Tract T-73

Mr. Jesse Morgan,

Hazard, Kentucky.

Dear Sir:-

I have delayed replying to your letter of February 12th in which you enclosed the report of reviewers in which a change in a County road in proposed on our W. B. Engle tract on Troublesome Creek, because I expected to have occasion to send Mr Vaughan to Perry County and if I did I wanted a report on the matter. I did not care to have him make a special trip for this ~~purpose~~ object alone and as I find I am not likely to send him over in the very near future I will not delay longer.

From the maps and other information I have and Mr. Vaughan's knowledge of the locality I see no objection to the proposed change of road as per the review and will consent to the change provided you know of no reason that would make it disadvantageous to the Tennessee Coal Company. I assume that you would have advised in the matter if there had been reasonable objection from our Company's point of view.

Very truly yours,

AHC/c

Land Agent.
