

Free Phone Service Scheduled July 1st

Two Firms Join In Work To Give Better Service

Toll-free telephone service and direct dialing inside most of Floyd county will become effective at 12:01 a.m., July 1, it was jointly announced Tuesday by Bill Gibson, local South Central Bell manager, and Paul R. Gearheart, president of the Harold Telephone Company.

The conversion which will connect the Wheelwright area, served by Harold Telephone, with the South Central Bell system serving the Beaver Creeks and other parts of the county, was a joint effort of the two companies, it was said.

The conversion will be marked by a ceremony at noon June 30, 12 hours before the cutover is actually made, at the Weeksbury Community Park. Participating in the ceremony will be the chairman of the Public Service Commission and State Senator Clifford B. Latta, of Prestonsburg.

Only telephones served by the Harold exchange of the Harold Telephone Company will not be connected for free service and direct dialing within the county after the conversion is made.

Effective July 1, Wheelwright area telephone subscribers will get directory assistance by dialing 76411. Calling codes for other areas of the county are listed on Page 5 of the current South Central Bell directory.

The conversion follows extensive work done in the Wheelwright area by Harold Telephone Company.

Fund Drive Success Assures Fireworks For July 4 Display

The effort made by the Prestonsburg Chamber of Commerce to raise funds for financing of the Fourth of July fireworks display here has succeeded, and now funds are being sought to add old-fashioned touches to the celebration.

The fireworks display, which has become almost a tradition locally, is described as "one of the best in the South." It has drawn crowds estimated at 10-20,000.

Additional funds raised will bring the Fourth of July fund to about \$1100. Sack races, the greasy pig, a variety of other contests will be the added features.

\$284,596 City Budget Described As 'Tight'

Prestonsburg's biggest budget, designed to cover expenses for the fiscal year beginning July 1, was adopted recently by the City Council, and, though totalling \$284,596, it was described as "tight."

The increase of approximately \$50,000 over last year's budget resulted from earmarking \$20,000 for a new fire station at Lancer, pay raises for city employees, \$20,000 for new construction and maintenance of streets and \$10,000 toward matching the \$64,000 federal grant for Archer Park.

World's Highest Voltage Line Will Serve Floyd; Exhibit Here

The way it goes here and there, it might remind you of the old-fashioned medicine show, except there's nothing for sale. It's a mobile exhibit providing information about the world's largest electric transmission network.

The mobile exhibit was put together by Kentucky Power Company and the other seven operating companies of the American Electric Power System to tell its customers about its new 765,000-volt, 1,250-mile transmission line built through Floyd and other counties of the area.

When completed, the 765-kv line will be in the highest voltage line anywhere in the world; will carry 30 times more power than the 138,000-volt lines normally used to transmit electricity, and adds a new factor of reliability to the AEP System's 1 1/2 million customers in the seven states it serves. The first two sections built in the 765-kv network span eastern Kentucky from the Ohio border to the Virginia border.

All of that, and more, is told in the multi-part audio-visual show featured in the Kentucky Power exhibit.

Locally, the exhibit will be on display next Wednesday at the Municipal Parking Lot at the corner of Court Street and Lake Drive in Prestonsburg.

The trailer—actually, a mobile home structure—is divided into four separate sections, each telling a different part of the 765-kv story. The entire program, incorporating the latest mixed-media visual and sound techniques lasts about 12 minutes.

The mobile exhibit started its tour of the AEP System in May. Before it is packed away for the winter, Edward Underhill, exhibit manager, estimates the exhibit will have traveled some 4,000 miles, visited upwards of 50 towns and cities in seven states, and have been seen by more than 100,000 persons. It is scheduled to make stops at company facilities, shopping centers, schools, colleges, and town squares.

Mines Here Join Others In Strike

Cause of Stoppage Remains Undefined; Other States Hit

Operations of the Island Creek Coal Company on Left Beaver Creek were at a standstill this week as 300 or more workers remained on strike.

The work-stoppage has affected all three mining centers of the company—Wheelwright, Price and Spurlock. The last work was done on the day shift June 16, it was said.

Cause of the labor trouble, an oft-repeated story in that area, was not defined. D. J. Patton, Island Creek General superintendent, could not be reached for a statement, and others were unwilling to discuss the situation in any detail.

United Mineworkers' District 30 office at Pikeville also was apparently not clear about the strike cause. A spokesman there said he "understood" the stoppage may have stemmed from a dispute about a truck mine operation at Price.

The Pikeville UMWA office said it had no knowledge of the walkout begun in West Virginia extending into the Kentucky field. In West Virginia, Pennsylvania and Ohio 17,000 miners were reported off the job Tuesday.

These threaten "to put out the nation's lights."

The strike comes at a critical time for the nation's electric utilities, which were warned by spokesmen for the nation's coal operators in February that there would be a severe shortage of coal—needed for the production of electricity—by July.

Herb Foster, a spokesman for the National Coal Association in Washington, said then that "if things go wrong there could be further losses of production and further shortages."

There appeared to be no immediate prospect for negotiations to end the walkout. The battle is primarily an in-troumion squabble launched to secure improved hospitalization benefits for widows and disabled coal miners.

Mr. Reed Re-Named to MSU Board; Has Been Honored by 5 Governors

B. F. Reed, of Drift, treasurer of the Turner Elkhorn Mining Company, has been reappointed to the Morehead State University Board of Regents for a record fifth term.

Mr. Reed was recently reappointed to the board by Governor Louie B. Nunn, and so became the first Morehead board member to be so honored by five governors.

The respected mining executive was first named to the Morehead board in 1953 by Governor Lawrence Wetherby for a one-year period filling out the unexpired term of E. R. Price. He was re-appointed by Governor Albert B. Chandler in 1958 and has served on the board continuously since that date. Governor Bert T. Combs re-appointed him in 1962 and Governor Edward T. Breathitt re-appointed him in 1966.

"B. F. Reed has been a great force for good during his 13 years as a member of the board of regents," said Dr. Adron Doran, MSU president since 1954, "and it represents a high level of confidence in Mr. Reed and the university that Governor Nunn has renamed Mr. Reed to the Board of Regents."

Dr. Doran added, "Men of Mr. Reed's abilities, judgement and foresight are rare indeed, and the great stability and wisdom which he brings to our board make the operation of this university that much easier."

One of the highlights of Reed's service on the Morehead Board was the opportunity he had at this June commencement to personally present a bachelor of arts degree to his granddaughter, Connie Lee Ankrom, of Williamson, West Virginia.

And while he beamed with delight at the sight of one of his grandchildren receiving her diploma, there have been many other occasions when he has proudly watched a mountain youth march across the stage after having helped the youngster get through school who would not have had the opportunity, had he not known B. F. Reed.

"Mr. Reed has a big heart," said Dr. Doran, "and his services to the people of the region are a legend. In his quiet way, B. F. Reed is one of the great men of Kentucky." (See Story No. 2, Page 12)

This Town . . . That World

Now comes that time in the week to which I always look forward—with misgivings, sometimes with downright dread. It's time to try to squeeze out another column . . . Wonder what became of that bright idea I had, the other night, around the time of dozing off? Gone, forever, I suppose, to join the few I've had at other times, only to lose them in some limbo out there.

WHY ONE TRAPPER QUIT

The Potter brothers, Bill and Chester, both lawmen, relax on their days off by hunting bobcats. They say the section of Dewey Lane where we've camped a bit has more than its share of the critters. This gets us around to reports—not from the Potters—that a bobcat has been seen in the lower section of Prestonsburg.

George McClellan, Prestonsburg high school's football coach, heard this local report, so he devised a boxlike trap for the cat and set it on the hillside where it had been reported. Almost every morning, he would go to the trap, hoping to hear a snarl as he approached. But no luck.

Then came the morning when George gave up. He went to his trap. And the trap-door was sprung. But no cat. Inside was a note. It read:

"The Phantom Rabbit strikes again!"

DEFENSIVE WAR

The wild kingdom came to our door, the other afternoon, and it was none other than our mail-carrier, Bill Osborne, who was in the thick of it.

As he paused in the yard of George Brown—where there just happens to be an inviting shade—he was suddenly dived-bomb.

A mother jaybird zeroed in and interfered with government property—namely, the mail-carrier's cap. Wham!

Others got the same treatment as they became curious and investigated. Papa jay got into the act before it was over.

The birds were disturbed about a youngster of theirs who had tried his wings a bit too soon and had come a cropper in the (See Story No. 3, Page 12)

Funds to meet this budget will come, mainly, from property taxes, estimated at \$54,000, and licenses and permits, which include the new occupational license tax, estimated to raise another \$109,800. Parking revenues were estimated at \$19,450; sanitation fees, at \$31,000, and fines and forfeitures, \$19,450.

The budget does not cover the municipally owned water and gas system income and expenses.

Of the entire budget, \$163,998 is earmarked for the street, police and fire departments, with the street department claiming \$75,658 for construction and maintenance, maintenance and repair, utilities and the city garage. Salaries for the police department, with two new policemen, total \$41,100. The total police department budget is \$46,295. The fire department expenses are expected to total \$42,045, with \$18,795 of this amount designated for salaries. Biggest single item in the fire department budget is the \$20,000 for the Lancer fire station.

Other budget items, by departments: Administrative, \$26,214; legislative, \$7,045; parking system, \$7,625; sanitation, \$21,305; park and recreation, \$13,100; revenue, \$12,420; debt service (interest and principal), \$24,744.

Mental Health Loss of Funds Posing Threat

A federal appropriation that is \$86.9 million short of the estimated need for community health centers over the country may mean that federal support to the Floyd County Mental Health Center will drop to 33 per cent and cause heavy strain on existing programs, it was pointed out here last week.

The Community Center Act originally provided for 75 per cent federal funding.

"It is not certain that this (the loss of support) will happen, but the possibility is strong enough to warrant concern," a statement issued jointly by Richard Gallaher, Floyd county area team director, and Mrs. Stanley A. Combs, president of the Floyd County Mental Health Association, said. But, the statement added (See Story No. 5, Page 12)

Mrs. McQueen Honored at End Of 43 Years' Work as Teacher

After 43 years of public service, June 11 ended the career as an educator of Mrs. Sarah McQueen.

Mrs. McQueen served as librarian for Wheelwright high school. Prior to her placement at Wheelwright high, she served as teacher and principal for Palmer-Dunbar School, also in Wheelwright.

Mrs. McQueen came to Wheelwright in 1930, using a church building for classroom facilities before the building of Palmer-Dunbar. She received her B. S. degree from Kentucky State, her M. A. degree from the University of Kentucky, and had additional training in library science at Fisk University in Nashville, Tennessee.

She has served in numerous community functions from time to time, some of these being the church, Order of the Eastern Star and the Girl Scouts. She has been honored by her community and fellow-workers on several occasions. With the closing of Palmer-Dunbar School, the students presented a "This Is Your Life" program honoring Mrs. McQueen. She was named "Outstanding Woman of the Year" by the Woman's Club in 1969 and was presented with a silver bowl.

The 1970 senior class of Wheelwright high school dedicated both their class night activities and their graduation exercises to Mrs. McQueen. The class gave her a silver serving tray, and the faculty presented her a Boston rocker.

Woman, 83, Attacked, Man Is Denied Bond

Jailed here last Wednesday on charges of the attempted murder and attempted rape of an 83-year-old woman, Harrison Reed, 27, of Hueysville, was held Monday to the grand jury without bond.

The no-bail order was entered by Magistrate Zeb Ousley following a brief preliminary hearing conducted in the office of County Attorney Barkley J. Sturgill.

Reed is accused of attacking widowed Anna Sparkman Salyers, Tuesday afternoon of last week, at her home on the Salyers Branch of Salt Lick, about two miles west of Hueysville.

Although Reed's court-appointed counsel, Joe P. Tackett, waived hearing to the September grand jury, County Attorney Sturgill called Tony Sparkman, son of Mrs. Salyers, to testify for benefit of the record.

Mrs. Salyers did not appear for the hearing. Reed was taken from the jail for the hearing, manacled and shackled.

The son of Mrs. Salyers said Reed came to his mother's home, where she lived alone, and asked for a cup of coffee, and followed her inside the house where he seized her and threw her onto a bed.

Sparkman said that he and his wife heard sounds of the struggle inside the house and rushed in to find Reed choking Mrs. Salyers. He said he jerked Reed free of his mother and that they fought to the outside, both falling off the porch. Reed regained his feet first, he said, and was about to strike

him when Sparkman's wife struck Reed on the head with a shovel.

The accused man fled the scene, pursued by Sparkman, but eluded him and was not captured till shortly after midnight when state troopers found him in an abandoned house at the head of Salyers Branch. Reed was booked at the jail here by State Trooper Brenner.

The accused man recently returned to this county from Indiana and Ohio, where he was employed.

Police Probing Stanford Death

Chicago police were reported this week as involved in an investigation of the death there last Thursday of William Stanford Jr., 45, formerly of Wayland.

This report said Stanford, an electrical firm employee, was beaten to death in a rest room of a Chicago park. He died at Cook County Hospital.

A son of Mrs. Edna Herron Stanford, of Wayland, and the late John William Stanford, he was a graduate of Wayland high school where he was a member of the basketball team. He had resided in Chicago the last eight years.

Surviving, besides his mother, are his widow, Mrs. Janet Stanford; two daughters, Judith Ann and Robin; six brothers and two sisters, Robert Stanford, Phoenix, Ariz., Howard Stanford, Detroit, Mich., Ernest Stanford, Elgin, Ill., Elmo Stanford, with the Air Force in Okinawa, Jack Stanford, Jackson, Ky., Danny Stanford, Thompson, Conn., Mrs. Howard Collins, Bruce, Wis., and Mrs. Harold Dixon, of Wayland.

Funeral rites were conducted at 2 p.m. Sunday from the Estil Free Will Baptist Church, the Revs. Elder Goble and Green Boyd officiating. Burial was made in the Miners' cemetery at Glo, the Hall Brothers Funeral Home directing.

MRS. McQUEEN

Mrs. McQueen has one son, John Moran, who lives with his wife and three children in Kalamazoo, Michigan.

Her plans include making her home in Mt. Sterling, and she extends an invitation for all her many friends to visit her.

3 College Buildings Named for Counties

The three existing buildings on the Prestonsburg Community College campus last week were officially christened and were given names honoring neighboring counties, all in the area served by the college.

The original campus structure, built in 1964, is now known as the Johnson Administration Building. The two-story structure occupied this year is now the Pike Technology Building, and the third, also completed this year, is the Martin Student Center.

The next two buildings constructed on campus will be named for Magoffin and Knott counties. As the campus develops other structures will bear the names of

Lawrence, Morgan and Floyd counties.

The designations were approved at a recent meeting of the UK board of trustees, Dr. Otis C. Singletary, UK president, said.

It was explained that Floyd county is last on the list of counties to be honored in the naming of buildings because it has the honor of having the college itself.

Dr. Henry A. Campbell, Jr., director of Prestonsburg Community College, said dedication of the two new buildings will be held in August.

The new structures are a part of a long-range campus development plan which envisions 12 buildings erected at an estimated cost of \$12 million.

MENTAL HEALTH GROUP MEETS

The Floyd county Mental Health—Mental Retardation Association met at the Baptist Church Annex on First Street at noon, June 8. Mrs. Evelyn Fowle gave the invocation, and Mrs. Stanley Combs presided at the business session. Mrs. Frank H. Layne gave the secretary's report. Mrs. Layne gave the treasurer's report in the absence of Blaine Smith.

Mrs. Combs appointed two new committees. The membership committee included Miss Ruby Akers, chairman, Mrs. Betty Popp, Mrs. Marvin Music, Sr., Miss Janice Parsons and John E. Mason. The committee for the purpose of revising the by-laws is composed of Mrs. Shirley Hughes, Mrs. James Klein, Mrs. Zella Archer and Marshall Davidson. Rev. William Jagers reported on the recent Drug Abuse clinic held in Prestonsburg. Rev. Jagers is the regional coordinator for drug abuse education and information. Dr. Catherine Shrewsbury is chairman for Floyd county. Dr. Mary Pauline Fox also gave an account of a drug abuse information meeting she recently conducted in London, for church women. The meeting will be Monday, July 13 at noon.

Attending were Mrs. Combs, Mrs. Fowle, Mrs. Music, Mrs. Ruby Akers, Mrs. Mildred Hall, Mrs. Zella Archer, Mrs. James Klein, Mrs. Shirley Hughes, Dr. Mary Pauline Fox, Miss Janice Parsons, Mr. and Mrs. F. H. Layne, Rev. Jagers, Rev. Milton E. Skiff, Richard Stai, John E. Mason, and Marshall Davidson.

CHURCH GROUP MEETS

ARCHER-LIMING

In a morning ceremony at the home of her parents, Mr. and Mrs. William Thomas Archer, on Arnold avenue at 10:30 o'clock June 6, Miss Josephine Marie Archer became the bride of Mr. Stephen Marshall Liming, son of Mr. and Mrs. Randall Liming, of Williamsburg, O. The Rev. William Pope solemnized the double-ring ceremony before an altar of greenery and cathedral candles.

A program of wedding music was presented by Mrs. Robert A. Collins, accompanied by Mrs. Luther Shivel.

Given in marriage by her father, the bride wore a street-length gown fashioned with a bodice of silk lace with portrait neckline, long sleeves tapered to the wrists, and a full, pleated skirt of silk illusion edged with lace. She carried a cascade bouquet of white roses, centered with a white orchid.

The matron of honor, her sister, Mrs. Chester Okopski, wore a belted dress with white bodice and rainbow striped skirt.

Chester Okopski served as best man. Following the impressive ceremony, a reception was held for relatives and friends of the bridal couple. A three-tiered wedding cake was cut and served by Miss Janet Blackburn, and Miss Marthann Archer and Miss Junella Ramey served punch and coffee. The bridal table was covered with an overlay of white lace, centered with white roses, mums and flanked by silver candelabra holding white tapers.

The bride is a student at Union College where the groom was recently graduated. The couple left for a wedding trip to central Kentucky.

Prestonsburg Wins Two To Take Lead

Prestonsburg took a firm hold on first place in the Mountain division of the Central-Mountain baseball league last week-end with victories over Jackson and Paintsville. The team now has the best won-loss (6-2) record in either division.

The win over Jackson was a 12 to 1 shoo-in Saturday, with Mike Wells in his first start of the season pitching a three-hitter for the winners. Butch Clifton brought his batting average to .480 with three safeties in four trips to the plate. Donnie Hall and John Holman hit homers. Holman's was a 400-foot blast with two on. The Prestonsburg infield turned in two doubleplays against Jackson, and three the next day against Paintsville.

The combined pitching efforts of Jim Stumbo and Jerry Fultz won the 11-inning squeaker over Paintsville Sunday, 3-2. Good baserunning by Butch Joseph won the game for Prestonsburg in the extra-inning tilt. With two out in the 11th, Fultz singled and Joseph was sent in to run for him. Joseph promptly stole second, then scored on a single by Chad Deaton. Paintsville had runners on second and third in the 11th, but Fultz fanned Justice to get the win. He is 2-0 for the season. In the hitting department Wimpy Clark and Jerry Fultz had two safeties each.

Next Sunday, Prestonsburg will go to Lexington for a doubleheader.

TEAM CAPTAIN

An athlete whose basketball experience extended no farther than being manager of his high school team was captain last year of the Prestonsburg Community College Spartans and was one of the team's scoring leaders.

Morton Adkins, Jr. was graduated from Maytown high school in 1968 but during his four years there was never a player in a school where basketball is the predominant sport. At Prestonsburg Community College he decided he'd like to play. In his first year, 1968-'69, he averaged 21 points and eight rebounds per game, ranking second to Mike Reitz in scoring and third in rebounding to Doug Kretzer and Mickey Blackburn. Last season, the 6-1 soph averaged 20.7 points and 7.8 rebounds a game, led the team in assists and was third in rebounding.

A political science major, he will continue study at the University of Kentucky or some other state university. He is a son of Mr. and Mrs. Morton Adkins, of Langley.

EDA Grant, Loan For Water System At Paintsville

Approval of a \$588,000 grant and a \$147,000 loan to expand the water system at Paintsville was announced this week by Robert A. Podesta, Assistant Secretary of Commerce for Economic Development.

The Johnson County Water District is the applicant for funds from the Economic Development Administration, U. S. Department of Commerce. They will be used to expand the city's water distribution system and build new storage tanks and lift stations to serve a low-income area adjoining Paintsville.

The water project will serve the Thelma area, a housing project under construction, a state office building and the communities of Wittensville and Oil Springs.

Archer Park Slates Basketball Clinic

By DONNIE HALL

Archer Park will sponsor a series of basketball camps, beginning Monday, June 29. The camps will each be one week in duration and will be conducted on the indoor basketball court at the park.

The camps will be held for young boys who will be in the sixth, seventh, eighth grades during the next school year.

Several well-known area coaches will be on hand during these camps, including Pete Grigsby, Jr., of McDowell, Tommy Boyd, of Betsy Layne, Denizil "Hoss" Halbert, of Martin high, and Robert Slone, of Prestonsburg. They will be conducting lectures and drills, stressing the fundamentals involved in ball-handling, shooting, passing, rebounding, individual and team defense, and others.

Area youths wishing to register for these camps should register as soon as possible at the Archer Park concession stand. Boys may attend the camp for more than the week if they wish to do so. Boys attending these camps should bring the necessary basketball equipment with them. The camps will last from 2 p.m., to 5 p.m., Monday through Friday, with free swimming available from 5 to 6 p.m.

Also on hand during these camps will be several basketball stars from the Floyd county area who are now playing college basketball.

CARD OF THANKS

We take this opportunity to offer our thanks to our many friends and relatives for their kindness, sympathy, and consideration upon the passing of our beloved husband, father, and grandfather. We will never forget the kindness extended to us from the Carter Funeral Home, or the wonderful prayers and consoling words offered by Rev. Cohen Campbell who officiated at the funeral. The tokens of flowers, prayers, food, cards, and sympathy will never be forgotten. Again our deepest thanks to you.

Joint Commission Reaccredits P'burg General Hospital

Chalmer H. Frazier, administrator of Prestonsburg General Hospital, has been informed that the Board of Commissioners of the Joint Commission on Accreditation of Hospitals, has reaccredited the hospital. The full accreditation was the result of a survey made for the Joint Commission by Dr. Harry M. Lowd, Jr., and Phillip J. Hall, MACHA.

The Joint Commission on Accreditation of Hospitals is composed of representatives of the American College of Physicians, The American College of Surgeons, the American Hospital Association and the American Medical Association. There is no law or regulation that says a hospital must seek accreditation. It is a decision voluntarily made by the individual hospital. But because hospitals are conscientiously working to improve the quality of their services, more and more institutions are seeking to earn accreditation.

Mr. Frazier said he was pleased that the Commission found the standards maintained by the hospital worthy of continued accreditation. He added that full credit for the quality patient care was due the dedicated hospital personnel.

Speaker Sees Drop In 1970 Business, Recovery in '71

John Irvin, institutional account executive with the Lexington office of Merrill Lynch, Pierce, Fenner and Smith, Inc., spoke Thursday night to the Prestonsburg Kiwanis Club. Irvin, with Merrill Lynch since 1949, discussed the economic forecast as seen by research division specialists.

"We believe government spending will grow hardly at all during 1970," he said. "Government spending produces a great deal of impact on the economy, and the United States government defense outlays are declining while state and local outlays are restricted by the limited availability of funds." He commented that as long as inflation expectations persist, the Federal Reserve will remain cautious about easing its curbs on credit and other monetary restraints.

Merrill Lynch expects falling sales and profits will become increasingly widespread during the last of 1970, with it possible for unemployment to reach 6 per cent by the end of 1970. Irvin predicted that the United States economic slowdown would intensify in the second and third quarters of 1970.

Looking toward the future, he believes the Federal Reserve could adopt a much easier policy by the last quarter of 1970. If this happens, short term interest rates will then probably fall quickly. He added that long term rates could be expected to fall more slowly because of the backlog of credit needs.

Irvin said that Merrill Lynch expects some early recovery signs will show up in the fourth quarter of 1970, and that, once recovery begins, the gross national product should boom—by 6-7 percent, through 1971, with almost all sectors of the economy participating. He stated "while it seems too early at this point to suggest that the beginning of a new bull market is imminent, we at Merrill Lynch feel that the coming months provide investors an opportunity to recast their portfolios."

Irvin was introduced by the Rev. Milton Skiff.

Will Halbert, 90, Former Floyd Jailer, Dies After Long Illness

Will Halbert, of McDowell, former Floyd county jailer, died last Thursday at Mountain Manor Nursing Home here after a long illness. He was 90 years old.

Long active in the Democratic party, he was also a former mine foreman. Born May 2, 1880, he was a son of the late John and Mary Allen Halbert. His wife, Kate Sizemore Halbert, died in 1956.

Survivors include a son, Famer Halbert, of McDowell; three daughters, Mrs. Fanny Holbrook, of Neon, Mrs. Vita Stewart, of Prestonsburg, and Mrs. Mida King, of Printer, and a brother, Nelson Halbert.

Funeral services were held at 10 a.m., Saturday, at Hall Brothers Funeral Home with the Rev. Harve Johnson officiating. Burial was made in the Penny Sizemore cemetery at McDowell.

Deep Formation Pays in Elliott Venture, Report

Deep drilling for gas in Floyd and neighboring counties still awaits completion of geological studies, and may be several months away, but ventures in deep-lying formations in Elliott county have already paid off.

The Elliott county strike, reported in the Ordovician formation in eastern Elliott county at the mouth of Ison Creek, at a depth of 4600 feet, showed a flow of more than 1.5 million cubic feet. But the pressure blew out packing before the test was completed, and the well was expected to gauge more under a more complete test.

Leasing, as a consequence, has spread over into the Caines Creek and Abb Creek sections of Lawrence county where the Monitor Petroleum Co., of New York, driller of the deep test, has reportedly leased 11,000 acres from Crate Meade.

Larger gas companies find the Elliott county strike of interest because it is the first real pay struck in the pre-Cambrian structure.

Gas holdings owned by Kentucky West Virginia Gas Company in several counties were leased, several months ago, to a firm for drilling below currently producing sands.

On such drilling depends the future of the natural gas industry in Eastern Kentucky, leaders in the industry say.

Marguriete Meade Is Hanging Victim

Miss Marguriete Meade, 46, former secretary in the Child Welfare Department office here, was found dead by hanging at her Paintsville home Saturday morning. The body was discovered by a sister with whom she resided.

A native of Paintsville, she was a daughter of the late Arnollis and Beulah Ward Meade. She was a member of Mayo United Methodist Church, Paintsville. Survivors include four brothers and two sisters, Arnollis Meade, Jr., Lexington, Dr. Howard Meade, Paintsville, Curtis Meade, Detroit, Mich., Charles Meade, Washington, D. C., Mrs. Lourita Schweinfest, San Francisco, Calif., and Mrs. Helen M. Pack, Paintsville.

Funeral was held Monday from the chapel of the Paintsville Funeral Home, the Rev. Leslie M. Rogers officiating, and burial was made in the Wells cemetery at Paintsville.

HERE FROM LOUISVILLE

Mrs. J. Clifford Todd, Mia, Stacey and Kelly, of Louisville, are here this week visiting her parents, Mr. and Mrs. Curt Homes.

A Jenny Wiley Summer Music Theatre actress, Cynthia Bostick, became Miss Kentucky Saturday night in Louisville. Miss Bostick, a native of Owensboro, appeared with the Prestonsburg theatre company last season in their productions of "Carnival," "Bye, Bye, Birdie" and "Anything Goes." The company had telegraphed best wishes to Miss Bostick as she entered final competition for the title and followed the proceedings by telephone as they rehearsed "Hello, Dolly." Shortly after winning the title, Miss Bostick telephoned the company, saying she hoped to attend HELLO, DOLLY and that she would be wearing her crown.

Miss Bostick was selected from the five finalists on the basis of a question regarding her future plans. She stated that she intended to become a Broadway star. Earlier that evening she had won the talent competition by doing a series of songs from Broadway musicals, tracing the life of a woman from childhood to death.

Literary Association Schedules Publication of New Work by Hall

The second volume of poetry written by Blaine R. Hall, Prestonsburg insurance man, has been accepted for August publication by South and West, Inc., Ft. Smith, Ark., a non-profit literary association of international reputation.

"Reflections and Moods" is the title of Mr. Hall's second work—poems which speak of seasons, mountains, people, people's problems, love and nature.

Mr. Hall, who writes poetry because he has an urge for self-expression and finds it a means of relaxation from an exacting profession, has been hailed as "without doubt one of Kentucky's most able contemporary poets."

Both critics and readers have found in his new work a marked development in the poet's native talent. Hall's third volume of verse, poems of satire and humor, is nearing completion.

A native of Clay county, the author has lived all his adult life in this county except

Clawson Gibson, 76, Retired Garrett Miner, Is Claimed Monday

Clawson Gibson, 76, of Garrett, died at Our Lady of the Way hospital last Monday after a long illness.

A son of the late Miles M. and Margaret Slone Gibson, he was a retired miner formerly employed by the Elkhorn Coal Co. at Wayland. He was a member of local union 5895, UMWA, and was a veteran of World War I. His first wife, Clara Osborne Gibson, died in 1935, and he later married Mrs. Martha Chaffins Gibson who survives him.

Other survivors include two sons, Clawson Gibson, Jr., of Garrett, and James Miles Gibson, of Detroit; four stepsons, Joe C., Paul, Stephen, and Foley Gunnels, all at home; a daughter, Mrs. Sylvia Marlene Hall, of Raven; two stepdaughters, Brenda J. and Rebecca S. Gunnels, both at home; two brothers, Willard and Eite Gibson, both of Wayland; seven sisters, Mrs. Flora Franklin, Mrs. Gracie Noe, Mrs. Mandy Conley, and Mrs. Geneva Triplett, all of Wayland, Mrs. Cisty Sammons, of River Rouge, Mich., Mrs. Corby Slone, of Marion, O., Mrs. Hazel Morgan, of Lackey, and six grandchildren.

Funeral services were held Friday morning at the home of his daughter, Mrs. Hall, at Raven, with ministers of the Old Regular Baptist church officiating. Burial was made there in the Gibson cemetery under direction of Hall Brothers Funeral Home.

for three years spent with the Eighth Air Force during World War II. His experience includes teaching, mining and insurance. He is first vice-president of the Kentucky Poetry Society.

Of the work scheduled for publication, Mr. Hall said:

"It should be understood that this is a paperback edition, and it is presented on the basis of its content, not on any exterior attraction."

SPENCER-HICKS

Miss Billie Lou Spencer, daughter of Mr. and Mrs. William T. Spencer, of Louisville, became the bride of Mr. Danny E. Hicks, of Louisville, son of Mr. and Mrs. Willard Hicks, of Maytown, Saturday May 9, at 12:30 p.m. in Duncan Memorial Chapel, Pewee Valley, Kentucky.

The Rev. Paul Moehlman, minister of the Pewee Valley Presbyterian Church performed the double-ring ceremony. Traditional wedding music was played by Mrs. W. W. Harbourn, organist.

The bride, given in marriage by her father, wore a formal-length gown of white crepe and a white Belguim lace matilla. She carried a colonial bouquet of white and yellow daisies.

Miss Joan Lynette Hicks, of Louisville, sister of the bridegroom, was maid of honor. She wore a floor-length gown of green crepe with matching headband and carried a colonial bouquet of white and yellow daisies.

Mr. James L. Allen, of Maytown, cousin of the bridegroom, served as best man.

The chapel was decorated with spring flowers of mock orange, weigela, peonies and daisies.

Following the ceremony, a luncheon-reception was held at the home of the bride's parents.

Mrs. Hicks is a graduate of Jackson City high school and Morehead State University. She is presently teaching in the Louisville school system. Mr. Hicks is a graduate of Maytown high school, attended Prestonsburg Community College, Morehead State University, and is enrolled in the Electronic Computer Programming Institute of Louisville.

The bridegroom is a grandson of Mrs. Lula Allen, Eastern Kentucky.

Attending the wedding from Maytown were Mr. and Mrs. Willard Hicks, Ellis Howard, James L. Allen, and Mary Sue Mayo, of Martin.

After a short wedding trip, the couple will reside in Louisville.

BALDRIDGE-REYNOLDS VOWS SAID

Wedding vows were exchanged May 9 at 6:30 p.m., in the Church of Christ by Miss Merlene Baldrige, daughter of Mrs. Bernard Baldrige, Martin, Ky., and Mr. Roy Dean Reynolds, son of Mr. and Mrs. Homer Reynolds of Allen, Ky.

The double-ring ceremony was performed by Dan Heintzelman and wedding music was provided by Miss Carolyn Ison, organist.

Given in marriage by her uncle, Mr. John R. Baldrige, the bride wore a floor-length gown of white nylon chiffon, embroidered with lace and pearls. The gown was an empire style with high scalloped neckline and long sleeves. The detachable train was appliqued with lace. Her shoulder-length veil was attached to a circle of rose buds encrusted with seed pearls. She carried a bouquet of baby's breath and large purple orchids.

Attending the bride were Miss Gwendolyn Reynolds, maid of honor and sister of the bridegroom; Miss Francis Yvonne Hall and Miss Mary Sue Mayo, bridesmaids. They wore floor-length gowns of crepe-de-chine with baby blue background covered with hot pink and orchid applique flowers. They carried colonial bouquets of miniature carnations. Tamara Lynn and Christopher Steven Campbell, of Ashland, cousins of the bride, were flower girl and ring-bearer.

Jerry McDaniels, of Somerset, Ky., served as best man. John David Caudill, of Allen, and Jim Kenrudy, of Louisville served as ushers.

The bride's mother wore a butte knit coat and dress ensemble with white accessories.

CARD OF THANKS

The family of I. B. Johnson wishes to express its thanks for the flowers, food and all other expressions of sympathy upon the passing of our loved one. A special thanks to the ministers for their comforting words and the Merion Funeral Home for its kind and efficient service.

Her corsage was yellow orchids. The groom's mother wore a turquoise coat and dress ensemble with matching accessories. She also wore a corsage of yellow orchids.

The bride is a graduate of Martin high school. She attended Morehead State University where she was a junior majoring in English and library science.

The groom is also a graduate of Martin high school and has completed his junior year at the University of Kentucky, where he is majoring in chemical engineering. The couple plans to complete their studies at the University of Kentucky this fall.

They are presently residing in Baton Rouge, La., where Mr. Reynolds is employed in the chemical engineering department of the Humble Oil Refining Co.

Illustrated Story Hour And Bible School Held

Judy and Jerry Watson, recently of Paradise, Calif., and Mr. and Mrs. Ray Wireman are presenting to the Waldo, Ky. community a children's Story Hour and adult Bible class. Mrs. Watson is featuring stories for children of all ages about nature, animals, boys and girls and many other topics including Biblical subjects. The Biblical stories are illustrated on flannel board, appealing to the eye, heart and mind. She has taught children for more than 30 years through the medium of vacation Bible schools, Sunday schools and branch Bible schools, just for the love of guiding young and impressionable lives in the way of good living.

Following the story hour, Mr. Watson, a native Kentuckian, will lead in a Bible study in which all may participate by bringing their Bibles. Each Sunday, different topics will be considered.

The program starts at 10:30 a.m., each Sunday morning at the Wayside Community Church, about 1½ miles west of the Waldo postoffice on the Evanston road. All are welcome.

ded, "what is certain to be lost is growth grant which had been approved. Without this grant funding, many new positions and services for Floyd county will be lost."

Programs marked for funding but now threatened include these:

1. The Day-Care Program which currently serves 50 persons who had long ago been "given up" as chronic cases.

2. The staff for the new permanent center for the McDowell-Wheelwright area, which would provide "close-to-home" services for approximately half of the 300 persons being seen by the four members of the clinic staff.

3. A fulltime alcoholic counselor for Floyd county as well as one such counselor in each of the other five counties served by Mountain Health.

Also planned for the county, if the appropriation is not cut, are a central office team of workers to insure quicker and more efficient services to the people; and a special unit for children's services, composed of a child psychiatrist, a Ph. D. psychologist, social worker and liaison teacher.

Existing programs will receive support, but what that support will be remains a question. Letters to the Kentucky delegation in Congress and to members of the House Appropriations Committee are urging that the appropriation be restored.

Hueysville Man Is Crash Victim

Body of Tilden Shepherd, Jr., 30, who was killed in an auto wreck near Strobes, Ind., early last Saturday evening, was returned to the Hall Brothers Funeral Home at Martin and graveside rites were held Tuesday in the Jack Shepherd cemetery on Salt Lick Creek.

Shepherd and his nephew, Ken Shepherd, 29, were returning from a fishing trip when the latter lost control of the car they occupied. The vehicle rammmed into a tree, killing Tilden Shepherd almost instantly. Ken Shepherd suffered a punctured lung and other injuries but is expected to recover.

The victim, a son of the late Tilden and Effie Coburn Shepherd, was an employee of the Cooper Tire and Rubber Co., Auburn, Ind. He is survived by his widow, Mrs. Dolores Frain Shepherd; one brother, Curt Shepherd, of Hueysville, and nine sisters, Mrs. June Kopp, Cincinnati, O., Mrs. Luna Martin, Muskogee, Okla., Mrs. Goldia Conley, Constantine, Mich., Mrs. Lola Sexton and Mrs. Diana Bailey, both of Kendallville, Ind., Mrs. Shirley Stephens, Avilla, Ind., Mrs. Margaret Bailey, New Haven, Ind., Mrs. Donna Neeley, South Milford, Ind., and Mrs. Fonda Salyers, Harrett, Indiana.

grass. As distrustful of humans as most humans are, they were defending the fledgling.

The bluejay is a pesky critter, raucous of voice and larcenous of intent. But he's a beautiful bird, and this devotion covers, so far as I am concerned, a multitude of sins such as raiding cherry trees and the like.

AN OLD STORY

This may be an old story, but I must hazard the opinion that anybody as unlucky as I should wear at least two life preservers or insist on being lashed to the mast when he puts out from shore. The other afternoon, on Dewey Lake, the fish were going after this lure of mine with malice aforethought, but somehow we just couldn't make connections. Meanwhile, my son was boating two fine bass. Then came that good, solid strike I had been waiting for, and I struck back with a vengeance. The fish seemed hooked, but something was wrong. My reel had fallen off the rod. That's enough to make a preacher fuss, but I merely threatened to throw the rod in the lake if it ever happened again.

SURE, I REMEMBER WHEN

(From the Masonic Chronicle, thanks to Alma Keenan.)

When the poor were too proud to take charity.

When you weren't afraid to go out at night.

When Protestants and Catholics thought enough of their benefits to argue about them.

When ghettos were neighborhoods. When you knew that the law meant justice, and you felt a little shiver of awe at the sight of a policeman.

When young fellows tried to join the Army or the Navy.

When songs had a tune.

When you wrote love notes.

When criminals went to jail.

When you could get away from it all for a while.

When you bragged about your home state and your home town.

When politicians proclaimed their patriotism.

When clerks and repairmen tried to please you, or else.

When a Sunday drive was an adventure, not an ordeal.

When you had to be brave to fly.

When you could always find someone willing and able, whenever you wanted something done.

When riots were unthinkable.

When the clergy talked about religion.

When you took it for granted that the law would be enforced, and your safety protected.

When Christmas was merry, and Christ was kept in it.

A native of Shamokin, Pennsylvania, Reed came to Kentucky in 1927 following graduation from the Shamokin Business College and experience with the J. P. Burton Coal Company of Cleveland, Ohio.

He became a highly respected coal executive whose services to the Commonwealth of Kentucky have been great. He served for many years as a member and chairman of the Eastern Kentucky Regional Planning Commission, was president of the Wheelwright Kiwanis Club, and has received the Silver Beaver and Silver Antelope awards for his work with the Boy Scouts.

Other positions he has held are the chairmanship of the board of the First Guaranty Bank of Martin, the chairmanship of the board of the Hazard Gas Company, and a directorship of the National Coal Association.

Not only has he served for 13 years as a member of the Morehead State University board of regents, but is also a member of the board of Pikeville College. The Morehead Alumni Association recently honored him with a life membership in the association.

His grandson, Carl Reed Ankrom, of Prestonsburg, will enroll in Morehead this fall as a freshman.

He is married to the former Ruth Maurer, of Shamokin, and they have five children: B. Alvin Reed, Drift; David M. Reed, Langley; Mrs. Helen Ankrom, Prestonsburg; Mrs. Marianna Kelly, Rocky River, Ohio, and Mrs. Phyllis Lowry, Berea, Ohio.

Southern West Virginia said they seek to halt the UMW's practice of stripping disabled miners and widows of their hospitalization cards one year after the disability, or one year after the miner's death. Currently, disabled miners get their cards back at age 65.

The spokesmen said that UMW President W. A. "Tony" Boyle had failed to listen to their demands.

Approximately 940,000 servicemen were separated from military service during fiscal year 1969, according to VA's annual report.

See the free show highways of electricity

Interstate 765,000

This mobile exhibit tells a fascinating story. How does electricity get to your home? How is this invisible genie, electricity, controlled and guided to perform modern-day miracles Alladin could never have imagined? The story of our new Interstate Power Network, capable of transmitting 765,000 volts of electricity, is both educational and entertaining. Take time to see this 12-minute show. You'll find it rewarding.

Display in Prestonsburg

The exhibit will be on display in Prestonsburg at the Municipal Parking Lot at the corner of Court Street and Lake Drive on Wednesday, July 1, from 9 a.m. to 3 p.m.

NEW CONSERVATION CAMP NEAR GRAYSON DEDICATED

GRAYSON, KY.—Camp Robert C. Webb, a junior conservation camp developed by the Kentucky Department of Fish and Wildlife, is open for business. The camp is located by Grayson Reservoir, a new lake created by the U. S. Army Corps of Engineers. The camp was dedicated May 30. Representing Gov. Louie B. Nunn at the ceremony was W. James Host, commissioner of Parks, who said the Depart-

ment of Parks will develop a new State Park directly across the lake from Camp Webb. At first the new park will have a launching ramp, picnicking facilities and primitive camping area with about 150 campsites.

Host said, "The formal leasing of this land from the Corps of Engineers, which will take place by mid-summer, will mark the beginning of another major park for this section of the commonwealth."

Camp Webb serves state Wildlife Districts 7 and 8. Applications to attend will be accepted from children who have completed the fifth or sixth grades and who have participated in winter conservation programs at school.

Boating, fishing, gun safety classes, nature hikes, volleyball, basketball and archery instruction, all under adult supervision, will be offered.

Tax money will not be used to operate Camp Webb. Each camper is charged \$14.50 for a week's stay, and the Department of Fish and Wildlife will subsidize additional costs through the sale of fishing licenses.

Sgt. Mead Honored On His Retirement

WRIGHT-PATTERSON AIR FORCE BASE, OHIO—T-Sgt. Rush Mead, a resident of Fairborn, Ohio, has received the Air Force Commendation Medal (first oak leaf cluster) upon his retirement from the Air Force. Col. George R. Weinbrenner, Foreign Technology Division commander, presented Sgt. Mead with the decoration and a retirement certificate.

Mead, who has been in the Air Force almost 24 years, was cited for meritorious service as the noncommissioned officer in charge, Technical Applications Division, FTD, from February, 1969 through May, 1970. During this period, his outstanding administrative skill, specialized knowledge and flawless competence resulted in major contributions to the effectiveness and success of Air Force Intelligence Programs.

A native of Hi Hat, Ky., where his parents, Mr. and Mrs. H. F. Mead reside, Sgt. Mead attended Wheelwright high school. He entered the service in October, 1946, and during the Cuban Missile Crisis in 1962 served as operations specialist in the Foreign Equipment Acquisition Branch of FTD. Mead is married to the former Justine Bates, daughter of Mr. and Mrs. Carl Bates, of Bevinsville.

Notice To Bidders

The Floyd County Board of Education will accept bids until 12 noon, July 4, 1970, for a quantity of duplicator and mimeograph paper, master units, and duplicator fluid.

Retiring Teacher Honored, May 21 At Martin High Assembly Program

Mrs. Dortha Allen, who is retiring at the end of this school term after 40 years in the classroom, was honored by an assembly program at Martin high school, May 21. In attendance, besides the student-body and faculty, were visitors and friends of Mrs. Allen's. Mrs. Thomas Patrick, Mrs. Henry May, Mrs. Amanda Sutton, and Mrs. Elizabeth Baker, of Langley. Rev. and Mrs. Leonard Sumner, Mrs. Ray Allen, and Mrs. Dennis Mayo, of Martin, were among the friends who attended the program.

Corsages and arrangements from the Maddox and Jan's Floral Shops were presented, along with gifts from students and visitors.

Miss Rhoda Gayheart, faculty member, read the story of Mrs. Allen's life since she came to Floyd county in 1929. The Martin high school band, under the direction of Roger Voelker, dedicated two numbers to her. This was followed by a vocal solo, "School Days," by Sherrill Frazier, and a skit by the sophomores depicting a typical scene in Mrs. Allen's French class. Excerpts from students' letters and poems were read.

Teachers and visitors expressed their

regrets at losing Mrs. Allen, and voiced their best wishes for a happy retirement.

A dinner was given in her honor on June 8, in the high school lunchroom, at which time Mrs. Allen was the recipient of a wall clock and matching candleholders from the faculty. Wayne Ratliff, assistant superintendent of Floyd county schools, who was guest-speaker, made the presentation.

Mrs. Allen has received many cards and letters from former students and friends in appreciation of her many years of service.

CLARK'S LAUNDRY & CLEANERS

Wheelwright, Ky.

It comes with 2 tops.

Where's the second top?
Step inside. Sit down. And look up. There it is.
Under the outside top.
It's an inside top that covers the bottom of the outside top.

So you don't see any braces or crossbars. All you see is a nice leatherette ceiling. Exactly like you do in a sedan.

Our convertible roof even sounds like a sedan roof. It's insulated. With a thick layer of padding. To cushion sound. And keep cold air out.

No water or drafts can get inside our outside top, either. It's waterproof vinyl. And fits on tighter than most convertible tops.

Even the rear window's not what you expect in a convertible. It's real glass. (Not plastic.)

So you see, the Volkswagen is one of the few convertibles that's really convertible.

Just put up the roof and it turns into a sedan.

YOUR PRESIDENT'S LIFE MAY BE IN DANGER!

President Richard M. Nixon, 37th President of the U. S., may be the first person in history tried by authority of the United Nations "Genocide" Treaty, if the U. S. Senate ratifies the treaty, *expected soon.*

Fantastic? Not at all! Article IV of the "Genocide" Treaty provides: "Persons committing 'genocide' or any of the other acts enumerated in Article III shall be punished, whether they are constitutionally responsible rulers, public officials or private individuals."

The communists [Viet Cong] in Vietnam have already charged President Nixon and our American GIs with "genocide"! All that stands in the way of our President and our GIs — *maybe you* — from being arrested and tried in a foreign "war crimes" trial or worse, is the Senate's failure, so far [God bless 'em], to ratify the U.N. "Genocide" Treaty Hoax!

There's very little opposition to ratification of the "Genocide" Treaty, so YOU must ACT QUICKLY by wiring and contacting your Senators! . . . After you've informed yourself by reading this advertisement.

Would you believe that absolutely *nothing can be done to the communists*, by anyone, to punish them for true genocide in Czechoslovakia, Hungary, the Congo, and Biafra! Believe it or not, *political genocide is not included* in the U.N. "Genocide" Treaty. That's why it's a hoax!

Probably every American is *against genocide*, of course! That's not the issue. *Unnecessary risk to you is!*

You must help 'Denounce' the 'Genocide' hoax!

Are YOU willing to SURRENDER your American Citizenship? To JUNK the Constitution? Throw away the BILL OF RIGHTS? To "cry over spilled milk" AFTER your rights, freedoms and guarantees are GONE?

You ARE about to lose your BIRTHRIGHT! Unless YOU ACT NOW! After the Senate ratifies the "Genocide" Hoax, IT WILL BE TOO LATE!

You were taught to read contracts first, before signing! Regardless of what you were told about the contract—because you were taught to expect to be required to do exactly what the contract stated! You learned to ignore tranquilizing words salesmen use to soften hard, no-nonsense contract terms! In court, you learned *only written words count!* So read the Treaty terms for yourself! And when anyone tells

you the treaty doesn't mean what it says, then ask, "Why not change it so it says what you say it means?"

Unless the "Genocide" Treaty is Denounced by the U.S., it may be ratified someday when you are OFF GUARD!

Unfortunately, Senators don't have time to study issues carefully enough, so they believe what the State Department tells them.

True genocide should be prevented and punished. Is it too much to ask to demand a clear-cut, plain language treaty contract?

The mandatory trial by International Court at the request of any party is not for us. All trials will be held at the most advantageous place, certainly not the U.S. The Black Panthers have said they will use the treaty against America! Of

course they'll prefer an International Court, not bound by U.S. law! [The Black Panthers might be wise to check how the "Genocide" Hoax can be used against them, too!] And, they've said they'll charge Judge Hoffman of Chicago and others!

No grand jury, no trial by jury, no "fifth amendment" immunity, no sixth amendment confrontation of your accusers . . . and you're guilty until you prove your own innocence!

Write, wire or phone your Senators now! Demand Denunciation of the "Genocide" Treaty! Read what it says. Decide yourself!

Again we say: If the U.N. "Genocide" Treaty is supposed to mean what is claimed, then why doesn't it say that in the first place?

Article II "Genocide" means any of the following acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group, as such: (a) Killing . . . (b) Causing serious bodily or mental harm . . . (c) inflicting conditions of life . . . (d) Imposing measures intended to prevent births . . .

Notes: (b) mental harm is vague, easy to charge, difficult to judge. This should be cleared up. (c) conditions of life. What is it? (d) Welfare officials might be charged with genocide by the poor who receive birth control aid.

Article III The following acts shall be punishable: (a) "Genocide;" (b) Conspiracy to commit "Genocide;" (c) Incitement to commit "Genocide;" (d) Attempt to com-

mit "Genocide;" (e) Complicity in "Genocide."

Notes: (b) (e) conspiracy and complicity are difficult charges to face since no genocide need have been committed. (c) incitement is also indefinite, requires no hard evidence. All these should be clarified!

Article XIV . . . The [treaty] shall remain in force for such as have not denounced it . . . Denunciation shall be effected by a written notification addressed to the Secretary-General of the United Nations.

Dean Clarence Manion, 30 years Constitutional law expert, says, "Ratification of the [treaty] would . . . make disastrous impacts upon the rights and immunities of

U. S. citizens, provided by the Bill of Rights. Under the treaty, the mere charge of 'racism' or 'religious prejudice' would subject Americans to trial in an international court without the protections of the U. S. Constitution."

Hon. John R. Rarick, House of Representatives (Democrat-La.), says, [US] citizens would submit without reservation to the full jurisdiction of the International Court of Justice. The Connally Amendment . . . would be nullified."

Article XVI A request for revision of the [treaty] may be made at any time by the party by . . . notification in writing . . ."

His Excel. Bishop Dwyer in Sage and Sand, Nevada Catholic Register, says, "[Genocide] is the political liquidation, enslavement or brutalization of any particular race or racial group, on the basis of its alleged inferiority. But the [treaty] most amazingly, neglects to list political genocide . . . a political decision to liquidate a subject race might not be genocide, but an isolated act of racial prejudice would be . . . Did the framers intend to eliminate or . . . whitewash an inevitable consequence . . . of Marxism? It is hardly conceivable that they could have been unaware of the omission."

DON'T YOU AGREE THAT, REGARDLESS OF OPINION, THIS TREATY OUGHT TO BE REWRITTEN AND AT LEAST MADE EASIER TO UNDERSTAND?

Rediscover Kentucky:

Jesse James in Kentucky

BY HELEN PRICE STACY

WEST LIBERTY, KY.—Since 1875 when the James gang rode into Huntington, W. Va., and pulled a bank robbery that netted them \$2000, a legend has persisted in the East Kentucky hills that the famed bandit and three of his men rode fast horses through Lawrence, Elliott and Morgan counties to make their getaway.

Mountainmen are honest. If the late Zeke West of West Liberty said he was visited by Jesse James and James made his way, cross-country, to Missouri—it is an honest assumption.

If the late J. Monroe Gevedon, also of Morgan county, said that while he as a boy was spending the night with his grandparents, the A. G. Testermans at Grassy Creek, a tall, dark stranger arrived, unannounced, to stay the night, he was relating an incident from his boyhood—he believed either Jesse or his brother Frank was the unexpected visitor.

J. T. Wells, of Stacy Fork in Morgan county, had in his possession many years a bridle bit left behind by a man he believed was Jesse James—who also left in a feed trough at the barn \$30, the "boot" in a horse trade after Wells informed him he didn't think he would trade his bay mare.

In 1950, George Washington Gibson, who was born June 26, 1856, in Sandy Hook, together with a grandson from Milwaukee and a friend from Chicago, traveled to Missouri where Gibson looked at a man sick in bed. According to a reporter, Gibson was as sure of himself as though he had seen James the day before. Mr. Gibson blurted out: "That is the man!"

Most questions about social security can be handled by phone without the need for a trip to the office. This may save time and even money.

Gibson, who lived to be 101, told the reporter that James and his men stopped at the Gibson home following the bank robbery in Huntington. "They ate dinner at Mr. Gibson's house and he held a lengthy conversation with the outlaws before they rode on," the newsman wrote later.

To reaffirm Gibson's belief that the man who was known as J. Frank Dalton but who claimed he actually was the famed outlaw Jesse James was in fact the bandit, Gibson got answers to questions that only a man at his home that day in the 1870s would know. Said the reporter in a Wisconsin paper 20 years ago, "James was reported to have the end of one finger chewed off and a similar injury in the man called Dalton was noted by Gibson."

The young boy Monroe Gevedon remembered that the stranger in his grandparents' home "had two fingers missing from his right hand."

Zee Mimms, who was born in Kentucky and who on April, 1882, told a coroner that her husband had had one finger shot off. "I believe on his right hand."

In May, 1970 Dr. Robert G. Hallawell of Mt. Sterling, a James scholar who has documented many facts concerning "the good outlaw", brought out a different theory as to who the man was who left a "Jesse James" trail and legend through the Cumberland foothills.

Hallawell called at my home in West Liberty, a short time after I had written an article concerning the Huntington bank robbery and the trail left by James and his gang.

"Your story proves to me that the man Gibson and the others thought was Jesse James was not James at all, but was Tom Webb, one of the many men who at one time or other traveled with Jesse."

At the time of the robbery, Jesse's wife, Zerelda (Zee) Mimms James, was in Nashville for the birth on Aug. 31, 1875 of their son, Jesse Edwards James, which might account for Jesse's not being in Huntington.

Gevedon might have been correct in his belief that the unexpected guest was Frank James, not Jesse, and that Frank make numerous stops in Morgan county en route to Missouri, leaving in Morgan a horse, bridle bit and \$30. Cole Younger was in on the robbery, as was Tom McDaniels who was killed.

"Gibson," said Hallawell, "was honest in his thinking. His mistake from the day the men stopped to eat with him after the robbery was thinking Webb was Jesse; then when Gibson in his nineties traveled to Missouri to identify the same man, still thinking it had been Jesse he, of course, said it was the same man... only the man was Tom Webb, now J. Frank Dalton and not Jesse James."

Jesse James was called "the good outlaw" because he often helped others, gave money where it was needed, befriended and was befriended, attended church at every "settled" opportunity and read his Bible. He was devoted to his wife and children and worshipped his mother who remained loyal to her outlaw sons.

Should the Mt. Sterling dentist be correct in the way he has pieced together the facts about Jesse James, it will mean the revision of a bit of James history in Eastern Kentucky.

MEANING OF MARRIAGE TRADITIONS

By NEVYLE SHACKELFORD
Staff Writer, UK College of Agriculture

June is the traditional month of marriages, and young girls destined to play leading roles in such happy events during this period can thank their lucky stars that modern marriage customs no longer mean what they meant back when the institution of matrimony was first established. Over the years there have been some changes made, else young homemakers of today would have a hard time living happily ever after.

This information comes from the astute National Geographic Society which adds, in effect, that in the early days of wedding, there was, for the girl, no equality in marriage. The venerable customs such as now observed, were originated by men as a means of showing who was boss.

Wedding rings, for example, evolved in the ancient East from bands of metal which brides were forced to wear around their ankles, wrists, and waists as symbolic fetters, indicating they were their husband's slaves. The old shoes now so gaily tied to bumpers of honeymoon automobiles survive from the time when a bride's parents gave their son-in-law a sandal signifying transfer of a chattel.

In the old days, too, young girls had little to say about who would be their husbands, and how they felt about it was of little consequence. They were sold and bartered, and often kidnapped. From the latter method of securing a helpmeet stems the current "best man" idea. He was a strong-armed friend taken along to help a would-be husband capture and carry off some gal that had taken his fancy.

Because kidnapping a fair damsel from her parents, or even from another bride

groom, was an old way of winning a wife, young benedicts of today march down the aisles with their wives at left position. This is to leave the sword arm free to fight off other suitors or angry parents.

On the other hand, it is written that bridesmaids came into fashion to protect the bride-to-be from the over-attentive guardianship of the best man.

Ring bearers first joined wedding parties in medieval Italy when pages of affluent households were given the duty of carrying the ring to the altar on a satin pillow. In the Middle Ages the groom slipped a band on his bride's ring finger in accordance with an ancient medical belief that this digit was directly connected to the seat of love—the heart.

Fourteenth-century French brides threw a garter to the wedding party as an omen of good luck. As the years crept by, more modest and discreet brides started tossing their bouquets, and the idea took hold that whichever girl caught it would be next to wed.

And ah, yes—the rice. It was originally thrown at newlyweds in the hope that the fertility of the seeds would magically transfer to them.

In myth and in legend, the same thoughts of lasting love and fertility were imparted to the wedding cake and to the traditional flower of brides, the orange blossom, which comes from a tree that bears fruit and flowers at the same time.

Carrying a bride across the threshold was a custom practiced by Romans, Chinese, Ethiopians, and even North American Indians. Marriage custom experts think this act either asserted the authority of the groom, or was the only way to get a captured girl inside her new home.

Garth Extension Project Is Begun

The Garth Extension Center of the Mayo Vocational School is the location for a proposed project entitled, "Orientation and Exploration of the Trades," to be held June 9 through June 30. Participating freshmen and sophomore students will be transported from the areas of Martin, Maytown, Garrett, and McDowell high schools to the center at Hite.

Orientation type information and experience exercises are to be provided which will be helpful in a guidance manner enabling the student to become acquainted with the five trade courses offered at the extension center. The use of a number of audio-visual aids is planned as a part of the classroom activities. "Choosing Your Occupation," "Automotive Service," and "Learning to Earn" are among the films that are being selected.

A field trip to the Mayo State Vocational-Technical School in Paintsville is planned for one day. During this trip, the students will take a guided tour through the school.

How big IS "the big difference"?

"Our heating costs less than it did before."

One year after switching to electric heat, Mr. and Mrs. Tom McNeely of Catlettsburg, Ky. were pleasantly surprised. "We thought it would be more, but our heating cost is running less than it did before. I'd be willing to pay more because it's better and it's safe."

"Difference? We can't see any."

Wayne Wilson of Louisa, Ky. switched to electric heat 2 years ago. "Our 8-room house is total electric . . . heating, cooking, water heating, everything—and our bill is \$25 a month. That's about what we paid before for electricity and heating."

"Electric heat costs us less than the heat we had before."

"People who think electric heat is expensive sure change their minds when they find out what it really costs. I can prove it's cheaper for us by showing them our records for the last 3 years." Paul Pennington, Hazard, Ky.

You can enjoy the big difference electric heat can make in the comfort of your home at very little difference in cost. Get a free estimate from us or your Reddy Kilowatt Recommended Dealer.

VAUGHN-MEMORY

In a double-ring ceremony performed May 23 at 11 a.m., in the Kern Methodist Church, Oak Ridge, Tenn., Miss Margaret Ann Vaughn, daughter of Mrs. Peggy Jo Vaughn, of Oak Ridge, and the late Maurice L. Vaughn, was united in marriage to Mr. Robert Lee Memory, son of Mr. and Mrs. R. C. Memory, North Orlando, Florida.

The Rev. William Mooney was the officiating minister. Nuptial music was provided by the church organist.

The bride wore a floor-length gown of white satin fashioned with empire waist, lowered round neckline, long, fitted sleeves of silk organza and accented with lace insertion and pink ribbon at waist, neck, cuffs and down center front. A band of insertion and ribbon held her fingertip-length veil of silk illusion, and she carried a bouquet of pink and white rosebuds.

Miss Donna Jean Stapleton, Rockville, Md., formerly of Oak Ridge, was maid of honor. She wore a sleeveless floor-length empire gown of pink crepe with pink flowered trim at waist and lowered neckline. Her bouquet was pink rosebuds.

The mother of the bride wore a pale yellow polyester dress with long sleeves of lace. Her corsage was white roses as were those of the bride's paternal grandmother, Mrs. Maude Vaughn, and her great aunt, Mrs. Elizabeth Baker.

Sp-4 Robert Vaughn, Fort Campbell, Ky., gave his sister in marriage. His twin brother, Richard Vaughn, Oak Ridge, was best man and their cousin, Condit Steil, of Ashland, Ky., was usher.

Assisting with the reception in Fellowship Hall of the church was the bride's aunt, Mrs. Edwin Steil, and former roommates, Miss Shirley Trenary, Lexington, Ky., and Mrs. Morris Smith, Louisville, Ky.

The bride is the granddaughter of Dr. J. H. Allen, Langley, Ky. She attended Oak

Attending the training from Floyd county were: Rudolph Ousley, Don Tussey, Jr., James Troy Hackworth, Stephen Brackett, Clyde Tackett, Jr., and Kent Thompson.

These members will participate in the state contest, June 30-July 1.

In Memoriam

TO REV. GREEN B. ALLEN

This is June 25, a date which will always have special sadness for us. Five years ago today, God called my father-in-law to his home in Glory. I am sure there was singing, shouting and rejoicing as he came face to face with his precious Savior and seeing again old friends and loved ones who had gone on before—some who were there because he preached faithfully the word of God here on earth. He surely was one of God's faithful servants.

His presence has been sadly missed, but his memory of his love for the Lord and the word of God continues to be a source of encouragement to us, his "beloved family," to meet him in that Heavenly Home where we may all be together again.

I thank God I have had the privilege of being a member of this wonderful man's family. He made no difference in any of us—he loved us all. We miss his council and his encouragement in every-day affairs.

No, you are not forgotten, Dad, Nor will you ever be.

As long as life and memory last We will remember thee.

We miss you now,
Our hearts are sore
As time goes by,
We miss you more.
Your loving smile,
Your gentle face
No one can fill
Your vacant place.

Sadly missed by your family. Written by Mrs. Luther Allen, his daughter-in-law.

Ridge high school with early admission to the University of Kentucky where she received her A. B. in Education in May, 1969. She is employed by the Orange county schools, Orlando, Fla., as teacher of eighth-grade mathematics. The groom is associated with Central Citrus Company, Orlando. After a honeymoon in Atlanta, Ga., the couple returned to Orlando where they will reside.

Out-of-town guests attending the wedding included Mrs. David Conley and daughters, Marla and Paige, of Martin; Mrs. Elizabeth Baker, Honolulu, Hawaii; Mrs. Maude Vaughn, Mr. and Mrs. Edwin Steil and son, Condit, Ashland, Ky.; the Rev. and Mrs. Gerald E. Vaughn and children, Walton, Ky.; Mr. and Mrs. Ed Steil and Miss Midge McWhinney, Atlanta, Ga.; Mr. and Mrs. David Neal, Mr. and Mrs. Russell Petts, Knoxville, Tenn.; Mr. and Mrs. W. W. Messers Honored On Golden Wedding

Garrett, Ky.—An event of wide interest was the reception held Sunday, May 24, honoring Dr. and Mrs. Roscoe Messer at their home here on the occasion of their golden wedding anniversary.

Special guests were Mrs. Messer's mother, Mrs. Harriett Rowe, Pikeville, their daughter, Mrs. Harriett Robbins and son, John, of Louisville; their son and his family, Mr. and Mrs. James Messer, Rodger and Lynette, of Franklin, N. C.; and Miss Hildreth Maggard, who was an attendant at the wedding.

The Messers were married at Morehead at the home of Mr. and Mrs. E. E. Maggard when both were students at Morehead Normal School. Dr. Messer is a native of Rowan county, the son of the late Dr. and Mrs. Benton Messer, of Blue Stone. Mrs. Messer will be remembered by many as Dolly Ratliff, of Pike county.

Guests at the reception were long-time friends and neighbors, many of whom came from long distances to help them celebrate. Assisting hostesses were Mrs. Dolly Petry and Mrs. Rebekah Rasnick, Prestonsburg; Mrs. Edith Howard, Pikeville; Mrs. Barbara Stumbo, Minnie; Mrs. J. T. Spillman, Wayland; Mrs. Nora Martin, Mrs. Lyda Kilburn, Mrs. Rudolph Spencer, and Mrs. Gypsy Hughes, Garrett; Mrs. Beatrice Collins, Lackey; Mrs. Glenn C. Spradlin, Martin. Following the reception a buffet supper was served.

MENTAL HEALTH BODY NAMES NEW OFFICERS

The annual meeting of the 20th Region Mental Health-Mental Retardation Board, Inc., was held at May Lodge, Jenny Wiley State Park, May 18. The meeting, which was open to all citizens of Floyd, Johnson, Magoffin, Martin and Pike counties, was preceded by an informal dinner in the lodge dining room.

Chairman of the Board, Mrs. Lon B. Rogers, of Pikeville, presided. During the business session, there was a reading of suggested changes in the board's by-laws for consideration at the June 22 meeting; the election of Mrs. Sharon Davis as a new board member from Martin county and the acceptance of the financial report of the private non-profit mental health agency, Mountain Mental Health Services, for which the board has policy-setting responsibility.

The annual election of officers was also conducted. The following were elected to serve until June, 1971:

President, Roland Conley, Salyersville; first vice-president, Mrs. Lon B. Rogers, Pikeville; second vice-president, Mrs. George P. Archer, Prestonsburg; secretary, Mrs. Zella Archer, Prestonsburg; treasurer, Marshall Davidson, Prestonsburg.

A review of last year's accomplishments and plans for next year were presented by the team directors of the three teams

serving the region (Team I, Floyd county; Team II, Pike county, Team III, Johnson, Magoffin, and Martin counties). Generally, these reports reflected enthusiasm for what was done last year and hopes for greater accomplishment next year. There are plans for moving services closer to the recipients, an increase in services to alcoholics, improvement in quality of services and a greater use of volunteers in direct service to clients as well as in community educational and consultative services.

Highlights of the meeting was a discussion on the roles of volunteers in the Mental Health Center. The speaker was Mrs. Lillian Press, executive assistant to the commissioner of the Kentucky Department of Mental Health and acting director of Volunteer Services for that department.

Mrs. Press' theme dealt with the volunteer as a necessary ingredient in any community Mental Health Program. She charged them to be a very involved person not a very apathetic person because the volunteer is the most important person on the team.

The next Region 20 board meeting was announced for June 22 at 6:30 p.m., in the Mountain Mental Health Services central office, Prestonsburg.
