

November 16, 1915.

Mr. J. W. M. Stewart,  
Secretary, Elk Horn Mining Corporation,  
14 Wall St., New York City.

Dear Sir:

As the time is fast approaching to lease the  
tracts of the Elk Horn Fuel Company and Tennis Coal  
Company for the year 1916 I would like to know whether  
I shall proceed to lease them as heretofore.

I understand that the Tennis Coal Company is  
to be conveyed to another company but that this transfer  
may not be made before the first of the year, and, as the  
Elk Horn Fuel Company's tracts are being transferred to  
the Elk Horn Coal Corporation, I thought perhaps the leases  
should be made in the name of the new company.

Specific directions are requested.

Very truly yours,

Land Agent.
