

THURSDAY

PRESTONSBURG, KENTUCKY

MARCH 28, 1957

This Town— That World

An optimist is that individual who will venture from shelter to walk around the block in March without a raincoat.

Flu is spreading hereabouts. The sneezing season.

But just think of days ahead—gentle, April showers; May flowers. June brides, July 4th, no election in August. Life is good, even if sometimes good and tough.

IN APPRECIATION

We do not expect to acknowledge as fully as we should all the help from so many organizations and individuals that was given after the January flood. But this newspaper should, we feel, add to the list of those who helped the names of M. J. Wolverton, of Elmhurst, Ill., who sent three boxes of clothing, and the Christian Science organization in Kentucky which sent a check for \$50. Our acknowledgement goes to these in particular, since their contributions were sent to The Times.

NEVER REALLY GONE

The national Red Cross closed up disaster headquarters here Friday and left. But such agencies as the Red Cross and the Salvation Army never exactly leave; they're just on vacation from any given spot, with their date of return to be fixed by the next call for help.

Now it's our turn for those of us who can to give to them. Something is wrong with us if we fail them. The Red Cross drive is now under way.

FISHING REPORT

Fishing remained good, mostly of mornings, last week at Dewey Lake but fell off during this week's bad weather. Those whose catches sent their less fortunate brethren scurrying for the boats were:

Oral Delong, Prestonsburg, three bass weighing 15 pounds, 23 ounces, caught Saturday morning.
Henry Gray, Prestonsburg one

ORKNEY MINER ROOF VICTIM

Kettle-Bottom Fall Claims War II Vet; Last Rites, Sunday

Elmer Bentley, 34, East McDowell miner, was killed in a mine accident at Orkney, at 4 p. m., Thursday of last week. He died within a short while from injuries sustained when a kettle-bottom fell on him. Internal injuries were given as the cause of death.

Mr. Bentley, a veteran of World War II, was a son of Hat and Dorothy Jones Bentley of McDowell, and the husband of Joan Con Bentley, who survives. Surviving children are Keith, Joyce Ann and Mona Lee, all at home. Surviving brothers and sisters are Emert Bentley, East McDowell, Estill and Marion Bentley, both of McDowell, Paul Bentley, Wooster, O., Carl Bentley, in the Air Force, Fort Bragg, N. C., H. F. Bentley and Curt D. Bentley, both at home, Mrs. Irene Burke, East McDowell, Mrs. Ruby Damron, Ashtabula, O.

Funeral services were held Sunday at 10 a. m. at the home, the Revs. Bert Hall and the American Legion conducting the last rites. Burial was made in the Greenberry Hall cemetery under the direction of Hall Bros. Funeral Home.

BRIEF AGREES COUNTY NOT TO PAY FOR BONDS

LAWYERS SAY CASE SHOULD GO TO TRIAL

Louisville Firm Admits Responsibility for Debt Rests on System Income

The long-disputed question as to Floyd county's responsibility for the bonded indebtedness created in connection with the purchase of gas and water firms which have been incorporated into the Floyd County Water & Gas System may have been settled by attorneys for a suing bondholder, it was said here this week.

C. H. Benderman, one of the purchasers of bonds issued in the purchase from private interests of the several utilities, recently filed suit in U. S. district court at Pikeville, asking of Floyd county \$198,000 due on the bonds and suing County Judge Henry Stumbo and members of the fiscal court individually.

County Attorney Hollie Conley and C. Kilmer Combs, Prestonsburg attorney, recently filed a brief asking dismissal of the suit as to Floyd county. Last Thursday the Louisville law firm of Skaggs, Hayes & Fahey, representing the plaintiff bondholders, filed a brief with the clerk of the U. S. court at Pikeville in opposition to this motion for dismissal.

Their brief for the plaintiff said, in part: "Floyd county contends that bonds sued on are revenue bonds and are not payable out of the general funds, or the tax revenues, of the county and therefore, it is clear that the plaintiff bondholder cannot require Floyd county to pay such bonds and coupons out of its tax revenues."

Continuing, the plaintiff's attorney said:

"This has always been admitted by the plaintiff and other bondholders, but the fact that the bonds are payable only out of the revenues from a specific water and gas system does not furnish any grounds which will serve as a basis to sustain the motion to dismiss the complaint."

The Skaggs, Hayes & Fahey brief added as an argument against dis-

DAMAGE SUITS SEEK \$66,975

P'burg Man Defendant As \$50,000 Is Sought In Death of Childers

Two damage suits filed in circuit court here following the death of one man and the injury of another in automobile wrecks seek to recover a total of \$66,975.

In one of the suits, William J. Childers, administrator of the estate of Kenneth Childers, sues Lewis Patton, of Prestonsburg, for \$50,000 damages, plus \$1,000 burial expenses. Kenneth Childers was fatally injured March 3, near Allen, in a collision of his and Patton's autos. The plaintiff alleges that Patton drove his car so negligently that the wreck occurred when Childers was operating his auto in a careful manner.

In the other suit Lee Hamilton, Jr., asks \$15,000 damages for severe leg injuries, plus \$500 medical bills and \$475 damages to his truck, naming Sterling Hamilton, doing business as the Ozie Coal Company as defendant. He alleges that on Feb. 20 Bob Jones, an employe of the defendant, drove defendant's truck up Mud Creek and collided with him as he sat in his truck.

Second Bookmobile Driver To Be Hired

The Floyd County Library Board announces that applications for a second driver-librarian for its second Bookmobile are being received.

All applicants should apply in writing, giving their qualifications and experience. Applications should be addressed to Robert J. Wallace, Bookmobile, Prestonsburg, Ky., and should be filed with him by April 22, 1957.

PLACES OPEN, RAIDERS CALL

Whiskey, Beer Found In Club, Restaurant, Spots Ordered Closed

Two places that had previously been closed by official order were open when deputy sheriffs called on them last Friday and Saturday and from each intoxicants were taken by the officers, Sheriff Gorman Collins said this week.

A small quantity of beer was found at the Miners' Club at Hunter which Circuit Judge Edward P. Hill had ordered closed a few months ago. Raiding officers said there were many empty bottles and boxes about the premises.

The restaurant of Betty Pitts, at Martin, which had been closed by order of Sheriff Collins because she had operated it without a permit, was raided Saturday afternoon and 29 half-pints of whiskey were confiscated. The operator was arrested on a warrant alleging sale of whiskey, the Sheriff said.

EXPECT 1,500 FOR FESTIVAL

Six Floyd-co. Schools Sending Representatives To Regional Music Fest

Some 1,500 student-musicians from 21 Eastern Kentucky schools will gather at Pikeville College for the Pikeville Regional Music Festival, April 3 to 6.

The best of the 300 entries, including individuals and large and small groups, will be qualified for the Kentucky State Music Festivals in April and May at Lexington. Besides those enrolled with state participation as their goal, over 40 other solos and groups are listed to perform only at the local meet for the comment and criticism of the judges, Dr. A. A. Page, college president, said today.

State-contest rating will send pianists and singers to the vocal and piano section of the State Festival at Lexington April 23 and 24, and winners of the top rating in other instrumental music will attend the instrumental section May 10 and 11.

Contestants from Prestonsburg, Martin, Maytown, Wayland, McDowell and Wheelwright high schools will take part in the festival. Among the entries is the first violin solo to be registered for the Pikeville festival in the meet's 25-year history. The young violinist, Linda Stevens, is a sophomore in Hazard high school and the violin pupil of Mrs. Miriam P. Dobyns, Hazard.

Thirteen high-school choruses and 13 bands, each with up to 60 members, will make up the majority of the festival participants. Some

RED CROSS FLOOD AID BILL TOTALS \$453,103

The American Red Cross last Friday afternoon closed the disaster headquarters it has maintained here in the First Methodist Church since the record January flood which swept this area.

During the 49 days the disaster organization had operated here the Red Cross spent \$453,103.58 toward the emergency relief and rehabilitation of flood-stricken families in this county.

LOCAL LABOR HIRING URGED

Mayor Sandige Denies Waterworks Contractor Using Own Labor Force

Local labor is being used by the contractor on the Prestonsburg waterworks project, Mayor Harry Sandige wrote Commissioner Oscar J. Coke, of the Kentucky Department of Industrial Relations, after Coke had written him that he had received reports that the contractor is bringing his own labor force here from Huntington, W. Va.

Saying that he had received numerous letters relative to the big water works project here, Coke wrote Mayor Sandige, in part:

"It appears to me that the contractor is bringing his own labor force from Huntington instead of trying to employ local labor. This, of course, would not seem so terribly bad under different circumstances and conditions, but due to the recent flood where so many people were practically wiped out and are badly in need of employment, surely they should be given serious consideration. . . . In a situation such as this it would seem not only the sensible thing to do but also the humane thing to insist that Coleman Tractor employ every available employe from that vicinity."

Clyde Allen, business agent for Local No. 378, Plumbers and Steamfitters, said that as a rule union men are not being employed on the job. "Since they're not employing union men, we intend to see that they pay strictly according to scale and comply with the law," he added.

The Prestonsburg Mayor said in his reply to Coke's letter: "The Coleman Tractor Company, contractor on waterworks construction project, has brought in only key men, composed of the following: one general superintendent on the plant, one mechanic, two equipment operators and three water line pipe men."

The Mayor added that there will possibly be hired locally four or five form carpenters, some 15 or 20 laborers and one or two concrete finishers. He said the contractor "has been very cooperative in employing, at the city's request, insofar as possible, residents of Prestonsburg."

"We badly need," he wrote Coke, "a new water plant here, and it is our desire to rush same to completion without strikes and other delays."

WORK ON GYM SEEN MONDAY

Completion Date set For January 1, 1958; No Deadline Exists

Assurance was given County Superintendent V. O. Turner this week by Akers & Akers, contractors, that work will be resumed next Monday on the new gymnasium here after long idleness at the project.

Work was discontinued several months ago with inclement weather and upon the advice of architects who feared the danger of freezing concrete if the bleachers were poured during the winter, it was said.

Completion date envisioned by the contractors is Jan. 1, 1958, and one member of the firm expressed the hope the end of work could be advanced two months earlier.

Total cost of the structure, for which funds were voted by the Prestonsburg taxpayers, will be \$267,700. This figure is \$1,700 higher than the original contract price, since certain reinforcement work was added to the original agreement. The original agreement to construct the building was made between the Prestonsburg Independent school system, now merged with the county system, and the contracting firm.

The contract calls for completion "within reasonable time," and no specific deadline was set.

With the completion of the new structure the county system's first million-dollar-plus school plant will be finished, it was noted. Cost of the gym and the nearby Prestonsburg high school building, plus the interest on bonds, will exceed \$1,000,000.

Work on the gymnasium was delayed last year when structural steel was not immediately available.

The Prestonsburg school system has not had gym facilities since fire destroyed the old wooden gym here in 1954. Quality of high school basketball here has deteriorated since that time because of lack of a practice floor. Because all games have of necessity been played away from home, interest in the sport has fallen to a new low locally.

FLOYD WOMAN TRUCK VICTIM

Auto-Truck Collision Fatal to Mrs. O'Brian; Husband Critically Hurt

Mrs. Amy Mae O'Brian, 38, was fatally injured in a car-truck collision at Wooster, O., at 6 p. m. Friday. She died later in a Wooster hospital. Critically injured was her husband, Orville O'Brian, who is in a Wooster hospital. A son, Adrian O'Brian, 18, escaped uninjured. Few details of the tragedy were available here Tuesday evening but it was thought the husband was driving. The cause of the collision was not stated.

Mrs. O'Brian was a daughter of the late Bee and Mary Salisbury Lykins and is survived by the following sisters and brothers: Mrs. Alta Moore, of Hunter, Mrs. Martha Mosley, Rittman, O., Mrs. Rosa Daniels, West Prestonsburg, Mrs. Bernece Tack, of Drift, Mrs. Jean Hatfield, Willow Run, Mich., Mrs. Geneva Salisbury, of Hunter, and Hillard Lykins, Rittman, O.

Funeral services will be conducted Friday at 10 a. m., at Hunter and burial will be made in the Salisbury cemetery under the direction of Hall Bros. Funeral Home.

LIBRARY LOSS RELIEF GIVEN

Flood-Destroyed Books In Area Being Replaced By Generous Indianians

Eastern Kentucky's 20,000 library books loss was believed well on the road to replacement this week when it was noted that Fort Wayne and Allen county, Indiana, had collected 25,000 volumes for the area. This county lost 2,000 library books, more than 400 of them from the Bookmobile.

The total of 20,000 books lost does not include textbooks lost in the January flood. This county lost 10,809 text books, worth \$13,986.17, it was noted sometime ago by County Superintendent V. O. Turner. Most books lost by the Bookmobile were at Prestonsburg, Cliff, Allen, Martin, Betsy Layne, Harold, Emma and Spradlin Branch, according to Robert Wallace, Bookmobile librarian.

Wallace received a consignment of 76 volumes Friday from the Library Extension Division, Frankfort, as a partial replacement. Mrs. W. C. Livingston, supervisor of technical processes, wrote the Floyd county librarian: "Most of these are gifts from book publishers to be sent to areas where books were destroyed by the recent flood."

Heaviest loss of library books in this area was in Pike county where 10,000 were lost. Only two other counties, Breathitt and Letcher, lost as many as Floyd.

The job of moving the ten tons of books, packed in 500 cartons, from Fort Wayne to Frankfort was completed Monday. Distribution of the books, to be made by the Library Extension Division, will begin at once, it was said by the state group.

STUDENT AID PLAN IS TOLD

Princess Elkhorn To Give 5 College Scholarships Program Begun in 1944

Princess Elkhorn Coal Company, of David, has announced that it will again offer five college scholarships this spring following a program established in 1944.

Any graduating senior in Floyd or Johnson county may compete for one four-year scholarship with an annual value of \$400. The recipient of this award may study engineering, medicine, theology, or teaching at the college of his choice.

Two four-year scholarships with an annual value of \$400 will be awarded to sons of Princess Elkhorn employees to study mining, electrical or mechanical engineering.

Dr. Lusby To Preach At 'Open-House Meet'

An "Open-House Meeting," scheduled to begin at the Arnold Avenue Church of Christ April 5 and to continue through three days, will be conducted by Dr. J. Lowell Lusby, president of the Kentucky Christian College. Assisting Dr. Lusby will be Prof. Donald A. Nash, and LaVern Karns, director of music, both of Kentucky Christian.

A Christian College quartet and trio will also contribute music to the revival, it is said.

The public was extended a cordial invitation to the revival by church leaders and was invited to inspect the new addition to the building.

TRAILER FIRE CLAIMS MAN

Eugene Stephens Found In Trailer-Home Ruins; Burial Made at Owsley

Eugene Stephens, 35 years old, formerly of Betsy Layne, burned to death early last Saturday morning in the fire which destroyed his trailer-home at Columbus, Ohio.

Death of the former Floyd countyman was discovered at 11:55 a. m. Cause of the blaze has not been determined, it was said. He had gone to Columbus, only a week prior to his death, and had found employment there.

A native of Boldman, he was a son of Bud and Margaret Boyd Stephens, both of whom survive. Other survivors include a daughter, Miss Margaret Ann Stephens, of Paintsville, and the following brothers and sisters: Millard, Stalard and Bernard Stephens, Mrs. Fannie Lynch, Mrs. Artha Hamilton, and Miss Hazel Stephens, all of Betsy Layne, Mrs. Wilda Duval and Mrs. Roxie Meade, both of Boldman, and Mrs. Cora Rice, of Mossy Bottom. His wife, Nancy Wheeler Stephens, died Feb. 19, last year.

Funeral rites were conducted from the Hurricane United Baptist Church, the Revs. Isaac Stratton, Johnny King and Bert Conn officiating. Burial was made in the Stephens cemetery at Owsley, Pike county, the Preston Funeral Home directing.

TEACHER APPRECIATION SENTIMENT IS LAUDED

This is Teacher Appreciation Week, and County Superintendent V. O. Turner in recognition of it expressed Tuesday for himself, his staff and the entire school system an appreciation of the instances of regard being extended the teachers by the communities in which they serve.

"We, at the office, trust that we will hear more as we have heard in the past, of communities making some gesture of appreciation to the teachers who are rendering a service without which our society would slip backward," he said in a prepared statement.

Turner issued also an invitation to those teachers who through the years have emigrated to other systems and states to return to Floyd county and work again in training our youth.

"The present administration would like, at this time of teacher appreciation, to invite you to return to your native county, not with the intention of replacing those who have loyally stood by during trying years, but to fill the vacancies which we have from time to time. We would like to show our willingness to

Evans Named Chairman Of Easter Seal Sale To Aid Crippled Tots

George E. Evans, Jr., of Wayland, has been named chairman of the 1957 Easter Seal appeal for crippled children in Floyd county.

O. L. McElroy, Eminence, state chairman for the sponsoring Kentucky Society for Crippled Children, announced the appointment.

The month-long drive opens March 21. A week later, Easter Seals will be mailed to 400,000 Kentuckians with letters asking for contributions to expand the work of the Kentucky Society.

Easter Seal funds last year financed medical and hospital care, special schooling, therapy, equipment such as braces and crutches, and hearing services for 2,600 children. The 1956 program cost the Kentucky Society \$267,787—of which \$217,402 was raised by the Easter Seal sale.

McElroy said there are an esti-

HAMMER CASE WRIT ISSUED

Suspect, Banner Man, Not Arrested; Borders' Condition Is Improved

A warrant accusing Norman B. Hamilton, of Banner, as the person who assaulted 69-year-old Homer Borders, attendant at the Fulk Market, Allen, the night of March 18, was sworn to Monday by State Police Detective E. L. Cornett.

Hamilton, a man of about 30, had not been arrested Tuesday noon.

Condition of Borders, who was dealt eight blows on his head with a claw-hammer, has been serious, but a relative of the injured man said Tuesday, that improvement is noted in his condition and that his recovery is expected. His skull was fractured.

Although the top of Borders' skull was crushed by one or more of the blows, he did not lose consciousness on the night of the attack, nor has he since that time. Surgery has not been performed. Borders is at Our Lady of the Way hospital, Martin.

A warrant has not been issued in the robbery of the fruit market. Officers said, day after the robbery-attack that they had almost conclusive evidence as to the identity of the assailant. Mr. Borders told them he did not see his attacker. He was struck repeatedly as he entered a vacant room outside his sleeping quarters at the rear of the fruit market, and investigating officers surmised that the hammer-swinger had stepped from behind the door as Borders entered.

Because he was struck so many times, officers reasoned that Borders' assailant planned to kill him.

2 MEN JAILED AFTER CHILD'S JUGULAR CUT

Combatants in Case Waive Examination; Bond Set at \$5,000

A five-year old Floyd county boy died Saturday night, the delayed action victim of a fist fight on Little Mud Creek between two men, both of whom are being held here to face possible manslaughter charges.

The tot, Garnie V. Hunter, stood by as Herb Salisbury and Kell Hamilton fought. According to the story told county officials, Salisbury hit Hamilton, knocking him against the child. The boy rolled down an embankment, striking a broken fruit jar.

The child's jugular was penetrated by the jagged jar, and he led to death less than 20 minutes later.

Hunter and Salisbury, both of whom are about 30 years old, waived examining trial Monday, and County Judge Henry Stumbo remanded them to jail on their failure to execute \$5,000 bond.

Five carloads of officers were dispatched to the Trace Branch of Little Mud Creek by Sheriff Gorman Collins after word of the tragedy reached him, and these arrested Hamilton and Salisbury and brought with them 25 others who were booked as drunks. Among these were a woman and nine men, all of whom were arrested at one place as drunk.

The victim was a son of Walker and Ruthie Hunter, surviving, besides the parents, are 10 brothers and sisters, Clifford, Otis, Russell, Garrett, Joan, Brenda Joyce and Burma Joyce, all at home, Mrs. Lorence Griffith, of Garrett, Mrs. Elsie Mae Owsley and Mrs. Wanda Lee Fannin, both of Kendallville, Indiana. The funeral was held Tuesday from the Regular Baptist Church at Blue Moon, the Revs. Tack and Johnny Hall and Worley Kidd officiating. Burial was made under direction of the Hall Brothers Funeral Home.

HEALTH DEPT. PLANS CLINICS

Fight on Polio Resumed With Clinics at Schools; Salk Vaccine Still Free

The Floyd County Health Department has resumed a schedule of polio clinics in an effort to give immunization to as many persons under age 20 and as many pregnant mothers as will accept the free services, it was announced this week by M. V. Clark, department administrator.

The polio season, it was noted, is not far distant, and only a fraction of the county's population has been immunized against the disease.

First of the clinics already have been held, but prevalence of influenza and a virus cut down on attendance at these. These schools will later be visited again.

The Left Beaver section of the county in particular has had a near-epidemic of flu this month. Dr. Russell Hall, of Wheelwright, was quoted as estimating there were 300 flu and virus cases in Wheelwright and Weeksburg this week. The Garrett section of Right Beaver Creek and scattered communities over the county have been hard-hit.

Mr. Clark says an ample supply of Salk vaccine is on hand to meet all demands at the series of clinics now under way but that after June 30 no free vaccine will be available. The federal appropriation, which made free vaccine covers the period ending on that date, and is for the immunization of persons 20 years of age and under, it was explained.

The Salk vaccine last year was 80 per cent effective. To emphasize the importance of polio immunization and to point out the danger of failing to take advantage of the Salk vaccine, Miss Julia Ann Johnson, public health educator, State Department of Health, gave talks and showed films at the Wayland and Martin schools, Wednesday.

The health department's polio clinic series will be held at the schools of 14 communities. Re-

Kentucky Senators Hear Big Sandy Co-op Leaders Explain Power Program

Several officials of the Big Sandy Rural Electric Co-op, which serves 4,200 rural people in this area, journeyed to Washington last week to attend a dinner honoring Kentucky's congressmen.

They were George Jones of Thelma, Kentucky; Russell Goble of Tomahawk, Kentucky; Cran Kinkle, of Paintsville.

Both of Kentucky's senators, John Sherman Cooper and Thruston B. Morton, and four of the eight representatives were on hand to hear brief summaries of the rural electric co-op program in Kentucky. In brief responses, the congressmen reviewed their past support of the rural electrification program and assured the group of their future support.

In his brief response, Senator John Sherman Cooper assured the 75 co-op representatives present that "a good man will be chosen" to fill forthcoming vacancy on the board of directors of the Tennessee Valley Authority.

"I can bring you this news," declared Cooper. "I know that the character and background of the men being considered are proof that a good man will be chosen."

Regarding another matter rural electric co-op spokesmen were concerned about, Cooper said:

"I hope that soon we will have before the Senate a self-financing plan for the T. V. A."

The representatives present were John M. Robison of the Third District; Brent Spence of the Fifth District; William N. Hatcher of the Second District, and Carl Perkins of the Seventh District.

COAL GAINING LOST GROUND

Totals at Mid-March Show Production Lag After Flood Reduced

Coal production in the field represented by the Big Sandy-Elkhorn Coal Operators Association, which skidded to a low of over 20 percent less in the flood-week ending Feb. 2 as compared to the corresponding period last year, has narrowed the production lag percentage until it is now slightly less than three percent behind.

Latest figures released for the week ending March 16 by the Association's office in Pikeville show a decrease of 87,670 tons less than the corresponding week last year. During the flood week, ending Feb. 2, there was a decline of 287,680 tons or more than 20 percent. The next week's percentage of decline was less, but the number of tons had skidded to 314,400 short of the corresponding week in 1956.

Only five mines in the group represented by the Association worked longer than three days in the week ending Feb. 2. Eighteen mines worked either one or two days, probably Monday and Tuesday preceding the flood. The average for the week was 1.88 days.

Four weeks after the flood, for the week ending March 2, tonnage had risen to a total of 2,253,410 or 212,810 short of the previous year's record still over eight percent lower. Days worked were more normal that week, having an average of 4.51. Few mines worked less than five days that week.

The latest report of the Association, for the week ending March 16, shows a shortage of only 87,670 tons under the period of last year and a percentage loss of only 2.987. Railway cars, of 50 tons each, loaded the last reported week stood at 6,240.

Truck mine operations, perhaps the hardest hit by the flood, are now running far behind last year's figures. As of March 16 their tonnage was only about half the tonnage they had loaded in the same period last year.

Cooley Elkhorn Coal Company was shown as temporarily closed in the last report.

FIRE DRILLS
THE STATE JOURNAL of Frankfort reported recently:

"Nancy and Harry Lee Waterfield, Jr. missed the fun at their home this morning when Frankfort firemen arrived on a 'practice run.'"

"Purpose of the visit was to show how firemen could rescue Lt. Gov. Harry Lee Waterfield's two teen-age children from their third floor rooms in case of fire."

"Pete Peveler drove the big red fire truck on its early morning visit to the Old Governor's Mansion on High Street, and the entire crew, working under the direction of Asst. Fire Chief William Tucker and Fire Capt. Vergil Tillet ran ladders up to the third floor rooms on both sides of the house."

"Mrs. Waterfield came out to talk with Fire Chief Bernard Carter and then to take Carter and Tucker on a fire inspection tour of the house as well."

To The Voters of Magisterial District No. 1

(And especially you forgotten people up the branches who have to wade out or go around the hill to reach the main highway):

These who have so long been neglected are the people who should be interested in electing as your Magistrate a man who was raised up a branch and who waded mud and water to go to school, even as you have done and as your children do.

I am that man. I know how rough such paths are. I have waded the branches and climbed fences to cut through fields on my way to school.

If elected your Magistrate, I will do all in my power to eliminate such conditions and to do something for those who have had little or nothing done for them in all the years that have passed.

I was born and raised on the head of Middle Creek, and all the old-timers know me. As to kinfolks, I suppose I am related to as many people as any man in the county. I have no job and have nothing else to do except to look after the needs of the people—ALL the people, not just a few. I can be found where I am supposed to be and you will not have to hunt for me.

I feel that I am qualified to run this office in a business-like way. I am not backed by any company or political ring. If elected, I can go into office free and unincumbered, not to be bossed by any one.

I will appreciate your support.

DENTAL CLINIC TOLD TO QUIT

Appellate Court Holds Free Clinic Does Good But That Work Illegal

The Cody Free Dental Clinic, of Knott county, conducted by W. G. Lewis, was ordered to terminate its operations Friday of last week although the Court of Appeals did find it was contributing a good and worthwhile service. The court said the clinic was not licensed and therefore could not operate.

The case, originally heard by Special Circuit Judge E. D. Stephenson who ordered Lewis to cease his work, was taken to the appellate court on the grounds the clinic was performing an essential service for mountain people.

Lewis had suggested the Appeals court could "exercise its equitable powers" and forego statutes requiring a license from the Kentucky Board of Dentistry.

"Doubtless, under the circumstances of the present case, the good outweighs the bad," the court conceded.

The trainees get certificates instead of degrees. Free service is given to individuals as a means of providing practical training.

"The free clinic actually performed dental service—filling cavities, extraction, and some plates—for 1,500 persons during its operation," Lewis' brief said. "And when it was closed, there were several thousand on the waiting list."

"But the appellant's laudable purposes and his charitable and helpful services do not justify bypassing the sanctions of the Kentucky Board of Dentistry."

"We must recognize the ancient maxim that 'equity follows the law' and that the appellant has collided with the law."

Lewis, a man of 70, has a degree from Michigan State, Columbia University, and the University of Chicago.

Lewis said he and his trainees make no pretense that they are licensed dentists or instructors.

"A person in Knott county suffering from a toothache is relieved by having the tooth pulled or pain eased, even by a practical novice, properly equipped, although not licensed, and we doubt that an African aborigine who may be served in the future by these students would care whether their instructor had ever been licensed or not."

Large quantities of ground water are available in most parts of the Jackson Purchase region in western Kentucky, a preliminary map released by the State Economic Development Department shows.

The State Park's activity is increasing with each passing week. Mrs. Ben Kilgore, parks director, said. She added cabins and cottages are available in all the State Parks throughout the year.

3-Town Enlistee Group To Receive Designation Of "Big Sandy Flight"

T/Sgt. Junior Murphy, local Air Force recruiter, announced this week that the Air Force Recruiting Service, in cooperation with the newspapers and radio stations of the Big Sandy area, are starting a special flight enlistment.

This special buddy group will consist of young men from the Prestonsburg, Paintsville and Pikeville areas. Members of the "Big Sandy Flight" will undergo Air Force basic training together as a group. This special flight gives young men from the Big Sandy area an opportunity to enter the Air Force and still be stationed with friends from their home towns.

The "Big Sandy Flight" will be administered the oath of enlistment into the Air Force on April 15, 1957. The swearing-in ceremonies will be held somewhere in the Big Sandy area at a site to be announced at a later date. The ceremonies will be covered by the press and radio and an on-the-spot radio broadcast of the ceremonies.

Young men desiring further information on the "Big Sandy Flight" should contact Sgt. Murphy at the Post Office Building, Prestonsburg or by calling him collect at 4021.

MRS. OSBORNE AT BERE A

Berea, Ky. — Dr. Kenneth H. Thompson, Associate Dean of Berea College, this week announced that Mrs. Shirley Osborne Gibbs, formerly of Bevinville, Ky., was on the Dean's Honor List for scholastic achievement at the College during the first semester, 1956-1957.

To attain the Dean's List a student must have all B's or a 2.4 quality point standing out of a possible 3.0 for the semester under consideration regardless of grade distribution.

Mrs. Gibbs is a senior at Berea College and a 1953 graduate of the Wheelwright high school.

HENSON ON HONOR LIST

Berea, Ky. — Dr. Kenneth H. Thompson, Associate Dean of Berea College, this week announced that Palmer Henson, son of Norman Henson of Hi Hat, Ky., was on the Dean's Honor List for scholastic achievement at the College during the first semester, 1956-57.

To attain the Dean's List a student must have all B's or a 2.4 quality point standing out of a possible 3.0 for the semester under consideration regardless of grade distribution.

Mr. Henson is a senior at Berea College and a 1951 graduate of the McDowell High School, at McDowell, Ky.

Countywide Book Fair To Exhibit 800 Volumes; Six Town Are Scheduled

Beginning April 15 at Prestonsburg and running for eight days, a countywide book fair will show at six towns and schools in Floyd county.

Eight hundred new books will be on exhibit with trained librarians on hand to answer questions. Every age-level and all interests are included. The schedule of the fair:

Prestonsburg, April 15, 16; Wheelwright, April 17, 18; Maytown, April 19; Martin, April 22; Wayland, April 23; Garrett, April 24.

Each school and town is preparing notices that there will be a night session at each place and that the public is invited.

School librarians, Clem Martin, of the County Superintendent's office, and Robert J. Wallace, Bookmobile librarian, will attend the fair at the several places to help with the exhibits and supply information to the public.

MYF Sub-District Meet Is Held At Maytown

The Floyd county Methodist Youth Fellowship sub-district held its monthly meeting in the Maytown Methodist church, March 18. The president, Donald Ray Scafe, opened the meeting. The Maytown MYF presented an interesting program of music and stories on the Damascus, Jerusalem to Jericho, Calvary, and Eternal Roads. The secretary was not present, so the publicity chairman, Kay Roberts, acted as secretary. The roll call was taken with the Prestonsburg Community MYF winning the banner with 19 present. The Prestonsburg First Church MYF ran them a close second with 18 present and the Wayland MYF was third with 17 present. The treasurer, Marianna Martin, reported \$40.99 in the treasury. The president reported that the Kentucky Youth publicity chairman is beginning a newspaper for this conference. The chairman will report news of this sub-district.

The next sub-district meeting will be held in the First Church of Prestonsburg.

DODGE PowerGiants

Most Power of the Low-Priced 3!

Everybody agrees . . . the main reason for buying a truck is to haul a payload. That being the case, doesn't it make sense to get the truck that's powered and built to carry the most in its weight class? Of course it does! That's why so many truck owners are switching to Dodge.

Dodge gives you the most powerful V-8's of the low-priced three, ranging from 204-hp. pick-ups to 232-hp. tandems. And Dodge trucks are built especially tough to handle bigger loads. For instance, Dodge pick-ups can haul up to one-third more than other competitive makes.

Dodge makes hauling these bigger loads easier, too. Shorter turning radius lets you needle in and out of tough traffic spots in a jiffy. Power steering is available on most models, and the extra convenience of a push-button transmission* can be yours only with Dodge.

Think it over. After all, it's just plain good business to get the most for your money . . . and your dealer can prove the most truck for your money is Dodge.

*Available in all low-tonnage and Forward-Control models.

Actual Payload Capacity
1825 lbs. 1400 lbs. 1500 lbs.

Facts prove the Dodge D100 pick-up beats both competitive low-priced models in payload. Model compared is a Dodge 6, 100 pick-up, 7 1/2-foot body. In larger pick-ups the Dodge lead is even greater.

Holifield Gets Governor Award

Frankfort, March 25 (Spl.) — The first annual Governor's Medallion for "exceptionally meritorious, conspicuous and long-standing public service" has been presented.

It went to Asst. Atty. Gen. M. B. Holifield, 85, an assistant under seven attorneys general since 1928 and the oldest assistant attorney general still active in the nation.

Gov. A. B. Chandler presented the medallion to Holifield's secretary, Mrs. Lucy Rodman, as several hundred State employees watched the ceremony in front of the Capitol. Holifield was ill in a Lexington hospital at the time.

The Governor said the award will be made yearly on June 1, the Commonwealth's birthday anniversary.

Holifield is considered the foremost authority on the Kentucky Constitution. The citation of the award in an executive order signed by Chandler described Holifield, a Graves county native, as an "outstanding citizen and public servant, cherished legal, civic and lay religious scholar and mentor, grand dean of Kentucky jurisprudence and lawyers' lawyer, gracious gentleman and upholder of the Christian faith."

Chandler read a letter to Holifield which stated: "Many of your achievements have earned the undying gratitude of the people of Kentucky. Perhaps most notable was your successful handling of the legal struggle that freed Southern rail shippers from discriminatory freight rates."

"This outstanding example of your ability, which was exemplified most dramatically by your brilliant representation of the Commonwealth's interests before the Supreme Court of the United States and the Interstate Commerce Commission has saved Kentuckians millions of dollars."

HONEST EFFICIENT QUALIFIED

A Graduate of International
Detective School of Washington,
D. C. Class of 1947, No. 5860
(A son of Buck Gray and
Lona Ousley Gray)

Experience counts. Elect a young man your Sheriff, who needs the office and who likes officer work and has had eight years of HONEST, FEARLESS and IMPARTIAL law enforcement in Floyd county.

When nominated and elected I WILL BE YOUR SHERIFF and I will be out in the county with my deputies to see that you are served as you should be by me and my deputies. All legal papers placed in my hands will absolutely be served regardless who they are for. And all cases or crimes that I am called out on will be investigated and a full report made to the proper authorities. I find during my campaign over the county that this is the kind of sheriff you want, so I feel for sure you will elect me your Sheriff—on the Democrat ticket. Again, I thank those of you who are helping me in my campaign for this office of yours.

Your friend,
AMOS GRAY

Merit System For Engineers Held Important

Frankfort, March 25 (Spl.) — The proposal to put state highway engineers under a merit system has been called "one of the most forward steps the Department of Highways has taken since its inception."

The speaker was Highway Commissioner Robert Humphreys. He told the Kentucky Highway Conference at the University of Kentucky, Lexington, that he wanted the engineers to stay out of politics and do the engineering.

Dean D. V. Terrell of the university college said the merit system "should have a far reaching influence on young people thinking about coming into the highway department."

Gov. A. B. Chandler has said he will prepare an order to bring under the merit system all graduate or licensed engineering personnel of the road agency.

Humphreys expressed confidence the state's 100 million dollar road bond issue would be declared valid by the courts in a test suit and said the Commonwealth's vast road program would depend more upon engineering than financing.

Lt. Gov. Harry Lee Waterfield said "there's not going to be any trouble selling the bonds." He declared he was confident the state would get the highest available rating in the bond sale, because Kentucky has no general bonded indebtedness, though there is some revenue bond debt.

Pastor Says Services Brings New Inspiration; Revival Ends Sunday

"During this week, March 31, the First Methodist Church has enjoyed great inspirational moments, individuals have experienced new commitments to Christ and the church, and the great attendance indicates the attention of the community," the Rev. Harold W. Dorsey, pastor, of the church, said Tuesday. The pastor added:

"Dr. Lacour is bringing messages nightly from the Bible which are practical. These messages will continue to benefit the children and youth of this community down through the years."

"The music has been outstanding. The concert program of harp and organ has been inspirational and worshipful."

The revival, known as the New Life Mission, will continue through Sunday of this week.

Dr. Lacour has announced his sermon topics as follows: Tuesday, "Overcoming Anxiety and Loneliness"; Friday, "Will You Go To Heaven?"; Saturday, "You Can Save the World"; Sunday morning, "A Church Where Things Happen"; and evening, "Will You Open The Door?"

The public is invited to worship at 7:30 p.m., each evening.

An unnamed man who was detected unloading liquor at Martin was chased Saturday afternoon by Deputy Sheriffs Chester Neeley and Ed Amburgy to Ball Branch, Knott county. He escaped arrest. Neeley, Amburgey, Al Patton, A. J. Reed and Joe Wheeler Lewis were in the Martin and Hunter raids, with Clyde Lester joining them at Martin.

Bill Smith, Jr. of Prestonsburg, was jailed Monday, in default of bond after he had been accused of stealing \$400 in cash, luggage, a movie camera, a watch and other jewelry from Mrs. Sam Fitzpatrick at the Turner hotel here.

Mrs. Fitzpatrick said some of the stolen property had been recovered, and she gave Fire Chief Vernon Blackburn and Chief of Police Epp Lafferty full credit of the work which led to the arrest.

Others jailed within the week, charged with major offenses:

Ogil Prater, Howard Perry, Robert Samons, Luther Kennedy and Bernice Newsome, all accused of drunk driving; Donald R. Prater, Corey Weddington, and Venis Hall, possessing moonshine whiskey; Charles E. Howard, a.w.o.l.; Bill Hubbard, of Bull Creek, breaking and entering; Clyde Hicks, Jr., robbery.

BODY AND SOUL

READERS of "In Kentucky," the official magazine of the Commonwealth, evidently are more interested in art and food, nourishment for both body and soul, than in other topics.

G. M. Pedley, editor, reports that most letters about the winter edition of the magazine that come to his desk comment on a feature on Paul Sawyer, the Frankfort artist who died in 1917, and a reproduction of a Sawyer painting.

Another feature on old Kentucky has attracted editorial comment from other states and a good many letters from persons asking where to buy this delicacy.

The Fairlane Club Victoria is a brilliant example of the Mark of Tomorrow styling and built-in plus-values that have made Ford the best-selling car in the nation.

FORD is the lowest priced of the low-price three!

Everywhere you look in the new Ford, you see plus-value features. And these advanced features that make Ford your best buy today . . . also make it your best buy for the years ahead.

There are many plus-values in the all-new "Inner Ford!" You don't ordinarily see many of the plus-value features that are built deep down into the all-new "Inner Ford." For example, such features as the new, sturdier, contoured frame and new suspensions, front and rear.

There's a big plus-value in Ford power for '57! This year, you can pick a Ford engine to suit your power needs from a whole new family of mighty Ford V-8's. Or you may choose the new Mileage Maker Six.

Ford is worth more when you sell it! The years-ahead styling and rugged "Inner Ford" features that make Ford worth more now are the features that will make it worth more when you are finally ready to sell it or trade it in.

Ford is priced right! Comparison of manufacturers' suggested retail delivered prices proves that model for model, Ford is the lowest-priced, full-size car.

Action Test a Ford . . . and see for yourself! The only way to get fully acquainted with a car is to get behind the wheel and drive it. And we will be happy to have you come in and Action Test a '57 Ford at any time.

Cadets Name Burchett Athlete Of The Month At Millersburg School

James Burchett, son of Mr. and Mrs. Bev. Burchett, of Prestonsburg, has been named by the cadets of Millersburg Military Institute, Millersburg, Ky., the school's Athlete of the Month.

The honor was accorded him for his outstanding ability on the rifle team. Leader of the second platoon, he is captain of the M. M. I. rifle team and has a total of 1,025 points in three matches. Young Burchett also is credited with spearheading the move for a rifle team at the school. "If," says a news report from the Millersburg school, "it had not been for Burchett's continuous encouragement, M. M. I. might not even have a rifle team. At first it was recognized only as a pastime for boys who had nothing better to do. Now it is one of the major sports, just as football, basketball and baseball."

Burchett attended Prestonsburg high school and Our Lady of the Mountains Academy before enrolling last year as a junior at M. M. I.

Red Cross Expenditures Noted by Representative At Recent Kiwanis Meet

The American Red Cross spent \$464,000 in relief work in this county following the recent flood, Darrell House, of Paintsville, field representative of that organization, told a joint meeting of Kiwanis and Kiwanians last Friday. The joint meet was in observance of Kiwanianne Founders Day.

A breakdown of the figures for this county by House shows \$35,000 spent for emergency care, \$20,000 for emergency food and clothing, \$110,000 went for building repairs, \$263,000 for house furnishings, \$15,000, food, and \$21,000, medical supplies.

Mrs. Patsy Wright, president of the Kiwanians, gave a brief history of the Kiwanianne following House's speech and introduced the nine Prestonsburg charter members. A presentation by the Patsy Teenagers, directed by Mrs. Chalmer Frazier, was an enjoyable addendum to the program.

"House urged the people of Eastern Kentucky to dig a little deeper in the next campaign to raise funds for the Red Cross," says Don Sullivan, public relations chairman of the Kiwanians, in order to assist other areas in emergencies such as ours."

Sullivan, in urging regular attendance at the Kiwanians meets, said the attendance drive is still going on.

FOOD NOTES

By DIXIE TRAPP
Home Demonstration Agent

The Home Canning Institute of America predicts that 20,000,000 families or approximately 50 percent of all U. S. families will do some home canning this year. Floyd countians can join this trend by planning their canning as they plan their gardens.

Excellent booklets on food preservation have been prepared by the U. S. Dept. of Agriculture. In addition here is a list of the points to check before starting home canning.

1. Plan early, before you have anything to can. Make a list of the kinds and amount of foods you want to put up.

2. Decide the size of jars and cans to use, you may want both pints and quarts of the same foods.

3. Get supplies of cans, jars, caps, rubbers, etc. early. Be sure to get enough—a few extras allowing for breakage or damage.

4. Examine all cans, jars and caps.

Check the pressure cooker to be sure it will function properly. The seal should be tight, the vent free of obstruction and gauge accurate. (Pressure cooker gage tester will be in the Extension Office March 15-April 15. Bring only the lid to have yours tested).

Whether home canning is for fun or thrift, it means better eating.

Legion Post Nominates Officers; 10th District Sets Wheelwright Meet

Floyd Post No. 129, American Legion in its Monday evening meet here nominated officers for elections to positions for the ensuing year and set Monday, April 8, as the date for the election, according to Herbert Patton, commander.

The Tenth District meet of the Legion is scheduled at Wheelwright, Monday, it was said. Host of the district will be Wheelwright Post No. 223. The meet is slated to begin at 1:30 p.m.

Ralph A. Clevinger, 10th district commander, in a letter to all post commanders and adjutants last week said that the Wheelwright meeting is scheduled because the recent flood prevented the previous meet. Principal speaker of Wheelwright meeting will be Paul Seyfrit, Louisville, field representative of the Kentucky Department. Clevinger noted that R. R. Thomas, director of the Kentucky Ex-Servicemen's Board has been invited to speak on the benefits available from the government to veterans or their widows.

Nominations made at the Monday evening meet here for election are Homer Wright, commander, Walter L. Crace, first vice-president; W. G. Africa, adjutant, Herbert Patton, finance officer, Marshall Davidson, service officer, Tom James, chaplain, Jay Salyers and J. P. Allen, sergeants-at-arms.

BABE CLAIMED

Helen Dean Hackworth, nine-month-old daughter of Robert and Betty Hackworth, of Cliff, died of influenza Monday at 10:30 a.m. at the home of the maternal grandparents, Mr. and Mrs. Sam Bayes, of Brainard. One brother, besides the parents, Robert, Jr., survives, as do the paternal grandparents, Mr. and Mrs. Bruce Hackworth, of Bonanza. Funeral rites were conducted Tuesday at the graveside by Rev. Charlie Rowe and burial was made in the family cemetery under the direction of Carter & Callihan Funeral Home.

EIDS SOUGHT

The state is seeking bids on the first construction project in Kentucky under the new federal-aid interstate highway program. The Highway Department said it would receive bids on the project—a four-lane, 318-foot bridge over Nolin river in Hardin county—until 10 a.m. CST, April 5, when they are to be opened.

We stand behind our work so that you will have complete satisfaction. Quick service, too Your watch will be ready in a short while.

Philadelphia Woman Leads Successful Voluntary Slum Beautification Program

A voluntary slum beautification program which might be duplicated in almost any community has been carried out in Philadelphia under the leadership of Louise Bush-Brown, an alert little woman in her 60's.

Lois Mattox tells the story in an article, "They've Made the Slums Bloom," condensed from the Christian Herald in the April Reader's Digest.

"Something wonderful has happened in the run-down sections in Philadelphia," reports the writer. "In the last four years almost 100 blocks once distinguished only by dingy, ramshackle buildings and trash-filled alleys have been transformed by flowering window boxes, shrubbery, trees and creeping vines. Vacant lots, cleared of rubbish, have become neighborhood gardens. Curbstones have been whitewashed, and doorways and window frames have been painted at the tenants' expense.

"The people, too, have changed. There's a new neighborliness and a community pride. The neighborhood kids, who were once destructive hellions, are now proud members of the 'garden patrol.'"

All this was inspired by Mrs. Bush-Brown, who retired in 1952 as director of the Pennsylvania School of Horticulture for women, but she insists credit belongs to the neighborhood people who did the job and cherish the results.

Philadelphia's transformation began on seven blocks of North Beechwood Street in 1953 when residents planted flowers and shrubs donated by cooperating garden clubs. The next year 2,000 window boxes were installed on 34 "garden blocks." By 1956, there were 93 blocks in the program, with each block having its own garden club or committee and striving to outdo the neighboring blocks in imaginative planting. In that year Mrs. Bush-Brown received Philadelphia's Gimbel Award "for outstanding contribution to humanity."

"Beauty breeds beauty—and goodness," she says. Just as the first flowers prompted the people to clear the littered streets, so has the new spirit moved into their homes and their lives. The colorful window box inspires neat curtains. Curtains emphasize the drabness of a room that needs brightening—and the room gets it.

"You have to go inside these homes to realize how far-reaching this idea is," a social worker told the writer.

HATS OFF
Here's an item from the Bulletin of the State Department of Mines and Minerals:
"Hats off to the clay mining industry of Kentucky during 1956. A total of 79 clay mines were in operation, employing approximately 800 men, and mined an estimated 1,295,450 tons of clay without a fatal accident. We remove our hats to all the clay miners of Kentucky for an example set in safety."

KENTUCKY GOOD WILL
Kentucky's State flag will fly in several Alaskan and Canadian cities this summer. The banner is being taken on a good will motor tour among our northern neighbors. The tour sponsored by the Greater Clarkston Assn. of Clarkston, Washington will leave that city June 12. It is designed to bring greetings from each of the United States to citizens of the Canadian and Alaskan cities through which the motorcade will pass.

MRS. HOWARD HONORED BY GIRL SCOUT GROUP

Mrs. Ray Howard, of Prestonsburg, was honored last week by the Sandy Valley Girl Scout Council for her services to scouting during the past seven years. Mrs. Robert V. May, of Prestonsburg, presented her with the Girl Scout Thanks badge at the semi-annual Council dinner held Tuesday evening, March 19, at the Green Meadows Country Club at Pikeville.

About 80 registered adult Scouts and friends of scouting attended the dinner at which Rev. Harold Dorsey, of Prestonsburg, was the principal speaker. Mrs. Howard has been a registered member of the Council from the Prestonsburg-David district since 1950 when she was a member of a troop committee. In 1952 and 1953 she served the Council as its public relations chairman and from 1954 to 1956 she served as the Sandy Valley Council president. The Girl Scout Thanks Badge is the highest award given by the Girl Scouts to volunteer adult members.

Also awarded were services numerals to registered members for five and ten years of service. The following received awards: 10 years—Miss Libby Ann Mays, of Wheelwright, and Mrs. Marie

Bartley of Pikeville; five-years—Mrs. Carrie Sanders, Mrs. Minor Pace, Mrs. Sarah McQueen, Mrs. J. B. Fields, Mrs. Annie Brannham, Mrs. Harry Benner and Mrs. Ruth Garrett, of Wheelwright, and Mrs. Woodrow Burchett, of Prestonsburg.

Miss Mays is the first member of the council to be continuously registered since she was a Brownie in 1947 till today when she serves as an associate adult member from the Wheelwright district.

The meeting was opened by a flag ceremony by the Brownie Troop No. 28 of Pikeville and the invocation was delivered by the Rev. Philip Bembower of Pikeville College. A business meeting followed. Troop 20 of Pikeville, under the leadership of Virginia Hatcher, presented a group of Girl Scout songs. Later in the evening the members of this troop received their Library Aide Bars for their work on a project of a visiting bookmobile which they operate once a week in each of two Pikeville hospitals.

Report of Council progress was made by Mrs. Zella Archer, executive secretary of the council and the standing committee chairmen.

ELIGIBLE DISABLED WORKERS HAVE SHORT TIME TO APPLY

People who have become unable to work because of severe and long-lasting disabilities have a new type of protection under the social security law, but according to the Bureau of Old-Age and Survivors Insurance, which administers the new provisions, many are not applying for their rights. The Social Security administration office, at Pikeville, says.

For many disabled people, failure to file an application with their social security district offices before the end of June will mean the loss of all their social security disability protection, and for some it will also mean the loss of their rights to any old-age and survivors insurance benefits for themselves and their families in the future. Should a disabled worker die without having filed an application to protect his social security disability rights, the survivors benefits payable to his family under the social security law may be greatly reduced.

The Bureau says that an estimated 700,000 severely disabled men and women in the country have worked long enough under social security to be eligible to have their social security records frozen under a 1954 provision in the law. When a disabled worker's record is frozen, the years when his disability keeps him from working are not counted against him in figuring the social benefits due him in the future or payable to his family in case of his death. Of the 700,000, about 400,000 people—those between 50 and 65 years of age—are eligible for monthly disability insurance benefits beginning with July.

Although social security district offices have been accepting applications from disabled workers since January 1, 1955, the Bureau reports that many of those eligible have not yet applied. Under the law, workers who were already disabled were given 2½ years to apply to protect their social security rights. After June 30, 1957, the end of that 2½ year period, an application will be effective to freeze a worker's social security record for no more than one year back.

A disabled person must meet certain work requirements at the beginning of his official "period of disability". He must have social security credit for at least 5 out of the 10 years before he became disabled, and at least a year and a half of the credit must have been earned in the three years just before his official "period of disability" began.

If application for the "disability freeze" is not made before June 30, 1957, many disabled workers may no longer meet these requirements at the beginning of the earliest "period of disability" which can be recorded. In this case, they would not be eligible to have their social security records frozen, and in addition, they would be ineligible to receive monthly disability insurance benefits at age 50. These disabled workers would have to wait until regular retirement age to receive any social security benefits and those benefits would be reduced because the years in which they were unable to work would lower the average earnings upon which their social security benefits are based. For some younger workers, delay in making application might also mean a complete loss of all social security benefit rights.

Control Annual Weeds In Strawberry Patches

Annual grasses and weeds in strawberry patches can be controlled by certain herbicides and careful attention to proved methods.

James Herron, University Agricultural Experiment Station weed specialist, says Crag Herbicide, used as a spray (3 pounds wettable powder material per acre for actual area treated) is recommended for 1957. The first application can be made 10 to 14 days after setting first-year plants. Old patches can be treated immediately after harvest, when rows have been narrowed and the patches rejuvenated. The same rates apply as for the new plantings.

Treatment when needed (usually at 4 to 6 week intervals throughout growing season) are recommended, he said. The herbicide will kill most annual plant pests, such as crabgrass, pigweed, and lambs-quarters.

Areas to be treated should be weeded thoroughly before treatment. The herbicide is not effective on weeds more than a quarter inch to a half-inch high. Tests at University of Kentucky show a Crag Herbicide program in the growing season will reduce the growth of chickweed and henbit the following year.

Do You Pay Taxes -- Then Read . . .

How many of us know how heavy is the indebtedness of Floyd county?

This is a matter that means much to every person who lives in Floyd county and pays taxes. Some day, our tax revenues may not be as large as they now are, and there is a possibility that this debt burden will fall on farmers, small business men and others who are unable to assume the load.

If elected your County Judge, I will call on the business men and the bankers of the county to help me solve this big problem of indebtedness. I will use their experience and knowledge with my own, and I myself will then buckle down to the job of getting the county out of the red and of proceeding with a sound, constructive program that will mean much to the county as a whole.

I pledge furthermore that we will work out a sound, sensible, forward-looking budget, and that that budget will not be exceeded. I invite every person interest-

ed in Floyd county and its future to work with me toward these and other aims which I have outlined in the past and which I will present during the campaign.

Sincerely,
BILL COOLEY

UNCLE SAM'S TAKE

Last year Floyd countians paid about \$2,770,000 in income taxes to the federal government, we are told. If a somewhat fickle memory does not fail us as usual, that is more money than George Washington spent on the entire country during his administration.

INCOMPLETE REPORT

Speaking of taxes and expenses, did you know that the Hoover Commission found that the Navy has a 69-year supply of hamburger in storage? The Commission failed to tell us anything about the buns and mustard, which is sheer dereliction of duty, we claim.

I REMEMBER . . .

This is Teacher Appreciation Week. Which takes some of us "way back to the days when we did not appreciate teachers as much as we do now, some 40 years later . . . We think of a one-room school and one or more long switches leaning up in the corner . . . of a certain knothole through which those "excused" to go outside sometimes peeked back in to see how the other "scholars" were getting along with their work . . . of the big boys who chewed tobacco and how one took dead aim and let fly through the knothole . . . of the anguished yelp outside and the teacher coming on the dead gallop. And we think of the absence of lunchrooms in those days—days when you took a lunch-pail and a bottle of milk to school with you, and then at noon, except in the worst weather, everybody went outside under the trees to eat. And then took their milk bottles to the branch, poured sand into them, let some water run in, then by vigorous shaking washed them clean . . . and made slate pencils, bad marks and whoopee . . . I don't go back to the Blue-Back Speller and Blab School era, but I go back pretty far, and the farther I go in the other direction the more I appreciate my old teachers. The more, too, I wonder why these young whippersnappers of today don't appreciate theirs.

(Continued from Page 3)

trance, only about 10 were outright rejections, it was said. The others who did not receive aid withdrew their applications, preferring to do this than to comply with certain regulations.

Headed by J. B. Green, Jr., area director, Red Cross workers from all parts of the country converged on Prestonsburg to carry on the work of meeting the needs of the flood-stricken. States represented by these workers are California, Georgia, Texas, Montana, Ohio, Illinois, Florida, Oklahoma, Missouri, Iowa, Oregon, Louisiana, Kansas, New York, Connecticut and Pennsylvania. One worker was from British Columbia, Canada.

"We never before had such cooperation from all sources as we have received here," national Red Cross workers said before leaving last week.

So busy has Floyd Red Cross Chapter been with the disaster work that the annual drive for Red Cross funds is getting off to a delayed start, Miss Ella Noel White, executive secretary, said. Actually, the real drive will not be launched till next Monday. Some special gifts have been received already, but the canvass of individual homes and businesses will not start till next week.

"Those who work with the Red Cross ask no thanks for themselves as individuals for the help that has been given, and I am among these workers," Miss White said here this week. "But I do hope that Floyd county will express its appreciation for what has been done by the Red Cross for so many in our county following this recent disaster."

An example of true appreciation, she said, was shown by a Martin woman who had been given a mattress after the flood. A few days later, she came here to contribute a dollar "so that somebody else can be helped". The woman, it was later learned, is an old-age assistance recipient.

45 piano solos and 23 baton-twirling solos are the largest single items on the program of the annual meet.

Three music-department heads from Kentucky colleges are among the four judges who will hear all the Pikeville entries and choose those to participate later in the state festivals. Dr. Page said. They are Rolf E. Hovey, Berea College, judging vocal and choral events; James E. Van Peursem, Eastern Kentucky State College, woodwind instruments, and Dr. J. E. Duncan, Morehead State College, brass instruments.

Ford Montgomery, of the University of Kentucky music faculty, will be judge of piano performances.

Mr. Hovey again will conduct the All-Festival Chorus, as he has done several times in recent years, and Dr. Duncan, on his first trip to the Pikeville meet, will lead the All-Festival band. The two groups of select young musicians from the participating schools will close the festival with a combined concert at 7 p.m. (EST) Saturday, April 6, in the Pikeville College gymnasium.

KEA Centennial Speakers Named

Frankfort, March 25 (Spl.)—Two of the chief speakers on the Kentucky Education Association's centennial day program April 11 at Louisville will be Norman Cousins, editor of the Saturday Review, and Miss Martha Shull, Portland, Ore., president of the National Education Association.

A highlight of the program will be a pageant, "The Opening Door," to be staged at the Fairgrounds Coliseum at 8 P. M. The nucleus of the cast will be New York professional actors and actresses, with some 50 supporting players recruited from amateur ranks. Clare Luce, internationally famous American actress, will be narrator.

The pageant will be preceded by a banquet at 5:45 p.m., at the Fairgrounds Dining Room. Tickets for the banquet may be purchased until April 1 at KEA headquarters, 1421 Heyburn Building, Louisville. There will be no admission charge for the pageant.

IS BURNIS THE FRIEND OF THE TAXPAYERS?

Could it be, that Burnis Martin purchased space in the newspaper to advertise the Tax League Cases for his OWN PERSONAL POLITICAL ADVERTISEMENT and that SINCERELY he was not honestly interested in the affairs of the taxpayers?

The only time Burnis Martin, has had an opportunity to save the taxpayers money was when the question of an assistant Commonwealth Attorney, or County Detective, arose. He then recommended to and brought pressure to bear on the Fiscal Court to appoint an assistant to himself, when we had never had an assistant to the Commonwealth Attorney before or since.

The job of Circuit Judge is a big job. Let's play safe. We do know Judge Hill, will do what he thinks right. "If it breaks a hame string," and that he has no bosses. A TAXPAYER (Pol. adv.)

Notice of Sale Of Electric Franchise

On the 24th day of January, 1957, the Fiscal Court of Floyd County adopted a resolution directing the sale at public outcry of a county electric franchise.

WHEREAS, the existing franchise for the operation of the electric lines on the public roads of this county will expire on October 5, 1957, and

WHEREAS, it appears that it is to the interest of the public that a franchise be advertised, sold and granted entitling the grantee to use the public roads of Floyd County for the erection and maintaining of lines for the transmission and distribution of electric power.

NOW, THEREFORE, be it resolved by the Fiscal Court of Floyd County.

Section 1: That there be sold at public auction to the highest and best bidder, the right, privilege, franchise and authority to construct, maintain and operate in, above, under, across and along the public roads, public ways, bridges and places of Floyd County, Kentucky (as the same now exist or may hereafter be laid out) lines for the distribution of electric energy, either by means of overhead or underground conductors, with all the necessary or desirable appurtenances, for the purpose of supplying electric energy to said county and the inhabitants thereof, and persons or corporations beyond the limits thereof, for light, heat, power and any other purpose or purposes for which electric energy is now or may hereafter be used, and for the transmission of the same within, through, or across said county.

Section 2: Said lines and appurtenances shall be constructed so as to interfere as little as possible with the traveling public in its use of the public roads, public ways, bridges and public places. The location of all poles or conduits shall be made under the supervision of the proper committee of this court.

Section 3: The rights, privileges and franchise hereby granted shall be in force and effect for a period of twenty (20) years from the date of passage of this order.

Section 4: Said grantee shall save the county harmless from any and all liability arising in any way from negligence in the erection, maintenance or operation of said lines and appurtenances.

Section 5: Whenever the grantee shall begin the erection of any lines or other equipment, it shall promptly and diligently prosecute the work to completion and leave the public roads, public ways, bridges, and places where such work is done in as good condition or repair as before such work was commenced.

Section 6: Whenever in this order either the County of Floyd or the grantee is referred to, it shall be deemed to include the respective successors or assigns of either, and all rights, privileges and obligations herein contained by or on behalf of said county or on behalf of said grantee shall be binding upon and inure to the benefit of the respective successors or assigns of said county or said grantee, whether so expressed or not.

Section 7: This franchise shall be accepted by the grantee within sixty (60) days from the date of the order granting it. The Fiscal Court reserves the right to reject any and all bids.

ter having advertised the time, place and terms of sale and the rights to be sold by posting five (5) written or printed notices, one at the front door of the courthouse and one in four (4) other public places in the county, the first date of posting such notices to be at least fifteen (15) days before the date of sale, and by publishing the same in the Floyd County Times for not less than three (3) consecutive issues next before the date of sale, to offer for sale at public outcry to the highest and best bidder at the front door of the courthouse in the city of Prestonsburg, Floyd County, Kentucky, between the hours of 10:00 o'clock in the morning and 2:00 o'clock in the afternoon, on some convenient date to be named in such notices and advertisements; and receive bids at public outcry for the right, privilege, franchise and authority to erect and operate such electric lines along such roads and places as set forth above.

No person, however, other than the owner of a plant and equipment sufficient to render the services required by this resolution shall be entitled to bid on such franchise unless such person shall deposit with the clerk before the commencement of the bidding a certified check for the sum of Five Hundred Dollars (\$500.00). Each person bidding on said franchise must produce to clerk a certificate of convenience and necessity from the Public Service Commission of Kentucky, entitling such person to bid upon said franchise. Said franchise shall be sold for cash in hand and such certified check shall not be returned until the amount of the bid has actually been paid to the clerk in cash.

IV The clerk will report his acts, together with all bids received by him for such franchise, to the Fiscal Court at its next regular or adjourned or called meeting to be held immediately after such sale.

Pursuant to the direction of the Fiscal Court of Floyd County as set forth in the foregoing resolution the undersigned will on Monday, the 8th day of April, 1957, at the front door of the courthouse in the City of Prestonsburg, Floyd County, Kentucky, and at 10:00 o'clock in the forenoon or shortly thereafter offer for public sale at public outcry to the highest and best bidder an electric franchise on the public roads of Floyd county, which electric franchise shall be in the terms set forth in the foregoing resolution and said sale shall be made in all respects in accordance with the resolution set forth above and all bidders will be required to comply with the terms of such resolution.

WITNESS, DuRan Moore, Clerk of the Floyd County Court and as such Clerk of the Floyd County Fiscal Court, this 19th day of March, 1957.

NOTICE

NOTICE IS HEREBY GIVEN that UNITED FUEL GAS COMPANY, a corporation, with its principal offices at Charleston, West Virginia, did, on the 14th day of March, 1957, file with the Public Service Commission of Kentucky at Frankfort, Kentucky, notice of adjusted rates to become effective for gas service rendered and gas supplied on and after April 8, 1957, unless suspended by order of the Commission. Said adjusted rates being as follows:

Schedule No. 1

APPLICABILITY Applicable to customers served from the Company's facilities in Kentucky.

AVAILABILITY OF SERVICE Available for general residential, commercial and industrial service. This Rate Schedule is not available for the purchase from Seller of natural gas to be used by Buyer as boiler fuel in an amount exceeding two thousand (2,000) Mcf on any one day.

RATE First 1,000 cubic feet, or the right thereto, used through each meter each month \$2.00

Next 29,000 cubic feet used through each meter each month .65 per Mcf.

Next 570,000 cubic feet used through each meter each month .56 per Mcf.

All over 600,000 cubic feet used through each meter each month .45 per Mcf.

MINIMUM CHARGE The minimum charge per month shall be \$2.00.

The above rates are predicated upon a base cost for gas delivered by the Company at the city gates, determined by applying to the gas so delivered the rates of the Company applicable to sales to interstate wholesale customers subject to the jurisdiction of the Federal Power Commission. Provision is made for adjustment of the above rates if such city-gate cost increases or decreases.

Schedule No. 2

APPLICABILITY Applicable to interstate utility customers served from the Company's facilities in Kentucky.

AVAILABILITY OF SERVICE Available for service to interstate utilities purchasing gas for resale within the State of Kentucky. This Rate Schedule is not available for the purchase from Seller of natural gas to be used by Buyer as boiler fuel in an amount exceeding two thousand (2,000) Mcf on any one day, or for resale for consumption as boiler fuel in an amount exceeding two thousand (2,000) Mcf on any one day by any one ultimate consumer.

RATE For all gas delivered through each meter each month \$0.43 per Mcf.

MINIMUM CHARGE The minimum charge per month shall be \$25.00

The hearings on said adjusted rates so proposed in said notice will be held at the offices of the Public Service Commission of Kentucky at Frankfort, Kentucky at 1:00 P. M. (CDST), May 29, 1957.

Pikeville Gets Sewage Funds

Frankfort, Mar. 19 (Spl.) — A grant of \$201,000 to the City of Pikeville for a new sewage treatment plant was approved today by the Kentucky Water Pollution Control Commission, Conservation Commissioner Laban P. Jackson, chairman, announced.

The sum, under U. S. Public Grant 660, will be granted effective July 1, start of the new fiscal year. Under its present budget, Pikeville has no funds available for sewage treatment until Oct. 1.

"Pikeville has been given top priority for the next fiscal year because of the tremendous flood damage it suffered this year," Commissioner Jackson said. "We know that Governor Chandler is very anxious to assist Pikeville in any way possible," he added.

The following cities received approval by the KWPC for grants under the current fiscal year of federal money for treatment works construction: Madisonville, \$156,297; Eminence, \$38,490; Morehead, \$132,750; LaGrange, \$52,000; Murray, \$32,700; West Liberty, \$46,956; Greenville, \$51,000; Owenton, \$6,720; and Muldraugh, \$24,510.

In other action, the agency passed a resolution directing its chairman to call before the Commission two industries, one in Owensboro, another in Cynthiana, for the purpose of showing cause why they should not be proceeded against for pollution of public waters in the Commonwealth.

Big Sandy Dam, the first movable needle-type dam built in the United States, was erected in 1896 on the Big Sandy, near Louisa at a cost of \$396,205.

Sheriff's Notice Of Delinquent Taxpayers

Ends, Rev. Church Says;
Green Extends Thanks**

The remainder of the clothing donated for distribution to flood victims here from other sections and turned over to the Rev. Howard C. Church is now out, it is said. Only a residue of inferior quality remains.

Nine tons were given out by Church, head of the Goodwill Mountain Mission, at his home on Abbott road. The Mission, now in its eleventh year, attempts to relieve indigent school children and provide them with clothing, particularly shoes.

The Goodwill Mountain Mission, recently received a note of recognition from Rev. Harold Dorsey, disaster chairman, and J. B. Green, Jr., area director of the American Red Cross, for its distribution of the Red Cross clothing.

"We have been hearing of the fine use you have made of these items and we know that you have been rewarded by knowing that you assisted so many needy families in Floyd county," the relief heads wrote.

**Granville Caudill, 69,
Of Prestonsburg, Dies
In Virginia Hospital**

Granville Caudill, 69, of Prestonsburg, died Monday of last week at the Community hospital, Norton, Va., at 8:55 p.m., of a heart attack. He was a retired miner.

Mr. Caudill was a son of the late Alex Caudill and Mary Cook Caudill. Two surviving sons are Ed and Elmer Caudill, both of Price, and a daughter, Mrs. Maggie Hall, of Virgie, Pike county. Two surviving brothers are George Caudill, of Ligon and Mack Caudill, of Topmost.

Funeral rites were conducted, Thursday of last week, at the Prestonsburg Freewill Baptist church, the Rev. Robert Martin officiating. Burial was made in the Buckingham cemetery under the direction of Turner-Ryan Funeral Home.

WAIT!

Be sure you know who you are voting for in this coming election. Make it the election that will mean most to you and your county.

I have served the public for 20 years, and it means a lot to know how to treat people. I don't think I have one enemy in this county anywhere. I am the son of the late Rev. George Patrick, of Garrett, Ky., and was born at Prestonsburg and lived there for 10 years. I was raised on Beaver Creek. I am not bringing my war record in this matter, although I did spend two years overseas serving my country.

Your help and support will be highly appreciated.

Thomas, industrial development representative of Kentucky Power Company.

The towns of West Liberty and Paintsville have won first place awards in their respective classification for achievement in the Better Eastern Kentucky contest for 1956 sponsored by Eastern Kentucky banks and the Kentucky Power Company.

In presenting the \$150 checks to Mayor Alvin Evans, of West Liberty, and Mrs. R. M. Wilhite, Jr., chairman of the community development committee in Paint-

sville, Rufus P. Thomas congratulated the representatives on winning in competition with 12 other communities in Eastern Kentucky.

Mr. Thomas said, "These communities won because they had submitted reports of their achievements and it showed the results of people working together all for the common good." While this was in recognition of the first year's achievement in the Better Eastern Kentucky con-

test, it also sets off 1956 as a year when 12 achievement entries were submitted to the Kentucky State Chamber of Commerce's Community Development Program. In the past only three entries came from Eastern Kentucky communities. "Our region can well be proud of its forward-thinking towns, and for the coming year of 1957, we can look for renewed interest in this same direction," Mr. Thomas said.

**Let's Use
Good Judgment**

In an effort to press some point furthering my candidacy for Representative from our District for the next two years—I will say there are many things which I could say I do not stand for—but I think it best to drop a thought or two about what I DO stand for.

FIRST:—I am standing for Representative of this No. 96 Legislative District, of which I hope we are already aware.

SECOND:—In order that we may enjoy as high a standard of living as possible, which can be brought about only by increased employment possibilities for our people, I pledge to use my full energies for the furthering of those things which would fill these needs and which would help keep our people home.

The thing called "Pay-Day" is common, in some manner, to us all. In our District, aside from one or two operations, truck coal-mining is at present our chief industry. Most of the time that "Pay-Day" is determined by the condition of the roads over which that coal must be hauled to the preparation plant. I feel unquestionably that I am in best position to ask for and expect to receive most consideration and help with regards to both our rural road and highway needs.

Also I will cooperate with the highway officials to build roads to or through areas benefiting or serving the largest number of people, bearing in mind that heavily populated areas especially need good roads for reason of their children getting to and from school by way of bus transportation.

In order that we may have hope of our District being considered favorably for major road and highway improvements, I think it only wise, to gain this end, to work with an open mind and a friendly attitude toward those having control of the state's "Purse-strings". I will use good judgment to gain this end.

Sincerely,
J. C. "Crit" WELLS
Democratic Candidate
FOR REPRESENTATIVE
District No. 96

**New Magazine
Debut Planned**

Frankfort, March 21 — A new monthly magazine, "The Commonwealth", will be published by the State Legislative Research Commission, it was announced by Lt. Gov. Harry Lee Waterfield, chairman.

The first issue is tentatively set for June 1 and will have an initial circulation of 5,000 copies, Waterfield said.

Ed Easterly, press secretary for Gov. A. B. Chandler and Waterfield, and former chief of the Kentucky bureau of the Associated Press, will edit the 24-page monthly.

"This publication will give a factual account of the various activities of our state government, for the benefit of legislators, state, county and local officials and the general public," Waterfield said. It will be distributed free.

Waterfield said he believes "the publication will be the first and only one of its kind in the United States."

ENDORSES ROBERTS

I take this method of asking my friends to support Dewey Roberts for county judge, as I am in the hospital and don't have a chance to see you. I have known him most of my life and I know him to be an honest and sober man. I believe he is well qualified for this office. He made us a good magistrate in our district. He was always ready and willing to help the people. When he was magistrate he would always have an officer at church to keep the peace and protect the public. He built many roads in our district while he was magistrate. When you help him you are helping me also. I will certainly appreciate anything you may do to help him.

PERFORMANCES, NOT PROMISES

My grandparents are Jake (J. P.) Akers, Alamander (Squint) Martin, Evelyn Hall and Elizabeth Akers.

I received my elementary education on Left Beaver of FLOYD county. After my father died I attended the CANEY CR. COMMUNITY CENTER AT PIPPA PASSES, Ky., where I completed two years of college. I want to sincerely say that the guidance MRS. ALICE S. G. LLOYD gave me, has been an outstanding IDEAL in my life.

After leaving CANEY I attended MOREHEAD STATE COLLEGE where I graduated a Bachelor of Science with a major in mathematics.

Fifteen years of my life were spent as a HIGH SCHOOL MATHEMATICS TEACHER AND ATHLETIC COACH in FLOYD COUNTY.

My record as a SCHOOL TEACHER, A CITIZEN, and as your TAX COMMISSIONER IS OPEN to all TAXPAYERS, CITIZENS and VOTERS of FLOYD COUNTY.

It WILL be my policy in the future, as in the past, to help the TAXPAYERS solve their problems and make FLOYD COUNTY A BETTER Place to live. Ask yourself, what else do we want?

If my record meets your approval I believe I have the right to solicit your support.

Records are made by performance not by promises.

I HAVE CONFIDENCE IN MY RECORD.

FLOYD STUDENTS AT CANEY IN "JULIUS CAESAR" ROLES

Pippa Passes, Ky., March 21 (Spl.) — A cast of student-actors in Caney Junior College presented Shakespeare's Julius Caesar last night to an audience of fellow-students, faculty members and people of the community, in the Cushing Hall auditorium here.

The play was directed by Richard Cowdery, Caney College instructor, who has a rich experience as supporting actor in Broadway and other stage productions.

Floyd countians in the cast included Earl Lawson, John Calvin Martin, and James Turner, of Garrett; Mrs. Jona Dorsey, of Wayland; Walter Dingus, of Hite; Blaine Kiser, of Martin; Irvin Hall, of Bevinville; Kenneth Eads of Bypro; Arla Isaac and Larry Gibson of Wheelwright.

Vernon Hurt and Ronald Hurt, of Eulan; James R. Caudill, of Black; Ray Biggerstaff, of Whitesburg; Barbara Mason, of Milestone; Billy Tripplett, of Mousie; and Darrell Smith, of Hindman, were other members of the cast.

Julius Caesar was played by Earl Lawson. He was both vigorous and realistic in his presentation of imperial will, and in his death at the Roman Forum, on the "Ides of March" 2000 years ago.

"The 'lean and hungry' Cassius was given a saturnine portrayal by John Calvin Martin, who accurately revealed the evil genius guiding the conspirators through murder to their own doom.

Larry Gibson delivered the funeral oration of Mark Antony, defending the dead Caesar, and turning the tide of public opinion against the "honorable men" who murdered him.

Vernon Hurt played the leading role of Brutus, nearest friend and most brutal slayer. His scene with Mrs. Dorsey, who played Portia, wife of Brutus, was one of the most effective of the play.

Darrell Smith as the "Beware the Ides of March" soothsayer, Ray Biggerstaff as the Boy, and Arlan Isaac of Cinna the Poet, all contributed bit parts of amazing excellence.

"This Shakespeare play is in Caney Junior College's tradition of presenting student performances of outstanding drama, operettas and mountain plays. Mrs. Lloyd and

June Buchanan have realized for many years that college students of this area can give stage production the very highest quality that can be found in any college of the land," William Hayes, dean of the college, said.

"The entire Caney school has been especially proud of this year's performance of Julius Caesars" he added.

Grady Wallace, sensational South Carolina basketball scoring ace from Mare Creek, will pass up a \$7,500 contract in the National Basketball Association to play for an AAU team, possibly the Peoria Cats or the Phillips Oilers.

Wallace also rejected a bid to play with the College All-Americans in the World Series of Basketball against the Harlem Globetrotters so that he could retain his amateur status.

LAKE FEATURED

Fishing thrills on Lake Cumberland are described in the March issue of Outdoor Life magazine.

The article, "Buggy Whip Bass", relates the experiences of amateur Erwin A. Bauer and guide Andy McIntyre while fly-fishing and casting in the Monticello area.

In his story, Bauer says: "Cumberland Lake will surely be one of America's best fishing holes for the next few years. Its fishing cycle is on the upgrade as is it in similar impoundments elsewhere". In regard to the foregoing statement, we doubt if Mr. Bauer could have possibly included Dewey Lake.

WILLIAMSON PRAISES COACHES' HARMONY

Russell Williamson, president of the Kentucky High School Athletic Association, in speaking to Floyd county coaches at their annual banquet last Saturday night, praised the harmony that prevailed among coaches in Floyd county and the work of the entire group in promoting goodwill and understanding in the various county high schools.

HUGHES STARS FOR U. OF K.

One of the bright spots in the University of Kentucky's annual Spring Blue-White football game was the performance of Prestonsburg's Lowell Hughes, who led the Blues to a 25-20 victory.

The former Blackcat ace whipped three touchdown passes in completing five of six passes for 104 yards. His payoff pitches were for 41, 23, and 11 yards each.

ALL STATE TIME

The annual Kentucky high school all-state basketball team will be announced Sunday in the Courier Journal. No doubt the 15th region will have at least two places on the team.

Duke Mayfield has been named superintendent of Kentucky Dam Village State Park, Gilbertsville, effective April 1, it was announced by Mrs. Ben Kilgore, director of Kentucky's park system.

Commonwealth of Kentucky Department of Highways Notice To Contractors

Sealed bids will be received by the Department of Highways at its office, Frankfort, Kentucky, until 10:00 a.m., Central Standard Time on the 5th day of April, 1957, at which time bids will be publicly opened and read for the improvement of:

FLOYD COUNTY, S 193 (6), SP 36-316—The Northern-David Road from Hippo to Ky. 404 east of David, a distance of 5.453 miles. Bituminous Surface Class C-1 or I.

The attention of the prospective bidders is called to the prequalification requirements, necessity for securing certificate of eligibility, the special provisions subletting or assigning the contract and the Department's regulation which prohibits the issuance of proposals after 9:00 A.M. CENTRAL STANDARD TIME on the day of the opening of bids.

NOTE: A PURCHASE CHARGE OF \$2.00 WILL BE MADE FOR EACH PROPOSAL. REMITTANCE MUST ACCOMPANY REQUEST FOR PROPOSAL FORMS. REFUNDS WILL NOT BE MADE FOR ANY REASON.

Further information, bidding proposals, et cetera, will be furnished upon application to the Frankfort Office. The right is reserved to reject any and all bids.

Jigging Takes 'Em

Billy Meade, of Lexington, was not present—he had gone back for more—when this photo of the five bass he caught at Dewey Lake last Wednesday was snapped. Next day, Meade and his brother, Donald Lee Meade, of Prestonsburg, landed three more to go with these. Largest of his catch weighed in at 7 1/4 pounds, and the largest here shown weighed six pounds. Ford Nunnally, of the Division of Parks, is pictured holding Meade's first day's string.

These and other sizeable catches at Dewey during the last two weeks were taken jigging.

Pvt. Parker Participates In Marine Maneuvers

Luzon, P. I. — Marine Pvt. Donald R. Parker, son of Mr. and Mrs. Owen Parker of Wheelwright, is attached to the First Marine Aircraft Wing taking part in the first major U. S. Military maneuvers to be held in the Philippines since World War II.

Combined air, sea and land units of the Japan-based 1st Wing, the 3rd Marine Division from Okinawa, and the Pacific Fleet are staging the large-scale landing exercise on the east coast of the Philippines' Luzon Island during Mar 17-April 8.

Total forces involved includes 400 aircraft, 90 ships and an estimated 60,000 Navy and Marine Corps personnel.

Two Floyd Students In All-A Bracket

Two Floyd students achieved the perfect all-A standing during the past semester, deans of the various U. K. Colleges announced recently.

Maintaining a perfect 4-point standing are: Shirley Stumbo Vanderpool, of McDowell, and Alice Martin, of Garrett.

The Severns Baptist Church in Elizabethtown, established in 1781, was the first church west of the Alleghenies.

MORE STATE HUNTERS VICTIMS OF ACCIDENTS

Frankfort, March 25 (Spl.) — Kentucky's hunters were more careless during 1956 than in 1955, according to a mortality sheet prepared by the Department of Fish and Wildlife Resources.

The report shows 15 persons lost their lives during the past hunting season as compared with 12 the previous year. Late returns may increase the total, officials said.

The report showed a decrease in the number of fishing deaths, from 16 in 1955 to four in 1956.

Guns did not account for all hunting fatalities in the State. Ten of the 15 persons died from gunshot wounds, one from burns, two drowned, and two died after suffering heart attacks. Six hunters were killed by their own guns and four were killed by hunting companions.

Three of the fishermen drowned when their boats capsized. The report said, "Most of the hunting fatalities were the result of gross negligence on the part of the victim or his companion. Excitement of the hunt, plus lack of knowledge of the hunting commandments can be read into every accident that occurred in 1956."

Governor A. B. Chandler has announced plans for a merit system covering professional engineers in the State Highway Department.

AUTO DECATHLON PROVES—

CHEVY'S THE CHAMPION OF THE ROAD!

Drive the car that proved its superior steering, braking, cornering, road-holding and passing ability in the world's first Auto Decathlon, a ten-way test of the driving qualities you want.

Chevy proved it's the champ in the world's first Auto Decathlon, certified by the NATA.* It showed how beautifully it handles, how quickly it recovers from emergency situations—like quick turns and stops—which can cause a car to lose its even-keel stance on the road.

Chevy waltzed through some of the roughest challenges ever laid down to measure how a car behaves when the going is tough. And it beat all other cars in its field and all the higher priced cars tested, too!

That's Chevrolet's sure and solid going for you. Come in and drive the winner!

DAVID

ENTERTAINS TO TEA

The David Woman's Club was hostess to a hospitality tea, March 15 from 3 to 5 p.m., at the clubhouse here. Clubs invited were Wal-land-Garrett, Wayland, Wheel-wright, Drift, Prestonsburg Senior and Junior Clubs, and Allen-Mar-tin.

Guests were greeted at the door by Mrs. John Stratton and Mrs. Ora Howard, outgoing and incoming presidents, respectively. Assisting at the tea table were Mrs. Tandy Bart-ley and Mrs. Earl Willis. The table was decorated with a large bouquet of spring flowers and white candles. Cookies, sandwiches, punch and tea were served.

MAYTOWN

MRS. WILEY, HOSTESS

The Maytown W. S. C. S. held its regular monthly meeting at the home of Mrs. H. M. Wiley last Tuesday evening. Mrs. Charles Patton was co-hostess and Mrs. Arnold Casady, program leader. This month's program was on the "Church and Mental Health."

Others taking part were Mesdames Elizabeth Allen, Edward Robinson, Charles Patton, Henry L. May and Mrs. Wiley.

The president, Mrs. Howard Ramey, called the business meet-ing to order by calling for the secretary's report which was read and approved. The treasurer's re-port was given by Mrs. Henry L. May, and other committees made their reports.

Mrs. Thomas Patrick read a let-ter of thanks from the African Mission for the ten dollars this Society sent for payment on a tractor.

Mrs. Henry L. May and Mrs. Arnold Cassady were appointed to take inventory of the kitchen equipment in the church and let the members know what supplies are needed for a kitchen shower.

Mrs. Wiley was appointed to get an estimate of the cost of re-painting the church basement floor and other minor repairs. It is hoped that the cost of this will be paid for by the flood re-lief which is available to church-es which were damaged by the flood.

The church will serve the safety dinner for Kentucky West Virginia Gas Company at the Luncheon, April 12. The com-mittee appointed for the last din-ner was asked to make the neces-sary arrangements.

Thanks was extended to Mrs. Ramey, who bought, made and hung drapes in the church kitch-en.

It was suggested the Society give Mrs. Becky May a fruit shower.

Mesdames Eugene Hopkins, Arnold Maggard, Becky put their anniversary money in the bank; and Mesdames Arnold Maggard, Jones Tallent and Raymond Hop-son their birthday contributions.

Members were reminded that the Treasure Chests are due at the April meeting. Mrs. Patrick dismissed the meeting with pray-er.

The hostesses served refresh-ments to the following: Mesdames Elizabeth Allen, Arnold Cassady, Thurmal Click, Rebecca Hayes, Raymond Hopson, John Ison, Arnold Maggard, Henry L. May, Baisden Osborne, Thomas Patrick, Charles Patton, George Patton, Howard Ramey, Edward Robin-

son, Jones Taleint, Rebecca Har-mon, L. E. Roberts, and Misses Linda Sue Maggard, Kathy Pat-ton, Karen Burchett, Linda and Becky Roberts, and guests Mrs. Wiley Jones, Mrs. James Thomas and Mrs. William Everett.

MRS. TALLENT, HOSTESS

The Maytown Woman's Club held its regular monthly meeting, Thursday evening at the home of Mrs. Jones Tallent. Mrs. Eliza-beth Baker was guest-speaker. Mrs. Baker kept the members en-teranced with her talk on the trip she made to Hawaii last summer. She also told of the plans for a Book Fair to be held April 19.

Following the program, Mrs. Theodore Gibson, president, called the business meeting to order by calling for the Nominating committee's report. They nomi-nated Mrs. Jones Tallent, presi-dent; Mrs. L. E. Roberts, vice-president and Mrs. Miles Gibson, secretary-treasurer.

A lovely gift was presented to the out-going president.

The major part of the business meeting was taken up with plans for the Spring Fashion Show which will be given April 20 in the luncheonroom. Mrs. Gibson ap-pointed committees for all jobs. The theme of this year's show will be "Our Fair Lady". It is hoped to have an added attrac-tion to this year's event.

At the close of the meeting, Mrs. Tallent served refreshments to the following members Mes-dames Roland Burchett, L. E. Roberts, George Patton, Theodore Gibson, Miles Gibson, Ed Ste-wart, James Allen, Edward Robin-son, Paul Borders, John Ison, David Reed, and Frank Stewart.

A Book Fair will be held in the Maytown school lunchroom, Friday, April 19. The primary purpose of the Fair is to exhibit to all teachers, principals, librarians, students and to the public a fine collection of books. But, because there are no book stores in this locality, individuals may place an order at the Fair for any of the 800 books which will be on display. Any business, club or in-dividual may make a money con-tribution to buy books for the school library. Books thus bought will each have a gift-plate show-ing the name of the donor.

The public is cordially invited to attend the Fair from 7 to 9 in the evening. Clem Martin, of the Floyd County Board of Education, and two librarians will be on duty at all times to give any as-sistance needed.

M. Y. F. MEET HERE

The Methodist Fellowship held its sub-district meeting here Mon-day night at the church with the Maytown young people in charge of the program; assisted by Mrs. Thomas Patrick. Those on the program were Janet Harmon, Dan Rowland, Linda and Doris Mag-gard, Phyllis and Pam Combs, Bonita Mall, Charlene Patton. There were 102 members present, representing churches from Pres-tonsburg, Allen, Martin, Commu-nity Church of Wayland and Bet-sy Layne.

Congratulations to Bethel Gay-heart and Alroy Click who were united in marriage at the May-town Methodist Church, Satur-day evening, March 23.

Mrs. Ivan Bouch is visiting her mother and sister in Pennsylva-nia.

Mr. and Mrs. Shelley Terry are the parents of a daughter born March 16 at the Beaver Valley hospital. The babe has been nam-ed Harriett Elaine.

Local Man Enlists In Army, Announced

Floyd Arnold Mann, a graduate lawyer, and a former clerk in the office of Representative Carl D. Perkins, enlisted in the U. S. Army recently. M/Sgt. Glenn R. Walke, of the local U. S. Army recruiting station, announced last week.

The enlistee has attended upper Canada College at Toronto, Canada, holds a Bachelor of Arts degree from the University of Kentucky and attended George Washington University in Washington, D. C., where he earned a degree in law this past year.

Mann, who is the son of Mrs. Tot Allen Cope, of Prestonsburg, was enlisted under the Army's program which permits qualified volunteers to enlist in the Army Reserve for a period of six years, two of which must be active duty. He will report for active duty July 9, due to the fact that individuals enlisting under this program can be deferred for a period of 120 days after acceptance.
