel Wicker, of Jones Fork where they lived and died; Florence married James Bradley; Minerva married Alexander Hamilton and went to housekeeping on the Caney Fork of Middle Creek where they lived and died; Cynthia married Jefferson Justice, and upon his death re-married Joe Morgan Thornberry; Polly Ann married Hager Ousley, lived and died on Caney Fork; Samuel married first Catherine Coburn and after her demise married Rachel Bradley.

Jennie, the foster child of Samuel Stephens and daughter of his wife Florence, married John Stone and to them were born these children: Cynthia Stone married a Goodman; James married Polly McDaniels; Sally died not married; Nancy married Henry Patton and after his death married Jack Howard; and Florence who married Thomas Conley. After the untimely death of John Stone from an accident on Turkey Creek she re-married Andrew J. Canady and to them were born four children: Dave Canady married Florence Stephens, daughter of Thomas and Nancy Jane Hicks Stephens; Mary Canady married Gobe Compton; Lige, a great fiddler and variety musician, who was never married; Rebecca married Jack Hale.

Rebecca Stephens, who married George W. (Hopkins) Allen in 1840, was the first of the many children of Samuel Stephens to die. She and George Allen were the parents of 16 children: Mary married Edward Halley; Louisa married James Halley; William; James P., born 1859, married Sally May, born 1854, died 1921; Amanda married B. L. C. May, born Nov. 4, 1859, died Jan. 8, 1952; John B.; Florence married William Pratt; Susan married Milton Spears; David; Darcus married John Galloway; Robert; Andrew married Florence Stephens, daughter of Reuben; Alexander married Elizabeth Stephens, of the William Stephens line, Aug. 8, 1884; Rebecca married S. P. (Boge) Ratliff; Reuben died young; and Samuel who also succumbed in his youth. Reuben M. Stephens, who married Nancy Jane Hicks in 1859, resided on Stephens Branch. Their 12 children were Solomon G., married Martha Hale; Mary Ann married Wilson Shepherd, Dec. 7, 1882; Cynthia married Johnnie Patton, March 16, 1889; Francis married Joe Shepherd; John E., married Mary Hale, sister to Martha Hale who married Solomon G. Stephens; Florence married Andrew Allen; Rebecca married Jake Crisp; Darcus married Will Haywood and lived and died on Spurlock Fork of Middle Creek; G. C. (Cleve) married Catherine Bailey, who died this year (1956); Malcolm married

Mary Howard, second to Rebecca Maggard, third to DeLiah Moore and fourth to Draxie Vance; Jennie married George Bailey; and Isabelle who married Lewis Howard, Nov. 24, 1888. James P. Stephens, born Jan. 25, 1825, died Feb. 29, 1904, married Cynthia May, who was born June 7, 1835, died Dec. 9, 1869. Ten children were born to this union before Cynthia died. James P. and all of his children with the exception of James A., a babe, left Beaver Creek soon after the mother's death and moved to Kansas. James A. was reared by his uncle and aunt, George and Mahalia Hagans May and assumed the name of his foster parents. Sons and daughters of James P. and Cynthia May Stephens were George J., married Alma Hindoe Vaughan, Oct. 23, 1901; William H. married Levisa Jane Stufflebeam, April 12, 1883; David married Mary B. Ewing, April 1, 1884; Samuel never married; James A. married Causetta Osborne, Dec. 31, 1891; Solomon married Hettie Epley, March 1, 1890; Reuben and John died in infancy; Daniel W. married Martha Patton, Feb. 8, 1872; Marcus L. married Anne May Constable. Solomon May and a few members of his immediate family returned to Kentucky three years ago after an absence of half a century.

work is of a nature that will require that the road be closed to traffic. We know that the people have geared their daily lives to the use of the highway and any interruption in the normal flow of traffic will certainly inconvenience some people; however, there is no feasible way of doing this work without closing the road."

DAVID
GIRL SCOUT EXECUTIVE, SPEAKER
Working with Girl Scouts can be a lot of fun and certainly interesting, as was illustrated by Mrs. Zella Archer, of Prestonsburg, at the second fall meeting of the David Woman's Club. Mrs. Archer's program was presented Oct. 4 at the home of Mrs. William Crawford. Mrs. Archer, for two years executive secretary of the Sandy Valley Girl Scout Council, gave a stimulating discussion, as slides were shown of beautiful Camp Chatterawha.

During the business meeting it was decided to hold a rummage sale in Prestonsburg, October 12, 13. It should be reported that this sale was very successful. Delegates were appointed to attend the 38th district convention at Pikeville, October 20. Refreshment were served to members and guests by the co-hostesses, Mrs. Ray Spears and Mrs. William Crawford.

Miss Melville-Mr. Burchett Wed in Garden Ceremony

San Diego, Calif. — In a lighted garden ceremony held Thursday, Oct. 4, at the Melville Ranch on El Monte Road, Miss Laurie G. Melville became the bride of Clyde O. Burchett, Jr. Wedding guests witnessed the ceremony which took place in the upper garden at the top of the garden stairs.

The bride is the daughter of Mrs. Glen E. Melville and the late Mr. Melville. Mr. Burchett's parents are Mrs. Grace Burchett and Clyde Burchett, Sr., both of Lemon Grove.

Wearing a gown of white satin with sweetheart neckline and cathedral train, the bride was given in marriage by her grandfather, Louis J. Melville. She carried white carnations and a white archid on a net covered heart. Her veil was caught to a pearl tiara. In addition to her mother, the bride had her grandmother, Mrs. Louis Melville, and her great-grandmother, Mrs. Lucy Melville of Chula Vista among the wedding guests.

Mrs. Wyatt Hall, matron of honor, wore a gown of green tulle over green brocade. She carried pink roses and wore pink accessories. Mrs. Melvin Williams, in pink tulle and brocade, and Miss Karan Brandell, in aqua tulle and brocade, were bridesmaids. Miss Susie Melville, junior bridesmaid, wore light blue. Donetta Loomis was flower girl with David Melville ring bearer.

John Kalin was best man with Melvin Williams and Eugene Melville as ushers. The Rev. De Vere Wilson officiated.

Following a reception the couple left for a honeymoon trip to Prestonsburg, Ky., the bridegroom's home town. Upon their return they will reside in Lakeside. The new Mrs. Burchett is a dental assistant while her husband is a civil service employee at the Naval Supply Depot.

Collins-Rowe Wedding Solemnized

Mr. and Mrs. Ray Collins announce the marriage of their daughter, Margaret Ann, to Mr. William Myles Rowe, son of Mr. and Mrs. Jesse Rowe, of Prestonsburg, on Sunday, October 14, at 3:30 p.m., at the Irene Cole Memorial Baptist Church.

The Rev. Ira McMillen, Jr., read the double-ring ceremony before an altar banked with urns of white chrysanthemums, tied with white satin bows, and greenery. Preceding the ceremony, Mrs. Chalmer H. Frazier presented a program of nuptial music. Mrs. Ira McMillen sang "Because," "Thine Alone" and "The Lord's Prayer" at the conclusion of the ceremony.

Billie Ray Collins and John Forrest Brown lit the tapers on the altar preceding the entrance of the bride on the arm of her father who gave her in marriage. She wore a white ballerina-length gown of hand-clipped Chantilly lace over taffeta. The gown was made on the princess line with a portrait neckline banded with nylon illusion edged in braid and applique with lace trimmed in sequins and tiny seed pearls. Tiny, covered buttons were down the back to the waistline. The sleeves were long and ended in points over the hands. The very full skirt worn over hoops was made in wide, graduated panels which were also banded with illusion and lace applique. Her veil of silk illusion was fastened to a low crown, trimmed in sequins and seed pearls. She carried a bouquet of white orchids tied with a shower of satin ribbons.

Miss Jackie Hensley, her maid of honor, wore a pink lace ballerina-length dress of taffeta with petticoat of nylon ruffled net, pink shoes and a bandeau of pink velvet was of pink carnations. Jeri Rae Collins scattered rose petals. She wore a long dress of pink, glazed taffeta with full skirt caught at the hemline with forget-me-nots. Mrs. Collins, mother of the bride, wore a burgandy tweed suit, with pink hat and pink carnation corsage. Mrs. Rowe, mother of the groom, wore a blue knit suit with black turban and white carnation corsage.

A reception followed at the church annex where the bride cut the four-tiered wedding cake topped with a miniature bride and groom. The bridal table, covered with an exquisite imported lace cloth, was centered with an arrangement of white chrysanthemums and greenery flanked by candleabra holding white candles. Mrs. Harry Hale Ranier and Mrs. Bob White presided at the punch bowl and cake plate. Others assisting were Mrs. Harry Burke, Jr., Misses Patricia Helfrey, Glima Jarrell, Jackie Hensley.

Immediately following the reception, the bride and groom left for a honeymoon, visiting historic places in Kentucky. Mrs. Rowe's traveling costume was hunter green with black accessories. She wore a white beaver felt hat with rhinestone clip. Mrs. Rowe is a graduate of Prestonsburg high school, attended Georgetown College and Mayo Vocational School, and for the present will continue her position with the United Fuel Gas Company. Mr. Rowe has completed two years' army service in Korea and will leave soon to be stationed at Columbus, Ohio. He is a graduate of Prestonsburg high school.

Mrs. Charles B. Dixon has returned to her home at Dawson Springs after a visit with her daughter, Mrs. Ira McMillen, Jr., and family.

Mr. and Mrs. Harold Ensminger visited their daughter, Mrs. Hansford May, and family in Louisville last week, while Mr. Ensminger attended the Grand Lodge of Kentucky Masons.

Mrs. Cynthia Stephens Hatfield has returned home from a ten-day visit with her sister, Mrs. Florence Crisp, at Martin.

Mr. and Mrs. George Glenn Hatcher and Mrs. Cynthia S. Hatfield spent the day in Huntington shopping last Monday.

Alex Martin, who submitted to surgery at a Lexington hospital, is convalescing at the home here of his brother, Burnis Martin.

George and Buddy Simpson, of Ashland, who are attending Our Lady of the Mountains school at Paintsville, spent the week-end with Mrs. Martin Lee May and family.

HOME ON FURLOUGH

Pfc. Joe M. Darby is spending a 21-day furlough with his parents, Mr. and Mrs. John Darby, on Cow Creek. He has been stationed at Ft. Bliss, Texas, but on conclusion of his furlough will go to a New York embarkation point to leave for a tour of duty in Italy with a guided missile unit.

CHAPTER G ENTERTAINING

Mrs. George P. Archer was hostess to Chapter G, P.E.O., at her home on Arnold avenue, Monday evening, with Mrs. Woodrow Greenwade as co-hostess. The president, Mrs. Fred Francis, presided over the business meeting. Following the business session, Mrs. George E. Branham, of Paintsville, was initiated into the chapter in a very impressive ceremony.

At the close of the meeting guests were invited into the dining room where punch and cake were served to the following members: Mesdames E. A. Stumbo, Chalmer Frazier, Fred Francis, Earl McDonald, Marvin Music, H. L. Ley, Merl Wilson, Don Sullivan, Woodrow Greenwade, William Callihan, W. A. Rose, Thomas G. Dingus, Robert Hughes, Winston Ford, Sidney Garland, and George E. Branham, of Paintsville, and Miss Margaret May.

County Agent, Four to Receive Citation for Service

Four county agricultural Extension agents in Kentucky will be given Distinguished Service awards at the annual convention of the National Association of County Agricultural Agents for achievements in their respective counties. The meeting will be held Oct. 21-25 in Houston, Texas. All of the honored agents were graduated in agriculture from the University of Kentucky.

Prichard King, county agent in Magoffin county since 1943, and one of the four to be honored, organized a county Extension Advisory Committee, a soils testing laboratory, soils and crops improvement program, and a county livestock improvement association. He has promoted new enterprises for cash incomes, a 4-H club program, and cooperative relations with local organizations. Mr. King is president of the Salyersville Kiwanis Club and takes an active part in civic affairs.

The other three agents are E. J. Noffsinger, Gallatin county; J. Stanley Howard, Todd county; and George D. Nolle, of Casey county.

Former Floyd Physician Dies at Ashland Hospital; Was Johnson-Co. Native

Dr. W. H. Wheeler, 79, Olive Hill, a former physician, died of a heart attack Tuesday of last week in King's Daughters hospital at Ashland.

For the past 21 years he had been practicing medicine at Olive Hill.

Dr. Wheeler was a brother of the late Judge C. B. Wheeler, of Prestonsburg.

Born at Winifred, Johnson county, he was graduated from Knoxville School of Medicine in 1900. He began his practice at Charley, Johnson county, and later practiced at West Liberty, Ashland and at Betsy Layne, this county.

In 1950 he received the Stovall Award as the outstanding physician in Kentucky. The next year he received a 50-year award of merit from the American Medical Association. He was a member of the Carter county chapter of the A. M. A.

His wife, Mrs. Rosa Williams Wheeler, died 2½ months ago.

Surviving are a daughter, Mrs. Scott E. Roberts, and a sister, Mrs. Louise May, both of Ashland, and four brothers, John W. and M. O. Wheeler, Paintsville attorneys; Samuel L. Wheeler, Detroit, and W. F. Wheeler, Winifred.

The funeral was at 2 p.m. last Thursday at First Baptist Church, Olive Hill; burial, Ashland cemetery.

rick and Thomas began running through the fields and Endicott followed, shooting twice.

Thomas testified he asked Endicott, "Don't shoot." Endicott, he said, let out an oath and said he was going to do what he had promised to do.

Sheriff Aaron Lykins said at the time Endicott was charged that Endicott claimed he had warned Mrs. Lewis and Thomas to stop keeping company.

Dorothy Lewis, Mrs. Lewis' daughter, said on the witness stand that she heard Endicott threaten her mother the day before the actual shooting.

We Shall Vote "Yes" For Good Roads

The Times finds itself in good company as it takes the position that Kentucky voters should endorse the \$100,000,000 road bond issue at the coming election. Indeed the character of these other endorsers of the plan has strengthened our belief in its soundness.

More than a hundred Kentucky groups have publicly pledged their support of the road bond idea. Among these are organizations with which conservative thought and action are a tradition: the Kentucky Bankers Association, the Kentucky Chamber of Commerce, the Kentucky Farm Bureau, for instance, to name only a few.

Both major political parties have endorsed the bond issue. The Kentucky Education Association is supporting it—doubtless because the educational leaders who compose the KEA know that good roads are the handmaiden of good schools.

So runs the list of those who are giving the plan their support—labor, capital, educators, political parties, men and women representing almost every field of thought and endeavor.

But, despite all this support, there naturally arises in the minds of Floyd countyans the question, "Will our roads benefit if the bond issue is passed?" We recognize that as a natural question because most of our people feel that we have received less than our share of road funds in the past and should be receiving more at present.

That is a question we cannot presume to answer with authority or finality. We think our roads will benefit greatly. We think the greatest program of road-building and road reconstruction in the history of this section will result. If we did not think so, we would not be writing this editorial. Yet we could be wrong; we could be too trusting.

But we know that federal funds will match bond funds spent on Kentucky roads if the bond issue is voted, and that that will create a situation which does not leave all decisions to Frankfort. We further are told, and the

people are publicly promised, that the advice of the Automotive Safety Foundation and federal highway engineers will be followed in the spending of the bond money.

Moreover, we know that this bond issue will remove one of the ancient excuses offered us when we petition Frankfort for road work. That excuse has been, today is, "There just isn't enough money." Really, that is more than an excuse—much of the time it has been and is true. With the bond monies augmented by federal funds, the Governor and the Commissioner of Highways, present and future, will be obliged to face up to the needs of this section and all others in the state — to meet them head-on, no alibis, no hedging.

Speaking of what this section may expect, it should be remembered that Floyd county has had more roads built in the last twenty years than many of us remember or care to recall. There are many more to be built, many that have been built but which woefully need further improvement, true; but an automobile trip over the county will convince the most skeptical that we have not been entirely forgotten. Drive from Prestonsburg up Middle Creek, as a starter on such a tour, and go on to Salyersville; or, branching off, go to David and on beyond to Howard Branch and Magoffin county; or turn before reaching David and travel to Brush Creek by one road and to Stephens Branch by another for short cuts to Ky. 80 on Right Beaver Creek. Or try the roads linking the two Beaver Creeks, or the completely surfaced road from Harold up Mud Creek and on to Hi Hat on Left Beaver Creek. Drive out the blacktopped farm-to-market roads on Abbott, Cow and Bull Creeks. These are not all the roads Floyd county has that have sprangled out since Depression days and the WPA. We should have had more, and this newspaper has been far from silent about them in the past; yet we have not been entirely neglected.

These very needs inspire our support of the bond issue. We want Floyd county and Eastern Kentucky to have these roads that are due us. We are willing to vote to make the money available—and then we are willing to join others in a continuing fight, if necessary, to get our rightful share of the work.

TIDBITS OF KENTUCKY FOLKLORE

By GORDON WILSON, Ph.D.

Western Kentucky Teachers' College Bowling Green, Ky.

OUR HEROES

It has been a long time since pioneer days, at least in this part of the world, but we still like to make our heroes like those of pioneer days. We developed a host of ring-tailed roasters, half horse, half alligator men in those days and then let our imaginations lie fallow. It seems unbelievable that any of our later heroes could have had good homes, plenty to eat, and the respect of their neighbors. We love the log-cabin, rags-to-riches story so much that we cannot adjust to a world where some other than pioneer characteristics might be valuable.

For a lifetime I have been a college man, not bragging about it and not ashamed of it. But there is still some prejudice in some quarters against the college man, merely because he is a college man. The professional man is looked up to generally—the doctor, the lawyer, the other specialists—but being just a college professor of some impractical subject like English or languages is a bit too much. Many people whom I know just will not believe that any such dreamer could possibly make a living and pay taxes like sensible, practical people. Of course, there are hosts of people who idealize the college teacher, too, who makes him a sort of creature too good for this world; these rhapsodists are enemies of education and college life quite as much as the fellows who have made money in spite of not having an education and doubt whether there is anything to studying unless it increases one's immediate earning capacity. Why cannot college teachers be regarded as men, specialized in some ways, but human beings after all?

Also we still like to find our preachers who are self-ordained and fresh from the fields or woods. It is not at all uncommon to hear some well-to-do bench-warmer at a church lamenting the lack of fire and brimstone in the sermons of their new pastor, who is a student at a seminary or has already graduated. Lorenzo Dow died long ago, Sam Jones was still going strong when I could first remember, Billy Sunday was stirring up things not too long ago. Each one attracted a lot of attention and helped fix a tradition of loud-talking, hair-tearing preaching. Some of the people today are surprised that a cultured, genteel man like Billy Graham can catch and hold the attention of hosts of people here and abroad; they probably long for the ripsnorting days when a preacher was a great counter attraction if and when a circus or Wild West showed up. The patient, plodding average preacher today is one of our unrewarded heroes, always likely to be ignored when an arm-waving sensation comes along; but this is not as much a problem as it used to be. Maybe the tradition of the prize-fighting tactics of the old-time hell-fire exhorter is slowly giving way to a less sensational form of preaching.

The old-time doctor, picturesque though he was, is a long-past institution in most places. Even age has little to do with one's being an old-time doctor today; one of the dressiest country doctors I now know is past eighty, but is as active in keeping up with modern medicine as he is in being a good community leader. I have noticed that the young specialist, in spite of his charges, is sought so much that he cannot keep up with his practice; a fellow who hopes to cash in on the former glory of the family doctor, however valuable that old fellow was, had better think twice before

fore adopting any outdated mannerisms, "tricks of the trade."

I wonder when we will insist on our politicians' having modern ways? Somehow their manners still cling to log-cabin, rags-to-riches days. That tradition seems too much alive to be ignored; the poor boy who had to walk six miles to a one-roomed country school is still an attractive fellow around election time. Just what would five or six miles have to do with the matter, anyway? But the sovereign voters love the old tradition and the old folk faith in heroes.

An Explanation of Maintenance

The 1955 report of the State Board of Education showed that salaries and wages for the maintenance in Floyd County exceeded every other county district in the State... the figure was \$40,537.25.

When this administration assumed office the Maintenance budget was \$14,000.00 and consisted of some 12 employees. Today, the proposed budget for the Maintenance budget calls for an expenditure of \$91,820.00, MORE THAN DOUBLE last year's budget, and by far the largest expenditure in the entire state of Kentucky.

The people of Mud Creek are wondering why some of this Maintenance money hasn't been spent for their schools.

I have seen most of the rural schools recently and it is obvious that the buildings and grounds are in need of immediate attention.

I assure you that when I am elected, I will do something about this condition.

Contrary to the tales of some of my opposition, I shall strive to better these conditions for our rural school children and our forgotten rural teachers.

I am thankful for the support of the many parents that have expressed their confidence in me that I have the welfare of their children at heart.

JACK BRANHAM, JR.

For Board Member of Division 3

(Pol. Adv.)

To The Voters of Educational District No. 5:

My name is Jimmy Ray Vanderpool. I am the son of Geneva Martin Vanderpool and the late Edd Vanderpool. I was born and reared in Garrett. I graduated from Garrett high school in 1953. Since graduating from high school, I have been preparing myself for the teaching profession. Due to financial conditions, my training has been interrupted and I am presently teaching in the state of Ohio, not by choice, but because some of my relatives failed to cast their votes for the incumbent Mr. J. E. Campbell in the election of 1952. In the election of 1952, Mr. Campbell sent close friends of my mother's and people who were and are presently employed in high positions of the present administration, to induce my mother to vote for him. She was told if she did not vote for him, and that if I decided to teach school at a later date, that I would not

gain employment in the Floyd county school system. To me this is intimidation of the highest degree.

Recently, my wife and I applied for teaching positions in the Floyd County system. Referring to the statement of 1952, that I would not gain employment in Floyd county if my mother did not vote for him was almost true.

We were hired for the head of Frasure's Creek on Left Beaver. We did not accept this generous offer, but sought employment elsewhere. I was told by Mr. Campbell and Supt. V. O. Turner that all positions had been filled except head of Frasure's Creek, and that they would be happy to have us at this school. I accepted this to be the truth until I read in the Floyd County Times of the terrific teacher shortage and some schools failed to open on schedule due to lack of teach-

ers. I am firmly convinced that this act of discrimination is a result of the 1952 election.

I might also add we were never offered a school in Stonecoal, Turkey Creek, or any other position in Floyd county except Frasure's Creek.

The Minimum Foundation Program is to help us financially and give us better qualified teachers and facilities, but this cannot be the case until we rid ourselves of the autocratic Mr. Campbell.

We have in JAMES ARVILLE DUFF, a fine young candidate who is qualified and interested in better schools, not in what the position may gain him or his family, which has been the case in recent years. I am sure that job security will no longer hamper teachers of the school system and that teachers will be permitted to exercise their freedom when JAMES ARVILLE DUFF is

elected as Board Member from Educational District No. 5. JAMES ARVILLE DUFF will work for better schools, better teaching conditions and a progressive school program.

You, as parents and voters, must bear in mind that our children are our greatest assets. We owe it to them to give them better schools. In recent years we have heard many complaints about our schools. Now is your opportunity to voice your dissatisfaction by going to the polls on Nov. 6 and cast your vote for JAMES ARVILLE DUFF. Let's change our schools from Autocratic to Democratic. Don't fail to give the schools back to their rightful owners, the Parents and Citizens of your community. I urge you to vote for JAMES ARVILLE DUFF for Board Member of Educational District No. 5.

Floyd Concert Group Is Conducting Drive For Memberships, Said

The Floyd County Concert Association is conducting its annual drive for memberships, it was announced this week. At the same time it was said the first program has been scheduled November 27, a presentation by Barter Theatre, "The Living Theatre," featuring Jerry Hardin as director, actor and m. c.

The second concert of the season will be the Ashland Male Chorus with Ed Buchanan as director and Helen Greer Myers as soloist. This group is made up of 40 voices and is much in demand throughout the Tri-State area.

The third program on February 28 will feature the Barter players in the play, "The Rainmaker." In order to enjoy these programs one must buy a membership in the association, since no general admission tickets are sold for a single performance.

The purpose of the Association is to bring outstanding talent to Prestonsburg. The entire proceeds of the annual membership fees are used to purchase these programs. The future of these concerts depend on the patronage of the community. The Pikeville Concert Association and the Floyd County Association have worked out a reciprocity agreement whereby a member of either organization may attend the concerts of the other without extra charge. In this way a member may enjoy six programs throughout the season.

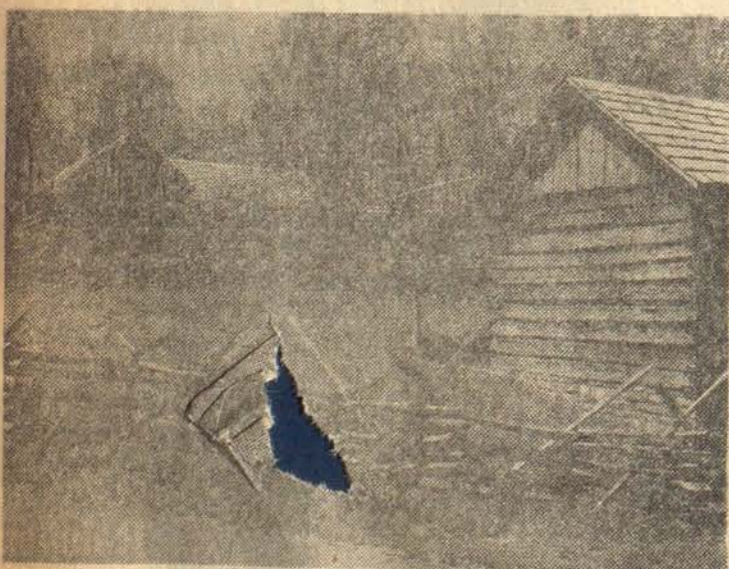

Those who have not been contacted by one of the committee in charge of ticket sales may call James Camicia or Dr. H. G. Salisbury for tickets.

from a distance of about 35 feet. The smaller pellets struck the deputy in the face and chest. One of the heavy slugs struck his revolver, fouled its cylinder and jammed it in its holster so that he was unable to draw the weapon.

The shooting took place in front of the Price Theatre, and some of the shot broke a window of the soda fountain building across the highway but nobody inside the building was hurt.

The brothers told officers they had nothing to do with the shooting.

Johnson was one of several officers who made a raid several months ago on the home of Jarvey Howell, during which Howell was shot. Johnny Johnson signed an affidavit at the office of County Attorney Hollie Conley Monday saying he was at the theatre Saturday night and that he saw the Hall brothers "in the presence of two Howell boys, in and around the theatre."

Mrs. Johnson at the same time testified that she had talked with her husband at the hospital and that she has information from him that Virgil and Newt Hall "were with the two Howell boys and that they shot him with a shotgun."

Several deputy sheriffs were in the party which brought the brothers here Sunday afternoon.

Deputy Sheriff Willie Johnson was inside the theatre when the shooting broke out, but discovery of Green Johnson's condition prompted him to take the wounded man to the hospital before starting the search for the gunman.

Officers over a wide area were alerted Saturday night to be on the lookout for those suspected of the shooting, and police here maintained a roadblock for several hours.

Engagement Announced

Mr. and Mrs. Virgil Hinchman, of Tram, announce the engagement of their daughter, Bonita, to A2/c Thomas Porter, son of Mr. and Mrs. Herman Porter, of Allen.

Miss Hinchman is a graduate of Betsy Layne high school and is now employed as office clerk at National Biscuit Company, Dayton, Ohio.

Mr. Porter is a graduate of Martin high school. He attended Georgetown College, Georgetown, Kentucky. He is now serving in the United States Air Force and is with the 323rd Fld. Maint. Sq., Bunker Hill Air Force Base, Peru, Ind.

The couple will be married November 10 at 5:30 p.m., at the First Baptist church, Allen.

The wedding reception will be open house and will follow immediately after the ceremony at the Education building, next door to the church.

MORE ABOUT NAMES

Community pride is a thing that time and circumstance cannot down. If you thing it's lost, just try changing the name of the place. The latest case in point is that of a town in Wales where the people are miffed because the railroad company has squeezed its name to fit a signboard only 20 feet long instead of the time-honored 26 feet. The name of that town?—Llanfairpwllgwyngyllgogerychwyrndrobwillantysilogogoo.

Imagine being a train conductor on a run like, for instance from Martin to Dinwood and having to call but that station before you reach Maytown. Llan, etc. means, in plain English, we are told, "The Church of St. Mary, in a hollow of white hazel near to a rapid whirlpool and to St. Stysiol's Church near a red cave."

Thompson Is Appointed District Office Manager At Pikeville, Announced

Thomas B. Thompson has been appointed district manager of the new Social Security District Office in Pikeville, according to Edmund Baxter, regional director, Department of Health, Education and Welfare, Charlottesville, Virginia.

Mr. Thompson, who has been the assistant district manager for the Social Security Office in Richmond, Virginia, for the past 18 months, previously served with the Bureau headquarters office in Baltimore, Maryland, and with district offices in Bowling Green, Ashland, and Hazard. While with the Ashland district office he served as resident representative for Pike and Floyd counties from 1948 to 1953, maintaining residence in Pikeville.

A native Kentuckian, Thompson was reared in Ashland, and attended Ashland schools and Junior College. He served three and one-half years with the U. S. Army during World War II, two and one-half years of which were spent in the European Theater of Operations.

Thompson is married to the former Alma Dotson, of Pikeville.

The new Social Security office will serve residents of Floyd, Johnson, Magoffin, Martin and Pike counties, Ky., and Buchanan County, Virginia, and will take care of all matters pertaining to old-age, survivors and disability insurance benefits. The office, which is located in the Ward Building, Second and Division Streets, will be open to the public daily Monday through Friday, from 9 to 5 o'clock.

Deadline for Contracts On Conservation Reserve Reset for Nov. 30, Said

The final date for accepting conservation reserve contracts by the local Agricultural Stabilization Committee has been extended to Nov. 30, it was said this week by Elder Goble, office manager. Notice of the date change was made from Washington Oct. 10 and local committees were so advised recently by H. L. Manwaring, of the state ASC office at Lexington.

The Washington telegram to the state office said:

"Final date for accepting 1956 conservation reserve contracts extended through November 30, 1956. Continue to accept conservation reserve contracts but withhold county committee approval of contracts not already approved pending receipt of rider to become part of such contracts. Contracts including tree planting will be limited to ten years except when seedlings not available during one or more contract years in which case contract period may be extended at option of producer by such number of years but in no case can contract be extended to cover more than fifteen years nor beyond December 31, 1974."

Jenny Wiley District Officers Are Elected; Installation Planned

Officers of the Jenny Wiley Boy Scout district were elected at a meeting at Drift Tuesday of last week. They were Jack Branham, of Betsy Layne, district chairman; E. M. Pace, of Wheelwright, vice chairman; and Jesse Elliott, district commissioner.

The new officers will be installed at the annual district banquet scheduled to be held at the Betsy Layne Methodist church, Nov. 20. Dean Bembower, of Pikeville College, will be the principal speaker.

A feature of the annual banquet will be recognition of district leaders and several will receive awards. Chalmers Frazier, Prestonsburg grade school principal, is in charge of the banquet.

Never before in history has anything

built by man traveled so far in so short a time

—by land or sea!

An announcement of decisive importance to anyone about to buy a new automobile

The most exhaustive endurance test ever given an automobile has just been completed by two stock '57 Fords—identical in every respect with cars now being offered by Ford Dealers.

Under the supervision of the United States Auto Club and the Federation Internationale de Automobile, each of these two '57 Fords traveled 50,000 miles in less than 20 days. Ford No. 1 averaged 108.16 mph for the entire run... Ford No. 2, over 107 mph. These averages include time for all pit stops.

In all, the '57 Ford smashed 458 national and international records.

This test was run on the Bonneville Salt Flats in Utah... it was the longest left turn in history.

A car, like a man, is known by its deeds, not words.

That is why, we at Ford, despite our confidence in our '57 cars, let their deeds of accomplishment speak for themselves.

Therefore, we engaged an independent engineering organization to test our '57 cars more thoroughly than any other cars have ever been tested before—in this country or abroad.

We provided them with '57 Fords—cars identical with those now offered by Ford Dealers. The rest we left up to them.

Here is what they did:

They took these cars to the Salt Flats at Bonneville, Utah.

Here, twelve of the world's greatest drivers took over.

In relays they drove these cars night and day for a distance greater than twice around the world... a distance equal

to 5 years of normal driving.

Not in all history has a man-built machine traveled so far in so short a time—by land or sea!

But this was not a test of speed—but of endurance of the "Inner Ford." A trial to take the measure of Thunderbird Y-block V-8 power without qualification of any kind. A test of running gear—of brakes, of materials in body and chassis. Of steering and roadability, yes, and comfort, too!

A test, indeed, such as no other cars have ever undergone, let alone successfully concluded.

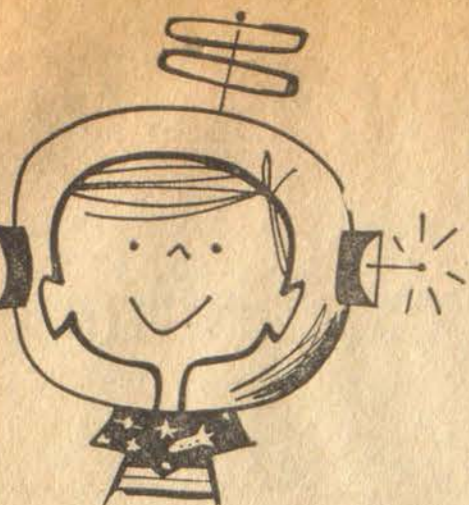

Surely they have told you, in decisive terms, that they are worth more when you buy... and when you sell!

Your Ford Dealer will gladly place at your disposal the new kind of Ford that means a new kind of value for your car-buying dollar—the greatest the world has ever seen.

robbers—one tall and dark, the other short and blond. The taller of the two is described as being in his early 30's and having long sideburns. Age of his blond confederate is placed at about 20.

Robbery of Melvin's store took place a few minutes past 11 a.m. Tuesday. Mrs. Orbin Spradlin, clerk, was alone and at the rear of the store when the two men entered and called for a pack of cigarettes. One of the two gave her a quarter and she opened the cash register to return a penny change when the pair levelled guns at her and ordered her to lie flat on the floor, to make no outcry and to stay away from the telephone after they left. Then they rifled the cash register, picked up two bags containing cash and checks and a 22 rifle and walked to their car outside.

A woman across the street saw the two enter the car but was not aware of the robbery. The auto was a 1956 white Ford with black trim, it was said.

Another store operated by Mr. Melvin on Main street, Paintsville, was entered the night of Sept. 28 and the safe was looted of a sizeable sum. Tuesday's loss was insured, but Mr. Melvin's first loss was not.

State police, Prestonsburg policemen and county officers here were quickly alerted after this week's robbery, but no trace of the two had been gained Tuesday afternoon.

Local FHA Chapter District Meet Host At High School Here

The Prestonsburg Chapter of Future Homemakers of America was the hostess chapter for the Big Sandy district, Future Homemakers Leadership Training conference held in the Prestonsburg high school on October 6. Peggy Jo Prater, president, and a member of Prestonsburg Chapter, presided.

All girls from the Big Sandy District, who were officers in their chapter, attended. Some 150 girls present.

The chapters represented were Virgie, Dorton, Phelps, Belfry, Johns Creek, Oil Springs, Salyersville, Paintsville, Elkhorn City, Flat Gap, Meade Memorial, McDowell, Wheelwright, and Prestonsburg. The morning session was devoted to business. Following lunch, business matters were completed. The girls did skits, pantomime and singing.

Mary Sue Leake was the winner and will compete in the Big Sandy District of Future Homemakers of America, October 30, at Mullins high school in Pike county. Anna Richardson won second place and Ada L. Spradlin took third place. Mrs. Girdene Smith, Miss Alice Harris and Mrs. Thelma Stewart were judges. Mrs. Smith presented the winners with the prizes.

The winner of the district contest will compete in the state cherry pie baking contest at Lexington.

Seams stitched with dacron, nylon or silk thread must be back-stitched to fasten them, as they will not stay fastened by tying, says Miss Dorothy Thekeld, U. K. clothing specialist.

Sandy Valley Girl Scout Council Awards Statuette to Crawford

The Sandy Valley Girl Scout Council held its semi-annual dinner and council meeting at the Wheelwright high school cafeteria Tuesday evening.

Mrs. Ray Howard, of Prestonsburg, council president, presided at the meeting.

Highlight of the evenings events was the presentation of a Girl Scout statuette to William Crawford, of David, by Arthur Bradbury, Wheelwright. The award was made on behalf of the Council in recognition of the outstanding work done in the cause of Girl Scouting by Mr. Crawford. Mr. Bradbury pointed out that Camp Chatterawha was constructed under the leadership of Mr. Crawford as chairman of the camp development committee. He stated also that the David man, untiring enthusiasm and efforts have materially assisted the growth of the Sandy Valley Council. Mr. Crawford in accepting the award asked the Council to continue to provide a program of high quality to all Girl Scouts in the area.

Following the business session and presentation of the award, Mrs. Minor Pace, the program chairman, presented Mrs. Dortha Aeln, of Martin, and three of the Senior Scouts who represented the Sandy Valley Council at the first Roundup of Girl Scouts, which was held at Highland State Park in Milford, Michigan last July. The girls, Kathryn Roberts, Prestonsburg, Avinell Burgess, Wheelwright, and Lois Allen, Martin, gave an entertaining program of film and commentary on their experiences at the encampment. They also expressed their gratitude to the Council for making it possible for them to attend.

Mrs. Howard led the group of 75 people in the formation of a friendship circle and the singing of Taps to close the meeting.

New Home Agent

Floyd county will have the services of a home demonstration agent for the first time in eight years, Nov. 1, when Miss Dixie Trapp, of Campbell county, assumes her duties here. Funds for the work were provided by the Fiscal Court and the State Extension Service in July.

Miss Trapp was educated in the Campbell county high school and at Eastern State Teachers College, Richmond, where she was graduated with a B. S. degree. She is a member of the Christian church.

A teacher of home economics in the Salyersville high school last year, she is now assistant home agent in Morgan county, where she is in training for home demonstration work.

Floyd County G.O.P. Backing Road Issue

Governor Chandler announced in Frankfort Monday that Floyd county Republicans are supporting the proposed \$100,000,000 road-bond issue.

He said the following telegram was received from Gordon Collins, Prestonsburg chairman of the county's G. O. P. executive committee: "Floyd county Republicans are deeply appreciative of the keen interest and insight Governor Chandler has shown for our county and its road problems. We are urging all voters to work and vote for the bond issue, which we feel will help our county and Kentucky all over immeasurably."

Interest Cost On Road Bonds Nil, Martin Says

Frankfort, Oct. 22 (Spl.) — The proposed 100-million-dollar highway bond issue would cost the state "less than nothing" in interest and administration expense, Dr. James W. Martin said last week.
 The Commissioner of Finance said roads built with the bond money would eliminate the cost of "stopgap construction" on the present highway system.

This saving, plus the increase in state fuel and automotive revenues resulting from more traffic on better roads, Martin said, would be a means for the State to recover all the direct expense of issuing the bonds.

By borrowing the money through bonds and building the roads now, Martin said, the state also could avoid increased construction costs foreseen for the future.

The bond proposal, under which money borrowed is earmarked to match federal road-building money, will be voted on by Kentuckians Nov. 6.

The Legislature passed revenue measures this year decreeing that fuel for heavier trucks and busses be taxed about 4½ million dollars annually, more than enough to retire the bonds in 30 years, Martin said.

Kentuckians already are paying new federal taxes on gasoline, tires and other automotive items. The U. S. is accumulating its road-building fund with these revenues.

Martin declared by authorizing the bond issue, voters can say a resounding YES to the query: "Do you want the roads you're paying for?"

With respect to highways, Martin said, the state is in the same position as an individual who needs a new automobile and hasn't money to pay for it—both can borrow the money, the state through bonds.

Last Rites for Harmon Held on Rockhouse-Cr.; Was Native of Floyd-co.

Funeral services for Newt Harmon, 64, of Rockhouse, were held at 1 p.m. Wednesday of last week at the home of a brother, W. M. Harmon, on Rockhouse Creek, Pike county, with the Rev. Jesse Mosley and others officiating.

Mr. Harmon died at 10:15 a.m. Sunday, Sept. 30, at the Veterans' Hospital in Louisville.
 Born at Prestonsburg, he was a son of the late Robert and Rachel Skeens Harmon.

A member of the American Legion, he served for 25 years in the U. S. Army. He retired as a Master Sergeant.

Survivors include a brother and a sister, W. M. Harmon, Rockhouse, and Mrs. Mollie Childers, Logan, W. Va.

Burial was made in the family cemetery.

About the only thing that comes out approximately even is income and outgo.

WAYLAND

CLUB HAS GUEST SPEAKER

The Lackey-Garrett-Wayland Woman's Club met at the Club House, October 15 with a program on accident prevention in the home. Miss May Frazier, of the Accident Division of the State Department of Health, was guest-speaker. She gave a talk on the different kinds of accidents in the home, later showing films about accidents and safety in the home, especially pertaining to children.

Literature concerning accident hazards concerning children in different age groups were distributed to the members.

Refreshments were served by the hostesses, Mrs. George E. Evans and Mrs. Charles Hornsby, to the following members: Mesdames Earl Castle, N. D. Howard, Fred Hall, S. M. Martin, J. E. Miller, L. B. Price, Ellen Hornsby, Ansel Bradley, Gene Mullins, Felix Coburn, W. T. Hatcher, M. M. Collins, Charles Collins, Gordon Collins, Milton Trusty, Delbert Stone, Crit Wells, Mrs. Regina Roberts, and guest-speaker, Miss Frazier.

Woman's Club Asks Observance of U. N. Day

The Allen-Martin Woman's Club urged everybody to observe United Nations Day, Oct. 24. The club, in a prepared statement, said:

"As our one world has become even smaller it is up to all nations to work and live together for international understanding. At present, what is happening in India, Egypt, Pakistan or any of the other countries is of utmost importance to us and to the U. N. Its specialized agencies are organizations established by inter-governmental agreements and have wide spread responsibilities. The Allen-Martin Woman's Club urges you, as a member of this great nation of ours, to spend some time finding out more about the program of our United Nations and by becoming more familiar with it and take an active part in making this country greater and the United Nations organization stronger and better understood."

To harbor an ill thought seems silly yet some people do just that year on year.

An Open Letter To The Parents and Voters of Educational Division No. 5

I am offering my service to you as a member of the Floyd County Board of Education for one reason only—to work for you and with you for the improvement of our schools.

I am not obligated and I accept no obligation, except to do the best job I possibly can, always putting the welfare of the children and the improvement of our schools FIRST.

Our schools must be staffed with qualified and satisfied teachers, unhampered by political considerations, in order to do their best work.

Since announcing my candidacy, many situations and problems have come to my attention. Some will be easily solved and should have been solved long ago. Others will take time and careful consideration. I plan to hold meetings with the parents at each school and work out a solution to their problems with them. Then I will do everything I possibly can to accomplish it.

Our transportation system needs improvement. By wisely spending the taxpayer's dollar we can bring about better transportation and make much needed improvements in our schools.

I earnestly solicit your support in this election. I will work to gain every bit of knowledge I possibly can concerning school matters and will use this knowledge with fairness and justice to everyone concerned.

I was persuaded by PARENTS to make this race. Parents are raising the necessary funds for my candidacy.

I have been told repeatedly that no one can be elected to the school board unless they are backed by politicians.

My answer to this is—I am backed by PARENTS

You can expect many and varied attacks to be made against me, such as the present rumor that I plan to move all the rural schools. This is false. It is easy to see the reason behind this charge.

Don't fail to ASK FOR YOUR SCHOOL BALLOT NOV. 6. It will be separate from the regular ballot.

Yours, for Better Schools

THE MEN

STEVENSON AND KEFAUVER ARE OUR NEIGHBORS

Adlai Stevenson is a native of Illinois just across the Ohio River from Kentucky. His grandfather, also named Adlai Stevenson, a native Kentuckian, born in Christian County, was Vice-President under Grover Cleveland. Stevenson is a distant cousin of Alben Barkley and is widely related in Western and Eastern Kentucky.

Estes Kefauver also hails from a neighboring state—Tennessee.

Never before have Kentuckians had the opportunity to vote for Presidential and Vice-Presidential candidates both being from neighboring states.

These two men have the ideas, the driving desire, and the vitality necessary to lead this nation—both at home and abroad.

WETHERBY AND CLEMENTS FOR U. S. SENATOR

Both Lawrence W. Wetherby and Earle C. Clements have served Kentucky, not only as Governor, but in other positions where our needs were made known to them, and in positions where they were able to work toward solution of Kentucky's problems.

Both have been interested in industrial development of our section and state. Evidence of this interest: the establishment of the Agricultural and Industrial Development Board, the development of Kentucky's park system, and their interest in and accomplishment of watersheds and flood control on Kentucky's waterways.

Both have had a deep concern for the construction and repair of the state's road system. More roads were constructed in Floyd county and Eastern Kentucky by Wetherby and Clements than by any other two governors in history.

Both have worked unceasingly for the improvement of Kentucky's educational system. The minimum foundation program was placed on the books during Wetherby's administration.

Both Wetherby and Clements have stood solidly by labor. Witness the increases in Workmen's Compensation benefits and Unemployment Compensation during their administrations.

Both Wetherby and Clements have stood for maximum benefits to the old aged, the needy blind, and dependent children.

Both Wetherby and Clements are endorsed by U. M. W. A. On the other hand, both Republican candidates for the Senate have voted for the Taft-Hartley Bill.

Neither of the Republican candidates for the Senate has been close to the needs of the people of Kentucky.

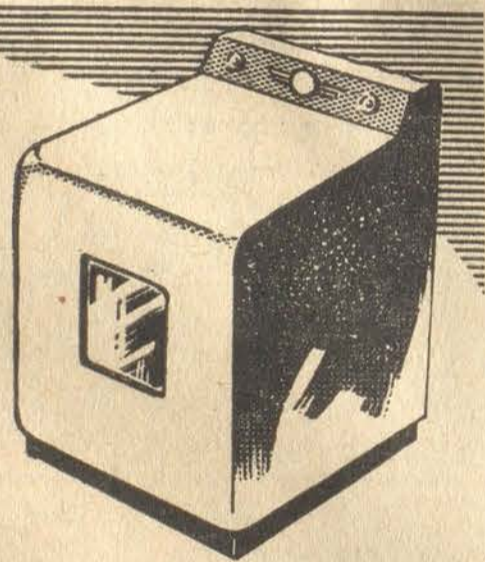

THE PARTIES

The Republican party has shown its interest in big business, the special interest groups, and the select few.

The Democratic Party is the party of the farmer, the small business man, the wage-earner, the old aged, the needy blind, and dependent children.

The Democrats are FOR YOU, not just the few.

MAYTOWN

Mrs. Borders, Hostess
The Maytown Woman's Club held its regular monthly business meeting at the home of Mrs. Paul Borders, Thursday evening. There was no program, only a very short business meeting, as most of the members attended revival services before the meeting. The skit and other plans were made for the district convention. It was decided to give a bake sale on the school grounds, Election Day. Plans for this were made and Mrs. Gibson named the committees to get this ready. Following the business meeting, a pot-luck supper was enjoyed by Mrs. Borders, and Mesdames Theodore Gibson, David Reed, Ed Stewart, John Ison, George Patton, James Allen, Edward Robinson and two new members, Mrs. Roland Burchett and Mrs. L. E. Roberts. The next meeting will be at the home of Mrs. Edward Robinson.

Mr. and Mrs. Sherill Morris are the parents of a son born October 6 at the Beaver Valley hospital. The babe has been named Ricky Dean.

Mrs. Bill Allen underwent an appendectomy at the Beaver Valley hospital last week.

Mr. and Mrs. Clyde Patton and children and Mrs. Lucy Patton and grandson, David, spent several days last week with relatives in Zionsville, Indiana.

Mr. and Mrs. Ed Stewart and children and Mr. and Mrs. Frank Stewart and children attended the Homecoming at Morehead Saturday.

Mr. and Mrs. Arnold Cassidy are spending a three-week vacation with their son, Austin, and other relatives in Detroit.

Bess Ratliff was a patient at the Beaver Valley hospital for several days last week.

Mr. and Mrs. George A. May and Mrs. Herbert Ousley and Randy spent the week-end with relatives in Ashland.

Armina Patton is a patient in the Beaver Valley hospital, suffering a broken hip.

Mrs. Joe Bradley and children were visiting Mr. and Mrs. Arnold Moore, of Lynch, Sunday.

Mrs. Marvin Rice and children were visiting friends and relatives on Middle Creek over the week-end.

Mrs. H. W. Pruitt and children and Mrs. Charlie Allen were visiting Mr. and Mrs. Joe Bradley and Eli Stephens, Tuesday.

Mr. and Mrs. L. E. Roberts have as their houseguests Mr. Roberts' parents of Weston, W. Va. The elder Mr. and Mrs. Roberts are enroute to Florida where they will spend the winter months.

Mrs. Amy Begley was a patient in the Beaver Valley hospital for several days this week.

Mr. and Mrs. Clarence Robinson, Mr. and Mrs. Edward Robinson and children, Mr. and Mrs. Buster Robinson and Mr. and Mrs. Ollie Robinson and Sharon, of Prestonsburg, were picnicking at Dewey Lake Sunday.

Rev. and Mrs. H. M. Wiley are spending a week's vacation motoring in some of the Southern states.

Clifford Bradley and family, of Lima, Ohio, were visiting parents and other relatives this week-end.

Mesdames David Reed, Theodore Gibson, Paul Borders, George Patton, Edward Robinson, Charles Patton, James Allen attended the district convention of the Kentucky Federation of Women's Clubs at the Methodist Church in Pikeville, Saturday.

Morning church services this Sunday will be held by the laymen of the church. Everyone is invited to attend and bring someone with you.

Frankfort Crowd Hears Evangelist

Frankfort, Oct. 22 (Spl.) — "I believe the most patriotic thing a man can do is give his life to God." — evangelist Billy Graham recently told a large crowd of state workers, officials, ministers, townspeople and students gathered on the steps of the State Capitol building.

Before the outside services, Gov. A. B. Chandler, city and county officials and ministers knelt in the executive office for a prayer led by Graham.

Invocation was given by the Rev. Earl Bell, pastor of Frankfort Memorial Baptist Church, with the introduction made by Governor Chandler, who closed his few remarks turning to the evangelist, saying, "Dr. Graham, my people, God bless you."

Although the midday sun was shining bright and hot the young evangelist held his audience spellbound for a 30-minute sermon.

Observing the world crisis, Graham addressed himself partially to young people, reminding them of great heritage they had received from their grandparents.

At the close of the service many interested listeners expressed a desire to surrender to God and were told, "Go from here resolved to read your Bible every day, to spend at least 15 minutes in prayer and to witness to your faith."

Strip Mine Work Receives Praise

Frankfort, Oct. 22 (Spl.) — Strip Mine operators in northeastern Kentucky, particularly Boyd county, were praised today after a recent survey of that region.

Paul Gannon, director of the Strip Mine and Reclamation Division, said "great strides in reclamation work in the past few months" were made in Boyd county. He added that spoil bank reclamation in Eastern Kentucky is expected to proceed rapidly because of the average neutrality of the soil.

"The reclamation problems there are relatively small when compared with identical operations in Western Kentucky, where the soil is highly acid," Gannon added. "Current laws governing strip operators require posting and maintenance of a bond, guaranteeing reclamation of mined land. Bonds can only be released after inspection and approval of reclamation of Gannon's division."

Inspection of Eastern Kentucky strip mine reclamation projects will continue at a stepped up rate through this year, supervised by Gannon and Redwood Taylor, Sr., field agent for the division.

To The Parents and Voters Of Educational Division No 5

We earnestly solicit your help in electing a man to the Floyd County Board of Education who will put our children, their education and welfare first.

We beg you not to allow any other consideration to enter into your decision.

We want to free our schools and teachers of political domination. Our children will benefit enormously from this freedom.

Before you decide which candidate to support, ask yourself which one is most likely to work hardest for our schools.

Find out which candidate is endorsed and backed by politicians. If he is backed by politicians you can be sure it is not in the interests of our children or our schools to vote for him.

Only one candidate was persuaded by parents and parents alone to run for election.

He has two good reasons for accepting. Those reasons are his own two children.

He will not wait four years to begin to make improvements.

He will start immediately after taking office.

There are many who will be doing everything in their power to prevent his election. Be on the lookout for their tactics. Find out all the facts beforehand and don't let last-minute attacks alter your decision.

We are depending on the parents and good citizens of our district to elect James Arville Duff to the Floyd County Board of Education.

Ask for your school ballot Nov. 6, and vote for James Arville Duff. He is the parents' choice.

4 REASONS WHY YOU SHOULD VOTE NOV. 6 FOR KENTUCKY'S

EARLE C. CLEMENTS

LAWRENCE W. WETHERBY

CLEMENTS-WETHERBY TEAM

1. THE MEN

Earle C. Clements and Lawrence W. Wetherby have been teammates in starting—and finishing—many jobs for Kentucky and Kentuckians!

Seldom have two public servants accomplished so much working together. With their background of proven service to Kentucky and their knowledge of its needs and problems, here are two veteran statesmen truly qualified to fight your battles in Washington. Each will take a personal knowledge of every Kentucky problem to the Nation's Capitol.

2. THEIR RECORDS

Over the years, singly or together when they were in state government, Earle C. Clements and Lawrence W. Wetherby have accomplished much.

The Clements record as Governor and Senator includes:

- INAUGURATED NEW RURAL ROAD PROGRAM.
- MADE GREAT ADVANCES IN EDUCATION AND PUBLIC WELFARE.
- STARTED NEW INDUSTRIAL AND TOURIST DEVELOPMENTS IN KENTUCKY.
- DOUBLED APPROPRIATIONS FOR KENTUCKY WATERWAYS DEVELOPMENTS.
- AIDED IN RESTORING TOBACCO CROPPERS AFTER BENSON CUT THEM.
- PROTECTED INTERESTS OF KENTUCKY FARMERS IN SOIL BANK ACT.
- SPONSORED FEDERAL AID FOR EDUCATION.

- AIDED IN SECURING \$33 BILLION DOLLARS FOR OUR HIGHWAYS.
- These and other accomplishments are in the Wetherby record for Kentucky:
- INCREASED STATE SCHOOL FUNDS 88%.
 - SPONSORED CONSTITUTIONAL AMENDMENT TO LOWER VOTING AGE TO 18.
 - AIDED IN BRINGING 511 NEW PLANTS AND 41,000 JOBS TO KENTUCKY.
 - HELPED BUILD FINE STATE PARK SYSTEM AND TOURIST INDUSTRY.
 - DURING HIS 8 YEARS IN FRANKFORT, 17,000 MILES OF ROADS BUILT.
 - INCREASED BENEFITS TO AGED, NEEDY, CHILDREN AND BLIND.
 - CREATED MENTAL HEALTH DEPARTMENT AND NEW HOPE FOR THE ILL.
 - BUILT THE NEW STATE FAIR AND EXPOSITION CENTER.

3. THEIR PLANS FOR KENTUCKY

Both these men know your problems and how to solve them at Washington. In addition, Senator Clements would return to Congress with the prestige of a leader and a strong position on important committees. These items are in their platforms:

- DEVELOP KENTUCKY'S WATERWAYS AND WATER RESOURCES.
- REDUCE FEDERAL TAXES.
- INCREASE FEDERAL INCOME TAX EXEMPTION.
- GET SPECIAL TAX RELIEF FOR SMALL BUSINESSES.
- GIVE THE FARMERS 90% OF PARITY SUPPORTS ON BASIC CROPS.
- SECURE FEDERAL AID TO EDUCATION.
- INCREASE FEDERAL FUNDS FOR OUR HIGHWAYS.
- REPRESENT THE PEOPLE OF KENTUCKY—NOT SPECIAL INTERESTS.

4. THEIR IMPORTANCE TO THE NATION:

Adlai Stevenson ought to be elected President and Estes Kefauver should be Vice President. They will need a Democratic Senate to help carry out the Democratic platform—which is a platform for you.

Republicans would wreck your hopes for the future if they win control of the Senate.

Frankfort, Oct. 22 (Spl.) — Kentucky's Acting Deputy Commissioner of Public Safety is alarmed at the number of highway users unfamiliar with the proper traffic accident reporting procedures.

James E. Bassett, III, who is also Director of Operator Responsibility, says, "After processing reports of some of the 28,941 traffic accidents that happened in Kentucky last year, we believe many motorists don't know the legal requirements for reporting wrecks."

He explained that drivers involved in any Kentucky accident where someone is killed or injured or there is total property damage of \$100 or more, must file accident reports with the Division of State Police.

Emphasizing that accident rules and regulations have been Kentucky law since 1946, Bassett explained the two basic reporting steps which must be followed:

(1) An accident report must be filed with the Division of State Police, Frankfort, within 10 days from the date on which the accident occurred, regardless of who is at fault.

Failure to report an accident or failure to give correctly the information required by the Department of Public Safety in connection with such report shall be a misdemeanor and, in the event of injury or damage to the person or property of another in such accident, shall constitute grounds for suspension or revocation of the operator's license and registration of any motor vehicle of the person failing to make a report. A non-resident's operating privileges in Kentucky will be revoked and a request for similar action forwarded to the person's home state.

(2) Each operator or owner of a vehicle involved in an accident in which there is total property damage of \$100 must show proof of financial responsibility — proof of ability to pay, for damages result-

ing from an accident. Proof of financial responsibility may be furnished in four ways:

1. A certificate of insurance.
2. A corporate surety bond.
3. A certified check or money order.
4. A general release from aggrieved party.

If the parties involved in an accident carried liability insurance, Form SR-21 must be completed in detail and forwarded to the Division of Operator Responsibility, Department of Public Safety, Frankfort, within 60 days after the accident. Failure to show proof of financial responsibility within 60 days for the damages and all personal injuries sustained in an accident, will result in the suspension of the operating privilege of all operators, also the registration certificates and plates of all owners involved.

Commissioner Bassett cited a fictitious example: "Motorists A and B are driving their respective automobiles and collide. Both A and B must file an accident report within 10 days with the Division of State Police. In addition, A and B must also separately show proof of financial responsibility to the Division of Operator Responsibility, within 60 days after the date of the accident, or their individual driving privileges will be suspended. They must comply with the regulations that have been Kentucky law since 1946 regardless of who is at fault."

Proposal For Bonds Is Vital To Areas Without U. S. Roads

Frankfort, Oct. 22 (Spl.) — Counties not included in the federal interstate highway system have a big stake in the proposal that Kentucky issue bonds worth 100 million dollars to get money to match U. S. roadbuilding funds.

State officials and others championing the bond proposal are pointing out that meeting all federal matching requirements with bond money would release 37 million dollars in the next three years to build primary, rural or secondary and urban roads.

Officials say Floyd county would share in these released funds.

The 37 million would be regular state highway money. Without bond money, it would be necessary to dig into this sum to match federal funds. This would leave few, if any, dollars to build county and feeder highways, general and farm-to-market roads across the state.

Unless the bond issue is approved at the polls Nov. 6, counties interested primarily in these roads are likely to see the 37 million dollars spent on federal roads which perhaps do not cross their boundaries.

The importance to these counties of the bond proposal was cited recently by Gov. A. B. Chandler at a press conference attended by a Statewide representation of newsmen.

It would be foolish, the governor declared, for the Commonwealth not to take advantage of a plan under which the U. S. would pay 90 per cent of the cost of an interstate road system and at least half of the cost of other federal-aid highways.

If the bond proposal fails, officials say, Kentucky's share of this cost must be raised from other sources—most likely from the 37 million dollars so vital to county needs.

The annual finance campaign in the Lonesome Pine Council of the Boy Scouts will be conducted Oct. 16-19, inclusive.

President Eisenhower's firm and positive leadership, his experience and determination, made it possible for his Republican administration to end three long years of bitter warfare in Korea.

True. But service IS one of the big reasons Woodmen of the World has become the world's financially strongest fraternal benefit society. In addition to the many services rendered our members, local Woodmen units (Camps) perform hundreds of services in their communities.

More than 437,500 Woodmen enjoy safe, sound, legal reserve, low cost life insurance protection through plans that meet every need. Of more than \$7½-million paid in 1955 death and disability claims, litigation required settlement in but a single one—a record second to none in the life field.

These are some of the reasons why Woodmen of the World can be described as an institution of Fraternity . . . Protection . . . SERVICE.

Navy's Icebreaker, First To Enter Polar Ice Pack

The Navy's icebreaker USS Glacier recently became the first ship in sailing history to enter the Ross Sea ice pack this early in the season. Earliest contact with the Ross Sea belt was made on Dec. 7, 1912 by the Kainan Maru, a Japanese ship.

Chief Boatswain Walter E. Frumierie, USN, of 2652 Tanglewood Lane, Jacksonville, Fla., Officer of the Deck at the time the Glacier entered the outer pack, described it as "small icebergs and flows of brash ice (jagged fragments)."

The 8,600-ton ice-buster plans to skirt the outer fringe of pack ice and take up a position to serve as picket station for the aircraft flying from New Zealand to McMurdo Sound, Antarctica, as part of "Operation Deepfreeze II."

Deck divisions were busy throughout the day de-icing six to eight inches of ice which covered deck fittings and weighted down the ship.

"Deepfreeze" is a four-year program supporting scientists who will make earth studies in the Antarctica during the International Geophysical Year 1957-58.

NOVEMBER 2 TO DECIDE RACE

The Dickinson system of rating and the outcome of three games on November 2 will determine the victor of the 1956 Eastern Kentucky Mountain Conference high school football crown.

Three teams, Hazard, Paintsville, and Pikeville are still in the running and either one of the three can cop the title. Hazard may lose out, since it does not meet either Pikeville or Paintsville.

On November 2, Hazard is host to Fleming. Currently an "A" team under the rating system, Jenkins invades Pikeville, and Prestonsburg squares off with the Tigers in Paintsville.

As of now, Hazard leads 5-0 in games won, Paintsville is 5-1 and Pikeville 4-0-1, under the rating system. Hazard won all of its games against "B" teams, thus has 100 points. Paintsville has beaten one "A" team, lost to one "A" team and beaten four "B" teams for 125 points. Pikeville has whipped two "A" teams, two "B" teams and tied by a "B" team for 115 points.

THREE IN POST-SEASON BOWLS

High school grid teams of the E.K.M.C. will participate in three of the eight post-season "Bowl" games in the state. Seven are set for November 9 and the Coal Bowl for the afternoon on November 10. The Bowl lineup:

Big Sandy Bowl, Paintsville
Madison-Model (7-0-0) vs. Paintsville (7-1-0).

Pinnacle Bowl, Middlesboro
Middlesboro (6-2-0) vs. Whitesburg (4-4-0).

Coal Bowl, Benham
Fleming-Neon (4-2-1) vs. Cumberland (5-3-0).

Recreation Bowl, Mt. Sterling
Corbin (7-1-0) vs. Dixie Heights (6-1-0).

Cumberland Lake Bowl, Somerset
Williamsburg (6-1-1) vs. Somerset (4-2-0).

Jaycee Burley Bowl, Shelbyville
Valley (6-1-0) vs. Shelbyville (6-1-0).

Deer Hunters Get Rare Chance To Stalk Game

Frankfort, Oct. 21 (Spl.)—For the first time this century, Kentucky deer hunters are looking forward to an open season at home.

Three days, Nov. 8-10, have been set aside by the Fish and Wildlife Commission and the Department of Fish and Wildlife Resources, during which, residents of Kentucky and some other states may legally kill deer in Kentucky. The entire state is not open for hunting but in 27 counties hunters may legally stalk deer.

The hunting hours are 7 a.m. to 4 p.m. (CST). The hours were chosen as a safety measure for hunters, to limit the kill and facilitate law enforcement.

Only bucks with at least two points on one antler may be killed and the limit is one deer a hunter. A \$5 deer hunting permit must be held by the hunter in addition to the regular hunting license. Use of dogs is prohibited.

Legal firearms will be rifles with center fire cartridges of a calibre not less than .243, a bullet weight not less than 100 grains, and if a bullet smaller than 130 grains is used, the cartridge must develop 1,000 pounds of muzzle energy. This excludes the 25-20, and 32-20 and all less powerful cartridges. No full automatics may be used.

Shotguns of any gauge may be used but shells must be loaded with a single slug. Buckshot is illegal. As a safety precaution hunters must wear red clothing.

Residents from Indiana and Missouri are barred from hunting in Kentucky due to a reciprocal provision in the Kentucky Revised Statutes. A farmer wishing to hunt on his own land may do so without a hunting license but must have a deer permit. Adult hunters must accompany all juveniles.

Counties in which deer may be killed are Christian, Caldwell, Livingston, Lyon, Trigg, Hancock, Hopkins, Bullitt, Meade, Breckinridge, Hardin, Nelson, Edmonson, Hart, Barren, Cumberland, Metcalfe, Breathitt, Perry, Knott, Carter, Fleming, Greenup, McCreary, Pulaski, Lewis and Rowan north of U. S. 60.

Kentucky biologists have estimated a herd of from 2,000 to 3,000 deer has been built from a release of 100 deer during the past ten years.

Research on spreading alfalfas, a type legume that produces several plants each year from the mother plant, show considerable promise. In the Kentucky area, it may help replenish stands thinned by adverse climate, soil and disease factors.

Weight for weight, potatoes have one-fourth as much vitamin C as oranges, and one-half as much as tomatoes.

Pikeville Edges Paintsville; Crippled Cats Lose to Belfry

Two of the three undefeated high school football teams in Eastern Kentucky fell by the wayside last week-end with Pikeville edging Paintsville, 12-7, in the big Mountain Conference contest, and Hazard dropped a non-conference tilt to Somerset, 7-0.

In other games of the Friday sessions, Jenkins whipped Hurley, Virginia, 27-7, after Hurley had nipped Elkhorn City, 13-12, Tuesday afternoon.

Belfry won its first game from Prestonsburg in eight years in besting the injury-riddled Prestonsburg Black Cats, 19-0.

Before some 5,000 fans in the Pike county seat, Coach Bobby Phillips' unbeaten but once-tied Panthers marched 70 yards in seven plays in the final two minutes to remain in the race for their second successive E. K. M. C. title.

With both teams playing their best game to date, a third-period injury to Tiger Halfback Frankie Patton, who has scored 115 points, was a big factor in the game.

Each team missed two scoring opportunities in the first period of the bruising battle, but fumbles stopped all the threats. With a minute to play in the second period, Tiger quarterback Jim Conley, playing with a bad bruised arm, grabbed off Larry Phillips' pass on the Pikeville 30 and returned it to the 9-yard line. On the next play sophomore fullback Joe Rapier scooted around end for the game's first marker, and Patton plunged for the point after for a 7-0 half-time lead for Paintsville.

Pikeville speedster Buddy Elkins took the second half kickoff and raced back to mid-field, H. L. Justice, Larry Phillips and Max Butcher alternated to the Tiger nine, but Elkins' bid for a first down on the Tiger 10 failed. Paintsville ran the ball two times and fumbled and on the second play Patton, who suffered a chipped elbow.

Pikeville took to the air on aerials from Phillips to Justice, but failed to gain, and Paintsville again had the oval on its own 10. Two plays advanced to the 12 and Paintsville fumbled for the second time within its own 15.

Elkins, a 10-second racer, sped over from that point, and the extra point attempt went wide and Pikeville trailed, 7-6, entering the final two minutes. Elkins climaxed a 70-yard seven-play series by going over from 15 yards out with 50 seconds left.

Then Jim Conley took to the air and guided his mates to the Panther five-yard marker as the clock ran out. Conley had personally gained 40 yards on the final play, being caught by H. L. Justice and Larry Phillips.

Both lines tackled viciously in the clean, heated battle, which resulted in nine fumbles.

Rapidly-improving Jenkins sent quarterback Garry Harrison over for two first-period touchdowns, and halfback Bill Elkins for a 30-yarder in the second canto for a 20-0 half-time margin. Coach Nick Diachenko's unit added a final marker in the fourth on Elmer Brashear's long jaunt.

Prestonsburg, minus regulars Paul Hughes, Monty Rice, and Buford Crager, had little left to combat Belfry, which turned two Blackcat attempted kicks and a fumble into a 10-0 win.

FORD TRUCKS COST LESS

... less to own ... less to run ... last longer, too!

• Before you buy your next truck, look at both sides of Ford's story of value. You'll like what you see.

Look at costs. Ford's first cost is low. Resale value is high. Modern Short Stroke engines—V-8 or Six—are designed for less friction, less wear, lower running costs. Maintenance costs are lower, too, because Ford trucks are built stronger for rugged long life.

Look at what you get and you'll see you get more for your money in a Ford. For example, only Ford gives you modern, gas-saving Short Stroke power in every truck, V-8 or Six. More comfort with a Driverized Cab. More safety with Ford's exclusive Lifeguard features.

Look carefully... consider everything. You'll agree Ford trucks cost less, give you more. If you want a great deal—a great deal more for your money—see your Ford Dealer.

Chandler Warning Bans Favoritism

Frankfort, Oct. 22 (Spl.) — Gov. A. B. Chandler has cautioned his cabinet members to take all necessary steps to guard against favoring individuals doing business with the state.

At a recent cabinet meeting, he told Highway Commissioner Bert Kiser to make sure no contractor receives information that would give him an unfair advantage in bidding on state projects.

"I want to be emphatic on this score," Chandler declared.

The Governor urged State Auditor Mary Louise Foust to take the same precautions in handling finances. "If you find anyone getting a single cut he is not entitled to, make him pay it back," he said.

Chandler advised Finance Commissioner James W. Martin to "keep the noses of all unauthorized persons out of our business."

Acting Safety Commissioner Don Sturgill was advised not to let anyone "fix" drunken driving convictions.

The Governor told Revenue Commissioner J. E. Luckett to make sure the state gets all the tax money to which it is entitled.

MARTIN

The W. M. S. of the First Baptist Church met Oct. 17 with its president, Beatrice Webb, presiding. All members were urged to bring to the next meeting gifts for the Pinecrest shower. The society voted to buy materials for the G. A. S. New officers for the coming year will be installed, Oct. 24 by the pastor, Rev. Guy Deane. These officers are:

Lora Moore, president; Lydia Hall, vice-president; Alice Baldrige, secretary-treasurer; Chadie F. Cochran, program chairman; Nelma Hall, prayer chairman; Jean Hagans, stewardship - chairman; Beatrice Webb, mission study chairman; Lydia Hall and Sadie Ratliff, community missions chairman; Judy Deane, youth director and counsellor.

Members attending the meeting were Mesdames Alice Baldrige, Chadie F. Cochran, Judy Deane, Jean Hagans, Nelma Hall, Thelma May, Lora Moore, Sadie Ratliff, Beatrice Webb.

W. S. C. S. MEETS
The W.S.C.S. of the Martin Methodist Church met Oct. 9 in the church basement. An interesting program on "Volcanoes in Southeast Asia" was given, with Mrs. Jerry Martin as leader, assisted by Mrs. Crisp, Mrs. Dorothy Allen and Mrs. Edna Babb.

The business meeting was presided over by the president, Mrs. Jola Crisp. The Society has selected a patient at the Hazlewood Sanatorium in Louisville to whom a monthly allowance and gifts will be sent.

A dessert course was served by the hostesses, Mrs. George Frazier and Mrs. Jerry Martin, to Mrs. Dorothy Allen, Mrs. Edna Babb, Mrs. Iva Carr, Mrs. Tina Allen, Mrs. Jola Crisp, Mrs. Grace Mahood, Mrs. Daisy Perry, Mrs. Kathryn Hall, Mrs. Reynolds.

The Martin P.-T.A. is making a drive in the Martin school district in an effort to secure adequate supplementary reading material for children in grades one to eight. The books will be screened and those suitable for each grade will be placed in those rooms. The list of books would include story books for all ages, both popular and classical. Small dictionaries are especially needed.

Persons having books they would like to donate should contact Walter Frasure, principal of the grade school, or Mrs. Sherlee Frazier, president of the P.-T.A.

Some men's idet of a pleasant luncheon is to start a terrific argument, and then stroll off to the billiard room.

Rev. Dorsey To Attend Methodist Workshop

The Rev. Harold W. Dorsey of Prestonsburg will attend a national workshop for deans of Methodist pastors' schools October 23-24 at White Bluff, Tennessee.

Principal speaker for the biennial workshop will be the Rev. Dr. John O. Gross, Nashville, general secretary of the Methodist Division of Educational Institutions; Bishop Donald Harvey Tippet, San Francisco, head of the San Francisco Area of The Methodist Church; and the Rev. Dr. L. Harold DeWolf, Boston, a professor in the Boston University School of Theology.

Warning, Against Danger Of Fires Given Citizens

Frankfort, Oct. 21 (Spl.) — With the opening of Kentucky's forest fire season Oct. 15, H. W. Breckman, acting director of the Division of Forestry, urged all citizens to observe extreme caution in handling fire near heavily forested areas.

During the 60-day fire season, forest fires can start soon after a rain, Breckman said. Since Jan. 1, the forestry division has suppressed 924 fires which burned an area in excess of 22,000 acres.

The division is protecting 6 3/4 million acres in Kentucky.
