

Allen man escapes injury:

Four die in Magoffin accident

An Allen man escaped serious injury Thursday in a two vehicle accident in Magoffin County which left four people dead.

Vondol Feltner, 28, was treated and released from a Paintsville hospital after being involved in a collision with a passenger car driven by Seldon Lykins, 65, of Edna.

Lykins, his son David, 31, of Salyersville, and daughter in law Linda, 39, of Salyersville were pronounced dead at the scene by Magoffin County Coroner Glenn Conley. Melinda Lykins, the three year old daughter of David and Linda Lykins, was pronounced dead on arrival at a Paintsville hospital by

Johnson County Coroner J.R. Frisby. State police reports indicate that the accident occurred when Lykins pulled his vehicle into the path of a pickup truck driven by Feltner as Lykins attempted to enter KY 114 from Route 460. After the collision the Lykins vehicle struck a utility pole, causing a fallen transformer to ignite the Feltner vehicle.

The fire was extinguished by Salyersville firefighters as utility workers disconnected electrical service in the accident area.

State police report that none of the accident victims were wearing seat belts.

Warm your heart by giving

The Floyd County Times will accept donations of winter clothing through December 14 in connection with a "Warm A Heart" project to assist needy children.

The project is aimed at collecting winter clothing items such as; boots, gloves and winter coats. Items donated may be new or used, but used items must be cleaned before they will be accepted for donation.

"We need anything that will keep a child warm on a cold winter day," said Times Promotion Manager Kim Frasure. "I'm told that boots are always in demand in the winter."

Donations can be dropped off at The Time's office, 29 South Central Avenue, Monday through Friday from 9 a.m. until 5 p.m.

Clothing donations will be allotted and distributed by local schools.

School Bonds — (Continued from page 1)

could not be reached.

Terrell Ross with Ross, Sinclaire & Associates of Lexington, who is handling the bond sale, said the figures were based on projections of the estimated cost of the projects and the numbers would be calculated to the penny after the bond sale.

Ross listed the cost for the projects as:

- \$1,425,965 for the Allen project;
- \$132,380 for James A. Duff;
- \$919,050 for Left Beaver High School;
- \$392,411 for site acquisition for Prestonsburg High School;
- \$108,740 for boiler replacement at John M. Stumbo and Prestonsburg Elementary; and
- \$212,000 for new computers for the Writing to Read program.

Kathy Mudd with the state education department, did not have the computers for a Writing to Read program listed as part of the bond

sale.

Ross said the Times "apparently didn't talk to the right person" concerning what the bond sale entailed. He said any project that was projected below the actual cost would receive funds from other projects listed in the bond sale.

Board member Tommy Boyd cast the only "no" vote concerning the bond sale saying he did not want the new Prestonsburg high school to be located outside the city limits. He had requested to change his vote after the meeting, but decided to let his "no" vote stand. Board member Mary Hall did not attend the special meeting.

The board also voted to employ architect Randall Burchett for Phase II construction at Allen Elementary and to change the November 14 regular meeting of the board to November 7 at 6 p.m. at the Prestonsburg High School Cafeteria. The public is invited to attend.

Kentucky hospitals to gain \$33 million in indigent care payments

Four area hospitals will share \$33 million in state and federal reimbursement distributed to more than 100 hospitals for care of low-income Kentuckians in the first payments by the state Hospital Indigent Care Assurance Program. Highlands Regional Medical Center, Prestonsburg Methodist Hospital, Pikeville; Our Lady of the Way, Martin and Paul B. Hall Regional Medical Center will all receive funds.

The payments, \$16.5 million now and a like amount in December, will range from \$13,640 to \$2.9 million and average more than \$308,000 per hospital, said Commissioner Roy Butler of the state Department for Medicaid Services.

"As the program was set up, no hospital received a return less than the original assessment, and, in fact, most received substantially larger returns to reflect their disproportionate levels of indigent care," Butler said.

The program is funded by a one percent assessment on participating hospitals' annual operating costs for the preceding year. The initial levy of 10.5 million returned nearly \$33 million to hospitals.

For the 1990-91 fiscal year, Butler estimated assessments of \$20 million and a match of another \$50 million in federal Medicaid funding will be paid to hospitals as the state draws down the federal reimbursement. The hospitals will receive two additional quarterly payments by July

1991. "In the past, hospitals have had to absorb millions in indigent care costs," said Butler. "That financial burden has become harder to bear as medical expenses continue to rise.

"As we expected, small rural hospitals with a heavy Medicaid patient load are benefiting most from the assessment plan," Butler said.

"For some of those facilities, the Medicaid occupancy rate is as high as 40 percent compared to the average rate of 13 percent. This funding may be the difference in those hospitals staying open or closing."

Medicaid is a federal-state assistance program that pays for medical care for people with low incomes. For every Medicaid dollar, the federal government matches state money at a ratio of 73-to-27 cents.

Last year, before the Indigent Care Assurance Program was established, Kentucky hospitals were reimbursed approximately \$230 million for Medicaid patient care. Reimbursements are based on each hospital's number of Medicaid days.

"All Kentucky hospitals paid their assessments on time and they seemed very supportive of the new law," Butler said. "In fact, hospital officials were so interested in the program, we received money from some of them long before the due date."

"Hospitals will continue to receive benefits from the program on a quarterly basis, as long as they continue to pay into the pool."

Advancement in the fight against cancer

State Sen. Benny Ray Bailey, D-Hindman, (left) recently outlined the provisions of a new program to pay for breast-cancer screening for women across the state.

Bailey sponsored a bill during the 1990 legislative session that appropriates \$500,000 over the next two years to pay for screening mammograms, primarily for uninsured women.

At a recent news conference at the Capitol, Bailey said screening mammograms provide for early detection of breast cancer and could dramatically reduce the death rate of women in Kentucky. At right is state Rep. Ernesto Scorsone, D-Lexington, who sponsored a bill during the 1990 session that requires health-insurance policies to cover screening mammograms.

Development association is awarded fed grant

The Office of Community Services (OCS) of the U.S. Department of Health and Human Services has approved a \$308,000 grant to the Mountain Association for Community Economic Development (MACED), based in Berea, Kentucky. The grant is earmarked for increasing the use of Eastern Kentucky's hardwood timber in the manufacture of parts for furniture and cabinet makers within the state of Kentucky. At present much of the region's hardwood lumber is shipped to neighboring states, which then benefit from the value they add to this resource. The total project cost is \$1,286,999, 26 percent of which will be funded by the OCS grant. Non-governmental sources will fund the remaining 76 percent of the project cost in the amount of \$978,999.

"With this grant, and another one the Ford Foundation recently gave us for a similar purpose, we should be able to help create more jobs in and strengthen the economy of eastern Kentucky," said Frank Taylor, president of MACED.

MACED is a nonprofit organization which combines research and policy analysis with technical assistance and financial investments to stimulate economic development in

Kentucky. Since its founding in 1976, MACED has worked on projects in business development, housing finance, water system management, coal, education, forest products, local governance, and child care.

Let's Talk about Mental Health

Understanding co-dependency Co-dependency first became an issue in the field of mental health in the early 1970's. At that time co-dependency was seen as a pattern of behavior adopted by an individual in reaction to the lifestyle/behavior of another person. Now, some twenty years later, co-dependency has been recognized as a primary and progressive illness in itself.

But what is co-dependency? Is it possible to be addicted to another person? Isn't this called love?

Sharon Wegscheider-Cruise, an expert in the field of chemical dependency, defines co-dependency as "a specific condition that is characterized by pre-occupation and extreme emotional, social and sometimes physical dependence on a person or object. Eventually, this dependency becomes a pathological condition that affects the co-dependent in all other relationships."

In short, co-dependents become so obsessed with another person that they lose sense of self and become very concerned with pleasing others. They begin to avoid making decisions because they are afraid of making the "wrong" choice. Their need to be needed is so strong that many stay in unhealthy relationships so they won't have to be alone.

Co-dependents suffer from low self-worth; they look to others for acceptance; they find it difficult to talk about their own feelings, wants and needs. They focus so much of their attention and energy on others they find it impossible to think in terms of their own desires. The type of addiction doesn't matter—it could be drugs, work, sexual relationships, food or gambling. The problem is always the same. The co-dependent is trying to have a relationship with someone who has a much stronger relationship with something else. It's very much like being in love with someone who is in love with some-

one else. Co-dependency isn't love. It's an illness and can be treated. With proper counseling, most co-dependents can overcome their problems and regain their personal power and sense of self.

People who suffer from co-dependency should take the problem seriously. It's easy to blame someone else for your problems. But the key to overcoming co-dependency is to take responsibility for your own life.

Are you co-dependent? Ask yourself these questions. Do you...

- Need and Seek Approval From Others?
- Give In To Others Demands?
- Tend To Dismiss Your Own Views?
- Suffer From Such Physical Problems As Migraine Headaches, Insomnia, Stomach Or Back Problems?
- Feel Responsible For Other People and Try to Control Their Behavior?
- Find Yourself Absorbed In Other Peoples Lives?
- Have A Strong Fear Of Being Abandoned?
- Ignore Your Feelings Making It Difficult To Identify Or Express Them?
- Find It Hard To Make Decisions?

For more information regarding the topic of co-dependency, contact Mountain Comprehensive Care Center, 886-8572 Floyd; 789-3518 Johnson; 432-3143 Pike; 349-3115 Magoffin; 298-7902 Martin.

will eat together.

He grew up in Lexington, graduated from Henry Clay High School where he was active in athletics, and went on to Asbury College and Seminary. Following Mission Studies, Bill and Doris went to Zaire where they served for 28 years.

Rev. Wayne Sparks and the church cordially invite everyone to attend. A nursery will be provided for preschool age children.

St. Martha Catholic Parish plans "mission" for Nov. 8-11

The Floyd County Catholic Community is sponsoring a "Mission" for personal and parish renewal this weekend, Nov. 8, 9, 10, and 11, for adults and children at St. Martha Church, Route 3, Prestonsburg. The theme for the four-day revival is "Living is to Love Him."

The mission is open to everyone, not just Catholics. Babysitting and activities will be provided for young children on Friday and Saturday. Thursday and Sunday activities are group events which involve the whole family.

"There are many today who do not know how much God loves them," said Father Thomas Weinandy, a Capuchin/Franciscan priest who will lead the adult sessions. "Some may think that He really does not care about them or their families. Others may feel guilty because they have stopped going to church and now feel embarrassed and fearful about returning. Some may have committed a sin or sins for which they feel particularly guilty."

"There are those who have been hurt in some way by the church," continued Fr. Weinandy. "It may be that some one said or did something to them that was unjust or unkind. And, there are those who have allowed the business of life to squeeze out God and their faith."

"If you know that you have not known God's love in your life, or if you feel that it has diminished over the years, I encourage you to come," Fr. Weinandy added. "He will reveal his love to you."

Linda Snelling, a catechist and youth group leader from Good Shepherd Parish, Frankfort, Ky., will lead the children's sessions.

The Thursday session will begin at 7 p.m. and end at 9 p.m. Intercessory prayer through Mass, Adoration/Benediction and prayer will be its focus.

The introductory session will be held Friday evening from 7 p.m. to 9 p.m. It will begin with Mass and introduction of retreat leaders. Adult and children's presentation will be held concurrently. The evening will close with night prayer at 9 p.m.

A day of reflection will be held

Saturday from 1 p.m. to 8 p.m. It will begin with a brief prayer service. Adults will have three presentations interspersed with quiet time and individual ministry while the children are involved in age-appropriate retreat activities. A chili supper will be served at 5 p.m. A Reconciliation service will follow at 6 p.m. The day will end with the regularly scheduled Saturday evening Mass at 7 p.m.

Sunday's closing session will begin with the usual 11 a.m. Sunday Mass. A potluck lunch will follow.

Farmers Facing Budget Crisis Due to Persian Gulf

Farmers, still reeling from hard times in the mid 80s, should brace themselves for another onslaught of financial problems.

The Persian Gulf crisis which has sent light crude prices doubling in a little over two months, with no relief in sight, will mean that farmers throughout the U.S. will pay from 25 to 35 percent more to put their crops in come next spring, unless the conflict is resolved, according to a University of Kentucky agricultural

economist.

"Already the doubling of light crude prices is being felt by farmers, whose fuel use includes not just what they put in their tractors, but also in the myriad of fertilizers and chemicals they use on their crops," said Forrest Stegelin, an agribusiness economist at University of Kentucky College of Agriculture.

The inputs used most commonly, nitrogen fertilizer and herbicides, use vast quantities of petroleum in production. In addition, with manufacturing sites concentrated in the mid-west, transportation costs for delivering the inputs to the farms also will add to the cost of doing business.

"Oil is the lifeblood of the economic world now, including agriculture. Unless crude prices drop, many farmers will be facing a calamity," he said.

The double whammy that will likely accompany higher input prices, and which may push some teetering farmers over the the financial precipice, includes sharply lower government price supports and cash payments anticipated as an outcome of federal budget balancing.

"Although we don't exactly know how Congress will make cuts to balance the federal budget, we can guess pretty well that many of them will be in farm programs," Stegelin said.

"Unfortunately, the farmer won't be able to pass on his increased cost to the consumer as many others in the farmgate-to-dinner table chain can. Historically, farmers buy retail and sell wholesale," the economist said.

Blackcats Pass and Kick Their Way Past Morgan County

Friday night at the Prestonsburg Athletic Field the weather was comfortable and a good night for high school football as the Prestonsburg Blackcats and Morgan County Cougars squared off to determine which team would get the second playoff spot in District 2 play and advance to Corbin this Friday night. The weather wasn't anything like last year's final game against the Cougars at Morgan County — low 20s. The results were the same as the Blackcats came away with an impressive 37-14 win over the Cougars.

The game went as planned, as coach Bill Letton's chargers knew what was on the line against Morgan County. The Blackcats used a combination of offenses to defeat the visitors. Blackcat quarterback John Clark passed for 103 yards on six completions including a 12-yard TD pass to wide receiver Aaron Tucker. The Blackcats piled up 179 yards rushing and Jason "Golden Toe" Storey kicked four extra points and a 33-yard field goal.

The Blackcat defense was charged up for the game also as Aaron Stepp, Mike Ramadan and Trevor Blackburn led the defensive line.

The breaks started going Prestonsburg's way on their opening possession. On a third and five play, Clark's pass to Worthie McGuire was incomplete bringing up a fourth and five. The Blackcats' McGuire punted the football but the Cougars were flagged for roughing the kicker and assessed 15 yards, giving Prestonsburg a first down. Clark then hit McGuire on a pass play good for 31 yards. Prestonsburg took the ball to the Morgan County 24 yard line where, on a fourth and five, Clark found McGuire again for 13 yards and a first down on the Cougars 11 yard line. Mike Hopson carried to the

four where Jonathan Leslie crossed the goal line for a Blackcat touchdown. Storey kicked the extra point to give Prestonsburg a 7-0 lead. The drive took 12 plays covering 80 yards. On the score, Hopson was so overjoyed that he spiked the football in the endzone where the official immediately threw the flag assessing a 5-yard penalty on the extra point attempt. Storey split the uprights anyway.

Prestonsburg returned the favor on roughing the kicker on a fourth and 13 punt play. The penalty gave the Cougars a first down on the

Morgan County 45. However, the Cougars were unable to score.

Prestonsburg went up 14-0 when John Clark took a Morgan County punt and returned it 38 yards to the Morgan County 23. Five plays later Goble scored from 6 yards out with 9:17 remaining in the second quarter.

Storey added the extra point. Storey had good yardage on his kickoffs to the Cougars as the senior kicker, playing his final game at home, drove the ball deep into Prestonsburg territory.

The defensive play of Ramadan and Leslie stopped the Cougars on

their next possession and the punt attempt for Morgan County was blocked and the Blackcats took over on the Morgan County 22 yard line. Clark carried for 3 yards on a keeper; Leslie carried twice for 5 and 3 yards; Goble carried to the 7 where Clark hit

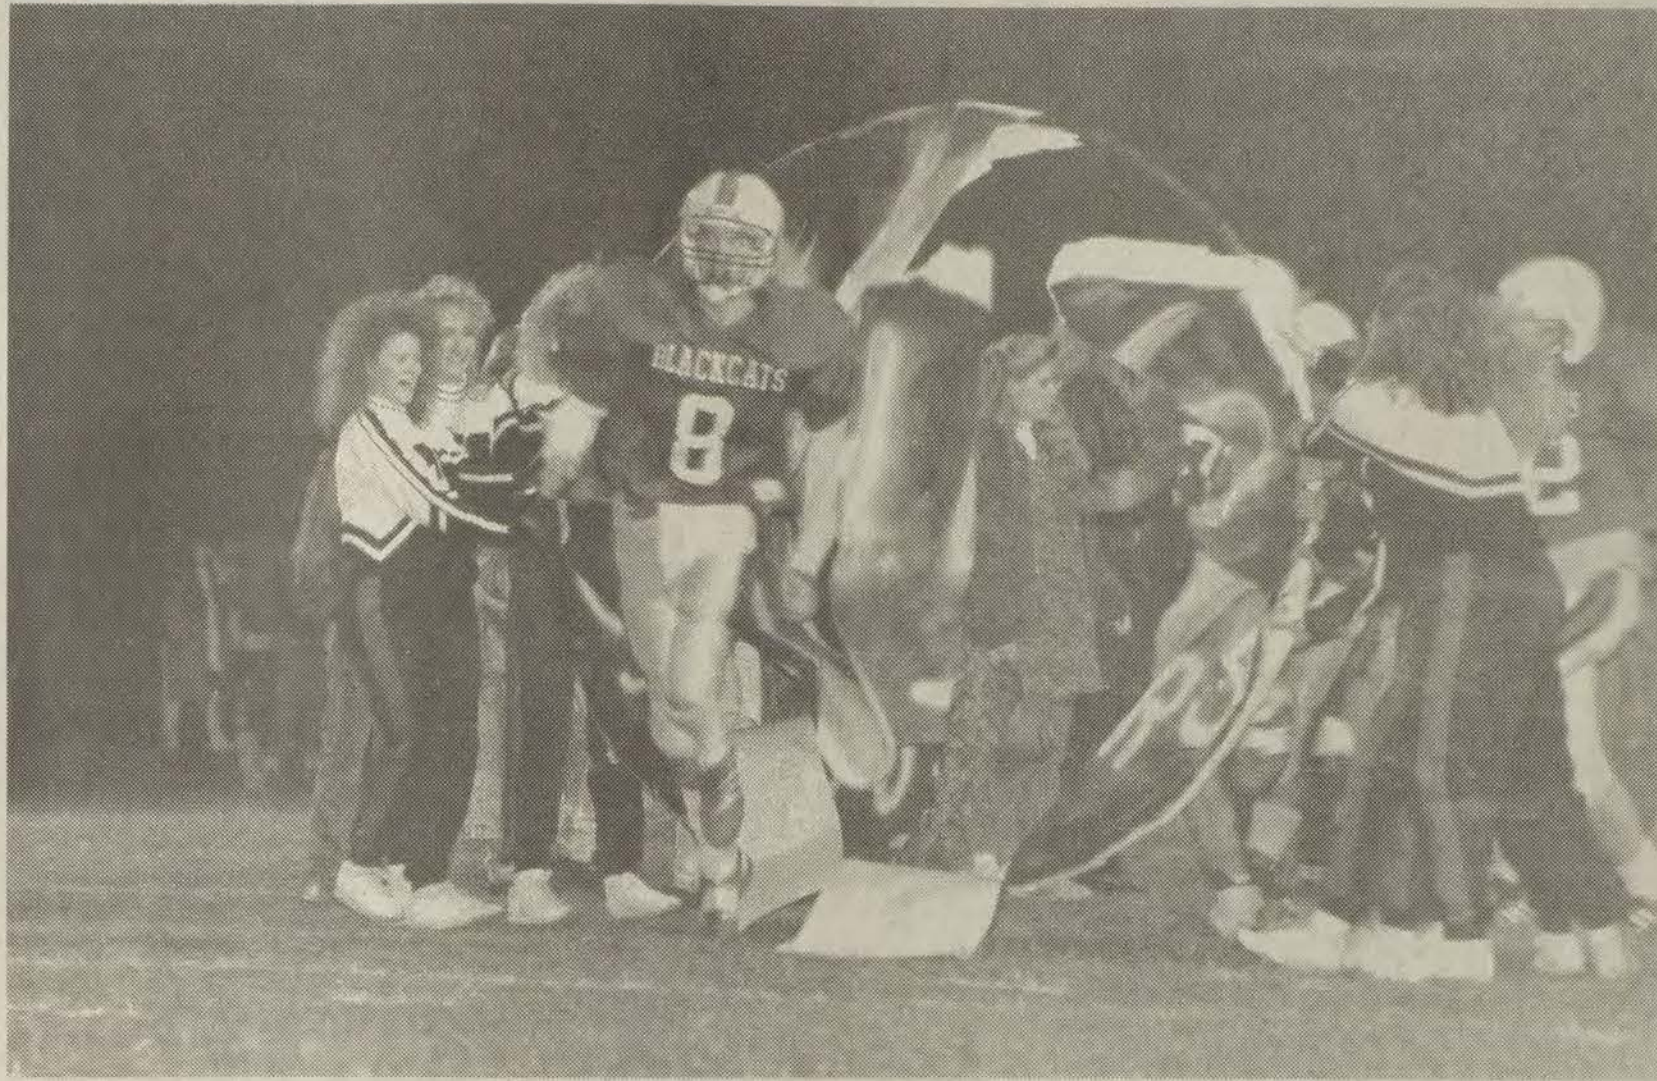

McGuire with a TD pass. However, the Blackcats were called for an illegal receiver down field and the TD was nullified, bringing up a third and 12. Clark then hit Tucker with a pass from 12 yards out for the score. Storey's extra point attempt was off to the right as Prestonsburg led 20-0.

Morgan County looked as if they were going to score on a pass play from Cougar quarterback Chalmer Adams to receiver Mark Payne good for 42 yards that moved the ball to the Prestonsburg 42. Running back Derrick Finch was injured and had to be taken by ambulance to the hospital for examination and Tony Perry replaced the hard running Finch in the Cougar line up. On a fourth and 9 play, the Cougars lined up to punt the football only to try a pass play instead that failed and Prestonsburg took over the football on the Morgan County 39 yard line.

Two completions from Clark to McGuire, good for 6 yards each, moved the ball to the Cougars 27 yard line. A face masking call on Morgan County marked off 15 more yards to the 12. On the first down play, Goble scored his second touchdown of the game and Storey added the extra point for a 27-0 halftime lead.

The Cougars made it 27-8 with 7:51 remaining in the third quarter when Adams hit Royce Collett with a 21-yard touchdown pass. Adams then hit Dewayne Lykins in the endzone on the two-point conversion play.

Rebels Win "Uncivil War" 20-16, But Not Without A "Cat" Fight

It was an undeclared "Uncivil War" as the Allen Central Rebels (6-5) traveled to Betsy Layne Friday night to face winless Betsy Layne (0-11) in the season finale for both schools.

"It was just that," stated Dewey Jamerson of the game played at Betsy Layne. "It was a rough game, as rough as the Phelps game we played earlier in the year." The Rebels came away with a come-from-behind 20-16 victory over the determined Bobcats. Both schools were fighting for separate reasons to win this one. Betsy Layne, to establish some respectability to their season and the Rebels to have a winning season.

The victory set a school record of six wins for Allen Central (previous high was four) and gave the school its first ever winning season in the school's football history.

"The people at Allen Central have waited a long time for this," said the Rebel coach. "I feel good for them because they deserve to have a winning season. They are quality people and have really supported this program."

Things didn't look too good for the Rebels goal in the fourth quarter, when they trailed 16-12. The Rebels were also facing another problem with their quarterback B.J. Aldrich, who played the last part of the game with a separated shoulder. Aldrich had suffered the same injury earlier in the season had to miss three games. But being a senior and playing his last game, Aldrich was determined to stay at the signal calling position although he could not throw the football. With five minutes remaining in the game and trailing 16-12, senior fullback Tommy Gibson, who has led a Rebel charge the last part of the season, crossed into the endzone from 8 yards out to make it 18-12 Allen Central. Gibson also ran the two-point conversion for the 20-12 lead.

Betsy Layne, who was trailing 12-8 going into the final quarter, took a 16-12 lead on a 5-yard touchdown run by Bobby Wise and a two-point conversion score.

After Allen Central took their 20-16 lead, the Bobcats had a chance to score again with the control of the football. Bobcat quarterback Brian

Combs threw long down field only to have Brad Scott pick off the errant throw, stalling any comeback hopes the Bobcats might have entertained. The interception was Scott's second of the game and came with three minutes remaining in the contest. Allen Central used a control offense to run out the clock.

Betsy Layne took a 8-0 lead on a 15-yard run by Wise in the first period. Wise picked up a fumbled football and galloped in for the score. Chad Hunter ran the extra points. The play occurred when Gibson fumbled the handoff from Aldrich.

"They had a blitz on," said Jamerson, "and they got there before the play developed."

The Rebels came back to within two points, 8-6, when they scored on a long bomb from Aldrich to Robert Jervis that covered 50 yards. The conversion play failed.

Allen Central took the lead at 12-8 in the first period when the Rebel defense held the Bobcats on a fourth and 20 play. A bad snap on the 8 yard line gave the ball over to the Rebels with excellent field position. Gibson carried the ball into the endzone for the touchdown. The conversion attempt failed.

"I told my players that tonight's game was for those who worry about numbers," explained Jamerson, "and that they were already winners because they were quality players with a strong character."

"We moved the football well and our passing was real good. The people at Betsy Layne were more interested in beating Dewey Jamerson than they were Allen Central. They began with chants of 'beat Dewey, beat Dewey'. That was alright with me I didn't mind."

Jamerson was returning to the school where he was an assistant coach last year. Jamerson then was hired to coach the Rebels this season. Betsy Layne makes the second county school the Rebels have beaten this year — the other being Wheelwright — Jamerson's alma mater.

"I have tried to express to my players, that there are lessons they can learn from playing football that will help them through life. When they come up on some problem in life

they think is hard, they will think back on a football game they lost or came close to winning and think that

was nothing compared to life now."

Jamerson sees this winning season as a positive step for next year's program as far as getting players out to play.

"Most kids don't like to play for losers," he explained. "This gives us a winning season and hopeful it will make kids next year want to come out and play next year."

Jamerson said that he was going to give the players the next two weeks off and then "the Monday after Thanksgiving we will start in the weight room for next season."

The Rebels had a total of 350 offensive yards in the game. Gibson led the rushing game for the Rebels with 126 yards on 22 carries and Todd Lucas was not far behind with 116 yards on just 11 attempts. Gibson scored two touchdowns and ran one conversion play.

"Todd had a great game for us," said Jamerson. Aldrich finished with 35 yards on five carries. Aldrich was three of eight in the passing department for a total of 73 yards including a 50 yard TD pass to Jervis. Jervis was the leading receiver for the Rebels with his one reception. Brett Meadows had one catch good for 22 yards.

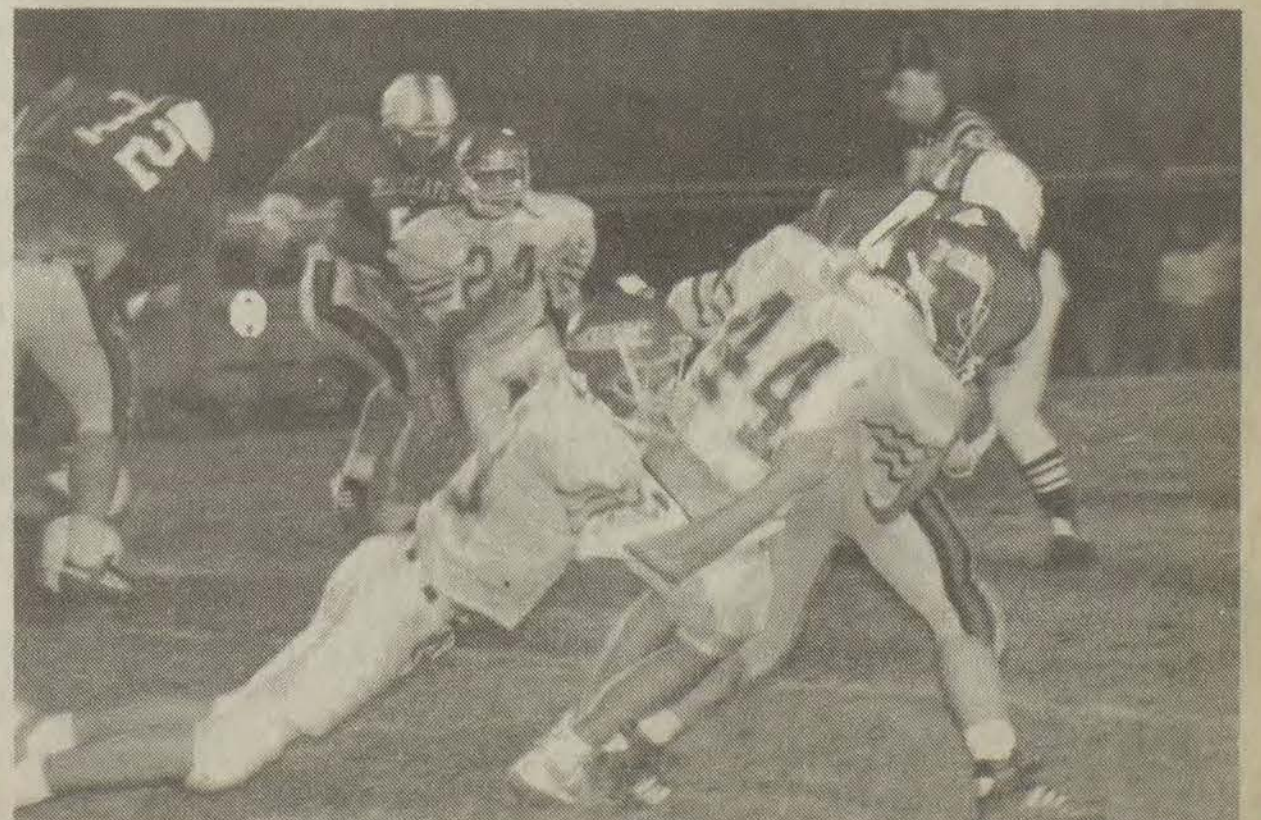

Defensively for the Rebels, Tim Stone led the way with four solo hits and 11 assists. "Tim just went wild defensively in this game," remarked Jamerson. Kevin Clatworthy had two solo hits and seven assists. Gibson chipped in defensively with one solo and eight assists. Jamie Rister had three solos and five assists.

COACHES THANK HOST

I received a letter from the Adams Middle School's basketball coaches, Gay Hatfield and James Allen, and also from the school's principal, Thomas Tackett, expressing their appreciation to the Flat Gap Elementary coaches, Debbie Melvin, Kim Meade and Principal Larry Pennington "for the fine hospitality" shown to them during the recent girls' basketball tournament at Flat Gap. "The players and B-team cheerleaders met us at the front door and said if they could help us in any way to let them know. We have never been treated with more respect and courtesy," the letter stated.

The folks at Flat Gap grade school are quality people. They are accommodating to all teams and are a good example for all schools to follow. We send our congratulations to the good people at Flat Gap.

FOOTBALL SEASON COMES TO AN END

The 1990 football season has come to an end for three of our four teams here in Floyd County.

First, we offer congratulations to the Prestonsburg Blackcats for the fine season they have had and wish them the best as they travel to Corbin this Friday night to play in the District 2 playoffs.

Second, we want to send our congratulations to the Allen Central Rebels upon their five game winning streak that gave Coach Dewey Jamerson and the Rebels their first ever winning season (6-5). The Rebels really put things together in the latter part of the season and had a great year. All Rebel fans should be very proud of them.

Third, to the Betsy Layne Bobcats and Wheelwright Trojans, who did not have the type of season they had hoped, we extend appreciation to both teams for efforts they put forth to have a successful program. I know the old saying, "wait until next year, is often heard at this time of the ball season, but you don't have to wait until next year. You are quality people; you are already winners and can hold your heads up high for your efforts. To the coaches that took time to practice and show patience toward these young men — thank you! I know you didn't hear that very much in the past season. Coaches Bill Letton, Gerald Newsome, Roger Johnson and Dewey Jamerson, with their assistants, have really worked hard for their respective programs.

The Floyd County Times sports department appreciates all your contributions, and your cooperation with this newspaper has made our job a little bit easier. We look forward to next season as the call to the grid iron is sounded once more.

DAVIS AND REDS OWNER MAKE UP

What is there to make up about? It was Eric Davis' agent that boggled everything. We all know how Davis was left alone in a hospital in Oakland after the Reds swept the A's in the World Series.

Davis was injured diving for a ball in the outfield. Poor Davis had to charter a private plane to bring him home after the Reds had already made arrangements on a commercial flight to come to Cincinnati. Seems his agent knew about the arrangements and remained silent, while Davis was shooting his mouth off about his mistreatment.

Most major league baseball players are just spoiled kids thinking the world owes them everything. Players today are nothing like the ones we used to watch play baseball in the '50s and '60s. Players played hard then so maybe, just maybe, they could get a raise the following year.

Now the "big bucks" has made most players act like selfish little children all over again. "Pay me and hope I have a good year" is the cry these days. Owners like Marge Schott are the reason for the "spoiled brats."

Until Friday, good sports and always be a good sport!

Blackcats

(Continued from B 1)

The score took eight plays covering 81 yards. Adams had completions of 33, 22 and 21 yards in the drive.

Prestonsburg retaliated with a touchdown on their next possession. The Blackcats moved from their own 28 on just six plays where Todd Goodman scored on a 20-yard run with 5:50 showing on the clock. Clark had a 40 yard completion to McGuire in the drive. Storey kicked the extra point to make it 34-8.

The defense of Aaron Stepp and Dicky Johnson on the Cougars next possession created some problems for the Morgan County offense. Mark Payne, on a sweep, was caught 10 yards behind the line of scrimmage by Johnson. On a third and 24, Robbie Watson intercepted an Adams pass and returned the ball to the Morgan County 6 yard line. Allen James entered the offensive lineup for the Blackcats (James had been out since he was hurt in the Belfry game) and carried for 3 yards. Clark hit James with a short pass behind the line of scrimmage but the fullback was thrown for a loss of 2 yards bringing up a fourth and 5. Coach Letton elected to go for the field goal and called on Storey for the try from 28 yards out. Storey had plenty of distance in his kick as the officials signaled the try good and Prestonsburg was on top 37-8.

Morgan County scored the final touchdown of the game in the fourth period on a 11-yard run by Steve Barker. The score was set up by a 23-yard pass completion from Adams to Collett. An offside penalty on Prestonsburg moved the ball to the 11 where Barker scored.

Coach Bill Letton began to empty his bench as some of the younger Blackcat players got into the game. Seth Hyden carried the football four times for 51 yards including a 38-yard punt return. Freshman Jody Comette had one carry of six yards. Ronnie Goodman carried twice for 5 yards. Dwayne Garza had 16 yards on two carries. Jason Crisp was at the quarterback position for the fourth quarter and did a good job of running the team.

"We had a super effort tonight," Letton said to his players following the game. "We had a super effort on offense and defense. We have the momentum going now considering we did not perform good last week (M.C. Napier game). This team can go as far as it wants. We have achieved one goal that we set at the start of the year — we have made the playoffs.

"Our next goal is at Corbin. We are not satisfied and we won't be until we knock off Corbin. That will be a big job to do."

Coach James Derossett related to the team in the dressing room what it meant to him to be able to come down and help Letton coach. "I am tickled to death to be part of this team. Some of the fans didn't get behind you and they gave up. Now they are trying to get back again." Derossett explained to the team that there is no second chance after Corbin. "You have to be dedicated and take football seriously." He then asked the team how much they wanted to win.

"We have the best football in front of us," said Letton. "The records go out the window and it's an 0-0 start."

Letton instructed his team to enjoy their victory over the weekend and get ready for practice Monday. "This is the first time all year we have been at full strength," said Letton. If the Blackcats should beat Corbin and Wayne County upends Whitesburg, the playoffs would return to Prestonsburg the following Friday.

There are almost six million red blood cells in a cubic millimeter of human blood.

"Corbin is a big team with good speed," described Letton. "They are good and hit hard. They have good size up front and hard runners." One player the Blackcats will have to contend with is Cory Reeves, a 6-2, 230 pound tight end who has been rated the tenth best in the state "a potential superstar with All-American ability."

"Their quarterback is one of the best athlete's who was an All-State defensive back last year," said Letton.

The victory gave the Blackcats a 6-5 record for the season compared to 4-7 last year.

Prestonsburg had a total unofficially of 322 offensive yards. The Blackcats rushed for 219 yards on 36 carries and Clark passed for 103 yards on six of 15 attempts. McGuire had five receptions for 91 yards and Tucker one for 16 yards and a TD. Prestonsburg fumbled the football one time and lost the fumble. They were penalized 45 yards on five calls. Crisp had one pass intercepted in the fourth period.

For Morgan County, who closes out their season at 3-8, the Cougars had 257 yards total with 165 coming on 32 carries. Adams was seven of 14 pass attempts for 92 yards. Collett was the leading receiver with two receptions for 44 yards. Mark Payne led the running game for the Cougars with 66 yards on 13 carries. Morgan County fumbled the football once recovering their own fumble. The Cougars were penalized 40 yards on five calls and had one pass intercepted.

It was also parent night at the game as the parents of senior ball players, cheerleaders and band members were honored at halftime. The Prestonsburg marching band did an excellent job of entertaining the fans between halves, also.

Ratliff, Morris Combine To Lead Adams Past Auxier, 52-35

The Adams Middle School Blackcats got 34 points from Thomas Ratliff and Larry Morris in a combined effort to lead Adams to a 52-35 victory over the Auxier Hornets in grade school basketball action. Morris scored 19 points while Ratliff tossed in 15. Ratliff did not play in the first half. Jason Spencer and Jason Spurlock each scored six points.

The Hornets played the Blackcats tough until the third quarter when they were outscored 21-14.

"I felt our team did a good job against Adams," said Hornet coach Jerome Greathouse. "We were outmanned and they have a good bench to go to. We just couldn't stay with them in the third quarter.

"I'm proud of our kids, because we stayed in the game. I feel that our team is starting to think as a team, thinking together. This is one of those games where you look good even in losing."

Adams led at the first two stops, 8-4 and at halftime 19-12. The Blackcats opened up a 14-point lead in the third quarter in winning 52-35.

Jason Burke led the Hornets in scoring with 15 points and Ervin Osborne added 10 while Catrell Farler tossed in eight.

"Ty (Wright) only had two points for us in the game," stated Greathouse, "but he played an excellent defensive game. Adams has a lot of talent to put on the floor."

The Blackcats remain undefeated

Trojans Fall At Elkhorn City 55-6 In Season Finale

Friday night the Wheelwright Trojans wheeled into Elkhorn City to face the Cougars in the season finale for both teams as the 1990 high school football season came to an end for those who have no playoff spots. The Cougars scored 35 first half points and went on to post a 55-6 victory over the Trojans who dropped their tenth consecutive game and end a somewhat disappointing season for the undermanned Trojan team. Wheelwright, not blessed with the number of players the larger schools have, had to use many of their players to go both ways.

Elkhorn City rushed for 363 yards in gaining just their fifth win of the season against six losses.

Kevin Rose got the scoring underway for the Cougars in the first quarter as he raced 17 yards for a touchdown and Jason Dales added the extra point to put the Cougars up 7-0.

Elkhorn City, after Wheelwright was forced to give up the football, scored again in the first period when Shawn Rowe scored from 36 yards out. Dales added the extra point and it was 14-0. However, first quarter scoring did not end until Eddie Morton scored on a one yard run. Dales scored his third extra point in the period.

Shawn Rowe scored two touchdowns in the second quarter, one on a 4-yard run and another on a 3-yard jaunt. Dales added the extra points and Elkhorn City went to the locker-room with a commanding 35-0 lead.

It was 55-0 in the second half when Kevin Rose scooted 79 yards untouched for a touchdown. Mike Aragon caught a 25-yard pass for a TD and Shawn Rowe darted in from 25 yards out for the final Elkhorn City touchdown. Aragon added the PATs after the two TDs.

Wheelwright got on the scoreboard and avoided a shutout in the fourth

period when Bryan Rhea caught a 58-yard pass from Steve Shelton to make the final score 55-6.

Elkhorn City had 12 first downs in the game. The Cougars rushed for 363 yards and passed for 69 on three completions in seven attempts. They had one interception for the only turnover in the game. The Cougars were penalized quite heavily in the rough-played game — 135 yards on 12 flags.

Rowe was the leading rusher for Elkhorn City with 185 yards on 18 carries. Kevin Rose finished with 95 yards on six carries and Morton had 69 yards on 12 attempts.

For Wheelwright, Ryan "the Speedster" Johnson was the leading rusher with 76 yards on 16 carries.

Wheelwright had 10 first downs in the game. The Trojans rushed for 103 yards on the ground and passed for 74 on two completions in nine attempts and the Trojans were intercepted twice. Wheelwright fumbled the football and lost the fumble once. On four calls, Wheelwright was penalized 45 yards.

Leads Martin

Floyd Hits 11 Straight Free Throws, Scores 16 Points To Lead Martin Past Harold

Krystal Floyd connected on 11 straight freethrows in hitting 12 of 14 charity tosses and teamed with Kathy Conn to lead the Martin Lady Flashes to a 43-34, hard fought victory over a very determined Harold Lady Red Devils. Both Floyd and Conn scored 16 points in the win and Veronica McKinney added eight points.

Martin held a 33-26 lead with 24 seconds to go in the third period when Jessica Hamilton, who finished the game 12 points, hit a long jumper to make it 33-28. A Martin turnover before the period ended gave the ball back to the Lady Red Devils where Hamilton hit a 25-footer to bring the Lady Devils to within three points, 33-30, before the period ended.

Melena Gearheart hit a jumper to start the fourth quarter to bring her Harold team to within one, 33-32, much to the pleasure of the Harold fans. Martin went cold at the foul line as they missed four straight and were guilty of some cold shooting from the

field. With 3:34 remaining Gearheart fouled out. Harold started putting the cold shooting Lady Flashes on the charity line, but Martin regained their form and canned four straight shots to pull back by five, 37-32. A basket by Conn made it 39-32. Both Floyd and Conn hit two pointers close to the end of the game to make the final margin of 43-32.

Hamilton led the Lady Red Devils with 12 points and Kelly Stanley added 10. Ashley Barley and Jessie Johnson each scored two points.

McKinney pulled down 11 rebounds for the Lady Flashes and Floyd collected seven as did Conn. Kathy Hall had nine boards in a good defensive outing.

Gearheart collected 11 rebounds for Harold before fouling out. Stanley had seven rebounds and Hamilton had five. Martin was 15 of 23 from the foul line and Harold hit four of 12. The win was 11 straight for the Lady Flashes without a loss.

A relief pitcher is allowed eight warm-up pitches when he comes into a baseball game.

HAROLD 6 13 9 4 (34): Jessica Hamilton, 5 8-2 12; Melena Gearheart, 3 4-2 8; Ashley Bartley, 1 0-0 2; Kelly Stanley, 5 0-0 10; Jessie Johnson, 1 0-0 2

Service to others
... the Pioneer purpose

Blind youngsters in Kentucky can play softball, thanks to the creativity of some 6,000 Telephone Pioneers in Kentucky who have outfitted softballs and bases with sound devices to permit real home-runs and real fielding in a game aptly dubbed "beep ball." These same children hunt Easter eggs, led by chirping sounds imbedded by Pioneers in plastic eggs.

But Pioneer efforts are not restricted to the visually disabled. They have refitted tricycles so children's arms can provide the momentum that their legs cannot. They have built entire parks and playgrounds designed for the disabled. Pioneers run Camp Bluebird, a camp for adult victims of cancer. And Pioneers have contributed approximately \$100,000 to Kentucky's Child Victim's Trust Fund, since the Fund was started in 1983.

Service is a natural habit for members of the Telephone Pioneers of America. They belong to the world's largest industry-related fraternal organization. Organized in 1911 by men and women who were the true pioneers of the telephone industry, the Pioneers have counted among their members a stellar list of those people who made — and continue to make — the telecommunications system in the United States and Canada second to no other nation in the world.

And as volunteers, Telephone Pioneers strive to make the world a more hospitable place for every living thing.

Pioneers are often the court of last resort when all else fails -- when there is no food, no shelter, no funding available. Add to that their professional and technical skills and you find roadblocks smashed in the most ingenious ways.

I want to thank the Big Sandy Council of Telephone Pioneers for the many years of outstanding leadership and for the many projects that have benefited the area. Recent leaders would include Judy Darnon who won ten awards during her term as president. B. R. Neal won four awards including tying for the best Council in Kentucky. Darryl Proffitt won four awards during his term last year.

Projects that come to mind include food baskets and gifts for the needy at Christmas and Thanksgiving, work at nursing homes providing projects that help those living there, Adopt-A-Corner project in Pikeville, cleanup at Dewey Lake, many years of work with Special Olympics, walk-a-thon, tree seedlings and others. Certainly the Big Sandy Pioneers is a great organization consisting of true dedicated employees of South Central Bell.

Do you know of an unmet need in our community? Just look in your phone book for the Telephone Pioneers of America or call Art Willett at 437-9038. The Pioneers like to help -- just like they've been doing since 1911.

Kentucky To Be On Tube In All 28 Games

Good news for all Kentucky Wildcat basketball fans. All 28 UK games will be seen on television either live or on a delay basis. A turnaround from last year when the Cats were banned from live television.

The UK Network will have seven games on a delay basis including previously unscheduled games at Mississippi and Florida. The network will also carry four games live from Lexington. ESPN will televise live seven UK games and the SEC Network will carry seven Southeastern Conference games. ABC, who has cut back drastically on their coverage of college basketball this year, will televise two UK games while rival network CBS has the Cats on but one time.

Missing from this year's UK schedule is the University of Kentucky Invitational Tournament, long the leader in holiday tournaments around Christmas time.

New on the UK schedule will be intrastate games with Western Kentucky and Eastern Kentucky as well as Louisville. This is to be the final year for the series with North Carolina and Kansas as UK coach Rick Pitino wants to schedule schools out of the New York area for some exposure for his Cats. Good exposure always helps in recruiting.

Of course the Big Four Classic at Indianapolis will be seen on ABC as the Cats battle Notre Dame. The traditional game with Indiana can be caught on ESPN. Kentucky will be in Cincinnati the second game of the season which can be seen also on ESPN.

The Cats will open their season

against Pennsylvania on November 24 in a live telecast from Lexington. No exhibition games are on the UK schedule as they are still prohibited from starting their season before the November 24 start.

The new TV schedule will afford all Kentucky fans, who will find it impossible to purchase tickets, an opportunity to catch all the action on

the tube.

Conference wise, it looks like the Crimson Tide of Alabama will get the nod as the favorite. Mississippi State looms as a large contender this year with Kentucky playing the dark-horse role. After 'Bama and State the field seems to be wide open. Enjoy the upcoming season! UK 18-10 this year.

NOVEMBER HUNTING SEASONS

As rich fall colors fade into cold winter gray, late November signals the opening of several hunting and trapping seasons across Kentucky.

Squirrel, rabbit, quail and furbearer seasons open statewide November 20. (Furbearers include mink, muskrat, beaver, opossum, red fox, gray fox, raccoon, weasel and striped skunk.)

Lauren Schaaf, director of the Division of Wildlife for the Kentucky Department of Fish and Wildlife Resources, anticipates an average to above-average rabbit and quail harvest. Squirrel numbers should also remain fairly high.

We've had a favorable growing season," says Schaaf, "largely because we haven't experienced extreme weather conditions."

Schaaf says a late frost last spring had a negative impact on Kentucky's natural mast crop (acorns, hickory nuts, etc.) and may mean a decline in squirrel numbers next year.

Grouse season also opens November 20 in the eastern portion of the commonwealth. Grouse hunting is permitted only east of the line formed by I-75 from the Kentucky/Ohio state line to US 60, south of US 60 to the Bluegrass Parkway, south of the Bluegrass Parkway to I-65 and east of I-65 to the Kentucky/Tennessee state line.

Although ruffed grouse were once abundant across Kentucky, the loss of suitable habitat brought on by intense urban development and forest

over-cutting have restricted the birds to the mountains and forested areas of Eastern Kentucky.

Thirty-five Eastern Kentucky counties open for taking bobcat November 20. Counties comprising the "Bobcat Harvest Zone" are listed in the Kentucky Hunting And Trapping Guide. A bobcat taking season is also offered at Land Between The Lakes (LBL) National Recreation Area. For complete information write LBL, Golden Pond, KY 42231.

Squirrel season closes after December 31. Rabbit and quail season closes after January 31, 1991 in Zone A, but remains open through February 17, 1991, in Zone B. (See the Kentucky Hunting and Trapping Guide for zone descriptions.) The taking season for furbearers closes after January 31, 1991. Grouse season remains open through February 28, 1991. Bobcat harvest concludes after January 31, 1991.

Many wildlife management areas (WMAs) have regulations which differ from the standard statewide guidelines. Sportsmen planning to hunt on a particular WMA should double check the Kentucky Hunting and Trapping Guide for regulations which may apply to that specific area.

The Kentucky Hunting and Trapping Guide is available at most locations where hunting and fishing licenses are sold. The booklet can also be obtained by contacting the Kentucky Department of Fish and Wildlife Resources, Division of public Relations, #1 Game Farm Road, Frankfort, KY 40601; phone (502) 564-4336.

564-4336.

The Kentucky Department of Fish and Wildlife Resources strongly recommends that small game hunters wear hats and outer garments having substantial hunter (blaze) orange. Although it is not a legal requirement, if ALL hunters wore the bright, fluorescent orange color, the risk of accidents could be greatly reduced.

CONSERVATION EDUCATION REACHES MILESTONE

Arlie Webb, 66, of Bedford, recently became the 100,000 person to successfully complete a Kentucky Department of Fish and Wildlife Resources approved hunter education course. The course was given in Trimble County (KY) by Hunter Training Officer Mary McQuillen.

Beginning March 1, 1991, persons born on or after January 1, 1975, must complete a state approved hunter education course and carry with them a hunter certification card while afield.

Of course, there are some exceptions. Children under 10 are exempt, but while hunting they must be accompanied by an adult able to take immediate control of the child's firearm or bow. Persons not required to have a hunting license are also exempt from the hunter education requirement.

To find out when the course will next be given in your area, call the Kentucky Department of Fish and Wildlife Resources' Division of Conservation Education, phone (502) 564-4762.

BUFFALO 24 VS PHOENIX 13
Bills won last encounter with Cards in 1986, 17-10. Phoenix leads series 3-2. Match ups look one-sided, but remember Giants-Cards (20-19), Bills-Jets (30-27) three weeks ago.

CHICAGO 24 VS ATLANTA 14
Wouldn't have guessed it, but Falcons lead series with Bears 9-6, but Chicago has won last two meetings. Bears continue to roll in NFC Central, with Atlanta still making trouble.

DETROIT 27 VS MINNESOTA 13
Vikings took another fourth quarter loss in early October game with Lions, 34-27, holding 20-10 halftime lead, Minnesota nose dived and gave up 24 points in second half. Lions favored.

KANSAS CITY 23 VS SEATTLE 20
In October get together in Seattle, Seahawk defense shut down Chiefs' running back Chris Okoye and Barry Word, with total of just 66 yards. Seattle won 19-7 on four field goals, last minute touchdown.

NEW ENGLAND 20 VS INDIANAPOLIS 19
Patriots edged Colts in second game of 1990 season, 16-14, New England quarterback Steve Gorgan completing 16 of 24 passes and TD. Colt quarterback Jeff George intercepted four times. Real toss up.

L. A. RAIDERS 28 VS GREEN BAY 17
Pack beat Raiders just once, but it was big one, quarterback Bart Starr leading Green Bay to second straight Super Bowl title in Super Bowl II, 33-14. Raiders have won all five meetings since then.

NEW ORLEANS 26 VS TAMPA BAY 24
Bucs finally broke six game losing streak vs Saints in Tampa last fall, 20-10, New Orleans leading series 8-4. Field goal plus quarterback Vinny Testaverde TD pass won game after 10-10 half time deadlock.

NEW YORK GIANTS 23 VS L. A. RAMS 17
Rams beat New York during regular 1989 season, 31-10, taking 24-3 halftime lead, quarterback Jim Everett completing 18 straight passes. In playoffs, wild card L.A. beat champ Giants 19-13.

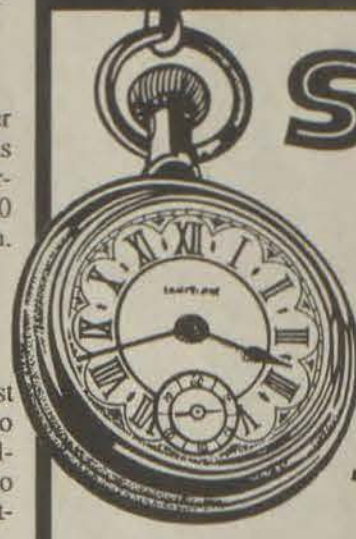

NEW YORK JETS 21 VS MIAMI 20
Jets proved stubborn in October meeting vs Dolphins in Miami. Jets held 13-0 halftime lead before quarterback Dan Marino led Dolphins to 20 point second half and 20-16 win. Close again.

SAN DIEGO 28 VS DENVER 27
Chargers gave Broncos trouble last season. In first match up, San Diego led 10-6 in fourth before Denver rallied to win 16-10. Later San Diego won first over Broncos in six meetings 19-16.

SAN FRANCISCO 27 VS DALLAS 10
Forty-Niners have won five straight over Cowboys including 1981 title (NFC) game. In 1989, Dallas held San Francisco to 14-14 tie until fourth quarter, 49ers scoring 17 points to win 31-14. Repeat.

Monday night game WASHINGTON 26 VS PHILADELPHIA 23
These two staged defensive struggle three weeks ago, quarterback Stan Humphries leading Redskins to 13-7 win. Total of six field goals missed. Eagles averted shutout with TD in last minute.

COLLEGE HIGHLIGHTS

The Louisville Cardinals are having their best season since 1972. Tied by San Jose State in their opener and beaten by Southern Mississippi in September, the Cardinals were 7-1-1 going into last week's game against Cincinnati. They close their very impressive season Saturday hosting Boston College. Along the way, Louisville has beaten both West Virginia and Pittsburgh. A win over the Boston College Eagles, who play a much stronger schedule, would be a great climax to an excellent season. We're picking Louisville.

Wyoming and Brigham Young have been battling all season for the number one spot in the Western Athletic Conference. The Cowboys of Wyoming, until last week's tough on the road encounter with Colorado State, were unbeaten. BYU lost to

Oregon outside the conference, but was also undefeated in the league before playing the Air Force last week. The two teams tangle in Laramie this week and we look for a Brigham Young victory.

It's another showdown day in the Southwest Conference between chasers of the league championship. Texas is at home against Houston. The Cougars are ineligible for post-season play, but along with T.C.U. are very much title possibilities. Houston's 47-9 win over the Longhorns last year hasn't been forgotten by Texas so this could be a day of reckoning. We favor Texas.

Tennessee and Notre Dame aren't gridiron strangers, but almost. They played a two game stand-off in 1978 and 1979, the Irish winning first 31-14, the Vols winning the second

meeting 40-18. We don't see either team winning by that big a margin this time. Tennessee is a slight favorite, and the Vols are at home.

Big Ten biggies: Iowa will beat Ohio State in Iowa City, and Illinois, well, it may get nipped by Michigan in Ann Arbor.

Martin Wins Over Harold, But Loses Slone For Season

The Martin Purple Flashes defeated the Harold Red Devils, 85-38 in grade school basketball action at Martin. But the Flashes of coach Jimmy Hopkins lost their leading scorer, Chad Slone, for the remainder of the basketball season. Slone injured both wrists while running in the Martin gym before school let out Thursday. According to Coach Hopkins, while running Slone reached out with both hands to brace himself as he headed toward a wall. Both wrists just bent backwards and Slone was taken to the hospital.

In the game, Martin placed four players in double figures, led by Byron Gearheart's 17 points. Toby Robinson, picking up some of the scoring slack created in the absence of Slone, tossed in 16 while Jason Bevins and Kevin Stumbo netted 10 points apiece.

Martin scored the first 10 points of the game before Joseph Stevens connected with a freethrow to break the drought with 4:03 remaining in the first period. Gearheart scored six of the first 10 points for Martin and Jason Bevins, controlling the backboards, had four. After Harold cut the lead to 10-3, Martin ran out to 21-3 with a 11-0 run and outscored the Red Devils 6-4 to close the first quarter with a 27-7 lead.

The Purple Flash pulled out to a 48-22 halftime advantage behind the scoring of Bevins and Clayton Tackett, who came off the bench. Dwayne Akers had six second quarter points for the Red Devils as they began to find the basket late in the period.

Coach Hopkins began to empty the bench in the third period and Adam Coleman, who shows a lot of talent, scored seven of his nine points

in a Martin run of 18-2 to climb to a 69-30 lead. Willie Meade of Harold had a good quarter, scoring eight points.

Meade led all Harold scorers with 18 points and Dwayne Akers tossed in six points.

Akers Last Second Shot Sinks Auxier In 53-52 Loss To Prater

It was a barn burner from start to finish. It was a game where both teams played like it was the county championship. But it was Prater that came away with a 53-52 win over a bunch of improved and determined Auxier Hornets.

Brent Akers hit a short jumper inside the foul circle with eight seconds to go to give the Cougars of Prater the win.

"It really hurt," said coach Jerome Greathouse, who seems to have the Hornets playing good basketball. "We just missed some shots we shouldn't have. And we took some shots we shouldn't have."

Greathouse was talking about a shot from the corner when his team was in a stall with 50 seconds showing on the clock and nursing a five-point lead.

"Those forced shots beat us," he said. "We were in pretty good shape holding the ball and Zenith (Hall, Prater coach) urging his team to come out and pick us up. We took a shot from the corner and missed."

On the missed shot, Prater's trip down court was profitable as they hit for a bucket to close to within three, 52-49. Once again the Hornets set up in a stall to milk the clock. Again a shot from the corner missed and Prater grabbed the rebound and scored cut-

ting it to one, 52-51.

"We went to a stall for the third time with just 15 seconds to go and we lost the ball," explained Greathouse.

On the turnover, Akers hit a basket with eight seconds showing to give the Cougars the 53-52 lead. Ervin Osborne's halfcourt heave fell short as the horn sounded.

"It was a team loss," stated Greathouse, "and no one person lost if for us."

Greathouse says he trying to teach his players a team concept, team spirit and no one player is to blame in a loss.

Ronnie Hamilton led the Cougars in scoring with 28 points while Akers finished with 23. Jamie Kidd scored the remaining two points for Prater.

Jason Burke scorched the nets for 27 points and Osborne added 12. Tyron Wright had a good outing for the Hornets with nine points and Catrell Farler scored four.

PRATER 12 10 14 17 (53): Ronnie Hamilton, 12-10-4 28; Brent Akers, 10-6-3 23; Jamie Kidd, 1-0-0 2.

at **AUXIER** 13 15 17 7 (52): Jason Burke, 10-11-7 27; Ty Wright, 4-2-1 9; Catrell Farler, 2-0-0 4; Ervin Osborne, 4-6-4 12.

Allen Finds Bulldogs Bite Hard In 79-54 Loss

The Duff Bulldogs are playing with a lot of confidence of late as they rolled past the Allen Eagles 79-54 in grade school basketball this week at Allen. "This is the first time I have ever beaten Allen since I have been coaching," said Bulldog mentor Ronnie Patton. "It was a better game than what the final score would indicate. They stayed within 10 and 12 points of us until the last three minutes of the game and then we scored 12 points in a blink of an eye."

The Bulldogs were led in scoring by eighth grade sensation Jeremy Hall with 31 points. Hall is averaging around 28 points per game. Donnie Combs added 15 points as did Jeremy Osborne. Osborne, along with his brother Jason, has added some depth to the Bulldog team. "It was a

matter of them learning our style of play," said Patton of the twins.

T. Lewis was the leading scorer for Allen with 18 points and Jason Williams tossed in 12 while C. Patton added nine.

The win ran the Bulldogs record to 9-1 on the season while Allen is still looking for their first win.

DUFF 17 17 18 27 (79): Jeremy Hall, 31; Donnie Combs, 15; Jason Osborne, 8; Matt Crawford, 2; Jeremy Osborne, 15; Donovan Hall, 6; Cecil Maggard, 2.

Slow Horse

Woodrow Conn and his wife, the former Ruby Branham, are living the good life of retirement at Betsy Layne. During Woody's long and interesting career with U.S. Gypsum Company, they have lived in several places — in Michigan, Massachusetts and Florida — but like so many Eastern Kentuckians, they had wanted to come "home" again.

For almost any family get-together — and even when the Conns were visiting from those other states — Woody has been expected to tell,

again and again, about his youth and the time he got so excited he out-ran his horse.

He always brings in some new point and has touches of color that I'm not able to capture, but basically this is his story:

The family was living at Dana, on Prater Creek, and horseback riding was the chief means of travel. For a boy to have his own horse was somewhat like having a Corvette in these days.

There was a house in the community that had a reputation of being

"haunted." There had been an explosion that killed some family members and blew the back walls out. What was left of the dwelling stood beside the road on Prater Creek and people reported having heard strange noises emanating from it.

One summer day Woody, a teenager, had reason to ride his horse to Harold, a trip that would bring him back across Prater Hill at dusk.

As he approached the house he thought of the eerie stories he had heard. Then, just as he came along-

side it, sure enough, there was a distinct snorting sound and a loud, "clop, clop."

He jumped off his horse and went flying home on his own two legs. He reached his house in such a state that even the people next door became aware of the scare.

His Uncle, Jim Conn, and another neighbor, Farley Akers, decided to go check the noises, and on their way met Woody's riderless horse coming home along. They soon found that another horse had gotten loose and entered the shell of a house, walking

on the wood flooring.

Back home again, Uncle Jim asked, "Woodrow, why did you abandon your horse?"

"Because," he answered, "I knew he couldn't run as fast as I wanted to go."

Limitations

As we think about the many young people from this area who are serving in the military, I am reminded of a story about another Kentucky service man.

During World War II, many non-swimmers at the naval training stations were required to take swimming lessons nightly, after a full day of drilling, until they became qualified swimmers.

One new sailor was getting nowhere, and the chief in charge of instructing him asked, "What's the matter, boy? Why can't you swim? Haven't you got water in Kentucky?"

After a short blank stare, the recruit replied, "Yes, sir, Chief! We have air, too, but I can't fly!"

On the move, but where?

God's Pantry needs new home

by Kathleen Carroll

A service that has, for the past several years, helped others now needs our help. In July the Christian Appalachian Project notified God's Pantry that it would have to relocate. "Since then, we've been desperately trying to find new facilities," said manager Debbie Amburgey. "We feel certain that someone out there could help us."

Currently based in West Prestonsburg, God's Pantry Crisis Food Center is an ecumenical, community-based program established to meet the hunger and nutritional needs of the people in 48 counties in Central and Eastern Kentucky. Through its food bank program the pantry provides both food and non-food products to private, non-profit organizations who are involved in meeting the needs of the hungry poor.

Although no official deadline has been set, God's Pantry and its operation will have to vacate their present facilities by December to make way for a new factory. The Christian Appalachian Project plans to run a factory repairs parts for house trailers, boat trailers and boats.

Amburgey explained that locating new facilities will require some planning. "We need about 35,000 square feet of space with good access and possibly a loading dock, but we're not picky," added Amburgey. "If possible, we will need some refrigeration, a former food store would be ideal."

"The most difficult part of finding a new home for the Pantry is our limited financial resources," Amburgey said. "We have no funds to apply toward rent. CAP was allowing us free use of this space and we won't find that anyplace else."

Amburgey hopes that one of the many concerned citizens of this area will come forward with a proposal. "We're looking for an offer we can't refuse," she said. "We're hoping that someone will offer us a space to rent for \$1 a year — negotiable once we get our feet on the ground — strictly a tax write-off."

Location, too, will be a factor to consider. The new home for God's Pantry will need to be in either Floyd, Pike, Magoffin, or Johnson counties. "There's talk of moving the pantry to Perry county and I can't see that. Not only would it mean I would have to travel there to work, but all the agencies we service would have to find transportation to Perry county as well. That may mean some agencies would no longer be able to use the Pantry to help ease the needs of this area."

To increase the awareness of the problems of hunger and poverty that plague eastern Kentucky, God's Pantry sponsored a "Walk for Hunger" on Saturday, Oct. 20, 1990. "We wanted people to know," said manager Debbie Amburgey, "that we are here to help."

The "Walk for Hunger" was held at Jenny Wiley State Park. Supporters from Martin, Garrett, Prestonsburg, Virgie, Toler, Auxier, Water Gap, and Thelma turned out to enjoy the brisk autumn morning and share conversation and fellowship while they helped others.

Those who participated in the

"Walk for Hunger" included: Gwen Williams, Margaret Conn, Donald E. Hughes, Ron Hooker, Judy Hooker, James Butcher, Jean Rosenberg, Katrina Thompson, Carolyn Stout, David M. Varney, Lola Brashear, Dodie Webb, Tara Daniels, Virginia Powers, Ricky Thomas, Aaron Frye, Debbie Hall, Anthony Hall, Scheryl Tackett, Karen Rice, Tina Varney, Glenda Tackett, Eddie Tackett, Eddie Tackett Jr., David Amburgey, Brandon Amburgey, Georganne Brown, Jon H. Johnson, Debbie Amburgey, and Charles P. Slone.

Prizes were donated by several business and citizens. A Nintendo Game was donated by Mark Tackett and won by the PCC Single Parents Program for collecting the most funds, over \$500. The Vietnam Veterans and K-Mart of Paintsville donated a bicycle, awarded to Brandon Amburgey as second prize for collecting over \$400. Eddie Tackett won the 17-inch pizza that was donated by Hobert's Pizza. Margaret Conn won the floral arrangement donated by Dye's Florist. The cut and style donated by Fantastic Sam's of Prestonsburg was won by David Varney.

Several walkers also donated funds and refreshments, including: Ron and Judy Hooker and Worldwide Equipment, Lola Brashear and Champions Against Drugs, David and Tina Varney and Church of Christ, and Jean Rosenberg and the PCC Single Parents Program.

Other contributors to the "Walk for Hunger" included Foodland of Martin, Food Lyon and Food Lyon II of Prestonsburg, Dairy Queen of Prestonsburg, and Pepsi Bottling Company.

Because pledges are still being collected, it is impossible to calculate the amount of money raised. Donations will, of course, still be accepted.

And, of course, a new home must be found for one of this area's most important services. Anyone knowing of a place that might be suitable and still meet the financial restraints God's Pantry faces, please contact Debbie Amburgey at 886-8598 or 886-1719.

It's time to "Warm a Heart"

After reading an article in the Lexington Herald-Leader Sunday, my mind began turning somersaults.

by Kim Frasure

The article was about a mother and her two children who are now among the ranks of Lexington's homeless. Many of us wish there were ways to help those in need. But where do we go, or what can we do? Or, if you are like me, you may wonder how you could offer anybody help when you are barely keeping your head above water. We all think, "What if it were me?" Our attention is drawn in another direction, and off of trying to offer our help.

Then I remembered a promotion I had planned for the month of November. This promotion is different. It is one where the members of our staff, as well as any of you, can bring a smile to a child's face and warmth to the soul.

The promotion, "Warm a Heart," is not for just the homeless, but for children of all ages in need of warmth this coming winter. All it takes is people, like us, donating coats, snow suits, or gloves and boots that are clean and in good condition. And it's easy, too. All donations can be dropped into the large "Warm a Heart" box located in my office here at the Floyd County Times. The office is open from 9 a.m. to 5 p.m., Monday through Friday. We encourage the area's schools to let us know if a student in their school needs a winter coat. Just contact me, Kim Frasure, at 886-8506.

Just think how wonderful you will feel knowing you have helped provide warmth to a child and put a sparkle in their eyes.

So, as always, 'till next week... bring those coats in and let's all pull together to help "Warm a Heart."

Poison Oak

Give us a choice

I don't know about you, but I'm tickled to death that the election's over. I feel like Noah must have felt when it stopped raining.

Now, I'll admit I've never been overly fond of politics. At the same time, however, I have been open minded enough to tolerate it, realizing that politics is a minor flaw when we look at the big picture. After all, we still live in the greatest country in

the world. If politics must be a part of it, then so be it.

I was getting pretty tired, though, of the steady diet of near-slanderous TV commercials. For some reason it was of no interest to me who's operating the marionettes in Washington or who's prescribing drugs for himself.

Somebody really does need to take a good, long look at all this negative campaigning. I mean, there's got to be something wrong with a system

that pairs two candidates whose only purpose in life seems to be to tell the whole world what a dirty, rotten scoundrel the other one is. Such shenanigans are an embarrassment to both democrats and republicans.

Maybe I missed the point here, but such ads simply turn me off. I wish that just once a candidate would say something positive. It's enough to make me fear voting for either man. I get to thinking, "What if I vote for

this guy and he actually wins? How could I ever live with myself?"

To make matters worse, we Eastern Kentuckians live smack in the middle of the tri-state region. Since our primary TV channels come from Huntington and Charleston, we get a triple dose. Not only are we forced to listen to Kentucky's candidates, if we watch commercial TV, we're exposed to those from West Virginia and Ohio too. I kept hoping that the

little, pink, drum-beating rabbit would interrupt. Unfortunately, it never did.

I even considered setting my VCR in hopes of recording a commercial about Zamfir, master of the pan flute, or maybe the one where the elderly lady yells, "Help me! I've fallen and I can't get up." Either would have been refreshing by comparison.

Anyway, it's all over and the winners have been determined. The sad thing is that I'm afraid that the

general public must be listed among those who lost. How could we win? We didn't even know what the issues were — beyond, of course, that it's the fat cats who pull the strings and at least one candidate hadn't lanced a boil in 20 years.

Wouldn't it be wonderful if someday we could close the little curtain, face the machine and have a real choice: a little lever marked "None of the above?"

Couple united in holy matrimony

Mr. and Mrs. Todd Sims

Stacey Michelle Fields and Jeffrey Todd Sims were married on Saturday, August 11, at Hurstbourne Baptist Church in Louisville.

Stacey is the daughter of Paula Blackburn of Louisville, formerly of Hi Hat, and Terry Fields of Berea. She is the granddaughter of Mrs. Virginia K. Meade and the late Thomas Meade of Hi Hat. Jeffrey is the son of Priscilla Sims of Lexington and Jimmy Sims of Wilmore, Ky.

The 5 p.m. candlelight ceremony was officiated by Reverend James Pollard. Nuptial music was presented by Sandra McCormack, organist, Dennis Skeleton, trumpeter, and Cindy Collier, soloist.

The bride was given in marriage by her father. Serving as matron of honor was Melinda Litton of Norfolk, Va. Bridesmaids were Rebecca Neice, the bride's cousin, of Lexington, and Angie DeRossett, the groom's sister, of Gulf Breeze, Fla.

Richard Mallow, of Louisville, served as best man. Other groomsmen were Tim DeRossett, brother-in-law of the groom, from Gulf Breeze, Fla., and Jimmy Sims, father of the groom.

Ushers were John Meade, cousin of the bride, of Hi Hat, and Douglas Blackburn, stepbrother of the bride, of Louisville.

The flower girl was Paige Ingram, cousin of the groom, of Evansville, Ind. Serving as ring bearer was Dane Blackburn, stepnephew of the bride,

of Louisville.

Following the ceremony the reception was given at Wildwood Country Club.

The bride is a 1987 graduate of Berea Community School and attends the University of Louisville where she is a senior accounting major. She is currently employed with Monumental Life Insurance Company of Louisville.

The groom is a 1983 graduate of Tates Creek High School in Lexington, and a 1987 graduate of the University of Louisville with a degree in Communication. He is a member of Tau Kappa Epsilon Fraternity. He is currently employed as a sales manager with WINN radio in Columbus, Ind.

Following a wedding trip to Maderia Island, Fla., the couple will reside in Louisville.

Here it is, the first of November—or "Turkey" month. I have a "cut-and-come-again vegetable" article for this and several other weeks. It would be either too long or too telegraphed to try it all in one.

Just one planting of all season greens—like Kale, lettuce, chard, cabbage, New Zealand spinach, escarole and bunching onions, to name a few—will keep a steady vegetable harvest for the gardener.

Vegetables that continue to yield even after repeated cuttings make things easy for us gardeners. We don't have to grub, or pull out and till up and replant for a continuous harvest. It is ours with one planting IF we keep them well weeded, watered and fertilized. Knowing these crops can be harvested over several weeks or months take some of the pressure off the home food processor. It isn't

Bentley, Jones to wed Nov. 10

Mr. and Mrs. Johnny Jones of Burshy Creek in Pikeville wish to announce the forthcoming marriage of their son, Frank Jones to Kathy Bentley, daughter of Anna Smith Bentley and the late Jimmie Bentley of Allen.

The groom is a 1986 graduate of Johns Creek High School and is employed by Busy Bee Co. of Pikeville.

The bride is a 1989 graduate of Betsy Layne High School.

The couple will be united in marriage at the First Baptist Church of Allen by Rev. French Harmon Saturday, Nov. 10, at 2:30 p.m. The gracious custom of an open ceremony is observed. Everyone is invited to attend.

necessary to freeze and can such large quantities, since they are fresh for the picking over a longer season.

New Zealand Spinach is far more reliable and productive than regular spinach. This spinach will produce here from July through November, if it is picked often. The plant forms more branches in the leaf axils, therefore the more you pick—the more the plant produces. One plant can cover four to six feet of ground by the time a hard frost kills it.

Although New Zealand Spinach grows best in warm weather, the seeds will germinate in cool temperatures, 55 degrees or lower. The large crown shaped seeds have a hard seed coat so you should soak them overnight before planting. You can plant this vegetable in rows or hills. Space hills three to four feet apart both ways. In rows sow about eight inches apart and as soon as it is eating size pull up (and use) all plants between 24 inch spaces in rows. I might add this spinach is more of a vine than a plant. A good garden loom is all that is required for this vegetable and it is almost, if not completely, insect free.

Kale: If I were to name this green as I do our cats, dogs and goats, I'd call it "Old Reliable." This member of the cabbage family is at its best under the bleak conditions that discourage other garden vegetables—

and gardeners. Cold days, frosty nights, and snow is all this ruffled, heavy-gauge green leaf plant lives for.

Before frost, Kale's flavor is somewhat strong, even disagreeable to most people. After freezing, it becomes milder than cabbage and quite tasty. The more freezing weather, the milder kale becomes. Kale is a high vitamin food. After cooking it is extra high in vitamins A and C, plus Iron, and it has only 39

calories.

If you pick off single outer leaves instead of the whole crown you will have a continuous supply throughout the cold winter months—Kale loves snow, almost as much as I do!

Mortgage assistance helps consumers
 The home buying process is becoming more streamlined and efficient, due to the growing involvement of real estate brokers in mortgage origination, according to the National Association of Realtors. The ability of real estate brokers to fulfill consumer demand for additional services, and their right to collect a fully disclosed fee for doing so, was discussed today by NAR President Norman D. Flynn during a congressional hearing before the housing subcommittee of the House Banking Committee. The provision of mortgage location assistance—matching a buyer with a loan to complete a home sale—by real estate brokers is part of an evolution in home buying that is headed toward "one-stop shopping," which is made possible through computerized loan origination (CLO) systems. Contrary to some claims, payment to real estate brokers using the systems does not violate the Real Estate Settlement Procedures Act (RESPA), Flynn said. The law, enacted in 1974 to raise consumer awareness about the nature and cost of settlement fees, does prohibit payments for simple lender referrals, which involve no work from a broker. However, the law clearly allows the collection of fees for actual services rendered. NAR opposes fees based solely on simple referrals. However, the association believes real estate brokers are entitled to remuneration for all services performed in the sale of a home, provided the fees are fully disclosed, and that using the services is not required. No legal or ethical barrier exist to prohibit the collection of such fees, Flynn said.
